very early age and continues to this day

24
00:02:09,368 --> 00:02:13,599
welcome to the show Naomi Thank You Nik

25
00:02:11,590 --> 00:02:16,150
it's great to be here thanks for having

26
00:02:13,599 --> 00:02:17,889
me on the podcast can you start with

27
00:02:16,150 --> 00:02:21,580
some of those early memories when you

28
00:02:17,889 --> 00:02:24,399
were young okay so from the time I was

29

00:02:21,580 --> 00:02:25,330
about I want to say around to two and a

30
00:02:24,400 --> 00:02:30,370
half years old

31
00:02:25,330 --> 00:02:34,870
the first memory I had was being lifted

32
00:02:30,370 --> 00:02:38,489
out of my bed when I looked down I saw a

33
00:02:34,870 --> 00:02:41,769
bunch of hands lifting me up they were

34
00:02:38,489 --> 00:02:47,409
kind of a grayish blue from what I

35
00:02:41,769 --> 00:02:49,840
remember and to me as a child I wasn't

36
00:02:47,409 --> 00:02:52,599
quite sure what it was it was just kind

37
00:02:49,840 --> 00:02:54,729
of like I was aware of it and and I

38
00:02:52,599 --> 00:02:57,519
could see it happening the other strange

39
00:02:54,729 --> 00:02:59,560
thing about this is at that age I should

40
00:02:57,519 --> 00:03:03,610
have been in a crib I remember myself

41
00:02:59,560 --> 00:03:07,449
laying in a bed and I felt like I was a

42
00:03:03,610 --> 00:03:10,180
bigger person when I was young I never

43
00:03:07,449 --> 00:03:12,699

saw myself as being a child anytime I

44

00:03:10,180 --> 00:03:15,189

would try to communicate with people I I

45

00:03:12,699 --> 00:03:19,750

didn't even have that perception of me

46

00:03:15,189 --> 00:03:22,479

as as being a child so maybe this is

47

00:03:19,750 --> 00:03:25,750

what was coming into play when I had

48

00:03:22,479 --> 00:03:30,099

that experience and I remember after the

49

00:03:25,750 --> 00:03:32,949

hands lifting me up I got off of them it

50

00:03:30,099 --> 00:03:35,530

was kind of like they moved me out of

51

00:03:32,949 --> 00:03:37,750

the bed and I walked into the living

52

00:03:35,530 --> 00:03:39,400

room when I walked into the living room

53

00:03:37,750 --> 00:03:41,799

I look back through the doorway and I

54

00:03:39,400 --> 00:03:44,590

could see all these light creatures but

55

00:03:41,799 --> 00:03:46,360

it wasn't like a physical form it was

56

00:03:44,590 --> 00:03:49,299

nothing like that it was almost like a

57

00:03:46,360 --> 00:03:52,810

swirling energy and it would take

58
00:03:49,299 --> 00:03:55,540
different shapes but it was a lot of it

59
00:03:52,810 --> 00:03:59,079
wasn't just like one thing it was like

60
00:03:55,539 --> 00:04:01,539
several different creatures whatever

61
00:03:59,079 --> 00:04:04,959
whatever it was taking form to be the

62
00:04:01,539 --> 00:04:07,479
first time it happened I remember we had

63
00:04:04,959 --> 00:04:08,580
a lamp in the living room and then right

64
00:04:07,479 --> 00:04:12,090
next to the lamp

65
00:04:08,580 --> 00:04:14,550
the couch so I turned on the lamp and I

66
00:04:12,090 --> 00:04:18,899
squatted in the corner between the couch

67
00:04:14,550 --> 00:04:22,740
in the lamp my dad woke up he came and

68
00:04:18,899 --> 00:04:24,959
got me put me back to bed and I these

69
00:04:22,740 --> 00:04:28,009
experiences that I've had there's

70
00:04:24,959 --> 00:04:32,329
usually other people around at the time

71
00:04:28,009 --> 00:04:35,909
so it's not just me seeing hearing

72
00:04:32,329 --> 00:04:38,579
experiencing it I always have other

73
00:04:35,910 --> 00:04:42,290
people well for the most part not always

74
00:04:38,579 --> 00:04:45,599
but for the most part so this went on

75
00:04:42,290 --> 00:04:48,030
several times and sometimes I would turn

76
00:04:45,600 --> 00:04:51,120
on the light sometimes I would just sit

77
00:04:48,029 --> 00:04:55,679
in on the couch in the dark and and just

78
00:04:51,120 --> 00:04:59,490
watch this stuff go on it never seemed

79
00:04:55,680 --> 00:05:02,939
to really like come towards me or or be

80
00:04:59,490 --> 00:05:06,900
next to me but it was like a display so

81
00:05:02,939 --> 00:05:11,040
that was when I was very very young as I

82
00:05:06,899 --> 00:05:13,409
got older we moved my parents separated

83
00:05:11,040 --> 00:05:16,740
they they divorced when I was two and a

84
00:05:13,410 --> 00:05:23,160
half years old we ended up living with

85
00:05:16,740 --> 00:05:27,600
my father he had no money at all and we

86

00:05:23,160 --> 00:05:31,500
lived in a very ghetto part of Anaheim

87
00:05:27,600 --> 00:05:33,600
California so a lot of times we didn't

88
00:05:31,500 --> 00:05:37,370
even have money for food at nighttime I

89
00:05:33,600 --> 00:05:41,070
mean it was it was that bad at that time

90
00:05:37,370 --> 00:05:43,379
my mom she couldn't take care of us she

91
00:05:41,069 --> 00:05:46,079
was too busy you know living her

92
00:05:43,379 --> 00:05:47,009
lifestyle and she didn't want the

93
00:05:46,079 --> 00:05:49,229
responsibility

94
00:05:47,009 --> 00:05:52,560
my dad was part of a lot of my

95
00:05:49,230 --> 00:05:55,680
experiences and as I got older I brought

96
00:05:52,560 --> 00:05:57,689
these things up to him and he would say

97
00:05:55,680 --> 00:06:00,030
oh yeah I remember that oh yeah I

98
00:05:57,689 --> 00:06:03,329
remember you telling me that you know so

99
00:06:00,029 --> 00:06:08,159
we got to kind of like as it as being an

100
00:06:03,329 --> 00:06:12,089

adult connector our experiences everyone

101

00:06:08,160 --> 00:06:15,510

in my family has had experiences my dad

102

00:06:12,089 --> 00:06:19,109

especially me and my dad seemed to have

103

00:06:15,509 --> 00:06:22,289

some kind of psychic connection and when

104

00:06:19,110 --> 00:06:28,310

it comes to those types of things

105

00:06:22,290 --> 00:06:31,860

when I was probably around three or four

106

00:06:28,310 --> 00:06:36,319

we moved into a house the one that I was

107

00:06:31,860 --> 00:06:39,660

talking about the real ghetto one and I

108

00:06:36,319 --> 00:06:41,670

remember several times waking up on the

109

00:06:39,660 --> 00:06:45,060

floor because my brother and I shared a

110

00:06:41,670 --> 00:06:47,759

bunk bed I was on the top and he was

111

00:06:45,060 --> 00:06:50,100

younger so he was on the bottom well I

112

00:06:47,759 --> 00:06:53,129

would always wonder why I was on the

113

00:06:50,100 --> 00:06:55,680

floor when I'd wake up and then one

114

00:06:53,129 --> 00:06:59,969

night I actually saw myself coming

115
00:06:55,680 --> 00:07:03,389
towards the floor and I don't remember

116
00:06:59,970 --> 00:07:05,040
it me hitting the floor nothing like

117
00:07:03,389 --> 00:07:07,680
that I just remember seeing the floor

118
00:07:05,040 --> 00:07:09,960
coming towards me so I didn't feel any

119
00:07:07,680 --> 00:07:10,829
like physical pain if I fell or anything

120
00:07:09,959 --> 00:07:15,659
like that

121
00:07:10,829 --> 00:07:20,129
and I stood up turned around looked into

122
00:07:15,660 --> 00:07:24,060
the doorway that was open and I could

123
00:07:20,129 --> 00:07:26,959
see a small creature it was black and it

124
00:07:24,060 --> 00:07:31,050
looked like it was wearing some kind of

125
00:07:26,959 --> 00:07:32,879
like robe type name so when I looked at

126
00:07:31,050 --> 00:07:37,920
it it looked like a black triangle to me

127
00:07:32,879 --> 00:07:41,040
it was in a white kitchen and the

128
00:07:37,920 --> 00:07:45,449
kitchen in our house was not directly

129
00:07:41,040 --> 00:07:47,790
across from our room so this was kind of

130
00:07:45,449 --> 00:07:51,990
strange because it was out of place

131
00:07:47,790 --> 00:07:53,879
so I remember walking towards it very

132
00:07:51,990 --> 00:07:58,170
slowly because I wasn't sure what it was

133
00:07:53,879 --> 00:08:00,709
and feeling hands on my shoulder like

134
00:07:58,170 --> 00:08:03,080
holding on to me could hear like I

135
00:08:00,709 --> 00:08:05,849
wouldn't say a voice it was more like

136
00:08:03,079 --> 00:08:08,579
telepathic saying no don't go over there

137
00:08:05,850 --> 00:08:11,150
you know I was feeling for the hands

138
00:08:08,579 --> 00:08:13,919
thinking that somebody was there and

139
00:08:11,149 --> 00:08:17,639
turned around and there's nothing there

140
00:08:13,920 --> 00:08:20,370
so I kept continuing towards this thing

141
00:08:17,639 --> 00:08:24,029
in the kitchen and again I felt the

142
00:08:20,370 --> 00:08:28,319
hands on my shoulder and same thing so

143

00:08:24,029 --> 00:08:30,719
this happened in three different moments

144
00:08:28,319 --> 00:08:34,468
where I felt the hands on my shoulders

145
00:08:30,720 --> 00:08:35,700
as a child I imagine monkeys hanging on

146
00:08:34,469 --> 00:08:37,980
my shoulders

147
00:08:35,700 --> 00:08:41,759
like I had a monkey on my back that's

148
00:08:37,980 --> 00:08:44,159
that's what popped in my head so I went

149
00:08:41,759 --> 00:08:48,120
ahead and went towards this being that

150
00:08:44,159 --> 00:08:51,089
was in the kitchen and walked up to it

151
00:08:48,120 --> 00:08:55,230
it was approximately the same height as

152
00:08:51,090 --> 00:08:59,040
me and as it turned around my next

153
00:08:55,230 --> 00:09:01,500
memory was me getting a chair trying to

154
00:08:59,039 --> 00:09:05,309
get some Doritos off of the refrigerator

155
00:09:01,500 --> 00:09:07,789
and my dad found me you know he scolded

