[Music]

2  
00:00:25,519 --> 00:00:28,719  
[Music]

3  
00:00:40,130 --> 00:00:43,249  
[Music]

4  
00:01:00,060 --> 00:01:15,770  
[Music]

5  
00:01:08,620 --> 00:01:17,870  
UFO Bros hey everyone is Giorgio

6  
00:01:15,769 --> 00:01:24,340  
tsoukalos from ancient aliens and you're

7  
00:01:17,870 --> 00:01:24,340  
experiencing UFO Bros TV yeah we did Oh

8  
00:01:26,769 --> 00:01:38,000  
Joe and we are the you Oh gross no we're

9  
00:01:35,450 --> 00:01:40,670  
not very para no I think you're kind of

10  
00:01:38,000 --> 00:01:48,530  
paranormal no we did yeah we did love

11  
00:01:40,670 --> 00:01:51,260  
you guys um we suck at this video we've

12  
00:01:48,530 --> 00:01:52,849  
had nothing but problems I think first

13  
00:01:51,260 --> 00:01:57,500  
and foremost of course I'm sure you've

14  
00:01:52,849 --> 00:01:59,299  
heard my cat destroyed our primary probe

15  
00:01:57,500 --> 00:02:01,728  
casting laptop so we had to get a new

16  
00:01:59,299 --> 00:02:05,000  
laptop and get everything all set up and

17  
00:02:01,728 --> 00:02:08,379  
get new connectors because Apple likes

18  
00:02:05,000 --> 00:02:17,479  
to change connectors every year

19  
00:02:08,379 --> 00:02:22,430  
lightning cable USB USB 3 2 USB see ya

20  
00:02:17,479 --> 00:02:25,969  
USB see USB being us being all curable

21  
00:02:22,430 --> 00:02:29,870  
now did you know that hepa type did you

22  
00:02:25,969 --> 00:02:33,370  
know that yeah Pamela Anderson had

23  
00:02:29,870 --> 00:02:35,509  
hepatitis C and cured it with Tylenol I

24  
00:02:33,370 --> 00:02:39,590  
don't think tylenol sounds like an

25  
00:02:35,509 --> 00:02:41,689  
appropriate cure that's just me but

26  
00:02:39,590 --> 00:02:44,659  
we're back and we're checking a live

27  
00:02:41,689 --> 00:02:47,810  
chat nothing looks so we are indeed live

28  
00:02:44,659 --> 00:02:51,650  
Joe yes finally yes and we got some

29

00:02:47,810 --> 00:02:54,020  
light we're getting better this is not

30  
00:02:51,650 --> 00:02:55,879  
well this is kind of the facility now

31  
00:02:54,020 --> 00:02:59,180  
we're in the facility now it's kind of a

32  
00:02:55,879 --> 00:03:00,560  
shithole but you know we're working on a

33  
00:02:59,180 --> 00:03:07,010  
little bit at a time as you can see we

34  
00:03:00,560 --> 00:03:08,629  
have a new friend here yeah I met him

35  
00:03:07,009 --> 00:03:10,789  
earlier no we're gonna

36  
00:03:08,629 --> 00:03:14,479  
we should have the probers the probe and

37  
00:03:10,789 --> 00:03:17,419  
the probe dates we should have them name

38  
00:03:14,479 --> 00:03:18,739  
this one so we could bring along with us

39  
00:03:17,419 --> 00:03:20,509  
for all the adventures and they could

40  
00:03:18,740 --> 00:03:22,159  
beat the crap out of them kind of like a

41  
00:03:20,509 --> 00:03:23,419  
crash-test dummy you had a name for him

42  
00:03:22,159 --> 00:03:26,539  
earlier I thought was pretty funny what

43  
00:03:23,419 --> 00:03:30,919

was it called you call them um I forgot

44

00:03:26,539 --> 00:03:33,139

anyway I don't know it was funny though

45

00:03:30,919 --> 00:03:34,549

we've got a toilet seat with an alien on

46

00:03:33,139 --> 00:03:39,589

it we've got some fun stuff and of

47

00:03:34,550 --> 00:03:45,140

course our poster oh yeah we got our 80s

48

00:03:39,590 --> 00:03:49,219

hover board thank you all who are

49

00:03:45,139 --> 00:03:50,809

listening to this show and for those of

50

00:03:49,219 --> 00:03:52,310

you who would rather listen to us and

51

00:03:50,810 --> 00:03:55,759

watch us make sure you follow us on all

52

00:03:52,310 --> 00:03:58,460

things social media you can find us by

53

00:03:55,759 --> 00:04:00,319

searching UFO Bros on the podcast or you

54

00:03:58,460 --> 00:04:04,370

can also follow us on all things social

55

00:04:00,319 --> 00:04:08,509

as I said before at UFO Bros TV except

56

00:04:04,370 --> 00:04:10,789

for Twitter Joe what's that because we

57

00:04:08,509 --> 00:04:15,649

are at uf0

58  
00:04:10,789 --> 00:04:18,019  
Bros TV yes do you know that really

59  
00:04:15,650 --> 00:04:21,048  
except the consistency I had planned for

60  
00:04:18,019 --> 00:04:24,680  
our brand you know that well there's

61  
00:04:21,048 --> 00:04:25,879  
always one audits ok alright well who

62  
00:04:24,680 --> 00:04:27,110  
knows maybe that's the one that becomes

63  
00:04:25,879 --> 00:04:27,620  
most successful because it's so

64  
00:04:27,110 --> 00:04:31,280  
different

65  
00:04:27,620 --> 00:04:33,649  
maybe speaking of successful because

66  
00:04:31,279 --> 00:04:35,719  
they're so different mr. Tom DeLonge the

67  
00:04:33,649 --> 00:04:37,489  
rock star we've been trying to talk

68  
00:04:35,720 --> 00:04:39,440  
about this for 3 episodes now and we

69  
00:04:37,490 --> 00:04:41,960  
always have a big like problem as an

70  
00:04:39,439 --> 00:04:45,800  
example last night which we're doing

71  
00:04:41,959 --> 00:04:49,879  
today last night's show the internet

72  
00:04:45,800 --> 00:04:52,100  
went out about this far into it and we

73  
00:04:49,879 --> 00:04:54,439  
just stopped going live and everything

74  
00:04:52,100 --> 00:04:56,420  
our new piece of equipment everything

75  
00:04:54,439 --> 00:05:00,110  
had to be updated to the new software

76  
00:04:56,420 --> 00:05:02,960  
