Mauricio and he comes to us from Spain

20
00:01:55,099 --> 00:02:01,250
and his sighting occurred in the Andes

21
00:01:57,439 --> 00:02:02,959
of Colombia in 1992 but first I want to

22
00:02:01,250 --> 00:02:04,760

big thank you to squirrel pre

becoming patreon and sponsoring the show

32
00:02:25,310 --> 00:02:30,650
it really helps me a great deal thanks

33
00:02:28,250 --> 00:02:32,330
for that if you're a fan of the show and

34
00:02:30,650 --> 00:02:34,819
would like to help support the podcast

35
00:02:32,330 --> 00:02:36,969
by becoming a patron head on over to

36
00:02:34,819 --> 00:02:36,969
www.skinnygainmuscle.com

37
00:02:53,050 --> 00:02:58,090
hola Mauricio yes well welcome to the

38
00:02:56,560 --> 00:03:00,039
show

39
00:02:58,090 --> 00:03:02,469
it's great to have someone from Spain on

40
00:03:00,039 --> 00:03:05,259
the show I know we have a few Spanish

41
00:03:02,469 --> 00:03:07,539
listeners but your sighting was in the

42
00:03:05,259 --> 00:03:09,879
Andes of Colombia can you tell the

43
00:03:07,539 --> 00:03:11,949

audience when it was and just walk us

44

00:03:09,879 --> 00:03:16,060

into what you were doing please yes

45

00:03:11,949 --> 00:03:19,629

thank you okay so here is what happens I

46

00:03:16,060 --> 00:03:21,939

divided this story in three different

47

00:03:19,629 --> 00:03:24,639

aspects because what I really want to

48

00:03:21,939 --> 00:03:27,879

tell people is that there is something

49

00:03:24,639 --> 00:03:30,479

outside there it is true that there is

50

00:03:27,879 --> 00:03:33,699

something I've it is happening now so

51

00:03:30,479 --> 00:03:36,639

the first part is the context yes in

52

00:03:33,699 --> 00:03:40,689

that moment when I saw the boy I was

53

00:03:36,639 --> 00:03:44,859

living in Colombia in South America and

54

00:03:40,689 --> 00:03:49,329

we were in a place a reservation a part

55

00:03:44,860 --> 00:03:52,210

natural National Park near to Bogota

56

00:03:49,330 --> 00:03:55,390

which is the capital city and we were

57

00:03:52,210 --> 00:04:00,189

camping with some friends there this is

58
00:03:55,389 --> 00:04:04,149
a place very high these proximately 3200

59
00:04:00,189 --> 00:04:07,960
meters high the mountains is a specific

60
00:04:04,150 --> 00:04:10,450
ecosystem named paramo in spanish and

61
00:04:07,960 --> 00:04:13,390
it's a very beautiful place is the most

62
00:04:10,449 --> 00:04:16,479
biodiverse high mountain system that

63
00:04:13,389 --> 00:04:19,449
exists in the world and fortunately it

64
00:04:16,480 --> 00:04:21,790
was so not far away from about what

65
00:04:19,449 --> 00:04:22,389
advocate the city so there were no

66
00:04:21,790 --> 00:04:26,590
lumenick

67
00:04:22,389 --> 00:04:29,169
contamination and as it is prohibited to

68
00:04:26,589 --> 00:04:31,689
make fire comes the only light that we

69
00:04:29,170 --> 00:04:34,930
have was from our torture flashlights

70
00:04:31,689 --> 00:04:36,790
and nothing more than that and in that

71
00:04:34,930 --> 00:04:39,009
time in those days we were the only

72
00:04:36,790 --> 00:04:42,490
people that were camping in the park so

73
00:04:39,009 --> 00:04:46,420
we were completely completely alone

74
00:04:42,490 --> 00:04:48,160
no sounds mostly silence and peace

75
00:04:46,420 --> 00:04:51,520
around us because it is a really

76
00:04:48,160 --> 00:04:53,620
beautiful nature place the visibility

77
00:04:51,519 --> 00:04:56,229
was fantastic in in Colombia South

78
00:04:53,620 --> 00:04:58,420
America in those places we have only two

79
00:04:56,230 --> 00:05:01,330
seasons the rain seasons and the dry

80
00:04:58,420 --> 00:05:02,379
season unfortunately was the dry season

81
00:05:01,329 --> 00:05:05,889
because in the Pottermore

82
00:05:02,379 --> 00:05:08,040
it really rains a lot a lot and the

83
00:05:05,889 --> 00:05:16,379
ecosystem

84
00:05:08,040 --> 00:05:20,680
usually is covered by say by moist yeah

85
00:05:16,379 --> 00:05:23,500
Marshall yeah yeah yeah so usually you

86

00:05:20,680 --> 00:05:27,519
don't have too much visibility but in

87
00:05:23,500 --> 00:05:30,699
that day it was fantastic ability was

88
00:05:27,519 --> 00:05:33,399
fantastic was perfect so did we were yes

89
00:05:30,699 --> 00:05:37,539
sirree with some friends looking at the

90
00:05:33,399 --> 00:05:39,129
stars so tonight in my country around

91
00:05:37,540 --> 00:05:42,819
7:30 p.m.

