

1
00:00:31,649 --> 00:00:41,738
from out of nowhere flying saucer

2
00:00:35,289 --> 00:00:44,170
mystery is with us what is the flying

3
00:00:41,738 --> 00:00:46,539
saucer what do people see in sometimes

4
00:00:44,170 --> 00:00:48,160
photograph what's behind the daily

5
00:00:46,539 --> 00:00:50,558
reports of aerial phenomena in the

6
00:00:48,159 --> 00:00:52,808
nation's press after more than five

7
00:00:50,558 --> 00:00:57,009
years of study there is still no

8
00:00:52,808 --> 00:01:00,099
agreement even among the experts we can

9
00:00:57,009 --> 00:01:02,679
say that the recent sightings are in no

10
00:01:00,100 --> 00:01:05,439
way connected with any secret

11
00:01:02,679 --> 00:01:08,890
development by any agency of the United

12
00:01:05,439 --> 00:01:10,299
States with all due respect of airports

13
00:01:08,890 --> 00:01:13,989
I believe that some of them will prove

14
00:01:10,299 --> 00:01:15,899
to be of interplanetary origin in my

15
00:01:13,989 --> 00:01:17,559
position in the research and development

16
00:01:15,899 --> 00:01:20,320
organization of the bureau of

17
00:01:17,560 --> 00:01:22,629
aeronautics and of the Navy Department I

18
00:01:20,319 --> 00:01:25,000
am fairly familiar with both our

19
00:01:22,629 --> 00:01:27,969
aircraft and our guided missile programs

20
00:01:25,000 --> 00:01:30,879
and can state without reservation that

21
00:01:27,969 --> 00:01:35,079
the Navy has no saucer-shaped aircraft

22
00:01:30,879 --> 00:01:49,890
or missile in any of these programs I've

23
00:01:35,079 --> 00:01:52,659
gotten to be a spinning action

24
00:01:49,890 --> 00:01:56,769
what are these shadowy voyagers of the

25
00:01:52,659 --> 00:01:58,719
atmosphere while our forefathers were

26
00:01:56,769 --> 00:02:01,179
still dreaming of flight decades ago

27
00:01:58,719 --> 00:02:03,879
they sketched these aerial vehicles of

28
00:02:01,179 --> 00:02:07,469
the future strangely some of them

29

00:02:03,879 --> 00:02:07,469
resemble the saucers of today

30
00:02:09,939 --> 00:02:14,569
when we went to work to make reality

31
00:02:12,069 --> 00:02:16,489
creams the fashion crude

32
00:02:14,569 --> 00:02:19,549
rocket-propelled devices such as beads

33
00:02:16,490 --> 00:02:21,800
while unsuccessful in themselves they

34
00:02:19,550 --> 00:02:23,870
proved to be offers humbling efforts to

35
00:02:21,800 --> 00:02:26,300
master the techniques inject and rocket

36
00:02:23,870 --> 00:02:28,700
propulsion the flying saucers are of

37
00:02:26,300 --> 00:02:31,250
this earth this maybe Holly will born

38
00:02:28,699 --> 00:02:34,239
there later growth and maturity cloaked

39
00:02:31,250 --> 00:02:34,240
in official secrecy

40
00:02:35,739 --> 00:02:41,870
and the smoke of the war go away in 1945

41
00:02:39,169 --> 00:02:44,389
we found ourselves suddenly arrived in

42
00:02:41,870 --> 00:02:47,030
the age of rocket propulsion however

43
00:02:44,389 --> 00:02:48,229

since then the lid has been on other

44

00:02:47,030 --> 00:02:50,810

than announcements of ever-increasing

45

00:02:48,229 --> 00:02:52,789

altitudes reached by the rockets we have

46

00:02:50,810 --> 00:02:55,750

had no reports though we know millions

47

00:02:52,789 --> 00:02:55,750

are being spent on them

48

00:02:56,068 --> 00:02:59,729

while our knowledge the engines in the

49

00:02:57,870 --> 00:03:02,340

b-47 are the most powerful and used

50

00:02:59,729 --> 00:03:04,949

today it the announced speed of this

51

00:03:02,340 --> 00:03:06,959

aeroplane is only 600 miles per hour a

52

00:03:04,949 --> 00:03:10,078

mere fraction of the velocity of the

53

