

1
00:00:02,160 --> 00:00:05,419
[Music]

2
00:00:49,130 --> 00:00:52,219
[Music]

3
00:00:54,090 --> 00:00:56,150
you

4
00:01:01,500 --> 00:01:17,210
[Music]

5
00:01:10,060 --> 00:01:19,310
UFO Bros hey everyone is Giorgio

6
00:01:17,209 --> 00:01:23,659
tsoukalos from ancient aliens and you're

7
00:01:19,310 --> 00:01:26,930
experiencing UFO Bros TV hey what's up

8
00:01:23,659 --> 00:01:29,959
everybody I'm minute I'm Joe and we are

9
00:01:26,930 --> 00:01:32,030
the UF o Bros and we're coming at you

10
00:01:29,959 --> 00:01:32,629
live from our new digs our new facility

11
00:01:32,030 --> 00:01:35,509
with this thing

12
00:01:32,629 --> 00:01:36,829
happy new year yeah you guys there how

13
00:01:35,509 --> 00:01:42,259
many of you got a kiss

14
00:01:36,829 --> 00:01:46,659
I didn't yeah I did yeah

15
00:01:42,259 --> 00:01:48,920
was it juicy yeah her lips are juicy

16
00:01:46,659 --> 00:01:51,019
well that's good to know can you kind of

17
00:01:48,920 --> 00:01:54,289
like bring yourself up you're kinda like

18
00:01:51,019 --> 00:01:55,609
I'm the Hunchback of Notre oh okay so

19
00:01:54,289 --> 00:01:58,219
right before the show you're like oh

20
00:01:55,609 --> 00:02:00,679
yeah Joe make sure you get into your

21
00:01:58,219 --> 00:02:02,299
comments on youtube so that we can check

22
00:02:00,679 --> 00:02:05,209
our status and what's going on here we

23
00:02:02,299 --> 00:02:07,159
go yes okay so I'm sitting here trying

24
00:02:05,209 --> 00:02:09,050
to get into YouTube so I can check the

25
00:02:07,159 --> 00:02:10,399
comments and he's telling them sorry I'm

26
00:02:09,050 --> 00:02:19,459
trying to find the information this is

27
00:02:10,399 --> 00:02:21,590
you you know I have a de by the way

28
00:02:19,459 --> 00:02:22,729
we're trying some new stuff so if things

29

00:02:21,590 --> 00:02:25,129
a little bit crazy today don't even like

30
00:02:22,729 --> 00:02:26,119
trip because we're like you know every

31
00:02:25,129 --> 00:02:28,009
time we do this we're trying to do a

32
00:02:26,120 --> 00:02:30,560
little bit more like as an example we

33
00:02:28,009 --> 00:02:32,509
have a really cool subscribe button so

34
00:02:30,560 --> 00:02:35,890
if you see this make sure you subscribe

35
00:02:32,509 --> 00:02:38,629
to us on YouTube oh you're over here

36
00:02:35,889 --> 00:02:40,519
click Subscribe also click the bell

37
00:02:38,629 --> 00:02:43,068
because that'll notify you if we go live

38
00:02:40,520 --> 00:02:45,680
or with it if we have videos coming

39
00:02:43,068 --> 00:02:46,789
exactly being it at being a timing so

40
00:02:45,680 --> 00:02:48,500
like we're not gonna go all night

41
00:02:46,789 --> 00:02:51,310
tonight because obviously it's late it's

42
00:02:48,500 --> 00:02:53,810
New Year's but we got some really cool

43
00:02:51,310 --> 00:02:56,989

please don't wipe your body Happy's on

44

00:02:53,810 --> 00:02:58,580

me new year we got some fun little clips

45

00:02:56,989 --> 00:02:59,870

we're gonna talk about you know because

46

00:02:58,580 --> 00:03:02,510

we've got you know we're gonna we're

47

00:02:59,870 --> 00:03:04,969

gonna cover like some new guess we're

48

00:03:02,509 --> 00:03:07,039

gonna talk about the long and what that

49

00:03:04,969 --> 00:03:08,060

means then also of course mr. Greer has

50

00:03:07,039 --> 00:03:08,609

you know something to say about

51

00:03:08,060 --> 00:03:10,590

everything

52

00:03:08,610 --> 00:03:12,990

but we've got kind of some new updates

53

00:03:10,590 --> 00:03:16,920

we're gonna share with you guys and so

54

00:03:12,990 --> 00:03:19,800

if an issue are listening and you don't

55

00:03:16,919 --> 00:03:21,149

get the opportunity to see make sure you

56

00:03:19,800 --> 00:03:22,770

subscribe on YouTube for those of you

57

00:03:21,150 --> 00:03:24,180

listening on Spreaker and itunes thank

58
00:03:22,770 --> 00:03:27,000
you so much tell your friends to

59
00:03:24,180 --> 00:03:28,980
subscribe download we are gonna make

60
00:03:27,000 --> 00:03:30,750
sure we talk about UFOs and aliens that

