appreciate you coming on tonight you

26
00:02:20,060 --> 00:02:25,789
started having contact at ten years old

27
00:02:22,459 --> 00:02:28,819
can you start there and kind of walk the

28
00:02:25,789 --> 00:02:32,239
audience in please all right my earliest

29

00:02:28,819 --> 00:02:34,819
recollections are of when I was 10 and I

30
00:02:32,239 --> 00:02:39,319
was regularly visited by this galactic

31
00:02:34,819 --> 00:02:41,959
being who would come in a spaceship and

32
00:02:39,319 --> 00:02:44,209
I would be outside waiting for him and

33
00:02:41,959 --> 00:02:47,750
when I saw the spaceship I would be so

34
00:02:44,209 --> 00:02:51,949
happy and so excited and he would come

35
00:02:47,750 --> 00:02:56,509
out and he looked he human he was a

36
00:02:51,949 --> 00:02:58,939
young man look like maybe in his 20s or

37
00:02:56,509 --> 00:03:02,000
30s and I couldn't tell if it was a

38
00:02:58,939 --> 00:03:04,549
one-piece outfit or a shirt in a pants

39
00:03:02,000 --> 00:03:06,560
but it was dark-colored and he had dark

40
00:03:04,549 --> 00:03:09,170
hair and his ears was slightly different

41
00:03:06,560 --> 00:03:13,159
there were a little more almond shape

42
00:03:09,169 --> 00:03:14,899
come out and we would talk he just

43
00:03:13,159 --> 00:03:17,239

wanted to make sure I was okay and I

44

00:03:14,900 --> 00:03:21,289

lost count how many times I had these

45

00:03:17,239 --> 00:03:23,930

visits and whenever I came to in my

46

00:03:21,289 --> 00:03:25,638

bedroom I would just be shocked that

47

00:03:23,930 --> 00:03:28,639

wasn't real like I just could not

48

00:03:25,639 --> 00:03:31,040

believe that that wasn't real in my gut

49

00:03:28,639 --> 00:03:32,930

I knew it was real but it just

50

00:03:31,039 --> 00:03:35,000

makes sense to me after I would have

51

00:03:32,930 --> 00:03:37,129

each one of these experiences I would

52

00:03:35,000 --> 00:03:39,079

then have to get dressed and go to fifth

53

00:03:37,128 --> 00:03:42,139

grade and I just wouldn't tell anybody

54

00:03:39,079 --> 00:03:45,349

even though my parents were very open to

55

00:03:42,139 --> 00:03:47,719

this kind of things I still didn't share

56

00:03:45,348 --> 00:03:51,259

it with them and this continued until I

57

00:03:47,719 --> 00:03:54,530

was around age 12 I remember the very

58
00:03:51,259 --> 00:03:57,289
last visit and he came and he got out of

59
00:03:54,530 --> 00:04:00,650
the ship for the first time we weren't

60
00:03:57,289 --> 00:04:02,688
alone I was with a group of kids and I'd

61
00:04:00,650 --> 00:04:05,870
never seen number four and there were

62
00:04:02,688 --> 00:04:08,509
about my age you got in the spaceship

63
00:04:05,870 --> 00:04:10,849
and he just took off and we're all just

64
00:04:08,509 --> 00:04:13,188
looking at him and we all knew that

65
00:04:10,848 --> 00:04:14,858
we're not gonna see him again and I just

66
00:04:13,188 --> 00:04:18,409
looked around at these other kids

67
00:04:14,859 --> 00:04:19,129
wondering who are they and why is he

68
00:04:18,410 --> 00:04:21,889
gone

69
00:04:19,129 --> 00:04:26,120
and then I'm popped back into my bedroom

70
00:04:21,889 --> 00:04:27,918
again so here it is 45 years later I I

71
00:04:26,120 --> 00:04:30,978
would like to be reunited with these

72
00:04:27,918 --> 00:04:33,740
kids I do believe that I along with

73
00:04:30,978 --> 00:04:36,379
these kids have are here on a mission

74
00:04:33,740 --> 00:04:38,750
and while we were young we were being

75
00:04:36,379 --> 00:04:41,629
checked up on to make sure that we're

76
00:04:38,750 --> 00:04:43,970
okay I think well I don't think I know

77
00:04:41,629 --> 00:04:48,199
I've met one one of those children

78
00:04:43,970 --> 00:04:51,199
possibly met a few more but I'm very

79
00:04:48,199 --> 00:04:53,419
open to reconnecting with those kids we

80
00:04:51,199 --> 00:04:55,220
might not all be from the same place and

81
00:04:53,418 --> 00:04:57,168
might all come from different places but

82
00:04:55,220 --> 00:05:02,150
I do believe that we're all here on the

83
00:04:57,168 --> 00:05:05,959
mission and that was age 12 and then for

84
00:05:02,149 --> 00:05:12,079
the rest of my life up until around the

85
00:05:05,959 --> 00:05:17,299
age of 54 or so I just had tons of

86

00:05:12,079 --> 00:05:20,209
experiences that I just chose to ignore

87
00:05:17,300 --> 00:05:23,389
it because I was embarrassed to tell

88
00:05:20,209 --> 00:05:25,519
people about them I was I was also

89
00:05:23,389 --> 00:05:30,650
worried about my own sanity things

90
00:05:25,519 --> 00:05:34,490
started to really amp up after my second

91
00:05:30,649 --> 00:05:38,149
divorce which was around 2011 I was

92
00:05:34,490 --> 00:05:41,718
living alone and a lot of things started

93
00:05:38,149 --> 00:05:43,908
happening I would wake up with marks on

94
00:05:41,718 --> 00:05:46,158
my body that I couldn't explain

95
00:05:43,908 --> 00:05:49,848
bruises all over my body that I couldn't

96
00:05:46,158 --> 00:05:52,639
explain conscious memories of being with

97
00:05:49,848 --> 00:05:55,218
the greys it was starting to get to me

98
00:05:52,639 --> 00:05:56,810
I need something was happening and I

99
00:05:55,218 --> 00:05:58,879
still didn't feel comfortable really

100
00:05:56,810 --> 00:06:04,550

talking about it with anyone and then

101

00:05:58,879 --> 00:06:06,560

September 2017 I moved here to the inner

102

00:06:04,550 --> 00:06:07,430

Banks of North Carolina with my

103

00:06:06,560 --> 00:06:10,490

boyfriend

104

00:06:07,430 --> 00:06:14,810

the second item here I made contact with

105

00:06:10,490 --> 00:06:17,478

the Grays and they burned two X's into

106

00:06:14,810 --> 00:06:20,899

my back to read exits and I have a

107

00:06:17,478 --> 00:06:25,128

picture of it in my book and the X is

108

00:06:20,899 --> 00:06:29,658

about an inch square and made up of nine

109

00:06:25,129 --> 00:06:32,419

red dots nine little red dots that look

110

00:06:29,658 --> 00:06:34,968

like burn mark and they were on my butt

111

00:06:32,418 --> 00:06:37,848

so the first one was on my left cheek

112

00:06:34,968 --> 00:06:39,949

and then nine days later there was

113

00:06:37,848 --> 00:06:43,938

another one that appeared on my right

114

00:06:39,949 --> 00:06:45,889

cheek so the the first one I didn't have

115
00:06:43,939 --> 00:06:49,159
a conscious memory of being with the

116
00:06:45,889 --> 00:06:52,038
gray but I was in the kitchen I'm

117
00:06:49,158 --> 00:06:55,098
packing dishes and it felt like

118
00:06:52,038 --> 00:06:58,370
something bit my butt and it hurt so I

119
00:06:55,098 --> 00:07:00,228
called over to my boyfriend Patrick I

120
00:06:58,370 --> 00:07:03,588
think something bit my butt will you

121
00:07:00,228 --> 00:07:06,318
look at it and he's like yeah so I go

122
00:07:03,588 --> 00:07:08,658
over to the living room and I'm giggling

123
00:07:06,319 --> 00:07:09,919
at the fact that I'm gonna go over there

124
00:07:08,658 --> 00:07:11,810
and pull down my pants he's gonna look

125
00:07:09,918 --> 00:07:14,240
at my butt which is exactly what I do

126
00:07:11,810 --> 00:07:17,000
and he's looking at it and it was just

127
00:07:14,240 --> 00:07:17,658
silence I'm like and I start to get

128
00:07:17,000 --> 00:07:19,338
nervous

129
00:07:17,658 --> 00:07:22,788
because at that point I had been in

130
00:07:19,338 --> 00:07:24,319
contact with the grace before and I was

131
00:07:22,788 --> 00:07:26,959
always ready to do something we were to

132
00:07:24,319 --> 00:07:29,689
happen again and there's a silence he's

133
00:07:26,959 --> 00:07:32,750
not saying anything so I'm like well

134
00:07:29,689 --> 00:07:36,918
does something bite me and he said yeah

135
00:07:32,750 --> 00:07:39,439