00:03:06,959 --> 00:03:12,389

disc only a frantic Li new area dynamics

54

00:03:10,079 --> 00:03:15,769

are in use that the discs be powered by

55

00:03:12,389 --> 00:03:15,769

jet engines of today

56

00:03:17,409 --> 00:03:21,639

this is a thunderjet executing a lewd

57

00:03:19,240 --> 00:03:23,290

hazardous on a jet plane because of the

58
00:03:21,639 --> 00:03:25,509
centrifugal force the pilot must

59
00:03:23,289 --> 00:03:29,019
withstand during a palapa yet

60
00:03:25,509 --> 00:03:32,079
characteristic of the saucers is they're

61
00:03:29,020 --> 00:03:33,280
fantastic maneuverability disks moving

62
00:03:32,080 --> 00:03:35,710
at many times the speed of sound

63
00:03:33,280 --> 00:03:37,810
suddenly reverse direction flight

64
00:03:35,710 --> 00:03:41,129
surgeons say any human pilot attempting

65
00:03:37,810 --> 00:03:41,129
this would perish instantly

66
00:03:52,210 --> 00:03:59,260
like why social reporters agree that the

67
00:03:55,129 --> 00:03:59,259
new jet helicopter was not what they saw

68
00:03:59,419 --> 00:04:06,000
if not conventional aircraft daddy what

69
00:04:02,939 --> 00:04:10,259
did they see they appeared to be fifty

70
00:04:06,000 --> 00:04:13,680
feet in diameter which appeared to be a

71
00:04:10,259 --> 00:04:15,659
dome on the top with I can't be sure but

72
00:04:13,680 --> 00:04:16,319
I believe I saw the Sun glinting off a

73
00:04:15,659 --> 00:04:19,050
bath

74
00:04:16,319 --> 00:04:22,889
well windows are observation for those

75
00:04:19,050 --> 00:04:24,689
absurd is this what rice burger saw this

76
00:04:22,889 --> 00:04:26,689
disc was photographed by an Oregon

77
00:04:24,689 --> 00:04:29,430
farmer as it hovered low over his field

78
00:04:26,689 --> 00:04:32,040
experts say these are actual photographs

79
00:04:29,430 --> 00:04:34,290
of a flying saucer farmer sighted the

80
00:04:32,040 --> 00:04:40,050
same spinning action and estimated the

81
00:04:34,290 --> 00:04:42,330
diameter of the disc at 20 to 30 feet in

82
00:04:40,050 --> 00:04:44,129
Kentucky a motion picture photographer

83
00:04:42,329 --> 00:04:47,250
attracted by a strange noise overhead

84
00:04:44,129 --> 00:04:49,139
trained this camera on this dish here

85
00:04:47,250 --> 00:04:53,819
the wobbling motion mentioned in so many

86

00:04:49,139 --> 00:04:55,620
reports is clearly seen a Coast Guard

87
00:04:53,819 --> 00:04:57,120
photographer snapped this phenomena when

88
00:04:55,620 --> 00:04:59,759
it appeared briefly over Salem

89
00:04:57,120 --> 00:05:01,889
Massachusetts the incandescent seen here

90
00:04:59,759 --> 00:05:04,189
was bright enough to stand out in broad

91
00:05:01,889 --> 00:05:04,189
daylight

92
00:05:06,060 --> 00:05:09,660
what may have been the same phenomena

93
00:05:08,129 --> 00:05:13,050
was photographed at night by Auguste

94
00:05:09,660 --> 00:05:15,630
Roberts who has this to say about it

95
00:05:13,050 --> 00:05:20,430
I think it was from outer space but

96
00:05:15,629 --> 00:05:21,750
friendly like many of the saucer reports

97
00:05:20,430 --> 00:05:24,569
the latest and most credible have

98
00:05:21,750 --> 00:05:27,000
received comes not from America but from

99
00:05:24,569 --> 00:05:28,918
behind the Iron Curtain seen on the

100
00:05:27,000 --> 00:05:31,769

ground by the refugee mayor of a small

101

00:05:28,918 --> 00:05:33,418

East German town its crew was startled

102

00:05:31,769 --> 00:05:46,370

by the screams of the mayor's daughter

103

00:05:33,418 --> 00:05:46,370

the first eyewitness opposed the moment

104

00:06:35,329 --> 00:06:41,668

from such reports as these arise many

105

00:06:38,160 --> 00:06:44,070

