

1  
00:00:12,109 --> 00:00:18,750  
hey what's up everybody I'm in it I'm

2  
00:00:14,609 --> 00:00:23,250  
Joe ugly you and we are the UFO pros and

3  
00:00:18,750 --> 00:00:25,980  
I am nighty-night I'm kind of shaking

4  
00:00:23,250 --> 00:00:29,219  
right now yeah we were preparing for

5  
00:00:25,980 --> 00:00:32,880  
tonight's podcast just like normal until

6  
00:00:29,219 --> 00:00:37,009  
I got a message that the CIA has

7  
00:00:32,880 --> 00:00:40,739  
published its entire history online

8  
00:00:37,009 --> 00:00:42,299  
blowed my mind like it was just 15

9  
00:00:40,738 --> 00:00:43,619  
minutes before we were gonna podcast you

10  
00:00:42,299 --> 00:00:44,968  
know and we were like we've been

11  
00:00:43,619 --> 00:00:46,829  
searching through the database

12  
00:00:44,969 --> 00:00:48,629  
scrambling to try to find pieces of

13  
00:00:46,829 --> 00:00:50,520  
anything we could like share with you

14  
00:00:48,628 --> 00:00:53,189  
guys and remember guys this is straight

15  
00:00:50,520 --> 00:00:54,510  
from the FBI say a website so it's

16  
00:00:53,189 --> 00:00:56,640  
checking the government official it is

17  
00:00:54,509 --> 00:00:59,070  
there you guys need to go check it out I

18  
00:00:56,640 --> 00:01:01,378  
I I'm wondering is this the disclosure

19  
00:00:59,070 --> 00:01:03,270  
that a lot of you know what they say

20  
00:01:01,378 --> 00:01:05,728  
people in ufology world were saying that

21  
00:01:03,270 --> 00:01:08,490  
Obama might disclose before leaving

22  
00:01:05,728 --> 00:01:10,408  
office the CIA said this was labor

23  
00:01:08,489 --> 00:01:14,399  
intensive and that they were hoping to

24  
00:01:10,409 --> 00:01:16,320  
release it I think even even later but

25  
00:01:14,400 --> 00:01:18,750  
they ended up really seeing it sooner

26  
00:01:16,319 --> 00:01:22,309  
and this even includes and I'm just

27  
00:01:18,750 --> 00:01:25,950  
reading here access to this historically

28  
00:01:22,310 --> 00:01:29,159  
significant collection is no la Mer no

29

00:01:25,950 --> 00:01:32,100  
longer limited by geography so

30  
00:01:29,159 --> 00:01:35,100  
apparently these are 13 million files

31  
00:01:32,099 --> 00:01:38,728  
that were only accessible on a handful

32  
00:01:35,099 --> 00:01:40,769  
of computers like older top-secret this

33  
00:01:38,728 --> 00:01:42,060  
is top secret shit that was only on a

34  
00:01:40,769 --> 00:01:45,868  
few computers that they've published

35  
00:01:42,060 --> 00:01:48,000  
online like now like today and we were

36  
00:01:45,868 --> 00:01:49,859  
checking we could see that some of the

37  
00:01:48,000 --> 00:01:52,170  
document creations were just a few weeks

38  
00:01:49,859 --> 00:01:55,409  
ago and that the published date was

39  
00:01:52,170 --> 00:01:58,228  
today and it's kind of blowing our mind

40  
00:01:55,409 --> 00:02:01,079  
and I wonder if were one of the first to

41  
00:01:58,228 --> 00:02:02,938  
actually maybe kind of break this news

42  
00:02:01,078 --> 00:02:04,069  
that's kind of exciting and exciting and

43  
00:02:02,938 --> 00:02:06,069

you know what though I was recently

44

00:02:04,069 --> 00:02:07,989  
documentation

45

00:02:06,069 --> 00:02:09,400  
and you guys the stuff that's on there

46

00:02:07,989 --> 00:02:11,889  
you guys got to get on there and check

47

00:02:09,400 --> 00:02:12,460  
it out could you put a link in the

48

00:02:11,889 --> 00:02:14,409  
description

49

00:02:12,460 --> 00:02:16,810  
oh yeah and you know can I just say look

50

00:02:14,409 --> 00:02:19,840  
this is what the CIA says that none of

51

00:02:16,810 --> 00:02:22,120  
the information is cherry-picks it's the

52

00:02:19,840 --> 00:02:24,849  
full history it's good and bad what I

53

00:02:22,120 --> 00:02:27,789  
mean of course there could be so this is

54

00:02:24,849 --> 00:02:28,870  
reactive documents but there's just just

55

00:02:27,789 --> 00:02:33,699  
astray from the horse's mouth

56

00:02:28,870 --> 00:02:39,550  
straight from the horse's mouth the

57

00:02:33,699 --> 00:02:41,229  
archive is massive you guys and you know

58  
00:02:39,550 --> 00:02:43,300  
just little stuff there like

59  
00:02:41,229 --> 00:02:46,209  
developments on their activities

60  
00:02:43,300 --> 00:02:48,880  
throughout you know our history is going

61  
00:02:46,210 --> 00:02:50,730  
to be coming out as people like us and

62  
00:02:48,879 --> 00:02:54,639  
others start we actually as researching

63  
00:02:50,729 --> 00:02:56,979  
what these documents are it's crazy so

64  
00:02:54,639 --> 00:02:59,229  
so much documentation yeah

65  
00:02:56,979 --> 00:03:02,049  
and I'm shaking with excitement I was

66  
00:02:59,229 --> 00:03:04,179  
telling y'all like I was saying I don't

67  
00:03:02,050 --> 00:03:07,480  
maybe it's just me maybe I read a bad

68  
00:03:04,180 --> 00:03:09,700  
article but I think this might be it you

69  
00:03:07,479 --> 00:03:10,959  
know and it it we're not saying it is

70  
00:03:09,699 --> 00:03:13,629  
but it could be if some of the

71  
00:03:10,959 --> 00:03:17,020  
documentation that just came out you

72  
00:03:13,629 --> 00:03:19,810  
know I was reading every time

73  
00:03:17,020 --> 00:03:21,939  
what do you keep doing that you sound

74  
00:03:19,810 --> 00:03:30,670  
like the lady from Saturday Night Live

75  
00:03:21,939 --> 00:03:34,829  
