live from the facility so I I gotta say

4
00:00:29,559 --> 00:00:34,229
things have died down a little bit at

5
00:00:31,510 --> 00:00:37,090
the facility mainly because of the or a

6
00:00:34,229 --> 00:00:41,679
beldam problem but now that that's kind

7
00:00:37,090 --> 00:00:46,659
of now that that is kind of cleared up

8
00:00:41,679 --> 00:00:50,439
we are back under scrutiny an

9
00:00:46,658 --> 00:00:51,969
investigation and Christopher Walken is

got some really cool updated news and he

26
00:01:44,858 --> 00:01:50,589
went there specifically by himself so

27
00:01:47,909 --> 00:01:52,359
deftly specifically not by himself but

28
00:01:50,590 --> 00:01:52,810
he went there we're not there he went

29

00:01:52,358 --> 00:01:54,879
there

30
00:01:52,810 --> 00:01:58,179
yes by him so I don't know he was fine

31
00:01:54,879 --> 00:01:59,858

you're probably listening after this

38
00:02:13,810 --> 00:02:24,759
podcast is happening actually properly

39
00:02:17,739 --> 00:02:26,289

we're having can we mix that one from

47

00:02:48,789 --> 00:02:57,068

the sound board Joe please thanks

48

00:02:51,489 --> 00:03:02,079

because that one just is not so that's

49

00:02:57,068 --> 00:03:05,828

spreker.com SPR ii AKA art.com

50

00:03:02,079 --> 00:03:08,650

chord slash UFO Bros TV we are on all

51

00:03:05,829 --> 00:03:14,739

things social media so following Twitter

52

00:03:08,650 --> 00:03:17,889

is at uf0 Bros TV and that's because

53

00:03:14,739 --> 00:03:19,509

Twitter took our original UFO Bros TV

54

00:03:17,889 --> 00:03:21,280

locked it down and won't give it back to

55

00:03:19,509 --> 00:03:24,068

us so no yes

56

00:03:21,280 --> 00:03:26,310

I like wrote Twitter and I was like can

57

00:03:24,068 --> 00:03:29,018

you unlock my account and they were like

58
00:03:26,310 --> 00:03:33,669
nope and I was like please and they were

59
00:03:29,019 --> 00:03:36,209
like nope and so I was like please again

60
00:03:33,669 --> 00:03:36,209
and they were like

61
00:03:36,469 --> 00:03:52,030
oh no and they were like Gong you are

62
00:03:51,199 --> 00:03:55,189
out of control

63
00:03:52,030 --> 00:03:57,949
your and I think it's been a while Joe

64
00:03:55,189 --> 00:04:01,819
since we've done a probe cast on a

65
00:03:57,949 --> 00:04:04,239
Saturday night at 9 p.m. yeah so so far

66
00:04:01,819 --> 00:04:06,109
so good

67
00:04:04,240 --> 00:04:10,189
did you say kids

68
00:04:06,110 --> 00:04:11,600
yeah got kids what are those anyway are

69
00:04:10,189 --> 00:04:13,189
they like those little short people that

70
00:04:11,599 --> 00:04:16,370
run around and get into things and yeah

71
00:04:13,189 --> 00:04:17,810
they do this thing called crying and

72
00:04:16,370 --> 00:04:29,629
they always want like a pudding snack or

73
00:04:17,810 --> 00:04:33,110
something I love this road time by the

74
00:04:29,629 --> 00:04:35,089
way I think oh well that's not the hey

75
00:04:33,110 --> 00:04:37,610
we need to tell people about bro zoning

76
00:04:35,089 --> 00:04:40,039
we've never talked about it like we've

77
00:04:37,610 --> 00:04:46,000
mentioned it but we have not talked

78
00:04:40,040 --> 00:04:46,000
about bro zoning so we're gonna do that

79
00:04:47,019 --> 00:04:52,539
[Music]

