

1  
00:00:11,250 --> 00:00:17,419  
[Music]

2  
00:00:19,910 --> 00:00:24,829  
[Music]

3  
00:00:41,079 --> 00:00:45,969  
[Music]

4  
00:00:42,859 --> 00:00:45,969  
[Applause]

5  
00:00:48,780 --> 00:00:51,859  
[Applause]

6  
00:00:59,500 --> 00:01:05,870  
in November 1961 a secret meeting of

7  
00:01:03,859 --> 00:01:07,879  
leading government-sponsored astronomers

8  
00:01:05,870 --> 00:01:09,950  
was held to estimate the number of

9  
00:01:07,879 --> 00:01:12,209  
planets in our own galaxy with

10  
00:01:09,950 --> 00:01:14,810  
intelligent life

11  
00:01:12,209 --> 00:01:17,789  
[Music]

12  
00:01:14,810 --> 00:01:20,629  
these scientists concluded that there

13  
00:01:17,790 --> 00:01:22,830  
are probably 40 to 50 million

14  
00:01:20,629 --> 00:01:27,409  
intelligent extraterrestrial

15  
00:01:22,829 --> 00:01:29,819  
civilizations in our galaxy alone

16  
00:01:27,409 --> 00:01:32,159  
there is ever increasing evidence that

17  
00:01:29,819 --> 00:01:35,199  
some of these extraterrestrial

18  
00:01:32,159 --> 00:01:46,948  
civilizations are visiting the earth

19  
00:01:35,200 --> 00:01:46,948  
[Music]

20  
00:01:50,049 --> 00:01:57,200  
[Music]

21  
00:01:54,250 --> 00:02:03,469  
you are seeing an unidentified flying

22  
00:01:57,200 --> 00:02:05,750  
object it is not a hoax it is real the

23  
00:02:03,469 --> 00:02:07,579  
film was taken by Leland Hansen while

24  
00:02:05,750 --> 00:02:11,780  
filming Catalina Island from a

25  
00:02:07,579 --> 00:02:13,609  
helicopter mr. Hanson was a professional

26  
00:02:11,780 --> 00:02:16,090  
photographer working for the United

27  
00:02:13,610 --> 00:02:16,090  
States Navy

28  
00:02:16,560 --> 00:02:22,628  
this film has been examined by

29

00:02:19,259 --> 00:02:25,539  
photographic experts photographic

30  
00:02:22,628 --> 00:02:28,239  
analysis reveals that this circular UFO

31  
00:02:25,539 --> 00:02:32,019  
was about 30 feet in diameter and was

32  
00:02:28,239 --> 00:02:36,250  
traveling between 130 and 170 miles per

33  
00:02:32,019 --> 00:02:39,159  
hour it has no wings no tail section and

34  
00:02:36,250 --> 00:02:42,250  
no visible means of propulsion

35  
00:02:39,159 --> 00:02:42,250  
[Music]

36  
00:02:44,900 --> 00:02:50,250  
mr. Henson also observed this object

37  
00:02:47,489 --> 00:02:52,569  
hovering stationary in the air before it

38  
00:02:50,250 --> 00:02:54,800  
began to move

39  
00:02:52,569 --> 00:02:57,900  
[Applause]

40  
00:02:54,800 --> 00:02:59,610  
this sighting is only one of the many

41  
00:02:57,900 --> 00:03:02,490  
pieces of evidence the producers of this

42  
00:02:59,610 --> 00:03:07,730  
film will present verifying that some

43  
00:03:02,490 --> 00:03:07,730

UFOs are extraterrestrial spacecraft

44

00:03:08,710 --> 00:03:14,060  
[Applause]

45

00:03:11,769 --> 00:03:16,400  
we will reveal formerly classified

46

00:03:14,060 --> 00:03:18,650  
secret documents which clearly

47

00:03:16,400 --> 00:03:21,080  
demonstrate that the government has

48

00:03:18,650 --> 00:03:24,289  
knowledge of the extraterrestrial origin

49

00:03:21,080 --> 00:03:28,010  
of some UFOs and is trying to keep this

50

00:03:24,289 --> 00:03:30,078  
fact secret you will see documented

51

00:03:28,009 --> 00:03:33,620  
evidence depicting the appearance of the

52

00:03:30,079 --> 00:03:36,079  
alien beings who pilot these UFOs and we

53

00:03:33,620 --> 00:03:38,810  
will present our conclusions as to what

54

00:03:36,079 --> 00:03:47,900  
purpose these alien beings have in

55

00:03:38,810 --> 00:03:50,930  
visiting the earth while in space as

56

00:03:47,900 --> 00:03:53,120  
command pilot on Gemini 5 astronaut

57

00:03:50,930 --> 00:03:55,099  
General James McDivitt saw an

58  
00:03:53,120 --> 00:03:58,189  
unidentified object approach his

59  
00:03:55,098 --> 00:04:01,518  
spacecraft and then move away when he

60  
00:03:58,189 --> 00:04:03,889  
tried to film it one astronaut who

61  
00:04:01,519 --> 00:04:07,219  
actually chased a UFO while a fighter

62  
00:04:03,889 --> 00:04:10,699  
pilot in Germany in 1951 is Colonel

63  
00:04:07,219 --> 00:04:11,810  
Gordon Cooper one of the original seven

64  
00:04:10,699 --> 00:04:13,818  
mercury astronauts

65  
00:04:11,810 --> 00:04:17,478  
Colonel Cooper's sent this letter to the

66  
00:04:13,818 --> 00:04:21,560  
United Nations November 9th 1978 to

67  
00:04:17,478 --> 00:04:23,689  
express his view on UFOs I believe that

68  
00:04:21,560 --> 00:04:26,209  
these extraterrestrial vehicles and

69  
00:04:23,689 --> 00:04:29,060  
their crews are visiting this planet

70  
00:04:26,209 --> 00:04:31,519  
from other planets which obviously are a

71  
00:04:29,060 --> 00:04:35,089  
little more technically advanced than we

72  
00:04:31,519 --> 00:04:37,370  
are here on earth I am somewhat

73  
00:04:35,089 --> 00:04:39,589  
qualified to discuss them since I have

74  
00:04:37,370 --> 00:04:42,160  
been into the fringes of the vast areas

75  
00:04:39,589 --> 00:04:42,159  
in which they

76  
00:04:44,470 --> 00:04:51,110  
also I did have occasion in 1951 to have

77  
00:04:48,319 --> 00:04:54,409  
two days of observation of many flights

78  
00:04:51,110 --> 00:04:57,139  
of them of different sizes flying in

79  
00:04:54,410 --> 00:04:59,689  
fighter formation generally from east to

80  
00:04:57,139 --> 00:05:01,639  
west over Europe they were at a higher

81  
00:04:59,689 --> 00:05:11,540  
altitude than we could reach with our

82  
00:05:01,639 --> 00:05:14,540  
jet fighters at that time we are showing

83  
00:05:11,540 --> 00:05:17,990  
you this film at one half its original

84  
00:05:14,540 --> 00:05:22,370  
speed this unidentified flying object

85  
00:05:17,990 --> 00:05:24,168  
was photographed by James waters toward

86

00:05:22,370 --> 00:05:26,899  
the middle of the extreme right of the

87  
00:05:24,168 --> 00:05:29,948  
frame you will see a second UFO that

88  
00:05:26,899 --> 00:05:29,948  
appears briefly

89  
00:05:31,560 --> 00:05:38,259  
as we slow the film you can see that the

90  
00:05:35,709 --> 00:05:39,259  
UFO appears to change shape from frame

91  
00:05:38,259 --> 00:05:46,329  
to frame

92  
00:05:39,259 --> 00:05:46,329  
[Applause]

93  
00:05:46,540 --> 00:05:50,360  
yeah

94  
00:05:46,810 --> 00:05:53,559  
[Music]

95  
00:05:50,360 --> 00:05:53,559  
[Applause]

96  
00:05:53,600 --> 00:05:59,550  
the object photograph was flying at a

97  
00:05:56,759 --> 00:06:03,529  
faster speed than any conventional jet

98  
00:05:59,550 --> 00:06:03,530  
fighter can achieve at this low altitude

99  
00:06:06,019 --> 00:06:08,259  
[Music]

100  
00:06:07,060 --> 00:06:09,978

[Applause]

101

00:06:08,259 --> 00:06:12,870

[Music]

102

00:06:09,978 --> 00:06:15,959

now you will see the Colorado film and

103

00:06:12,870 --> 00:06:36,509

its original speed five times in rapid

104

00:06:15,959 --> 00:06:42,299

succession this series of three polaroid

105

00:06:36,509 --> 00:06:44,069

pictures was taken by Rex Heflin the

106

00:06:42,300 --> 00:06:46,560

presence in the photograph of objects

107

00:06:44,069 --> 00:06:48,900

such as telephone poles whose size and

108

00:06:46,560 --> 00:06:51,329

distance can easily be measured makes

109

00:06:48,899 --> 00:06:54,839

possible a detailed analysis of these

110

00:06:51,329 --> 00:06:57,180

photos this analysis indicates that the

111

00:06:54,839 --> 00:06:58,349

disc shaped object was approximately 30

112

00:06:57,180 --> 00:07:04,699

feet in diameter

113

00:06:58,350 --> 00:07:04,699

[Music]

114

00:07:07,029 --> 00:07:14,289

mr. Heflin has never tried to use these

115  
00:07:09,740 --> 00:07:14,290  
pictures to gain publicity or profit

116  
00:07:17,879 --> 00:07:22,798  
[Music]

117  
00:07:18,730 --> 00:07:22,799  
[Applause]

118  
00:07:28,600 --> 00:07:31,778  
[Music]

119  
00:07:33,038 --> 00:07:39,338  
another picture of a similar disc shaped

120  
00:07:35,838 --> 00:07:43,209  
object was taken by mr. Amiel Barnea

121  
00:07:39,338 --> 00:07:47,149  
7,000 miles away and three years later

122  
00:07:43,209 --> 00:07:49,158  
six years after that another UFO also

123  
00:07:47,149 --> 00:07:51,408  
remarkably similar to the one that mr.