and it decided to a 32 minute software

77  
00:05:00,110 --> 00:05:05,160  
update right when we started so that was

78  
00:05:02,959 --> 00:05:08,370  
my fault

79  
00:05:05,160 --> 00:05:09,840  
sorry Joe's been more than willing the

80  
00:05:08,370 --> 00:05:12,720  
last few times has definitely been my

81  
00:05:09,839 --> 00:05:16,560  
fault but we're back and we're working

82  
00:05:12,720 --> 00:05:18,510  
on a consistency and regularly being you

83  
00:05:16,560 --> 00:05:21,240  
know doing our show doing I think

84  
00:05:18,509 --> 00:05:24,480  
talking about UFOs and aliens in any

85  
00:05:21,240 --> 00:05:27,569  
other way exactly so can we talk about

86

00:05:24,480 --> 00:05:29,610  
the long I'm tired of talking about the

87  
00:05:27,569 --> 00:05:30,480  
long well look I know but I've been

88  
00:05:29,610 --> 00:05:32,220  
trying to talk about this for three

89  
00:05:30,480 --> 00:05:35,040  
episodes no nowhere else to talk about

90  
00:05:32,220 --> 00:05:37,260  
it then spill it okay just give me a

91  
00:05:35,040 --> 00:05:41,430  
second hi welcome to the image show hi

92  
00:05:37,259 --> 00:05:44,159  
so Tom DeLonge as you all know has a

93  
00:05:41,430 --> 00:05:46,709  
public company you can invest it's \$200

94  
00:05:44,160 --> 00:05:48,090  
to get in \$5 to share he's almost up to

95  
00:05:46,709 --> 00:05:53,279  
two million right now it's crazy

96  
00:05:48,089 --> 00:05:55,139  
he claims well two million dollars of

97  
00:05:53,279 --> 00:05:57,989  
investments almost you put a \$5

98  
00:05:55,139 --> 00:06:02,669  
investment for your Bros TV because you

99  
00:05:57,990 --> 00:06:06,509  
have to pay \$200 in order to be able to

100  
00:06:02,670 --> 00:06:08,189

buy into the shares thanks Tom but

101

00:06:06,509 --> 00:06:11,639

listen though he was on the Joe Rogan

102

00:06:08,189 --> 00:06:13,680

podcast talking about UFOs but he says I

103

00:06:11,639 --> 00:06:21,089

don't call them UFOs anymore I call them

104

00:06:13,680 --> 00:06:21,860

an advanced no try again like the Little

105

00:06:21,089 --> 00:06:27,209

Mermaid

106

00:06:21,860 --> 00:06:43,139

no she doesn't fly advanced what's a

107

00:06:27,209 --> 00:06:45,179

Little Mermaid's named Ariel threats

108

00:06:43,139 --> 00:06:48,060

that's the word he used advanced aerial

109

00:06:45,180 --> 00:06:50,730

threats it has had a 80 in terms of an

110

00:06:48,060 --> 00:06:54,870

acronym and that's not very doesn't roll

111

00:06:50,730 --> 00:06:57,030

off the tongue but still why are they

112

00:06:54,870 --> 00:06:59,040

threats why they call them threats why

113

00:06:57,029 --> 00:07:03,168

does he refuse to just call them UFOs I

114

00:06:59,040 --> 00:07:03,169

mean that's kind of a normal creature

115  
00:07:09,139 --> 00:07:14,579  
what he's trying to brand UFOs in a

116  
00:07:11,939 --> 00:07:16,199  
different way in a different name okay

117  
00:07:14,579 --> 00:07:18,109  
that's not mixed in with all the other

118  
00:07:16,199 --> 00:07:26,829  
commercial and

119  
00:07:18,110 --> 00:07:26,830  
guys and whistleblower be Jade you know

120  
00:07:26,860 --> 00:07:31,580  
what I'll come forward wouldn't they

121  
00:07:29,060 --> 00:07:32,899  
sorry that's still you know I'm saying

122  
00:07:31,579 --> 00:07:35,149  
that's he's probably trading on a

123  
00:07:32,899 --> 00:07:36,649  
different path it's really smart I mean

124  
00:07:35,149 --> 00:07:38,899  
we're talking about it got us to talk

125  
00:07:36,649 --> 00:07:40,849  
about it and the reason why is I started

126  
00:07:38,899 --> 00:07:43,489  
researching advanced aerial threats and

127  
00:07:40,850 --> 00:07:45,560  
I couldn't find anything on that

128  
00:07:43,490 --> 00:07:49,449  
of course because it's top secret in

129  
00:07:45,560 --> 00:07:51,709  
terms of the program and all that but I

130  
00:07:49,449 --> 00:07:53,719  
looked I looked I looked and I was like

131  
00:07:51,709 --> 00:07:57,799  
you know what we're gonna do our next

132  
00:07:53,720 --> 00:08:05,750  
show for the past three weeks on

133  
00:07:57,800 --> 00:08:08,170  
advanced aerial sorry I just want to

134  
00:08:05,750 --> 00:08:10,250  
know why they'd be considered threats

135  
00:08:08,170 --> 00:08:11,900  
yeah that's not the only thing you've

136  
00:08:10,250 --> 00:08:12,860  
done live look we don't have any

137  
00:08:11,899 --> 00:08:14,359  
chatters it's because we're in the

138  
00:08:12,860 --> 00:08:17,800  
middle of the day but there's four

139  
00:08:14,360 --> 00:08:17,800  
people watching thank you to the four

140  
00:08:18,850 --> 00:08:26,720  
okay no seriously just indulge me for a

141  
00:08:23,660 --> 00:08:28,430  
minute like why are they threats and in

142  
00:08:26,720 --> 00:08:33,320  
what way would they be threatening us

143

00:08:28,430 --> 00:08:35,899  
and I think one is obviously our normal

144  
00:08:33,320 --> 00:08:40,810  
I kind of how we go about our day and

145  
00:08:35,899 --> 00:08:44,840  
our thinking you know most of us not me

146  
00:08:40,809 --> 00:08:47,959  
pray at every meal go to church and they

147  
00:08:44,840 --> 00:08:49,940  
you know have a day-to-day process that

148  
00:08:47,960 --> 00:08:54,139  
they go through you know it's normal for

149  
00:08:49,940 --> 00:08:57,790  
