strange and unexplained if you've had an

Michigan in the US and she will be

22
00:01:58,030 --> 00:02:03,629
sharing sightings she and her family had

23
00:02:00,670 --> 00:02:06,759
when she lived in a small rural town in

24
00:02:03,629 --> 00:02:09,280
Wyoming in the 1970s and a scary

25
00:02:06,759 --> 00:02:11,669
encounter on a dark country road Kathy

26
00:02:09,280 --> 00:02:14,349
and her boyfriend had late one night

27
00:02:11,669 --> 00:02:17,229
let's jump into it tonight I want to

28
00:02:14,349 --> 00:02:19,509
welcome Kathy to the show I'm happy to

29

00:02:17,229 --> 00:02:21,548
be here thanks for coming on and sharing

30
00:02:19,509 --> 00:02:23,469
your encounter with us could you please

31
00:02:21,549 --> 00:02:26,080
start with your early experience as a

32
00:02:23,469 --> 00:02:31,330
child and then take the listeners up to

33
00:02:26,080 --> 00:02:33,850
your encounter in 1974 sure when I was

34
00:02:31,330 --> 00:02:36,820
younger I live in the United States and

35
00:02:33,849 --> 00:02:38,859
we lived in Illinois and I can't

36
00:02:36,819 --> 00:02:41,379
remember the exact year the exact months

37
00:02:38,860 --> 00:02:43,690
or anything but I do remember being on a

38
00:02:41,379 --> 00:02:45,789
trip with my parents and that was like

39
00:02:43,689 --> 00:02:48,780
eight or nine it was a summer vacation

40
00:02:45,789 --> 00:02:51,939
and we were traveling and there were

41
00:02:48,780 --> 00:02:53,860
strange lights in the sky different

42
00:02:51,939 --> 00:02:55,509
colors in little different formations

43
00:02:53,860 --> 00:02:57,700

there were a lot of them and we were

44

00:02:55,509 --> 00:02:59,500

traveling and you could tell from the

45

00:02:57,699 --> 00:03:01,750

traffic being slowed down many other

46

00:02:59,500 --> 00:03:05,829

people were watching it and I remember

47

00:03:01,750 --> 00:03:08,019

that was the first time I'd really heard

48

00:03:05,829 --> 00:03:09,610

of anything about UFOs or anything and

49

00:03:08,019 --> 00:03:11,230

my parents were discussing it and we're

50

00:03:09,610 --> 00:03:13,870

discussing it afterwards and it was in

51

00:03:11,229 --> 00:03:15,969

local newspapers and things so I had a

52

00:03:13,870 --> 00:03:19,060

somewhat of an open mind that there

53

00:03:15,969 --> 00:03:22,569

could be aliens out there or at least

54

00:03:19,060 --> 00:03:24,060

unidentified craft but our family was

55

00:03:22,569 --> 00:03:26,219

never one that we were

56

00:03:24,060 --> 00:03:28,199

UFO hunters or anything remotely like

57

00:03:26,219 --> 00:03:29,759

that so it wasn't like we just saw a

58
00:03:28,199 --> 00:03:31,530
strange light not in back we thought

59
00:03:29,759 --> 00:03:33,209
there were aliens after us or something

60
00:03:31,530 --> 00:03:38,098
but then we moved to the state of

61
00:03:33,209 --> 00:03:42,420
Wyoming and out there we experienced

62
00:03:38,098 --> 00:03:44,659
some strange things my parents weren't

63
00:03:42,419 --> 00:03:47,939
ranchers but the neighbors all were and

64
00:03:44,659 --> 00:03:49,650
I recall several neighbors reporting

65
00:03:47,939 --> 00:03:52,139
that they found cattle that had been

66
00:03:49,650 --> 00:03:58,200
mutilated if this would be in the 1970s

67
00:03:52,139 --> 00:04:00,268
and I don't recall any newscast stories

68
00:03:58,199 --> 00:04:02,818
coming around there - do I know one

69
00:04:00,269 --> 00:04:05,310
neighbor I was trying to get my parents

70
00:04:02,818 --> 00:04:07,018
to let me go down and see the this steer

71
00:04:05,310 --> 00:04:09,360
they'd found that had been mutilated and

72
00:04:07,019 --> 00:04:11,250
they're like no no no he buried the

73
00:04:09,360 --> 00:04:12,750
thing they don't want the news team's

74
00:04:11,250 --> 00:04:14,598
out there and a bunch of weirdos out

75
00:04:12,750 --> 00:04:18,949
there trying to take pictures and things

76
00:04:14,598 --> 00:04:22,379
so uh and then we also had some activity

77
00:04:18,949 --> 00:04:25,949
and the night sky south of where we

78
00:04:22,379 --> 00:04:27,478
lived we would see a flashing light and

79
00:04:25,949 --> 00:04:29,668
it would always be in the same general

80
00:04:27,478 --> 00:04:32,099
area and I used to watch it through my

81
00:04:29,668 --> 00:04:33,478
dad's scope on his gun or binoculars

82
00:04:32,100 --> 00:04:36,570
sometimes a bunch of us would get out

83
00:04:33,478 --> 00:04:41,279
and watch this light and it was just a

84
00:04:36,569 --> 00:04:42,899
bar of light stationary so I suppose it

85
00:04:41,279 --> 00:04:46,379
possibly could have been some kind of

86

00:04:42,899 --> 00:04:48,569
helicopter or something but it would be

87
00:04:46,379 --> 00:04:51,538
in the same area not moving and it would

88
00:04:48,569 --> 00:04:54,120
shoot down like from each in a beam of

89
00:04:51,538 --> 00:04:56,668
light that would form a V down into one

90
00:04:54,120 --> 00:04:58,470
light to look like towards towards the

91
00:04:56,668 --> 00:05:00,870
ground or actually to the ground because

92
00:04:58,470 --> 00:05:02,550
this was quite a ways away and then the

93
00:05:00,870 --> 00:05:06,360
light would just stay there for a moment

94
00:05:02,550 --> 00:05:08,310
and then it would disappear and then a

95
00:05:06,360 --> 00:05:11,189
few minutes later it would do it again

96
00:05:08,310 --> 00:05:12,959
and this would go on I know sometimes

97
00:05:11,189 --> 00:05:14,879
stay out there a half an hour to an hour

98
00:05:12,959 --> 00:05:18,439
watching it we always stay in the same

99
00:05:14,879 --> 00:05:21,000
place and we never did hear what it was

100
00:05:18,439 --> 00:05:23,850

we were about a hundred and twenty miles

101

00:05:21,000 --> 00:05:25,079

away from an Air Force Base and a lot of

102

00:05:23,850 --> 00:05:26,939

us would discuss maybe it was

103

00:05:25,079 --> 00:05:30,959

experimental craft they were doing at

104

00:05:26,939 --> 00:05:33,930

the Air Force Base so uh just overall I

105

00:05:30,959 --> 00:05:35,908

was somewhat to the you know open to the

106

00:05:33,930 --> 00:05:37,860

idea that there might be aliens out

