

1
00:00:00,650 --> 00:00:16,349
[Music]

2
00:00:09,199 --> 00:00:18,448
UFO Bros hey everyone is Giorgio

3
00:00:16,350 --> 00:00:24,420
tsoukalos from ancient aliens and you're

4
00:00:18,449 --> 00:00:27,090
experiencing UFO Bros TV hey what's up

5
00:00:24,420 --> 00:00:30,539
everybody our minute I'm Joe and we are

6
00:00:27,089 --> 00:00:32,308
the UFO bros bro and we're coming at you

7
00:00:30,539 --> 00:00:34,230
live from the facility we're trying to

8
00:00:32,308 --> 00:00:35,849
keep up on our backgrounds and make sure

9
00:00:34,229 --> 00:00:39,718
you guys see all this cool alien stuff

10
00:00:35,850 --> 00:00:41,340
we got so we've been so busy we haven't

11
00:00:39,719 --> 00:00:42,929
really had a chance to do anything you

12
00:00:41,340 --> 00:00:44,789
have full related Joe's been working a

13
00:00:42,929 --> 00:00:46,619
lot and then we had some flu to deal

14
00:00:44,789 --> 00:00:48,719
with it was like totally crazy but thank

15
00:00:46,619 --> 00:00:50,519
you guys for the messages and the

16
00:00:48,719 --> 00:00:51,980
support saying hey you know we miss you

17
00:00:50,520 --> 00:00:54,149
we want to see you back so here we are

18
00:00:51,979 --> 00:00:57,839
we've got some fun stuff planned for

19
00:00:54,149 --> 00:00:59,340
today some of it some of that Joe hasn't

20
00:00:57,840 --> 00:01:02,250
had an opportunity to see so we'll get

21
00:00:59,340 --> 00:01:03,420
his reaction that's gonna be fun but for

22
00:01:02,250 --> 00:01:05,338
those of you by the way who are not

23
00:01:03,420 --> 00:01:08,549
familiar with what we do we research

24
00:01:05,338 --> 00:01:12,209
UFOs go to hotspots we go to different

25
00:01:08,549 --> 00:01:20,280
UFO and concerts and try to convert them

26
00:01:12,209 --> 00:01:27,118
into alien ology yes do you believe in

27
00:01:20,280 --> 00:01:30,210
the false prophet of the IRA so like I'm

28
00:01:27,118 --> 00:01:34,019
on a telethon with special people Jerry

29

00:01:30,209 --> 00:01:35,149
Lewis yeah but we're gonna cover some

30
00:01:34,019 --> 00:01:37,349
really cool stuff like we're gonna be

31
00:01:35,150 --> 00:01:39,210
we're just gonna run through it and then

32
00:01:37,349 --> 00:01:40,379
we'll break it down and show it to you

33
00:01:39,209 --> 00:01:41,519
here in a second but just to let you

34
00:01:40,379 --> 00:01:43,739
guys know we're gonna look inside a UFO

35
00:01:41,519 --> 00:01:46,109
today we're also going to look at a

36
00:01:43,739 --> 00:01:49,289
really cool alien landing video we're

37
00:01:46,109 --> 00:01:51,868
also going to look at some NASA UFOs and

38
00:01:49,290 --> 00:01:53,368
as well as we got a little something

39
00:01:51,868 --> 00:01:55,049
silly for you at the end that we think

40
00:01:53,368 --> 00:01:58,890
will be funny so we're gonna go through

41
00:01:55,049 --> 00:02:00,780
all that now Joe and I have no clue what

42
00:01:58,890 --> 00:02:02,368
they're talking about so I've been on

43
00:02:00,780 --> 00:02:04,109

lockdown at work so I'm no clue what's

44

00:02:02,368 --> 00:02:09,270

been going on so everything a reaction

45

00:02:04,109 --> 00:02:10,149

is 100% tonight would be 1% legit yeah

46

00:02:09,270 --> 00:02:12,730

okay

47

00:02:10,149 --> 00:02:14,830

right yes so let's just get on with it

48

00:02:12,729 --> 00:02:16,238

you guys so this we're gonna show you if

49

00:02:14,830 --> 00:02:17,739

you got three pictures to show you we'll

50

00:02:16,239 --> 00:02:18,849

go through one at a time and as we're

51

00:02:17,739 --> 00:02:20,560

looking through the pictures I'm gonna

52

00:02:18,848 --> 00:02:22,539

read off to you just kind of some

53

00:02:20,560 --> 00:02:25,539

information and where I came across

54

00:02:22,539 --> 00:02:26,169

these pictures now by the way on our

55

00:02:25,539 --> 00:02:28,568

social media

56

00:02:26,169 --> 00:02:30,488

everybody has been sharing this so if

57

00:02:28,568 --> 00:02:33,399

you are not following us make sure you

58
00:02:30,489 --> 00:02:34,599
go on obviously if you're watching us on

59
00:02:33,400 --> 00:02:37,599
YouTube right now make sure you