124  
00:07:49,158 --> 00:07:54,368  
Heflin photographed was photographed in

125  
00:07:51,408 --> 00:07:54,368  
Yugoslavia

126  
00:07:58,170 --> 00:08:06,408  
[Music]

127  
00:08:01,668 --> 00:08:09,529  
in a 1978 Gallup poll 68% of Americans

128  
00:08:06,408 --> 00:08:16,759  
who expressed an opinion said that they

129  
00:08:09,529 --> 00:08:19,248  
believed UFOs are real that poll also

130  
00:08:16,759 --> 00:08:22,098  
revealed the higher the level of

131  
00:08:19,249 --> 00:08:30,050  
education the more likely a person is to

132  
00:08:22,098 --> 00:08:32,569  
believe that UFOs are real 13 million

133  
00:08:30,050 --> 00:08:35,288  
adult Americans believe that they have

134  
00:08:32,570 --> 00:08:35,289  
seen a UFO

135  
00:08:35,320 --> 00:08:42,189  
[Applause]

136  
00:08:38,889 --> 00:08:45,909  
this is an official UFO sighting report

137  
00:08:42,188 --> 00:08:48,639  
detailing the observation of a UFO by 10

138  
00:08:45,909 --> 00:08:51,009  
to 12 people for approximately 10

139  
00:08:48,639 --> 00:08:53,528  
minutes the sighting was reported by one

140  
00:08:51,009 --> 00:08:58,298  
of the witnesses President Jimmy Carter

141  
00:08:53,528 --> 00:09:01,359  
while governor of Georgia it could not

142  
00:08:58,298 --> 00:09:14,078  
have been a planet a star meteor or

143

00:09:01,359 --> 00:09:16,980  
aircraft the president of Brazil mr.

144  
00:09:14,078 --> 00:09:20,138  
kubacheck released these four pictures

145  
00:09:16,980 --> 00:09:22,239  
they were taken by mr. branya a

146  
00:09:20,139 --> 00:09:24,009  
professional photographer on board a

147  
00:09:22,239 --> 00:09:25,749  
Brazilian Navy ship that was

148  
00:09:24,009 --> 00:09:29,109  
participating in the International

149  
00:09:25,749 --> 00:09:31,659  
Geophysical Year the UFO was seen by

150  
00:09:29,109 --> 00:09:34,089  
dozens of other witnesses on board the

151  
00:09:31,659 --> 00:09:36,668  
ship computer analysis of these

152  
00:09:34,089 --> 00:09:40,029  
photographs indicates that the UFO was a

153  
00:09:36,668 --> 00:09:43,289  
large Saturn shaped object of great

154  
00:09:40,028 --> 00:09:43,289  
distance from the camera

155  
00:09:48,029 --> 00:09:52,329  
[Applause]

156  
00:09:52,528 --> 00:09:58,179  
similar Saturn shaped UFOs have been

157  
00:09:55,929 --> 00:10:02,549

photographed in other parts of Brazil

158

00:09:58,179 --> 00:10:02,549

and on the other side of the world

159

00:10:04,860 --> 00:10:11,778

[Music]

160

00:10:14,539 --> 00:10:20,819

[Applause]

