

1  
00:00:26,230 --> 00:00:31,870  
at the end of 2017 the United States  
Department of Defense began a subtle

2  
00:00:31,870 --> 00:00:36,910  
declassification process by slowly  
declassifying a collection of military

3  
00:00:36,909 --> 00:00:40,619  
documents and research information to  
the general public

4  
00:00:40,619 --> 00:00:46,019  
usually these declassification processes  
are fraught with financial information

5  
00:00:46,020 --> 00:00:51,010  
technical documents references to  
training programs government budgets and

6  
00:00:51,009 --> 00:00:56,019  
assistance with other nations or other  
basic procedures of which do not hold

7  
00:00:56,020 --> 00:01:00,790  
any importance outside of technical  
military information however it became

8  
00:01:00,789 --> 00:01:05,799  
apparent very quickly to members among  
the UFO community that declassified

9  
00:01:05,799 --> 00:01:10,118  
files coming from the Pentagon were more  
than just research and technical

10  
00:01:10,118 --> 00:01:15,159  
information the files that were slowly  
being Declassified over the course of

11  
00:01:15,159 --> 00:01:20,618  
the previous year and this year detailed  
information regarding a clandestine team

12

00:01:20,618 --> 00:01:25,780  
of researchers tasked with gathering  
information relative to unidentified

13  
00:01:25,780 --> 00:01:31,060  
flying objects and strange  
extraterrestrial sightings so today we

14  
00:01:31,060 --> 00:01:36,868  
are going to go over the secret Pentagon  
files along with the program's findings

15  
00:01:36,868 --> 00:01:43,060  
information regarding the program back  
in 2007 the Department of Defense began

16  
00:01:43,060 --> 00:01:48,340  
developing a UFO research program tasked  
with gathering information regarding

17  
00:01:48,340 --> 00:01:52,359  
unidentified flying objects  
the research group was quickly budgeted

18  
00:01:52,359 --> 00:01:57,429  
with 22 million dollars in support and a  
team comprising of military intelligence

19  
00:01:57,429 --> 00:02:03,429  
officials and researchers and it had the  
highest level of security clearance the

20  
00:02:03,429 --> 00:02:10,090  
program itself went by the name AAA t IP  
which stood for the advanced aviation

21  
00:02:10,090 --> 00:02:15,390  
threat identification program and was  
given the primary objective of

22  
00:02:15,389 --> 00:02:21,399  
identifying those UFOs as whether or not  
they are threats to national security it

23  
00:02:21,400 --> 00:02:27,400  
did not take long for the AAT IP to

gather strange sighting reports made by

24

00:02:27,400 --> 00:02:33,099

pilots from across the country including associated data like camera footage and

25

00:02:33,098 --> 00:02:37,090

radar information while attempting to match these sightings with known

26

00:02:37,090 --> 00:02:41,360

international aircraft signatures X affecting to find explanations these

27

00:02:41,360 --> 00:02:46,459

crafts and their origin after the gathered data was compiled it became

28

00:02:46,459 --> 00:02:51,229

rather obvious that this would not be the case in fact many of the researchers

29

00:02:51,229 --> 00:02:56,840

involved in the program regarded these UFO sightings and crafts as having no

30

00:02:56,840 --> 00:03:01,610

earthly origin and displayed behavior that could not be explained this could

31

00:03:01,610 --> 00:03:05,959

very well be the closest that the Department of Defense will ever come to

32

00:03:05,959 --> 00:03:09,979

admitting the viability of extraterrestrial crafts without directly

33

00:03:09,979 --> 00:03:15,289

saying it although the program has currently been discontinued which is the

34

00:03:15,289 --> 00:03:20,000

main cause for the declassification of the files the chief of the UFO program

35  
00:03:20,000 --> 00:03:24,650  
still heavily believes in the importance  
of the study and of his team to continue

36  
00:03:24,650 --> 00:03:29,480  
their research and gather information  
regarding issues of national security

37  
00:03:29,479 --> 00:03:35,119  
Lewis Elizondo the program's chief  
military intelligence official claimed

38  
00:03:35,120 --> 00:03:40,189  
that not only did this craft exhibit  
behaviors that appeared to defy the very

39  
00:03:40,189 --> 00:03:45,500  
laws of aviation but that these crafts  
were found to be a hundred percent not

40  
00:03:45,500 --> 00:03:50,930  
man-made and were out of the scope of  
human capabilities his reasoning for

41  
00:03:50,930 --> 00:03:55,760  
this claim was the crowd investigated  
demonstrated hypersonic capabilities

42  
00:03:55,759 --> 00:03:59,959  
that were described as being a far  
beyond the scope that is physically

43  
00:03:59,959 --> 00:04:04,729  
tolerable by a human being of whom would  
experience a high amount of G's to the

