00:00:14,480 --> 00:00:20,390
significantly upgrade some of our stuff

5
00:00:21,859 --> 00:00:29,010
Joe has the soundboard as you can hear I

6
00:00:24,989 --> 00:00:32,509
do in bro good you seem a little kind of

7
00:00:29,010 --> 00:00:37,200
you always want to like you need to look

8
00:00:32,509 --> 00:00:40,468
- how am I not and the fucking thing I

9
00:00:37,200 --> 00:00:42,840
don't know you just don't see you keep

10
00:00:40,469 --> 00:00:43,590
moving back and out of frame what's

11
00:00:42,840 --> 00:00:47,910
wrong with you

12
00:00:43,590 --> 00:00:53,609
well you're a stupid their patent bring

13
00:00:47,909 --> 00:00:57,448
your small news a little forward you

14
00:00:53,609 --> 00:00:59,250
guys look here's the city Joe and I have

15
00:00:57,448 --> 00:01:01,079
been talking about what we should be

16
00:00:59,250 --> 00:01:02,850
talking and discussing with UFOs and

17
00:01:01,079 --> 00:01:04,409
stuff like that and frankly there's just

18
00:01:02,850 --> 00:01:08,460
too much shit going on in the world

19
00:01:04,409 --> 00:01:18,240
right now there's like a Chad there's

20
00:01:08,459 --> 00:01:19,649
too much there's too much crazy stuff

21
00:01:18,239 --> 00:01:20,908
going on in the world right now so we

22
00:01:19,650 --> 00:01:22,920
feel like we should just talk about it

23
00:01:20,909 --> 00:01:25,950
that's neither there squirrel turds out

24
00:01:22,920 --> 00:01:28,019
oh yeah do you think we're going into

25
00:01:25,950 --> 00:01:29,969
the next world war may be great I'm

26
00:01:28,019 --> 00:01:33,170
gonna talk about that right now what do

27
00:01:29,969 --> 00:01:35,789
you think Jim are we heading there

28
00:01:33,170 --> 00:01:37,049
probably yeah looks like it well you

29

00:01:35,790 --> 00:01:43,560
know Trump said today the United Nations

30
00:01:37,049 --> 00:01:48,750
that North Korea could be destroyed if

31
00:01:43,560 --> 00:01:53,030
they continue their no from you we will

32
00:01:48,750 --> 00:01:55,769
destroy how's everybody doing

33
00:01:53,030 --> 00:01:58,710
this is by the way here this feels

34
00:01:55,769 --> 00:02:02,658
better I don't know okay this is our

35
00:01:58,709 --> 00:02:02,658
second video cast

36
00:02:02,930 --> 00:02:07,880
from here forever we will continue to do

37
00:02:05,659 --> 00:02:09,469
these as long as we look fabulous let's

38
00:02:07,879 --> 00:02:14,419
see there's those Geoghan sitting out a

39
00:02:09,469 --> 00:02:14,960
shot oh you weren't sitting out of the

40
00:02:14,419 --> 00:02:26,089
shot

41
00:02:14,960 --> 00:02:28,460
I had half the window blocked actually

42
00:02:26,090 --> 00:02:31,879
were framed well we were the great it

43
00:02:28,460 --> 00:02:34,520

was the the window on the machine on the

44

00:02:31,879 --> 00:02:38,900

television or on the machine speaker to

45

00:02:34,520 --> 00:02:40,520

tell a resort for Mexico I know what was

46

00:02:38,900 --> 00:02:42,439

like seven points in the earthquake yeah

47

00:02:40,520 --> 00:02:44,990

and the one before that was a guy five

48

00:02:42,439 --> 00:02:47,000

or six five or six yes growing see what

49

00:02:44,990 --> 00:02:55,159

that means it's time to get dependence

50

00:02:47,000 --> 00:02:58,310

lad I yeah and then we had another

51

00:02:55,159 --> 00:02:59,900

hurricane yeah what's that five in a row

52

00:02:58,310 --> 00:03:00,319

four in a row I think it's the fourth in

53

00:02:59,900 --> 00:03:03,080

a row

54

00:03:00,319 --> 00:03:05,719

Jesus Christ it's really sad it's like

55

00:03:03,080 --> 00:03:09,800

Bahamas were you know of course we're on

56

00:03:05,719 --> 00:03:13,039

the west coast and our big thing is what

57

00:03:09,800 --> 00:03:16,580

earthquakes we get little ones in the

58
00:03:13,039 --> 00:03:18,109
Bay Area San Jose Santa Cruz little

59
00:03:16,580 --> 00:03:21,469
tremors turned them in no hurt they're

60
00:03:18,110 --> 00:03:27,980
expecting a huge quake down here that

61
00:03:21,469 --> 00:03:32,000
could separate California yay exactly

62
00:03:27,979 --> 00:03:36,099
this year to kick hot straight it's true

63
00:03:32,000 --> 00:03:38,629
we have an echo it delays it goes that

64
00:03:36,099 --> 00:03:40,729
you can't keep up so you start talking

65
00:03:38,629 --> 00:03:43,669
lighter you start talking like a retard

66
00:03:40,729 --> 00:03:46,189
and then you die it's hard it's a

67
00:03:43,669 --> 00:03:49,518
musical tone so we're not using it or no

68
00:03:46,189 --> 00:03:54,050
car turn retard the timing exactly slow

69
00:03:49,519 --> 00:03:57,739
down like you don't touch me you're kind

70
00:03:54,050 --> 00:04:02,630
of retard musically you know like the

71
00:03:57,739 --> 00:04:04,719
end of a song starts to slow down it's

72
00:04:02,629 --> 00:04:07,609
not funny

73
00:04:04,719 --> 00:04:11,329
well you know us is not funny hurricanes

74
00:04:07,610 --> 00:04:15,680
and earthquakes and thermonuclear war

75
00:04:11,329 --> 00:04:16,680
and and the big fat man bacon and a

76
00:04:15,680 --> 00:04:21,900
bunny

77
00:04:16,680 --> 00:04:23,629
yes good truck call them Rocket Man you

78
00:04:21,899 --> 00:04:26,489
know what's actually really kind of

79
00:04:23,629 --> 00:04:29,668
terrifying is that Dennis Rodman

80
00:04:26,490 --> 00:04:33,689
recently said that he could probably be

81
00:04:29,668 --> 00:04:36,659
a mediator between the US and Kim Jong

82
00:04:33,689 --> 00:04:39,990
and kingly that Dennis Rodman here to

83
00:04:36,660 --> 00:04:42,600
save us all your best friends

84

it's going on our podcast so that we can

96
00:05:18,300 --> 00:05:20,780
kind of just kill two birds with one

97
00:05:19,589 --> 00:05:26,279
stone

98
00:05:20,779 --> 00:05:27,538

104

00:05:43,259 --> 00:05:49,168

download like I think all the way down

105

00:05:45,209 --> 00:05:51,209

to our first episode which sure which if

106

00:05:49,168 --> 00:05:53,370

it's gotten any better or worse but if

107

00:05:51,209 --> 00:05:58,288

you think every single week there is 52

108

00:05:53,370 --> 00:06:02,610

there's upcoming 52 podcast huh

109

00:05:58,288 --> 00:06:04,408

well yeah I was uh one by fast in it I

110

00:06:02,610 --> 00:06:07,620

was looking some pictures and realized

111

00:06:04,408 --> 00:06:09,959

that Jo we were in area 51 like actually

112

00:06:07,620 --> 00:06:12,269

like this time last year those tours do

113

00:06:09,959 --> 00:06:15,000

in the month almost exactly this time

114

00:06:12,269 --> 00:06:16,500

was our first trip as a UFO Bros where

115
00:06:15,000 --> 00:06:18,360
we went to area 51 and for those of you

116
00:06:16,500 --> 00:06:20,098
who don't know that was a trip like like

117
00:06:18,360 --> 00:06:21,598
I mean that in both ways maybe was a

118
00:06:20,098 --> 00:06:25,408
trip there was a trip to be there

119
00:06:21,598 --> 00:06:30,120
because they have robots yeah they have

120
00:06:25,408 --> 00:06:32,039
one of their eyes it's a pretty

121
00:06:30,120 --> 00:06:35,970
dating actually but of course you know

122
00:06:32,040 --> 00:06:37,530
we brought Evy with us and they did a

123
00:06:35,970 --> 00:06:39,210
little dance Joe and Phoebe did a little

124
00:06:37,529 --> 00:06:41,359
dance for the cameras for the camel guys

125
00:06:39,209 --> 00:06:43,109
I think we got a thumbs up didn't he

126
00:06:41,360 --> 00:06:45,330
yeah we did

127
00:06:43,110 --> 00:06:50,669
we got an acknowledgement of sorts that

128
00:06:45,329 --> 00:06:54,000
did not include a gun I don't think they

129
00:06:50,668 --> 00:06:55,918
even have to like if you seriously break

130
00:06:54,000 --> 00:06:59,449
into area 51 do they have to be like you

131
00:06:55,918 --> 00:06:59,448
have the right they can just shoot you

132
00:06:59,959 --> 00:07:05,430
used to say we can um use deadly force

133
00:07:03,810 --> 00:07:07,168
used to say on the sign well I mean

134
00:07:05,430 --> 00:07:08,400
that's what I'm saying like if their

135
00:07:07,168 --> 00:07:13,439
knees deadly forced me they're not going

136
00:07:08,399 --> 00:07:17,159
like you know the right yes and there is

137
00:07:13,439 --> 00:07:20,879
a very famous YouTube video that doesn't

138
00:07:17,160 --> 00:07:23,910
motorcycles yes but it it is said that

139
00:07:20,879 --> 00:07:27,779
it might be fake oh and they might have

140
00:07:23,910 --> 00:07:29,370
stated no way that's what I heard yeah

141
00:07:27,779 --> 00:07:32,339
those guys it's the same truck that they

142
00:07:29,370 --> 00:07:35,399
try they're all coming out and I I think

143

00:07:32,339 --> 00:07:40,500
that'd be too too hard to hoax that it

144
00:07:35,399 --> 00:07:43,199
uh who knows I don't know well all you

145
00:07:40,500 --> 00:07:46,589
would need is some desert area a couple

146
00:07:43,199 --> 00:07:48,228
friends in uniforms a truck no because

147
00:07:46,589 --> 00:07:51,299
there were signs to say do not pass this

148
00:07:48,228 --> 00:07:52,620
thing oh well I don't know I really have

149
00:07:51,300 --> 00:07:54,449
to look into it I just remember seeing

150
00:07:52,620 --> 00:07:58,139
and thinking holy crap at the time like

151
00:07:54,449 --> 00:08:01,110
you know what actually I think was the

152
00:07:58,139 --> 00:08:02,340
most crazy thing in that video was the

153
00:08:01,110 --> 00:08:08,460
fact that you could see the officer

154
00:08:02,339 --> 00:08:08,609
stationed there just yes you can see

155
00:08:08,459 --> 00:08:12,419
them

156
00:08:08,610 --> 00:08:14,860
[Music]