and there's also a red X oh my gosh

136
00:07:36,918 --> 00:07:41,689
I was just gut feeling I just knew it

137
00:07:39,439 --> 00:07:43,490
was the grace and back then I didn't

138
00:07:41,689 --> 00:07:48,050
like the grace I thought things were bad

139
00:07:43,490 --> 00:07:50,180
I thought they were hurting me I was

140
00:07:48,050 --> 00:07:52,699
afraid of them I have completely changed

141
00:07:50,180 --> 00:07:56,838
my mind since then so we took a picture

142
00:07:52,699 --> 00:07:57,169
of this axe and I was just stunned and

143

00:07:56,838 --> 00:07:59,569
he

144
00:07:57,168 --> 00:08:03,079
it's done - and my boyfriend is very

145
00:07:59,569 --> 00:08:05,749
very logical I'm one just looking at

146
00:08:03,079 --> 00:08:08,839
each other like what on earth could burn

147
00:08:05,749 --> 00:08:11,120
an X like that into my butt without me

148
00:08:08,839 --> 00:08:13,158
even feeling it so for the next couple

149
00:08:11,120 --> 00:08:15,528
days I was just

150
00:08:13,158 --> 00:08:17,389
I searched the house I searched the yard

151
00:08:15,528 --> 00:08:19,968
I searched the car trying to figure out

152
00:08:17,389 --> 00:08:23,210
what to do that I couldn't find anything

153
00:08:19,968 --> 00:08:24,439
so just like all the other experiences

154
00:08:23,209 --> 00:08:26,688
I've had

155
00:08:24,439 --> 00:08:29,599
including the contract that I had in

156
00:08:26,689 --> 00:08:32,329
Roswell in Mexico and other contact that

157
00:08:29,598 --> 00:08:35,389

I had on Capitol Hill in Washington DC

158

00:08:32,328 --> 00:08:38,448

contract that I had in Baltimore all of

159

00:08:35,389 --> 00:08:41,028

that I was just try to ignore so I get

160

00:08:38,448 --> 00:08:43,129

this red X on my butt and I'm like you

161

00:08:41,028 --> 00:08:45,799

know what I'm just gonna ignore it but

162

00:08:43,129 --> 00:08:49,549

then nine days later I come to you in my

163

00:08:45,799 --> 00:08:53,689

bedroom and I have a very conscious

164

00:08:49,549 --> 00:08:57,559

memory that I'm on a bed that resembles

165

00:08:53,690 --> 00:08:59,630

a hospital bed I'm in a room that looks

166

00:08:57,559 --> 00:09:02,268

and feels very sterile there's hardly

167

00:08:59,629 --> 00:09:06,019

any furniture in it and I can't move my

168

00:09:02,269 --> 00:09:09,139

arms and I can't move my legs when I'm

169

00:09:06,019 --> 00:09:11,448

lying on my side and it feels like

170

00:09:09,139 --> 00:09:15,549

there's something behind me and I can

171

00:09:11,448 --> 00:09:20,059

move my head so turn my head and

172
00:09:15,549 --> 00:09:23,000
standing behind me is a gray and we lock

173
00:09:20,059 --> 00:09:26,179
eyes I look into his eyes he looks into

174
00:09:23,000 --> 00:09:30,589
my eyes it was like looking into two

175
00:09:26,179 --> 00:09:33,109
pools of black oil how scared to death

176
00:09:30,589 --> 00:09:36,769
now the energy coming from the gray was

177
00:09:33,110 --> 00:09:39,409
very neutral many of my experiences with

178
00:09:36,769 --> 00:09:41,000
the greys are where they're neutral

179
00:09:39,409 --> 00:09:43,009
they're not mean and they're not nice

180
00:09:41,000 --> 00:09:45,139
they're neutral I had one experience

181
00:09:43,009 --> 00:09:49,039
where they showed me a baby in a tube

182
00:09:45,139 --> 00:09:52,639
and very nice so I turned back around

183
00:09:49,039 --> 00:09:55,789
and then next thing I know ding I'm

184
00:09:52,639 --> 00:09:58,159
popped back into 3d reality in my

185
00:09:55,789 --> 00:10:01,039
bedroom I just had this gut feeling

186
00:09:58,159 --> 00:10:03,889
though it's gonna be another X on me so

187
00:10:01,039 --> 00:10:06,230
I go downstairs and I'm waiting for my

188
00:10:03,889 --> 00:10:08,120
boyfriend to come downstairs and I'm

189
00:10:06,230 --> 00:10:10,730
just dreading I'm trading the question

190
00:10:08,120 --> 00:10:13,490
of asking him to look at my butt again

191
00:10:10,730 --> 00:10:14,899
so I tell them what I remember and there

192
00:10:13,490 --> 00:10:18,019
was also something else about that

193
00:10:14,899 --> 00:10:22,189
experience which I had never experienced

194
00:10:18,019 --> 00:10:26,569
before and that is that I knew I was on

195
00:10:22,190 --> 00:10:31,760
the moon so I asked my boyfriend's oh

196
00:10:26,570 --> 00:10:34,190
you look at my butt and once again he

197
00:10:31,759 --> 00:10:37,370
looks at it and there's just silence

198
00:10:34,190 --> 00:10:40,070
I just feel fear it enters through the

199
00:10:37,370 --> 00:10:42,169
top of my head and completely flows

200

00:10:40,070 --> 00:10:44,030
through my body and out my toes and I

201
00:10:42,169 --> 00:10:45,229
knew I knew though it's another act we

202
00:10:44,029 --> 00:10:48,980
took a picture of it and sure enough

203
00:10:45,230 --> 00:10:51,830
there's another X on my right cheek that

204
00:10:48,980 --> 00:10:54,379
looks just like the first X right across

205
00:10:51,830 --> 00:10:57,200
right across from it and I have a

206
00:10:54,379 --> 00:11:01,309
picture of this in my book it's really

207
00:10:57,200 --> 00:11:04,310
hard to describe what shock and panic

208
00:11:01,309 --> 00:11:09,469
and fear all at the same time feels like

209
00:11:04,309 --> 00:11:12,739
it was like time Stood Still and what I

210
00:11:09,470 --> 00:11:17,029
what I thought is real is not real

211
00:11:12,740 --> 00:11:20,629
anymore I was really confused and I just

212
00:11:17,029 --> 00:11:22,939
started to cry and my boyfriend asked me

213
00:11:20,629 --> 00:11:26,600
what can I do for you and I just had no

214
00:11:22,940 --> 00:11:29,870

answer so I just tried to collect myself

215

00:11:26,600 --> 00:11:33,529

and then I said I need help like I

216

00:11:29,870 --> 00:11:37,370

cannot deal with this alone I need help

217

00:11:33,529 --> 00:11:41,029

or I'm going to go crazy because now all

218

00:11:37,370 --> 00:11:44,539

of a sudden 45 years of experiences are

219

00:11:41,029 --> 00:11:46,610

starting to rushed in my mind and I'm

220

00:11:44,539 --> 00:11:49,399

starting to realize they were all real

221

00:11:46,610 --> 00:11:52,190

because I wondered was I just imagining

222

00:11:49,399 --> 00:11:55,429

them even though I would have bruises

223

00:11:52,190 --> 00:11:59,510

and marks on my body I never had a red X

224

00:11:55,429 --> 00:12:02,929

and so these extras made me realize that

225

00:11:59,509 --> 00:12:08,299

these are not dreams games don't bar two

226

00:12:02,929 --> 00:12:11,629

red x's into your back so I shared this

227

00:12:08,299 --> 00:12:14,929

with a couple of my close girlfriends

228

00:12:11,629 --> 00:12:17,720

and one day my girlfriend Elizabeth

229
00:12:14,929 --> 00:12:21,349
he lives on Maui he suggested that I

230
00:12:17,720 --> 00:12:23,899
watched the movie by dr. Steven Greer oh

231
00:12:21,350 --> 00:12:24,409
my gosh I know forgot the title of the

232
00:12:23,899 --> 00:12:26,149
movie

233
00:12:24,409 --> 00:12:27,919
do you know what it is Nick not

234
00:12:26,149 --> 00:12:30,470
acknowledged yes thank you

235
00:12:27,919 --> 00:12:31,879
adding knowledge so I watched it and I

236
00:12:30,470 --> 00:12:36,470
was really wowed by it

237
00:12:31,879 --> 00:12:39,799
and it lit the spire in me and I got up

238
00:12:36,470 --> 00:12:41,779
and I went over to my computer and I

239
00:12:39,799 --> 00:12:43,759
told myself I have to contact somebody I

240
00:12:41,779 --> 00:12:46,789
have to send him a picture this accent

241
00:12:43,759 --> 00:12:50,389
somebody has to help me so I heard in my

242
00:12:46,789 --> 00:12:52,819
head move on so I googled move on and I

243
00:12:50,389 --> 00:12:56,689
saw Kathleen Martin he was the director

244
00:12:52,820 --> 00:12:58,790