80
00:04:48,810 --> 00:04:58,990
Frozone Rosa Rosa

81
00:04:52,540 --> 00:05:00,189
it's the Frozone layer I have a tendency

82
00:04:58,990 --> 00:05:03,129
to think of the same thing at the same

83
00:05:00,189 --> 00:05:06,189
time it's super eerie y'all I'll tell

84
00:05:03,129 --> 00:05:08,769
you because we've been on many trips and

85
00:05:06,189 --> 00:05:12,399
we've done many things together in the

86

00:05:08,769 --> 00:05:14,019
spirit of UFOs and extraterrestrials and

87
00:05:12,399 --> 00:05:17,949
the stories and all these great things

88
00:05:14,019 --> 00:05:20,409
and we always have a moment it feels

89
00:05:17,949 --> 00:05:21,849
like we're we just reconnect and we like

90
00:05:20,410 --> 00:05:22,420
can literally finish each other's

91
00:05:21,850 --> 00:05:32,760
sentences

92
00:05:22,420 --> 00:05:35,410
so easy so that's what bro zoning is and

93
00:05:32,759 --> 00:05:40,110
we're back because we're out of the

94
00:05:35,410 --> 00:05:43,000
frozen that was pretty much that was it

95
00:05:40,110 --> 00:05:44,770
it's cool and we're doing it more what

96
00:05:43,000 --> 00:05:49,810
did we what happened today Joe that we

97
00:05:44,769 --> 00:05:52,899
did it on that stupid movie a Christmas

98
00:05:49,810 --> 00:05:57,240
toy from was that in the 80s Joe yeah

99
00:05:52,899 --> 00:06:00,849
back in the 80s there was this it's so

100
00:05:57,240 --> 00:06:02,920

obscure and random essentially here's

101

00:06:00,850 --> 00:06:07,000

the way I put it it's the Toy Story

102

00:06:02,920 --> 00:06:08,319

movie the Toy Story story yeah but with

103

00:06:07,000 --> 00:06:10,360

puppets

104

00:06:08,319 --> 00:06:17,439

it's a Jim Hansen cleaner Jim Henson

105

00:06:10,360 --> 00:06:19,000

production back in the 80s and it's

106

00:06:17,439 --> 00:06:21,579

about this toy that gets forgotten

107

00:06:19,000 --> 00:06:24,490

because the new flashy toy comes and

108

00:06:21,579 --> 00:06:28,269

it's the biggest bestest thing basically

109

00:06:24,490 --> 00:06:31,389

like Toy Story and anyway to sum it all

110

00:06:28,269 --> 00:06:37,000

up it was just so weird today we I said

111

00:06:31,389 --> 00:06:38,379

to Joe I wish no I said this Christmas

112

00:06:37,000 --> 00:06:39,490

we're not gonna have a bed we're gonna

113

00:06:38,379 --> 00:06:42,339

have a great Christmas this Christmas

114

00:06:39,490 --> 00:06:46,290

right like like back in the day yeah and

115
00:06:42,339 --> 00:06:46,289
then and then you said

116
00:06:49,199 --> 00:06:55,030
does it mean like cat toy

117
00:06:51,519 --> 00:07:00,099
and I said no frickin way I was just

118
00:06:55,029 --> 00:07:13,929
thinking of that Lu awkward so there you

119
00:07:00,100 --> 00:07:15,040
go that was our pros own for the day for

120
00:07:13,930 --> 00:07:19,750
any of you that have eardrums I

121
00:07:15,040 --> 00:07:21,639
apologize I shut down actually the

122
00:07:19,750 --> 00:07:24,250
microphone fell down during that little

123
00:07:21,639 --> 00:07:28,060
bit shall we call it so I we do

124
00:07:24,250 --> 00:07:32,040
apologize we are getting better crap Joe

125
00:07:28,060 --> 00:07:35,168
we're gonna invest in new microphones

126
00:07:32,040 --> 00:07:40,120
new mixer and some things that I think's

127
00:07:35,168 --> 00:07:45,819
gonna turn I'm calling it

128
00:07:40,120 --> 00:07:49,959
UFO Bros HD HD as in huge

129
00:07:45,819 --> 00:08:00,519

some Rendlesham forest information for

133
00:08:07,120 --> 00:08:14,110

we've had a lot of interaction on social

144
00:08:52,089 --> 00:08:58,480
media with a lot of these like UFO cons

145
00:08:53,830 --> 00:08:59,650

146
00:08:58,480 --> 00:09:01,509

00:08:59,649 --> 00:09:05,199
where everybody goes it's like a con or

148
00:09:01,509 --> 00:09:07,779

149
00:09:05,200 --> 00:09:11,560
love from them so yeah hey if you guys

150
00:09:07,779 --> 00:09:14,439

whatever let the people know we do a

152
00:09:14,440 --> 00:09:21,370
really really funny presentation that I

153
00:09:19,000 --> 00:09:24,070
think most people would enjoy and the

154
00:09:21,370 --> 00:09:24,879
premise behind it is a good one of

155
00:09:24,070 --> 00:09:27,250
course

156
00:09:24,879 --> 00:09:31,230
tell everybody what that is but you have

157
00:09:27,250 --> 00:09:34,120

been commenting on our last podcast

166

00:10:06,100 --> 00:10:11,100

thank you for that we talked about the

167

00:10:08,889 --> 00:10:13,389

connection between the Nazi bell and

168

00:10:11,100 --> 00:10:15,399

Kecksburg Pennsylvania incident they're

169

00:10:13,389 --> 00:10:18,429

two very similar incidents and he

170

00:10:15,399 --> 00:10:22,419

tweeted us saying it's basically it's

171

00:10:18,429 --> 00:10:26,189

interesting that nobody talks about that

172
00:10:22,419 --> 00:10:29,889
connection and I said hey we do so

173
00:10:26,190 --> 00:10:31,690
that's right and if you're listening and

174
00:10:29,889 --> 00:10:33,649
you want to know about the Kecksburg

175
00:10:31,690 --> 00:10:38,510
Pennsylvania

176
00:10:33,649 --> 00:10:41,939
crash I guess you could call it and the

177
00:10:38,509 --> 00:10:45,120
UFO I guess you could not UFO sorry the

178
00:10:41,940 --> 00:10:48,000

179
00:10:45,120 --> 00:10:54,389

181
00:10:54,389 --> 00:10:57,990

182

183
00:10:57,990 --> 00:11:03,029
good luck back lock sounds like

184
00:11:01,740 --> 00:11:06,419

and Emery thank you

192
00:11:28,259 --> 00:11:37,830
and here's a quick social update show on

193
00:11:31,759 --> 00:11:40,080
our poll we did a poll which asked which

194
00:11:37,830 --> 00:11:43,200
ufologist should we interview on our

195
00:11:40,080 --> 00:11:45,360
probe cast and remember we had before we

196
00:11:43,200 --> 00:11:48,080
had Giorgio tsoukalos we had dr. Steven

197
00:11:45,360 --> 00:11:56,090
Greer Linda Moulton Howe and Bob Lazar

198
00:11:48,080 --> 00:12:01,500
yes who the winner was Giorgio tsoukalos

199
00:11:56,090 --> 00:12:02,240
five-car and then Bob Lazar with second

200

00:12:01,500 --> 00:12:05,039
place

201
00:12:02,240 --> 00:12:08,120
funny thing dr. Steven Greer I'm so

202
00:12:05,039 --> 00:12:08,120
sorry but you came in last

203
00:12:10,889 --> 00:12:18,870
we're getting to it that one I like that

204
00:12:16,559 --> 00:12:24,869
one was really loud man

205
00:12:18,870 --> 00:12:27,690
yes oh jeez the soundboard master here's

206
00:12:24,870 --> 00:12:29,810
the thing Joe you have to learn to do

207
00:12:27,690 --> 00:12:33,180
the timing of the soundboard right I

208
00:12:29,809 --> 00:12:35,849
usually am right on cue well we were I I

209
00:12:33,179 --> 00:12:41,159
mean we which is high in you we're told

210
00:12:35,850 --> 00:12:42,990
there's no 99 fire you you know for you

211
00:12:41,159 --> 00:12:45,449
to tell me to fire myself no there was a

212
00:12:42,990 --> 00:12:47,549
youtube commenter that told us which is

213
00:12:45,450 --> 00:12:50,310
you and need for me to tell you because

214
00:12:47,549 --> 00:12:54,019

I'm not you that you indeed aspire for

215

00:12:50,309 --> 00:12:58,009

your irresponsibility on the sound

216

00:12:54,019 --> 00:12:58,009

