having a different camera angle so we

21
00:03:07,680 --> 00:03:12,989
had to do some learning you know we have

22
00:03:10,919 --> 00:03:16,889
we have a good brain so we have to use

23
00:03:12,989 --> 00:03:20,550
our good brains as it's trumpets a good

24
00:03:16,889 --> 00:03:24,409
brain to you know construct a fairly

25
00:03:20,550 --> 00:03:28,250
decent set wouldn't you say Joe mahogany

26
00:03:24,409 --> 00:03:31,889
mahogany absolutely

27
00:03:28,250 --> 00:03:36,050
make sure that you see our cool new logo

28
00:03:31,889 --> 00:03:36,049
here because we have this super cool new

29

00:03:36,889 --> 00:03:49,069
HD a be coming in the HD so whoa so we

30
00:03:43,590 --> 00:03:49,069
call it we call it

31
00:03:56,860 --> 00:04:00,889
[Laughter]

32
00:04:01,139 --> 00:04:06,579
I mean I think it looks nice we put some

33
00:04:04,330 --> 00:04:10,150
time we put some effort into it and you

34
00:04:06,580 --> 00:04:11,770
know we're ready to talk about some cool

35
00:04:10,150 --> 00:04:15,670
new developments that have happened

36
00:04:11,770 --> 00:04:20,829
recently and the news is exploding there

37
00:04:15,669 --> 00:04:24,279
is so much social media posts that are

38
00:04:20,829 --> 00:04:26,500
going out related to the new UFO

39
00:04:24,279 --> 00:04:29,500
revelation that the Department of

40
00:04:26,500 --> 00:04:32,860
Defense has confirmed that there was

41
00:04:29,500 --> 00:04:35,050
indeed a project funded by the

42
00:04:32,860 --> 00:04:37,090
government by the American people to

43
00:04:35,050 --> 00:04:42,060

search for UFOs in the skies you know

44

00:04:37,089 --> 00:04:45,310

anomalies unexplained aerial vehicles or

45

00:04:42,060 --> 00:04:47,740

more concerned Li whether therefore if

46

00:04:45,310 --> 00:04:49,449

they were there if they were a threat or

47

00:04:47,740 --> 00:04:55,810

not excuse me I'm so tongue-tied this

48

00:04:49,449 --> 00:04:57,849

evening we are yes we are you are I'm

49

00:04:55,810 --> 00:05:00,250

just checking our media's or socials

50

00:04:57,850 --> 00:05:01,780

checking on our what we've got going on

51

00:05:00,250 --> 00:05:06,939

for tonight just making sure

52

00:05:01,779 --> 00:05:12,579

everything's working wow it's working

53

00:05:06,939 --> 00:05:14,490

how's it look Joe that's good good now

54

00:05:12,579 --> 00:05:20,949

put it down so it's not a distraction

55

00:05:14,490 --> 00:05:22,329

please Joe put a distraction bro ah put

56

00:05:20,949 --> 00:05:29,949

it down so it's not a distraction break

57

00:05:22,329 --> 00:05:31,959

you know saying this thing sorry

58
00:05:29,949 --> 00:05:33,909
so we had to get Christmas get Christmas

59
00:05:31,959 --> 00:05:34,899
I hate this delay we got to figure out

60
00:05:33,910 --> 00:05:36,640
how to get rid of this delay so I

61
00:05:34,899 --> 00:05:39,339
totally messing with my brain what do

62
00:05:36,639 --> 00:05:42,879
they wear the delay when we are talking

63
00:05:39,339 --> 00:05:43,929
to when we hear it there's been a

64
00:05:42,879 --> 00:05:47,889
problem I know

65
00:05:43,930 --> 00:05:49,449
a proud of its the param gatim I know

66
00:05:47,889 --> 00:05:51,399
this is where people turn us off but hey

67
00:05:49,449 --> 00:05:55,209
whatever we've got some cool it's laggy

68
00:05:51,399 --> 00:05:59,019
I don't know well no one's half the

69
00:05:55,209 --> 00:06:00,219
battle of course I need to do on YouTube

70
00:05:59,019 --> 00:06:01,409
I was trying to see what it looked like

71
00:06:00,220 --> 00:06:07,660
you asked

72
00:06:01,410 --> 00:06:11,080
Burgas so I don't know how familiar you

73
00:06:07,660 --> 00:06:13,479
guys are with the recent george knapp

74
00:06:11,079 --> 00:06:15,339
interview with Senator Harry Reid it's a

75
00:06:13,478 --> 00:06:21,819
really interesting interview and oh

76
00:06:15,339 --> 00:06:23,978
looks like shit what you say it's fine

77
00:06:21,819 --> 00:06:26,860
the recent interview with Harry Reid

78
00:06:23,978 --> 00:06:28,750
senator or former Senator Harry Reid we

79
00:06:26,860 --> 00:06:32,020
talked about this on the last show they

80
00:06:28,750 --> 00:06:35,889
did a really awesome kind of a clip on

81
00:06:32,019 --> 00:06:37,750
his thoughts more on the metal materials

82
00:06:35,889 --> 00:06:39,069
and more stuff on UFO so I'm gonna show

83
00:06:37,750 --> 00:06:41,379
you that clip right now so code take

84
00:06:39,069 --> 00:06:43,889
that take our take a gander at this one

85
00:06:41,379 --> 00:06:43,889
there's a good one

86

00:06:49,209 --> 00:06:54,219
[Music]

