

1
00:00:20,500 --> 00:00:22,559
you

2
00:00:29,179 --> 00:00:31,239
you

3
00:00:36,990 --> 00:00:43,710
the following tape is dr. karla turner
talking on the UFO and alien Masquerade

4
00:00:43,710 --> 00:00:53,820
what's really going on Sunday May 7th
1995 at the quality resort may I ask

5
00:00:53,820 --> 00:00:58,350
before I begin at a fresh show of hands
if there's anyone here who knows

6
00:00:58,350 --> 00:01:05,969
absolutely nothing about the abduction
aspect of the UFO phenomena oh that's

7
00:01:05,969 --> 00:01:09,420
great then we don't have to go through a
primer to bring everybody up to speed I

8
00:01:09,420 --> 00:01:12,780
can just plunge on into the material but
I wouldn't want to leave somebody behind

9
00:01:12,780 --> 00:01:18,750
their very first exposure to what I
consider the most important part of the

10
00:01:18,750 --> 00:01:25,379
entire UFO phenomena we won't have to
catch up which is going to plunge into

11
00:01:25,379 --> 00:01:30,689
some aspects of this that Sean mentioned
that many many researchers are reluctant

12
00:01:30,689 --> 00:01:36,840
to deal with to talk about to write

about and yet in my opinion where we're

13

00:01:36,840 --> 00:01:41,728

going to find the most fertile grounds
for information it's in those areas

14

00:01:41,728 --> 00:01:48,929

where the anomalies and the patterns are
broken where we find the disturbing

15

00:01:48,930 --> 00:01:54,150

details of an other phenomenon for many
people that phenomenon seems to be a

16

00:01:54,150 --> 00:02:00,299

very spiritual experience a very
uplifting experience very positive and I

17

00:02:00,299 --> 00:02:04,530

applaud all the work that's been done so
far in the field to bring those cases to

18

00:02:04,530 --> 00:02:07,590

your attention however that's not the
whole picture

19

00:02:07,590 --> 00:02:12,299

and I've considered it my job it's both
in abducting myself and a researcher

20

00:02:12,299 --> 00:02:17,610

into the field to try to balance the
picture for the public and to talk about

21

00:02:17,610 --> 00:02:24,690

those aspects that are not so clever and
not so uplifting because in essence we

22

00:02:24,689 --> 00:02:29,099

don't have to worry about our friends so
we had better be concerned about those

23

00:02:29,099 --> 00:02:34,379

who are not our friends
and therefore when I talk to my today

24
00:02:34,379 --> 00:02:41,489
and I talk about aliens I'm talking
about abductors not any other group or

25
00:02:41,489 --> 00:02:45,509
agency or entities that may be
interacting with it I'm talking about

26
00:02:45,509 --> 00:02:49,888
those who have depth so please don't
take what I have to say as a blanket

27
00:02:49,889 --> 00:02:52,799
state
about all the possibility that we may be

28
00:02:52,799 --> 00:03:01,140
interacting with I'm going to begin with
a little joke if you don't mind 3

29
00:03:01,139 --> 00:03:07,619
ufologists started on a bus traveling
together to a UFO conference and of

30
00:03:07,620 --> 00:03:11,639
course if this were about any other
profession and ecologists that you know

31
00:03:11,639 --> 00:03:17,760
plane because it had money but they're
on a bus and they're traveling along and

32
00:03:17,759 --> 00:03:22,078
it one of the stops and then passenger
gets on the bus and take the seat next

33
00:03:22,079 --> 00:03:25,230
to you follow gist and they begin
talking and they're talking all about

34
00:03:25,229 --> 00:03:29,548
their studies and their theories and
their sightings and so on and the

35
00:03:29,549 --> 00:03:33,209

passengers are know something about this
experience while they're talking at

36
00:03:33,209 --> 00:03:39,959
gigantic UFO zooms out of the sky slides
up next to the bus covers there long

37
00:03:39,959 --> 00:03:43,859
enough with the passengers can work out
and see in the portholes of the UFO and

38
00:03:43,859 --> 00:03:48,269
bipedal figure to them they're very
dimly and then the UFO takes off and

39
00:03:48,269 --> 00:03:52,980
then it happened just to wow you know
what was that through those people

40
00:03:52,979 --> 00:04:00,959
inside there those were space brethren
the first ufology says them they're just

41
00:04:00,959 --> 00:04:07,169
here to make contact and say hello and
make sure ok that's justice gene that's

42
00:04:07,169 --> 00:04:13,709
wonderful no no no the technology says
those are our friends those are those

43
00:04:13,709 --> 00:04:17,608
are those people intruding abducting
aliens Richard you're scouting for more

44
00:04:17,608 --> 00:04:22,829
humans to abduct and terrorized into
terrible experiments on the packages of

45
00:04:22,829 --> 00:04:27,448
gene that's awful the theurgy politics
issues folks along they're nervous

46
00:04:27,449 --> 00:04:32,129
friend nerve Pro they're just simply
here making scientific investigations

47
00:04:32,129 --> 00:04:35,519
and they value us as laboratory
specimens but they're not the level on

48
00:04:35,519 --> 00:04:39,418
our end jelly and if a teacher says gee
I guess you professionals don't know

49
00:04:39,418 --> 00:04:46,889
anything either which is not a funny
joke I admit it but the situation is

50
00:04:46,889 --> 00:04:52,590
needed a funny situation if you're
familiar with the UFO research for the

51
00:04:52,589 --> 00:04:56,908
past 50 years you know that there have
been some of the best minds in the world

52
00:04:56,908 --> 00:05:00,658
and all different professional positions
have devoted

53
00:05:00,658 --> 00:05:05,500
energy
and time and their expertise to pursuing

54
00:05:05,500 --> 00:05:11,980
every angle of the UFO phenomena for 50
years we've had experts and scientists

55
00:05:11,980 --> 00:05:18,430
measuring trajectories that slices of
identify craft examining landing traces

56
00:05:18,430 --> 00:05:24,069
and artifacts doing analysis on the
photos and the radar and every single

57
00:05:24,069 --> 00:05:29,829
test that could be run from a scientific
one of you has been pursued and is still

58

00:05:29,829 --> 00:05:37,990
for 50 years and yet today has a century
later we don't have a single reliable

59
00:05:37,990 --> 00:05:42,850
answer to the basic questions who are
they where did they come from and why

60
00:05:42,850 --> 00:05:47,590
are they here which tells us something
about the time to dick approach it also

61
00:05:47,589 --> 00:05:55,359
tells us something about the nature of
this phenomena so far in fact all we've

62
00:05:55,360 --> 00:05:58,990
really done is come up with a lot of
conflict theories and a lot of labels

63
00:05:58,990 --> 00:06:02,829
for our phenomenon that we don't
certainly understand we have labels

64
00:06:02,829 --> 00:06:08,439
ranging on one side one extreme to our
wonderful space brothers here in Salem

65
00:06:08,439 --> 00:06:16,829
all the way to the invading aliens here
to use this and every level in between

66
00:06:16,829 --> 00:06:21,490
and we still have the same questions we
started with are they friendly are the

67
00:06:21,490 --> 00:06:25,750
angelic are they demonic are they
curious of the aggressing what are they

68
00:06:25,750 --> 00:06:30,790
the fact is that the nature of these
entities and their intentions yes the

69
00:06:30,790 --> 00:06:35,700
big questions all the other questions

are secondary to that in my opinion

70

00:06:35,699 --> 00:06:39,610

because without understanding of who they are and what they want

71

00:06:39,610 --> 00:06:45,639

we humans have no idea of what proper response we should be making I think we

72

00:06:45,639 --> 00:06:48,159

can agree on that when we act in ignorance

73

00:06:48,160 --> 00:06:54,280

we do not know fracking properly or not so why is it that after all this time we

74

00:06:54,279 --> 00:06:59,139

still disagree so radically about the nature of the of the UFO phenomena and

75

00:06:59,139 --> 00:07:05,319

the opposites of these craft why is that and in my opinion it is because after

76

00:07:05,319 --> 00:07:11,500

half a century we are still ignorant of the very basics of the field and why are

77

00:07:11,500 --> 00:07:15,709

we ignorant why do we know the more than we know

78

00:07:15,709 --> 00:07:21,349

already at this point and I'm here to tell you from my research and my own

79

00:07:21,350 --> 00:07:26,479

experiences that I believe we are still in a state of ignorance because the

80

00:07:26,478 --> 00:07:33,168

entities deliberately deceive us in their interaction this is the number one

81
00:07:33,168 --> 00:07:38,598
fact that's emerged from my research in
this field and if I'm able to only leave

82
00:07:38,598 --> 00:07:44,418
you with that one message that we are
being deceived in many ways by these

83
00:07:44,418 --> 00:07:49,609
interactions that aren't going to be
happy with my work today because of this

84
00:07:49,610 --> 00:07:55,910
essential deception especially when it
comes to human alien contact and

85
00:07:55,910 --> 00:08:03,800
interaction the cold hard truth is that
abductees and contactees reports alien

86
00:08:03,800 --> 00:08:09,288
controlled information when they report
about their conscious memory and often

87
00:08:09,288 --> 00:08:14,509
even when they report but they retreat
through hypnotic regression work there

88
00:08:14,509 --> 00:08:19,430
is no such thing as face value when it
comes to the non-human entities that are

89
00:08:19,430 --> 00:08:24,530
interacting with them here and that the
cherished notion is hard for people to

90
00:08:24,529 --> 00:08:28,369
give up I know it was hard for me once I
was aware of what was going on with my

91
00:08:28,370 --> 00:08:35,870
family but the research has left me of
choice and I'm going to share some of

92
00:08:35,870 --> 00:08:43,240

the findings with you here that have led me to the distinct to the position I

93

00:08:43,269 --> 00:08:47,870

adopt that many of you know who I am right now anything about my experiences

94

00:08:47,870 --> 00:08:53,350

and I will give you a very very brief background on warrant and in here today

95

00:08:53,350 --> 00:09:00,019

in December of 1987 I was a college instructor of English living in Denton

96

00:09:00,019 --> 00:09:04,610

Texas north of the Dallas Fort Worth area my husband was a very successful

97

00:09:04,610 --> 00:09:10,610

computer consultant with his own business in the area my one child son

98

00:09:10,610 --> 00:09:15,589

was finishing up his bachelors in physics from beginning to play making

99

00:09:15,589 --> 00:09:20,270

plans to start a master's degree program in physics and we had a very wonderful

100

00:09:20,269 --> 00:09:25,319

life a very normal life very happy fulfilled life back

101

00:09:25,320 --> 00:09:31,829

but a daytime sighting of a UFO hanging motionless over the courthouse in the

102

00:09:31,828 --> 00:09:35,149

town where we lived decided by my husband

103

00:09:35,149 --> 00:09:40,948

totally shattered that world that we had built and were enjoying so much it led

104
00:09:40,948 --> 00:09:47,609
to investigating and understanding that
there had been contact and abduction

105
00:09:47,610 --> 00:09:54,149
involved my husband's life and my life
as we were children get led to finding

106
00:09:54,149 --> 00:09:58,740
out that at least in my husband's family
the abduction phenomena had been going

107
00:09:58,740 --> 00:10:05,850
on for four generations it led to
finding out that not only had we had

108
00:10:05,850 --> 00:10:10,528
encounters in our past but that we were
having them once again beginning with a

109
00:10:10,528 --> 00:10:18,028
vengeance was in December 1987 siding
which was also an abduction event and I

110
00:10:18,028 --> 00:10:22,169
began as the researchers because of pH
the person with a PhD is really only

111
00:10:22,169 --> 00:10:26,099
trying to do one thing and that's
research and when we realized that this

112
00:10:26,100 --> 00:10:30,810
was real and it was happening to our
family I began the research and I

113
00:10:30,809 --> 00:10:33,838
thought I read the right books and ask
the right questions I'll find an answer

114
00:10:33,839 --> 00:10:38,490
an explanation for this and I delved
into it just like I did into my PhD work

115

00:10:38,490 --> 00:10:44,899
read and absorb everything I could in
fact there were two answers series yet

116
00:10:44,899 --> 00:10:55,399
answers no and it became a goal to try
to find him it at least for my family

117
00:10:55,399 --> 00:11:00,629
the story of the events and the
discoveries of the first year and a half

118
00:11:00,629 --> 00:11:06,028
of us living with and dealing with these
experiences was I kept a journal of

119
00:11:06,028 --> 00:11:09,419
these events and that eventually
resulted in a book called into the

120
00:11:09,419 --> 00:11:14,698
branch which was published in paperback
in 1992 at Berkeley and an account

121
00:11:14,698 --> 00:11:21,059
recount everything that my husband and I
experienced as well as my son and his

122
00:11:21,059 --> 00:11:26,638
fiancee now is why and his roommate and
his roommates family in two of our

123
00:11:26,639 --> 00:11:32,159
friends so the phenomenon was as I found
out simpson typically a cluster of

124
00:11:32,159 --> 00:11:37,659
events within a group now we were
totally ignorant of this

125
00:11:37,659 --> 00:11:43,990
in fact my methods decided the UFO and
told me about it we never mentioned the

126
00:11:43,990 --> 00:11:47,680
word UFO we thought it's not he knew it

wasn't a weather balloon because he

127

00:11:47,679 --> 00:11:50,829

walked up the hill from her house to
observe it he hook wasn't a hot air

128

00:11:50,830 --> 00:11:55,540

balloon you know it wasn't anything you
could identify and we finally decided it

129

00:11:55,539 --> 00:12:02,009

must be a movie prop never thought UFO
so we did not come with any

130

00:12:02,009 --> 00:12:09,909

preconceptions or with any previous
information into having to deal by 1991

131

00:12:09,909 --> 00:12:16,029

I could no longer do both pursue my
teaching career and the research and a

132

00:12:16,029 --> 00:12:21,490

choice had to be made and you can see
what went out I was fortunate enough to

133

00:12:21,490 --> 00:12:26,470

have worked with a woman named Barbara
Boxer in Oklahoma who in my opinion has

134

00:12:26,470 --> 00:12:30,550

more information about the abduction
phenomena than all the rest of us

135

00:12:30,549 --> 00:12:35,529

researchers rolled into one
unfortunately Barbara is so committed to

136

00:12:35,529 --> 00:12:39,579

working with the abductee that she
doesn't have time to write our to

137

00:12:39,580 --> 00:12:44,139

lecture after travel because she was
doing it 24 hours a day seven days we

138

00:12:44,139 --> 00:12:48,610
could have been involved in it for 15
years I was lucky enough to have her

139

00:12:48,610 --> 00:12:53,980
help my family go through our initial
company was this and then to become her

140

00:12:53,980 --> 00:12:59,019
student as it were and to learn from the
years of her work and to be involved in

141

00:12:59,019 --> 00:13:05,679
her investigation and it was a wonderful
education that's the PhD I think I value

142

00:13:05,679 --> 00:13:12,009
most of all Barbara has worked with over
600 cases in the past 15 years and I

143

00:13:12,009 --> 00:13:16,090
have gathered a lot of informations of
her work when I began to work on

144

00:13:16,090 --> 00:13:19,360
research in my own area and
independently and in conjunction with

145

00:13:19,360 --> 00:13:24,669
her very often then I began also to find
correlations in the cases that were

146

00:13:24,669 --> 00:13:29,049
being investigated for people who came
to me and the correlations that this

147

00:13:29,049 --> 00:13:34,329
information did not jive with what we
found in most of the literature about

148

00:13:34,330 --> 00:13:39,850
this subject we found in fact that what
was being reported publicly in the

149

00:13:39,850 --> 00:13:44,830

journals and the speeches and in the books with highly sensors very partial

150

00:13:44,830 --> 00:13:50,150

and very much expressed either the wishes

151

00:13:50,149 --> 00:13:55,819

fears are the biases of the researchers who for the most part had not met

152

00:13:55,820 --> 00:14:01,790

experiences themselves when I began to talk with the individuals from whom

153

00:14:01,789 --> 00:14:06,289

these researchers were taking their material I found to my surprise that no

154

00:14:06,289 --> 00:14:11,120

matter what the researchers event was the cases themselves were pretty much

155

00:14:11,120 --> 00:14:19,009

consistent and much more complex than any of the literature up to that point

156

00:14:19,009 --> 00:14:25,639

had ever expressed the reports on the investigations that ended in the last

157

00:14:25,639 --> 00:14:29,990

four years are available now in two books that my husband and I have

158

00:14:29,990 --> 00:14:33,980

published ourselves so that you had total control over the material rather

159

00:14:33,980 --> 00:14:38,629

than that has Berkeley had done with my first book and the first of those

160

00:14:38,629 --> 00:14:43,939

publications is a book called taken inside the alien human abduction agenda

161
00:14:43,940 --> 00:14:51,040
and my purpose was to have the reader
give the reader and access to the inside

162
00:14:51,039 --> 00:14:58,129
experience to be in it what is it like
to be in the abductions enough I chose

163
00:14:58,129 --> 00:15:02,870
for this particular study the cases of
eight different women in various places

164
00:15:02,870 --> 00:15:07,669
in the country for Tirico in New York
and Florida Alabama and Tennessee in

165
00:15:07,669 --> 00:15:12,169
Texas none of these women knew each
other when the study began and they did

166
00:15:12,169 --> 00:15:16,579
not have contact with each other until
the study was finished I have correlated

167
00:15:16,580 --> 00:15:23,389
their reports and I not only given
giving them leasing chapters in which

168
00:15:23,389 --> 00:15:26,870
they could get first-hand accounts with
that me telling me what they've

169
00:15:26,870 --> 00:15:32,839
experienced that let them tell you or
they I've also provided a comprehensive

170
00:15:32,839 --> 00:15:38,089
chart correlating over a hundred
different details from the reports that

171
00:15:38,089 --> 00:15:43,339
you can see what is consistent what
kinds of things are happening to many

172

00:15:43,339 --> 00:15:48,830
many people and I believe the counts are
frankly astounding I assure you they're

173
00:15:48,830 --> 00:15:54,230
representative of what many many people
you'll never hear about and probably

174
00:15:54,230 --> 00:15:59,329
I'll never hear about are experiencing
because for every abductee whose case

175
00:15:59,328 --> 00:16:04,739
you have heard reported there must be
anywhere from fifty to a hundred who

176
00:16:04,740 --> 00:16:11,970
never at least publicly I have so many
reports on a private and confidential

177
00:16:11,970 --> 00:16:17,670
basis that I can share some data from
but I cannot tell you who these people

178
00:16:17,669 --> 00:16:23,250
are and they will not come find it so it
is too difficult for most people to do

179
00:16:23,250 --> 00:16:28,200
this there are more liabilities to
coming forward important public than our

180
00:16:28,200 --> 00:16:36,480
ever active the second book that reports
on research in fiscal masquerade of

181
00:16:36,480 --> 00:16:42,629
angels and it is the story of one man's
life long experiences the man named Ken

182
00:16:42,629 --> 00:16:46,500
right I doubt that any of you will have
heard of Janet but throughout the South

183
00:16:46,500 --> 00:16:51,720
he's a very well-known psychic he had

been trained from his early adulthood in

184

00:16:51,720 --> 00:16:56,759

physical work he was a co-founder of the first congregation and spiritualist

185

00:16:56,759 --> 00:17:01,860

Church in the state of Georgia an Alabama boy this is the cotton patch kid

186

00:17:01,860 --> 00:17:08,069

raised on a farm and he had a number of paranormal experiences throughout his life

187

00:17:08,069 --> 00:17:13,740

that had prompted him into this work but that's not why again my investigation

188

00:17:13,740 --> 00:17:19,230

was hit in 1989 Ted consciously remembered having been abducted by

189

00:17:19,230 --> 00:17:24,870

entities he had never seen before taken from his home along with many of

190

00:17:24,869 --> 00:17:31,469

his neighbors down the street taken to a large craft and when the craft again to

191

00:17:31,470 --> 00:17:35,160

move hit now the story is sort of funny actually

192

00:17:35,160 --> 00:17:41,480

Ted was very familiar with spirit guides and his work in exactly readings and

193

00:17:41,480 --> 00:17:45,660

throughout the years he had gotten communications and health and assistance

194

00:17:45,660 --> 00:17:51,630

from a number of ways out of the spirit guide until in 1989 the spirit guides

195

00:17:51,630 --> 00:17:56,430

began acting a little strange in fact
they began coming in the middle deny and

196

00:17:56,430 --> 00:18:00,720

touching now and doing things with you
and telling him drinks that he couldn't

197

00:18:00,720 --> 00:18:04,980

remember the next morning was very bad
you've never done and they came

198

00:18:04,980 --> 00:18:09,269

night after night the point where 10 was
getting no rest at all I mean he was

199

00:18:09,269 --> 00:18:14,490

going downhill physically he was going
downhill emotionally and he was in fact

200

00:18:14,490 --> 00:18:18,509

reaching a point of almost nervous right
now of constantly having these

201

00:18:18,509 --> 00:18:23,339

intrusions in her and he even moved to
change locations thinking maybe he got

202

00:18:23,339 --> 00:18:28,500

away from the area this interference
would stop and it's after he had a

203

00:18:28,500 --> 00:18:32,250

trailer at that time because he was in
his job and around the lighting systems

204

00:18:32,250 --> 00:18:36,539

has a house in the trailer anymore but
he was in a nice trailer park in

205

00:18:36,539 --> 00:18:40,470

Shreveport Louisiana when he had moved
from one location to another location

206

00:18:40,470 --> 00:18:43,829

and just said his trailer up to four
days to do this because we work during

207

00:18:43,829 --> 00:18:48,359
the day and thought he was now away from
whatever this was that was bothering him

208

00:18:48,359 --> 00:18:52,679
and the very first night after that he
had gotten settled in and a friend was

209

00:18:52,680 --> 00:18:59,100
there helping him here came what was
been our very early your sight a little

210

00:18:59,099 --> 00:19:05,069
blue light floating into his house he
had never had these blue lights before

211

00:19:05,069 --> 00:19:08,279
this time in time and he didn't
understand what they had to do with the

212

00:19:08,279 --> 00:19:13,049
spiritual work but he thought coming in
again and he knew was the mood that done

213

00:19:13,049 --> 00:19:16,440
nobody was still going to have this
phenomena at night and he lost his

214

00:19:16,440 --> 00:19:21,420
temper I mean he was ragged already from
lack of rest and he yelled and he

215

00:19:21,420 --> 00:19:26,670
shouted and he cut himself we do like
stuff and he cuts this thing out he said

216

00:19:26,670 --> 00:19:30,930
you spirit guys better leave me alone
had a hat I'm cleaning at the language

217

00:19:30,930 --> 00:19:35,670
how in the head do you expect me to do
my psychic work when you won't let me

218
00:19:35,670 --> 00:19:40,500
get any rest because I'm on the edge I'm
about to break down he said for god sake

219
00:19:40,500 --> 00:19:42,750
give me some rest
don't pick on the neighbors for a change

220
00:19:42,750 --> 00:19:46,950
and leave me a lot and that's when they
abducted him along with many of his

221
00:19:46,950 --> 00:19:51,029
neighbor's the end of their mother craft
and said in effect is this satisfactory

222
00:19:51,029 --> 00:19:57,930
is this what you had in mind
it was Ted UFO abductions that brought

223
00:19:57,930 --> 00:20:01,440
us together because he didn't know what
this was and he knew it was not in

224
00:20:01,440 --> 00:20:06,140
spirit guides and he actually placed an
ad in a newspaper at pure health and

225
00:20:06,140 --> 00:20:11,460
that's how we made the contact we begin
to investigate this case and it's one of

226
00:20:11,460 --> 00:20:15,509
the most extraordinary cases and most
thoroughly investigated cases that I

227
00:20:15,509 --> 00:20:19,400
know of and they
fact that research is ongoing we did not

228
00:20:19,400 --> 00:20:24,560
intend to publish a book until we had
really completed the investigation but