no anyway whatever about some of the

76  
00:03:30,669 --> 00:03:34,829  
stretch girls what I was saying was

77  
00:03:35,139 --> 00:03:40,139  
they don't want to there's two pull

78  
00:03:37,330 --> 00:03:43,270  
there's two things they do not want to

79  
00:03:40,139 --> 00:03:45,519  
they would they want to they wanted a

80  
00:03:43,270 --> 00:03:49,600  
release I know I kind of kind of like

81  
00:03:45,520 --> 00:03:54,969  
cheeky is one was psychological so

82  
00:03:49,599 --> 00:03:56,769  
basically using their minds and I can't

83  
00:03:54,969 --> 00:03:58,750  
remember but one was said psychological

84  
00:03:56,770 --> 00:04:00,640  
warfare mm-hmm without straightening

85  
00:03:58,750 --> 00:04:03,959  
documentation so some of these documents

86

00:04:00,639 --> 00:04:09,789  
you guys are briefing documents or

87  
00:04:03,959 --> 00:04:11,500  
cables or letters of recommendation of

88  
00:04:09,789 --> 00:04:14,009  
what to do as an example like Joe was

89  
00:04:11,500 --> 00:04:17,548  
talking about the document we saw that

90  
00:04:14,009 --> 00:04:20,759  
by the way our computers so many tabs

91  
00:04:17,548 --> 00:04:24,418  
open that we can't even like crazy

92  
00:04:20,759 --> 00:04:26,009  
because we're crazy because we're going

93  
00:04:24,418 --> 00:04:27,509  
through and you know we're using certain

94  
00:04:26,009 --> 00:04:30,329  
search terms to figure out you know what

95  
00:04:27,509 --> 00:04:32,550  
documents contain what and they're all

96  
00:04:30,329 --> 00:04:34,709  
over the place they're they're not where

97  
00:04:32,550 --> 00:04:37,259  
you think they are you type in UFO or

98  
00:04:34,709 --> 00:04:38,759  
alien or alien UFO you're just gonna

99  
00:04:37,259 --> 00:04:41,159  
regular page and it'll just bring up

100  
00:04:38,759 --> 00:04:43,949

something about a UFO there's a lot of

101

00:04:41,160 --> 00:04:46,500

info on UFOs on there there is a lot and

102

00:04:43,949 --> 00:04:48,180

we just few minutes before it's podcast

103

00:04:46,500 --> 00:04:51,360

we're trying to scramble try to piece

104

00:04:48,180 --> 00:04:57,269

little things together and you guys got

105

00:04:51,360 --> 00:04:59,160

chicken it's crazy crazy so I'm just

106

00:04:57,269 --> 00:05:02,519

kind of like going through some stuff

107

00:04:59,160 --> 00:05:04,470

here and like here's a report Advisory

108

00:05:02,519 --> 00:05:06,209

Panel meeting on flying or unidentified

109

00:05:04,470 --> 00:05:13,260

flying objects this is a report from

110

00:05:06,209 --> 00:05:21,418

1953 and that's a pretty large report

111

00:05:13,259 --> 00:05:22,500

here yeah so it looks like the way this

112

00:05:21,418 --> 00:05:24,199

works you guys if you're gonna be

113

00:05:22,500 --> 00:05:26,819

searching these files it looks as though

114

00:05:24,199 --> 00:05:28,500

the search is able to identify some

115  
00:05:26,819 --> 00:05:30,629  
words but then you have to really you

116  
00:05:28,500 --> 00:05:32,100  
know you know like as an example I've

117  
00:05:30,629 --> 00:05:35,038  
got 28 pages here that I'm trying to

118  
00:05:32,100 --> 00:05:36,600  
just kind of googly-eye real quick and

119  
00:05:35,038 --> 00:05:47,279  
look for certain things that are gonna

120  
00:05:36,600 --> 00:05:49,229  
pop out baby up Scottie but of course so

121  
00:05:47,279 --> 00:05:51,478  
this one's actually interestingly not

122  
00:05:49,228 --> 00:05:53,339  
talking about the Foo Fighters and the

123  
00:05:51,478 --> 00:05:55,649  
balls of light this this document here

124  
00:05:53,339 --> 00:05:57,269  
they're really I don't think anybody's

125  
00:05:55,649 --> 00:05:59,069  
probably ever even seen this document

126  
00:05:57,269 --> 00:06:01,409  
they're also talking about police ufos

127  
00:05:59,069 --> 00:06:03,029  
although all of the reports on ufos that

128  
00:06:01,410 --> 00:06:05,550  
the police saw and they didn't know what

129  
00:06:03,029 --> 00:06:07,649  
to do what to say you know they had to

130  
00:06:05,550 --> 00:06:09,930  
call FBI and say they're here oh can i

131  
00:06:07,649 --> 00:06:14,189  
get your writing in that mm-hmm it's in

132  
00:06:09,930 --> 00:06:16,769  
there I was reading something it's crazy

133  
00:06:14,189 --> 00:06:20,779  
how how much information released were

134  
00:06:16,769 --> 00:06:20,779  
Scranton's it's everywhere everywhere

135  
00:06:22,730 --> 00:06:26,960  
sorry guys I'm I'm totally up he

136  
00:06:24,740 --> 00:06:27,740  
literally ain't over you know over my

137  
00:06:26,959 --> 00:06:31,069  
head here we are

138  
00:06:27,740 --> 00:06:33,500  
I'm sorry very yeah I'm just scrolling

139  
00:06:31,069 --> 00:06:37,250  
through these pages and you know it's

140  
00:06:33,500 --> 00:06:39,019  
organized somewhat well but and also you

141  
00:06:37,250 --> 00:06:41,240  
never know what kind of file you're

142  
00:06:39,019 --> 00:06:43,279  
going to be looking at sometimes it's

143

00:06:41,240 --> 00:06:43,879  
like a newspaper clipping which I find

144  
00:06:43,279 --> 00:06:46,759  
interesting

145  
00:06:43,879 --> 00:06:48,680  
the CIA skipping yeah they cut it out

146  
00:06:46,759 --> 00:06:50,990  
things on yeah took a flow wreck of it

147  
00:06:48,680 --> 00:06:53,269  
so I think that I think maybe it's

148  
00:06:50,990 --> 00:06:56,000  