87
00:06:56,930 --> 00:07:02,430
to release this weekend of videos

88
00:06:59,550 --> 00:07:04,590
recorded by military pilots is unusual

89
00:07:02,430 --> 00:07:06,240
because officially the US government

90
00:07:04,589 --> 00:07:10,019
stopped collecting information about

91
00:07:06,240 --> 00:07:11,879
UFOs in 1969 when the Air Force canceled

92
00:07:10,019 --> 00:07:14,490
Project Blue Book but in the decades

93
00:07:11,879 --> 00:07:16,649
since pilots and others continued to

94
00:07:14,490 --> 00:07:19,949
encounter technology that is beyond

95
00:07:16,649 --> 00:07:23,810
anything known on earth if China Russia

96
00:07:19,949 --> 00:07:27,599
Japan other countries are doing this and

97
00:07:23,810 --> 00:07:31,530
we're not something's wrong he said

98
00:07:27,600 --> 00:07:33,420
because if the technology we have the

99
00:07:31,529 --> 00:07:36,000
way these things are described and the

100
00:07:33,420 --> 00:07:38,340

way people see them if this movement

101

00:07:36,000 --> 00:07:40,410

took place and anything we have now

102

00:07:38,339 --> 00:07:42,119

available to us it would kill everybody

103

00:07:40,410 --> 00:07:45,060

they couldn't withstand those g-forces

104

00:07:42,120 --> 00:07:47,340

something sitting in a room down it goes

105

00:07:45,060 --> 00:07:50,310

former Senate Majority Leader Harry

106

00:07:47,339 --> 00:07:53,250

Reid's interest in UFOs extends back to

107

00:07:50,310 --> 00:07:55,410

the 1980s it was rekindled in the 90s

108

00:07:53,250 --> 00:07:57,720

when Reid spoke to Senator and former

109

00:07:55,410 --> 00:08:00,480

astronaut John Glenn about unknown

110

00:07:57,720 --> 00:08:03,000

aerial objects Reid eventually met in a

111

00:08:00,480 --> 00:08:05,520

secure room in the US Capitol to ask

112

00:08:03,000 --> 00:08:07,769

senators Daniel Inouye and Ted Stevens

113

00:08:05,519 --> 00:08:10,709

if they would authorize funds for a

114

00:08:07,769 --> 00:08:14,519

quiet but serious study of UFOs both

115
00:08:10,709 --> 00:08:19,769
agreed are you glad the story's out I'm

116
00:08:14,519 --> 00:08:22,168
very glad because now we have scientific

117
00:08:19,769 --> 00:08:24,180
evidence Reid says he's proud to have

118
00:08:22,168 --> 00:08:26,519
had a hand in kick-starting the Pentagon

119
00:08:24,180 --> 00:08:29,370
study and contrary to some media reports

120
00:08:26,519 --> 00:08:31,918
the information collected was impressive

121
00:08:29,370 --> 00:08:33,360
he says for nearly the last decade Iran

122
00:08:31,918 --> 00:08:35,728
a sensitive aerospace threat

123
00:08:33,360 --> 00:08:39,210
identification program focusing on

124
00:08:35,729 --> 00:08:42,360
unidentified aerial technologies it was

125
00:08:39,210 --> 00:08:46,019
in this position I learned that the

126
00:08:42,360 --> 00:08:46,560
phenomena is indeed real until three

127
00:08:46,019 --> 00:08:48,750
months ago

128
00:08:46,559 --> 00:08:50,429
Luis Elizondo worked directly for the

129

00:08:48,750 --> 00:08:52,590

Secretary of Defense and was the

130

00:08:50,429 --> 00:08:55,169

Pentagon's point man for collection of

131

00:08:52,590 --> 00:08:57,060

data about mysterious encounters when he

132

00:08:55,169 --> 00:08:59,969

announced in October he'd been in charge

133

00:08:57,059 --> 00:09:02,759

of a 10-year UFO study the news was

134

00:08:59,970 --> 00:09:05,009

largely ignored by mainstream media now

135

00:09:02,759 --> 00:09:06,450

it is blossomed into a huge story in

136

00:09:05,009 --> 00:09:08,669

part because Reid

137

00:09:06,450 --> 00:09:11,420

acknowledges his own role in getting the

138

00:09:08,669 --> 00:09:11,419

funds approved

139

00:09:13,259 --> 00:09:19,419

what do you think of that man we're

140

00:09:17,769 --> 00:09:21,338

having some significant sound problems

141

00:09:19,419 --> 00:09:22,539

guys so if you can hear us if we sound

142

00:09:21,339 --> 00:09:22,990

an echo we're really trying to work it

143

00:09:22,539 --> 00:09:28,769
out

144
00:09:22,990 --> 00:09:32,680
yes well the main camp should be fine

145
00:09:28,769 --> 00:09:36,059
but we're not having any good times

146
00:09:32,679 --> 00:09:38,409
interesting so Senator Harry Reid says

147
00:09:36,059 --> 00:09:39,429
there is something in the sky I mean by

148
00:09:38,409 --> 00:09:41,259
the way that was like super boring

149
00:09:39,429 --> 00:09:42,009
anyway it was like the most if you use

150
00:09:41,259 --> 00:09:43,899
clips are boring

151
00:09:42,009 --> 00:09:45,879
I was so you're like really you know do

152
00:09:43,899 --> 00:09:50,370
actual steps trying to give it a shot

153
00:09:45,879 --> 00:09:50,370
and be brother lady but I was gonna say

154
00:09:52,029 --> 00:10:00,250
Hey come back now you know I was falling

155
00:09:56,620 --> 00:10:01,240
asleep there's a long Jordan down is

156
00:10:00,250 --> 00:10:02,620
that you felt you just fell like you

157
00:10:01,240 --> 00:10:03,009

just can't you just forget it just fall

158

00:10:02,620 --> 00:10:04,389

asleep

159

00:10:03,009 --> 00:10:06,340

well yeah it's kind of like that because

160

00:10:04,389 --> 00:10:09,189

the guy's old boring the white hair and

161

00:10:06,340 --> 00:10:10,800

glasses and the whole thing but it's not

162

00:10:09,190 --> 00:10:14,950

entertaining it's a big deal because

163

00:10:10,799 --> 00:10:18,219

because it's so boring Jun that pretty

164

00:10:14,950 --> 00:10:20,050

much means that it's important not that

165

00:10:18,220 --> 00:10:21,910

it's true or not true but definitely

166

00:10:20,049 --> 00:10:24,309

important and should be talked about and

167

00:10:21,909 --> 00:10:25,899

should be absolutely discussed you know

168

00:10:24,309 --> 00:10:28,209

with friends and whatnot that's a big

169

00:10:25,899 --> 00:10:31,720

important subject happening right now

170

00:10:28,210 --> 00:10:34,090

that were in a place where we're getting

171

00:10:31,720 --> 00:10:37,960

more and more confirmation by the United

172
00:10:34,090 --> 00:10:41,100
States government that there might be

173
00:10:37,960 --> 00:10:44,920
visitors from other worlds visiting our

174
00:10:41,100 --> 00:10:47,500
planet and that these vehicles that they

175
00:10:44,919 --> 00:10:50,469
come here in if they are indeed aliens

176
00:10:47,500 --> 00:10:57,039
let's just say they are able to maneuver

177
00:10:50,470 --> 00:10:59,230
in ways that is unimaginable in terms of

178
00:10:57,039 --> 00:11:00,849
how we could replicate a technology like

179
00:10:59,230 --> 00:11:03,190
that right now because we can't have

180
00:11:00,850 --> 00:11:04,840
something go from zero to up without

181
00:11:03,190 --> 00:11:05,980
killing everybody inside I mean Senator

182
00:11:04,840 --> 00:11:08,560
Harry Reid just said that what do you

183
00:11:05,980 --> 00:11:10,090
think Joe just like explorers you know

184
00:11:08,559 --> 00:11:13,539
you'd be inside of a bubble that you

185
00:11:10,090 --> 00:11:16,509
can't feel anything no acceleration

186
00:11:13,539 --> 00:11:20,019
anything I mean yeah that's actually

187
00:11:16,509 --> 00:11:21,100
like a good point because every time I

188
00:11:20,019 --> 00:11:24,189
think about that I always think about

189
00:11:21,100 --> 00:11:25,420
that blue orb and explorers I wish we

190
00:11:24,190 --> 00:11:28,150
could hopefully find a picture of it

191
00:11:25,419 --> 00:11:32,529
sometime where these guys there they get

192
00:11:28,149 --> 00:11:35,259
like messages from aliens about how to

193
00:11:32,529 --> 00:11:36,399
build a spaceship but at first they

194
00:11:35,259 --> 00:11:40,000
didn't they didn't know what it what it

195
00:11:36,399 --> 00:11:43,569
was but they have this super like like

196
00:11:40,000 --> 00:11:47,759
smart friend named Wolfgang played by

197
00:11:43,570 --> 00:11:51,580
what's his name River Phoenix brilliant

198
00:11:47,759 --> 00:11:53,860
and he's got another friend named Ben

199
00:11:51,580 --> 00:11:55,389
and there's other others this other kid

200

00:11:53,860 --> 00:11:58,930
named Aaron and so these three kids

201
00:11:55,389 --> 00:12:01,029
basically translate this alien message

202
00:11:58,929 --> 00:12:02,789
and turn it into technology so they can

203
