

1
00:00:01,129 --> 00:00:21,119
[Music]

2
00:00:23,010 --> 00:00:30,670
keep going up and up it's not a plane

3
00:00:28,679 --> 00:00:34,738
here it's flipping around

4
00:00:30,670 --> 00:00:38,439
even this aviation expert is mystified I

5
00:00:34,738 --> 00:00:40,628
can't identify it we first learned about

6
00:00:38,439 --> 00:00:43,179
these strange sightings when this metro

7
00:00:40,628 --> 00:00:45,369
area man who does not want to be

8
00:00:43,179 --> 00:00:47,799
identified brought us his home video

9
00:00:45,369 --> 00:00:51,488
you're gonna see a little burst of fire

10
00:00:47,799 --> 00:00:53,349
right there kind of a thruster he

11
00:00:51,488 --> 00:00:55,449
captured the images on his digital

12
00:00:53,350 --> 00:00:57,820
camera from a hilltop in federal heights

13
00:00:55,450 --> 00:00:59,530
looking south towards downtown Denver

14
00:00:57,820 --> 00:01:01,750
Mile High is right about here

15
00:00:59,530 --> 00:01:04,149
he says the flying objects appear around

16
00:01:01,750 --> 00:01:05,890
noon or 1:00 p.m. at least a couple of

17
00:01:04,149 --> 00:01:07,899
times a week you're gonna see it come in

18
00:01:05,890 --> 00:01:10,060
from the top do a little loopy do the

19
00:01:07,899 --> 00:01:12,310
strangest part is they are flying too

20
00:01:10,060 --> 00:01:18,399
fast to see with the naked eye this is

21
00:01:12,310 --> 00:01:21,820
the video in real time but if you slow

22
00:01:18,399 --> 00:01:23,799
it down frame by frame it's there we

23
00:01:21,819 --> 00:01:27,398
altered the color contrast to help you

24
00:01:23,799 --> 00:01:30,069
see it here's another one in real time

25
00:01:27,399 --> 00:01:32,409
this is what it looks like slow down we

26
00:01:30,069 --> 00:01:33,519
wanted to verify that the video we saw

27
00:01:32,409 --> 00:01:35,500
was legit

28
00:01:33,519 --> 00:01:38,649
so our photojournalist came out here

29

00:01:35,500 --> 00:01:41,289
with his camera he set up in the same

30
00:01:38,649 --> 00:01:43,989
spot on 84th and federal and he shot

31
00:01:41,289 --> 00:01:46,450
video from just before noon until just

32
00:01:43,989 --> 00:01:49,060
after 1:00 and when we slowed down our

33
00:01:46,450 --> 00:01:51,429
photographers video we saw this flying

34
00:01:49,060 --> 00:01:54,009
object I would consider myself an expert

35
00:01:51,429 --> 00:01:56,679
aviation expert Steve cowl is a former

36
00:01:54,009 --> 00:01:58,959
commercial pilot instructor and FAA

37
00:01:56,679 --> 00:01:59,379
accident prevention counselor it's very

38
00:01:58,959 --> 00:02:00,849
strange

39
00:01:59,379 --> 00:02:03,009
he thought he would have a logical

40
00:02:00,849 --> 00:02:05,259
explanation until he watched the video

41
00:02:03,009 --> 00:02:10,598
that is not an airplane that is not a

42
00:02:05,259 --> 00:02:12,189
helicopter those are not birds I can't

43
00:02:10,598 --> 00:02:14,679

identify it but in his professional

44

00:02:12,189 --> 00:02:17,530
opinion as it fits the definition it's

45

00:02:14,680 --> 00:02:19,659
an unidentified flying object

46

00:02:17,530 --> 00:02:21,489
the FAA tracks all air traffic in

47

00:02:19,659 --> 00:02:24,039
Colorado and across the country

48

00:02:21,489 --> 00:02:25,930
the FAA sent us a statement saying we've

49

00:02:24,039 --> 00:02:28,030
checked with air traffic control and no