157
00:08:12,420 --> 00:08:16,360

I'm having fun what's that North Quay

158

00:08:14,860 --> 00:08:20,590

Reverend oh the fun won't you join us

159

00:08:16,360 --> 00:08:23,189

yes please join us UFO Bros TV um we are

160

00:08:20,589 --> 00:08:26,379

kind of talking about UFOs and aliens

161

00:08:23,189 --> 00:08:27,370

area 51 as you all know is actually by

162

00:08:26,379 --> 00:08:33,759

the way a lot of people don't know this

163

00:08:27,370 --> 00:08:35,080

is actually has been publicly I guess

164

00:08:33,759 --> 00:08:38,139

you could say disclosed as an actual

165

00:08:35,080 --> 00:08:40,030

part of our yes maybe you take military

166

00:08:38,139 --> 00:08:42,279

bases and you possibly say that

167

00:08:40,029 --> 00:08:44,949

no no Barack Obama said it he said oh

168

00:08:42,279 --> 00:08:47,230

did he say now he did he said I believe

169

00:08:44,950 --> 00:08:49,629

it was a press conference that he said

170

00:08:47,230 --> 00:08:51,690

he said something about area 51 and said

171

00:08:49,629 --> 00:08:54,879

I believe I'm the first president to

172
00:08:51,690 --> 00:08:56,440
publicly acknowledge area 51 yeah

173
00:08:54,879 --> 00:08:56,919
acknowledge it but didn't say anything

174
00:08:56,440 --> 00:09:01,060
about it

175
00:08:56,919 --> 00:09:06,569
no but Jimmy Fallon did Jill not Jimmy

176
00:09:01,059 --> 00:09:10,479
Fallon Jimmy Kimmel did ask president

177
00:09:06,570 --> 00:09:14,580
who he asked President Bush President

178
00:09:10,480 --> 00:09:17,680
Obama President Clinton Hillary Clinton

179
00:09:14,580 --> 00:09:20,009
he better ask Donald Trump he asked him

180
00:09:17,679 --> 00:09:23,319
all the time

181
00:09:20,009 --> 00:09:28,389
have you looked into the UFO phenomenon

182
00:09:23,320 --> 00:09:30,340
are aliens real and they never say no no

183
00:09:28,389 --> 00:09:33,159
yes sure and they don't say yes they

184
00:09:30,340 --> 00:09:34,090
just wheeze or the weasel their way out

185
00:09:33,159 --> 00:09:35,769
of the conversation it's really

186
00:09:34,090 --> 00:09:37,450
interesting Barack Obama though I think

187
00:09:35,769 --> 00:09:40,539
I think I showed you that video I

188
00:09:37,450 --> 00:09:42,690
couldn't tell if he was you don't he had

189
00:09:40,539 --> 00:09:46,779
a good blend of seriousness but

190
00:09:42,690 --> 00:09:48,490
playfulness in his answer agreed what we

191
00:09:46,779 --> 00:09:54,089
do you know I'm trying to figure this

192
00:09:48,490 --> 00:09:54,090
people talking stupid Shh

193
00:09:56,159 --> 00:10:01,449
you don't want to see us I don't wanna

194
00:09:58,509 --> 00:10:05,919
see myself see you see me well why do I

195
00:10:01,450 --> 00:10:07,120
want to see that just stay on the X can

196
00:10:05,919 --> 00:10:08,620
you log in and see if we have any

197
00:10:07,120 --> 00:10:10,810
chatters on YouTube well that's

198
00:10:08,620 --> 00:10:13,120
beautiful in some sort of way how would

199
00:10:10,809 --> 00:10:18,609
that there's no usefulness here well I

200

00:10:13,120 --> 00:10:22,750
mean it's stagnant right kind of like

201
00:10:18,610 --> 00:10:25,250
this show I hope we're not talking very

202
00:10:22,750 --> 00:10:28,778
for watching here there's four people

203
00:10:25,250 --> 00:10:34,159
that's exciting well hey fors right nor

204
00:10:28,778 --> 00:10:36,799
kind of watching that are watching I'm

205
00:10:34,159 --> 00:10:38,568
not talking very for watching therefore

206
00:10:36,799 --> 00:10:38,929
people watch many what's exciting well

207
00:10:38,568 --> 00:10:42,409
hey

208
00:10:38,929 --> 00:10:47,328
fors come on right that's distracting

209
00:10:42,409 --> 00:11:12,409
Medina quite watching ourselves myself

210
00:10:47,328 --> 00:11:19,609
watch myself watch my head man I can't

211
00:11:12,409 --> 00:11:22,909
do sorry y'all know Edie's hungry he

212
00:11:19,610 --> 00:11:30,379
always looks done you know I all the

213
00:11:22,909 --> 00:11:31,879
good guy I a CD one blue can we talk

214
00:11:30,379 --> 00:11:37,250

about the presidents now did we could

215

00:11:31,879 --> 00:11:40,759

talk she's the funny thing is presidents

216

00:11:37,250 --> 00:11:44,839

in modern history haven't come out and

217

00:11:40,759 --> 00:11:46,068

said no or yes they always kind of leave

218

00:11:44,839 --> 00:11:49,040

it up in the air but presidents of the

219

00:11:46,068 --> 00:11:52,549

past have come out and said you can find

220

00:11:49,039 --> 00:11:55,299

the quotes that there is indeed a UFO or

221

00:11:52,549 --> 00:11:58,490

some sort of intelligently guided

222

00:11:55,299 --> 00:11:59,958

machines that are from other world or

223

00:11:58,490 --> 00:12:05,209

other realm or something they've said

224

00:11:59,958 --> 00:12:08,119

those sorts of words before publicly and

225

00:12:05,208 --> 00:12:10,159

then it just like died died like by the

226

00:12:08,120 --> 00:12:14,240

way you know we're celebrating the 70th

227

00:12:10,159 --> 00:12:18,649

anniversary of the CIA and the air force

228

00:12:14,240 --> 00:12:20,448

this week da well you know what 70th

229
00:12:18,649 --> 00:12:24,198
anniversary we also celebrated just like

230
00:12:20,448 --> 00:12:31,878
a month ago two months ago so let's see

231
00:12:24,198 --> 00:12:36,198
Roswell 1947 July we have a downed

232
00:12:31,879 --> 00:12:38,240
potential extraterrestrial craft few

233
00:12:36,198 --> 00:12:42,109
months later we have the CIA

234
00:12:38,240 --> 00:12:45,678
and then we establish an air force like

235
00:12:42,110 --> 00:12:47,629
within months after the dated Roswell

236
00:12:45,678 --> 00:12:53,240
crash have you thought about that 70

237
00:12:47,629 --> 00:13:04,879
years yes that's exactly what I'm trying

238
00:12:53,240 --> 00:13:06,079
to say art you guys you're doing good

239
00:13:04,879 --> 00:13:07,909
tonight Jill actually you're doing

240
00:13:06,078 --> 00:13:10,099
really well I told him I said listen

241
00:13:07,909 --> 00:13:14,389
asshole well actually I didn't say that

242
00:13:10,100 --> 00:13:18,379
but I said looks suspicious I said you

243
00:13:14,389 --> 00:13:21,490
have got to let us get out the info

244
00:13:18,379 --> 00:13:27,769
don't stop me

245
00:13:21,490 --> 00:13:30,919
thank you what do you we gotta talk

246
00:13:27,769 --> 00:13:33,470
about talkie okay because look we've

247
00:13:30,919 --> 00:13:36,639
already done in the last Bond okay

248
00:13:33,470 --> 00:13:36,639
that's me he ma he huh

249
00:13:38,589 --> 00:13:49,129
not me on that one um anyway presidents

250
00:13:47,568 --> 00:13:51,469
I was gonna say we've done a show on

251
00:13:49,129 --> 00:13:54,829
UFOs and I got a black thing right in

252
00:13:51,470 --> 00:13:56,329
your why do I yeah it's a it's a oh it's

253
00:13:54,828 --> 00:13:59,479
eyelashes eyelash sheesh

254
00:13:56,328 --> 00:14:01,789
don't worry we're not live Joe we're not

255
00:13:59,480 --> 00:14:05,558
live at all no you're not supposed to

256
00:14:01,789 --> 00:14:06,740
notice those things in your life no

257

00:14:05,558 --> 00:14:08,318
thank you

258
00:14:06,740 --> 00:14:17,869
I was worried about a little bit shiny

259
00:14:08,318 --> 00:14:20,118