61
00:03:28,979 --> 00:03:33,239
we're gonna bring our kind of fun

62
00:03:30,750 --> 00:03:35,639
brotherly bantering or some people call

63
00:03:33,240 --> 00:03:38,580
it annoying well you know our knowing

64
00:03:35,639 --> 00:03:44,789
gets us around it says like the village

65
00:03:38,580 --> 00:03:47,489
bicycle so first things first we are the

66
00:03:44,789 --> 00:03:55,699
realest realest we can get the whole

67
00:03:47,489 --> 00:03:59,759
world I have no clue okay well look

68
00:03:55,699 --> 00:04:02,399
we're gonna have our super awesome UFO

69
00:03:59,759 --> 00:04:05,129
friend he lives in the desert okay but

70
00:04:02,400 --> 00:04:07,530
he is like on top of everything coming

71
00:04:05,129 --> 00:04:10,620
up in the fella G world so mister gemy

72
00:04:07,530 --> 00:04:12,930
Locker Canyon Korbelt is gonna be on the

73
00:04:10,620 --> 00:04:15,180
show probably more but next week or two

74
00:04:12,930 --> 00:04:18,478
and if you don't this will he looks at I

75
00:04:15,180 --> 00:04:20,340
look at the beard it is awesome and if

76
00:04:18,478 --> 00:04:22,918
you don't know one six main there's a

77
00:04:20,339 --> 00:04:24,929
hot dogs in mine and then he also has

78
00:04:22,918 --> 00:04:28,829
directed and produced the awesome

79
00:04:24,930 --> 00:04:30,660
patient 17 video which as you can see

80
00:04:28,829 --> 00:04:33,359
here in this image you can find it on

81
00:04:30,660 --> 00:04:34,740
Netflix of course iTunes I'm telling you

82
00:04:33,360 --> 00:04:36,710
we promote stuff that we thinks great

83
00:04:34,740 --> 00:04:40,650
and the great thing about this is that

84
00:04:36,709 --> 00:04:42,269
there's some actual physical recoveries

85
00:04:40,649 --> 00:04:43,918
that come out of these bodies you know

86

00:04:42,269 --> 00:04:45,449
that he analyzes so it's not just people

87
00:04:43,918 --> 00:04:48,180
talking it's really interesting matter

88
00:04:45,449 --> 00:04:51,659
that they it's nothing that's from earth

89
00:04:48,180 --> 00:04:52,800
that they can find exactly so it's a

90
00:04:51,660 --> 00:04:55,939
really interesting you guys go check it

91
00:04:52,800 --> 00:05:01,319
out yes and it's worth it's worth every

92
00:04:55,939 --> 00:05:03,600
thing cent penny every cent penny yes 9

93
00:05:01,319 --> 00:05:06,750
9999 watch it

94
00:05:03,600 --> 00:05:08,700
check it out support our friend and he's

95
00:05:06,750 --> 00:05:10,110
he's doing some awesome stuff and he's

96
00:05:08,699 --> 00:05:11,849
fun to talk to you so make sure you

97
00:05:10,110 --> 00:05:13,590
support our friend also make sure you

98
00:05:11,850 --> 00:05:15,000
support our friends over at hysteria 51

99
00:05:13,589 --> 00:05:18,060
they're doing a fantastic job on their

100
00:05:15,000 --> 00:05:19,740

podcast also uh somewhere in the skies

101

00:05:18,060 --> 00:05:21,420

that's a really good podcast we're going

102

00:05:19,740 --> 00:05:24,120

to be on that show pretty soon

103

00:05:21,420 --> 00:05:26,610

you know rock TV has been awesome to us

104

00:05:24,120 --> 00:05:28,620

and there's a lot of you guys paranoid

105

00:05:26,610 --> 00:05:30,420

magazine hopeful be on that show again

106

00:05:28,620 --> 00:05:32,850

so we really appreciate all of

107

00:05:30,420 --> 00:05:34,470

everybody's support means a lot to less

108

00:05:32,850 --> 00:05:35,640

this is a lot of work but we love it

109

00:05:34,470 --> 00:05:40,850

because we're trying to bring this out

110

00:05:35,639 --> 00:05:40,849

in a way that like you know isn't so

111

00:05:41,540 --> 00:05:49,500

with my curly hair nice and why do I

112

00:05:44,639 --> 00:05:51,269

look educated no but I can't I know

113

00:05:49,500 --> 00:05:54,300

something but I can't say it well what

114

00:05:51,269 --> 00:05:55,799

is it I can't say it why can't you say

115
00:05:54,300 --> 00:05:58,050
cuz I just can't say it well don't say

116
00:05:55,800 --> 00:06:00,240
it but what is it I can't say I don't

117
00:05:58,050 --> 00:06:02,730
know but the places I can't say it was

118