229

00:20:24,559 --> 00:20:29,210
if it turned out there was so much to
investigate and so much yet still to

230
00:20:29,210 --> 00:20:33,890
investigate that we reached a point last
year we said look what we've learned

231
00:20:33,890 --> 00:20:38,210
already it's so crucial is so important
let's go ahead and publish our findings

232
00:20:38,210 --> 00:20:41,990
at this point and then in a couple of
years when we've got the rest of the

233
00:20:41,990 --> 00:20:46,309
investigations done
we'll look finishing project so I'm

234
00:20:46,309 --> 00:20:50,000
warning you now if you happen to be
interested in reading that great of

235
00:20:50,000 --> 00:20:55,789
angels it is but one and what we're
going to do in book two is to look into

236
00:20:55,789 --> 00:21:01,039
many of the incidents recorded in book
one that were not investigated they were

237
00:21:01,039 --> 00:21:05,899
consciously recall only and write that
somewhere in that area and frankly it is

238
00:21:05,900 --> 00:21:11,420
extraordinary what we've turned up if
the material we have found intend to

239
00:21:11,420 --> 00:21:14,750
case was only found in Ted okay then I
wouldn't have anything to really be

240
00:21:14,750 --> 00:21:19,819
telling you but as I said I have been

privity to other researchers work in great

241

00:21:19,819 --> 00:21:25,609

numbers and also the cases that I have explored and this is not unique material

242

00:21:25,609 --> 00:21:31,639

it's simply materials motion you don't hear of that so I hope to share some of

243

00:21:31,640 --> 00:21:35,600

the highlights of the findings from the case reports I have worked for in both

244

00:21:35,599 --> 00:21:41,389

these books tonight to illustrate just a few points for you here's what I'm going

245

00:21:41,390 --> 00:21:46,009

to be discussing and I will use this this material as an illustration for it

246

00:21:46,009 --> 00:21:49,849

I'm going to talk about the cases that deal with the deceptive nature of this

247

00:21:49,849 --> 00:21:55,069

annulment I'm going to talk about two of the physical procedures involved in this

248

00:21:55,069 --> 00:21:58,759

to that I think that the most disturbing and most crucial for our understanding

249

00:21:58,759 --> 00:22:03,589

and I'm also going to talk about as Shawn mentioned the evidence of the

250

00:22:03,589 --> 00:22:09,619

interest and involvement of some very human agency that is clearly authorized

251

00:22:09,619 --> 00:22:14,869

and funded and supported at the very highest levels of our governmental

252

00:22:14,869 --> 00:22:18,339

authority ready

253

00:22:21,319 --> 00:22:26,389

alright first we're going to talk about
the deception whether we like to call it

254

00:22:26,390 --> 00:22:32,509

screen memory telepathy transfer
technological mind control of virtual

255

00:22:32,509 --> 00:22:38,440

reality the abducting entities employ
what are clearly masterful illusionary

256

00:22:38,440 --> 00:22:46,519

capability in effect the targeted human
is totally taken in for the most part by

257

00:22:46,519 --> 00:22:53,210

the illusion totally and so an
experience or a contact feels completely

258

00:22:53,210 --> 00:22:58,400

real for the targeted person even though
as we find often in these investigations

259

00:22:58,400 --> 00:23:03,440

the event communities and the sensations
did not occur in the way the human

260

00:23:03,440 --> 00:23:10,460

received in an delivered and maybe a few
examples from math grade and in later

261

00:23:10,460 --> 00:23:13,490

for taken we'll show you what I'm
talking about I'm going to start with

262

00:23:13,490 --> 00:23:20,680

one that I think is a very important
rhetoric from hip situation

263

00:23:20,680 --> 00:23:25,279

Ted was abducted along with his

grandmother when he was 10 years old

264

00:23:25,279 --> 00:23:30,440
from their Alabama farm among many other
things that occurred during the

265

00:23:30,440 --> 00:23:34,519
abductions and as I said I'm not going
to pay attention on highlight there is

266

00:23:34,519 --> 00:23:37,670
much more to each of these accounts than
I have time to share with you today but

267

00:23:37,670 --> 00:23:42,050
the thing I want to share about the
dissection is since among our things

268

00:23:42,049 --> 00:23:47,960
that were done was an event in which
10ms grandmother were given a liquid to

269

00:23:47,960 --> 00:23:54,920
drink and quite clearly this liquid
acted at the next aphrodesia and there

270

00:23:54,920 --> 00:24:00,470
were both human looking entities in this
craft as well as what seemed to have

271

00:24:00,470 --> 00:24:07,519
been reptilian or Reptoid type entities
as well and after doing these drinks to

272

00:24:07,519 --> 00:24:13,009
both Ted and his grandmother the Reptoid
entities approached the grandmother and

273

00:24:13,009 --> 00:24:19,129
were beginning to try to initiate a
sexual act with her and this is a woman

274

00:24:19,130 --> 00:24:26,720
who was an Alabama cotton farming
housewife with strength that only wish I

275

00:24:26,720 --> 00:24:33,000

had does not provide a human surround
one and she said no sir I don't do that

276

00:24:33,000 --> 00:24:37,048

that I never had sex with anyone but my
husband and he's been dead for six years

277

00:24:37,048 --> 00:24:42,058

so I don't do that and entity left the
room and a few minutes later returned

278

00:24:42,058 --> 00:24:47,399

with again hook and by them yet the
dream that they have been given had

279

00:24:47,400 --> 00:24:53,669

taken strong set she was around she saw
her husband and with the viewing of

280

00:24:53,669 --> 00:24:58,679

these entities around her begin to have
intercourse with this dead husband in

281

00:24:58,679 --> 00:25:04,259

the midst of the act however the
illusion was removed and she saw who it

282

00:25:04,259 --> 00:25:08,900

was she was having sex and it was not to
death

283

00:25:08,900 --> 00:25:14,490

now that's how strong some of the
deceptive screening are mind control or

284

00:25:14,490 --> 00:25:19,169

virtual reality techniques can work and
that's not in our Canadian case with

285

00:25:19,169 --> 00:25:25,500

just one illustration now i'm trekkin
instance that's probably the most

286

00:25:25,500 --> 00:25:30,029

educational for my purposes because it allowed me to learn about actual

287

00:25:30,029 --> 00:25:36,418

technology that creates virtual reality which targeted human was an instance

288

00:25:36,419 --> 00:25:43,440

that was witnessed by two unaffected human witnesses tena thephibbles trained

289

00:25:43,440 --> 00:25:47,820

spiritualist work and the woman that had trained him his mentor had moved to

290

00:25:47,819 --> 00:25:53,490

florida and in 1992 ted was invited to go visit her and she had also invited

291

00:25:53,490 --> 00:25:58,470

another friend a woman named Amelia to business the same weekend and I could

292

00:25:58,470 --> 00:26:02,730

dig on to bed one night Ted had gone to the guest room to go to bed and Amelia

293

00:26:02,730 --> 00:26:07,230

and Marie the woman who had invited them were in twin beds and a second bedroom

294

00:26:07,230 --> 00:26:12,870

had just linked out a couple of minutes after lying down Amelia the visiting

295

00:26:12,869 --> 00:26:17,969

friend suddenly said what the heck is a helicopter doing over the house at this

296

00:26:17,970 --> 00:26:24,210

time and I and marine sent one helicopter my gosh you can't already in

297

00:26:24,210 --> 00:26:28,079

flower sleeping and Iranian candy there's no Vela copter and I mean you

298

00:26:28,079 --> 00:26:31,168

said don't you hear that helicopter and
rowing down

299

00:26:31,169 --> 00:26:37,740

Amelia started to rise up and as she
started to rise up her entire bed was

300

00:26:37,740 --> 00:26:43,919

enveloped in a sphere of blue light or
blue energy that totally are surrounded

301

00:26:43,919 --> 00:26:47,670

to bed with Amelia
and amelia was paralyzed in his partial

302

00:26:47,670 --> 00:26:56,039

in great position she could still talk
but Marini outside of this the sphere of

303

00:26:56,039 --> 00:27:00,000

life could barely hear her and they were
in small bedroom together they had to

304

00:27:00,000 --> 00:27:04,529

shout to hear each other
Marie was totally blown away and began

305

00:27:04,529 --> 00:27:08,460

screaming for Ted to come quickly and
pick up out of the bed he heard her

306

00:27:08,460 --> 00:27:11,759

shouting you didn't know what was going
on and he ran down the hallway and he

307

00:27:11,759 --> 00:27:16,319

approached the bedroom you can see the
glow of this moonlight coming out and

308

00:27:16,319 --> 00:27:21,509

when he walked in the room he saw Amelia
in the bed surrounded by this sphere of

309

00:27:21,509 --> 00:27:24,869
light and Marie was up against the
farthest wall as far away from the bed

310
00:27:24,869 --> 00:27:29,069
as she could getting that click press
flat just you know eyes wide mouth wide

311
00:27:29,069 --> 00:27:33,839
and she told me what happened up to that
point about the sound of the helicopter

312
00:27:33,839 --> 00:27:38,429
and about Amelia saying that after
hearing the helicopter she could

313
00:27:38,430 --> 00:27:43,140
suddenly see through the ceiling up into
the night sky where there was a strange

314
00:27:43,140 --> 00:27:47,940
craft not a copter but a strange craft
hovering over the house and she was

315
00:27:47,940 --> 00:27:52,380
describing this as it went on to a meal
and to Marie we could not see this at

316
00:27:52,380 --> 00:27:56,400
all and told her not only what they were
craft over the house but there were two

317
00:27:56,400 --> 00:28:02,130
alien entities inside the craft now you
have to remember Amelia had never had an

318
00:28:02,130 --> 00:28:07,110
experience that she thought of as unifo
related in fact when Ted told her about

319
00:28:07,109 --> 00:28:10,919
his abduction in 1989 earlier that
weekend she laughed and said that

320
00:28:10,920 --> 00:28:15,720
National Enquirer crap you're not

listening to that already there's

321

00:28:15,720 --> 00:28:19,529

nothing to that so here is a million now
who scoffed at the idea

322

00:28:19,529 --> 00:28:23,730

looking up seeing a crash she can't
identify with two alien entities in it

323

00:28:23,730 --> 00:28:28,110

she said one of them looked like an
alligator man she had no terminology for

324

00:28:28,109 --> 00:28:32,159

this and the other one was sort of
purplish black and had a very bumpy

325

00:28:32,160 --> 00:28:36,480

surface yes
and she's carrying on a conversation

326

00:28:36,480 --> 00:28:40,440

with these entities and then all of a
sudden after 10 is in the room for a few

327

00:28:40,440 --> 00:28:43,500

minutes she said well now they're in
here and that come down in the room and

328

00:28:43,500 --> 00:28:47,460

she began talking to the foot of her bed
she said they're standing in foot of the

329

00:28:47,460 --> 00:28:52,170

bed don't you see that don't you see
them this one on the far from beginning

330

00:28:52,170 --> 00:28:56,910

to end for upwards of 10 minutes before
the light suddenly disappears and amelia

331

00:28:56,910 --> 00:29:01,019

was able to rise by Elvis
excitedly talk about did you see the

332
00:29:01,019 --> 00:29:05,519
energy shield they were saying 10 and
Marie who were not within the sphere of

333
00:29:05,519 --> 00:29:10,909
this energy field saw nothing of the
spirit energy

334
00:29:10,909 --> 00:29:18,450
Amelia felt absolutely certain that
everything she saw and witnessed and did

335
00:29:18,450 --> 00:29:22,528
a hurt and if there had been no
witnesses she would have claimed she had

336
00:29:22,528 --> 00:29:29,599
had an alien encounter and seen a craft
no one heard the helicopters at Amelia

337
00:29:29,599 --> 00:29:37,038
no one saw the crash that amelia and no
one saw the it is better now clearly a

338
00:29:37,038 --> 00:29:41,609
technological event had occurred
had it been merely psychological there

339
00:29:41,609 --> 00:29:45,719
would not have been the energy field
around the dead this was my first

340
00:29:45,720 --> 00:29:54,480
exposure to what was clearly a virtual
reality technology it was not my last

341
00:29:54,480 --> 00:30:00,778
teller in fact when ten was staying up
at my house I was in the woods in

342
00:30:00,778 --> 00:30:05,128
Arkansas in Tesla's Louisiana lieutenant
come up for several days so that we

343
00:30:05,128 --> 00:30:08,730

could work on our investigation and do some interviews and I'm getting good

344

00:30:08,730 --> 00:30:13,950

very confident manages to do regression work with him because I don't do that

345

00:30:13,950 --> 00:30:18,840

one night staying in our guest room we had a very pleasant not with good knives

346

00:30:18,839 --> 00:30:21,750

on your bed and my husband and I slept wonderfully

347

00:30:21,750 --> 00:30:26,970

we have two chihuahuas that live in a house very yummy dogs if any of you know

348

00:30:26,970 --> 00:30:33,480

about you walk and they were well trained to respond to helicopters

349

00:30:33,480 --> 00:30:39,149

because back when we have begun having our own alien encounter events we have

350

00:30:39,148 --> 00:30:43,768

been living in a house in a very dense neighborhood for five years and not once

351

00:30:43,769 --> 00:30:48,899

if we had helicopter activity over that house until we got on the phone and

352

00:30:48,898 --> 00:30:52,918

started talking to geologists about our active encounters at that point the

353

00:30:52,919 --> 00:30:58,950

helicopters became a very frequent occurrence day and night solo over the

354

00:30:58,950 --> 00:31:05,399

house that windows cracked from the vibration of the crash as many as nine a

355
00:31:05,398 --> 00:31:09,750
day circling the neighborhood circling
the house over and over and we never

356
00:31:09,750 --> 00:31:14,579
were able to attend
however my dog me get excited every time

357
00:31:14,579 --> 00:31:18,299
the helicopters confirm I get my camera
and I ran outside and there yes yes yes

358
00:31:18,299 --> 00:31:21,539
yes
and became trained that every time they

359
00:31:21,539 --> 00:31:26,549
hear a helicopter they erupted in this
barking the dogs didn't bark that night

360
00:31:26,549 --> 00:31:31,079
we heard nothing that night but the next
morning tip said well did you hear the

361
00:31:31,079 --> 00:31:43,949
helicopter yeah I was waked up but it
sounds helicopter blades nazi inches of

362
00:31:43,950 --> 00:31:48,150
the blade the whirring of the blade
these that have set up on the side of

363
00:31:48,150 --> 00:31:52,140
the bed I thought I was one of those
roller copters that I slept there and

364
00:31:52,140 --> 00:31:56,850
watched and man and army fatigue came
down through the ceiling caring and

365
00:31:56,849 --> 00:32:02,429
young child he said I swear to God that
child was identical to who I was at that

366

00:32:02,430 --> 00:32:09,000
age and I said what happened he said the
other soldiers made one statement he

367
00:32:09,000 --> 00:32:14,819
said we are returning that which was
taken from me now I have to get into an

368
00:32:14,819 --> 00:32:19,980
entire different longer story to tell
you what was returned to him five days

369
00:32:19,980 --> 00:32:24,480
later back in Vienna which had actually
been taken from him to childhood but the

370
00:32:24,480 --> 00:32:29,610
fact of the matter is the sound of the
helicopter was heard only by tests it

371
00:32:29,609 --> 00:32:33,179
was followed by an event and clearly
there was not a soldier

372
00:32:33,180 --> 00:32:38,310
melting through the room into the room
carrying young kid it was a virtual

373
00:32:38,309 --> 00:32:43,700
reality event that was totally real -
tense deception

374
00:32:44,569 --> 00:32:49,769
before you jump to the conclusion that
it was a terrestrial helicopter remember

375
00:32:49,769 --> 00:32:54,599
it was only heard by the targeted person
in these cases and in other cases it was

376
00:32:54,599 --> 00:33:00,089
very very similar so the fact that the
sound is selected leads us with two

377
00:33:00,089 --> 00:33:05,789
possibilities either these sounds are

occurring internally and the targeted

378

00:33:05,789 --> 00:33:13,799

person yet perhaps generated some result
means are implanted by our whoever the

379

00:33:13,799 --> 00:33:17,009

entities are that are making this sound
can somehow the life getting

380

00:33:17,009 --> 00:33:22,500

non-targeted individuals from hearing
they startled not now either way you've

381

00:33:22,500 --> 00:33:26,039

got it man
sophisticated highly sophisticated

382

00:33:26,039 --> 00:33:31,720

technology at work here no matter whose
it is it is not what we know to be the

383

00:33:31,720 --> 00:33:39,819

standard helicopter activity for me the
reported and very often confirm details

384

00:33:39,819 --> 00:33:45,039

and these and other entrance instances
are strong enough evidence for me that I

385

00:33:45,039 --> 00:33:51,279

cannot accept any more even my own
consciously recall experiences at face

386

00:33:51,279 --> 00:33:59,889

value and I think if we build our theory
upon such information that really we're

387

00:33:59,890 --> 00:34:06,280

building upon sand that can shift at any
time for beneath it and we're building

388

00:34:06,279 --> 00:34:12,190

them on illusions the entities to create
for our their purpose whatever those

389
00:34:12,190 --> 00:34:18,909
purposes may be now I'm not here to tell
you that all remember or proceed alien

390
00:34:18,909 --> 00:34:23,019
encounters are illusionary or virtual
reality however because I know that it's

391
00:34:23,019 --> 00:34:27,280
not the case there is plenty of good
heart strong sternly confirmed evidence

392
00:34:27,280 --> 00:34:33,430
that actual physical abductions occur
and frequently the abduction phenomena

393
00:34:33,429 --> 00:34:37,539
though in my mind should art-lete the
definition of it should be expanded to

394
00:34:37,539 --> 00:34:44,889
include not only the physical
face-to-face encounters but it should

395
00:34:44,889 --> 00:34:50,679
also include virtual reality scenarios
and telepathic contact when these things

396
00:34:50,679 --> 00:34:57,909
are externally generated and targeted at
an individual and the constant factor by

397
00:34:57,909 --> 00:35:03,309
the way in all of these events whether
they be physical virtual reality nor

398
00:35:03,309 --> 00:35:09,969
telepathic is this the entities
routinely take control of the human in a

399
00:35:09,969 --> 00:35:15,759
number of ways they take control of the
person's perception they take control of

400
00:35:15,760 --> 00:35:21,850

the person's emotions that take control
of the person's actions and also the

401

00:35:21,849 --> 00:35:28,960
person subsequent NuvaRing no matter
what kind of contact as a rule and the

402

00:35:28,960 --> 00:35:35,150
rule but not always the human cannot
really cannot react independently and

403

00:35:35,150 --> 00:35:41,088
therefore cannot accurately assess the
situation for sensory input and cannot

404

00:35:41,088 --> 00:35:48,500
internally respond in a normal fashion
and he would do any other incident so

405

00:35:48,500 --> 00:35:52,280
we're left with another basic fact that
the abduction phenomenon is that the

406

00:35:52,280 --> 00:35:59,690
entities are in control and exert that
control alter our state of consciousness

407

00:35:59,690 --> 00:36:07,639
and the control can extend to the number
of different processes within the

408

00:36:07,639 --> 00:36:12,889
person's physiology and psychology and
that brings me to the second point I

409

00:36:12,889 --> 00:36:17,199
want to talk about which is one of the
physical procedures that are repeatedly

410

00:36:17,199 --> 00:36:24,259
reported in the abduction phenomenon I
need to say that the premise that that

411

00:36:24,260 --> 00:36:31,520
it is a basic fact in my mind in fact
not a theory that the entities have a

412
00:36:31,519 --> 00:36:37,309
very physically oriented agenda and
they're dealing with humans now it would

413
00:36:37,309 --> 00:36:41,240
be wonderful for me and I know it would
be wonderful for all of us if we could

414
00:36:41,239 --> 00:36:46,699
feel that the a man's interest in us was
intellectual or spiritual only but the

415
00:36:46,699 --> 00:36:51,169
nature of many of their pervasive
physical procedures the points clearly

416
00:36:51,170 --> 00:36:57,289
political goals and without getting into
a livening of the procedures that are

417
00:36:57,289 --> 00:37:01,278
reported routinely that seem to have
little or nothing to do with either a

418
00:37:01,278 --> 00:37:07,010
spiritual agenda or a cross breeding
program I want to touch upon two of

419
00:37:07,010 --> 00:37:10,640
these because their implications to me
are much more important than you the

420
00:37:10,639 --> 00:37:15,650
other procedures involved in this
phenomena and the first of those is

421
00:37:15,650 --> 00:37:23,858
cloning is there anyone here who had
heard of reports about cloned human body

422
00:37:23,858 --> 00:37:29,119
anybody at all great okay so this is not
just the first time you've heard this

423

00:37:29,119 --> 00:37:34,880
material and I was fortunate in that
last month to share some times when the

424
00:37:34,880 --> 00:37:39,349
hell I do to our conference where she
speaks every year in my frequently speak

425
00:37:39,349 --> 00:37:44,028
and she has confirmed from her own work
similar materials what I'm going to

426
00:37:44,028 --> 00:37:47,380
share with you today some of you
probably to have where you don't know me

427
00:37:47,380 --> 00:37:52,890
in and I get back got at least a little
bit of authority in my corner on this

428
00:37:52,889 --> 00:37:59,199
again to to talk about my introduction
to the cloning side of this this

429
00:37:59,199 --> 00:38:05,019
material emerges from the work I did
with Ted right the first time and since

430
00:38:05,019 --> 00:38:08,889
then is that there have been plenty of
other cases where I have been able to

431
00:38:08,889 --> 00:38:14,549
corroborate similar reports in fact in
taken two of the women of the eighth

432
00:38:14,550 --> 00:38:18,580
destroying her in taken have been Sean
copies of their bodies we will talk

433
00:38:18,579 --> 00:38:26,799
about that in just intense case we learn
what he perceived as a learning

434
00:38:26,800 --> 00:38:31,630
experience from an abduction he had when

he was 8 years old when the Alabama farm

435

00:38:31,630 --> 00:38:36,849

now I've been able in my research with him to interview many many family

436

00:38:36,849 --> 00:38:42,400

members who were there at the time that Ted was abducted it is a fact that he

437

00:38:42,400 --> 00:38:47,050

was missing for two hours it is the fact that all the adults combed the area for

438

00:38:47,050 --> 00:38:50,740

that two hours searching for eight-year-old Ted and did not find it

439

00:38:50,739 --> 00:38:55,629

is the fact that when he was returned to the farm the adult members witness

440

00:38:55,630 --> 00:38:59,829

multicolored lines on an unidentified craft in the clouds over the house

441

00:38:59,829 --> 00:39:04,329

these things are confirmed and I'll tell you a couple of other things that are

442

00:39:04,329 --> 00:39:11,920

confirmed in just a moment what he remembered in this experience was being

443

00:39:11,920 --> 00:39:18,400

taken on board the craft being given another liquid to drink not like the one

444

00:39:18,400 --> 00:39:22,599

he had two years later his grandmother a greenish lips but he said that was sort

445

00:39:22,599 --> 00:39:26,469

of iridescent and when he swallowed it in fact the only reason he drank it was

446
00:39:26,469 --> 00:39:31,239
because the female energy thick that he
could not go home until he did this he

447
00:39:31,239 --> 00:39:36,429
wanted to go home very badly so he drank
this liquid and immediately felt as if

448
00:39:36,429 --> 00:39:41,769
his body has become on fire he
regurgitated this material and got very

449
00:39:41,769 --> 00:39:47,858
very sick he was placed on a table and
without going into all the detail that I

450
00:39:47,858 --> 00:39:55,139
do in his book essentially he was killed
and at that point he felt that his

451
00:39:55,139 --> 00:39:59,230
intellectual person if you will
separated

452
00:39:59,230 --> 00:40:04,599
from physical bodies and stood back
watching that his body was drained of

453
00:40:04,599 --> 00:40:10,858
blood and then removed from the room
while he was watching this 10 had no

