

1
00:00:03,799 --> 00:00:12,339
[Music]

2
00:00:12,369 --> 00:00:21,588
UFO Bros hey everyone is Giorgio Sukkos

3
00:00:19,939 --> 00:00:26,929
from ancient aliens and you're

4
00:00:21,588 --> 00:00:29,689
experiencing UFO Bros TV USS hey what's

5
00:00:26,928 --> 00:00:32,810
up everybody I'm in it I'm Joe and we

6
00:00:29,689 --> 00:00:35,869
aren't the UF o Bros and we're coming at

7
00:00:32,810 --> 00:00:37,940
you live we're outside the facility Joe

8
00:00:35,869 --> 00:00:41,119
Independence Day as it were as it were

9
00:00:37,939 --> 00:00:44,628
we're enjoying the spectacular hopping

10
00:00:41,119 --> 00:00:48,530
and explosions of lights in the sky yes

11
00:00:44,628 --> 00:00:49,759
yeah the bangs and the bombs and the I

12
00:00:48,530 --> 00:00:50,840
wonder what it looks like you know what

13
00:00:49,759 --> 00:00:54,640
I would really like to know what it

14
00:00:50,840 --> 00:00:57,079
looks like from like from the moon I

15
00:00:54,640 --> 00:00:59,088
don't think you'd see anything from the

16
00:00:57,079 --> 00:01:00,670
moon or at least one of the telescopes

17
00:00:59,088 --> 00:01:03,530
that are I mean that tell us of

18
00:01:00,670 --> 00:01:04,939
satellites orbiting Earth see if we can

19
00:01:03,530 --> 00:01:05,780
here see the pop pop but I think we

20
00:01:04,938 --> 00:01:09,258
should let everybody know we had a

21
00:01:05,780 --> 00:01:10,640
couple beers so you know if we sound a

22
00:01:09,259 --> 00:01:12,140
little crazy it's because you know we're

23
00:01:10,640 --> 00:01:12,530
enjoying ourselves everybody happy 4th

24
00:01:12,140 --> 00:01:16,478
of July

25
00:01:12,530 --> 00:01:20,960
July it's our Independence Day didn't

26
00:01:16,478 --> 00:01:25,489
you celebrate freedom yes yes and a

27
00:01:20,959 --> 00:01:29,478
freedom to get abducted and you're free

28
00:01:25,489 --> 00:01:31,759
to be told lies let's not deal with that

29

00:01:29,478 --> 00:01:37,129
okay well you know the government is

30
00:01:31,759 --> 00:01:43,030
kind of a shithole yeah is this with a

31
00:01:37,129 --> 00:01:46,069
figurehead you know you guys are see

32
00:01:43,030 --> 00:01:52,670
shit going on in news right now stuff

33
00:01:46,069 --> 00:01:57,250
going on what a distraction life that's

34
00:01:52,670 --> 00:01:57,250
pretty good yeah there you go

35
00:01:58,819 --> 00:02:05,658
but in addition to the crazy news just

36
00:02:03,170 --> 00:02:07,250
to lather at all on thick of course it's

37
00:02:05,659 --> 00:02:10,099
the 70th anniversary of the Roswell

38
00:02:07,250 --> 00:02:13,699
crash day is it today

39
00:02:10,098 --> 00:02:21,318
no agile I had no another date

40
00:02:13,699 --> 00:02:23,750
I dunno the date it's it's July I think

41
00:02:21,318 --> 00:02:26,119
once a July 6 I missed it we actually

42
00:02:23,750 --> 00:02:30,189
missed the seventh anniversary no it's

43
00:02:26,120 --> 00:02:30,189

in two days you go on if that's the case

44

00:02:30,818 --> 00:02:38,089

what day did you say Oh Jill I 7:30

45

00:02:34,629 --> 00:02:39,979

yes so Roswell event coming up you know

46

00:02:38,090 --> 00:02:43,759

to be honest with you the exact date is

47

00:02:39,979 --> 00:02:47,899

really the date quote is actually kind

48

00:02:43,759 --> 00:02:51,530

of in question because I've heard

49

00:02:47,900 --> 00:02:53,659

accountings that before July early July

50

00:02:51,530 --> 00:02:55,370

that one of the crashes can one of the

51

00:02:53,659 --> 00:02:57,739

discs came down and for those of you who

52

00:02:55,370 --> 00:03:02,629

are new to the Roswell I guess you could

53

00:02:57,739 --> 00:03:05,450

say subject the most recent I guess

54

00:03:02,629 --> 00:03:08,239

reports or documents point to that there

55

00:03:05,449 --> 00:03:11,780

were actually multiple discs involved in

56

00:03:08,239 --> 00:03:17,390

that incident in Roswell discs that

57

00:03:11,780 --> 00:03:18,318

collided and they were basically flying

58
00:03:17,389 --> 00:03:21,500
I don't know what they were doing in

59
00:03:18,318 --> 00:03:24,500
formation whatnot but the documents

60
00:03:21,500 --> 00:03:26,539
going to read that we use some kind of a

61
00:03:24,500 --> 00:03:28,400
weapon electromagnetic weapon that just

62
00:03:26,539 --> 00:03:31,189
disrupted their flight system and they

63
00:03:28,400 --> 00:03:33,980
crash into each other and the remnants

64
00:03:31,189 --> 00:03:37,639
of those crashes were basically spread

65
00:03:33,979 --> 00:03:41,469
over you know the plains of st. of here

66
00:03:37,639 --> 00:03:46,340
and far yes over the plains of Roswell

67
00:03:41,469 --> 00:03:47,930
so to speak and so that's so really the

68
00:03:46,340 --> 00:03:53,689
basing question some people say it was

69
00:03:47,930 --> 00:03:55,370
on the 6th July 8th I've heard a second

70
00:03:53,689 --> 00:03:58,789
is from somewhere last week it's gonna

71
00:03:55,370 --> 00:04:00,590
be but me this is the week of you know

72
00:03:58,789 --> 00:04:04,009
basically the 70th anniversary of Frost

73
00:04:00,590 --> 00:04:07,159
well yeah fo sho

74
00:04:04,009 --> 00:04:10,608
happy birthday happy birthday to Roswell

75
00:04:07,159 --> 00:04:12,818
you know as I call it I call it Roswell

76
00:04:10,609 --> 00:04:18,629
day everybody else just calls it

77
00:04:12,818 --> 00:04:23,149
Independence Day Jesus yes

78
00:04:18,629 --> 00:04:25,740
yes happy yes why is independence and

79
00:04:23,149 --> 00:04:27,870
UFOs related because they were in a

80
00:04:25,740 --> 00:04:30,569
movie together oh oh yeah

81
00:04:27,870 --> 00:04:39,509
Will Smith this is the day he saved us

82
00:04:30,569 --> 00:04:40,620
we've been saved yes this is the day or

83
00:04:39,509 --> 00:04:50,339
something like that right you got that

84
00:04:40,620 --> 00:04:51,180
you have the speech what do you want

85
00:04:50,339 --> 00:04:53,669
from us

86

00:04:51,180 --> 00:04:56,400
or what does he ask them he says this is

87
00:04:53,670 --> 00:05:03,960
what does he say Oh

88
00:04:56,399 --> 00:05:06,469
can there be peace oh that was good what

89
00:05:03,959 --> 00:05:06,469
do you want from us

90
00:05:09,230 --> 00:05:16,740
the things you can do with your throat

91
00:05:11,670 --> 00:05:18,780
Joe Jesus goodness gracious I don't

92
00:05:16,740 --> 00:05:21,170
think I've ever anybody I've never seen

93
00:05:18,779 --> 00:05:23,579
anybody use her throat the way you do

94
00:05:21,170 --> 00:05:27,509
it's pretty remarkable really really

95
00:05:23,579 --> 00:05:28,949
throaty it's very throaty yeah and you

96
00:05:27,509 --> 00:05:30,230
don't really use a lot of teeth either

97
00:05:28,949 --> 00:05:34,370
it's really good

98
00:05:30,230 --> 00:05:38,189
that's I've hurt it's weird anyway

99
00:05:34,370 --> 00:05:40,290
something's wrong with mm saved me the

100
00:05:38,189 --> 00:05:48,209

address is one one four five Dylan's

101

00:05:40,290 --> 00:05:50,250

Road okay look just can we get back to

102

00:05:48,209 --> 00:05:52,349

Roswell for a second we need to go and

103

00:05:50,250 --> 00:05:54,720

we were supposed to we do need to go

104

00:05:52,350 --> 00:05:57,270

back but listen it's this is important

105

00:05:54,720 --> 00:06:00,420

okay I was expecting some huge

106

00:05:57,269 --> 00:06:02,490

revelation with I was expecting closure

107