156
00:09:05,309 --> 00:09:12,209
me and told me to go back to bed that

157
00:09:07,789 --> 00:09:14,750

feeling that I felt at the time wasn't

158

00:09:12,210 --> 00:09:17,460
scary to me like none of these

159

00:09:14,750 --> 00:09:19,980
experiences were frightening to me but

160

00:09:17,460 --> 00:09:23,210
looking back on it not at this point but

161

00:09:19,980 --> 00:09:27,330
in my past as I started getting older I

162

00:09:23,210 --> 00:09:30,420
felt like it was something negative but

163

00:09:27,330 --> 00:09:32,340
then at the same time it felt like it

164

00:09:30,419 --> 00:09:35,809
wasn't negative so I don't know if that

165

00:09:32,340 --> 00:09:37,800
was you know as I was getting older

166

00:09:35,809 --> 00:09:40,169
listening to other people's stories

167

00:09:37,799 --> 00:09:43,649
things like that if that was just

168

00:09:40,169 --> 00:09:47,699
manipulating my own belief system and

169

00:09:43,649 --> 00:09:50,069
and what it was that I was really

170

00:09:47,700 --> 00:09:53,460
getting from that experience that that

171

00:09:50,070 --> 00:09:58,290
was that was a pretty big thing that had

172
00:09:53,460 --> 00:10:01,080
happened at that time as time went on I

173
00:09:58,289 --> 00:10:03,990
had always seen things we lived in

174
00:10:01,080 --> 00:10:05,940
another house we moved to Texas there

175
00:10:03,990 --> 00:10:07,440
was a lot of activity in the house and

176
00:10:05,940 --> 00:10:12,030
when I say activity I'm talking about

177
00:10:07,440 --> 00:10:15,420
everything and I don't just see alien

178
00:10:12,029 --> 00:10:20,250
type creatures I see a lot of different

179
00:10:15,419 --> 00:10:23,099
things and I never really judged it as

180
00:10:20,250 --> 00:10:25,529
being anything unusual because I think

181
00:10:23,100 --> 00:10:28,740
when you grow up with this stuff it's

182
00:10:25,529 --> 00:10:31,379
just part of your everyday life so it's

183
00:10:28,740 --> 00:10:32,940
not it's not traumatic you know what I

184
00:10:31,379 --> 00:10:35,460
mean when when some people talk about

185
00:10:32,940 --> 00:10:38,970
they had an experience out of the blue

186
00:10:35,460 --> 00:10:43,379
and they're already like older or adult

187
00:10:38,970 --> 00:10:46,710
so to me these things were just you know

188
00:10:43,379 --> 00:10:49,169
by normal um yeah or almost like a

189
00:10:46,710 --> 00:10:49,530
fantasy world or something you just

190
00:10:49,169 --> 00:10:52,289
don't

191
00:10:49,529 --> 00:10:56,370
you don't have an idea of what it is so

192
00:10:52,289 --> 00:10:59,849
when I was at that house I started

193
00:10:56,370 --> 00:11:02,039
getting a fear of the dark even though

194
00:10:59,850 --> 00:11:04,379
you know we slept with all the lights

195
00:11:02,039 --> 00:11:06,870
off my dad he didn't make an effort to

196
00:11:04,379 --> 00:11:07,139
get night lights for us when we were

197
00:11:06,870 --> 00:11:08,759
young

198
00:11:07,139 --> 00:11:12,480
nothing like that because that was back

199
00:11:08,759 --> 00:11:15,990
in the day I was terrified of the dark

200

00:11:12,480 --> 00:11:18,240
and I could not sleep so I would pretty

201
00:11:15,990 --> 00:11:21,509
much sit up at least for like two to

202
00:11:18,240 --> 00:11:24,090
three hours at night and seeing all

203
00:11:21,509 --> 00:11:27,210
these things in my mind it was you know

204
00:11:24,090 --> 00:11:32,190
there with me so I distinctly remember

205
00:11:27,210 --> 00:11:35,000
one time walking into the hallway and it

206
00:11:32,190 --> 00:11:37,950
was dark and I had to go to my room and

207
00:11:35,000 --> 00:11:41,100
trying to get to the light fast enough

208
00:11:37,950 --> 00:11:47,190
to switch it on well when I went to do

209
00:11:41,100 --> 00:11:51,750
that I saw not physically but the vision

210
00:11:47,190 --> 00:11:51,990
of an alien and it was just staring at

211
00:11:51,750 --> 00:11:55,110
me

212
00:11:51,990 --> 00:11:57,870
you know I freaked out and I ran out ran

213
00:11:55,110 --> 00:11:59,339
out of the hallway and my dad's like

214
00:11:57,870 --> 00:12:00,779

what's wrong and I'm like I don't want

215

00:11:59,339 --> 00:12:03,470

to go in there can you turn on the light

216

00:12:00,779 --> 00:12:06,959

you know I was really upset about it and

217

00:12:03,470 --> 00:12:10,139

he's like just go you know and so

218

00:12:06,960 --> 00:12:12,870

eventually I went back in there but it

219

00:12:10,139 --> 00:12:15,210

was really frightening and after that

220

00:12:12,870 --> 00:12:18,089

point to this day I sleep with

221

00:12:15,210 --> 00:12:22,080

nightlight so another thing I have a

222

00:12:18,089 --> 00:12:25,440

phobia that has come over time is open

223

00:12:22,080 --> 00:12:28,259

doors like for example I have the

224

00:12:25,440 --> 00:12:30,480

bathroom off in my bedroom that door has

225

00:12:28,259 --> 00:12:31,830

to be closed when I'm sleeping or when

226

00:12:30,480 --> 00:12:35,009

I'm just hanging out in my room

227

00:12:31,830 --> 00:12:37,160

any kind of closet door that has to be

228

00:12:35,009 --> 00:12:41,490

closed it's just something about that

229
00:12:37,159 --> 00:12:42,600
darkness it just it feels weird it feels

230
00:12:41,490 --> 00:12:46,139
like I'm being watched

231
00:12:42,600 --> 00:12:49,860
you know as I as I got older I had a lot

232
00:12:46,139 --> 00:12:52,319
of different encounters my father and I

233
00:12:49,860 --> 00:12:55,440
both would have always been very

234
00:12:52,320 --> 00:13:00,050
sensitive to to you know people say

235
00:12:55,440 --> 00:13:03,500
vibes vibrations in places like houses

236
00:13:00,049 --> 00:13:07,229
areas stuff like that when I

237
00:13:03,500 --> 00:13:10,139
negative energy or something as bad as

238
00:13:07,230 --> 00:13:13,769
happening I get it severe cramping in my

239
00:13:10,139 --> 00:13:16,919
stomach my dad he was an interior

240
00:13:13,769 --> 00:13:21,629
decorator and so is my stepmom so they

241
00:13:16,919 --> 00:13:23,909
had a business together and he had asked

242
00:13:21,629 --> 00:13:27,629
me one day after I got into one of the

243
00:13:23,909 --> 00:13:29,610
houses that they had worked on if I felt

244
00:13:27,629 --> 00:13:32,669
anything when I walked into the house

245
00:13:29,610 --> 00:13:35,669
well he asked me that because my my

246
00:13:32,669 --> 00:13:37,439
stepmom was with me when I went into the

247
00:13:35,669 --> 00:13:40,079
house because she was going over there

248
00:13:37,440 --> 00:13:42,960
it was her friend as well as a customer

249
00:13:40,080 --> 00:13:45,450
and I told her I said it feels weird in

250
00:13:42,960 --> 00:13:48,150
here like it was a beautiful home you

251
00:13:45,450 --> 00:13:51,420
know they had a nice pool it was it was

252
00:13:48,149 --> 00:13:55,319
gorgeous but I felt like a negative

253
00:13:51,419 --> 00:13:58,459
feeling and she she said oh really and

254
00:13:55,320 --> 00:14:01,710
the lady said that there were a bunch of

255
00:13:58,460 --> 00:14:04,259
bad things that happened I guess two

256
00:14:01,710 --> 00:14:07,620
different couples that lived into the

257

00:14:04,259 --> 00:14:11,309
house one of them actually died and then

258
00:14:07,620 --> 00:14:14,190
she said that her and her husband were

259
00:14:11,309 --> 00:14:17,279
going through problems and they felt the

260
00:14:14,190 --> 00:14:20,130
energy as well so that's what my dad was

261
00:14:17,279 --> 00:14:22,709
asking me about because we both had that

262
00:14:20,129 --> 00:14:25,500
same kind of feeling at anytime we would

263
00:14:22,710 --> 00:14:27,780
enter a strange building or you know

264
00:14:25,500 --> 00:14:30,629
something that fell off he has had his

265
00:14:27,779 --> 00:14:36,240
own encounters with aliens as well he

266
00:14:30,629 --> 00:14:40,320
actually lives in New Mexico and he told

267
00:14:36,240 --> 00:14:42,750
me he had shot his gun it - - aliens -

268
00:14:40,320 --> 00:14:46,500
gray aliens that were in his house and

269
00:14:42,750 --> 00:14:49,559
he had to repair the walls because he

270
00:14:46,500 --> 00:14:52,919
had actually shot at them so you know I

271
00:14:49,559 --> 00:14:56,009

think that this stuff affects families I

272

00:14:52,919 --> 00:14:59,219

think that it's like a group thing I've

273

00:14:56,009 --> 00:15:03,330

never heard anything through my

274

00:14:59,220 --> 00:15:07,080

grandparents because my mom said they're

275

00:15:03,330 --> 00:15:09,150

very religious Lutheran and the other

276

00:15:07,080 --> 00:15:11,280

side they didn't really believe in I

277

00:15:09,149 --> 00:15:13,049

don't think they had a religion at all

278

00:15:11,279 --> 00:15:14,939

they never talked about stuff like that

279

00:15:13,049 --> 00:15:16,979

and I don't think a lot of older

280

00:15:14,940 --> 00:15:20,070

generations really did anyways

281

00:15:16,980 --> 00:15:22,560

when I started drawing when I was young

282

00:15:20,070 --> 00:15:26,460

there was a kid some of the things that

283

00:15:22,559 --> 00:15:30,449

I would obsessively draw where things

284

00:15:26,460 --> 00:15:34,080

like pyramids you know I want to say

285

00:15:30,450 --> 00:15:36,150

swastika symbols but I don't know if

286

00:15:34,080 --> 00:15:41,040

everybody knows that the swastika symbol

287

00:15:36,149 --> 00:15:44,100

originally came from Hinduism so I drew

