[Music]

2
00:00:13,250 --> 00:00:22,500
UFO Bros hey everyone is Giorgio

3
00:00:20,368 --> 00:00:26,368
tsoukalos from ancient aliens and you're

4
00:00:22,500 --> 00:00:30,179
experiencing UFO Bros TV hey what's up

5
00:00:26,368 --> 00:00:34,619
everybody I'm in it I'm Joe and we are

6
00:00:30,179 --> 00:00:36,689
the UF o Bros and you know we're coming

7
00:00:34,619 --> 00:00:40,948
alive this time from the facility

8
00:00:36,689 --> 00:00:48,149
facility I'd yes on syllabus on the

9
00:00:40,948 --> 00:00:49,738
solidity facility oh you get okay so we

10
00:00:48,149 --> 00:00:52,049
got to be real with everybody we think

11
00:00:49,738 --> 00:00:59,358
the last couple shows we did probably

12
00:00:52,049 --> 00:00:59,358
they bought say the least we can agree

13
00:00:59,509 --> 00:01:05,759
we're not apologizing we're just saying

14
00:01:02,009 --> 00:01:10,048
everybody has an off day and or eight or

15
00:01:05,759 --> 00:01:12,688
eight or so Joe seems to have this

16
00:01:10,049 --> 00:01:16,079
really weird thing that happens Tuesday

17
00:01:12,688 --> 00:01:18,658
nights around 8 p.m. it's some kind of I

18
00:01:16,078 --> 00:01:21,359
don't know you always happen to have

19
00:01:18,659 --> 00:01:24,118
some sort of thing happen like children

20
00:01:21,359 --> 00:01:26,759
fighting or something like the last two

21
00:01:24,118 --> 00:01:32,968
shows what's going on why has it always

22
00:01:26,759 --> 00:01:34,228
happen because it's Tuesday sees Megan I

23
00:01:32,968 --> 00:01:39,209
don't know

24
00:01:34,228 --> 00:01:43,039
it's life but life is yeah I know I hate

25
00:01:39,209 --> 00:01:43,038
nostrils yeah

26
00:01:44,228 --> 00:01:50,950
I think you might have yeah like a

27
00:01:46,509 --> 00:01:53,920
collapsed Sun aperture hey Mel it's not

28
00:01:50,950 --> 00:01:57,189
smells but it seems like it would be

29

00:01:53,920 --> 00:02:02,319
hard to smell it's hard to breathe this

30
00:01:57,188 --> 00:02:04,809
way yeah by the way I posted something

31
00:02:02,319 --> 00:02:07,600
on your Facebook did you see it no it

32
00:02:04,810 --> 00:02:13,209
was tagged someone who was a chicken

33
00:02:07,599 --> 00:02:17,620
nugget yes yeah I'm like that is you I'm

34
00:02:13,209 --> 00:02:20,459
a Giggly no age yeah so you know things

35
00:02:17,620 --> 00:02:22,930
happen in life and it's just life I have

36
00:02:20,459 --> 00:02:27,579
like thousand people in the house

37
00:02:22,930 --> 00:02:30,159
there's 18,000 kids so stuff happens

38
00:02:27,579 --> 00:02:32,230
that sounds terrible I'm so sorry it's

39
00:02:30,159 --> 00:02:34,169
fantastic and it's great I more the

40
00:02:32,229 --> 00:02:41,318
merrier

41
00:02:34,169 --> 00:02:41,708
so nooks man we've got we got a show for

42
00:02:41,318 --> 00:02:43,988
you

43
00:02:41,709 --> 00:02:47,829

no actually we just have a couple few

44

00:02:43,989 --> 00:02:49,180

like sound bite clips mm-hmm action

45

00:02:47,829 --> 00:02:51,730

kidding they're like minute and a half

46

00:02:49,180 --> 00:02:55,989

news stories some bullshit is some real

47

00:02:51,729 --> 00:02:57,729

shit yeah and the reason what the reason

48

00:02:55,989 --> 00:03:01,389

why the reason why we're bringing this

49

00:02:57,729 --> 00:03:07,449

up is Jonah we're talking today about if

50

00:03:01,389 --> 00:03:10,510

there is like a nuclear sort of exchange

51

00:03:07,449 --> 00:03:12,578

or could that happen or would the aliens

52

00:03:10,509 --> 00:03:14,590

change allow that to happen

53

00:03:12,579 --> 00:03:18,519

what nuclear the nuclear exchange

54

00:03:14,590 --> 00:03:22,329

program that's very nice way to label

55

00:03:18,519 --> 00:03:27,489

world annihilation yeah we participated

56

00:03:22,329 --> 00:03:29,590

in a nuclear exchange program yeah one

57

00:03:27,489 --> 00:03:32,859

nuke for you and won't you for me in

58
00:03:29,590 --> 00:03:35,229
fine no but seriously like okay look

59
00:03:32,859 --> 00:03:38,439
here's the deal we got to be kind of

60
00:03:35,229 --> 00:03:42,369
real because we actually have people in

61
00:03:38,439 --> 00:03:46,229
our family that are it's true in the

62
00:03:42,370 --> 00:03:48,219
Demilitarized Zone yep deployed and so

63
00:03:46,229 --> 00:03:50,768
you know when this kind of came up on

64
00:03:48,219 --> 00:03:52,628
the news everything was it's like one

65
00:03:50,769 --> 00:03:53,550
thing after another quickly escalating

66
00:03:52,628 --> 00:03:57,049
between weak

67
00:03:53,550 --> 00:03:59,910
junk it is and that chubby dude with the

68
00:03:57,050 --> 00:04:03,680
hairdo to pay he looks like Zoo like a

69
00:03:59,909 --> 00:04:08,460
really fat short brown Zhul

70
00:04:03,680 --> 00:04:12,900
often one yeah he stay P is the

71
00:04:08,460 --> 00:04:15,480
definition of a man baby yeah either

72
00:04:12,900 --> 00:04:20,360
yeah you oh we got a chat

73
00:04:15,479 --> 00:04:20,360
oh good Carla's here well they're good

74
00:04:20,779 --> 00:04:26,459
no actually thank you Carla for joining

75
00:04:23,220 --> 00:04:28,470
us we have missed you going and for

76
00:04:26,459 --> 00:04:31,699
those of you who don't know I did

77
00:04:28,470 --> 00:04:33,540
threaten her online Joe shit you did I

78
00:04:31,699 --> 00:04:35,250
apologize again my brother's

79
00:04:33,540 --> 00:04:37,470
retardedness by the way this is the

80
00:04:35,250 --> 00:04:42,180
second time I've had to threaten her by

81
00:04:37,470 --> 00:04:43,410
the way I've threatened her with being

82
00:04:42,180 --> 00:04:47,040
fired ok

83
00:04:43,410 --> 00:04:55,380
oh he has fired yeah it's a few days you

84
00:04:47,040 --> 00:04:56,970
can fire followers that way well anyway

85
00:04:55,379 --> 00:04:59,069
we're just glad she's in the chat room

86

00:04:56,970 --> 00:05:05,630
with us yes and I definitely want to

87
00:04:59,069 --> 00:05:07,860
know her feedback on this topic and also

88
00:05:05,629 --> 00:05:12,240
for those of you that are listening in

89
00:05:07,860 --> 00:05:14,580
now tweet us Instagram us Facebook us or

90
00:05:12,240 --> 00:05:15,870
on all things that you fo Bros TV let us

91
00:05:14,579 --> 00:05:17,969
know what you feel about this topic and

92
00:05:15,870 --> 00:05:19,649
maybe kind of you know the direction

93
00:05:17,970 --> 00:05:21,270
this show goes we'll see cuz we're both

94
00:05:19,649 --> 00:05:24,569
gonna kind of look into it together

95
00:05:21,269 --> 00:05:27,329
right yeah and by the way we've been to

96
00:05:24,569 --> 00:05:31,050
actually lectures where people like dr.