107

00:05:35,908 --> 00:05:41,490

there are things and

108

00:05:37,860 --> 00:05:44,490

in my incident that happened one night

109

00:05:41,490 --> 00:05:47,129

my boyfriend and I were leaving Douglas

110

00:05:44,490 --> 00:05:49,918

Wyoming you can find this on a map if

111

00:05:47,129 --> 00:05:53,639

you want and going to Shawnee Wyoming

112

00:05:49,918 --> 00:05:55,649

it's like almost 25 mile trip and we'd

113

00:05:53,639 --> 00:05:58,019

seen a movie we weren't drinking or

114

00:05:55,649 --> 00:05:59,908

doing any kind of drugs and there's not

115
00:05:58,019 --> 00:06:01,560
a lot there was not a lot of traffic on

116
00:05:59,908 --> 00:06:03,449
the interstate highways back then

117
00:06:01,560 --> 00:06:06,810
especially towards the you know later at

118
00:06:03,449 --> 00:06:08,220
night and we'd left Douglas and noticed

119
00:06:06,810 --> 00:06:12,060
off to the right of us there was a

120
00:06:08,220 --> 00:06:14,069
bright light and I recall thinking we

121
00:06:12,060 --> 00:06:15,598
were what's what's that light over there

122
00:06:14,069 --> 00:06:17,460
and I thought well maybe it's a train oh

123
00:06:15,598 --> 00:06:19,740
wait there's no trains out through here

124
00:06:17,459 --> 00:06:21,930
it was like a big like my see on the

125
00:06:19,740 --> 00:06:24,060
engine of a train at night a brighter

126
00:06:21,930 --> 00:06:25,590
light than what a headlight would be and

127
00:06:24,060 --> 00:06:27,930
when we were watching it and driving

128
00:06:25,589 --> 00:06:30,689
along and then the like zips up and kind

129
00:06:27,930 --> 00:06:32,610
of gets parallel to us but off in the

130
00:06:30,689 --> 00:06:37,288
countryside area not where there would

131
00:06:32,610 --> 00:06:39,090
be not on the road and then we thought

132
00:06:37,288 --> 00:06:41,128
well what the heck you know we're

133
00:06:39,089 --> 00:06:43,619
discussing what it was and thought I

134
00:06:41,129 --> 00:06:46,560
thought maybe it was ranchers out

135
00:06:43,620 --> 00:06:48,060
spotlighting coyotes because out there

136
00:06:46,560 --> 00:06:49,800
the ranchers will go out at night with

137
00:06:48,060 --> 00:06:51,180
spotlights on their truck looking for

138
00:06:49,800 --> 00:06:54,870
coyotes to shoot because they're

139
00:06:51,180 --> 00:06:57,689
predators after their sheep and then we

140
00:06:54,870 --> 00:06:59,728
were thinking wait this terrain next to

141
00:06:57,689 --> 00:07:01,769
where we're at on the road is too rough

142
00:06:59,728 --> 00:07:04,110
it's like the Badlands of South Dakota

143

00:07:01,769 --> 00:07:06,240
it's very rugged with gullies and

144
00:07:04,110 --> 00:07:09,000
washouts there's no road there that you

145
00:07:06,240 --> 00:07:11,430
could drive along near right next to the

146
00:07:09,000 --> 00:07:13,769
interstate like they were doing and this

147
00:07:11,430 --> 00:07:17,038
light fed up and it was just exactly

148
00:07:13,769 --> 00:07:18,839
parallel to us and we're like okay what

149
00:07:17,038 --> 00:07:21,509
the heck is this thing is it a

150
00:07:18,839 --> 00:07:23,339
helicopter as somebody in a helicopter

151
00:07:21,509 --> 00:07:24,990
out there what are they you know then

152
00:07:23,339 --> 00:07:28,918
the light was giving you a little bigger

153
00:07:24,990 --> 00:07:30,689
and he sped way up and it's bed way up

154
00:07:28,918 --> 00:07:33,689
then he slowed way down to like 20 miles

155
00:07:30,689 --> 00:07:35,519
an hour it slowed down we're like wait a

156
00:07:33,689 --> 00:07:38,180
minute I don't think a helicopter moves

157
00:07:35,519 --> 00:07:41,908

like that and we continued on like that

158

00:07:38,180 --> 00:07:46,379

it's a I think about a 14-13 40 mile

159

00:07:41,908 --> 00:07:48,269

trip and the light would follow along

160

00:07:46,379 --> 00:07:50,459

right with us and it also it got

161

00:07:48,269 --> 00:07:51,810

brighter and I wish I was good with

162

00:07:50,459 --> 00:07:55,680

distances I really

163

00:07:51,810 --> 00:07:57,959

say how far it was away from us but the

164

00:07:55,680 --> 00:07:59,400

light shining in Taurus looked it and

165

00:07:57,959 --> 00:08:01,799

looked like it had to be at least 3 or 4

166

00:07:59,399 --> 00:08:03,659

foot across and it was a bright white

167

00:08:01,800 --> 00:08:05,819

light it wasn't colored in any way and

168

00:08:03,660 --> 00:08:08,850

it was shining right into the cab of the

169

00:08:05,819 --> 00:08:09,959

pickup and it's where it illuminated

170

00:08:08,850 --> 00:08:12,540

just like if you were shining a

171

00:08:09,959 --> 00:08:15,209

spotlight in on us and we were getting

172
00:08:12,540 --> 00:08:17,700
kind of freaked out so again like hidden

173
00:08:15,209 --> 00:08:21,269
speed ups and slow down trying to lose

174
00:08:17,699 --> 00:08:23,539
this thing then it just kept whatever he

175
00:08:21,269 --> 00:08:27,479
did it followed right along with us and

176
00:08:23,540 --> 00:08:29,819
also I think the radio quit transmitting

177
00:08:27,480 --> 00:08:33,300
the the radio shut off while we were

178
00:08:29,819 --> 00:08:35,218
driving and then all of a sudden the

179
00:08:33,299 --> 00:08:38,519
thing shoots just shoots straight up and

180
00:08:35,219 --> 00:08:40,979
like straight up and off you just like

181
00:08:38,519 --> 00:08:43,259
as fast as that resumed and disappeared

182
00:08:40,979 --> 00:08:45,660
we're like I remember think you know

183
00:08:43,259 --> 00:08:47,730
we're like what was that thing what is

184
00:08:45,659 --> 00:08:50,639
going on like well it's gone and then

185
00:08:47,730 --> 00:08:53,519
pretty soon we maybe with a mile if even

186
00:08:50,639 --> 00:08:56,850
that a little ways down and the things

187
00:08:53,519 --> 00:08:59,159
appeared right back again and it did

188
00:08:56,850 --> 00:09:00,810
that like three times on the trip where

189
00:08:59,159 --> 00:09:03,569
I just follow along with us the light

190
00:09:00,809 --> 00:09:07,439
shining into the cab of the truck

191
00:09:03,570 --> 00:09:11,550
I don't remember feeling anything like

192
00:09:07,440 --> 00:09:14,190