irresponsibility on the sound like just

217

00:12:58,789 --> 00:13:04,259

you anyway all right

218

00:13:02,370 --> 00:13:06,659

by the way I'm gonna do just like a

219

00:13:04,259 --> 00:13:09,539

basic summary here on the Rendlesham

220

00:13:06,659 --> 00:13:11,240

forest incident and then we're going to

221

00:13:09,539 --> 00:13:18,870

take a short break and we're gonna call

222

00:13:11,240 --> 00:13:20,789

alien on board bring him aboard by the

223

00:13:18,870 --> 00:13:27,060

way we've got some really cool video and

224

00:13:20,789 --> 00:13:29,909

pictures to share - so the Rendlesham

225

00:13:27,059 --> 00:13:33,959

forest incident i mean it's also known

226

00:13:29,909 --> 00:13:35,639

as Britain's Roswell is undoubtedly one

227

00:13:33,960 --> 00:13:37,800

of the best documented and most

228

00:13:35,639 --> 00:13:41,639

significant military encounters with a

229
00:13:37,799 --> 00:13:43,709
craft of unknown origin or UFO basically

230
00:13:41,639 --> 00:13:48,559
this incident spans several days way

231
00:13:43,710 --> 00:13:52,710
back in 1980 in the revolution forest

232
00:13:48,559 --> 00:13:57,929
which is like a large pine forest in

233
00:13:52,710 --> 00:14:01,920
Suffolk England nearby the two NATO air

234
00:13:57,929 --> 00:14:05,659
bases and so basically this happened

235
00:14:01,919 --> 00:14:08,579
between two bases

236
00:14:05,659 --> 00:14:14,179
RAF Bentwaters and RAF Woodbridge by the

237
00:14:08,580 --> 00:14:17,879
way other new air bases yeah yeah so

238
00:14:14,179 --> 00:14:21,269
here's the deal here's the deal

239
00:14:17,879 --> 00:14:22,580
according to USA of security patrolmen

240
00:14:21,269 --> 00:14:26,970
on duty

241
00:14:22,580 --> 00:14:29,430
the object was described as being

242
00:14:26,970 --> 00:14:32,509
metallic in appearance and triangular in

243
00:14:29,429 --> 00:14:34,649
shape Joe did you hear about this no

244
00:14:32,509 --> 00:14:39,870
approximately two to three meters across

245
00:14:34,649 --> 00:14:42,659
the base and it I guess was so bright

246
00:14:39,870 --> 00:14:43,889
was it illuminated the entire force

247
00:14:42,659 --> 00:14:48,149
I don't know how do we do that

248
00:14:43,889 --> 00:14:50,129
conversion I think was it 3 3 feet we're

249
00:14:48,149 --> 00:14:53,639
terrible terrible Americans we do

250
00:14:50,129 --> 00:14:59,820
everything in feed inches and in degree

251
00:14:53,639 --> 00:15:01,889
degrees and feet and yeah but basically

252
00:14:59,820 --> 00:15:09,120
I mean it wasn't huge but it wasn't

253
00:15:01,889 --> 00:15:13,350
small that's what she's anyway and we're

254
00:15:09,120 --> 00:15:17,179
back so it was so bright Jill I get

255
00:15:13,350 --> 00:15:17,180
illuminated the entire forest and

256
00:15:17,960 --> 00:15:22,590
basically it had been viewed by all

257

00:15:20,850 --> 00:15:24,870
these different military personnel they

258
00:15:22,590 --> 00:15:28,460
were witnesses to it a lot of which

259
00:15:24,870 --> 00:15:30,960
actually made sketches of said craft

260
00:15:28,460 --> 00:15:32,910
even going into so much detail as

261
00:15:30,960 --> 00:15:35,490
describing certain markings and symbols

262
00:15:32,909 --> 00:15:38,759
on the craft which you and I both have

263
00:15:35,490 --> 00:15:39,269
talked about alien and they're on the

264
00:15:38,759 --> 00:15:41,340
bill

265
00:15:39,269 --> 00:15:44,279
they're on the fell they were a float

266
00:15:41,340 --> 00:15:47,879
and the bell though remember is supposed

267
00:15:44,279 --> 00:15:49,769
to Nazi technology and that's number AJ

268
00:15:47,879 --> 00:15:51,779
reminded us of that by the way AJ if

269
00:15:49,769 --> 00:15:54,779
you're out there how are you we want to

270
00:15:51,779 --> 00:15:59,990
see you back on the show soon yes yes

271
00:15:54,779 --> 00:16:03,750

and this rock like I said had these

272

00:15:59,990 --> 00:16:06,419

hieroglyphic type symbols all around it

273

00:16:03,750 --> 00:16:10,049

it was triangular in shape and just to

274

00:16:06,419 --> 00:16:12,120

kind of give you guys a little taste of

275

00:16:10,049 --> 00:16:19,079

what some of these people that and

276

00:16:12,120 --> 00:16:22,980

witnesses said here's one from Sargent

277

00:16:19,080 --> 00:16:24,690

bud Stefan's it didn't crash it landed

278

00:16:22,980 --> 00:16:29,460

so by the way that's the correction it

279

00:16:24,690 --> 00:16:32,490

wasn't crash exactly that's that's the

280

00:16:29,460 --> 00:16:34,440

good thing so here is sergeant Adrian

281

00:16:32,490 --> 00:16:37,680

bust Inza I think that's how you

282

00:16:34,440 --> 00:16:39,660

pronounce it when I arrived it was going

283

00:16:37,679 --> 00:16:42,149

in and out through the trees and at one

284

00:16:39,659 --> 00:16:43,919

stage it was hovering then it went over

285

00:16:42,149 --> 00:16:46,079

to a clearing at the hedge of the forest

286
00:16:43,919 --> 00:16:48,329
by the time we got to the clearing it

287
00:16:46,080 --> 00:16:50,820
had already landed when this thing

288
00:16:48,330 --> 00:16:51,540
landed halt was already there I didn't

289
00:16:50,820 --> 00:16:54,120
see it land

290
00:16:51,539 --> 00:16:57,629
I saw it take off it kind of hovered it

291
00:16:54,120 --> 00:16:58,350
first and then like took off and here's

292
00:16:57,629 --> 00:17:00,990
another person

293
00:16:58,350 --> 00:17:03,360
sergeant Monroe nevels saying there were

294
00:17:00,990 --> 00:17:05,099
three objects or lights the largest

295
00:17:03,360 --> 00:17:07,740
light was the leading or command vessel

296
00:17:05,099 --> 00:17:10,049
the lights were three vessels that moved

297
00:17:07,740 --> 00:17:12,029
independently of each other they were

298
00:17:10,049 --> 00:17:14,159
moving and were able to jump from

299
00:17:12,029 --> 00:17:19,319
Woodbridge and show up over Bentwaters

300
00:17:14,160 --> 00:17:21,209
in less than a second so these are kind

301
00:17:19,319 --> 00:17:22,919
of some descriptions of what these

302
00:17:21,209 --> 00:17:28,110
people encountered at Rendlesham forest

303
00:17:22,920 --> 00:17:34,310
and our friend alien on board went there

304
00:17:28,109 --> 00:17:38,569
I think you press the wrong button

305
00:17:34,309 --> 00:17:41,299
yeah are we meant to give him a clap or

306
00:17:38,569 --> 00:17:45,740
something right thank you

307
00:17:41,299 --> 00:17:48,049
all right wrong by the way any other

308
00:17:45,740 --> 00:17:50,240
boards awesome so thank you for very

309
00:17:48,049 --> 00:17:52,309
being kind of our correspondent on this

310
00:17:50,240 --> 00:17:55,069
because you're like on a different

311
00:17:52,309 --> 00:17:57,950
continent now okay

312
00:17:55,069 --> 00:18:01,849
so what we're gonna do now we've got to

313
00:17:57,950 --> 00:18:04,970
call alien on board get them on site and

314

00:18:01,849 --> 00:18:07,609
then we'll be back to talk some more

315
00:18:04,970 --> 00:18:10,750
about the Rendlesham or incidents so

316
00:18:07,609 --> 00:18:10,750
just hang tight listen ism

317
00:18:13,039 --> 00:18:43,680
[Music]

318
00:18:47,349 --> 00:18:57,480
[Music]