60
00:02:34,598 --> 00:02:39,699
subscribe and click the bell so that you

61
00:02:37,598 --> 00:02:41,649
get our notifications and we're on all

62
00:02:39,699 --> 00:02:44,889
things social media at UFO Bros TV

63
00:02:41,650 --> 00:02:47,709
except for where Joe Twitter over uf0

64
00:02:44,889 --> 00:02:52,119
Bros TV that's right

65
00:02:47,709 --> 00:02:53,859
so get following alright follow us okay

66
00:02:52,120 --> 00:02:57,219
first image check this out

67
00:02:53,859 --> 00:03:01,629
this is literally it looks really crappy

68
00:02:57,219 --> 00:03:03,549
but here's the story so well actually

69
00:03:01,628 --> 00:03:07,590
you know what let's do this let's look

70
00:03:03,549 --> 00:03:10,629
at the second picture this is like a

71
00:03:07,590 --> 00:03:12,158
seat or something it looks like it's in

72
00:03:10,628 --> 00:03:14,078
black and white and I'll tell you why

73
00:03:12,158 --> 00:03:15,638
here in a minute and then last but not

74
00:03:14,079 --> 00:03:20,019
least is what they say is an alien being

75
00:03:15,639 --> 00:03:24,700
but I think it's really Adele have a

76
00:03:20,019 --> 00:03:29,759
mind so fun no I see it I see I see the

77
00:03:24,699 --> 00:03:29,759
yeah looks like Adele with sunglasses on

78
00:03:29,969 --> 00:03:34,419
so we're gonna leave this picture up for

79
00:03:33,009 --> 00:03:35,679
you guys we'll just kind of cycle

80
00:03:34,419 --> 00:03:37,419
through those three pictures for you

81
00:03:35,680 --> 00:03:39,669
while I tell you what were these taken

82
00:03:37,419 --> 00:03:42,930
from okay so the pictures of this human

83
00:03:39,669 --> 00:03:44,859
like alien and like that control panel

84
00:03:42,930 --> 00:03:47,230
like which is supposed to be the inside

85
00:03:44,859 --> 00:03:49,269
of a flying saucer is being published a

86

00:03:47,229 --> 00:03:50,888
new book so it says the grainy

87
00:03:49,269 --> 00:03:52,480
black-and-white images appear to show

88
00:03:50,889 --> 00:03:54,609
inside a cockpit with seating control

89
00:03:52,479 --> 00:03:57,608
panels and other objects also what

90
00:03:54,609 --> 00:03:59,650
appears to be a real alien visitor so

91
00:03:57,609 --> 00:04:01,239
according to the staggering claims in

92
00:03:59,650 --> 00:04:04,930
this book it kind of looks like the

93
00:04:01,239 --> 00:04:09,969
maknoon guy from McDonald's I don't see

94
00:04:04,930 --> 00:04:12,030
that I don't there no I don't see it but

95
00:04:09,969 --> 00:04:15,818
look at fuck yourself supposedly this

96
00:04:12,030 --> 00:04:16,988
saucer landed in franca Vilia

97
00:04:15,818 --> 00:04:18,759
I don't know if I pronounced that right

98
00:04:16,988 --> 00:04:23,620
it's in Italy and

99
00:04:18,759 --> 00:04:26,170
this the author of the book says that

100
00:04:23,620 --> 00:04:32,139

two men supposedly were allowed to enter

101

00:04:26,170 --> 00:04:35,170

the UFO and take photographs here let's

102

00:04:32,139 --> 00:04:37,719

see and they were able to take pictures

103

00:04:35,170 --> 00:04:41,800

of how this was 1957 by the way why

104

00:04:37,720 --> 00:04:46,950

they're so old okay so like look at the

105

00:04:41,800 --> 00:04:51,240

seat right here let's see right here I

106

00:04:46,949 --> 00:04:51,240

think it's a second picture look at that

107

00:04:51,269 --> 00:04:56,019

okay I don't know what you guys think so

108

00:04:53,470 --> 00:04:59,230

leave your comments below tweet us

109

00:04:56,019 --> 00:05:02,649

Facebook us this excuse me this story's

110

00:04:59,230 --> 00:05:06,970

been making the round so apparently it's

111

00:05:02,649 --> 00:05:09,099

it was called calling the question

112

00:05:06,970 --> 00:05:11,470

recently since this book is gonna be

113

00:05:09,100 --> 00:05:13,540

published so I don't know if there's

114

00:05:11,470 --> 00:05:14,440

ever seen these pictures they're brand

115
00:05:13,540 --> 00:05:16,300
new they're just starting to make the

116
00:05:14,439 --> 00:05:17,800
rounds as far as I've seen and you know

117
00:05:16,300 --> 00:05:19,900
we've searched like all over for this

118
