UFO news or talk to our enclosed people

29

00:01:53,478 --> 00:01:56,719
that we constantly are in touch with

30
00:01:55,009 --> 00:01:59,719
they don't get different information

31
00:01:56,719 --> 00:02:09,618
disclosure if it were our yes some I

32
00:01:59,719 --> 00:02:13,610

we're talking we're showing the videos

36
00:02:18,229 --> 00:02:22,159
all that good stuff this isn't by the

37
00:02:19,430 --> 00:02:26,150
way a really cool software you're out of

I'm just giving me Milan shout out just

41
00:02:29,959 --> 00:02:34,519
giving them a shot easy because it's

42
00:02:32,330 --> 00:02:35,840
really cool and how they made the

43
00:02:34,519 --> 00:02:39,230

software and how everything's integrated

44

00:02:35,840 --> 00:02:41,780

it's amazing yeah my favorite hop where

45

00:02:39,229 --> 00:02:44,689

yes favorite software so we're covering

46

00:02:41,780 --> 00:02:47,180

some cool stuff today we're going to

47

00:02:44,689 --> 00:02:48,859

show you what we think well maybe we

48

00:02:47,180 --> 00:02:50,480

don't we don't know we're just wondering

49

00:02:48,860 --> 00:02:54,200

if it's like possibly the

50

00:02:50,479 --> 00:02:56,509

UFO picture ever because I've always

51

00:02:54,199 --> 00:03:01,579

been trying to find one that's like

52

00:02:56,509 --> 00:03:03,679

legit or clear or at least recent and so

53

00:03:01,580 --> 00:03:06,409

sometimes but sometimes the recency of

54

00:03:03,680 --> 00:03:08,870

these these so-called documents or

55

00:03:06,408 --> 00:03:11,449

photos or interviews it just all gets

56

00:03:08,870 --> 00:03:12,739

trickled into the same loop yeah it's

57

00:03:11,449 --> 00:03:14,750

like that what is that what was that one

58
00:03:12,739 --> 00:03:16,789
movie uh National Lampoon's European

59
00:03:14,750 --> 00:03:17,810
vacation we're there that round a loop

60
00:03:16,789 --> 00:03:23,539
and they just keep going around they

61
00:03:17,810 --> 00:03:26,539
can't pretty much pretty much it's the

62
00:03:23,539 --> 00:03:27,798
same stuff and we gotta find it there's

63
00:03:26,539 --> 00:03:30,469
like a there's like an image going

64
00:03:27,799 --> 00:03:32,420
around and it basically is a list of all

65
00:03:30,469 --> 00:03:33,829
of the disinformation channels on

66
00:03:32,419 --> 00:03:35,869
YouTube you guys got to find that it's

67
00:03:33,829 --> 00:03:37,489

88

this let's get to this really cool

89
00:04:22,038 --> 00:04:29,469
picture I'm going to show this to you

90
00:04:23,029 --> 00:04:32,659
right now and it's it's it's rather

91
00:04:29,470 --> 00:04:33,889
interesting so this is two different I'm

92
00:04:32,660 --> 00:04:35,810
going to show you three different

93
00:04:33,889 --> 00:04:38,689
pictures I have of this craft what do

94
00:04:35,810 --> 00:04:40,129
you think Joe navigator flight of the

95
00:04:38,689 --> 00:04:43,209
navigator fine navigator

96
00:04:40,129 --> 00:04:46,219
maybe that movie wasn't so far off maybe

97
00:04:43,209 --> 00:04:51,109
so check this out this is actually a

98
00:04:46,220 --> 00:04:52,400
picture from 2007 and I guess it has

99
00:04:51,110 --> 00:04:55,220
been making the rounds in the UFO

100
00:04:52,399 --> 00:04:57,529

community I guess the person that took

101

00:04:55,220 --> 00:05:01,340

him has a pseudo pseudonym name Keith

102

00:04:57,529 --> 00:05:03,079

Bradshaw he says he was out he was out

103

00:05:01,339 --> 00:05:03,589

in the desert near the Naval Air Weapons

104

00:05:03,079 --> 00:05:05,509

Station

105

00:05:03,589 --> 00:05:09,229

in China Lake in California after being

106

00:05:05,509 --> 00:05:11,480

told about the craft by a friend so it

107