319
00:18:53,869 --> 00:19:01,500
hey everybody and we're back now we've

320
00:18:57,480 --> 00:19:03,539
got a lien on board on the line who by

321
00:19:01,500 --> 00:19:06,900
the way what time is it where you're at

322
00:19:03,539 --> 00:19:11,809
right now oh it's about 20 plus 5

323
00:19:06,900 --> 00:19:16,620
I am Wow so for us it's just a lovely

324
00:19:11,809 --> 00:19:18,029
9:20 p.m. on a Saturday evening so so

325
00:19:16,619 --> 00:19:23,159
you're already into the future basically

326
00:19:18,029 --> 00:19:24,990
you're our time traveler so first before

327
00:19:23,160 --> 00:19:36,750
we get started let's give a big round of

328
00:19:24,990 --> 00:19:39,870

applause so tell me man how was the

329

00:19:36,750 --> 00:19:46,109

visit at Rendlesham forest what was it

330

00:19:39,869 --> 00:19:48,239

like apart from the UFO aspect of it it

331

00:19:46,109 --> 00:19:51,599

was really nice the forest just going

332

00:19:48,240 --> 00:19:54,660

out it was really good

333

00:19:51,599 --> 00:19:57,959

they had a lot of information there on

334

00:19:54,660 --> 00:20:01,110

the London and everything and the model

335

00:19:57,960 --> 00:20:05,000

itself was really cool showed you some

336

00:20:01,109 --> 00:20:10,740

of the pictures of the markings on the

337

00:20:05,000 --> 00:20:13,680

it craft and it was really cool and got

338

00:20:10,740 --> 00:20:16,200

some cool information and so it really

339

00:20:13,680 --> 00:20:19,289

strange that I'll think you'll find

340

00:20:16,200 --> 00:20:23,730

pretty cool that my dad found out about

341

00:20:19,289 --> 00:20:28,649

it really and what was that please do

342

00:20:23,730 --> 00:20:31,410

share with us say in there's a few

343
00:20:28,650 --> 00:20:35,700
different sides of the story but those a

344
00:20:31,410 --> 00:20:39,710
few bits that said the craft was

345
00:20:35,700 --> 00:20:39,710
dripping some sort of like molten lava

346
00:20:40,849 --> 00:20:48,899
substance or something around the forest

347
00:20:43,230 --> 00:20:51,240
and where the London was the it said

348
00:20:48,900 --> 00:20:53,730
they had to cut down a lot of trees to

349
00:20:51,240 --> 00:20:55,069
decontaminate it and this was back in

350
00:20:53,730 --> 00:20:57,409
the 80s

351
00:20:55,069 --> 00:21:00,288
they would have replanted these trees

352
00:20:57,409 --> 00:21:03,380
and my dad's a trichologist which he

353
00:21:00,288 --> 00:21:05,509
just knows I think about trees and you

354
00:21:03,380 --> 00:21:08,528
might not know this but apparently trees

355
00:21:05,509 --> 00:21:11,599
have genders which is really weird and

356
00:21:08,528 --> 00:21:16,579
wow that must explain this tree out here

357
00:21:11,599 --> 00:21:17,928
must be female bitch look that's a

358
00:21:16,579 --> 00:21:20,960
female tree right there it's always

359
00:21:17,929 --> 00:21:22,340
dropping shit come above I don't know

360
00:21:20,960 --> 00:21:25,519
that mean that's not reference to

361
00:21:22,339 --> 00:21:26,928
females by the way I mean I I love let

362
00:21:25,519 --> 00:21:36,288
me tell you I love women

363
00:21:26,929 --> 00:21:44,990
ok i investing for women okay your hatch

364
00:21:36,288 --> 00:21:46,308
oh because I had to get out of I tend to

365
00:21:44,990 --> 00:21:50,149
do that anyway we're gonna get back to

366
00:21:46,308 --> 00:21:53,599
this so they by the way did you say your

367
00:21:50,148 --> 00:21:58,189
dad is a tree what it just what did you

368
00:21:53,599 --> 00:22:03,500
said trichologist a tree colleges that

369
00:21:58,190 --> 00:22:06,889
is the coolest like name of a profession

370
00:22:03,500 --> 00:22:09,640
already never heard your dad must be

371

00:22:06,888 --> 00:22:10,928
really fun to talk to

372
00:22:09,640 --> 00:22:14,330
[Music]