92
00:05:39,129 --> 00:05:45,069
it became totally dark and I think we

93
00:05:42,819 --> 00:05:48,550
were around 8 p.m. so completely

94
00:05:45,069 --> 00:05:50,800
completely dark no lights and the sky

95
00:05:48,550 --> 00:05:55,090
full of stars it was really really

96
00:05:50,800 --> 00:05:59,310
really beautiful so this is the context

97
00:05:55,089 --> 00:06:03,459
the context was perfect for a viewer for

98
00:05:59,310 --> 00:06:05,439
looking wherever you want to look about

99
00:06:03,459 --> 00:06:07,479
being our debut work because this is

100
00:06:05,439 --> 00:06:09,339

also very important in terms who is the

101

00:06:07,480 --> 00:06:12,220
people that is looking how much

102

00:06:09,339 --> 00:06:14,709
experience this person can have it's

103

00:06:12,220 --> 00:06:20,620
when he says something different or that

104

00:06:14,709 --> 00:06:23,349
he thinks is very different so what we

105

00:06:20,620 --> 00:06:26,290
did in that moment we take out our

106

00:06:23,350 --> 00:06:28,689
sleeping bags and lay down because it

107

00:06:26,290 --> 00:06:31,240
was it is very cold in the night and we

108

00:06:28,689 --> 00:06:36,029
were lay down looking at the stars and

109

00:06:31,240 --> 00:06:39,540
talking very calm so in terms of my

110

00:06:36,029 --> 00:06:41,649
emotional state I was very calm very

111

00:06:39,540 --> 00:06:43,540
concentrate and what we were looking

112

00:06:41,649 --> 00:06:48,689
because we were really enjoying tonight

113

00:06:43,540 --> 00:06:51,939
I'm a coach and I am a person that has

114

00:06:48,689 --> 00:06:55,660
do a lot of different techniques in

115
00:06:51,939 --> 00:06:58,779
order to be a calm cool person so my

116
00:06:55,660 --> 00:07:03,640
emotions don't dry me very very hard

117
00:06:58,779 --> 00:07:07,119
I really understand so and also I have

118
00:07:03,639 --> 00:07:09,189
let's say some experience in terms of

119
00:07:07,120 --> 00:07:12,730
the magazine recognizing airplanes

120
00:07:09,189 --> 00:07:15,879
because I've been working with airplanes

121
00:07:12,730 --> 00:07:18,850
I have an uncle that was a pilot for a

122
00:07:15,879 --> 00:07:20,439
Blancas for many years so I flied many

123
00:07:18,850 --> 00:07:23,550
different kind of air

124
00:07:20,439 --> 00:07:27,339
and I have seen many different kind of

125
00:07:23,550 --> 00:07:29,710
airplane shows and videos and whatever

126
00:07:27,339 --> 00:07:32,139
so I have he had a quite pretty good

127
00:07:29,709 --> 00:07:36,819
experience in understanding what a

128
00:07:32,139 --> 00:07:39,639
airplane can do from normal commercial

129
00:07:36,819 --> 00:07:43,779
planes to militar and some special

130
00:07:39,639 --> 00:07:46,180
planes so have let's say some good

131
00:07:43,779 --> 00:07:48,309
experience in that so I know and in

132
00:07:46,180 --> 00:07:52,569
those days because it was some years ago

133
00:07:48,310 --> 00:07:54,459
I knew what can do or not know bring at

134
00:07:52,569 --> 00:07:57,819
least the ones that we know because of

135
00:07:54,459 --> 00:08:01,089
course it could be any kind of complains

136
00:07:57,819 --> 00:08:04,240
that has not been released to the public

137
00:08:01,089 --> 00:08:08,369
or over here okay so I think in that

138
00:08:04,240 --> 00:08:12,040
terms in terms of the viewer I can be

139
00:08:08,370 --> 00:08:15,069
let's say as much objective as possible

140
00:08:12,040 --> 00:08:18,580
in a way I may encounter what we saw

141
00:08:15,069 --> 00:08:20,589
what we saw when we were lying down

142
00:08:18,579 --> 00:08:24,879
talking about the Stars

143

00:08:20,589 --> 00:08:28,179
for example we saw some metal right is

144
00:08:24,879 --> 00:08:30,490
really easy to psalm it right and to

145
00:08:28,180 --> 00:08:34,360
understand that what we have sorry some

146
00:08:30,490 --> 00:08:37,799
meteorite because of the way trajectory

147
00:08:34,360 --> 00:08:41,649
and everything is very easy we saw some

148
00:08:37,799 --> 00:08:44,469
airplanes that were above us was in the

149
00:08:41,649 --> 00:08:46,569
sky that cruise altitude is more less

150
00:08:44,470 --> 00:08:48,519
easy to are and finer and open-end

151
00:08:46,570 --> 00:08:50,950
because of the different lights this has

152
00:08:48,519 --> 00:08:54,879
in a variation on the stroboscopic light

153
00:08:50,950 --> 00:08:57,940
pollution light you can understand what

154
00:08:54,879 --> 00:09:00,279
is happening and what is not a plane I

155
00:08:57,940 --> 00:09:04,360
also know that it depends on the angle

156
00:09:00,279 --> 00:09:07,120
between the plane and the observer that

157
00:09:04,360 --> 00:09:10,300

for some seconds you maybe cannot know

158

00:09:07,120 --> 00:09:12,730

if it is an apron or what it is but then

159

00:09:10,299 --> 00:09:15,009

as time passes on masticate airplane

160

00:09:12,730 --> 00:09:18,480

crosses the sky you can see the lights

161

00:09:15,009 --> 00:09:24,519

more clearly so we identify some a

162

00:09:18,480 --> 00:09:27,039

planet that were flying above us and in

163

00:09:24,519 --> 00:09:30,879

one moment one of our friend says hey

164

00:09:27,039 --> 00:09:32,829

look that thing in the sky

165

00:09:30,879 --> 00:09:34,600

for the Stan

166

00:09:32,830 --> 00:09:37,480

and I would say I think that's the

167

00:09:34,600 --> 00:09:39,909

satellite because all soy under some

168

00:09:37,480 --> 00:09:43,420

conditions you can see a satellite in

169

00:09:39,909 --> 00:09:48,129

the sky so we I look at it yes it was a

170

00:09:43,419 --> 00:09:50,889

small object very very very high and

171

00:09:48,129 --> 00:09:54,490

moving at a very high speed he was

172
00:09:50,889 --> 00:09:58,149
projecting just one solid light that

173
00:09:54,490 --> 00:10:00,579
seems to reflect so that yes some

174
00:09:58,149 --> 00:10:04,028
sensible to be a satellite so I

175
00:10:00,578 --> 00:10:06,069
continued looking at it move really

176
00:10:04,028 --> 00:10:10,149
really fast in the sky very very very

177
00:10:06,070 --> 00:10:12,579
high but I was surprised by something in

178
00:10:10,149 --> 00:10:16,419
some moment because you know that when

179
00:10:12,578 --> 00:10:19,269
you're looking to an airplane that begin

180
00:10:16,419 --> 00:10:22,179
it's slightly says on the horizon it

181
00:10:19,269 --> 00:10:26,409
seems that it is going up and when it

182
00:10:22,179 --> 00:10:28,149