00:12:01,029 --> 00:12:06,338
build a

204
00:12:02,789 --> 00:12:08,889
under a bubble that you can be inside

205
00:12:06,339 --> 00:12:12,339
and not feel the effects of inertia from

206
00:12:08,889 --> 00:12:14,289
going so fast to so slow vice versa

207
00:12:12,339 --> 00:12:16,600
think about horsepower think about going

208
00:12:14,289 --> 00:12:17,918
from 0 to 60 in like four seconds and

209
00:12:16,600 --> 00:12:20,079
you push you in your seat and you can't

210
00:12:17,918 --> 00:12:24,850
move that's feeling again your gut

211
00:12:20,078 --> 00:12:28,808
that's same thing yeah exactly

212
00:12:24,850 --> 00:12:31,019
now imagine that times a million I mean

213
00:12:28,808 --> 00:12:34,478
you would what do you think would happen

214
00:12:31,019 --> 00:12:37,479

liquify like instantaneously liquify you

215

00:12:34,479 --> 00:12:40,959

like you would you would be a upright

216

00:12:37,479 --> 00:12:46,899

being into a floating pile of goo

217

00:12:40,958 --> 00:12:48,278

instantaneously mm-hmm that's if you

218

00:12:46,899 --> 00:12:50,649

don't believe them if you don't believe

219

00:12:48,278 --> 00:12:53,970

me and you know believe Jo check it out

220

00:12:50,649 --> 00:12:57,159

on YouTube you can see pilots in

221

00:12:53,970 --> 00:12:59,410

machines that give them the feeling of

222

00:12:57,159 --> 00:13:02,168

g-forces and you can see what happens

223

00:12:59,409 --> 00:13:03,368

they pass out sometimes their eyeballs

224

00:13:02,168 --> 00:13:07,109

look like they're popping out of their

225

00:13:03,369 --> 00:13:10,239

heads it's crazy stuff crazy stuff so

226

00:13:07,109 --> 00:13:12,970

this Reed guys onto something I mean he

227

00:13:10,239 --> 00:13:15,749

seems to think that this is a big and a

228

00:13:12,970 --> 00:13:17,918

notable accomplishment of his entire

229
00:13:15,749 --> 00:13:20,589
profession his entire career whether you

230
00:13:17,918 --> 00:13:23,139
love or hate him because he's a democrat

231
00:13:20,589 --> 00:13:24,879
or republican whatever just talking

232
00:13:23,139 --> 00:13:27,579
about just putting all that aside for a

233
00:13:24,879 --> 00:13:29,649
second which is kind of why we don't

234
00:13:27,578 --> 00:13:32,349
focus on the fact that there are weird

235
00:13:29,649 --> 00:13:36,129
vehicles because you know we're very

236
00:13:32,350 --> 00:13:38,189
divisive and so if if you can for just a

237
00:13:36,129 --> 00:13:40,629
minute step aside and not worry about

238
00:13:38,188 --> 00:13:42,639
just just look at this person who has

239
00:13:40,629 --> 00:13:47,438
accomplished a lot whatever saying

240
00:13:42,639 --> 00:13:51,158
stating we spent 22 million dollars

241
00:13:47,438 --> 00:13:56,519
recently 2000 was it 8 2012 something

242
00:13:51,158 --> 00:13:59,678
like that to research it and the two

243
00:13:56,519 --> 00:14:03,249
films released from the Department of

244
00:13:59,678 --> 00:14:06,999
Defense has been remarkably like viral

245
00:14:03,249 --> 00:14:08,470
it's been shared everywhere and so we've

246
00:14:06,999 --> 00:14:10,420
showed that before if you haven't seen

247
00:14:08,470 --> 00:14:11,860
it go to youtube course check it out

248
00:14:10,419 --> 00:14:14,229
we don't wanna keep showing it over and

249
00:14:11,860 --> 00:14:18,220
over again but it's pretty it's just

250
00:14:14,230 --> 00:14:21,278
it's a thing that turns it's cool but if

251
00:14:18,220 --> 00:14:23,798
you take into account what the pilots

252
00:14:21,278 --> 00:14:30,419
experiencing it's just like that that

253
00:14:23,798 --> 00:14:34,318
right at the fair the the Gravitron oh

254
00:14:30,419 --> 00:14:39,308
so you're going back to the forces of

255
00:14:34,318 --> 00:14:40,599
your g-forces well no that's not what

256
00:14:39,308 --> 00:14:43,600
I'm saying

257

00:14:40,600 --> 00:14:46,089
the guys are incited typical things

258
00:14:43,600 --> 00:14:49,360
Brett's put them against pressure yeah

259
00:14:46,089 --> 00:14:52,809
and so this object in the film or these

260
00:14:49,360 --> 00:14:54,999
sort of you know paranormal or supernova

261
00:14:52,808 --> 00:14:59,198
or unexplained what if we call them

262
00:14:54,999 --> 00:15:03,009
aliens UFOs air forms whatever are able

263
00:14:59,198 --> 00:15:05,769
to move in that similar way as the orbit

264
00:15:03,009 --> 00:15:10,899
the boys and the movie explorers create

265
00:15:05,769 --> 00:15:14,169
and so it's they're able to stop on a

266
00:15:10,899 --> 00:15:17,100
dime or as the Navy pilot stated it

267
00:15:14,169 --> 00:15:22,028
would it was like a ping-pong ball

268
00:15:17,100 --> 00:15:24,189
bouncing off walls that instant stop and

269
00:15:22,028 --> 00:15:27,730
movement is the way that they seem to

270
00:15:24,188 --> 00:15:30,068
have moved and operated I mean Jets

271
00:15:27,730 --> 00:15:34,028

can't do that no helicopters can't do

272

00:15:30,068 --> 00:15:38,588

that no meteor meteorites can't do that

273

00:15:34,028 --> 00:15:44,860

no planets can't do that no not even

274

00:15:38,589 --> 00:15:47,230

like satellites can't do it drones maybe

275

00:15:44,860 --> 00:15:53,730

but not they I don't think that quick

276

00:15:47,230 --> 00:15:57,009

know if something is able to stop and

277

00:15:53,730 --> 00:15:59,350

then instantaneously zoom off it has a

278

00:15:57,009 --> 00:16:05,678

purpose and a reason and an intelligence

279

00:15:59,350 --> 00:16:07,298

behind it but for real guys what do you

280

00:16:05,678 --> 00:16:10,259

think we're gonna go into the chat room

281

00:16:07,298 --> 00:16:12,428

real quick we're gonna check it out

282

00:16:10,259 --> 00:16:15,909

hopefully everything's working oh

283

00:16:12,428 --> 00:16:18,548

there's a lot of people in Sheriff okay

284

00:16:15,909 --> 00:16:21,009

can you kind of get can you read some of

285

00:16:18,548 --> 00:16:23,569

that stuff I am right here in my hand

286

00:16:21,009 --> 00:16:33,879

show let's flip it over

287

00:16:23,570 --> 00:16:51,080

to the hair ah the comment section no no

288

00:16:33,879 --> 00:16:53,179

wrong of course this yeah oh yeah well

289

00:16:51,080 --> 00:16:57,050

look you know what forget it it's gone

290

00:16:53,179 --> 00:16:59,120

in past okay okay it ruins everything

291

00:16:57,049 --> 00:17:05,180

once again we'll hold on

292

00:16:59,120 --> 00:17:06,559

just like ma'am ah but that's a pretty

293

00:17:05,180 --> 00:17:10,400

cool clip anyway going back to what

294

00:17:06,559 --> 00:17:13,458

we're talking about so only piece of

295

00:17:10,400 --> 00:17:17,620

evidence that the actual government said

296

00:17:13,459 --> 00:17:20,660

yes confirmed it because on the news

297

00:17:17,619 --> 00:17:27,169

everywhere you can think of CNN ABC CBS

298

00:17:20,660 --> 00:17:30,470

and NBC yeah because I believe

299

00:17:27,170 --> 00:17:31,730

disclosure has happened I I think what

300
00:17:30,470 --> 00:17:33,440
people are going to be looking for in

301
00:17:31,730 --> 00:17:35,509
terms of a disclosure event is really

302
00:17:33,440 --> 00:17:37,460
more confirmation that's what it's

303
00:17:35,509 --> 00:17:40,579
really gonna be is more and more

304
00:17:37,460 --> 00:17:42,259
official and they just did people you

305
00:17:40,579 --> 00:17:44,389
know other than Harry Reid or other than

306
00:17:42,259 --> 00:17:45,769
John Podesta or Hillary Clinton who is

307
00:17:44,390 --> 00:17:50,560
gonna start talking about it during the

308
00:17:45,769 --> 00:17:53,059
presidential campaigns those same people

309
00:17:50,559 --> 00:17:53,509
but anyway it's going to comment section

310
00:17:53,059 --> 00:17:56,960
bro

311
00:17:53,509 --> 00:18:01,539
what are they saying off-track

312
00:17:56,960 --> 00:18:08,680
motherfucker do you believe in some

313
00:18:01,539 --> 00:18:08,680
conspiracy theories yeah some of them

314

00:18:09,519 --> 00:18:16,220
some of them right Jeff yeah I mean okay

315
00:18:12,970 --> 00:18:17,839
so do let me to read a comment and and

316
00:18:16,220 --> 00:18:19,579
then we answer it they go to the next

317
00:18:17,839 --> 00:18:21,230
door I think what would you like what

318
00:18:19,579 --> 00:18:23,119
would you like me to do because I don't