00:06:00,420 --> 00:06:04,439

of all the moments proportions for

108

00:06:02,490 --> 00:06:08,100

fuck's sake they still say it's an a

109

00:06:04,439 --> 00:06:09,689

weather balloon it's just completely not

110

00:06:08,100 --> 00:06:12,540

even possible

111

00:06:09,689 --> 00:06:15,019

why would Allah almost set a leather

112

00:06:12,540 --> 00:06:18,060

balloon why would it oh sorry don't mind

113

00:06:15,019 --> 00:06:20,009

the assholes driving by sorry about that

114

00:06:18,060 --> 00:06:25,478

like we said we're outside we're having

115
00:06:20,009 --> 00:06:33,009
a good time having a few drinks

116
00:06:25,478 --> 00:06:39,399
yeah maybe burrito but now that begs the

117
00:06:33,009 --> 00:06:44,710
question why Roswell why not the

118
00:06:39,399 --> 00:06:48,038
mountains in the Himalayas well because

119
00:06:44,709 --> 00:06:49,930
there was a lot of nuclear testing going

120
00:06:48,038 --> 00:06:52,240
on there that's worthy that's right they

121
00:06:49,930 --> 00:06:59,129
haven't come around nuclear sites there

122
00:06:52,240 --> 00:07:01,449
was sites at Fukushima Fukushima that

123
00:06:59,129 --> 00:07:04,718
they shut it in the clouds just sitting

124
00:07:01,449 --> 00:07:06,249
by the clouds like ain't going off bitch

125
00:07:04,718 --> 00:07:07,569
and every time what we shot a nuclear

126
00:07:06,249 --> 00:07:09,789
rocket in the atmosphere would explode

127
00:07:07,569 --> 00:07:11,439
or something before no it wouldn't

128
00:07:09,788 --> 00:07:15,878
detonate what it was that's what you

129
00:07:11,439 --> 00:07:19,240
heard from career right yeah yeah no

130
00:07:15,879 --> 00:07:20,740
wasn't one of his we are totally drunk

131
00:07:19,240 --> 00:07:23,588
talking right now we got to go back to

132
00:07:20,740 --> 00:07:28,509
uh anyway this is where the five-o ninth

133
00:07:23,588 --> 00:07:32,408
Operations Group was and this was a big

134
00:07:28,509 --> 00:07:34,360
deal because this is where the the

135
00:07:32,408 --> 00:07:38,889
atomic bomb testing happens so that

136
00:07:34,360 --> 00:07:40,889
would seem to be the Theia lend to the

137
00:07:38,889 --> 00:07:44,649
theory that they tend to be around

138
00:07:40,889 --> 00:07:46,478
nuclear they haven't bases silos whatnot

139
00:07:44,649 --> 00:07:48,999
of course I mean that's where a majority

140
00:07:46,478 --> 00:07:51,908
of probably some of the most amazing and

141
00:07:48,999 --> 00:07:55,110
miraculous sightings of the phenomenon

142
00:07:51,908 --> 00:07:59,498
has happened they're very interested in

143

00:07:55,110 --> 00:08:00,939
our nuclear capabilities they know just

144
00:07:59,499 --> 00:08:06,930
where the universe itself

145
00:08:00,939 --> 00:08:11,349
oh yes start another big bang bang bang

146
00:08:06,930 --> 00:08:13,709
you know what North Korea they're doing

147
00:08:11,348 --> 00:08:13,709
it again

148
00:08:14,168 --> 00:08:18,418
I want to fake seen any UFO sightings I

149
00:08:18,449 --> 00:08:26,560
hope nothing goes in and nothing comes

150
00:08:21,158 --> 00:08:30,519
out dim song Tom what's his name um ode

151
00:08:26,560 --> 00:08:33,219
Kang Jung Jin Kim Jung hoon Kim Jung

152
00:08:30,519 --> 00:08:34,689
hoon I think he's been probed once or

153
00:08:33,219 --> 00:08:38,260
twice that's gonna come out that's why

154
00:08:34,690 --> 00:08:42,039
he's hairs like it is I hope we don't

155
00:08:38,259 --> 00:08:43,418
get like a Jap I like I hope that North

156
00:08:42,038 --> 00:08:45,519
Korean officials don't hear this and

157
00:08:43,418 --> 00:08:47,259

then decide to like take us out no

158

00:08:45,519 --> 00:08:54,310

bending for a good show I just hope

159

00:08:47,259 --> 00:08:57,250

they're rolling yeah you're gonna hear

160

00:08:54,309 --> 00:08:59,528

that in the background classes around

161

00:08:57,250 --> 00:09:04,049

here that's a \$10,000 fine and you could

162

00:08:59,528 --> 00:09:04,049

go to jail that's what we've heard yes

163

00:09:04,379 --> 00:09:13,958

so we are in the land of Ely I'm sorry I

164

00:09:10,870 --> 00:09:17,789

don't buy fireworks anymore no it's the

165

00:09:13,958 --> 00:09:17,789

same shit packaged in different boxes

166

00:09:21,389 --> 00:09:32,078

same to me I don't know the same

167

00:09:23,708 --> 00:09:33,819

sparklies so hey just I want to go back

168

00:09:32,078 --> 00:09:35,198

to this cuz I was saying that you know I

169

00:09:33,820 --> 00:09:36,640

and I know you were kind of expecting

170

00:09:35,198 --> 00:09:39,039

some kind of announcement but nothing

171

00:09:36,639 --> 00:09:44,289

really everybody it's paid off I will

172
00:09:39,039 --> 00:09:46,088
give you that it would be okay okay

173
00:09:44,289 --> 00:09:48,219
there was a there was a theory leading

174
00:09:46,089 --> 00:09:50,560
towards that maybe it was German

175
00:09:48,220 --> 00:09:55,028
technology that was captured or came

176
00:09:50,559 --> 00:09:57,518
down there are there are theories that

177
00:09:55,028 --> 00:09:58,990
lead that way and you know doing series

178
00:09:57,519 --> 00:10:02,740
absent why the Volkswagen was shaped

179
00:09:58,990 --> 00:10:03,310
like a UFO that is the type of thinking

180
00:10:02,740 --> 00:10:06,379
that I don't

181
00:10:03,309 --> 00:10:06,379
[Music]

182
00:10:13,200 --> 00:10:21,100
you okay hold on if we agreed because

183
00:10:18,759 --> 00:10:24,100
you do this all the time we agree Joe

184
00:10:21,100 --> 00:10:27,370
that if I like have a good you know

185
00:10:24,100 --> 00:10:29,800
topic and you know the flow is going and

186
00:10:27,370 --> 00:10:31,240
the information is coming that you

187
00:10:29,799 --> 00:10:32,709
weren't gonna interrupt I didn't

188
00:10:31,240 --> 00:10:36,610
interrupt I just said you were talking

189
00:10:32,710 --> 00:10:39,210
about so far you said Shh huh and then

190
00:10:36,610 --> 00:10:45,070
you farted or burped or whatever it was

191
00:10:39,210 --> 00:10:47,110
so yeah anyway let me ask you this well

192
00:10:45,070 --> 00:10:53,770
what do you think came down in Roswell

193
00:10:47,110 --> 00:10:56,889
Joe here you talk I don't know no I

194
00:10:53,769 --> 00:10:58,980
don't know I I don't know but that piece

195
00:10:56,889 --> 00:11:02,409
of filament he had or that piece of

196
00:10:58,980 --> 00:11:05,970
aluminum whatever it was shaped like a

197
00:11:02,409 --> 00:11:07,569
space blanket Mylar blanket about the

198
00:11:05,970 --> 00:11:10,570
roswell foil

199
00:11:07,570 --> 00:11:13,590
yeah the foilage I don't that could be

200

00:11:10,570 --> 00:11:16,629
part of a UFO is it still alive today

201
00:11:13,590 --> 00:11:18,970
Alliance is it still go back to its

202
00:11:16,629 --> 00:11:20,769
original form that's a good you know

203
00:11:18,970 --> 00:11:22,450
what - let's say does that still keep

204
00:11:20,769 --> 00:11:24,610
doing that does it still keep shaping

205
00:11:22,450 --> 00:11:27,790
back to original let's talk about that

206
00:11:24,610 --> 00:11:30,519
because an expiration date this is a

207
00:11:27,789 --> 00:11:32,829
perfectly cold until mistake god this is

208
00:11:30,519 --> 00:11:38,740
the perfect time to segue into the fact

209
00:11:32,830 --> 00:11:42,310
that on in two weeks on the probe cast

210
00:11:38,740 --> 00:11:46,090
on the 18th of July we're having dr.