probably far more telling than it seems

149  
00:06:53,269 --> 00:06:58,430  
the fact that they have they have like

150  
00:06:56,000 --> 00:07:00,649  
magazines that talked about UFOs they

151  
00:06:58,430 --> 00:07:02,209  
have photocopies of these in here Dan

152  
00:07:00,649 --> 00:07:04,099  
things are confiscated that they took

153  
00:07:02,209 --> 00:07:07,539  
probably before they were printed or

154  
00:07:04,100 --> 00:07:11,780  
they part were printed them attracted

155  
00:07:07,540 --> 00:07:15,230  
they're out there they're watching we're

156  
00:07:11,779 --> 00:07:23,089  
watching for your dog alcohol gotta be

157  
00:07:15,230 --> 00:07:24,800

careful so so you guys please here's a

158

00:07:23,089 --> 00:07:27,679

document right here guys job right now

159

00:07:24,800 --> 00:07:29,960

go check it out at CIA this is an

160

00:07:27,680 --> 00:07:34,300

intelligence Advisory Committee

161

00:07:29,959 --> 00:07:38,359

I guess memorandum on flying

162

00:07:34,300 --> 00:07:40,100

unidentified objects it says here this

163

00:07:38,360 --> 00:07:42,319

is the cover letter so I'm just kind of

164

00:07:40,100 --> 00:07:45,290

breaking this down I'm gonna try to read

165

00:07:42,319 --> 00:07:47,420

it to you word for word attached is a

166

00:07:45,290 --> 00:07:50,480

proposed letter to secretary love it

167

00:07:47,420 --> 00:07:53,300

from the DCI recommending the initiation

168

00:07:50,480 --> 00:07:55,300

of fundamental scientific research with

169

00:07:53,300 --> 00:07:58,040

respect to the nature and cause of

170

00:07:55,300 --> 00:08:01,370

unidentified flying objects flying

171

00:07:58,040 --> 00:08:03,850

saucers keep in mind this is directly

172  
00:08:01,370 --> 00:08:06,860  
from the Central Intelligence Agency

173  
00:08:03,850 --> 00:08:10,100  
website I mean like this isn't a fake

174  
00:08:06,860 --> 00:08:12,590  
document so so this is basically a

175  
00:08:10,100 --> 00:08:15,590  
proposal because as I'm just kind of

176  
00:08:12,589 --> 00:08:17,389  
scrolling through here there's a few

177  
00:08:15,589 --> 00:08:23,949  
concerns here it is

178  
00:08:17,389 --> 00:08:26,750  
this document dated October 2nd 1952

179  
00:08:23,949 --> 00:08:29,209  
memorandum to the director of Central

180  
00:08:26,750 --> 00:08:32,899  
Intelligence through the Deputy Director

181  
00:08:29,209 --> 00:08:35,588  
from assistant director of Office of

182  
00:08:32,899 --> 00:08:40,278  
Scientific intelligence okay

183  
00:08:35,589 --> 00:08:42,469  
problem to determine a whether or not

184  
00:08:40,278 --> 00:08:44,269  
there are national security implications

185  
00:08:42,469 --> 00:08:48,260  
in the problem of unidentified flying

186  
00:08:44,269 --> 00:08:50,360  
objects be whether or not adequate study

187  
00:08:48,259 --> 00:08:52,490  
and research is currently being directed

188  
00:08:50,360 --> 00:08:55,060  
to this problem in its relation to such

189  
00:08:52,490 --> 00:08:57,980  
national security implications and see

190  
00:08:55,059 --> 00:09:00,588  
what further investigation and research

191  
00:08:57,980 --> 00:09:03,528  
should be instituted by whom and under

192  
00:09:00,589 --> 00:09:05,480  
what ages and guys this is coming

193  
00:09:03,528 --> 00:09:07,129  
straight from the CIA website yes

194  
00:09:05,480 --> 00:09:08,629  
straight from FBI CIA top-secret stuff

195  
00:09:07,129 --> 00:09:10,578  
so you guys could definitely go check it

196  
00:09:08,629 --> 00:09:12,980  
out I was just reading a few things off

197  
00:09:10,578 --> 00:09:14,539  
so that we can be on track here and tell

198  
00:09:12,980 --> 00:09:16,399  
you what just came out what's going on

199  
00:09:14,539 --> 00:09:18,439  
so this could be the disclosure we're

200

00:09:16,399 --> 00:09:21,259  
not saying it is but maybe like as an

201  
00:09:18,440 --> 00:09:23,540  
example paragraph three here says flying

202  
00:09:21,259 --> 00:09:24,769  
saucers pose two elements of danger

203  
00:09:23,539 --> 00:09:27,500  
which have national security

204  
00:09:24,769 --> 00:09:29,600  
implications the first involves mass

205  
00:09:27,500 --> 00:09:31,850  
psychological considerations and the

206  
00:09:29,600 --> 00:09:34,278  
second concerns the vulnerability of the

207  
00:09:31,850 --> 00:09:37,970  
United States to air attack that's all

208  
00:09:34,278 --> 00:09:40,458  
the batteries are amplified in Tab A

209  
00:09:37,970 --> 00:09:43,670  
which Marlene Kelly certain but here's

210  
00:09:40,458 --> 00:09:45,859  
the action recommended that the director

211  
00:09:43,669 --> 00:09:48,049  
of Central Intelligence advised the

212  
00:09:45,860 --> 00:09:50,480  
National Security Council of the

213  
00:09:48,049 --> 00:09:53,809  
implications of flying saucers problem

214  
00:09:50,480 --> 00:09:56,810

and request that research be initiated

215

00:09:53,809 --> 00:09:58,789

that the DCI discussed this subject with

216

00:09:56,809 --> 00:10:01,789

the psychological strategy board a

217

00:09:58,789 --> 00:10:05,360

memorandum to the director psychological

218

00:10:01,789 --> 00:10:07,458

strategy board so there it looks as

219

00:10:05,360 --> 00:10:13,519

though you have got to be kidding no I'm

220

00:10:07,458 --> 00:10:15,879

not this is this is real this has it

221

00:10:13,519 --> 00:10:18,470