50

00:02:25,930 --> 00:02:30,040
one has had any reports of the activity

51

00:02:28,030 --> 00:02:31,900
you described nor have any of our

52

00:02:30,039 --> 00:02:33,609
employees observed anything of this

53

00:02:31,900 --> 00:02:37,930
nature either visually or

54

00:02:33,610 --> 00:02:40,300
their radar displays the North American

55

00:02:37,930 --> 00:02:42,490
Aerospace Defense Command is located in

56

00:02:40,300 --> 00:02:44,469
Colorado Springs it keeps an eye on the

57

00:02:42,490 --> 00:02:46,810
skies in case of an air attack against

58
00:02:44,469 --> 00:02:49,000
the u.s. NORAD sent us this statement

59
00:02:46,810 --> 00:02:50,949
our command center reviewed their

60
00:02:49,000 --> 00:02:52,990
records and they did not have any noted

61
00:02:50,949 --> 00:02:55,389
error activity in the Denver area during

62
00:02:52,990 --> 00:02:56,830
the times you indicated we have unusual

63
00:02:55,389 --> 00:02:58,149
things around here that happened but

64
00:02:56,830 --> 00:03:01,120
it's usually associated with our

65
00:02:58,150 --> 00:03:02,950
grandchildren but this case we didn't

66
00:03:01,120 --> 00:03:05,140
know what it was I was looking for a

67
00:03:02,949 --> 00:03:08,379
nice buck to be showing up on the trail

68
00:03:05,139 --> 00:03:09,009
camera actually 724 deer up here and all

69
00:03:08,379 --> 00:03:12,609
is normal

70
00:03:09,009 --> 00:03:15,429
7:29 a dim light appears 7:35 it gets

71
00:03:12,610 --> 00:03:17,380
brighter 753 a weird shape appears on

72
00:03:15,430 --> 00:03:20,020
the camera the deer are lit up brightly

73
00:03:17,379 --> 00:03:23,049
but how the cameras are infrared and

74
00:03:20,020 --> 00:03:25,000
don't emit light 7:56 another sharper

75
00:03:23,050 --> 00:03:27,430
light appears then it gets much closer

76
00:03:25,000 --> 00:03:29,080
seemingly focused on the deer it looks

77
00:03:27,430 --> 00:03:31,300
like headlights but well off the ground

78
00:03:29,080 --> 00:03:33,370
and there's no road then it flies away

79
00:03:31,300 --> 00:03:40,209
another deer is seen looking at a light

80
00:03:33,370 --> 00:03:42,750
that seemingly comes from nowhere moving

81
00:03:40,209 --> 00:03:42,750
with the cloud

82
00:03:43,050 --> 00:03:46,740
are you serious

83
00:03:48,620 --> 00:03:53,900
Oh screech the internet is buzzing this

84
00:03:51,620 --> 00:03:56,569
morning over this bizarre video shot

85
00:03:53,900 --> 00:03:58,549
near a military base in Dayton Ohio it

86

00:03:56,568 --> 00:03:59,988
appears to show an object hovering and

87
00:03:58,549 --> 00:04:02,629
disappearing into the clouds here's

88
00:03:59,989 --> 00:04:04,819
another sighting a similar object also

89
00:04:02,628 --> 00:04:10,729
allegedly seen in the skies ever taken

90
00:04:04,818 --> 00:04:13,158
believed to be the same wright-patterson

91
00:04:10,729 --> 00:04:15,859
Air Force Base they're long believed to

92
00:04:13,158 --> 00:04:16,879
be housing all sorts of military craft

93
00:04:15,860 --> 00:04:18,049
there have been a number of military

94
00:04:16,879 --> 00:04:19,459
members that have gone on the record

95
00:04:18,048 --> 00:04:20,870
about what their housing at

96
00:04:19,459 --> 00:04:24,530
wright-patterson Air Force Base in

97
00:04:20,870 --> 00:04:26,300
Dayton Ohio is the astronaut scott Kelly

98
00:04:24,529 --> 00:04:28,069