00:05:17,800 --> 00:05:24,040
kind of stuff so well since they

119
00:05:19,899 --> 00:05:25,629
released that oh yeah this is where they

120
00:05:24,040 --> 00:05:27,040
started now like oh that came out okay

121
00:05:25,629 --> 00:05:30,219
well here's some pictures out of aliens

122
00:05:27,040 --> 00:05:32,700
from 1950 oh thank you thank you for for

123
00:05:30,220 --> 00:05:35,230
doing that appreciate it so that's our

124
00:05:32,699 --> 00:05:37,990
fun little ditty there with we got those

125
00:05:35,230 --> 00:05:40,410
three pictures and make sure you guys

126
00:05:37,990 --> 00:05:42,879
let us know what you think

127
00:05:40,410 --> 00:05:43,990
yes well hold on we're in the middle of

128
00:05:42,879 --> 00:05:46,449
a show right now J what are you pointing

129
00:05:43,990 --> 00:05:47,050
here I'm getting myself a parchment

130
00:05:46,449 --> 00:05:49,329
paper

131
00:05:47,050 --> 00:05:52,030
liquor uppers I need some okay well look

132
00:05:49,329 --> 00:05:54,909
at Adele while we go while Joe ruins the

133
00:05:52,029 --> 00:05:58,209
show because we're gonna go ahead and

134
00:05:54,910 --> 00:06:00,120
move on to this this next actually it's

135
00:05:58,209 --> 00:06:06,039
a video and I think it's fake as hell

136
00:06:00,120 --> 00:06:07,329
what do you think alright we're gonna

137
00:06:06,040 --> 00:06:09,640
look at this alien landing video you

138
00:06:07,329 --> 00:06:15,000
guys check this out it's pretty weird oh

139
00:06:09,639 --> 00:06:15,000
look it's us watch this guy's

140
00:06:35,699 --> 00:06:40,149
as you can see that looks like there's a

141
00:06:37,720 --> 00:06:42,160
being standing right outside of it also

142
00:06:40,149 --> 00:06:44,769
house like a flying saucer sitting in

143

00:06:42,160 --> 00:06:46,980
this field but Joe let me look at this

144
00:06:44,769 --> 00:06:49,060
what do you think outside the sphere

145
00:06:46,980 --> 00:06:51,129
watch though it's gonna take off which

146
00:06:49,060 --> 00:06:53,220
is weird and I think that's where it

147
00:06:51,129 --> 00:06:57,009
looks the most well it looks vaguely I

148
00:06:53,220 --> 00:06:58,510
don't know you know Joe I'm so glad

149
00:06:57,009 --> 00:07:05,969
you're here to offer your insight and

150
00:06:58,509 --> 00:07:10,659
knowledge on the subject I just look

151
00:07:05,970 --> 00:07:12,520
right now with I think she subscribes

152
00:07:10,660 --> 00:07:14,500
you listen to me this disease yet

153
00:07:12,519 --> 00:07:16,000
technology and how much that the

154
00:07:14,500 --> 00:07:18,610
resolution has changed over the years

155
00:07:16,000 --> 00:07:25,269
mmm-hmm well did you see that yeah it's

156
00:07:18,610 --> 00:07:27,220
a moose in Allegan Galloway Lord but see

157
00:07:25,269 --> 00:07:28,750

in the boom it shot off and this is

158

00:07:27,220 --> 00:07:32,230

supposedly like you know where it's at

159

00:07:28,750 --> 00:07:35,649

or whatever so that's the alien landing

160

00:07:32,230 --> 00:07:38,830

video it looks fake to me what do you

161

00:07:35,649 --> 00:07:41,349

think leave a comment below by the way

162

00:07:38,829 --> 00:07:42,909

as I'm like researching this stuff and

163

00:07:41,350 --> 00:07:47,860

going through videos it's becoming

164

00:07:42,910 --> 00:07:49,510

harder and harder because nine times out

165

00:07:47,860 --> 00:07:52,480

of the ten the thumbnail if it's on

166

00:07:49,509 --> 00:07:54,339

YouTube is has nothing to it it's great

167

00:07:52,480 --> 00:07:57,580

baby it has absolutely nothing to do at

168

00:07:54,339 --> 00:07:58,839

all with what we were watching so it's

169

00:07:57,579 --> 00:08:01,149

you can literally spend hours on this

170

00:07:58,839 --> 00:08:03,459

crap so we're just trying to read weed

171

00:08:01,149 --> 00:08:04,719

out the best stuff now fall in that

172
00:08:03,459 --> 00:08:06,759
rabbit hole we've been off for a couple

173
00:08:04,720 --> 00:08:08,920
weeks and there isn't really any big

174
00:08:06,759 --> 00:08:11,230
huge breaking stories or anything

175
00:08:08,920 --> 00:08:15,069
recently I will say though they're

