

1
00:00:21,949 --> 00:00:31,559
hey what's up everybody I'm Emmett i'm

2
00:00:25,170 --> 00:00:33,929
joe and we are the uff oh hey now gross

3
00:00:31,559 --> 00:00:39,448
and we're coming to your life from the

4
00:00:33,929 --> 00:00:42,119
facility again what facel I the favela

5
00:00:39,448 --> 00:00:46,158
like where we are continually monitored

6
00:00:42,119 --> 00:00:48,928
on a minute per minute basis tiffany is

7
00:00:46,158 --> 00:00:51,719
from the eighties and she was discovered

8
00:00:48,929 --> 00:00:53,429
as a mall reactor I'm sorry yes you

9
00:00:51,719 --> 00:00:56,399
should be Donald Trump because you don't

10
00:00:53,429 --> 00:00:59,100
know who tiffany really is wrong no i'm

11
00:00:56,399 --> 00:01:01,048
completely right that's right thank you

12
00:00:59,100 --> 00:01:03,239
so we're gonna go ahead and move on with

13
00:01:01,048 --> 00:01:06,180
this and we're really excited because

14
00:01:03,238 --> 00:01:07,859
today we haven't really got a chance to

15
00:01:06,180 --> 00:01:10,770
talk about this because not even a

16
00:01:07,859 --> 00:01:13,340
naughty there's big because we've been

17
00:01:10,769 --> 00:01:16,319
so wrapped up in the whole roswell a

18
00:01:13,340 --> 00:01:19,109
three-part i guess you could call it you

19
00:01:16,319 --> 00:01:21,439
know documentary episode it's just about

20
00:01:19,109 --> 00:01:24,090
there guys just hang a little bit longer

21
00:01:21,439 --> 00:01:26,759
just hold your horses a little bit

22
00:01:24,090 --> 00:01:33,000
longer for the third episode and you'll

23
00:01:26,760 --> 00:01:35,460
get to see what we find when we trespass

24
00:01:33,000 --> 00:01:38,040
on private property and make our way out

25
00:01:35,459 --> 00:01:39,929
into the middle of the middle of nowhere

26
00:01:38,040 --> 00:01:41,130
where there is something quite

27
00:01:39,930 --> 00:01:42,540
interesting there that a lot of people

28
00:01:41,129 --> 00:01:44,879
don't know about so you'll find out

29

00:01:42,540 --> 00:01:45,990
about that in the third episode and then

30
00:01:44,879 --> 00:01:49,649
of course you know we do a little

31
00:01:45,989 --> 00:01:51,959
digging around but once we get this done

32
00:01:49,650 --> 00:01:53,280
and we kind of get through the Roswell

33
00:01:51,959 --> 00:01:55,349
thing i'm excited because i think i

34
00:01:53,280 --> 00:01:58,680
think what's up next on the list is our

35
00:01:55,349 --> 00:02:01,469
area 51 stuff so that was actually

36
00:01:58,680 --> 00:02:03,400
pretty fun to be honest with you that

37
00:02:01,469 --> 00:02:06,010
was

38
00:02:03,400 --> 00:02:08,439
awesome and just for the listeners and

39
00:02:06,010 --> 00:02:11,620
followers at home it was totally spur of

40
00:02:08,439 --> 00:02:13,060
the moment we were having a kind of a

41
00:02:11,620 --> 00:02:14,980
weird couple days and we were like let's

42
00:02:13,060 --> 00:02:19,030
do something crazy what are we going to

43
00:02:14,979 --> 00:02:22,629

do and we hopped in the van and we went

44

00:02:19,030 --> 00:02:24,580

down to area 51 and first night this was

45

00:02:22,629 --> 00:02:27,789

at off our trip and that is what

46

00:02:24,580 --> 00:02:31,710

actually made us want to be the UFO bros

47

00:02:27,789 --> 00:02:34,479

because it was such a spontaneous trip

48

00:02:31,710 --> 00:02:37,450

with like with like no money we slept in

49

00:02:34,479 --> 00:02:39,969

the van the whole time and it was

50

00:02:37,449 --> 00:02:44,769

actually totally magnificent and amazing

51

00:02:39,969 --> 00:02:47,229

and just everything you could expect out

52

00:02:44,770 --> 00:02:50,830

of a last-minute super exciting

53

00:02:47,229 --> 00:02:52,629

adventure yes and there is something to

54

00:02:50,830 --> 00:02:55,420

