

1
00:00:05,000 --> 00:00:27,618
yeah yeah okay you know Christic if you

2
00:00:26,039 --> 00:00:29,460
guys ever want to know what the gate is

3
00:00:27,618 --> 00:00:38,269
why stop off the gates

4
00:00:29,460 --> 00:00:38,270
hazel let them mark you guys know

5
00:00:41,560 --> 00:00:47,189
[Music]

6
00:01:00,289 --> 00:01:03,368
[Music]

7
00:01:07,319 --> 00:01:11,500
we made it

8
00:01:08,650 --> 00:01:13,150
I found the crash site and the monument

9
00:01:11,500 --> 00:01:16,959
and the crash site member on the

10
00:01:13,150 --> 00:01:20,890
monument found the sci-fi channel said

11
00:01:16,959 --> 00:01:23,559
if it's done it's just just the monument

12
00:01:20,890 --> 00:01:26,560
you just telling over there and what

13
00:01:23,560 --> 00:01:29,289
they found and I mean we literally found

14
00:01:26,560 --> 00:01:30,820
a needle in a haystack ya know if

15
00:01:29,289 --> 00:01:33,489
nowhere and we're hearing and there's

16
00:01:30,819 --> 00:01:35,319
people in the gave them the museum and

17
00:01:33,489 --> 00:01:36,789
the gift shops never see no you can't go

18
00:01:35,319 --> 00:01:38,678
out there they got rid of that stuff

19
00:01:36,789 --> 00:01:40,689
can't go out there the monuments down

20
00:01:38,679 --> 00:01:43,329
because of an earthquake and you can't

21
00:01:40,689 --> 00:01:44,799
go because of the gate and we lock the

22
00:01:43,329 --> 00:01:48,969
gate there's a piece of rope aha just

23
00:01:44,799 --> 00:01:51,810
remember what they tell you at the at

24
00:01:48,969 --> 00:01:55,810
the UFO places in Roswell be like that

25
00:01:51,810 --> 00:01:58,390
your first Center and stuff but just let

26
00:01:55,810 --> 00:02:00,090
you know when you get out here make sure

27
00:01:58,390 --> 00:02:04,450
you have a spare tire

28
00:02:00,090 --> 00:02:07,149
fix-a-flat a tire repair kit if you can

29

00:02:04,450 --> 00:02:10,560
get one and also a air pump through

30
00:02:07,149 --> 00:02:13,340
tires like electric compressor NF Annex

31
00:02:10,560 --> 00:02:15,360
xanax and

32
00:02:13,340 --> 00:02:17,489
because I popped the tire on the way out

33
00:02:15,360 --> 00:02:20,860
here and the right rear housing down

34
00:02:17,489 --> 00:02:23,968
it's really gonna flower any pops it up

35
00:02:20,860 --> 00:02:23,969
[Music]

36
00:02:31,389 --> 00:02:39,609
[Music]

37
00:02:42,460 --> 00:02:45,520
[Music]

38
00:02:58,909 --> 00:03:02,038
[Music]

39
00:03:22,719 --> 00:03:25,770
I was back down