just continues and it talks about

222

00:10:15,879 --> 00:10:19,850

paragraph after paragraph open up a

223

00:10:18,470 --> 00:10:22,190

document it's just all over the place

224

00:10:19,850 --> 00:10:25,870

it's not in order so you guys gotta kind

225

00:10:22,190 --> 00:10:25,870

of scramble around search for it

226

00:10:26,169 --> 00:10:36,198

reading here guys so aliens UFOs but of

227

00:10:33,889 --> 00:10:38,000

course a real you be I don't know I

228

00:10:36,198 --> 00:10:39,799

think we're starting to find out you be

229  
00:10:38,000 --> 00:10:43,309  
the judge well talking about that stuff

230  
00:10:39,799 --> 00:10:45,009  
and as I'm scanning this excuse me does

231  
00:10:43,309 --> 00:10:49,119  
not compute is you better compute

232  
00:10:45,009 --> 00:10:54,059  
self-destruct sorry turns off dropping

233  
00:10:49,120 --> 00:10:54,060  
destruct instruct destroy a lot

234  
00:10:55,759 --> 00:11:07,490  
hmm okay you are one pathetic loser I

235  
00:11:03,279 --> 00:11:10,309  
guess was rewriter Hammett I read it

236  
00:11:07,490 --> 00:11:13,549  
just knows news was just posted it was

237  
00:11:10,309 --> 00:11:15,079  
exactly of today yeah and you guys you

238  
00:11:13,549 --> 00:11:18,109  
know these documents are so detailed

239  
00:11:15,080 --> 00:11:20,750  
it's absolutely mind-boggling and you

240  
00:11:18,110 --> 00:11:21,860  
know like I don't know how much we're

241  
00:11:20,750 --> 00:11:24,080  
gonna get through you know there's

242  
00:11:21,860 --> 00:11:26,300  
thirteen million uh pages in 45 minutes

243  
00:11:24,080 --> 00:11:28,670  
yeah so what we're gonna do hey Joe if

244  
00:11:26,299 --> 00:11:30,949  
you could take a minute I'm gonna keep

245  
00:11:28,669 --> 00:11:32,959  
pulling up some documents if you could

246  
00:11:30,950 --> 00:11:36,530  
do some social media shoutouts while I

247  
00:11:32,960 --> 00:11:37,550  
take a look at what's going on oh also

248  
00:11:36,529 --> 00:11:42,639  
we want to bring to everybody's

249  
00:11:37,549 --> 00:11:46,339  
attention that wwg ott/louisville tv.com

250  
00:11:42,639 --> 00:11:48,559  
was just put up there's all kinds of a

251  
00:11:46,340 --> 00:11:53,450  
swag on there if you guys want to

252  
00:11:48,559 --> 00:11:56,049  
contribute to our fund age and help us

253  
00:11:53,450 --> 00:11:59,450  
continue our adventures but their shirts

254  
00:11:56,049 --> 00:12:01,609  
all of the designs are by me I drew them

255  
00:11:59,450 --> 00:12:05,390  
all and we put them on shirts and other

256  
00:12:01,610 --> 00:12:07,580  
sweaters and little hats bags if you

257

00:12:05,389 --> 00:12:10,939  
glad we want to so if you guys just

258  
00:12:07,580 --> 00:12:15,620  
contribute to us we would greatly

259  
00:12:10,940 --> 00:12:19,340  
greatly appreciate it so let's yeah we

260  
00:12:15,620 --> 00:12:23,929  
gotta give it up to AJ la blazar

261  
00:12:19,340 --> 00:12:29,440  
Carla of course I see a lot of them the

262  
00:12:23,929 --> 00:12:36,579  
UFO sun-earth let's see here you folks

263  
00:12:29,440 --> 00:12:36,580  
are fact yeah shout out shout out and

264  
00:12:37,720 --> 00:12:45,320  
whoever else is listening let's give you

265  
00:12:39,529 --> 00:12:46,539  
all shut down but anyway um master

266  
00:12:45,320 --> 00:12:50,140  
mastaba

267  
00:12:46,539 --> 00:12:53,480  
yeah methylene addict alien addict and

268  
00:12:50,139 --> 00:12:57,110  
anything aboard excuse me guys all the

269  
00:12:53,480 --> 00:12:58,580  
regulars but yes and we just we usually

270  
00:12:57,110 --> 00:13:00,110  
let you guys know we had decided to go

271  
00:12:58,580 --> 00:13:02,930

to contact in the desert and we are

272

00:13:00,110 --> 00:13:05,480

going to the workshop despite a yeah we

273

00:13:02,929 --> 00:13:08,099

agree with the baba baba that dr. Greer

274

00:13:05,480 --> 00:13:14,490

here is a Bob Lazar

275

00:13:08,100 --> 00:13:16,440

Chabot dr. Greer that even though he is

276

00:13:14,490 --> 00:13:17,940

probably even him was probably someone

277

00:13:16,440 --> 00:13:19,080

of his lackeys or something that did

278

00:13:17,940 --> 00:13:21,060

that

279

00:13:19,080 --> 00:13:22,170

so that's too far I think he's way too

280

00:13:21,059 --> 00:13:23,909

far

281

00:13:22,169 --> 00:13:26,399

dizzy to sit there and look at Twitter

282

00:13:23,909 --> 00:13:26,789

all day I think he's got a lack can you

283

00:13:26,399 --> 00:13:29,789

did it

284

00:13:26,789 --> 00:13:33,419

we whiz so erased a player mentioned us

285

00:13:29,789 --> 00:13:35,189

okay but anyways about our store all the

286  
00:13:33,419 --> 00:13:36,809  
orders are free shipping so you pay for

287  
00:13:35,190 --> 00:13:39,750  
the shirt it's free shipping straight to

288  
00:13:36,809 --> 00:13:40,979  
your door it would help us out great I'm

289  
00:13:39,750 --> 00:13:46,710  
actually going to purchase a bunch

290  
00:13:40,980 --> 00:13:50,070  
myself and yeah check out the store

291  
00:13:46,710 --> 00:13:56,580  
give us a like like us on Facebook

292  
00:13:50,070 --> 00:14:01,770  
Twitter Instagram and YouTube all all

293  
00:13:56,580 --> 00:14:02,850  
the social medias and so well we're

294  
00:14:01,769 --> 00:14:04,169  
gonna take a quick break right here for

295  
00:14:02,850 --> 00:14:05,820  
just one second or gather our thoughts