00:05:09,230 --> 00:05:15,200

must have been there more than once or I

108

00:05:11,480 --> 00:05:17,930

don't know that that's very shiny it is

109

00:05:15,199 --> 00:05:23,329

and so but this is what he says about it

110

00:05:17,930 --> 00:05:25,970

he he says this thing would wobble along

111

00:05:23,329 --> 00:05:28,069

close to the ground very unstable and

112

00:05:25,970 --> 00:05:29,810

that's actually consistent with the

113

00:05:28,069 --> 00:05:33,980

sorts of things that Bob Lazar describes

114

00:05:29,810 --> 00:05:35,629

when he talks about kind of how their

115
00:05:33,980 --> 00:05:37,790
navigation system works and their

116
00:05:35,629 --> 00:05:39,469
propulsion works here's another picture

117
00:05:37,790 --> 00:05:41,270
you can see here there's a helicopter

118
00:05:39,470 --> 00:05:42,950
above it just flying over it you can

119
00:05:41,269 --> 00:05:45,649
actually see the shadow on the ground of

120
00:05:42,949 --> 00:05:49,069
the spacecraft so that is actually like

121
00:05:45,649 --> 00:05:52,189
not fakery that's an actual shadow so I

122
00:05:49,069 --> 00:05:53,599
guess I mean so this is just some more

123
00:05:52,189 --> 00:05:55,639
about like he said it would be unstable

124
00:05:53,600 --> 00:05:57,200
near the ground and he said he also said

125
00:05:55,639 --> 00:05:59,209
that it would freeze in position

126
00:05:57,199 --> 00:06:00,740
go up to a certain height and then sit

127
00:05:59,209 --> 00:06:03,680
there for a few minutes perfectly still

128
00:06:00,740 --> 00:06:05,360
it made no noise and that's also

129
00:06:03,680 --> 00:06:09,050
consistent with pretty much all the

130
00:06:05,360 --> 00:06:11,300
other UFO accounts of real UFOs cast you

131
00:06:09,050 --> 00:06:13,540
a question sure why in that picture it's

132
00:06:11,300 --> 00:06:15,800
like out the middle of nowhere like

133
00:06:13,540 --> 00:06:17,060
Joshua Tree it looks like and just all

134
00:06:15,800 --> 00:06:21,230
of a sudden is a silver thing just shows

135
00:06:17,060 --> 00:06:22,250
up where's this at again but I'm just

136
00:06:21,230 --> 00:06:23,689
going to show this a picture here it's

137
00:06:22,250 --> 00:06:26,420
pretty cool yeah

138
00:06:23,689 --> 00:06:31,850
sorry what was a question where's this

139
00:06:26,420 --> 00:06:34,189
act oh this is an account basically yeah

140
00:06:31,850 --> 00:06:35,870
yeah that's probably one of their it was

141
00:06:34,189 --> 00:06:41,420
called the Naval Air Weapons Station

142
00:06:35,870 --> 00:06:45,680
China Lake in California oh wow that's

143

00:06:41,420 --> 00:06:52,660
why it's wobbling ha I will not

144
00:06:45,680 --> 00:06:57,889
participate in that sort of speak so um

145
00:06:52,660 --> 00:06:59,120
what do you guys think huh huh we're

146
00:06:57,889 --> 00:07:01,879
gonna hop into the chat rooms here in

147
00:06:59,120 --> 00:07:04,850
just a second say hey but just look this

148
00:07:01,879 --> 00:07:07,430
through these again look at this their

149
00:07:04,850 --> 00:07:09,830
picture of a silver thing in the sky

150
00:07:07,430 --> 00:07:11,269
yeah look at that so you look right

151
00:07:09,829 --> 00:07:13,819
below it see the darkness that is a

152
00:07:11,269 --> 00:07:16,029
shadow of the craft so that cannot be

153
00:07:13,819 --> 00:07:17,279
like for injury

154
00:07:16,029 --> 00:07:20,679
I don't I think they're pretty cool

155
00:07:17,279 --> 00:07:22,599
definitely like an interesting article I

156
00:07:20,680 --> 00:07:25,329
could only find like just I could really

157
00:07:22,600 --> 00:07:26,620

only find a few things interesting and

158

00:07:25,329 --> 00:07:27,939

that was just one of them that I happen