97
00:05:27,329 --> 00:05:34,199
Greer have discussed how nukes aren't

98
00:05:31,050 --> 00:05:37,980
allowed in space and nukes you know

99
00:05:34,199 --> 00:05:40,349
won't be allowed to be used because the

100
00:05:37,980 --> 00:05:42,900

ETS will intervene or something like

101

00:05:40,350 --> 00:05:44,250
that that's interesting

102

00:05:42,899 --> 00:05:46,379
I'm not saying that he said that

103

00:05:44,250 --> 00:05:48,990
specifically but I ultimately think

104

00:05:46,379 --> 00:05:50,870
that's what he's getting at what I keep

105

00:05:48,990 --> 00:05:54,230
I keep trying the microphone sorry guys

106

00:05:50,870 --> 00:05:54,230
yes I'm here

107

00:05:54,800 --> 00:06:03,090
and always something with and so we were

108

00:05:59,009 --> 00:06:05,399
like uh right feels like I hope we don't

109

00:06:03,089 --> 00:06:06,000
get into any crazy war or something

110

00:06:05,399 --> 00:06:08,459
right now

111

00:06:06,000 --> 00:06:11,610
it's scary oh you guys it's completely

112

00:06:08,459 --> 00:06:29,159
scary it's I don't want to think about

113

00:06:11,610 --> 00:06:31,020
it issues but so Burger Time so what we

114

00:06:29,160 --> 00:06:35,010
need to do is we need actually everybody

115
00:06:31,019 --> 00:06:36,839
start getting prepared we're building a

116
00:06:35,009 --> 00:06:40,230
bunker remember when we built in Ark oh

117
00:06:36,839 --> 00:06:42,209
yeah yeah whatever dam flooded we oh

118
00:06:40,230 --> 00:06:45,000
yeah we built an ark and now we're

119
00:06:42,209 --> 00:06:47,729
building a bunker so if you would like

120
00:06:45,000 --> 00:06:50,339
space in the UFO Bros TV bunker all you

121
00:06:47,730 --> 00:06:51,540
need to do is them in one payment of no

122
00:06:50,339 --> 00:06:54,379
I'm just kidding

123
00:06:51,540 --> 00:06:57,500
you know what we're gonna fry together

124
00:06:54,379 --> 00:07:02,339
how does that sound

125
00:06:57,500 --> 00:07:06,899
it crispy Wow we look like we'd be

126
00:07:02,339 --> 00:07:09,359
delicious if we roasted but this is very

127
00:07:06,899 --> 00:07:11,159
very very scary topic and it's well I

128
00:07:09,360 --> 00:07:13,770
know that's everywhere now I don't know

129
00:07:11,160 --> 00:07:18,180
I think that kind of giving people some

130
00:07:13,769 --> 00:07:20,519
sense of calm maybe that hopefully the

131
00:07:18,180 --> 00:07:21,870
ETS will intervene I don't know I

132
00:07:20,519 --> 00:07:24,959
thought that would be a good topic and

133
00:07:21,870 --> 00:07:27,209
you agreed so yeah that consumes every

134
00:07:24,959 --> 00:07:30,180
time there's some sort of nuclear what

135
00:07:27,209 --> 00:07:31,639
you call it just they show up well as

136
00:07:30,180 --> 00:07:35,370
we've said in previous shows

137
00:07:31,639 --> 00:07:38,339
it seems the majority of UFO started

138
00:07:35,370 --> 00:07:41,120
coming being more visible around the

139
00:07:38,339 --> 00:07:43,439
time that we created the atomic bomb not

140
00:07:41,120 --> 00:07:45,480
only testing it but after we

141
00:07:43,439 --> 00:07:49,139
specifically dropped it on the regime

142
00:07:45,480 --> 00:07:51,000
and not gonna taki so they're still

143

00:07:49,139 --> 00:07:53,219
around they're still watching we're

144
00:07:51,000 --> 00:07:55,800
wandering with you know right isn't that

145
00:07:53,220 --> 00:07:57,720
the theory yeah what do you guys think

146
00:07:55,800 --> 00:07:59,139
Carly what do you think do you think

147
00:07:57,720 --> 00:08:01,270
that

148
00:07:59,139 --> 00:08:03,249
I mean it's in their best interest if

149
00:08:01,269 --> 00:08:07,810
they're really here and they're watching

150
00:08:03,249 --> 00:08:10,330
us right yeah I would think so I would

151
00:08:07,810 --> 00:08:12,370
do and for those of you who are just

152
00:08:10,329 --> 00:08:14,408
kind of wondering what we're referring

153
00:08:12,370 --> 00:08:19,990
to I actually have a few news clips that

154
00:08:14,408 --> 00:08:23,438
I'm gonna share so these are interesting

155
00:08:19,990 --> 00:08:25,990
these are just a few clips that I was

156
00:08:23,439 --> 00:08:28,990
able to grab off of the Internet

157
00:08:25,990 --> 00:08:30,999

and one of these is a testimonial from a

158

00:08:28,990 --> 00:08:36,639

whistleblower that was involved in a

159

00:08:30,999 --> 00:08:55,269

military with nukes and I'm just gonna

160

00:08:36,639 --> 00:08:57,639

go ahead and play it how's that sound so

161

00:08:55,269 --> 00:09:00,339

this is dr. Bob Jake by the way for the

162

00:08:57,639 --> 00:09:02,559

exciting talking about watching the

163

00:09:00,339 --> 00:09:03,940

ortho we could see coming in the warhead

164

00:09:02,559 --> 00:09:06,458

the dummy warhead

165

00:09:03,940 --> 00:09:08,350

according to Jacobs at this stage the

166

00:09:06,458 --> 00:09:10,719

rocket was traveling between eleven and

167

00:09:08,350 --> 00:09:12,879

fourteen thousand miles per hour when a

168

00:09:10,720 --> 00:09:15,250

saucer-shaped craft entered the frame

169

00:09:12,879 --> 00:09:19,570

that's not how fast that guy when I got

170

00:09:15,250 --> 00:09:20,828

to get to the potty man it flew into the

171

00:09:19,570 --> 00:09:23,079

frame like this

172
00:09:20,828 --> 00:09:25,899
it shot a beam of light at the warhead I

173
00:09:23,078 --> 00:09:27,519
just hear you breathing now remember all

174
00:09:25,899 --> 00:09:29,708
the stuff is flying at several thousand

175
00:09:27,519 --> 00:09:30,730
miles an hour so this thing fires a beam

176
00:09:29,708 --> 00:09:33,219
of light at the warhead

177
00:09:30,730 --> 00:09:34,690
so did he already said Joe they're

178
00:09:33,220 --> 00:09:38,019
moving several thousand miles an hour

179
00:09:34,690 --> 00:09:41,800
and something flies into view of this

180
00:09:38,019 --> 00:09:45,759
camera tracking system that's crazy

181
00:09:41,799 --> 00:09:48,458
how's that post a black light and then

182
00:09:45,759 --> 00:09:50,970
flies out the way it came in and the

183
00:09:48,458 --> 00:09:50,969
warhead

184
00:09:53,129 --> 00:09:57,000
now when the lights came on major

185
00:09:55,049 --> 00:10:00,120
Mansmann turned her on to what major

186
00:09:57,000 --> 00:10:03,179
Mansmann the man said were you guys

187
00:10:00,120 --> 00:10:08,870
screwing around up there and I said no

188
00:10:03,179 --> 00:10:12,779
sir and he said what was that and I said

189
00:10:08,870 --> 00:10:18,110
it looks to me like we got a UFO well

190
00:10:12,779 --> 00:10:18,110
yeah what do you thing about that show I

191
00:10:18,409 --> 00:10:23,189
mean by the way if you guys always

192
00:10:21,000 --> 00:10:27,330
whistleblowers saying well if you google

193
00:10:23,190 --> 00:10:30,750
this guy you'll see that his testimony

194
00:10:27,330 --> 00:10:32,790
was actually very emotional I feel from

195
00:10:30,750 --> 00:10:36,450
him I mean he is adamant I mean this

196
00:10:32,789 --> 00:10:41,009
isn't a very smart man he has a PhD you

197
00:10:36,450 --> 00:10:42,660
know he's he's completely appalled that