454
00:40:10,858 --> 00:40:17,469
personal identity he did not know who he
was he did not know where he was and he

455
00:40:17,469 --> 00:40:20,980
did not know what was going on he was
simply observing what was happening

456
00:40:20,980 --> 00:40:25,539
before he was killed
they had however put a headphone cock

457
00:40:25,539 --> 00:40:29,529

device on his head and he heard a very irritating noise he didn't know what

458

00:40:29,530 --> 00:40:34,380
that was about because the headphone often that he was killed at the

459

00:40:34,380 --> 00:40:39,579
intellectual himself as he called it watch this process after they wheeled

460

00:40:39,579 --> 00:40:46,210
the dead body out shortly thereafter they rolled in an inert identical copy

461

00:40:46,210 --> 00:40:51,970
of the body now I didn't leave one thing out that's very important when they

462

00:40:51,969 --> 00:40:56,919
killed him and he's watching what happened he said he saw what he thought

463

00:40:56,920 --> 00:41:03,550
was his spirit or soul began to rise up the chest area of the dead body rising

464

00:41:03,550 --> 00:41:09,490
up but it didn't escape from his body it stayed connected to that greenish liquid

465

00:41:09,489 --> 00:41:16,000
that he had vomited and was still on his chin it stayed tethered to this one of

466

00:41:16,000 --> 00:41:20,019
the entities brought a small black box over to his body

467

00:41:20,019 --> 00:41:26,829
and sucked that spirit into the box set it on a counter and waited while they

468

00:41:26,829 --> 00:41:32,559
brought the new body a probe of some sort were attached to his feet and

469

00:41:32,559 --> 00:41:39,670

shoulders and head of a new body and it somehow the body was animated and the

470

00:41:39,670 --> 00:41:44,800

spirit our energy within that box was transferred into the body the headphone

471

00:41:44,800 --> 00:41:48,340

were placed back on the new body and at that point

472

00:41:48,340 --> 00:41:55,150

Ted was back in his body and knew who he was and where she was this is Ted's

473

00:41:55,150 --> 00:42:01,079

report this is not the only report

474

00:42:01,280 --> 00:42:06,630

in fact another abductee who's working with a different research

475

00:42:06,630 --> 00:42:12,210

are all together has had a conscious memory of an identical situation and has

476

00:42:12,210 --> 00:42:17,039

drawn and facilities in which these events took place and they match down to

477

00:42:17,039 --> 00:42:24,179

the smallest detail with the description of the area that tenant given and this

478

00:42:24,179 --> 00:42:28,500

is one of the things that were to have was able to also share and confirm with

479

00:42:28,500 --> 00:42:34,559

me that in both of these situations both of these reports the growth medium for

480

00:42:34,559 --> 00:42:42,630

the flesh that was used to make the new
body involve youth of cattle theft blood

481

00:42:42,630 --> 00:42:51,780
and other materials food cow now I said
that two of the women had taken had also

482

00:42:51,780 --> 00:42:56,640
been shown copies of their clone body
there are eight women and the first case

483

00:42:56,639 --> 00:43:00,359
reported is a woman named Pat who I'm
going to also talk about the moment

484

00:43:00,360 --> 00:43:06,030
after the break when we talk about the
military aspects many many things have

485

00:43:06,030 --> 00:43:10,019
happened in past life and in her
infection experiences the aliens have

486

00:43:10,019 --> 00:43:16,590
always used a very spiritual atmosphere
overlay our illusion if you will in fact

487

00:43:16,590 --> 00:43:20,280
when her all family was abducted with
Pat was twelve years old and the

488

00:43:20,280 --> 00:43:24,120
grandmother in the house was being very
frightened at beginning different for

489

00:43:24,119 --> 00:43:27,539
Jesus to help write this little braid
came to the root of all and sudden I

490

00:43:27,539 --> 00:43:31,050
mean when I came through the ceiling a
Jesus pops out and says Victor with me

491

00:43:31,050 --> 00:43:37,230
they're working for maintenance okay
although Jesus at that describe him was

492
00:43:37,230 --> 00:43:43,409
beautiful with blue eyes and blonde hair
and I said had you injured by who layman

493
00:43:43,409 --> 00:43:48,509
that I don't think the chances are very
big that Jesus there's blue eyes long

494
00:43:48,510 --> 00:43:54,630
here and with a smile I mean beautiful
smashing single this someone and that

495
00:43:54,630 --> 00:44:00,660
turns up time around again when Jesus is
involved in the alien scenario blue-eyed

496
00:44:00,659 --> 00:44:04,639
blonde-haired Nordic Jesus

497
00:44:07,400 --> 00:44:14,250
she was abducted and she ran to
differences part of the facility were

498
00:44:14,250 --> 00:44:18,568
the same for these two events and the
first one there was a small desk light

499
00:44:18,568 --> 00:44:24,838
device that had an attached stool and on
the top of the desk were home several

500
00:44:24,838 --> 00:44:28,558
holes cut into it and out of each one a
different color light was shining and

501
00:44:28,559 --> 00:44:33,420
that was 12 take receipt effective on
the stool attach this desk and the alien

502
00:44:33,420 --> 00:44:37,470
ended he told her to flex her hand over
each of these openings and as she did so

503
00:44:37,469 --> 00:44:41,669

she would hear a different sound she
said it wasn't quite music it wasn't

504
00:44:41,670 --> 00:44:45,599
quite noise with sounds and what she
never heard and each line gave a

505
00:44:45,599 --> 00:44:51,028
different sound and the alien told her
that it's the sound of yourself then she

506
00:44:51,028 --> 00:44:55,710
was taken into an adjoining room where
there were open containers she said like

507
00:44:55,710 --> 00:45:00,900
a sarcophagus with the lid off a number
of these and in each one was an inner

508
00:45:00,900 --> 00:45:06,838
human height and the alien said would
you like to see earth that's it yes and

509
00:45:06,838 --> 00:45:12,358
they showed her a carbon copy of her
body and she asked what this was far and

510
00:45:12,358 --> 00:45:19,048
remember her she does not like it all
and she tried very very hard to resist

511
00:45:19,048 --> 00:45:24,838
and to argue with them and to advocate
from the procedures so Pat Lisa is not a

512
00:45:24,838 --> 00:45:29,909
cooperative of dusty were taken aboard a
craft and shown on a monitor of

513
00:45:29,909 --> 00:45:34,230
television like monitor hello I'm going
to work in her place

514
00:45:34,230 --> 00:45:38,670
and the point they made in her legend
you can be replay and look even your

515
00:45:38,670 --> 00:45:44,789
co-workers can't tell the difference so
we have some contradictory stories when

516
00:45:44,789 --> 00:45:49,500
it comes to the quota procedure if it's
in their body for the resurrection or

517
00:45:49,500 --> 00:45:57,809
even a potential replacement will be in
use with tip opening the second physical

518
00:45:57,809 --> 00:46:01,798
procedure that I wanted to touch on
before we take our break is that of the

519
00:46:01,798 --> 00:46:06,989
implant and I'm sure all of you here are
familiar with reports from a set-piece

520
00:46:06,989 --> 00:46:11,939
to remember our claim to have had
certain small devices inserted into

521
00:46:11,940 --> 00:46:16,108
their body and various places right but
I Hopkins it makes I think brought this

522
00:46:16,108 --> 00:46:20,058
to light a number of years ago and since
then the reports are

523
00:46:20,059 --> 00:46:26,689
numerous typically all along the reports
have been be that an object is either

524
00:46:26,688 --> 00:46:31,429
inserted through the nasal passage into
the front part of the brain are through

525
00:46:31,429 --> 00:46:35,899
the ear canal are very frequently
although not it offers one it very

526

00:46:35,900 --> 00:46:39,650
frequently the abness reports the
eyeball is are loosing the socket and

527
00:46:39,650 --> 00:46:44,660
the implant is placed behind the eye and
in the eyes replaced so these are the

528
00:46:44,659 --> 00:46:50,659
reports that we knew of as typically
implant reports although occasionally in

529
00:46:50,659 --> 00:46:54,938
two different parts the body we've had
also report seeing other appendages and

530
00:46:54,938 --> 00:47:02,949
frequently and inspired as well now
although there are many different

531
00:47:02,949 --> 00:47:09,229
effects and physical after-effects from
the procedures various procedures

532
00:47:09,228 --> 00:47:15,858
performed on abductees the common ones
are not are almost irrelevant when it

533
00:47:15,858 --> 00:47:20,949
comes to the implant and what are the
most common physical effects reported

534
00:47:20,949 --> 00:47:30,679
punctures bruises burn cut scratches
rashes hair loss I problems back

535
00:47:30,679 --> 00:47:36,429
problems nausea headache and for women
and specially gynecological

536
00:47:36,429 --> 00:47:42,679
irregularities but of all of these
implants of the one that should probably

537
00:47:42,679 --> 00:47:52,130
be started the most in taken one of the

women is a named Amy who lived in Texas

538

00:47:52,130 --> 00:47:59,150

and I learned from her experiences and
very surprising material now yet nothing

539

00:47:59,150 --> 00:48:03,410

at face value
but what we learned is the blockages and

540

00:48:03,409 --> 00:48:09,048

it has been throw folks and normal
methods and also with regressive

541

00:48:09,048 --> 00:48:18,108

hypnosis in 1992 in November Amy
consciously remembered this being taken

542

00:48:18,108 --> 00:48:21,528

from her home and by the way she lived
in an apartment with her two young

543

00:48:21,528 --> 00:48:26,539

children across the street from the FEMA
facility in Denton Texas which is one of

544

00:48:26,539 --> 00:48:29,929

the six
center of center of government FEMA

545

00:48:29,929 --> 00:48:35,720

facility a very large underground
area which in fact when that two-year

546

00:48:35,719 --> 00:48:41,480

period seems to have almost doubled its
capacity a mountain a literal mountain

547

00:48:41,480 --> 00:48:45,440

of dirt suddenly appear at a mile down
the road with no explanation for where

548

00:48:45,440 --> 00:48:52,940

it came from the array of antenna on the
surface tripled and so did the

549
00:48:52,940 --> 00:48:56,659
above-ground buildings but not a word
was ever said in the area that what was

550
00:48:56,659 --> 00:49:01,250
going on facility anyway perhaps its
point and perhaps it isn't that and you

551
00:49:01,250 --> 00:49:07,369
look across the street in this facility
when she remembered aliens and human men

552
00:49:07,369 --> 00:49:12,470
in her apartment
taking her from there through a rock-cut

553
00:49:12,469 --> 00:49:18,349
package into what she felt was an
underground room and in this room it

554
00:49:18,349 --> 00:49:23,118
looked like what I've seen at NASA
Mission Control in Houston sort of there

555
00:49:23,119 --> 00:49:27,110
was a large screen display at the far
end of the room there were several roads

556
00:49:27,110 --> 00:49:33,170
of death tight areas with electronics or
our computer like equipment along these

557
00:49:33,170 --> 00:49:37,190
and a number of google grey aliens
working at him as well as a number of

558
00:49:37,190 --> 00:49:42,440
but a series frequent human men in the
room and here's what the alien who

559
00:49:42,440 --> 00:49:47,358
talked with Amy told her and I think
this is a unique report I'd love to hear

560
00:49:47,358 --> 00:49:51,710

if there's any other Sounders so please
let me know if you have the alien said

561
00:49:51,710 --> 00:49:57,789
to Amy I want to apologize to you for
what my people are doing to your people

562
00:49:57,789 --> 00:50:02,750
we there are some of us who do not like
the abuse that your rights are people

563
00:50:02,750 --> 00:50:06,829
and we're trying to counter it we trying
to change it and we are working in

564
00:50:06,829 --> 00:50:10,880
conjunction with a number of Earth's
representatives to try to fix this

565
00:50:10,880 --> 00:50:15,079
situation many of the people who work
with us she said a professional

566
00:50:15,079 --> 00:50:21,170
ex-military scientist is so on and we're
trying to undo the damage that our rate

567
00:50:21,170 --> 00:50:27,470
is doing to your lives and she's flying
the alien got any dealt with the female

568
00:50:27,469 --> 00:50:31,909
the female alien explained to her that
one of the things that she and the

569
00:50:31,909 --> 00:50:36,319
Earth's representatives were doing was
to take some Dusty's who had been

570
00:50:36,320 --> 00:50:41,420
implanted by her own people and removed
the implants from them because the

571
00:50:41,420 --> 00:50:46,400
implants were not a good thing and she
did receive as a

572

00:50:46,400 --> 00:50:52,940

half of the council's look to remove an
implant from Amy's ear and when I show

573

00:50:52,940 --> 00:50:56,090

at the end of everything I'm going to
show a little video that has some of the

574

00:50:56,090 --> 00:50:59,480

drawings and the photos and so on and he
will see me

575

00:50:59,480 --> 00:51:04,639

amy's drawings the question recall and
you were also I will be telling you that

576

00:51:04,639 --> 00:51:09,500

an identical air implant was removed
with both your girl by her parents in

577

00:51:09,500 --> 00:51:12,380

Europe
not too long after we had record that

578

00:51:12,380 --> 00:51:16,610

Amy no at before we had to record that
Amy and the same thing happened with

579

00:51:16,610 --> 00:51:21,170

that year implanting the European case
that happened in a nice case when the

580

00:51:21,170 --> 00:51:26,570

alien can get over here and showed it to
her was about this sign it was flesh

581

00:51:26,570 --> 00:51:32,120

colored it was thin and flexible and it
had tiny filaments of some sort coming

582

00:51:32,119 --> 00:51:36,679

around the edges the alien showed it to
her and have Amy watched the implant

583

00:51:36,679 --> 00:51:42,169
disintegrate the same thing happened in
the case in Europe parents removed this

584
00:51:42,170 --> 00:51:46,550
from their child here it disintegrated
say looks just like this before it

585
00:51:46,550 --> 00:51:52,010
disintegrates Damian then next removed
and implants into Pennsylvania's neck

586
00:51:52,010 --> 00:51:57,680
and shoulder this one and it was less
than an inch long very thin and metallic

587
00:51:57,679 --> 00:52:03,109
and has one is worse than filaments of
some sort tiny one but any was told

588
00:52:03,110 --> 00:52:07,099
about these implants and she was also by
the way told that these were the older

589
00:52:07,099 --> 00:52:12,319
models that there were newer model
implants now being used on necessities

590
00:52:12,320 --> 00:52:16,340
and they were being put in not through
the nose not through the eye not through

591
00:52:16,340 --> 00:52:23,030
the ear but through the area slightly
below it behind the ear lobe and that

592
00:52:23,030 --> 00:52:29,980
they were going into an area that we
know as the reticular activating system

593
00:52:29,980 --> 00:52:38,000
our reticular formation our brain and
anyone told that these implants were not

594
00:52:38,000 --> 00:52:43,250
what we have assumed that they were all

along are not looking for told us they

595

00:52:43,250 --> 00:52:47,300

were all alone most of the people who
have these implanted meet have been tall

596

00:52:47,300 --> 00:52:52,310

or have assumed that they are monitoring
and communication devices right

597

00:52:52,309 --> 00:52:59,529

what tagged animals according to this
alien that's not what they are

598

00:52:59,530 --> 00:53:06,460

there are control buttons and they can
control everything depending upon how

599

00:53:06,460 --> 00:53:13,659

they are used and I wanted to read to
you in lay terms because certainly I'm

600

00:53:13,659 --> 00:53:19,179

not a scientist and I had to get a very
simple definition and explanation so I

601

00:53:19,179 --> 00:53:22,859

could understand it so I figured this
this is worth sharing with you about

602

00:53:22,860 --> 00:53:27,309

what goes on with the brain stem or the
reticular formation

603

00:53:27,309 --> 00:53:31,860

are there any indeed here so they could
probably give you a lot more and

604

00:53:31,860 --> 00:53:36,820

specific information about the Gran
Canaria so here's a quote from Nigel

605

00:53:36,820 --> 00:53:40,870

collars explanation about what goes on
with the reticular formation of the

606
00:53:40,869 --> 00:53:47,139
brain stem quote if the primary job of
the brain is to enable its owner to

607
00:53:47,139 --> 00:53:52,809
respond effectively to an event the
strongest limit for mastery of this is

608
00:53:52,809 --> 00:53:59,559
not the room for the cerebral cortex at
all but the brainstem the brainstem net

609
00:53:59,559 --> 00:54:06,070
is well placed to monitor all of the
nerves connecting brain and body it

610
00:54:06,070 --> 00:54:11,019
knows what is going on better than any
other single part of the brain the brain

611
00:54:11,019 --> 00:54:16,780
stem net exerts its authority by sending
out impulses which can either stimulate

612
00:54:16,780 --> 00:54:22,890
or inhibit nerve action throughout the
body and the brain it can override

613
00:54:22,889 --> 00:54:28,359
activity in the spinal cord it read now
listen this is important it regulates

614
00:54:28,360 --> 00:54:34,329
the signals from the eyes ears and other
sense organs it regulates sex and

615
00:54:34,329 --> 00:54:39,730
thereby provides an agency for
collecting what is to be attended to

616
00:54:39,730 --> 00:54:48,550
from moment on okay in fact the
brainstem control the level of your

617
00:54:48,550 --> 00:54:52,960

wakefulness it's responsible for you
waking up it's responsible for you

618
00:54:52,960 --> 00:54:58,289
getting sleepy is responsible credit
comatose age when persons in a coma is

619
00:54:58,289 --> 00:55:03,969
responsible for every level of the state
of conscious perceptions that we have it

620
00:55:03,969 --> 00:55:10,629
monitors and assesses all of our sensory
input it decides what we are going to

621
00:55:10,630 --> 00:55:15,030
pay mental attention to
at any given moment and it controls what

622
00:55:15,030 --> 00:55:22,080
we remember now you may have a better
understanding of the many many things

623
00:55:22,079 --> 00:55:28,348
that that these report having happened
to them in encounter suddenly passing

624
00:55:28,349 --> 00:55:34,530
out certainly is being paralyzed but and
what they sent what they receive what

625
00:55:34,530 --> 00:55:40,220
they don't receive once and things that
should be scruiciating lee painful or not

626
00:55:40,219 --> 00:55:50,699
etc etc etc I think the implications of
implant control taking over the

627
00:55:50,699 --> 00:55:57,269
processes of the brain stem are
completely staggering and I think it

628
00:55:57,269 --> 00:56:02,969
brings back down to a very physical
technological level meaning of the event

629

00:56:02,969 --> 00:56:09,959

and the implications and conclusions
objectives draw about what they see and

630

00:56:09,960 --> 00:56:17,960

what they perceive now I've had
abductees tell me of situations in which

631

00:56:17,960 --> 00:56:23,220

control of their body is actually taken
over if there's if as my son said when

632

00:56:23,219 --> 00:56:27,989

it happened to him he was switched off
and something else control society and

633

00:56:27,989 --> 00:56:33,529

maybe and move and do and say things
that he would not move and do and say

634

00:56:33,530 --> 00:56:39,960

I've had another of deputies tell me yes
it happened is that it's bad enough when

635

00:56:39,960 --> 00:56:44,190

they switch me off and use my body to do
things that would do exhibits a real

636

00:56:44,190 --> 00:56:48,389

punishment it's when they leave me
mentally aware of what I'm doing you

637

00:56:48,389 --> 00:56:54,629

can't stop it it's bad it's punishment
all right well I think we probably need

638

00:56:54,630 --> 00:56:59,160

a break about now when we come back from
a short break what Shawn 15 minutes or

639

00:56:59,159 --> 00:57:03,269

20 minutes something like that we will
talk about the final point the human

640

00:57:03,269 --> 00:57:08,250
activity of human involvement this
particular segment then we're going to

641
00:57:08,250 --> 00:57:13,739
show you a video that has a lot of the
illustrations drawings and photos of

642
00:57:13,739 --> 00:57:18,719
some of the things I'm talking about
today as well as another material and at

643
00:57:18,719 --> 00:57:24,329
the end of the slides of the photos of
drawing during the small except of a

644
00:57:24,329 --> 00:57:26,969
video from the case
the banjee one of the women had taken

645
00:57:26,969 --> 00:57:34,169
and this is just a brief sample of some
of the numerous slight military craft

646
00:57:34,170 --> 00:57:39,599
over her remote the cattle ranch where
by the way she and her husband have had

647
00:57:39,599 --> 00:57:43,380
a number of calculations resulting in
the loss of over eleven thousand dollars

648
00:57:43,380 --> 00:57:46,950
of cattle at the same time at the five
Alabama

649
00:57:46,949 --> 00:57:52,230
cattle mutilations that were occurring
all right finally I said I want to talk

650
00:57:52,230 --> 00:57:59,608
about the human agency involvement that
I mentioned at the beginning and there

651
00:57:59,608 --> 00:58:06,179
is quite a bit of evidence for the

involvement some of our own people with

652

00:58:06,179 --> 00:58:12,839

some sort of covert authorizations in
the seduction phenomenon the eminence

653

00:58:12,840 --> 00:58:18,390

fought hard and falls into two general
categories and the first category of

654

00:58:18,389 --> 00:58:24,779

evidence is what I call the externally
confirmable evidence and this includes

655

00:58:24,780 --> 00:58:32,640

such things as telephone interference
mail tampering human agents taking

656

00:58:32,639 --> 00:58:39,750

photographs of abducting and of their
homes following abductees and cars and

657

00:58:39,750 --> 00:58:48,139

in helicopters breaking into a Betsy's
home taking artifact and records

658

00:58:48,139 --> 00:58:53,819

including medical records from medical
facilities in some cases and direct

659

00:58:53,820 --> 00:58:58,740

confrontation between agents in this
group and abductees in fact kidnapping

660

00:58:58,739 --> 00:59:04,949

abductees for purposes of interrogation
and intimidation now such that such

661

00:59:04,949 --> 00:59:09,059

activities you know if you're familiar
with this field are commonly reported

662

00:59:09,059 --> 00:59:14,519

from many many abductees and of course
my family has had all of this as well in

663
00:59:14,519 --> 00:59:20,039
fact the first two times we ever met
with anyone in the UFO community to whom

664
00:59:20,039 --> 00:59:23,460
we were beginning to try to find a
little more knowledge we were followed

665
00:59:23,460 --> 00:59:30,389
we had driven 40 miles away three towns
away to Dallas the first time we met and

666
00:59:30,389 --> 00:59:36,838
a nice neighborhood in Plano with a
group of MUFON members and we left at

667
00:59:36,838 --> 00:59:41,420
12:30 at night
14-ounce calm as we pulled out of the

668
00:59:41,420 --> 00:59:46,650
neighborhood we were followed by a
single person in a quiet and mark car we

669
00:59:46,650 --> 00:59:50,730
were followed over two-thirds the way
back to our house my husband did not

670
00:59:50,730 --> 00:59:55,199
tell me how he was driving and I was
sleeping and he did not tell me that he

671
00:59:55,199 --> 00:59:59,879
had said he were being followed before
my husband and I were married he was in

672
00:59:59,880 --> 01:00:03,690
the service
he was an Army security were and it was

673
01:00:03,690 --> 01:00:08,400
routine for our army security agents to
be sidewalks by their own people that

674
01:00:08,400 --> 01:00:12,900

part disrupted I mean what he knew what
it was like he was well aware of being

675

01:00:12,900 --> 01:00:17,490
followed and monitored he was very aware
of this car following us he tried to

676

01:00:17,489 --> 01:00:21,479
lose it he did very the new version it
safe with it he didn't tell me about

677

01:00:21,480 --> 01:00:26,460
this he kept thinking maybe it was just
haunted him two months later he met for

678

01:00:26,460 --> 01:00:33,929
the second time with a group of UFO
researchers we met in Dallas at a large

679

01:00:33,929 --> 01:00:37,799
hotel and we stayed talking with the
researcher until after 2:00 in the

680

01:00:37,800 --> 01:00:42,269
morning we pulled out of the parking lot
to drive home and the same car followed