373
00:22:10,929 --> 00:22:19,009
okay so you like trees that is of course

374
00:22:14,329 --> 00:22:21,710
if you like trees but anything else you

375
00:22:19,009 --> 00:22:23,690
said like this dripping you know it

376
00:22:21,710 --> 00:22:27,500
makes me think of when the two wands

377
00:22:23,690 --> 00:22:29,330
touch and Harry Potter you don't see

378
00:22:27,500 --> 00:22:31,099
their jobs when Harry Potter and

379
00:22:29,329 --> 00:22:33,710
Voldemort and they fight in their wands

380
00:22:31,099 --> 00:22:37,398
I'm Jimmy Harry Potter yes you have

381
00:22:33,710 --> 00:22:38,840
anyway one the ones I like that we're

382
00:22:37,398 --> 00:22:40,189
arguing about what you haven't haven't

383
00:22:38,839 --> 00:22:42,199
done that I do or do not know that you

384
00:22:40,190 --> 00:22:45,110
have Jeff anyway well the ones touch all

385
00:22:42,200 --> 00:22:47,240

this like weird like trippy foamy kind

386

00:22:45,109 --> 00:22:49,038

of stuff starts coming down like it's

387

00:22:47,240 --> 00:22:50,778

really interesting effect in that movie

388

00:22:49,038 --> 00:22:52,849

so really for those of you out there I

389

00:22:50,778 --> 00:22:53,960

imagine it would be something similar to

390

00:22:52,849 --> 00:22:57,048

that what about you do you think he's

391

00:22:53,960 --> 00:22:59,538

passed something like that uh no

392

00:22:57,048 --> 00:23:02,490

actually seen Harry Potter

393

00:22:59,538 --> 00:23:06,119

you have got to be kidding me

394

00:23:02,490 --> 00:23:11,069

help how can you have not seen Harry

395

00:23:06,119 --> 00:23:13,648

Potter sure my brother went to this

396

00:23:11,069 --> 00:23:16,250

thing could Harry Potter world but I

397

00:23:13,648 --> 00:23:21,658

didn't guy who cyan't see the movies I

398

00:23:16,250 --> 00:23:24,630

see you're more into like aliens and

399

00:23:21,659 --> 00:23:26,880

UFOs in life and an intelligent life in

400
00:23:24,630 --> 00:23:30,419
extraterrestrial life so let me ask you

401
00:23:26,880 --> 00:23:36,269
this in your opinion do you think that

402
00:23:30,419 --> 00:23:39,179
this was a craft from another world that

403
00:23:36,269 --> 00:23:41,278
landed in Rendlesham forest or do you

404
00:23:39,179 --> 00:23:43,559
think that this was potentially one of

405
00:23:41,278 --> 00:23:47,579
our crafts that maybe we had created

406
00:23:43,558 --> 00:23:49,798
what's your thoughts on that well like I

407
00:23:47,579 --> 00:23:53,788
was saying with the trees there to

408
00:23:49,798 --> 00:23:56,908
decontaminate yeah and my dad said this

409
00:23:53,788 --> 00:23:59,429
is back in the 80s but there's shop down

410
00:23:56,909 --> 00:24:03,299
these trees and the age of these trees

411
00:23:59,429 --> 00:24:04,500
were around 25 to 30 years old which I

412
00:24:03,298 --> 00:24:05,759
thought was really weird because that

413
00:24:04,500 --> 00:24:11,220
would have been around the time that

414
00:24:05,759 --> 00:24:13,788
this happened but my thoughts on it the

415
00:24:11,220 --> 00:24:18,360
fact that it's so well documented and

416
00:24:13,788 --> 00:24:21,269
the people who saw it were a military

417
00:24:18,359 --> 00:24:25,469
and they're trained they got a trained

418
00:24:21,269 --> 00:24:27,919
eye and if they see a an unidentified

419
00:24:25,470 --> 00:24:32,278
flying object it's safe to say say

420
00:24:27,919 --> 00:24:33,840
identify flying object um as well as I

421
00:24:32,278 --> 00:24:37,730
don't know if you've seen it's called

422
00:24:33,839 --> 00:24:41,939
the hope tape or something no he's a

423
00:24:37,730 --> 00:24:44,278
recording of him in the forest I think

424
00:24:41,940 --> 00:24:46,350
as it was occurring which is really

425
00:24:44,278 --> 00:24:50,548
coughing you can look up on YouTube or

426
00:24:46,349 --> 00:24:53,638
something yes that is interesting I

427
00:24:50,548 --> 00:24:58,378
we've got to check that now is this the

428

00:24:53,638 --> 00:25:00,959
incident where when someone touched it

429
00:24:58,378 --> 00:25:04,288
they received a binary message is that

430
00:25:00,960 --> 00:25:08,190
this story I don't remember yeah I think

431
00:25:04,288 --> 00:25:11,349
it is actually because I think they

432
00:25:08,190 --> 00:25:13,919
recently cracked this code

433
00:25:11,349 --> 00:25:18,939
something they found out we're men and

434
00:25:13,919 --> 00:25:21,880
someone said it was like some of the

435
00:25:18,940 --> 00:25:24,548
things men it was time and some were

436
00:25:21,880 --> 00:25:27,850
locations some people may think it was

437
00:25:24,548 --> 00:25:30,038
our craft from a different time coming

438
00:25:27,849 --> 00:25:32,288
back and stuff which is quite

439
00:25:30,038 --> 00:25:36,669
interesting I think that's even more

440
00:25:32,288 --> 00:25:39,548
interesting so because they they talk

441
00:25:36,669 --> 00:25:42,490
about this craft triangular almost kind

442
00:25:39,548 --> 00:25:45,788

of yet triangular that's the best way to

443

00:25:42,490 --> 00:25:47,440

put it with these markings what's your

444

00:25:45,788 --> 00:25:50,859

take on the markings there were only a

445

00:25:47,440 --> 00:25:52,990

few they look Egyptian but interestingly

446

00:25:50,859 --> 00:25:55,149

enough a lot of those markings are

447

00:25:52,990 --> 00:25:59,380

similar to the markings on the ancient

448

00:25:55,150 --> 00:26:01,090

Japanese encounter story that we talked

449

00:25:59,380 --> 00:26:02,950

about on our Instagram we'll have to

450

00:26:01,089 --> 00:26:05,019

actually probably cover that separately

451

00:26:02,950 --> 00:26:07,779

but anyway what's your take on those

452

00:26:05,019 --> 00:26:10,480

symbols and you got to get up close and

453

00:26:07,779 --> 00:26:12,849

personal with you know the giant model

454

00:26:10,480 --> 00:26:14,919

of the ship and see you know what those

455

00:26:12,849 --> 00:26:17,168

look like what are your what which are

456

00:26:14,919 --> 00:26:20,919

thoughts on those symbols or writing or

457
00:26:17,169 --> 00:26:23,830
whatever it was it was fairly quite

458
00:26:20,919 --> 00:26:26,770
interesting I think on the Roswell craft

459
00:26:23,829 --> 00:26:31,029
as well it had some sort of hieroglyphic

460
00:26:26,769 --> 00:26:34,210
type writing on it as well and people

461
00:26:31,029 --> 00:26:38,259
said this and rows were connected but I

462
00:26:34,210 --> 00:26:41,590