of experience of research at MUFON and I

245
00:12:56,690 --> 00:13:00,230
told myself she's the one she's also the

246
00:12:58,789 --> 00:13:02,750
niece of Betty and Barney Hill

247
00:13:00,230 --> 00:13:04,909
so I said under the axe and I told her

248
00:13:02,750 --> 00:13:08,000
my story and she responded right away

249
00:13:04,909 --> 00:13:10,009
and next thing I know was skypeing we

250
00:13:08,000 --> 00:13:11,809
Skype for an hour and a half and that

251
00:13:10,009 --> 00:13:15,139
was such an important conversation for

252
00:13:11,809 --> 00:13:18,769
me she's such a kind sweet

253
00:13:15,139 --> 00:13:22,100
helpful lady it changed my life she

254
00:13:18,769 --> 00:13:24,199
validated my experiences for me and we

255
00:13:22,100 --> 00:13:26,090
also agreed that a lot of these

256
00:13:24,200 --> 00:13:29,629
experiences happen in the multi

257

00:13:26,090 --> 00:13:32,750
dimensions it's not just all 3d doesn't

258
00:13:29,629 --> 00:13:33,919
all happen while you're awake and your

259
00:13:32,750 --> 00:13:35,990
eyes are open

260
00:13:33,919 --> 00:13:37,099
most et contact happens in a

261
00:13:35,990 --> 00:13:39,620
multi-dimensional

262
00:13:37,100 --> 00:13:42,019
interdimensional way you're taken key

263
00:13:39,620 --> 00:13:44,149
time once and they're done in such a way

264
00:13:42,019 --> 00:13:47,090
that the brain has a really hard time

265
00:13:44,149 --> 00:13:50,240
really coming up with a name for it so

266
00:13:47,090 --> 00:13:52,639
it gives it the name dream but they're

267
00:13:50,240 --> 00:13:54,529
not dreams they're real so after I

268
00:13:52,639 --> 00:13:58,730
talked with her I really didn't know

269
00:13:54,529 --> 00:14:01,309
what I was gonna do I had visions in my

270
00:13:58,730 --> 00:14:03,889
mind's eye of being on stage and talking

271
00:14:01,309 --> 00:14:06,109

about this but at that point it was all

272

00:14:03,889 --> 00:14:09,019

so new I really didn't know if I wanted

273

00:14:06,110 --> 00:14:12,139

to come out so I just sat on it for a

274

00:14:09,019 --> 00:14:14,419

while and then one day I woke up and I

275

00:14:12,139 --> 00:14:17,179

just told my boyfriend I'm writing a

276

00:14:14,419 --> 00:14:19,969

book and I wrote the book you have the

277

00:14:17,179 --> 00:14:23,509

right to talk to aliens in two months

278

00:14:19,970 --> 00:14:26,360

and it debuted on Amazon and then two

279

00:14:23,509 --> 00:14:28,370

weeks later I heard from alien Con in

280

00:14:26,360 --> 00:14:30,649

Baltimore got an email saying

281

00:14:28,370 --> 00:14:33,110

congratulations your speaker and that

282

00:14:30,649 --> 00:14:34,919

was am i coming out an alien Con in

283

00:14:33,110 --> 00:14:37,289

Baltimore and it was a

284

00:14:34,919 --> 00:14:39,269

propria cause it's at a lien con and

285

00:14:37,289 --> 00:14:41,969

also it's in baltimore where i live for

286
00:14:39,269 --> 00:14:44,459
25 years and that was the magnificent

287
00:14:41,970 --> 00:14:47,550
experience for me my talk was very

288
00:14:44,458 --> 00:14:49,199
well-received and I also sat at my

289
00:14:47,549 --> 00:14:51,870
vendor table selling my books and

290
00:14:49,200 --> 00:14:55,050
talking to a lot of people and almost

291
00:14:51,870 --> 00:14:58,470
everyone who came up to me had an 80

292
00:14:55,049 --> 00:15:00,569
story and that just really surprised me

293
00:14:58,470 --> 00:15:03,149
a lot of them would say I've never told

294
00:15:00,570 --> 00:15:05,610
anyone this before and then they would

295
00:15:03,149 --> 00:15:08,549
tell me their story and I realized

296
00:15:05,610 --> 00:15:10,680
there's a need there's a need for people

297
00:15:08,549 --> 00:15:12,778
to have to get it they want to get it

298
00:15:10,679 --> 00:15:14,399
out and then they want to test somebody

299
00:15:12,778 --> 00:15:16,679
he's not going to criticize them and

300
00:15:14,399 --> 00:15:18,480
he's not going to mock them he's not

301
00:15:16,679 --> 00:15:22,019
going to dismiss it so I recently

302
00:15:18,480 --> 00:15:24,659
started a forum it's free it's on my

303
00:15:22,019 --> 00:15:27,328
website Planet chef calm and it's called

304
00:15:24,659 --> 00:15:30,000
encounters where you can write me a

305
00:15:27,328 --> 00:15:32,219
story and I'll respond and even though

306
00:15:30,000 --> 00:15:34,919
it's new I've had lots of people respond

307
00:15:32,220 --> 00:15:36,870
and I write them back and then they

308
00:15:34,919 --> 00:15:39,659
write me back and I write them back and

309
00:15:36,870 --> 00:15:42,060
I completely enjoy it and the stories

310
00:15:39,659 --> 00:15:44,730
are fascinating I just want to do

311
00:15:42,059 --> 00:15:47,159
whatever I can to help experiences know

312
00:15:44,730 --> 00:15:49,500
that they're not alone I'll help them

313
00:15:47,159 --> 00:15:52,469
process it I'll help them validate it

314

00:15:49,500 --> 00:15:55,519
like Cathleen Martin did to me and I

315
00:15:52,470 --> 00:16:00,060
also have a section called 280 stories

316
00:15:55,519 --> 00:16:01,889
where I share some of the stories but

317
00:16:00,059 --> 00:16:05,458
anonymously because I don't want to out

318
00:16:01,889 --> 00:16:08,429
anybody I really think it's important

319
00:16:05,458 --> 00:16:10,349
when you're processing your encounter

320
00:16:08,429 --> 00:16:12,870
because it's just it's an amazing

321
00:16:10,350 --> 00:16:15,089
experience to just shake your world in

322
00:16:12,870 --> 00:16:18,028
your reality an important part of

323
00:16:15,089 --> 00:16:20,610
processing such a remarkable experience

324
00:16:18,028 --> 00:16:23,100
is to come out and so that's why I

325
00:16:20,610 --> 00:16:24,750
anonymously share bits and pieces of

326
00:16:23,100 --> 00:16:27,329
people's stories

327
00:16:24,750 --> 00:16:29,639
so other experiences can read them and

328
00:16:27,328 --> 00:16:33,120

know they're not alone and it might

329

00:16:29,639 --> 00:16:36,720

smart or it might spark a remembrance

330

00:16:33,120 --> 00:16:39,360

within them and also for all the people

331

00:16:36,720 --> 00:16:41,850

who are on the fence we weren't sure if

332

00:16:39,360 --> 00:16:44,669

there's aliens maybe those aliens I

333

00:16:41,850 --> 00:16:47,970

don't know maybe help the people on the

334

00:16:44,669 --> 00:16:50,759

fence realize that this is real and when

335

00:16:47,970 --> 00:16:53,369

making it up and to this day no one can

336

00:16:50,759 --> 00:16:56,129

come up with a really good reason as to

337

00:16:53,369 --> 00:16:59,538

how I got those X months burned on me I

338

00:16:56,129 --> 00:17:03,629

do think that was done because I needed

339

00:16:59,538 --> 00:17:06,449

something really severe in order to come

340

00:17:03,629 --> 00:17:10,199

out I do think my mission is to come out

341

00:17:06,449 --> 00:17:12,839

and tell everybody that there's millions

342

00:17:10,199 --> 00:17:16,139

of us I'm not special there's millions

343
00:17:12,838 --> 00:17:17,908
of us having contact a lot of people

344
00:17:16,138 --> 00:17:20,188
don't know it because they think it's a

345
00:17:17,909 --> 00:17:22,019
dream I'm so glad I came out because

346
00:17:20,189 --> 00:17:22,589
it's completely changed my life for the

347
00:17:22,019 --> 00:17:24,659
better

348
00:17:22,588 --> 00:17:26,519
and I've also learned that that the

349
00:17:24,659 --> 00:17:29,610
reason I thought the graves were bad and

350
00:17:26,519 --> 00:17:32,370
evil is because I was viewing them

351
00:17:29,609 --> 00:17:35,668
through the lens of fear as I was

352
00:17:32,369 --> 00:17:38,089
viewing my life most of my life I lived

353
00:17:35,669 --> 00:17:42,149
viewing it through the lens of fear and

354
00:17:38,089 --> 00:17:43,918