296  
00:14:04,169 --> 00:14:07,349  
and we are with you yeah guys we might

297  
00:14:05,820 --> 00:14:08,670  
have to do more than a 45 minute podcast

298  
00:14:07,350 --> 00:14:11,129  
and we have to do several of these

299  
00:14:08,669 --> 00:14:13,789  
because there's so much information and

300  
00:14:11,129 --> 00:14:16,409  
we just got to take a minute so you're

301  
00:14:13,789 --> 00:14:19,279  
celebrating all other triggers wonderful

302  
00:14:16,409 --> 00:14:19,279  
things that

303  
00:14:26,230 --> 00:14:28,289  
you

304  
00:15:11,179 --> 00:15:16,159  
hey thanks for hanging out for that

305  
00:15:13,610 --> 00:15:19,310  
jacket you get some collective thought

306  
00:15:16,159 --> 00:15:23,319  
going here but um I won't get about some

307  
00:15:19,309 --> 00:15:27,739  
more shout outs see there's Grif - 877

308  
00:15:23,320 --> 00:15:32,028  
Carlitos 17:26 just give us a shout outs

309  
00:15:27,740 --> 00:15:36,320  
on the instagramers for those of you

310  
00:15:32,028 --> 00:15:40,519  
just tuning in we found some on the CIA

311  
00:15:36,320 --> 00:15:42,740  
website we found some disclosed UFO and

312  
00:15:40,519 --> 00:15:44,419  
extraterrestrial documentation that

313  
00:15:42,740 --> 00:15:45,440  
we've been going over and it's doing

314

00:15:44,419 --> 00:15:47,599  
some research right now trying to

315  
00:15:45,440 --> 00:15:52,160  
collect some stuff together but we just

316  
00:15:47,600 --> 00:15:55,550  
want to say that our WWE Phobos tv.com

317  
00:15:52,159 --> 00:15:56,719  
store is open and our website so if you

318  
00:15:55,549 --> 00:15:59,389  
guys want check it out with all kinds of

319  
00:15:56,720 --> 00:16:01,250  
cool swag there all the everything has

320  
00:15:59,389 --> 00:16:04,789  
free shipping on it shipped to your door

321  
00:16:01,250 --> 00:16:06,919  
and so we just got that up and running

322  
00:16:04,789 --> 00:16:09,079  
that'd be great it'll great to the cause

323  
00:16:06,919 --> 00:16:11,479  
every bit of it goes to our adventures

324  
00:16:09,080 --> 00:16:13,580  
to give you guys great content so if you

325  
00:16:11,480 --> 00:16:16,550  
guys want to be a patreon patron go to

326  
00:16:13,580 --> 00:16:17,950  
patreon.com/scishow fo Bros TV become a

327  
00:16:16,549 --> 00:16:20,269  
patron there's all kinds of great stuff

328  
00:16:17,950 --> 00:16:24,140

you guys get a Skype call with us if you

329

00:16:20,269 --> 00:16:32,120

do \$5 and we're lucky if you guys become

330

00:16:24,139 --> 00:16:35,019

a patron so funny thing yeah I'm reading

331

00:16:32,120 --> 00:16:35,019

the document

332

00:16:39,448 --> 00:16:43,628

that's a big one

333

00:16:41,649 --> 00:16:51,669

anybody ask anything I'll say raise hand

334

00:16:43,629 --> 00:16:52,959

nobody this is this is amazing so well

335

00:16:51,669 --> 00:16:56,438

here's something interesting

336

00:16:52,958 --> 00:17:00,878

you got funding yeah artifacts of

337

00:16:56,438 --> 00:17:06,188

extraterrestrial origin I think did I

338

00:17:00,879 --> 00:17:09,159

read this sorry guys I know that we're

339

00:17:06,189 --> 00:17:10,538

here and we're live and that's kind of

340

00:17:09,159 --> 00:17:11,770

the fun part about being live is you

341

00:17:10,538 --> 00:17:13,538

never know what the hell's gonna happen

342

00:17:11,769 --> 00:17:14,558

Louis I'm here going through these

343  
00:17:13,538 --> 00:17:21,759  
documents trying to see if there's

344  
00:17:14,558 --> 00:17:24,578  
anything that is breaking or actually

345  
00:17:21,759 --> 00:17:26,769  
definitively stated it's gotta be

346  
00:17:24,578 --> 00:17:28,298  
defended it's on the CIA website well

347  
00:17:26,769 --> 00:17:30,460  
that's what I'm looking for is something

348  
00:17:28,298 --> 00:17:33,490  
that I can say hey this document

349  
00:17:30,460 --> 00:17:34,720  
actually says you know the wording in a

350  
00:17:33,490 --> 00:17:37,089  
way where you can't understand that's

351  
00:17:34,720 --> 00:17:40,390  
exactly what's happening but still it's

352  
00:17:37,089 --> 00:17:41,558  
I hope this isn't gonna be one of those

353  
00:17:40,390 --> 00:17:43,710  
things where you know it's up to your

354  
00:17:41,558 --> 00:17:50,379  
interpretation like maybe another

355  
00:17:43,710 --> 00:17:52,600  
another you know another hurdle right

356  
00:17:50,380 --> 00:17:56,620  
that now we have to decode what these

357  
00:17:52,599 --> 00:17:58,569  
meetings are and I don't think a lot of

358  
00:17:56,619 --> 00:18:01,029  
people have seen these documents and

359  
00:17:58,569 --> 00:18:02,678  
I'll tell you guys just looking at the

360  
00:18:01,029 --> 00:18:05,019  
document creation dates to the CIA

361  
00:18:02,679 --> 00:18:07,570  
website some of them are November of

362  
00:18:05,019 --> 00:18:09,009  
just this last year early late December

363  
00:18:07,569 --> 00:18:11,740  
of justice last year and as early as

364  
00:18:09,009 --> 00:18:13,148  
this week create documents those are

365  
00:18:11,740 --> 00:18:15,220  
crude documents but before that they

366  
00:18:13,148 --> 00:18:17,019  
were released on those layouts like 2001

367  
00:18:15,220 --> 00:18:19,329  
2000 when we say create a document we

368  
00:18:17,019 --> 00:18:21,639  
mean that that's when basically it was

369  