00:06:00,240 --> 00:06:04,860
where I was saying I can't say okay yeah

119
00:06:02,730 --> 00:06:06,000
speaking of somebody who can't say I'm

120
00:06:04,860 --> 00:06:07,050
sure we got a funny little clip we're

121
00:06:06,000 --> 00:06:09,930
going to show you here in a second

122
00:06:07,050 --> 00:06:11,850
because you know of course Tom DeLonge

123
00:06:09,930 --> 00:06:14,280
is is kind of the head of this whole

124
00:06:11,850 --> 00:06:16,530
recent UFO revelation people call it

125
00:06:14,279 --> 00:06:18,239
disclosure we just call it somewhat

126
00:06:16,529 --> 00:06:20,159
confirmation it's all very of course

127
00:06:18,240 --> 00:06:22,470
very political and there's a lot of

128
00:06:20,160 --> 00:06:26,280
conspiracy theories you know coming off

129
00:06:22,470 --> 00:06:29,250
of this but this is funny so you've got

130
00:06:26,279 --> 00:06:32,909
to check this super cut out between Tom

131
00:06:29,250 --> 00:06:35,069
DeLonge and Joe Rogan we left Joe Rogan

132
00:06:32,910 --> 00:06:36,360
so you guys check this clip out we're

133
00:06:35,069 --> 00:06:39,199
gonna turn the music down right now so

134
00:06:36,360 --> 00:06:39,199
you can listen it's pretty good

135
00:06:48,360 --> 00:06:55,949
so you're obsessed with UFOs right we're

136
00:06:54,788 --> 00:07:00,399
gonna be building one of these things

137
00:06:55,949 --> 00:07:02,110
this have they explained this to you or

138
00:07:00,399 --> 00:07:05,168
have you seen it physically there's the

139
00:07:02,110 --> 00:07:08,439
Cold War and we found a life-form Hank

140
00:07:05,168 --> 00:07:11,079
and so they have experienced this

141
00:07:08,439 --> 00:07:13,839
physically or is this just theoretical

142
00:07:11,079 --> 00:07:15,430
or they know that it exists the piece of

143

00:07:13,839 --> 00:07:17,109
metal can lose mass and then when you

144
00:07:15,430 --> 00:07:19,240
shoot an electron over it it'll be a

145
00:07:17,110 --> 00:07:20,590
different time I think people are

146
00:07:19,240 --> 00:07:22,538
cynical because there's a vacuum you

147
00:07:20,589 --> 00:07:24,939
guys can't integrate what you're getting

148
00:07:22,538 --> 00:07:26,319
is we think so huh good job or just

149
00:07:24,939 --> 00:07:29,228
coming up with a bunch of bullshit to

150
00:07:26,319 --> 00:07:30,610
say oh you know he's like what the fuck

151
00:07:29,228 --> 00:07:32,439
is he doing you know why is he telling

152
00:07:30,610 --> 00:07:41,770
everything so he runs to the news

153
00:07:32,439 --> 00:07:43,779
station just try to detach myself from

154
00:07:41,769 --> 00:07:44,529
whatever they're saying finally find a

155
00:07:43,779 --> 00:07:49,049
happy place

156
00:07:44,529 --> 00:07:51,939
fire the world and so then these I find

157
00:07:49,050 --> 00:07:53,560

my happy space while this guy's doing

158

00:07:51,939 --> 00:07:56,680

this and I have to do that and literally

159

00:07:53,560 --> 00:07:59,319

I think I'm going I go just deeper and

160

00:07:56,680 --> 00:08:02,709

deeper in my mind to ignore the pain is

161

00:07:59,319 --> 00:08:04,719

so intense he went to a gym he used to

162

00:08:02,709 --> 00:08:06,848

he didn't have access to a light I wish

163

00:08:04,720 --> 00:08:09,130

I'd done get him high on ecstasy and

164

00:08:06,848 --> 00:08:11,348

talk to him just get him to completely

165

00:08:09,129 --> 00:08:13,000

remove all of his insecurities and fears

166

00:08:11,348 --> 00:08:14,589

I'd be like man when you talk to people

167

00:08:13,000 --> 00:08:18,339

you gotta be thinking that they're

168

00:08:14,589 --> 00:08:19,569

listening to I think he's a little on

169

00:08:18,339 --> 00:08:22,638

the spectrum

170

00:08:19,569 --> 00:08:22,639

[Music]

171

00:08:25,379 --> 00:08:29,060

[Music]

172
00:08:31,019 --> 00:08:33,549
and the other one when it's not turned

173
00:08:33,279 --> 00:08:38,519
on

174
00:08:33,549 --> 00:08:38,519
does that make sense no I'm a werewolf

175
00:08:39,899 --> 00:08:47,610
I'm gonna show you my thing I can't do

176
00:08:50,710 --> 00:08:56,168
[Music]

