00:00:37,369 --> 00:00:42,369  
where are we we heard he hosts their

5  
00:00:40,189 --> 00:00:42,369  
mouth

6  
00:00:42,810 --> 00:00:46,789  
my destiny and

7  
00:00:49,719 --> 00:00:56,890  
yeah hey what's up everybody I'm Emmett

8  
00:00:53,320 --> 00:01:00,340  
I'm Joe and we are the UFO Bros in this

9  
00:00:56,890 --> 00:01:02,380  
episode we explore the UFO crash in

10  
00:01:00,340 --> 00:01:04,540  
Roswell back in 1947

11  
00:01:02,380 --> 00:01:07,420  
yeah so we're top it in the eb1 'mobile

12  
00:01:04,540 --> 00:01:08,680  
then we're taking a 19-hour trip from

13  
00:01:07,420 --> 00:01:11,849  
where we live to Roswell New Mexico

14  
00:01:08,680 --> 00:01:15,640  
check it out yeah and our first sound

15  
00:01:11,849 --> 00:01:17,500  
boom International UFO museum and a

16  
00:01:15,640 --> 00:01:19,480  
research center which has a lot of cool

17  
00:01:17,500 --> 00:01:21,010  
stuff guys so if you're ever in Roswell

18  
00:01:19,480 --> 00:01:22,750  
make sure you check it out it's only 5

19  
00:01:21,010 --> 00:01:27,240  
bucks to get in and they've got lots of

20  
00:01:22,750 --> 00:01:27,239  
stuff on display so here's a little tour

21  
00:01:38,049 --> 00:01:41,420  
one of the coolest things maybe

22  
00:01:40,430 --> 00:01:43,340  
something's iam is this piece of

23  
00:01:41,420 --> 00:01:45,228  
wreckage right here actual wreckage

24  
00:01:43,340 --> 00:01:46,850  
debris that was the coolest thing that

25  
00:01:45,228 --> 00:01:48,829  
we saw at the Museum is ash on display

26  
00:01:46,849 --> 00:01:55,219  
so to learn more about ever to sit down

27  
00:01:48,829 --> 00:01:56,810  
here with Beth she tells all time you'd

28  
00:01:55,219 --> 00:02:00,368  
be safe to say that pretty much any

29

00:01:56,810 --> 00:02:04,929  
prominent ufologist has set their

30  
00:02:00,368 --> 00:02:04,929  
absolute so what are you holding there

31  
00:02:09,189 --> 00:02:16,039  
it's absolutely fascinating just imagine

32  
00:02:13,939 --> 00:02:19,280  
if this was metal and I remember hearing

33  
00:02:16,039 --> 00:02:22,609  
that because symbols appeared when you

34  
00:02:19,280 --> 00:02:31,219  
would look at it in indirect indirect

35  
00:02:22,610 --> 00:02:34,160  
light right like reflective autopsy

36  
00:02:31,219 --> 00:02:36,919  
display that came from direct

37  
00:02:34,159 --> 00:02:38,989  
recognition what are your thoughts on

38  
00:02:36,919 --> 00:02:46,699  
disclosure do you think it on that time

39  
00:02:38,989 --> 00:03:00,890  
I don't think anybody has the right to

40  
00:02:46,699 --> 00:03:03,409  
say it's to control I gotta go

41  
00:03:00,889 --> 00:03:06,048  
go find her she's in our space poking

42  
00:03:03,409 --> 00:03:09,469  
some guy you know what that's like they

43  
00:03:06,049 --> 00:03:11,739

have some back row and not you like

44

00:03:09,469 --> 00:03:11,739  
cheese

45

00:03:18,629 --> 00:03:22,930  
dude I'm so excited to actually head out

46

00:03:21,280 --> 00:03:25,360  
to where this crash happened yeah I

47

00:03:22,930 --> 00:03:26,739  
wasn't there was a it's one of our

48

00:03:25,360 --> 00:03:28,450  
dreams as a kid to go check out this

49

00:03:26,739 --> 00:03:30,849  
place - about aliens it's all we talked

50

00:03:28,449 --> 00:03:32,409  
about when we're kids is aliens and UFOs

51

00:03:30,848 --> 00:03:34,629  
and all that stuff so we're like

52

00:03:32,409 --> 00:03:37,750  
actually going and so the next episode

53

00:03:34,629 --> 00:03:42,250  
you guys will see how hard actually is

54

00:03:37,750 --> 00:03:43,780  
defined ah Italy hard piece to find it's

55

00:03:42,250 --> 00:03:47,699  
a needle in the haystack for sure but we

56

00:03:43,780 --> 00:03:56,310  
found it just like my chin my chin - but

57

00:03:47,699 --> 00:03:59,310  
look at that see I mean next episode ah

58

00:03:56,310 --> 00:03:59,310

okay

59

00:04:04,229 --> 00:04:14,459

Roselyn take a look around

60

00:04:20,519 --> 00:04:25,540

all right you guys I think that we're

61

00:04:22,629 --> 00:04:31,949

here we see something but she just kind

62

00:04:25,540 --> 00:04:36,270

of turned around to see bro oh that's it

63

00:04:31,949 --> 00:04:36,269

we're here forget it man