don't know um but I'm not sure if it's

463
00:26:38,259 --> 00:26:44,769
some sort of marking system on the craft

464
00:26:41,589 --> 00:26:48,720
or something but I thought was really

465
00:26:44,769 --> 00:26:52,900
strange and the person I think it was

466
00:26:48,720 --> 00:26:55,779
Jim I'm his second name his name was Jim

467
00:26:52,900 --> 00:27:00,730
who witnessed it actually got to touch

468
00:26:55,779 --> 00:27:02,950
the UFO and he touched the markings and

469
00:27:00,730 --> 00:27:07,558
the craft he said the craft was smooth

470
00:27:02,950 --> 00:27:10,929
and the markings were like sandpaper um

471
00:27:07,558 --> 00:27:14,408
but I'm not really sure about the

472
00:27:10,929 --> 00:27:16,990
markings actually well you know there is

473
00:27:14,409 --> 00:27:19,200
a story that we covered before called

474
00:27:16,990 --> 00:27:25,230
the carrot project yeah

475
00:27:19,200 --> 00:27:30,779
and that's clear et which was a which

476
00:27:25,230 --> 00:27:33,660
was a in an in the 80s it was apparently

477
00:27:30,779 --> 00:27:35,160
some research done on extraterrestrial

478
00:27:33,660 --> 00:27:37,950
artifacts actually in Palo Alto

479
00:27:35,160 --> 00:27:41,220
California of all places and on these

480
00:27:37,950 --> 00:27:43,380
artifacts were symbols hieroglyphics I'd

481
00:27:41,220 --> 00:27:45,180
like the ones from the Roswell play yeah

482
00:27:43,380 --> 00:27:48,720
we've seen that we were trying to like

483
00:27:45,180 --> 00:27:50,970
compare them yeah and your clothes when

484
00:27:48,720 --> 00:27:52,440
you research project karat which by the

485

00:27:50,970 --> 00:27:55,079
way Linda Moulton Howe is one of the

486
00:27:52,440 --> 00:27:58,559
people to to break that story you

487
00:27:55,079 --> 00:28:00,539
learned that these symbols in relation

488
00:27:58,559 --> 00:28:03,179
to project carrot and the handbook and

489
00:28:00,539 --> 00:28:05,279
the person that you know supposedly

490
00:28:03,180 --> 00:28:08,310
release all the information or leaked it

491
00:28:05,279 --> 00:28:12,750
or whatever that these symbols are like

492
00:28:08,309 --> 00:28:15,509
an encoded software to us they just look

493
00:28:12,750 --> 00:28:18,390
like a symbol but I've heard that what

494
00:28:15,509 --> 00:28:22,319
they do is determine the orientation of

495
00:28:18,390 --> 00:28:26,460
pieces of the ship in placement and that

496
00:28:22,319 --> 00:28:29,460
the ship's you know any way related to

497
00:28:26,460 --> 00:28:31,680
project here it there they were not held

498
00:28:29,460 --> 00:28:36,000
together by anything any means physical

499
00:28:31,680 --> 00:28:39,600

they were inoperable pieces that wants

500

00:28:36,000 --> 00:28:41,609

these symbols activated I don't know how

501

00:28:39,599 --> 00:28:44,389

they activated all the pieces would

502

00:28:41,609 --> 00:28:49,409

automatically go into place and and and

503

00:28:44,390 --> 00:28:52,140

and also I guess is has everything about

504

00:28:49,410 --> 00:28:54,090

space and time encoded in those symbols

505

00:28:52,140 --> 00:28:56,250

which is interesting because alien on

506

00:28:54,089 --> 00:28:58,939

board said that you know he got

507

00:28:56,250 --> 00:29:03,089

coordinates zeros and ones from touching

508

00:28:58,940 --> 00:29:04,529

the craft and maybe he got some encoding

509

00:29:03,089 --> 00:29:09,209

from the symbol that's like reasonable

510

00:29:04,529 --> 00:29:11,129

to assume don't you think Joe yeah what

511

00:29:09,210 --> 00:29:13,340

is Christopher Walken had to say about

512

00:29:11,130 --> 00:29:13,340

it

513

00:29:15,999 --> 00:29:24,490

what is Tigger say look at long ears

514
00:29:26,679 --> 00:29:34,179
so go ahead alien on board your turn

515
00:29:30,619 --> 00:29:34,178
give us if your your thoughts

516
00:29:36,999 --> 00:29:42,879
there's just what I'm feeling when I say

517
00:29:39,288 --> 00:29:47,569
but go for it the day the day after the

518
00:29:42,878 --> 00:29:50,178
London captain Holt and a team of our

519
00:29:47,569 --> 00:29:52,759
people came back to the site and they

520
00:29:50,179 --> 00:29:56,450
actually found three indentations on the

521
00:29:52,759 --> 00:29:59,349
ground and they said the actual craft

522
00:29:56,450 --> 00:30:03,288
looked like the Apollo Lunar Lander

523
00:29:59,349 --> 00:30:05,689
except it only had three legs and those

524
00:30:03,288 --> 00:30:08,419
indentations on the ground and they took

525
00:30:05,690 --> 00:30:11,409
radiation readings and it was ten times

526
00:30:08,419 --> 00:30:16,970
as much as it should be

527
00:30:11,409 --> 00:30:20,869
and to this day the people who are at

528
00:30:16,970 --> 00:30:25,669
that suffer from radiation exposure I

529
00:30:20,868 --> 00:30:26,868
think oh man that's terrible yeah you

530
00:30:25,669 --> 00:30:31,330
know what that reminds me of here's

531
00:30:26,868 --> 00:30:31,329
another story the cash Landrum case

532
00:30:31,960 --> 00:30:36,528
folks forgive me I don't remember what

533
00:30:34,278 --> 00:30:41,419
year I read a lot of crap but I

534
00:30:36,528 --> 00:30:45,859
memorized hardly awful but the cash in

535
00:30:41,419 --> 00:30:49,009
case was a in fact what we call an ARV

536
00:30:45,859 --> 00:30:53,508
or alien reproduction vehicle that I

537
00:30:49,009 --> 00:30:57,019
guess we had tried to combine alien

538
00:30:53,509 --> 00:31:00,079
engine technology with our technology in

539
00:30:57,019 --> 00:31:03,288
some way and we created this you know

540
00:31:00,079 --> 00:31:05,599
anti-gravity craft but where it gets

541
00:31:03,288 --> 00:31:08,569
interesting in the cash Landrum case is

542

00:31:05,599 --> 00:31:11,808
the people that witnessed it saw its

543
00:31:08,569 --> 00:31:15,678
spewing something out the side and they

544
00:31:11,808 --> 00:31:18,859
were badly burned they were no it was

545
00:31:15,679 --> 00:31:21,169
like a gas fit or I guess a ready

546
00:31:18,859 --> 00:31:24,439
radiation gas of some sort or just

547
00:31:21,169 --> 00:31:26,389
radiation but they were burned so bad

548
00:31:24,440 --> 00:31:29,298
that they escalated all the way through

549
00:31:26,388 --> 00:31:32,748
court and ultimately they ended up Lou

550
00:31:29,298 --> 00:31:35,450
because of course the government

551
00:31:32,749 --> 00:31:37,819
wouldn't acknowledge this secret project

552
00:31:35,450 --> 00:31:42,950