198
00:10:41,009 --> 00:10:43,409
the idea that anybody would think he's

199
00:10:42,659 --> 00:10:46,620
lying

200

00:10:43,409 --> 00:10:48,360
I mean he's you can see it in his face

201
00:10:46,620 --> 00:10:52,470
you can see it in his expressions you

202
00:10:48,360 --> 00:10:56,789
can see it in these interviews if you're

203
00:10:52,470 --> 00:10:59,279
able to watch them and by the way if

204
00:10:56,789 --> 00:11:01,139
you're wondering that's dr. Bob Jacobs

205
00:10:59,279 --> 00:11:04,679
if you just YouTube it you'll see plenty

206
00:11:01,139 --> 00:11:06,360
of testimonials and that was just one

207
00:11:04,679 --> 00:11:09,120
clip I could find that kind of sums up

208
00:11:06,360 --> 00:11:12,300
you know everything okay

209
00:11:09,120 --> 00:11:13,590
we're gonna turn our attention to Joe it

210
00:11:12,299 --> 00:11:14,699
looks like you need some so Joe what are

211
00:11:13,590 --> 00:11:17,490
you what's going on over there go ahead

212
00:11:14,700 --> 00:11:22,290
report from the land of fee liens how

213
00:11:17,490 --> 00:11:32,299
are things going down there this up with

214
00:11:22,289 --> 00:11:32,299

you Joe Oh God

215

00:11:33,409 --> 00:11:44,069

yeah screaming to the microphone so I

216

00:11:38,970 --> 00:11:48,750

think that I would wonder why something

217

00:11:44,070 --> 00:11:51,510

would fly in though to disable a it

218

00:11:48,750 --> 00:11:56,129

wasn't a real new I mean it was just a

219

00:11:51,509 --> 00:12:01,169

dummy nuke what's the point of they

220

00:11:56,129 --> 00:12:05,759

didn't know I don't know anyway crazy

221

00:12:01,169 --> 00:12:06,269

Karla agrees by the way mm-hmm oh you

222

00:12:05,759 --> 00:12:08,850

know what

223

00:12:06,269 --> 00:12:11,750

Karla has a good question for us which

224

00:12:08,850 --> 00:12:15,210

is what happened to AJ an alien on board

225

00:12:11,750 --> 00:12:16,830

we yeah we wondered that today we

226

00:12:15,210 --> 00:12:19,920

haven't heard from AJ in a while and

227

00:12:16,830 --> 00:12:21,900

alien on board I'm not sure I don't it

228

00:12:19,919 --> 00:12:23,309

looks as though any number took maybe a

229
00:12:21,899 --> 00:12:26,159
little social media break that happens

230
00:12:23,309 --> 00:12:28,979
it happens we sometimes take a little

231
00:12:26,159 --> 00:12:32,909
social media break as well yep back to

232
00:12:28,980 --> 00:12:35,039
school yes how many of you are dancing

233
00:12:32,909 --> 00:12:36,719
right now it's back to school time Joe

234
00:12:35,039 --> 00:12:42,000
are you ready yeah

235
00:12:36,720 --> 00:12:49,800
are you ready for them to cool yeah what

236
00:12:42,000 --> 00:12:52,769
are you gonna do with your extra time I

237
00:12:49,799 --> 00:12:55,699
don't know son Christ home there's not

238
00:12:52,769 --> 00:12:58,230
really it doesn't matter to me you

239
00:12:55,700 --> 00:13:01,500
should start a time with same Sabinas

240
00:12:58,230 --> 00:13:04,089
that's what you should do you should do

241
00:13:01,500 --> 00:13:08,980
lots of subpoenas

242
00:13:04,089 --> 00:13:13,480
mm-hmm I want to kind of like go onto

243
00:13:08,980 --> 00:13:15,490
another short kind of news clip it's

244
00:13:13,480 --> 00:13:19,558
just a couple minutes long do it it's

245
00:13:15,490 --> 00:13:22,389
talking more about UFOs and nukes so

246
00:13:19,558 --> 00:13:24,188
this is just actually a random news clip

247
00:13:22,389 --> 00:13:25,568
it's kind of irrelevant like where it

248
00:13:24,188 --> 00:13:29,318
came from because it's a little bit

249
00:13:25,568 --> 00:13:31,088
older but I think the content is you

250
00:13:29,318 --> 00:13:33,610
know is important so guys go ahead take

251
00:13:31,089 --> 00:13:35,620
a listen to this one now they are said

252
00:13:33,610 --> 00:13:37,389
to be able to cross galaxies but people

253
00:13:35,620 --> 00:13:39,759
who believe they're out there want to

254
00:13:37,389 --> 00:13:41,889
know why aliens want to visit earth a

255
00:13:39,759 --> 00:13:44,289
group of former US servicemen is

256
00:13:41,889 --> 00:13:48,240
convinced can I just come on that was so

257

00:13:44,289 --> 00:13:48,240
weird how that started aliens

258
00:13:49,350 --> 00:13:53,709
extraterrestrials are interfering with

259
00:13:51,339 --> 00:13:59,769
nuclear weapons as Artie Cedric moon

260
00:13:53,708 --> 00:14:02,828
explains perhaps a few things say normal

261
00:13:59,769 --> 00:14:05,799
or routine more than a daily dose that's

262
00:14:02,828 --> 00:14:11,078
a competition a cup of calm in what can

263
00:14:05,799 --> 00:14:13,708
on any day be out of the ordinary out of

264
00:14:11,078 --> 00:14:16,299
the ordinary like a nuclear holocaust

265
00:14:13,708 --> 00:14:19,268
out of the ordinary why do they talk

266
00:14:16,299 --> 00:14:22,328
like that they attack from where doesn't

267
00:14:19,269 --> 00:14:24,999
matter it could why is it that they talk

268
00:14:22,328 --> 00:14:26,498
like that it's like a weird robot news

269
00:14:24,999 --> 00:14:30,249
thing don't you think it's like that

270
00:14:26,499 --> 00:14:34,800
I am on the news and I will be talking

271
00:14:30,249 --> 00:14:39,009

in my news voice coming up at 9:00 why

272

00:14:34,799 --> 00:14:42,039

are you here I'm here what's going on

273

00:14:39,009 --> 00:14:44,949

you know you're just like your paint you

274

00:14:42,039 --> 00:14:48,099

looking at the cat we're doing this show

275

00:14:44,948 --> 00:14:52,688

we're showing anyway keep listening

276

00:14:48,100 --> 00:14:53,379

Benoist Korea Iran Pakistan if that were

277

00:14:52,688 --> 00:14:58,828

to happen

278

00:14:53,379 --> 00:14:58,829

nuclear payback wouldn't happen

279

00:14:59,980 --> 00:15:06,170

that's like waters made by the men in

280

00:15:02,958 --> 00:15:07,958

this room our missiles began going into

281

00:15:06,169 --> 00:15:10,610

what's called a no-go condition or

282

00:15:07,958 --> 00:15:13,969

unlaunchable essentially they were

283

00:15:10,610 --> 00:15:16,249

disable detailed in this report full of

284

00:15:13,970 --> 00:15:18,528

court sanctions sworn affidavits the

285

00:15:16,249 --> 00:15:22,519

witnesses have described these craft as

286

00:15:18,528 --> 00:15:25,159
disc shaped or cylindrical shape or

287

00:15:22,519 --> 00:15:26,928
spherical if you think what's being said

288

00:15:25,159 --> 00:15:30,289
inside this building is completely

289

00:15:26,928 --> 00:15:32,600
ridiculous I think we should just talk

290

00:15:30,289 --> 00:15:35,360
to each other like that all the time hey

291

00:15:32,600 --> 00:15:38,949
Joe would you like to go to Starbucks

292

00:15:35,360 --> 00:15:42,350
and get a macchiato at 10:00

293

00:15:38,948 --> 00:15:44,948
how about 8:30 a.m. today you can go

294

00:15:42,350 --> 00:15:44,949
fuck yourself

295

00:15:45,039 --> 00:15:49,698
it's just I mean when you're not

296

00:15:47,360 --> 00:15:54,318
watching it and you're just listening it

297

00:15:49,698 --> 00:15:56,708