288

00:15:41,039 --> 00:15:48,419

a lot of what they they called Mandela's

289

00:15:44,100 --> 00:15:52,590

that type of stuff and it was obsessive

290

00:15:48,419 --> 00:15:57,649

it was like I took art class and my art

291

00:15:52,590 --> 00:16:01,560

teacher saw that I had a ability to draw

292

00:15:57,649 --> 00:16:03,600

but she would always tell me don't don't

293

00:16:01,559 --> 00:16:05,429

just draw this stuff you got to do other

294

00:16:03,600 --> 00:16:08,310

things you know because she was trying

295

00:16:05,429 --> 00:16:10,289

to teach me how to do art but but for me

296

00:16:08,309 --> 00:16:12,659

I didn't care about that I didn't want

297

00:16:10,289 --> 00:16:16,110

to do anything else but what I was

298

00:16:12,659 --> 00:16:20,069

focused on and I had a real strong

299

00:16:16,110 --> 00:16:23,789

connection with Egyptian stuff when I

300
00:16:20,070 --> 00:16:27,870
was when I was very young when I started

301
00:16:23,789 --> 00:16:30,449
meditating and say I want to say I got

302
00:16:27,870 --> 00:16:33,509
introduced with meditation when I was

303
00:16:30,450 --> 00:16:38,310
probably around five or six from my dad

304
00:16:33,509 --> 00:16:40,620
he meditated he was a hippie he was

305
00:16:38,309 --> 00:16:43,079
really into all that stuff so that's

306
00:16:40,620 --> 00:16:45,629
probably where I picked it up from but

307
00:16:43,080 --> 00:16:48,840
the pyramid thing was actually something

308
00:16:45,629 --> 00:16:51,629
I had always been attracted to we I

309
00:16:48,840 --> 00:16:55,620
learned a lot through him when it came

310
00:16:51,629 --> 00:16:58,409
to Eastern philosophy like I said my

311
00:16:55,620 --> 00:17:00,389
grandparents they were Lutheran my

312
00:16:58,409 --> 00:17:04,470
grandfather would sit and talk to me

313
00:17:00,389 --> 00:17:07,680
about the Bible and I liked the stories

314

00:17:04,470 --> 00:17:09,630
you know they were interesting I read

315
00:17:07,680 --> 00:17:12,060
parts of the Bible and I guess I read

316
00:17:09,630 --> 00:17:14,579
the whole thing because I lost interest

317
00:17:12,059 --> 00:17:16,859
but the thing I always had a hard time

318
00:17:14,578 --> 00:17:20,430
connecting with was the church

319
00:17:16,859 --> 00:17:23,309
environment and I have been to so many

320
00:17:20,430 --> 00:17:26,009
churches throughout my life all

321
00:17:23,309 --> 00:17:29,190
different types of religions I was in

322
00:17:26,009 --> 00:17:30,359
particular I just wanted to find that

323
00:17:29,190 --> 00:17:33,840
connection

324
00:17:30,359 --> 00:17:36,209
you know I wanted to feel what other

325
00:17:33,839 --> 00:17:38,579
people said they felt like that I

326
00:17:36,210 --> 00:17:42,269
remember when my grandpa had talked to

327
00:17:38,579 --> 00:17:45,178
me about God and you know the the whole

328
00:17:42,269 --> 00:17:47,009

Bible and everything about heaven I had

329

00:17:45,179 --> 00:17:49,048

asked him a lot of questions but from

330

00:17:47,009 --> 00:17:52,558

the time I was a child I didn't believe

331

00:17:49,048 --> 00:17:55,168

in God like he believed in God and I

332

00:17:52,558 --> 00:17:59,069

enjoyed hearing the stories because it

333

00:17:55,169 --> 00:18:02,190

was a story but for me I felt like we

334

00:17:59,069 --> 00:18:05,460

came from aliens and I felt like I was

335

00:18:02,190 --> 00:18:09,058

created by an alien now God is the

336

00:18:05,460 --> 00:18:11,880

ultimate source but directly I felt like

337

00:18:09,058 --> 00:18:14,250

I was created by aliens that is what I

338

00:18:11,880 --> 00:18:17,250

felt from the time I was a child and

339

00:18:14,250 --> 00:18:19,919

that's what I talked about with my

340

00:18:17,250 --> 00:18:22,888

brother my dad all these things you know

341

00:18:19,919 --> 00:18:26,820

it was all about my belief in what I

342

00:18:22,888 --> 00:18:30,589

thought it was but I couldn't feel a

343
00:18:26,819 --> 00:18:35,099
connection with the Bible at all and

344
00:18:30,589 --> 00:18:39,619
Eastern philosophy especially Hinduism

345
00:18:35,099 --> 00:18:42,629
they do talk about you know other

346
00:18:39,619 --> 00:18:45,329
civilizations on other planets and

347
00:18:42,630 --> 00:18:49,019
dimensions and things it addresses that

348
00:18:45,329 --> 00:18:50,699
kind of stuff so for me I felt more of a

349
00:18:49,019 --> 00:18:53,009
connection with that and I could at

350
00:18:50,700 --> 00:18:55,350
least be more open to it I think the

351
00:18:53,009 --> 00:18:57,778
original Christ's teachings were

352
00:18:55,349 --> 00:19:00,000
definitely important but I think that

353
00:18:57,778 --> 00:19:04,019
they got altered and changed and

354
00:19:00,000 --> 00:19:06,509
manipulated over time so it was it was

355
00:19:04,019 --> 00:19:08,370
always a struggle I always was looking

356
00:19:06,509 --> 00:19:12,388
for for some kind of spiritual

357
00:19:08,369 --> 00:19:14,879
enlightenment growing up meditating any

358
00:19:12,388 --> 00:19:17,129
time I meditated I always had a pyramid

359
00:19:14,880 --> 00:19:20,278
for some reason I didn't know why I just

360
00:19:17,130 --> 00:19:24,750
went with it but I would say a compared

361
00:19:20,278 --> 00:19:28,859
to as a child I didn't have judgment

362
00:19:24,750 --> 00:19:31,109
about my experiences who ever is as an

363
00:19:28,859 --> 00:19:34,500
adult it's a little bit harder to deal

364
00:19:31,109 --> 00:19:36,959
with because you hear so many negative

365
00:19:34,500 --> 00:19:41,308
things and even though I don't feel like

366
00:19:36,960 --> 00:19:43,250
I judge it on positive or negative so

367
00:19:41,308 --> 00:19:46,609
much but when they have the

368
00:19:43,250 --> 00:19:48,920
positive I diminished the negative in my

369
00:19:46,609 --> 00:19:53,149
mind because I want to believe that

370
00:19:48,920 --> 00:19:56,029
those positive interactions are much

371

00:19:53,150 --> 00:19:58,269
more important and profound than

372
00:19:56,029 --> 00:20:01,399
anything negative that I'm interpreting

373
00:19:58,269 --> 00:20:05,359
interpreted it as being negative and

374
00:20:01,400 --> 00:20:09,500
I've had those experiences where I'm

375
00:20:05,359 --> 00:20:12,049
being shown things you know the being on

376
00:20:09,500 --> 00:20:14,539
the bed and having the needle looking

377
00:20:12,049 --> 00:20:16,609
things coming into your head I remember

378
00:20:14,539 --> 00:20:20,240
specifically having an experience like

379
00:20:16,609 --> 00:20:22,490
that one time and they just kept saying

380
00:20:20,240 --> 00:20:24,740
you know in your mind they kept telling

381
00:20:22,490 --> 00:20:26,870
me well we're making you better you're

382
00:20:24,740 --> 00:20:29,960
gonna be okay we're helping you so I

383
00:20:26,869 --> 00:20:32,359
just let it go I didn't fight it because

384
00:20:29,960 --> 00:20:35,870
they had been part of my life you know

385
00:20:32,359 --> 00:20:39,559

why am I gonna deny something that I'm

386

00:20:35,869 --> 00:20:42,369

not fully aware of or understanding so

387

00:20:39,559 --> 00:20:45,019

you know anything negative I've

388

00:20:42,369 --> 00:20:46,849

experienced which I've had a lot about

389

00:20:45,019 --> 00:20:50,750

and I just let it go

390

00:20:46,849 --> 00:20:55,250

I've woken up with burns needle marks

391

00:20:50,750 --> 00:20:58,130

bruises sore arms and every time in

392

00:20:55,250 --> 00:21:02,599

connection with this it's something

393

00:20:58,130 --> 00:21:05,930

being inserted into my body being taken

394

00:21:02,599 --> 00:21:08,959

out of my body a lot of stuff done with

395

00:21:05,930 --> 00:21:13,220

my my head area like my brain in my head

396

00:21:08,960 --> 00:21:15,380

area but I don't think it's it kind of

397

00:21:13,220 --> 00:21:17,539

frustrates me when people try to like

398

00:21:15,380 --> 00:21:19,880

make it all seem bad and I really feel

399

00:21:17,539 --> 00:21:23,539

the lot of those people are not even

400
00:21:19,880 --> 00:21:24,800
really experiencers because to me what

401
00:21:23,539 --> 00:21:29,569
they're trying to do is they're trying

402
00:21:24,799 --> 00:21:31,190
to it's like any other drama in life you

403
00:21:29,569 --> 00:21:33,679
know people like the bad stuff they like

404
00:21:31,190 --> 00:21:35,630
the negative stuff they feel like they

405
00:21:33,680 --> 00:21:37,460
have more to talk about I guess I don't

406
00:21:35,630 --> 00:21:39,950
know but they live off of that

407
00:21:37,460 --> 00:21:43,039
excitement of fear I think that if

408
00:21:39,950 --> 00:21:45,920
people just kind of let it go and and go

409
00:21:43,039 --> 00:21:47,750
about your business with it and not try

410
00:21:45,920 --> 00:21:49,789
to fight it if that's what they feel

411
00:21:47,750 --> 00:21:52,009
like they need to do they're gonna

412
00:21:49,789 --> 00:21:55,909
experience more than just that type of

413
00:21:52,009 --> 00:21:57,170
alien or dimensional being whatever it

414
00:21:55,910 --> 00:21:59,700
is they're gonna have

415
00:21:57,170 --> 00:22:02,490
experiences with something greater than

416
00:21:59,700 --> 00:22:06,000
that and I have had those experiences

417
00:22:02,490 --> 00:22:07,829
where one of my experiences was I have a

418
00:22:06,000 --> 00:22:10,410
lot of dreams of being in water with

419
00:22:07,829 --> 00:22:13,379