319
00:18:21,230 --> 00:18:26,120
understand you keep kicking me in my

320
00:18:23,119 --> 00:18:29,529
shin my shin is turning black and blue

321
00:18:26,119 --> 00:18:29,529
from your fucking

322
00:18:29,920 --> 00:18:36,259
help you state your business I'm trying

323
00:18:34,309 --> 00:18:39,279
to get to the comments would you like

324
00:18:36,259 --> 00:18:42,170
we're in the middle of a live show okay

325
00:18:39,279 --> 00:18:43,369
yeah that started off extremely goofy

326
00:18:42,170 --> 00:18:44,630
only because we were checking our

327
00:18:43,369 --> 00:18:45,859
equipment as we were going to make sure

328
00:18:44,630 --> 00:18:47,300

everything was working and so I was a

329

00:18:45,859 --> 00:18:50,059

bit weird but anyway we're kind of on

330

00:18:47,299 --> 00:18:52,240

track now so here we are talking nobody

331

00:18:50,059 --> 00:18:55,609

wants to watch you look at your phone

332

00:18:52,240 --> 00:19:06,559

I'm looking for you I happened to talk

333

00:18:55,609 --> 00:19:08,259

and communicate I am doing okay fine you

334

00:19:06,559 --> 00:19:10,669

read the questions and we will answer

335

00:19:08,259 --> 00:19:13,430

then I have to be questions or comments

336

00:19:10,670 --> 00:19:14,420

you know anything questions comments you

337

00:19:13,430 --> 00:19:17,210

dingbat

338

00:19:14,420 --> 00:19:19,070

here's one from Joe Santana he did been

339

00:19:17,210 --> 00:19:20,809

UFO Bros hope you're doing good so what

340

00:19:19,069 --> 00:19:22,549

do you think of major sighting in Russia

341

00:19:20,809 --> 00:19:24,500

thank you very much

342

00:19:22,549 --> 00:19:29,569

what do you think the major sighting in

343
00:19:24,500 --> 00:19:30,559
Russia which sighting you know we're

344
00:19:29,569 --> 00:19:32,000
gonna skip that question were to come

345
00:19:30,559 --> 00:19:34,159
back to it because I have a thought on

346
00:19:32,000 --> 00:19:37,700
that but I want to think I've seen

347
00:19:34,160 --> 00:19:39,230
haven't I it says something about the

348
00:19:37,700 --> 00:19:40,640
Holocaust interesting do you guys

349
00:19:39,230 --> 00:19:42,170
believe in some conspiracy theories who

350
00:19:40,640 --> 00:19:44,810
answered that one yes so that was by a

351
00:19:42,170 --> 00:19:46,130
list of the unicorn and Joe Santana is

352
00:19:44,809 --> 00:19:50,869
the one that says hey good evening

353
00:19:46,130 --> 00:19:53,390
everybody and the end three this UFO

354
00:19:50,869 --> 00:19:55,129
thing is blowing my mind so by the way

355
00:19:53,390 --> 00:19:56,330
another comment by the N three so what

356
00:19:55,130 --> 00:19:57,770
about these alien metals or alloys

357
00:19:56,329 --> 00:20:00,230
people have been talking about that's

358
00:19:57,769 --> 00:20:03,410
actually very good question oh is it a

359
00:20:00,230 --> 00:20:04,250
commoner question it was a combination

360
00:20:03,410 --> 00:20:06,170
of both

361
00:20:04,250 --> 00:20:13,630
thank you that's exactly what I wasn't

362
00:20:06,170 --> 00:20:16,750
doing we're it's Stamp squash done so

363
00:20:13,630 --> 00:20:20,110
let's get to these other guys I'm

364
00:20:16,750 --> 00:20:24,099
mouths very dry tank I feel like when

365
00:20:20,109 --> 00:20:27,490
you can potato-chip I have some yeah I

366
00:20:24,099 --> 00:20:29,980
love potato chips we need are some sugar

367
00:20:27,490 --> 00:20:31,210
you need some to get some sugar they're

368
00:20:29,980 --> 00:20:40,720
all out my mouth kind of like get back

369
00:20:31,210 --> 00:20:44,620
to out of this pasty thinking shit in

370
00:20:40,720 --> 00:20:46,870
there post nasal drip it's all these

371

00:20:44,619 --> 00:21:09,158
allergies because we're going crazy over

372
00:20:46,869 --> 00:21:12,158
here sherry okay

373
00:21:09,159 --> 00:21:17,320
so we're gonna talk about another in the

374
00:21:12,159 --> 00:21:20,320
house they can get you to two people in

375
00:21:17,319 --> 00:21:22,950
the house if you could bring me out to

376
00:21:20,319 --> 00:21:26,950
the studio the UFO Bros facility here

377
00:21:22,950 --> 00:21:29,110
either a cup of mount of snot cup it's

378
00:21:26,950 --> 00:21:35,500
just a small amount of Mountain Dew or

379
00:21:29,109 --> 00:21:38,889
like a brownie Oh Joe would would you

380
00:21:35,500 --> 00:21:40,569
wait so we're gonna go back here people

381
00:21:38,890 --> 00:21:41,799
don't want to go so we're gonna go back

382
00:21:40,569 --> 00:21:44,200
cause I want to talk about Neil deGrasse

383
00:21:41,798 --> 00:21:46,418
Tyson which by the way they say are we

384
00:21:44,200 --> 00:21:47,470
doing alloys and nickel epitaxy yeah

385
00:21:46,419 --> 00:21:49,570

good point

386

00:21:47,470 --> 00:21:50,950

I want along your job is to get to the

387

00:21:49,569 --> 00:21:52,720

alloys we're gonna talk about that right

388

00:21:50,950 --> 00:21:54,220

after we show this Neil deGrasse Tyson

389

00:21:52,720 --> 00:21:57,190

clip which we think is kind of

390

00:21:54,220 --> 00:21:59,019

interesting a Joe I don't think I've

391

00:21:57,190 --> 00:22:01,538

shown this to you yet so I want to I

392

00:21:59,019 --> 00:22:03,639

want you to listen and actually let's

393

00:22:01,538 --> 00:22:05,798

let's let's see what mr. Neil deGrasse

394

00:22:03,640 --> 00:22:07,299

Tyson the most amazing scientist that

395

00:22:05,798 --> 00:22:09,389

has ever lived in the entire history of

396

00:22:07,298 --> 00:22:11,650

life I have two things before I forget

397

00:22:09,390 --> 00:22:14,200

isn't that weird that they came out with

398

00:22:11,650 --> 00:22:16,990

a little bit of disclosure on the black

399

00:22:14,200 --> 00:22:19,659

youth projects in the black UFO and also

400
00:22:16,990 --> 00:22:21,519
we just had that rocket she often oh you

401
00:22:19,659 --> 00:22:23,020
mean SpaceX and people keep sharing that

402
00:22:21,519 --> 00:22:25,058
stupid video

403
00:22:23,019 --> 00:22:27,878
over and over and over and over again on

404
00:22:25,058 --> 00:22:31,999
Facebook going what's this

405
00:22:27,878 --> 00:22:34,519
instead of flying saucer no you dick

406
00:22:31,999 --> 00:22:38,120
it's been four days everybody knows it

407
00:22:34,519 --> 00:22:41,179
was space X okay thank you anyway

408
00:22:38,119 --> 00:22:43,369
we're gonna show you some I'm trying Joe

409
00:22:41,179 --> 00:22:47,028
check out this let's try it out

410
00:22:43,369 --> 00:22:49,178
sorry okay we probably losing

411
00:22:47,028 --> 00:22:52,009
subscribers right now because of you

412
00:22:49,179 --> 00:22:54,048
well so if our if our subscribers go

413
00:22:52,009 --> 00:22:56,808
back down below 170 it's because of you

414
00:22:54,048 --> 00:22:58,878
in this moment right now

415
00:22:56,808 --> 00:23:03,109
no because you probably hurt their ears

416
00:22:58,878 --> 00:23:05,748
if they're wearing headphones look I

417
00:23:03,109 --> 00:23:06,229
believe I see a chocolaty treat there

418
00:23:05,749 --> 00:23:10,100
girls

419
00:23:06,230 --> 00:23:13,399
Oh what did they bring us let's see

420
00:23:10,099 --> 00:23:15,288
Thank You children thank you oh this

421
00:23:13,398 --> 00:23:18,138
right here what the hell is this hat

422
00:23:15,288 --> 00:23:20,929
this is unicorn turn wait wait don't do

423
00:23:18,138 --> 00:23:29,178
the close-up cam Joe just really quick

424
00:23:20,929 --> 00:23:32,179
to sit there waiting I listen oh it's a

425
00:23:29,179 --> 00:23:34,190
reindeer Oh God and this is your order

426
00:23:32,179 --> 00:23:36,070
with mauled in the head this is unicorn

427
00:23:34,190 --> 00:23:52,720
unicorn turd

428

00:23:36,069 --> 00:23:54,878
this is delicious I hope that was fudge

429
00:23:52,720 --> 00:24:00,259
it was fudge

430
00:23:54,878 --> 00:24:02,319
well they brought it to you thank you

431
00:24:00,259 --> 00:24:04,730
though I wish already feeling better

432
00:24:02,319 --> 00:24:06,439
really even a feeling even more slippery

433
00:24:04,730 --> 00:24:12,919
sure you trust on him I have X lacks in

434
00:24:06,440 --> 00:24:15,249
it hmm you know what they did I know

435
00:24:12,919 --> 00:24:18,049
things so moving on

436
00:24:15,249 --> 00:24:19,490
here we go we're gonna listen to mr.