211
00:11:42,309 --> 00:11:48,069
Jerry crop on the show who is the 18th

212
00:11:46,090 --> 00:11:51,550
is the same day that Reebok is releasing

213
00:11:48,070 --> 00:11:57,129
their alien stopper shoes from alien

214
00:11:51,549 --> 00:12:00,519

movie that is a quick thing yeah thank

215

00:11:57,129 --> 00:12:07,439

you for that \$349 retail for the SETI

216

00:12:00,519 --> 00:12:09,210

attune thank you yes send us a check

217

00:12:07,440 --> 00:12:11,980

yeah

218

00:12:09,210 --> 00:12:14,620

we have tens and tens of people that are

219

00:12:11,980 --> 00:12:17,830

gonna know tens of ones of eight and

220

00:12:14,620 --> 00:12:20,649

some puns apiece they come and they go

221

00:12:17,830 --> 00:12:21,940

anyway what now this is what's

222

00:12:20,649 --> 00:12:23,409

interesting I'm gonna tell this story I

223

00:12:21,940 --> 00:12:26,200

kind of told it Howard

224

00:12:23,409 --> 00:12:27,639

but tell me does it until this day still

225

00:12:26,200 --> 00:12:29,350

goes back to original form won't you

226

00:12:27,639 --> 00:12:30,939

crumply I don't know but if you let me

227

00:12:29,350 --> 00:12:32,500

tell you this story it'll help well I

228

00:12:30,940 --> 00:12:34,380

want some damn answers I'm gonna try

229
00:12:32,500 --> 00:12:37,059
that's why he's coming on the show

230
00:12:34,379 --> 00:12:38,799
specifically does he how about the foil

231
00:12:37,059 --> 00:12:42,419
and let me tell you if you shut up and

232
00:12:38,799 --> 00:12:42,419
let me tell you he has him in his pocket

233
00:12:48,690 --> 00:12:58,030
he and I ran into each other on a form

234
00:12:54,429 --> 00:12:59,169
somewhere it was like oh is that that

235
00:12:58,029 --> 00:13:00,639
one time you were going on about the

236
00:12:59,169 --> 00:13:02,919
mylar and trying to figure out what it

237
00:13:00,639 --> 00:13:05,379
was yes that that oh that time when I

238
00:13:02,919 --> 00:13:06,610
was like crazy obsessed with it and I

239
00:13:05,379 --> 00:13:10,240
was like it could be this look at this

240
00:13:06,610 --> 00:13:14,980
video did it did it did and so annoying

241
00:13:10,240 --> 00:13:17,200
it will yeah you know what is annoying

242
00:13:14,980 --> 00:13:20,560
what what annoys me is I want to know

243
00:13:17,200 --> 00:13:23,710
what it is and so this gentleman dr.