00:18:19,329 --> 00:18:24,329  
scanned and created as a document for

370  
00:18:21,640 --> 00:18:27,640  
the website not that it was an invent in

371

00:18:24,329 --> 00:18:31,230  
2016 or 17 these are very old stuff from

372  
00:18:27,640 --> 00:18:33,850  
the 50s guys 40s and 50s and you know I

373  
00:18:31,230 --> 00:18:37,000  
certainly hope we find something on here

374  
00:18:33,849 --> 00:18:45,250  
about Roswell that'd be amazing but I'm

375  
00:18:37,000 --> 00:18:47,170  
gonna it's it's hard because what get

376  
00:18:45,250 --> 00:18:49,390  
this yet huh

377  
00:18:47,170 --> 00:18:51,940  
again the websites not unavailable why

378  
00:18:49,390 --> 00:18:58,930  
is the website unavailable she found out

379  
00:18:51,940 --> 00:19:00,970  
you're on it wait wait hold on why did

380  
00:18:58,930 --> 00:19:02,860  
you just get in did you see kicked out

381  
00:19:00,970 --> 00:19:04,420  
of CIA website okay no I'm back that was

382  
00:19:02,859 --> 00:19:06,009  
weird it said it was unavailable maybe

383  
00:19:04,420 --> 00:19:11,200  
maybe there was just me tapping my

384  
00:19:06,009 --> 00:19:13,000  
finger too quickly so you guys what do

385  
00:19:11,200 --> 00:19:14,380

you think the website just taking I know

386

00:19:13,000 --> 00:19:15,759

look here's the thing I just want to

387

00:19:14,380 --> 00:19:18,100

talk about this but I do want to talk

388

00:19:15,759 --> 00:19:21,150

about the website because we put quite a

389

00:19:18,099 --> 00:19:26,529

bit of time into that Joe and I did all

390

00:19:21,150 --> 00:19:30,820

designs are original and Joe has created

391

00:19:26,529 --> 00:19:33,279

them in mmm it's good stuff guys there's

392

00:19:30,819 --> 00:19:34,929

really good stuff if you purchase

393

00:19:33,279 --> 00:19:36,849

anything from our store we do get a

394

00:19:34,930 --> 00:19:38,799

small profit which is awesome it's not

395

00:19:36,849 --> 00:19:41,529

huge but it's going to help us continue

396

00:19:38,799 --> 00:19:43,899

to do what we do and be goofy and silly

397

00:19:41,529 --> 00:19:45,990

and Jimmy but still bring you know

398

00:19:43,900 --> 00:19:50,620

common attention to this

399

00:19:45,990 --> 00:19:52,420

extraterrestrial UFO subject and that's

400  
00:19:50,619 --> 00:19:54,549  
what I think originally I was going to

401  
00:19:52,420 --> 00:19:58,330  
talk about in tonight's broadcast was

402  
00:19:54,549 --> 00:20:06,399  
ufology certain ufologists and what that

403  
00:19:58,329 --> 00:20:09,339  
means and as a youth apologist we are no

404  
00:20:06,400 --> 00:20:13,780  
meet as ufologists you know we have a

405  
00:20:09,339 --> 00:20:15,189  
good time with this okay maybe it's

406  
00:20:13,779 --> 00:20:17,349  
because our lives haven't been

407  
00:20:15,190 --> 00:20:18,940  
threatened yet maybe it's because we

408  
00:20:17,349 --> 00:20:20,980  
haven't had a visit from the men in

409  
00:20:18,940 --> 00:20:23,799  
black I mean I don't really know to what

410  
00:20:20,980 --> 00:20:25,509  
extent some of these people you know

411  
00:20:23,799 --> 00:20:28,029  
have dealt with the government as they

412  
00:20:25,509 --> 00:20:31,329  
say but for us we're just you know

413  
00:20:28,029 --> 00:20:34,990  
having a good time we we're enjoying

414  
00:20:31,329 --> 00:20:37,119  
ourselves and I think that's okay don't

415  
00:20:34,990 --> 00:20:41,049  
don't you think Joe that there is room

416  
00:20:37,119 --> 00:20:44,619  
in ufology or you know a little bit of

417  
00:20:41,049 --> 00:20:46,509  
humor hi consider it a little light I

418  
00:20:44,619 --> 00:20:48,189  
mean you know it is really it's

419  
00:20:46,509 --> 00:20:49,720  
fascinating and it's something to be

420  
00:20:48,190 --> 00:20:52,750  
serious about and very passionate about

421  
00:20:49,720 --> 00:20:53,980  
what people are but a lot of people

422  
00:20:52,750 --> 00:20:55,119  
don't think the other side of the funny

423  
00:20:53,980 --> 00:20:58,808  
side that's

424  
00:20:55,119 --> 00:21:00,969  
we're still you know we're still real

425  
00:20:58,808 --> 00:21:03,160  
about it we still you know passionate

426  
00:21:00,970 --> 00:21:04,839  
about it and who still believe but

427  
00:21:03,160 --> 00:21:08,558  
there's got to be a comedy side to it

428

00:21:04,839 --> 00:21:09,849  
it's also serious I mean I think people

429  
00:21:08,558 --> 00:21:11,529  
like sometimes make a joke of it but

430  
00:21:09,849 --> 00:21:12,939  
we're like but another joke

431  
00:21:11,529 --> 00:21:15,308  
here's an interesting thing that

432  
00:21:12,940 --> 00:21:19,930  
happened I guess not not too long ago

433  
00:21:15,308 --> 00:21:24,009  
hmm was a lot of companies were

434  
00:21:19,930 --> 00:21:27,850  
requiring some of their most I guess you

435  
00:21:24,009 --> 00:21:29,650  
could say educated staff members like

436  
00:21:27,849 --> 00:21:31,029  
PhDs and that sort of thing people that

437  
00:21:29,650 --> 00:21:32,440  
were really really really be bee do bee

438  
00:21:31,029 --> 00:21:34,210  
do bee do bee really smart people that

439  
00:21:32,440 --> 00:21:44,200  
have their PhDs and their doctors and

440  
00:21:34,210 --> 00:21:49,740  
all that stuff go hey Ted can you guys

441  
00:21:44,200 --> 00:21:49,740  
hear us nope yeah sorry

442  
00:21:51,000 --> 00:21:59,049

[Music]