so they ended up with nothing in the end

553
00:31:37,819 --> 00:31:47,628
but I think it's interesting that rate

554
00:31:42,950 --> 00:31:52,940
you know that plays such a big role is

555
00:31:47,628 --> 00:31:58,038
this radiation and I do have a question

556
00:31:52,940 --> 00:32:01,009

though why landing feet if they're

557

00:31:58,038 --> 00:32:04,298

anti-gravity I don't know what's your

558

00:32:01,009 --> 00:32:04,298

thoughts I don't think that makes sense

559

00:32:06,128 --> 00:32:17,048

actually before that I'm not sure but

560

00:32:14,528 --> 00:32:19,429

the craft itself apparently was

561

00:32:17,048 --> 00:32:23,358

anti-gravity because it had no wings or

562

00:32:19,429 --> 00:32:29,480

engine propulsion system but yes with

563

00:32:23,358 --> 00:32:35,778

the had that it had London unless there

564

00:32:29,480 --> 00:32:41,808

was a crew of aliens they went out and

565

00:32:35,778 --> 00:32:48,710

they had to leave it neither ship

566

00:32:41,808 --> 00:32:49,249

unmanned but I don't know see say that

567

00:32:48,710 --> 00:32:56,298

one more time

568

00:32:49,249 --> 00:33:01,480

maybe our point of origin is the fact

569

00:32:56,298 --> 00:33:04,638

that usually ground is earth right so

570

00:33:01,480 --> 00:33:06,499

like or maybe somehow by touching the

571
00:33:04,638 --> 00:33:08,569
soil because that were you're thinking

572
00:33:06,499 --> 00:33:11,048
it out or something or some way to

573
00:33:08,569 --> 00:33:14,358
repower it maybe or Nina's Wendy's feet

574
00:33:11,048 --> 00:33:15,769
to actually touch the physical soil you

575
00:33:14,358 --> 00:33:18,769
know what that reminds me reminds me of

576
00:33:15,769 --> 00:33:20,388
this movie called Avatar where there was

577
00:33:18,769 --> 00:33:23,089
this neural network in the entire planet

578
00:33:20,388 --> 00:33:30,829
and the planet could feel you and if you

579
00:33:23,089 --> 00:33:32,599
died you can go inside a tree hot wings

580
00:33:30,829 --> 00:33:34,788
you know if I could live in a tree I

581
00:33:32,599 --> 00:33:36,740
would except for not next to that tree

582
00:33:34,788 --> 00:33:46,849
out there she's a bitch

583
00:33:36,740 --> 00:33:48,500
oh yeah so we're gonna we're gonna let

584
00:33:46,849 --> 00:33:50,658
alien on board we're gonna give him here

585
00:33:48,500 --> 00:33:52,880
just like maybe a minute or so to share

586
00:33:50,659 --> 00:33:55,340
anything else he finds compelling

587
00:33:52,880 --> 00:33:57,679
interesting or something that our

588
00:33:55,339 --> 00:33:59,028
followers listeners subscriber need to

589
00:33:57,679 --> 00:34:01,700
maybe know about Rendlesham forest

590
00:33:59,028 --> 00:34:05,659
before we let you go on to other things

591
00:34:01,700 --> 00:34:08,179
mainly sleep probably so i'm giving up

592
00:34:05,659 --> 00:34:14,710
to you you got one minute to to update

593
00:34:08,179 --> 00:34:17,450
us anything new by the way a few things

594
00:34:14,710 --> 00:34:21,139
quite a lot of people at the air force

595
00:34:17,449 --> 00:34:26,269
base who saw it didn't really wanna

596
00:34:21,139 --> 00:34:28,970
report seeing a UFO because usually when

597
00:34:26,269 --> 00:34:32,000
you see it when you report UFO you'd get

598
00:34:28,969 --> 00:34:35,469
decommissioned or something like that

599

00:34:32,000 --> 00:34:39,079
and until now i think quite a lot of

600
00:34:35,469 --> 00:34:40,368
people have just retired coming out with

601
00:34:39,079 --> 00:34:44,750
their stories because back then

602
00:34:40,369 --> 00:34:50,000
obviously you wouldn't wanna get taken

603
00:34:44,750 --> 00:34:52,909
out just for group on UFO um which is

604
00:34:50,000 --> 00:34:55,489
also quite compelling because they had

605
00:34:52,909 --> 00:35:00,039
nothing to gain by a reporting these

606
00:34:55,489 --> 00:35:03,679
UFOs they could lose their job over

607
00:35:00,039 --> 00:35:07,789
another thing is the air force base was

608
00:35:03,679 --> 00:35:12,940
said to have a lot of nuclear weapons

609
00:35:07,789 --> 00:35:16,219
and some theories say like the UFOs was

610
00:35:12,940 --> 00:35:20,480
came down to disarm these or they were

611
00:35:16,219 --> 00:35:26,299
interested in the nukes or something and

612
00:35:20,480 --> 00:35:28,579
heard the molten lava was actually the

613
00:35:26,300 --> 00:35:31,070

nukes had been destroyed and they were

614

00:35:28,579 --> 00:35:35,259

just trying out the ship or something

615

00:35:31,070 --> 00:35:41,420

but um interesting interesting

616

00:35:35,260 --> 00:35:43,280

so this is definitely more involved than

617

00:35:41,420 --> 00:35:44,750

just you know landing in the forest it

618

00:35:43,280 --> 00:35:51,380

maybe has something to do like he says

619

00:35:44,750 --> 00:35:53,570

with nuclear related sort of concerns

620

00:35:51,380 --> 00:35:57,309

and that seems to be an overarching

621

00:35:53,570 --> 00:36:02,088

issue in this whole alien UFO

622

00:35:57,309 --> 00:36:05,179

triangle is they do not like our nuclear

623

00:36:02,088 --> 00:36:08,358

technology at all they find it

624

00:36:05,179 --> 00:36:10,608

threatening and then by they of course I

625

00:36:08,358 --> 00:36:12,739

mean you know extraterrestrial beings or

626

00:36:10,608 --> 00:36:15,319

from or what we call interdimensional

627

00:36:12,739 --> 00:36:19,338

which whatever you want to call them

628
00:36:15,320 --> 00:36:21,130
they're both technically I think I think

629
00:36:19,338 --> 00:36:22,789
if you can be interstellar you're also

630
00:36:21,130 --> 00:36:24,140
interdimensional that's my thought

631
00:36:22,789 --> 00:36:25,489
because you're literally bending

632
00:36:24,139 --> 00:36:29,690
space-time there's all kinds of weird

633
00:36:25,489 --> 00:36:31,969
physics behind it but by the way thank

634
00:36:29,690 --> 00:36:34,450
you mister alien on board let's give him

635
00:36:31,969 --> 00:36:38,419
a round of applause and thanking him for

636
00:36:34,449 --> 00:36:41,449
joining us on the show by the way for

637
00:36:38,420 --> 00:36:43,070
all of our listeners we're gonna take a

638
00:36:41,449 --> 00:36:44,358
quick break say goodbye to alien on

639
00:36:43,070 --> 00:36:45,980
board and we'll be back because we have

640
00:36:44,358 --> 00:36:48,759
a few more things to tell you guys about

641
00:36:45,980 --> 00:36:48,760
we'll be back

642
00:36:50,030 --> 00:37:09,890
[Music]