244
00:13:20,559 --> 00:13:25,349
Jerry crop I think is even more insane

245
00:13:23,710 --> 00:13:28,990
about it and let me tell you why okay

246
00:13:25,350 --> 00:13:34,060
this is his story that in the 60s he was

247
00:13:28,990 --> 00:13:38,019
teaching elementary school and one of

248
00:13:34,059 --> 00:13:41,529
his students came up to him and said you

249
00:13:38,019 --> 00:13:45,429
know hey mr. cross look at this and what

250
00:13:41,529 --> 00:13:48,579
she handed him was a kind of like a long

251
00:13:45,429 --> 00:13:51,219
looking piece of foil so like I don't

252
00:13:48,580 --> 00:13:55,090
remember the exact dimensions but I you

253
00:13:51,220 --> 00:13:56,710
know a good size and he said he looked

254
00:13:55,090 --> 00:13:59,320
at it and handed it back to her and said

255
00:13:56,710 --> 00:14:01,450
oh that's very cool and then she said

256
00:13:59,320 --> 00:14:05,740
crinkle it up roll it up into a ball on

257

00:14:01,450 --> 00:14:07,090
your hand and so he did and when he

258
00:14:05,740 --> 00:14:09,070
opened his hand it went right back to

259
00:14:07,090 --> 00:14:11,379
where it was no creases no wrinkles

260
00:14:09,070 --> 00:14:12,760
nothing just instantaneously is it like

261
00:14:11,379 --> 00:14:15,240
the same kind of bullets inside

262
00:14:12,759 --> 00:14:15,240
Rockridge

263
00:14:18,929 --> 00:14:22,359
listen this is interesting ya know

264
00:14:21,039 --> 00:14:25,240
remember remember of the chocolate

265
00:14:22,360 --> 00:14:27,279
holder listen nobody's been good

266
00:14:25,240 --> 00:14:30,190
look what I'm telling you is this is a

267
00:14:27,279 --> 00:14:33,579
big deal and people don't know this guy

268
00:14:30,190 --> 00:14:36,280
has claimed a handle something like the

269
00:14:33,580 --> 00:14:37,720
Roswell foil makes explain this story

270
00:14:36,279 --> 00:14:42,279
without interrupting you interrupting us

271
00:14:37,720 --> 00:14:43,540

me this is just me over anyway another

272

00:14:42,279 --> 00:14:46,629

beer please

273

00:14:43,539 --> 00:14:51,279

so he crinkled it up and it opened right

274

00:14:46,629 --> 00:14:54,429

back up and he said interesting and she

275

00:14:51,279 --> 00:14:57,909

said now cut it he said he took a pair

276

00:14:54,429 --> 00:14:59,559

of scissors tried to cut it and it

277

00:14:57,909 --> 00:15:02,319

didn't do anything what it basically did

278

00:14:59,559 --> 00:15:04,029

was just slid between the blades so he

279

00:15:02,320 --> 00:15:05,800

tried few pairs of scissors he couldn't

280

00:15:04,029 --> 00:15:09,220

cut it then he said he took like a

281

00:15:05,799 --> 00:15:11,620

ballpoint pen he was trying to nothing

282

00:15:09,220 --> 00:15:14,379

he said it would dent for a second but

283

00:15:11,620 --> 00:15:17,610

then it would go right back liquid like

284

00:15:14,379 --> 00:15:20,950

a liquid sheet he said it was like

285

00:15:17,610 --> 00:15:22,990

slight it was like a cloth metallic

286
00:15:20,950 --> 00:15:26,950
rubber some kind of something like that

287
00:15:22,990 --> 00:15:29,860
and what did they come close to creating

288
00:15:26,950 --> 00:15:33,370
it's like that can we can I finish the

289
00:15:29,860 --> 00:15:36,220
story can we talk about that after just

290
00:15:33,370 --> 00:15:39,250
pay attention Joe for a second okay I'm

291
00:15:36,220 --> 00:15:42,639
attention to so he didn't think anything

292
00:15:39,250 --> 00:15:46,990
of it at the time until he read the day

293
00:15:42,639 --> 00:15:51,759
after Roswell by lieutenant Phillip Jake

294
00:15:46,990 --> 00:15:55,080
course I believe yes who wrote the book

295
00:15:51,759 --> 00:15:57,460
day after Roswell who talked about

296
00:15:55,080 --> 00:16:00,220
disbursing different alien technologies

297
00:15:57,460 --> 00:16:03,220
and he talked about the foil in that

298
00:16:00,220 --> 00:16:04,899
book which was essentially the same

299
00:16:03,220 --> 00:16:07,389
characteristics of all eyewitness

300
00:16:04,899 --> 00:16:09,669
testimonies which was it was a very thin

301
00:16:07,389 --> 00:16:11,710
foil you know you could roll it up into

302
00:16:09,669 --> 00:16:13,899
a ball it would spring right back open

303
00:16:11,710 --> 00:16:17,170
to its original shape no lines no

304
00:16:13,899 --> 00:16:20,350
creases no way to tear it no way to cut

305
00:16:17,169 --> 00:16:21,849
it no way to burn it and so it wasn't

306
00:16:20,350 --> 00:16:23,920
until then that book came out that he

307
00:16:21,850 --> 00:16:25,659
went well that sounds like something

308
00:16:23,919 --> 00:16:27,338
that I you know I'm sure he'll tell this

309
00:16:25,659 --> 00:16:28,730
story but this is what got me interested

310
00:16:27,339 --> 00:16:33,470
thinking

311
00:16:28,730 --> 00:16:35,990
I can't find any recent that's probably

312
00:16:33,470 --> 00:16:37,850
the most recent even notes in the

313
00:16:35,990 --> 00:16:41,389
sixties think about that eyewitness

314

00:16:37,850 --> 00:16:44,839
testimonial of a foil with the same

315
00:16:41,389 --> 00:16:48,079
characteristics as the Roswell foil

316
00:16:44,839 --> 00:16:49,339
doesn't mean that it is but he seems to

317
00:16:48,078 --> 00:16:51,919
believe that it is and that's why he's

318
00:16:49,339 --> 00:16:56,779
coming on the show joke because he has

319
00:16:51,919 --> 00:16:59,838
looked at everything I'm telling you top

320
00:16:56,778 --> 00:17:01,759
to bottom inside now yep I was he has

321
00:16:59,839 --> 00:17:05,259
Scott you'll he'll tell you the story

322
00:17:01,759 --> 00:17:09,828
but he's talked to hundreds of people

323
00:17:05,259 --> 00:17:12,919
trying to narrow down what on earth it

324
00:17:09,828 --> 00:17:14,149
could have been if it if there is any

325
00:17:12,919 --> 00:17:17,900
materials with that sort of

326
00:17:14,150 --> 00:17:22,699
characteristic now let alone back in the

327
00:17:17,900 --> 00:17:24,679
sixties you know so I think that's what

328
00:17:22,699 --> 00:17:26,029

led him to the forum and then I followed

329

00:17:24,679 --> 00:17:28,970

into there because I think I was going

330

00:17:26,029 --> 00:17:30,190

down the Mylar path and yeah which you

331

00:17:28,970 --> 00:17:32,210

talked about is like a space blanket

332

00:17:30,190 --> 00:17:34,370

exactly she's gonna shit they put in

333

00:17:32,210 --> 00:17:36,289

between the space shuttle walls yeah

334

00:17:34,369 --> 00:17:38,719

it's like just but the thing about mylar

335

00:17:36,289 --> 00:17:43,190

is it you know as all of you know is it

336

00:17:38,720 --> 00:17:46,429

creases you know folds it doesn't ever

337

00:17:43,190 --> 00:17:48,080

come back to its original form yeah so

338

00:17:46,429 --> 00:17:50,480

that was kind of what he's been doing

339

00:17:48,079 --> 00:17:53,178

process it you know deduction going

340

00:17:50,480 --> 00:17:54,860

that's got you know trying to narrow out

341

00:17:53,179 --> 00:17:58,009

what it can't be based on the

342

00:17:54,859 --> 00:17:58,879

characteristics he witnessed so that's

343
00:17:58,009 --> 00:18:01,849
gonna be interesting don't you think

344
00:17:58,880 --> 00:18:03,140
very I think you guys are gonna really

345
00:18:01,849 --> 00:18:05,869
enjoy that one so make sure you put that

346
00:18:03,140 --> 00:18:10,850
on the calendar it's July 18 July 18th

347
00:18:05,869 --> 00:18:16,339
oh please tune in Oh Karma's in the

348
00:18:10,849 --> 00:18:18,439
chatroom oh my goodness Carla hello she

349
00:18:16,339 --> 00:18:21,980
has a good question if the metallic

350
00:18:18,440 --> 00:18:26,000
stuff couldn't be cut or dented how was

351
00:18:21,980 --> 00:18:29,750
it in pieces I think what could possibly

352
00:18:26,000 --> 00:18:31,640
happen is if this is just I don't really

353
00:18:29,750 --> 00:18:35,150
know like I don't know the answers this

354
00:18:31,640 --> 00:18:38,929
is me thinking is you could probably

355
00:18:35,150 --> 00:18:42,600
take something like that and you know

356
00:18:38,929 --> 00:18:45,869
have it cover a disc as an example to

357
00:18:42,599 --> 00:18:48,509
you know guard against whatever's out in

358
00:18:45,868 --> 00:18:51,778
the atmosphere you know pieces of things

359
00:18:48,509 --> 00:18:54,240
or whatever but I think if there's an

360
00:18:51,778 --> 00:18:57,148
explosion from within don't you think it

361
00:18:54,240 --> 00:18:57,480
would force it to come apart Joe or do

362
00:18:57,148 --> 00:18:58,798
you

363
00:18:57,480 --> 00:19:01,980
you know what I mean like I don't know

364
00:18:58,798 --> 00:19:04,319
as opposed to a blunt force it's it's an

365
00:19:01,980 --> 00:19:06,269
explosion I would think that would that

366
00:19:04,319 --> 00:19:08,759
is so great that it would rip it open

367
00:19:06,269 --> 00:19:10,740
I would assume Carla that's the only

368
00:19:08,759 --> 00:19:11,819
thing I can think of because I really do

369
00:19:10,740 --> 00:19:13,888
believe that's a relevant question

370
00:19:11,819 --> 00:19:17,339
that's that's kind of the stuff I was

371

00:19:13,888 --> 00:19:22,199
kind of like yeah now Carla here's a

372
00:19:17,339 --> 00:19:27,178
weird thing and we'll have to check dr.