437
00:24:18,048 --> 00:24:21,740
Neil deGrasse Tyson so guys check this

438
00:24:19,490 --> 00:24:23,929
out do as dick says I saw it in the last

439
00:24:21,740 --> 00:24:25,278
Jedi but we should probably figure out

440
00:24:23,929 --> 00:24:27,080
the practicality of this with

441
00:24:25,278 --> 00:24:29,898
astrophysicists director of the Hayden

442
00:24:27,079 --> 00:24:33,589

Planetarium Neil deGrasse Tyson rock

443

00:24:29,898 --> 00:24:36,239
star of science explanations real

444

00:24:33,589 --> 00:24:39,980
which is awesome astrophysics for people

445

00:24:36,240 --> 00:24:45,359
in a hurry oh yeah thank you

446

00:24:39,980 --> 00:24:47,640
some people do care about it it's minor

447

00:24:45,359 --> 00:24:49,979
in chief and so explain what you see on

448

00:24:47,640 --> 00:24:52,650
that video well so people I think have

449

00:24:49,980 --> 00:24:54,839
conflated the concept of a UFO with

450

00:24:52,650 --> 00:24:59,580
whether we're visited by aliens UFO

451

00:24:54,839 --> 00:25:03,000
means unidentified flying object okay

452

00:24:59,579 --> 00:25:05,759
this is a highly nonspecific term yeah

453

00:25:03,000 --> 00:25:07,079
it was so nonspecific it admits you

454

00:25:05,759 --> 00:25:08,549
don't know what you're looking at what's

455

00:25:07,079 --> 00:25:14,699
driving that thing is a lot of space

456

00:25:08,549 --> 00:25:16,919
it's unidentified okay so so so the

457
00:25:14,700 --> 00:25:19,529
universe brims with mysteries and so

458
00:25:16,920 --> 00:25:22,350
just because you don't know what it is

459
00:25:19,529 --> 00:25:24,149
you're looking at doesn't mean it's

460
00:25:22,349 --> 00:25:26,759
intelligent aliens visiting from another

461
00:25:24,150 --> 00:25:28,410
planet yes you just said you don't know

462
00:25:26,759 --> 00:25:30,900
what you're looking at so it's not you

463
00:25:28,410 --> 00:25:33,120
cannot as a next sentence a therefore it

464
00:25:30,900 --> 00:25:35,160
must be anything yes but you know what

465
00:25:33,119 --> 00:25:36,869
we're looking at you stare at the cosmos

466
00:25:35,160 --> 00:25:44,580
for a living I'm not authorized to go

467
00:25:36,869 --> 00:25:46,829
beyond consider what made people

468
00:25:44,579 --> 00:25:49,019
interested in this is that it involved

469
00:25:46,829 --> 00:25:51,149
an asshole 22 million dollars or

470
00:25:49,019 --> 00:25:52,470
whatever the figure was considered by

471
00:25:51,150 --> 00:25:54,090
the way that's 22 million dollars over

472
00:25:52,470 --> 00:25:55,950
five years and the Pentagon's budget is

473
00:25:54,089 --> 00:25:57,289
huge so how much of the Pentagon budget

474
00:25:55,950 --> 00:26:00,840
is that it's point

475
00:25:57,289 --> 00:26:04,859
oh-o-oh one percent no the pentagon

476
00:26:00,839 --> 00:26:06,629
budget so so hey be it's a flying object

477
00:26:04,859 --> 00:26:09,389
and we don't know what it is I would

478
00:26:06,630 --> 00:26:11,760
hope somebody is checking it out I would

479
00:26:09,390 --> 00:26:13,950
hope there's a program of our Defense

480
00:26:11,759 --> 00:26:15,960
Department to make sure they do not pose

481
00:26:13,950 --> 00:26:17,580
a threat and sure enough that's what

482
00:26:15,960 --> 00:26:20,549
that program was it's just buzzed away

483
00:26:17,579 --> 00:26:21,809
they didn't know what it was we still

484
00:26:20,549 --> 00:26:23,940
don't know it's a mystery still don't

485

00:26:21,809 --> 00:26:30,210
know I'm cool with that

486
00:26:23,940 --> 00:26:32,850
okay that's where we differ scientists

487
00:26:30,210 --> 00:26:35,400
in history every day of our lives

488
00:26:32,849 --> 00:26:38,069
there's this there is the circle of

489
00:26:35,400 --> 00:26:40,560
knowledge that we have and then there is

490
00:26:38,069 --> 00:26:44,339
beyond that circle is the unknown and

491
00:26:40,559 --> 00:26:45,639
and even as the perimeter of that

492
00:26:44,339 --> 00:26:48,279
knowledge grows

493
00:26:45,640 --> 00:26:49,960
okay as the area of the knowledge good

494
00:26:48,279 --> 00:26:51,910
so - so does the perimeter of our

495
00:26:49,960 --> 00:26:54,039
ignorance all right because it's it's

496
00:26:51,910 --> 00:26:55,360
touching this wider and wider area okay

497
00:26:54,039 --> 00:26:57,940
I understand so people are uncomfortable

498
00:26:55,359 --> 00:26:59,199
not knowing not the scientist I'm fine

499
00:26:57,940 --> 00:27:03,759

we don't know what it is keep checking

500

00:26:59,200 --> 00:27:07,870

it out you have dinner invite from an

501

00:27:03,759 --> 00:27:10,629

alien that's you're skeptical that space

502

00:27:07,869 --> 00:27:14,949

aliens have visited earth the evidence

503

00:27:10,630 --> 00:27:18,370

is so paltry for aliens to visit earth I

504

00:27:14,950 --> 00:27:21,190

have no further interest let other

505

00:27:18,369 --> 00:27:22,869

people who care go ahead and then when

506

00:27:21,190 --> 00:27:24,548

you finally find some aliens bring them

507

00:27:22,869 --> 00:27:30,069

into Times Square no no if they're too

508

00:27:24,548 --> 00:27:32,859

many weird people try not to come back

509

00:27:30,069 --> 00:27:34,769

during comic-con when the alien would

510

00:27:32,859 --> 00:27:37,359

just blend in

511

00:27:34,769 --> 00:27:39,069

go to the County Fair or something where

512

00:27:37,359 --> 00:27:42,339

where there's a uniformity of who's

513

00:27:39,069 --> 00:27:44,470

there and then you so I and everybody's

514
00:27:42,339 --> 00:27:48,220
got a high-definition video camera on

515
00:27:44,470 --> 00:27:51,130
them now what will it would be we have

516
00:27:48,220 --> 00:27:53,169
video footage of rare things that you

517
00:27:51,130 --> 00:27:56,770
knew happen but no one saw it happen

518
00:27:53,169 --> 00:27:58,690
like buses tumbling in tornadoes you in

519
00:27:56,769 --> 00:28:00,009
the day you didn't say oh there's a bus

520
00:27:58,690 --> 00:28:01,630
is about to temple let me go back and

521
00:28:00,009 --> 00:28:03,190
get my video camera to film this know

522
00:28:01,630 --> 00:28:05,530
you got your tail out of there

523
00:28:03,190 --> 00:28:08,460
everybody's got a video camera I'm just

524
00:28:05,529 --> 00:28:12,700
waiting for images of people visiting

525
00:28:08,460 --> 00:28:14,819
having dot tea with with aliens on the

526
00:28:12,700 --> 00:28:16,779
spacecraft but they do acknowledge that

527
00:28:14,819 --> 00:28:19,298
carbon is not a rare substance

528
00:28:16,779 --> 00:28:21,069
especially when carbon-based life forms

529
00:28:19,298 --> 00:28:23,019
out there so if there's life elsewhere

530
00:28:21,069 --> 00:28:24,909
it is likely based on carbon not only

531
00:28:23,019 --> 00:28:27,639
because carbon is abundant but it is

532
00:28:24,910 --> 00:28:29,350
highly versatile in what kinds of

533
00:28:27,640 --> 00:28:31,330
molecules it makes and if you need the

534
00:28:29,349 --> 00:28:33,250
diversity of life is enabled and

535
00:28:31,329 --> 00:28:34,599
empowered by the diversity of the

536
00:28:33,250 --> 00:28:35,740
molecules carbon do you think there's

537
00:28:34,599 --> 00:28:39,099
intelligent life out there

538
00:28:35,740 --> 00:28:45,579
I would first start with that question

539
00:28:39,099 --> 00:28:47,019
on earth so the question is have aliens

540
00:28:45,579 --> 00:28:48,308
visited and just kept going because

541
00:28:47,019 --> 00:28:50,829
there was no sign of intelligent life

542

00:28:48,308 --> 00:28:54,730
we've we've used our who defined us as

543
00:28:50,829 --> 00:28:56,619
intelligent we did so is that some

544
00:28:54,730 --> 00:28:58,920
cosmic measure of intelligence perhaps

545
00:28:56,619 --> 00:29:01,589
not and so

546
00:28:58,920 --> 00:29:02,548
who are we to say I'm just saying it

547
00:29:01,589 --> 00:29:04,859
seems to me

548
00:29:02,548 --> 00:29:08,279
aliens who visited us it would be much

549
00:29:04,859 --> 00:29:11,569
they would manifest more convincingly

550
00:29:08,279 --> 00:29:11,569
than fuzzy video

551
00:29:16,829 --> 00:29:20,308
I'm glad the Pentagon was looking at

552
00:29:18,509 --> 00:29:22,220
this because if it posed a threat I want

553
00:29:20,308 --> 00:29:25,710
them on top of it right away and

554
00:29:22,220 --> 00:29:28,500
otherwise and then the program is closed

555
00:29:25,710 --> 00:29:30,179
down and we said not a threat Neil

556
00:29:28,500 --> 00:29:31,919

deGrasse Tyson the book again asked your

557

00:29:30,179 --> 00:29:33,090

physics for people in ER I don't want to

558

00:29:31,919 --> 00:29:52,650

stop people from doing it

559

00:29:33,089 --> 00:29:53,909

go keep we get better editing news clips

560

00:29:52,650 --> 00:29:55,080

we'll be able to condense that down so

561

00:29:53,910 --> 00:29:56,370

you don't have to watch the whole thing

562

00:29:55,079 --> 00:30:05,699

so we thought we'd throw a zombie in

563

00:29:56,369 --> 00:30:06,629

there what's funny I look I have the

564

00:30:05,700 --> 00:30:08,819

tremendous amount of respect for

565

00:30:06,630 --> 00:30:11,160

somebody that is so dedicated to

566

00:30:08,819 --> 00:30:13,500

education and teaching people and all

567

00:30:11,160 --> 00:30:19,820

that stuff but I think he made a really

568

00:30:13,500 --> 00:30:23,730

huge mistake in that commentary because

569

00:30:19,819 --> 00:30:27,569

excuse me my phone is dingy because he's

570

00:30:23,730 --> 00:30:30,000

not he's first of all contradicting

571
00:30:27,569 --> 00:30:33,119
himself okay that's number one number

572
00:30:30,000 --> 00:30:36,029
two is every time the interviewer asked

573
00:30:33,119 --> 00:30:39,629
him a question he would like deliver an

574
00:30:36,029 --> 00:30:41,279
essay it's like not an essay question do

575
00:30:39,630 --> 00:30:43,830
you believe that there is alien life

576
00:30:41,279 --> 00:30:48,089
visiting earth II that is not an essay

577
00:30:43,829 --> 00:30:51,119
question yes or no why do they always be

578
00:30:48,089 --> 00:30:52,949
abusive maybe that's fine why not that's

579
00:30:51,119 --> 00:30:54,989
about it they just keep just keep

580
00:30:52,950 --> 00:30:56,400
running that tale they just don't want

581
00:30:54,990 --> 00:30:58,349
to answer yes or no

582
00:30:56,400 --> 00:31:00,440
you got it luck you know there's things

583
00:30:58,349 --> 00:31:02,129
that we don't always see but you know

584
00:31:00,440 --> 00:31:03,900
we'd like to talk about

585
00:31:02,130 --> 00:31:06,210
I'm sorry Neil deGrasse Tyson I don't

586
00:31:03,900 --> 00:31:07,590
know if ever any time ever would be able

587
00:31:06,210 --> 00:31:09,179
to interview you because whatever

588
00:31:07,589 --> 00:31:12,159
because you're you know Neil deGrasse

589
00:31:09,179 --> 00:31:14,830
Tyson but

590
00:31:12,160 --> 00:31:17,790
I encourage you to take the time and

591
00:31:14,829 --> 00:31:20,409
effort to educate yourself more about

592
00:31:17,789 --> 00:31:23,619
Declassified recently documents that are

593
00:31:20,410 --> 00:31:27,820
you know accessible on the both CIA and

594
00:31:23,619 --> 00:31:29,709
FBI websites the most recent Freedom of

595
00:31:27,819 --> 00:31:35,939
Information Act requests that have been

596
00:31:29,710 --> 00:31:38,650