them it's right for them and what would

150  
00:08:54,139 --> 00:08:57,789  
it mean for them if

151  
00:09:02,659 --> 00:09:12,500  
I really wanted to finish this thank you

152  
00:09:09,339 --> 00:09:16,870  
do you have anything to add to the

153  
00:09:12,500 --> 00:09:26,929  
conversation I know I'm talking about

154  
00:09:16,870 --> 00:09:29,240  
UFOs and you're like you watched too

155  
00:09:26,929 --> 00:09:37,669  
much Homer Simpson you're turning into

156  
00:09:29,240 --> 00:09:39,980  
him right there

157  
00:09:37,669 --> 00:09:41,328

anyway the reason why they'd be a threat

158

00:09:39,980 --> 00:09:43,339

is cuz that B threat to your day-to-day

159

00:09:41,328 --> 00:09:46,309

like process right would that be a

160

00:09:43,339 --> 00:09:49,970

threat in a sense to day to day thinking

161

00:09:46,309 --> 00:09:52,599

and beliefs exactly exactly so that's

162

00:09:49,970 --> 00:09:55,129

what I'm saying and it's saying what I

163

00:09:52,600 --> 00:09:59,720

was getting at what I was trying to say

164

00:09:55,129 --> 00:10:02,300

was it's not necessarily like military

165

00:09:59,720 --> 00:10:04,370

threat or they're gonna blow us up kind

166

00:10:02,299 --> 00:10:06,229

of threat maybe it's just a threat in

167

00:10:04,370 --> 00:10:09,078

terms of how the American population

168

00:10:06,230 --> 00:10:12,170

goes about their day today paying their

169

00:10:09,078 --> 00:10:13,698

taxes paying their tithing all that sort

170

00:10:12,169 --> 00:10:15,740

of stuff what would that mean if all of

171

00:10:13,698 --> 00:10:18,620

a sudden the American people and the

172  
00:10:15,740 --> 00:10:20,659  
worldwide people are people worldwide at

173  
00:10:18,620 --> 00:10:25,698  
we were indeed being visited from

174  
00:10:20,659 --> 00:10:27,860  
machines from another star system or

175  
00:10:25,698 --> 00:10:32,120  
another dimension or you know I possibly

176  
00:10:27,860 --> 00:10:34,750  
even and most indefinitely out of a

177  
00:10:32,120 --> 00:10:47,209  
different time because if they can bend

178  
00:10:34,750 --> 00:10:53,208  
space-time they can yeah please please

179  
00:10:47,208 --> 00:10:55,899  
leave please yes yes please go go get

180  
00:10:53,208 --> 00:11:00,969  
what you need hi welcome to the Emmett

181  
00:10:55,899 --> 00:11:05,188  
UFO show this show will be far more

182  
00:11:00,970 --> 00:11:17,110  
educational farm workers

183  
00:11:05,188 --> 00:11:19,178  
Tavi a little yeah spicy so let me get

184  
00:11:17,110 --> 00:11:20,769  
this out before Joe gets back so what I

185  
00:11:19,178 --> 00:11:23,289  
was trying to say is it's a threat that

186  
00:11:20,769 --> 00:11:25,480  
way to our normal day thinking could be

187  
00:11:23,289 --> 00:11:29,528  
a threat militarily in terms of what

188  
00:11:25,480 --> 00:11:32,739  
times advanced weaponry they have let's

189  
00:11:29,528 --> 00:11:36,068  
see it could just be a threat to our

190  
00:11:32,739 --> 00:11:38,829  
aerial space in general our area our

191  
00:11:36,068 --> 00:11:43,078  
airspace not aerial space airspace in

192  
00:11:38,828 --> 00:11:45,298  
general because think about these are

193  
00:11:43,078 --> 00:11:49,208  
machines carrying such advanced

194  
00:11:45,298 --> 00:11:52,509  
technology that they can Eve they can

195  
00:11:49,208 --> 00:11:56,378  
evade our radars they are able to outfly

196  
00:11:52,509 --> 00:11:58,869  
pretty much almost well not pretty much

197  
00:11:56,379 --> 00:12:03,009  
they're able to outfly our current means

198  
00:11:58,869 --> 00:12:05,350  
of you know I guess military flight jets

199  
00:12:03,009 --> 00:12:07,720  
and those sorts of things they also move

200

00:12:05,350 --> 00:12:10,449  
in really weird sorts of ways they

201  
00:12:07,720 --> 00:12:13,839  
zigzag they stop instantaneously on a

202  
00:12:10,448 --> 00:12:17,409  
dime they make 90-degree turns they move

203  
00:12:13,839 --> 00:12:19,929  
away from you with multiple speeds or

204  
00:12:17,409 --> 00:12:24,129  
multiples of a thousand miles per hour

205  
00:12:19,928 --> 00:12:26,948  
it's absolutely insane and as far as I

206  
00:12:24,129 --> 00:12:29,709  
know I don't believe we have any sort of

207  
00:12:26,948 --> 00:12:31,708  
technology that can go from zero to

208  
00:12:29,708 --> 00:12:34,599  
eight thousand miles an hour

209  
00:12:31,708 --> 00:12:37,178  
instantaneously so I think that when

210  
00:12:34,600 --> 00:12:39,100  
we're moving at that kind of speed and

211  
00:12:37,178 --> 00:12:43,418  
we're moving in that sort of erratic way

212  
00:12:39,100 --> 00:12:46,209  
is what I was saying earlier that they

213  
00:12:43,418 --> 00:12:49,918  
are indeed bending space-time right so

214  
00:12:46,208 --> 00:12:55,409

if you look at space-time as a malleable

215

00:12:49,918 --> 00:12:55,409  
sort of he's back

216

00:12:57,340 --> 00:13:01,470  
you look kind of like a trans man today

217

00:13:06,840 --> 00:13:18,840  
it's whale watching season you're

218

00:13:12,100 --> 00:13:18,840  
terrible so we can move on from Bella

219

00:13:19,350 --> 00:13:25,899  
looks like you sitting at a bar he does

220

00:13:21,820 --> 00:13:30,420  
he needs he needs a beer bro yeah yes he

221

00:13:25,899 --> 00:13:30,419  
does what do we have

222

00:13:32,490 --> 00:13:38,649  