is really weird listen keeping my name

298

00:15:54,318 --> 00:15:59,719
is Robert Hastings thank you for coming

299

00:15:56,708 --> 00:16:01,698
these are men who might know what may

300
00:15:59,720 --> 00:16:03,980
have gone on their former Air Force

301
00:16:01,698 --> 00:16:07,219
missile launch officers missile base

302
00:16:03,980 --> 00:16:11,028
officers who say UFO spaceships flying

303
00:16:07,220 --> 00:16:14,959
saucers make nuclear weapon systems go

304
00:16:11,028 --> 00:16:17,659
haywire in 1966 according to a launch

305
00:16:14,958 --> 00:16:20,118
officer David Shore his missiles were

306
00:16:17,659 --> 00:16:22,639
temporarily activated just as his

307
00:16:20,119 --> 00:16:24,769
security guard was reporting a bright

308
00:16:22,639 --> 00:16:28,249
object moving from missile to missile to

309
00:16:24,769 --> 00:16:32,600
missile this is very boring it's not

310
00:16:28,249 --> 00:16:37,399
just in the United States also today in

311
00:16:32,600 --> 00:16:40,009
Russia a to incident that happened in

312
00:16:37,399 --> 00:16:42,110
then Soviet Ukraine given the fact that

313
00:16:40,009 --> 00:16:44,418
these incidents have gone on over there

314

00:16:42,110 --> 00:16:46,639
including one incident of their missiles

315
00:16:44,418 --> 00:16:48,399
being temporarily activated when a UFO

316
00:16:46,639 --> 00:16:51,289
was hovering above the missile base

317
00:16:48,399 --> 00:16:53,600
identical to what occurred here I think

318
00:16:51,289 --> 00:16:56,028
we can rule out that whoever are

319
00:16:53,600 --> 00:16:58,230
piloting these craft are either American

320
00:16:56,028 --> 00:17:01,769
or Russian

321
00:16:58,230 --> 00:17:04,960
maybe they're right maybe they're wrong

322
00:17:01,769 --> 00:17:07,089
maybe there's no way to ever know but if

323
00:17:04,960 --> 00:17:10,950
the day are right and an

324
00:17:07,089 --> 00:17:14,649
out-of-the-ordinary day is about unfold

325
00:17:10,950 --> 00:17:17,980
the saucer said urk moon our teams with

326
00:17:14,650 --> 00:17:19,630
the CDC it's a cock it sounds like shit

327
00:17:17,980 --> 00:17:26,860
that's what it doesn't sound like copy

328
00:17:19,630 --> 00:17:30,490

me look you literally don't even give me

329

00:17:26,859 --> 00:17:37,119

a minute to discuss anything and then

330

00:17:30,490 --> 00:17:39,609

you start going dude it's true by the

331

00:17:37,119 --> 00:17:43,029

way Carla says no but I sound like check

332

00:17:39,609 --> 00:17:45,149

mark and I know it I've heard that

333

00:17:43,029 --> 00:17:45,149

before

334

00:17:45,210 --> 00:17:52,090

I've heard that before yes then why

335

00:17:49,029 --> 00:17:54,369

don't you work on that because I don't

336

00:17:52,089 --> 00:17:56,199

even try it just I'm not trying to be

337

00:17:54,369 --> 00:18:09,399

jackpot I just I don't know why that

338

00:17:56,200 --> 00:18:14,130

comes across that way Thank You Carla

339

00:18:09,400 --> 00:18:20,800

I'm certainly I think looking jet black

340

00:18:14,130 --> 00:18:22,780

that's my opinion so what do you think

341

00:18:20,799 --> 00:18:28,240

about that are they theirs that they

342

00:18:22,779 --> 00:18:34,029

ours are they Russian are they are we

343
00:18:28,240 --> 00:18:37,049
being watched by aliens or by crap now

344
00:18:34,029 --> 00:18:40,180
let's see the nation or another planet

345
00:18:37,049 --> 00:18:41,379
now let's see if there's gonna be on the

346
00:18:40,180 --> 00:18:43,060
news anywhere up there could be a lot of

347
00:18:41,380 --> 00:18:44,410
your photo activity now it's display to

348
00:18:43,059 --> 00:18:46,149
see if there's a lot of UFO activity

349
00:18:44,410 --> 00:18:48,160
then we will know there's nothing's

350
00:18:46,150 --> 00:18:50,980
gonna happen let's just hope that UFO

351
00:18:48,160 --> 00:18:56,950
activity isn't missile well a quick

352
00:18:50,980 --> 00:18:58,549
review of both that was a UFO electric a

353
00:18:56,950 --> 00:19:03,799
second her vagina

354
00:18:58,549 --> 00:19:06,980
yeah she spreads it I know anyway Paul

355
00:19:03,799 --> 00:19:09,889
Curtis has is here and we need a round

356
00:19:06,980 --> 00:19:13,250
of applause because um he's back and he

357
00:19:09,890 --> 00:19:14,900
still listens to us oh thank you for

358
00:19:13,250 --> 00:19:18,140
that and for people to do you know the

359
00:19:14,900 --> 00:19:21,460
lam classroom we love all of our three

360
00:19:18,140 --> 00:19:23,150
you sound drunk you say like Sarah Palin

361
00:19:21,460 --> 00:19:26,569
I'm not drunk

362
00:19:23,150 --> 00:19:30,950
we love our country because the country

363
00:19:26,569 --> 00:19:32,599
is ours sorry I've just been stuck on

364
00:19:30,950 --> 00:19:33,769
the news because I'm waiting to hear

365
00:19:32,599 --> 00:19:35,839
what you know what's the hell's

366
00:19:33,769 --> 00:19:37,579
happening and by the way I haven't

367
00:19:35,839 --> 00:19:40,129
checked the news in quite a while right

368
00:19:37,579 --> 00:19:41,779
so Fri know we could be engaged in a war

369
00:19:40,130 --> 00:19:45,080
right now and we're podcasting right at

370
00:19:41,779 --> 00:19:47,869
the middle of it we have no idea if we

371

00:19:45,079 --> 00:19:53,659
want to check the news the backs of who

372
00:19:47,869 --> 00:19:54,979
- well let's take a quick minute cuz you

373
00:19:53,660 --> 00:19:57,230
don't work right in the middle of the

374
00:19:54,980 --> 00:20:01,759
show anyway and I really wanted to do

375
00:19:57,230 --> 00:20:04,250
okay you know I wanted you you know

376
00:20:01,759 --> 00:20:07,329
shout out okay well you could have shut

377
00:20:04,250 --> 00:20:10,519
up because there you're my fella with me

378
00:20:07,329 --> 00:20:12,619
you did mark underscore Garvin on

379
00:20:10,519 --> 00:20:14,710
Instagram thank you and I'm seeing him

380
00:20:12,619 --> 00:20:16,339
liking stuff yes thank you from trumpet

381
00:20:14,710 --> 00:20:22,579
James North I'm ER

382
00:20:16,339 --> 00:20:24,409
by the way excellent gone and he also

383
00:20:22,579 --> 00:20:27,069
you know engages with us on Twitter so

384
00:20:24,410 --> 00:20:30,560
we thank you for that the what cast

385
00:20:27,069 --> 00:20:31,849

didn't do thank you and by the way this

386

00:20:30,559 --> 00:20:34,069
is all on Instagram if you're not

387

00:20:31,849 --> 00:20:35,959
following us you should because we do

388

00:20:34,069 --> 00:20:38,299
share funny memes and clips and things

389

00:20:35,960 --> 00:20:40,309
and that's of course at UFO Bros TV so

390

00:20:38,299 --> 00:20:41,869
that's fun oh you know what's really

391

00:20:40,309 --> 00:20:44,950
happening our Pinterest is taking off

392

00:20:41,869 --> 00:20:46,729
you know how many followers we have 13

393

00:20:44,950 --> 00:20:48,980
whoa

394

00:20:46,730 --> 00:20:49,890
13 why do we have a Pinterest I don't

395

00:20:48,980 --> 00:20:55,860
know

396

00:20:49,890 --> 00:20:58,530
oh yeah the Pinterest I don't really

397

00:20:55,859 --> 00:21:00,569
understand how that I'm not you know I