um nukes do you think some come doing

260
00:14:17,869 --> 00:14:24,139
Tom Kim is gonna do you have something

261
00:14:20,119 --> 00:14:25,670
else we're gonna just do you think it

262
00:14:24,139 --> 00:14:29,659
would require a new are you getting in a

263
00:14:25,669 --> 00:14:35,678
book again what's in the book you can

264
00:14:29,659 --> 00:14:40,100
watch this on Netflix no no no it it has

265
00:14:35,678 --> 00:14:43,610
information and he's so unprepared he's

266
00:14:40,100 --> 00:14:46,629
got away from the ground I'm what you're

267
00:14:43,610 --> 00:14:46,629
like this fucking thing

268
00:14:48,139 --> 00:14:54,350
Hinman what concerned me more than

269
00:14:52,100 --> 00:14:59,149
others particular event was that I had

270
00:14:54,350 --> 00:15:02,149
my records again has it so he actually

271
00:14:59,149 --> 00:15:12,528

gave himself a job by devoting himself

272

00:15:02,149 --> 00:15:17,629

to head of security excuse my French

273

00:15:12,528 --> 00:15:18,078

yeah I don't know I don't know to do

274

00:15:17,629 --> 00:15:19,939

with you

275

00:15:18,078 --> 00:15:22,699

what do you know it what do you want to

276

00:15:19,940 --> 00:15:24,019

talk about let's just it is the most

277

00:15:22,700 --> 00:15:28,519

there has been more activity going

278

00:15:24,019 --> 00:15:31,250

around going around there's like natural

279

00:15:28,519 --> 00:15:32,810

events natural visitor occurring shit

280

00:15:31,250 --> 00:15:36,440

just showing up when actual events are

281

00:15:32,809 --> 00:15:40,009

occurring the hercules hurricanes

282

00:15:36,440 --> 00:15:42,709

there's spotting flashing orbs up in the

283

00:15:40,009 --> 00:15:44,149

sky yes and shit falling from the sky

284

00:15:42,708 --> 00:15:45,619

blue yes

285

00:15:44,149 --> 00:15:49,700

so there's shit happening that nobody's

286
00:15:45,620 --> 00:15:51,320
catching yes did you hear about the

287
00:15:49,700 --> 00:16:04,490
electrical storms that happen during the

288
00:15:51,320 --> 00:16:07,100
earthquakes sometimes you just put a

289
00:16:04,490 --> 00:16:14,810
booger on me no I didn't snot what come

290
00:16:07,100 --> 00:16:18,920
on regain my composure that was very

291
00:16:14,809 --> 00:16:21,198
gross see maybe the people listening can

292
00:16:18,919 --> 00:16:25,549
give me some advice how do we proceed

293
00:16:21,198 --> 00:16:26,809
no books have you ever read about yeah

294
00:16:25,549 --> 00:16:29,328
this is interesting

295
00:16:26,809 --> 00:16:31,759
I think once in fourth grade look as

296
00:16:29,328 --> 00:16:34,370
soon as we shoot off the nukes et will

297
00:16:31,759 --> 00:16:35,049
end up showing up and take the toys away

298
00:16:34,370 --> 00:16:41,539
exactly

299
00:16:35,049 --> 00:16:49,099
you think that's I think I o CQ st. swab

300
00:16:41,539 --> 00:16:51,500
gas swamp gas you never heard that's

301
00:16:49,100 --> 00:16:54,740
actually a old story that they told way

302
00:16:51,500 --> 00:16:57,049
way back when some I remember almost yes

303
00:16:54,740 --> 00:17:02,000
yeah that it was some light reflecting

304
00:16:57,049 --> 00:17:07,169
off swamp gas that created some effect

305
00:17:02,000 --> 00:17:11,009
I'm still really disappointed in the

306
00:17:07,170 --> 00:17:15,209
media and just YouTube and stuff just

307
00:17:11,009 --> 00:17:18,420
tired of scrolling through videos going

308
00:17:15,209 --> 00:17:20,519
it's CGI maybe it's CGI me if it isn't

309
00:17:18,420 --> 00:17:23,700
CGI maybe I don't know have you found

310
00:17:20,519 --> 00:17:25,889
anything even convincing at all nothing

311
00:17:23,700 --> 00:17:27,930
that I can think of and they're always

312
00:17:25,890 --> 00:17:29,340
like blurry design constantly searching

313
00:17:27,930 --> 00:17:32,670
that shit all day long so I can't I

314

00:17:29,339 --> 00:17:34,199
don't see everything people say it looks

315
00:17:32,670 --> 00:17:40,740
real but then it's a hoax and then it's

316
00:17:34,200 --> 00:17:43,200
real and well that's like the skinny Bob

317
00:17:40,740 --> 00:17:44,339
video I was actually thinking about that

318
00:17:43,200 --> 00:17:47,220
the other day if you guys don't know

319
00:17:44,339 --> 00:17:49,169
about this skinny Bob video it's got

320
00:17:47,220 --> 00:17:54,029
kind of balloon pocket no nothing like

321
00:17:49,170 --> 00:17:58,950
that happened it's just ah it's just

322
00:17:54,029 --> 00:18:03,059
what yes explain to our viewers what

323
00:17:58,950 --> 00:18:06,779
swamp gasses no no it's gas it comes

324
00:18:03,059 --> 00:18:08,399
from a swamp so how's that so oh yeah

325
00:18:06,779 --> 00:18:10,410
that's it that's why it's so funny

326
00:18:08,400 --> 00:18:13,410
because it's like totally out of line in

327
00:18:10,410 --> 00:18:16,040
ridiculous way of describing something

328
00:18:13,410 --> 00:18:20,340

people are seeing something they see

329

00:18:16,039 --> 00:18:22,619

does a fat man baby have a hostage ETS

330

00:18:20,339 --> 00:18:28,079

that could be in danger if we shoot at

331

00:18:22,619 --> 00:18:31,829

North Koreans probably hey that's what

332

00:18:28,079 --> 00:18:35,279

she could question north Korea has got

333

00:18:31,829 --> 00:18:37,339

to have UFO sightings they probably got

334

00:18:35,279 --> 00:18:40,649

him working on their nukes right now

335

00:18:37,339 --> 00:18:43,259

like I saw them out damn it

336

00:18:40,650 --> 00:18:44,850

it flies and it blows up in midair you

337

00:18:43,259 --> 00:18:46,410

know there was another thing on the news

338

00:18:44,849 --> 00:18:49,379

today you guys we are all over the map

339

00:18:46,410 --> 00:18:51,330

tonight so hang with us it all ties to

340

00:18:49,380 --> 00:18:56,040

something I swear this is like diving

341

00:18:51,329 --> 00:18:58,619

into our brain oh my gosh I remember his

342

00:18:56,039 --> 00:19:05,069

name was wiretap today I found out that

343
00:18:58,619 --> 00:19:07,319
he was wiretapped was like Trump's past

344
00:19:05,069 --> 00:19:10,500
campaign person something I don't

345
00:19:07,319 --> 00:19:11,789
members Paul Manafort is that what that

346
00:19:10,500 --> 00:19:13,799
just popped in my head I don't know if

347
00:19:11,789 --> 00:19:15,750
that's actual name but anyway

348
00:19:13,799 --> 00:19:17,879
everybody in the media was like oh my

349
00:19:15,750 --> 00:19:19,890
god I can't believe that they would do

350
00:19:17,880 --> 00:19:21,720
that and what kind of right and I and I

351
00:19:19,890 --> 00:19:28,250
was thinking because we we talk about

352
00:19:21,720 --> 00:19:31,799
this all the time that how are people so

353
00:19:28,250 --> 00:19:33,869
surprised by that I mean the president

354
00:19:31,799 --> 00:19:35,970
is a speaking head that it's rotated out

355
00:19:33,869 --> 00:19:39,569
through a giant corporation at want you

356
00:19:35,970 --> 00:19:45,600
know every four to eight years that's

357
00:19:39,569 --> 00:19:50,299
what the presidency is true but it was a

358
00:19:45,599 --> 00:19:50,299
good point point taken

359
00:19:53,990 --> 00:20:00,339
[Music]

360
00:19:56,069 --> 00:20:00,339
[Laughter]

361
00:20:00,579 --> 00:20:11,909
[Music]