443

00:21:59,170 --> 00:22:03,019

sorry guys we just had a little

444

00:22:00,829 --> 00:22:05,199

technical difficulty but what we stam

445

00:22:03,019 --> 00:22:07,700

mike i know we were talking about

446

00:22:05,200 --> 00:22:09,080

companies requiring like you know people

447

00:22:07,700 --> 00:22:11,509

that are doctors and that sort of thing

448

00:22:09,079 --> 00:22:15,319

to get some social classes and

449

00:22:11,509 --> 00:22:18,470

understand how to interact with people

450

00:22:15,319 --> 00:22:22,309

socially because a lot of the people

451

00:22:18,470 --> 00:22:25,309

that seem to be very analytical minded

452

00:22:22,309 --> 00:22:27,440

tend to be a put off for some people

453

00:22:25,309 --> 00:22:29,119

socially and i wonder if maybe that's

454

00:22:27,440 --> 00:22:32,210

the case there are so many freaking

455

00:22:29,119 --> 00:22:36,759

geniuses in ufology I mean talk about

456

00:22:32,210 --> 00:22:39,980

people that have PhD on PhD I mean it is

457  
00:22:36,759 --> 00:22:44,779  
unheard of in this field to have this

458  
00:22:39,980 --> 00:22:47,539  
many scientists and doctors and you know

459  
00:22:44,779 --> 00:22:51,279  
PhDs and masters and all those people

460  
00:22:47,539 --> 00:22:54,889  
that have spent their lifetime on

461  
00:22:51,279 --> 00:22:57,019  
education and you know new theories and

462  
00:22:54,890 --> 00:22:59,240  
those sorts of things have come forth

463  
00:22:57,019 --> 00:23:00,680  
and are part of this but do you think

464  
00:22:59,240 --> 00:23:03,920  
that maybe a trip oh hold on

465  
00:23:00,680 --> 00:23:06,289  
so what I'm saying is they're so

466  
00:23:03,920 --> 00:23:09,140  
analytical and focused on the fact that

467  
00:23:06,289 --> 00:23:11,210  
maybe they just don't have any time in

468  
00:23:09,140 --> 00:23:12,710  
their day for a fart joke that's what

469  
00:23:11,210 --> 00:23:14,750  
I'm trying to say well yeah or can't

470  
00:23:12,710 --> 00:23:16,850  
take a fart joke cuz there's no serious

471  
00:23:14,750 --> 00:23:19,519  
but what about this what would what if

472  
00:23:16,849 --> 00:23:22,069  
all the PG scientists are you'll follow

473  
00:23:19,519 --> 00:23:26,629  
just everything what if disclosure came

474  
00:23:22,069 --> 00:23:27,950  
out and they're wrong well that would

475  
00:23:26,630 --> 00:23:31,580  
never happen because they would say this

476  
00:23:27,950 --> 00:23:33,650  
disclosure hasn't happened I guess so

477  
00:23:31,579 --> 00:23:35,539  
but I have a feeling they're just go you

478  
00:23:33,650 --> 00:23:37,250  
know but I'm telling you there's gonna

479  
00:23:35,539 --> 00:23:39,049  
be a bombshell in these documents you

480  
00:23:37,250 --> 00:23:41,059  
wait until people get their hands on

481  
00:23:39,049 --> 00:23:42,769  
this shit and they start searching it

482  
00:23:41,059 --> 00:23:45,619  
well obviously I'm gonna tell you

483  
00:23:42,769 --> 00:23:47,720  
there's going to be a wave of news over

484  
00:23:45,619 --> 00:23:49,129  
the next few weeks two months once this

485

00:23:47,720 --> 00:23:51,850  
actually starts getting around and

486  
00:23:49,130 --> 00:23:55,480  
people are researching this you wait I

487  
00:23:51,849 --> 00:23:58,609  
think we accidentally stumbled upon it

488  
00:23:55,480 --> 00:24:02,269  
my name is Davi

489  
00:23:58,609 --> 00:24:03,709  
you suck I know I know and it's a good

490  
00:24:02,269 --> 00:24:06,740  
thing I actually got off the CIA's

491  
00:24:03,710 --> 00:24:08,390  
website because uh I couldn't stop Joe I

492  
00:24:06,740 --> 00:24:09,920  
know I know what shouldn't be doing the

493  
00:24:08,390 --> 00:24:14,000  
rest of night yeah you guys you know it

494  
00:24:09,920 --> 00:24:15,769  
P is just look look let me tell you

495  
00:24:14,000 --> 00:24:17,240  
exactly what I'm looking for Joe and

496  
00:24:15,769 --> 00:24:18,769  
anything any of you are out there search

497  
00:24:17,240 --> 00:24:20,750  
the CIA's website I'm gonna publish the

498  
00:24:18,769 --> 00:24:22,480  
link once we're done hopefully they take

499  
00:24:20,750 --> 00:24:25,308

it down for me hopefully it doesn't

500

00:24:22,480 --> 00:24:27,950  
search it and I'm trying to find a

501

00:24:25,308 --> 00:24:36,819  
document created within the last few

502

00:24:27,950 --> 00:24:40,730  
months that has some substance and some

503

00:24:36,819 --> 00:24:43,730  
verbage or wording or statement or

504

00:24:40,730 --> 00:24:46,160  
letter or you know presidential brief

505

00:24:43,730 --> 00:24:48,769  
whatever it is that talks about the fact

506

00:24:46,160 --> 00:24:50,179  
that there are extraterrestrials and the

507

00:24:48,769 --> 00:24:52,279  
fact that we have extraterrestrial

508

00:24:50,179 --> 00:24:55,790  
artifacts and the fact that you know I

509

00:24:52,279 --> 00:24:57,649  
mean it is gonna be in there I feel like

510

00:24:55,789 --> 00:24:59,029  
it is and that's what I'm gonna do I'm

511

00:24:57,650 --> 00:25:01,280  
gonna be searching I wanna be looking

512

00:24:59,029 --> 00:25:03,500  
for anything that could be breaking

513

00:25:01,279 --> 00:25:05,769  
anything that we could put up to the

514  