159

00:07:26,620 --> 00:07:29,740

to find if we're gonna get into a really

160

00:07:27,939 --> 00:07:34,259

interesting interview with Luis Elizondo

161

00:07:29,740 --> 00:07:36,370

that he had and the International UFO

162

00:07:34,259 --> 00:07:38,319

conference shared it recently on their

163

00:07:36,370 --> 00:07:39,870

YouTube and so we just kind of Joe and I

164

00:07:38,319 --> 00:07:42,909

watched it together and we broke down

165

00:07:39,870 --> 00:07:44,290

the interview into a few clips of things

166

00:07:42,910 --> 00:07:45,820

that we thought were interesting that he

167

00:07:44,290 --> 00:07:50,580

said and so we're going to show that to

168

00:07:45,819 --> 00:07:50,579

you guys here in just a minute but I'm

169

00:07:52,439 --> 00:07:56,199

yeah we don't have anybody in the chat

170

00:07:54,850 --> 00:07:59,890

room on Spreaker but it's been a while

171

00:07:56,199 --> 00:08:03,310

so hopefully they'll come back and yeah

172
00:07:59,889 --> 00:08:07,990
we're gonna go yeah a few people

173
00:08:03,310 --> 00:08:17,350
watching hello three people yes hello

174
00:08:07,990 --> 00:08:20,949

00:08:51,190 --> 00:08:57,820
course Terry 51 and our new guy Mike

185
00:08:53,740 --> 00:09:00,460
Worthington in his dog spot yeah it's an

186
00:08:57,820 --> 00:09:02,590
inside joke here in Sacramento also Paul

187
00:09:00,460 --> 00:09:07,570
Curtis is always still supporting us -

188
00:09:02,590 --> 00:09:10,960
thank you guys that your donations helps

189
00:09:07,570 --> 00:09:13,360
us pay for the software and the hosting

190
00:09:10,960 --> 00:09:15,460
for the audio just some basic expenses -

191
00:09:13,360 --> 00:09:16,539
helps out so thank you and also you know

192
00:09:15,460 --> 00:09:19,450
anything left over would try to put

193
00:09:16,539 --> 00:09:24,459
towards the next trip it's the next trip

194
00:09:19,450 --> 00:09:26,980
Joe for the next trip - to the vortex

195
00:09:24,460 --> 00:09:28,150
well we talked about alien Con and we

196
00:09:26,980 --> 00:09:29,409
also talked about contacting

197
00:09:28,149 --> 00:09:31,360
I wish we could have been to the

198
00:09:29,409 --> 00:09:33,969
International UFO comp conference

199
00:09:31,360 --> 00:09:36,430
recently but there was too much going on

200

00:09:33,970 --> 00:09:44,009
we're actually doing other things yes

201
00:09:36,429 --> 00:09:46,329
other cool things yes but in chat room

202
00:09:44,009 --> 00:09:46,809
there's the one make sure you guys say

203
00:09:46,330 --> 00:09:50,259
hello

204
00:09:46,809 --> 00:09:52,750
he did say hello to himself yes

205
00:09:50,259 --> 00:09:54,189
so again anyway thank you makes

206
00:09:52,750 --> 00:09:56,350
everybody for your followers or

207
00:09:54,190 --> 00:09:58,390
subscriptions everything we just loving

208
00:09:56,350 --> 00:10:02,710
you giving you guys great content yes

209
00:09:58,389 --> 00:10:05,819
well you know in our unique ways we can

210
00:10:02,710 --> 00:10:09,339
get yeah so for those of you on Spreaker

211
00:10:05,820 --> 00:10:11,230
you can check out the live YouTube this

212
00:10:09,339 --> 00:10:13,150
live YouTube show so you can see the

213
00:10:11,230 --> 00:10:17,050
pictures so check it out it's pretty

214
00:10:13,149 --> 00:10:20,949

cool man that kool-aid is very sugary

215

00:10:17,049 --> 00:10:24,699

sound like it sure sounded like it I

216

00:10:20,950 --> 00:10:26,560

like lean all right so I think it's time

217

00:10:24,700 --> 00:10:27,490

to go like break down the Lewis Elizondo

218

00:10:26,559 --> 00:10:30,250

let's get to it

219

00:10:27,490 --> 00:10:34,570

interview and just kind of as a recap

220