362
00:20:03,349 --> 00:20:13,230
how's everybody doing what thank you

363
00:20:11,910 --> 00:20:15,420
yeah I was Paul Manafort thank you not

364
00:20:13,230 --> 00:20:16,700
now I'm back on track thank you all for

365
00:20:15,420 --> 00:20:20,250
helping

366
00:20:16,700 --> 00:20:22,769
so Paul Manafort gets tapped everybody's

367
00:20:20,250 --> 00:20:24,210
all confused as to how that what is she

368
00:20:22,769 --> 00:20:25,970
not easily happened that's because

369
00:20:24,210 --> 00:20:30,269
there's already a working government

370
00:20:25,970 --> 00:20:33,779
established and they wiretap everybody

371

00:20:30,269 --> 00:20:38,569
and they use our cameras to look at us

372
00:20:33,779 --> 00:20:41,220
they spy on different people they have

373
00:20:38,569 --> 00:20:44,399
technology where they can hear you from

374
00:20:41,220 --> 00:20:46,559
the sky from thousands of miles away or

375
00:20:44,400 --> 00:20:48,660
thousands of feet sorry not thousands of

376
00:20:46,559 --> 00:20:51,649
miles but there's all kinds of

377
00:20:48,660 --> 00:20:55,350
absolutely mind-blowing secret stuff and

378
00:20:51,650 --> 00:20:59,820
crazy illegal shit going on behind the

379
00:20:55,349 --> 00:21:02,849
scenes that there is a some sort of

380
00:20:59,819 --> 00:21:08,009
shadow government or something like that

381
00:21:02,849 --> 00:21:09,839
that is controlling things and when you

382
00:21:08,009 --> 00:21:11,609
have somebody rotating in and out of

383
00:21:09,839 --> 00:21:14,849
office every 48 years you're not gonna

384
00:21:11,609 --> 00:21:17,549
want to drop you're just gonna want to

385
00:21:14,849 --> 00:21:19,889

have them come in and leave and not

386

00:21:17,549 --> 00:21:24,240

cause as much trouble as possible you

387

00:21:19,890 --> 00:21:25,500

would think like you every I doubt you

388

00:21:24,240 --> 00:21:26,960

know presidents come in and they sit

389

00:21:25,500 --> 00:21:29,839

down and they go

390

00:21:26,960 --> 00:21:32,420

here's all the UFO alien information

391

00:21:29,839 --> 00:21:37,159

that doesn't happen that doesn't happen

392

00:21:32,420 --> 00:21:40,310

no and since Clinton I think it got even

393

00:21:37,160 --> 00:21:41,509

deeper I mean it was art yeah that's the

394

00:21:40,309 --> 00:21:47,059

cat using the litter box

395

00:21:41,509 --> 00:21:48,650

oh it's shit King yes oh fuck yes you

396

00:21:47,059 --> 00:21:52,429

know I think Clinton was close to

397

00:21:48,650 --> 00:21:56,840

accessing the UFO FILES even then on

398

00:21:52,430 --> 00:21:58,730

Jimmy Kimmel he said no I was gonna say

399

00:21:56,839 --> 00:22:03,619

even on Jimmy Kimmel President Clinton

400
00:21:58,730 --> 00:22:07,240
said what he said was I found out there

401
00:22:03,619 --> 00:22:09,969
weren't no aliens below below ground

402
00:22:07,240 --> 00:22:13,430
that's what he said he didn't say

403
00:22:09,970 --> 00:22:15,350
there's no UFOs or whatever or there's

404
00:22:13,430 --> 00:22:17,210
no other life out there he just said oh

405
00:22:15,349 --> 00:22:21,649
I had them confirmed that there wasn't

406
00:22:17,210 --> 00:22:24,680
anything below ground so that's what he

407
00:22:21,650 --> 00:22:32,780
says and then the interesting one I

408
00:22:24,680 --> 00:22:37,400
think the most interesting is my nose

409
00:22:32,779 --> 00:22:40,879
man okay President Bush was asked

410
00:22:37,400 --> 00:22:44,120
actually in several conversations about

411
00:22:40,880 --> 00:22:46,970
UFOs and aliens and what he says is I

412
00:22:44,119 --> 00:22:48,559
ain't gonna talk about it I'm not gonna

413
00:22:46,970 --> 00:22:51,200
say nothing don't ask me nothing he just

414
00:22:48,559 --> 00:22:51,829
gets off the topic I mean he's serious

415
00:22:51,200 --> 00:22:52,970
about it

416
00:22:51,829 --> 00:22:55,849
what are you eating in the chat rooms

417
00:22:52,970 --> 00:22:59,660
Joe Kim won't play along with their

418
00:22:55,849 --> 00:23:02,959
silly one-world will order game yeah so

419
00:22:59,660 --> 00:23:07,460
they want to take him out Kim the

420
00:23:02,960 --> 00:23:10,150
Antichrist Kim Jungman yeah that's a

421
00:23:07,460 --> 00:23:12,410
really fat antic I mean I got cheeks but

422
00:23:10,150 --> 00:23:18,769
there's fucking toupee needs to come off

423
00:23:12,410 --> 00:23:20,509
that haircuts like 1991 no I've seen any

424
00:23:18,769 --> 00:23:22,730
do you think he's a fan of our show if

425
00:23:20,509 --> 00:23:27,859
Kim jong-un was listening right now what

426
00:23:22,730 --> 00:23:33,170
would you say fuck off and I hope it

427
00:23:27,859 --> 00:23:35,019
blows underneath you that would be what

428

00:23:33,170 --> 00:23:40,150
you say

429
00:23:35,019 --> 00:23:42,279
what would you guys say just should tell

430
00:23:40,150 --> 00:23:52,330
us how it sounds with Bill Clinton talk

431
00:23:42,279 --> 00:23:58,990
Stasi oh oh god that would be funny yeah

432
00:23:52,329 --> 00:24:03,849
you do you know fuck mad fucking I don't

433
00:23:58,990 --> 00:24:07,620
say it sounds rude fuck you man I gotta

434
00:24:03,849 --> 00:24:07,619
fucking a surrogate fuck out of it

435
00:24:09,069 --> 00:24:18,519
Oh knuckle Barbie Fung what is that wait

436
00:24:16,960 --> 00:24:20,470
wait I got one you can't do anything

437
00:24:18,519 --> 00:24:23,889
right you can't do an egg no way so roar

438
00:24:20,470 --> 00:24:26,460
I'm on you you cannot give you the intro

439
00:24:23,890 --> 00:24:30,490
Wray you can't do a knuckle bump right

440
00:24:26,460 --> 00:24:35,069
yeah I say give me a pound ready hold on

441
00:24:30,490 --> 00:24:35,069
lock it down break the pickle

442
00:24:35,960 --> 00:24:39,019

[Music]