I had two abusive marriages and so I

355
00:17:42,148 --> 00:17:46,589
just assumed that the graves were

356
00:17:43,919 --> 00:17:50,038
abusing me too and it wasn't until I did

357
00:17:46,589 --> 00:17:52,470
the soft work and the spiritual

358
00:17:50,038 --> 00:17:56,339
introspection and I got rid of that

359
00:17:52,470 --> 00:17:58,110
vibration of victimization and fear then

360
00:17:56,339 --> 00:18:00,148
I realized that the greys were helping

361
00:17:58,109 --> 00:18:04,319
me they were helping me physically

362
00:18:00,148 --> 00:18:07,829
mentally and spiritually and I do not

363
00:18:04,319 --> 00:18:09,778
think that the greys are evil sometimes

364
00:18:07,829 --> 00:18:13,859
when you come in contact with them

365
00:18:09,778 --> 00:18:17,220
they're very neutral and that's scary

366
00:18:13,859 --> 00:18:19,619
we're not used to completely neutral and

367
00:18:17,220 --> 00:18:21,720
so that freaks us out like oh my gosh

368
00:18:19,619 --> 00:18:23,428
this being is so neutral like what's it

369
00:18:21,720 --> 00:18:25,740
going to do I kill me in the next second

370
00:18:23,429 --> 00:18:28,889
that's something that humans are thrown

371

00:18:25,740 --> 00:18:32,128
into the experience we have been trained

372
00:18:28,888 --> 00:18:34,558
to be afraid and we have been trained to

373
00:18:32,128 --> 00:18:37,378
be fearful of what we don't know and

374
00:18:34,558 --> 00:18:39,928
what we don't understand and because

375
00:18:37,378 --> 00:18:42,329
I've also been in contact with other

376
00:18:39,929 --> 00:18:44,580
beings I call them the blue the blue

377
00:18:42,329 --> 00:18:47,699
people who are very very loving and

378
00:18:44,579 --> 00:18:48,869
because I now know that the greys were

379
00:18:47,700 --> 00:18:52,769
not out to hurt me

380
00:18:48,869 --> 00:18:58,138
I do not resonate nor do i align with

381
00:18:52,769 --> 00:19:01,500
any story line that has aliens that are

382
00:18:58,138 --> 00:19:06,508
out to get us out to ruin us

383
00:19:01,500 --> 00:19:09,980
out to hurt us I hardly ever use the

384
00:19:06,509 --> 00:19:13,019
word abduction because to me abduction

385
00:19:09,980 --> 00:19:15,269

connotes something that's against our

386

00:19:13,019 --> 00:19:18,808

will I believe we all have a higher self

387

00:19:15,269 --> 00:19:20,819

as do the aliens and there was an

388

00:19:18,808 --> 00:19:22,408

agreement between my higher self in

389

00:19:20,819 --> 00:19:24,778

their higher self that I would have this

390

00:19:22,409 --> 00:19:26,399

experience we do all kinds of things and

391

00:19:24,778 --> 00:19:30,269

have experiences with all kinds of

392

00:19:26,398 --> 00:19:31,949

humans that seem bad but our higher

393

00:19:30,269 --> 00:19:34,138

selves are agreeing to it

394

00:19:31,950 --> 00:19:37,649

we don't have to understand it but it is

395

00:19:34,138 --> 00:19:40,469

for all good and because of that I don't

396

00:19:37,648 --> 00:19:44,908

believe that anyone who has an

397

00:19:40,470 --> 00:19:48,329

experience with an alien or ET is being

398

00:19:44,909 --> 00:19:49,769

forced to have it or it's really against

399

00:19:48,329 --> 00:19:53,009

their will because they're higher

400
00:19:49,769 --> 00:19:54,990
ourselves are agreeing to it and even

401
00:19:53,009 --> 00:19:59,190
though we don't understand it that's

402
00:19:54,990 --> 00:20:04,109
totally okay if we choose to try to

403
00:19:59,190 --> 00:20:07,288
understand it if we choose to try to see

404
00:20:04,109 --> 00:20:10,798
the positive side of this amazing

405
00:20:07,288 --> 00:20:13,169
experience we can really grow through it

406
00:20:10,798 --> 00:20:16,349
and it provides a perspective it

407
00:20:13,169 --> 00:20:18,419
provides a higher perspective through

408
00:20:16,349 --> 00:20:22,500
which you can live your life and that's

409
00:20:18,419 --> 00:20:25,460
very very advantageous I will talk about

410
00:20:22,500 --> 00:20:28,429
what happened to me and Roswell Mexico

411
00:20:25,460 --> 00:20:32,548
which is really a very life-altering

412
00:20:28,429 --> 00:20:37,500
experience that happened in November of

413
00:20:32,548 --> 00:20:40,679
2016 and it was a very unexpected trip

414
00:20:37,500 --> 00:20:43,980
to LA swell and my boyfriend he was

415
00:20:40,679 --> 00:20:46,679
living excuse me in Hawaii at the time

416
00:20:43,980 --> 00:20:49,200
called me and said I have to go to White

417
00:20:46,679 --> 00:20:51,570
Sands New Mexico for work to the missile

418
00:20:49,200 --> 00:20:53,730
range there and so why don't you fly out

419
00:20:51,569 --> 00:20:55,798
to El Paso and I'll pick you up all I'll

420
00:20:53,730 --> 00:20:58,558
show you white sands and then I'll take

421
00:20:55,798 --> 00:21:01,589
you to Roscoe and that was very exciting

422
00:20:58,558 --> 00:21:03,869
because I've known about Roswell since I

423
00:21:01,589 --> 00:21:05,490
was a little girl so we went to white

424
00:21:03,869 --> 00:21:07,500
sands first and white sands was

425
00:21:05,490 --> 00:21:10,528
beautiful except for the Missile Range

426
00:21:07,500 --> 00:21:14,159
which is not beautiful at all and I did

427
00:21:10,528 --> 00:21:15,450
not like the missile range at all the

428

00:21:14,159 --> 00:21:18,120
second we got there and went

429
00:21:15,450 --> 00:21:21,600
to turn around and run away it has a

430
00:21:18,119 --> 00:21:25,288
horrible horrible energy is at the base

431
00:21:21,599 --> 00:21:28,138
of this Black Mountain and like all the

432
00:21:25,288 --> 00:21:31,740
hair while my body was just standing up

433
00:21:28,138 --> 00:21:33,388
so after that unfortunate experience we

434
00:21:31,740 --> 00:21:36,120
get in the car and we drive up to as

435
00:21:33,388 --> 00:21:39,689
well and we still in the afternoon at

436
00:21:36,119 --> 00:21:41,339
the Museum which is fine and then we go

437
00:21:39,690 --> 00:21:43,950
back to our hotel room and then we're

438
00:21:41,339 --> 00:21:45,959
both really tired so I'm sitting on the

439
00:21:43,950 --> 00:21:48,569
bed and I'm flicking through the

440
00:21:45,960 --> 00:21:50,819
channels and my boyfriend's in the

441
00:21:48,569 --> 00:21:54,898
bathroom and it comes out of the

442
00:21:50,819 --> 00:21:57,720

bathroom and I stopped I stopped the TV

443

00:21:54,898 --> 00:22:00,000

on a commercial I stopped the channel on

444

00:21:57,720 --> 00:22:03,240

a commercial and he said something to me

445

00:22:00,000 --> 00:22:05,839

I had while he was in the bathroom I was

446

00:22:03,240 --> 00:22:09,509

thinking to myself I wish the show

447

00:22:05,839 --> 00:22:11,668

people of Earth was on and I don't know

448

00:22:09,509 --> 00:22:13,259

if you get people of Earth over there

449

00:22:11,669 --> 00:22:15,509

where you are do you know that she'll

450

00:22:13,259 --> 00:22:18,000

know what great show I think it's been

451

00:22:15,509 --> 00:22:22,048

discontinued though unfortunately yes

452

00:22:18,000 --> 00:22:23,759

two seasons yeah so my boyfriend hadn't

453

00:22:22,048 --> 00:22:26,398

seen it and I really liked that show but

454

00:22:23,759 --> 00:22:28,470

I knew that the last episode of aired

455

00:22:26,398 --> 00:22:29,908

and I knew it wasn't on so when he came

456

00:22:28,470 --> 00:22:34,620

out of the bathroom he said something to

457
00:22:29,909 --> 00:22:36,210
me and then the next thing I know I you

458
00:22:34,619 --> 00:22:37,918
know like stopped the TV on this

459
00:22:36,210 --> 00:22:39,840
commercial the next thing I know people

460
00:22:37,919 --> 00:22:43,590
of Earth comes on it kind of freaked me

461
00:22:39,839 --> 00:22:46,528
out I was like whoa okay I guess we

462
00:22:43,589 --> 00:22:49,138