issued concerning metal alloys and I

597
00:31:35,940 --> 00:31:41,680
think people get wrapped up in the the

598
00:31:38,650 --> 00:31:43,930
metal alloys thing in thinking well we

599

00:31:41,680 --> 00:31:46,320
can all you know because what here's

600
00:31:43,930 --> 00:31:51,150
basically what has been said is that

601
00:31:46,319 --> 00:31:56,319
unidentified alloys have been recovered

602
00:31:51,150 --> 00:32:00,880
from these unidentified aerial crafts

603
00:31:56,319 --> 00:32:03,939
and that it has been stored according to

604
00:32:00,880 --> 00:32:08,740
the New York Times New York Times story

605
00:32:03,940 --> 00:32:12,400
on this that it was stored in building

606
00:32:08,740 --> 00:32:14,370
in Las Vegas by the Bigelow guy the

607
00:32:12,400 --> 00:32:19,470
scientist guy what's his name

608
00:32:14,369 --> 00:32:26,229
Jeremiah no Robert Bigelow is his name

609
00:32:19,470 --> 00:32:30,220
yes Robert Bigelow so there has been a

610
00:32:26,230 --> 00:32:33,099
Freedom of Information Act request just

611
00:32:30,220 --> 00:32:35,410
today I think for this and I urge you to

612
00:32:33,099 --> 00:32:37,480
do the same thing look into it what are

613
00:32:35,410 --> 00:32:43,720

these alloys maybe you can identify them

614

00:32:37,480 --> 00:32:45,849

but why can't maybe we get your opinion

615

00:32:43,720 --> 00:32:48,039

on that maybe you can use your

616

00:32:45,849 --> 00:32:50,559

connections to check and see if you can

617

00:32:48,039 --> 00:32:52,480

get access to this stuff why not if

618

00:32:50,559 --> 00:32:54,759

you're all about education if it's just

619

00:32:52,480 --> 00:32:58,620

some military crap it's the military

620

00:32:54,759 --> 00:33:02,230

crap if it's something exotic and

621

00:32:58,619 --> 00:33:06,159

unnatural or not from Earth or whatever

622

00:33:02,230 --> 00:33:08,170

I don't think that that's the national

623

00:33:06,160 --> 00:33:10,330

security problem not at this point

624

00:33:08,170 --> 00:33:12,000

anymore and I will say that because the

625

00:33:10,329 --> 00:33:17,649

Department of Defense would not have

626

00:33:12,000 --> 00:33:20,710

come out and said what they said they

627

00:33:17,650 --> 00:33:23,019

just know that there are potential

628
00:33:20,710 --> 00:33:25,870
aerial threats and during the time that

629
00:33:23,019 --> 00:33:30,460
they analyzed videos from pilots

630
00:33:25,869 --> 00:33:33,759
to determine that the these phenomenon

631
00:33:30,460 --> 00:33:36,340
or these air vehicles have a pattern in

632
00:33:33,759 --> 00:33:38,558
where they appear and reappear and how

633
00:33:36,339 --> 00:33:40,829
they maneuver they tend to come around

634
00:33:38,558 --> 00:33:43,539
nuclear bases they've come out and

635
00:33:40,829 --> 00:33:47,409
basically the former head of the

636
00:33:43,539 --> 00:33:50,139
Department of Defense's advanced aerial

637
00:33:47,410 --> 00:33:53,279
threats program Louis Elizondo has come

638
00:33:50,140 --> 00:33:57,370
out and said we are not alone

639
00:33:53,279 --> 00:34:02,619
he is now it seems as though that he has

640
00:33:57,369 --> 00:34:05,699
said we are not alone because he kind of

641
00:34:02,619 --> 00:34:08,199
did that thing where he says well I

642
00:34:05,700 --> 00:34:10,210
don't know about that but what we can

643
00:34:08,199 --> 00:34:11,710
say is that the UFOs are real and we

644
00:34:10,210 --> 00:34:13,360
have you know advanced scientific

645
00:34:11,710 --> 00:34:15,159
evidence that they are indeed a

646
00:34:13,360 --> 00:34:16,840
phenomena that we don't understand and

647
00:34:15,159 --> 00:34:20,919
they maneuver in ways that we don't

648
00:34:16,840 --> 00:34:24,669
understand that's we're talking OSI

649
00:34:20,918 --> 00:34:27,460
maneuvers or aliens there's an actual

650
00:34:24,668 --> 00:34:30,279
alien being entity or as we talking

651
00:34:27,460 --> 00:34:31,690
about the flying vessel well I think

652
00:34:30,280 --> 00:34:33,970
what he's doing and what I think by the

653
00:34:31,690 --> 00:34:35,050
way it's very smarts well I think what

654
00:34:33,969 --> 00:34:37,269
he's doing is very smart because what

655
00:34:35,050 --> 00:34:38,919
he's saying is let's just answering the

656

00:34:37,269 --> 00:34:40,750
question with another question well but

657
00:34:38,918 --> 00:34:41,679
hold on I know it's annoying but I get

658
00:34:40,750 --> 00:34:44,440
what he's doing let me tell you what I

659
00:34:41,679 --> 00:34:46,119
think he's doing what he's saying is you

660
00:34:44,440 --> 00:34:47,470
know what let's not even go that far we

661
00:34:46,119 --> 00:34:48,759
don't even need to talk about aliens

662
00:34:47,469 --> 00:34:51,309
we're not even gonna talk about this

663
00:34:48,760 --> 00:34:53,250
we're had this how he started okay we

664
00:34:51,309 --> 00:34:55,869
don't need to go that far

665
00:34:53,250 --> 00:34:58,329
let's just focus on the fact and the

666
00:34:55,869 --> 00:35:00,909
evidence of these unidentified aerial

667
00:34:58,329 --> 00:35:04,500
phenomena these video these radar

668
00:35:00,909 --> 00:35:07,659
reports these you know advanced pilots

669
00:35:04,500 --> 00:35:09,610
advanced pilots that provided you know

670
00:35:07,659 --> 00:35:11,769

detailed report on the way that these

671

00:35:09,610 --> 00:35:14,500

things maneuver and how they interacted

672

00:35:11,769 --> 00:35:17,320

if it interact with their helicopter or

673

00:35:14,500 --> 00:35:20,679

their jet or whatever you guys shut it

674

00:35:17,320 --> 00:35:25,120

down what do you mean make it say

675

00:35:20,679 --> 00:35:28,239

anything about it well yeah it would all

676

00:35:25,119 --> 00:35:31,589

go to that program something and now

677

00:35:28,239 --> 00:35:33,609

they can talk about it so I think that

678

00:35:31,590 --> 00:35:35,140

wants to have a program they throw it

679

00:35:33,610 --> 00:35:37,358

away everything and it's like okay you

680

00:35:35,139 --> 00:35:38,699

can tell them I'm done with it it's no

681

00:35:37,358 --> 00:35:40,739

big deal

682

00:35:38,699 --> 00:35:43,558

you can even hold it for this long

683

00:35:40,739 --> 00:35:45,118

Thanks tick well I believe doesn't make

684

00:35:43,559 --> 00:35:54,390

sense what that one video what was that

685
00:35:45,119 --> 00:35:56,670
2004 video yes it was okay Jimmy just

686
00:35:54,389 --> 00:35:57,900
played well it's uh while you're talking

687
00:35:56,670 --> 00:35:59,909
about it yeah do it

688
00:35:57,900 --> 00:36:01,130
okay common talk I think this is the one

689
00:35:59,909 --> 00:36:07,500
by the way we don't want to mix up the

690
00:36:01,130 --> 00:36:09,269
actual the you know the the rotating UFO

691
00:36:07,500 --> 00:36:10,920
with the tic-tac video that's a totally

692
00:36:09,268 --> 00:36:13,379
different video but we're gonna go ahead

693
00:36:10,920 --> 00:36:18,269
and show you this video right now this

694
00:36:13,380 --> 00:36:20,099
is the most trending yeah so this is not

695
00:36:18,268 --> 00:36:24,929
the tic-tac video this is hopefully I'm

696
00:36:20,099 --> 00:36:27,088
not all my gosh Oh somebody there was a

697
00:36:24,929 --> 00:36:30,028
there was a thought is the way I'm fury

698
00:36:27,088 --> 00:36:30,480
that there was a trapped flea in the

699

00:36:30,028 --> 00:36:32,690

lens

700

00:36:30,480 --> 00:36:38,010

you know that's just a trap to flee

701

00:36:32,690 --> 00:36:40,139

going 130 knots what do you think about

702

00:36:38,010 --> 00:36:48,900

that with something glowing yeah as a

703

00:36:40,139 --> 00:36:50,068

POC oh my god what do you think in case

704

00:36:48,900 --> 00:36:52,349

you didn't see it we got to get the

705

00:36:50,068 --> 00:36:54,058

tic-tac video a good friend of mine said

706

00:36:52,349 --> 00:36:56,818

it to me now I got to download it but I

707

00:36:54,059 --> 00:36:58,289

haven't done that yet but that's tight

708

00:36:56,818 --> 00:37:00,298

one more time one more time for you guys

709

00:36:58,289 --> 00:37:05,309

sure you missed it it's real short guys

710

00:37:00,298 --> 00:37:07,500

to take a look at it again right now you

711

00:37:05,309 --> 00:37:11,039

clearly see it stops and rotates just

712

00:37:07,500 --> 00:37:13,369

like they say and there's a mm lock it's

713

00:37:11,039 --> 00:37:16,650
just it's rotating there's no stopping

714
00:37:13,369 --> 00:37:21,259
okay look at the clouds watch it well

715
00:37:16,650 --> 00:37:21,259
the clouds in the bond okay yes watch II

716
00:37:21,858 --> 00:37:27,380
so just watch it okay

717
00:37:33,088 --> 00:37:37,778
then it rotates the other way but it

718
00:37:35,619 --> 00:37:42,849
doesn't doesn't stop that's the tic-tac

719
00:37:37,778 --> 00:37:44,438
video oh yeah okay that's excite but

720
00:37:42,849 --> 00:37:46,028
still that's still it's it's still

721
00:37:44,438 --> 00:37:48,129
rotated as it's flying

722
00:37:46,028 --> 00:37:49,088
I wonder what our followers and people

723
00:37:48,130 --> 00:37:49,778
in the chat room thinking you go ahead

724
00:37:49,088 --> 00:37:51,159
and check that out

725
00:37:49,778 --> 00:37:54,458
no because you yelled at me last time

726
00:37:51,159 --> 00:37:56,828
from looking at it no I I was looking

727
00:37:54,458 --> 00:38:00,728

for question I yell because I was

728

00:37:56,829 --> 00:38:02,439

looking at it so I yelled at you because

729

00:38:00,728 --> 00:38:04,268

what you're doing isn't in service to

730

00:38:02,438 --> 00:38:05,498

the viewers you're just reading it but

731

00:38:04,268 --> 00:38:07,389

nobody wants to watch that you got to

732

00:38:05,498 --> 00:38:09,188

say this is from this person and they

733

00:38:07,389 --> 00:38:22,798

say this and then you answer it can you

734

00:38:09,188 --> 00:38:28,139

do that just do it bro fine oh shit

735

00:38:22,798 --> 00:38:35,199

tea with aliens from Stephen fault jerk

736

00:38:28,139 --> 00:38:37,739

lol what up main let's see what any

737

00:38:35,199 --> 00:38:41,349

comments on our like awesome like setup

738

00:38:37,739 --> 00:38:43,958

it's like is it over the top okay here's

739

00:38:41,349 --> 00:38:46,028

some Joe Santana do you think Russia is

740

00:38:43,958 --> 00:38:47,618

just flexing their space muscles now

741

00:38:46,028 --> 00:38:51,309

since we blasted off something into

742
00:38:47,619 --> 00:38:54,160
space out of Los Angeles ago oh I bet

743
00:38:51,309 --> 00:38:56,410
we're always in some weird competitive I

744
00:38:54,159 --> 00:38:58,719
could edit it that's the most

745
00:38:56,409 --> 00:39:01,598
competitive country competitive tension

746
00:38:58,719 --> 00:39:03,608
friendly Rana Dawson says hello UFO

747
00:39:01,599 --> 00:39:04,719
brothers what's that brony are you doing

748
00:39:03,608 --> 00:39:09,248
my yeah brony

749
00:39:04,719 --> 00:39:12,699
he's a bro roni roni roni he's the one

750
00:39:09,248 --> 00:39:15,149
that wanted to came up with the the name

751
00:39:12,699 --> 00:39:17,438
skin Deanna Joan our skin Deanna bones

752
00:39:15,150 --> 00:39:20,259
for our art we're gonna bring him back

753
00:39:17,438 --> 00:39:22,478
art are really cool it's an alien bone

754