dolphins um I have a really strong

420
00:22:10,410 --> 00:22:15,540
connection with water I love water like

421
00:22:13,380 --> 00:22:18,240
it's everything to me

422
00:22:15,539 --> 00:22:21,299
so being in the water is always

423
00:22:18,240 --> 00:22:23,160
something good but a lot of times you

424
00:22:21,299 --> 00:22:24,000
know there's a lot of depth which is

425
00:22:23,160 --> 00:22:26,940
kind of scary

426
00:22:24,000 --> 00:22:27,509
in this one experience I was in the

427
00:22:26,940 --> 00:22:30,058
water

428

00:22:27,509 --> 00:22:32,250
dolphins came up to me I was a little

429
00:22:30,058 --> 00:22:34,190
bit hesitant because I'm like in the

430
00:22:32,250 --> 00:22:37,170
middle of the water with dolphins but

431
00:22:34,190 --> 00:22:39,990
they were very light-colored dolphins

432
00:22:37,170 --> 00:22:40,620
they weren't like grey blue or anything

433
00:22:39,990 --> 00:22:43,440
like that

434
00:22:40,619 --> 00:22:45,750
and they surrounded me and I was in the

435
00:22:43,440 --> 00:22:47,970
middle and I was just still and just

436
00:22:45,750 --> 00:22:49,049
watching them and they were still and I

437
00:22:47,970 --> 00:22:51,870
looked at one of them

438
00:22:49,049 --> 00:22:54,329
and it became wider and wider and wider

439
00:22:51,869 --> 00:22:57,209
to the point where it was almost like

440
00:22:54,329 --> 00:23:01,230
luminescent white like nothing you've

441
00:22:57,210 --> 00:23:04,049
ever seen it started having kind of like

442
00:23:01,230 --> 00:23:04,500

a crown type on the top of its head or

443

00:23:04,049 --> 00:23:06,119
something

444

00:23:04,500 --> 00:23:09,000
so it didn't even really look like a

445

00:23:06,119 --> 00:23:12,449
dolphin anymore it almost had kind of a

446

00:23:09,000 --> 00:23:15,690
look of a possum face or something the

447

00:23:12,450 --> 00:23:18,600
eyes were real elongated and black the

448

00:23:15,690 --> 00:23:21,660
face was long and it really didn't have

449

00:23:18,599 --> 00:23:23,779
like a distinctive body shape to it but

450

00:23:21,660 --> 00:23:27,600
it was originally the dolphin so

451

00:23:23,779 --> 00:23:30,599
transformed into this being and it was

452

00:23:27,599 --> 00:23:32,250
communicating with me whatever I don't

453

00:23:30,599 --> 00:23:34,199
always remember the things that are

454

00:23:32,250 --> 00:23:36,720
communicated but I do know when it's

455

00:23:34,200 --> 00:23:38,720
something that is very profound and that

456

00:23:36,720 --> 00:23:42,000
was probably one of the greatest

457
00:23:38,720 --> 00:23:44,910
experiences I've had and I felt like

458
00:23:42,000 --> 00:23:48,660
they were telling me something in

459
00:23:44,910 --> 00:23:51,420
regards to my connection you know was

460
00:23:48,660 --> 00:23:53,820
much greater than what I understood it

461
00:23:51,420 --> 00:23:57,450
to be in the physical world so he was

462
00:23:53,819 --> 00:24:00,058
speaking or it whatever was speaking to

463
00:23:57,450 --> 00:24:01,740
a higher level of myself or I don't want

464
00:24:00,058 --> 00:24:05,129
to say higher because that sounds like

465
00:24:01,740 --> 00:24:08,490
I'm insignificant but another layer of

466
00:24:05,130 --> 00:24:11,040
myself you know maybe closer to source

467
00:24:08,490 --> 00:24:13,710
that was actually very beautiful

468
00:24:11,039 --> 00:24:16,710
and I really enjoyed that experience and

469
00:24:13,710 --> 00:24:18,840
I hang on to that because it's something

470
00:24:16,710 --> 00:24:20,880
that when you have an experience like

471
00:24:18,839 --> 00:24:23,429
that it makes all the other ones kind of

472
00:24:20,880 --> 00:24:29,150
dissipate and seen not as important

473
00:24:23,430 --> 00:24:32,460
quite refined yeah it was so my artwork

474
00:24:29,150 --> 00:24:36,290
when I do my art I try not to think

475
00:24:32,460 --> 00:24:40,140
about what I'm gonna do so much my

476
00:24:36,289 --> 00:24:42,450
inspiration comes through I want to say

477
00:24:40,140 --> 00:24:49,110
it's just an energy that flows through

478
00:24:42,450 --> 00:24:52,769
me and I try to follow it if I question

479
00:24:49,109 --> 00:24:54,869
what I'm doing I try to do whatever it

480
00:24:52,769 --> 00:24:57,869
is that's coming through and not listen

481
00:24:54,869 --> 00:24:59,849
to my physical mind telling me what to

482
00:24:57,869 --> 00:25:03,449
do you know because there are so many

483
00:24:59,849 --> 00:25:05,490
rules about art in the physical world if

484
00:25:03,450 --> 00:25:08,519
your limit is limiting yourself to the

485

00:25:05,490 --> 00:25:11,460
physical form of art then you're not

486
00:25:08,519 --> 00:25:14,940
allowing the the essence of it to really

487
00:25:11,460 --> 00:25:17,190
come through and that energy that you're

488
00:25:14,940 --> 00:25:19,559
putting into that piece of artwork or

489
00:25:17,190 --> 00:25:23,309
anything that you're creating is an

490
00:25:19,559 --> 00:25:25,339
energy it's a continuous creation and

491
00:25:23,309 --> 00:25:28,589
that's all we're doing we're just

492
00:25:25,339 --> 00:25:32,970
continuing the creation and I think that

493
00:25:28,589 --> 00:25:36,389
by saying that's that's what we're doing

494
00:25:32,970 --> 00:25:39,870
where our experiences that people are

495
00:25:36,390 --> 00:25:41,700
having with aliens or other beings the

496
00:25:39,869 --> 00:25:44,519
stuff that's popping up all over the

497
00:25:41,700 --> 00:25:47,490
place anything that can be thought of is

498
00:25:44,519 --> 00:25:50,970
going to happen because we are a thought

499
00:25:47,490 --> 00:25:52,650

you know we are a creation when we want

500

00:25:50,970 --> 00:25:58,259

to create something it's originally a

501

00:25:52,650 --> 00:26:01,530

thought so it's it's moving through the

502

00:25:58,259 --> 00:26:05,879

physical realm and we are expressing it

503

00:26:01,529 --> 00:26:08,089

physically so it can be simple like that

504

00:26:05,880 --> 00:26:10,140

but then when you're having all these

505

00:26:08,089 --> 00:26:12,509

experiences and you're trying to deal

506

00:26:10,140 --> 00:26:15,509

with the real world well so we called

507

00:26:12,509 --> 00:26:19,319

the real world it is very complicated

508

00:26:15,509 --> 00:26:22,599

and it becomes hard um there's been many

509

00:26:19,319 --> 00:26:25,359

times when I wake up with migraines

510

00:26:22,599 --> 00:26:29,469

their experiences and how do you go to

511

00:26:25,359 --> 00:26:34,148

work you know it's it's hard it's hard

512

00:26:29,470 --> 00:26:37,870

to deal with both I see my kids you know

513

00:26:34,148 --> 00:26:39,939

my son especially he comes over he sees

514
00:26:37,869 --> 00:26:42,879
things running through the house he gets

515
00:26:39,940 --> 00:26:45,009
scared he sees you know something in the

516
00:26:42,880 --> 00:26:47,620
doorway I know what he's talking about

517
00:26:45,009 --> 00:26:49,630
because I see I see the same things I

518
00:26:47,619 --> 00:26:51,099
can't really sit I'm not gonna sit there

519
00:26:49,630 --> 00:26:51,940
and tell no you don't know what you're

520
00:26:51,099 --> 00:26:54,369
talking about

521
00:26:51,940 --> 00:26:57,610
you know it's not real because how are

522
00:26:54,369 --> 00:27:00,459
we both seeing the same thing I had an

523
00:26:57,609 --> 00:27:02,798
ex-boyfriend that contacted me not too

524
00:27:00,460 --> 00:27:06,220
long ago and he had seen one of my

525
00:27:02,798 --> 00:27:10,089
videos that I posted I think on YouTube

526
00:27:06,220 --> 00:27:13,058
and he was telling me that he well he

527
00:27:10,089 --> 00:27:14,558
asked me he said do you remember the

528
00:27:13,058 --> 00:27:17,769
experience I had when we were together

529
00:27:14,558 --> 00:27:20,888
and I said well not really because that

530
00:27:17,769 --> 00:27:23,620
was my first boyfriend and he said yeah

531
00:27:20,888 --> 00:27:25,418
he goes I had the same experience

532
00:27:23,619 --> 00:27:27,849
because I had been talking about the

533
00:27:25,419 --> 00:27:30,399
hands holding me up he had the same

534
00:27:27,849 --> 00:27:32,138
experience and he said I was there with

535
00:27:30,398 --> 00:27:37,119
him yeah I remember having those

536
00:27:32,138 --> 00:27:41,349
experiences at that time and that

537
00:27:37,119 --> 00:27:44,619
specific apartment we had and well I had

538
00:27:41,349 --> 00:27:47,378
a lot of experiences I don't know if

539
00:27:44,619 --> 00:27:49,449
you've ever felt like something came

540
00:27:47,378 --> 00:27:51,369
into a room but you never see it well

541
00:27:49,450 --> 00:27:54,788
what would happen is the door would be

542

00:27:51,369 --> 00:27:56,258
cracked and I would be my it was like I

543
00:27:54,788 --> 00:27:58,028
could see everything in the room but I

544
00:27:56,259 --> 00:28:01,269
don't know if my eyes were open or not

545
00:27:58,028 --> 00:28:04,089
and I would through that doorway would

546
00:28:01,269 --> 00:28:06,870
come some type of being and tickle me

547
00:28:04,089 --> 00:28:09,908
and this would happen you know at least

548
00:28:06,869 --> 00:28:13,329
maybe 15 times while I was living there

549
00:28:09,909 --> 00:28:16,450
and I lived there for about two years so

550
00:28:13,329 --> 00:28:19,720
it happened to the point where it was

551
00:28:16,450 --> 00:28:23,019
like uncomfortable you know and I've had

552
00:28:19,720 --> 00:28:25,450