00:10:30,250 --> 00:10:38,019

Louisa Elizondo was working at the

221

00:10:34,570 --> 00:10:40,750

Department of Defense at an advanced

222

00:10:38,019 --> 00:10:44,379

aerial threat program were they

223

00:10:40,750 --> 00:10:46,778

basically drowsy the DoD basically

224

00:10:44,379 --> 00:10:50,799

tracked UFOs or things that were not

225

00:10:46,778 --> 00:10:56,580

explained or weird things that they can

226

00:10:50,799 --> 00:10:59,289

I didn't I let you forget certain okay

227

00:10:56,580 --> 00:11:02,259

verification as it was to each military

228

00:10:59,289 --> 00:11:05,019

around the world yeah and they basically

229
00:11:02,259 --> 00:11:07,149
were able to break down these what they

230
00:11:05,019 --> 00:11:11,110
call you know phenomena or occurrences

231
00:11:07,149 --> 00:11:13,269
and create I guess an algorithm of some

232
00:11:11,110 --> 00:11:16,089
sort that was able to help them track

233
00:11:13,269 --> 00:11:19,269
where they might manifest next and where

234
00:11:16,089 --> 00:11:22,270
they typically manifest because you'll

235
00:11:19,269 --> 00:11:23,610
see here in this interview that nothing

236
00:11:22,269 --> 00:11:27,009
is as it seems

237
00:11:23,610 --> 00:11:28,120
and there'll be a tip a clip here in

238
00:11:27,009 --> 00:11:30,039
particular so we're gonna kind of just

239
00:11:28,120 --> 00:11:31,209
hop into that now I can hear that she's

240
00:11:30,039 --> 00:11:34,990
fine she's fine

241
00:11:31,208 --> 00:11:38,109
so here check this out this is a

242
00:11:34,990 --> 00:11:39,459
question that I was hoping he would

243
00:11:38,110 --> 00:11:41,240
answer but you'll see for yourself

244
00:11:39,458 --> 00:11:43,838
basically being asked

245
00:11:41,240 --> 00:11:46,519
are these aliens or what are these

246
00:11:43,839 --> 00:11:48,430
phenomena what are these unidentified

247
00:11:46,519 --> 00:11:50,179
crafts that are appearing in our skies

248
00:11:48,429 --> 00:11:52,719
well you know what are they so we're

249
00:11:50,179 --> 00:11:56,088
gonna check this out

250
00:11:52,720 --> 00:11:57,980
what's so funny it's one of those things

251
00:11:56,089 --> 00:12:00,080
like it's like a DeLong thing you know

252
00:11:57,980 --> 00:12:08,480
we'll get into it now I'll share my fury

253
00:12:00,080 --> 00:12:10,190
it's it's check it out these clues let's

254
00:12:08,480 --> 00:12:11,959
look at the term extraterrestrial I

255
00:12:10,190 --> 00:12:17,180
don't like to use that term very much

256
00:12:11,958 --> 00:12:18,289
but but in a in a definitive way when

257

00:12:17,179 --> 00:12:21,579
you look at the definition of

258
00:12:18,289 --> 00:12:23,419
extraterrestrial just means beyond

259
00:12:21,580 --> 00:12:26,300
terraformer terra firma but on

260
00:12:23,419 --> 00:12:30,019
terrestrial beyond beyond this this

261
00:12:26,299 --> 00:12:31,729
thing that we call earth the question is

262
00:12:30,019 --> 00:12:34,970
do they come from outer space inner

263
00:12:31,730 --> 00:12:38,450
space or the space in between I don't

264
00:12:34,970 --> 00:12:41,170
know I have my own personal opinions

265
00:12:38,450 --> 00:12:43,970
about it but it would be very misleading

266
00:12:41,169 --> 00:12:47,120
to give you those opinions because in

267
00:12:43,970 --> 00:12:48,379
the end you don't have enough data it

268
00:12:47,120 --> 00:12:50,209
would be great if we could point a

269
00:12:48,379 --> 00:12:53,870
finger to say ah it was Russians or the

270
00:12:50,208 --> 00:12:55,458
Chinese or someone else the problem is

271
00:12:53,870 --> 00:12:57,409

that the data that we're seeing we've

272

00:12:55,458 --> 00:13:01,189
been seeing for a while and it's so