373
00:19:22,200 --> 00:19:30,690
Krauss has I believe he said it was

374
00:19:27,179 --> 00:19:33,389
actually in a in like a go a cut piece

375
00:19:30,690 --> 00:19:36,360
like a fabricated piece so it wasn't

376
00:19:33,388 --> 00:19:38,898
like it wasn't like a piece of a

377
00:19:36,359 --> 00:19:44,099
spaceship I don't believe it was a metal

378
00:19:38,898 --> 00:19:46,528
that he handled so I he never claimed to

379
00:19:44,099 --> 00:19:48,240
you know have the actual Roswell foil or

380
00:19:46,528 --> 00:19:50,460
piece of the debris and I know that's

381
00:19:48,240 --> 00:19:51,868
not we were saying Carla but he never

382
00:19:50,460 --> 00:19:54,600
had those claims he's just saying this

383
00:19:51,868 --> 00:19:56,490
material just the material that was

384
00:19:54,599 --> 00:19:57,658
holding up in the in the picture was

385
00:19:56,490 --> 00:20:02,038

look like it was ripped

386

00:19:57,659 --> 00:20:05,249

oh yeah the the photos by the way Joe I

387

00:20:02,038 --> 00:20:10,490

didn't get to tell you this I managed to

388

00:20:05,249 --> 00:20:14,569

get my hands on the original scans

389

00:20:10,490 --> 00:20:22,019

high-resolution scans of the Marcel

390

00:20:14,569 --> 00:20:25,788

Ramsey pictures where yes yes Jesse

391

00:20:22,019 --> 00:20:25,788

Ramsey I think I meant ringing sorry

392

00:20:28,788 --> 00:20:36,658

yeah the Ramey memo as its otherwise

393

00:20:32,538 --> 00:20:40,470

Ramsey Ramsey forgive me yeah the Ramey

394

00:20:36,659 --> 00:20:42,028

memo by the way that's making rounds

395

00:20:40,470 --> 00:20:44,610

right now as ooh

396

00:20:42,028 --> 00:20:47,308

this is a big revelation using today's

397

00:20:44,609 --> 00:20:50,519

technology we can zoom in and see what's

398

00:20:47,308 --> 00:20:52,240

on the note that's bet done back in the

399

00:20:50,519 --> 00:20:54,950

90s actually

400
00:20:52,240 --> 00:20:59,420
all the current pictures online that I

401
00:20:54,950 --> 00:21:02,450
can find are all of shit that was done

402
00:20:59,420 --> 00:21:05,289
in the 90s early 2000s I don't see

403
00:21:02,450 --> 00:21:08,630
anything recent so I got these scans so

404
00:21:05,289 --> 00:21:11,809
if anybody out there is an expert in

405
00:21:08,630 --> 00:21:13,930
digital I don't know

406
00:21:11,809 --> 00:21:18,529
clarification what do you call it

407
00:21:13,930 --> 00:21:23,539
contact us our email address is UFO Bros

408
00:21:18,529 --> 00:21:24,829
TV at gmail.com so if you're an expert

409
00:21:23,539 --> 00:21:36,589
in the digital field become a comma

410
00:21:24,829 --> 00:21:39,199
community Thank You Johnson yep

411
00:21:36,589 --> 00:21:41,049
UFO Bros TV at gmail.com send us an

412
00:21:39,200 --> 00:21:46,190
email and we will send you those

413
00:21:41,049 --> 00:21:47,990
high-resolution scans of those pictures

414
00:21:46,190 --> 00:21:49,340
the famous Roswell pictures where you

415
00:21:47,990 --> 00:21:52,009
know you know the one there in the

416
00:21:49,339 --> 00:21:53,839
office and they're holding up pieces of

417
00:21:52,009 --> 00:21:59,180
a damn weather balloon bossless sticks

418
00:21:53,839 --> 00:22:01,220
and you know mylar basically pieces of

419
00:21:59,180 --> 00:22:04,160
foil or I don't think was mylar I think

420
00:22:01,220 --> 00:22:06,680
it was a Lumina mono I was thinking is

421
00:22:04,160 --> 00:22:10,040
that it's funny how he's like holding it

422
00:22:06,680 --> 00:22:11,779
up and it's like I'm pretty sure if it

423
00:22:10,039 --> 00:22:13,069
was a weather balloon they would said

424
00:22:11,779 --> 00:22:16,460
hey that that's one of our they would

425
00:22:13,069 --> 00:22:17,480
have known what it was you know they

426
00:22:16,460 --> 00:22:19,670
won't be holding it up like this like

427
00:22:17,480 --> 00:22:20,930
like you know like like carefully like

428

00:22:19,670 --> 00:22:24,470
this is ours

429
00:22:20,930 --> 00:22:28,130
no it looks staged this pictures look

430
00:22:24,470 --> 00:22:30,980
staged don't you think like I don't

431
00:22:28,130 --> 00:22:32,390
think that he knew I think he was just

432
00:22:30,980 --> 00:22:35,329
going along with it I don't think he

433
00:22:32,390 --> 00:22:39,740
knew when he walked in there that you

434
00:22:35,329 --> 00:22:41,449
know Jesse Marcel was gonna already have

435
00:22:39,740 --> 00:22:42,980
something that'll you know the whole

436
00:22:41,450 --> 00:22:47,269
thing planned he walked into it from

437
00:22:42,980 --> 00:22:50,170
what I understand and for those of you

438
00:22:47,269 --> 00:22:55,029
don't know Jesse Marcel was the first

439
00:22:50,170 --> 00:22:59,080
person from the military on the scene

440
00:22:55,029 --> 00:23:01,809
after the farmer Mac Brazel called a

441
00:22:59,079 --> 00:23:07,829
local police station who then informed

442
00:23:01,809 --> 00:23:11,319

oh oh here for you Brad don't drive

443

00:23:07,829 --> 00:23:13,740

clothes um that was somebody's going to

444

00:23:11,319 --> 00:23:13,740

jail

445

00:23:16,230 --> 00:23:22,420

you guys keep your dogs and your animals

446

00:23:19,930 --> 00:23:25,930

inside because that shit scares them and

447

00:23:22,420 --> 00:23:27,759

they run away yeah well so we need to

448

00:23:25,930 --> 00:23:28,750

play the Sarah McLachlan commercial see

449

00:23:27,759 --> 00:23:30,879

you well the thing is there's a lot of

450

00:23:28,750 --> 00:23:33,369

the other states this that's tough see

451

00:23:30,880 --> 00:23:35,710

that's that's legal to play with here

452

00:23:33,369 --> 00:23:41,549

oh and no you sneeze in the sidewalk you

453

00:23:35,710 --> 00:23:46,240

get a fine I'm surprised we don't have a

454

00:23:41,549 --> 00:23:49,000

air-breathing tax yet you know suck it

455

00:23:46,240 --> 00:23:50,920

in my hair clean air tax I wonder if

456

00:23:49,000 --> 00:23:59,380

there's such a thing oh there was sure

457
00:23:50,920 --> 00:24:03,779
there is Mac Brazel was a farmer that

458
00:23:59,380 --> 00:24:08,220
found the debris on his ranch you know a

459
00:24:03,779 --> 00:24:13,299
debris on the Brazel ranch consisted of

460
00:24:08,220 --> 00:24:15,100
metallic foil metal beams and that's

461
00:24:13,299 --> 00:24:17,109
where Jesse Marcel is the great isn't

462
00:24:15,099 --> 00:24:19,419
the grant great-grandkids yes but hold

463
00:24:17,109 --> 00:24:26,740
on that's where Jesse Marcel found these

464
00:24:19,420 --> 00:24:29,080
symbols on the beams and then the bodies

465
00:24:26,740 --> 00:24:34,210
came into play at a different crash site

466
00:24:29,079 --> 00:24:36,699
from what I understand and it was in a

467
00:24:34,210 --> 00:24:41,559
completely different area was in Corona

468
00:24:36,700 --> 00:24:43,539
I got to actually go read that to tell

469
00:24:41,559 --> 00:24:47,759
you but let's just say that there were

470
00:24:43,539 --> 00:24:50,889
two different crash sites major ones and

471
00:24:47,759 --> 00:24:54,609
the second one wasn't actually found for

472
00:24:50,890 --> 00:24:58,540
like a while later I think a couple

473
00:24:54,609 --> 00:25:00,490
weeks or something like that firework

474
00:24:58,539 --> 00:25:01,899
I'm probably getting this story totally

475
00:25:00,490 --> 00:25:04,029
I'm probably gonna get drunk wrong right

476
00:25:01,900 --> 00:25:07,330
I think I'm gonna get drunk wrong but

477
00:25:04,029 --> 00:25:08,549
yeah essentially depending on who you

478
00:25:07,329 --> 00:25:11,399
listen to

479
00:25:08,549 --> 00:25:15,509
you know one person will say that it was

480
00:25:11,400 --> 00:25:17,610
aliens in a disc associated with the

481
00:25:15,509 --> 00:25:20,849
debris that was collected which is kind

482
00:25:17,609 --> 00:25:21,899
of lumping all the stories into one you

483
00:25:20,849 --> 00:25:23,609
know because it's really there were

484
00:25:21,900 --> 00:25:26,550
separate events between the crash and

485

00:25:23,609 --> 00:25:30,959