681

01:00:42,269 --> 01:00:46,349
us the same path and this time my
husband told me what was going on

682

01:00:46,349 --> 01:00:51,059
because now even it was not coincident
so we have had everyone at these events

683

01:00:51,059 --> 01:00:59,159
in our own experiences in the cases of
the eight women in taken for instance

684

01:00:59,159 --> 01:01:05,219
seven of the eight women have reported
the presence of other humans in their

685

01:01:05,219 --> 01:01:11,730
abduction experiences along with aliens
in six of these cases the humans were in

686
01:01:11,730 --> 01:01:18,389
military uniforms and five of the eight
women have witnessed repeated helicopter

687
01:01:18,389 --> 01:01:23,179
and other military aircraft
buzzing and harassing their homes as

688
01:01:23,179 --> 01:01:28,559
well as the phones and mail and sent us
different photographing and so on in

689
01:01:28,559 --> 01:01:32,369
fact I think it's interesting that one
of the women who was having the house

690
01:01:32,369 --> 01:01:37,349
photograph happened at one point and it
happened more than once the shared

691
01:01:37,349 --> 01:01:41,429
husband were pulling out of the driveway
out of their garage at one time when

692
01:01:41,429 --> 01:01:45,629
this person was photographing their
house and they change the man it was a

693
01:01:45,630 --> 01:01:51,269
white man they changed it man and trying
to catch it but it did over 90 miles

694
01:01:51,268 --> 01:01:56,788
eventually pollutant but they did get
the life of Clinton and it was the case

695
01:01:56,789 --> 01:02:01,229
with Lisa Lisa gave needs a
license-plate number because she said

696
01:02:01,228 --> 01:02:05,098
that they had gotten friends in law
enforcement and Alabama to try to run a

697

01:02:05,099 --> 01:02:09,719
check on the license plate numbers now I
have friends in law enforcement in other

698
01:02:09,719 --> 01:02:15,418
cases where there's been license plates
involvement I have listened on the phone

699
01:02:15,418 --> 01:02:20,248
as the license plate number was checked
and as a matter of moments just very few

700
01:02:20,248 --> 01:02:25,918
minutes to do this process Lisa's
friends in law enforcement in Alabama

701
01:02:25,918 --> 01:02:30,028
had tried to run a check on this license
plate and it took three days to get an

702
01:02:30,028 --> 01:02:35,068
answer back and when the answer came
back it was this tell her to leave it

703
01:02:35,068 --> 01:02:41,159
alone and not to pursue it these are the
good guys but don't pursue it I had it

704
01:02:41,159 --> 01:02:47,869
run through in the state of Arkansas
Police Department paramour I live and

705
01:02:47,869 --> 01:02:53,999
the answer came back we don't have a
record of so I had a third law

706
01:02:53,998 --> 01:02:58,588
enforcement friend and yet another state
who were run on this and got an answer

707
01:02:58,588 --> 01:03:03,869
back that identified the tag is
belonging to a van that was the property

708
01:03:03,869 --> 01:03:10,199
of an import warehouse company we have

photographs of the fan and of the

709

01:03:10,199 --> 01:03:15,059

company but we cannot find any
information verifying what it is they

710

01:03:15,059 --> 01:03:21,839

import and we're now so three different
accounts from three different checks on

711

01:03:21,838 --> 01:03:27,958

the same license plate numbers now
that's in the externally confirmable

712

01:03:27,958 --> 01:03:35,818

body of evidence there is a second body
and reported data involving human agents

713

01:03:35,818 --> 01:03:42,478

and agencies and in the second category
we have basically reports of human

714

01:03:42,478 --> 01:03:49,498

personnel working with alien energy
often in underground facility typically

715

01:03:49,498 --> 01:03:54,148

in a military or a scientific type
environment and I'll come back to a

716

01:03:54,148 --> 01:03:59,429

visit a few moments but the third type
of underground facility reports that we

717

01:03:59,429 --> 01:04:06,300

get and we get these in some numbers
involved what I refer to as the horror

718

01:04:06,300 --> 01:04:12,440

chamber of affection Data Report this
underground facility reports

719

01:04:12,440 --> 01:04:21,090

it's where abductees report seeing human
body dead human body being processed to

720
01:04:21,090 --> 01:04:25,980
mention chicken or beef is processed to
the facilities the purposes that we

721
01:04:25,980 --> 01:04:33,800
don't know and the descriptions are all
very similar and frankly very grisly

722
01:04:33,889 --> 01:04:39,569
some of the abductees report seeing dead
men a human body literally hanging on

723
01:04:39,570 --> 01:04:46,590
what they called Misa are stored in an
infection in these rooms some describe

724
01:04:46,590 --> 01:04:53,880
seeing dead bodies stacked as one person
says like cordwood in the room many of

725
01:04:53,880 --> 01:04:59,849
these accounts also referred to a
conveyor belt type area where human

726
01:04:59,849 --> 01:05:04,860
bodies and body parts are carrying along
a conveyor belt while human workers

727
01:05:04,860 --> 01:05:12,360
standing beside the conveyor belt
dismembered parts one example that I can

728
01:05:12,360 --> 01:05:17,849
share with you in some detail is from an
experience that kid rides had when he

729
01:05:17,849 --> 01:05:23,900
was living in Albuquerque New Mexico in
the mid-1980s he consciously recalls

730
01:05:23,900 --> 01:05:29,039
being overseas when he came to
consciousness he was already in a craft

731
01:05:29,039 --> 01:05:34,800

flying over a desert area he has no idea
I was taken to his home he recalled

732

01:05:34,800 --> 01:05:39,870

seeing the desert area recalled flying
in to an aboveground compound where

733

01:05:39,869 --> 01:05:44,699

there were adobe type buildings off
buildings and then going into one of the

734

01:05:44,699 --> 01:05:48,769

buildings and down a tunnel or
underground path leads into a very large

735

01:05:48,769 --> 01:05:54,230

underground facilities where they
revoked in military uniform and aliens

736

01:05:54,230 --> 01:06:03,539

had reported seeing living human being
taken through a machine or a device that

737

01:06:03,539 --> 01:06:09,659

he received as in effect stripping their
energy from them and he said it was much

738

01:06:09,659 --> 01:06:14,579

like the effect of testing a light beam
through a prism break it down into

739

01:06:14,579 --> 01:06:18,289

experience
then apparently what he saw was

740

01:06:18,289 --> 01:06:22,608

justified
stripping are absorbing the energy from

741

01:06:22,608 --> 01:06:26,960

the human was still alive and breaking
it down into various components that

742

01:06:26,960 --> 01:06:34,630

were somehow stored and then the body
were talking to this room air builders

743

01:06:35,019 --> 01:06:39,739

now this is a very gruesome and very grisly report and of course but I have

744

01:06:39,739 --> 01:06:43,578

to hold on to when I get these parents and reports is the fact that there is

745

01:06:43,579 --> 01:06:49,130

virtual reality technology so whether or not these facilities and real places are

746

01:06:49,130 --> 01:06:53,510

at they're part of some virtual reality movie that is being shown repeatedly to

747

01:06:53,510 --> 01:06:58,010

entities that do not know I prayed for the latter to be decay and until we have

748

01:06:58,010 --> 01:07:02,570

broken into one of these facilities and examined it and film for ourself of

749

01:07:02,570 --> 01:07:06,500

going on I do not assume that they are real but I do not know this out a

750

01:07:06,500 --> 01:07:12,769

computer after 10 had described when he had conscious and remembered about the

751

01:07:12,769 --> 01:07:19,338

facility it was a few weeks later when I heard from the researcher with whom I

752

01:07:19,338 --> 01:07:25,940

work most closely Barbara Bartlett about a report from one of her cases that she

753

01:07:25,940 --> 01:07:31,030

had worked with a number of years as a woman in the fifties the grandmother who

754

01:07:31,030 --> 01:07:36,980
initial exposure to this happened at the
age of 17 when a UFO landed on her

755
01:07:36,980 --> 01:07:42,108
family's property and left the typical
scorched area of ground with about a

756
01:07:42,108 --> 01:07:47,088
hundred foot diameter circle of ground
and she says shortly thereafter military

757
01:07:47,088 --> 01:07:51,679
personnel arrived at your farm cordoned
off the area and removed the soil from

758
01:07:51,679 --> 01:07:57,618
this circle but this was just one of the
Mormons experiences Barbara was calling

759
01:07:57,619 --> 01:08:01,910
to tell me that the same woman had
phoned her earlier that day very

760
01:08:01,909 --> 01:08:06,949
animated was very upset that Barbara had
something happen last night I hope it

761
01:08:06,949 --> 01:08:11,389
was just a dream that I don't feel like
it was now remember if you're always in

762
01:08:11,389 --> 01:08:15,828
an altered state when you have an
encounter and the only thing we normally

763
01:08:15,829 --> 01:08:20,989
think of our conscious awake like we are
now are in the dream state so very often

764
01:08:20,988 --> 01:08:25,159
abductees will say it felt like a dream
role as an entry mind state because they

765
01:08:25,159 --> 01:08:28,369
don't have other terms for these altered

and awarenesses that we

766

01:08:28,369 --> 01:08:33,890

yeah anyway the woman said that she had recalled the night before being taken to

767

01:08:33,890 --> 01:08:39,980

an underground facility and being forced to stand alongside some conveyor belt

768

01:08:39,979 --> 01:08:46,369

type area where dead bodies were passed along and she had to dismember now ten

769

01:08:46,369 --> 01:08:51,380

had already told me about seeing humans working doing this very thing and he had

770

01:08:51,380 --> 01:08:55,310

described the kind of garments that they had on and some other details in the

771

01:08:55,310 --> 01:08:59,300

room and I asked barber the car was woman back and asked her about some of

772

01:08:59,300 --> 01:09:04,520

these details without telling her answer about this and barber phone me back and

773

01:09:04,520 --> 01:09:10,840

tell me the woman had described exactly the same clothing and the same detail

774

01:09:10,840 --> 01:09:17,029

saying movies they were both Sherman's maybe or maybe it was not we just don't

775

01:09:17,029 --> 01:09:25,039

know until we find the facility if there is disability Barbara has also very

776

01:09:25,039 --> 01:09:29,479

recently in the past you've not interviewed a six-year-old girl her

777

01:09:29,479 --> 01:09:34,659

family is very prominent it's out there
in the media business down and large

778

01:09:34,659 --> 01:09:39,939

what happened no I'm not allowed to give
too many details because they get home

779

01:09:39,939 --> 01:09:45,289

realize by now some of these things are
so disturbing to the families that the

780

01:09:45,289 --> 01:09:50,239

last and they want any identification
but this six-year-old had told her

781

01:09:50,239 --> 01:09:56,359

parents about having been taken by
beings that were not people and whose

782

01:09:56,359 --> 01:10:01,489

six-year-old remembers is not exposed
with any of the material that we are she

783

01:10:01,489 --> 01:10:08,079

said she had been flown to South America
now we don't know if it was literally

784

01:10:08,079 --> 01:10:14,059

South America that she was told she was
taken to our if and child thinking as we

785

01:10:14,060 --> 01:10:19,820

often do it was the southern part of
America but that was what she said that

786

01:10:19,819 --> 01:10:24,889

she had been wronged by these beings
that were not human to South America and

787

01:10:24,890 --> 01:10:31,520

taken into a building under the ground
where she described seeing many dead

788

01:10:31,520 --> 01:10:36,560

bodies and she described the conveyor belt and she said that in fact she was a

789

01:10:36,560 --> 01:10:41,650

place of it's a layer belt and then a man came and jerked her off the conveyor

790

01:10:41,649 --> 01:10:46,539

not very angry at the person who put her on there and told him she was not

791

01:10:46,539 --> 01:10:53,319

supposed to be harmed this is about any hypnosis without any exposure to these

792

01:10:53,319 --> 01:10:58,539

kinds of account or any other material about UFOs the family has nothing to do

793

01:10:58,539 --> 01:11:05,289

with you above community they knew about robber because I had been down to do an

794

01:11:05,289 --> 01:11:13,449

interview the year before for their media another of Barbara's

795

01:11:13,449 --> 01:11:17,769

investigations with which I was involved in fact the initial contact was made

796

01:11:17,770 --> 01:11:21,940

through me and because of the location of this particular person and I put them

797

01:11:21,939 --> 01:11:26,199

in touch with Barbara and she continued the initial of the primary investigation

798

01:11:26,199 --> 01:11:33,579

I was distantly assisting her with it concerned two men who shared a house an

799

01:11:33,579 --> 01:11:37,899

older man who was 43 at the time was that very high looks like city officials

800

01:11:37,899 --> 01:11:45,099

so again I'm not going to a his very
strict request identify the area the

801

01:11:45,100 --> 01:11:50,650

other man who shared an ounce of
Hamill's in his early 30s and of course

802

01:11:50,649 --> 01:11:55,569

they had separate bedrooms and one
morning and this was that by the way

803

01:11:55,569 --> 01:11:59,649

people who had never had a UFO signing
our UFO encounter or anything like that

804

01:11:59,649 --> 01:12:03,039

and didn't really know much about any
and what we're dealing with here today

805

01:12:03,039 --> 01:12:07,329

we're morning at breakfast both men were
very excited and agitated as they meant

806

01:12:07,329 --> 01:12:11,439

to have breakfast and told each other
almost simultaneously the same dream

807

01:12:11,439 --> 01:12:17,139

than him and it was fit that they had
been taken together to an underground

808

01:12:17,140 --> 01:12:22,869

facility where they were both aliens and
human personnel and they were told by

809

01:12:22,869 --> 01:12:30,099

the human that this was a joint human
military Disease Research Center and all

810

01:12:30,100 --> 01:12:34,420

they remembered consciously was having
been given injections of some unknown

811

01:12:34,420 --> 01:12:40,060
source and they were very agitated this
was completely out of the glutes without

812
01:12:40,060 --> 01:12:46,120
the beast man so a hero as I said
earlier the typical reports are either

813
01:12:46,119 --> 01:12:49,809
scientific installations and military
installations and these two men were

814
01:12:49,810 --> 01:12:56,350
told it was a scientific instalay
Angie and Beth both women in taken have

815
01:12:56,350 --> 01:13:01,240
reported similar time facilities with
military or scientific activities going

816
01:13:01,239 --> 01:13:09,670
on and my husband in fact who was
kidnapped in November of 1988 side nor

817
01:13:09,670 --> 01:13:14,800
one carry personnel was also taken to an
underground facility where he saw a

818
01:13:14,800 --> 01:13:19,960
number of other people in a waiting room
with him all in a very day's zombie-like

819
01:13:19,960 --> 01:13:25,840
state they were guarded by regulation
military guards he was taken out of the

820
01:13:25,840 --> 01:13:30,789
room down the hallway he passed through
an area where there were great a larger

821
01:13:30,789 --> 01:13:35,140
where there are many storage storage
boxes and crates means that some of them

822
01:13:35,140 --> 01:13:40,240
look to contain dynamo type or generator

type equipment so it was all strictly GI

823

01:13:40,239 --> 01:13:45,699
issues it was a strictly human facility
with linoleum floors and fluorescent

824

01:13:45,699 --> 01:13:50,920
lighting and doors was knob everything
that's totally human nothing like what

825

01:13:50,920 --> 01:13:56,680
we would see the fourth alien craft an
alien facility and again it was military

826

01:13:56,680 --> 01:14:02,170
personnel he saw no aliens at all who is
a singular experience in fact he was

827

01:14:02,170 --> 01:14:06,130
taken into a small room where a man and
a major human form was sitting behind to

828

01:14:06,130 --> 01:14:10,390
death the guard that took him in left
him there and stood outside the door

829

01:14:10,390 --> 01:14:14,740
with it shut the door so my husband was
along with his major the major proceeded

830

01:14:14,739 --> 01:14:18,969
to question him intensely about what the
aliens had been doing with us in our

831

01:14:18,970 --> 01:14:24,940
family and what he knew about the alien
agenda my husband his former military

832

01:14:24,939 --> 01:14:30,639
was so completely outraged that even in
his days stay he was so outraged hadn't

833

01:14:30,640 --> 01:14:34,750
been treated this way by his own people
that he refused to say anything at all

834
01:14:34,750 --> 01:14:39,699
and it reached a point where the major
was making threats to our family when he

835
01:14:39,699 --> 01:14:43,149
still refused to talk he said something
was applied to the back of his neck

836
01:14:43,149 --> 01:14:48,219
immediately passed out he remembered
nothing further and so waking up back

837
01:14:48,220 --> 01:14:52,930
home in it 40 but he was still in a
slightly drugged state where an

838
01:14:52,930 --> 01:14:57,700
admission was effected and his equalist
name was affected but it wore office a

839
01:14:57,699 --> 01:15:02,260
little hot when we woke up this was my
first exposure to any kind of

840
01:15:02,260 --> 01:15:05,670
involvement
of humans to the point of abducting

841
01:15:05,670 --> 01:15:10,600
kidnapping interrogating and making
threats and if it had not been for those

842
01:15:10,600 --> 01:15:14,500
threats I would never have written a
book into the French I took them

843
01:15:14,500 --> 01:15:19,750
seriously and I thought if we are being
threatened by our government by anybody

844
01:15:19,750 --> 01:15:24,850
within our government that I wanted the
public to know and to watch us so that

845
01:15:24,850 --> 01:15:29,800

if something happened at least others would know but it occurred and that's

846

01:15:29,800 --> 01:15:35,949

why I wrote the books again wasn't in public at all well back to the two men

847

01:15:35,948 --> 01:15:40,388

who were taken to the facilities where they were given the injection they were

848

01:15:40,389 --> 01:15:45,550

deeply concerned about what this was all about and having no previously

849

01:15:45,550 --> 01:15:49,179

Remembered in care of any sort it took them off and them to find someone they

850

01:15:49,179 --> 01:15:52,359

could talk to put them in touch with someone in might know which led to

851

01:15:52,359 --> 01:16:00,009

contact with me we arranged for the older of the two men the city officials

852

01:16:00,010 --> 01:16:04,989

to go out of state to go do regression work and firebreath to try to find out

853

01:16:04,988 --> 01:16:08,289

what else might have occurred and what might have been in those injections they

854

01:16:08,289 --> 01:16:12,760

were given but before he were scheduled to make the trip a couple of things

855

01:16:12,760 --> 01:16:20,139

occurred first thing was that the younger man became he'll and so LD had

856

01:16:20,139 --> 01:16:24,460

me Hoxton line and so il's at the hospital in a small town where that was

857

01:16:24,460 --> 01:16:28,989

not added but he was moved to a larger
city facilities because they found what

858

01:16:28,988 --> 01:16:32,349

works
apparently symptoms of pneumonia serious

859

01:16:32,350 --> 01:16:37,409

ammonia that they could not identify the
strange it was not announced randomium

860

01:16:37,408 --> 01:16:43,118

the second thing that happened was that
the man who was scheduled to go do

861

01:16:43,118 --> 01:16:47,859

regression work while his friend was in
the hospital had another alien visit

862

01:16:47,859 --> 01:16:53,139

this time in his bedroom wasn't taken
anywhere the alien entities told him not

863

01:16:53,139 --> 01:16:57,219

to pursue the investigation not to talk
about what had happened to him and his

864

01:16:57,219 --> 01:17:01,389

friends that it was no one's business
and he was certainly not to go do

865

01:17:01,389 --> 01:17:06,010

regression work and they say if you do
will kill your friend and you'll die

866

01:17:06,010 --> 01:17:14,530

with a membrane over his head which
really makes however taking this threat

867

01:17:14,529 --> 01:17:20,559

to heart the older men which
and told his friends exactly what had

868

01:17:20,560 --> 01:17:24,820
happened and what I didn't and you said
they threatened your life and the man in

869
01:17:24,819 --> 01:17:29,079
the hospital who was getting very very
sick at this point said look I may not

870
01:17:29,079 --> 01:17:33,039
anyway they told me I may die anyway
we've got to know what it was they did

871
01:17:33,039 --> 01:17:37,899
to it that gave you the same injection
they gave me please go do the regression

872
01:17:37,899 --> 01:17:43,658
and reluctantly the older man finally
decided he would agree with that and

873
01:17:43,658 --> 01:17:48,158
would go do the regression work which he
did and now the regression we recall the

874
01:17:48,158 --> 01:17:54,219
number of other instance about this
facility including the things that we

875
01:17:54,219 --> 01:17:57,989
talked about earlier with the dead body

876
01:17:59,219 --> 01:18:03,730
he returned from the out-of-state trip
where he had done their aggression and

877
01:18:03,729 --> 01:18:07,899
went back to the hospital
the man had in the hospital had become

878
01:18:07,899 --> 01:18:11,500
so ill that his parents had been called
him from out of state

879
01:18:11,500 --> 01:18:15,579
and we're told that he probably would
not survive and they were preparing for

880

01:18:15,579 --> 01:18:21,698

this miraculously however in a very very short time the man suddenly made a quick

881

01:18:21,698 --> 01:18:24,689

turnaround and was on the road to full recovery

882

01:18:24,689 --> 01:18:29,079

absolutely it made me do all the doctors that everything he was very grateful and

883

01:18:29,079 --> 01:18:34,269

it reached such a point of recovery that they were the doctors told his parents

884

01:18:34,270 --> 01:18:37,000

said to continue this read within 24 hours

885

01:18:37,000 --> 01:18:41,560

that you take you home to convalesce and they took him off the life support

886

01:18:41,560 --> 01:18:46,270

equipment that he had been on and they said such him to be safe before we

887

01:18:46,270 --> 01:18:51,520

really relieved him of disease and one more precaution into the last night he's

888

01:18:51,520 --> 01:18:57,820

going to be here we're going to putting the nitrogen and they put me up over the

889

01:18:57,819 --> 01:19:03,519

bed and 40 minutes later the man has caused a fire attack and died with a

890

01:19:03,520 --> 01:19:09,219

membrane and the oxygen tent over the kids this is not the only threatened

891

01:19:09,219 --> 01:19:15,310
death that has been carried out in the
research that we have done and I can do

892
01:19:15,310 --> 01:19:19,750
an entire lecture just on the threat and
what it's been carried out but that

893
01:19:19,750 --> 01:19:25,599
perhaps for ahead of time by the way the
man who had died at the heart attack had

894
01:19:25,599 --> 01:19:30,130
no previous heart problem our heart
history he was healthy other than

895
01:19:30,130 --> 01:19:34,840
and in the hospital I found out science
of any problems with his heart before he

896
01:19:34,840 --> 01:19:42,579
had a heart attack in my personal
investigation especially in the cases of

897
01:19:42,579 --> 01:19:47,409
the women that I reported that had taken
I've dealt with several abductees as I

898
01:19:47,409 --> 01:19:52,090
said we've had military involvement and
their experiences and I think one of the

899
01:19:52,090 --> 01:19:57,010
most intriguing is that a path is the
first woman the cases discussed and

900
01:19:57,010 --> 01:20:04,810
taken that lived with her younger
brother and sister her mother Caroline

901
01:20:04,810 --> 01:20:11,350
stepfather and her grandmother in a farm
16 acres outside of Floyds Knobs Indiana

902
01:20:11,350 --> 01:20:18,670
and 1954 that was 12 years old in the

summer of 1954 before school started

903

01:20:18,670 --> 01:20:26,590

schools before Labor Day a UFO a craft
landed the back of property where the

904

01:20:26,590 --> 01:20:34,480

farmhouse was and the house was entered
by a number of little grey aliens this

905

01:20:34,479 --> 01:20:38,019

mine that was in the bedroom with her
grandmother they shared the bedroom and

906

01:20:38,020 --> 01:20:41,260

the grandmother became very very
frightened and that's when they think

907

01:20:41,260 --> 01:20:46,570

Jesus is who said it's okay there was an
Eagle hit the entire family was abducted