443

00:24:39,450 --> 00:24:46,470

break the pickle yeah that's the Love

444

00:24:43,808 --> 00:24:51,129

Guru yes it's awesome movie which is

445

00:24:46,470 --> 00:24:56,500

what what is it now here no we're we're

446

00:24:51,130 --> 00:25:03,490

bring nowhere now here yeah can we try

447

00:24:56,500 --> 00:25:06,359

that right now and talk about I go to

448

00:25:03,490 --> 00:25:08,769

pick a head of farm e-i-e-i-o

449

00:25:06,359 --> 00:25:14,549

let's ask the people watching what is

450

00:25:08,769 --> 00:25:17,200

there any particular current theories or

451

00:25:14,549 --> 00:25:18,700

articles or news items that you guys

452

00:25:17,200 --> 00:25:21,910

have come across that you're questioning

453

00:25:18,700 --> 00:25:24,730

we usually keep pretty good taps on that

454

00:25:21,910 --> 00:25:26,290

stuff but there's not much going on I

455

00:25:24,730 --> 00:25:27,370

think they're non-muslims does that hurt

456

00:25:26,289 --> 00:25:31,599

yeah you know cuz people are like

457
00:25:27,369 --> 00:25:33,549
swimming from Florida to Texas to you

458
00:25:31,599 --> 00:25:34,899
know Bahamas yeah I feel sorry for

459
00:25:33,549 --> 00:25:36,549
everybody that everybody lost everything

460
00:25:34,900 --> 00:25:39,340
if you imagine building everything up

461
00:25:36,549 --> 00:25:41,079
like your one true love that you have

462
00:25:39,339 --> 00:25:43,808
your space in your house whatever you're

463
00:25:41,079 --> 00:25:45,009
building a car or your pictures your

464
00:25:43,808 --> 00:25:47,139
sculptures whatever and you can just

465
00:25:45,009 --> 00:25:48,640
like you stamped your whole life and put

466
00:25:47,140 --> 00:25:51,100
your blood sweat and tears into some

467
00:25:48,640 --> 00:25:53,470
some fucking way it comes and destroys

468
00:25:51,099 --> 00:25:55,990
your dream like and then the insurance

469
00:25:53,470 --> 00:26:01,720
company comes and goes here here's 12

470
00:25:55,990 --> 00:26:03,730
grand your cars worth like 80 grand but

471
00:26:01,720 --> 00:26:06,579
still it sucks it's like everything is

472
00:26:03,730 --> 00:26:09,279
gone your basic is instinctive survival

473
00:26:06,579 --> 00:26:11,799
getting a boat or jetski no I saw

474
00:26:09,279 --> 00:26:13,720
recently that some owners returned to

475
00:26:11,799 --> 00:26:15,549
their house and found that all their

476
00:26:13,720 --> 00:26:18,339
animals were alive and there were horses

477
00:26:15,549 --> 00:26:21,460
there were there was a donkey

478
00:26:18,339 --> 00:26:23,409
there was like chickens and all kinds of

479
00:26:21,460 --> 00:26:28,180
animals that they just had to leave in

480
00:26:23,410 --> 00:26:29,380
the hurry of the storm and and they that

481
00:26:28,180 --> 00:26:31,090
was a good story you know one of the

482
00:26:29,380 --> 00:26:32,980
other stories I thought was really

483
00:26:31,089 --> 00:26:36,789
amazing was I don't know if you saw this

484
00:26:32,980 --> 00:26:39,880
but there was a line of trucks with

485

00:26:36,789 --> 00:26:42,940
boats on the back of them all these boat

486
00:26:39,880 --> 00:26:44,620
owners like took their trucks and their

487
00:26:42,940 --> 00:26:46,180
boats and they went out to help yeah I

488
00:26:44,619 --> 00:26:48,489
saw the big monster it's kind of like

489
00:26:46,180 --> 00:26:50,830
crazy in trucks boats and they're just

490
00:26:48,490 --> 00:26:54,819
they just went and they're safe people

491
00:26:50,829 --> 00:26:58,179
is really inspiring and lovely but I can

492
00:26:54,819 --> 00:26:59,649
imagine and there's that one that stupid

493
00:26:58,180 --> 00:27:07,210
preacher wherever his name is that

494
00:26:59,650 --> 00:27:09,130
dolostone Joel Osteen um he's not my

495
00:27:07,210 --> 00:27:15,250
favorites is true that just proves

496
00:27:09,130 --> 00:27:19,450
religion is bullshit to me Oh sometimes

497
00:27:15,250 --> 00:27:24,779
I think I think about this kind of

498
00:27:19,450 --> 00:27:28,210
thought I had people are like trying to

499
00:27:24,779 --> 00:27:32,950

swim for their life and I'm worried that

500

00:27:28,210 --> 00:27:35,230

my phone 3G speed or 40 like the Wi-Fi

501

00:27:32,950 --> 00:27:37,059

isn't fast enough or the cell data isn't

502

00:27:35,230 --> 00:27:38,440

fast enough that's gonna shit I'm

503

00:27:37,059 --> 00:27:40,779

worried about meanwhile people on the

504

00:27:38,440 --> 00:27:44,019

East Coast you know are having a hard

505

00:27:40,779 --> 00:27:45,309

time it's kind of kind of stop and take

506

00:27:44,019 --> 00:27:52,900

a step back and put it in perspective

507

00:27:45,309 --> 00:27:56,579

for a minute mm-hmm but I just wish

508

00:27:52,900 --> 00:27:59,650

everybody the best how things are going

509

00:27:56,579 --> 00:28:02,970

how is anybody in those areas I wonder

510

00:27:59,650 --> 00:28:05,800

anybody that's I don't think so

511

00:28:02,970 --> 00:28:11,860

what could be I know

512

00:28:05,799 --> 00:28:13,950

UFO Jesus I even wear their word I know

513

00:28:11,859 --> 00:28:18,039

she's not quite where the hurricane was

514
00:28:13,950 --> 00:28:19,900
that's good Washington would you suffer

515
00:28:18,039 --> 00:28:21,819
here's a good fun fact re care

516
00:28:19,900 --> 00:28:23,740
Browning's property sustained some

517
00:28:21,819 --> 00:28:24,789
damage from the hurricane and map that's

518
00:28:23,740 --> 00:28:35,740
the original creature of the Black

519
00:28:24,789 --> 00:28:36,970
Lagoon that's interesting wow it's just

520
00:28:35,740 --> 00:28:40,299
been crazy it's just one thing after

521
00:28:36,970 --> 00:28:41,920
another and then the earth non-stop then

522
00:28:40,299 --> 00:28:43,690
you feel the earthquake in and then you

523
00:28:41,920 --> 00:28:46,570
come back to the United Nations today

524
00:28:43,690 --> 00:28:50,680
and from speech was very you know direct

525
00:28:46,569 --> 00:28:54,519
and very you know you was very forward

526
00:28:50,680 --> 00:28:57,490
in pink words and it was crazy and kind

527
00:28:54,519 --> 00:28:59,109
of took people back but but when people

528

00:28:57,490 --> 00:29:00,819
are not swimming for their life other

529

00:28:59,109 --> 00:29:02,859
people hanging out the beach it's true

530

00:29:00,819 --> 00:29:04,599
there was you see there's a the biggest

531

00:29:02,859 --> 00:29:06,659
way and the guys are sitting on on this

532

00:29:04,599 --> 00:29:09,369
fucking surfboard of surfing the wave

533

00:29:06,660 --> 00:29:12,040
like everything's cool I'm right in a

534

00:29:09,369 --> 00:29:13,779
fucking hurricane wave where to go I

535

00:29:12,039 --> 00:29:15,700