161

00:10:26,279 --> 00:10:32,139

one of the most active UFO investigators

162

00:10:29,559 --> 00:10:34,509

we discovered in our research is retired

163

00:10:32,139 --> 00:10:38,110

Air Force lieutenant colonel Wendell

164

00:10:34,509 --> 00:10:40,120

Stevens Colonel Stevens spent 23 years

165

00:10:38,110 --> 00:10:42,970

on active duty in the United States Air

166

00:10:40,120 --> 00:10:45,639

Force as a pilot he specialized in air

167

00:10:42,970 --> 00:10:48,250

technical intelligence and the design of

168

00:10:45,639 --> 00:10:50,470

advanced aircraft he was a graduate of

169

00:10:48,250 --> 00:10:52,929

the Army Air Corps first test pilot

170

00:10:50,470 --> 00:10:55,450

school and at the age of 20 was a

171

00:10:52,929 --> 00:11:01,089

project officer on the p-47 fighter

172  
00:10:55,450 --> 00:11:05,670  
plane during World War two

173  
00:11:01,090 --> 00:11:05,670  
he flew in combat and was a test pilot

174  
00:11:05,909 --> 00:11:11,370  
Colonel Stevens is still an active pilot

175  
00:11:13,750 --> 00:11:19,360  
after World War two he was assigned to

176  
00:11:16,789 --> 00:11:22,610  
an airbase in Alaska where he debriefed

177  
00:11:19,360 --> 00:11:25,279  
b-29 crews who frequently described

178  
00:11:22,610 --> 00:11:29,480  
encounters with strange circular

179  
00:11:25,279 --> 00:11:31,610  
aircraft my first experience with a UFO

180  
00:11:29,480 --> 00:11:33,769  
report personal experience that is was

181  
00:11:31,610 --> 00:11:35,240  
when one of the crews returned and said

182  
00:11:33,769 --> 00:11:37,850  
that they saw a bogey that's what they

183  
00:11:35,240 --> 00:11:39,799  
called him up there that was moving at

184  
00:11:37,850 --> 00:11:43,639  
high speed at higher altitude than they

185  
00:11:39,799 --> 00:11:45,169  
could fly and the crews later I found

186  
00:11:43,639 --> 00:11:47,120  
out that often they often referred to

187  
00:11:45,169 --> 00:11:50,389  
them as as enemy aircraft or Russian

188  
00:11:47,120 --> 00:11:52,460  
aircraft for usually bogeys and they

189  
00:11:50,389 --> 00:11:54,470  
tried to describe it but it moved at

190  
00:11:52,460 --> 00:11:56,330  
faster speeds than anything we had we

191  
00:11:54,470 --> 00:11:58,460  
didn't have jet airplanes then later we

192  
00:11:56,330 --> 00:12:00,650  
measured one that was flying 7,000 miles

193  
00:11:58,460 --> 00:12:02,600  
an hour measured it on radar so these

194  
00:12:00,649 --> 00:12:04,309  
clearly exceeded any of our capabilities

195  
00:12:02,600 --> 00:12:06,860  
in 1940 any capabilities of anybody in

196  
00:12:04,309 --> 00:12:09,019  
the world in 1947 on an average of about

197  
00:12:06,860 --> 00:12:11,120  
twice a month I would get some kind of a

198  
00:12:09,019 --> 00:12:13,129  
UFO report and they would see the

199  
00:12:11,120 --> 00:12:16,220  
circular craft sometimes close sometimes

200

00:12:13,129 --> 00:12:18,439  
far sometimes more than one I remember a

201  
00:12:16,220 --> 00:12:20,629  
crew describing one sitting on this on

202  
00:12:18,440 --> 00:12:21,920  
the ice pack and this is something we

203  
00:12:20,629 --> 00:12:23,960  
couldn't do it in have any way to land

204  
00:12:21,919 --> 00:12:26,179  
up there and they seemed to be operating

205  
00:12:23,960 --> 00:12:28,100  
in airspace without a visible support

206  
00:12:26,179 --> 00:12:30,589  
base it took a fantastic base for us to

207  
00:12:28,100 --> 00:12:32,540  
maintain to be 20 29 s just to support

208  
00:12:30,590 --> 00:12:34,570  
them flying in the Arctic I even had one

209  
00:12:32,539 --> 00:12:37,370  
crew described one that they saw

210  
00:12:34,570 --> 00:12:39,670  
underwater that surfaced Rose off the

211  
00:12:37,370 --> 00:12:41,830  
water and flew away

212  
00:12:39,669 --> 00:12:43,389  
this clearly exceeded any design

213  
00:12:41,830 --> 00:12:45,700  
capabilities that we knew of in the

214  
00:12:43,389 --> 00:12:47,139

world the b-29s flying these

215

00:12:45,700 --> 00:12:49,629

reconnaissance missions were equipped

216

00:12:47,139 --> 00:12:51,460

with a variety of cameras at various

217

00:12:49,629 --> 00:12:54,250

times they got pictures of these UFOs

218

00:12:51,460 --> 00:12:55,900

seen in the Arctic airspace on various

219

00:12:54,250 --> 00:12:56,440

of the cameras and sometimes on all of

220

00:12:55,899 --> 00:12:58,090

the cameras

221

00:12:56,440 --> 00:13:00,070

at least this is what they reported I

222

00:12:58,090 --> 00:13:02,019

never got to see any of it because we

223

00:13:00,070 --> 00:13:03,430

took the film cartridges out packed it

224

00:13:02,019 --> 00:13:05,379

in the box and shipped it off to

225

00:13:03,429 --> 00:13:07,689

Washington to Andrews Air Force Base

226

00:13:05,379 --> 00:13:09,909

where the officer was met by Pentagon

227

00:13:07,690 --> 00:13:12,190

intelligence and taken some place I

228

00:13:09,909 --> 00:13:14,049

never got any feedback in in any of this

229  
00:13:12,190 --> 00:13:16,660  
I never heard what they developed out of

230  
00:13:14,049 --> 00:13:18,879  
it but the stories were fantastic this

231  
00:13:16,659 --> 00:13:21,639  
formerly classified letter written by

232  
00:13:18,879 --> 00:13:23,860  
General Nathan twining was the result of

233  
00:13:21,639 --> 00:13:26,759  
numerous UFO sightings by Air Force

234  
00:13:23,860 --> 00:13:29,980  
pilots such as Colonel Stevens described

235  
00:13:26,759 --> 00:13:32,950  
concerning flying discs reports general

236  
00:13:29,980 --> 00:13:35,139  
twining States and we quote the

237  
00:13:32,950 --> 00:13:38,950  
phenomenon reported is something real

238  
00:13:35,139 --> 00:13:41,259  
and not visionary or fictitious there

239  
00:13:38,950 --> 00:13:43,900  
are objects probably approximately the

240  
00:13:41,259 --> 00:13:46,629  
shape of a disc of such appreciable size

241  
00:13:43,899 --> 00:13:49,779  
as to appear to be as large as man-made

242  
00:13:46,629 --> 00:13:52,149  
aircraft the reported operating

243  
00:13:49,779 --> 00:13:55,269  
characteristics such as extreme rates of

244  
00:13:52,149 --> 00:13:58,659  
climb maneuverability must be considered

245  
00:13:55,269 --> 00:14:00,399  
evasive when sighted some of the objects

246  
00:13:58,659 --> 00:14:03,909  
are controlled either manually

247  
00:14:00,399 --> 00:14:05,860  
automatically or remotely the apparent

248  
00:14:03,909 --> 00:14:08,740  
common description of the object is as

249  
00:14:05,860 --> 00:14:11,909  
follows metallic or light reflecting

250  
00:14:08,740 --> 00:14:15,100  
surface circular or elliptical in shape

251  
00:14:11,909 --> 00:14:18,429  
flat on the bottom and domed on the top

252  
00:14:15,100 --> 00:14:20,769  
end quote this report makes it

253  
00:14:18,429 --> 00:14:23,500  
abundantly clear that the United States

254  
00:14:20,769 --> 00:14:26,230  
military knew of the reality of flying

255  
00:14:23,500 --> 00:14:28,289  
saucers and deliberately kept it a

256  
00:14:26,230 --> 00:14:28,289  
secret

257

00:14:33,169 --> 00:14:39,089  
Colonel Stevens went on to tell us about

258  
00:14:35,789 --> 00:14:41,279  
two other experiences with UFOs while he

259  
00:14:39,090 --> 00:14:42,990  
was on active duty with the US Air Force

260  
00:14:41,279 --> 00:14:45,329  
I know of

261  
00:14:42,990 --> 00:14:48,750  
Lieutenant Colonel for instance who was

262  
00:14:45,330 --> 00:14:52,379  
pursuing a UFO in an f-86 with a wingman

263  
00:14:48,750 --> 00:14:54,179  
with him and he armed his camera which

264  
00:14:52,379 --> 00:14:55,799  
involves the arming switch for guns and

265  
00:14:54,179 --> 00:14:57,269  
everything else on the airplane it goes

266  
00:14:55,799 --> 00:15:00,019  
through an armament fire control panel

267  
00:14:57,269 --> 00:15:03,179  
this man lives within 60 miles of here

268  
00:15:00,019 --> 00:15:05,340  
he armed the the fire control panel to

269  
00:15:03,179 --> 00:15:07,019  
take camera pictures with his camera

270  
00:15:05,340 --> 00:15:09,149  
guns and the whole panel began to smoke

271  
00:15:07,019 --> 00:15:11,340

and went on all the electrical systems

272

00:15:09,149 --> 00:15:13,289

and it went out when he got back to base

273

00:15:11,340 --> 00:15:15,780

they found wires fused in it and could

274

00:15:13,289 --> 00:15:17,519

find no reason for it being fused took

275

00:15:15,779 --> 00:15:20,220

him two weeks to repair the airplane but

276

00:15:17,519 --> 00:15:22,710

he had a visual lock on visual contact

277

00:15:20,220 --> 00:15:24,240

with the UFO could see with his eyes it

278

00:15:22,710 --> 00:15:26,070

was close enough to see detail and

279

00:15:24,240 --> 00:15:28,230

structure on it and wanted to film it

280

00:15:26,070 --> 00:15:31,260

with his gun cameras my next experience

281

00:15:28,230 --> 00:15:33,210

with what was probably a real UFO was in

282

00:15:31,259 --> 00:15:36,389

1960 when I was a squadron commander in

283

00:15:33,210 --> 00:15:38,970

Florida I had a squadron test pilot up

284

00:15:36,389 --> 00:15:41,279

on a flight test mission with f100 and a

285

00:15:38,970 --> 00:15:43,950

max performance flying pistol he was

286

00:15:41,279 --> 00:15:46,769

climbing through 18,000 feet when he saw

287

00:15:43,950 --> 00:15:48,660

an object ahead and above him that

288

00:15:46,769 --> 00:15:51,120

looked like the Goodyear blimp and he

289

00:15:48,659 --> 00:15:52,889

thought oh my god what can this be and

290

00:15:51,120 --> 00:15:54,299

he knows we're all over the Goodyear

291

00:15:52,889 --> 00:15:57,120

blimp can't get that high

292

00:15:54,299 --> 00:15:59,969

he went into afterburner to catch up to

293

00:15:57,120 --> 00:16:01,889

it and he began to close momentarily on

294

00:15:59,970 --> 00:16:03,629

the thing and then it began to only pace

295

00:16:01,889 --> 00:16:05,490

it and then it speeded up and just

296

00:16:03,629 --> 00:16:08,610

walked away from him climbing away at a

297

00:16:05,490 --> 00:16:10,500

steep angle above him I mean an f100 in

298

00:16:08,610 --> 00:16:12,000

afterburner climbing at max speed that's

299

00:16:10,500 --> 00:16:14,909

the fastest airplane we got at the time

300  
00:16:12,000 --> 00:16:16,440  
he last saw it speeding away from him

301  
00:16:14,909 --> 00:16:18,329  
above 33,000 feet

302  
00:16:16,440 --> 00:16:20,640  
there's no way in a world any blimp can

303  
00:16:18,330 --> 00:16:22,230  
get up there and he came back and he

304  
00:16:20,639 --> 00:16:24,480  
told me about this experience he was

305  
00:16:22,230 --> 00:16:26,519  
white he was it was a traumatic thing

306  
00:16:24,480 --> 00:16:27,690  
because he realized everybody would

307  
00:16:26,519 --> 00:16:30,569  
realize under the conditions it's

308  
00:16:27,690 --> 00:16:33,090  
something unearthly something unearthly

309  
00:16:30,570 --> 00:16:35,400  
is a good way to describe this

310  
00:16:33,090 --> 00:16:38,160  
unidentified flying object that was

311  
00:16:35,399 --> 00:16:40,919  
photographed by mr. Paul Trent when he

312  
00:16:38,159 --> 00:16:43,620  
and another witness saw it fly across

313  
00:16:40,919 --> 00:16:45,589  
his farm these two pictures have been

314

00:16:43,620 --> 00:16:48,720  
the subject of some of the most rigorous

315  
00:16:45,590 --> 00:16:53,850  
photographic analysis ever done on UFO

316  
00:16:48,720 --> 00:16:56,100  
photographs one such analysis was

317  
00:16:53,850 --> 00:16:59,310  
published by dr. Bruce Maccabee an

318  
00:16:56,100 --> 00:17:01,050  
optical physicist involved in advanced

319  
00:16:59,309 --> 00:17:05,069  
laser research for the United States

320  
00:17:01,049 --> 00:17:06,919  
Navy he calculated that the object would

321  
00:17:05,069 --> 00:17:10,529  
have been about a mile away and

322  
00:17:06,920 --> 00:17:12,539  
approximately 30 feet in diameter my

323  
00:17:10,529 --> 00:17:14,220  
analysis of the complete case leads me

324  
00:17:12,539 --> 00:17:16,709  
to believe that the Trent's are actually

325  
00:17:14,220 --> 00:17:19,588  
telling the truth an unusual object did

326  
00:17:16,709 --> 00:17:22,410  
fly at some distance from their farm it

327  
00:17:19,588 --> 00:17:24,480  
would have been quite large and its

328  
00:17:22,410 --> 00:17:26,720

shape is such that I don't believe it

329

00:17:24,480 --> 00:17:34,519  
was made by mankind

330

00:17:26,720 --> 00:17:34,519  
[Music]

331

00:17:37,589 --> 00:17:42,699  
additional support for the McMinnville

332

00:17:40,298 --> 00:17:45,908  
photograph comes from this photograph of

333

00:17:42,700 --> 00:17:48,759  
a strikingly similar object taken four

334

00:17:45,909 --> 00:17:52,030  
years later and six thousand miles away

335

00:17:48,759 --> 00:17:54,519  
by a French military pilot the

336

00:17:52,029 --> 00:17:56,230  
similarity is so pronounced that one

337

00:17:54,519 --> 00:17:59,500  
might think that these photographs are

338

00:17:56,230 --> 00:18:02,599  
of the same object or of two different

339

00:17:59,500 --> 00:18:04,999  
objects manufactured at the same place

340

00:18:02,599 --> 00:18:07,968  
[Applause]