meant to watch this so we watched it and

463
00:22:46,528 --> 00:22:51,630
he liked and laughed and we went to

464
00:22:49,138 --> 00:22:55,528
sleep and the next thing my eyes popped

465
00:22:51,630 --> 00:22:57,929
open and the room was pitch black I

466
00:22:55,528 --> 00:23:01,019
could see nothing but I could hear

467
00:22:57,929 --> 00:23:03,389
footsteps on the carpet and then I felt

468
00:23:01,019 --> 00:23:05,250
my boyfriend getting into the bed and I

469
00:23:03,388 --> 00:23:07,288
thought to myself why was Patrick

470
00:23:05,250 --> 00:23:10,528
sitting on the couch was it because of

471
00:23:07,288 --> 00:23:12,929
the aliens and then I fell asleep so

472
00:23:10,528 --> 00:23:17,970
wake up in the morning and Patrick's in

473
00:23:12,929 --> 00:23:19,590
the shower and I think to myself why did

474
00:23:17,970 --> 00:23:21,179
I think Patrick was sitting on the couch

475
00:23:19,589 --> 00:23:23,038
because he never gets up in the middle

476
00:23:21,179 --> 00:23:25,379
of the night and sits on the couch plus

477
00:23:23,038 --> 00:23:28,288
the room was pitch black I had no idea

478
00:23:25,378 --> 00:23:29,199
where he was and why did I think it was

479
00:23:28,288 --> 00:23:32,019
the aliens

480
00:23:29,200 --> 00:23:38,139
and then all of a sudden is just this

481
00:23:32,019 --> 00:23:40,419
gosh of memory and usuals and I see that

482
00:23:38,138 --> 00:23:42,278
I was I was having a conference with

483
00:23:40,419 --> 00:23:43,778
these grades it was a bunch of grace and

484
00:23:42,278 --> 00:23:46,839
they were telling me about the

485

00:23:43,778 --> 00:23:49,630
hybridization program and they were

486
00:23:46,839 --> 00:23:52,480
telling me why they were doing it and

487
00:23:49,630 --> 00:23:55,510
how I was involved a few years prior

488
00:23:52,480 --> 00:23:58,240
when I saw myself in that darkroom with

489
00:23:55,509 --> 00:24:00,339
the baby in the tube all of that started

490
00:23:58,240 --> 00:24:03,519
to make sense I realized I'm part of the

491
00:24:00,339 --> 00:24:08,138
hybridization program and they said that

492
00:24:03,519 --> 00:24:10,480
those species as the greys or dying out

493
00:24:08,138 --> 00:24:13,418
and that was because they lacked empathy

494
00:24:10,480 --> 00:24:16,089
and sympathy and so that's what they're

495
00:24:13,419 --> 00:24:18,399
looking for and so these hybrids that

496
00:24:16,089 --> 00:24:22,480
they're making they're like genetically

497
00:24:18,398 --> 00:24:25,479
splicing in the ability to be empathetic

498
00:24:22,480 --> 00:24:27,759
and sympathetic and very loving so these

499
00:24:25,480 --> 00:24:30,639

embryos that they have and they have

500

00:24:27,759 --> 00:24:33,908

billions of them because there are

501

00:24:30,638 --> 00:24:36,699

millions of people who are involved in

502

00:24:33,909 --> 00:24:40,080

the hybridization program men and women

503

00:24:36,700 --> 00:24:43,389

these babies are highly intelligent

504

00:24:40,079 --> 00:24:46,028

extremely intuitive and very loving I

505

00:24:43,388 --> 00:24:48,459

also learned that there's a little bit

506

00:24:46,028 --> 00:24:51,509

of a fear within the galactic community

507

00:24:48,460 --> 00:24:54,730

as to what's going to happen to these

508

00:24:51,509 --> 00:24:57,700

these billions of little embryos that

509

00:24:54,730 --> 00:25:00,190

are being kept if they fall into the

510

00:24:57,700 --> 00:25:02,830

hands of a group of people that have

511

00:25:00,190 --> 00:25:04,120

evil intent what are they going to do

512

00:25:02,829 --> 00:25:06,129

with these embryos are they're gonna

513

00:25:04,119 --> 00:25:08,229

turn them into killing machine and I was

514
00:25:06,130 --> 00:25:10,510
told that these embryos are so loving

515
00:25:08,230 --> 00:25:12,970
that they don't make a good killing

516
00:25:10,509 --> 00:25:15,609
machine but if anyone did get a hold of

517
00:25:12,970 --> 00:25:18,370
them and raise them hoping that they

518
00:25:15,609 --> 00:25:21,548
would make good killing machines that

519
00:25:18,369 --> 00:25:23,469
they would be very disappointed so that

520
00:25:21,548 --> 00:25:26,829
was a good thing to know the reason that

521
00:25:23,470 --> 00:25:30,130
there are these embryos is in case we

522
00:25:26,829 --> 00:25:32,918
humans annihilate ourselves they can be

523
00:25:30,130 --> 00:25:36,070
used to be see this cannot so I have

524
00:25:32,919 --> 00:25:39,480
just seen a baby in a tube I have heard

525
00:25:36,069 --> 00:25:42,369
stories of other experiences he's met

526
00:25:39,480 --> 00:25:44,980
the children that they've had

527
00:25:42,369 --> 00:25:47,829
held them who seen them I haven't had

528
00:25:44,980 --> 00:25:50,829
that experience I don't know how many I

529
00:25:47,829 --> 00:25:53,769
have it was made clear to me that I have

530
00:25:50,829 --> 00:25:56,019
been involved in that process there were

531
00:25:53,769 --> 00:25:58,930
many times over the course of many years

532
00:25:56,019 --> 00:26:01,089
when I was younger where I would go to

533
00:25:58,930 --> 00:26:03,640
bed fully clothed but I would wake up

534
00:26:01,089 --> 00:26:05,649
completely naked and with all kinds of

535
00:26:03,640 --> 00:26:10,059
marks and bruises all over my body so

536
00:26:05,650 --> 00:26:13,120
this experience in Roswell

537
00:26:10,058 --> 00:26:14,529
we messed me up a little bit mess my

538
00:26:13,119 --> 00:26:16,959
boyfriend up a little bit too it was

539
00:26:14,529 --> 00:26:19,269
really weird the other thing I remember

540
00:26:16,960 --> 00:26:21,100
not only the hybridization program but

541
00:26:19,269 --> 00:26:23,470
they were talking to me about a book I

542

00:26:21,099 --> 00:26:26,740
went back home and I just couldn't shake

543
00:26:23,470 --> 00:26:28,509
it I went back to Capitol Hill in

544
00:26:26,740 --> 00:26:30,730
Washington DC I just couldn't shake it

545
00:26:28,509 --> 00:26:31,179
there was something more I needed to

546
00:26:30,730 --> 00:26:33,759
know more

547
00:26:31,179 --> 00:26:35,740
I had a conscious memory of a part of it

548
00:26:33,759 --> 00:26:37,808
but I needed to know the rest of it so I

549
00:26:35,740 --> 00:26:41,769
confided in a girlfriend and she said

550
00:26:37,808 --> 00:26:45,069
that she she knew a regression therapist

551
00:26:41,769 --> 00:26:48,039
in Virginia named Diane Kinsler and that

552
00:26:45,069 --> 00:26:50,769
I should go to her so he did and she's

553
00:26:48,039 --> 00:26:53,079
three hours for me and I called her and

554
00:26:50,769 --> 00:26:55,509
I made an appointment and I said to my

555
00:26:53,079 --> 00:26:57,308
boyfriend and said next Sunday we're

556
00:26:55,509 --> 00:27:01,179

driving three hours one way to Virginia

557

00:26:57,308 --> 00:27:04,960

so I can be hypnotized and he said okay

558

00:27:01,179 --> 00:27:07,210

so that's what we did and there's a lot

559

00:27:04,960 --> 00:27:10,179

of information that came out and it was

560

00:27:07,210 --> 00:27:13,269

very very helpful to me not only about

561

00:27:10,179 --> 00:27:17,490

the Roswell incident but also about my

562

00:27:13,269 --> 00:27:21,099

mission and that I am here to help

563

00:27:17,490 --> 00:27:23,589

experiences and also to spread the word

564

00:27:21,099 --> 00:27:26,349

that we are not alone and that we've

565

00:27:23,589 --> 00:27:29,250

been communicating for a long time and

566

00:27:26,349 --> 00:27:34,659

there's millions of us communicating and

567

00:27:29,250 --> 00:27:38,558

I do recommend if people do go under

568

00:27:34,660 --> 00:27:41,500

regression if they have some little bits

569

00:27:38,558 --> 00:27:44,950

and pieces of memories it's not a scary

570

00:27:41,500 --> 00:27:47,230