don't know but it was cool did you hear

536

00:29:13,779 --> 00:29:19,690
they had to tell people don't shoot at

537

00:29:15,700 --> 00:29:22,480
the hurricane people thought that if

538

00:29:19,690 --> 00:29:25,090
they shot like at the hurricane the

539

00:29:22,480 --> 00:29:29,200
combined force woods or something stupid

540

00:29:25,089 --> 00:29:33,970
and what was happening was it would show

541

00:29:29,200 --> 00:29:37,319
that it did King and I saw that wave is

542

00:29:33,970 --> 00:29:40,450
spirit from each bullet is shout at it

543
00:29:37,319 --> 00:29:44,019
just went coming swallowed my girlfriend

544
00:29:40,450 --> 00:29:48,759
all up in her brain inside damn cat fur

545
00:29:44,019 --> 00:29:49,349
off my head I don't know whatever that's

546
00:29:48,759 --> 00:29:51,519
all I got

547
00:29:49,349 --> 00:29:54,789
that's actually pretty damn accurate

548
00:29:51,519 --> 00:29:57,970
story I'm sure someone out there has by

549
00:29:54,789 --> 00:30:03,129
the way any likeness is all coincidental

550
00:29:57,970 --> 00:30:05,680
so if that's your story sorry about it

551
00:30:03,130 --> 00:30:09,310
we he just made it up

552
00:30:05,680 --> 00:30:12,670
yeah it's made up story fits real okay

553
00:30:09,309 --> 00:30:14,779
look I saw a mean that made me laugh and

554
00:30:12,670 --> 00:30:17,880
it was

555
00:30:14,779 --> 00:30:21,059
okay I'm not laughing but the whole

556
00:30:17,880 --> 00:30:23,970

aisle of food was gone and it was a

557

00:30:21,059 --> 00:30:25,470

picture and it said suddenly people

558

00:30:23,970 --> 00:30:27,750

aren't gluten-free when a hurricane

559

00:30:25,470 --> 00:30:34,680

comes that's true and I was thinking to

560

00:30:27,750 --> 00:30:39,029

myself what what truth yeah you know I

561

00:30:34,680 --> 00:30:41,070

mean it's weird to be worrying about how

562

00:30:39,029 --> 00:30:44,220

much gluten or what you know how by how

563

00:30:41,069 --> 00:30:46,950

fast your downloads are win like you

564

00:30:44,220 --> 00:30:48,779

have four hurricanes back-to-back and

565

00:30:46,950 --> 00:30:55,950

there's change going on something's

566

00:30:48,779 --> 00:30:57,960

happening what more of the earthquakes

567

00:30:55,950 --> 00:31:03,360

in Mexico have made the surfing better

568

00:30:57,960 --> 00:31:05,460

or worse risk you're reading your

569

00:31:03,359 --> 00:31:09,679

comments I wonder what's going on with

570

00:31:05,460 --> 00:31:09,680

the wall do you think it was affected

571
00:31:11,150 --> 00:31:22,320
Wow um excuse me we stand together in

572
00:31:20,700 --> 00:31:26,970
our political uncorrect

573
00:31:22,319 --> 00:31:28,559
increments we're goof all just people we

574
00:31:26,970 --> 00:31:30,210
didn't claim to know or not know

575
00:31:28,559 --> 00:31:35,429
anything we're just here to prove if

576
00:31:30,210 --> 00:31:37,980
we're right or wrong we're going on a

577
00:31:35,430 --> 00:31:41,880
trip you guys in October I could do but

578
00:31:37,980 --> 00:31:46,319
it's it's all over we're leaving for

579
00:31:41,880 --> 00:31:56,040
about yes Ari and like we said before

580
00:31:46,319 --> 00:31:57,599
and go find me you'll be one mobile

581
00:31:56,039 --> 00:32:01,490
supper ready to go who's got new it's

582
00:31:57,599 --> 00:32:05,849
got new shoes yeah because the last time

583
00:32:01,490 --> 00:32:07,880
she broke a heel on the tire and she

584
00:32:05,849 --> 00:32:10,829
popped the pump she popped the pump I

585
00:32:07,880 --> 00:32:13,890
just where guys can find that video on

586
00:32:10,829 --> 00:32:17,039
there you go Stevie on YouTube it's a

587
00:32:13,890 --> 00:32:18,060
journey to Roswell crash site and here

588
00:32:17,039 --> 00:32:19,109
we are literally out in the middle of

589
00:32:18,059 --> 00:32:20,849
Roswell you guys are probably heard this

590
00:32:19,109 --> 00:32:26,490
before but for any of you that any of

591
00:32:20,849 --> 00:32:29,808
you to viewers that are left I know you

592
00:32:26,490 --> 00:32:32,579
gotta just we just got to keep it up

593
00:32:29,808 --> 00:32:34,829
brought the middle of Roswell thousands

594
00:32:32,579 --> 00:32:37,409
of miles away from home hours away from

595
00:32:34,829 --> 00:32:38,639
anybody that could provide it watching

596
00:32:37,410 --> 00:32:42,500
there's two people watching who's

597
00:32:38,640 --> 00:32:46,610
watching and out yourself

598
00:32:42,500 --> 00:32:50,429
yes what the hell there's three views

599

00:32:46,609 --> 00:32:51,869
let me check the fucking people even me

600
00:32:50,429 --> 00:32:53,660
men yeah it looks like everybody just

601
00:32:51,869 --> 00:32:56,849
moved over pretty quickly to YouTube

602
00:32:53,660 --> 00:32:58,620
yeah cuz we're trying to do a tractor as

603
00:32:56,849 --> 00:33:00,288
much information to be honest with you

604
00:32:58,619 --> 00:33:02,819
we're kind of testing this I mean

605
00:33:00,288 --> 00:33:07,679
Ronnie's Dobson's in the room to be our

606
00:33:02,819 --> 00:33:08,788
official way of communication now so you

607
00:33:07,679 --> 00:33:11,009
know we'll have some different back

608
00:33:08,788 --> 00:33:12,079
hurricane hitting's and that's hitting

609
00:33:11,009 --> 00:33:19,230
right now

610
00:33:12,079 --> 00:33:21,298
where's the fucking sensor Channel um I

611
00:33:19,230 --> 00:33:24,419
think AJ is gonna be coming back on the

612
00:33:21,298 --> 00:33:28,668
show there's like months and an onboard

613
00:33:24,419 --> 00:33:31,730

cannot wake up phase alarm Carla I think

614

00:33:28,669 --> 00:33:36,870

where's my tan abducted or she based it

615

00:33:31,730 --> 00:33:39,029

Arkansas Arkansas huh somewhere weird

616

00:33:36,869 --> 00:33:41,939

it's not turning on your fucking TV

617

00:33:39,029 --> 00:33:44,369

shuts my TV oh there it is yeah it says

618

00:33:41,940 --> 00:33:46,980

what's that hey can you read well it's

619

00:33:44,369 --> 00:33:53,428

an asshole note says please wait time

620

00:33:46,980 --> 00:33:58,679

this is oh you know yeah just leave it

621

00:33:53,429 --> 00:34:00,570

on here Tucker Carlson is on I didn't

622

00:33:58,679 --> 00:34:02,970

know you headed on this channel which is

623

00:34:00,569 --> 00:34:06,720

cast monthly spelling Trump oh god you

624

00:34:02,970 --> 00:34:08,429

guys well we might do that we might

625

00:34:06,720 --> 00:34:10,079

bring a live feed on the road trip of

626

00:34:08,429 --> 00:34:13,378

this well that's by the way we had a

627

00:34:10,079 --> 00:34:15,628

question about that will if we donate to

628
00:34:13,378 --> 00:34:19,230
your GoFundMe how does that what does

629
00:34:15,628 --> 00:34:22,679