177
00:08:56,500 --> 00:09:08,210
what you guys think of that I don't know

178
00:09:03,190 --> 00:09:10,070
what do you think pretty ballsy my

179
00:09:08,210 --> 00:09:16,250
favorite part was like we found a life

180
00:09:10,070 --> 00:09:18,260
one topic Joe Rogan's just like find my

181
00:09:16,250 --> 00:09:21,080
happy place find my happy place although

182
00:09:18,259 --> 00:09:24,049
that was super by the way

183
00:09:21,080 --> 00:09:26,960
so what life-form is he saying well

184
00:09:24,049 --> 00:09:28,879
apparently according to DeLong we

185
00:09:26,960 --> 00:09:30,769
discovered a life-form during the Cold

186
00:09:28,879 --> 00:09:32,389
War I don't know what it is he's

187
00:09:30,769 --> 00:09:36,049
entreated on it or anything like that

188
00:09:32,389 --> 00:09:37,939
but but we're gonna keep pressing one of

189
00:09:36,049 --> 00:09:39,229
those things free says I found something

190
00:09:37,940 --> 00:09:40,940
but I can't say what it is yeah and

191
00:09:39,230 --> 00:09:42,830
we've shown that one I can't talk about

192
00:09:40,940 --> 00:09:44,630
it I can't talk about it but you know

193
00:09:42,830 --> 00:09:46,129
why I appreciate you Tom for just kind

194
00:09:44,629 --> 00:09:47,360
of taking a step back and kind of

195
00:09:46,129 --> 00:09:50,539
letting some other people do some

196
00:09:47,360 --> 00:09:52,730
speaking and represent you way better

197
00:09:50,539 --> 00:09:54,559
Luis elizondo's doing a fantastic job so

198
00:09:52,730 --> 00:09:56,210
please by all means to keep that going

199
00:09:54,559 --> 00:09:58,819
we're gonna move on though because

200

00:09:56,210 --> 00:10:01,940
there's more too long of course this is

201
00:09:58,820 --> 00:10:04,250
just it's just it just goes too long and

202
00:10:01,940 --> 00:10:06,010
too long and too long it's just always

203
00:10:04,250 --> 00:10:08,600
going too long so we're gonna show this

204
00:10:06,009 --> 00:10:10,340
by the way this came in to coast to

205
00:10:08,600 --> 00:10:12,860
coast with Jimmy Church so this is just

206
00:10:10,340 --> 00:10:14,180
a statement from Tom DeLonge about the

207
00:10:12,860 --> 00:10:16,129
recent happenings that we're gonna show

208
00:10:14,179 --> 00:10:18,500
that to you guys right now it's just a

209
00:10:16,129 --> 00:10:19,850
really short statement and it's gonna

210
00:10:18,500 --> 00:10:21,679
show you kind of like a little bit about

211
00:10:19,850 --> 00:10:25,909
what might be shot what might be coming

212
00:10:21,679 --> 00:10:28,069
up and check it out so here it says I

213
00:10:25,909 --> 00:10:30,379
fell for all of you that are listening

214
00:10:28,070 --> 00:10:32,330

and not watching I'd like to thank you

215

00:10:30,379 --> 00:10:35,419

I'd like to say for all of your support

216

00:10:32,330 --> 00:10:37,790

I want to thank you sauron that's fine

217

00:10:35,419 --> 00:10:40,039

thank you thank you as you know I

218

00:10:37,789 --> 00:10:42,500

created a vehicle that my team was able

219

00:10:40,039 --> 00:10:44,449

to supercharge and get the pentacon to

220

00:10:42,500 --> 00:10:45,830

officially officially acknowledge the

221

00:10:44,450 --> 00:10:51,740

existence of unidentified aerial

222

00:10:45,830 --> 00:10:55,400

phenomenon popcorn Joe what Richard

223

00:10:51,740 --> 00:10:57,680

Sennett or you say I got to take my

224

00:10:55,399 --> 00:11:07,730

glasses off for the Senate

225

00:10:57,679 --> 00:11:09,259

or Congress has ignited and briefings

226

00:11:07,730 --> 00:11:11,300

will be starting soon if all goes well

227

00:11:09,259 --> 00:11:14,059

so bear with me as we start talking

228

00:11:11,299 --> 00:11:15,769

about more gun camera footage hardware

229
00:11:14,059 --> 00:11:19,069
and even more expansive military

230
00:11:15,769 --> 00:11:20,659
encounters it's all coming but it's

231
00:11:19,070 --> 00:11:22,790
going to trickle over the months ahead I

232
00:11:20,659 --> 00:11:25,990
want to thank you all again I'm one of

233
00:11:22,789 --> 00:11:28,838
you I am a true seeker Tom DeLonge 1229

234
00:11:25,990 --> 00:11:33,549
1730's thank you thank you thank you

235
00:11:28,839 --> 00:11:34,880
thank you well he says thank you a lot

236
00:11:33,549 --> 00:11:36,528
thank you

237
00:11:34,879 --> 00:11:44,870
speaking of being on the spectrum how

238
00:11:36,528 --> 00:11:46,009
you doing Joe huh you tell me I think

239
00:11:44,870 --> 00:11:52,909
you all right you're hanging in there

240
00:11:46,009 --> 00:11:57,950
bro we can't say oh if I had a spectrum

241
00:11:52,909 --> 00:11:59,299
analyzer and it was near you'd be like I

242
00:11:57,950 --> 00:12:01,339
would have to like probably get you to

243
00:11:59,299 --> 00:12:03,259
the doctor as soon as you can do guys do

244
00:12:01,339 --> 00:12:07,490
you guys can sit all your points to em

245
00:12:03,259 --> 00:12:09,708
it at UFO Bros TV at gmail.com all of

246
00:12:07,490 --> 00:12:12,350
your hate right there yes please I'll

247
00:12:09,708 --> 00:12:18,769
gladly read it live man right here yeah

248
00:12:12,350 --> 00:12:21,560
yeah dirty man right here we're so this

249
00:12:18,769 --> 00:12:23,929
was new Luis Elizondo that you know was

250
00:12:21,559 --> 00:12:25,969
the former ahead at the DoD's project of

251
00:12:23,929 --> 00:12:27,829
advanced aerial threats program has been

252
00:12:25,970 --> 00:12:30,379
going around and saying unequivocally

253
00:12:27,830 --> 00:12:32,150
basically we're not alone although I

254