I know you know what we need actually is

223

00:13:36,159 --> 00:13:40,809  
somebody to remotely run our show that's

224

00:13:38,649 --> 00:13:42,100  
possible with this program that I'm

225

00:13:40,809 --> 00:13:44,949  
using somebody else can run it from

226

00:13:42,100 --> 00:13:51,070  
somewhere else and remotely access our

227

00:13:44,950 --> 00:13:52,509  
show if you're interested I was just

228

00:13:51,070 --> 00:13:55,510  
telling Joe earlier today that when we

229  
00:13:52,509 --> 00:13:57,580  
started this like over a year ago well

230  
00:13:55,509 --> 00:14:00,009  
about a year ago actually about a year

231  
00:13:57,580 --> 00:14:02,740  
ago we just literally hooked up a couple

232  
00:14:00,009 --> 00:14:06,069  
of microphones that we got for like 10

233  
00:14:02,740 --> 00:14:09,159  
bucks it was like from Amazon it was

234  
00:14:06,070 --> 00:14:11,080  
like two little microphone lapels and

235  
00:14:09,159 --> 00:14:13,029  
they all went into one headphone jack

236  
00:14:11,080 --> 00:14:16,300  
and that's how we recorded our first

237  
00:14:13,029 --> 00:14:20,970  
episodes and we were outside most of the

238  
00:14:16,299 --> 00:14:20,969  
time yeah so this is no different oh

239  
00:14:21,090 --> 00:14:29,110  
well these are better microphones this

240  
00:14:26,830 --> 00:14:32,970  
should look like a sector so that what

241  
00:14:29,110 --> 00:14:41,009  
I'm talking it's like I have a sector

242  
00:14:32,970 --> 00:14:41,009  
okay except are not sector

243  
00:14:42,309 --> 00:14:49,809  
yeah anyway so like \$15 microphones or

244  
00:14:47,379 --> 00:14:52,059  
whatever to this setup and we're

245  
00:14:49,809 --> 00:14:54,129  
upgrading and every time we upgrade it's

246  
00:14:52,059 --> 00:14:55,569  
harder crap to do and learn and we're

247  
00:14:54,129 --> 00:15:00,159  
totally dedicated to it so just kind of

248  
00:14:55,570 --> 00:15:02,740  
bear with us and bear with us getting

249  
00:15:00,159 --> 00:15:04,389  
through the cold I swear we're like a

250  
00:15:02,740 --> 00:15:06,250  
married couple if I get a cold you get a

251  
00:15:04,389 --> 00:15:15,669  
cold and you get a gold now I got a cold

252  
00:15:06,250 --> 00:15:16,450  
honey get a cold and I gotta go yeah I

253  
00:15:15,669 --> 00:15:18,699  
got it

254  
00:15:16,450 --> 00:15:22,240  
so after through 18 people I finally got

255  
00:15:18,700 --> 00:15:24,700  
it it sucks huh I'm still dealing with

256  
00:15:22,240 --> 00:15:27,480  
the cough still dealing with the post

257

00:15:24,700 --> 00:15:27,480  
neighs how Trant

258  
00:15:27,789 --> 00:15:43,089  
so yeah yeah we need a new name for you

259  
00:15:39,370 --> 00:15:55,990  
like fuck a new transman name what do

260  
00:15:43,090 --> 00:15:58,000  
you think would be a good at gmail.com

261  
00:15:55,990 --> 00:16:00,669  
if you have complaints or post them

262  
00:15:58,000 --> 00:16:04,779  
below in the video we love when people

263  
00:16:00,669 --> 00:16:06,639  
complain makes our day but we gotta keep

264  
00:16:04,779 --> 00:16:09,338  
talking about like what's going on what

265  
00:16:06,639 --> 00:16:11,199  
we're gonna do do you you we have

266  
00:16:09,339 --> 00:16:13,000  
something but we can't say nothing of us

267  
00:16:11,200 --> 00:16:15,310  
something we have something to eat

268  
00:16:13,000 --> 00:16:19,330  
something we're just always working on

269  
00:16:15,309 --> 00:16:21,519  
something something and we're also too

270  
00:16:19,330 --> 00:16:24,129  
we don't like to like say we're gonna do

271  
00:16:21,519 --> 00:16:29,350

something unless we know it's happening

272

00:16:24,129 --> 00:16:35,159

you know I'm saying right Joe yes very

273

00:16:29,350 --> 00:16:37,779

good speaking of we need to plan another

274

00:16:35,159 --> 00:16:43,529

expedition within the next few months

275

00:16:37,779 --> 00:16:47,269

somewhere close and I was thinking of

276

00:16:43,529 --> 00:16:52,159

one of a couple things I think

277

00:16:47,269 --> 00:16:55,789

I have I have a spot actually the top of

278

00:16:52,159 --> 00:16:57,649

Stevens Creek towards the Cenozoic lair

279

00:16:55,789 --> 00:16:59,149

area there's supposed to be a lot of

280

00:16:57,649 --> 00:17:01,189

activity over there because of the Air

281

00:16:59,149 --> 00:17:04,039

Force Base there we're supposed to be a

282

00:17:01,190 --> 00:17:08,870

lot of activity out there I was thinking

283

00:17:04,039 --> 00:17:13,369

that I was also thinking we should find

284

00:17:08,869 --> 00:17:15,609

the a Lee the first alien encounter

285

00:17:13,369 --> 00:17:18,409

apparently have been researching was in

286  
00:17:15,609 --> 00:17:20,799  
Lodi California which is not far from us

287  
00:17:18,410 --> 00:17:23,300  
it's like an hour an hour and a half I

288  
00:17:20,799 --> 00:17:26,720  
think it'd be cool to kind of hunt down

289  
00:17:23,299 --> 00:17:28,039  
where this alien encounter happened why

290  
00:17:26,720 --> 00:17:35,569  
is it they want to start talking about

291  
00:17:28,039 --> 00:17:39,079  
aliens you start yeah well nobody cares

292  
00:17:35,569 --> 00:17:42,779  
you see hey no that was a diesel truck

293  
00:17:39,079 --> 00:17:46,029  
not a phone he's sitting here waiting on

294  
00:17:42,779 --> 00:17:53,269  
[Laughter]