176
00:08:11,230 --> 00:08:16,960
supposed to be more from the d-o-d the

177
00:08:15,069 --> 00:08:19,839
Department of Defense is supposedly or

178
00:08:16,959 --> 00:08:21,189
actually footage from the UFO program at

179
00:08:19,839 --> 00:08:24,429
the Department of Defense should be

180
00:08:21,189 --> 00:08:26,469
coming out soon so about time apparently

181
00:08:24,430 --> 00:08:28,959
I guess DeLong is going to deliver some

182
00:08:26,470 --> 00:08:33,550
more info so you see that one

183
00:08:28,959 --> 00:08:34,809
it's got a cat ooh damn too long we

184
00:08:33,549 --> 00:08:37,478
always love to make that joke don't we

185
00:08:34,809 --> 00:08:39,119
so I said it what's going on with you

186

00:08:37,479 --> 00:08:41,979

Joe what's new

187

00:08:39,120 --> 00:08:44,470

just working yeah

188

00:08:41,979 --> 00:08:47,379

are you even a good time no not really

189

00:08:44,470 --> 00:08:49,269

no I know what would you it's just the

190

00:08:47,379 --> 00:08:50,649

fact that people are kind of dropping

191

00:08:49,269 --> 00:08:53,470

like flies from work so I have to pick

192

00:08:50,649 --> 00:08:54,759

up their extra hours yeah because then

193

00:08:53,470 --> 00:08:58,690

has you sound really tired

194

00:08:54,759 --> 00:08:59,860

I'm very freaking yeah I got off at 3

195

00:08:58,690 --> 00:09:01,620

o'clock in the morning and I had to be

196

00:08:59,860 --> 00:09:03,580

up by 7 and take the kids to school oh

197

00:09:01,620 --> 00:09:05,620

you should just take them to an adoption

198

00:09:03,580 --> 00:09:08,080

center just right on the way to the

199

00:09:05,620 --> 00:09:16,120

school so I'm around like four hours of

200

00:09:08,080 --> 00:09:16,690
sleep well you know thanks for asking

201
00:09:16,120 --> 00:09:20,320
I'm fine

202
00:09:16,690 --> 00:09:24,220
oh you yes how the spectacular Emmet

203
00:09:20,320 --> 00:09:25,750
these days I've been great I've just

204
00:09:24,220 --> 00:09:28,149
been teaching a lot of lessons and stuff

205
00:09:25,750 --> 00:09:31,149
like that would like you to make a lot

206
00:09:28,149 --> 00:09:32,980
of gravy yeah that's um gravy I mean you

207
00:09:31,149 --> 00:09:34,539
know yes and sausage gravy you know

208
00:09:32,980 --> 00:09:36,100
we're coming out of the hole well

209
00:09:34,539 --> 00:09:37,870
technically coming out of the holidays

210
00:09:36,100 --> 00:09:39,940
right about to go into some mold there's

211
00:09:37,870 --> 00:09:44,019
a lot of chocolate everywhere oh yeah

212
00:09:39,940 --> 00:09:46,660
rabbit pellets yeah well okay so let's

213
00:09:44,019 --> 00:09:48,549
just move on to the next clip which made

214
00:09:46,659 --> 00:09:50,588

the rounds but was actually quietly put

215

00:09:48,549 --> 00:09:54,009

to rest by NASA recently but you gotta

216

00:09:50,589 --> 00:09:55,870

check this out this is from space and

217

00:09:54,009 --> 00:09:58,120

it's a live feed from NASA where you see

218

00:09:55,870 --> 00:10:01,330

these crazy objects just like floating

219

00:09:58,120 --> 00:10:04,060

right over the earth you better think

220

00:10:01,330 --> 00:10:06,610

these satellites what do you think that

221

00:10:04,059 --> 00:10:10,539

is our pickup for kit I don't like

222

00:10:06,610 --> 00:10:13,060

flying couches yeah you know they kind

223

00:10:10,539 --> 00:10:14,649

of do look like flying couches what's

224

00:10:13,059 --> 00:10:16,750

interesting is like they're able to keep

225

00:10:14,649 --> 00:10:22,019

the same distance apart the entire time

226

00:10:16,750 --> 00:10:24,909

look at that and then boom feet is cut

227

00:10:22,019 --> 00:10:26,259

yep so we're gonna let you guys watch

228

00:10:24,909 --> 00:10:27,610

out a few times while I kind of give you

229
00:10:26,259 --> 00:10:29,139
a little bit of rundown of actually what

230
00:10:27,610 --> 00:10:30,730
it is that's going on here it totally

231
00:10:29,139 --> 00:10:34,049
looks like some kind of alien or UFO

232
00:10:30,730 --> 00:10:34,050
thing but apparently

233
00:10:37,519 --> 00:10:43,240
[Music]