00:12:30,379 --> 00:12:34,700
will say he goes back and forth between

255
00:12:32,149 --> 00:12:37,039
we're not alone or we may not be alone

256
00:12:34,700 --> 00:12:42,910
but still it's a pretty big profound

257

00:12:37,039 --> 00:12:47,689
statement from somebody it's ice blocks

258
00:12:42,909 --> 00:12:51,889
if it's a turkey two turkey it's kind of

259
00:12:47,690 --> 00:12:54,950
a turkey but it flies two dozen I found

260
00:12:51,889 --> 00:12:57,500
something but the feet don't match it's

261
00:12:54,950 --> 00:13:00,790
a cookie but it is another right be a

262
00:12:57,500 --> 00:13:04,009
fucking target it's Turkey it's a foul

263
00:13:00,789 --> 00:13:06,799
you guys are fouling bad turkeys a

264
00:13:04,009 --> 00:13:08,809
turkey is chunky get tired of it I'm

265
00:13:06,799 --> 00:13:10,588
going on a rant well here's my thing

266
00:13:08,809 --> 00:13:16,139
it's like on a rant for the

267
00:13:10,589 --> 00:13:16,140
along the lot of the longest time ever

268
00:13:17,730 --> 00:13:22,300
you're finally just fuckin say it well

269
00:13:21,039 --> 00:13:24,009
look who's the thing if they come out

270
00:13:22,299 --> 00:13:25,870
and they acknowledge like all the stuff

271
00:13:24,009 --> 00:13:27,220

that we research like the Roswell stuff

272

00:13:25,870 --> 00:13:29,200

and the crash stuff that we've been

273

00:13:27,220 --> 00:13:33,129

researching hey guess what

274

00:13:29,200 --> 00:13:36,040

I seen it it was great it had big eyes

275

00:13:33,129 --> 00:13:37,299

there's they are here there's a great

276

00:13:36,039 --> 00:13:39,159

alien thank you

277

00:13:37,299 --> 00:13:45,909

that's all you have to say no you can't

278

00:13:39,159 --> 00:13:58,719

do that it's not fear the handicapped

279

00:13:45,909 --> 00:13:59,980

placard when you park books not look the

280

00:13:58,720 --> 00:14:01,629

reason why they're doing it this way is

281

00:13:59,980 --> 00:14:04,300

because if they come out and say oh yes

282

00:14:01,629 --> 00:14:06,070

all that Roswell shit was real and

283

00:14:04,299 --> 00:14:07,929

there's out all you know all these black

284

00:14:06,070 --> 00:14:12,360

projects which were totally legal and

285

00:14:07,929 --> 00:14:14,829

you know under such secrecy and

286
00:14:12,360 --> 00:14:17,759
compartmentalization I mean it's quite

287
00:14:14,830 --> 00:14:19,959
literally against the you know our

288
00:14:17,759 --> 00:14:22,600
Constitution and so therefore if they

289
00:14:19,958 --> 00:14:24,309
come out and admit to things people are

290
00:14:22,600 --> 00:14:27,009
gonna be tried people could be

291
00:14:24,309 --> 00:14:30,849
prosecuted people it could get bad so

292
00:14:27,009 --> 00:14:32,319
why not come out and say yeah we have

293
00:14:30,850 --> 00:14:34,540
this UFO thing they don't say anything

294
00:14:32,320 --> 00:14:36,010
about aliens or who the pilots are or

295
00:14:34,539 --> 00:14:38,708
anything like that it's a good way to

296
00:14:36,009 --> 00:14:40,088
kind of start coming out without getting

297
00:14:38,708 --> 00:14:41,979
anybody into much trouble right now oh

298
00:14:40,089 --> 00:14:44,290
it's only 22 million a drop in the

299
00:14:41,980 --> 00:14:46,750
bucket even Harry Reid himself says hey

300
00:14:44,289 --> 00:14:49,929
why don't we just make one less fighter

301
00:14:46,750 --> 00:15:00,190
jet and fund the program for another X

302
00:14:49,929 --> 00:15:02,708
amount of years oh you're talking about

303
00:15:00,190 --> 00:15:05,709
dr. Greer perfect I'm not I'm not even

304
00:15:02,708 --> 00:15:07,778
talking about big teeth okay dr. big

305
00:15:05,708 --> 00:15:10,689
teeth I don't I'm not talking about him

306
00:15:07,778 --> 00:15:12,338
I'm just saying I've been listening and

307
00:15:10,690 --> 00:15:13,899
watching stuff and there's a supposed to

308
00:15:12,339 --> 00:15:20,650
be a lot of stuff happening in 2008

309
00:15:13,899 --> 00:15:22,778
about evasions okay like he can't be

310
00:15:20,649 --> 00:15:24,039
left out of anything folks he can't be

311
00:15:22,778 --> 00:15:26,439
left out of anything so

312
00:15:24,039 --> 00:15:28,959
it's like oh oh you found it UFO footage

313
00:15:26,440 --> 00:15:30,610
okay well there's an invasion 2080 going

314

00:15:28,960 --> 00:15:32,920
father if you don't know who dr. Greer

315
00:15:30,610 --> 00:15:37,360
is he's basically V you fall just the

316
00:15:32,919 --> 00:15:39,969
father of ufology self-proclaimed we've

317
00:15:37,360 --> 00:15:42,730
chased him down and met him several

318
00:15:39,970 --> 00:15:44,710
times I don't think he's a big fan he

319
00:15:42,730 --> 00:15:46,029
blocked us on Twitter but we still

320
00:15:44,710 --> 00:15:47,980
follow his work even though he's little

321
00:15:46,029 --> 00:15:49,870
woo you know out there but check out

322
00:15:47,980 --> 00:15:51,250
this like clip that he just has put out

323
00:15:49,870 --> 00:15:52,840
on YouTube because he wants everybody

324
00:15:51,250 --> 00:15:55,750
remember he's still around he's still

325
00:15:52,840 --> 00:15:58,180
important so this is the greer UFO

326
00:15:55,750 --> 00:16:00,340
footage and where joe and i are gonna be

327
00:15:58,179 --> 00:16:02,349
quiet for just a little bit so that you

328
00:16:00,340 --> 00:16:04,360

guys can kinda see what's going on and

329

00:16:02,350 --> 00:16:06,779

then we'll hop in with some thoughts so

330

00:16:04,360 --> 00:16:06,779

check it out

331

00:16:16,039 --> 00:16:24,919

[Music]