theories to explain the discs undismayed

106

00:06:41,668 --> 00:06:45,899

by the attacks of true magazine Frank

107

00:06:44,069 --> 00:06:55,918

Scully author of a book behind the

108

00:06:45,899 --> 00:06:59,638

flying saucers offers his views in the

109

00:06:55,918 --> 00:07:01,549

universe is to belittle the universe

110

00:06:59,639 --> 00:07:05,879

because we don't show much intelligence

111

00:07:01,550 --> 00:07:10,439

obviously but the likelihood of other

112

00:07:05,879 --> 00:07:13,350

planets elsewhere in other planetary

113

00:07:10,439 --> 00:07:16,649

systems and other universes of having an

114

00:07:13,350 --> 00:07:18,299

only what we got but lots more since the

115
00:07:16,649 --> 00:07:21,098
planets might be older

116
00:07:18,298 --> 00:07:23,528
intelligences could be much more mature

117
00:07:21,098 --> 00:07:26,498
more advanced they could have even

118
00:07:23,528 --> 00:07:29,228
passed through an atomic age long ago

119
00:07:26,499 --> 00:07:31,719
well they could have done souls that

120
00:07:29,228 --> 00:07:35,318
never will fog up like our Adam and Eve

121
00:07:31,718 --> 00:07:38,649
and never weren't so all is and if they

122
00:07:35,319 --> 00:07:41,528
are perfect souls elsewhere the thing is

123
00:07:38,649 --> 00:07:44,168
they're not killable they were mortal

124
00:07:41,528 --> 00:07:46,569
already so the idea of the earth was

125
00:07:44,168 --> 00:07:50,198
telling them to shoot them down is

126
00:07:46,569 --> 00:07:55,658
idiotic next a more conventional theory

127
00:07:50,199 --> 00:07:58,389
is advanced by physicist Noah Scott the

128
00:07:55,658 --> 00:08:01,629
expression flying saucers is a catch-all

129
00:07:58,389 --> 00:08:04,778
term for unusual lights afraid in the

130
00:08:01,629 --> 00:08:06,908
sky it is possible that some of these

131
00:08:04,778 --> 00:08:10,408
lights are caused by masses of

132
00:08:06,908 --> 00:08:13,209
electrically charged particles of air

133
00:08:10,408 --> 00:08:17,759
electrified air can assume many

134
00:08:13,209 --> 00:08:23,649
different colors such as yellow red pink

135
00:08:17,759 --> 00:08:26,110
orange green and blue this experiment

136
00:08:23,649 --> 00:08:29,288
demonstrates that charge masses of air

137
00:08:26,110 --> 00:08:33,519
can be made to move in formation change

138
00:08:29,288 --> 00:08:37,750
force change brightness appear disappear

139
00:08:33,519 --> 00:08:40,240
and reappear these electrified masses of

140
00:08:37,750 --> 00:08:41,370
air produce no sound but can be detected

141
00:08:40,240 --> 00:08:44,110
by radar

142
00:08:41,370 --> 00:08:46,720
yes great conditions necessary for

143

00:08:44,110 --> 00:08:49,240
producing this phenomena are certainly

144
00:08:46,720 --> 00:08:55,059
not prevailing conditions that exist in

145
00:08:49,240 --> 00:08:57,459
the upper atmosphere there may be

146
00:08:55,058 --> 00:08:59,740
occasional local conditions responsible

147
00:08:57,458 --> 00:09:04,088
for this glow which might be interpreted

148
00:08:59,740 --> 00:09:05,740
as flying saucers in the engineer

149
00:09:04,089 --> 00:09:08,350
research and development laboratories

150
00:09:05,740 --> 00:09:10,360
Fort Belvoir Virginia dr. Scott showed

151
00:09:08,350 --> 00:09:12,459
us how to make your own flying saucers

152
00:09:10,360 --> 00:09:14,110
some say the apparitions are the result

153
00:09:12,458 --> 00:09:16,929
of light refracting from what is called

154
00:09:14,110 --> 00:09:19,480
an inversion layer such as an oasis will

155
00:09:16,929 --> 00:09:21,219
appear in the desert in a glass bell dr.