thing you're in total control so it's

571
00:27:44,950 --> 00:27:48,850
not like she could have told me to do

572
00:27:47,230 --> 00:27:50,679
something that I didn't want to do when

573
00:27:48,849 --> 00:27:52,928
I would have done it you're doing

574
00:27:50,679 --> 00:27:54,590
control of yourself but even this

575
00:27:52,929 --> 00:27:58,659
altered state when

576
00:27:54,589 --> 00:28:01,519
there you can hear feel and see

577
00:27:58,659 --> 00:28:04,820
information it's like you're tuned into

578
00:28:01,519 --> 00:28:07,658
a radio and another frequency tuned into

579
00:28:04,819 --> 00:28:09,798
a television from another frequency and

580
00:28:07,659 --> 00:28:12,380
my boyfriend was there the whole time

581
00:28:09,798 --> 00:28:16,579
and he watched it like I said he's very

582
00:28:12,380 --> 00:28:18,830
very logical and afterwards I asked him

583
00:28:16,579 --> 00:28:21,619
what did you think and he said well I

584
00:28:18,829 --> 00:28:23,960
can't explain what happened but I know

585
00:28:21,619 --> 00:28:27,859
something unusual happened and I know

586
00:28:23,960 --> 00:28:31,220
you and there were many times where you

587
00:28:27,859 --> 00:28:33,558
were using words you don't use and you

588
00:28:31,220 --> 00:28:38,778
were talking in ways that you don't talk

589
00:28:33,558 --> 00:28:43,369
so something unusual was going on it's

590
00:28:38,778 --> 00:28:46,970
hard for him to really be oh how should

591
00:28:43,369 --> 00:28:50,298
I say like a total believer but he is

592
00:28:46,970 --> 00:28:53,058
not a non-believer he just he likes

593
00:28:50,298 --> 00:28:55,429
proof and logic I thought that having

594
00:28:53,058 --> 00:28:58,879
two red x's burned in my ass would be

595
00:28:55,429 --> 00:29:01,429
good proof but he just looks at it and

596
00:28:58,880 --> 00:29:03,080
scratches his head lots of weird things

597
00:29:01,429 --> 00:29:06,890
have been happening to me that he cannot

598
00:29:03,079 --> 00:29:08,990
explain even though he doesn't say

599

00:29:06,890 --> 00:29:12,710
absolutely 100%

600
00:29:08,990 --> 00:29:16,250
this is absolutely an alien abduction he

601
00:29:12,710 --> 00:29:19,730
doesn't say it's impossible and he just

602
00:29:16,250 --> 00:29:22,490
says it's possible I don't know what's

603
00:29:19,730 --> 00:29:25,370
happening I don't know what this is it's

604
00:29:22,490 --> 00:29:27,919
highly unusual it's weird it's bizarre

605
00:29:25,369 --> 00:29:30,979
and I have a lot of circumstantial

606
00:29:27,919 --> 00:29:33,049
evidence and I kind of like the fact

607
00:29:30,980 --> 00:29:37,548
that I'm with someone who is very

608
00:29:33,048 --> 00:29:40,429
logical because it kind of it helps me

609
00:29:37,548 --> 00:29:43,788
kind of get a good grip on what's going

610
00:29:40,429 --> 00:29:48,230
on and that I just don't get too lost in

611
00:29:43,788 --> 00:29:51,798
it I have a biology pre-med degree from

612
00:29:48,230 --> 00:29:56,179
Loyola and Baltimore Maryland so I do

613
00:29:51,798 --> 00:29:59,690

tend to like scientific and biological

614

00:29:56,179 --> 00:30:03,460

proof myself but I'm at this stage now

615

00:29:59,690 --> 00:30:06,620

where I really trust my gut and my

616

00:30:03,460 --> 00:30:08,309

instincts and I know that were

617

00:30:06,619 --> 00:30:11,519

multi-dimensional beings

618

00:30:08,309 --> 00:30:13,159

and we exist in in a variety of

619

00:30:11,519 --> 00:30:15,569

dimensions and we're all having

620

00:30:13,160 --> 00:30:20,460

experiences in these other dimensions

621

00:30:15,569 --> 00:30:22,740

simultaneously so while I'm here at my

622

00:30:20,460 --> 00:30:24,870

desk talking to you there's also another

623

00:30:22,740 --> 00:30:27,480

part of me that's having a life in

624

00:30:24,869 --> 00:30:30,269

another dimension that's communicating

625

00:30:27,480 --> 00:30:32,759

with other people having that life in

626

00:30:30,269 --> 00:30:34,920

that dimension communicating with aliens

627

00:30:32,759 --> 00:30:37,230

that are in another dimension and it

628
00:30:34,920 --> 00:30:39,420
just goes on and on and on all these

629
00:30:37,230 --> 00:30:41,759
different parts of ourselves that are

630
00:30:39,420 --> 00:30:44,400
living in other dimensions and some

631
00:30:41,759 --> 00:30:45,930
people call them past lives you might

632
00:30:44,400 --> 00:30:48,930
have heard that there's no such thing as

633
00:30:45,930 --> 00:30:51,450
time everything is happening right now

634
00:30:48,930 --> 00:30:54,420
so there's no past and no future so

635
00:30:51,450 --> 00:30:55,980
there really is no past life and all of

636
00:30:54,420 --> 00:31:04,740
our different consciousnesses are

637
00:30:55,980 --> 00:31:06,809
happening right now and that whether

638
00:31:04,740 --> 00:31:09,930
you're awake or whether you're sweet

639
00:31:06,809 --> 00:31:14,819
you're having these experiences with

640
00:31:09,930 --> 00:31:18,420
other parts of other humans and other

641
00:31:14,819 --> 00:31:22,619
parts of aliens and it just goes on and

642
00:31:18,420 --> 00:31:25,800
on and on into infinity there's a lot of

643
00:31:22,619 --> 00:31:29,069
it I can't explain and a lot of it is

644
00:31:25,799 --> 00:31:30,659
just way over my head I don't I don't

645
00:31:29,069 --> 00:31:35,700
know much I just know what I've

646
00:31:30,660 --> 00:31:38,850
experienced and I just it's it's real

647
00:31:35,700 --> 00:31:41,279
it's true and I really hope that more

648
00:31:38,849 --> 00:31:44,579
people come out and talk about their

649
00:31:41,279 --> 00:31:47,339
experiences and that's really really

650
00:31:44,579 --> 00:31:50,429
really fulfilling work for me to help

651
00:31:47,339 --> 00:31:54,179
people come out and know that they're

652
00:31:50,430 --> 00:31:56,670
not crazy because for 45 years I thought

653
00:31:54,180 --> 00:31:59,970
I was crazy and that's a really cool way

654
00:31:56,670 --> 00:32:03,210
to live it's not fun now I know I'm not

655
00:31:59,970 --> 00:32:04,650
crazy and also for 45 years I really

656

00:32:03,210 --> 00:32:06,779
worried about what other people were

657
00:32:04,650 --> 00:32:09,300
going to think of me and it doesn't

658
00:32:06,779 --> 00:32:12,569
matter anymore and that doesn't hold me

659
00:32:09,299 --> 00:32:15,119
back anymore it's very freeing I've been

660
00:32:12,569 --> 00:32:18,779
on this path of authenticity because I

661
00:32:15,119 --> 00:32:21,599
really believe when you express your

662
00:32:18,779 --> 00:32:23,250
true authentic self

663
00:32:21,599 --> 00:32:25,819
you're the most fulfilled and the most

664
00:32:23,250 --> 00:32:30,869
successful the most abundant the most

665
00:32:25,819 --> 00:32:32,730
healthy peaceful and so I started I

666
00:32:30,869 --> 00:32:37,049
started that past several years Abell

667
00:32:32,730 --> 00:32:39,299
it's actually my career and help other

668
00:32:37,049 --> 00:32:42,990
people become here most authentic selves

669
00:32:39,299 --> 00:32:45,779
and my path of authenticity included the

670
00:32:42,990 --> 00:32:48,809

ETS it's not everyone's path but it was

671

00:32:45,779 --> 00:32:51,599

my path and so that's why I had to come

672

00:32:48,809 --> 00:32:54,990

head to head with it with these red Xs

673

00:32:51,599 --> 00:32:57,389

like everything collided all at once I

674

00:32:54,990 --> 00:33:00,150

was like okay you know I want to be the

675

00:32:57,390 --> 00:33:03,090

most authentic version of myself and it

676

00:33:00,150 --> 00:33:05,490

includes et's and so what I've been

677

00:33:03,089 --> 00:33:08,159

hiding for 45 years I have got to face

678

00:33:05,490 --> 00:33:10,349

and what I've been embarrassed to talk

679

00:33:08,160 --> 00:33:12,600