we were dizzy or any sensations as far

193
00:09:11,549 --> 00:09:16,919
as other than just being scared and the

194
00:09:14,190 --> 00:09:19,980
light just followed us along and then it

195
00:09:16,919 --> 00:09:22,319
would just zip up and off like you and

196
00:09:19,980 --> 00:09:25,230
just disappear was so fast there was no

197
00:09:22,320 --> 00:09:26,820
helicopter or any other craft I could

198
00:09:25,230 --> 00:09:29,399
think of that could move that way and

199
00:09:26,820 --> 00:09:31,680
then when it reappeared it is zip and

200

00:09:29,399 --> 00:09:33,509
would this you know we were watching

201
00:09:31,679 --> 00:09:35,279
it's a little pin a light would show up

202
00:09:33,509 --> 00:09:38,639
and then just it would just appear big

203
00:09:35,279 --> 00:09:40,620
again right right up next to us and this

204
00:09:38,639 --> 00:09:43,019
follow along until we had a turn off and

205
00:09:40,620 --> 00:09:45,600
luckily at one of the time that one

206
00:09:43,019 --> 00:09:47,250
other time it disappeared like that we

207
00:09:45,600 --> 00:09:49,290
made her turn it off and went down the

208
00:09:47,250 --> 00:09:51,870
secondary road we needed to go to my

209
00:09:49,289 --> 00:09:53,909
parents house where I lived that we

210
00:09:51,870 --> 00:09:58,230
never saw it again and we were scared to

211
00:09:53,909 --> 00:10:00,029
death I I still I don't recall we were

212
00:09:58,230 --> 00:10:02,129
asking other people in the area if

213
00:10:00,029 --> 00:10:03,659
they'd heard you know seen anything or

214
00:10:02,129 --> 00:10:05,250

heard of anybody who'd seen anything

215

00:10:03,659 --> 00:10:08,370
that night no

216

00:10:05,250 --> 00:10:10,830
we knew had seen anything else and so I

217

00:10:08,370 --> 00:10:11,759
still have no idea what that thing was

218

00:10:10,830 --> 00:10:14,850
but it wasn't

219

00:10:11,759 --> 00:10:17,789
it definitely wasn't a land vehicle and

220

00:10:14,850 --> 00:10:19,889
I could not imagine that a helicopter

221

00:10:17,789 --> 00:10:23,490
remotely could move the way that thing

222

00:10:19,889 --> 00:10:27,029
did so we have no idea what it was

223

00:10:23,490 --> 00:10:29,430
and the oh the light - neither of us

224

00:10:27,029 --> 00:10:31,379
could make out any details of a craft or

225

00:10:29,429 --> 00:10:34,620
anything all we could see was the light

226

00:10:31,379 --> 00:10:37,799
there was no other it was awfully bright

227

00:10:34,620 --> 00:10:39,960
to look at and there was I I know we

228

00:10:37,799 --> 00:10:41,519
were both looking like see if we could

229
00:10:39,960 --> 00:10:43,170
figure out what that was and we could

230
00:10:41,519 --> 00:10:45,389
not make out any other details other

231
00:10:43,169 --> 00:10:47,879
than it was alright and again I don't

232
00:10:45,389 --> 00:10:50,220
don't really know how far it was from us

233
00:10:47,879 --> 00:10:52,019
or what it was doing it was just

234
00:10:50,220 --> 00:10:54,800
checking us out I don't know what it was

235
00:10:52,019 --> 00:10:57,569
doing and that's pretty much my story

236
00:10:54,799 --> 00:10:58,019
funny thing was here through social

237
00:10:57,570 --> 00:10:59,700
media

238
00:10:58,019 --> 00:11:02,730
that guy we were engaged at the time

239
00:10:59,700 --> 00:11:05,700
this was in 1974 so it's been a while he

240
00:11:02,730 --> 00:11:08,730
got ahold of me and we actually had

241
00:11:05,700 --> 00:11:09,750
several conversations but when we

242
00:11:08,730 --> 00:11:12,480
brought up we were talking about

243
00:11:09,750 --> 00:11:14,460
encountering that UFO or a strange light

244
00:11:12,480 --> 00:11:17,850
and he remembered it just the same way I

245
00:11:14,460 --> 00:11:19,889
did - he said you know so I that kind of

246
00:11:17,850 --> 00:11:21,960
you know he remembers it just as well as

247
00:11:19,889 --> 00:11:25,949
I think you know it's been a long time

248
00:11:21,960 --> 00:11:28,460
and I would say - after through the

249
00:11:25,950 --> 00:11:32,280
years I've I've heard of some other

250
00:11:28,460 --> 00:11:35,009
similar encounters where people think

251
00:11:32,279 --> 00:11:37,230
that if you've been abducted they may

252
00:11:35,009 --> 00:11:41,939
leave sort of markers inside of you to

253
00:11:37,230 --> 00:11:44,129
track you and then later on they will

254
00:11:41,940 --> 00:11:46,830
look for you and scan you to see if they

255
00:11:44,129 --> 00:11:48,000
find that now after through the years of

256
00:11:46,830 --> 00:11:51,720
hearing little stories about that I

257

00:11:48,000 --> 00:11:54,120
wondered if somehow an alien beings

258
00:11:51,720 --> 00:11:55,980
spotted us and we're scanning us to see

259
00:11:54,120 --> 00:11:58,080
if we were some of their contact these

260
00:11:55,980 --> 00:12:00,180
and then didn't bother us because we

261
00:11:58,080 --> 00:12:03,000
weren't I I don't know what they were

262
00:12:00,179 --> 00:12:06,019
doing I have no idea what you know why

263
00:12:03,000 --> 00:12:10,200
some craft would be shining lights on us

264
00:12:06,019 --> 00:12:12,629
and I really can't I can't recall well I

265
00:12:10,200 --> 00:12:14,700
don't listen to everything out there but

266
00:12:12,629 --> 00:12:17,269
I can't recall hearing any other stories

267
00:12:14,700 --> 00:12:19,110
where a craft followed somebody and just

268
00:12:17,269 --> 00:12:20,669
shine lights on

269
00:12:19,110 --> 00:12:22,379
you know like their and I don't know if

270
00:12:20,669 --> 00:12:23,279
they were inspecting us or checking us

271
00:12:22,379 --> 00:12:26,610

out or what

272

00:12:23,279 --> 00:12:29,429

iPhoto Cannes yeah so similar ones

273

00:12:26,610 --> 00:12:32,879

similar ones yeah yeah somewhat missing

274

00:12:29,429 --> 00:12:34,469

time someone right yeah um no we we

275

00:12:32,879 --> 00:12:36,629

didn't experience any missing time

276

00:12:34,470 --> 00:12:39,360

because my a see my mother was fairly

277

00:12:36,629 --> 00:12:41,009

strict and that would have been she she

278

00:12:39,360 --> 00:12:43,019

wouldn't have gone for that one even if

279