goes goes just up to you it seems to go

183
00:10:26,409 --> 00:10:30,639
down you know what I mean because it is

184
00:10:28,149 --> 00:10:31,600
probably the curvature the curve of the

185
00:10:30,639 --> 00:10:35,379
earth yeah

186
00:10:31,600 --> 00:10:38,649
so in that moment I noticed that it

187
00:10:35,379 --> 00:10:42,159
seems that the object were flying more

188
00:10:38,649 --> 00:10:47,169
in app tangential predatory to the earth

189
00:10:42,159 --> 00:10:50,078
because the the size was begin to

190
00:10:47,169 --> 00:10:52,958
diminish very very very clearly not to

191
00:10:50,078 --> 00:10:55,599
disappear but to diminish in size he was

192
00:10:52,958 --> 00:11:00,479
really curious was flying very very very

193
00:10:55,600 --> 00:11:05,909
high and what happened then is that

194
00:11:00,480 --> 00:11:10,360
suddenly the object makes an incredible

195
00:11:05,909 --> 00:11:13,588
travel turn very very close turn but I

196
00:11:10,360 --> 00:11:17,110
really know perfectly but there is no

197
00:11:13,589 --> 00:11:19,899
airplane made by man at least the one

198
00:11:17,110 --> 00:11:21,579
toe and at least in those two years that

199
00:11:19,899 --> 00:11:23,230
could - something like that

200

00:11:21,578 --> 00:11:24,659
it was incredible and the most

201
00:11:23,230 --> 00:11:27,180
incredible thing is that the object

202
00:11:24,659 --> 00:11:31,149
didn't change their speed nothing

203
00:11:27,179 --> 00:11:35,169
nothing it made this brutal turn very

204
00:11:31,149 --> 00:11:37,629
close turn and return following almost

205
00:11:35,169 --> 00:11:42,000
the same trajectory at the same speed

206
00:11:37,629 --> 00:11:43,179
all the time no change in speed that was

207
00:11:42,000 --> 00:11:46,299
incredible

208
00:11:43,179 --> 00:11:49,389
I know what I saw

209
00:11:46,299 --> 00:11:51,789
I know that there is no money that

210
00:11:49,389 --> 00:11:54,519
couldn't could do that at least what we

211
00:11:51,789 --> 00:11:55,209
know and if it is something that we

212
00:11:54,519 --> 00:12:00,429
don't know

213
00:11:55,210 --> 00:12:03,790
Wow well what we have made humanity it

214
00:12:00,429 --> 00:12:09,159

is kind of artifacts that we can do some

215

00:12:03,789 --> 00:12:12,240
good ideas it was curious that it

216

00:12:09,159 --> 00:12:17,559
returns following the same trajectory

217

00:12:12,240 --> 00:12:20,919
the same speed and actually when it was

218

00:12:17,559 --> 00:12:24,669
really close to the holy soul it seems

219

00:12:20,919 --> 00:12:27,610
that it accelerate the speed goes it

220

00:12:24,669 --> 00:12:30,099
moves really fast but it was as it was

221

00:12:27,610 --> 00:12:32,470
so close to the horizon I'm not really

222

00:12:30,100 --> 00:12:34,120
really sure that happened it seemed that

223

00:12:32,470 --> 00:12:37,330
that happened because I mean it was the

224

00:12:34,120 --> 00:12:39,940
the final three seconds that we could

225

00:12:37,330 --> 00:12:42,910
look at the object because it disappears

226

00:12:39,940 --> 00:12:45,060
behind the mountains it seemed I did

227

00:12:42,909 --> 00:12:48,189
accelerator 88

228

00:12:45,059 --> 00:12:51,429
Inquisitor speeds really really fast so

229
00:12:48,190 --> 00:12:53,620
that's my story unique what speed you

230
00:12:51,429 --> 00:12:54,639
think it was was moving at this is

231
00:12:53,620 --> 00:12:56,709
really hard

232
00:12:54,639 --> 00:13:01,419
yeah I've been thinking on these many

233
00:12:56,708 --> 00:13:05,379
many many years because she was very

234
00:13:01,419 --> 00:13:09,059
height and as we have seen fortunately

235
00:13:05,379 --> 00:13:13,149
some planes some really advanced flying

236
00:13:09,059 --> 00:13:14,879
it was moving faster than a normal plane

237
00:13:13,149 --> 00:13:18,129
so if

238
00:13:14,879 --> 00:13:22,990
approximately no pain at cruise altitude

239
00:13:18,129 --> 00:13:27,278
could be moving around 800 or 900

240
00:13:22,990 --> 00:13:28,778
kilometers per hour I estimate an is an

241
00:13:27,278 --> 00:13:32,049
estimation because this is very

242
00:13:28,778 --> 00:13:34,259
difficult these could be moving faster

243
00:13:32,049 --> 00:13:40,569
than 1,000 kilometers per hour

244
00:13:34,259 --> 00:13:44,620
maybe probably 1000 M 200 or 400 some

245
00:13:40,570 --> 00:13:49,540
trader because an airplane has crossed

246
00:13:44,620 --> 00:13:52,000
from let's say one minute before we see

247
00:13:49,539 --> 00:13:54,990
the object so I have daddy much of the

248
00:13:52,000 --> 00:13:57,339
airplane moving to have that idea of

249
00:13:54,990 --> 00:13:58,629
speed on the airplane and then when we

250
00:13:57,339 --> 00:14:00,190
look at this object

251
00:13:58,629 --> 00:14:03,129
he was moving really

252
00:14:00,190 --> 00:14:04,960
really really fast but is quite

253
00:14:03,129 --> 00:14:07,419
different I know for example the

254
00:14:04,960 --> 00:14:11,139
satellites moves really faster than that

255
00:14:07,419 --> 00:14:13,659
faster than 1200 but not like that so

256
00:14:11,139 --> 00:14:19,090
it's really quite quite difficult to

257

00:14:13,659 --> 00:14:25,059
know but also of the the it seems to be

258
00:14:19,090 --> 00:14:27,670
very very high it's really difficult he

259
00:14:25,059 --> 00:14:30,699
it was at the satellite those moves

260
00:14:27,669 --> 00:14:32,919
really faster than that so critical you

261
00:14:30,700 --> 00:14:36,610
know like satellites in general and the

262
00:14:32,919 --> 00:14:38,589
ISS their speed tends to be about 17,000

263
00:14:36,610 --> 00:14:40,629
miles per hour it was really really

264
00:14:38,590 --> 00:14:42,850
faster than that yeah that's what I'm

265
00:14:40,629 --> 00:14:45,279
saying that I have just II see much of

266
00:14:42,850 --> 00:14:48,670
the airplane so it seems to move faster

267
00:14:45,279 --> 00:14:51,899
than an airplane but not so fast

268
00:14:48,669 --> 00:14:55,379
than the opening but faster then it was

269
00:14:51,899 --> 00:14:58,149
very very high and from my perspective

270
00:14:55,379 --> 00:14:59,769
seems to be higher than an airplane

271
00:14:58,149 --> 00:15:02,590

that's why at the first moment we

272

00:14:59,769 --> 00:15:05,049

thought all theses are satellite it has

273

00:15:02,590 --> 00:15:07,930

sent to be a totally you know sure yeah

274

00:15:05,049 --> 00:15:09,699

I mean as a always being around aircraft

275