trying to tell us something

99
00:04:26,300 --> 00:04:29,780
take a close look at this picture the

100
00:04:28,069 --> 00:04:32,089

American astronaut is living on the

101

00:04:29,779 --> 00:04:33,948

International Space Station tweeting out

102

00:04:32,089 --> 00:04:37,969

some pictures of what some people say

103

00:04:33,949 --> 00:04:40,129

maybe US owes a UFOs rather take a look

104

00:04:37,970 --> 00:04:41,539

at the upper right corner two bright

105

00:04:40,129 --> 00:04:42,620

lights seem to be connected to one

106

00:04:41,538 --> 00:04:45,050

another you can see that in the red

107

00:04:42,620 --> 00:04:47,538

circle well neither Kelly nor NASA is

108

00:04:45,050 --> 00:04:49,370

commented on that comic cosmic

109

00:04:47,538 --> 00:04:53,598

conspiracy look at all right now what do

110

00:04:49,370 --> 00:04:56,598

you think ufos what evidence the FBI

111

00:04:53,598 --> 00:04:59,509

coming clean on an infamous top secret

112

00:04:56,598 --> 00:05:02,719

UFO file releasing a sixty-year-old

113

00:04:59,509 --> 00:05:06,110

report that details the capture of three

114

00:05:02,720 --> 00:05:08,870

flying saucers and their alien

115
00:05:06,110 --> 00:05:11,830
passengers in Roswell New Mexico

116
00:05:08,870 --> 00:05:14,000
oh really trace Gallagher is that a fact

117
00:05:11,829 --> 00:05:16,159
people love this kind of stuff Meg I

118
00:05:14,000 --> 00:05:17,990
mean this UFO document is more popular

119
00:05:16,160 --> 00:05:20,270
than the FBI investigations into

120
00:05:17,990 --> 00:05:22,400
celebrities into civil rights leaders I

121
00:05:20,269 --> 00:05:24,439
mean since the FBI released this a

122
00:05:22,399 --> 00:05:25,909
million and a half people have taken a

123
00:05:24,439 --> 00:05:28,788
look at it now the document was actually

124
00:05:25,910 --> 00:05:30,650
written back in 1950 by guy Hottel it's

125
00:05:28,788 --> 00:05:33,319
this guy he was the head of the DC

126
00:05:30,649 --> 00:05:36,049
office of the FBI at the time now the

127
00:05:33,319 --> 00:05:38,029
memo was relaying a story about flying

128
00:05:36,050 --> 00:05:40,579
saucers and spacemen that was witnessed

129
00:05:38,029 --> 00:05:42,439
in New Mexico by people including a

130
00:05:40,579 --> 00:05:45,439
police officer a highway patrolman and

131
00:05:42,439 --> 00:05:49,339
an army guard the memo was sent to then

132
00:05:45,439 --> 00:05:51,829
FBI chief J Edgar Hoover and it was kind

133
00:05:49,339 --> 00:05:54,348
of detailing what they saw it reads in

134
00:05:51,829 --> 00:05:56,839
quote here they were described as being

135
00:05:54,348 --> 00:05:59,389
circular in shape with raised centers

136
00:05:56,839 --> 00:06:02,029
approximately 50 feet in diameter each

137
00:05:59,389 --> 00:06:02,459
one was occupied by three bodies of

138
00:06:02,029 --> 00:06:04,978
human

139
00:06:02,459 --> 00:06:07,349
but only three feet tall dressed in

140
00:06:04,978 --> 00:06:09,508
metallic cloth of a very fine texture

141
00:06:07,350 --> 00:06:11,879
police dashcam in West Virginia caught

142
00:06:09,509 --> 00:06:14,879
this bright light look at that more than

143

00:06:11,879 --> 00:06:18,120
200 sightings were reported across 13

144
00:06:14,879 --> 00:06:20,759
states nASA says it was likely a meteor

145
00:06:18,120 --> 00:06:22,680