00:12:41,009 --> 00:12:44,639

we just showed up four hours late or

280

00:12:43,019 --> 00:12:46,110

something and said I'm bringing your

281

00:12:44,639 --> 00:12:48,029

daughter home from the movies for hourly

282

00:12:46,110 --> 00:12:51,060

but because we were abducted by aliens

283

00:12:48,029 --> 00:12:52,679

my mother bought that one I bet she

284

00:12:51,059 --> 00:12:55,169

wouldn't have done it been like sir fine

285

00:12:52,679 --> 00:12:57,299

you're still grounded actually that does

286
00:12:55,169 --> 00:12:59,579
have a the incident does have a bit of

287
00:12:57,299 --> 00:13:00,899
an impact on me just through the years

288
00:12:59,580 --> 00:13:03,150
talking with people about different

289
00:13:00,899 --> 00:13:05,730
things with possibility of aliens or

290
00:13:03,149 --> 00:13:07,470
things or in Michigan I've heard there's

291
00:13:05,730 --> 00:13:10,470
a lot of sightings of craft going in and

292
00:13:07,470 --> 00:13:12,269
out of the water on the western side of

293
00:13:10,470 --> 00:13:13,649
the state one of my friend says we

294
00:13:12,269 --> 00:13:16,049
should go up sometime there and watch

295
00:13:13,649 --> 00:13:18,179
for him I'm like no I don't care - I'd

296
00:13:16,049 --> 00:13:20,129
like to I want to watch on the news when

297
00:13:18,179 --> 00:13:21,689
people make contact with them I don't

298
00:13:20,129 --> 00:13:24,899
want to have anything to do with seeing

299
00:13:21,690 --> 00:13:29,820
him or being near I fill great was enough

300
00:13:24,899 --> 00:13:32,759
for me I did also years later I dated a

301
00:13:29,820 --> 00:13:36,060
gentleman he I won't name names but he

302
00:13:32,759 --> 00:13:39,299
worked at a radar based in oppai Montana

303
00:13:36,059 --> 00:13:42,419
up near the Canadian border he told me

304
00:13:39,299 --> 00:13:44,429
that I specifically asked him and he

305
00:13:42,419 --> 00:13:48,389
said yeah they've spotted things that

306
00:13:44,429 --> 00:13:51,149
were not any craft they knew of on radar

307
00:13:48,389 --> 00:13:52,470
and I asked him what what did what are

308
00:13:51,149 --> 00:13:53,850
you going to do with the information he

309
00:13:52,470 --> 00:13:55,410
said we just reported to our commanding

310
00:13:53,850 --> 00:13:58,019
officer and we're not supposed to

311
00:13:55,409 --> 00:14:00,539
discuss it no but he told me personally

312
00:13:58,019 --> 00:14:04,590
that yeah they do spot things on the

313
00:14:00,539 --> 00:14:05,399
radar and they're told not to discuss it

314

00:14:04,590 --> 00:14:08,490
with the public

315
00:14:05,399 --> 00:14:09,899
happens a lot mm-hmm in the US now

316
00:14:08,490 --> 00:14:12,000
they've changed their actual guidelines

317
00:14:09,899 --> 00:14:13,679
on how things are reported it's still

318
00:14:12,000 --> 00:14:15,779
remaining classified just making it

319
00:14:13,679 --> 00:14:17,909
easier for pilots and personnel to

320
00:14:15,779 --> 00:14:21,379
actually report things without being you

321
00:14:17,909 --> 00:14:23,909
know D ranked or put on gardening leave

322
00:14:21,379 --> 00:14:26,159
that sort of perdón of hurt other

323
00:14:23,909 --> 00:14:28,469
countries you know like I've heard

324
00:14:26,159 --> 00:14:30,089
Mexico openly reports things on their

325
00:14:28,470 --> 00:14:32,820
news channels and I wish that was the

326
00:14:30,090 --> 00:14:34,860
way it was here very open

327
00:14:32,820 --> 00:14:38,040
yes so that people could do enough

328
00:14:34,860 --> 00:14:40,409

reports I I I personally would feel

329

00:14:38,039 --> 00:14:41,969

safer to think that if there's something

330

00:14:40,409 --> 00:14:43,740

out there which I think there is that

331

00:14:41,970 --> 00:14:45,570

our government knew about it and was

332

00:14:43,740 --> 00:14:49,049

watching it with setting up a plan to

333

00:14:45,570 --> 00:14:52,440

help us or protect us versus saying that

334

00:14:49,049 --> 00:14:53,939

doesn't exist you're crazy you know most

335

00:14:52,440 --> 00:14:56,460

of South America are actually very open

336

00:14:53,940 --> 00:14:58,440

I'm very open about it yeah what's it

337

00:14:56,460 --> 00:15:01,440

like in Britain pretty much the same as

338

00:14:58,440 --> 00:15:04,470

America yeah very hush-hush

339

00:15:01,440 --> 00:15:07,440

right okay well that's crazy there can't

340

00:15:04,470 --> 00:15:09,570

be anything out there to me I see opsin

341

00:15:07,440 --> 00:15:12,300

was I took astronomy when I was in

342

00:15:09,570 --> 00:15:14,520

college 100 years ago and what we know

343
00:15:12,299 --> 00:15:17,309
now about what's out there's so many

344
00:15:14,519 --> 00:15:19,710
more multifold times you know vast is

345
00:15:17,309 --> 00:15:21,539
what we previously thought I think it's

346
00:15:19,710 --> 00:15:24,480
crazy to not think there's other

347
00:15:21,539 --> 00:15:25,829
creatures beings out there of course and

348
00:15:24,480 --> 00:15:27,840
that's thus the right that's the right

349
00:15:25,830 --> 00:15:30,240
way of thinking crazy not to believe

350
00:15:27,840 --> 00:15:32,250
that right just because I can't see

351
00:15:30,240 --> 00:15:35,250
bacteria doesn't mean they don't exist

352
00:15:32,250 --> 00:15:38,279
that's exactly that's exactly like I

353
00:15:35,250 --> 00:15:39,750
said any more I know I don't go I don't

354
00:15:38,279 --> 00:15:41,370
even sometimes like to look at the night

355
00:15:39,750 --> 00:15:43,679
sky I was like I'll just going wherever

356
00:15:41,370 --> 00:15:47,039
God or anybody bothered me I'm scared

357

00:15:43,679 --> 00:15:49,620

I'm scared of aliens and I after my

358

00:15:47,039 --> 00:15:52,439

little encounter thing I'm never sad

359

00:15:49,620 --> 00:15:56,039

paranoid but I don't go looking for him

360

00:15:52,440 --> 00:15:58,590

and I was gonna say in Wyoming - I never

361

00:15:56,039 --> 00:16:01,679

did do this I heard people talk about an

362

00:15:58,590 --> 00:16:03,720

area on Casper mountain that there would

363

00:16:01,679 --> 00:16:05,849

be crafts rarely come in and out of

364

00:16:03,720 --> 00:16:08,389