273

00:12:57,409 --> 00:13:05,319
advanced that by now it is hard enough

274

00:13:01,190 --> 00:13:07,970
for us now to replicate our observations

275

00:13:05,320 --> 00:13:10,370
with our understanding of quantum

276

00:13:07,970 --> 00:13:13,040
mechanics but for this type of

277

00:13:10,370 --> 00:13:15,350
technology to be available when we first

278

00:13:13,039 --> 00:13:16,039
started seeing it I think is beyond

279

00:13:15,350 --> 00:13:20,149
improbable

280

00:13:16,039 --> 00:13:23,958
I'm not gonna say impossible but it is

281

00:13:20,149 --> 00:13:26,269
really really really unlikely so that

282

00:13:23,958 --> 00:13:28,039
leads then to the next question well if

283

00:13:26,269 --> 00:13:29,899
it's not ours and it's not theirs and

284

00:13:28,039 --> 00:13:31,338
whose is it I don't know whose it is

285

00:13:29,899 --> 00:13:32,899
that's why we're asking the hard

286
00:13:31,339 --> 00:13:34,820
questions that's why we did what we did

287
00:13:32,899 --> 00:13:35,870
for the last ten years and why we need

288
00:13:34,820 --> 00:13:37,390
to continue doing what we're doing

289
00:13:35,870 --> 00:13:41,450
because we need to ask those questions

290
00:13:37,389 --> 00:13:43,370
we don't know whose they belong to we

291
00:13:41,450 --> 00:13:46,310
don't know who they are or what they are

292
00:13:43,370 --> 00:13:48,269
but we know that they're real so I

293
00:13:46,309 --> 00:13:50,338
submit to you that

294
00:13:48,269 --> 00:13:51,720
because of that there you go we need to

295
00:13:50,339 --> 00:13:53,309
continue to explore

296
00:13:51,720 --> 00:13:58,699
we need to continue asking the hard

297
00:13:53,308 --> 00:14:02,730
questions what do you think of that oh

298
00:13:58,698 --> 00:14:05,458
that's insane he said you said it he

299
00:14:02,730 --> 00:14:09,269
said it he said he said it he right

300
00:14:05,458 --> 00:14:13,008
there mr. kakapo poaching sanic they're

301
00:14:09,269 --> 00:14:15,600
real Gaga boo-boo chin for real

302
00:14:13,009 --> 00:14:18,269
look there's something wrong with the

303
00:14:15,600 --> 00:14:21,329
camera it's tilting or something oh dude

304
00:14:18,269 --> 00:14:23,519
out of each - this is so unprofessional

305
00:14:21,328 --> 00:14:25,169
we're gonna get so many rude comments

306
00:14:23,519 --> 00:14:30,089
for this by the way our haters are

307
00:14:25,169 --> 00:14:35,490
always honest about something look we

308
00:14:30,089 --> 00:14:40,050
are adjusting our camera live come on

309
00:14:35,490 --> 00:14:41,339
bro keep it in frame there thank you yes

310
00:14:40,049 --> 00:14:42,628
it's fine come sit back so we can

311
00:14:41,339 --> 00:14:52,889
continue our show for our one viewer

312
00:14:42,629 --> 00:14:58,110
right now your Oprah you're crazy

313
00:14:52,889 --> 00:15:00,119
are you done I'm you better I think I

314

00:14:58,110 --> 00:15:01,980
could have like cut out like a minute

315
00:15:00,119 --> 00:15:05,579
and 40 seconds of that and just have the

316
00:15:01,980 --> 00:15:07,528
last five seconds noises I don't know he

317
00:15:05,578 --> 00:15:11,099
has a habit of like educating audience

318
00:15:07,528 --> 00:15:12,749
that's the entire ufology Department of

319
00:15:11,100 --> 00:15:14,639
the scientist another do do you know all

320
00:15:12,749 --> 00:15:16,678
the people have been in it it's they

321
00:15:14,639 --> 00:15:19,048
don't know I know but I can't tell you

322
00:15:16,678 --> 00:15:20,669
that should be it are aliens real I

323
00:15:19,048 --> 00:15:22,588
don't know I do but I can't tell you

324
00:15:20,669 --> 00:15:24,178
well he goes into what what's the

325
00:15:22,589 --> 00:15:25,619