a similar fireball was seen streaking

146
00:06:20,759 --> 00:06:25,530
across the sky over Japan Monday night

147
00:06:22,680 --> 00:06:28,079
setting social media ablaze with witness

148
00:06:25,529 --> 00:06:31,529
accounts in Chicago however this might

149
00:06:28,079 --> 00:06:34,620
moved slowly across the sky nASA says

150
00:06:31,529 --> 00:06:38,279
that may have just been a piece of space

151
00:06:34,620 --> 00:06:40,470
junk is over Iowa experts are not sure

152
00:06:38,279 --> 00:06:43,228
exactly what it is but most people

153
00:06:40,470 --> 00:06:46,860
believe this fireball was in the sky was

154
00:06:43,228 --> 00:06:49,050
maybe some space junk or something a UFO

155
00:06:46,860 --> 00:06:50,430
sighting in Chile the country's

156
00:06:49,050 --> 00:06:52,770
government they're releasing these

157
00:06:50,430 --> 00:06:55,439

pictures showing what they believe to be

158

00:06:52,769 --> 00:06:57,478

an unidentified flying object the UFO

159

00:06:55,439 --> 00:06:59,819

was spotted by Mine Workers saying that

160

00:06:57,478 --> 00:07:02,310

the object was silent flying low and

161

00:06:59,819 --> 00:07:04,918

slow over the area for more than an hour

162

00:07:02,310 --> 00:07:07,228

the Chilean officials in the government

163

00:07:04,918 --> 00:07:09,089

they say it's not ours and the

164

00:07:07,228 --> 00:07:10,469

aeronautical Society says we had no

165

00:07:09,089 --> 00:07:12,538

planes in the sky we don't know what it

166

00:07:10,470 --> 00:07:14,699

is and they've ruled out meteorological

167

00:07:12,538 --> 00:07:16,949

data I mean it was a beautiful sunny day

168

00:07:14,699 --> 00:07:19,348

no cloud what do you guys think is

169

00:07:16,949 --> 00:07:22,139

anything strange in the sky lately if

170

00:07:19,348 --> 00:07:24,000

you answered yes you're not alone UFO

171

00:07:22,139 --> 00:07:26,069

sightings in Manitoba are soaring now

172
00:07:24,000 --> 00:07:28,740
the most recent came this past weekend

173
00:07:26,069 --> 00:07:30,839
over the skies in Brandon and there is

174
00:07:28,740 --> 00:07:33,590
video CTV shield North Wilson joins us

175
00:07:30,839 --> 00:07:36,418
now to explain Sheila what was spotted

176
00:07:33,589 --> 00:07:38,549
strange lights the man who shot the

177
00:07:36,418 --> 00:07:40,408
video shot about two minutes worth and

178
00:07:38,550 --> 00:07:42,840
he says that there was a series of

179
00:07:40,408 --> 00:07:44,639
lights turning on and off the man says

180
00:07:42,839 --> 00:07:46,918
the lights followed him for about 20

181
00:07:44,639 --> 00:07:49,288
kilometers and he believes they may have

182
00:07:46,918 --> 00:07:52,079
come from a UFO and he's not alone in

183
00:07:49,288 --> 00:07:54,209
believing that we are not alone the

184
00:07:52,079 --> 00:07:56,939
numbers for UFO sightings are actually

185
00:07:54,209 --> 00:08:00,198
on the rise and some believe Manitoba is

186
00:07:56,939 --> 00:08:04,360
a hotbed of activity for flying saucers

187
00:08:00,199 --> 00:08:07,310
those are the lights right there they're

188
00:08:04,360 --> 00:08:09,650
clearly shocked the man who shot this

189
00:08:07,310 --> 00:08:11,899
cellphone video is trying to make sense

190
00:08:09,649 --> 00:08:14,299
of what he's seeing I am shaking right

191
00:08:11,899 --> 00:08:16,938
now he shot the images near Brandon on