341

00:18:04,999 --> 00:18:11,028  
this remarkable series of pictures taken

342

00:18:07,969 --> 00:18:14,899  
by roy Lauritzen destroys the myth that

343  
00:18:11,028 --> 00:18:16,939  
UFOs are never seen over big cities the

344  
00:18:14,898 --> 00:18:19,068  
original negative of this filmstrip has

345  
00:18:16,939 --> 00:18:21,229  
been examined by an experienced UFO

346  
00:18:19,068 --> 00:18:24,378  
researcher and found to be in its

347  
00:18:21,229 --> 00:18:27,709  
original uncut state this greatly

348  
00:18:24,378 --> 00:18:30,048  
reduces any possibility of fraud there

349  
00:18:27,709 --> 00:18:33,349  
is only a vacant lot where mr. Lauritzen

350  
00:18:30,048 --> 00:18:36,378  
stood when he took these pictures he was

351  
00:18:33,348 --> 00:18:40,148  
not standing behind a window the object

352  
00:18:36,378 --> 00:18:40,148  
is not a reflection

353  
00:18:40,490 --> 00:18:45,370  
[Music]

354  
00:18:45,319 --> 00:18:54,169  
[Applause]

355  
00:18:45,369 --> 00:18:57,059  
[Music]

356  
00:18:54,170 --> 00:18:59,160  
in spite of considerable harassment

357  
00:18:57,059 --> 00:19:00,539  
professional pilots continue to come

358  
00:18:59,160 --> 00:19:04,290  
forward with their accounts of

359  
00:19:00,539 --> 00:19:07,019  
incredible encounters with UFOs inventor

360  
00:19:04,289 --> 00:19:08,879  
and author dr. Richard Haines is seen

361  
00:19:07,019 --> 00:19:12,299  
here working with his computerized

362  
00:19:08,880 --> 00:19:14,370  
research file of over 3,000 UFO

363  
00:19:12,299 --> 00:19:18,240  
sightings by commercial and military

364  
00:19:14,369 --> 00:19:20,519  
pilots because good eyesight and sharp

365  
00:19:18,240 --> 00:19:23,039  
abilities of observation are required to

366  
00:19:20,519 --> 00:19:24,900  
become a professional pilot dr. Haines

367  
00:19:23,039 --> 00:19:28,139  
believes that the testimony of these

368  
00:19:24,900 --> 00:19:30,030  
credible witnesses cannot be ignored

369  
00:19:28,140 --> 00:19:32,160  
we're not dealing with mental

370  
00:19:30,029 --> 00:19:33,629  
projections or hallucinations on the

371

00:19:32,160 --> 00:19:35,820  
part of the witness but with a real

372  
00:19:33,630 --> 00:19:38,040  
physical phenomenon one of the most

373  
00:19:35,819 --> 00:19:40,889  
thoroughly investigated cases in dr.

374  
00:19:38,039 --> 00:19:43,230  
Haines file involves the near collision

375  
00:19:40,890 --> 00:19:45,450  
of a UFO with the United States Army

376  
00:19:43,230 --> 00:19:49,230  
helicopter piloted by Lieutenant Colonel

377  
00:19:45,450 --> 00:19:51,960  
Lawrence Coyne and his crew while flying

378  
00:19:49,230 --> 00:19:55,740  
over Mansfield Ohio at 11 p.m. on

379  
00:19:51,960 --> 00:19:58,529  
October 18th 1973 they observed a bright

380  
00:19:55,740 --> 00:20:01,319  
red object which paralleled their craft

381  
00:19:58,529 --> 00:20:03,339  
and then rapidly moved toward them on a

382  
00:20:01,319 --> 00:20:07,059  
collision course

383  
00:20:03,339 --> 00:20:09,639  
I looked out the window and observed

384  
00:20:07,059 --> 00:20:12,730  
this light moving at a very excessive

385  
00:20:09,640 --> 00:20:14,230

speed in excess of 600 knots coming out

386

00:20:12,730 --> 00:20:17,289

the helicopter it looked like a locked

387

00:20:14,230 --> 00:20:19,900

on missile a family of five in a car

388

00:20:17,289 --> 00:20:21,759

observed the strange red object on a

389

00:20:19,900 --> 00:20:24,640

collision course with Colonel coins

390

00:20:21,759 --> 00:20:26,349

helicopter they pulled off the road to

391

00:20:24,640 --> 00:20:28,330

watch the thing that makes this

392

00:20:26,349 --> 00:20:30,129

particular evening a unique experience

393

00:20:28,329 --> 00:20:32,589

was that it was almost a mid-air

394

00:20:30,130 --> 00:20:35,890

collision with an object that we you

395

00:20:32,589 --> 00:20:38,199

know as a UFO we did not know was such

396

00:20:35,890 --> 00:20:39,820

and Tola was on top the helicopter and

397

00:20:38,200 --> 00:20:41,980

that took just a matter of minutes

398

00:20:39,819 --> 00:20:45,250

Colonel coin put the helicopter into a

399

00:20:41,980 --> 00:20:47,860

dive to try to avoid impact when he and

400  
00:20:45,250 --> 00:20:50,079  
his crew had done the object was keeping

401  
00:20:47,859 --> 00:20:53,199  
pace with them while I was in this

402  
00:20:50,079 --> 00:20:58,359  
position and a green light came out from

403  
00:20:53,200 --> 00:21:01,000  
the undercarriage of the UFO Colonel

404  
00:20:58,359 --> 00:21:04,569  
coin cut the power and set the controls

405  
00:21:01,000 --> 00:21:06,609  
for a steep dive in spite of this the

406  
00:21:04,569 --> 00:21:10,000  
helicopter was pulled upward toward the

407  
00:21:06,609 --> 00:21:13,599  
UFO from an altitude of 1,700 feet to an

408  
00:21:10,000 --> 00:21:15,730  
altitude of above 3,700 feet Colonel

409  
00:21:13,599 --> 00:21:18,730  
coin and his crew observed the strange

410  
00:21:15,730 --> 00:21:20,650  
UFO at close range for approximately two

411  
00:21:18,730 --> 00:21:25,059  
minutes the object that I viewed that

412  
00:21:20,650 --> 00:21:28,000  
particular evening had a high degree of

413  
00:21:25,059 --> 00:21:31,119  
Technology was composed of a structure

414  
00:21:28,000 --> 00:21:32,769  
and a design that we do not have the

415  
00:21:31,119 --> 00:21:35,049  
object can move through the atmosphere

416  
00:21:32,769 --> 00:21:38,319  
without causing any turbulence it can

417  
00:21:35,049 --> 00:21:40,099  
move at high speeds below 10,000 feet

418  
00:21:38,319 --> 00:21:42,319  
there are no word

419  
00:21:40,099 --> 00:21:44,750  
horizontal stabilizers no landing gear

420  
00:21:42,319 --> 00:21:48,470  
no source of propulsion reflected on the

421  
00:21:44,750 --> 00:21:49,200  
craft looks like it it could fly in

422  
00:21:48,470 --> 00:21:57,298  
space

423  
00:21:49,200 --> 00:21:57,298  
[Music]

424  
00:21:59,509 --> 00:22:04,250  
this document is the result of years of

425  
00:22:02,000 --> 00:22:07,460  
investigation into lieutenant colonel

426  
00:22:04,250 --> 00:22:10,329  
coins helicopter encounter with a UFO it

427  
00:22:07,460 --> 00:22:13,309  
verifies the facts just presented to you

428

00:22:10,329 --> 00:22:15,919  
Lieutenant Colonel coin felt so strongly

429  
00:22:13,309 --> 00:22:17,750  
about his UFO experience that he became

430  
00:22:15,920 --> 00:22:20,360  
part of a delegation to the United

431  
00:22:17,750 --> 00:22:23,650  
Nations that tried to encourage the UN

432  
00:22:20,359 --> 00:22:26,359  
to deal with the subject of UFOs

433  
00:22:23,650 --> 00:22:28,610  
increasingly UFOs have become the

434  
00:22:26,359 --> 00:22:31,609  
subject of serious investigation by

435  
00:22:28,609 --> 00:22:33,109  
professional scientists one of the

436  
00:22:31,609 --> 00:22:34,939  
twelve scientists should give evidence

437  
00:22:33,109 --> 00:22:38,509  
before the u.s. congressional hearings

438  
00:22:34,940 --> 00:22:41,870  
on UFOs is California nuclear physicist

439  
00:22:38,509 --> 00:22:44,420  
Stanton Friedman who spent 14 years in

440  
00:22:41,869 --> 00:22:47,209  
private industry working extensively on

441  
00:22:44,420 --> 00:22:49,700  
classified government sponsored projects

442  
00:22:47,210 --> 00:22:54,350

such as this nuclear rocket engine and

443

00:22:49,700 --> 00:22:57,470

other advanced space systems since 1970

444

00:22:54,349 --> 00:23:01,309

is the only space scientist known to be

445

00:22:57,470 --> 00:23:04,069

devoting full time to UFOs after 21

446

00:23:01,309 --> 00:23:06,139

years of study and investigation I'm

447

00:23:04,069 --> 00:23:08,899

convinced that the evidence is simply

448

00:23:06,140 --> 00:23:10,850

overwhelming that our planet Earth is

449

00:23:08,900 --> 00:23:14,120

being visited by intelligently

450

00:23:10,849 --> 00:23:18,039

controlled vehicles whose origin is off

451

00:23:14,119 --> 00:23:21,109

the earth in other words some UFOs

452

00:23:18,039 --> 00:23:22,190

underline the some about 10 times our

453

00:23:21,109 --> 00:23:26,750

somebody else's

454

00:23:22,190 --> 00:23:29,210

spacecraft I'm only concerned with those

455

00:23:26,750 --> 00:23:32,329

UFO reports which indicate things of

456

00:23:29,210 --> 00:23:35,750

definite size shape surface texture

457  
00:23:32,329 --> 00:23:37,730  
whose behavior clearly indicates that

458  
00:23:35,750 --> 00:23:40,160  
they were manufactured somewhere other

459  
00:23:37,730 --> 00:23:42,799  
than Earth the kind of behavior that

460  
00:23:40,160 --> 00:23:45,050  
Stanton Friedman is talking about is the

461  
00:23:42,799 --> 00:23:47,539  
ability to go ten thousand miles per

462  
00:23:45,049 --> 00:23:50,740  
hour in the atmosphere as observed on

463  
00:23:47,539 --> 00:23:53,480  
radar and make sharp right angle turns

464  
00:23:50,740 --> 00:23:57,109  
nobody on planet Earth is able to

465  
00:23:53,480 --> 00:24:00,140  
duplicate that behavior the observation

466  
00:23:57,109 --> 00:24:02,769  
of UFOs is by no means a recent

467  
00:24:00,140 --> 00:24:02,770  
phenomenon

468  
00:24:04,799 --> 00:24:14,989  
[Music]