about I have got to talk about and when

680

00:33:10,349 --> 00:33:16,559

I've been hiding I have liked to I have

681

00:33:12,599 --> 00:33:20,159

to illuminate and it was so hard for me

682

00:33:16,559 --> 00:33:24,029

but what kept me going and what fueled

683

00:33:20,160 --> 00:33:27,600

me was this intense desire that I have

684

00:33:24,029 --> 00:33:28,769

to be the most authentic me I can

685
00:33:27,599 --> 00:33:34,679
possibly be

686
00:33:28,769 --> 00:33:36,950
I think that that is how I will be the

687
00:33:34,680 --> 00:33:40,009
most beneficial for myself and for

688
00:33:36,950 --> 00:33:43,680
everyone I know and for the earth and

689
00:33:40,009 --> 00:33:46,650
that's that was my power that's what

690
00:33:43,680 --> 00:33:52,009
made me face it head-on that's what made

691
00:33:46,650 --> 00:33:54,900
me come out and so far so good

692
00:33:52,009 --> 00:33:58,200
no one's really come into my face and

693
00:33:54,900 --> 00:34:01,410
told me I'm crazy but I think if that

694
00:33:58,200 --> 00:34:03,539
happens I can probably handle it you

695
00:34:01,410 --> 00:34:07,080
know when you really know believe

696
00:34:03,539 --> 00:34:08,849
something 100% and someone comes up to

697
00:34:07,079 --> 00:34:13,639
you and tells you you long it doesn't

698
00:34:08,849 --> 00:34:17,940
matter I'm not here to change anybody's

699
00:34:13,639 --> 00:34:20,730
belief system I'm to stating my facts

700
00:34:17,940 --> 00:34:22,800
and if you believe me wonderful if you

701
00:34:20,730 --> 00:34:25,920
don't believe me I totally respect that

702
00:34:22,800 --> 00:34:29,220
this is like crazy stories it's weird

703
00:34:25,920 --> 00:34:31,019
it's bizarre but it's the truth so I

704
00:34:29,219 --> 00:34:35,250
don't know what's going to come next as

705
00:34:31,019 --> 00:34:38,210
far as as far as my mission and

706
00:34:35,250 --> 00:34:42,449
my rollin and getting all of this out

707
00:34:38,210 --> 00:34:46,590
I'm still having et contact just a few

708
00:34:42,449 --> 00:34:49,739
weeks ago in March I had a shared et

709
00:34:46,590 --> 00:34:51,510
experience with my friend Jenna she

710
00:34:49,739 --> 00:34:54,089
lives in Florida and I live here in

711
00:34:51,510 --> 00:34:57,510
North Carolina and one night we were

712
00:34:54,090 --> 00:35:00,320
both taken at the same time and we saw

713

00:34:57,510 --> 00:35:06,060
the same beings we keep having these

714
00:35:00,320 --> 00:35:08,630
really bizarre events where we do astral

715
00:35:06,059 --> 00:35:12,210
projection and we see each other and

716
00:35:08,630 --> 00:35:15,180
we're okay and these et encounters that

717
00:35:12,210 --> 00:35:18,599
were having together and something

718
00:35:15,179 --> 00:35:23,789
really unbelievable is happening between

719
00:35:18,599 --> 00:35:26,219
her and myself it's this like this we're

720
00:35:23,789 --> 00:35:28,829
living together in these other

721
00:35:26,219 --> 00:35:31,109
dimensions and having these experiences

722
00:35:28,829 --> 00:35:32,940
and these other dimensions together just

723
00:35:31,110 --> 00:35:35,970
very recently we had a dream where we

724
00:35:32,940 --> 00:35:39,710
both saw the same thing now was it a

725
00:35:35,969 --> 00:35:43,679
dream or was it an alien encounter

726
00:35:39,710 --> 00:35:45,300
sometimes it's hard to tell but the

727
00:35:43,679 --> 00:35:47,759

experiences that we're having is just

728

00:35:45,300 --> 00:35:51,240

mind-blowing I'm not ready to talk about

729

00:35:47,760 --> 00:35:54,090

all of it yet I'm going to go to Florida

730

00:35:51,239 --> 00:35:57,029

next week and and and be with her so we

731

00:35:54,090 --> 00:35:58,410

can eat together and try and really

732

00:35:57,030 --> 00:36:02,280

understand what's happening because

733

00:35:58,409 --> 00:36:05,759

we're both just really amazed and how

734

00:36:02,280 --> 00:36:09,720

we're having these experiences in these

735

00:36:05,760 --> 00:36:14,010

other realms of awareness and I know

736

00:36:09,719 --> 00:36:16,589

other people are too and eventually

737

00:36:14,010 --> 00:36:20,640

we're going to to talk about our shared

738

00:36:16,590 --> 00:36:23,930

stories and write a book and I have a

739

00:36:20,639 --> 00:36:28,469

YouTube channel called alien spirit TV

740

00:36:23,929 --> 00:36:31,109

and I'm going to interview her and in

741

00:36:28,469 --> 00:36:36,509

fact today I just uploaded a new video

742
00:36:31,110 --> 00:36:39,059
about tilith telepathy and how many

743
00:36:36,510 --> 00:36:42,390
experiences have telepathic

744
00:36:39,059 --> 00:36:45,590
communications with these ETS so talk

745
00:36:42,389 --> 00:36:49,119
about what telepathy is and and how

746
00:36:45,590 --> 00:36:52,840
humans have a fear of telepathy

747
00:36:49,119 --> 00:36:57,009
and how we can strengthen our innate

748
00:36:52,840 --> 00:36:59,140
telepathic abilities and so it just

749
00:36:57,010 --> 00:37:03,700
gives me great pleasure to have the

750
00:36:59,139 --> 00:37:07,509
freedom to make these videos and to

751
00:37:03,699 --> 00:37:10,269
write and to talk and so grateful for

752
00:37:07,510 --> 00:37:12,580
this opportunity to talk it really makes

753
00:37:10,269 --> 00:37:16,389
my heart twinkle it feels really good

754
00:37:12,579 --> 00:37:18,789
and as long as it feels good I'm going

755
00:37:16,389 --> 00:37:22,029
to keep on doing it I really don't know

756
00:37:18,789 --> 00:37:23,679
where it's gonna take me I don't know

757
00:37:22,030 --> 00:37:28,210
where I'm going with it and it's totally

758
00:37:23,679 --> 00:37:31,210
okay but I just check in with myself to

759
00:37:28,210 --> 00:37:33,130
make sure that I feel good about what

760
00:37:31,210 --> 00:37:35,619
I'm doing and I feel really good about

761
00:37:33,130 --> 00:37:39,150
what I'm doing and I hope that this

762
00:37:35,619 --> 00:37:42,099
message will help other people other

763
00:37:39,150 --> 00:37:44,410
experiencers know that you know when you

764
00:37:42,099 --> 00:37:46,420
come out it's going to be a really good

765
00:37:44,409 --> 00:37:49,299
experience because it completely changes

766
00:37:46,420 --> 00:37:52,000
your life and it takes away that the

767
00:37:49,300 --> 00:37:53,769
shame and the guilt and the worry and

768
00:37:52,000 --> 00:37:56,199
the negativity that we've just been

769
00:37:53,769 --> 00:37:57,130
living under it's ridiculous there's no

770

00:37:56,199 --> 00:38:00,250
need for it

771
00:37:57,130 --> 00:38:01,840
society is making a shut up well I'm

772
00:38:00,250 --> 00:38:04,480
just not going to stand for that anymore

773
00:38:01,840 --> 00:38:05,680
like who the heck is society to tell me

774
00:38:04,480 --> 00:38:08,500
that I have to be quiet

775
00:38:05,679 --> 00:38:11,769
no I'm going to say whatever it is that

776
00:38:08,500 --> 00:38:14,619
I want to say and it's surprising how

777
00:38:11,769 --> 00:38:16,090
many people will support you it's

778
00:38:14,619 --> 00:38:19,569
surprising how many people really

779
00:38:16,090 --> 00:38:22,240
believe you if there is a transformation

780
00:38:19,570 --> 00:38:24,450
going on it's a lot easier to come out

781
00:38:22,239 --> 00:38:27,369
now than it was several years ago

782
00:38:24,449 --> 00:38:31,059
because you can find online groups and

783
00:38:27,369 --> 00:38:34,659
you have wonderful interviews and like

784
00:38:31,059 --> 00:38:37,000

this podcast and it's just getting

785

00:38:34,659 --> 00:38:41,319

easier and easier and easier to get help

786

00:38:37,000 --> 00:38:43,630

and to get validation and so I hope I

787

00:38:41,320 --> 00:38:45,970

was listening to this if you have had

788

00:38:43,630 --> 00:38:48,579

experiences you can either share them

789