643
00:37:11,460 --> 00:37:21,130
whoo we're back we're back we order

644
00:37:16,989 --> 00:37:22,689
alien on board thank you so much great

645
00:37:21,130 --> 00:37:25,059
information I'll tell you there's

646
00:37:22,690 --> 00:37:27,820
nothing I love more than any recent news

647
00:37:25,059 --> 00:37:30,730
or updates on any of these old I guess

648
00:37:27,820 --> 00:37:34,390
you could call them old or older UFO

649
00:37:30,730 --> 00:37:36,070
alien stories what do you think landed

650
00:37:34,389 --> 00:37:39,519
there Jeff

651
00:37:36,070 --> 00:37:46,019
three indentations that could be three

652
00:37:39,519 --> 00:37:48,400
being invitations three being

653
00:37:46,019 --> 00:37:52,179
indications from the hovering force what

654
00:37:48,400 --> 00:37:53,500
the hell is that oh god let's give a

655
00:37:52,179 --> 00:37:56,919
pretty moment to think about what that

656

00:37:53,500 --> 00:37:58,539
meant you know like the crash sent down

657
00:37:56,920 --> 00:38:00,159
beings and the flu mutations could be

658
00:37:58,539 --> 00:38:08,739
the three being and mutations from the

659
00:38:00,159 --> 00:38:12,399
beam personally personally I prefer your

660
00:38:08,739 --> 00:38:15,309
first explanation I think that could

661
00:38:12,400 --> 00:38:18,789
very well be maybe it's sort of a couple

662
00:38:15,309 --> 00:38:20,799
purposes supports the ship and connects

663
00:38:18,789 --> 00:38:22,300
it to the ground in some way and maybe

664
00:38:20,800 --> 00:38:23,500
there's a totally different sort of

665
00:38:22,300 --> 00:38:26,740
science there that we don't know about

666
00:38:23,500 --> 00:38:28,420
well obviously we don't how the hell are

667
00:38:26,739 --> 00:38:32,459
these people getting here how you know

668
00:38:28,420 --> 00:38:32,460
that's really the question but why

669
00:38:35,559 --> 00:38:43,759
they seem to be investigating our

670
00:38:39,889 --> 00:38:47,389

nuclear situation I've heard they've

671

00:38:43,760 --> 00:38:49,250

taken action like alien on board set you

672

00:38:47,389 --> 00:38:51,618

know essentially annihilating nuclear

673

00:38:49,250 --> 00:38:54,860

warheads and then there's also another

674

00:38:51,619 --> 00:38:56,720

story about there's another gentleman

675

00:38:54,860 --> 00:38:59,410

from the disclosure project who talks

676

00:38:56,719 --> 00:39:02,919

about it the PhD and he it talks about

677

00:38:59,409 --> 00:39:05,750

being part of a nuclear test launch

678

00:39:02,920 --> 00:39:08,210

missile launch and he's and it was

679

00:39:05,750 --> 00:39:10,760

videotaping the whole thing and he said

680

00:39:08,210 --> 00:39:13,070

that they had this new like tracking

681

00:39:10,760 --> 00:39:15,410

system for video so that they could

682

00:39:13,070 --> 00:39:18,200

actually track the missile and what he

683

00:39:15,409 --> 00:39:20,210

saw was something fly in by the way this

684

00:39:18,199 --> 00:39:23,199

missiles going thousands and thousands

685
00:39:20,210 --> 00:39:30,730
of miles per hour something just flew in

686
00:39:23,199 --> 00:39:41,868
shined a beam flew away they do not like

687
00:39:30,730 --> 00:39:45,920
they go and every single movie yeah it

688
00:39:41,869 --> 00:39:49,608
just makes me think that I think that

689
00:39:45,920 --> 00:39:51,650
they would step in I hope if something

690
00:39:49,608 --> 00:39:53,960
crazy happens you know especially with

691
00:39:51,650 --> 00:39:57,950
the tensions with Russia and everything

692
00:39:53,960 --> 00:40:01,250
end of getting more and you know tighter

693
00:39:57,949 --> 00:40:04,159
or you know there's a lot going on in

694
00:40:01,250 --> 00:40:06,230
the world right now tell you that yeah

695
00:40:04,159 --> 00:40:09,289
and you know and you know and I want to

696
00:40:06,230 --> 00:40:13,820
know what people think getting back to

697
00:40:09,289 --> 00:40:21,559
this subject was this time travelers was

698
00:40:13,820 --> 00:40:25,420
this you know advanced craft of some

699
00:40:21,559 --> 00:40:28,219
sort was this a you know super advanced

700
00:40:25,420 --> 00:40:30,619
technology that we don't know of I would

701
00:40:28,219 --> 00:40:33,279
probably go with the latter and say that

702
00:40:30,619 --> 00:40:37,539
this was definitely not something

703
00:40:33,280 --> 00:40:37,540
terrestrial or from Earth

704
00:40:38,679 --> 00:40:43,639
the characteristics in the way that it

705
00:40:41,269 --> 00:40:46,969
moved the way that it hovered the

706
00:40:43,639 --> 00:40:50,599
spewing of whatever this lava type of

707
00:40:46,969 --> 00:40:53,539
stuff was the the heightened radiation

708
00:40:50,599 --> 00:40:54,799
signature left the indentations that's

709
00:40:53,539 --> 00:40:56,360
the only thing I think's weird but I

710
00:40:54,800 --> 00:41:01,780
think you kind of covered that question

711
00:40:56,360 --> 00:41:07,970
well I would say it's definitely not us

712
00:41:01,780 --> 00:41:12,460
no way so this is just another mystery

713

00:41:07,969 --> 00:41:16,869
to add to the ever-growing mystery list

714
00:41:12,460 --> 00:41:23,420
and just like Roswell will it ever be

715
00:41:16,869 --> 00:41:25,309
solved I don't know I'm trying to keep

716
00:41:23,420 --> 00:41:30,320
my hopes up about disclosure soon though

717
00:41:25,309 --> 00:41:33,079
Joe yeah that's exactly then again

718
00:41:30,320 --> 00:41:34,610
people might lose their mind I think

719
00:41:33,079 --> 00:41:38,239
people could take it I don't think of

720
00:41:34,610 --> 00:41:41,090
the economic system or so she left

721
00:41:38,239 --> 00:41:42,789
yes system could take that news that's

722
00:41:41,090 --> 00:41:47,090
my opinion

723
00:41:42,789 --> 00:41:49,070
exactly and I I had a great podcast at

724
00:41:47,090 --> 00:41:59,090
probe cast what do you think we did some

725
00:41:49,070 --> 00:42:00,920
good and you know I wanted to just add a

726
00:41:59,090 --> 00:42:02,950
detail on from our past conversation

727
00:42:00,920 --> 00:42:06,950

with alien on board

728

00:42:02,949 --> 00:42:09,439

apparently this object went across a

729

00:42:06,949 --> 00:42:11,899

60-mile radar within two three seconds

730

00:42:09,440 --> 00:42:13,210

without making a sound like breaking his

731

00:42:11,900 --> 00:42:17,150

number or anything just enough just

732

00:42:13,210 --> 00:42:19,119

instantaneous movement so I just wanted

733

00:42:17,150 --> 00:42:22,960

to add that in because I know we were

734

00:42:19,119 --> 00:42:28,519

wondering how quick that it that's just

735

00:42:22,960 --> 00:42:29,360

so fast that you have to be able to bend

736

00:42:28,519 --> 00:42:33,849

space-time

737

00:42:29,360 --> 00:42:36,470

that's not propulsion type technology

738

00:42:33,849 --> 00:42:39,309

that's what that's exactly what I think

739

00:42:36,469 --> 00:42:43,239

that's how I think if the crafts work I

740

00:42:39,309 --> 00:42:44,929

think they have a way of generating

741

00:42:43,239 --> 00:42:47,779

gravity

742
00:42:44,929 --> 00:42:49,940
and then they can use that exactly using

743
00:42:47,780 --> 00:42:54,369
gravity to manipulate their ability to

744
00:42:49,940 --> 00:42:59,210
move throughout space-time and you know

745
00:42:54,369 --> 00:43:02,750
and no inertia exactly no problems with

746
00:42:59,210 --> 00:43:05,088
speeding or slowing down or the effects

747
00:43:02,750 --> 00:43:07,789
as such so it's really amazing and I

748
00:43:05,088 --> 00:43:11,690
hope that one day we get the truck that

749
00:43:07,789 --> 00:43:13,039
would be nice and you know maybe we

750
00:43:11,690 --> 00:43:16,338
should move we should do a podcast about

751
00:43:13,039 --> 00:43:17,869
food I think that's great you know we

752
00:43:16,338 --> 00:43:20,838
should do it wish do with feeling at it

753
00:43:17,869 --> 00:43:22,369
yes because they I know over there at

754
00:43:20,838 --> 00:43:25,369
that YouTube channel are all about

755
00:43:22,369 --> 00:43:27,099
debunking people who are putting out

756
00:43:25,369 --> 00:43:31,099
misinformation

757
00:43:27,099 --> 00:43:33,500
crap so we need to get that you're the

758
00:43:31,099 --> 00:43:37,400
alien Eric if you're listening I will I

759
00:43:33,500 --> 00:43:39,980
will reply through email and also just

760
00:43:37,400 --> 00:43:42,318
to let you guys know we will still be

761
00:43:39,980 --> 00:43:44,690
put indeed at contact in the desert

762
00:43:42,318 --> 00:43:46,699
make sure yes if you aren't registered

763
00:43:44,690 --> 00:43:47,240
for that you should it's gonna be

764
00:43:46,699 --> 00:43:49,848
amazing

765
00:43:47,239 --> 00:43:53,298
we're going to the dr. Steven Greer

766
00:43:49,849 --> 00:43:58,068
workshop I wonder if we'll be escorted

767
00:43:53,298 --> 00:44:01,568
out with security well and I only say

768
00:43:58,068 --> 00:44:01,568
that because he blocked us into Twitter

769
00:44:01,960 --> 00:44:07,940
exactly I'm not that sad though because

770

00:44:04,130 --> 00:44:11,260
he's the one that got police pulled and

771
00:44:07,940 --> 00:44:11,260
I don't mean that sexually

772
00:44:14,880 --> 00:44:20,610
[Music]

773
00:44:16,070 --> 00:44:22,860
well you know polls this school is dirty

774
00:44:20,610 --> 00:44:28,500
mind you kick anyway it's cozy

775
00:44:22,860 --> 00:44:33,809
like a hundred so we have survived the

776
00:44:28,500 --> 00:44:35,789
dam we did it is not exploded we did not

777
00:44:33,809 --> 00:44:39,000
need an arc so all that work and effort

778
00:44:35,789 --> 00:44:41,340
was for absolutely nothing and we're

779
00:44:39,000 --> 00:44:44,190
okay but you know what we're gonna go

780
00:44:41,340 --> 00:44:46,079
ahead and leave it here if you have any

781
00:44:44,190 --> 00:44:47,730
questions or thoughts about Rendlesham

782
00:44:46,079 --> 00:44:49,799
forest please by all means follow us on

783
00:44:47,730 --> 00:44:52,320