295  
00:17:46,029 --> 00:17:57,649  
Joe we are in the age of iPhone X we are

296  
00:17:53,269 --> 00:18:01,400  
in the age of you know probably alien

297  
00:17:57,650 --> 00:18:03,259  
tech were using Joe decides to buy a

298  
00:18:01,400 --> 00:18:10,460  
brand new iPhone you know what he

299  
00:18:03,259 --> 00:18:13,700  
chooses to buy an iPhone 6 yes we are

300  
00:18:10,460 --> 00:18:18,740  
already at 6s seven seven plus eight

301  
00:18:13,700 --> 00:18:28,480  
eight plus ten no 9b2 ten minus that

302  
00:18:18,740 --> 00:18:31,460  
equals six no okay this is the bullcrap

303  
00:18:28,480 --> 00:18:33,410  
it's like probably a few hundred bucks

304  
00:18:31,460 --> 00:18:34,850  
more just to get the X but tell me why

305  
00:18:33,410 --> 00:18:38,090  
why why do you want to go back in time

306  
00:18:34,849 --> 00:18:41,389  
technologically for one thing it does

307  
00:18:38,089 --> 00:18:42,769  
the same thing with the 7 to do your

308  
00:18:41,390 --> 00:18:49,400  
whole can you get closer to the

309  
00:18:42,769 --> 00:18:51,619  
microphone shaders duties for one thing

310  
00:18:49,400 --> 00:18:54,769  
I'm tired of the dongle in the 7 I have

311  
00:18:51,619 --> 00:18:57,619  
the 7 plus I don't like the stupid

312  
00:18:54,769 --> 00:18:59,119  
dongle I don't like Bluetooth headphones

313  
00:18:57,619 --> 00:19:01,000  
because they send me up to charge and if

314

00:18:59,119 --> 00:19:03,079  
you don't charge it you're screwed

315  
00:19:01,000 --> 00:19:05,779  
unfortunately where I go all the time I

316  
00:19:03,079 --> 00:19:07,849  
need to have headphones you sleep with

317  
00:19:05,779 --> 00:19:09,980  
headphones in I sleep not the most of

318  
00:19:07,849 --> 00:19:13,099  
the time yes I do maybe but it's not one

319  
00:19:09,980 --> 00:19:18,170  
sudden that night but meanings

320  
00:19:13,099 --> 00:19:20,839  
let me put to beat ah thank you

321  
00:19:18,170 --> 00:19:22,400  
tell the people the thing is is I like

322  
00:19:20,839 --> 00:19:24,500  
the headphone jack and they're charging

323  
00:19:22,400 --> 00:19:26,870  
I like that at the same time you can't

324  
00:19:24,500 --> 00:19:28,910  
do that with the seven you have to

325  
00:19:26,869 --> 00:19:32,449  
Dunkel in and dongle out and she like

326  
00:19:28,910 --> 00:19:33,950  
the goggle in though in the socket mm

327  
00:19:32,450 --> 00:19:36,259  
you know it's just annoying

328  
00:19:33,950 --> 00:19:38,029

I just want both charging and if you get

329

00:19:36,259 --> 00:19:40,490

the dongle that does the charging and

330

00:19:38,029 --> 00:19:42,799

the headphones it's not compatible with

331

00:19:40,490 --> 00:19:44,210

iphones won't work because you refuse to

332

00:19:42,799 --> 00:19:46,808

spend extra money on an apple certified

333

00:19:44,210 --> 00:19:50,480

cable

334

00:19:46,808 --> 00:19:52,250

they don't make apple they have it has

335

00:19:50,480 --> 00:19:58,789

dual charger and listening why don't you

336

00:19:52,250 --> 00:20:00,740

just the guy dollar pair of school caddy

337

00:19:58,789 --> 00:20:04,940

headphones is listening to it

338

00:20:00,740 --> 00:20:08,509

music under \$800 I don't like those

339

00:20:04,940 --> 00:20:14,470

big-ass buds for big-ass ears big-ass

340

00:20:08,509 --> 00:20:14,470

heads well you have tiny holes tiny nose

341

00:20:21,380 --> 00:20:34,400

[Applause]

342

00:20:23,109 --> 00:20:36,678

you stop that I have a tiny piece I just

343  
00:20:34,400 --> 00:20:38,300  
almost died right now that was I can't

344  
00:20:36,679 --> 00:20:44,390  
wait until it's over I get fast forward

345  
00:20:38,299 --> 00:20:47,139  
to that part for those of you who are

346  
00:20:44,390 --> 00:20:51,250  
joining us now welcome we were just

347  
00:20:47,140 --> 00:20:53,900  
talking about Joe's penis hole size

348  
00:20:51,250 --> 00:20:55,700  
thank you for joining us and for those

349  
00:20:53,900 --> 00:20:57,140  
of you who are only listening you're

350  
00:20:55,700 --> 00:21:01,670  
missing out a whole lot so make sure you

351  
00:20:57,140 --> 00:21:07,640  
check us out on YouTube UFO Bros TV Joe

352  
00:21:01,670 --> 00:21:11,570  
is gone who's in the chat room what can

353  
00:21:07,640 --> 00:21:13,639  
you show so I said UFOs can you tell me

354  
00:21:11,569 --> 00:21:16,908  
their names so I can acknowledge them

355  
00:21:13,638 --> 00:21:19,819  
or can you you acknowledge them you know

356  
00:21:16,909 --> 00:21:20,119  
how to read well read it you do a good

357  
00:21:19,819 --> 00:21:25,668  
job

358  
00:21:20,118 --> 00:21:29,439  
popcorn Joe Joe aasaiya table or your

359  
00:21:25,669 --> 00:21:33,919  
photos then Fani said a phone

360  
00:21:29,440 --> 00:21:38,440  
Bonnie said hmm that means probably

361  
00:21:33,919 --> 00:21:45,440  
talking about your penis hole mmm you

362  
00:21:38,440 --> 00:21:54,739  
moving on puppies and blenders yeah

363  
00:21:45,440 --> 00:22:03,679  
so speaking of UFOs I just kind of a new

364  
00:21:54,739 --> 00:22:06,700  
acronym LP H's little penis holes penis

365  
00:22:03,679 --> 00:22:11,288  
flying with a hole in it

366  
00:22:06,700 --> 00:22:14,328  
why me I know this show just kind of it

367  
00:22:11,288 --> 00:22:17,148  
crashed off into the ditch but that's

368  
00:22:14,328 --> 00:22:18,888  
okay you know I wanted to tell you

369  
00:22:17,148 --> 00:22:21,078  
remember when we were talking about it

370  
00:22:18,888 --> 00:22:23,208  
was like shows and shows ago but we

371

00:22:21,078 --> 00:22:28,249  
talked about the aerial school incident

372  
00:22:23,209 --> 00:22:29,929  
in Africa if you don't know this is just

373  
00:22:28,249 --> 00:22:31,098  
a side note I want to let you guys know

374  
00:22:29,929 --> 00:22:32,869  
because I saw they're making a

375  
00:22:31,098 --> 00:22:35,269  
documentary and the reason I know that

376  
00:22:32,868 --> 00:22:37,368  
is because Dan Aykroyd actually shared

377  
00:22:35,269 --> 00:22:40,519  
it on his Facebook page so this is an

378  
00:22:37,368 --> 00:22:44,048  
interesting case actually I think it was

379  
00:22:40,519 --> 00:22:46,608  
covered by Josh gates recently on

380  
00:22:44,048 --> 00:22:50,209  
hunting for aliens on the Travel Channel

381  
00:22:46,608 --> 00:22:51,588  
I think he covered it to the area school

382  
00:22:50,209 --> 00:22:53,839  
incidents a really interesting one

383  
00:22:51,588 --> 00:22:57,108  
because you're talking about an entire

384  
00:22:53,838 --> 00:23:01,069  
school full of children that witnessed

385  
00:22:57,108 --> 00:23:05,439

the most incredible sight of a flying

386

00:23:01,069 --> 00:23:09,569

saucer queer

387

00:23:05,440 --> 00:23:18,120

[Laughter]