there and land now I don't know if that

365

00:16:05,850 --> 00:16:12,420

you know was gossip back in the day or

366

00:16:08,389 --> 00:16:13,949

if it was military craft doing it but I

367

00:16:12,419 --> 00:16:15,569

never wanted to go investigate for

368

00:16:13,950 --> 00:16:17,040

myself but I heard several people talk

369

00:16:15,570 --> 00:16:19,290

about it but it was always more of like

370

00:16:17,039 --> 00:16:22,889

my friend went up there or a friend of a

371

00:16:19,289 --> 00:16:25,649
friend went and saw the ingen and I had

372
00:16:22,889 --> 00:16:28,590
another friend who said I was out taking

373
00:16:25,649 --> 00:16:31,439
pictures one day and saw well those

374
00:16:28,590 --> 00:16:35,129
types of the saucer type craft with a

375
00:16:31,440 --> 00:16:37,590
little cap on top like she said she's

376
00:16:35,129 --> 00:16:39,389
clearly saw and she was taking pictures

377
00:16:37,590 --> 00:16:41,009
of their kids or something and took a

378
00:16:39,389 --> 00:16:44,309
couple pictures of and it disappeared

379
00:16:41,009 --> 00:16:46,529
into the clouds but I saw pictures of

380
00:16:44,309 --> 00:16:46,739
hers and this was before Photoshop or

381
00:16:46,529 --> 00:16:48,600
any

382
00:16:46,740 --> 00:16:50,639
these are real photos you know that

383
00:16:48,600 --> 00:16:52,590
shows that thing flying in the air and

384
00:16:50,639 --> 00:16:54,750
even through the clouds again you could

385
00:16:52,590 --> 00:16:57,950

see it I saw like three pictures of that

386

00:16:54,750 --> 00:17:00,419

and it's no it's no plane or helicopter

387

00:16:57,950 --> 00:17:03,690

but she's the only other person I know

388

00:17:00,419 --> 00:17:05,909

that had a some sort of encounter you

389

00:17:03,690 --> 00:17:07,380

know with a any sort of evidence was

390

00:17:05,910 --> 00:17:10,800

that many years ago does she still have

391

00:17:07,380 --> 00:17:11,790

them you know I I don't know I haven't

392

00:17:10,799 --> 00:17:13,680

talked to her in years

393

00:17:11,789 --> 00:17:15,838

yeah this was many years ago that I can

394

00:17:13,680 --> 00:17:17,160

act a to yourself so I should try to

395

00:17:15,838 --> 00:17:19,529

find out though and I could send you

396

00:17:17,160 --> 00:17:21,990

copies of the pictures yeah sure

397

00:17:19,529 --> 00:17:24,629

these pictures and you know if she's

398

00:17:21,990 --> 00:17:26,609

telling negatives or pictures I know I

399

00:17:24,630 --> 00:17:28,380

personally saw him and like said they

400
00:17:26,609 --> 00:17:30,119
were way before a photo shop now I don't

401
00:17:28,380 --> 00:17:32,190
trust anything I see I take it you know

402
00:17:30,119 --> 00:17:34,619
like yeah I think somebody could fake

403
00:17:32,190 --> 00:17:37,440
that you know I don't know if you can

404
00:17:34,619 --> 00:17:39,539
fake negatives but no I don't believe

405
00:17:37,440 --> 00:17:40,860
you can't wish I knew some way to find

406
00:17:39,539 --> 00:17:42,659
out that's why I wish our government

407
00:17:40,859 --> 00:17:44,849
would be more open to things like we

408
00:17:42,660 --> 00:17:46,380
could have reported that that night or

409
00:17:44,849 --> 00:17:48,839
called someplace and maybe they could

410
00:17:46,380 --> 00:17:51,660
have tracked it on radar and found out

411
00:17:48,839 --> 00:17:54,809
you know seeing what this thing was or

412
00:17:51,660 --> 00:17:58,050
sent Air US aircraft to investigate what

413
00:17:54,809 --> 00:18:00,509
the thing was but I I knew for sure of

414
00:17:58,049 --> 00:18:02,639
what it was and I wish it would have

415
00:18:00,509 --> 00:18:04,619
been a way this is my friend who was you

416
00:18:02,640 --> 00:18:06,630
know there with me that night we we were

417
00:18:04,619 --> 00:18:07,949
talking make sure our memories wear this

418
00:18:06,630 --> 00:18:09,660
thing you know like I can't remember

419
00:18:07,950 --> 00:18:12,059
making anything out that you could see

420
00:18:09,660 --> 00:18:13,769
what type of thing it was was just a

421
00:18:12,059 --> 00:18:15,329
life that should never have been there

422
00:18:13,769 --> 00:18:17,430
there's no way it should have been there

423
00:18:15,329 --> 00:18:19,980
I wish I would have been able to make

424
00:18:17,430 --> 00:18:22,230
out what type of a craft it was some

425
00:18:19,980 --> 00:18:23,910
sort of shape but that light was so

426
00:18:22,230 --> 00:18:27,120
bright you couldn't make out any details

427
00:18:23,910 --> 00:18:30,450
behind it was there any sound no I don't

428

00:18:27,119 --> 00:18:32,779
recall any sound and and this was in the

429
00:18:30,450 --> 00:18:35,670
summer and we had the windows down and

430
00:18:32,779 --> 00:18:37,889
no I don't remember any any sort of

431
00:18:35,670 --> 00:18:40,080
sound and then we were like thinking

432
00:18:37,890 --> 00:18:43,110
afterwards the their radio quit working

433
00:18:40,079 --> 00:18:45,210
and the truck never stalled or anything

434
00:18:43,109 --> 00:18:46,709
or the headlight I don't know headlights

435
00:18:45,210 --> 00:18:48,690
didn't go out or anything like that was

436
00:18:46,710 --> 00:18:50,940
just the radio quit working or that we

437
00:18:48,690 --> 00:18:53,220
recall if we had if we had missing time

438
00:18:50,940 --> 00:18:55,529
it wasn't long yeah I'm sure you'd never

439
00:18:53,220 --> 00:18:58,589
return yeah it would have let you know

440
00:18:55,529 --> 00:19:00,428
oh yeah yeah and I do recall after that

441
00:18:58,589 --> 00:19:02,499
I'd be scared going on that stress

442
00:19:00,429 --> 00:19:04,119

- rode by myself I'd be driving looking

443

00:19:02,499 --> 00:19:05,950

left and right see if there was anything

444

00:19:04,118 --> 00:19:06,788

weird just like this please get home and

445

00:19:05,950 --> 00:19:08,200

get home okay

446

00:19:06,788 --> 00:19:10,210

you know I don't want I don't want to

447

00:19:08,200 --> 00:19:11,950

see this whatever it was again it did

448

00:19:10,210 --> 00:19:13,329

impact me and had a little impact

449

00:19:11,950 --> 00:19:15,340