00:15:07,929 --> 00:15:11,109

basically a trained observer so you know

276

00:15:09,700 --> 00:15:14,530

you know what you're looking at it's

277

00:15:11,110 --> 00:15:19,269

something really strange I think one of

278

00:15:14,529 --> 00:15:23,679

the reasons I want to tell this story to

279

00:15:19,269 --> 00:15:26,470

the people is because I've seen during

280

00:15:23,679 --> 00:15:29,589

all my life I'm 55 years old I have seen

281

00:15:26,470 --> 00:15:32,800

from during all my life many different

282

00:15:29,590 --> 00:15:35,170

theories that Isis regarding the year

283

00:15:32,799 --> 00:15:37,079

pause the audience and whatever so it

284

00:15:35,169 --> 00:15:40,779

has been changing a lot first

285

00:15:37,080 --> 00:15:43,060

information that we received from those

286
00:15:40,779 --> 00:15:46,659
those years to know it has been changed

287
00:15:43,059 --> 00:15:51,039
a lot and I've seen something that thing

288
00:15:46,659 --> 00:15:53,980
is important people to understand I feel

289
00:15:51,039 --> 00:15:56,889
that there are many people that really

290
00:15:53,980 --> 00:15:59,820
wants to believe this phenomena and I

291
00:15:56,889 --> 00:16:04,059
also see some people that deny

292
00:15:59,820 --> 00:16:07,120
completely the phenomena and I also see

293
00:16:04,059 --> 00:16:10,209
some people that it is brutally against

294
00:16:07,120 --> 00:16:13,529
women so I have seen in social media and

295
00:16:10,210 --> 00:16:15,780
different pages people fighting each

296
00:16:13,529 --> 00:16:16,769
each order because I believe in this I

297
00:16:15,779 --> 00:16:19,259
don't believe this

298
00:16:16,769 --> 00:16:21,539
I think the aliens are going to eat us

299
00:16:19,259 --> 00:16:24,509
no I think that the aliens are going to

300
00:16:21,539 --> 00:16:25,559
help us on whatever here is that come

301
00:16:24,509 --> 00:16:28,289
that's a bad idea

302
00:16:25,559 --> 00:16:30,199
fight against us because because as I

303
00:16:28,289 --> 00:16:32,579
have seen many different explanations

304
00:16:30,200 --> 00:16:34,670
from the governments regarding the

305
00:16:32,580 --> 00:16:39,270
phenomena and some of the explanations

306
00:16:34,669 --> 00:16:42,000
are so absurd so it's stupid it has no

307
00:16:39,269 --> 00:16:44,069
sense this is telling me that this would

308
00:16:42,000 --> 00:16:46,139
be happening something important is

309
00:16:44,070 --> 00:16:49,080
really happening so let's try to find

310
00:16:46,139 --> 00:16:52,110
the truth Treena bias because I don't

311
00:16:49,080 --> 00:16:54,150
believe the official information that we

312
00:16:52,110 --> 00:16:57,029
have perceiving but we are not going to

313
00:16:54,149 --> 00:16:59,819
find the truth or at least part of it by

314

00:16:57,029 --> 00:17:02,490
fighting each other because that's not a

315
00:16:59,820 --> 00:17:04,130
way on the contrary I think that is

316
00:17:02,490 --> 00:17:07,170
something that many people are

317
00:17:04,130 --> 00:17:08,610
interested in to have the people

318
00:17:07,170 --> 00:17:11,039
fighting each other

319
00:17:08,609 --> 00:17:13,559
that's not a way that's not a way I know

320
00:17:11,039 --> 00:17:15,629
perfectly what I saw I know that this is

321
00:17:13,559 --> 00:17:17,698
not normal I know does this should be

322
00:17:15,630 --> 00:17:21,000
something really special and different

323
00:17:17,699 --> 00:17:26,310
and we must try to find what it is and

324
00:17:21,000 --> 00:17:28,920
as much a official or information I

325
00:17:26,309 --> 00:17:31,049
received that is absurd as much I

326
00:17:28,920 --> 00:17:33,600
understand since this is something

327
00:17:31,049 --> 00:17:36,419
really really important and we must take

328
00:17:33,599 --> 00:17:38,459

care of this we the people you know what

329

00:17:36,420 --> 00:17:42,090

I mean what would you believe in your

330

00:17:38,460 --> 00:17:45,329

UFOs before your your experience I'm an

331

00:17:42,089 --> 00:17:48,990

open mind person but I do not believe in

332

00:17:45,329 --> 00:17:50,970

everything that I receive and understand

333

00:17:48,990 --> 00:17:53,970

that there are that could be many

334

00:17:50,970 --> 00:17:56,279

explanations from my point of view and

335

00:17:53,970 --> 00:17:59,779

since I was really a kid I understand

336

00:17:56,279 --> 00:18:03,960

that universe is extremely enormous

337

00:17:59,779 --> 00:18:07,470

Jesus because we can really imagine so

338

00:18:03,960 --> 00:18:11,549

the possibility of existing of life

339

00:18:07,470 --> 00:18:16,230

outside our planet is quite possible it

340

00:18:11,549 --> 00:18:19,799

is just common sense it is if somebody

341

00:18:16,230 --> 00:18:25,190

could travel through the big space

342

00:18:19,799 --> 00:18:27,480

yes a nice human people we have the

343
00:18:25,190 --> 00:18:31,200
scientific theory for

344
00:18:27,480 --> 00:18:33,059
doing that so it is possible so I I've

345
00:18:31,200 --> 00:18:35,970
been always thinking that there is a big

346
00:18:33,059 --> 00:18:40,470
possibility of alien existence in this

347
00:18:35,970 --> 00:18:43,039
incredible big universe why not if they

348
00:18:40,470 --> 00:18:47,089
exist and they came here all the

349
00:18:43,039 --> 00:18:51,329
question is always the same why for what

350
00:18:47,089 --> 00:18:53,909
and fears arise your horizon people what

351
00:18:51,329 --> 00:18:56,460
they want what they are here so there

352
00:18:53,910 --> 00:19:01,380
are many many theories and some of them

353
00:18:56,460 --> 00:19:05,039
well I think are not credible but I

354
00:19:01,380 --> 00:19:07,140
really believe it is a big possibility

355
00:19:05,039 --> 00:19:11,339
and it is something that could change

356
00:19:07,140 --> 00:19:16,050
our our future our history and our

357
00:19:11,339 --> 00:19:18,539
destiny in one second in one second when

358
00:19:16,049 --> 00:19:22,619
I heard four except remember in the

359
00:19:18,539 --> 00:19:25,710
United States the Phoenix lights about

360
00:19:22,619 --> 00:19:28,559
the famous Phoenix lights when I heard

361
00:19:25,710 --> 00:19:33,809
that the government said that it was

362
00:19:28,559 --> 00:19:36,269
caused by flare so crazy is so absurd it

363
00:19:33,809 --> 00:19:38,730
has no sense if you see how flare

364
00:19:36,269 --> 00:19:41,220
function from a military plane you know