that mean that we're going with you well

630
00:34:19,230 --> 00:34:25,440
to clarify that that means like Joe said

631
00:34:22,679 --> 00:34:28,740
we're gonna livestream our adventure the

632
00:34:25,440 --> 00:34:31,019
whole way there is it be streamed on

633
00:34:28,739 --> 00:34:32,969
YouTube actually an Instagram and as

634
00:34:31,019 --> 00:34:34,949
long as we have access to Internet and

635
00:34:32,969 --> 00:34:37,259
we're not somewhere to obscure and even

636
00:34:34,949 --> 00:34:40,049
if we are somewhere out of the grid or

637
00:34:37,260 --> 00:34:41,639
somewhere off of the cell tower we will

638
00:34:40,050 --> 00:34:50,489
video it and share it

639
00:34:41,639 --> 00:34:52,289
course you know and if you guys that's

640
00:34:50,489 --> 00:34:53,849
what that means it doesn't mean if you

641
00:34:52,289 --> 00:34:54,379
donate we're all getting a bus and going

642
00:34:53,849 --> 00:34:59,818
together

643
00:34:54,378 --> 00:35:01,739
no that's actually a really good idea

644
00:34:59,818 --> 00:35:02,159
oh you would think of something like

645
00:35:01,739 --> 00:35:07,619
that

646
00:35:02,159 --> 00:35:13,018
get a bus everybody pays a seat fee and

647
00:35:07,619 --> 00:35:16,579
we take it on the great American UFO

648
00:35:13,018 --> 00:35:20,219
hotspot road trip with Emmett and Joe I

649
00:35:16,579 --> 00:35:23,579
mean look we have four people four

650
00:35:20,219 --> 00:35:25,259
people holy shit we go fill a bus look

651
00:35:23,579 --> 00:35:28,589
here's the thing cuz this is new to UT

652
00:35:25,259 --> 00:35:31,559
that shit on it do when we drop look

653
00:35:28,588 --> 00:35:34,409
we've had thousands of downloads by the

654
00:35:31,559 --> 00:35:35,970
way so while we only have maybe four

655
00:35:34,409 --> 00:35:39,838
viewers on YouTube right now we've had

656

00:35:35,969 --> 00:35:43,409
quite a few downloads oh it's almost

657
00:35:39,838 --> 00:35:46,380
nine o'clock so that means that fucking

658
00:35:43,409 --> 00:35:50,159
midnight yeah Wow would you like to

659
00:35:46,380 --> 00:35:51,749
start the show earlier I don't know no

660
00:35:50,159 --> 00:35:53,818
you stick to your time and everybody

661
00:35:51,748 --> 00:35:55,169
else works around it you're the middle

662
00:35:53,818 --> 00:35:56,880
of a hurricane during well they want us

663
00:35:55,170 --> 00:35:58,829
to do it so we're gonna do it the first

664
00:35:56,880 --> 00:36:01,380
live handle probing is EB going yes it

665
00:35:58,829 --> 00:36:05,039
is going we're gonna probe cast there I

666
00:36:01,380 --> 00:36:09,509
have a really inappropriate video of Joe

667
00:36:05,039 --> 00:36:13,579
with a rubber alien maybe I'll put it on

668
00:36:09,509 --> 00:36:17,219
patreon yeah oh yeah the yeah mm-hmm oh

669
00:36:13,579 --> 00:36:21,119
no this was nice I am NOT putting that

670
00:36:17,219 --> 00:36:24,328

on actually no no no maybe maybe

671

00:36:21,119 --> 00:36:28,950

no thank you to our patrons we're up to

672

00:36:24,329 --> 00:36:32,720

seven now another seven seven patrons

673

00:36:28,949 --> 00:36:35,848

and we do have a goal of 150 a month and

674

00:36:32,719 --> 00:36:39,449

that is just going to help us upgrade

675

00:36:35,849 --> 00:36:40,619

our camera upgrade our show because the

676

00:36:39,449 --> 00:36:42,348

the current thing we're working out

677

00:36:40,619 --> 00:36:44,999

right now is how to do an interview in

678

00:36:42,349 --> 00:36:50,489

this format that might be deposit if

679

00:36:44,998 --> 00:36:52,649

occult yeah thing because we've got

680

00:36:50,489 --> 00:36:54,900

maybe a Jay coming back we've got Jimmy

681

00:36:52,650 --> 00:36:59,369

Korbel Jeremy Korbel has a new

682

00:36:54,900 --> 00:37:05,309

movie I know I hang out with that guy

683

00:36:59,369 --> 00:37:07,440

yeah patient 17 and he's over going

684

00:37:05,309 --> 00:37:08,730

around the world promoting it and we're

685
00:37:07,440 --> 00:37:11,269
gonna have him on show to talk about

686
00:37:08,730 --> 00:37:14,250
exactly what this documentary is about

687
00:37:11,269 --> 00:37:17,818
and kind of give you guys a little bit

688
00:37:14,250 --> 00:37:20,039
of insight so you know what's what to

689
00:37:17,818 --> 00:37:22,500
expect no inflation no inflation of some

690
00:37:20,039 --> 00:37:24,390
sort Paul Kerr said I'm guessing this

691
00:37:22,500 --> 00:37:34,349
video involves inflation of some sort

692
00:37:24,389 --> 00:37:37,230
Oh inflation no insertion and it's not

693
00:37:34,349 --> 00:37:40,950
here right there it's not y'all man it's

694
00:37:37,230 --> 00:37:46,409
not this kind of alien it's like life

695
00:37:40,949 --> 00:37:58,048
like everything 100 you're older than I

696
00:37:46,409 --> 00:38:02,989
am Bowa technique the Irish that was

697
00:37:58,048 --> 00:38:02,989
yeah there are thousand pork ribs thanks

698
00:38:04,519 --> 00:38:08,400
have we talked about anything related to

699
00:38:07,170 --> 00:38:09,838
yeah well we talked about what we're

700
00:38:08,400 --> 00:38:12,450
talking about we talked about hurricanes

701
00:38:09,838 --> 00:38:15,420
we talked about it's just I don't know

702
00:38:12,449 --> 00:38:17,608
are you do you feel they asked you guys

703
00:38:15,420 --> 00:38:21,088
this that are listening do you feel a

704
00:38:17,608 --> 00:38:23,338
little numb and I don't mean that or

705
00:38:21,088 --> 00:38:26,460
maybe I don't want to use the word jaded

706
00:38:23,338 --> 00:38:29,068
but and I don't mean to use that or say

707
00:38:26,460 --> 00:38:34,048
that responsibly or not empathetically

708
00:38:29,068 --> 00:38:39,420
or I mean it's just then so much in such

709
00:38:34,048 --> 00:38:41,788
a short amount of time that it's almost

710
00:38:39,420 --> 00:38:44,480
same same with the terrorist bombings

711
00:38:41,789 --> 00:38:46,230
and shootings it's like here we go again

712
00:38:44,480 --> 00:38:49,769
here we go again

713

00:38:46,230 --> 00:38:51,358
I mean I told you the other day every

714
00:38:49,769 --> 00:38:59,579
time North Korea shoots off a rocket I

715
00:38:51,358 --> 00:39:03,179
always text you I'm like I'm like they

716
00:38:59,579 --> 00:39:05,760
did it again and every time they do it

717
00:39:03,179 --> 00:39:08,309
we get terrified I'm not terrified

718
00:39:05,760 --> 00:39:09,390
well not terrified but you know

719
00:39:08,309 --> 00:39:11,159
there's troops there in the

720
00:39:09,389 --> 00:39:15,449
demilitarized zone there you know yeah I

721
00:39:11,159 --> 00:39:17,069
know there is that's true and uh one of

722
00:39:15,449 --> 00:39:22,259
our nephews is stationed out in South

723
00:39:17,070 --> 00:39:25,050