332

00:16:27,029 --> 00:16:36,749

[Music]

333

00:16:34,559 --> 00:16:38,068

I think that's a water problem I think

334

00:16:36,749 --> 00:16:40,649

someone sneeze and it stuck to the

335

00:16:38,068 --> 00:16:42,059

window well I mean is that other time I

336

00:16:40,649 --> 00:16:46,049

mean everybody sneeze it's gonna be a

337

00:16:42,059 --> 00:16:49,349

droplet I guarantee it's a no that is

338

00:16:46,049 --> 00:16:53,248

that's Jesus you need a little bit of

339

00:16:49,350 --> 00:16:54,659

Jesus Joe while we're watching this

340

00:16:53,249 --> 00:16:56,129

boring-ass footage I'm going to talk to

341

00:16:54,659 --> 00:16:57,149

system actually Joe is going to talk to

342

00:16:56,129 --> 00:16:59,459

some these people on YouTube because

343
00:16:57,149 --> 00:17:01,558
he's already in the chat room so will

344
00:16:59,458 --> 00:17:02,909
you just kind of like read out a name

345
00:17:01,558 --> 00:17:15,269
and a question and we'll like try to

346
00:17:02,909 --> 00:17:21,470
answer it Happy New Year Happy New Year

347
00:17:15,269 --> 00:17:24,240
I want I need a minute with your own

348
00:17:21,470 --> 00:17:27,328
look what I see balls in the sky I have

349
00:17:24,240 --> 00:17:30,599
to watch it blue balls in the sky I'm

350
00:17:27,328 --> 00:17:32,460
telling you balls buddy yes are we ready

351
00:17:30,599 --> 00:17:36,149
for disclosure the third time I love

352
00:17:32,460 --> 00:17:37,288
that yes if anything new comes out I

353
00:17:36,150 --> 00:17:40,259
mean they're supposed to be releasing

354
00:17:37,288 --> 00:17:43,558
some alien material soon based on this

355
00:17:40,259 --> 00:17:45,538
whole plan that DeLong is been taking it

356
00:17:43,558 --> 00:17:46,619
the long ass time to roll out I think

357
00:17:45,538 --> 00:17:47,849
that's gonna be the next thing I think

358
00:17:46,619 --> 00:17:50,189
we're gonna see some materials that

359
00:17:47,849 --> 00:17:52,980
we're like owt you can see something

360
00:17:50,190 --> 00:17:56,090
come on so you guys love watching lights

361
00:17:52,980 --> 00:17:56,089
in the sky and VHS

362
00:17:57,859 --> 00:18:03,029
[Music]

363
00:18:06,759 --> 00:18:09,990
[Music]