234
00:10:40,360 --> 00:10:47,350
so this is called the grace satellites

235
00:10:43,240 --> 00:10:50,089
in a statement in September nASA says it

236
00:10:47,350 --> 00:10:53,320
expects that Gravity Recovery and

237
00:10:50,089 --> 00:10:56,089
climate experiment which is grace grac

238
00:10:53,320 --> 00:10:58,700
satellite duo to make its last science

239
00:10:56,089 --> 00:11:04,149
observations more than 15 years after

240
00:10:58,700 --> 00:11:07,310
the launch so these are twin satellites

241
00:11:04,149 --> 00:11:09,649
or spacecraft they look like capsules to

242
00:11:07,309 --> 00:11:11,179
me but they're floating there and I

243
00:11:09,649 --> 00:11:12,500
guess they're there to measure you know

244
00:11:11,179 --> 00:11:15,919
like gravity and all that kind of stuff

245
00:11:12,500 --> 00:11:17,769
but it doesn't look super weird or do

246
00:11:15,919 --> 00:11:21,799
you think it's a cover-up

247
00:11:17,769 --> 00:11:26,480
okay is it a cover-up though alright I

248
00:11:21,799 --> 00:11:30,559
was lyin I in there flying L like Lionel

249
00:11:26,480 --> 00:11:33,920
Richie hello hello I know like Oh from

250
00:11:30,559 --> 00:11:38,359
the Thundercats pods that there yes yes

251
00:11:33,919 --> 00:11:40,639
the Thundercats well let us know what

252
00:11:38,360 --> 00:11:44,000
you guys think either way whether it is

253
00:11:40,639 --> 00:11:46,429
indeed real from NASA or a cover-up I

254
00:11:44,000 --> 00:11:50,149
mean still pretty freaky I mean look how

255
00:11:46,429 --> 00:11:52,458
close that guy so well there you have it

256
00:11:50,149 --> 00:11:53,539
we're coming back we're right back boom

257

00:11:52,458 --> 00:11:56,449
and here we are

258
00:11:53,539 --> 00:11:58,370
so that's kind of like look and here's

259
00:11:56,450 --> 00:12:01,278
the thing satellites and stuff like that

260
00:11:58,370 --> 00:12:02,000
fool people all the time all the

261
00:12:01,278 --> 00:12:05,208
freaking time

262
00:12:02,000 --> 00:12:06,559
and recently there was a satellite

263
00:12:05,208 --> 00:12:07,639
launched which I don't have any way of

264
00:12:06,559 --> 00:12:09,588
showing this to you but it's just side

265
00:12:07,639 --> 00:12:11,000
note it's called the humanity star

266
00:12:09,589 --> 00:12:12,140
actually it's not a saddle well I guess

267
00:12:11,000 --> 00:12:14,539
it's a satellite well anything that goes

268
00:12:12,139 --> 00:12:18,439
around the earth the satellite right and

269
00:12:14,539 --> 00:12:20,599
it has something like 64 mirror

270
00:12:18,440 --> 00:12:22,550
reflective panels it looks like a ball

271
00:12:20,600 --> 00:12:24,829

actually I reminds me the Epcot ball a

272

00:12:22,549 --> 00:12:26,990
little bit it looks like and they

273

00:12:24,828 --> 00:12:28,759
launched it into outer space it's

274

00:12:26,990 --> 00:12:32,240
supposed to be like the brightest thing

275

00:12:28,759 --> 00:12:34,549
in the sky and you can actually Google

276

00:12:32,240 --> 00:12:35,839
it the humanity star and if you go to

277

00:12:34,549 --> 00:12:37,429
their web site you can actually put in

278

00:12:35,839 --> 00:12:38,930
your address and it will tell you when

279

00:12:37,429 --> 00:12:41,389
it's flying near you so you can go

280

00:12:38,929 --> 00:12:44,539
outside and see this line of really

281

00:12:41,389 --> 00:12:46,159