Korea yeah so so we're kind of nervous

724
00:39:22,260 --> 00:39:27,450
for him yeah and if North Korea is

725
00:39:25,050 --> 00:39:33,300
exterminated just try to keep it within

726
00:39:27,449 --> 00:39:35,429
the borders yeah he will blow himself

727
00:39:33,300 --> 00:39:37,590

eventually he'll stand around the friend

728

00:39:35,429 --> 00:39:39,419

that rocker go up it'll blow right above

729

00:39:37,590 --> 00:39:41,490

his head and not just to pay off well I

730

00:39:39,420 --> 00:39:44,309

know that we're considering knocking his

731

00:39:41,489 --> 00:39:46,169

test missiles down rather than just

732

00:39:44,309 --> 00:39:48,210

letting them do what they do I think

733

00:39:46,170 --> 00:39:50,510

they should like I heard it we're just

734

00:39:48,210 --> 00:39:56,820

gonna start intercepting them blow this

735

00:39:50,510 --> 00:40:02,730

out of the sky show junk home moon we're

736

00:39:56,820 --> 00:40:06,900

not farting around where does this plane

737

00:40:02,730 --> 00:40:08,610

with aliens I mean we they haven't

738

00:40:06,900 --> 00:40:11,160

interceded yet maybe things aren't bad

739

00:40:08,610 --> 00:40:15,260

enough and then the question becomes if

740

00:40:11,159 --> 00:40:20,129

aliens do make themselves massively

741

00:40:15,260 --> 00:40:21,210

present that would be also known as the

742
00:40:20,130 --> 00:40:23,789
second coming

743
00:40:21,210 --> 00:40:25,710
of what well people call this second

744
00:40:23,789 --> 00:40:27,980
coming of Jesus but what is his second

745
00:40:25,710 --> 00:40:31,550
second coming of roast beef sandwich

746
00:40:27,980 --> 00:40:31,550
that sounds delicious

747
00:40:40,579 --> 00:40:49,739
yeah that's the problem

748
00:40:42,329 --> 00:40:52,279
exactly what he said I don't I don't

749
00:40:49,739 --> 00:40:59,699
think we shall blow up China because no

750
00:40:52,280 --> 00:41:01,800
EB was made in China and in China Phoebe

751
00:40:59,699 --> 00:41:03,629

752
00:41:01,800 --> 00:41:06,900
few of his relatives around we have a

753
00:41:03,630 --> 00:41:09,950
giant-ass one it's like he's eight foot

754
00:41:06,900 --> 00:41:09,950
EBUS horas

755
00:41:11,150 --> 00:41:20,090
[Music]

756
00:41:22,159 --> 00:41:37,739

757
00:41:32,599 --> 00:41:45,660

758

759
00:41:45,659 --> 00:41:53,338

760
00:41:48,719 --> 00:41:55,919

got seven mothers well stop popping them

781
00:43:05,429 --> 00:43:14,940
out okay I'm just saying budget

782
00:43:12,358 --> 00:43:17,519
stretched you know each child is a is a

783
00:43:14,940 --> 00:43:19,108
is a minimum life costs of something

784
00:43:17,519 --> 00:43:21,088

like a quarter to a half a million

785

00:43:19,108 --> 00:43:25,358

dollars so you just cry some 1 million

786

00:43:21,088 --> 00:43:30,259

there no you're in debt significantly

787

00:43:25,358 --> 00:43:31,639

we're gonna continue bringing you any

792

00:43:40,849 --> 00:43:45,440

breaking UFO stuff Jace is Count Chocula

793

00:43:43,670 --> 00:43:48,619

time I think there's foodie pebbles Oh

794

00:43:45,440 --> 00:43:50,778

stay out of hurricanes guys stay out of

795

00:43:48,619 --> 00:43:51,769

them stay away from run from them it'll

796

00:43:50,778 --> 00:43:53,509

grab your own Alex

797

00:43:51,768 --> 00:43:54,738

watch where you're donating make sure

798

00:43:53,509 --> 00:43:57,498

you research it don't just blindly

799
00:43:54,739 --> 00:43:58,849
donate to the Red Cross yeah just make

800
00:43:57,498 --> 00:43:59,899
sure you find a really good cause for

801
00:43:58,849 --> 00:44:02,869
the hurricane we don't have anything

802
00:43:59,900 --> 00:44:05,088
personally because yeah we don't know so

803
00:44:02,869 --> 00:44:07,278
so while you're donating to them you may

804
00:44:05,088 --> 00:44:08,989
as well just go right on ahead no but I

805
00:44:07,278 --> 00:44:10,608
think for right now the good donations

806
00:44:08,989 --> 00:44:12,710
go into the hurricane which is helping

807
00:44:10,608 --> 00:44:14,659
everybody I think that's and after

808
00:44:12,710 --> 00:44:19,489
that's over with you ain't concentrate

809
00:44:14,659 --> 00:44:20,509
on us but here we're at ten seconds so

810

814
00:44:29,059 --> 00:44:39,229
Oh guys look special YouTube people it's

815
00:44:36,139 --> 00:44:40,940
just you guys yep it's just us we're not

816
00:44:39,228 --> 00:44:44,268
actually doing the show the podcasts

817
00:44:40,940 --> 00:44:47,298
anymore so we don't have to run 17

818
00:44:44,268 --> 00:44:48,798
things at one time so we thought we

819
00:44:47,298 --> 00:44:54,139
would stay on and chat some more with

820
00:44:48,798 --> 00:44:55,940
our YouTube viewers router I just

821
00:44:54,139 --> 00:45:00,278

875
00:47:28,159 --> 00:47:32,750
night and then 12 hour I don't have time

876
00:47:29,599 --> 00:47:35,809
to do anything well it wasn't that it

877
00:47:32,750 --> 00:47:37,548
was very Emmy you know a bunch of people

878
00:47:35,809 --> 00:47:39,710
you don't know getting awards pretty

879
00:47:37,548 --> 00:47:42,889
much but you keep off your list and I

880
00:47:39,710 --> 00:47:45,909
should really follow celebrities but I

881
00:47:42,889 --> 00:47:49,519
don't do that I can't oh my god tricks

882
00:47:45,909 --> 00:47:51,289
looks like rabbit poop it never used to

883
00:47:49,519 --> 00:47:54,139
be it used to have little shapes

884

00:47:51,289 --> 00:47:56,029
oh the back didn't they do you guys

885
00:47:54,139 --> 00:48:00,108
remember that when Trix it was like a

886
00:47:56,030 --> 00:48:05,240
little lemon a little berry or whatever

887
00:48:00,108 --> 00:48:11,179
had its own shape like that was it was a

888
00:48:05,239 --> 00:48:15,769
while ago like 93 93 94 that long ago

889
00:48:11,179 --> 00:48:17,808
yeah I remember cuz we moved into that

890
00:48:15,769 --> 00:48:20,329
apartment downstairs mom and dad long

891
00:48:17,809 --> 00:48:22,760
fucking time ago the first serial bot

892
00:48:20,329 --> 00:48:25,099
was that in your house wow that's a very

893
00:48:22,760 --> 00:48:27,049
specific memory that's what I have all

894
00:48:25,099 --> 00:48:29,450
the time I'm constantly it's what they

895
00:48:27,048 --> 00:48:31,849
do maybe a suspension thing I don't know

896
00:48:29,449 --> 00:48:34,730
well I think we should probably wrap it

897
00:48:31,849 --> 00:48:38,059
up - yeah thank you guys for being uh

898
00:48:34,730 --> 00:48:41,030

899

00:48:38,059 --> 00:48:43,069

we're gonna do our back 9 9 8 9

900

00:48:41,030 --> 00:48:44,480

somewhere narrow as we get better at

901

00:48:43,068 --> 00:48:45,650

this so we won't be running late so

902

00:48:44,480 --> 00:48:49,099

thank you guys so much

903