398

00:20:58,529 --> 00:21:02,639
don't I mean I just guess you're

399

00:21:00,569 --> 00:21:04,619
supposed to have one like a tumblr I

400
00:21:02,640 --> 00:21:06,870
asked my niece well what the hell's the

401
00:21:04,619 --> 00:21:12,709
deal with the tumblr and she's like you

402
00:21:06,869 --> 00:21:16,849
just wait blog stuff I'm like you just

403
00:21:12,710 --> 00:21:23,730
some notes in reblogs are counted as

404
00:21:16,849 --> 00:21:27,209
notes or something I don't anyway uh I

405
00:21:23,730 --> 00:21:28,860
need a Sophia I like that Annina Sofia I

406
00:21:27,210 --> 00:21:31,910
mean that sounds like I know that Rose

407
00:21:28,859 --> 00:21:36,629
were at the town thank you for that um

408
00:21:31,910 --> 00:21:38,640
wot our radio west of the Rockies ooh

409
00:21:36,630 --> 00:21:41,120
blonde with a bong she's been with us

410
00:21:38,640 --> 00:21:49,580
for a while now yeah thank you

411
00:21:41,119 --> 00:21:51,599
dad were just 182 yes we love her show

412
00:21:49,579 --> 00:21:54,480
by the way hello to all of our friends

413
00:21:51,599 --> 00:22:02,668
out there like Jeremy Korbelt oh all of

414
00:21:54,480 --> 00:22:04,558
them George um yes we are too-hoo Ian

415
00:22:02,669 --> 00:22:08,610
Ian aunty

416
00:22:04,558 --> 00:22:10,470
yes yes and you know we really never

417
00:22:08,609 --> 00:22:15,779
made friends with James Gilliland

418
00:22:10,470 --> 00:22:18,900
but but thank you thank you all for you

419
00:22:15,779 --> 00:22:21,660
know your support hey Kevin Francis has

420
00:22:18,900 --> 00:22:26,280
a question about nukes on Twitter here

421
00:22:21,660 --> 00:22:29,580
so let's see what he has to say I like

422
00:22:26,279 --> 00:22:31,139
to get your opinion so we you know

423
00:22:29,579 --> 00:22:34,949
posted that our show tonight would be

424
00:22:31,140 --> 00:22:37,259
about UFOs and nukes his question is by

425
00:22:34,950 --> 00:22:41,759
the way this is Kevin Francis at keV

426
00:22:37,259 --> 00:22:45,119
underscore fre o UF o if you care

427
00:22:41,759 --> 00:22:47,929
hey guys kit from Australia I don't know

428

00:22:45,119 --> 00:22:52,229
where that is is in Australia Austria

429
00:22:47,929 --> 00:22:54,780
okay what the heck is going to happen

430
00:22:52,230 --> 00:22:56,700
with the nukes will the et shut it down

431
00:22:54,779 --> 00:22:59,910
it seems that seems to be the

432
00:22:56,700 --> 00:23:05,490
reoccurring theme here that but then

433
00:22:59,910 --> 00:23:10,529
again I don't wish to come you know I

434
00:23:05,490 --> 00:23:13,410
wonder the tests that North Korea has

435
00:23:10,529 --> 00:23:15,660
done do you think that doesn't move it

436
00:23:13,410 --> 00:23:18,870
may be those some of them were taken out

437
00:23:15,660 --> 00:23:21,810
or remember when they had failed tests

438
00:23:18,869 --> 00:23:24,899
in the very beginning and I was

439
00:23:21,809 --> 00:23:26,700
wondering maybe somebody's involved or

440
00:23:24,900 --> 00:23:32,370
something is trying to prevent them

441
00:23:26,700 --> 00:23:35,640
obviously shows me right now my cat's

442
00:23:32,369 --> 00:23:37,349

drinking my water yeah I am here I'm

443

00:23:35,640 --> 00:23:39,300

here you stupid and you know she always

444

00:23:37,349 --> 00:23:41,849

likes to drink my water when she when

445

00:23:39,299 --> 00:23:44,730

she gets done taking a shit what's the

446

00:23:41,849 --> 00:23:46,559

deal with that you know my cat she goes

447

00:23:44,730 --> 00:23:48,180

in the dumper and she takes a shit and

448

00:23:46,559 --> 00:23:49,769

she tries to drink my water and see

449

00:23:48,180 --> 00:23:52,740

there she goes and then she does she

450

00:23:49,769 --> 00:23:54,329

smells like Febreze she smells like

451

00:23:52,740 --> 00:23:57,799

shitty Febreze and then she puts her

452

00:23:54,329 --> 00:24:03,529

face in my water it's a problem anyway

453

00:23:57,799 --> 00:24:05,879

you know back in the chat room here

454

00:24:03,529 --> 00:24:07,680

Debbie chopped he says gee if only

455

00:24:05,880 --> 00:24:09,810

opposed this is Paul Curtis by the way

456

00:24:07,680 --> 00:24:10,950

interfered with North Col Smith or Tex

457
00:24:09,809 --> 00:24:12,809
we wouldn't have to worry about a

458
00:24:10,950 --> 00:24:14,670
nuclear exchange with him yes did I

459
00:24:12,809 --> 00:24:17,399
guess did we did we talk about that I

460
00:24:14,670 --> 00:24:19,200
think I was going that way oh you know

461
00:24:17,400 --> 00:24:21,240
what that says it says that he's paying

462
00:24:19,200 --> 00:24:23,819
attention he's actually listening to

463
00:24:21,240 --> 00:24:29,700
what we're saying thank you thank you

464
00:24:23,819 --> 00:24:40,589
Paul Curtis Paul Curtis you should put

465
00:24:29,700 --> 00:24:46,850
that into it Paul Kerr we're working on

466
00:24:40,589 --> 00:24:50,399
some unison hey did you get any of those

467
00:24:46,849 --> 00:24:53,879
clips up on the youtubes or the Lipton

468
00:24:50,400 --> 00:24:55,120
cotton I see you for 45 minutes a week

469
00:24:53,880 --> 00:24:57,440
right now and

470
00:24:55,119 --> 00:25:00,109
but when I do see you were just like

471
00:24:57,440 --> 00:25:02,058
chillin like we're not like you know

472
00:25:00,109 --> 00:25:06,279
yeah that's the thing if we seem like

473
00:25:02,058 --> 00:25:09,730
we've been absent we have we're not in

474
00:25:06,279 --> 00:25:12,798
together all the time now

475
00:25:09,730 --> 00:25:17,589
so and plus I have my kids so it's like

476
00:25:12,798 --> 00:25:19,429
I have less time with broski that's okay

477
00:25:17,589 --> 00:25:28,720
because I'm gonna burn your house down

478
00:25:19,429 --> 00:25:31,429
and then okay so we're working on stuff

479
00:25:28,720 --> 00:25:33,440
yeah and we're still planning our

480
00:25:31,429 --> 00:25:35,259
ultimate trip and you know somebody had

481
00:25:33,440 --> 00:25:38,509
brought up to us the other day about

482
00:25:35,259 --> 00:25:40,250
doing a Kickstarter yes it's the same

483
00:25:38,509 --> 00:25:42,200
thing as GoFundMe how do you feel about

484
00:25:40,250 --> 00:25:43,429
oh yeah I mean GoFundMe not a

485

00:25:42,200 --> 00:25:45,048
Kickstarter but how do you feel about

486
00:25:43,429 --> 00:25:47,090
doing a GoFundMe I've never really

487
00:25:45,048 --> 00:25:50,660
considered that I mean we have our

488
00:25:47,089 --> 00:25:52,490
patreon yeah but I mean you know HP on

489
00:25:50,660 --> 00:25:54,380
you can you have to be a patreon member

490
00:25:52,490 --> 00:25:55,609
if you're go to Kickstarter like

491
00:25:54,380 --> 00:25:56,990
everybody's in Kickstarter and

492
00:25:55,609 --> 00:26:20,659
everybody's and GoFundMe and it goes

493
00:25:56,990 --> 00:26:25,250
everywhere okay and we just know we're

494
00:26:20,660 --> 00:26:27,169
not like we just got just TV idea from

495
00:26:25,250 --> 00:26:28,519
someone you're thinking so we're you

496
00:26:27,169 --> 00:26:29,570
know we're just toying around with it if

497
00:26:28,519 --> 00:26:31,879