365
00:19:38,730 --> 00:19:43,019
perfectly that the Phoenix lights was no

366
00:19:41,220 --> 00:19:45,809
flare it is impossible there was not

367
00:19:43,019 --> 00:19:47,789
there that's why I'm here telling you

368
00:19:45,809 --> 00:19:49,649
there is something important and we must

369
00:19:47,789 --> 00:19:52,019
find the truth I don't know exactly how

370
00:19:49,650 --> 00:19:54,509
but we must find it yeah they did say it

371

00:19:52,019 --> 00:19:56,430
was flares the actual finished lights

372
00:19:54,509 --> 00:19:59,940
went on for quite a long period of time

373
00:19:56,430 --> 00:20:02,910
of a wide area yeah many people sorry

374
00:19:59,940 --> 00:20:05,730
Christians of different people many

375
00:20:02,910 --> 00:20:09,050
people that were no interested many

376
00:20:05,730 --> 00:20:11,940
people that never never believe in UFOs

377
00:20:09,049 --> 00:20:15,119
never they have any interest in that and

378
00:20:11,940 --> 00:20:17,490
many people like that Tolkien say you

379
00:20:15,119 --> 00:20:19,259
know I saw what I saw it was incredible

380
00:20:17,490 --> 00:20:21,660
it was really big this is what

381
00:20:19,259 --> 00:20:24,599
stationary it was these lights were not

382
00:20:21,660 --> 00:20:26,910
clear so why not believe and so much

383
00:20:24,599 --> 00:20:29,309
people they saw something we don't know

384
00:20:26,910 --> 00:20:31,350
what it was I saw for example but I

385
00:20:29,309 --> 00:20:34,740

usually don't very much about this I saw

386

00:20:31,349 --> 00:20:37,829

another one but it was sort of fast

387

00:20:34,740 --> 00:20:41,259

I was looking not exactly direct to the

388

00:20:37,829 --> 00:20:44,199

object I saw but it moves so fast

389

00:20:41,259 --> 00:20:45,278

that I don't know exactly what it was so

390

00:20:44,200 --> 00:20:47,590

that's what I'm saying

391

00:20:45,278 --> 00:20:48,880

you must be also very careful when we

392

00:20:47,589 --> 00:20:52,599

talk about these things because

393

00:20:48,880 --> 00:20:54,220

sometimes our senses can have enough

394

00:20:52,599 --> 00:20:55,990

something that is quite different from

395

00:20:54,220 --> 00:20:58,720

reality you know what I mean because our

396

00:20:55,990 --> 00:21:01,870

senses are limited I mean that's right

397

00:20:58,720 --> 00:21:04,509

as far as the media goes in America over

398

00:21:01,869 --> 00:21:07,028

the last two to four years there's more

399

00:21:04,509 --> 00:21:09,519

and more information coming out how is

400
00:21:07,028 --> 00:21:13,690
it in Spain how does the media its

401
00:21:09,519 --> 00:21:16,319
painting say and interesting country in

402
00:21:13,690 --> 00:21:19,990
terms of the media and the government

403
00:21:16,319 --> 00:21:23,740
they do not care when some information

404
00:21:19,990 --> 00:21:27,099
has come from them yeah what do you feel

405
00:21:23,740 --> 00:21:30,490
is that you don't care about it's not an

406
00:21:27,099 --> 00:21:34,599
importantly here it seems that they

407
00:21:30,490 --> 00:21:37,630
don't try to avoid nomina or to cover

408
00:21:34,599 --> 00:21:41,048
meat or to I don't know how do they that

409
00:21:37,630 --> 00:21:43,750
they just a somebody saw something and

410
00:21:41,048 --> 00:21:45,519
cute information and it ends on nothing

411
00:21:43,750 --> 00:21:48,159
more than that so what do you feel that

412
00:21:45,519 --> 00:21:49,690
here they are not interested in the

413
00:21:48,159 --> 00:21:53,950
phenomena there are many people that

414
00:21:49,690 --> 00:21:56,350
really want it like it there are many

415
00:21:53,950 --> 00:22:00,250
people that goes to different areas in

416
00:21:56,349 --> 00:22:03,969
staying in which seems to be a lot of

417
00:22:00,250 --> 00:22:06,880
movement of vehicles movement and people

418
00:22:03,970 --> 00:22:09,450
thought histories that in which they say

419
00:22:06,880 --> 00:22:12,880
that they have seen some near cause

420
00:22:09,450 --> 00:22:15,730
there are some cases here that has been

421
00:22:12,880 --> 00:22:19,179
really famous in Spain that happened

422
00:22:15,730 --> 00:22:21,940
some years ago in which they were

423
00:22:19,179 --> 00:22:25,090
involved airplanes commercial airplanes

424
00:22:21,940 --> 00:22:28,298
and the people from the airport the

425
00:22:25,089 --> 00:22:30,519
controller's the airports so there are

426
00:22:28,298 --> 00:22:33,129
some cases really really really

427
00:22:30,519 --> 00:22:36,159
interested in which many people many

428

00:22:33,130 --> 00:22:38,590
professional people could be worse train

429
00:22:36,159 --> 00:22:41,799
people saw something that they could not

430
00:22:38,589 --> 00:22:45,189
explain they cannot explain Spain is

431
00:22:41,798 --> 00:22:47,980
quite different American state is quite

432
00:22:45,190 --> 00:22:51,610
different I was looking some documents

433
00:22:47,980 --> 00:22:55,120
from the FAA which is the government

434
00:22:51,609 --> 00:22:57,939
entity that generate all

435
00:22:55,119 --> 00:22:59,979
all the laws for flight you know what I

436
00:22:57,940 --> 00:23:02,440
mean I don't hurt us any sorry for sorry

437
00:22:59,980 --> 00:23:05,558
for my bad english first of all so the

438
00:23:02,440 --> 00:23:09,730
FAA is a very important government

439
00:23:05,558 --> 00:23:11,859
entity so the f8 there are many

440
00:23:09,730 --> 00:23:13,720
documents who ever want to verify this

441
00:23:11,859 --> 00:23:16,539
because this is very important we must

442
00:23:13,720 --> 00:23:19,000

keep good for whatever we say in the

443

00:23:16,539 --> 00:23:21,659

webpage from the FAA there are a lot of

444

00:23:19,000 --> 00:23:26,130

documents in which they talk about UFOs

445

00:23:21,660 --> 00:23:30,429

because and some years ago I think in

446

00:23:26,130 --> 00:23:34,270

2006 they change some of the documents

447

00:23:30,429 --> 00:23:37,540

in which they say if you saw an UFO you

448

00:23:34,269 --> 00:23:40,808

must report to Bigelow Aerospace company

449

00:23:37,539 --> 00:23:43,808

a private company is really curious why

450

00:23:40,808 --> 00:23:44,859

did it a a say to the people if you saw

451

00:23:43,808 --> 00:23:47,109

a nearfall

452

00:23:44,859 --> 00:23:49,359

tell it to Bigelow Aerospace company

453

00:23:47,109 --> 00:23:51,939

which is a private company there are

454

00:23:49,359 --> 00:23:54,459