388

00:23:09,569 --> 00:23:20,220

oh good there guy wow that was ooh um we

389

00:23:18,119 --> 00:23:23,669

used the word retard on this show we're

390

00:23:20,220 --> 00:23:26,430

not offended by that so try again moving

391

00:23:23,670 --> 00:23:28,259

on it's an interesting case it's about

392

00:23:26,430 --> 00:23:33,900

this flying disc that comes out of the

393

00:23:28,259 --> 00:23:36,200

sky lens into some woods near a school

394

00:23:33,900 --> 00:23:40,650

playground and these kids see this

395

00:23:36,200 --> 00:23:43,140

amazing disc land and beings come out of

396

00:23:40,650 --> 00:23:45,890

it some of which approached them some of

397

00:23:43,140 --> 00:23:50,009

which were set to be moving around

398

00:23:45,890 --> 00:23:52,110

strangely or floating as they moved or

399

00:23:50,009 --> 00:23:54,539

moving around on top of this ship

400  
00:23:52,109 --> 00:23:56,099  
basically there's multiple accounts of

401  
00:23:54,539 --> 00:23:59,159  
what people saw there's all these

402  
00:23:56,099 --> 00:24:02,039  
children who went in separately with a

403  
00:23:59,160 --> 00:24:03,900  
psychologist and they talked through the

404  
00:24:02,039 --> 00:24:07,519  
incident getting them to draw what they

405  
00:24:03,900 --> 00:24:11,490  
saw getting them to try to get this

406  
00:24:07,519 --> 00:24:13,200  
sighting on tape and it's about time

407  
00:24:11,490 --> 00:24:16,140  
somebody followed up on it it's been

408  
00:24:13,200 --> 00:24:18,390  
years or decades it's been decades since

409  
00:24:16,140 --> 00:24:20,250  
this has happened and it's good to see

410  
00:24:18,390 --> 00:24:23,250  
what people remember now from what they

411  
00:24:20,250 --> 00:24:27,569  
remember decades a decade to do what's

412  
00:24:23,250 --> 00:24:30,450  
going on Joe is there anything in there

413  
00:24:27,569 --> 00:24:31,799  
we should talk about keep looking what

414  
00:24:30,450 --> 00:24:37,440  
does it say there's a few things going

415  
00:24:31,799 --> 00:24:44,940  
on there well who's in the chat the same

416  
00:24:37,440 --> 00:24:47,190  
two people you just look awfully happy

417  
00:24:44,940 --> 00:24:53,880  
and silly to just be looking at people

418  
00:24:47,190 --> 00:24:59,450  
saying hi this is you am i quiet

419  
00:24:53,880 --> 00:24:59,450  
that's my is that just your resting face

420  
00:25:00,680 --> 00:25:14,430  
you're stupid are you having a good time

421  
00:25:03,900 --> 00:25:15,780  
watching us on the phone do you remember

422  
00:25:14,430 --> 00:25:16,980  
the aerial school incident we talked

423  
00:25:15,779 --> 00:25:19,680  
about I don't care

424  
00:25:16,980 --> 00:25:21,960  
do you remember it though yes okay what

425  
00:25:19,680 --> 00:25:24,788  
are your thoughts on it

426  
00:25:21,960 --> 00:25:25,840  
that they I want to see that can we

427  
00:25:24,788 --> 00:25:28,179  
is there a way we could pull the

428

00:25:25,839 --> 00:25:30,638  
drawings and show people I want to see

429  
00:25:28,179 --> 00:25:37,538  
what they look like I never actually got

430  
00:25:30,638 --> 00:25:39,908  
a chance to see the pictures but I

431  
00:25:37,538 --> 00:25:42,869  
wasn't prepared for that but we could

432  
00:25:39,909 --> 00:25:42,870  
post it on our social media

433  
00:25:45,148 --> 00:25:49,750  
I'll put on our Instagram put it on our

434  
00:25:47,859 --> 00:25:53,500  
Twitter so that for those of you

435  
00:25:49,750 --> 00:25:54,819  
listening can also see it typically a

436  
00:25:53,500 --> 00:25:56,679  
little bit more prepared I'd have some

437  
00:25:54,819 --> 00:25:58,928  
pictures but today we're just kind of

438  
00:25:56,679 --> 00:25:59,980  
getting back in the game talking making

439  
00:25:58,929 --> 00:26:01,929  
sure everything's working correctly

440  
00:25:59,980 --> 00:26:03,610  
making sure we're live-streaming make

441  
00:26:01,929 --> 00:26:05,590  
sure we know how to read the chats make

442  
00:26:03,609 --> 00:26:07,629

sure we know how to respond so I'll tell

443

00:26:05,589 --> 00:26:11,888

you going from just a few microphones to

444

00:26:07,630 --> 00:26:15,549

this is quite a big leap ahead so yep

445

00:26:11,888 --> 00:26:17,138

anyway if you get a chance make sure you

446

00:26:15,548 --> 00:26:21,509

check it out it's called

447

00:26:17,138 --> 00:26:23,349

aerial phenomenon but it's spelled AE

448

00:26:21,509 --> 00:26:34,599

only Amri

449

00:26:23,349 --> 00:26:37,778

a RI al I think I think no I think

450

00:26:34,599 --> 00:26:40,569

that's how thermally spelled but they

451

00:26:37,778 --> 00:26:42,909

spelled aerial with the the same way

452

00:26:40,569 --> 00:26:44,439

they spelled the aerial school so

453

00:26:42,909 --> 00:26:46,860

they're kind of doing in wordplay off

454

00:26:44,440 --> 00:26:49,929

aerial school and aerial phenomenon

455

00:26:46,859 --> 00:26:50,259

hydrant name yeah that's cool you make

456

00:26:49,929 --> 00:26:52,630

that up

457  
00:26:50,259 --> 00:26:58,379  
it takes you know I heard it before

458  
00:26:52,630 --> 00:26:58,380  
how'd your name it's like same Anat same

459  
00:27:04,529 --> 00:27:12,480  
I can pay it off though sorry I didn't

460  