you think it's a good idea let us know

498
00:26:29,569 --> 00:26:33,589
by the way if they want to know what

499
00:26:31,880 --> 00:26:37,600

it's for cuz we even even said that yet

500

00:26:33,589 --> 00:26:45,798

which is our cross countries is for fuel

501

00:26:37,599 --> 00:26:51,529

gas petrol fuel and also more

502

00:26:45,798 --> 00:26:54,798

importantly gas okay gas and food and

503

00:26:51,529 --> 00:26:58,700

lodging and you'll tires and did you

504

00:26:54,798 --> 00:27:05,200

want fuel we would also need combustible

505

00:26:58,700 --> 00:27:07,360

liquid so Hugh but but we need

506

00:27:05,200 --> 00:27:09,580

you know everything else that adds up

507

00:27:07,359 --> 00:27:13,899

it's kind of pricey you have to save for

508

00:27:09,579 --> 00:27:16,240

these things you yes we do we suck at

509

00:27:13,900 --> 00:27:20,280

saving bro we suck

510

00:27:16,240 --> 00:27:27,430

I have 15,000 kids in a house I know

511

00:27:20,279 --> 00:27:29,920

what are you doing living living the

512

00:27:27,430 --> 00:27:40,110

dream living everyday life

513

00:27:29,920 --> 00:27:40,110

yep this normal everyday life yeah

514
00:27:40,769 --> 00:27:44,980
anything I don't know why people isn't

515
00:27:43,000 --> 00:27:47,170
know something sounds weird I don't know

516
00:27:44,980 --> 00:27:48,610
but hey you know at least we're a little

517
00:27:47,170 --> 00:27:50,980
bit more consistent in the last couple

518
00:27:48,609 --> 00:27:54,490
shows where there was something crazy to

519
00:27:50,980 --> 00:27:59,049
happen right yeah yeah someone had some

520
00:27:54,490 --> 00:28:05,259
gallstone kids are wanting to kill each

521
00:27:59,049 --> 00:28:06,519
other and okay so it's mostly just BS it

522
00:28:05,259 --> 00:28:08,349
wasn't even anything really interesting

523
00:28:06,519 --> 00:28:13,240
you got to have a couple of those in

524
00:28:08,349 --> 00:28:16,209
your dick in your day hey we're in the

525
00:28:13,240 --> 00:28:19,809
chat room right now and Paul Curtis has

526
00:28:16,210 --> 00:28:23,110
an idea you and hear this he says if you

527
00:28:19,809 --> 00:28:27,389
could do a cross-country trip and bring

528

00:28:23,109 --> 00:28:30,009

a celebrity guest dr. Greer dr. grey

529

00:28:27,390 --> 00:28:32,560

then you could probably get a decent

530

00:28:30,009 --> 00:28:35,349

response to a Kickstarter that's not a

531

00:28:32,559 --> 00:28:40,240

bad idea what if it was like I'm down

532

00:28:35,349 --> 00:28:42,819

you know rocking but hey what if we even

533

00:28:40,240 --> 00:28:44,950

did meetups like you know stopped and

534

00:28:42,819 --> 00:28:47,259

what if even nobody showed up who cares

535

00:28:44,950 --> 00:28:49,450

at least we planned it right we're

536

00:28:47,259 --> 00:28:55,809

heading because watch this city I mean

537

00:28:49,450 --> 00:28:57,759

it for our 60 Spreaker we could just

538

00:28:55,809 --> 00:29:00,970

call them stops tens and tens and

539

00:28:57,759 --> 00:29:06,190

seconds people will flock siren we're in

540

00:29:00,970 --> 00:29:08,680

Maine on stop number 250 you know or or

541

00:29:06,190 --> 00:29:10,750

for at least 20 he'll be about 20 maybe

542

00:29:08,680 --> 00:29:11,799
the sadness of nobody's showing up will

543
00:29:10,750 --> 00:29:13,789
make the news which will make people

544
00:29:11,799 --> 00:29:17,419
show up

545
00:29:13,789 --> 00:29:19,609
I don't know that wasn't a sound board

546
00:29:17,420 --> 00:29:21,410
ladies and gentlemen I like Paul Chris's

547
00:29:19,609 --> 00:29:22,969
idea do you think we'd go on a

548
00:29:21,410 --> 00:29:27,740
cross-country trip with us that's such a

549
00:29:22,970 --> 00:29:31,789
large Oviedo war you know Jeremy Jeremy

550
00:29:27,740 --> 00:29:33,650
Korbel he's so busy I know he's so busy

551
00:29:31,789 --> 00:29:36,019
and so awesome when I grow up I want to

552
00:29:33,650 --> 00:29:38,780
be sure Michael Dalton he just got like

553
00:29:36,019 --> 00:29:43,420
this badass like car and he's always oh

554
00:29:38,779 --> 00:29:47,509
wow we're still alive everything's going

555
00:29:43,420 --> 00:29:53,950
like ANP surge Carla wants us to come

556
00:29:47,509 --> 00:29:53,950

through Arkansas Arkansas Arkansas I

557

00:29:55,269 --> 00:30:03,079

yeah will they accept us for the size

558

00:29:59,720 --> 00:30:13,970

Fergus I mean aren't they Jim I don't

559

00:30:03,079 --> 00:30:14,990

know that's being judgmental Arkansas

560

00:30:13,970 --> 00:30:17,900

forget it

561

00:30:14,990 --> 00:30:21,950

don't they have alligators there aren't

562

00:30:17,900 --> 00:30:24,530

any alligators for as much research as

563

00:30:21,950 --> 00:30:26,299

you do we'll see what happens is I do a

564

00:30:24,529 --> 00:30:27,859

shit ton of research and then right when

565

00:30:26,299 --> 00:30:31,220

we have to do this everything lose my

566

00:30:27,859 --> 00:30:33,589

brain oh because I can't help but to

567

00:30:31,220 --> 00:30:37,309

comment on the awkwardness of things

568

00:30:33,589 --> 00:30:38,839

around me it's just part of what I do or

569

00:30:37,309 --> 00:30:41,089

in general or life or whatever you're

570

00:30:38,839 --> 00:30:44,629

focused in on Haley's I got someone

571
00:30:41,089 --> 00:30:46,129
focused on I'm I'm very focused oh I

572
00:30:44,630 --> 00:30:47,600
didn't mean that in terms of you I just

573
00:30:46,130 --> 00:30:52,400
met in general oh yeah

574
00:30:47,599 --> 00:30:57,469
so don't think huh okay what about only

575
00:30:52,400 --> 00:30:58,670
George yet an RV way what do you think

576
00:30:57,470 --> 00:31:01,940
he'd be like to be in an RV

577
00:30:58,670 --> 00:31:04,640
cross-country with dr. career he there

578
00:31:01,940 --> 00:31:06,740
would be so much farting I don't think I

579
00:31:04,640 --> 00:31:08,509
could just demerit be just one security

580
00:31:06,740 --> 00:31:11,180
guard at his door just standing there

581
00:31:08,509 --> 00:31:12,890
making sure nobody comes in I know but

582
00:31:11,180 --> 00:31:15,830
we fart a lot and I'm concerned about

583
00:31:12,890 --> 00:31:19,460
his health going across country with us

584
00:31:15,829 --> 00:31:22,250
we do go to McDonald's a lot I mean it

585
00:31:19,460 --> 00:31:25,460
could be damaging you know is the funny

586
00:31:22,250 --> 00:31:28,200
part is it will never happen

587
00:31:25,460 --> 00:31:33,989
your face this I'm gonna give you

588
00:31:28,200 --> 00:31:38,460
because that was a legitimate what about

589
00:31:33,989 --> 00:31:42,720
Linda Moulton Howe she does anything we

590
00:31:38,460 --> 00:31:44,639
could have her on yeah I can watch her

591
00:31:42,720 --> 00:31:47,100
faith routine you know who probably

592
00:31:44,638 --> 00:31:50,519
wouldn't Richard Dolan no he's a little

593
00:31:47,099 --> 00:31:52,949
too busy hmm

594
00:31:50,519 --> 00:31:54,690
what do you guys think I mean let's be

595
00:31:52,950 --> 00:31:56,278
realistic thank you Paul Curtis but dr.