through actually the rest of my life

450

00:19:13,329 --> 00:19:16,749

because I was gonna stay in wyoming

451

00:19:15,339 --> 00:19:19,209

there's kind of desolate - there could

452

00:19:16,749 --> 00:19:20,669

be you know like I live in the state of

453

00:19:19,210 --> 00:19:23,499

Michigan now there's so much traffic

454

00:19:20,669 --> 00:19:25,710

then be you know hundreds of people saw

455

00:19:23,499 --> 00:19:29,139

anything would see the same thing so you

456

00:19:25,710 --> 00:19:31,419

know like I'd be apprehensive I wasn't

457
00:19:29,138 --> 00:19:35,079
like petrified scared to death but just

458
00:19:31,419 --> 00:19:36,669
like oh I got a drive okay well and just

459
00:19:35,079 --> 00:19:38,019
be looking you know like I don't know

460
00:19:36,669 --> 00:19:40,600
what I was gonna do if the light ever

461
00:19:38,019 --> 00:19:43,269
appeared again I never had a plan you

462
00:19:40,599 --> 00:19:46,269
know well like I told you my story isn't

463
00:19:43,269 --> 00:19:48,069
very dramatic maybe but I think a lot of

464
00:19:46,269 --> 00:19:50,859
reports really aren't unless you've

465
00:19:48,069 --> 00:19:53,950
actually had contact with whatever it's

466
00:19:50,859 --> 00:19:55,508
out there and I'd still like they're the

467
00:19:53,950 --> 00:19:57,879
only thing I've heard possibly is if

468
00:19:55,509 --> 00:20:00,159
maybe aliens were scanning us to see if

469
00:19:57,878 --> 00:20:02,259
we were some of their contactees and why

470
00:20:00,159 --> 00:20:04,059
they disk are if they were just what I

471
00:20:02,259 --> 00:20:06,339
don't know just what like what the heck

472
00:20:04,058 --> 00:20:08,440
are those creatures doing in that green

473
00:20:06,339 --> 00:20:11,168
truck you know I don't know I just wish

474
00:20:08,440 --> 00:20:12,308
I knew what they were doing why you know

475
00:20:11,169 --> 00:20:13,929
I don't I don't know what they were

476
00:20:12,308 --> 00:20:16,898
doing it I wish I knew what they were

477
00:20:13,929 --> 00:20:19,960
doing or who or what it was because it

478
00:20:16,898 --> 00:20:21,459
was nothing that I still am aware of was

479
00:20:19,960 --> 00:20:22,929
in the plane it wasn't a helicopter it

480
00:20:21,460 --> 00:20:24,519
could've been a land vehicle on that

481
00:20:22,929 --> 00:20:27,009
rough terrain where there was no road

482
00:20:24,519 --> 00:20:29,169
couldn't be people in a for you know

483
00:20:27,009 --> 00:20:31,329
like a four-wheeler type or motorcycle

484
00:20:29,169 --> 00:20:33,929
or anything the only thing left in my

485

00:20:31,329 --> 00:20:37,058
mind it could have been is a face craft

486
00:20:33,929 --> 00:20:38,320
from alien sources so do you think they

487
00:20:37,058 --> 00:20:43,749
were looking down at you and thinking

488
00:20:38,319 --> 00:20:45,099
why are they in such a hurry like maybe

489
00:20:43,749 --> 00:20:48,038
they just wanted to stop and visit like

490
00:20:45,099 --> 00:20:50,469
why they kinda run away from us and it's

491
00:20:48,038 --> 00:20:54,339
made you a definite believer well yeah

492
00:20:50,470 --> 00:20:55,839
there's yeah yeah well even before that

493
00:20:54,339 --> 00:20:57,278
I think it was kind of in my mind that

494
00:20:55,839 --> 00:20:59,019
aliens could be out there from when I

495
00:20:57,278 --> 00:21:02,470
was younger we saw those strange lights

496
00:20:59,019 --> 00:21:06,099
and we watched those for miles they were

497
00:21:02,470 --> 00:21:08,009
across Illinois and that was in the news

498
00:21:06,099 --> 00:21:10,178
and stuff there was strange lights and

499
00:21:08,009 --> 00:21:12,999

like what could they have been and then

500

00:21:10,179 --> 00:21:14,179

I think sometimes you know people that

501

00:21:12,999 --> 00:21:16,579

all their experimental

502

00:21:14,179 --> 00:21:19,038

military craft or something you know but

503

00:21:16,579 --> 00:21:20,509

then why wouldn't I don't know why

504

00:21:19,038 --> 00:21:22,190

wouldn't they put that in the news more

505

00:21:20,509 --> 00:21:24,048

you know like and here's the real life

506

00:21:22,190 --> 00:21:27,048

picture of it and here's we're doing

507

00:21:24,048 --> 00:21:29,868

this again to show people so doctor

508

00:21:27,048 --> 00:21:31,128

secrecy again yeah one of my friends I

509

00:21:29,868 --> 00:21:32,388

said something about they want to do

510

00:21:31,128 --> 00:21:33,618

something day I don't know I'm doing

511

00:21:32,388 --> 00:21:35,808

that I told what I was doing they're

512

00:21:33,618 --> 00:21:37,939

like you never told me we'd seen a UFO I

513

00:21:35,808 --> 00:21:39,798

don't like Thomas talked about me I'm

514
00:21:37,940 --> 00:21:41,330
not scared to talk about it but they're

515
00:21:39,798 --> 00:21:43,190
like I'm knowing you're like five years

516
00:21:41,329 --> 00:21:46,398
you've never told me you had chased by a

517
00:21:43,190 --> 00:21:51,528
UFO I said well you'll get to hear about

518
00:21:46,398 --> 00:21:53,178
it now yeah the same thing with like

519
00:21:51,528 --> 00:21:54,648
ghosts or things or people say well I

520
00:21:53,179 --> 00:21:56,809
don't believe in ghosts but you know I

521
00:21:54,648 --> 00:21:58,398
love this place that you know and then

522
00:21:56,808 --> 00:22:01,878
they'll start I'm like well that was a

523
00:21:58,398 --> 00:22:04,398
spirit probably you know yes that's

524
00:22:01,878 --> 00:22:06,888
right that is exactly the same and just

525
00:22:04,398 --> 00:22:09,378
about everybody has a story of some sort

526
00:22:06,888 --> 00:22:11,298
well I or if they don't experience

527
00:22:09,378 --> 00:22:13,428
themselves it was their brother or their

528
00:22:11,298 --> 00:22:16,298
dad or somebody right close to them that

529
00:22:13,429 --> 00:22:18,470
had stuff that happened weird yeah yeah

530
00:22:16,298 --> 00:22:21,950
that's why I wish it was more on the

531
00:22:18,470 --> 00:22:25,190
news or even well like I'll bring a

532
00:22:21,950 --> 00:22:28,460
Bigfoot here like which I believe in the

533
00:22:25,190 --> 00:22:30,288
possibility they could exist maybe they

534