those experiences a lot where you feel

553
00:28:23,019 --> 00:28:27,788
like something is there with you but you

554
00:28:25,450 --> 00:28:30,069
don't see it you know it's you don't see

555
00:28:27,788 --> 00:28:32,429
a physical present it almost seems like

556
00:28:30,069 --> 00:28:34,898

at different houses that you live in

557

00:28:32,429 --> 00:28:37,470

sometimes the energy is different I've

558

00:28:34,898 --> 00:28:41,159

moved around a lot

559

00:28:37,470 --> 00:28:44,490

if you have a home where there have been

560

00:28:41,160 --> 00:28:46,560

a lot of like disturbances negative

561

00:28:44,490 --> 00:28:48,660

energy things like that

562

00:28:46,559 --> 00:28:52,740

that come in in nature it seems as

563

00:28:48,660 --> 00:28:56,160

though whatever it is that is connected

564

00:28:52,740 --> 00:28:58,769

to me stirs it up but makes it worse one

565

00:28:56,160 --> 00:29:02,940

of the houses I lived in I had moved in

566

00:28:58,769 --> 00:29:06,269

with a ex-boyfriend and right away we

567

00:29:02,940 --> 00:29:11,730

had all kinds of things happening we

568

00:29:06,269 --> 00:29:13,920

even saw a blur in the house in several

569

00:29:11,730 --> 00:29:15,930

different areas of the house where it

570

00:29:13,920 --> 00:29:19,590

was kind of like blurred space like

571
00:29:15,930 --> 00:29:21,240
water we saw that same thing over our

572
00:29:19,589 --> 00:29:23,189
neighbor's house when we were walking

573
00:29:21,240 --> 00:29:26,220
through the neighborhood almost it was

574
00:29:23,190 --> 00:29:30,570
huge I mean it was big and we both saw

575
00:29:26,220 --> 00:29:33,029
it um we also saw a white being walking

576
00:29:30,569 --> 00:29:35,129
through our house like pacing my

577
00:29:33,029 --> 00:29:39,149
daughter saw this same being in her

578
00:29:35,130 --> 00:29:41,610
bedroom so these things are very you

579
00:29:39,150 --> 00:29:44,759
know you can't really for me it's a

580
00:29:41,609 --> 00:29:46,529
mixture it's it's a mixed bag of many

581
00:29:44,759 --> 00:29:49,680
different things I wouldn't say it's

582
00:29:46,529 --> 00:29:51,359
just alien experiences I think it's more

583
00:29:49,680 --> 00:29:55,500
than that I think it's a bunch of

584
00:29:51,359 --> 00:29:59,250
different stuff when I was probably want

585
00:29:55,500 --> 00:30:01,759
to say like early 20s I was doing a lot

586
00:29:59,250 --> 00:30:07,440
of meditation like all-day meditations

587
00:30:01,759 --> 00:30:09,839
and the focus was not to focus on that

588
00:30:07,440 --> 00:30:13,140
focus was to fill your connection with

589
00:30:09,839 --> 00:30:16,079
spirit you know and it's kind of not

590
00:30:13,140 --> 00:30:17,700
ignore or but not necessarily get

591
00:30:16,079 --> 00:30:19,679
wrapped up in the drama of all the

592
00:30:17,700 --> 00:30:21,779
in-between stuff I think that we are

593
00:30:19,680 --> 00:30:26,430
experiencing all the in-between stuff

594
00:30:21,779 --> 00:30:28,829
because ultimately we are all part of

595
00:30:26,430 --> 00:30:32,039
the same energy all these stories and

596
00:30:28,829 --> 00:30:34,829
and dramas and you know things that are

597
00:30:32,039 --> 00:30:37,519
being played out in the physical you

598
00:30:34,829 --> 00:30:41,699
know there's all different layers of

599

00:30:37,519 --> 00:30:44,250
experiences are just a story it's not

600
00:30:41,700 --> 00:30:47,370
we're taking it seriously because we

601
00:30:44,250 --> 00:30:50,308
created rules to create that seriousness

602
00:30:47,369 --> 00:30:52,768
in the physical world we

603
00:30:50,308 --> 00:30:55,678
laws that tell us what we need to do

604
00:30:52,769 --> 00:30:58,440
what's right what's wrong but it doesn't

605
00:30:55,679 --> 00:31:01,830
mean that it's true and honestly I

606
00:30:58,440 --> 00:31:03,960
believe in my connection with the spirit

607
00:31:01,829 --> 00:31:07,079
much more than I believe in anything

608
00:31:03,960 --> 00:31:09,778
else because even though I'm a mother

609
00:31:07,079 --> 00:31:12,628
and I have responsibilities here because

610
00:31:09,778 --> 00:31:15,839
this is the physical manifestation I

611
00:31:12,628 --> 00:31:18,628
also know at the same time when I leave

612
00:31:15,839 --> 00:31:21,209
this body's not going with me anywhere I

613
00:31:18,628 --> 00:31:23,519

know I'm gonna continue on we didn't

614

00:31:21,210 --> 00:31:26,579

come from that thing so when we leave

615

00:31:23,519 --> 00:31:30,269

we're not going back to nothing and I've

616

00:31:26,579 --> 00:31:32,368

had many many when people say that

617

00:31:30,269 --> 00:31:34,769

they're enlightened or they're awakens

618

00:31:32,368 --> 00:31:36,538

and stuff like that and I understand

619

00:31:34,769 --> 00:31:40,019

what they're saying but you're never

620

00:31:36,538 --> 00:31:42,329

fully awakened until you're off out not

621

00:31:40,019 --> 00:31:45,778

in the physical there are so many layers

622

00:31:42,329 --> 00:31:48,058

of that awakening that you have to go

623

00:31:45,778 --> 00:31:49,588

through for you to be fully awakened

624

00:31:48,058 --> 00:31:51,628

because the only way you're gonna be

625

00:31:49,588 --> 00:31:54,348

fully awakened is when you're completely

626

00:31:51,628 --> 00:31:57,569

one with spirit you have no other

627

00:31:54,348 --> 00:32:00,509

uncovering to go through there's nothing

628
00:31:57,569 --> 00:32:03,509
else there the different levels that

629
00:32:00,509 --> 00:32:06,598
we're in is a manifestation of thought

630
00:32:03,509 --> 00:32:08,759
it's the Creator creating and anything

631
00:32:06,598 --> 00:32:10,710
we create in the physical world that's

632
00:32:08,759 --> 00:32:13,278
what we're meant to do create the

633
00:32:10,710 --> 00:32:16,710
physical illusion and live it out

634
00:32:13,278 --> 00:32:18,929
experience it but at the same time I

635
00:32:16,710 --> 00:32:22,979
think all of us go through a point where

636
00:32:18,929 --> 00:32:24,599
we suddenly say hey this doesn't make

637
00:32:22,979 --> 00:32:27,359
sense I don't think it's all about this

638
00:32:24,598 --> 00:32:30,178
physical world anymore and that's how I

639
00:32:27,358 --> 00:32:33,239
was growing up as a child I could never

640
00:32:30,179 --> 00:32:36,210
understand why people would blindly

641
00:32:33,239 --> 00:32:38,700
follow and do things just because they

642
00:32:36,210 --> 00:32:40,558
had to and I'm not saying I haven't been

643
00:32:38,700 --> 00:32:43,710
put in that position and I haven't

644
00:32:40,558 --> 00:32:46,618
accepted that thinking but I could never

645
00:32:43,710 --> 00:32:49,469
fit into that it never made sense to me

646
00:32:46,618 --> 00:32:51,538
and I would always end up getting

647
00:32:49,469 --> 00:32:53,519
depressed about it like just sitting

648
00:32:51,538 --> 00:32:56,669
like even when I was younger just

649
00:32:53,519 --> 00:32:58,888
sitting and watching TV I knew that

650
00:32:56,669 --> 00:33:02,190
there was something wrong with that when

651
00:32:58,888 --> 00:33:03,689
there was no computers a vicious TV you

652
00:33:02,190 --> 00:33:06,509
know there was something wrong with

653
00:33:03,690 --> 00:33:09,059
to me and not being outside not being in

654
00:33:06,509 --> 00:33:12,000
nature not interacting with people

655
00:33:09,059 --> 00:33:15,059
sitting in front of that TV and having

656

00:33:12,000 --> 00:33:17,369
the world manipulated to make you

657
00:33:15,059 --> 00:33:20,369
believe something and I would get

658
00:33:17,369 --> 00:33:23,669
headaches I would get frustrated I mean

659
00:33:20,369 --> 00:33:25,589
I could feel the vibration effect and I

660
00:33:23,670 --> 00:33:29,009
would get sick of it and I'd be like I'm

661
00:33:25,589 --> 00:33:30,929
I'm done I'm not watching TV like I for

662
00:33:29,009 --> 00:33:34,470
a long time I didn't have a TV at all

663
00:33:30,930 --> 00:33:37,799
and I don't even have a I don't have

664
00:33:34,470 --> 00:33:39,870
cable now I have Netflix so if I want to

665
00:33:37,799 --> 00:33:42,899
watch some it's the movie and I think a

666
00:33:39,869 --> 00:33:45,659
lot of people do that and now - but to

667
00:33:42,900 --> 00:33:48,030
me just sucks the life out of you and

668
00:33:45,660 --> 00:33:50,880
you're not really yeah you're having an

669
00:33:48,029 --> 00:33:53,279
experience here you're doing what you

670
00:33:50,880 --> 00:33:55,440

need to do at that moment but if you're

671

00:33:53,279 --> 00:33:58,559

aware of it and you are aware of the

672

00:33:55,440 --> 00:34:01,710

choice then you're at that stage where

673

00:33:58,559 --> 00:34:03,389

you're contemplating other things it's

674

00:34:01,710 --> 00:34:05,100

not just about your physical world

675

00:34:03,390 --> 00:34:07,170

anymore you're starting to question

676

00:34:05,099 --> 00:34:09,029

things if you're going to buy into the

677

00:34:07,170 --> 00:34:11,340

physical world and all the beliefs you

678

00:34:09,030 --> 00:34:13,880

can't question anything otherwise you're

679

00:34:11,340 --> 00:34:17,610

not going to be able to live it when

680

00:34:13,880 --> 00:34:20,220

people are corrupt and do bad things and

681

00:34:17,610 --> 00:34:23,010

just go along with it like it's nothing

682

00:34:20,219 --> 00:34:26,399

it's not I'm you you are totally

683

00:34:23,010 --> 00:34:28,200

ignoring your spiritual aspect your