00:27:09,990 --> 00:27:14,039  
want to cough directly no microphone but

461  
00:27:12,480 --> 00:27:16,170  
it's going to be an interesting

462  
00:27:14,039 --> 00:27:17,909  
documentary and it was an interesting

463  
00:27:16,170 --> 00:27:24,170  
case and I think Josh gates covered it

464  
00:27:17,910 --> 00:27:30,740  
great and that's the nature station

465  
00:27:24,170 --> 00:27:30,740  
what's that and snotty ears no I

466  
00:27:31,519 --> 00:27:39,589  
realized we can skinny blob is a hodo is

467  
00:27:36,450 --> 00:27:46,769  
that what it says skinny Bob is a queer

468  
00:27:39,589 --> 00:27:48,329  
we love skinny Bob the alien you always

469  
00:27:46,769 --> 00:27:52,139  
tell people about skinny Bob happy not

470  
00:27:48,329 --> 00:27:54,179  
know what we're talking about I don't

471  
00:27:52,140 --> 00:27:56,730  
know he's real or not he looks real ask

472  
00:27:54,180 --> 00:27:59,640  
him he looks real but that doesn't mean

473  
00:27:56,730 --> 00:28:00,660  
he is real and for those of you who

474  
00:27:59,640 --> 00:28:01,770  
don't know about the skinny Bob video

475  
00:28:00,660 --> 00:28:03,600  
you should totally check that out in

476  
00:28:01,769 --> 00:28:09,200  
youtube we did post it on our Facebook

477  
00:28:03,599 --> 00:28:09,199  
page and I just put looks real and

478  
00:28:09,500 --> 00:28:13,740  
everybody was like it's not real it's

479  
00:28:11,730 --> 00:28:15,450  
debunked and I'm like well it looks real

480  
00:28:13,740 --> 00:28:18,210  
does it mean it is that's the problem

481  
00:28:15,450 --> 00:28:21,059  
today is all this shit can look real and

482  
00:28:18,210 --> 00:28:25,579  
in the I'm sure the real shit looks fake

483  
00:28:21,059 --> 00:28:28,079  
I mean I just have kind of given up one

484  
00:28:25,579 --> 00:28:30,569  
I've kind of given up watching any newer

485

00:28:28,079 --> 00:28:34,799  
UFO videos I'm right now like doing a

486  
00:28:30,569 --> 00:28:38,450  
lot of research on old videos like maybe

487  
00:28:34,799 --> 00:28:44,389  
UFOs that are on VHS or film like

488  
00:28:38,450 --> 00:28:51,240  
recently we found a VHS tape at a local

489  
00:28:44,390 --> 00:28:53,550  
pun or nut punch shop thrift shop it was

490  
00:28:51,240 --> 00:28:56,160  
the VHS tape it's really awesome and all

491  
00:28:53,549 --> 00:28:58,279  
I need to do is find a VHS player what's

492  
00:28:56,160 --> 00:28:58,279  
that

493  
00:28:59,359 --> 00:29:05,869  
oh good I got some post nasal drip

494  
00:29:02,690 --> 00:29:13,549  
actually you know yeah we got that in

495  
00:29:05,869 --> 00:29:16,489  
Roswell we've got what hey no we got it

496  
00:29:13,549 --> 00:29:20,210  
at a thrift store if you check out our

497  
00:29:16,490 --> 00:29:23,630  
social media or Instagram we posted by

498  
00:29:20,210 --> 00:29:26,569  
the way we have some still very

499  
00:29:23,630 --> 00:29:28,550

dedicated patrons that have hung in with

500

00:29:26,569 --> 00:29:31,189

us while we haven't been doing very many

501

00:29:28,549 --> 00:29:39,740

shows thank you guys

502

00:29:31,190 --> 00:29:44,029

I think it's Carla Curtis Bri Brianna

503

00:29:39,740 --> 00:29:45,529

and the other person I don't know I he

504

00:29:44,029 --> 00:29:48,079

doesn't really interact he just gives us

505

00:29:45,529 --> 00:29:49,940

\$5 a nut so thank you if you would like

506

00:29:48,079 --> 00:29:55,730

to participate in this shit show you can

507

00:29:49,940 --> 00:30:00,289

patreon a Treo n.com for slash UFO Bros

508

00:29:55,730 --> 00:30:03,400

TV were always into the mysteries we're

509

00:30:00,289 --> 00:30:03,399

always into the mysteries

510

00:30:03,579 --> 00:30:29,389

yeah it's pretty much shit so it's like

511

00:30:09,559 --> 00:30:41,210

okay I don't think that's sorry I but

512

00:30:29,390 --> 00:30:43,070

yeah you're crazy man um for our

513

00:30:41,210 --> 00:30:46,579

Spreaker followers will be icon Spreaker

514  
00:30:43,069 --> 00:30:47,960  
we are on Spreaker still are there any

515  
00:30:46,579 --> 00:30:51,069  
questions in the chat room before we

516  
00:30:47,960 --> 00:30:51,069  
kind of start wrapping this up Joe

517  
00:30:53,470 --> 00:31:00,730  
Bernard Mendez met skinny Bob also met

518  
00:30:58,700 --> 00:31:07,519  
the captain

519  
00:31:00,730 --> 00:31:12,289  
that's all he said no that's a good Wow

520  
00:31:07,519 --> 00:31:14,539  
Wow well okay look I was just gonna say

521  
00:31:12,289 --> 00:31:16,849  
that not to complain I'm not complaining

522  
00:31:14,539 --> 00:31:18,529  
well maybe a little bit but when we were

523  
00:31:16,849 --> 00:31:21,259  
just clipping on microphones it was like

524  
00:31:18,529 --> 00:31:22,879  
easier to get the stuff together and now

525  
00:31:21,259 --> 00:31:27,200  
it's like just an effort to get it

526  
00:31:22,880 --> 00:31:28,400  
together or has I know so I could spend

527  
00:31:27,200 --> 00:31:32,210  
all that we could spend all the time we

528  
00:31:28,400 --> 00:31:35,210  
needed research connected it's like we

529  
00:31:32,210 --> 00:31:37,549  
got to go and we're not always

530  
00:31:35,210 --> 00:31:39,259  
necessarily full of content but hey I

531  
00:31:37,549 --> 00:31:41,210  