there produce some products for the NASA

455

00:23:51,940 --> 00:23:57,009

it's quite quite rare

456

00:23:54,460 --> 00:23:59,650

why happened this and then some years

457
00:23:57,009 --> 00:24:02,799
after that they change and they change

458
00:23:59,650 --> 00:24:05,410
the documents who ever once can verify

459
00:24:02,799 --> 00:24:09,119
this and never the documents a not a

460
00:24:05,410 --> 00:24:12,190
report - Bigelow but today you four

461
00:24:09,119 --> 00:24:15,579
don't we were exactly another another

462
00:24:12,190 --> 00:24:17,259
company another different place so

463
00:24:15,579 --> 00:24:19,178
that's what I'm saying this is extreme

464
00:24:17,259 --> 00:24:22,299
this is not all you know what I mean

465
00:24:19,179 --> 00:24:24,280
it's very strange yeah I do get a lot of

466
00:24:22,299 --> 00:24:27,759
emails from pilots all over the world

467
00:24:24,279 --> 00:24:29,200
commercial and military that that want

468
00:24:27,759 --> 00:24:30,789
to share their story but they don't want

469
00:24:29,200 --> 00:24:33,009
to share it at you on the podcast and

470
00:24:30,789 --> 00:24:37,269
they don't want their names airline I

471
00:24:33,009 --> 00:24:40,450
know whom I know two of them when I

472
00:24:37,269 --> 00:24:43,990
decide to tell you these I thought we'd

473
00:24:40,450 --> 00:24:47,410
one of them and he say no no I can't I

474
00:24:43,990 --> 00:24:49,269
can't it's a big queue for them so is a

475
00:24:47,410 --> 00:24:52,058
shame because they are really good

476
00:24:49,269 --> 00:24:54,879
observers and so one of them has a

477
00:24:52,058 --> 00:24:57,940
really good story really really really

478
00:24:54,880 --> 00:25:00,910
good story of an object moving pretty

479
00:24:57,940 --> 00:25:04,090
fast and doing some operations that

480
00:25:00,910 --> 00:25:05,740
cannot be done for an airplane like the

481
00:25:04,089 --> 00:25:09,220
object I saw

482
00:25:05,740 --> 00:25:11,740
disappearing and appearing in in less

483
00:25:09,220 --> 00:25:14,230
than a second having it at the right of

484
00:25:11,740 --> 00:25:15,990
your pain I mean less than than a second

485

00:25:14,230 --> 00:25:19,660
having on the other side of the airplane

486
00:25:15,990 --> 00:25:21,400
it was crazy but they don't want to you

487
00:25:19,660 --> 00:25:23,170
know what I mean I don't know well I

488
00:25:21,400 --> 00:25:24,220
know why but they can't it's very

489
00:25:23,170 --> 00:25:25,840
understandable especially at this

490
00:25:24,220 --> 00:25:26,559
present time hopefully things will

491
00:25:25,839 --> 00:25:29,859
change

492
00:25:26,559 --> 00:25:31,929
yeah I think so I think I think they

493
00:25:29,859 --> 00:25:34,229
must change there are so many encounters

494
00:25:31,930 --> 00:25:38,380
there was a period of time that

495
00:25:34,230 --> 00:25:41,140
encounters really get low and then it

496
00:25:38,380 --> 00:25:44,350
exploded again and there are a lot of

497
00:25:41,140 --> 00:25:46,930
contours in the world so I think

498
00:25:44,349 --> 00:25:50,009
something is really changing and

499
00:25:46,930 --> 00:25:52,390

sometimes sometimes based on some

500

00:25:50,009 --> 00:25:55,569

information and news that I saw in the

501

00:25:52,390 --> 00:25:58,090

media sometimes I feel that they are

502

00:25:55,569 --> 00:26:02,799

preparing as forgive in some information

503

00:25:58,089 --> 00:26:05,199

real information about this but whatever

504

00:26:02,799 --> 00:26:08,859

efficient information that comes I will

505

00:26:05,200 --> 00:26:09,400

never believe because I think they rely

506

00:26:08,859 --> 00:26:12,819

on us

507

00:26:09,400 --> 00:26:14,590

I'm pretty sure they rely but I think

508

00:26:12,819 --> 00:26:17,019

that sometime they would have to tell

509

00:26:14,589 --> 00:26:19,359

part they will have to do I think

510

00:26:17,019 --> 00:26:21,670

probably I'm with you there I believe

511

00:26:19,359 --> 00:26:25,719

caution is advised any information that

512

00:26:21,670 --> 00:26:28,630

comes out officially yeah I'm sorry but

513

00:26:25,720 --> 00:26:31,029

I have seen many incredible lies and

514
00:26:28,630 --> 00:26:35,440
there are many other cases which I have

515
00:26:31,029 --> 00:26:38,589
been heard the official explanation and

516
00:26:35,440 --> 00:26:41,470
oh my god is you can laugh about it you

517
00:26:38,589 --> 00:26:45,490
cannot say that this is a balloon I got

518
00:26:41,470 --> 00:26:47,589
I don't know fifty persons so an object

519
00:26:45,490 --> 00:26:49,480
moving incredibly fast and this is a

520
00:26:47,589 --> 00:26:51,579
balloon a weather balloon my god people

521
00:26:49,480 --> 00:26:53,259
are not stupid it's not a weather

522
00:26:51,579 --> 00:26:56,019
balloon just like the famous Roswell

523
00:26:53,259 --> 00:26:58,029
weather balloon oh yeah but there are so

524
00:26:56,019 --> 00:27:02,440
many things about Roswell that sometimes

525
00:26:58,029 --> 00:27:04,029
a case that I prefer to avoid because

526
00:27:02,440 --> 00:27:07,269
there is so many information and

527
00:27:04,029 --> 00:27:09,509
misinformation you know so many lies so

528
00:27:07,269 --> 00:27:15,099
many people's and I think that probably

529
00:27:09,509 --> 00:27:16,990
there are people really professionals in

530
00:27:15,099 --> 00:27:19,099
lighting you know what I mean really

531
00:27:16,990 --> 00:27:21,620
professionals in

532
00:27:19,099 --> 00:27:23,240
relating the information I think that

533
00:27:21,619 --> 00:27:27,349
there are people that says yes I believe

534
00:27:23,240 --> 00:27:29,839
in UFOs but the information they give is

535
00:27:27,349 --> 00:27:31,668
so manipulated and I think that they

536
00:27:29,839 --> 00:27:34,519
have not good intention

537
00:27:31,669 --> 00:27:36,919
I made me understand so that's why I

538
00:27:34,519 --> 00:27:40,819
think that as much information we can

539
00:27:36,919 --> 00:27:43,669
gather from the people and try to bring

540
00:27:40,819 --> 00:27:46,819
as much proof as possible maybe we can

541
00:27:43,669 --> 00:27:49,429
find some of the truth behind this

542

00:27:46,819 --> 00:27:52,029
phenomenon you know yeah there are a lot

543
00:27:49,429 --> 00:27:54,740
of people especially in the whole

544
00:27:52,029 --> 00:27:56,960
subjects that you know there is a lot of

545
00:27:54,740 --> 00:27:58,940
misinformation a lot of incorrect