684

00:34:26,400 --> 00:34:28,740

energy you know whatever you want to

685
00:34:28,199 --> 00:34:31,439
call it

686
00:34:28,739 --> 00:34:33,269
god you're you are totally shutting that

687
00:34:31,440 --> 00:34:36,570
down and you're gonna be a miserable

688
00:34:33,269 --> 00:34:38,969
person eventually because of it and I

689
00:34:36,570 --> 00:34:41,760
know this because I've lived it I don't

690
00:34:38,969 --> 00:34:43,019
want to live in that way I don't want to

691
00:34:41,760 --> 00:34:46,440
be that kind of person

692
00:34:43,019 --> 00:34:49,289
art helps me move through that the

693
00:34:46,440 --> 00:34:51,720
physical world is very frustrating and I

694
00:34:49,289 --> 00:34:54,599
think when you are coming out of the

695
00:34:51,719 --> 00:34:57,269
physical illusion it becomes more and

696
00:34:54,599 --> 00:34:59,639
more frustrating because you don't quite

697
00:34:57,269 --> 00:35:02,460
understand what's happening to you and

698
00:34:59,639 --> 00:35:04,230
you don't quite understand how you're

699

00:35:02,460 --> 00:35:06,690
gonna fit into that physical world

700

00:35:04,230 --> 00:35:09,570
because you can't anymore where where do

701

00:35:06,690 --> 00:35:11,909
you go you know event sometimes you meet

702

00:35:09,570 --> 00:35:14,130
people but everybody has their own idea

703

00:35:11,909 --> 00:35:16,710
about things so you know you can meet

704

00:35:14,130 --> 00:35:17,309
hope hopefully open-minded people that

705

00:35:16,710 --> 00:35:20,550
are

706

00:35:17,309 --> 00:35:22,469
willing to accept your experience and

707

00:35:20,550 --> 00:35:25,250
not just make it all about them you're

708

00:35:22,469 --> 00:35:28,099
not gonna fit into mainstream society

709

00:35:25,250 --> 00:35:32,880
it's just not going to work for you and

710

00:35:28,099 --> 00:35:39,210
to me it can be something to ponder when

711

00:35:32,880 --> 00:35:41,640
we lock people up and you know decide

712

00:35:39,210 --> 00:35:44,760
because they can't fit into the physical

713

00:35:41,639 --> 00:35:47,609
world that are crazy they have emotional

714
00:35:44,760 --> 00:35:50,370
issues all this stuff yeah when you

715
00:35:47,610 --> 00:35:52,500
become in touch with something beyond

716
00:35:50,369 --> 00:35:55,859
your physical form and you don't just

717
00:35:52,500 --> 00:35:58,260
see yourself as a meat body then yeah

718
00:35:55,860 --> 00:36:00,300
you're you're going to feel things

719
00:35:58,260 --> 00:36:02,280
you're going to experience it's things

720
00:36:00,300 --> 00:36:05,970
that you may not have felt before and

721
00:36:02,280 --> 00:36:09,030
you're gonna wonder why and if because

722
00:36:05,969 --> 00:36:10,919
of the way our world is it's hard to

723
00:36:09,030 --> 00:36:13,650
find people to help you through that

724
00:36:10,920 --> 00:36:16,530
I myself listen to people when they tell

725
00:36:13,650 --> 00:36:20,369
me things if I can find someone that I

726
00:36:16,530 --> 00:36:23,910
feel has something to tell me the is

727
00:36:20,369 --> 00:36:26,400

worth listening to I guess in the sense

728

00:36:23,909 --> 00:36:28,889

of them trying to tell me something like

729

00:36:26,400 --> 00:36:32,970

teach me something then you know that's

730

00:36:28,889 --> 00:36:35,519

great but ultimately the only real

731

00:36:32,969 --> 00:36:38,369

teacher we have is within ourselves

732

00:36:35,519 --> 00:36:41,550

it's our intuition its energy it's the

733

00:36:38,369 --> 00:36:44,369

source coming through us because we have

734

00:36:41,550 --> 00:36:46,580

to honor and validate that if we don't

735

00:36:44,369 --> 00:36:49,139

then all we're doing is fighting it and

736

00:36:46,579 --> 00:36:52,380

not acknowledging it so it's not going

737

00:36:49,139 --> 00:36:56,849

to come through maybe in the best way

738

00:36:52,380 --> 00:37:00,200

because it's not you're not open to it

739

00:36:56,849 --> 00:37:02,849

so if you're medicated on you know

740

00:37:00,199 --> 00:37:04,169

antidepressants I caught antipsychotics

741

00:37:02,849 --> 00:37:06,000

things like that though are you

742
00:37:04,170 --> 00:37:07,470
definitely not going to be able to get

743
00:37:06,000 --> 00:37:10,769
in tune with that because it's gonna be

744
00:37:07,469 --> 00:37:13,009
all backed out and crazy I have a hard

745
00:37:10,769 --> 00:37:16,769
time focusing when I was growing up in

746
00:37:13,010 --> 00:37:18,750
school I was extremely bored there were

747
00:37:16,769 --> 00:37:20,280
certain things I was interested in but I

748
00:37:18,750 --> 00:37:22,650
couldn't go beyond that point

749
00:37:20,280 --> 00:37:24,660
no matter how hard I tried I mean I

750
00:37:22,650 --> 00:37:26,760
really tried to make good grades I

751
00:37:24,659 --> 00:37:29,129
really tried to do good things when I

752
00:37:26,760 --> 00:37:30,640
was growing up in school but I had a

753
00:37:29,130 --> 00:37:34,599
very hard time doing

754
00:37:30,639 --> 00:37:38,018
I not too long ago I actually realized

755
00:37:34,599 --> 00:37:41,019
that you know some people call it what

756
00:37:38,018 --> 00:37:43,508
ADHD or something like that um maybe

757
00:37:41,018 --> 00:37:47,139
that's what that was but that wasn't

758
00:37:43,509 --> 00:37:50,528
like back then really something I guess

759
00:37:47,139 --> 00:37:52,629
it wasn't even brought up but I would

760
00:37:50,528 --> 00:37:56,259
daydream all the time I would fantasize

761
00:37:52,630 --> 00:37:59,230
I was never paying attention and I

762
00:37:56,259 --> 00:38:00,460
didn't really care about school I mean I

763
00:37:59,230 --> 00:38:03,460
cared about the things that were

764
00:38:00,460 --> 00:38:06,670
interesting to me but the rest of it it

765
00:38:03,460 --> 00:38:09,028
was like what's the point so that right

766
00:38:06,670 --> 00:38:11,470
there that's you know that's

767
00:38:09,028 --> 00:38:14,469
manipulating people's creativity when

768
00:38:11,469 --> 00:38:18,788
they're trying to mold the kids and make

769
00:38:14,469 --> 00:38:21,189
them into productive citizen they're not

770

00:38:18,789 --> 00:38:23,079
acknowledging the people that are

771
00:38:21,190 --> 00:38:25,210
creative and I think that's what it was

772
00:38:23,079 --> 00:38:29,920
about for me as I had a creative mind

773
00:38:25,210 --> 00:38:32,588
and I knew I loved art that is these

774
00:38:29,920 --> 00:38:34,499
experiences are about to remind you that

775
00:38:32,588 --> 00:38:38,440
there are other things out there and

776
00:38:34,498 --> 00:38:41,639
that you are always connected no matter

777
00:38:38,440 --> 00:38:45,278
what shape form you're taking the whole

778
00:38:41,639 --> 00:38:47,739
drama about you know these aliens

779
00:38:45,278 --> 00:38:49,809
attacking everybody that's so physical

780
00:38:47,739 --> 00:38:52,179
you know what I mean that just sounds so

781
00:38:49,809 --> 00:38:54,849
physical to me it's like one really

782
00:38:52,179 --> 00:38:57,308
can't you go a little bit outside of

783
00:38:54,849 --> 00:39:00,880
that get to just take a peek outside of

784
00:38:57,309 --> 00:39:02,710

that because it just seems so boring to

785

00:39:00,880 --> 00:39:06,099
me like really that's all you think

786

00:39:02,710 --> 00:39:10,150
there is like okay so that spear the

787

00:39:06,099 --> 00:39:13,259
main source of that anger frustration of

788

00:39:10,150 --> 00:39:15,838
probably who the person is feeling

789

00:39:13,259 --> 00:39:18,789
unconnected to anything you know like

790

00:39:15,838 --> 00:39:20,889
warmonger type mentality to me that's

791

00:39:18,789 --> 00:39:22,420
all I can think of I'm pretty sure they

792

00:39:20,889 --> 00:39:24,068
could have gotten this a long time ago

793

00:39:22,420 --> 00:39:26,650
though if that's really what it was

794

00:39:24,068 --> 00:39:28,659
about for them so that's why I say I

795

00:39:26,650 --> 00:39:30,130
question whether or not a lot of these

796

00:39:28,659 --> 00:39:31,929
people couldn't stuff out there like

797

00:39:30,130 --> 00:39:34,329
that are actually really experienced

798

00:39:31,929 --> 00:39:36,818
there's because to me it just doesn't

799
00:39:34,329 --> 00:39:39,099
sound right and I believe that the

800
00:39:36,818 --> 00:39:41,380
government has a big hand and we're

801
00:39:39,099 --> 00:39:43,559
going down into the physical world so

802
00:39:41,380 --> 00:39:45,838
the physical has the negative

803
00:39:43,559 --> 00:39:48,930
in the positive it's all a head trip and

804
00:39:45,838 --> 00:39:50,458
and here we are one being separating

805
00:39:48,929 --> 00:39:52,379
ourselves into all these different

806
00:39:50,458 --> 00:39:54,469
creations I mean it's just

807
00:39:52,380 --> 00:39:57,509
and then the creations have their own

808
00:39:54,469 --> 00:39:59,639
creations and thoughts and it's it's

809
00:39:57,509 --> 00:40:02,188
incredible I mean when you look at it

810
00:39:59,639 --> 00:40:05,449
and you talk about it like that it can

811
00:40:02,188 --> 00:40:09,149
be inspiring and beautiful and just

812
00:40:05,449 --> 00:40:11,400
amazing and I could that's that's where

813

00:40:09,150 --> 00:40:15,568

it should be geared towards but I do

814

00:40:11,400 --> 00:40:17,699

know that the physical you have to have

815

00:40:15,568 --> 00:40:21,088

that negativity or there's no there's no

816

00:40:17,699 --> 00:40:24,900