00:25:03,500 --> 00:25:09,349  
world get it out as fast as possible

515  
00:25:05,769 --> 00:25:15,048  
these were just published so by all

516  
00:25:09,349 --> 00:25:17,298  
means we're gonna go ahead and turn to

517  
00:25:15,048 --> 00:25:19,639  
social media again and you know like Joe

518  
00:25:17,298 --> 00:25:23,660  
said we are very engaged with our social

519  
00:25:19,640 --> 00:25:25,759  
media yeah and you know we got some new

520  
00:25:23,660 --> 00:25:32,298  
followers just now on Instagram we've

521  
00:25:25,759 --> 00:25:35,960  
got yo gifts and did you shout out to

522  
00:25:32,298 --> 00:25:37,460  
x3r zero tolerance on Instagram yeah

523  
00:25:35,960 --> 00:25:40,970  
this person's giving us a lot of love so

524  
00:25:37,460 --> 00:25:41,779  
thank you so much and we've also got

525  
00:25:40,970 --> 00:25:44,660  
Dwayne Hatton

526  
00:25:41,779 --> 00:25:45,168  
thank you sure are you giving our

527  
00:25:44,660 --> 00:25:50,058  
followers

528  
00:25:45,169 --> 00:25:58,009  
kisses well here's one for the sting

529  
00:25:50,058 --> 00:26:00,889  
wisher that's not a kiss that's you know

530  
00:25:58,009 --> 00:26:04,690  
slurping oh god you are you need to

531  
00:26:00,890 --> 00:26:04,690  
relearn how to use a sound board

532  
00:26:05,859 --> 00:26:08,909  
[Music]

533  
00:26:11,039 --> 00:26:15,700  
speaking of farts man you guys gonna see

534  
00:26:13,660 --> 00:26:18,970  
our Instagram video about a dog for my

535  
00:26:15,700 --> 00:26:20,640  
dog farting you're free to go my dog

536  
00:26:18,970 --> 00:26:24,339  
[Music]

537  
00:26:20,640 --> 00:26:30,070  
farts but hey you parks and disclosure I

538  
00:26:24,339 --> 00:26:31,720  
guess they go Hanny oh is horrible so

539  
00:26:30,069 --> 00:26:33,579  
you know you guys we're gonna keep

540  
00:26:31,720 --> 00:26:35,289  
searching through some of this and I'm

541  
00:26:33,579 --> 00:26:36,699  
just going to take a second and read a

542

00:26:35,289 --> 00:26:42,670  
little bit from this news article

543  
00:26:36,700 --> 00:26:46,210  
morning directly from CNN and published

544  
00:26:42,670 --> 00:26:58,320  
today 848 p.m. but of course that was

545  
00:26:46,210 --> 00:27:01,000  
three hours ago yeah I know

546  
00:26:58,319 --> 00:27:03,519  
I'll try to read this might my brain is

547  
00:27:01,000 --> 00:27:07,150  
acting this part me seven times already

548  
00:27:03,519 --> 00:27:09,039  
but listen here the documents they shed

549  
00:27:07,150 --> 00:27:12,940  
some light on the agency's activity

550  
00:27:09,039 --> 00:27:15,549  
throughout Vietnam Korean cold war

551  
00:27:12,940 --> 00:27:17,230  
conflicts it's even I guess he's filed

552  
00:27:15,549 --> 00:27:19,629  
even include documents pertaining to

553  
00:27:17,230 --> 00:27:22,710  
purport UFO sightings and the

554  
00:27:19,630 --> 00:27:25,450  
organization's Stargate program

555  
00:27:22,710 --> 00:27:30,039  
investigating possible psychic abilities

556  
00:27:25,450 --> 00:27:33,160

and what could be done with them what

557

00:27:30,039 --> 00:27:35,859

the hell there are so many people that

558

00:27:33,160 --> 00:27:37,870

talked about a Stargate program David

559

00:27:35,859 --> 00:27:39,819

Wilcox talks about a Stargate program I

560

00:27:37,869 --> 00:27:42,069

thought he was crazy and we had a movie

561

00:27:39,819 --> 00:27:44,019

poster you know what I'm gonna do right

562

00:27:42,069 --> 00:27:46,659

now while you guys are on we're gonna go

563

00:27:44,019 --> 00:27:48,460

search this and just so you know it's

564

00:27:46,660 --> 00:27:50,170

the Central Intelligence Freedom of

565

00:27:48,460 --> 00:27:54,460

Information Act and electronic reading

566

00:27:50,170 --> 00:27:57,269

room library so that's where I'm

567

00:27:54,460 --> 00:27:57,269

searching currently

568

00:28:00,700 --> 00:28:06,250

shut up this is interesting

569

00:28:11,529 --> 00:28:16,910

yeah it's we're gonna look in this and

570

00:28:15,769 --> 00:28:18,740

you know what we're gonna do is I think

571  
00:28:16,910 --> 00:28:20,810  
we're gonna cut tonight at about a 30

572  
00:28:18,740 --> 00:28:22,309  
minute podcast because we got look at

573  
00:28:20,809 --> 00:28:24,230  
will will use a lot more information

574  
00:28:22,309 --> 00:28:25,849  
yeah and I what I want to do is be

575  
00:28:24,230 --> 00:28:28,849  
focused on what I'm talking about and

576  
00:28:25,849 --> 00:28:30,619  
I'm searching and you know I don't want

577  
00:28:28,849 --> 00:28:32,569  
to leave our our listeners hanging you

578  
00:28:30,619 --> 00:28:34,309  
know for me to find the info so we're at

579  
00:28:32,569 --> 00:28:36,079  
about 30 minutes here and we're gonna

580  
00:28:34,309 --> 00:28:38,869  
take a short break if you want to chat

581  
00:28:36,079 --> 00:28:41,569  
with us live join us on [speakr.com](https://www.speaker.com) /u

582  
00:28:38,869 --> 00:28:45,349  
of Rose TV will be back on here in about

583  
00:28:41,569 --> 00:28:51,710  
30 minutes at 9 p.m. here on the west

584  
00:28:45,349 --> 00:28:53,839  
coast and I mimic Joe and we are the UFO

585

00:28:51,710 --> 00:29:07,358

froze will be back y'all

586

00:28:53,839 --> 00:29:07,358

[Music]
