

1
00:00:21,179 --> 00:00:25,539
hey guys I'm Nik and welcome to UFO
Chronicles I just wanted to do a quick

2
00:00:25,539 --> 00:00:29,799
video about the Gatwick shutdown that's
happening in the minute I've been sent

3
00:00:29,800 --> 00:00:33,369
some footage from the airport but before
I play it you know we ready to ask

4
00:00:33,369 --> 00:00:38,439
ourselves why has now been 24 hours that
all flights have been grounded there's

5
00:00:38,439 --> 00:00:41,799
lots of police on the ground as well as
Army why can't they find the

6
00:00:41,799 --> 00:00:46,359
pilots they should be localized so
there's three possible reasons why this

7
00:00:46,359 --> 00:00:49,149
could be happening
number one it's just a couple of drone

8
00:00:49,149 --> 00:00:54,128
operators just having a laugh and doing
it deliberately number two the airport's

9
00:00:54,128 --> 00:00:59,019
basically being held to ransom or number
three it could be a deliberate attempt

10
00:00:59,020 --> 00:01:03,640
by our government to bring even more
stricter laws controlling the use of

11
00:01:03,640 --> 00:01:08,590
drones by staging this are the most
busiest time for the airport being

12

00:01:08,590 --> 00:01:13,299

Christmas to get more coverage and
public outcry or finally it could just

13

00:01:13,299 --> 00:01:17,109

be a UFO in the airspace let's take a
look at the video give me your thoughts

14

00:01:17,109 --> 00:01:21,849
