

1
00:00:01,409 --> 00:00:04,979
it might have been that the Martians are

2
00:00:03,509 --> 00:00:07,528
landing the police were taking no

3
00:00:04,980 --> 00:00:09,769
chances six unidentified objects were

4
00:00:07,528 --> 00:00:12,059
found dotted across the South of England

5
00:00:09,769 --> 00:00:14,429
fifteen-year-old Neil Beatty found his

6
00:00:12,058 --> 00:00:16,108
run look like a flying saucer and

7
00:00:14,429 --> 00:00:18,960
certainly smelled like something out of

8
00:00:16,109 --> 00:00:21,109
this world a year ago the village of

9
00:00:18,960 --> 00:00:23,730
warminster wiltshire hit the headlines

10
00:00:21,109 --> 00:00:26,420
unusual showers of meteorites rained on

11
00:00:23,730 --> 00:00:28,829
followed by reports of saucer sightings

12
00:00:26,420 --> 00:00:31,080
immediately a team from the British

13
00:00:28,829 --> 00:00:33,269
unidentified flying objects Association

14
00:00:31,079 --> 00:00:35,488
went into action loaded on with

15
00:00:33,270 --> 00:00:36,930
equipment they set up watching posts and

16
00:00:35,488 --> 00:00:38,759
prepared to give a host of what they

17
00:00:36,929 --> 00:00:40,829
hoped would be friendly little green men

18
00:00:38,759 --> 00:00:44,280
a welcome to earth they'd never forget

19
00:00:40,829 --> 00:00:47,370
and they waited and waited and nothing

20
00:00:44,280 --> 00:00:49,620
happened but the men of the B UFO were

21
00:00:47,369 --> 00:00:52,169
not deterred they reckoned that one day

22
00:00:49,619 --> 00:00:56,308
something would turn up or rather come

23
00:00:52,170 --> 00:00:58,350
down for a time it seemed that

24
00:00:56,308 --> 00:01:00,448
predictions had come true when the SEC's

25
00:00:58,350 --> 00:01:02,399
title sources turned up they look

26
00:01:00,448 --> 00:01:04,769
genuine at first glance perhaps a little

27
00:01:02,399 --> 00:01:07,530
on the small side but who could say how

28
00:01:04,769 --> 00:01:10,320
big the visitors might be then came the

29

00:01:07,530 --> 00:01:13,099
moment of truth it was a hoax but you

30
00:01:10,319 --> 00:01:13,099
never can tell