908

01:20:46,569 --> 01:20:49,119

including with parents and her
grandmother and they went through a

909

01:20:49,119 --> 01:20:52,630

series of physical examination
successfully said grant will return to

910

01:20:52,630 --> 01:21:01,980

the home the next day
and this is 1964 the next day two trucks

911

01:21:01,979 --> 01:21:11,799

carrying uniformed soldiers with arms
arrived as a farm three smaller vehicles

912

01:21:11,800 --> 01:21:17,529

with the lead personnel including
doctors came to the farm that Stations

913

01:21:17,529 --> 01:21:22,029

of soldiers around the perimeter of the
farm that sequestered the family of five

914
01:21:22,029 --> 01:21:27,849
days they only allows the little boy
outside under escort in order to feed

915
01:21:27,850 --> 01:21:33,820
the flora now once a day for five days
each member of the family was drugged

916
01:21:33,819 --> 01:21:40,299
and interrogated and pat remembers been
telling her repeatedly that the event

917
01:21:40,300 --> 01:21:45,869
she was describing did not happen
now the night before when the aliens

918
01:21:45,868 --> 01:21:50,969
that had pet she had asked in her
innocence are you angel and they said

919
01:21:50,969 --> 01:21:57,389
yes but not as she talked and she kept
insisting to the military to the doctors

920
01:21:57,389 --> 01:22:01,469
who were examine her that the angel had
come and they kept saying there was no

921
01:22:01,469 --> 01:22:06,569
one there it did not happen you did not
see this all of the surviving members of

922
01:22:06,569 --> 01:22:11,549
that family we called it we consciously
had a never had any regression war and

923
01:22:11,550 --> 01:22:17,940
she asked me when I did this book to put
the date and the place because she's

924
01:22:17,939 --> 01:22:22,460
hoping that there might still be someone
from that area who saw the military

925
01:22:22,460 --> 01:22:28,679

arriving and who could verify the story
that she and her family have been

926

01:22:28,679 --> 01:22:35,670

telling us that they had remembered all
these years 1954 one day after the

927

01:22:35,670 --> 01:22:40,699

abduction
apparently our military was able to

928

01:22:40,698 --> 01:22:46,769

monitor events well enough in 1954 to
know that the craft had been at that

929

01:22:46,770 --> 01:22:52,409

area
this is 1995 certainly whatever

930

01:22:52,408 --> 01:22:57,269

monitoring and surveillance techniques
they had at 54 have been well improved

931

01:22:57,270 --> 01:22:59,989

since then

932

01:23:01,429 --> 01:23:08,630

please up another of the women is taken
has also had several abductions and

933

01:23:08,630 --> 01:23:13,529

interrogations that military personnel
and she has undergone also not only

934

01:23:13,529 --> 01:23:19,609

interrogation but a variety of physical
examination in one of them she recalled

935

01:23:19,609 --> 01:23:26,578

what were identified to her as FBI
agents present as well she's also been

936

01:23:26,578 --> 01:23:31,590

subjected to some very traumatic sexual
scenarios with some of the human

937

01:23:31,590 --> 01:23:37,279
personnel and she has had repeated
instructions about certain things

938

01:23:37,279 --> 01:23:43,380
most commonly she had been told exactly
how she is to talk about the aliens with

939

01:23:43,380 --> 01:23:49,980
us she has also been warned to keep
quiet about certain things and she had

940

01:23:49,979 --> 01:23:55,079
specifically been told not to divulge
information to

941

01:23:55,079 --> 01:24:00,640
such a morning was also made very
forcefully as you'll read in the book if

942

01:24:00,640 --> 01:24:04,360
you happen to look at that to Angie
the wife of the cattle rancher in

943

01:24:04,359 --> 01:24:12,939
Tennessee by name she was told not to
talk to Carla her death who is a woman

944

01:24:12,939 --> 01:24:18,039
woman in Tekken who lived in Puerto Rico
and whose numerous events experiences

945

01:24:18,039 --> 01:24:23,500
have also been investigated by one team
our team has in addition to the

946

01:24:23,500 --> 01:24:28,090
recurrent alien abduction
it hasn't and it leads to experiences in

947

01:24:28,090 --> 01:24:33,819
which she has been kidnapped by military
personnel and one of these consciously

948

01:24:33,819 --> 01:24:40,210

recall she was flown in a an alien type
craft by both angling and military

949

01:24:40,210 --> 01:24:45,760
personnel to a desert area where there
was the above-ground compound almost

950

01:24:45,760 --> 01:24:49,570
identical to what Ted Ryan described it
will have a drawing of that that she's

951

01:24:49,569 --> 01:24:54,609
made at home on the video in a minute
where she again went through the

952

01:24:54,609 --> 01:24:59,019
above-ground facility into an
underground area she does not recall

953

01:24:59,020 --> 01:25:04,600
having a physical examination but she
does recall more being Aaron was live

954

01:25:04,600 --> 01:25:10,210
many other people of the military and
listening and she said two men in what

955

01:25:10,210 --> 01:25:18,279
looked like spaces for delivering a
lecture of some sort Angie the one I

956

01:25:18,279 --> 01:25:22,479
talked about earlier than told not to
talk to me the wife of the rancher in

957

01:25:22,479 --> 01:25:27,309
Tennessee has been taken both from her
now for the daytime by the my favorite

958

01:25:27,310 --> 01:25:32,770
personnel at night on military personnel
and off the roads when she's driven into

959

01:25:32,770 --> 01:25:37,630
the largest town near her to do shopping
on military personnel she has been taken

960

01:25:37,630 --> 01:25:44,800
to two different mental eteri facility
one is a known facility the other is a

961

01:25:44,800 --> 01:25:51,070
very remote very small rural facility
and she's been taken there along with

962

01:25:51,069 --> 01:25:58,899
Southern women Michigan is known now in
the beginning of the experiences that

963

01:25:58,899 --> 01:26:03,519
Angie was having with the aliens and she
had these before the military became

964

01:26:03,520 --> 01:26:08,240
involved in this
she thought the aliens were very much

965

01:26:08,239 --> 01:26:13,609
her friends is a very tragic story about
what they did impregnating her and as

966

01:26:13,609 --> 01:26:17,000
she thinking they were giving her a gift
she and her husband been trying for

967

01:26:17,000 --> 01:26:20,390
several years had a child and finally
the aliens who want to be in town to

968

01:26:20,390 --> 01:26:24,619
planted her with a fetus and she thought
it was their their gift to her and when

969

01:26:24,619 --> 01:26:28,069
they confirmed the pregnancy they named
the baby and told all of the relatives

970

01:26:28,069 --> 01:26:32,059
and we're getting plans for the nursery
and she doesn't know about this sentence

971

01:26:32,060 --> 01:26:35,570
it's her and she didn't know they always
knew that he had succeeded which they

972
01:26:35,569 --> 01:26:43,549
did then when the military began showing
up in these experiences she was told by

973
01:26:43,550 --> 01:26:48,050
the aliens that they the aliens
controlled military personnel who were

974
01:26:48,050 --> 01:26:52,579
with them so she was told a number of
things and not all of them were

975
01:26:52,579 --> 01:26:58,340
consistent for instance in one of these
abductions the one when she was with the

976
01:26:58,340 --> 01:27:01,779
other women she was told by the medical
personnel who were performing

977
01:27:01,779 --> 01:27:06,469
examinations of her any other women that
she was part of the genetics and cloning

978
01:27:06,470 --> 01:27:13,699
experiment another time when she was
taken by military personnel into a van

979
01:27:13,699 --> 01:27:18,079
that had driven onto the farm and it had
a very strange let's find equipment

980
01:27:18,079 --> 01:27:22,189
inside that she doesn't recognize the
perfect bar how they function that she

981
01:27:22,189 --> 01:27:25,429
was interrogated for over an hour about
a number of things Washington

982
01:27:25,430 --> 01:27:30,079
resentments and being interrogated she

was taught by the leader of the group

983

01:27:30,079 --> 01:27:35,269

that was interrogating her that she was part of a mind control project or

984

01:27:35,270 --> 01:27:41,780

operation that was run by a quote high shelf military group working them in

985

01:27:41,779 --> 01:27:51,409

underground facilities and I don't know what hi shel means needed an engine when

986

01:27:51,409 --> 01:27:54,949

she was abducted with the three other women and taken to the rural remote

987

01:27:54,949 --> 01:28:02,239

facility gynecological pipe exams were performed on the women also implants

988

01:28:02,239 --> 01:28:07,189

that she was told by the military doctors were our implants put into her

989

01:28:07,189 --> 01:28:12,949

to monitor alien implants this procedure was also performed and then she and the

990

01:28:12,949 --> 01:28:18,289

women were taken as a group into a room where a military officer

991

01:28:18,289 --> 01:28:23,519

partially and threatening requesting them all about what aliens were involved

992

01:28:23,520 --> 01:28:30,060

in their experiences and what kind of events were occurring so now that's in

993

01:28:30,060 --> 01:28:35,060

that second category of information where it's very very hard to get

994

01:28:35,060 --> 01:28:40,380

observable confirmable data to support
the story but I will say and I'm making

995

01:28:40,380 --> 01:28:48,560

this public every time I speak in public
that I have documents military documents

996

01:28:48,560 --> 01:28:54,660

with the name of some of the military
personnel who have abducted in

997

01:28:54,659 --> 01:29:00,119

threatened Angie and I have stashed
these documents in several places very

998

01:29:00,119 --> 01:29:04,829

safe places because of the threats major
are and if anything ever happens to her

999

01:29:04,829 --> 01:29:09,539

they will be made public immediately
we're hoping we can at least give her a

1000

01:29:09,539 --> 01:29:14,149

sense of some protection by doing this

1001

01:29:15,560 --> 01:29:20,630

once I think this is sort of interesting
as I said many objectives have phone

1002

01:29:20,630 --> 01:29:24,750

tampering and monitoring and so on when
they began talking about their

1003

01:29:24,750 --> 01:29:31,529

experiences and we also pendant and when
I was doing the work with the women and

1004

01:29:31,529 --> 01:29:36,119

taken at one point I was on the phone
talking to in general nice and fine and

1005

01:29:36,119 --> 01:29:40,469

she was in fantasy and we were not on

cellular phone they exactly that before

1006

01:29:40,469 --> 01:29:45,810

so I try to mention for regular phones
and Angie was talking about a piece of

1007

01:29:45,810 --> 01:29:49,469

information that one of the aliens have
given her during one of my encounters

1008

01:29:49,469 --> 01:29:54,960

yes where they came from and they said
that they came from an area that we

1009

01:29:54,960 --> 01:29:59,100

would call the region of happy fear and
then she said Carla do you think that

1010

01:29:59,100 --> 01:30:04,079

could be real could be true and I told
her quite honestly Angie I don't know

1011

01:30:04,079 --> 01:30:08,250

the aliens have over the years given
about a jillion different places of

1012

01:30:08,250 --> 01:30:12,929

origin some real some you know made-up I
always joke about you know captain

1013

01:30:12,929 --> 01:30:16,109

interaction the planet bad one because
they come up with so many different

1014

01:30:16,109 --> 01:30:20,039

names for the places they come from and
I said I don't know we don't have any

1015

01:30:20,039 --> 01:30:23,670

way to check there's no way to verify
and at that point there was a slight

1016

01:30:23,670 --> 01:30:29,340

little electronic discount on the line
and a very very human man with an

1017
01:30:29,340 --> 01:30:32,979
attitude
that I recognized as an attitude that we

1018
01:30:32,979 --> 01:30:37,010
commented and said there's a lot of
amount there and we know where they come

1019
01:30:37,010 --> 01:30:46,429
from and then a little bit now certainly
it's the only purpose the telephone

1020
01:30:46,429 --> 01:30:52,309
monitoring was to gather information I
could go into a number of other

1021
01:30:52,309 --> 01:30:56,989
accountants involving the human agents
and the involvement of different things

1022
01:30:56,988 --> 01:31:00,648
in my own family's experiences but I
want to go ahead and try to wrap this up

1023
01:31:00,649 --> 01:31:07,249
and get to the videotape that I want to
do at least give you one more episode

1024
01:31:07,248 --> 01:31:13,248
that occurred with my family and this is
an end to the French by the way because

1025
01:31:13,248 --> 01:31:18,168
that's our town of what went on during
this period - it was a physics student

1026
01:31:18,168 --> 01:31:22,248
in college and he was engaged to a woman
who was also a physics student and both

1027
01:31:22,248 --> 01:31:27,288
dr. masters got married and are
producing really nice children but at

1028
01:31:27,288 --> 01:31:32,630

this time they were simply engaged and my daughter-in-law came from a family

1029

01:31:32,630 --> 01:31:36,800
that didn't have a lot of money and the only way she can afford to go to college

1030

01:31:36,800 --> 01:31:40,969
in a State University was through some sort of scholarship brokers she was very

1031

01:31:40,969 --> 01:31:46,880
smart but money is still hard to come back so her means of paying for dents

1032

01:31:46,880 --> 01:31:52,038
was to lift in the ROTC officers program and they would pay for her college and

1033

01:31:52,038 --> 01:31:58,099
return to service that amount of time as an officer and their senior year when

1034

01:31:58,099 --> 01:32:03,019
they demand typically occurring consciously with it my daughter-in-law

1035

01:32:03,019 --> 01:32:07,639
had developed their medical conditions there that necessitated her withdrawal

1036

01:32:07,639 --> 01:32:11,630
from this program but it's not easy to get out of the ROTC officers program it

1037

01:32:11,630 --> 01:32:16,998
takes a while it takes process and paperwork in time and she hadn't gotten

1038

01:32:16,998 --> 01:32:21,529
out at this point but the seniors in the program had to make them to a duty

1039

01:32:21,529 --> 01:32:27,288
excited request upon approaching the graduation so even though it my my

1040
01:32:27,288 --> 01:32:30,469
daughter my news there was the time
coming when she was out of the program

1041
01:32:30,469 --> 01:32:33,948
it hadn't happened yet and she had to go
ahead and think did he it's not a

1042
01:32:33,948 --> 01:32:37,368
request
she chose the one that would have kept

1043
01:32:37,368 --> 01:32:42,168
her in case they didn't let her out
nearest to her doctors and that happened

1044
01:32:42,168 --> 01:32:49,010
to being a meteorological
and she signed up for that and it was a

1045
01:32:49,010 --> 01:32:53,449
female on TV sergeant's that was in
charge of this attachment there and when

1046
01:32:53,449 --> 01:32:57,079
she saw my daughter-in-law man he was
written down on there she freaked out

1047
01:32:57,079 --> 01:33:00,399
she said you can't do this you don't
want to be in the meteorological program

1048
01:33:00,399 --> 01:33:05,420
she said don't you want to get into the
R&D program and this is a quote from the

1049
01:33:05,420 --> 01:33:10,310
RTC sorry she tipped that way you'll get
to find out the truth about UFOs in

1050
01:33:10,310 --> 01:33:19,600
Amiens you might even get to do tests
and research homers and this so bright

1051

01:33:19,600 --> 01:33:26,660
Megan that she did not reply she simply
left in a running leap left the building

1052
01:33:26,659 --> 01:33:30,949
and immediately came home very upset
tell us what had happened and she kept

1053
01:33:30,949 --> 01:33:35,179
saying how to say hell how did they know
because we did not told anyone except on

1054
01:33:35,180 --> 01:33:41,659
the phone researchers she said how did
they know we don't know how they knew we

1055
01:33:41,659 --> 01:33:46,010
we do know how they couldn't know but we
don't know why they would make such a

1056
01:33:46,010 --> 01:33:53,510
blatant statement from an Air Force
Office sergeant straight out to this

1057
01:33:53,510 --> 01:33:57,829
appointment and scare her the way they
did because did she realize there were

1058
01:33:57,829 --> 01:34:04,909
no secrets that somebody would pay
attention well in closing so we can get

1059
01:34:04,909 --> 01:34:09,079
into video I'm going to summarize
important points I really hope you'll

1060
01:34:09,079 --> 01:34:14,269
consider from what I presented today
first our own human Authority are

1061
01:34:14,270 --> 01:34:18,050
seriously concerned about it involved
with some aspects of this abduction

1062
01:34:18,050 --> 01:34:23,570
agenda and when humans are involved

surely there must be some trail of event

1063

01:34:23,569 --> 01:34:29,809

and of evidence and of witnesses which means that we have a potential to really

1064

01:34:29,810 --> 01:34:36,200

get some hard facts because of human involvement there has to be a trail it

1065

01:34:36,199 --> 01:34:41,389

may take a heck of a lot of work and effort and cooperation from some in

1066

01:34:41,390 --> 01:34:44,600

authority to find this but it's potentially there and it should be

1067

01:34:44,600 --> 01:34:50,390

pursued secondly much of the abduction agenda clearly had

1068

01:34:50,390 --> 01:34:55,420

a physical Polish focus that I hope will raise questions and doubts in our mind

1069

01:34:55,420 --> 01:34:58,760

here Senate line about many of the alien

1070

01:34:58,760 --> 01:35:04,039

claims to be here on a primarily spiritual mission as I had said before

1071

01:35:04,039 --> 01:35:10,369

and I hope you'll pardon my crudité angels don't do rectal throw the seeds

1072

01:35:10,369 --> 01:35:17,239

beings do the implications of both the implant and the reports of the cloning

1073

01:35:17,239 --> 01:35:21,889

procedures to me are so potentially explosive that these allegations also

1074
01:35:21,890 --> 01:35:26,119
must be vigorously thoroughly
investigated in pursuit if you are

1075
01:35:26,119 --> 01:35:31,099
really serious that finding out what is
going on Kaleigh an agenda and we can

1076
01:35:31,100 --> 01:35:35,990
get past our wishes for what is going on
and decide we're ready and mature enough

1077
01:35:35,989 --> 01:35:39,559
to handle the troops and these are the
areas you better start with your engines

1078
01:35:39,560 --> 01:35:45,500
and third absolutely important we need
to recognize the deceptions that are

1079
01:35:45,500 --> 01:35:50,029
employed to keep abductees and therefore
the rest of the community from knowing

1080
01:35:50,029 --> 01:35:56,800
about the actual activity and the
entities involved in the features to me

1081
01:35:56,800 --> 01:36:02,420
the control that they exert the
essentials that they use imply to me

1082
01:36:02,420 --> 01:36:06,109
that there is something within a human
and something that we could be capable

1083
01:36:06,109 --> 01:36:09,619
of doing that would upset their apple
cart and they don't want us to know

1084
01:36:09,619 --> 01:36:14,300
about it or be able to do it you don't
mind something unless you have something

1085
01:36:14,300 --> 01:36:19,760

to hide and you don't take control of
someone unless they have a potential to

1086

01:36:19,760 --> 01:36:24,680
upset the procedures and my goal of
courses took that these procedures

1087

01:36:24,680 --> 01:36:29,930
entirely
I'll tell you the good news the good

1088

01:36:29,930 --> 01:36:36,500
news is that in a number of cases in the
last year so I have seen individuals who

1089

01:36:36,500 --> 01:36:40,930
have been able to break free of the
control that leads to some degree to

1090

01:36:40,930 --> 01:36:47,150
accept the procedures to some degree to
resist the intrusion to some degree and

1091

01:36:47,149 --> 01:36:51,139
certainly to see through some of the
illusions that have been presented to

1092

01:36:51,140 --> 01:36:57,890
them and say huh I know that's not real
it tells me that we are capable of

1093

01:36:57,890 --> 01:37:03,050
penetrating discs we are capable of
doing some things that will stop it or

1094

01:37:03,050 --> 01:37:08,260
change it at least and be able to
perhaps because we're developing new

1095

01:37:08,260 --> 01:37:13,869
perception be able to see
these things coming and react properly

1096

01:37:13,869 --> 01:37:19,399
now the scientists tell us that any
species that is put into a serious

1097
01:37:19,399 --> 01:37:25,219
stress situation will develop new coping
mechanism new mechanism if they didn't

1098
01:37:25,219 --> 01:37:29,300
need before when the stress wasn't there
and these baby met effects a new

1099
01:37:29,300 --> 01:37:34,460
intellectual abilities as well as a new
physical ability and certainly what

1100
01:37:34,460 --> 01:37:39,560
we're seeing going on with the abduction
agenda is a stress situation and it may

1101
01:37:39,560 --> 01:37:45,320
be pushing us individually and therefore
also added species to develop and to

1102
01:37:45,319 --> 01:37:50,689
have emerged within a new ability to
read it into code and to overcome for

1103
01:37:50,689 --> 01:37:54,259
our species survival so that I think is
the good news

1104
01:37:54,260 --> 01:37:58,250
we're seeing this happen now in
individual cases and the more it happens

1105
01:37:58,250 --> 01:38:02,719
to me as a visual cases threat the more
it will catch with the rest of society

1106
01:38:02,719 --> 01:38:10,069
the morphic resonance series perhaps
maybe it works here if these encounters

1107
01:38:10,069 --> 01:38:14,000
have been a part of a hidden part of our
reality for a long time like some

1108

01:38:14,000 --> 01:38:18,560
researchers with fields believe then I
think that the recent explosion of

1109
01:38:18,560 --> 01:38:23,150
contact reports consciously remembered
encounters and people being able to come

1110
01:38:23,149 --> 01:38:27,769
forward and share information like we're
doing here today and to resist and so

1111
01:38:27,770 --> 01:38:32,150
many cases it surely proof that things
are not business as usual the abduction

1112
01:38:32,149 --> 01:38:37,969
game something is very much on the
changing on the transitional edge here

1113
01:38:37,969 --> 01:38:43,579
and I believe is that doing the changing
because we're having to but until that

1114
01:38:43,579 --> 01:38:48,679
is accomplished to some more competent
level than we reach now without an

1115
01:38:48,679 --> 01:38:53,239
understanding of these screens this
virtual reality capability we're going

1116
01:38:53,238 --> 01:38:59,569
to be left with only a man created
illusion and scant partial confused

1117
01:38:59,569 --> 01:39:04,219
misleading memories to accept and act
upon and that will keep us from any

1118
01:39:04,219 --> 01:39:11,630
useful no response the real situation so
far and a thing that beginning UFO

1119
01:39:11,630 --> 01:39:15,710
research has given us some freakin

answers so we do have it easy to view

1120

01:39:15,710 --> 01:39:20,500

important pieces of information on which
to bill which

1121

01:39:20,500 --> 01:39:25,970

we know the abductions do real we know
the abduction agenda includes very

1122

01:39:25,970 --> 01:39:30,770

physically oriented goals and procedures
we know that the abductors contradict

1123

01:39:30,770 --> 01:39:34,730

themselves and get false information as
well as information we have no way of

1124

01:39:34,729 --> 01:39:40,099

verifying we know they're capable of
masterful illusions we know that they

1125

01:39:40,100 --> 01:39:44,450

always attempt and normally succeed in
taking control of us during all the

1126

01:39:44,449 --> 01:39:49,250

encounters and we know that our
government knows about this and is

1127

01:39:49,250 --> 01:39:53,930

actively involved the level of carrying
out covert and clearly illegal actions

1128

01:39:53,930 --> 01:39:59,869

against us because of it whatever their
reasons may be no matter what the truth

1129

01:39:59,869 --> 01:40:03,680

finally proves to be and I pray with all
of you we find that truth at some point

1130

01:40:03,680 --> 01:40:09,409

without it and without pursuing it and
accomplishing a penetration of this

1131
01:40:09,409 --> 01:40:13,340
masquerade we're going to be just like
little children planting shadows we're

1132
01:40:13,340 --> 01:40:17,600
going to be ignorant we're going to be
uninformed and unempowered to confront

1133
01:40:17,600 --> 01:40:21,039
properly and deal with the entities
behind this charade

1134
01:40:21,039 --> 01:40:25,760
thank you for your attention I want to
now run the video and I will make some

1135
01:40:25,760 --> 01:40:30,500
commentary on what you're going to see
and then it'll be question and answer

1136
01:40:30,500 --> 01:40:35,859
period for anyone who have anything
they'd like me to read in verse 2