be said about driving out in the desert

55

00:02:52,629 --> 00:02:57,579

at night and just seeing it as only

56

00:02:55,419 --> 00:02:59,409

makes common sense that's something that

57

00:02:57,580 --> 00:03:02,170

everybody should do right Donald because

58
00:02:59,409 --> 00:03:05,469
you go out under the stars you see the

59
00:03:02,169 --> 00:03:08,500
Milky Way you see all of the beautiful

60
00:03:05,469 --> 00:03:10,090
stars just which are normally drowned

61
00:03:08,500 --> 00:03:13,389
out by light pollution in cities and

62
00:03:10,090 --> 00:03:17,080
crap like that so thank you for noticing

63
00:03:13,389 --> 00:03:19,179
though and you know I think that's where

64
00:03:17,080 --> 00:03:20,709
we really got our not long I think

65
00:03:19,180 --> 00:03:23,769
that's where we got our first case to

66
00:03:20,709 --> 00:03:27,280
that taste taste taste of cows wouldn't

67
00:03:23,769 --> 00:03:29,500
you say Joe yeah well not I mean I mean

68
00:03:27,280 --> 00:03:34,419
not taste like well actually we had a

69
00:03:29,500 --> 00:03:36,159
hamburger they had no real didn't care

70
00:03:34,419 --> 00:03:37,869
then we'll stand right in the middle of

71
00:03:36,159 --> 00:03:40,030
it they'll look at you yeah you to hit

72
00:03:37,870 --> 00:03:42,370
it you guys if you know head out there

73
00:03:40,030 --> 00:03:44,819
in 51 make sure you have double

74
00:03:42,370 --> 00:03:47,799
brightness because those sons of bitches

75
00:03:44,819 --> 00:03:52,030
yeah you can be out in the middle of the

76
00:03:47,799 --> 00:03:54,969
dark firkin desert holland acid 75 miles

77
00:03:52,030 --> 00:03:56,259
an hour and just dilute and hit and hit

78
00:03:54,969 --> 00:03:59,310
a cow hanging out in the middle of the

79
00:03:56,259 --> 00:04:01,959
road so we went that hit the spot it did

80
00:03:59,310 --> 00:04:04,390
it did many cows were hitting that spot

81
00:04:01,959 --> 00:04:05,920
it was there's so many cows we did a

82
00:04:04,389 --> 00:04:07,958
couple little things you guys will see

83
00:04:05,919 --> 00:04:09,849
later on so there's nothing out there

84
00:04:07,959 --> 00:04:12,519
man and we drive out to what's called

85
00:04:09,849 --> 00:04:15,789
Rachel Nevada and we end up at the alien

86

00:04:12,519 --> 00:04:17,170
and for those of you who don't know you

87
00:04:15,789 --> 00:04:21,849
got to check out the movie

88
00:04:17,170 --> 00:04:24,850
all that will explain what the alien is

89
00:04:21,850 --> 00:04:26,710
all businesses explain it but it's

90
00:04:24,850 --> 00:04:28,540
featured in that movie and it is

91
00:04:26,709 --> 00:04:31,599
literally a little literally a little

92
00:04:28,540 --> 00:04:33,850
diner out in middle of the desert your

93
00:04:31,600 --> 00:04:37,420
file yeah hey sorry my tongue is a

94
00:04:33,850 --> 00:04:39,490
tripping tonight and they make breakfast

95
00:04:37,420 --> 00:04:42,189
and lunch and they have a bar there and

96
00:04:39,490 --> 00:04:44,259
table in that little gift area yeah and

97
00:04:42,189 --> 00:04:46,180
it's these nice little ladies that come

98
00:04:44,259 --> 00:04:47,800
out and they run it and they're they're

99
00:04:46,180 --> 00:04:49,990
great to interact with they love to talk

100
00:04:47,800 --> 00:04:51,699

about UFOs and they'll be the first to

101

00:04:49,990 --> 00:04:54,879

sit down and chat with the audit I all

102

00:04:51,699 --> 00:04:57,819

kinds of pictures of famous people yeah

103

00:04:54,879 --> 00:05:00,990

they've got pictures with Bob Lazar yeah

104

00:04:57,819 --> 00:05:03,819

pictures with George Knapp pictures with

105

00:05:00,990 --> 00:05:08,139

Stanton Friedman petrie pictures with

106

00:05:03,819 --> 00:05:10,269

Linda Moulton Howe pictures with dr.