definition of an alien but I guess

326
00:15:24,178 --> 00:15:27,828
that's the DEF is you're gonna start

327
00:15:25,619 --> 00:15:30,959
going what's the definition of real

328
00:15:27,828 --> 00:15:33,178

probably I don't know if it's like

329

00:15:30,958 --> 00:15:34,678

energy forces that make up a thing then

330

00:15:33,178 --> 00:15:36,448

yeah maybe you know other physical

331

00:15:34,678 --> 00:15:38,009

crafts need to get punched in the face

332

00:15:36,448 --> 00:15:40,229

of doo doo team well okay so look

333

00:15:38,009 --> 00:15:42,028

speaking of that are they a threat

334

00:15:40,230 --> 00:15:43,819

that's the whole point of the program in

335

00:15:42,028 --> 00:15:45,808

the first place is to like explore these

336

00:15:43,818 --> 00:15:46,399

unidentified craft and figure out like

337

00:15:45,808 --> 00:15:50,928

are they a threat

338

00:15:46,399 --> 00:15:54,448

la invasion right battle of Los Angeles

339

00:15:50,928 --> 00:15:56,818

that's where they got in 40s was that

340

00:15:54,448 --> 00:16:00,219

Mars movie no there was a movie called

341

00:15:56,818 --> 00:16:02,529

battle of Los Angeles but is you know

342

00:16:00,220 --> 00:16:04,000

done very Hollywood style but anyway I

343
00:16:02,529 --> 00:16:07,470
want to get back to Luisa Ella's on

344
00:16:04,000 --> 00:16:10,210
doing this this next clip which in which

345
00:16:07,470 --> 00:16:13,360
listen very carefully to how he

346
00:16:10,210 --> 00:16:17,530
describes the phenomena and he uses an

347
00:16:13,360 --> 00:16:18,550
interesting analogy and so that just is

348
00:16:17,529 --> 00:16:27,579
a really cool thing so you guys go ahead

349
00:16:18,549 --> 00:16:30,699
and check this this next clip out so no

350
00:16:27,580 --> 00:16:35,050
outward aggression but please allow me a

351
00:16:30,700 --> 00:16:37,810
moment to provide you a very rudimentary

352
00:16:35,049 --> 00:16:41,379
analogy I've used it before but I think

353
00:16:37,809 --> 00:16:43,689
it's fitting so I think most most people

354
00:16:41,379 --> 00:16:45,759
not all but most people would agree that

355
00:16:43,690 --> 00:16:48,430
locking your front door is probably a

356
00:16:45,759 --> 00:16:50,529
good idea to do before you go to bed at

357
00:16:48,429 --> 00:16:51,819
night so most people do and it's not

358
00:16:50,529 --> 00:16:54,490
that they expect something bad to happen

359
00:16:51,820 --> 00:16:56,290
but we do it as a precaution and so

360
00:16:54,490 --> 00:16:58,480
imagine every night now you lock your

361
00:16:56,289 --> 00:17:00,250
front door you go ahead and you secure

362
00:16:58,480 --> 00:17:02,440
your windows and you lock your windows

363
00:17:00,250 --> 00:17:03,940
and then right before you go to bed you

364
00:17:02,440 --> 00:17:05,890
go to your keypad you punch in your

365
00:17:03,940 --> 00:17:08,769
keypad and now your house the alarm is

366
00:17:05,890 --> 00:17:10,150
armed and everything is secure but for

367
00:17:08,769 --> 00:17:12,309
some reason every morning you wake up

368
00:17:10,150 --> 00:17:14,500
you go downstairs to have your coffee

369
00:17:12,309 --> 00:17:16,688
you look in your living room and there's

370
00:17:14,500 --> 00:17:18,699
muddy boot prints in your living room

371

00:17:16,689 --> 00:17:21,620
and they're not your blueprints

372
00:17:18,699 --> 00:17:23,980
now nothing's been taken from your house

373
00:17:21,619 --> 00:17:26,568
no one's been injured or harm and

374
00:17:23,980 --> 00:17:28,279
nothing is out of place and yet here you

375
00:17:26,568 --> 00:17:30,680
go every night locking your front doors

376
00:17:28,279 --> 00:17:32,509
you secure your windows and your alarm