attraction you know to the physical I've

817

00:40:21,088 --> 00:40:27,389

contacted many people including you but

818

00:40:24,900 --> 00:40:30,869

you know just trying to give a more

819

00:40:27,389 --> 00:40:33,268

positive twist on that I guess you know

820

00:40:30,869 --> 00:40:36,539

I didn't just have my experience

821

00:40:33,268 --> 00:40:41,838

yesterday I've had this stuff going on

822

00:40:36,539 --> 00:40:44,119

for a long time but okay for example I

823

00:40:41,838 --> 00:40:49,048

contacted one of the bigger organ

824

00:40:44,119 --> 00:40:53,400

organizations and they contacted me but

825

00:40:49,048 --> 00:40:56,518

it was through another woman and she was

826

00:40:53,400 --> 00:40:59,489

an artist also she asked me if I wanted

827

00:40:56,518 --> 00:41:02,788
to come and basically have my memory

828
00:40:59,489 --> 00:41:05,999
erased and my experiences so I was like

829
00:41:02,789 --> 00:41:08,699
I mean she said she'd let me know she

830
00:41:05,998 --> 00:41:11,399
didn't want to like try and set me up

831
00:41:08,699 --> 00:41:14,759
for something and trick me she let me

832
00:41:11,400 --> 00:41:17,278
know you know that she had it done or

833
00:41:14,759 --> 00:41:18,059
whatever I don't know some kind of I

834
00:41:17,278 --> 00:41:19,498
don't know

835
00:41:18,059 --> 00:41:22,410
to be honest with you and I've never

836
00:41:19,498 --> 00:41:24,419
heard of it before so um you know I

837
00:41:22,409 --> 00:41:26,399
thought about it and I was like that's

838
00:41:24,420 --> 00:41:28,858
it sounds scary I don't think I want to

839
00:41:26,400 --> 00:41:30,959
do that what how do I know that's what

840
00:41:28,858 --> 00:41:33,268
that person is really trying to do you

841
00:41:30,958 --> 00:41:36,328

know I don't know who this person is so

842

00:41:33,268 --> 00:41:39,928

I thought that was really strange other

843

00:41:36,329 --> 00:41:41,880

other groups just it's all negative

844

00:41:39,929 --> 00:41:45,568

stuff and if you don't say anything

845

00:41:41,880 --> 00:41:48,929

negative you're they attack you so I

846

00:41:45,568 --> 00:41:52,768

just I'm not involved in that and I

847

00:41:48,929 --> 00:41:56,068

contacted a couple of websites where

848

00:41:52,768 --> 00:41:57,069

they they talked about better you know

849

00:41:56,068 --> 00:41:59,440

like a

850

00:41:57,070 --> 00:42:02,260

more positive interpretation something

851

00:41:59,440 --> 00:42:04,690

closer to what I've experienced and they

852

00:42:02,260 --> 00:42:07,330

never contact me back so you know and I

853

00:42:04,690 --> 00:42:09,909

understand that a lot of people dealing

854

00:42:07,329 --> 00:42:11,529

with this it's hard to know who you can

855

00:42:09,909 --> 00:42:13,719

talk to because there are always people

856
00:42:11,530 --> 00:42:16,210
out there that are trying to do

857
00:42:13,719 --> 00:42:19,659
something with your information you know

858
00:42:16,210 --> 00:42:22,720
I can't really say for sure I think

859
00:42:19,659 --> 00:42:24,969
everything is always changing evolving I

860
00:42:22,719 --> 00:42:27,339
don't think I I just don't understand

861
00:42:24,969 --> 00:42:29,529
what the point of it is really because I

862
00:42:27,340 --> 00:42:32,740
I think it's just more about staying in

863
00:42:29,530 --> 00:42:35,350
the manipulation of the negative

864
00:42:32,739 --> 00:42:38,859
experience here on earth who knows if

865
00:42:35,349 --> 00:42:41,259
these beings or whatever are already

866
00:42:38,860 --> 00:42:43,840
contacting people so why do they need to

867
00:42:41,260 --> 00:42:47,140
make a presence really there have their

868
00:42:43,840 --> 00:42:49,510
presence their presence is within these

869
00:42:47,139 --> 00:42:51,579
experiences why do we really think

870
00:42:49,510 --> 00:42:54,340
they're just gonna come down here like

871
00:42:51,579 --> 00:42:56,110
that I mean oh you know we're gonna show

872
00:42:54,340 --> 00:42:57,610
up one day and take over the earth or

873
00:42:56,110 --> 00:42:59,950
we're gonna make our presence we're

874
00:42:57,610 --> 00:43:02,010
gonna be revealed it's a long time ago

875
00:42:59,949 --> 00:43:05,739
this this is everything that we

876
00:43:02,010 --> 00:43:08,950
experiences re-experience over and over

877
00:43:05,739 --> 00:43:11,229
again within my lifetime you know people

878
00:43:08,949 --> 00:43:13,899
forget they remember they forget they

879
00:43:11,230 --> 00:43:17,619
remember it's not like this stuff hasn't

880
00:43:13,900 --> 00:43:20,380
been going on for a long time it's it's

881
00:43:17,619 --> 00:43:25,029
definitely something that's been present

882
00:43:20,380 --> 00:43:28,539
so to me the the experiences are just I

883
00:43:25,030 --> 00:43:29,620
think just basically to remind and I

884

00:43:28,539 --> 00:43:31,420
don't even think it's like an

885
00:43:29,619 --> 00:43:33,759
intentional thing really I just think

886
00:43:31,420 --> 00:43:36,789
it's part of the process of remembering

887
00:43:33,760 --> 00:43:39,760
what we are and you know coming out of

888
00:43:36,789 --> 00:43:42,759
that that little strand of energy that's

889
00:43:39,760 --> 00:43:45,070
you know connected to a bigger energy or

890
00:43:42,760 --> 00:43:47,920
whatever it is you know so yeah there's

891
00:43:45,070 --> 00:43:50,620
gonna be many different experiences

892
00:43:47,920 --> 00:43:53,099
through that through that energy I mean

893
00:43:50,619 --> 00:43:55,989
it's just obviously because we're

894
00:43:53,099 --> 00:43:57,759
experiencing it I I think that it would

895
00:43:55,989 --> 00:44:00,519
be nice if there was something set up

896
00:43:57,760 --> 00:44:03,250
for people that have these experiences

897
00:44:00,519 --> 00:44:05,619
especially with as many people that

898
00:44:03,250 --> 00:44:08,139

there are that experience these things I

899

00:44:05,619 --> 00:44:10,839

feel like it's either half it or if not

900

00:44:08,139 --> 00:44:14,319

more you would think there would be some

901

00:44:10,840 --> 00:44:15,670

being much more substantial psychology

902

00:44:14,320 --> 00:44:16,960

and all that you know well there's

903

00:44:15,670 --> 00:44:19,000

something wrong with you that's

904

00:44:16,960 --> 00:44:22,110

medicating even though we're all feeling

905

00:44:19,000 --> 00:44:24,570

the same thing yeah many remembering

906

00:44:22,110 --> 00:44:28,660

like I've had a lot of past life

907

00:44:24,570 --> 00:44:31,620

experiences being obsessed with the

908

00:44:28,659 --> 00:44:34,659

symbols I've had a lot of Illuminati

909

00:44:31,619 --> 00:44:37,900

Satanist or groups contact me thinking

910

00:44:34,659 --> 00:44:39,940

that I'm part of that no this is much

911

00:44:37,900 --> 00:44:43,180

older than that and I came into the

912

00:44:39,940 --> 00:44:46,240

world doing this so how did I know that

913
00:44:43,179 --> 00:44:49,690
okay well maybe I was manipulated when I

914
00:44:46,239 --> 00:44:52,899
was a child I don't know but obsessively

915
00:44:49,690 --> 00:44:56,500
doing it like it was something I had to

916
00:44:52,900 --> 00:44:59,349
do you know I didn't really see I didn't

917
00:44:56,500 --> 00:45:02,019
even acknowledge the third eye I I would

918
00:44:59,349 --> 00:45:04,529
always draw pyramids with the eye in the

919
00:45:02,019 --> 00:45:07,929
middle my dad pointed out to me one day

920
00:45:04,530 --> 00:45:09,850
that it was on the dollar bill okay well

921
00:45:07,929 --> 00:45:10,899
maybe I was picking it up from there I

922
00:45:09,849 --> 00:45:14,799
don't know

923
00:45:10,900 --> 00:45:17,500
but I really don't think so it doesn't

924
00:45:14,800 --> 00:45:19,810
it doesn't feel like that if it was like

925
00:45:17,500 --> 00:45:23,469
an obsession it was like something that

926
00:45:19,809 --> 00:45:25,989
was in me trying to get out of me you

927
00:45:23,469 --> 00:45:28,949
know and I had to keep drawing it over

928
00:45:25,989 --> 00:45:31,689
and over and over and I still do it's

929
00:45:28,949 --> 00:45:34,869
there has to be some sort of connection

930
00:45:31,690 --> 00:45:37,750
and because we keep repeating the same

931
00:45:34,869 --> 00:45:40,960
thing everything is a cycle we go we

932
00:45:37,750 --> 00:45:43,900
repeat repeat repeat even within our own

933
00:45:40,960 --> 00:45:47,170
lives you know I definitely feel like

934
00:45:43,900 --> 00:45:50,349
that's carryover from other experiences

935
00:45:47,170 --> 00:45:53,139
why wouldn't it be you know maybe other

936
00:45:50,349 --> 00:45:57,989
worlds and it means something different

937
00:45:53,139 --> 00:46:01,509
or represents something more so I don't

938
00:45:57,989 --> 00:46:03,129
discount anything I hear because I feel

939
00:46:01,510 --> 00:46:06,040
like if you're telling me you're having

940
00:46:03,130 --> 00:46:09,970
an experience and it's something with

941

00:46:06,039 --> 00:46:11,829
outside of my realm of experiences what

942
00:46:09,969 --> 00:46:15,039
makes my experience is more important

943
00:46:11,829 --> 00:46:17,699
than yours you know I don't think that

944
00:46:15,039 --> 00:46:21,070
that even makes sense you know the

945
00:46:17,699 --> 00:46:23,710
rationality behind that now in dealing

946
00:46:21,070 --> 00:46:24,640
and me saying that and then going back

947
00:46:23,710 --> 00:46:26,929
to

948