1137
01:40:44,779 --> 01:40:49,789
the farm it's what's not Indiana and
that is the two younger brothers brother

1138
01:40:49,789 --> 01:40:53,869
and sister and the family members this
is where the crash landed 1954 in the

1139
01:40:53,869 --> 01:40:58,970
military arrived in extensive questions
of gambling again asked me to make as

1140
01:40:58,970 --> 01:41:02,720
much of this public as I could so we
could look at potential witnesses I want

1141
01:41:02,720 --> 01:41:08,810
to show you this on this is the sole
machine that pat was flexed I've heard

1142
01:41:08,810 --> 01:41:12,650

the sound of her soul as she's sitting
in the room where the alien entity

1143
01:41:12,649 --> 01:41:16,219
standing if when she was taken into
where the bodies were stored she was

1144
01:41:16,220 --> 01:41:22,369
shown those bodies for the resurrection
only to these women by the way our

1145
01:41:22,369 --> 01:41:27,279
artists of any sorts of these drawings
are somatic smart fairly unsophisticated

1146
01:41:27,279 --> 01:41:32,719
this is colleagues drawing an alien
attack that's reported not as frequently

1147
01:41:32,720 --> 01:41:37,630
she might think that in some cases we've
got a number of reports of the bird

1148
01:41:37,630 --> 01:41:44,180
furrowed brows of bulges rich areas over
the heads that's what otherwise would be

1149
01:41:44,180 --> 01:41:49,520
typical gray aliens I want to show you
at least a variation on the usual many

1150
01:41:49,520 --> 01:41:53,900
people report I just wanna believe that
seeing hooded entities the large the

1151
01:41:53,899 --> 01:41:58,369
other typical alien sort but so often we
don't get to see their features yet that

1152
01:41:58,369 --> 01:42:01,970
I wanted to include this because we've
been was able in one instance to see

1153
01:42:01,970 --> 01:42:06,590
some facial features within the included
area I have never been able to see

1154
01:42:06,590 --> 01:42:11,239
facial features when I've seen this type
of anything this is Lisa's drawing of

1155
01:42:11,239 --> 01:42:17,179
the solvent editor Dolphin headed type
entity again some crude drawings but not

1156
01:42:17,180 --> 01:42:22,310
the typical grade forehead area it was
if it bulges over like a horse's head

1157
01:42:22,310 --> 01:42:29,560
and in company with other typical alien
sort this is not an infrequent report

1158
01:42:29,560 --> 01:42:35,060
now little gray in the Hat it looks sort
of funny but we have a number of reports

1159
01:42:35,060 --> 01:42:38,360
including three birds and my own
experiences where we've seen typical

1160
01:42:38,359 --> 01:42:43,969
grades was a head of some sort there
maybe they just I mean I have no

1161
01:42:43,970 --> 01:42:47,510
explanation that I wanted any of you
seeing this - no you're not the only one

1162
01:42:47,510 --> 01:42:54,110
who's seeing a hat on an alien now this
is Lisa's drawing of a ridge let ridge

1163
01:42:54,109 --> 01:42:59,939
note entity that Linda house
drawing up in her latest book and in

1164
01:42:59,939 --> 01:43:03,089
link this case this is with other
entities including the next one you're

1165

01:43:03,090 --> 01:43:08,010
going to see which is for a very poor
drawing of a Reptoid pet creature with

1166
01:43:08,010 --> 01:43:12,989
vertical slit eyes and the clawed
fingers and those two entities work

1167
01:43:12,988 --> 01:43:15,479
together in a scenario where Lisa was
raped

1168
01:43:15,479 --> 01:43:19,799
and it cost her a lot of trauma to stay
buried

1169
01:43:19,800 --> 01:43:25,679
and that's not like the raping Reptoids
that she calls and I know you've heard

1170
01:43:25,679 --> 01:43:29,719
of others including Leah Haley and fewer
than a spoken a through who had similar

1171
01:43:29,719 --> 01:43:35,880
advancing their experiences the triangle
and circle insignia many of them sing in

1172
01:43:35,880 --> 01:43:40,289
symbols that abductees report aboard
craft on uniforms involves some

1173
01:43:40,289 --> 01:43:45,238
variation on the triangle in the circle
the other typical one includes a serpent

1174
01:43:45,238 --> 01:43:51,089
or winged snake pipe figure but this is
probably more common some variety of

1175
01:43:51,090 --> 01:43:55,020
we're going to see another one in just a
little bit different first Anita in

1176
01:43:55,020 --> 01:43:59,429
second heard you're lying of a can't the

cans get kind of being love thoughts

1177

01:43:59,429 --> 01:44:03,658

into her and make her love them and she wants her staff had wonder if a person

1178

01:44:03,658 --> 01:44:09,929

says too bad in real she is he's a family of about entities going back

1179

01:44:09,929 --> 01:44:13,500

three generations and she had the granddaughter living with her now who is

1180

01:44:13,500 --> 01:44:17,158

also having exceptions this is the granddaughters joining as much as coffin

1181

01:44:17,158 --> 01:44:22,229

mushroom yet this come into her room at night she said however that this one was

1182

01:44:22,229 --> 01:44:26,069

about two feet tall shorter than what we normally see

1183

01:44:26,069 --> 01:44:29,819

maybe next size and Aaron when they make those human fetuses and grow their

1184

01:44:29,819 --> 01:44:35,340

little workers training now that it's also if I told you to take it to a

1185

01:44:35,340 --> 01:44:39,420

southwestern American facility where there were the adobe buildings above

1186

01:44:39,420 --> 01:44:43,380

ground and this is her drawing at that facility the above-ground part it's very

1187

01:44:43,380 --> 01:44:48,480

very similar to what kid saw when he was taken to such an area and she went

1188
01:44:48,479 --> 01:44:52,408
through the door of one of these
building and she said they were rough

1189
01:44:52,408 --> 01:44:56,309
and old-fashioned outside and inside it
was pure high-technology

1190
01:44:56,310 --> 01:45:01,860
taken down under underground through a
tunnel package on elevator tunnel shaft

1191
01:45:01,859 --> 01:45:06,509
into this room where she said there were
two men in the quota book spaces

1192
01:45:06,510 --> 01:45:11,730
standing at the podium lecturing where
with a number of our military officials

1193
01:45:11,729 --> 01:45:16,259
including one that we've heard reports
on the redheaded man seems to be

1194
01:45:16,260 --> 01:45:20,849
evolving through interrogation
Jamin taken was told she's taken many

1195
01:45:20,849 --> 01:45:25,679
photographs of UFO she was told this day
telepathically clean your lands getting

1196
01:45:25,679 --> 01:45:28,920
new batteries we're going to be overhead
to be to take a picture and this is just

1197
01:45:28,920 --> 01:45:32,670
one of the features that she expected
and these have been wet exciting sign

1198
01:45:32,670 --> 01:45:37,529
move on people in her area and neighbors
and the relatives you know about all the

1199
01:45:37,529 --> 01:45:42,420

fighting marks this is just one of the triangle approaches we get numbers of

1200

01:45:42,420 --> 01:45:46,920
triangles of various sort on a Becky's bodies over and over again I have a

1201

01:45:46,920 --> 01:45:50,940
permanent triangle of three circles on my body often with getting these

1202

01:45:50,939 --> 01:45:57,000
temporary marks that are your punctures our scratches our red areas the suit

1203

01:45:57,000 --> 01:46:01,349
mark most people report not knowing how they got their healed

1204

01:46:01,349 --> 01:46:05,460
tooth marks but three or four cases we've had fresh tooth marks and before

1205

01:46:05,460 --> 01:46:09,328
they heal there's this dark waxy substance that experience from them

1206

01:46:09,328 --> 01:46:13,229
front while before they heal and this is a picture of one before the healing and

1207

01:46:13,229 --> 01:46:18,658
effective start waxing substance coming out of it Jenna also through this she

1208

01:46:18,658 --> 01:46:23,549
said she'd seen the lightning and these were they look like long haired and if

1209

01:46:23,550 --> 01:46:28,829
he's sitting around the curve desk or our table area she couldn't see favorite

1210

01:46:28,828 --> 01:46:33,509
features and I include it because many other people have described down to the

1211
01:46:33,510 --> 01:46:39,360
curved table area counsel that had been
taken before where they were given

1212
01:46:39,359 --> 01:46:45,448
certain lectures in this Jain remembered
seeing Amy is working at some sort of

1213
01:46:45,448 --> 01:46:50,129
controls or equipment hearing then read
off a list of sites and locations in

1214
01:46:50,130 --> 01:46:54,779
Texas and Louisiana and she heard the
time to work activate activate activate

1215
01:46:54,779 --> 01:46:58,738
she has no idea of what this means
because all she remembers without

1216
01:46:58,738 --> 01:47:04,289
hypnosis of her event her drawing it
this it's just a very fuzzy drawing that

1217
01:47:04,289 --> 01:47:09,000
I wanted to note one thing the little
black box was a number of tubes or hoses

1218
01:47:09,000 --> 01:47:13,289
coming out of it she had had no clear
memory of what was was done with this

1219
01:47:13,289 --> 01:47:17,550
but keeping a scene identical thought in
a drawing from one of the other women in

1220
01:47:17,550 --> 01:47:22,360
just a little while I wanted you to see
that there are correlation

1221
01:47:22,359 --> 01:47:27,158
now Jane remembered consciously what she
thought was being taken to a desert or a

1222

01:47:27,158 --> 01:47:32,408
pan world where she thought this series
event she's painted to try to explain

1223
01:47:32,408 --> 01:47:36,879
what she felt consciously a large black
UFO ruin decide she's on this desert

1224
01:47:36,880 --> 01:47:43,510
world which me and Rebecca have talked
about as she watched this UFO our large

1225
01:47:43,510 --> 01:47:49,869
craft being down an orb of some sort
that had various strange designs on it

1226
01:47:49,868 --> 01:47:55,179
and she thought that was pretty amazing
as she watched it and then this orb and

1227
01:47:55,179 --> 01:47:59,770
the paintings will continue chain gin -
a black floating spirit at two antennae

1228
01:47:59,770 --> 01:48:04,179
on it and it began coming so close to
her where she said on this Mesa or this

1229
01:48:04,179 --> 01:48:07,480
mountain area that she thought it was
going to knock her over and that was

1230
01:48:07,479 --> 01:48:11,738
where her conscious memories ended under
hypnosis she was not on a can desert

1231
01:48:11,738 --> 01:48:16,419
world she was in her bedroom and this
device that Pro that did an implant into

1232
01:48:16,420 --> 01:48:21,279
her ear among other things but it was
the illusion of being on this desert

1233
01:48:21,279 --> 01:48:25,960
world and it reported that very

frequently it wasn't there she was at

1234

01:48:25,960 --> 01:48:29,889
home when all this occurred this is her
drawing at the lesson she had been

1235

01:48:29,889 --> 01:48:36,639
consciously distinct coming up that
close to Earth all right this is Angie

1236

01:48:36,639 --> 01:48:40,599
and Tennessee you know about the Squatch
honor she remembers the night before

1237

01:48:40,599 --> 01:48:46,029
seeing two aliens taking soil samples
bending alongside and rectangular type

1238

01:48:46,029 --> 01:48:51,460
device and this rectangular sports area
remained without growth essentially for

1239

01:48:51,460 --> 01:48:56,230
about a year and a half she did not
realize that what she had seen in that

1240

01:48:56,229 --> 01:49:00,039
before here's her drawing of it was
anything more than a dream until she got

1241

01:49:00,039 --> 01:49:03,219
up the next morning and found the
rectangular scorched area precisely

1242

01:49:03,219 --> 01:49:07,630
where she remembered it in her so-called
dreams and again they've been taking

1243

01:49:07,630 --> 01:49:10,569
soil samples for so many years we've
decided they've got to be too done this

1244

01:49:10,569 --> 01:49:17,558
creatures in the universe they just
can't learn anything this is I wanted

1245
01:49:17,559 --> 01:49:22,500
you to see how remote her Tennessee farm

1246
01:49:22,889 --> 01:49:27,760
7,000 dollars with the cattle to both
mutilations that are clastic and 42 into

1247
01:49:27,760 --> 01:49:31,630
how and all self cattle that are not
mutilated that veterinarian reports say

1248
01:49:31,630 --> 01:49:38,230
they have died from unknown toxicology
at the same time of the five Alabama

1249
01:49:38,229 --> 01:49:41,929
mutilations and this is one of those
cattle that they couldn't find the cause

1250
01:49:41,930 --> 01:49:46,340
of death farm they just had to write it
as an unknown the next picture is of a

1251
01:49:46,340 --> 01:49:50,150
cast that was mutilated and we don't
know I talked with wind about this we

1252
01:49:50,149 --> 01:49:55,219
don't know if it was human agency trying
to imitate an alien mutilation or if

1253
01:49:55,220 --> 01:49:59,690
this was an alien mutilation that was
somehow interrupted they had cut the

1254
01:49:59,689 --> 01:50:05,419
triangle pizza in as they often do but
they had not removed it yet the jaw had

1255
01:50:05,420 --> 01:50:11,289
been stripped but it was as if it were
either done by human imitating the alien

1256
01:50:11,289 --> 01:50:15,949
mutilations are an interrupted when we

really just don't know in this

1257

01:50:15,949 --> 01:50:25,699

particular case I didn't understand that there was some blood yes this is the

1258

01:50:25,699 --> 01:50:30,619

fetus that Angie recalled when they induced the miscarriage or abortion two

1259

01:50:30,619 --> 01:50:34,640

months after they didn't craig nated her and she noticed that it was about three

1260

01:50:34,640 --> 01:50:38,480

times larger than a fetus of human fetus would have been at that point of

1261

01:50:38,479 --> 01:50:43,639

development and it had the black eye lidless eye and this was amidst the

1262

01:50:43,640 --> 01:50:49,220

device they inserted vaginally that caused the miscarriage to occur I

1263

01:50:49,220 --> 01:50:53,210

haven't seen this reported before but I'm interested in any similar reports

1264

01:50:53,210 --> 01:50:59,930

that that you any of you may have devised these are just some of the

1265

01:50:59,930 --> 01:51:07,510

typical puncture marks and body marks these are on inches that concurred with

1266

01:51:07,510 --> 01:51:13,190

certain recalls abduction her drawing at the fetal nursery she was taken there

1267

01:51:13,189 --> 01:51:18,349

five months after she had had the loss of the fetus and she asked what had

1268
01:51:18,350 --> 01:51:22,970
happened to her baby and they told her
it so had been recycled and its physical

1269
01:51:22,970 --> 01:51:28,730
body had been made good use of again now
you see the black box in the corner with

1270
01:51:28,729 --> 01:51:32,179
the little tooth coming out of it
Suzanne Gees drawing Angie's an artist

1271
01:51:32,180 --> 01:51:37,039
by the way she's an illustrator so her
drawings are pretty girl and the box is

1272
01:51:37,039 --> 01:51:42,519
similar to exactly what are it's exactly
what Jane had drawn from her very

1273
01:51:42,520 --> 01:51:47,300
partial memories is being taken out by
the alien she didn't know what the box

1274
01:51:47,300 --> 01:51:51,270
is for
andrew has managed to draw this because

1275
01:51:51,270 --> 01:51:55,440
she said in one instant she'd seen a
gray with clothes on which most often is

1276
01:51:55,439 --> 01:51:59,699
not reported but she drew for me that
what she perceived to be this sort of

1277
01:51:59,699 --> 01:52:04,409
grayish metallic gray jumpsuit with a
snitch dinner gathered waste on this

1278
01:52:04,409 --> 01:52:09,149
particular grade that was wearing
clothes and she saw it and this one is a

1279
01:52:09,149 --> 01:52:14,339

very bumpy skin rough skinned entity she
saw I think only one time it had the

1280
01:52:14,340 --> 01:52:19,199
long knobby fingers and she didn't
really remember about the feet but she

1281
01:52:19,199 --> 01:52:23,460
went in it and put him on there just so
would look like a complete drawing it

1282
01:52:23,460 --> 01:52:30,319
was a very repetition skin not at all
like a food typical grade human

1283
01:52:30,319 --> 01:52:35,250
humanoid-looking entities are human
looking entities in several of these and

1284
01:52:35,250 --> 01:52:38,760
learners have been reported in this
Suzanne she is drawing of two one male

1285
01:52:38,760 --> 01:52:42,210
and one female the male and the
background has a hood on and some kind

1286
01:52:42,210 --> 01:52:46,170
of device on his chest that he's
measuring something and the female have

1287
01:52:46,170 --> 01:52:50,579
supported Angie aboard the craft where
certain news fans would perform all

1288
01:52:50,579 --> 01:52:53,880
right you may not have heard much about
the troll or dwarf figures but in this

1289
01:52:53,880 --> 01:52:58,020
instance when they came into Angie's
home it wasn't Angie they abducted it

1290
01:52:58,020 --> 01:53:02,700
was her husband and he did remember this
consciously it scared him so much she

1291
01:53:02,699 --> 01:53:06,840
really doesn't even talk about this
stuff anymore and he has a former

1292
01:53:06,840 --> 01:53:12,900
intelligence background he really did
shut down when he had to face again

1293
01:53:12,899 --> 01:53:16,769
another symbol here with triangles and a
version of the circle in this case the

1294
01:53:16,770 --> 01:53:21,120
crescent that Angie that observed on the
belt of one of the entities aboard the

1295
01:53:21,119 --> 01:53:25,229
craft and we get variations on this
triangle and circle business over and

1296
01:53:25,229 --> 01:53:29,189
over again and of course the triangle
hearts and the bodies lead us to to

1297
01:53:29,189 --> 01:53:34,619
think of it as basically their logo or
their brand in some ways an unusual

1298
01:53:34,619 --> 01:53:39,689
craft I'm hoping for other reports that
may come in with this site craft I have

1299
01:53:39,689 --> 01:53:44,189
not seen this myself before but it's one
of them craft that was over the farm

1300
01:53:44,189 --> 01:53:48,539
area were in g-wiz
and the second craft were going to see

1301
01:53:48,539 --> 01:53:52,829
in just a minute had some very close
similarities to the Gulf Breeze craft

1302

01:53:52,829 --> 01:53:56,850
it's got the bottom area you've seen the
bottom view at the top and in the side

1303
01:53:56,850 --> 01:54:02,159
view that had a very close description
and what the Gulf Breeze written

1304
01:54:02,158 --> 01:54:06,238
reporters in the bottom of the craft
they see most commonly there and I asked

1305
01:54:06,238 --> 01:54:10,559
her to give me a drawing to the XIV
Testament size on this craft and here's

1306
01:54:10,560 --> 01:54:14,539
her drawing so she's standing down there
below it ceases to be a proportion of

1307
01:54:14,539 --> 01:54:23,029
the ratio of her to the size of the
craft meet some idea of how large it was

1308
01:54:26,090 --> 01:54:31,409
my timings not always great here between
talking and showing the shot okay I hear

1309
01:54:31,408 --> 01:54:35,519
angle was flowing through other women
into this rural military installation

1310
01:54:35,520 --> 01:54:40,440
and this is what she reconstructed a map
of the facility from what she saw flying

1311
01:54:40,439 --> 01:54:45,839
in a dirt road curving at the top three
large buildings and smaller outbuildings

1312
01:54:45,840 --> 01:54:50,940
and two areas for various craft aircraft
for FARC she was taken into this

1313
01:54:50,939 --> 01:54:55,500
building and that's where she and the

women were had both physical exams and

1314

01:54:55,500 --> 01:54:59,729

were interrogated by the military
officer we have not located where this

1315

01:54:59,729 --> 01:55:03,599

facility is a very rural but I know
where the other facility is that she's

1316

01:55:03,600 --> 01:55:07,760

been taking to it that's been and I know
the names of the people involved in her

1317

01:55:07,760 --> 01:55:13,920

her interrogation there this is the
craft in which they were flown she said

1318

01:55:13,920 --> 01:55:17,819

it was really strange on one side there
was a regular life wing and it had a

1319

01:55:17,819 --> 01:55:23,279

u.s. flag on it and Signia on it and so
he thought from that side it was like a

1320

01:55:23,279 --> 01:55:27,000

wing craft but on the other side was a
flat area and in the back of the plane

1321

01:55:27,000 --> 01:55:31,889

were compartment like closet area and
the women were placed each into one of

1322

01:55:31,889 --> 01:55:37,139

these profits when they were taken there
if you heard reports about that rotor

1323

01:55:37,139 --> 01:55:41,279

lift helicopters here is Angie's drawing
of one that she saw on one of the

1324

01:55:41,279 --> 01:55:44,969

military underground facilities it
looked like an upturned upside-down

1325
01:55:44,969 --> 01:55:49,170
helicopter without the blades and we've
gotten reports of these types of craft

1326
01:55:49,170 --> 01:55:54,510
over the years from a number of areas
and I almost want to say ignore this one

1327
01:55:54,510 --> 01:55:57,600
you have to see the pictures up close
but she was taking trying to take

1328
01:55:57,600 --> 01:56:01,650
photographs some of the overflights
of craft and above the farm and she

1329
01:56:01,649 --> 01:56:05,429
snapped these two pictures back-to-back
and then one of them if you had to

1330
01:56:05,429 --> 01:56:09,090
heaven that plus with a enlarger you
would see in one of them there at the

1331
01:56:09,090 --> 01:56:13,889
UFO and the crossing of that main bar
was pointed to contrails but it's not in

1332
01:56:13,889 --> 01:56:19,000
the other
Amy's drawing her first punches siding a

1333
01:56:19,000 --> 01:56:25,719
few foes in 1981 by Kraft over the
university housing area University of

1334
01:56:25,719 --> 01:56:31,659
North Texas she said she did have an
abduction at this time she was was very

1335
01:56:31,659 --> 01:56:36,698
confusing little abduction that she had
all of her life as a child she was

1336
01:56:36,698 --> 01:56:40,359

taught different things that affect you
support life how to pass through solid

1337
01:56:40,359 --> 01:56:45,609
object telekinesis affecting electrical
equipment she said in the last two years

1338
01:56:45,609 --> 01:56:49,809
they've begun now teaching her two young
daughters the same things that they were

1339
01:56:49,810 --> 01:56:54,460
teaching her and of course she can't do
them when she was alone just when she's

1340
01:56:54,460 --> 01:57:00,219
with him one of the daughters through
this this is the large fall of life that

1341
01:57:00,219 --> 01:57:04,750
she has seen on a couple of the patients
come into the house the child had but

1342
01:57:04,750 --> 01:57:09,520
more frequently than this large ones she
has seen a very small ball of light and

1343
01:57:09,520 --> 01:57:13,239
want this problems we typically hear
about and it's one of the few cases and

1344
01:57:13,238 --> 01:57:17,259
we have others but very few when it came
to be a tail or appendage or something

1345
01:57:17,260 --> 01:57:20,380
coming off of the probe life and
investigate both of these have been

1346
01:57:20,380 --> 01:57:26,529
drawn by her daughter who's had a number
of alien encounters herself and in fact

1347
01:57:26,529 --> 01:57:32,399
the next drawing is a page of doodle and
designs that this daughter had just made

1348
01:57:32,399 --> 01:57:36,429
the mother sneaked away and made me a
copy of and you'll notice that the

1349
01:57:36,430 --> 01:57:42,400
aliens of the vertical slit eyes and the
triangle within and the circle this is

1350
01:57:42,399 --> 01:57:48,789
like I said a second graders doodling
obviously expressing some of the things

1351
01:57:48,789 --> 01:57:55,420
that she had seen our witnesses are
again at one point Amy early in her life

1352
01:57:55,420 --> 01:58:00,640
adult life had come to consciousness as
she was floating out of the house being

1353
01:58:00,640 --> 01:58:04,119
floated out of the house and she said
he's the most amazing things she had

1354
01:58:04,119 --> 01:58:08,529
ever experienced at that point to wake
up in you're in midair floating through