bright star shining in the sky so it

282

00:12:44,539 --> 00:12:46,740
just depends on what area you live in

283

00:12:46,159 --> 00:12:49,319
though

284

00:12:46,740 --> 00:12:51,529
of how bright it is sometimes you can

285

00:12:49,320 --> 00:12:54,360
it's true actually I looked at some on

286

00:12:51,529 --> 00:12:56,179

videos online and it wasn't very

287

00:12:54,360 --> 00:12:58,440

spectacular but then again I you know

288

00:12:56,179 --> 00:13:01,049

cell phone video just they don't do that

289

00:12:58,440 --> 00:13:03,840

great in the dark and yeah even though

290

00:13:01,049 --> 00:13:05,459

it's 2018 I feel like we were able to

291

00:13:03,840 --> 00:13:09,389

shoot videos in the dark better in the

292

00:13:05,460 --> 00:13:11,700

90s with VHS cameras yes nowadays it's

293

00:13:09,389 --> 00:13:13,350

just I don't know if the deal is but

294

00:13:11,700 --> 00:13:15,300

we're just going back to this because

295

00:13:13,350 --> 00:13:18,029

I'm sure people aren't gonna hear about

296

00:13:15,299 --> 00:13:19,559

that and say there's a UFO just keep

297

00:13:18,029 --> 00:13:21,029

that in mind it's called the humanity

298

00:13:19,559 --> 00:13:23,909

Star which was it was recently you know

299

00:13:21,029 --> 00:13:25,470

just put out into space but I don't know

300
00:13:23,909 --> 00:13:27,000
if we covered this I covered it on

301
00:13:25,470 --> 00:13:28,410
social media because it was driving us

302
00:13:27,000 --> 00:13:31,200
crazy it kept popping up in the news

303
00:13:28,409 --> 00:13:34,679
feed and everything we're gonna show you

304
00:13:31,200 --> 00:13:36,540
this it's actually space X is what it is

305
00:13:34,679 --> 00:13:41,419
but if you watch this video here it

306
00:13:36,539 --> 00:13:41,419
looks super duper weird check this out

307
00:13:44,929 --> 00:13:49,169
apparently thousands and thousands of

308
00:13:47,220 --> 00:13:50,040
people in Southern California and

309
00:13:49,169 --> 00:13:52,589
Arizona

310
00:13:50,039 --> 00:13:55,199
we're freaking out what the heck is this

311
00:13:52,590 --> 00:14:00,060
ladies gentlemen it's just it's a rocket

312
00:13:55,200 --> 00:14:01,830
from SpaceX and this this clip is cool

313
00:14:00,059 --> 00:14:03,750
because it shows that if you different

314

00:14:01,830 --> 00:14:04,889
angles and vantage points a lot of

315
00:14:03,750 --> 00:14:06,720
people are a couple people are actually

316
00:14:04,889 --> 00:14:07,740
panicking they weren't reached

317
00:14:06,720 --> 00:14:10,350
Department we get a lot of phone calls

318
00:14:07,740 --> 00:14:11,759
yeah I think that I mean and then when

319
00:14:10,350 --> 00:14:14,430
you start to add in the North Korea

320
00:14:11,759 --> 00:14:17,819
thing and what happened in Hawaii with

321
00:14:14,429 --> 00:14:19,469
you know the fake missile alert people

322
00:14:17,820 --> 00:14:22,620
might think that this is a missile

323
00:14:19,470 --> 00:14:25,019
so that's SpaceX and if you saw that

324
00:14:22,620 --> 00:14:28,399
that's what it is it's not an alien it's

325
00:14:25,019 --> 00:14:30,559
not a UFO just cuz it has identified its

326
00:14:28,399 --> 00:14:33,120
it's not a satellite it's a rocket

327
00:14:30,559 --> 00:14:38,219
the satellites on it yes satellite

328
00:14:33,120 --> 00:14:39,828

rocket yeah yeah

329

00:14:38,220 --> 00:14:42,240

[Music]