377
00:17:30,680 --> 00:17:35,240
eternal your alarm and yet still these

378
00:17:32,509 --> 00:17:38,359
muddy blueprints continue to show up day

379
00:17:35,240 --> 00:17:42,549
after day so the question is how do they

380
00:17:38,359 --> 00:17:45,500
get there the question is is it a threat

381
00:17:42,549 --> 00:17:47,389
well I think you have to presume it

382
00:17:45,500 --> 00:17:49,670
could be a threat until you're sure it's

383
00:17:47,390 --> 00:17:51,290
not a threat and that was my job when I

384
00:17:49,670 --> 00:17:53,570
was in the Department of Defense was to

385
00:17:51,289 --> 00:17:55,549

make sure things were not a threat and

386

00:17:53,569 --> 00:17:59,889

until I could prove they were not I had

387

00:17:55,549 --> 00:17:59,889

to make the presumption that it could be

388

00:18:02,329 --> 00:18:10,689

[Music]

389

00:18:07,420 --> 00:18:14,750

so there's actually obviously a lot more

390

00:18:10,690 --> 00:18:15,710

to it than that so I definitely

391

00:18:14,750 --> 00:18:17,480

recommend you check out the

392

00:18:15,710 --> 00:18:18,650

International UFO conference channels so

393

00:18:17,480 --> 00:18:21,019

you can get the whole interview but that

394

00:18:18,650 --> 00:18:22,759

just irritated me what's that

395

00:18:21,019 --> 00:18:24,470

basically he's go around the east go

396

00:18:22,759 --> 00:18:26,029

around the bush you see you saying you

397

00:18:24,470 --> 00:18:28,400

can lock your windows your door set a

398

00:18:26,029 --> 00:18:30,440

code put dog hide your kid you better

399

00:18:28,400 --> 00:18:32,330

hide you up you know no matter what

400
00:18:30,440 --> 00:18:33,920
those muddy footprints food prints are

401
00:18:32,329 --> 00:18:36,079
gonna show up it just be sure you stick

402
00:18:33,920 --> 00:18:39,860
the hold on shut the hell up muddy

403
00:18:36,079 --> 00:18:42,939
though right sandy not my Dino be my

404
00:18:39,859 --> 00:18:45,559
deed thank you buddy

405
00:18:42,940 --> 00:18:47,570
basically saying no matter what you do

406
00:18:45,559 --> 00:18:49,369
they're gonna come they're gonna show up

407
00:18:47,569 --> 00:18:52,069
in your living room they're gonna spy at

408
00:18:49,369 --> 00:18:53,439
you and night well so basically he's

409
00:18:52,069 --> 00:18:56,899
seeing that saying that they leave

410
00:18:53,440 --> 00:18:58,910
evidence of their appearance but we

411
00:18:56,900 --> 00:19:01,130
don't know where it's coming from

412
00:18:58,910 --> 00:19:04,160
mm-hmm you know there's a lot of people

413
00:19:01,130 --> 00:19:05,780
I need to see that that was wasted like

414
00:19:04,160 --> 00:19:07,460
three minutes my life well you could you

415
00:19:05,779 --> 00:19:08,629
know that's why I keep saying is that

416
00:19:07,460 --> 00:19:10,549
you could like go all the way down to

417
00:19:08,630 --> 00:19:12,140
the very end and cut like the last like

418
00:19:10,549 --> 00:19:13,899
just leave the last 30 seconds of those

419
00:19:12,140 --> 00:19:16,970
interview clips you get your answer so

420
00:19:13,900 --> 00:19:18,170
we there's a lot of other questions that

421
00:19:16,970 --> 00:19:20,329
you get to ask there but that's really

422
00:19:18,170 --> 00:19:21,470
about like credentials and you know a

423
00:19:20,329 --> 00:19:22,699
little bit more about what he does so

424
00:19:21,470 --> 00:19:24,650
make sure you check that out cuz all the

425
00:19:22,700 --> 00:19:26,330
credit goes to them and you of course to

426
00:19:24,650 --> 00:19:30,059
the Stars Academy stars Academy did you

427
00:19:26,329 --> 00:19:33,329

428

00:19:30,058 --> 00:19:34,469
but the longer I don't know let's go

429