00:22:28,460 --> 00:22:32,480
don't I don't know but if I had to vote

535
00:22:30,288 --> 00:22:35,628
on I'd say more likely they could exist

536
00:22:32,480 --> 00:22:37,278
and then some people will say well

537
00:22:35,628 --> 00:22:39,168
people would have found a - and a lot of

538
00:22:37,278 --> 00:22:42,288
people are not looking but if you listen

539
00:22:39,169 --> 00:22:45,288
or see this shows on TV and on YouTube

540
00:22:42,288 --> 00:22:48,048
the accounts there's tons of people that

541
00:22:45,288 --> 00:22:49,730
are reporting sightings of some sort of

542

00:22:48,048 --> 00:22:51,378
creatures I don't think they're all

543
00:22:49,730 --> 00:22:53,480
making this up for attention

544
00:22:51,378 --> 00:22:57,168
yeah and in America there is a lot lot

545
00:22:53,480 --> 00:22:59,960
of reports yeah more than people more

546
00:22:57,169 --> 00:23:02,720
than people realize yeah yeah that's I'm

547
00:22:59,960 --> 00:23:04,610
saying it and if that I think you know

548
00:23:02,720 --> 00:23:06,798
with social media and everybody you know

549
00:23:04,609 --> 00:23:09,109
having cell phones and everything that

550
00:23:06,798 --> 00:23:11,538
there's just it the activity was

551
00:23:09,109 --> 00:23:13,758
probably always going on but people

552
00:23:11,538 --> 00:23:16,368
weren't reporting it now people are like

553
00:23:13,759 --> 00:23:19,038
yeah they're networking more so you hear

554
00:23:16,368 --> 00:23:21,740
more reports but and who's gonna just

555
00:23:19,038 --> 00:23:25,638
this was strange I yeah it's probably

556
00:23:21,740 --> 00:23:28,099

been 10 years ago my daughter a friend

557

00:23:25,638 --> 00:23:30,709

of hers had a psychic come to her house

558

00:23:28,099 --> 00:23:32,509

as a fan get-together for girlfriends

559

00:23:30,710 --> 00:23:34,430

and she invited me to come to they paid

560

00:23:32,509 --> 00:23:37,670

this psychic and the lady was doing

561

00:23:34,430 --> 00:23:39,170

readings so everybody she was doing they

562

00:23:37,670 --> 00:23:40,460

kind of went off in a separate room but

563

00:23:39,170 --> 00:23:42,350

people would come back and you're like

564

00:23:40,460 --> 00:23:43,700

oh my god she told me there's no way she

565

00:23:42,349 --> 00:23:45,289

could have known that she known about my

566

00:23:43,700 --> 00:23:47,569

dead boyfriend from high school about

567

00:23:45,289 --> 00:23:49,819

four things you know about spirits

568

00:23:47,569 --> 00:23:51,500

contacting their dead loved ones and

569

00:23:49,819 --> 00:23:55,309

guess what she talked to me about when I

570

00:23:51,500 --> 00:23:57,200

got with her aliens I'm like wait I want

571
00:23:55,309 --> 00:23:58,789
to hear about my dead loved ones and

572
00:23:57,200 --> 00:24:01,039
she's oh you don't have anybody

573
00:23:58,789 --> 00:24:02,269
contacted with any urgent messages but

574
00:24:01,039 --> 00:24:05,839
she said have you seen things recently

575
00:24:02,269 --> 00:24:09,799
going honest and I'm like no like what

576
00:24:05,839 --> 00:24:12,439
is she talking about but now I wonder if

577
00:24:09,799 --> 00:24:14,539
somehow I don't know if there's some

578
00:24:12,440 --> 00:24:16,400
sort of network with aliens that contact

579
00:24:14,539 --> 00:24:18,470
people that I don't know that you don't

580
00:24:16,400 --> 00:24:19,130
know about or something does that sound

581
00:24:18,470 --> 00:24:21,680
strange

582
00:24:19,130 --> 00:24:23,690
no there is a lot we don't know that

583
00:24:21,680 --> 00:24:26,539
sounds like that's what I came out and I

584
00:24:23,690 --> 00:24:28,460
was like I was disappointed and she was

585
00:24:26,539 --> 00:24:31,069
she was telling me about a lake in

586
00:24:28,460 --> 00:24:33,200
Michigan in that she's personally seeing

587
00:24:31,069 --> 00:24:35,359
UFOs go in and out of and then on the

588
00:24:33,200 --> 00:24:37,759
big lakes Lake Michigan like you're on

589
00:24:35,359 --> 00:24:39,379
of accounts she's I think of the next

590
00:24:37,759 --> 00:24:41,119
you know a few years ago we're gonna

591
00:24:39,380 --> 00:24:43,190
have it's gonna be made a lot more

592
00:24:41,119 --> 00:24:45,289
public about UFOs and our governments

593
00:24:43,190 --> 00:24:47,210
even gonna acknowledge it and she's

594
00:24:45,289 --> 00:24:49,339
going and she kept like you haven't had

595
00:24:47,210 --> 00:24:52,819
any recent contacts with anybody and I'm

596
00:24:49,339 --> 00:24:55,789
like no I'm like what is she talking

597
00:24:52,819 --> 00:24:58,309
about but I then I wondered like maybe

598
00:24:55,789 --> 00:25:00,409
somehow the aliens through the years do

599

00:24:58,309 --> 00:25:02,329
keep track of you maybe they never had

600
00:25:00,410 --> 00:25:05,180
to touch me to track me or something

601
00:25:02,329 --> 00:25:09,470
that freaks me out cuz why would she

602
00:25:05,180 --> 00:25:11,900
bring that stuff up hasten an usual yeah

603
00:25:09,470 --> 00:25:13,549
I had forgot about that I don't know if

604
00:25:11,900 --> 00:25:16,100
that has any meaning or she's just a

605
00:25:13,549 --> 00:25:19,220
kook you know everybody else she did

606
00:25:16,099 --> 00:25:21,379
these psychic readings that hit right on

607
00:25:19,220 --> 00:25:23,420
home with him and was tell him about

608
00:25:21,380 --> 00:25:26,870
health issues that only they knew about

609
00:25:23,420 --> 00:25:30,850
and things like that and and everybody

610
00:25:26,869 --> 00:25:33,019
might she talked to me about aliens what

611
00:25:30,849 --> 00:25:35,419
she spoke to you about something only

612
00:25:33,019 --> 00:25:37,099
you knew terabyte so what I was like

613
00:25:35,420 --> 00:25:39,410

said they're gone well I don't know

614

00:25:37,099 --> 00:25:40,699

where I know what he's eating I don't

615

00:25:39,410 --> 00:25:42,680

know

616

00:25:40,700 --> 00:25:45,980

and I really I don't think I've ever had

617

00:25:42,680 --> 00:25:49,009

any other sort of quote you know close

618

00:25:45,980 --> 00:25:50,960

up seeing anything strange you know but

619

00:25:49,009 --> 00:25:52,700

then I start wondering maybe I have