00:39:20,259 --> 00:39:25,409
it's stupids plastic today let's go okay

755
00:39:22,478 --> 00:39:27,698
I'm done looking at my phone for a hit

756
00:39:25,409 --> 00:39:30,098
sothank I'm glad you look at the phone

757
00:39:27,699 --> 00:39:31,809
but key now you tell everybody no other

758
00:39:30,099 --> 00:39:33,219
questions that I see on there I just

759
00:39:31,809 --> 00:39:34,660
gave you the ones what about some

760
00:39:33,219 --> 00:39:36,818
comments are there any comment oh

761
00:39:34,659 --> 00:39:39,838
there's no comments there's people wants

762
00:39:36,818 --> 00:39:39,838
talking amongst each other

763
00:39:41,550 --> 00:39:49,690
okay so as an example the n3 says what

764
00:39:47,260 --> 00:39:52,540
are the alloys they found how did they

765
00:39:49,690 --> 00:39:56,588
get them so what from what I understand

766
00:39:52,539 --> 00:39:58,719
by Louise is this seriously you are not

767
00:39:56,588 --> 00:40:02,318
able to I was doing that then you let me

768
00:39:58,719 --> 00:40:03,730
write mid-sentence you put your phone

769
00:40:02,318 --> 00:40:05,469
down and said that you were done reading

770

00:40:03,730 --> 00:40:06,969
it now yeah because you already went

771
00:40:05,469 --> 00:40:17,559
through alloys you didn't to talk about

772
00:40:06,969 --> 00:40:20,199
it just two guys knew we went on a

773
00:40:17,559 --> 00:40:27,309
really long trip recently and it was

774
00:40:20,199 --> 00:40:35,250
like this for hours I'm like I'm really

775
00:40:27,309 --> 00:40:38,940
interested this and you just doing a

776
00:40:35,250 --> 00:40:38,940
public service announcement

777
00:40:39,300 --> 00:40:48,420
they offered me Clare's

778
00:40:41,880 --> 00:40:48,420
that's Claire's they offered me eclairs

779
00:40:48,480 --> 00:40:52,809
is this how your brain works give me

780
00:40:50,530 --> 00:40:55,030
this I'm gonna go back to that so the

781
00:40:52,809 --> 00:40:57,849
alloys were found also they also called

782
00:40:55,030 --> 00:41:01,210
it residue there was a physical residue

783
00:40:57,849 --> 00:41:05,410
and alloy that has either shed or fallen

784
00:41:01,210 --> 00:41:08,108

from these unexplained aerial vehicles

785

00:41:05,409 --> 00:41:08,529

and that they are kept in building in

786

00:41:08,108 --> 00:41:11,078

Las Vegas

787

00:41:08,530 --> 00:41:12,099

Robert byblos building and some people

788

00:41:11,079 --> 00:41:16,660

have tried to come out and debunk that

789

00:41:12,099 --> 00:41:20,050

but I'm telling you that no matter what

790

00:41:16,659 --> 00:41:22,838

the naysayers say I'm fairly convinced

791

00:41:20,050 --> 00:41:25,810

that this has got some significant

792

00:41:22,838 --> 00:41:27,849

amount of truth to it so and I think

793

00:41:25,809 --> 00:41:32,500

that the way that that is said about the

794

00:41:27,849 --> 00:41:34,300

alloys it's it's still it's elusive and

795

00:41:32,500 --> 00:41:35,739

annoying and so that's why I just

796

00:41:34,300 --> 00:41:38,019

challenge them to just come out and

797

00:41:35,739 --> 00:41:39,939

freakin show it just let you know

798

00:41:38,019 --> 00:41:42,449

there's a billions of other people that

799

00:41:39,940 --> 00:41:44,500
could offer their expertise on it okay

800

00:41:42,449 --> 00:41:47,078
rather than just holding it in a stupid

801

00:41:44,500 --> 00:41:49,750
building and in Vegas anyway back to the

802

00:41:47,079 --> 00:41:51,670
comments they want the whole it's just

803

00:41:49,750 --> 00:41:54,880
it's a game oh I got it on the

804

00:41:51,670 --> 00:41:55,900
with it who wants to buy it they can do

805

00:41:54,880 --> 00:41:59,530
whatever they want with that it's either

806

00:41:55,900 --> 00:42:02,530
gonna give it up no Frick no we're gonna

807

00:41:59,530 --> 00:42:04,540
snow got another question here um Joe

808

00:42:02,530 --> 00:42:07,450
Santana says so what was their end

809

00:42:04,539 --> 00:42:14,608
result to that video what what did they

810

00:42:07,449 --> 00:42:18,929
get out of that UFO I think that's what

811

00:42:14,608 --> 00:42:22,719
drove that whole entire program was

812

00:42:18,929 --> 00:42:25,808
wanting to know what the outcome of this

813
00:42:22,719 --> 00:42:28,328
phenomena is are they threat are they a

814
00:42:25,809 --> 00:42:30,220
threat are they friendly are they are

815
00:42:28,329 --> 00:42:32,829
they monitoring or what what are they

816
00:42:30,219 --> 00:42:35,019
doing are there other beings what the

817
00:42:32,829 --> 00:42:37,240
hell is this it's some what they say

818
00:42:35,019 --> 00:42:42,730
beyond next gen technology we're talking

819
00:42:37,239 --> 00:42:45,009
in my estimation probably at least tens

820
00:42:42,730 --> 00:42:51,130
of thousands to potentially of two

821
00:42:45,010 --> 00:42:56,049
million years or more advanced tech the

822
00:42:51,130 --> 00:42:59,858
conclusion is that believe but both in

823
00:42:56,048 --> 00:43:03,880
the tic-tac video and this this is the

824
00:42:59,858 --> 00:43:06,608
video called exactly it's this this

825
00:43:03,880 --> 00:43:08,200
glowing auras video they call going

826
00:43:06,608 --> 00:43:10,929
auras or whatever this is the one that

827

00:43:08,199 --> 00:43:15,730
they say it has like a or around the

828
00:43:10,929 --> 00:43:21,730
ship that turns that those two videos

829
00:43:15,730 --> 00:43:25,269
are indeed of real objects touchable

830
00:43:21,730 --> 00:43:29,260
actual physical objects that maneuver in

831
00:43:25,269 --> 00:43:32,079
ways that nothing that we make on earth

832
00:43:29,260 --> 00:43:34,420
or in any country from what we know when

833
00:43:32,079 --> 00:43:36,640
we have a fairly certain idea of what

834
00:43:34,420 --> 00:43:38,980
every secret country has in their

835
00:43:36,639 --> 00:43:41,170
military arsenal not saying things

836
00:43:38,980 --> 00:43:45,608
aren't secret and kept well or whatever

837
00:43:41,170 --> 00:43:49,809
but I'm fairly certain that we would

838
00:43:45,608 --> 00:43:52,779
know if China had come up with that

839
00:43:49,809 --> 00:43:55,510
technology we would know that by far

840
00:43:52,780 --> 00:43:56,950
which we probably do or don't maybe you

841
00:43:55,510 --> 00:43:59,440

know I know that China has had their own

842

00:43:56,949 --> 00:44:01,989
aircraft they do or not got our

843

00:43:59,440 --> 00:44:03,519
government know anything I know but I

844

00:44:01,989 --> 00:44:04,929
mean I'm going to rabbit holes I'm gonna

845

00:44:03,519 --> 00:44:12,369
back up for a second yeah you are

846

00:44:04,929 --> 00:44:13,960
I know but it's fine anyway I just want

847

00:44:12,369 --> 00:44:15,460
to move on anyway we gotta go over to

848

00:44:13,960 --> 00:44:19,300
John Lear we're gonna talk about John

849

00:44:15,460 --> 00:44:21,909
Lear because based on you know kind of

850

00:44:19,300 --> 00:44:23,470
recent comments I mean even if you look

851

00:44:21,909 --> 00:44:24,639
at neil degrasse tyson's comment you

852

00:44:23,469 --> 00:44:27,159
know there's gonna be skeptical people

853

00:44:24,639 --> 00:44:28,629
and they say or so whatnot but the

854

00:44:27,159 --> 00:44:31,000
conclusion was that it was unidentified

855

00:44:28,630 --> 00:44:33,400
they didn't know what it was they had no

856
00:44:31,000 --> 00:44:35,318
idea how to operate it and that's the

857
00:44:33,400 --> 00:44:36,730
public statement but in reality they of

858
00:44:35,318 --> 00:44:38,349
course know how to offer rates and I've

859
00:44:36,730 --> 00:44:41,469
already back engineered them and have

860
00:44:38,349 --> 00:44:45,220
already integrated alien with earthly

861
00:44:41,469 --> 00:44:47,049
technologies absolutely but rather than

862
00:44:45,219 --> 00:44:48,939
coming out and saying that which is what

863
00:44:47,050 --> 00:44:51,010
everybody wants the government to say

864
00:44:48,940 --> 00:44:56,139
rather than coming out and saying that I

865
00:44:51,010 --> 00:44:58,210
mean I it's easier to say hey we form

866
00:44:56,139 --> 00:44:59,529
this secretive thing it was only 22

867
00:44:58,210 --> 00:45:02,530
million dollars you know they just brush

868
00:44:59,530 --> 00:45:04,599
it off a little it's no big deal but

869
00:45:02,530 --> 00:45:06,490
they can acknowledge the issue if they

870
00:45:04,599 --> 00:45:08,079
come out and say hey we've actually been

871
00:45:06,489 --> 00:45:09,779
hunting these things for you know since

872
00:45:08,079 --> 00:45:12,339
the you know the 30s and

873
00:45:09,780 --> 00:45:13,990
back-engineering them and we you know or

874
00:45:12,338 --> 00:45:17,679
you know whatnot

875
00:45:13,989 --> 00:45:26,709
we're talking about some people that are

876
00:45:17,679 --> 00:45:29,308
still working on more advanced back

877
00:45:26,710 --> 00:45:31,480
engineering of these technologies and

878
00:45:29,309 --> 00:45:36,910
miss my train of thought here Joe help

879
00:45:31,480 --> 00:45:40,119
me out well how can they back engineer

880
00:45:36,909 --> 00:45:41,019
something that they can't get well

881
00:45:40,119 --> 00:45:43,480
that's when things this is a physical

882
00:45:41,019 --> 00:45:44,650
object so so like that is a physical

883
00:45:43,480 --> 00:45:48,460
object they don't know what to do with

884

00:45:44,650 --> 00:45:50,858
it well because if they come out and say

885
00:45:48,460 --> 00:45:52,240
we you know either shot them down or we

886
00:45:50,858 --> 00:45:54,058
found them and we back engineered them

887
00:45:52,239 --> 00:45:57,489
that would would actually lead to

888
00:45:54,059 --> 00:46:01,720
prosecution's of people yeah including

889
00:45:57,489 --> 00:46:05,048
living senators and you know precedents

890
00:46:01,719 --> 00:46:08,489
and things that would be except for what

891
00:46:05,048 --> 00:46:08,489
I believe the president has a

892
00:46:08,940 --> 00:46:14,019
purposefully kept out of the loop so

893
00:46:10,809 --> 00:46:15,670
that he you know can claim that he I

894
00:46:14,019 --> 00:46:16,920
don't know what the saying is what is

895
00:46:15,670 --> 00:46:19,099
this thing

896
00:46:16,920 --> 00:46:21,090
[Music]

897
00:46:19,099 --> 00:46:24,179
when they say that they didn't know

898
00:46:21,090 --> 00:46:26,370

basically so that's like a leaf I don't

899

00:46:24,179 --> 00:46:28,710

know what that means but basically the

900

00:46:26,369 --> 00:46:31,639

president's put in a position where he

901

00:46:28,710 --> 00:46:35,550

doesn't have to neither confirm nor deny

902

00:46:31,639 --> 00:46:39,900

so the question becomes is is a

903

00:46:35,550 --> 00:46:41,400

president Trump going to do that but so

904

00:46:39,900 --> 00:46:42,510

we've got John Lear we're gonna show you

905

00:46:41,400 --> 00:46:43,860

this letter actually I put it up right

906

00:46:42,510 --> 00:46:46,020

now so you guys can take a look if you

907

00:46:43,860 --> 00:46:47,340

don't know who John Lear is don't really

908

00:46:46,019 --> 00:46:51,480

worry about it this is really more for

909

00:46:47,340 --> 00:46:54,950

people that are into John Lear so here

910

00:46:51,480 --> 00:47:00,889

we go let me find it here real quick

911

00:46:54,949 --> 00:47:05,730

[Music]