00:38:45,969 --> 00:38:50,969

with me on my encounters form on my

790

00:38:48,579 --> 00:38:53,650

website or come out to somebody else

791

00:38:50,969 --> 00:38:55,539

join a group I'll just get it off your

792

00:38:53,650 --> 00:38:57,430

chest because it's going to change your

793

00:38:55,539 --> 00:39:00,340

life when you're holding on to that

794

00:38:57,429 --> 00:39:01,829

energy it affects you and then affecting

795

00:39:00,340 --> 00:39:05,039

negatively and then you'll

796

00:39:01,829 --> 00:39:09,659

your life reflects that so I'm very

797

00:39:05,039 --> 00:39:12,960

grateful that that Nick that you that

798

00:39:09,659 --> 00:39:15,599

you invited me on to talk very welcome

799

00:39:12,960 --> 00:39:19,500

yeah and to talking to into another

800

00:39:15,599 --> 00:39:22,110

country that's really cool too so it's

801

00:39:19,500 --> 00:39:24,989

seen beyond the US and I've done some

802

00:39:22,110 --> 00:39:27,300

interviews in Canada too but now it's in

803

00:39:24,989 --> 00:39:28,500

to the UK and that's really totally cool

804

00:39:27,300 --> 00:39:32,490

spreading the message

805

00:39:28,500 --> 00:39:33,599

mmm-hmm just actually just I just read

806

00:39:32,489 --> 00:39:36,269

your email you said you had an

807

00:39:33,599 --> 00:39:40,199

experience with your friend called again

808

00:39:36,269 --> 00:39:42,389

her name Jenna the one in Florida yeah

809

00:39:40,199 --> 00:39:44,549

Jenna Collins you said you had an

810

00:39:42,389 --> 00:39:47,549

experience with a slight dogs and white

811

00:39:44,550 --> 00:39:50,570

being yes yes just explain the white

812

00:39:47,550 --> 00:39:54,030

white dogs unusual yeah that was unusual

813
00:39:50,570 --> 00:39:55,769
she was on a spaceship and we have

814
00:39:54,030 --> 00:39:56,640
drawings of all of this and on my

815
00:39:55,769 --> 00:39:59,130
youtube-channel

816
00:39:56,639 --> 00:40:01,079
alien spirit TV I had made a little

817
00:39:59,130 --> 00:40:03,000
video called white dog encounter that's

818
00:40:01,079 --> 00:40:05,730
what we call it where I share our

819
00:40:03,000 --> 00:40:07,889
pictures and all our drawings and she

820
00:40:05,730 --> 00:40:10,800
was on a spaceship and she saw these

821
00:40:07,889 --> 00:40:13,139
babies in these tubes she saw these blue

822
00:40:10,800 --> 00:40:14,610
beings that I have seen before and she

823
00:40:13,139 --> 00:40:17,009
saw these rural white dogs running

824
00:40:14,610 --> 00:40:19,860
around and in my experience when I was

825
00:40:17,010 --> 00:40:21,660
taken at the same time I saw a small

826
00:40:19,860 --> 00:40:24,090
white being that looked like it was

827

00:40:21,659 --> 00:40:27,299
glowing like a light bulb and a little

828
00:40:24,090 --> 00:40:30,420
white dog it's this white dog that

829
00:40:27,300 --> 00:40:34,080
doesn't have any firm and it's skin is

830
00:40:30,420 --> 00:40:36,210
very translucent like you can see like

831
00:40:34,079 --> 00:40:37,679
these blue lines under it I don't know

832
00:40:36,210 --> 00:40:39,750
if those are veins or if those are

833
00:40:37,679 --> 00:40:42,389
organs it has a tail

834
00:40:39,750 --> 00:40:45,960
it was very friendly the next morning

835
00:40:42,389 --> 00:40:47,489
when we came to and she texted me she

836
00:40:45,960 --> 00:40:49,409
said I was taken last night and I said

837
00:40:47,489 --> 00:40:50,909
oh my god I was taking two then we both

838
00:40:49,409 --> 00:40:55,079
told each other that we both saw white

839
00:40:50,909 --> 00:40:57,839
dogs he's like whoa and after a few days

840
00:40:55,079 --> 00:41:01,110
after my experience I listened to a

841
00:40:57,840 --> 00:41:03,990

video of a gentleman named Chris Bledsoe

842

00:41:01,110 --> 00:41:08,789

he lives in North Carolina too and he's

843

00:41:03,989 --> 00:41:11,839

had this amazing experience it was a

844

00:41:08,789 --> 00:41:14,300

shared experience he saw with other men

845

00:41:11,840 --> 00:41:16,220

and it was very real it was very 3d

846

00:41:14,300 --> 00:41:17,930

their eyes were opened they were fishing

847

00:41:16,219 --> 00:41:20,779

and it was this long drawn-out

848

00:41:17,929 --> 00:41:22,849

experience of seeing these visa

849

00:41:20,780 --> 00:41:25,040

spaceship like things and these aliens

850

00:41:22,849 --> 00:41:27,170

and these entities and it's incredible

851

00:41:25,039 --> 00:41:29,300

story it's called the Fayetteville

852

00:41:27,170 --> 00:41:32,539

incident because there's a town here in

853

00:41:29,300 --> 00:41:36,380

North Carolina copy it bill well Chris

854

00:41:32,539 --> 00:41:37,909

and I have become friends and I didn't

855

00:41:36,380 --> 00:41:40,519

really know the details of his

856
00:41:37,909 --> 00:41:42,739
experience so I had my experience with

857
00:41:40,519 --> 00:41:45,259
the the blue beings and the white beings

858
00:41:42,739 --> 00:41:47,569
and the white dog and then a few days

859
00:41:45,260 --> 00:41:49,790
later I finally listened to a video that

860
00:41:47,570 --> 00:41:52,670
he made about his experience and he saw

861
00:41:49,789 --> 00:41:54,920
the same beings the blue beings with the

862
00:41:52,670 --> 00:41:58,369
white beings with the white dog so I

863
00:41:54,920 --> 00:42:01,670
evidently they travel together somehow

864
00:41:58,369 --> 00:42:04,219
they're connected and so what Jenna and

865
00:42:01,670 --> 00:42:07,039
I are trying to do is figure out how are

866
00:42:04,219 --> 00:42:10,549
they connected and how are they related

867
00:42:07,039 --> 00:42:14,949
what exactly is that that being that

868
00:42:10,550 --> 00:42:17,750
looks like a dog it's not really a dog

869
00:42:14,949 --> 00:42:19,269
but it looks like a dog and what does

870
00:42:17,750 --> 00:42:21,349
that have to do with the white glowing

871
00:42:19,269 --> 00:42:24,980
being and what does that have to do with

872
00:42:21,349 --> 00:42:27,369
the blue see-through being I really

873
00:42:24,980 --> 00:42:29,960
haven't heard of any other real

874
00:42:27,369 --> 00:42:33,139
experience or seeing a white dog have

875
00:42:29,960 --> 00:42:35,360
you know I have not you know no white no

876
00:42:33,139 --> 00:42:41,329
white dog white hours yeah not white

877
00:42:35,360 --> 00:42:44,030
dogs so this is ongoing in our life this

878
00:42:41,329 --> 00:42:47,929
is this group of entities we seem to be

879
00:42:44,030 --> 00:42:49,400
experiencing them often and so there's

880
00:42:47,929 --> 00:42:52,069
some kind of connection that she and I

881
00:42:49,400 --> 00:42:54,349
have with them and so we'll just kind of

882
00:42:52,070 --> 00:42:55,910
determine to get to the bottom of it or

883
00:42:54,349 --> 00:42:58,190
figure out who they are or what they

884

00:42:55,909 --> 00:43:00,529
want what's going on it's very it's not

885
00:42:58,190 --> 00:43:02,570
scary though they were extremely loving

886
00:43:00,530 --> 00:43:03,910
and they're very kind and the dogs are

887
00:43:02,570 --> 00:43:05,930
very very friendly

888
00:43:03,909 --> 00:43:08,679
that's great you'd have to you'd have to

889
00:43:05,929 --> 00:43:11,989
come back in again and give us an update

890
00:43:08,679 --> 00:43:14,299
thank you so thank you for sharing your

891
00:43:11,989 --> 00:43:15,439
experience served with us today it's

892
00:43:14,300 --> 00:43:18,390
been a pleasure to have you on

893
00:43:15,440 --> 00:43:20,670
Chronicles I loved it

894
00:43:18,389 --> 00:43:22,889
I'm really grateful for you making for

895
00:43:20,670 --> 00:43:27,570
the work we do it's really important

896
00:43:22,889 --> 00:43:28,109
yeah yeah it is no problem okay but take

897
00:43:27,570 --> 00:43:29,180
care bye bye

898
00:43:28,110 --> 00:43:53,860