469  
00:24:12,669 --> 00:24:19,788  
listen to this account by a Roman

470  
00:24:14,989 --> 00:24:22,308  
soldier written in 98 AD at sunset a

471  
00:24:19,788 --> 00:24:25,190  
burning shield passed over the sky at

472  
00:24:22,308 --> 00:24:28,398  
Rome it sparkled from the west and

473  
00:24:25,190 --> 00:24:30,048  
passed to the east the Roman soldiers

474  
00:24:28,398 --> 00:24:32,328  
description of that burning shield

475  
00:24:30,048 --> 00:24:34,519  
matches very closely what was

476  
00:24:32,328 --> 00:24:40,098  
photographed in Salt Lake City by mister

477  
00:24:34,519 --> 00:24:43,509  
Lauritzen in 1972 on September 30th 1870

478  
00:24:40,098 --> 00:24:46,458  
the London Times published this article

479  
00:24:43,509 --> 00:24:49,219  
the object was elliptical in shape with

480  
00:24:46,459 --> 00:24:50,989  
a kind of tail it crossed the moon from

481  
00:24:49,219 --> 00:24:53,599  
one side to the other in half a minute

482  
00:24:50,989 --> 00:24:58,818  
this picture was taken in Switzerland

483  
00:24:53,598 --> 00:25:02,378  
over 100 years after that report this

484  
00:24:58,818 --> 00:25:05,989  
description was written in 216 BC at

485

00:25:02,378 --> 00:25:08,419  
Aparri east of Rome a round shield was

486  
00:25:05,989 --> 00:25:10,420  
seen in the sky

487  
00:25:08,420 --> 00:25:13,579  
[Music]

488  
00:25:10,420 --> 00:25:13,579  
[Applause]

489  
00:25:16,849 --> 00:25:23,730  
another manuscript dated 1290 ad

490  
00:25:20,099 --> 00:25:25,679  
recorded this UFO sighting they all

491  
00:25:23,730 --> 00:25:28,529  
rushed out into the open and behold

492  
00:25:25,680 --> 00:25:31,140  
there was an awful thing a nearly

493  
00:25:28,529 --> 00:25:35,099  
circular object of silver appearance not

494  
00:25:31,140 --> 00:25:38,000  
unlike a discus flying above them all it

495  
00:25:35,099 --> 00:25:41,279  
excited amongst all the greatest terror

496  
00:25:38,000 --> 00:25:45,299  
these ancient sightings are not isolated

497  
00:25:41,279 --> 00:25:48,559  
cases this modern film seems to fit

498  
00:25:45,299 --> 00:25:51,359  
another ancient account almost exactly

499  
00:25:48,559 --> 00:25:54,960

they are appeared in the sky a brilliant

500

00:25:51,359 --> 00:25:58,169

object like an iron bar long and wide as

501

00:25:54,960 --> 00:26:00,269

half the moon for 15 minutes it hovered

502

00:25:58,170 --> 00:26:02,460

motionless then suddenly the strange

503

00:26:00,269 --> 00:26:04,769

object began to rise in spirals and

504

00:26:02,460 --> 00:26:07,259

twist and writhe like the uncoiled

505

00:26:04,769 --> 00:26:11,490

mainspring of a watch and after it

506

00:26:07,259 --> 00:26:15,230

vanished in the sky that account was

507

00:26:11,490 --> 00:26:19,230

written on All Saints Day November 1st

508

00:26:15,230 --> 00:26:22,110

1461 but it could almost as easily have

509

00:26:19,230 --> 00:26:23,880

been written describing this film taken

510

00:26:22,109 --> 00:26:29,459

near New Zealand by a television news

511

00:26:23,880 --> 00:26:32,160

crew on December 31st 1978 this UFO was

512

00:26:29,460 --> 00:26:33,990

observed by five witnesses beside the

513

00:26:32,160 --> 00:26:36,750

cameraman who photographed it while

514  
00:26:33,990 --> 00:26:39,539  
flying in an airplane it was also

515  
00:26:36,750 --> 00:26:43,019  
observed on two ground-based radar sets

516  
00:26:39,539 --> 00:26:45,308  
and on the radar in the airplane

517  
00:26:43,019 --> 00:26:47,759  
perhaps the most interesting part of the

518  
00:26:45,308 --> 00:26:51,149  
entire New Zealand film is this

519  
00:26:47,759 --> 00:26:51,150  
unexplainable frame

520  
00:26:51,480 --> 00:26:59,849  
[Music]

521  
00:26:57,049 --> 00:27:02,909  
during this section of the film the UFO

522  
00:26:59,849 --> 00:27:05,439  
not only changes size and shape but

523  
00:27:02,910 --> 00:27:07,440  
changes color from red to white

524  
00:27:05,440 --> 00:27:09,759  
[Music]

525  
00:27:07,440 --> 00:27:12,350  
[Applause]

526  
00:27:09,759 --> 00:27:15,349  
dr. Bruce Maccabee has conducted the

527  
00:27:12,349 --> 00:27:18,829  
most thorough investigation of this UFO

528  
00:27:15,349 --> 00:27:21,679  
case he has interviewed extensively all

529  
00:27:18,829 --> 00:27:25,339  
the witnesses and has analyzed the film

530  
00:27:21,680 --> 00:27:28,340  
frame by frame I've concluded that the

531  
00:27:25,339 --> 00:27:30,709  
film does not show Venus or Jupiter it

532  
00:27:28,339 --> 00:27:32,779  
does not show meteors or mating mutton

533  
00:27:30,710 --> 00:27:35,120  
Birds it does not show secret military

534  
00:27:32,779 --> 00:27:37,460  
maneuvers or the squid fishing fleet

535  
00:27:35,119 --> 00:27:40,250  
I've concluded that the film is not a

536  
00:27:37,460 --> 00:27:42,019  
hoax my investigation of this whole case

537  
00:27:40,250 --> 00:27:44,119  
leads me to believe that the film shows

538  
00:27:42,019 --> 00:27:46,039  
a real unidentified flying object

539  
00:27:44,119 --> 00:27:48,979  
there's a clipping service that

540  
00:27:46,039 --> 00:27:51,289  
publishes an average of 60 pages a month

541  
00:27:48,980 --> 00:27:55,460  
of UFO sighting reports gathered from

542

00:27:51,289 --> 00:27:57,829  
newspapers by only occasionally

543  
00:27:55,460 --> 00:28:00,710  
reporting a UFO sighting the mass media

544  
00:27:57,829 --> 00:28:03,349  
creates the mistaken belief that UFO

545  
00:28:00,710 --> 00:28:08,779  
observations are rare and separated by

546  
00:28:03,349 --> 00:28:11,329  
years this is untrue UFO activity is a

547  
00:28:08,779 --> 00:28:13,460  
continuing phenomenon on a worldwide

548  
00:28:11,329 --> 00:28:21,189  
scale

549  
00:28:13,460 --> 00:28:21,190  
[Applause]

550  
00:28:26,250 --> 00:28:33,068  
[Applause]

551  
00:28:35,420 --> 00:28:43,160  
[Music]

552  
00:28:45,720 --> 00:28:51,220  
[Applause]

553  
00:28:48,099 --> 00:28:51,219  
[Music]

554  
00:28:51,799 --> 00:29:17,240  
[Applause]

555  
00:28:52,910 --> 00:29:19,019  
[Music]

556  
00:29:17,240 --> 00:29:21,608

[Applause]

557

00:29:19,019 --> 00:29:24,009

UFOs have not only been observed in the

558

00:29:21,608 --> 00:29:26,558

air thousands of people from almost

559

00:29:24,009 --> 00:29:31,588

every part of the world have reported

560

00:29:26,558 --> 00:29:31,588

seeing UFOs on or just above the ground

561

00:29:32,400 --> 00:29:37,820

this is a photograph of a UFO landing

562

00:29:35,619 --> 00:29:41,479

site

563

00:29:37,819 --> 00:29:41,480

[Music]