44  
00:04:04,729 --> 00:04:10,009  
point that either be fatal or seriously  
wound them this meant that whoever or

45  
00:04:10,009 --> 00:04:15,138  
whatever was piloting these aircrafts  
appeared to be non-human not only this

46  
00:04:15,139 --> 00:04:20,239

but the technical developments of the crafts also made it very apparent that

47  
00:04:20,238 --> 00:04:25,579  
the creation of the UFOs were vastly superior to anything man-made Lewis

48  
00:04:25,579 --> 00:04:29,959  
Elizondo describes in one of his many reports regarding this urgent matter

49  
00:04:29,959 --> 00:04:35,149  
are saying quote we have identified crafts that do not have any obvious

50  
00:04:35,149 --> 00:04:40,609  
flight surface forms of propulsion and maneuvering in ways beyond the healthy

51  
00:04:40,610 --> 00:04:45,590  
g-forces these aircrafts display capabilities not in the u.s. Arsenal or

52  
00:04:45,589 --> 00:04:49,659  
any other militaries end quote this demonstrates that the evidence

53  
00:04:49,660 --> 00:04:54,490  
regarding extraterrestrial life is both obvious and abundant among intelligent

54  
00:04:54,490 --> 00:05:00,639  
officials the main establishment of the secret UFO program and the objective of

55  
00:05:00,639 --> 00:05:05,168  
the UFO researchers involved in a program was to determine whether or not

56  
00:05:05,168 --> 00:05:10,149  
these UFOs were an issue of national security or pose a threat to the safety

57  
00:05:10,149 --> 00:05:15,038  
of US citizens or the US government it was originally believed that these

58  
00:05:15,038 --> 00:05:18,668  
crafts could have been aircrafts  
developed by different militaries around

59  
00:05:18,668 --> 00:05:23,889  
the world and given their ability to  
vanish off radar could have been

60  
00:05:23,889 --> 00:05:28,478  
developments with stealth bombers or  
stealth aircraft this meant that the

61  
00:05:28,478 --> 00:05:33,879  
number one task in regards to the UFO  
FILES was to determine the purpose of

62  
00:05:33,879 --> 00:05:38,620  
the crafts and their origin and to  
determine whether or not these crafts

63  
00:05:38,620 --> 00:05:42,788  
are a threat after it became fairly  
obvious that these crafts were not

64  
00:05:42,788 --> 00:05:48,038  
man-made the issue at hand became  
increasingly complex the methods used to

65  
00:05:48,038 --> 00:05:52,060  
determine whether or not these crafts  
were threats to national security the

66  
00:05:52,060 --> 00:05:56,649  
UFO seemed to be a key piece of  
intelligence that could have greatly

67  
00:05:56,649 --> 00:06:01,439  
influenced Donald Trump's decision to  
add a sixth branch to its armed forces

68  
00:06:01,439 --> 00:06:07,778  
known as the space force the most  
notable case in the research files what

69

00:06:07,778 --> 00:06:12,610  
seems to be the main story of focus  
regarding the Pentagon's UFO project has

70  
00:06:12,610 --> 00:06:17,620  
to do with the recently Declassified  
witness report of a UFO and it's unusual

71  
00:06:17,620 --> 00:06:23,199  
behavior the report centers around a  
Navy pilots first-hand account after he

72  
00:06:23,199 --> 00:06:27,639  
was sent to investigate a mysterious  
aircraft that suddenly appeared on radar

73  
00:06:27,639 --> 00:06:32,528  
at an altitude of 80,000 feet when a  
navy's pilot slowly approached the

74  
00:06:32,528 --> 00:06:37,930  
aircraft it began to descend rapidly  
within a few seconds to an altitude of

75  
00:06:37,930 --> 00:06:43,569  
20,000 feet and then stopped before  
fading off of the radar and disappearing

76  
00:06:43,569 --> 00:06:47,139  
completely almost as if it had faded  
from existence

77  
00:06:47,139 --> 00:06:52,060  
normally witness reports are not all  
that exciting to UFO researchers however

78  
00:06:52,060 --> 00:06:57,098  
it appeared that the research group had  
recovered the recorded footage from the

79  
00:06:57,098 --> 00:07:01,599  
Navy's pilots aircraft  
that showed in high detail the UFO shape

80  
00:07:01,600 --> 00:07:07,060  
its movement an ability to vanish from

sight the Pentagon is also reference in

81

00:07:07,060 --> 00:07:12,399

a study made back in 1950s by the CIA  
which concluded that the public's

82

00:07:12,399 --> 00:07:17,289

potential reaction to UFOs could cause  
mass hysteria which is a national

83

00:07:17,290 --> 00:07:21,069

security threat this could very well  
mean that we are decades away from a

84

00:07:21,069 --> 00:07:26,920

full disclosure of the project and other  
secret Pentagon UFO FILES thank you for