364
00:18:10,240 --> 00:18:22,730
and once upon a time there was a fairy

365
00:18:13,609 --> 00:18:25,849
godmother you have syphilis

366
00:18:22,730 --> 00:18:28,460
super glue face I was too busy narrating

367
00:18:25,849 --> 00:18:30,559
this story look at this one that what do

368
00:18:28,460 --> 00:18:32,269
you think of it me what this one makes

369
00:18:30,559 --> 00:18:38,599
my butt pucker what do you think about

370
00:18:32,269 --> 00:18:39,759
this Joe can be drawn no it's not look

371

00:18:38,599 --> 00:18:43,159
at the year

372
00:18:39,759 --> 00:18:44,329
well they Jones in 2008 but really not

373
00:18:43,160 --> 00:18:46,910
like that that would have to be like a

374
00:18:44,329 --> 00:18:49,909
one yea big that is how big do you think

375
00:18:46,910 --> 00:18:51,650
it is check this one out

376
00:18:49,910 --> 00:18:53,779
this is one where they think it's the

377
00:18:51,650 --> 00:18:55,460
Star Wars system see that you see you

378
00:18:53,779 --> 00:18:58,129
see the UFOs shoot off and then a rocket

379
00:18:55,460 --> 00:19:00,500
goes right by it they see and then look

380
00:18:58,130 --> 00:19:02,110
more lights I hope that I'm so tired of

381
00:19:00,500 --> 00:19:04,400
looking at fucking lights in the sky

382
00:19:02,109 --> 00:19:06,109
that looks like a mushroom that looks

383
00:19:04,400 --> 00:19:21,310
like when you power up on Super Mario

384
00:19:06,109 --> 00:19:21,309
Brothers always fun Phoenix AZ

385
00:19:21,380 --> 00:19:31,460

there's lights I think oh it is but this

386

00:19:29,150 --> 00:19:32,720

might be the flares because I know what

387

00:19:31,460 --> 00:19:36,470

from what I've understood during the

388

00:19:32,720 --> 00:19:40,579

Phoenix lights case or happening there

389

00:19:36,470 --> 00:19:44,960

was supposedly like unidentified huge

390

00:19:40,579 --> 00:19:46,849

like oh this this is really cool this is

391

00:19:44,960 --> 00:19:50,029

supposed to be leaked area 51 footage

392

00:19:46,849 --> 00:19:56,319

but this is supposedly how they move in

393

00:19:50,029 --> 00:19:56,319

maneuver look at this no inertia Oh

394

00:20:01,480 --> 00:20:11,269

glorious clouds end it here but as you

395

00:20:08,058 --> 00:20:12,859

can see nonetheless it's definitely some

396

00:20:11,269 --> 00:20:15,079

interesting footage and Greer wants to

397

00:20:12,859 --> 00:20:17,479

stay in the loop rightfully so I wish he

398

00:20:15,079 --> 00:20:19,399

would stop contacting extraterrestrial

399

00:20:17,480 --> 00:20:21,589

civilizations and maybe we'll focus on

400
00:20:19,400 --> 00:20:26,298
getting info out there but we can only

401
00:20:21,589 --> 00:20:27,980
hope we can only hope by the way we're

402
00:20:26,298 --> 00:20:29,418
gonna do a little fun is here we let's

403
00:20:27,980 --> 00:20:33,759
call it our close-up cam have you guys

404
00:20:29,419 --> 00:20:33,759
seen it if you have it you're right

405
00:20:38,890 --> 00:20:48,409
you're supposed to be on the closet

406
00:20:40,819 --> 00:20:52,129
camera probably good thing happy new

407
00:20:48,409 --> 00:20:55,880
year happy school year 2018 by the way

408
00:20:52,130 --> 00:20:58,070
subscribe I know where ancient subscribe

409
00:20:55,880 --> 00:20:59,990
if you're ancient to subscribe like

410
00:20:58,069 --> 00:21:06,019
comment follow us on Instagram Joe what

411
00:20:59,990 --> 00:21:09,490
do they find us on Twitter UF 0 Bros TV

412
00:21:06,019 --> 00:21:11,269
on Twitter Instagram at UF o Bros TV

413
00:21:09,490 --> 00:21:15,470
facebook-dot-com forward-slash UFO

414
00:21:11,269 --> 00:21:16,908
broski everything but twitter yes and if

415
00:21:15,470 --> 00:21:20,298
you support us and you like what we do

416
00:21:16,909 --> 00:21:22,070
you can always support us on patreon at

417
00:21:20,298 --> 00:21:23,690
five dollars a month and we're going to

418
00:21:22,069 --> 00:21:25,250
be posting some exclusive videos soon

419
00:21:23,690 --> 00:21:26,330
and there's some on there already so if

420
00:21:25,250 --> 00:21:28,210
you want to see some behind the scenes

421
00:21:26,329 --> 00:21:30,949
stuff makes you check it out

422
00:21:28,210 --> 00:21:32,840
patreon.com/scishow fo Bros TV five

423
00:21:30,950 --> 00:21:36,200
dollars a month gives you special access

424
00:21:32,839 --> 00:21:39,740
fun stuff and it also helps us continue

425
00:21:36,200 --> 00:21:41,929
our investigation is there you go we got

426
00:21:39,740 --> 00:21:43,870
some more questions so we're going into

427
00:21:41,929 --> 00:21:46,909
the chat room guys so we got our friend

428

00:21:43,869 --> 00:21:49,069
Jose saying what do you guys think about

429
00:21:46,909 --> 00:21:50,179
mr. leer saying there is over one and a

430
00:21:49,069 --> 00:21:52,119
half million people living on the moon

431
00:21:50,179 --> 00:21:56,419
that's crazy

432
00:21:52,119 --> 00:22:01,219
allez it's that sounds like some Mormon

433
00:21:56,419 --> 00:22:03,799
shit to me because there was if you if

434
00:22:01,220 --> 00:22:05,480
you studied the Mormon religion and

435
00:22:03,798 --> 00:22:07,308
mythos there was somebody who took over

436
00:22:05,480 --> 00:22:11,288
after Joseph Smith named Brigham Young

437
00:22:07,308 --> 00:22:14,240
Brigham Young Brigham Young said that

438
00:22:11,288 --> 00:22:18,319
there were people living on the moon

439
00:22:14,240 --> 00:22:20,690
people living in the Sun people living

440
00:22:18,319 --> 00:22:23,329
in all kinds of crazy places other

441
00:22:20,690 --> 00:22:26,630
planets and that sort of thing so that

442
00:22:23,329 --> 00:22:27,798

sounds to me kind of like some Mormon

443