564

00:29:42,259 --> 00:29:48,480

Ted Phillips of Sedalia Missouri seen

565

00:29:45,630 --> 00:29:50,820

here examining a UFO affected area is

566

00:29:48,480 --> 00:29:53,400

acknowledged as the world expert on the

567

00:29:50,819 --> 00:29:56,220

physical traces found at UFO landing

568

00:29:53,400 --> 00:29:58,740

sites mr. Phillips is a research

569

00:29:56,220 --> 00:30:01,259

associate of the Center for UFO studies

570

00:29:58,740 --> 00:30:03,929

and has conducted specialized research

571  
00:30:01,259 --> 00:30:06,140  
on the physical traces found at UFO

572  
00:30:03,929 --> 00:30:09,540  
landing sites for the past nine years

573  
00:30:06,140 --> 00:30:12,000  
the results of his research our files on

574  
00:30:09,539 --> 00:30:16,349  
over fourteen hundred and eighty UFO

575  
00:30:12,000 --> 00:30:19,859  
landings from 59 countries mr. Phillips

576  
00:30:16,349 --> 00:30:23,219  
has personally investigated over 500 UFO

577  
00:30:19,859 --> 00:30:25,979  
sightings and visited over 300 UFO

578  
00:30:23,220 --> 00:30:28,950  
landing sites these are soil samples

579  
00:30:25,980 --> 00:30:31,558  
taken from five recent UFO landing sites

580  
00:30:28,950 --> 00:30:33,750  
and are fairly representative of some

581  
00:30:31,558 --> 00:30:35,519  
two to three hundred UFO landing sites

582  
00:30:33,750 --> 00:30:39,210  
that I have personally been involved

583  
00:30:35,519 --> 00:30:42,539  
with this is a small portion of the soil

584  
00:30:39,210 --> 00:30:46,650  
taken from a UFO landing site in delphos

585  
00:30:42,539 --> 00:30:50,490  
Kansas the soil in the UFO landing rain

586  
00:30:46,650 --> 00:30:55,300  
is extremely dehydrated and is unable to

587  
00:30:50,490 --> 00:30:57,700  
absorb water instead it simply floats

588  
00:30:55,299 --> 00:31:00,169  
[Applause]

589  
00:30:57,700 --> 00:31:02,569  
soy taken only a few feet away that

590  
00:31:00,170 --> 00:31:08,240  
was not part of the UFO landing Rainn

591  
00:31:02,569 --> 00:31:10,049  
behaves normally within a few seconds it

592  
00:31:08,240 --> 00:31:12,460  
absorbed the water that we poured on it

593  
00:31:10,049 --> 00:31:16,308  
[Music]

594  
00:31:12,460 --> 00:31:18,620  
besides being unable to absorb water UFO

595  
00:31:16,308 --> 00:31:22,279  
affected soil cannot support seed

596  
00:31:18,619 --> 00:31:24,769  
germination and plant life soil taken a

597  
00:31:22,279 --> 00:31:28,269  
few feet away does support normal plant

598  
00:31:24,769 --> 00:31:31,369  
growth each of the pins in this map

599

00:31:28,269 --> 00:31:33,289  
represents a UFO landing site that has

600  
00:31:31,369 --> 00:31:35,750  
been reported to Ted Phillips in the

601  
00:31:33,289 --> 00:31:39,039  
last eight years there are over a

602  
00:31:35,750 --> 00:31:41,569  
hundred and fifty UFO landing sites

603  
00:31:39,039 --> 00:31:43,609  
represented on this map I've

604  
00:31:41,569 --> 00:31:46,129  
investigated a rather high percentage of

605  
00:31:43,609 --> 00:31:48,769  
these reports personally and have found

606  
00:31:46,130 --> 00:31:52,280  
a remarkable consistency in size and

607  
00:31:48,769 --> 00:31:54,980  
shape regarding the UFO scene and the

608  
00:31:52,279 --> 00:31:59,599  
ground effects resulting from that UFO

609  
00:31:54,980 --> 00:32:02,808  
landing we find imprints left evidently

610  
00:31:59,599 --> 00:32:04,750  
by the landing gear of the object some

611  
00:32:02,808 --> 00:32:09,170  
of these indicating tremendous pressure

612  
00:32:04,750 --> 00:32:11,839  
great weight generally found as three or

613  
00:32:09,170 --> 00:32:14,600

four in number arranged in either a

614

00:32:11,839 --> 00:32:17,178

triangular or rectangular pattern we

615

00:32:14,599 --> 00:32:18,980

have effects on witnesses such as the

616

00:32:17,179 --> 00:32:20,840

witnesses suffering what appears to be a

617

00:32:18,980 --> 00:32:23,120

sunburn effect on their face neck and

618

00:32:20,839 --> 00:32:26,000

hands following the close approach of a

619

00:32:23,119 --> 00:32:28,879

UFO extreme dryness of the nasal area

620

00:32:26,000 --> 00:32:31,759

extreme dryness of the throat I have

621

00:32:28,880 --> 00:32:35,500

talked with nearly 2,000 people who have

622

00:32:31,759 --> 00:32:37,400

had a UFO experience and those people

623

00:32:35,500 --> 00:32:39,230

certainly have convinced me that

624

00:32:37,400 --> 00:32:44,179

something very real is going on

625

00:32:39,230 --> 00:32:47,269

something real is indeed going on no

626

00:32:44,179 --> 00:32:50,570

matter how vivid a hallucination is it

627

00:32:47,269 --> 00:32:54,079

cannot dehydrate soil

628  
00:32:50,569 --> 00:32:56,450  
80% of the descriptions of a UFO in Ted

629  
00:32:54,079 --> 00:32:59,569  
Phillips files are of a disc-shaped

630  
00:32:56,450 --> 00:33:03,558  
object between 10 and 35 feet in

631  
00:32:59,569 --> 00:33:06,740  
diameter over 400 of the landing cases

632  
00:33:03,558 --> 00:33:09,648  
in these files involve more than one

633  
00:33:06,740 --> 00:33:12,759  
witness observing a UFO for longer than

634  
00:33:09,648 --> 00:33:16,099  
one minute at a distance of less than

635  
00:33:12,759 --> 00:33:19,159  
250 feet we're talking about people

636  
00:33:16,099 --> 00:33:21,918  
police officers clergymen news men

637  
00:33:19,159 --> 00:33:24,200  
businesspeople people in all walks of

638  
00:33:21,919 --> 00:33:27,110  
life from all parts of the country who

639  
00:33:24,200 --> 00:33:29,960  
have had real UFO experiences and in

640  
00:33:27,109 --> 00:33:31,699  
many cases a very close range the

641  
00:33:29,960 --> 00:33:34,788  
interesting thing is that these people

642  
00:33:31,700 --> 00:33:37,519  
could lend us a murder could go into

643  
00:33:34,788 --> 00:33:40,460  
court testify to that effect put a man

644  
00:33:37,519 --> 00:33:42,378  
away for life and yet those same people

645  
00:33:40,460 --> 00:33:44,990  
have a UFO experience and the testimony

646  
00:33:42,378 --> 00:33:47,869  
is no longer valid that's certainly a

647  
00:33:44,990 --> 00:33:49,730  
very strange set of double standards

648  
00:33:47,869 --> 00:33:52,759  
that we have in this country it's

649  
00:33:49,730 --> 00:33:57,579  
difficult to understand

650  
00:33:52,759 --> 00:34:00,210  
[Applause]

651  
00:33:57,579 --> 00:34:03,339  
[Music]

652  
00:34:00,210 --> 00:34:06,429  
another UFO investigator whose research

653  
00:34:03,339 --> 00:34:10,000  
has convinced him that UFOs are real is

654  
00:34:06,429 --> 00:34:13,659  
Colonel Wendell Stevens I need proof for

655  
00:34:10,000 --> 00:34:15,579  
myself and I look for proof and

656

00:34:13,659 --> 00:34:17,530  
everything that happened the number of

657  
00:34:15,579 --> 00:34:20,769  
things happened in the in Alaska that

658  
00:34:17,530 --> 00:34:22,599  
had a lot a lot to my belief patterns

659  
00:34:20,769 --> 00:34:25,000  
but then when I got to investigating my

660  
00:34:22,599 --> 00:34:27,429  
own cases and could look people in the

661  
00:34:25,000 --> 00:34:31,780  
eye and I and I investigated some cases

662  
00:34:27,429 --> 00:34:33,490  
that were profound cases then I became

663  
00:34:31,780 --> 00:34:36,069  
convinced that there's something here

664  
00:34:33,489 --> 00:34:37,628  
and the something that's here at least a

665  
00:34:36,068 --> 00:34:40,898  
part of something that's here is

666  
00:34:37,628 --> 00:34:43,239  
physical it's tangible it's just like

667  
00:34:40,898 --> 00:34:45,429  
the car sitting out there in the street

668  
00:34:43,239 --> 00:34:48,908  
you can go up and thump it the evidence

669  
00:34:45,429 --> 00:34:52,168  
is overwhelming that indeed something is

670  
00:34:48,909 --> 00:34:54,099

here and it is physical and it is

671

00:34:52,168 --> 00:35:11,000  
extraterrestrial

672

00:34:54,099 --> 00:35:13,409  
[Music]