107

00:05:08,139 --> 00:05:12,939

Steven Greer there's less basically

108

00:05:10,269 --> 00:05:15,849

anybody or an authority art bells etc

109

00:05:12,939 --> 00:05:18,490

that is popular within the you follow G

110

00:05:15,850 --> 00:05:21,600

community is somebody who have probably

111

00:05:18,490 --> 00:05:23,769

been there and they'll tell you yeah and

112

00:05:21,600 --> 00:05:26,200

by the way when you go make sure you

113

00:05:23,769 --> 00:05:27,909

check out under the bar there is just

114

00:05:26,199 --> 00:05:31,180

like I don't even know how many dollar

115
00:05:27,910 --> 00:05:33,340
bills I don't know probably hundreds and

116
00:05:31,180 --> 00:05:35,290
hundreds of one dollar bills just yeah

117
00:05:33,339 --> 00:05:37,299
floating from the bar ceiling it's

118
00:05:35,290 --> 00:05:38,860
pretty it's pretty like it's a spectacle

119
00:05:37,300 --> 00:05:41,020
it's like really cool and lots of people

120
00:05:38,860 --> 00:05:42,879
have signed them and stuff so make sure

121
00:05:41,019 --> 00:05:45,430
you go check about check out the alien

122
00:05:42,879 --> 00:05:48,159
when you're there just make a plan to

123
00:05:45,430 --> 00:05:51,670
stop there and then give you the best

124
00:05:48,160 --> 00:05:53,760
direction to and by the way there is

125
00:05:51,670 --> 00:05:56,530
multiple ways and there's multiple gates

126
00:05:53,759 --> 00:05:59,560
multiple gates and multiple ways to

127
00:05:56,529 --> 00:06:03,250
actually get into area 51 well not get

128
00:05:59,560 --> 00:06:06,250
in but get into the vicinity of and I

129
00:06:03,250 --> 00:06:10,180
will say we were not expecting to take

130
00:06:06,250 --> 00:06:12,339
our soccer mom van off roading that's

131
00:06:10,180 --> 00:06:16,389
right I'm like us we're gonna get a flat

132
00:06:12,339 --> 00:06:20,500
tire here to reload I well at least it

133
00:06:16,389 --> 00:06:23,339
was in Roswell shooting on you least it

134
00:06:20,500 --> 00:06:25,480
was in Roswell and not an area 51 cuz

135
00:06:23,339 --> 00:06:27,159
actually they were both just as equally

136
00:06:25,480 --> 00:06:31,610
remote you think that

137
00:06:27,160 --> 00:06:33,229
so we get there and all of this

138
00:06:31,610 --> 00:06:36,080
excitement you just can't wait to get

139
00:06:33,228 --> 00:06:38,689
there and then and then you're there and

140
00:06:36,079 --> 00:06:41,089
it's exactly what everybody says it is

141
00:06:38,689 --> 00:06:43,279
it's exactly what's shown on all

142
00:06:41,089 --> 00:06:48,348
websites on all movies etc it is

143

00:06:43,279 --> 00:06:51,379
literally a line a few posts with very

144
00:06:48,348 --> 00:06:54,259
specific and straight to the point no

145
00:06:51,379 --> 00:06:56,719
trespassing signs that deadly force is

146
00:06:54,259 --> 00:06:59,360
authorized no drones basically they

147
00:06:56,720 --> 00:07:04,419
don't want you there and if you step

148
00:06:59,360 --> 00:07:08,210
over the line they can legally shoot you

149
00:07:04,418 --> 00:07:10,969
so our it's a felony yes the you know

150
00:07:08,209 --> 00:07:13,189
dollar fine six months in jail type of

151
00:07:10,970 --> 00:07:14,870
thing yes but the ultimate thing that

152
00:07:13,189 --> 00:07:17,269
could happen is you they have the legal

153
00:07:14,870 --> 00:07:18,740
authority to terminate yeah it is

154
00:07:17,269 --> 00:07:20,060
there's also a wall-e out there that's

155
00:07:18,740 --> 00:07:22,550
watching you so you don't worry about it

156
00:07:20,060 --> 00:07:27,500
you guys there is this wall-e robot it

157
00:07:22,550 --> 00:07:30,860

is super weird you go out there I'll

158

00:07:27,500 --> 00:07:32,839

tell you we went to the how is it what

159

00:07:30,860 --> 00:07:34,639

gate that is we were the first of those

160

00:07:32,839 --> 00:07:36,469