596
00:31:54,690 --> 00:32:00,090
Greer barely won't take your picture

597
00:31:56,278 --> 00:32:02,849
yeah nobody's got a picture we demanded

598
00:32:00,089 --> 00:32:05,579
a picture we didn't just get one we

599

00:32:02,849 --> 00:32:14,459
pushed like eight of his 90s security

600
00:32:05,579 --> 00:32:18,329
guards away we're like picture a little

601
00:32:14,460 --> 00:32:20,909
shrine for director Greer weird yes we

602
00:32:18,329 --> 00:32:23,428
do right there you see his picture

603
00:32:20,909 --> 00:32:24,869
there's two candles and I don't know why

604
00:32:23,429 --> 00:32:29,129
but there's a tangerine right there as

605
00:32:24,868 --> 00:32:31,980
well why what is it I don't know and

606
00:32:29,128 --> 00:32:35,219
there's some tea so you know I just do

607
00:32:31,980 --> 00:32:39,089
my little thing no that's not cyanide

608
00:32:35,220 --> 00:32:47,960
that's some yeah that's the Greer shrine

609
00:32:39,089 --> 00:32:47,959
and then I say damn you whoring Greer

610
00:32:48,230 --> 00:32:57,538
well somebody's got to do something

611
00:32:51,388 --> 00:33:01,219
because I just think that it that we do

612
00:32:57,538 --> 00:33:04,378
need a like a cross-country like full-on

613
00:33:01,220 --> 00:33:08,220

what if we biked no way that's adorable

614

00:33:04,378 --> 00:33:10,408

oh man you know what I don't understand

615

00:33:08,220 --> 00:33:12,329

is how people can have that seat jammed

616

00:33:10,409 --> 00:33:14,190

up in their ass for that long it's where

617

00:33:12,329 --> 00:33:16,829

it's like you know that space right in

618

00:33:14,190 --> 00:33:18,509

your junk in your butthole and you just

619

00:33:16,829 --> 00:33:21,089

put all your weight right there and

620

00:33:18,509 --> 00:33:24,919

you're basically sitting on a pole

621

00:33:21,089 --> 00:33:24,918

that's just why I have a frog's ass

622

00:33:26,269 --> 00:33:30,970

I'm just saying I don't know how people

623

00:33:29,420 --> 00:33:33,080

do it

624

00:33:30,970 --> 00:33:37,130

maybe if we lost we probably wouldn't

625

00:33:33,079 --> 00:33:39,649

have to put you know that much but yeah

626

00:33:37,130 --> 00:33:41,860

or you know what we could do is suck

627

00:33:39,650 --> 00:33:48,130

their souls are you thinking

628

00:33:41,859 --> 00:33:48,129

jealousy do we try to dr. stools

629

00:33:53,799 --> 00:33:59,029

by the money Oh our patreon people a few

630

00:33:57,289 --> 00:34:01,069

things we promise we're gonna do it last

631

00:33:59,029 --> 00:34:04,789

time than we didn't so we have to do a

632

00:34:01,069 --> 00:34:06,710

couple videos short ones so make sure

633

00:34:04,789 --> 00:34:09,170

your makeups done okay

634

00:34:06,710 --> 00:34:13,010

tonight yeah we're just gonna do a short

635

00:34:09,170 --> 00:34:14,150

little thing Oh gage okay you wanna do

636

00:34:13,010 --> 00:34:16,340

something I want to tell you that happen

637

00:34:14,150 --> 00:34:18,079

I don't mind I love my family with a fan

638

00:34:16,340 --> 00:34:22,940

said joke so I texted one of our

639

00:34:18,079 --> 00:34:25,099

cousin's the other day and I don't

640

00:34:22,940 --> 00:34:29,150

remember what I texted her a funny meme

641

00:34:25,099 --> 00:34:31,130

and she replied oh goodness gracious

642
00:34:29,150 --> 00:34:33,289
that's so funny

643
00:34:31,130 --> 00:34:39,079
and I I texted her back because this is

644
00:34:33,289 --> 00:34:42,559
totally not her my goodness and she says

645
00:34:39,079 --> 00:34:46,429
well there's children around over text

646
00:34:42,559 --> 00:34:47,809
does that make any sense like all the

647
00:34:46,429 --> 00:34:53,569
children are gonna read your check

648
00:34:47,809 --> 00:34:56,000
you could say fuck like make it but no

649
00:34:53,570 --> 00:34:57,200
maybe um it's funny though someone was

650
00:34:56,000 --> 00:34:58,369
probably holding her phone playing with

651
00:34:57,199 --> 00:34:58,879
it and didn't wanted to drop down or

652
00:34:58,369 --> 00:35:01,099
something

653
00:34:58,880 --> 00:35:06,440
Oh likes it easier for her shoulders or

654
00:35:01,099 --> 00:35:08,539
something do you see what I okay can we

655
00:35:06,440 --> 00:35:11,950
get on okay but we're talking about

656

00:35:08,539 --> 00:35:11,949
nukes and we're talking about you have

657
00:35:12,099 --> 00:35:15,849
well I am

658
00:35:18,059 --> 00:35:22,829
you know when are we gonna do that let's

659
00:35:20,139 --> 00:35:29,049
do a short video after this okay on

660
00:35:22,829 --> 00:35:31,360
Instagram show and yeah sound good

661
00:35:29,050 --> 00:35:34,600
we're also gonna do a Google hangout at

662
00:35:31,360 --> 00:35:36,550
some point but we've got to plan that

663
00:35:34,599 --> 00:35:38,829
when would be to do that we could do it

664
00:35:36,550 --> 00:35:40,000
from different locations though yes you

665
00:35:38,829 --> 00:35:51,969
have stop blowing into the microphone

666
00:35:40,000 --> 00:35:52,889
I'm not doing on the microphone oh yeah

667
00:35:51,969 --> 00:35:55,509
right there

668
00:35:52,889 --> 00:35:58,029
that's the video sorry you know this is

669
00:35:55,510 --> 00:35:59,200
yeah we're just kind of looking at some

670
00:35:58,030 --> 00:36:01,360

things here and scrolling through

671

00:35:59,199 --> 00:36:04,059
Chinese if there's any news

672

00:36:01,360 --> 00:36:05,440
nothing new to report well yeah I also

673

00:36:04,059 --> 00:36:08,049
want to know what the hell's happening

674

00:36:05,440 --> 00:36:10,659
with North so I'm saying this part

675

00:36:08,050 --> 00:36:12,580
nothing to report and by the way we have

676

00:36:10,659 --> 00:36:18,190
a poll on Twitter which is the most fake

677

00:36:12,579 --> 00:36:25,599
news we said is it CNN Fox MSNBC or

678

00:36:18,190 --> 00:36:27,309
secure ten ten and you know secure team

679

00:36:25,599 --> 00:36:31,029
ten it does have somewhat of a lead the

680

00:36:27,309 --> 00:36:35,139
balls funny they have no one leading the

681

00:36:31,030 --> 00:36:38,380
polls yeah do mean we can check on that

682

00:36:35,139 --> 00:36:50,109
poll and I'm tripping over my words to

683

00:36:38,380 --> 00:36:52,240
me it happens say it we're at 20 votes

684

00:36:50,110 --> 00:36:55,630
by the way on this poll on Twitter by

685
00:36:52,239 --> 00:37:00,369
the way we're at at uf0 Bros TV on

686
00:36:55,630 --> 00:37:04,180
Twitter zero and so far it's a

687
00:37:00,369 --> 00:37:08,019
competition between CNN and Fox by CNN

688
00:37:04,179 --> 00:37:09,519
and then CNN and Fox and secure team ten

689
00:37:08,019 --> 00:37:12,429
knows coming in third place so that's

690
00:37:09,519 --> 00:37:16,269
actually kind of funny MSNBC's winning

691
00:37:12,429 --> 00:37:18,549
is the least Vegas news I guess there is

692
00:37:16,269 --> 00:37:20,909
I don't know I have a hard time with

693
00:37:18,550 --> 00:37:24,750
Rachel Maddow I was long

694
00:37:20,909 --> 00:37:29,129
Nik longneck should never put what is

695
00:37:24,750 --> 00:37:31,679
that from blend for time well so far no

696
00:37:29,130 --> 00:37:34,470
nukes have been deployed however of

697
00:37:31,679 --> 00:37:36,829
course North Korea's never that would

698
00:37:34,469 --> 00:37:40,189
North Korea twining a pre pre pre

699
00:37:36,829 --> 00:37:43,319
preemptive strike in Guam which is a

700
00:37:40,190 --> 00:37:44,880
u.s. own territory or under whatever the

701
00:37:43,320 --> 00:38:02,519
hell it is Peninsula or something I

702
00:37:44,880 --> 00:38:15,119
don't know what suck about let's talk

703
00:38:02,519 --> 00:38:17,159
about thanks baby that's right Wow

704
00:38:15,119 --> 00:38:18,989
no we do I'm actually just trying to

705
00:38:17,159 --> 00:38:21,929
pull up this you're not pulling up Shane

706
00:38:18,989 --> 00:38:29,789
oh yeah I'm just pretending you're not

707
00:38:21,929 --> 00:38:32,069
let that's smooth now today you know

708
00:38:29,789 --> 00:38:33,119
that we've up surpassed 250 likes on

709
00:38:32,070 --> 00:38:39,660
Facebook I didn't want to talk about

710
00:38:33,119 --> 00:38:44,219
that though because that's great we are

711
00:38:39,659 --> 00:38:46,589
at a little over 1,900 followers on

712
00:38:44,219 --> 00:38:48,389
Instagram thanks everybody

713

00:38:46,590 --> 00:38:52,950
we're so close to breaking the 2000 mark

714
00:38:48,389 --> 00:38:54,719
I think was there quickly hopefully long