192
00:08:14,300 --> 00:08:19,249
Saturday he himself doesn't want to be

193
00:08:16,939 --> 00:08:21,590
identified but says he thinks the lights

194
00:08:19,249 --> 00:08:22,969
are coming from a UFO we want to get to

195
00:08:21,589 --> 00:08:24,918
this a mystery sighting in the skies

196
00:08:22,968 --> 00:08:26,930
above Pennsylvania residents of a

197
00:08:24,918 --> 00:08:29,149
community outside Harrisburg saw a

198
00:08:26,930 --> 00:08:31,370
strange object flying overhead on Monday

199
00:08:29,149 --> 00:08:33,198
night and they even managed to capture

200

00:08:31,370 --> 00:08:35,448
it on tape and ABC's Brandi Hitt is here

201
00:08:33,198 --> 00:08:37,098
now to explain there's a lot of

202
00:08:35,448 --> 00:08:38,509
speculation on this oh yes and it's

203
00:08:37,099 --> 00:08:40,219
still a big mystery this morning good

204
00:08:38,509 --> 00:08:41,718
morning everyone residents in Harrisburg

205
00:08:40,219 --> 00:08:44,600
are still trying to figure out exactly

206
00:08:41,719 --> 00:08:46,820
what those flashing lights are aliens a

207
00:08:44,600 --> 00:08:51,110
drone may be well even the local police

208
00:08:46,820 --> 00:08:53,930
department does not have an answer I am

209
00:08:51,110 --> 00:08:55,940
scared to death now it's the video that

210
00:08:53,929 --> 00:08:58,639
sparking rumors of extraterrestrial life

211
00:08:55,940 --> 00:09:02,089
all shot on Stephanie Wilkerson cell

212
00:08:58,639 --> 00:09:03,649
phone Wilkerson says she was relaxing on

213
00:09:02,089 --> 00:09:05,930
her porch in Dauphin County Pennsylvania

214
00:09:03,649 --> 00:09:08,750

Monday night when the unidentified

215

00:09:05,929 --> 00:09:10,789

flying object caught her eye I thought

216

00:09:08,750 --> 00:09:13,100

it was a plane to realize it wasn't

217

00:09:10,789 --> 00:09:15,679

moving and I watched it for about 20

218

00:09:13,100 --> 00:09:17,870

minutes and I started noticing it

219

00:09:15,679 --> 00:09:20,269

changing colors that's when she ran for

220

00:09:17,870 --> 00:09:22,459

her phone and called over a neighbor he

221

00:09:20,269 --> 00:09:24,649

went and got his binoculars cuz he first

222

00:09:22,458 --> 00:09:26,689

thought it was a planet and then he said

223

00:09:24,649 --> 00:09:27,379

no it changed yellow he said that is not

224

00:09:26,690 --> 00:09:30,829

a planet

225

00:09:27,379 --> 00:09:31,100

so Wilkerson called 911 at that look at

226

00:09:30,828 --> 00:09:34,429

that

227

00:09:31,100 --> 00:09:36,560

but even police were dumbfounded he went

228

00:09:34,429 --> 00:09:38,539

there and apparently he saw them too

229

00:09:36,559 --> 00:09:40,369

so he called his sergeant and his

230

00:09:38,539 --> 00:09:40,759

corporal to come to verify what he was

231

00:09:40,370 --> 00:09:42,230

seeing

232

00:09:40,759 --> 00:09:44,269

so police called the National Guard

233

00:09:42,230 --> 00:09:45,709

training center and the local airports

234

00:09:44,269 --> 00:09:47,870

to find out if they could account for

235

00:09:45,708 --> 00:09:51,099

any aircraft activity in the area

236

00:09:47,870 --> 00:09:51,100

they couldn't

237

00:09:54,309 --> 00:09:59,928

[Music]

238

00:10:10,389 --> 00:10:23,019

[Music]

239

00:10:23,200 --> 00:10:29,919

you

240

00:10:25,070 --> 00:10:29,919

[Music]