decimal it took us like an almost an

161

00:07:34,639 --> 00:07:38,418

hour and a half to get there I think

162

00:07:36,470 --> 00:07:40,789

that was like I'm not sure what gated is

163

00:07:38,418 --> 00:07:44,240

folks but it was a long way to get there

164

00:07:40,788 --> 00:07:46,339

we arrived and we we just kind of get

165

00:07:44,240 --> 00:07:49,189

out start walking around checking things

166

00:07:46,339 --> 00:07:51,529

out we see the camo dudes up on the hill

167

00:07:49,189 --> 00:07:54,259

so we go a little duck so we kind of got

168

00:07:51,529 --> 00:07:57,319

ya on a hill across from it you know of

169

00:07:54,259 --> 00:07:58,968

course on the safe side and we're up

170

00:07:57,319 --> 00:08:00,589

there messing around you know just talk

171

00:07:58,968 --> 00:08:03,079

in Willow and we're seeing they were

172
00:08:00,589 --> 00:08:04,879
like why is your campfire over here yeah

173
00:08:03,079 --> 00:08:06,529
we were looking at this campfire and by

174
00:08:04,879 --> 00:08:08,629
the way that's when we realize you can

175
00:08:06,529 --> 00:08:10,429
actually you can camp out there because

176
00:08:08,629 --> 00:08:12,110
you can so if you guys want to go out

177
00:08:10,430 --> 00:08:14,120
there just find where the campfire is

178
00:08:12,110 --> 00:08:16,009
put your 10 up you get sleep with the

179
00:08:14,120 --> 00:08:17,569
slot you could sleep under the school I

180
00:08:16,009 --> 00:08:19,189
can with the clever thing is is that

181
00:08:17,569 --> 00:08:21,259
when we were walking down alley in the

182
00:08:19,189 --> 00:08:24,589
wali I shut the hell up when I was

183
00:08:21,259 --> 00:08:25,699
walking down I notice I like looked and

184
00:08:24,589 --> 00:08:27,288
all of a sudden that thing's staring

185
00:08:25,699 --> 00:08:28,490
right at me and it's extended I'm like

186
00:08:27,288 --> 00:08:30,050
dinner things watching me is like no

187
00:08:28,490 --> 00:08:32,818
it's not I was like

188
00:08:30,050 --> 00:08:35,278
no it's not always walk down and get to

189
00:08:32,818 --> 00:08:37,198
the road and we look at it in it it it

190
00:08:35,278 --> 00:08:39,649
turned towards us and went down and just

191
00:08:37,198 --> 00:08:44,008
look straight at it so there's always

192
00:08:39,649 --> 00:08:45,690
creepiest thing to describe you're out

193
00:08:44,009 --> 00:08:48,659
in the middle of frickin nowhere and

194
00:08:45,690 --> 00:08:50,970
your soccer mom van and you're with your

195
00:08:48,659 --> 00:08:54,179
bro and you're hanging out big-ass green

196
00:08:50,970 --> 00:08:59,339
alien and a big blowup alien with eb art

197
00:08:54,179 --> 00:09:02,039
r EV and you see these eyes from a robot

198
00:08:59,339 --> 00:09:04,019
you know telescope up and start

199
00:09:02,039 --> 00:09:06,088
following you and it's crazy because as

200

00:09:04,019 --> 00:09:09,209
you walk side to side the thing follows

201
00:09:06,089 --> 00:09:11,490
you yeah and there's also they have oh

202
00:09:09,208 --> 00:09:13,349
hey we've got people in the chat room we

203
00:09:11,490 --> 00:09:15,750
need to turn that over oh right take a

204
00:09:13,350 --> 00:09:19,290
break people take a break we're 51 hey

205
00:09:15,750 --> 00:09:22,019
we've got a lien on board board by the

206
00:09:19,289 --> 00:09:23,730
way where have you been we have not seen

207
00:09:22,019 --> 00:09:27,089
you for a while it has been a while I

208
00:09:23,730 --> 00:09:28,528
mean inedible unacceptable we want to

209
00:09:27,089 --> 00:09:32,610
see more alien on board you're one of

210
00:09:28,528 --> 00:09:34,799
our favs so he says guys I just had

211
00:09:32,610 --> 00:09:37,430
someone on Twitter who said he was

212
00:09:34,799 --> 00:09:41,219
hiking near the Air Force Base s4 and

213
00:09:37,429 --> 00:09:44,729