546
00:27:56,960 --> 00:28:01,308
information going out what's in what's

547
00:27:58,940 --> 00:28:03,110
important is to actually hear from from

548
00:28:01,308 --> 00:28:06,349
the people themselves the people

549
00:28:03,109 --> 00:28:08,629
actually witnesses sightings you know

550
00:28:06,349 --> 00:28:12,469
something it's curious because some

551
00:28:08,630 --> 00:28:14,600
years ago anybody from science would say

552
00:28:12,470 --> 00:28:16,880
anything regarding your house almost

553
00:28:14,599 --> 00:28:20,288
anything or if they say something they

554
00:28:16,880 --> 00:28:22,940
say is truth it doesn't exist now

555
00:28:20,288 --> 00:28:25,788
actually there are more and more people

556
00:28:22,940 --> 00:28:30,409

that comes from this science world that

557

00:28:25,788 --> 00:28:32,509

is saying okay maybe maybe because this

558

00:28:30,409 --> 00:28:35,960

is so extrange and this is some of the

559

00:28:32,509 --> 00:28:39,109

cases that have been show publicly are

560

00:28:35,960 --> 00:28:42,740

really good cases with extranged really

561

00:28:39,109 --> 00:28:44,119

has a very difficult explanation so

562

00:28:42,740 --> 00:28:46,308

there are some people from saying that

563

00:28:44,119 --> 00:28:48,558

are saying this is possible and this is

564

00:28:46,308 --> 00:28:51,200

also a big change that's why I'm saying

565

00:28:48,558 --> 00:28:54,918

that I think that there is happening

566

00:28:51,200 --> 00:28:57,169

some changes in the world also remember

567

00:28:54,919 --> 00:28:59,600

that in the past nobody or almost nobody

568

00:28:57,169 --> 00:29:02,600

it has a camera now everybody has a

569

00:28:59,599 --> 00:29:06,139

camera and also and also it is true I

570

00:29:02,599 --> 00:29:11,629

must say I must say it is true that you

571
00:29:06,140 --> 00:29:14,240
can with very low-budget produce a fake

572
00:29:11,630 --> 00:29:15,770
that's one of the big problems that's

573
00:29:14,240 --> 00:29:18,440
what I'm saying that there are so much

574
00:29:15,769 --> 00:29:20,538
fake that may be there there are people

575
00:29:18,440 --> 00:29:22,700
interpret it will interested in

576
00:29:20,538 --> 00:29:25,339
confusing people by producing fakes

577
00:29:22,700 --> 00:29:27,319
takes news you know what I mean so

578
00:29:25,339 --> 00:29:31,548
that's why we must be really careful

579
00:29:27,319 --> 00:29:32,308
mind open but objective and we must

580
00:29:31,548 --> 00:29:34,200
search

581
00:29:32,308 --> 00:29:35,369
understand and see what is happening

582
00:29:34,200 --> 00:29:37,110
because they are you there are many many

583
00:29:35,369 --> 00:29:40,288
many takes any spell easy to produce

584
00:29:37,109 --> 00:29:42,149
topics very easy it's very frustrating

585
00:29:40,288 --> 00:29:45,119
mm-hmm I was talking with a person here

586
00:29:42,150 --> 00:29:47,788
that has also a podcast here a screen

587
00:29:45,119 --> 00:29:50,459
and we agree with the same it's really

588
00:29:47,788 --> 00:29:52,408
frustrating because when we saw

589
00:29:50,460 --> 00:29:56,909
something that sounds to be incredible

590
00:29:52,409 --> 00:29:59,850
then we found that this is purely a fake

591
00:29:56,909 --> 00:30:02,610
so there are so much information and at

592
00:29:59,849 --> 00:30:04,408
the same time so much misinformation so

593
00:30:02,609 --> 00:30:08,548
much light that is really really really

594
00:30:04,409 --> 00:30:12,090
sane but but as I know what I saw and I

595
00:30:08,548 --> 00:30:15,690
know from few people serious people that

596
00:30:12,089 --> 00:30:17,009
saw really good cases I know that there

597
00:30:15,690 --> 00:30:18,690
is something that's why I'm really

598
00:30:17,009 --> 00:30:20,788
interested in this I know there is

599

00:30:18,690 --> 00:30:25,230
something I also know you know one

600
00:30:20,788 --> 00:30:27,720
person I met in the path a group named

601
00:30:25,230 --> 00:30:28,409
drama I don't know if you know about

602
00:30:27,720 --> 00:30:33,210
them

603
00:30:28,409 --> 00:30:36,419
drama are a ma the group I think this

604
00:30:33,210 --> 00:30:38,700
was around the eighties he wasn't the

605
00:30:36,419 --> 00:30:40,380
eighties yes I think so it wasn't lady

606
00:30:38,700 --> 00:30:42,808
maybe at the end of the eighties

607
00:30:40,380 --> 00:30:45,840
something like that I'm drama was

608
00:30:42,808 --> 00:30:48,288
founded quite a person that he have been

609
00:30:45,839 --> 00:30:51,298
saying all the time that he was a

610
00:30:48,288 --> 00:30:55,759
Kentucky that's a word in English he was

611
00:30:51,298 --> 00:30:58,230
contacted by aliens so they were spread

612
00:30:55,759 --> 00:31:01,230
word in many different countries and

613
00:30:58,230 --> 00:31:03,659

they have one let's say branch office in

614

00:31:01,230 --> 00:31:06,269

Columbia this group in drama

615

00:31:03,659 --> 00:31:09,480

Sixto Paz is the name of the person that

616

00:31:06,269 --> 00:31:12,690

found this and he he told that he was a

617

00:31:09,480 --> 00:31:15,058

contacting and he has a incredible story

618

00:31:12,690 --> 00:31:17,880

about the contacts and okay

619

00:31:15,058 --> 00:31:20,579

so I knew I met people from drama I

620

00:31:17,880 --> 00:31:23,130

decided to go to the place and see what

621

00:31:20,579 --> 00:31:26,250

it is about again with with the same

622

00:31:23,130 --> 00:31:30,330

idea with the same philosophy or have an

623

00:31:26,250 --> 00:31:32,250

open mind but perhaps I'm not a fool you

624

00:31:30,329 --> 00:31:37,319

know what I mean so I go I went there

625

00:31:32,250 --> 00:31:43,859

and in that moment arise in Colombia a

626

00:31:37,319 --> 00:31:46,079

story of person that was in English my

627

00:31:43,859 --> 00:31:49,159

dad was taken from

628
00:31:46,079 --> 00:31:53,369
was rape or how do you say abducted

629
00:31:49,160 --> 00:31:56,130
abducted yes abducted by alien and then

630
00:31:53,369 --> 00:31:58,699
returned to her and it was a really huge

631
00:31:56,130 --> 00:32:04,920
story covered by the media and the

632
00:31:58,700 --> 00:32:06,840
principal papers and news it was covered

633
00:32:04,920 --> 00:32:09,960
in universe we live really famous in

634
00:32:06,839 --> 00:32:13,769
Colombia of this person this person was

635
00:32:09,960 --> 00:32:17,759
a formal yeah he works on the land in

636