912

00:47:00,889 --> 00:47:21,629

here we go somebody maximize this screen

913
00:47:05,730 --> 00:47:24,500
I know right hey so what he's saying

914
00:47:21,630 --> 00:47:27,720
here is sorry to get a pull that

915
00:47:24,500 --> 00:47:30,989
basically a scientific analysis of Harry

916
00:47:27,719 --> 00:47:33,359
Reid's fake video requested by Ryan

917
00:47:30,989 --> 00:47:36,509
penka first thing I noticed right off

918
00:47:33,360 --> 00:47:38,370
was the ambient noise supposed to be

919
00:47:36,510 --> 00:47:40,350
sounding like wind rushing against the

920
00:47:38,369 --> 00:47:42,409
aircraft so basically he starts going

921
00:47:40,349 --> 00:47:46,079
into debunking that they were not using

922
00:47:42,409 --> 00:47:47,819
the right microphones or that the way

923
00:47:46,079 --> 00:47:49,289
they were you know interact with each

924
00:47:47,820 --> 00:47:50,970
other wouldn't be standard so he's

925
00:47:49,289 --> 00:47:52,110
basically going through here to debunk

926
00:47:50,969 --> 00:47:53,969
the whole thing so I'm just gonna kind

927

00:47:52,110 --> 00:47:56,300
of scroll here you like I'm gonna just

928

00:47:53,969 --> 00:47:59,639
hop on down to the second paragraph here

929

00:47:56,300 --> 00:48:13,980
Joey you read this part for us popcorn

930

00:47:59,639 --> 00:48:16,469
Joe I trained the damn thing I'm sorry

931

00:48:13,980 --> 00:48:19,769
guys I had to give em it at hard times

932

00:48:16,469 --> 00:48:21,609
he's it fuck let's see then the pilots

933

00:48:19,769 --> 00:48:25,420
conversation using dude and bro

934

00:48:21,610 --> 00:48:28,920
it's not navy jargon it's not navy

935

00:48:25,420 --> 00:48:28,920
jargon huh that's what he's saying

936

00:48:30,269 --> 00:48:35,739
dude bro yeah it means like yeah I see

937

00:48:35,349 --> 00:48:37,179
it

938

00:48:35,739 --> 00:48:41,459
it's basically what they're saying oh

939

00:48:37,179 --> 00:48:41,460
yeah we're like whoa what the hell yeah

940

00:48:48,840 --> 00:48:53,980
look at this he's trying to say that the

941

00:48:51,219 --> 00:48:56,859
clouds were simulated yeah this is a

942
00:48:53,980 --> 00:48:58,990
fake video cosmos sick started 32 cents

943
00:48:56,860 --> 00:49:02,260
somebody got robbed the alleged UFO

944
00:48:58,989 --> 00:49:06,039
looks like it was penciled aint or

945
00:49:02,260 --> 00:49:09,340
dubbed in so he's he's going to the

946
00:49:06,039 --> 00:49:10,570
significant route for whatever reason to

947
00:49:09,340 --> 00:49:14,200
debunk this I don't think ultimately

948
00:49:10,570 --> 00:49:16,240
know what his entire goal is but kind of

949
00:49:14,199 --> 00:49:17,529
summing up some coming to the bottom

950
00:49:16,239 --> 00:49:19,089
here to the conclusion he started he

951
00:49:17,530 --> 00:49:21,100
starts out by saying the Pentagon was

952
00:49:19,090 --> 00:49:22,840
willing to go along with this because

953
00:49:21,099 --> 00:49:25,599
they didn't want disclosure any more

954
00:49:22,840 --> 00:49:27,730
than mj-12 did and by letting Reid

955
00:49:25,599 --> 00:49:29,500

pretend he was mr. disclosure would

956

00:49:27,730 --> 00:49:31,840

ensure another seven years of cover-up

957

00:49:29,500 --> 00:49:34,389

and they knew that Reid would do exactly

958

00:49:31,840 --> 00:49:36,760

what they told him to do so there you go

959

00:49:34,389 --> 00:49:41,889

the scientific analysis just as you

960

00:49:36,760 --> 00:49:44,980

requested damn I think I hear some very

961

00:49:41,889 --> 00:49:46,989

condescending uh comments not kind of

962

00:49:44,980 --> 00:49:49,750

saying sorry I'm I can't think of the

963

00:49:46,989 --> 00:49:52,409

word but the thing is selecting that's

964

00:49:49,750 --> 00:49:56,500

from they used all that millions and go

965

00:49:52,409 --> 00:50:01,199

nope we did find nothing we ain't found

966

00:49:56,500 --> 00:50:03,250

shit they did they just I want to say it

967

00:50:01,199 --> 00:50:05,319

right that's what I think too

968

00:50:03,250 --> 00:50:07,530

cuz otherwise why would they spend 22

969

00:50:05,320 --> 00:50:07,530

million

970
00:50:08,409 --> 00:50:13,039
so you guys just said we're gonna close

971
00:50:10,730 --> 00:50:28,130
this out here so see you guys can we get

972
00:50:13,039 --> 00:50:31,579
back to seeing you but yeah cool we're

973
00:50:28,130 --> 00:50:33,800
coming back right at you so that's

974
00:50:31,579 --> 00:50:36,259
interesting that was really weird

975
00:50:33,800 --> 00:50:38,870
slow down here so by the way if you're

976
00:50:36,260 --> 00:50:40,310
not following you should be UFO Bros TV

977
00:50:38,869 --> 00:50:43,849
all things social media Instagram

978
00:50:40,309 --> 00:50:50,000
Facebook patreon Twitter is watch oh you

979
00:50:43,849 --> 00:50:51,319
know fo0 bro right TV right and we're

980
00:50:50,000 --> 00:50:54,050
trying to keep our you know our shows

981
00:50:51,320 --> 00:50:56,420
short and sweet for the most part and

982
00:50:54,050 --> 00:51:00,200
you rather pack a bunch information to

983
00:50:56,420 --> 00:51:01,579
smaller Shelvin a longer show and this

984
00:51:00,199 --> 00:51:02,960
talk jibber-jabber won't get to the

985
00:51:01,579 --> 00:51:04,460
point fast to the hurry disclosure

986
00:51:02,960 --> 00:51:11,630
straight at you right here at UFO Bros

987
00:51:04,460 --> 00:51:13,730
TV exactly exactly right so we are kind

988
00:51:11,630 --> 00:51:14,900
of got through basically what we wanted

989
00:51:13,730 --> 00:51:17,240
to show everybody and try to talk about

990
00:51:14,900 --> 00:51:18,380
tonight but I know the long Tom DeLonge

991
00:51:17,239 --> 00:51:19,129
is promising to bring out some more

992
00:51:18,380 --> 00:51:21,019
information

993
00:51:19,130 --> 00:51:25,789
dr. Berger seems to be really upset

994
00:51:21,019 --> 00:51:27,769
about things he doesn't seem to be as

995
00:51:25,789 --> 00:51:29,630
interested because he's not part of the

996
00:51:27,769 --> 00:51:37,159
equation I guess of this first kind of

997
00:51:29,630 --> 00:51:47,510
little step of confirmation I think it's

998

00:51:37,159 --> 00:51:47,929
his third eye well I don't know what

999
00:51:47,510 --> 00:51:49,520
else

1000
00:51:47,929 --> 00:51:50,960
let's check the chat room so we can just

1001
00:51:49,519 --> 00:51:52,070
kind of start to wrap the show up and

1002
00:51:50,960 --> 00:51:55,039
see if there's anybody else has any

1003
00:51:52,070 --> 00:52:00,830
questions about what's been going on in

1004
00:51:55,039 --> 00:52:03,469
the media and what what it's called a

1005
00:52:00,829 --> 00:52:06,380
laser light no they don't touch your

1006
00:52:03,469 --> 00:52:09,469
hair jeez

1007
00:52:06,380 --> 00:52:10,970
was maybe that was a Steven gray chakra

1008
00:52:09,469 --> 00:52:13,129
hey by the way are we going to contact

1009
00:52:10,969 --> 00:52:15,559
in desert yes we want to contact in

1010
00:52:13,130 --> 00:52:17,349
desert we're gonna be there yeah I

1011
00:52:15,559 --> 00:52:21,130
believe we're gonna be there as guests

1012
00:52:17,349 --> 00:52:23,929

media guests to cover you know the

1013

00:52:21,130 --> 00:52:26,090

entire gig there's gonna be so many

1014

00:52:23,929 --> 00:52:27,440

speakers it's gonna be in a different

1015

00:52:26,090 --> 00:52:33,490

location so we're gonna contact the

1016

00:52:27,440 --> 00:52:38,380

desert well what's that called what

1017

00:52:33,489 --> 00:52:41,689

sponsor s well ask yeah well of course

1018

00:52:38,380 --> 00:52:42,740

and then alien cons coming and so we'll

1019

00:52:41,690 --> 00:52:44,960

see about that one we're gonna try to

1020

00:52:42,739 --> 00:52:46,759

make it as much as we can folks yeah

1021

00:52:44,960 --> 00:52:49,699

we're also gonna be doing some more

1022

00:52:46,760 --> 00:52:53,480

traveling pretty soon this coming summer

1023

00:52:49,699 --> 00:52:55,429

so and probably spring and we're looking

1024

00:52:53,480 --> 00:52:57,110

into some really cool cases into some

1025

00:52:55,429 --> 00:52:58,940

really cool things so if you want to

1026

00:52:57,110 --> 00:53:01,070

support our endeavors

1027
00:52:58,940 --> 00:53:03,619
you can contribute five bucks at

1028
00:53:01,070 --> 00:53:06,230

and we're gonna go ahead and kind of

1030
00:53:06,230 --> 00:53:10,400