did want to say before we kind of start

532  
00:31:39,259 --> 00:31:43,369  
wrapping up the show we do have several

533  
00:31:41,210 --> 00:31:45,430  
interviews planned we're in the planning

534  
00:31:43,369 --> 00:31:49,189  
process we're going to be on a few

535  
00:31:45,430 --> 00:31:51,289  
coming shows doing some interviews

536  
00:31:49,190 --> 00:31:52,610  
talking about what we do our incidents

537  
00:31:51,289 --> 00:31:54,319  
and just for those of you who have

538  
00:31:52,609 --> 00:31:56,779  
managed to make it this long through the

539  
00:31:54,319 --> 00:32:03,019  
show and you're still listening we've

540  
00:31:56,779 --> 00:32:06,799  
done a lot of shit we're always going

541  
00:32:03,019 --> 00:32:10,069  
somewhere we've researched crash sites

542

00:32:06,799 --> 00:32:12,139  
we've been to UFO hot spots we've been

543  
00:32:10,069 --> 00:32:15,859  
to the conventions we've been to the

544  
00:32:12,140 --> 00:32:19,190  
workshops we've been to the movie

545  
00:32:15,859 --> 00:32:21,439  
premieres we've been to pretty much

546  
00:32:19,190 --> 00:32:24,559  
anything we could get you at the time

547  
00:32:21,440 --> 00:32:28,340  
that made sense or we could get away or

548  
00:32:24,559 --> 00:32:29,869  
whatever so if you have any place that

549  
00:32:28,339 --> 00:32:31,939  
you think that we should go check out

550  
00:32:29,869 --> 00:32:36,189  
maybe maybe a little bit less

551  
00:32:31,940 --> 00:32:38,509  
lesser-known or cases that are little

552  
00:32:36,190 --> 00:32:43,600  
lesser-known that we could go check out

553  
00:32:38,509 --> 00:32:49,180  
let us know UFO Bros TV at gmail.com and

554  
00:32:43,599 --> 00:32:49,179  
Joe you got to talk about one UFO thing

555  
00:32:51,910 --> 00:33:05,920  
and it can't be a Hydra gnam I know you

556  
00:33:03,650 --> 00:33:20,230

can tell me I just don't like Stephen

557

00:33:05,920 --> 00:33:22,690

I just you might we have that book we

558

00:33:20,230 --> 00:33:25,599

have that we bought all his shifty

559

00:33:22,690 --> 00:33:28,600

dollar book yeah we went to a like a

560

00:33:25,599 --> 00:33:32,199

hundred dollar like here here's a book

561

00:33:28,599 --> 00:33:35,740

25 Oh get one fine fifty yeah and it was

562

00:33:32,200 --> 00:33:47,130

like a scribble I just wanted to be able

563

00:33:35,740 --> 00:33:47,130

to rub it this weird yeah very yeah I

564

00:33:50,069 --> 00:33:56,139

like this new guy help us name him what

565

00:33:52,779 --> 00:33:57,759

do you think do you think name him you

566

00:33:56,140 --> 00:34:01,690

home something earlier I really liked it

567

00:33:57,759 --> 00:34:04,539

he's like hey he's Vogon EB will be back

568

00:34:01,690 --> 00:34:06,789

are inflatable alien is just readable

569

00:34:04,539 --> 00:34:10,539

afraid of no fray double rainbow alien

570

00:34:06,789 --> 00:34:11,769

he's just got a few holes poked in him

571  
00:34:10,539 --> 00:34:15,820  
already

572  
00:34:11,769 --> 00:34:17,168  
tiny peepee hole oh that's right we just

573  
00:34:15,820 --> 00:34:21,870  
to bring it around back to the beginning

574  
00:34:17,168 --> 00:34:32,440  
of the episode we got to end on PB pulse

575  
00:34:21,869 --> 00:34:33,460  
listen yeah that was a joke oh no oh god

576  
00:34:32,440 --> 00:34:34,750  
people let me tell you we're gonna do

577  
00:34:33,460 --> 00:34:40,269  
next so we're gonna try to add another

578  
00:34:34,750 --> 00:34:42,070  
camera oh god it's gonna be hard but

579  
00:34:40,269 --> 00:34:44,800  
we're gonna do it we finally got like

580  
00:34:42,070 --> 00:34:46,480  
this software we're excited we're kind

581  
00:34:44,800 --> 00:34:48,370  
of like at the beginning we're not like

582  
00:34:46,480 --> 00:34:50,860  
we're not worried but worth the

583  
00:34:48,369 --> 00:34:57,309  
beginning we got the meat potatoes now

584  
00:34:50,860 --> 00:34:58,660  
we're getting decides exactly yeah so if

585  
00:34:57,309 --> 00:35:01,659  
you guys have anything that you want to

586  
00:34:58,659 --> 00:35:04,059  
talk about in terms of aliens please

587  
00:35:01,659 --> 00:35:06,129  
join us on our live shows YouTube you

588  
00:35:04,059 --> 00:35:07,509  
can also find us on Spreaker leave a

589  
00:35:06,130 --> 00:35:09,809  
comment below on this video don't forget

590  
00:35:07,510 --> 00:35:13,030  
to Like and subscribe if you enjoyed

591  
00:35:09,809 --> 00:35:15,009  
anything we talked about here we didn't

592  
00:35:13,030 --> 00:35:16,720  
really like give you any exciting

593  
00:35:15,010 --> 00:35:19,160  
information but we did ponder the

594  
00:35:16,719 --> 00:35:22,069  
concept of advanced aerial threats

595  
00:35:19,159 --> 00:35:26,059  
no we didn't you spent like six minutes

596  
00:35:22,070 --> 00:35:28,720  
on it will you let me do this you want

597  
00:35:26,059 --> 00:35:34,989  
to do the outro go ahead

598  
00:35:28,719 --> 00:35:37,549  
see you guys I already am in it and

599

00:35:34,989 --> 00:35:41,469  
where the UFO Bros and we'll see y'all

600  
00:35:37,550 --> 00:35:41,470  
next time

601  
00:35:50,500 --> 00:35:56,610  
[Music]

602  
00:36:06,800 --> 00:36:10,010  
[Music]

603  
00:36:21,409 --> 00:36:24,529  
[Music]