715
00:38:52,949 --> 00:38:57,289
as we keep putting out content like

716
00:38:54,719 --> 00:38:57,289
we're supposed to

717
00:38:57,530 --> 00:39:02,700
hey it's back to school anything it

718
00:39:00,119 --> 00:39:07,609
happened yes as long as the hunting was

719
00:39:02,699 --> 00:39:11,369
supposed to well yeah this is what we do

720
00:39:07,610 --> 00:39:14,990
we choose out just UFOs what's what's

721
00:39:11,369 --> 00:39:14,989
happening you see

722
00:39:16,809 --> 00:39:20,119
um I want to tell you I was watching

723
00:39:18,889 --> 00:39:21,379
people of Earth by the way this is what

724
00:39:20,119 --> 00:39:24,740
I was thinking of I haven't seen that

725
00:39:21,380 --> 00:39:26,000
show yet how does everybody like that

726
00:39:24,739 --> 00:39:28,039
show by the way does everybody like the

727
00:39:26,000 --> 00:39:29,360

people of Earth yeah we were asking

728

00:39:28,039 --> 00:39:31,099

people how they felt about it because I

729

00:39:29,360 --> 00:39:32,539

was checking it out and it was kind of

730

00:39:31,099 --> 00:39:38,420

slow for me was it slow

731

00:39:32,539 --> 00:39:42,230

yeah but maybe maybe it's because

732

00:39:38,420 --> 00:39:44,659

spending time with you is more fun and

733

00:39:42,230 --> 00:39:48,199

so when I watch people of Earth it's

734

00:39:44,659 --> 00:39:50,989

just boring actually to be fair the

735

00:39:48,199 --> 00:39:52,549

episode had more human beings and it's

736

00:39:50,989 --> 00:39:54,879

an aliens a little bit disappointed I

737

00:39:52,550 --> 00:39:57,100

was looking for the aliens generally

738

00:39:54,880 --> 00:39:59,210

slow start and then it's gonna go

739

00:39:57,099 --> 00:40:02,299

probably hella funny do you remember

740

00:39:59,210 --> 00:40:06,670

this show Alien Nation where they drank

741

00:40:02,300 --> 00:40:10,130

rotten milk that's such a weird show no

742
00:40:06,670 --> 00:40:11,840
faith yes it was a show I think it was

743
00:40:10,130 --> 00:40:14,750
in the 90s it was called alien nation

744
00:40:11,840 --> 00:40:17,450
and there were aliens and they drink raw

745
00:40:14,750 --> 00:40:21,829
milk or about raw milk rotten milk is

746
00:40:17,449 --> 00:40:24,529
that disgusting Paul Curtis is a genius

747
00:40:21,829 --> 00:40:25,940
we could create an inflatable dr. Greer

748
00:40:24,530 --> 00:40:27,560
by the way this is going back to our

749
00:40:25,940 --> 00:40:29,750
cross-country trip because we never kind

750
00:40:27,559 --> 00:40:31,909
of round up closed up that in right

751
00:40:29,750 --> 00:40:34,730
there good point Paul Curtis is keeping

752
00:40:31,909 --> 00:40:37,759
us on topic as usual thank you sir

753
00:40:34,730 --> 00:40:40,250
back to our cross-country trip which

754
00:40:37,760 --> 00:40:44,060
would include stops not only in maybe

755
00:40:40,250 --> 00:40:47,630
some cities but also as many famous UFO

756
00:40:44,059 --> 00:40:49,159
and crash sites just protocol or it

757
00:40:47,630 --> 00:40:51,410
would have happened throughout the US or

758
00:40:49,159 --> 00:40:55,210
any other sort of areas you know

759
00:40:51,409 --> 00:40:59,179
forwards or hide hide hide

760
00:40:55,210 --> 00:41:02,780
sightings city or something what we go

761
00:40:59,179 --> 00:41:06,368
to the Gilliland ranch slab Gilliland

762
00:41:02,780 --> 00:41:06,369
ranch that's not gonna happen until the

763
00:41:06,760 --> 00:41:16,660
21st is it this is it this month I don't

764
00:41:11,960 --> 00:41:17,820
know you're thinking of the Eclipse I

765
00:41:16,659 --> 00:41:22,029
knew

766
00:41:17,820 --> 00:41:22,030
[Laughter]

767
00:41:22,320 --> 00:41:26,590
to put you on it you know if we can't

768
00:41:25,059 --> 00:41:30,789
get an inflatable dr. Greer you know we

769
00:41:26,590 --> 00:41:34,320
could do we could you can get a cut out

770

00:41:30,789 --> 00:41:42,070
a life-size cut it out there you go

771
00:41:34,320 --> 00:41:44,019
we'll get that with it oh my gosh that

772
00:41:42,070 --> 00:41:46,690
Paul Curtis just gave us an idea I don't

773
00:41:44,019 --> 00:41:48,550
have one how much does it cost we could

774
00:41:46,690 --> 00:41:51,610
talk to it we could feed it we could

775
00:41:48,550 --> 00:41:53,530
tuck it in bed it'd be great we could

776
00:41:51,610 --> 00:41:55,269
shower eight more probably that's weird

777
00:41:53,530 --> 00:42:01,900
any more props I don't think you'd like

778
00:41:55,269 --> 00:42:05,860
that yeah ideas too many ideas here at

779
00:42:01,900 --> 00:42:07,180
Paul Curtis but I want to go to air we

780
00:42:05,860 --> 00:42:07,960
talked about this Arizona I want to go

781
00:42:07,179 --> 00:42:09,789
to Texas

782
00:42:07,960 --> 00:42:12,519
I mean Kecksburg Pennsylvania that'd be

783
00:42:09,789 --> 00:42:16,599
crazy I mean that's like you see the how

784
00:42:12,519 --> 00:42:22,329

much people but that is you know indeed

785

00:42:16,599 --> 00:42:26,949

a historical area of UFO importance I

786

00:42:22,329 --> 00:42:29,799

guess highly Kecksburg you see that we

787

00:42:26,949 --> 00:42:31,179

just need to research it and just where

788

00:42:29,800 --> 00:42:32,680

we're gonna go calculate all the miles

789

00:42:31,179 --> 00:42:34,719

because I think that Google Maps can do

790

00:42:32,679 --> 00:42:36,489

that I was gonna ask you is there a way

791

00:42:34,719 --> 00:42:38,649

to do that yeah I think if you put in

792

00:42:36,489 --> 00:42:40,299

all your destination yeah and also back

793

00:42:38,650 --> 00:42:42,340

to where you are it'll tell you how many

794

00:42:40,300 --> 00:42:45,460

days will it give you a best or

795

00:42:42,340 --> 00:42:48,490

suggested route yes we need to do that

796

00:42:45,460 --> 00:42:49,809

and just see but I don't know we'll keep

797

00:42:48,489 --> 00:42:51,399

toying around with this idea you guys

798

00:42:49,809 --> 00:42:53,739

can just let us know you know of course

799
00:42:51,400 --> 00:42:57,030
on social media you can message us you

800
00:42:53,739 --> 00:43:00,699
can all that good stuff we fire

801
00:42:57,030 --> 00:43:03,400
followers regularly Carla is somebody

802
00:43:00,699 --> 00:43:05,250
who has been thought easy to fight and

803
00:43:03,400 --> 00:43:08,500
we're gonna send her to China okay

804
00:43:05,250 --> 00:43:11,260
trying that and Carla will make our

805
00:43:08,500 --> 00:43:14,559
inflatable Edie's how's that make in

806
00:43:11,260 --> 00:43:17,050
China and will paired \$0.12 okay

807
00:43:14,559 --> 00:43:20,230
it will be like a sweatshop it'll just

808
00:43:17,050 --> 00:43:21,700
be in China well actually not sending

809
00:43:20,230 --> 00:43:22,539
Carla to China right now probably would

810
00:43:21,699 --> 00:43:25,000
be a terrible idea

811
00:43:22,539 --> 00:43:27,309
I don't know our people why do people go

812
00:43:25,000 --> 00:43:29,349
to North Korea what like why do we even

813
00:43:27,309 --> 00:43:30,730
have to impose a ban on travel there I

814
00:43:29,349 --> 00:43:31,989
mean like why would even the hell would

815
00:43:30,730 --> 00:43:34,300
you want to go there I don't know

816
00:43:31,989 --> 00:43:39,119
explain it to me someone anyone is this

817
00:43:34,300 --> 00:43:42,460
Korea North Korea I wouldn't go there

818
00:43:39,119 --> 00:43:52,179
hell no I bet they like me like once a

819
00:43:42,460 --> 00:43:54,490
month or something I don't know that's

820
00:43:52,179 --> 00:43:56,349
what I heard so anybody can prove me

821
00:43:54,489 --> 00:43:58,779
wrong go ahead I don't I don't know us

822
00:43:56,349 --> 00:44:03,639
what I heard but we're getting towards

823
00:43:58,780 --> 00:44:06,730
the end of our segments hey Paul wants

824
00:44:03,639 --> 00:44:10,089
us to do an extra podcast and report on

825
00:44:06,730 --> 00:44:11,400
the Eclipse what do you think you want

826
00:44:10,090 --> 00:44:13,150
to do it I would like to do that live

827

00:44:11,400 --> 00:44:16,740
let's do it we could do it from

828
00:44:13,150 --> 00:44:22,780
somewhere where we could see the moon

829
00:44:16,739 --> 00:44:25,899
like outside or anybody we're uh we're

830
00:44:22,780 --> 00:44:27,280
just at the end of this short 45 minute

831
00:44:25,900 --> 00:44:28,329
podcast we've only got a few seconds so

832
00:44:27,280 --> 00:44:30,280
we just want to thank you for listening

833
00:44:28,329 --> 00:44:32,019
letting his thanks for the followers