the in the aliens there were different

486
00:25:26,549 --> 00:25:32,549
events from what I understand so you're

487
00:25:30,960 --> 00:25:35,850
saying that the crash site there was at

488
00:25:32,549 --> 00:25:39,480
Roswell was no aliens I don't believe

489
00:25:35,849 --> 00:25:41,909
Jesse Marcel saw aliens I think he

490
00:25:39,480 --> 00:25:47,190
specifically spoke of the metallic

491
00:25:41,910 --> 00:25:50,960
debris I do believe that he was told or

492
00:25:47,190 --> 00:25:58,559
heard of or knew about insight about

493
00:25:50,960 --> 00:26:02,970
about the second crash site so it's it's

494
00:25:58,559 --> 00:26:05,549
confusing so on the note in a couple

495
00:26:02,970 --> 00:26:06,960
days for the anniversary isn't the

496
00:26:05,549 --> 00:26:12,259
great-grandkids supposed to come out and

497
00:26:06,960 --> 00:26:15,509
reveal something about all this um I

498
00:26:12,259 --> 00:26:16,799
talked to him I thought I know bro I

499
00:26:15,509 --> 00:26:18,299

keep searching like you think they're

500

00:26:16,799 --> 00:26:19,980

really gonna put it out there all just

501

00:26:18,299 --> 00:26:26,509

don't know I have disclosure at this but

502

00:26:19,980 --> 00:26:26,509

no they're gonna keep it secret yeah

503

00:26:30,529 --> 00:26:36,089

we're gonna tell you if there are or not

504

00:26:32,549 --> 00:26:41,460

you come there there is just goes dead

505

00:26:36,089 --> 00:26:44,250

well okay I could see that I could see

506

00:26:41,460 --> 00:26:47,519

that but I do know they said that they

507

00:26:44,250 --> 00:26:49,200

were looking into some information do

508

00:26:47,519 --> 00:26:52,500

you remember Joe and this is what I've

509

00:26:49,200 --> 00:26:57,240

been searching for like crazy in in the

510

00:26:52,500 --> 00:27:00,690

rainy photos is the grandkids said that

511

00:26:57,240 --> 00:27:02,940

in one of those photos there's an actual

512

00:27:00,690 --> 00:27:05,240

piece of the real debris in one of those

513

00:27:02,940 --> 00:27:09,210

photos did you hear that

514
00:27:05,240 --> 00:27:11,339
really yeah I'll show you I can I can

515
00:27:09,210 --> 00:27:12,870
just hella zoom in and I can look around

516
00:27:11,339 --> 00:27:14,369
like there's they're super

517
00:27:12,869 --> 00:27:16,559
high-definition so if anybody else wants

518
00:27:14,369 --> 00:27:19,699
to take a crack at it again UFO Bros TV

519
00:27:16,559 --> 00:27:19,700
at gmail I'll send em to you

520
00:27:20,099 --> 00:27:26,259
7995 I'm strip no no no no this is just

521
00:27:24,429 --> 00:27:28,110
from one you follow just to another like

522
00:27:26,259 --> 00:27:31,089
I've never charged people for that I

523
00:27:28,109 --> 00:27:33,490
mean I found so it's not like you know

524
00:27:31,089 --> 00:27:34,898
actually I was like I thought I was

525
00:27:33,490 --> 00:27:37,089
gonna have to damn fly down to Texas

526
00:27:34,898 --> 00:27:39,189
where they were and say get me damn damn

527
00:27:37,089 --> 00:27:41,528
photo but I was able to find him

528
00:27:39,190 --> 00:27:47,798
thankfully it took some digging what I

529
00:27:41,528 --> 00:27:52,569
found no sticking is what you do bashed

530
00:27:47,798 --> 00:27:54,398
I sticking is a cheetah vasas butt hole

531
00:27:52,569 --> 00:27:56,740
digging is what you do best

532
00:27:54,398 --> 00:28:01,709
penis flicking is what you do best

533
00:27:56,740 --> 00:28:01,710
bellybutton digging is what you do best

534
00:28:01,829 --> 00:28:13,569
aftermath is what you do best it's gross

535
00:28:11,648 --> 00:28:14,829
you know you said that knuckle bump on

536
00:28:13,569 --> 00:28:18,339
that that was a good one though that was

537
00:28:14,829 --> 00:28:20,259
funny see Joe you were worried nobody's

538
00:28:18,339 --> 00:28:24,778
gonna be in the chant no he's gonna look

539
00:28:20,259 --> 00:28:27,849
in Carla's here and she's typing up and

540
00:28:24,778 --> 00:28:29,109
there's like she well I I think many

541
00:28:27,849 --> 00:28:29,439
people ITER's together and they make

542

00:28:29,109 --> 00:28:31,388
words

543
00:28:29,440 --> 00:28:33,519
yeah she's different words I gotta think

544
00:28:31,388 --> 00:28:37,089
too it's like midnight in other places

545
00:28:33,519 --> 00:28:39,308
or 11 o'clock or 10 you look like it's

546
00:28:37,089 --> 00:28:41,079
midnight I don't know what's wrong with

547
00:28:39,308 --> 00:28:41,859
you you look like 4:00 in the morning

548
00:28:41,079 --> 00:28:45,369
thank you

549
00:28:41,859 --> 00:28:49,508
I feel like 4:00 in the morning I need

550
00:28:45,369 --> 00:28:53,008
to shave and a haircut two bits yeah I

551
00:28:49,509 --> 00:28:53,009
need something going on here for sure

552
00:28:53,159 --> 00:29:01,500
can we switch gears yeah I'm waiting

553
00:28:56,230 --> 00:29:01,500
I have already in switch gears to oh

554
00:29:01,558 --> 00:29:06,220
look I okay we're gonna talk about sir

555
00:29:04,179 --> 00:29:07,389
no face real quick now I don't know if

556
00:29:06,220 --> 00:29:09,429

I've talked about this I don't but I

557

00:29:07,388 --> 00:29:11,798

believe I haven't there's a documentary

558

00:29:09,429 --> 00:29:13,090

and I you know I'm promoting it but I'm

559

00:29:11,798 --> 00:29:13,658

like my face no face I don't know what

560

00:29:13,089 --> 00:29:18,069

you're talking about

561

00:29:13,659 --> 00:29:20,080

go ahead there's that's a lot of subject

562

00:29:18,069 --> 00:29:21,700

matter for me to make jokes on I'm just

563

00:29:20,079 --> 00:29:27,589

gonna leave it alone

564

00:29:21,700 --> 00:29:29,029

anyway it's a documentary or it's a

565

00:29:27,589 --> 00:29:34,819

scare film I don't know it's kind of

566

00:29:29,029 --> 00:29:38,629

both but here's what the filmmaker his

567

00:29:34,819 --> 00:29:42,259

name is named Chad let me get on this

568

00:29:38,630 --> 00:29:43,400

really quick here get the actual so you

569

00:29:42,259 --> 00:29:46,039

guys actually know who the director is

570

00:29:43,400 --> 00:29:49,970

because he's a huge ghost hunter Chad

571
00:29:46,039 --> 00:29:53,990
kalloch is his name and this footage is

572
00:29:49,970 --> 00:29:58,009
said to be of an actual ghost oh yes

573
00:29:53,990 --> 00:30:03,880
okay like this is according to him

574
00:29:58,009 --> 00:30:05,180
definitive absolute proof not evidence

575
00:30:03,880 --> 00:30:08,720
proof

576
00:30:05,180 --> 00:30:11,090
you mean CGI proof yes you know it's

577
00:30:08,720 --> 00:30:13,940
interesting I have literally searched

578
00:30:11,089 --> 00:30:16,699
every image every social media every

579
00:30:13,940 --> 00:30:20,150
YouTube every Vimeo I could possibly

580
00:30:16,700 --> 00:30:24,110
find trying to see if there's any stills

581
00:30:20,150 --> 00:30:27,440
or short if there's no footage of the

582
00:30:24,109 --> 00:30:32,299
film other than his trailers and the

583
00:30:27,440 --> 00:30:33,830
trailers is a majority of him getting

584
00:30:32,299 --> 00:30:36,799
feedback from people that came to the

585
00:30:33,829 --> 00:30:39,710
film and then telling them it's like

586
00:30:36,799 --> 00:30:42,440
people come out looking shocked and he

587
00:30:39,710 --> 00:30:44,059
films their faces you know kind of like

588
00:30:42,440 --> 00:30:46,220
paranormal activity did but it's not

589
00:30:44,059 --> 00:30:47,599
like that you know it might be the first

590
00:30:46,220 --> 00:30:50,420
thing you think it was like paranormal

591
00:30:47,599 --> 00:30:52,250
activity that's what I was like but as

592
00:30:50,420 --> 00:30:55,970
you watch you see these are real people

593
00:30:52,250 --> 00:31:00,009
that are shown a film and they believe

594
00:30:55,970 --> 00:31:07,970
that it is definitive proof of ghosts

595
00:31:00,009 --> 00:31:09,049
and the story goes you know they I might

596
00:31:07,970 --> 00:31:10,610
have talked about this I don't remember

597
00:31:09,049 --> 00:31:12,919
if I have sorry you don't have noticed

598