330

00:14:39,828 --> 00:14:44,039

so why don't you take a second and tell

331

00:14:42,240 --> 00:14:45,240

them about our social media and

332

00:14:44,039 --> 00:14:50,250

contribute to this would that be nice

333

00:14:45,240 --> 00:14:54,839

hmm I don't I know lies conceptualizing

334

00:14:50,250 --> 00:14:57,000

tenderize the situation see what we're

335

00:14:54,839 --> 00:14:58,800

trying to keep is from people stopping

336

00:14:57,000 --> 00:15:00,958

right now and then going you guys are a

337

00:14:58,799 --> 00:15:04,258

bunch of retards okay fine you guys you

338

00:15:00,958 --> 00:15:07,138

check us out on Instagram Instagram UFO

339

00:15:04,259 --> 00:15:10,459

Bros TV Instagram Facebook UFO Bros TV

340

00:15:07,139 --> 00:15:13,829

and Instagram and Facebook then we have

341

00:15:10,458 --> 00:15:15,388

your Phobos TV YouTube yep

342

00:15:13,828 --> 00:15:19,638

make sure you subscribe if you are

343
00:15:15,389 --> 00:15:22,528
subscribed Twitter Facebook YouTube

344
00:15:19,639 --> 00:15:25,399
patreon UFO Bros TV except for Turner I

345
00:15:22,528 --> 00:15:27,929
am it because it's you have zero Bros TV

346
00:15:25,399 --> 00:15:29,458
exactly now for those of you listening I

347
00:15:27,929 --> 00:15:31,378
forgot to tell you we try to do our best

348
00:15:29,458 --> 00:15:33,679
of describing what we saw make sure you

349
00:15:31,379 --> 00:15:36,329
look at us on YouTube so you can see

350
00:15:33,679 --> 00:15:37,828
there's really not a whole lot going on

351
00:15:36,328 --> 00:15:42,239
we're gonna kind of keep this a short

352
00:15:37,828 --> 00:15:44,250
show because I think the more important

353
00:15:42,240 --> 00:15:45,750
stuff the more like earth-shattering

354
00:15:44,250 --> 00:15:48,179
stuff is going to be coming out within

355
00:15:45,750 --> 00:15:49,980
the next few weeks so we'll be covering

356
00:15:48,179 --> 00:15:51,750
that and we're trying to cover stuff

357
00:15:49,980 --> 00:15:53,129
that it's kind of a it's just it's that

358
00:15:51,750 --> 00:15:54,419
kind of those one of those things where

359
00:15:53,129 --> 00:15:56,250
it's a bumpy it's like it starts going

360
00:15:54,419 --> 00:15:58,438
up like trending that goes down down

361
00:15:56,250 --> 00:16:00,899
then a level off and also something

362
00:15:58,438 --> 00:16:02,789
really spike and be like oh my god it's

363
00:16:00,899 --> 00:16:05,308
the turn of the century the information

364
00:16:02,789 --> 00:16:07,110
yeah it's the 48 hours news cycle so

365
00:16:05,308 --> 00:16:09,778
it's like it'll be really popular for 48

366
00:16:07,110 --> 00:16:12,209
hours and then it like dies and so I

367
00:16:09,778 --> 00:16:15,688
think I think and I think it's smart to

368
00:16:12,208 --> 00:16:17,128
that the Long's team over to the Stars

369
00:16:15,688 --> 00:16:20,370
Academy their whole plan is to

370
00:16:17,129 --> 00:16:21,480
continually try to keep that cycle going

371

00:16:20,370 --> 00:16:24,929
I feel like they should have released

372
00:16:21,480 --> 00:16:28,199
something else before that last article

373
00:16:24,929 --> 00:16:30,568
with the you know the rotating gimbal

374
00:16:28,198 --> 00:16:32,969
UFO video and the tic-tac video those

375
00:16:30,568 --> 00:16:34,528
two if they would have put something out

376
00:16:32,970 --> 00:16:36,750
I would say like few days later some

377
00:16:34,528 --> 00:16:37,919
more uh then it would have I think you

378
00:16:36,750 --> 00:16:39,208
know I think what they're doing the

379
00:16:37,919 --> 00:16:40,409
government is I think they're just

380
00:16:39,208 --> 00:16:42,599
thrown out just a little bit of

381
00:16:40,409 --> 00:16:46,698
information just to see what us what we

382
00:16:42,600 --> 00:16:49,920
would do you think so SS as civilians

383
00:16:46,698 --> 00:16:51,719
like oh whoa oh okay yeah everybody like

384
00:16:49,919 --> 00:16:52,799
yeah whatever big deal so no

385
00:16:51,720 --> 00:16:56,339

put a little bit more I'll see what

386

00:16:52,799 --> 00:16:58,049

happens are they slamming the face of

387

00:16:56,339 --> 00:17:00,060

the here is what it really looks like I

388

00:16:58,049 --> 00:17:02,309

want to lock this don't you that's the

389

00:17:00,059 --> 00:17:04,318

one down there that could happen that

390

00:17:02,309 --> 00:17:06,119

could very well happen and it's gonna

391

00:17:04,318 --> 00:17:08,568

create a big-ass panic and then that's

392

00:17:06,119 --> 00:17:11,129