saw something he should some kind of

214
00:09:41,220 --> 00:09:47,310

teleportation device I guess silently

215

00:09:44,730 --> 00:09:52,589

hovering and has some videos and

216

00:09:47,309 --> 00:09:55,289

pictures of it and I guess he's used

217

00:09:52,589 --> 00:09:56,689

techno cool use texted these pictures of

218

00:09:55,289 --> 00:10:00,059

you well let me tell you alien on board

219

00:09:56,688 --> 00:10:01,679

if feel free to shoot that over to us

220

00:10:00,059 --> 00:10:04,500

I'm not really sure which Air Force Base

221

00:10:01,679 --> 00:10:06,208

is s for the s4 is one of the side the

222

00:10:04,500 --> 00:10:09,179

mountain well but that's not an Air

223

00:10:06,208 --> 00:10:12,419

Force Base that is a facility within the

224

00:10:09,179 --> 00:10:15,120

area encompasses so part of its still

225

00:10:12,419 --> 00:10:17,219

yeah s4 yeah it's still part of it i'm a

226

00:10:15,120 --> 00:10:18,600

don't know if you can be hiking near s4

227

00:10:17,220 --> 00:10:22,139

you're not supposed to be got in there

228

00:10:18,600 --> 00:10:25,230

somehow there is a gentleman i gotta

229

00:10:22,139 --> 00:10:28,139

remember his name I don't remember if

230

00:10:25,230 --> 00:10:29,930

anybody is on Twitter Instagram or you

231

00:10:28,139 --> 00:10:32,519

can join us in this freaker chat room

232

00:10:29,929 --> 00:10:35,039

tell me I know there is a man that

233

00:10:32,519 --> 00:10:36,629

actually walked through area 51 and

234

00:10:35,039 --> 00:10:40,879

literally walked through the Papoose

235

00:10:36,629 --> 00:10:42,740

lake where s4 is and came back alive

236

00:10:40,879 --> 00:10:47,509

apparently it has something to do with

237

00:10:42,740 --> 00:10:50,000

the the pioneers and going through the

238

00:10:47,509 --> 00:10:52,519

desert and leaving certain markings and

239

00:10:50,000 --> 00:10:54,350

things as they go and I guess this guy

240

00:10:52,519 --> 00:10:56,600

was able to travel and find all the

241

00:10:54,350 --> 00:10:59,240

markings except for one is but one

242

00:10:56,600 --> 00:11:03,080

specifically that was actually in huh

243
00:10:59,240 --> 00:11:06,769
that area and I don't I know he did say

244
00:11:03,080 --> 00:11:08,629
though in I believe it's an article or a

245
00:11:06,769 --> 00:11:10,189
book you guys I can't remember that he

246
00:11:08,629 --> 00:11:12,980
was sleeping out in the middle of the

247
00:11:10,190 --> 00:11:16,070
desert and he said he saw what looked

248
00:11:12,980 --> 00:11:19,279
like a door that opened up in the middle

249
00:11:16,070 --> 00:11:23,930
of nowhere with light and he said he saw

250
00:11:19,279 --> 00:11:25,370
some people and then the lights like

251
00:11:23,929 --> 00:11:27,439
like the door closed and light went away

252
00:11:25,370 --> 00:11:29,720
and it was just like it like I literally

253
00:11:27,440 --> 00:11:32,890
somebody opened up a door in the middle

254
00:11:29,720 --> 00:11:35,509
of the desert in the middle of the night

255
00:11:32,889 --> 00:11:36,830
creepy yeah I have to remember his name

256
00:11:35,509 --> 00:11:40,090
maybe you guys can help me out by the

257

00:11:36,830 --> 00:11:44,650

286
00:12:57,759 --> 00:13:01,000
mean yeah we've got our friends here in

287
00:12:59,679 --> 00:13:04,329
the chat room they're mostly just saying

288
00:13:01,000 --> 00:13:07,720

00:13:04,330 --> 00:13:09,400

295
00:13:26,110 --> 00:13:29,889
we're trying to be really quiet right

296
00:13:27,070 --> 00:13:32,170
now because we don't want to be seeing

297
00:13:29,889 --> 00:13:35,230
or heard we've got a minute and 30

298
00:13:32,169 --> 00:13:37,269
seconds left so back to the area 51

299
00:13:35,230 --> 00:13:39,190

300
00:13:37,269 --> 00:13:40,419

302
00:13:40,419 --> 00:13:45,250

304
00:13:45,250 --> 00:13:52,269