620

00:25:50,960 --> 00:25:55,400

enough blocked it out or something I

621

00:25:52,700 --> 00:25:58,039

don't know but I try not to ever really

622

00:25:55,400 --> 00:26:00,290

I'm not I don't mean like I'm a obsessed

623

00:25:58,039 --> 00:26:03,559

or paranoid but I've just thought about

624

00:26:00,289 --> 00:26:05,180

that with that psychic lady why she's

625

00:26:03,559 --> 00:26:07,849

bringing up aliens with me I wanted to

626

00:26:05,180 --> 00:26:09,980

hear about my dad mom and dad did they

627

00:26:07,849 --> 00:26:12,529

have messages for me or things like that

628
00:26:09,980 --> 00:26:15,380
or am I gonna win the lottery or

629
00:26:12,529 --> 00:26:17,629
something I don't know you know I live

630
00:26:15,380 --> 00:26:20,810
in a more populated area in Michigan and

631
00:26:17,630 --> 00:26:22,970
my I don't know searching for anything

632
00:26:20,809 --> 00:26:25,339
has for sure which I've heard of

633
00:26:22,970 --> 00:26:26,720
abductions in the cities but and I

634
00:26:25,339 --> 00:26:29,419
really don't think I've ever been

635
00:26:26,720 --> 00:26:31,400
abducted or any other encounters with

636
00:26:29,420 --> 00:26:35,180
the aliens or I don't have missing time

637
00:26:31,400 --> 00:26:37,160
things or anything you know and and to

638
00:26:35,180 --> 00:26:38,360
me from like if I was the American

639
00:26:37,160 --> 00:26:40,490
government of the British government I

640
00:26:38,359 --> 00:26:42,889
would want to talk to everybody that had

641
00:26:40,490 --> 00:26:45,859
any sort of contact gather information

642
00:26:42,890 --> 00:26:48,560
because what kind of technology can be

643
00:26:45,859 --> 00:26:51,529
you know I'm just saying this as if it's

644
00:26:48,559 --> 00:26:54,169
positively true how can they teleport

645
00:26:51,529 --> 00:26:57,649
somebody up into a craft and and you

646
00:26:54,170 --> 00:26:59,480
know I don't know you know how can they

647
00:26:57,650 --> 00:27:02,710
make them come through walls and you

648
00:26:59,480 --> 00:27:05,809
know how can they do that I would be

649
00:27:02,710 --> 00:27:07,309
investigating it like crazy I think I

650
00:27:05,809 --> 00:27:09,009
think they are laughing I do know and

651
00:27:07,309 --> 00:27:11,929
they've known for a very very long time

652
00:27:09,009 --> 00:27:14,440
if we kind of go by what's coming out in

653
00:27:11,930 --> 00:27:17,420
a media because the media has changed

654
00:27:14,440 --> 00:27:19,519
somewhat in the last couple of years I

655
00:27:17,420 --> 00:27:22,400
think we're pretty much going to like a

656

00:27:19,519 --> 00:27:23,990
really soft disclosure it may take it

657
00:27:22,400 --> 00:27:26,960
may take several years but I think this

658
00:27:23,990 --> 00:27:29,420
is the starting point yeah and and with

659
00:27:26,960 --> 00:27:32,509
you know it seems like forever we've had

660
00:27:29,420 --> 00:27:33,320
the Internet but it's just good you know

661
00:27:32,509 --> 00:27:35,779
there's more and more and more

662
00:27:33,319 --> 00:27:37,339
information being shared it's not always

663
00:27:35,779 --> 00:27:39,799
the wrong information of the stuffiness

664
00:27:37,339 --> 00:27:43,549
the problem well that yeah that's true

665
00:27:39,799 --> 00:27:45,319
too but I wish there was more or maybe

666
00:27:43,549 --> 00:27:46,789
there is maybe our government secretly

667
00:27:45,319 --> 00:27:49,009
is working a lot more on than what

668
00:27:46,789 --> 00:27:52,519
people realize but I wish it would

669
00:27:49,009 --> 00:27:54,539
become mainstream knowledge so it would

670
00:27:52,519 --> 00:27:57,029

make me feel safer

671

00:27:54,539 --> 00:27:59,670

and to understand things versus being

672

00:27:57,029 --> 00:28:01,289

scared of them yeah that's why it's

673

00:27:59,670 --> 00:28:03,029

important for people to network cool to

674

00:28:01,289 --> 00:28:06,359

share they're there in their encounters

675

00:28:03,029 --> 00:28:08,910

and stories and in Michigan here tonight

676

00:28:06,359 --> 00:28:11,309

oh I've been five six years ago there

677

00:28:08,910 --> 00:28:13,500

was a report in the newspaper that some

678

00:28:11,309 --> 00:28:14,159

young guy saw he said it was a football

679

00:28:13,500 --> 00:28:17,069

sized

680

00:28:14,160 --> 00:28:20,640

crap going over here Saginaw Michigan

681

00:28:17,069 --> 00:28:22,769

which isn't well I guess Lake Huron is

682

00:28:20,640 --> 00:28:25,410

not that far away but he spotted

683

00:28:22,769 --> 00:28:27,809

something in the sky and he said you

684

00:28:25,410 --> 00:28:30,420

could make out like portholes windows

685
00:28:27,809 --> 00:28:32,970
etc and details on it and it was huge

686
00:28:30,420 --> 00:28:34,830
going over and no way it could have been

687
00:28:32,970 --> 00:28:37,079
a plane or anything and then you never

688
00:28:34,829 --> 00:28:38,579
hear anything else about it you know and

689
00:28:37,079 --> 00:28:41,609
I don't the guy was making it up but it

690
00:28:38,579 --> 00:28:44,730
was in the newspaper so if the guy

691
00:28:41,609 --> 00:28:46,049
seemed totally paranoid schizophrenic or

692
00:28:44,730 --> 00:28:49,980
something I don't think they would even

693
00:28:46,049 --> 00:28:51,359
bother to to print it but here are

694
00:28:49,980 --> 00:28:53,759
things like that and then nothing else

695
00:28:51,359 --> 00:28:55,459
about it yeah yeah it's usually the case

696
00:28:53,759 --> 00:28:57,390
well this has been really interesting

697
00:28:55,460 --> 00:28:59,279
yeah it's been wonderful having you on

698
00:28:57,390 --> 00:29:01,650
today Kaffee this has been great to talk

699
00:28:59,279 --> 00:29:04,109
to you all right and thank you and I

700
00:29:01,650 --> 00:29:06,450
hope somebody finds it interesting so I

701
00:29:04,109 --> 00:29:08,339
guarantee they will well that's it for

702
00:29:06,450 --> 00:29:10,140
today remember if you've had an

703
00:29:08,339 --> 00:29:12,959
encounter and would like to share it on

704
00:29:10,140 --> 00:29:15,770
the show you can email me at UFO

705
00:29:12,960 --> 00:29:40,009