673

00:35:11,000 --> 00:35:15,690  
the curse of lecturing all over the

674

00:35:13,409 --> 00:35:18,000  
continent I have talked now to more than

675

00:35:15,690 --> 00:35:19,590  
90 former military people who have told

676

00:35:18,000 --> 00:35:21,840  
me of excellent sightings that occurred

677

00:35:19,590 --> 00:35:23,730  
while they were in the service and where

678

00:35:21,840 --> 00:35:25,380  
the data didn't go to the old Project

679

00:35:23,730 --> 00:35:26,820  
Blue Book which we were told was the

680

00:35:25,380 --> 00:35:29,430  
only government group concerned with

681

00:35:26,820 --> 00:35:31,019  
UFOs but instead typically went to the

682

00:35:29,429 --> 00:35:33,149  
Aerospace Defense Command or the

683

00:35:31,019 --> 00:35:34,289  
National Security Agency and where the

684

00:35:33,150 --> 00:35:35,150  
security lid was clamped down

685  
00:35:34,289 --> 00:35:37,920  
immediately

686  
00:35:35,150 --> 00:35:42,780  
now I've heard so many of these stories

687  
00:35:37,920 --> 00:35:45,750  
that I'm either having to say that all

688  
00:35:42,780 --> 00:35:48,240  
these people are lying or that we're

689  
00:35:45,750 --> 00:35:50,730  
dealing with the cosmic Watergate cosmic

690  
00:35:48,239 --> 00:35:53,429  
Watergate is an accurate way to describe

691  
00:35:50,730 --> 00:35:57,179  
the United States government's official

692  
00:35:53,429 --> 00:35:59,339  
reaction to UFOs the sharp difference

693  
00:35:57,179 --> 00:36:02,669  
between the FBI's public statements

694  
00:35:59,340 --> 00:36:05,820  
about UFOs and their real actions is a

695  
00:36:02,670 --> 00:36:08,460  
good example of this J Edgar Hoover

696  
00:36:05,820 --> 00:36:10,710  
wrote several letters stating that the

697  
00:36:08,460 --> 00:36:13,740  
investigation of unidentified flying

698  
00:36:10,710 --> 00:36:16,130  
objects is not and never has been within

699

00:36:13,739 --> 00:36:20,129  
the jurisdiction of the FBI j.edgar

700

00:36:16,130 --> 00:36:24,480  
hoover successfully kept the FBI's UFO

701

00:36:20,130 --> 00:36:27,300  
file secret until 1976 when dr. Bruce

702

00:36:24,480 --> 00:36:29,519  
Maccabee received part of the FBI UFO

703

00:36:27,300 --> 00:36:32,670  
file as a result of his Freedom of

704

00:36:29,519 --> 00:36:35,130  
Information Act request here are the

705

00:36:32,670 --> 00:36:37,889  
documents that were released there are

706

00:36:35,130 --> 00:36:40,530  
over a thousand pages which provide

707

00:36:37,889 --> 00:36:44,329  
information on the FBI's and the Air

708

00:36:40,530 --> 00:36:47,250  
Force's secret investigations of UFOs

709

00:36:44,329 --> 00:36:50,880  
this startling document was recovered

710

00:36:47,250 --> 00:36:53,159  
from the FBI's secret file it is in j

711

00:36:50,880 --> 00:36:55,289  
edgar Hoover's own handwriting in

712

00:36:53,159 --> 00:36:58,889  
response to a government request to

713

00:36:55,289 --> 00:37:02,608  
investigate UFOs mr. Hoover wrote and we

714  
00:36:58,889 --> 00:37:05,279  
quote I would do it but before agreeing

715  
00:37:02,608 --> 00:37:09,329  
to do it we must insist upon full access

716  
00:37:05,280 --> 00:37:12,180  
to disks recovered for instance in the

717  
00:37:09,329 --> 00:37:14,009  
LA case the army grabbed it and would

718  
00:37:12,179 --> 00:37:16,769  
not let us have it for cursory

719  
00:37:14,010 --> 00:37:20,130  
examination end quote

720  
00:37:16,769 --> 00:37:21,028  
this memo clearly indicates that mr.

721  
00:37:20,130 --> 00:37:23,818  
Hoover consider

722  
00:37:21,028 --> 00:37:27,268  
UFOs a very serious subject that should

723  
00:37:23,818 --> 00:37:29,159  
receive top-level security one of the

724  
00:37:27,268 --> 00:37:31,288  
events that may have contributed to the

725  
00:37:29,159 --> 00:37:34,619  
opinions reflected in mr. Hoover's memo

726  
00:37:31,289 --> 00:37:37,289  
is the apparent recovery of the wreckage

727  
00:37:34,619 --> 00:37:38,088

of a crashed UFO by the United States

728

00:37:37,289 --> 00:37:42,329

Army

729

00:37:38,088 --> 00:37:46,168

this happened on July 8th 1947 and

730

00:37:42,329 --> 00:37:48,568

involves major Jesse Marcel who was at

731

00:37:46,168 --> 00:37:51,268

that time the intelligence officer at

732

00:37:48,568 --> 00:37:54,469

Roswell New Mexico Army Air Force Base

733

00:37:51,268 --> 00:37:57,508

the only atomic bomb wing in the world

734

00:37:54,469 --> 00:38:00,119

major Marcel is a combat veteran who

735

00:37:57,509 --> 00:38:04,108

shot down five enemy planes in World War

736

00:38:00,119 --> 00:38:07,259

two a local rancher brought major Marcel

737

00:38:04,108 --> 00:38:10,409

to a crash site located on a remote area

738

00:38:07,259 --> 00:38:13,889

of his ranch they were astonished to

739

00:38:10,409 --> 00:38:15,539

find the vast amount of wreckage one

740

00:38:13,889 --> 00:38:18,328

thing I was certain of being familiar

741

00:38:15,539 --> 00:38:20,969

with all our activities that it was not

742  
00:38:18,329 --> 00:38:24,150  
a weather balloon nor an aircraft nor a

743  
00:38:20,969 --> 00:38:25,619  
missile it was something else which we

744  
00:38:24,150 --> 00:38:28,380  
didn't know what it was they were just

745  
00:38:25,619 --> 00:38:29,640  
frag but strewn all over the area in the

746  
00:38:28,380 --> 00:38:32,519  
area but three-quarters of a mile long

747  
00:38:29,639 --> 00:38:35,668  
and several hundred feet wide so we

748  
00:38:32,518 --> 00:38:38,129  
proceeded to pick up the parts a lot of

749  
00:38:35,668 --> 00:38:40,618  
it had a lot of little members with

750  
00:38:38,130 --> 00:38:42,509  
symbols that to be a call of

751  
00:38:40,619 --> 00:38:44,309  
hieroglyphics because I could not

752  
00:38:42,509 --> 00:38:47,818  
contribute them it could not be read

753  
00:38:44,309 --> 00:38:49,528  
they were just like symbols of something

754  
00:38:47,818 --> 00:38:52,130  
that meant something these little

755  
00:38:49,528 --> 00:38:55,469  
members could not be broken

756  
00:38:52,130 --> 00:38:58,048  
could not be burned I even tried to burn

757  
00:38:55,469 --> 00:38:59,699  
that would not burn see a stairway is

758  
00:38:58,048 --> 00:39:02,429  
nothing it's not in there thicker than

759  
00:38:59,699 --> 00:39:05,269  
tin fall in a pack of cigarettes said I

760  
00:39:02,429 --> 00:39:07,769  
tried the banister says it will not Bend

761  
00:39:05,268 --> 00:39:11,008  
says we did all we could to bend it it

762  
00:39:07,768 --> 00:39:12,748  
would not Bend said we even tried making

763  
00:39:11,009 --> 00:39:13,659  
a dent in it with a 16 pound sledge

764  
00:39:12,748 --> 00:39:16,199  
hammer

765  
00:39:13,659 --> 00:39:19,250  
this is still no dinner

766  
00:39:16,199 --> 00:39:19,250  
[Music]

767  
00:39:19,789 --> 00:39:25,009  
a woman working in a radio station in

768  
00:39:22,550 --> 00:39:27,769  
Albuquerque New Mexico started to

769  
00:39:25,010 --> 00:39:30,080  
transmit on a news wire the story of

770

00:39:27,769 --> 00:39:33,949  
nature Marcel's recovery of a crashed

771  
00:39:30,079 --> 00:39:36,799  
flying saucer the FBI interrupted that

772  
00:39:33,949 --> 00:39:40,639  
communication with a statement do not

773  
00:39:36,800 --> 00:39:42,380  
continue this transmission an official

774  
00:39:40,639 --> 00:39:45,019  
army press release was put out

775  
00:39:42,380 --> 00:39:48,320  
announcing the capture of portions of a

776  
00:39:45,019 --> 00:39:50,929  
flying saucer major Marcel escorted the

777  
00:39:48,320 --> 00:39:54,710  
wreckage on a b-29 to Carswell Air Force

778  
00:39:50,929 --> 00:39:57,440  
Base the press was waiting for him but

779  
00:39:54,710 --> 00:40:01,010  
he was told not to say anything by his

780  
00:39:57,440 --> 00:40:02,750  
commander general ramey the newsmen saw

781  
00:40:01,010 --> 00:40:05,300  
very little deputies where a small

782  
00:40:02,750 --> 00:40:07,280  
portion of it and none of the important

783  
00:40:05,300 --> 00:40:09,200  
things like these are members that have

784  
00:40:07,280 --> 00:40:11,570

these hieroglyphics or or markings on

785

00:40:09,199 --> 00:40:14,149

they wanted me to tell them about it and

786

00:40:11,570 --> 00:40:16,130

I couldn't say anything and when a jar

787

00:40:14,150 --> 00:40:19,010

okay men he told me not to say anything

788

00:40:16,130 --> 00:40:20,809

that he would have it the reason that

789

00:40:19,010 --> 00:40:24,080

this story has remained hidden from the

790

00:40:20,809 --> 00:40:26,059

public for over 30 years is that general

791

00:40:24,079 --> 00:40:28,219

Ramey released a cover story at that

792

00:40:26,059 --> 00:40:31,880

point saying that the crashed flying

793

00:40:28,219 --> 00:40:33,829

saucer was really a weather balloon the

794

00:40:31,880 --> 00:40:34,800

press around the world accepted that

795

00:40:33,829 --> 00:40:37,858

statement

796

00:40:34,800 --> 00:40:37,859

[Music]