00:46:24,639 --> 00:46:29,980
people that have negative experiences

949
00:46:26,929 --> 00:46:33,049
with aliens yes I think that they are

950
00:46:29,980 --> 00:46:34,818
experiencing that but it's because of

951
00:46:33,050 --> 00:46:37,849
what they're feeling within themselves

952
00:46:34,818 --> 00:46:40,699
and it's a certain it's like something

953
00:46:37,849 --> 00:46:42,920
you have to go through to get beyond

954
00:46:40,699 --> 00:46:44,689
that point and every I feel like

955
00:46:42,920 --> 00:46:46,510

everybody gets to that point where

956

00:46:44,690 --> 00:46:48,740

they're going through that they're all

957

00:46:46,510 --> 00:46:52,849

experiencing something uncomfortable

958

00:46:48,739 --> 00:46:56,449

because it's not within our memory of

959

00:46:52,849 --> 00:46:58,369

what is normal or what we decided is

960

00:46:56,449 --> 00:47:02,029

going to be normal for our lives

961

00:46:58,369 --> 00:47:05,150

so yeah if you just had an experience

962

00:47:02,030 --> 00:47:07,250

and you're 50 years old yeah that's

963

00:47:05,150 --> 00:47:10,099

that's gonna seem extremely disturbing

964

00:47:07,250 --> 00:47:10,519

to you um but if you live with it your

965

00:47:10,099 --> 00:47:13,700

whole life

966

00:47:10,519 --> 00:47:15,530

from the time you you're young it's

967

00:47:13,699 --> 00:47:19,789

almost like another world that you are

968

00:47:15,530 --> 00:47:22,160

part of and those people are almost like

969

00:47:19,789 --> 00:47:25,039

a family to you aliens that I've

970
00:47:22,159 --> 00:47:27,529
encountered on several occasions I felt

971
00:47:25,039 --> 00:47:30,500
like they had a parental role in my

972
00:47:27,530 --> 00:47:32,690
development and they were watching me

973
00:47:30,500 --> 00:47:34,329
you know making sure I was okay when I

974
00:47:32,690 --> 00:47:37,849
was going through certain experiences

975
00:47:34,329 --> 00:47:41,060
that was my perception but I've had

976
00:47:37,849 --> 00:47:45,019
really bad experiences when I have those

977
00:47:41,059 --> 00:47:48,440
bad experiences it's like I'm the actual

978
00:47:45,019 --> 00:47:50,809
thing doing the experience and I'm the

979
00:47:48,440 --> 00:47:53,289
one being experimented on it's on both

980
00:47:50,809 --> 00:47:57,650
of them and that's where I'm at now

981
00:47:53,289 --> 00:48:01,279
where I am the being and the being you

982
00:47:57,650 --> 00:48:03,650
know being experimented on or you know

983
00:48:01,280 --> 00:48:07,960
whatever the case may be I'm both

984
00:48:03,650 --> 00:48:11,630
creatures so it takes away the fear or

985
00:48:07,960 --> 00:48:14,150
feeling of not having control sometimes

986
00:48:11,630 --> 00:48:17,210
things are really weird and they don't

987
00:48:14,150 --> 00:48:19,059
make sense but somehow maybe it's just

988
00:48:17,210 --> 00:48:22,579
because I've had them so many times

989
00:48:19,059 --> 00:48:24,980
somehow I just feel like if I go along

990
00:48:22,579 --> 00:48:27,980
with it it'll be a lot easier to deal

991
00:48:24,980 --> 00:48:30,230
with and it doesn't become a fight or a

992
00:48:27,980 --> 00:48:31,039
struggle for me that's that's pretty

993
00:48:30,230 --> 00:48:33,980
much what it is

994
00:48:31,039 --> 00:48:38,190
and I would love to you know be able to

995
00:48:33,980 --> 00:48:40,858
continue doing this through my art

996
00:48:38,190 --> 00:48:41,309
I mean I'm going to nothing's gonna stop

997
00:48:40,858 --> 00:48:45,358
me

998

00:48:41,309 --> 00:48:48,509
but it's nice even when I see other

999
00:48:45,358 --> 00:48:50,400
people do experience are that kind of

1000
00:48:48,509 --> 00:48:54,179
stuff I think either way when you're

1001
00:48:50,400 --> 00:48:57,059
doing our you're already connected to an

1002
00:48:54,179 --> 00:48:59,460
energy so you're not you're always

1003
00:48:57,059 --> 00:49:02,548
having that energy come through you like

1004
00:48:59,460 --> 00:49:05,369
a channel but it's good when you're

1005
00:49:02,548 --> 00:49:08,788
someone that's had experiences with

1006
00:49:05,369 --> 00:49:11,099
other beings in other other worlds

1007
00:49:08,789 --> 00:49:13,680
whatever that you see this kind of stuff

1008
00:49:11,099 --> 00:49:16,528
because it it helps you feel like you're

1009
00:49:13,679 --> 00:49:19,588
not just only one out there you know

1010
00:49:16,528 --> 00:49:21,719
just kind of like lingering and I don't

1011
00:49:19,588 --> 00:49:25,828
really need to talk to people about it

1012
00:49:21,719 --> 00:49:28,858

so much because for me when I talk about

1013

00:49:25,829 --> 00:49:31,440

it I enjoy sharing my experience but it

1014

00:49:28,858 --> 00:49:34,318

almost feels like it it can't be fully

1015

00:49:31,440 --> 00:49:35,039

explained and it depends on who you're

1016

00:49:34,318 --> 00:49:37,079

talking to

1017

00:49:35,039 --> 00:49:41,009

it's kind of like a spiritual experience

1018

00:49:37,079 --> 00:49:43,140

for me so if I'm having the spiritual

1019

00:49:41,009 --> 00:49:45,420

experience and then I try to explain it

1020

00:49:43,139 --> 00:49:47,909

but it's it's not coming out right it's

1021

00:49:45,420 --> 00:49:50,430

taking away from that experience you

1022

00:49:47,909 --> 00:49:53,548

know within myself because I feel like I

1023

00:49:50,429 --> 00:49:57,739

can't communicate it fully um I think

1024

00:49:53,548 --> 00:50:01,588

that as an experience is is a personal

1025

00:49:57,739 --> 00:50:05,308

interaction with spirit with the source

1026

00:50:01,588 --> 00:50:07,619

and it doesn't have to be shared with

1027
00:50:05,309 --> 00:50:09,869
everybody but I think it's good for

1028
00:50:07,619 --> 00:50:11,869
other people out there to at least feel

1029
00:50:09,869 --> 00:50:15,240
like they're not alone they're not crazy

1030
00:50:11,869 --> 00:50:17,099
they're not losing their mind even

1031
00:50:15,239 --> 00:50:20,909
though I know it feels like you are

1032
00:50:17,099 --> 00:50:23,490
because I go through that a lot but I've

1033
00:50:20,909 --> 00:50:26,009
noticed that when you're going through

1034
00:50:23,489 --> 00:50:28,919
changes and you're having all these

1035
00:50:26,009 --> 00:50:32,369
experiences you start to fill down the

1036
00:50:28,920 --> 00:50:34,170
negative and that I feel is because

1037
00:50:32,369 --> 00:50:36,500
you're you're breaking through something

1038
00:50:34,170 --> 00:50:39,960
you're moving on to something else or

1039
00:50:36,500 --> 00:50:44,009
you're dealing with something within

1040
00:50:39,960 --> 00:50:47,880
yourself that is going to open up a new

1041
00:50:44,009 --> 00:50:51,028
level of depth within yourself and I

1042
00:50:47,880 --> 00:50:51,900
don't think that ever stops I think that

1043
00:50:51,028 --> 00:50:53,248
you

1044
00:50:51,900 --> 00:50:57,298
as long as we're in the physical world

1045
00:50:53,248 --> 00:51:00,509
it's going to be difficult at times it's

1046
00:50:57,298 --> 00:51:03,239
going to be good at times and I think

1047
00:51:00,509 --> 00:51:06,150
that that is strictly what the physical

1048
00:51:03,239 --> 00:51:11,669
world is about um I think if you

1049
00:51:06,150 --> 00:51:14,369
experience a different experience within

1050
00:51:11,670 --> 00:51:17,430
the physical world you are already in

1051
00:51:14,369 --> 00:51:19,318
another dimension you're functioning in

1052
00:51:17,429 --> 00:51:21,028
another dimension whether or not you're

1053
00:51:19,318 --> 00:51:23,190
completely aware of it or not

1054
00:51:21,028 --> 00:51:26,489
but I also believe that the negativeness

1055

00:51:23,190 --> 00:51:28,559
of the physical world can draw you back

1056
00:51:26,489 --> 00:51:31,229
into that you know you can get caught

1057
00:51:28,559 --> 00:51:34,170
back up in it well I mean you can't

1058
00:51:31,230 --> 00:51:36,929
really do anything else but live through

1059
00:51:34,170 --> 00:51:40,200
it so I just hope that you know maybe

1060
00:51:36,929 --> 00:51:43,498
Park telling my story will help other

1061
00:51:40,199 --> 00:51:45,449
people and realize that it doesn't have

1062
00:51:43,498 --> 00:51:48,088
to be something negative if it can be

1063
00:51:45,449 --> 00:51:50,818
many things it can be a lot of stuff

1064
00:51:48,088 --> 00:51:53,730
focusing on everything that's happening

1065
00:51:50,818 --> 00:51:57,028
in the world all the bad things I think

1066
00:51:53,730 --> 00:51:59,130
that they do need to be effective and I

1067
00:51:57,028 --> 00:52:01,710
think the best way to really affect

1068
00:51:59,130 --> 00:52:03,720
things is by not thinking about them

1069
00:52:01,710 --> 00:52:06,509

negatively because the minute we're

1070

00:52:03,719 --> 00:52:10,348

starting to think in that negative angry

1071

00:52:06,509 --> 00:52:12,239

hateful we are becoming part of it what

1072

00:52:10,349 --> 00:52:14,269

do you have now agreed to the negative

1073

00:52:12,239 --> 00:52:17,720

terms that's easier said than done

1074

00:52:14,268 --> 00:52:20,669

obviously it's good to have positive

1075

00:52:17,719 --> 00:52:24,179

reinforcement but I just think it's part

1076

00:52:20,670 --> 00:52:25,349

of our growth and our evolution thank

1077

00:52:24,179 --> 00:52:28,399

you so much for coming on the show today

1078

00:52:25,349 --> 00:52:55,890

you know B you're welcome no problem

1079

00:52:28,400 --> 00:52:57,039

[Music]

1080