1355
01:58:08,529 --> 01:58:12,189
the doorway and out the door she has no
memory of what happened when she was

1356
01:58:12,189 --> 01:58:16,509
outside this is the famous facility
across the street for more Amy lives

1357
01:58:16,510 --> 01:58:20,949
when the human representatives in the
aliens who took her and remove implant

1358
01:58:20,948 --> 01:58:24,879
this is where she lived this is the
facility in the same town we live

1359

01:58:24,880 --> 01:58:29,260
when my husband was also taken to an
underground facility where they were

1360
01:58:29,260 --> 01:58:33,579
storage equipment and military personnel
and we have just wondered if that with

1361
01:58:33,579 --> 01:58:39,609
bank facility Ami's conscious memory at
that time when she was taken and the

1362
01:58:39,609 --> 01:58:43,750
apology was given to her began with what
she felt was a giant man with real

1363
01:58:43,750 --> 01:58:48,399
aliens floating in front of it but that
image or illusion soon disappeared and

1364
01:58:48,399 --> 01:58:52,420
what she saw instead was there was no
moon she wasn't outside there were no

1365
01:58:52,420 --> 01:58:57,039
aliens floating in fact she was in her
dining room and there were men and in

1366
01:58:57,039 --> 01:59:02,289
non-human entities there who took her
from her house she thought they were

1367
01:59:02,289 --> 01:59:06,399
normal men she said they looked
absolutely any man you might see

1368
01:59:06,399 --> 01:59:10,839
anywhere until at one point when she was
in and around facility she got up close

1369
01:59:10,840 --> 01:59:15,610
to one of the men and looked at him very
carefully and he had the very crooked

1370
01:59:15,609 --> 01:59:20,109
eye so she looked at the other two men

and noticed they were wearing contact

1371

01:59:20,109 --> 01:59:24,759

lenses that made their eyes look normal
and when the man saw that she had

1372

01:59:24,760 --> 01:59:28,810

noticed this he sternly told her you
will not remember this you will not

1373

01:59:28,810 --> 01:59:33,789

remember this but she managed very
consciousness remember quite a bit as it

1374

01:59:33,789 --> 01:59:38,079

turns out this is that room the
underground room and of which she was

1375

01:59:38,079 --> 01:59:41,649

taken where the apology was made you can
see if you ever seen Mission Control

1376

01:59:41,649 --> 01:59:45,129

Center how similar his looks to that
kind of a setup

1377

01:59:45,130 --> 01:59:49,989

lots of the little brannad he's working
several human looking in present and

1378

01:59:49,989 --> 01:59:57,039

then of course did see aliens who was
dealing with Amy now this one curiously

1379

01:59:57,039 --> 02:00:00,850

and that's had what looks like a plastic
mask over part of its face and I've

1380

02:00:00,850 --> 02:00:04,930

talked with another a longtime
researcher into the UFO report who has

1381

02:00:04,930 --> 02:00:09,970

gathered in fact a number of cases he
calls the plastic safety cases several

1382
02:00:09,970 --> 02:00:16,090
instances through the years where aliens
have seemed to have had a plastic mask

1383
02:00:16,090 --> 02:00:22,720
and you can see indicated here by Amy's
drawing she was she said the other alien

1384
02:00:22,720 --> 02:00:26,590
entities didn't have this on their face
but this particular one did have this

1385
02:00:26,590 --> 02:00:31,750
masking of everything except behind and
it's her drawing if the procedures a

1386
02:00:31,750 --> 02:00:37,010
metallic pencil shaped object that was
treated into her ear to remove the

1387
02:00:37,010 --> 02:00:42,230
implant which then exploded our
disintegrated I'm sorry it just

1388
02:00:42,229 --> 02:00:46,788
disintegrated into pieces after she was
pulled out of her ear I think there's a

1389
02:00:46,788 --> 02:00:51,319
drawing of what it looked like before it
disintegrated coming up very shortly

1390
02:00:51,319 --> 02:01:00,920
I don't remember ordered exactly okay no
this is her drawing of what happened

1391
02:01:00,920 --> 02:01:04,578
after the ear implant removed the alien
asked for the bend over on this desk

1392
02:01:04,578 --> 02:01:08,448
area and she's the same instrument to
cut into the back of her neck it was

1393
02:01:08,448 --> 02:01:14,029

painless absolutely both of them
painless and removed a small metallic

1394
02:01:14,029 --> 02:01:20,328
thin rod with an inch long that had
filaments or tiny wires coming out of it

1395
02:01:20,328 --> 02:01:25,609
and she was told it was removed from
this part of her brain that was the best

1396
02:01:25,609 --> 02:01:31,479
explanation inch Amy could make from
what the aliens told her

1397
02:01:39,340 --> 02:01:46,989
that top square box shows the
flesh-colored shape of the ear implant

1398
02:01:46,989 --> 02:01:51,369
before it was disintegrated because we
see what he looked like she City was

1399
02:01:51,369 --> 02:01:54,369
flexible
it looked flesh colored you could almost

1400
02:01:54,369 --> 02:01:58,899
transparent embedded in it were certain
tiny filaments of some sort she didn't

1401
02:01:58,899 --> 02:02:03,609
know if they were wires or what they
were this the top shows where the alien

1402
02:02:03,609 --> 02:02:07,869
told her the new implants were now being
played below and slightly behind the ear

1403
02:02:07,869 --> 02:02:12,699
the bottom left drawing is the Shh looks
like a little metallic Tic Tac that's

1404
02:02:12,699 --> 02:02:16,899
what she was told were the new implants
that were being used to control the

1405
02:02:16,899 --> 02:02:21,849
brain skin activity and that these were
not for monitoring but for control and

1406
02:02:21,850 --> 02:02:25,590
the last thing she remembered was the
alien coming that very close to her face

1407
02:02:25,590 --> 02:02:30,010
staring into her eyes and she was trying
very hard to remember what was on the

1408
02:02:30,010 --> 02:02:35,470
big screen but the aliens eyes pepper so
concentrated that she could not recall I

1409
02:02:35,470 --> 02:02:42,340
was not able to take in the information
about what was on the large screen she

1410
02:02:42,340 --> 02:02:46,449
had it to any kind of daytime sighting
of for UFOs over dallas-fort Worth

1411
02:02:46,449 --> 02:02:50,710
Airport at noon one day when she went
out for lunch stop for circular crap

1412
02:02:50,710 --> 02:02:54,730
coming if they approached closer they
changed to look like four sort of

1413
02:02:54,729 --> 02:02:58,689
airplane than the airplanes run that
nose to tail

1414
02:02:58,689 --> 02:03:09,789
solid nose to tail and then merged into
a single v that flew away this is one of

1415
02:03:09,789 --> 02:03:14,140
sort of a nonsense mark on one of the
abductees live we have the fact that

1416

02:03:14,140 --> 02:03:19,180
countries and breezes and claw marks
temples simply designed that appear on

1417
02:03:19,180 --> 02:03:23,079
the body after certain counters and
we've yet to fathom anything about what

1418
02:03:23,079 --> 02:03:27,699
these designs are the final drawing any
trying to show how close some of the

1419
02:03:27,699 --> 02:03:32,229
black helicopters have come down over
where she was living after she F she

1420
02:03:32,229 --> 02:03:35,619
moved to Western FEMA's facility at a
trailer park before she moved to another

1421
02:03:35,619 --> 02:03:40,809
town and a house and she said they came
down this low over the house time after

1422
02:03:40,810 --> 02:03:44,050
time after time and the neighbors
complained and everybody thought and so

1423
02:03:44,050 --> 02:03:50,220
they were real doctors I just did that
excerpt from Angie Kay

1424
02:04:25,238 --> 02:04:34,069
by the way none of the nearest military
or civilian Airport ten minutes later

1425
02:04:34,069 --> 02:04:48,529
it's that time you see 135 very awful a
number of different helicopter variety

1426
02:04:48,529 --> 02:04:57,009
this will feel a little bit minute
players back again

1427
02:05:29,170 --> 02:05:35,199
the next day they found a larger fruit

is still living tree they don't know but

1428

02:05:35,198 --> 02:05:42,729

once did what was it it had not been storming at all it is rained a couple of

1429

02:05:42,729 --> 02:05:46,029

days before but there was no storm that not if you'll notice smaller trees

1430

02:05:46,029 --> 02:05:53,349

around this larger fruiting tree are totally other except for to the back of

1431

02:05:53,350 --> 02:05:57,940

his small stands where it had the top sheared off cleanly sheared off but even

1432

02:05:57,939 --> 02:06:02,469

small branches right next wizards were sheared off one section and damaged you

1433

02:06:02,469 --> 02:06:10,868

can see now the comparison board size of the tree and we did get tree you know

1434

02:06:10,868 --> 02:06:15,448

wood from the tree it was alive when this happened

1435

02:06:33,800 --> 02:06:38,060

if it was wind it was very selective when there was no man anywhere else at

1436

02:06:38,060 --> 02:06:42,920

night and you'll see a very small Creek in and immediately decided totally

1437

02:06:42,920 --> 02:06:47,480

untouched as I said I did agree to get the two top sheared off the trees were

1438

02:06:47,479 --> 02:06:52,939

totally untouched no damage even the land the branches the

1439
02:06:52,939 --> 02:06:56,710

twigs
we have folks that tree is

1440
02:07:00,100 --> 02:07:04,570
that's one of the sheared off tops and
if you could get up close this week we

1441
02:07:04,569 --> 02:07:08,319
were able to do the tiniest branches
around it were unharmed but it was

1442
02:07:08,319 --> 02:07:14,349
sheared off the main trunk and then a
second one towards it back off so the

1443
02:07:14,350 --> 02:07:28,480
next day the top sheared off but no
damage three days later and this is just

1444
02:07:28,479 --> 02:07:34,949
some tiny kid at the activities it's
been for two years you know over in

1445
02:07:42,840 --> 02:07:49,090
about 45 miles that we've checked and
they all deny both civilian and the

1446
02:07:49,090 --> 02:07:52,420
military that's farther away from there
having any but this is not there's

1447
02:07:52,420 --> 02:07:55,720
there's no flight training tasks that
you're over the Profi and there were no

1448
02:07:55,720 --> 02:08:00,150
flights over until she got in contact
with me good at all

1449
02:08:05,289 --> 02:08:15,738
you see one is very bad yeah and I'm the
original you can see some real 58

1450
02:08:15,738 --> 02:08:30,948

antenna right it didn't show up when you
reject it like this and then when the

1451
02:08:30,948 --> 02:08:35,888
helicopters fit all of the canola
Hillary

1452
02:09:01,439 --> 02:09:05,880
so the way in one of our helicopter over
slide three helicopters flying so close

1453
02:09:05,880 --> 02:09:09,538
together this your rotor blades we're
intervention like two egg beaters and I

1454
02:09:09,538 --> 02:09:15,050
thought helicopter pilots and that
doesn't happen it did in this case

1455
02:09:18,550 --> 02:09:22,420
they were in a triangle formation

1456
02:09:26,029 --> 02:09:28,599
my

1457
02:09:34,908 --> 02:09:40,259
I'm not allowed to give more than the
Tennessee location because it threat

1458
02:09:40,260 --> 02:09:58,168
fitter than me okay that's just about it
okay thanks so much for being patient if

1459
02:09:58,168 --> 02:10:01,889
you want to leave please feel free to if
you want to ask questions I'll do my

1460
02:10:01,889 --> 02:10:23,668
best to to give you an answer if you
want to well number two I'm not going to

1461
02:10:23,668 --> 02:10:28,318
tell you about this is prior to my
rejection I'm not going to tell you

1462

02:10:28,319 --> 02:10:33,629
about because of what happened I worry
she asked how I got the documents with

1463
02:10:33,628 --> 02:10:37,798
the names for the military personnel and
agency case and I'm not going to discuss

1464
02:10:37,798 --> 02:10:41,429
it it is my only protection for Angie
they're going to stay totally

1465
02:10:41,429 --> 02:10:46,498
undiscussed until such time as anything
happened to her as for knowing how this

1466
02:10:46,498 --> 02:10:51,088
is an intergenerational in our family
I'll be happy to tell you we know what

1467
02:10:51,088 --> 02:10:55,349
to expect my husband's grandmother in
our case because two years before she

1468
02:10:55,349 --> 02:10:58,979
died the family knew she was getting in
thrilled health and they got a video

1469
02:10:58,979 --> 02:11:03,719
camera and asked her to record for the
family posterity some tale of her

1470
02:11:03,719 --> 02:11:08,489
childhood in East Texas and they were
very very poor farmers and in the course

1471
02:11:08,488 --> 02:11:12,988
is talking about things that happened in
her family and to her as a child she

1472
02:11:12,988 --> 02:11:18,358
described without any knowledge what was
a classic abduction missing time

1473
02:11:18,359 --> 02:11:26,849
scenario with the screen memories of the

unusual very unusual animal that let her

1474

02:11:26,849 --> 02:11:30,389
offer to the swamp she was missing for a
couple of hours and we searched

1475

02:11:30,389 --> 02:11:34,349
everywhere and she said it's real pretty
lady appeared out of nowhere and let her

1476

02:11:34,349 --> 02:11:39,989
back to the property when you study
abduction accounts green memories with

1477

02:11:39,988 --> 02:11:43,218
children you get very typical stories
like this over and over

1478

02:11:43,219 --> 02:11:49,039
that both his mother and father have no
conscious UFO sighting they have had the

1479

02:11:49,039 --> 02:11:52,880
father was with him when he was abducted
as a young child and remembers the

1480

02:11:52,880 --> 02:11:57,890
situation his mother is has evolved his
lives and missing time the strength the

1481

02:11:57,890 --> 02:12:03,710
MIT experiences men and black
experiences both before he was born and

1482

02:12:03,710 --> 02:12:09,529
afterwards and his young son when he was
described the aliens coming into his

1483

02:12:09,529 --> 02:12:23,679
room as well so that's how we know about
it yes I don't have a clue

1484

02:12:34,520 --> 02:12:41,130
FEMA is the Federal Emergency Management
Agency it would be easy for you to do

1485
02:12:41,130 --> 02:12:48,659
the real quick homework to find out
about FEMA from the descriptions of the

1486
02:12:48,659 --> 02:12:53,069
interior facilities that a number of
death is reported correlated with

1487
02:12:53,069 --> 02:12:58,889
official descriptions from these
civilians spoken of civilian facilities

1488
02:12:58,890 --> 02:13:04,050
we realize that there is a correlation
in the kinds of facilities furnishing

1489
02:13:04,050 --> 02:13:08,190
storage etc so we're making this reminds
that it could have been a theme a

1490
02:13:08,189 --> 02:13:11,909
facility and a number of these cases
however in other cases that doesn't seem

1491
02:13:11,909 --> 02:13:16,289
to have been FEMA at all I don't know
what the involvement is beyond what the

1492
02:13:16,289 --> 02:13:19,649
correlations between the descriptions we
know of in the descriptions from

1493
02:13:19,649 --> 02:13:23,089
abductees not given

1494
02:13:34,390 --> 02:13:40,850
it's exactly a question that I find very
very important if they're working with

1495
02:13:40,850 --> 02:13:44,120
the anything flying ahead did he have to
assess if duckies and that's what the

1496
02:13:44,119 --> 02:13:50,269
aliens are doing my point maybe and I

want our thinking on this first stuff

1497

02:13:50,270 --> 02:13:55,070

that they are probably not working with
the same answers in the abducting if

1498

02:13:55,069 --> 02:14:00,349

you're working with any at all
definitely as at least in some cases the

1499

02:14:00,350 --> 02:14:04,430

aliens have said when there were humans
prisons to say are controlling those

1500

02:14:04,430 --> 02:14:09,980

women and we know what can be done to us
abductees so we don't know what controls

1501

02:14:09,979 --> 02:14:15,769

might conceivably be used perhaps
there's more than one non-human route at

1502

02:14:15,770 --> 02:14:20,600

work here and one try to find out about
the other I don't know until they let me

1503

02:14:20,600 --> 02:14:24,050

into the facilities and that can be
debris I can debrief them and look at

1504

02:14:24,050 --> 02:14:30,039

the manuals I'm not going to make
anything other than get let me get

1505

02:15:13,090 --> 02:15:19,430

in fact once at one particular
overfly ng had the radio on and the

1506

02:15:19,430 --> 02:15:23,750

radio begin to make a really really
strange noise she quickly grabbed an

1507

02:15:23,750 --> 02:15:27,829

audience's head and reported this noise
and we took it to the radio sound

1508
02:15:27,829 --> 02:15:31,850
engineers and have him to analyze it and
see what kind of disturbance

1509
02:15:31,850 --> 02:15:36,620
interferences sitters and coffees and
makes it not identify it was not known

1510
02:15:36,619 --> 02:15:41,000
to them from their work what the source
assisted appearance so it was it was not

1511
02:15:41,000 --> 02:15:46,239
common technology at least in that
particular case

1512
02:16:11,430 --> 02:16:16,590
since I was five years old but didn't
know what they were they would seem to

1513
02:16:16,590 --> 02:16:22,319
have been very straight since I was five
until 1987 year ago we had a year and a

1514
02:16:22,319 --> 02:16:26,759
half of hell and they were three foot
one time in fact I when I got involved

1515
02:16:26,760 --> 02:16:31,050
with some other execs season after we
got through this initial phase of making

1516
02:16:31,050 --> 02:16:35,250
context there was one particular one
whom we call me for support and he was

1517
02:16:35,250 --> 02:16:39,299
having he said he counters a couple or
two or three times a week for a while

1518
02:16:39,299 --> 02:16:43,709
and I didn't believe I just did friend I
just can't be doing that I mean they go

1519
02:16:43,709 --> 02:16:46,949

they can't just be having all these
people dealing with just fuse I mean I

1520
02:16:46,950 --> 02:16:51,389
just I think you're making some of this
stuff and for 14 nights running hours

1521
02:16:51,388 --> 02:16:56,339
decision after that to show me I guess
listen necessary and I say watch it

1522
02:16:56,340 --> 02:17:00,389
normally however I said you're in the
next period the activities that we were

1523
02:17:00,388 --> 02:17:04,888
aware of ways when we had something
maybe over seven or eight months the

1524
02:17:04,888 --> 02:17:09,899
most recent time I have consciously seen
an MP in the house was in November and

1525
02:17:09,899 --> 02:17:14,250
it was wanted November it wasn't it was
one of those innovative people was on my

1526
02:17:14,250 --> 02:17:19,379
husband's side of the bed and I was not
paralyzed that was able to sit up and

1527
02:17:19,379 --> 02:17:22,799
wake him up and making turned the light
on I watch these things apply to while

1528
02:17:22,799 --> 02:17:27,840
the threat you know had the nerve to do
anything and we turn the line on it just

1529
02:17:27,840 --> 02:17:35,219
this way so that's it had been much less
in May of 92 an abduction was beginning

1530
02:17:35,218 --> 02:17:39,089
it was very familiar from what we had
been through consciously before and I've

1531
02:17:39,090 --> 02:17:42,960
gotten past all the fear that I had that
first few months appears really bad

1532
02:17:42,959 --> 02:17:45,959
saying they like it for one thing so I
don't want to give it to them and

1533
02:17:45,959 --> 02:17:50,069
secondly it paralyzes your ability to
respond so I'd work my ways to be

1534
02:17:50,069 --> 02:17:56,459
fearful and I turned it to anger which
was much more effective and I heard the

1535
02:17:56,459 --> 02:18:00,539
onset of the abductions there's a
certain sound that it occurred a couple

1536
02:18:00,540 --> 02:18:04,139
of other times when we had a conscious
abduction and I herded to get in the

1537
02:18:04,138 --> 02:18:07,649
middle and I came without a bed and I
said you're really going to be sorry not

1538
02:18:07,649 --> 02:18:13,379
I'm kicking your book and that one
started making back settlements later

1539
02:18:13,379 --> 02:18:17,909
now however since I got over this here
they tend to either keep me totally out

1540
02:18:17,909 --> 02:18:23,940
our letting stage is very very little
because they know I guess I'm gonna try

1541
02:18:23,940 --> 02:18:27,849
to kick
I'm going to try I'm going to try I so

1542

02:18:27,849 --> 02:18:33,489
it's been less activity yesterday here
in a half no I do not remember seeing

1543
02:18:33,489 --> 02:18:38,020
any military facility I only tell you
where I remember I don't remember that

1544
02:18:38,020 --> 02:18:40,260
yes

1545
02:18:56,909 --> 02:19:02,218
well yeah yeah first off many many many
abductees has been shown the scenes of

1546
02:19:02,218 --> 02:19:06,029
destruction including my daughter-in-law
when she was 12 years old which up until

1547
02:19:06,030 --> 02:19:10,200
one night when they did a baby basically
a slide show showing her these themes of

1548
02:19:10,200 --> 02:19:14,070
all sorts of destruction that's just so
typical I mean it's everywhere you can

1549
02:19:14,069 --> 02:19:21,269
find that anywhere and what was the
second part of the question our

1550
02:19:21,269 --> 02:19:27,450
ancestors they told me that yeah in 1981
I had a 40 minute encounter of course I

1551
02:19:27,450 --> 02:19:30,870
was good enough to say but I didn't know
what they were I thought I was having a

1552
02:19:30,870 --> 02:19:34,979
vision on illumination or whatever this
thing was it so long to cook dinner this

1553
02:19:34,978 --> 02:19:38,728
has been into the fridge by the way it's
almost a funny story but it's not really

1554
02:19:38,728 --> 02:19:42,629
but I come home you know put the pot
roast and I hate so alright time I

1555
02:19:42,629 --> 02:19:46,949
really hated it now I just don't do it
but I was going home to cook and I'd

1556
02:19:46,950 --> 02:19:50,430
left the neighbors and gone into the
back of the five acres farms where we

1557
02:19:50,430 --> 02:19:54,689
live and walking towards the back of the
house I hit something that felt like a

1558
02:19:54,689 --> 02:19:59,850
like a sports field and it's not shot it
was not painful which is shocking and I

1559
02:19:59,850 --> 02:20:05,069
started moving real slow the controls
and everything I saw had a little glowy

1560
02:20:05,069 --> 02:20:09,329
shimmery color thing coming off of it
everything and I looked at the mother to

1561
02:20:09,329 --> 02:20:14,129
succeed asleep behind our house with
these four enemies about my son they

1562
02:20:14,129 --> 02:20:18,059
look like human air Lauren's of shadows
she could see almost through them no

1563
02:20:18,059 --> 02:20:22,920
facial features they were standing side
by side the one on the inner had his arm

1564
02:20:22,920 --> 02:20:27,000
out at me and they mentally started
talking to me telling me that they loved

1565

02:20:27,000 --> 02:20:31,799
me they were my ancestors how good it
was to see me I thought I was having a

1566
02:20:31,799 --> 02:20:36,478
hallucination okay I did not take these
things literally real I've moved slowly

1567
02:20:36,478 --> 02:20:42,029
towards him that came and circled around
me and they started their hands started

1568
02:20:42,030 --> 02:20:46,020
like moving once it's about six to eight
inches around my body and I said you

1569
02:20:46,020 --> 02:20:48,840
know what you do it and I said we're
just checking and make sure the

1570
02:20:48,840 --> 02:20:53,819
knowledge we planted down and I took the
word to talk it in your pocket it set to

1571
02:20:53,819 --> 02:20:57,719
activate or go off the right path I said
what are you talking about this if we

1572
02:20:57,719 --> 02:21:01,469
put all of our ancestral knowledge in
here and you can tap into it and I think

1573
02:21:01,469 --> 02:21:05,459
I'm having hallucinations so I don't
take it seriously that's what is joking

1574
02:21:05,459 --> 02:21:10,489
and I said well surely one of my incense
somewhere

1575
02:21:12,799 --> 02:21:17,849
and they said yes they released infant
talking I gotta go any cooked dinners