when the government's gonna be like oh I

393

00:17:08,568 --> 00:17:12,109

don't think so I think I'm just saying

394

00:17:11,130 --> 00:17:16,380

yeah

395

00:17:12,109 --> 00:17:19,158

just saying cryogenic just I was

396

00:17:16,380 --> 00:17:19,159

thinking about something today

397

00:17:19,220 --> 00:17:28,860

artificial intelligence yeah her name is

398

00:17:22,409 --> 00:17:31,830

Susan no it's Sidney sriracha amber you

399

00:17:28,859 --> 00:17:35,428

smell like onions it's garlic you ask Oh

400
00:17:31,829 --> 00:17:38,210
chicken no delicious well you're gonna

401
00:17:35,429 --> 00:17:40,860
make me some chicken it's finger lickin

402
00:17:38,210 --> 00:17:45,450
okay so whatever wasn't it what's her

403
00:17:40,859 --> 00:17:48,119
name Alexa Siri aren't the nixb fucking

404
00:17:45,450 --> 00:17:53,569
robot it's got the brain like real one

405
00:17:48,119 --> 00:17:53,569
yes well nothing Sophia Sophia that

406
00:17:53,720 --> 00:17:58,679
thank you you are welcome

407
00:17:56,750 --> 00:18:01,740
so but anyway about artificial

408
00:17:58,679 --> 00:18:05,340
intelligence think about way back in the

409
00:18:01,740 --> 00:18:12,808
day they gave her a horrible body a

410
00:18:05,339 --> 00:18:20,339
horrible body what you know I know they

411
00:18:12,808 --> 00:18:24,869
made her a fucking citizen oh yes right

412
00:18:20,339 --> 00:18:27,269
yeah so like that book sorry I don't

413
00:18:24,869 --> 00:18:29,428
know but that she's actually but like

414
00:18:27,269 --> 00:18:34,710
it's the UH SS City what is the city

415
00:18:29,429 --> 00:18:37,320
with the doctor by is it anyway I don't

416
00:18:34,710 --> 00:18:38,730
know I really know but anyway I was just

417
00:18:37,319 --> 00:18:41,490
saying can I finish my thought on AI

418
00:18:38,730 --> 00:18:44,519
because we were reading it in books and

419
00:18:41,490 --> 00:18:47,579
watching it in movies before it I mean

420
00:18:44,519 --> 00:18:49,168
that was the actual concept can actually

421
00:18:47,579 --> 00:18:50,788
conceptualized if you think about it and

422
00:18:49,169 --> 00:18:55,500
now we just kind of take it for granted

423
00:18:50,788 --> 00:18:57,679
we just like we don't care hey Siri tell

424
00:18:55,500 --> 00:18:57,679
me a joke

425
00:18:58,419 --> 00:19:04,330
any good jokes say it again

426
00:19:02,288 --> 00:19:06,220
would you say wait wait stop can you

427
00:19:04,329 --> 00:19:08,398
actually activate my Siri that sounds

428

00:19:06,220 --> 00:19:12,749
hey Siri

429
00:19:08,398 --> 00:19:12,748
that was my wait hey theory

430
00:19:13,138 --> 00:19:21,219
hey theory

431
00:19:14,739 --> 00:19:23,788
hey Siri oh it's an E okay okay hey Siri

432
00:19:21,220 --> 00:19:25,058
[Laughter]

433
00:19:23,788 --> 00:19:28,118
whatever

434
00:19:25,058 --> 00:19:29,798
hey hey Jerry while we do each other's

435
00:19:28,118 --> 00:19:33,398
series I want you guys to take a look at

436
00:19:29,798 --> 00:19:34,658
this really super super goofy beautiful

437
00:19:33,398 --> 00:19:36,099
video by the way Joe I want you to see

438
00:19:34,659 --> 00:19:38,710
this too so they sure have you done

439
00:19:36,099 --> 00:19:52,148
trying to activate my series thanks

440
00:19:38,710 --> 00:19:54,548
everybody I'm in it he tries to he tries

441
00:19:52,148 --> 00:19:59,229
to steal the remote for his UFO and it

442
00:19:54,548 --> 00:20:01,989

aliens like no way he's like well let's

443

00:19:59,230 --> 00:20:04,389

start fighting inside that back edge can

444

00:20:01,989 --> 00:20:06,730

you get it for me and the aliens like

445

00:20:04,388 --> 00:20:12,398

sure just a couple of a closer can i

446

00:20:06,730 --> 00:20:13,450

scratch it with the back of my heel it's

447

00:20:12,398 --> 00:20:16,238

even like in papa

448

00:20:13,450 --> 00:20:18,190

I know jujitsu Brazilian this is

449

00:20:16,239 --> 00:20:23,230

probably the saddest fight I've ever

450

00:20:18,190 --> 00:20:26,830

seen well we hope you guys enjoyed this

451

00:20:23,230 --> 00:20:30,249

episode of UFO Bros TV let's try this

452

00:20:26,829 --> 00:20:32,558

again Joe I'm in it I'm Joe and we are

453

00:20:30,249 --> 00:20:33,548

the UF slow rows row we'll see you guys

454

00:20:32,558 --> 00:20:38,108

next

455

00:20:33,548 --> 00:20:40,769

hey starey hey theory hey theory shut up

456

00:20:38,108 --> 00:20:45,778

hey Sara hey theory

457

00:20:40,769 --> 00:20:45,778

hey steering bye guys stop it