00:22:26,630 --> 00:22:29,990

stuff maybe that's where I got it I

444

00:22:27,798 --> 00:22:33,859

don't know people don't live in the Sun

445

00:22:29,990 --> 00:22:36,019

I'm fairly sure um no absolutely not no

446

00:22:33,859 --> 00:22:39,678

not quite ready to go there you know I'm

447

00:22:36,019 --> 00:22:42,528

saying people imagine getting up within

448

00:22:39,679 --> 00:22:44,899

a mile of that thing yeah let's show the

449

00:22:42,528 --> 00:22:48,648

Green Lantern well Oh while you'd be

450

00:22:44,898 --> 00:22:51,528

disintegrated 10 miles what 30 really

451

00:22:48,648 --> 00:22:53,569

think that there are people living on

452

00:22:51,528 --> 00:22:55,940

them on Mars or there's like secret

453

00:22:53,569 --> 00:22:56,689

space missions that take like so I would

454

00:22:55,940 --> 00:23:00,740

take the moon

455

00:22:56,690 --> 00:23:01,759

he said the moon there's a half no no I

456

00:23:00,740 --> 00:23:03,288

don't believe there's millions of people

457
00:23:01,759 --> 00:23:05,028
on the moon I do believe there might be

458
00:23:03,288 --> 00:23:07,579
like an outpost or some sort of thing

459
00:23:05,028 --> 00:23:09,500
maybe on the moon potentially I don't

460
00:23:07,579 --> 00:23:14,000
know that it's not all recently I think

461
00:23:09,500 --> 00:23:16,519
what what Trump should do is have

462
00:23:14,000 --> 00:23:19,308
another mission go to the moon so that

463
00:23:16,519 --> 00:23:21,319
we can investigate it further what else

464
00:23:19,308 --> 00:23:26,509
is on that we only want what within what

465
00:23:21,319 --> 00:23:28,369
maybe a hundred feet or no maybe half an

466
00:23:26,509 --> 00:23:30,679
acre going around just walking around

467
00:23:28,369 --> 00:23:32,808
going back yeah like no we didn't really

468
00:23:30,679 --> 00:23:36,350
explore much territory as a matter of

469
00:23:32,808 --> 00:23:38,450
fact that the Mars rovers have explored

470
00:23:36,349 --> 00:23:39,669
more of Mars than we did with the moon

471
00:23:38,450 --> 00:23:43,090
by far Oh

472
00:23:39,670 --> 00:23:44,259
yeah and we gotta get to the moon guys

473
00:23:43,089 --> 00:23:46,569
we got to check it out there's something

474
00:23:44,259 --> 00:23:48,099
on that's fishy I just I just I just

475
00:23:46,569 --> 00:23:50,679
gotta point this out okay look if you're

476
00:23:48,099 --> 00:23:53,459
gonna send billion-dollar Rovers to Mars

477
00:23:50,680 --> 00:23:55,840
this is the SEC side tangent okay and

478
00:23:53,460 --> 00:23:59,769
you know that they're gonna be powered

479
00:23:55,839 --> 00:24:02,559
solely by solar power cells and you know

480
00:23:59,769 --> 00:24:06,220
that Martian dust is going to get on the

481
00:24:02,559 --> 00:24:08,649
power cells and you're building all that

482
00:24:06,220 --> 00:24:10,839
shit just some damn brushes on it or

483
00:24:08,650 --> 00:24:15,310
that puffs is like way to puff some air

484
00:24:10,839 --> 00:24:17,369
on it's a brush squeegee something how

485

00:24:15,309 --> 00:24:19,869
cool do you think that's ridiculous

486
00:24:17,369 --> 00:24:21,969
what's that it just drove me crazy

487
00:24:19,869 --> 00:24:23,859
during it was like spirit and Challenger

488
00:24:21,970 --> 00:24:26,710
and they were on opposite sides of Mars

489
00:24:23,859 --> 00:24:28,389
and they were you know there was a point

490
00:24:26,710 --> 00:24:30,100
in time these by the way the rover so he

491
00:24:28,390 --> 00:24:31,450
sent to Mars they were only supposed to

492
00:24:30,099 --> 00:24:33,879
last for like a few months but they've

493
00:24:31,450 --> 00:24:35,710
lasted over a decade but they were

494
00:24:33,880 --> 00:24:37,090
worried about losing power because the

495
00:24:35,710 --> 00:24:39,400
solar panels were being covered with

496
00:24:37,089 --> 00:24:40,689
Martian dust okay and I was just like

497
00:24:39,400 --> 00:24:42,420
pulling my hair out like why is that a

498
00:24:40,690 --> 00:24:45,370
problem

499
00:24:42,420 --> 00:24:46,750

yeah you just like incredibly sent these

500

00:24:45,369 --> 00:24:48,779

things to like a freaking different

501

00:24:46,750 --> 00:24:53,230

planet and you can't have some brushes I

502

00:24:48,779 --> 00:24:55,960

don't know as Joe would say that sounds

503

00:24:53,230 --> 00:24:58,990

like some bullshit to me bullshit hello

504

00:24:55,960 --> 00:25:01,660

yes absolutely so that's kind of like

505

00:24:58,990 --> 00:25:05,289

you know our awesome fun new year shot

506

00:25:01,660 --> 00:25:09,460

come here come New Year's oh thank you

507

00:25:05,289 --> 00:25:15,369

Merry Christmas Happy New Year and Happy

508

00:25:09,460 --> 00:25:19,059

Hanukkah Kwanzaa keep it kosher all that

509

00:25:15,369 --> 00:25:20,619

good stuff I'm a Brooklyn Rama don't put

510

00:25:19,059 --> 00:25:24,039

your foot in your mouth okay

511

00:25:20,619 --> 00:25:26,229

well look you guys make sure you like

512

00:25:24,039 --> 00:25:27,460

subscribe support us on patreon we're

513

00:25:26,230 --> 00:25:28,569

just doing a short show tonight because

514
00:25:27,460 --> 00:25:30,160
we know that everybody's up getting kids

515
00:25:28,569 --> 00:25:32,169
loose so we thought we'd just say hey

516
00:25:30,160 --> 00:25:34,960
and show you some fun stuff thank you

517
00:25:32,170 --> 00:25:39,009
guys so much for subscribing and

518
00:25:34,960 --> 00:25:42,009
following us I'm Emmett and I'm Joe and

519
00:25:39,009 --> 00:25:45,180
we are the UFO Bros we'll see you guys

520
00:25:42,009 --> 00:25:45,180
next time bye guys bye

521
00:25:51,380 --> 00:25:57,500
[Music]

522
00:26:04,710 --> 00:26:10,828
[Music]