1576
02:21:17,850 --> 02:21:21,479
that came in the house with me

everything was still under the flow

1577

02:21:21,478 --> 02:21:26,250

under their control that went in bathroom
washing a hand the filth Indiglo the

1578

02:21:26,250 --> 02:21:29,459

toilet had to go over to him as well and
that's another one in the kitchen and

1579

02:21:29,459 --> 02:21:34,469

after see though they were identical but
she was male to exceed them and the two

1580

02:21:34,469 --> 02:21:40,109

males stood beside them so so and
directed me through every single step of

1581

02:21:40,110 --> 02:21:46,470

cooking the two of the seated female
stayed behind me and I would try to turn

1582

02:21:46,469 --> 02:21:49,709

to see what they were doing that I
couldn't hurt and at one point they got

1583

02:21:49,709 --> 02:21:53,219

up behind my neck and it was making a
buzzing mumbling ones it's really

1584

02:21:53,219 --> 02:21:57,179

irritating students parents whoever see
if it's what they do it

1585

02:21:57,180 --> 02:22:02,880

all they just give me instructions on
paying attention and I remembered all

1586

02:22:02,879 --> 02:22:07,349

the way through getting this pot roast
on to this so and then there was a gap

1587

02:22:07,350 --> 02:22:11,970

in my memory and the next thing I
remember is in 40 minutes I walked into

1588
02:22:11,969 --> 02:22:15,688
the death of my yard and saw them
sitting at the table pot roast is

1589
02:22:15,689 --> 02:22:20,340
boiling away there's no aliens
there's no glow there's no anything and

1590
02:22:20,340 --> 02:22:24,860
my husband came home from work he does
not believe that we don't have today

1591
02:22:24,860 --> 02:22:29,579
tolling about this year's vision thing
and 20 minutes is so late in the

1592
02:22:29,579 --> 02:22:33,780
sentiment no and I told him about it and
my husband noticed that I had already

1593
02:22:33,780 --> 02:22:47,870
forgotten a number of details but it's
her know happy

1594
02:22:50,670 --> 02:22:54,510
know anything did tell me I was
believing I'm saying they give so much

1595
02:22:54,510 --> 02:22:58,648
alien lore that you can't check out I
mean you never bet when they first

1596
02:22:58,648 --> 02:23:02,010
started having heard heavy people the
fifties they said we're swearing from

1597
02:23:02,010 --> 02:23:07,680
always moon with Mars Venus and then we
started thankful inspiration their solar

1598
02:23:07,680 --> 02:23:12,000
system all seven they're not only
minimizing there's an Orion or us or

1599
02:23:12,000 --> 02:23:17,459

somewhere we get stopped yet so it's um
what we had got yet they there's just

1600
02:23:17,459 --> 02:23:24,679
too many stories and I know they applied
and so I was really used to talk I don't

1601
02:23:45,040 --> 02:23:51,949
I just heard the same stories you have
we did make a trip back in 89 filthy

1602
02:23:51,949 --> 02:23:54,800
when they've heard about all the stuff
to see if we could find anything you

1603
02:23:54,799 --> 02:23:58,789
know being intrepid explorers like we
were and we talked to the local

1604
02:23:58,790 --> 02:24:02,300
population and the ones who have taught
to us and they laughed about it they

1605
02:24:02,299 --> 02:24:05,629
said there was nothing there and we
drove all the way around the Archuleta

1606
02:24:05,629 --> 02:24:10,219
Archuleta Mesa and we never had anybody
tasted just funny weird craft or

1607
02:24:10,219 --> 02:24:13,488
anything like that
well I don't know just one else rumor is

1608
02:24:13,488 --> 02:24:17,198
it you want rumors we got rumors

1609
02:24:40,530 --> 02:24:45,131
well there are some reasons I'm real
hesitant beginning the numbers of

1610
02:24:45,130 --> 02:24:49,501
percentages one of the reasons is that
for every person who talks I have a

1611
02:24:49,501 --> 02:24:56,380
feeling from what we have gleaned that
there may be 50 or 100 who are okay so I

1612
02:24:56,380 --> 02:25:01,329
can't judge from German I can't make a
good judgment through the ones who talk

1613
02:25:01,329 --> 02:25:06,069
I don't have a clue how many people may
be involved we know it clusters and

1614
02:25:06,069 --> 02:25:09,880
family groups you know it's a
transgenerational the first thing you do

1615
02:25:09,880 --> 02:25:13,390
when a new person comes to you that
think they've had experiences as you go

1616
02:25:13,390 --> 02:25:16,659
talk to the rest of family and nine
times out of ten you're going to find

1617
02:25:16,659 --> 02:25:20,501
other members you've had it so you
extrapolate the numbers you know what

1618
02:25:20,501 --> 02:25:24,310
the Roper poll has shown you know what
the other abductee researchers have

1619
02:25:24,310 --> 02:25:40,029
shown
it would just be again know I felt like

1620
02:25:40,030 --> 02:25:46,211
it was an external controller I walked
into a field that was that what that hit

1621
02:25:46,210 --> 02:25:50,710
the field whatever control would be
starting with being dirty this is

1622
02:25:50,710 --> 02:25:54,579

happening to other people was will
infected and the books I talk about it

1623
02:25:54,579 --> 02:26:00,819
situation to transfer title they'll talk
about a situation in my Senate fiance

1624
02:26:00,819 --> 02:26:04,690
drove up to the time we moved out after
this point they were living there and

1625
02:26:04,690 --> 02:26:10,780
they drove up to an area where the field
seems to come into the car and it passed

1626
02:26:10,780 --> 02:26:19,989
basically between the back of the
driver's seat so I don't know but I do

1627
02:26:19,989 --> 02:26:24,130
know how its objectives and then
nineteen seventies with a time in my car

1628
02:26:24,130 --> 02:26:30,279
off Interstate 20 and I remember having
something done that was inserted in the

1629
02:26:30,280 --> 02:26:33,079
right here without but they were good
answer

1630
02:26:33,079 --> 02:26:38,459
I don't so I don't know I've didn't
anything show up on x-ray now my

1631
02:26:38,459 --> 02:26:42,779
mother-in-law on the other hand arrested
it had experiences before method for

1632
02:26:42,780 --> 02:26:47,159
employment afterwards was having back
problems about three years ago and they

1633
02:26:47,159 --> 02:26:50,851
were talking surgery he said before you
do surgery you might want to check the

1634
02:26:50,851 --> 02:26:55,860
time factor a little less dramatic
and finally this go to retire factories

1635
02:26:55,860 --> 02:27:01,170
when they first get a patient's they do
a head-to-toe x-ray and when I went back

1636
02:27:01,170 --> 02:27:04,920
with her for the x-ray analysis and we
came in

1637
02:27:04,920 --> 02:27:10,590
the doctor said murder he didn't tell me
it had brain surgery and his turn said I

1638
02:27:10,590 --> 02:27:17,130
hadn't had breast surgery he said oh yes
you had any sugar on the x-ray a healed

1639
02:27:17,129 --> 02:27:22,829
incision into the area which is what we
call the third eye and forehead on

1640
02:27:22,829 --> 02:27:27,299
another case bathroom it was the one
Supporter results and her family

1641
02:27:27,299 --> 02:27:31,199
suggested not consider the way she
suffered a number of physical senses

1642
02:27:31,200 --> 02:27:35,521
including the rash the hair loss nausea
and high problems when she was like 28

1643
02:27:35,521 --> 02:27:39,300
years old and the eye problem stuff so
bad she had had surgery and when she

1644
02:27:39,299 --> 02:27:42,840
went in to have surgery the doctor said
he didn't tell me it already had eye

1645

02:27:42,840 --> 02:27:49,739
surgery that's what she had my husband
just had a root canal when he went into

1646
02:27:49,739 --> 02:27:53,699
the x-ray the root canal the dentist
came out said I wanted to those actually

1647
02:27:53,700 --> 02:27:57,750
began something really weird here and I
don't understand it he the second fit

1648
02:27:57,750 --> 02:28:01,680
that the same thing one of the teeth and
the teeth or another part was hot the

1649
02:28:01,680 --> 02:28:06,899
whole day about abducts even teeth but
this one was one of the pack molar

1650
02:28:06,899 --> 02:28:11,129
he said apparently he's gone swinging
them through and then suddenly out fuse

1651
02:28:11,129 --> 02:28:15,479
that together and saw line was still all
the way through the tooth that had never

1652
02:28:15,479 --> 02:28:20,520
seen that before didn't understand how
that happened so yeah there's sometimes

1653
02:28:20,521 --> 02:28:26,420
we just don't remember certain things we
don't

1654
02:28:48,000 --> 02:28:54,129
I have cut now we can in my husband's
catch if the x-ray he wanna know if

1655
02:28:54,129 --> 02:28:59,739
we've tried to get medical records
documenting this yet that we can get

1656
02:28:59,739 --> 02:29:05,021
there's no problem the x-rays from my

mother-in-law's chiropractor no problem

1657

02:29:05,021 --> 02:29:09,159

but when I'm had I thought I had
establish a registry lationship with my

1658

02:29:09,159 --> 02:29:12,489

doctor when I'm I got a new doctor
whatever the Arkansas I want anyone I

1659

02:29:12,489 --> 02:29:17,709

could talk to about this to record and
document the physical symptoms and at

1660

02:29:17,709 --> 02:29:24,279

one point in one November in 92 I had
waked up as many of duckies do I one of

1661

02:29:24,280 --> 02:29:27,460

those that went to the 3:00 in the
morning every morning and I get up and

1662

02:29:27,459 --> 02:29:30,459

go to the bathroom and then I go back to
this and I got up at 3:00 in the

1663

02:29:30,459 --> 02:29:34,090

mornings on bathroom I think fine went
back to bed and I woke up at 7 in the

1664

02:29:34,091 --> 02:29:38,319

morning and went to the bathroom and
almost you know launched off the toilet

1665

02:29:38,319 --> 02:29:41,619

because there was something
excruciatingly painful happening and

1666

02:29:41,620 --> 02:29:46,420

when I looked there was a three inch
slice in the genital region as if

1667

02:29:46,420 --> 02:29:51,729

somebody taken a razor blade and sliced
up a flat pin and I went to the doctor

1668
02:29:51,729 --> 02:29:55,029
two and a half weeks later I was a kid
to forgot illogically expand I

1669
02:29:55,030 --> 02:29:58,690
remembered nothing happening between 3
and 7 that's parently something there

1670
02:29:58,690 --> 02:30:03,551
and I got up in the stirrups for my
yearly guide logical exam and she said

1671
02:30:03,550 --> 02:30:06,850
we'd already talked about the alien
stuff and she was very open to it she

1672
02:30:06,851 --> 02:30:10,900
had family members who have died and she
was real interested she said anything

1673
02:30:10,899 --> 02:30:15,459
happened lately and I said yelling them
on the second I woke up method this my

1674
02:30:15,459 --> 02:30:21,039
period she said well it's still I can
still see the star very clearly and she

1675
02:30:21,040 --> 02:30:25,150
I said would you put it in my medical
record eg please document it she said of

1676
02:30:25,149 --> 02:30:31,149
course got a nurse in there the witness
said she threw god diagrams of what for

1677
02:30:31,149 --> 02:30:36,629
the scar or he was put it on the notes
which is all the notes of my yearly exam

1678
02:30:36,629 --> 02:30:43,089
last December I demanded to be given my
medical records because I was

1679
02:30:43,090 --> 02:30:47,648

to change doctors and they refused it's
state law that we can have our Ridge of

1680
02:30:47,648 --> 02:30:51,309
home request and they absolutely refused
to give it to me I had to go to the

1681
02:30:51,309 --> 02:30:56,559
Arkansas State Medical Board and press
charges to get my final relief when they

1682
02:30:56,559 --> 02:31:00,639
finally did release my file that page
was missing so I went back to the board

1683
02:31:00,639 --> 02:31:05,379
and said they only gave me an incomplete
file I want that page and it took two

1684
02:31:05,379 --> 02:31:09,219
weeks to get another page clear to me
and it wasn't the original page there's

1685
02:31:09,219 --> 02:31:14,528
no drawing and no reference to it
whatsoever we've had medical records

1686
02:31:14,529 --> 02:31:30,328
disappear out of clinic yeah yeah you
know training supplies whatever that

1687
02:31:30,328 --> 02:31:35,500
sure sure a number of abductees have
reported being taken it's shown how to

1688
02:31:35,500 --> 02:31:40,359
operate certain equipment aboard craft
even how to pilot the craft

1689
02:31:40,359 --> 02:31:44,470
they've been trained in a number of
other ways and I not about weaponry

1690
02:31:44,469 --> 02:31:48,549
perhaps but one of the most weird
stories as far as training goes involves

1691
02:31:48,549 --> 02:31:52,658
when these underground facilities in
human and alien people three women a

1692
02:31:52,658 --> 02:31:58,449
nurse a teacher and a therapist - were
French from Oklahoma were on making a

1693
02:31:58,449 --> 02:32:03,100
trip together to Arizona several years
back you see one of Barbara's cases and

1694
02:32:03,100 --> 02:32:06,158
they were suddenly compelled for no good
reason to get off the interstate

1695
02:32:06,158 --> 02:32:10,359
Technosphere little road LT middle of
nowhere and when they did they came to a

1696
02:32:10,359 --> 02:32:15,970
really little weird gas station rushing
through little thing and they went

1697
02:32:15,969 --> 02:32:19,988
inside one of them had to go to the
bathroom and the other two were trying

1698
02:32:19,988 --> 02:32:23,529
to find something to eat it's really
weird there were shell there might be a

1699
02:32:23,529 --> 02:32:27,640
can here and a can there but it wasn't
really stocked like this door and the

1700
02:32:27,639 --> 02:32:31,778
woman was a very long time in the
bathroom when she finally came out like

1701
02:32:31,779 --> 02:32:37,270
30 minutes later they got in the car to
leave and they couldn't talk I mean they

1702

02:32:37,270 --> 02:32:41,529
couldn't talk they could just verbal and
this went on for about an hour and then

1703
02:32:41,529 --> 02:32:45,550
when they finally were able to talk
again they couldn't make sense when they

1704
02:32:45,549 --> 02:32:48,670
talked but when the one to say I
wondered what happened to us and what

1705
02:32:48,670 --> 02:32:52,210
she would say with something like you
know your footage would it just took for

1706
02:32:52,209 --> 02:32:56,769
a while before they got their verbal
skills that they knew something in half

1707
02:32:56,770 --> 02:33:00,460
one of them had already had abduction
experiences so when they got back from

1708
02:33:00,459 --> 02:33:07,329
the trip in Arizona one of them went to
Barbara and had regression work what

1709
02:33:07,329 --> 02:33:10,780
came out of that was so extraordinary
that they made plans for the other two

1710
02:33:10,780 --> 02:33:13,720
to come they kept the information
separately and all three women went

1711
02:33:13,719 --> 02:33:20,679
through regressions eventually one of
the women all the women remembered being

1712
02:33:20,680 --> 02:33:25,420
taken out of Dorf in this little
quote-unquote store into a tunnel

1713
02:33:25,420 --> 02:33:29,469
entrance into an underground facility

they all described initially the same

1714

02:33:29,469 --> 02:33:34,389

thing from that point on the story
changed one of the women after getting

1715

02:33:34,389 --> 02:33:40,209

to that point screamed for the rest of
the of the regression scream that's all

1716

02:33:40,209 --> 02:33:45,819

she did that bring around the second
woman remembered being taken to a room

1717

02:33:45,819 --> 02:33:49,629

when exam rooms went on a table and
fighting very physically fighting

1718

02:33:49,629 --> 02:33:55,359

against support against him holding her
down before she was sedated and doesn't

1719

02:33:55,360 --> 02:34:00,520

know what kind of exam she had the third
woman remembered going into the same

1720

02:34:00,520 --> 02:34:05,290

facility watching as the other two women
were led away while she herself walked

1721

02:34:05,290 --> 02:34:10,600

over to sort of like a dressing room
area changed into her uniform went to

1722

02:34:10,600 --> 02:34:15,360

computer console is that I punched in my
color woodwork

1723

02:34:31,790 --> 02:34:36,810

well I'm not surprised I just hadn't
heard of them I bet you not maybe I'll

1724

02:34:36,810 --> 02:34:40,290

just do my homework on more of these
electronic things and I'm getting more

1725
02:34:40,290 --> 02:34:45,140
towards educating myself on it but you
have to realize this is fairly new

1726
02:34:45,140 --> 02:34:50,581
material for me to be dealing with and
there are some people here that human

1727
02:34:50,581 --> 02:34:54,540
context who have done some of their
homework on some of the technology

1728
02:34:54,540 --> 02:34:59,850
around so yeah it's being pursued by a
number of people was that time about up

1729
02:34:59,851 --> 02:35:02,931
oh we go

1730
02:35:18,251 --> 02:35:22,729
so please don't let me stop you there
please don't be anxious please don't be

1731
02:35:22,729 --> 02:35:28,251
afraid the abductors like that and they
use that energy the first thing any

1732
02:35:28,251 --> 02:35:32,360
abduction abductee needs to do is get
rid of the fear and turn it around

1733
02:35:32,360 --> 02:35:37,700
something that outward rather than
inward disappear is first off something

1734
02:35:37,700 --> 02:35:42,261
they like and secondly it's paralyzing
for the person involved so magic say

1735
02:35:42,261 --> 02:35:45,069
that then what you go ahead

1736
02:36:20,978 --> 02:36:25,938
well I've heard that oh yeah I've heard
that theory and certainly divided

1737
02:36:25,939 --> 02:36:29,630
content and really good technique for
keeping people confused whether it's our

1738
02:36:29,629 --> 02:36:35,478
aren't people doing it are the aliens
doing it I don't know but as I've

1739
02:36:35,478 --> 02:36:41,719
watched what seems to be the preparation
program the media etcetera the attention

1740
02:36:41,719 --> 02:36:46,250
about the alien activity that's seeping
out through the advertisements and the

1741
02:36:46,250 --> 02:36:51,949
fit companies on they seem to be putting
out more of a vague placating message

1742
02:36:51,949 --> 02:36:56,569
that the aliens are okay that it's
alright because there but they're not

1743
02:36:56,568 --> 02:37:00,079
threatening so it would be weird for
them to turn around the other hand it's

1744
02:37:00,079 --> 02:37:04,639
got a fake bad ad
I've heard some researchers who say any

1745
02:37:04,639 --> 02:37:08,238
time an abductee reports having the
negative experience with an alien it

1746
02:37:08,238 --> 02:37:11,568
wasn't really an alien it was a
government agent I call that the g-men

1747
02:37:11,568 --> 02:37:14,988
and lizard suit theory and I don't buy
it

1748

02:37:14,988 --> 02:37:22,549
I think these activities are kinetic and
I think that the abductors are basically

1749
02:37:22,549 --> 02:37:27,079
using us to harvest material from us and
what is that the negative thing to you

1750
02:37:27,079 --> 02:37:31,908
that's something you have to decide to
me it is it may be perfectly legitimate

1751
02:37:31,908 --> 02:37:36,978
for them I mean the cows that we farm
probably don't think of us as malevolent

1752
02:37:36,978 --> 02:37:40,818
but they don't think a lot but if they
started thinking or they developed the

1753
02:37:40,818 --> 02:37:44,988
ability to think they might think we
just got off so all we're doing is

1754
02:37:44,988 --> 02:37:51,439
eating them you know I don't know I
don't buy that it is like that the

1755
02:37:51,439 --> 02:37:57,229
negative at alien information is mind
control instigated completely to give

1756
02:37:57,228 --> 02:38:00,579
aliens a bad name No

1757
02:38:09,879 --> 02:38:16,189
well yes there could be there could be I
attended take from what the evidence

1758
02:38:16,190 --> 02:38:41,420
we've seen is that its technological
better than that physical yeah well I

1759
02:38:41,420 --> 02:38:45,049
think certainly whatever resistance
might prove to be the most effective

1760
02:38:45,049 --> 02:38:52,119
will come out of our interiors drink yes
I do think that the real possibility

1761
02:38:58,350 --> 02:39:00,380
Oh

1762
02:39:09,760 --> 02:39:20,478
they didn't always have a lot of
doppelganger resources what I called it

1763
02:39:20,478 --> 02:39:25,728
where there is apparently a copy of the
person active doing something at point a

1764
02:39:25,728 --> 02:39:30,170
while real person at that point B
verifiably so this is even happening my

1765
02:39:30,170 --> 02:39:35,750
husband this is not insanity the Hudson
Louisiana said on a security and one if

1766
02:39:35,750 --> 02:39:41,299
one part is assignment he was in Berlin
he was on Bay working in the room with

1767
02:39:41,299 --> 02:39:47,179
other people in this and is that duty
well at the same time totally across I

1768
02:39:47,180 --> 02:39:55,040
win he was going in his home family so
I'm at home when his poverty was my

1769
02:39:55,040 --> 02:40:01,670
thing just one is many times he had
doubled effective show up where we

1770
02:40:01,670 --> 02:40:06,228
number one was at the time we verify
that yet we had verifiable reports of a

1771
02:40:06,228 --> 02:40:18,109

coffee event person seeming to be that
person to display know he remembered

1772
02:40:18,110 --> 02:40:21,800
being at work they verified he was there
he don't walk off of the security

1773
02:40:21,799 --> 02:40:27,789
environment self-drilling huh he was
there they was also somebody just like

1774
02:40:27,790 --> 02:40:31,340
instantaneous
it did weird things came in walked

1775
02:40:31,340 --> 02:40:35,030
through the doors wifey now the bedroom
she's married before being fit what are

1776
02:40:35,030 --> 02:40:39,110
you doing home he totally ignored or
walking his bastard shut the door say so

1777
02:40:39,110 --> 02:40:44,120
now nineteen out walked out of the house
and left and when he really came home

1778
02:40:44,120 --> 02:40:52,390
she said what yeah what yeah but she
thought it with him

1779
02:41:08,140 --> 02:41:12,640
and even this is how a commonality
effort speak of a couple of extensions

1780
02:41:12,640 --> 02:41:17,250
that for the most part the only thing I
felt it fits the commonality is

1781
02:41:17,250 --> 02:41:27,300
extremely good in your part actually not
half in the most part high intelligence

1782
02:41:27,300 --> 02:41:56,050
created not always the only common trait
I found except for maybe the okay the

1783
02:41:56,050 --> 02:41:59,199
man this gentleman asked an important
question it will be the last time I

1784
02:41:59,200 --> 02:42:02,740
think we have time sorry city settings
make bodies grow body

1785
02:42:02,739 --> 02:42:06,101
somebody's near thing with such a
thickness why would they need higher

1786
02:42:06,101 --> 02:42:10,210
bodies like in these processes
well remember I said I'm not sure these

1787
02:42:10,209 --> 02:42:14,020
plants exist that could be virtual
reality and they could be showing us

1788
02:42:14,021 --> 02:42:18,579
these movies to manipulate our thinking
in certain ways or for fear encircle it

1789
02:42:18,579 --> 02:42:21,579
could you see loop if in fact they do
exist

1790
02:42:21,579 --> 02:42:27,671
however perhaps as intense case where
they where we just more worth it you

1791
02:42:27,671 --> 02:42:31,601
know we talked about in the book that I
didn't went to today his steering on

1792
02:42:31,601 --> 02:42:37,360
this if that periodically abductees may
be flown more than one because what

1793
02:42:37,360 --> 02:42:42,971
would be what he picked up firmness is
toxic newest one is that yes that can

1794

02:42:42,970 --> 02:42:49,630
grow physical body no doubt about it
but the body that has not had the soul

1795
02:42:49,630 --> 02:42:55,060
energy in it
it's like rather that he started without

1796
02:42:55,060 --> 02:42:57,360
this

1797
02:42:58,250 --> 02:43:06,760
that's it you know what I need it's a

1798
02:43:29,228 --> 02:43:42,639
very cry I don't play to your rib
physically real pleasure