00:31:10,609 --> 00:31:14,479
in the past like few months more weirder

599

00:31:12,920 --> 00:31:17,029
and weirder yeah starting to come out of

600
00:31:14,480 --> 00:31:19,220
the woodwork you're right which is

601
00:31:17,029 --> 00:31:21,859
probably why the Australian government

602
00:31:19,220 --> 00:31:24,769
allowed these I guess you call ghost

603
00:31:21,859 --> 00:31:28,129
hunters to come in they spent two weeks

604
00:31:24,769 --> 00:31:30,170
on an island that was supposedly haunted

605
00:31:28,130 --> 00:31:33,920
owned by the government nobody was on it

606
00:31:30,170 --> 00:31:34,759
no electricity to it and this is where

607
00:31:33,920 --> 00:31:38,769
the foot

608
00:31:34,759 --> 00:31:40,879
of this operation takes place and

609
00:31:38,769 --> 00:31:45,109
apparently they have like camera setup

610
00:31:40,880 --> 00:31:48,799
and this operation that they had been

611
00:31:45,109 --> 00:31:51,139
talking to that would clearly reply its

612
00:31:48,798 --> 00:31:53,500
name they would ask him what's your name

613
00:31:51,140 --> 00:31:56,929

and it would say sir

614

00:31:53,500 --> 00:32:02,509

according to Chad that's what what the

615

00:31:56,929 --> 00:32:05,030

footage shows and it would flash lights

616

00:32:02,509 --> 00:32:08,058

out of nowhere in rooms where there's no

617

00:32:05,029 --> 00:32:13,668

electricity so they were speaking or

618

00:32:08,058 --> 00:32:15,740

interacting with this entity and without

619

00:32:13,669 --> 00:32:18,620

them expecting it it showed itself it

620

00:32:15,740 --> 00:32:22,548

appeared in front of a in front of one

621

00:32:18,619 --> 00:32:24,229

of their cameras and you know you kind

622

00:32:22,548 --> 00:32:26,750

of always think oh maybe it's just like

623

00:32:24,230 --> 00:32:30,410

a shadow huh people are like this isn't

624

00:32:26,750 --> 00:32:33,710

this is not a shadow it's not a this is

625

00:32:30,410 --> 00:32:41,419

a clear being manifesting itself in do

626

00:32:33,710 --> 00:32:44,679

you have it I told you I scoured the

627

00:32:41,419 --> 00:32:47,990

internet trying to find images on it

628
00:32:44,679 --> 00:32:53,090
here look I look seriously let me grab

629
00:32:47,990 --> 00:32:56,390
my shut up Apple i7 full shut up the

630
00:32:53,089 --> 00:32:59,178
only comment of anybody describing it

631
00:32:56,390 --> 00:33:03,830
Joe was this that I could find check

632
00:32:59,179 --> 00:33:05,298
this out so he shows it to this to the

633
00:33:03,829 --> 00:33:11,210
staff at a radio station and one guy

634
00:33:05,298 --> 00:33:13,129
says it looks like an alien that's what

635
00:33:11,210 --> 00:33:17,480
he says he says it looks like an alien

636
00:33:13,130 --> 00:33:24,020
and so now I am dying everyday to see

637
00:33:17,480 --> 00:33:26,058
what the hell what do you think Carla do

638
00:33:24,019 --> 00:33:28,548
you think that do you think it's

639
00:33:26,058 --> 00:33:31,259
possible somebody could have definitive

640
00:33:28,548 --> 00:33:36,460
proof on

641
00:33:31,259 --> 00:33:38,289
tape or recording well if the recording

642
00:33:36,460 --> 00:33:40,259
we see we can clearly see if there's an

643
00:33:38,289 --> 00:33:45,599
alien that's in the operation like it's

644
00:33:40,259 --> 00:33:51,099
been beamed down no it appears a

645
00:33:45,599 --> 00:33:54,069
full-figured being clear not where you

646
00:33:51,099 --> 00:33:55,629
see something or maybe an outline and by

647
00:33:54,069 --> 00:33:57,879
the way I have not seen the film

648
00:33:55,630 --> 00:34:00,280
I'm just saying through and so people

649
00:33:57,880 --> 00:34:07,870
are walking out there saying scared as

650
00:34:00,279 --> 00:34:11,199
fuck oh yeah I wish we could play where

651
00:34:07,869 --> 00:34:12,398
can we find this movie so let's talk

652
00:34:11,199 --> 00:34:13,839
about that I'm trying to get the

653
00:34:12,398 --> 00:34:16,449
director on the show but he won't reply

654
00:34:13,840 --> 00:34:18,879
to my email you're going on a tour this

655
00:34:16,449 --> 00:34:20,559
summer and they're touring the film so

656

00:34:18,878 --> 00:34:23,079
they've been touring the film by the way

657
00:34:20,559 --> 00:34:28,269
I found out for the past few years like

658
00:34:23,079 --> 00:34:29,889
four years so it's not new but I think

659
00:34:28,269 --> 00:34:32,829
what they're doing is rightly so trying

660
00:34:29,889 --> 00:34:35,710
to you know make money on it by the way

661
00:34:32,829 --> 00:34:37,329
if you are afraid of paying \$30 to go

662
00:34:35,710 --> 00:34:39,849
see somebody's film because you're

663
00:34:37,329 --> 00:34:41,559
afraid you're gonna get stiffed you have

664
00:34:39,849 --> 00:34:44,049
way bigger things in life to be

665
00:34:41,559 --> 00:34:47,590
concerned about the movie step 30 bucks

666
00:34:44,050 --> 00:34:51,450
come on if you can go you know support a

667
00:34:47,590 --> 00:34:51,450
filmmaker pay 30 bucks have a great time

668
00:34:52,230 --> 00:34:57,460
yeah Coen with an open mind have a good

669
00:34:55,329 --> 00:35:00,009
time that's what I want to do and see

670
00:34:57,460 --> 00:35:03,159

what it's about who knows it could be

671

00:35:00,010 --> 00:35:05,170

like who knows it could be like alien

672

00:35:03,159 --> 00:35:07,599

autopsy factor fiction in the 90s

673

00:35:05,170 --> 00:35:10,329

remember that Joe member for months and

674

00:35:07,599 --> 00:35:13,179

months and months everybody was you know

675

00:35:10,329 --> 00:35:14,590

debating is it real or not remember yeah

676

00:35:13,179 --> 00:35:16,358

and then we find out of course years

677

00:35:14,590 --> 00:35:21,970

later of course it a few years later

678

00:35:16,358 --> 00:35:24,429

that it was indeed faked so this could

679

00:35:21,969 --> 00:35:27,189

be the case with this film too but from

680

00:35:24,429 --> 00:35:32,429

what the people that have seen it their

681

00:35:27,190 --> 00:35:37,119

expression their emotion people crying

682

00:35:32,429 --> 00:35:38,469

that's kind of weird people going into

683

00:35:37,119 --> 00:35:41,369

an emotional state where they're about

684

00:35:38,469 --> 00:35:43,539

like they you see them they shut off

685
00:35:41,369 --> 00:35:44,829
trying to process what they just saw

686
00:35:43,539 --> 00:35:46,389
exactly

687
00:35:44,829 --> 00:35:52,709
and there's grown men crying in women

688
00:35:46,389 --> 00:35:56,920
crying because to them because to them

689
00:35:52,708 --> 00:36:01,538
it blew that was a pretty one to them it

690
00:35:56,920 --> 00:36:03,909
was validating like it was proof for

691
00:36:01,539 --> 00:36:06,700
them like it changed their life kind of

692
00:36:03,909 --> 00:36:08,528
film so I'm not trying to hype it up I

693
00:36:06,699 --> 00:36:10,538
haven't seen it I don't know Chad I mean

694
00:36:08,528 --> 00:36:12,608
I have no Jonah I really have no reason

695
00:36:10,539 --> 00:36:15,009
to promote it other than just pure

696
00:36:12,608 --> 00:36:17,708
speculation in curiosity of what is on

697
00:36:15,009 --> 00:36:19,239
the mostly what yeah I'm just I'm not

698
00:36:17,708 --> 00:36:20,978
looking for validation I'm not looking

699

00:36:19,239 --> 00:36:24,579
for any justifications of any type I

700

00:36:20,978 --> 00:36:30,239
just want to see it see it's all a good

701

00:36:24,579 --> 00:36:30,239
movie I cannot find nothing nothing

702

00:36:32,130 --> 00:36:39,849
that's only maybe the government that

703

00:36:36,068 --> 00:36:43,630
know what why would the government take

704

00:36:39,849 --> 00:36:45,068
it okay so they would let him tour the

705

00:36:43,630 --> 00:36:47,709
film and charge people to see it but

706

00:36:45,068 --> 00:36:53,558
then take it off the internet and then

707

00:36:47,708 --> 00:36:56,159
make a no sense well dad doesn't make

708

00:36:53,559 --> 00:36:58,479
any sense

709

00:36:56,159 --> 00:37:02,018
since terms of dollars and dollars turns