00:32:13,769 --> 00:32:20,129
agriculture but it was a very ignorant

637
00:32:17,759 --> 00:32:24,420
person he's a very ignorant person

638
00:32:20,130 --> 00:32:26,850
because he has no studies and was

639
00:32:24,420 --> 00:32:30,150
ignorant person but he was very famous

640
00:32:26,849 --> 00:32:32,969
and he began to make speeches in

641
00:32:30,150 --> 00:32:37,170
different places and travelling in

642
00:32:32,970 --> 00:32:42,150
Colombia and the date idea that I went

643
00:32:37,170 --> 00:32:44,039
to the place in Rama this person went

644
00:32:42,150 --> 00:32:47,250
there to make his speech and talk about

645
00:32:44,039 --> 00:32:51,149
his abduction oh my god it was a

646
00:32:47,250 --> 00:32:52,140
complete fake made for for having money

647
00:32:51,150 --> 00:32:54,360
you know what I mean

648
00:32:52,140 --> 00:32:57,150
the yes people for money it was horribly

649
00:32:54,359 --> 00:33:01,459
you hey solidarity she was incredible

650
00:32:57,150 --> 00:33:05,130
and it was something let's say very good

651
00:33:01,460 --> 00:33:07,350
created so many people really react the

652
00:33:05,130 --> 00:33:09,840
positive through to the person and wow

653
00:33:07,349 --> 00:33:11,699
my god it was important bigger and

654
00:33:09,839 --> 00:33:14,189
people begin to to keep money to him

655
00:33:11,700 --> 00:33:18,090
that's what I say that there are many

656

00:33:14,190 --> 00:33:20,460
people interested in in fakes and having

657
00:33:18,089 --> 00:33:22,439
money or whatever or the reason so we

658
00:33:20,460 --> 00:33:24,840
must not believe everything that we

659
00:33:22,440 --> 00:33:26,940
heard about people like this sort of a

660
00:33:24,839 --> 00:33:28,619
profit because people have such a need

661
00:33:26,940 --> 00:33:30,450
to believe in things yeah

662
00:33:28,619 --> 00:33:32,489
and then as you just open to people

663
00:33:30,450 --> 00:33:34,950
taking advantage of you yeah there are

664
00:33:32,490 --> 00:33:37,289
many people like that I have seen people

665
00:33:34,950 --> 00:33:39,150
like that and from my point of view I'm

666
00:33:37,289 --> 00:33:41,670
not going to say names but there are

667
00:33:39,150 --> 00:33:44,100
some up doors that has been that has

668
00:33:41,670 --> 00:33:46,580
published some books that I really don't

669
00:33:44,099 --> 00:33:50,250
believe in this and some of the stories

670
00:33:46,579 --> 00:33:52,949

have been in some way manipulated so we

671

00:33:50,250 --> 00:33:55,079

must be really really really careful

672

00:33:52,950 --> 00:33:57,779

with this I think is something important

673

00:33:55,079 --> 00:33:59,379

I think could change our life but we

674

00:33:57,779 --> 00:34:03,160

must be intelligent I

675

00:33:59,380 --> 00:34:03,790

remember that one day in some social

676

00:34:03,160 --> 00:34:06,700

media

677

00:34:03,789 --> 00:34:09,789

somebody place a photograph of an alien

678

00:34:06,700 --> 00:34:12,610

and make this affirmation this is the

679

00:34:09,789 --> 00:34:15,340

race of the I don't know what from the

680

00:34:12,610 --> 00:34:17,919

planet blah blah blah and I asked a

681

00:34:15,340 --> 00:34:19,659

question what proof do you have for

682

00:34:17,918 --> 00:34:21,489

making this animation could you please

683

00:34:19,659 --> 00:34:25,570

give it to me Wow

684

00:34:21,489 --> 00:34:27,609

I think almost everybody kill me in the

685
00:34:25,570 --> 00:34:30,460
comments in the social media because I

686
00:34:27,610 --> 00:34:32,590
asked likes that question and people say

687
00:34:30,460 --> 00:34:34,809
why you don't believe you so we still

688
00:34:32,590 --> 00:34:39,100
beat your soul whatever you want proof

689
00:34:34,809 --> 00:34:43,690
go to area 51 people is please we we

690
00:34:39,099 --> 00:34:45,878
must think clearly and calm cool and see

691
00:34:43,690 --> 00:34:48,610
what could be truth or not and try to

692
00:34:45,878 --> 00:34:51,039
find the answers and the truth but we

693
00:34:48,610 --> 00:34:52,929
cannot believe whatever somebody says

694
00:34:51,039 --> 00:34:57,159
because there are many many takes on

695
00:34:52,929 --> 00:34:59,920
many false information generated by many

696
00:34:57,159 --> 00:35:02,829
people some of them professionals of

697
00:34:59,920 --> 00:35:06,909
that and we must be really careful you

698
00:35:02,829 --> 00:35:10,090
know I think that I will say to the

699
00:35:06,909 --> 00:35:13,779
people or encourage maybe to people to

700
00:35:10,090 --> 00:35:16,510
think to be calm and to open their eyes

701
00:35:13,780 --> 00:35:19,660
and their minds because there are many

702
00:35:16,510 --> 00:35:21,940
many possibilities outside our world

703
00:35:19,659 --> 00:35:23,710
it is really hard to think that we are

704
00:35:21,940 --> 00:35:26,409
alone it's really really hard it's

705
00:35:23,710 --> 00:35:28,449
really I think it has no sense there

706
00:35:26,409 --> 00:35:29,500
could be many it's crazy to believe a

707
00:35:28,449 --> 00:35:32,109
voice yeah

708
00:35:29,500 --> 00:35:35,409
well Nick that's my story I hope it's

709
00:35:32,110 --> 00:35:38,230
help you and help the people to open

710
00:35:35,409 --> 00:35:40,750
their eyes and to share the stories and

711
00:35:38,230 --> 00:35:44,559
to share beyond information and to be

712
00:35:40,750 --> 00:35:47,710
careful with the information they got we

713

00:35:44,559 --> 00:35:51,880
have now camera as we have many

714
00:35:47,710 --> 00:35:52,659
possibilities to find the truth and see

715
00:35:51,880 --> 00:35:56,200
what comes

716
00:35:52,659 --> 00:35:59,109
I hope somebody some way in the procs

717
00:35:56,199 --> 00:36:01,659
future will find some important truth

718
00:35:59,110 --> 00:36:05,410
about what is outside earth but maybe

719
00:36:01,659 --> 00:36:07,299
about us our path of a real path and our

720
00:36:05,409 --> 00:36:09,159
real picture you know thanks for coming

721
00:36:07,300 --> 00:36:10,930
on today I really appreciate you thank

722
00:36:09,159 --> 00:36:11,779
you very much for doing what you are

723
00:36:10,929 --> 00:36:15,169
doing

724
00:36:11,780 --> 00:36:17,900
million rupees this is the way to spread

725
00:36:15,170 --> 00:36:20,090
information and to the spread as much

726
00:36:17,900 --> 00:36:22,320
serious information and objective as

727
00:36:20,090 --> 00:36:49,370

possible so thank you very much

728