156
00:09:19,480 --> 00:09:22,870
Scott reproduces weather conditions

157
00:09:21,220 --> 00:09:25,230

which prevail during many of the recent

158

00:09:22,870 --> 00:09:25,230

sightings

159

00:09:25,899 --> 00:09:31,189

dr. Scott's theories are correct but you

160

00:09:28,730 --> 00:09:33,470

are looking at now is an actual flying

161

00:09:31,190 --> 00:09:35,210

saucer it's possible that even the

162

00:09:33,470 --> 00:09:37,340

headlights of your car can create them

163

00:09:35,210 --> 00:09:38,810

the Air Force hard-pressed for an

164

00:09:37,340 --> 00:09:41,570

accounting of the mysterious invaders

165

00:09:38,809 --> 00:09:43,879

this explanation is popular but General

166

00:09:41,570 --> 00:09:48,070

James Sanford points out even this

167

00:09:43,879 --> 00:09:48,070

theory does not explain all the reports

168

00:09:48,730 --> 00:09:53,980

however there have been a certain

169

00:09:51,259 --> 00:09:56,240

percentage of this volume of reports

170

00:09:53,980 --> 00:09:59,720

that have been made by credible

171

00:09:56,240 --> 00:10:03,889

observers of relatively incredible

172
00:09:59,720 --> 00:10:10,070
things it is this group of observations

173
00:10:03,889 --> 00:10:12,559
that we now are attempting to resolve we

174
00:10:10,070 --> 00:10:15,440
have as a date come to only one firm

175
00:10:12,559 --> 00:10:19,129
conclusion with respect to this

176
00:10:15,440 --> 00:10:22,240
remaining percentage and that is that it

177
00:10:19,129 --> 00:10:25,789
does not contain any pattern of purpose

178
00:10:22,240 --> 00:10:28,460
all of consistency that we can relate

179
00:10:25,789 --> 00:10:30,769
within it to any conceivable threat to

180
00:10:28,460 --> 00:10:32,810
the United States according to the

181
00:10:30,769 --> 00:10:34,490
general these weather balloons are the

182
00:10:32,809 --> 00:10:36,859
flying saucers that many people see

183
00:10:34,490 --> 00:10:38,980
still he cautions that a few reports

184
00:10:36,860 --> 00:10:41,629
cannot be so easily explained

185
00:10:38,980 --> 00:10:43,220
it is these reports that interest Donald

186
00:10:41,629 --> 00:10:47,360
Kehoe sponsor of a theory that is

187
00:10:43,220 --> 00:10:49,490
growing in popularity after a one years

188
00:10:47,360 --> 00:10:52,250
investigation I believe that the flying

189
00:10:49,490 --> 00:10:54,230
saucers seen by a veterinarian and Air

190
00:10:52,250 --> 00:10:56,570
Force pilots are objects from another

191
00:10:54,230 --> 00:10:58,580
planet the Air Force itself has

192
00:10:56,570 --> 00:11:01,490
officially admitted that flying saucers

193
00:10:58,580 --> 00:11:05,240
exist this statement appears in project

194
00:11:01,490 --> 00:11:07,009
saucer case number 75 not only that the

195
00:11:05,240 --> 00:11:08,769
Air Force has officially analyzed the

196
00:11:07,009 --> 00:11:11,120
motives of possible visitors from space

197
00:11:08,769 --> 00:11:13,429
here's a direct quotation from the

198
00:11:11,120 --> 00:11:15,769
official report such a civilization

199
00:11:13,429 --> 00:11:17,389
might observe that on earth we now have

200

00:11:15,769 --> 00:11:20,419
atomic bombs and our fast-developing

201
00:11:17,389 --> 00:11:22,850
rockets in the past history of mankind

202
00:11:20,419 --> 00:11:24,740
they should be alarmed we should

203
00:11:22,850 --> 00:11:27,240
therefore expect at this time above all

204
00:11:24,740 --> 00:11:29,370
to behold such visitations

205
00:11:27,240 --> 00:11:31,589
is there another civilization somewhere

206
00:11:29,370 --> 00:11:33,899
in space apprehensively watching our

207
00:11:31,589 --> 00:11:35,550
rapid progress with the atom are we

208
00:11:33,899 --> 00:11:37,470
under surveillance by an intelligence

209
00:11:35,549 --> 00:11:40,049
that has revealed itself to us only in

210
00:11:37,470 --> 00:11:42,300
the form of ghostly apparitions does

211
00:11:40,049 --> 00:11:44,490
this power foresee our ability to travel

212
00:11:42,299 --> 00:11:46,319
through space in Rockets propelled by

213
00:11:44,490 --> 00:11:49,589
the atomic power we are learning to

214
00:11:46,320 --> 00:11:51,330

control an incredible theory and it is

215

00:11:49,589 --> 00:11:53,670

doubted by many but it is not likely to

216

00:11:51,330 --> 00:11:55,009

be disproved in the public mind while

217

00:11:53,669 --> 00:11:56,909

our scientists are predicting

218

00:11:55,009 --> 00:12:03,059

interplanetary travel within the

219

00:11:56,909 --> 00:12:05,490

lifetime of those living today as the

220

00:12:03,059 --> 00:12:07,799

debate continues so do reports of new

221

00:12:05,490 --> 00:12:10,230

saucers some following in the pattern

222

00:12:07,799 --> 00:12:12,838

already established others entirely new

223

00:12:10,230 --> 00:12:16,740

creating more speculation and endless

224

00:12:12,839 --> 00:12:18,630

discussion project saucers the official

225

00:12:16,740 --> 00:12:21,810

Air Force investigation of the phenomena

226

00:12:18,629 --> 00:12:24,088

has been reopened now installations are

227

00:12:21,809 --> 00:12:26,039

alerted to attempt to intercept any of

228

00:12:24,089 --> 00:12:29,130

the strange visitors that may be sighted

229

00:12:26,039 --> 00:12:31,769

while millions listen and watch the

230

00:12:29,129 --> 00:12:34,700

great flying saucer mystery remains

231

00:12:31,769 --> 00:12:34,699

unsolved