710

00:36:58,478 --> 00:37:05,159
into my pocket and then think of me your

711

00:37:02,018 --> 00:37:05,159
pocket in a movie

712

00:37:09,989 --> 00:37:18,118
I don't know I know so open everybody's

713

00:37:15,179 --> 00:37:21,529
having a fun and safe and with the head

714
00:37:18,119 --> 00:37:25,769
didn't today yes we're independent and

715
00:37:21,530 --> 00:37:28,589
don't drink and drive don't do anything

716
00:37:25,769 --> 00:37:32,070
stupid don't let yourself on fire yeah

717
00:37:28,588 --> 00:37:35,070
don't don't put fireworks in your butt

718
00:37:32,070 --> 00:37:37,650
or in your bellybutton vagina or

719
00:37:35,070 --> 00:37:42,119
whatever people do that and it's a bad

720
00:37:37,650 --> 00:37:43,200
idea folks just don't do it then again

721
00:37:42,119 --> 00:37:48,088
if you're stupid enough to do it you

722
00:37:43,199 --> 00:37:51,108
kind of deserve what you get is my face

723
00:37:48,088 --> 00:37:54,329
in my got burned off by roman candle

724
00:37:51,108 --> 00:37:57,539
five years later what's wrong with your

725
00:37:54,329 --> 00:38:01,920
vagina well let's take it slow the

726
00:37:57,539 --> 00:38:04,980
grenade one time when I was stupider I

727
00:38:01,920 --> 00:38:10,440

decided to put a firecracker in my case

728

00:38:04,980 --> 00:38:15,838

okay oh sorry but what are you like

729

00:38:10,440 --> 00:38:16,530

wrapping up the show right now I'm gonna

730

00:38:15,838 --> 00:38:19,259

be your bro

731

00:38:16,530 --> 00:38:21,230

are you guys drinking I bet they're

732

00:38:19,260 --> 00:38:23,790

drinking let's do this let's talk about

733

00:38:21,230 --> 00:38:25,858

where the end here kind of at the show

734

00:38:23,789 --> 00:38:27,929

but you guys listen up we've got a bunch

735

00:38:25,858 --> 00:38:31,619

of new followers and stuff and Joe

736

00:38:27,929 --> 00:38:33,779

promised that he would read a couple in

737

00:38:31,619 --> 00:38:38,579

some character voices of its choice so

738

00:38:33,780 --> 00:38:42,680

Joe you go on Twitter and maybe just do

739

00:38:38,579 --> 00:38:52,608

some of these names getting there

740

00:38:42,679 --> 00:38:52,608

don't rush me bucket

741

00:39:05,039 --> 00:39:08,610

just one second

742
00:39:08,789 --> 00:39:20,650
magic brew is oh that's it Adam kinder

743
00:39:14,440 --> 00:39:25,269
six coach contact me on desert el munis

744
00:39:20,650 --> 00:39:27,910
- always giving us laughs thank you Joe

745
00:39:25,269 --> 00:39:31,000
let's go on over to instep inference

746
00:39:27,909 --> 00:39:39,069
William yeah here give us something I

747
00:39:31,000 --> 00:39:50,460
know man lots of love love chastity

748
00:39:39,070 --> 00:39:54,130
we're doing the breakdown right sorry

749
00:39:50,460 --> 00:39:56,110
yes by the way that song by satellite

750
00:39:54,130 --> 00:39:58,480
for being the breakdown it's awesome

751
00:39:56,110 --> 00:40:00,490
stay on Instagram on my phone please I'm

752
00:39:58,480 --> 00:40:04,480
on the stick RAM on your phone okay well

753
00:40:00,489 --> 00:40:06,909
read the damn names my damn are you can

754
00:40:04,480 --> 00:40:11,530
you not read it yes how about poop chick

755
00:40:06,909 --> 00:40:14,079
well again Joe Plus followers equal

756
00:40:11,530 --> 00:40:15,430
character voices please I'm trying to

757
00:40:14,079 --> 00:40:16,869
think of character voices can you get

758
00:40:15,429 --> 00:40:18,159
your damn arm off the cable

759
00:40:16,869 --> 00:40:19,929
what are you doing every time you do

760
00:40:18,159 --> 00:40:22,440
that everything goes in and out in my

761
00:40:19,929 --> 00:40:26,169
headphones you're a mess you're a mess

762
00:40:22,440 --> 00:40:28,420
uh poop chick I like that one that's my

763
00:40:26,170 --> 00:40:31,150
favorite vintage swagger Tron cuz Joe

764
00:40:28,420 --> 00:40:34,180
clearly doesn't want it okay don't stop

765
00:40:31,150 --> 00:40:39,300
it I am Goodell thank you are Dellucci

766
00:40:34,179 --> 00:40:44,109
Thank You ash can I add 19 Thank You

767
00:40:39,300 --> 00:40:50,200
Agnes Marco thank you and UFO man 801

768
00:40:44,110 --> 00:40:51,940
for thank you label jews and of course

769
00:40:50,199 --> 00:40:54,669
jeremy Korbelt gives us note of love

770

00:40:51,940 --> 00:40:57,159
don't forget ladies and gentlemen mark

771
00:40:54,670 --> 00:40:58,930
your calendars two weeks dr. Jerry crock

772
00:40:57,159 --> 00:41:00,489
is gonna be on the show we're gonna talk

773
00:40:58,929 --> 00:41:01,809
more about Roswell we're gonna talk

774
00:41:00,489 --> 00:41:04,959
about the foil we're gonna talk about

775
00:41:01,809 --> 00:41:07,659
any new findings he may have I mean I

776
00:41:04,960 --> 00:41:09,970
don't know that anybody has done any

777
00:41:07,659 --> 00:41:11,949
more of I don't think anybody's done a

778
00:41:09,969 --> 00:41:14,980
more extensive search on this material

779
00:41:11,949 --> 00:41:16,889
than him so I am shitting myself with

780
00:41:14,980 --> 00:41:19,829
happiness about it I'm so excited

781
00:41:16,889 --> 00:41:21,960
wait to talk to him hella by the way if

782
00:41:19,829 --> 00:41:26,460
you're not a supporter please go see us

783
00:41:21,960 --> 00:41:27,929
on patreon patr yo n.com forward slash

784
00:41:26,460 --> 00:41:30,809

and also we just want to let everybody

785

00:41:27,929 --> 00:41:32,399

know I'm cuz we got a brand new patron

786

00:41:30,809 --> 00:41:35,610

we want to thank you for joining us and

787

00:41:32,400 --> 00:41:37,380

the reason being is we started this this

788

00:41:35,610 --> 00:41:40,620

probe cast late because apparently we

789

00:41:37,380 --> 00:41:42,539

adore each star are like volume data's

790

00:41:40,619 --> 00:41:44,909

there are a maximum amount of audio

791

00:41:42,539 --> 00:41:46,440

storage that's it so if you're a patron

792

00:41:44,909 --> 00:41:48,359

it helps us pay for all of our stuff and

793

00:41:46,440 --> 00:41:51,119

you of course you can find us online at

794

00:41:48,360 --> 00:41:54,120

UFO Bros TV all things social media Joe

795

00:41:51,119 --> 00:41:56,009

the son of a bitch cut me off what I was

796

00:41:54,119 --> 00:41:59,489

going to say is if you guys go on our

797

00:41:56,010 --> 00:42:02,880

patreon you pledge \$5 you will get a 15

798

00:41:59,489 --> 00:42:04,679

minute Skype call with us a phone call

799

00:42:02,880 --> 00:42:08,420

Skype call whatever some sort of call

800

00:42:04,679 --> 00:42:12,839

yes then also you will get a autographed

801

00:42:08,420 --> 00:42:16,380

personal drawing by me with every single

802

00:42:12,840 --> 00:42:19,110

page patreon \$5 pledge plus and also a

803

00:42:16,380 --> 00:42:21,329

autographed photo of us yep

804

00:42:19,110 --> 00:42:23,579

so you get a few things and this is only

805

00:42:21,329 --> 00:42:27,360

for the first ten people Joe is going to

806

00:42:23,579 --> 00:42:30,529

hand draw no I'd say prayers first 20 no

807

00:42:27,360 --> 00:42:34,260

first 10 people we're gonna hand draw

808

00:42:30,530 --> 00:42:36,600

first 10 people we're gonna have Joe's

809

00:42:34,260 --> 00:42:37,920

gonna hand draw a unique alien scene but

810

00:42:36,599 --> 00:42:54,210

it's only for the first 10 people so you

811

00:42:37,920 --> 00:42:55,980

got to hurry up here we go now alright

812

00:42:54,210 --> 00:42:57,869

we're gonna have to let you go you guys

813
00:42:55,980 --> 00:43:01,079
get back to your fielding because of

814
00:42:57,869 --> 00:43:06,420
them there's some illegal fireworks shit

815
00:43:01,079 --> 00:43:10,079
happening alright everybody I'm at it um

816
00:43:06,420 --> 00:43:13,050
go and we are the u F Oh bro thanks for

817
00:43:10,079 --> 00:43:16,690
listening member follow us subscribe all

818
00:43:13,050 --> 00:43:19,959
things fabulous listen to y'all soon

819
00:43:16,690 --> 00:43:19,958
[Music]

820
00:43:26,269 --> 00:44:01,420
[Music]

821
00:44:03,820 --> 00:44:09,579
[Music]