797

00:40:37,960 --> 00:40:44,260

the documented testimony of one of major

798

00:40:40,599 --> 00:40:46,390

Marcel's b-29 key measures reveals that

799

00:40:44,260 --> 00:40:49,450

the UFO wreckage was removed from their

800

00:40:46,389 --> 00:40:52,058

b-29 by armed guards and placed on

801

00:40:49,449 --> 00:40:54,818

another aircraft this seems rather

802

00:40:52,059 --> 00:40:57,490

strange treatment for the wreckage

803

00:40:54,818 --> 00:41:00,099

more than two dozen people in New Mexico

804

00:40:57,489 --> 00:41:03,848

associated with the UFO related events

805

00:41:00,099 --> 00:41:06,579

of July 1947 have been interviewed we

806

00:41:03,849 --> 00:41:11,950

have verified every statement made by

807

00:41:06,579 --> 00:41:13,150

Jesse Marcel a well-respected New

808

00:41:11,949 --> 00:41:15,578

Mexican engineer

809

00:41:13,150 --> 00:41:18,460

Barney Barnett has reported that a

810

00:41:15,579 --> 00:41:22,059

flying saucer crashed just outside of

811

00:41:18,460 --> 00:41:24,940

Socorro New Mexico in early July in 1947

812

00:41:22,059 --> 00:41:27,519

since this is the same date and very

813  
00:41:24,940 --> 00:41:29,950  
close to the location where major Marcel

814  
00:41:27,518 --> 00:41:32,409  
recovered a crashed UFO it seems

815  
00:41:29,949 --> 00:41:35,108  
probable that the crashed UFO mr.

816  
00:41:32,409 --> 00:41:37,858  
Barnett reported is a larger piece of

817  
00:41:35,108 --> 00:41:41,469  
the crashed UFO major Marcel recovered

818  
00:41:37,858 --> 00:41:44,710  
mr. Barnett saw a number of dead alien

819  
00:41:41,469 --> 00:41:46,088  
bodies extracted from that wreckage he

820  
00:41:44,710 --> 00:41:48,818  
was accompanied by members of an

821  
00:41:46,088 --> 00:41:51,489  
archaeological expedition a military

822  
00:41:48,818 --> 00:41:54,159  
group came along swore everybody to

823  
00:41:51,489 --> 00:41:57,868  
secrecy and carried off the saucer and

824  
00:41:54,159 --> 00:41:57,868  
the dead alien bodies

825  
00:42:00,969 --> 00:42:08,088  
between 1947 and 1952 there were more

826  
00:42:05,780 --> 00:42:09,880  
flying saucer sightings in New Mexico

827

00:42:08,088 --> 00:42:11,769  
than in any other state

828  
00:42:09,880 --> 00:42:15,050  
[Music]

829  
00:42:11,769 --> 00:42:18,259  
this document recovered from the FBI's

830  
00:42:15,050 --> 00:42:21,349  
secret file shows that during this time

831  
00:42:18,260 --> 00:42:24,859  
period there were over 150 sightings of

832  
00:42:21,349 --> 00:42:27,530  
UFOs over sensitive US military

833  
00:42:24,858 --> 00:42:29,960  
installations many of these sightings

834  
00:42:27,530 --> 00:42:32,450  
fit the standard disc shaped UFO

835  
00:42:29,960 --> 00:42:37,010  
description and were reported by more

836  
00:42:32,449 --> 00:42:39,828  
than one reliable witness New Mexico was

837  
00:42:37,010 --> 00:42:42,710  
the state where all post-world war ii

838  
00:42:39,829 --> 00:42:45,050  
rocket shots were fired it is also the

839  
00:42:42,710 --> 00:42:51,260  
state where the first atom bomb was

840  
00:42:45,050 --> 00:42:53,810  
developed and tested one logical

841  
00:42:51,260 --> 00:42:56,780

explanation for this large number of UFO

842

00:42:53,809 --> 00:42:58,759  
sightings is that an alien space

843

00:42:56,780 --> 00:43:01,310  
traveling culture was observing the

844

00:42:58,760 --> 00:43:02,650  
earth without making official contact

845

00:43:01,309 --> 00:43:05,079  
and gathering

846

00:43:02,650 --> 00:43:07,030  
very intelligence on the earth so that

847

00:43:05,079 --> 00:43:11,519  
they will be prepared for the day when

848

00:43:07,030 --> 00:43:11,519  
we leave this planet and move into space

849

00:43:15,019 --> 00:43:20,119  
the best-known government responses to

850

00:43:17,940 --> 00:43:24,000  
the UFO question with a much-publicized

851

00:43:20,119 --> 00:43:26,579  
US Air Force's Project Blue Book and the

852

00:43:24,000 --> 00:43:28,199  
Condon report in spite of the air

853

00:43:26,579 --> 00:43:30,869  
force's public statements to the

854

00:43:28,199 --> 00:43:33,659  
contrary a close examination of the

855

00:43:30,869 --> 00:43:37,289  
evidence in these reports indicates that

856  
00:43:33,659 --> 00:43:39,539  
some UFOs are extraterrestrial spaceman

857  
00:43:37,289 --> 00:43:42,630  
that the purpose of these reports was to

858  
00:43:39,539 --> 00:43:47,519  
act as public relations cover-ups rather

859  
00:43:42,630 --> 00:43:50,519  
than scientific studies during the past

860  
00:43:47,519 --> 00:43:52,820  
ten years I've talked with over 2,000

861  
00:43:50,519 --> 00:43:58,610  
military personnel who have

862  
00:43:52,820 --> 00:44:02,190  
confidentially relate cases involving

863  
00:43:58,610 --> 00:44:04,140  
not only landings very near or on

864  
00:44:02,190 --> 00:44:06,150  
military installations in this country

865  
00:44:04,139 --> 00:44:09,929  
but also cases involving physical

866  
00:44:06,150 --> 00:44:11,820  
residue and one instance an individual

867  
00:44:09,929 --> 00:44:14,190  
assured me that he had personally seen

868  
00:44:11,820 --> 00:44:16,170  
to the transmission of this report to

869  
00:44:14,190 --> 00:44:18,030  
Project Blue Book and this was a report

870  
00:44:16,170 --> 00:44:21,180  
involving a landing and quite a number

871  
00:44:18,030 --> 00:44:23,880  
of witnesses security personnel and if

872  
00:44:21,179 --> 00:44:25,789  
one is to check the Bluebook files the

873  
00:44:23,880 --> 00:44:28,860  
files that have been open to the public

874  
00:44:25,789 --> 00:44:31,800  
those cases are not there not a single

875  
00:44:28,860 --> 00:44:34,230  
case Colonel Stevens gave us a good

876  
00:44:31,800 --> 00:44:37,200  
explanation as to why military people

877  
00:44:34,230 --> 00:44:39,449  
and former military people do not speak

878  
00:44:37,199 --> 00:44:42,750  
out about their classified experiences

879  
00:44:39,449 --> 00:44:45,989  
with UFOs now when a when a person

880  
00:44:42,750 --> 00:44:48,929  
working in a security field leaves the

881  
00:44:45,989 --> 00:44:51,259  
field he's reminded of his oaths and

882  
00:44:48,929 --> 00:44:53,339  
he's sworn not to reveal information

883  
00:44:51,260 --> 00:44:54,960  
handled officially during the time of

884

00:44:53,340 --> 00:44:56,160  
his tenure in this that's particular

885  
00:44:54,960 --> 00:44:57,929  
security thing and he's warned of the

886  
00:44:56,159 --> 00:45:00,089  
penalties it's a ten thousand dollar

887  
00:44:57,929 --> 00:45:02,339  
fine and ten years in prison and for in

888  
00:45:00,090 --> 00:45:04,559  
in extreme cases perfect sure of all pay

889  
00:45:02,340 --> 00:45:07,380  
and allowances do or ever to become due

890  
00:45:04,559 --> 00:45:09,420  
and so it's hard to find people who are

891  
00:45:07,380 --> 00:45:13,369  
not vulnerable who don't have something

892  
00:45:09,420 --> 00:45:17,269  
to lose by telling what happened to them

893  
00:45:13,369 --> 00:45:19,430  
of two Iranian jets with the UFO gives a

894  
00:45:17,268 --> 00:45:22,189  
glimpse of how the government really

895  
00:45:19,429 --> 00:45:25,848  
handles good quality UFO military

896  
00:45:22,190 --> 00:45:29,750  
sightings the lead fighter tried to

897  
00:45:25,849 --> 00:45:32,190  
intercept an extremely large bright UFO

898  
00:45:29,750 --> 00:45:34,400

[Music]

899

00:45:32,190 --> 00:45:36,588  
as he closed with

900

00:45:34,400 --> 00:45:38,990  
his electrical missile control and

901

00:45:36,588 --> 00:45:42,090  
communication systems malfunction

902

00:45:38,989 --> 00:45:42,089  
[Music]

903

00:45:48,239 --> 00:45:53,219  
he turned away from the UFO and shortly

904

00:45:51,088 --> 00:45:54,019  
thereafter his systems began to function

905

00:45:53,219 --> 00:45:57,710  
normally again

906

00:45:54,019 --> 00:46:01,519  
[Music]

907

00:45:57,710 --> 00:46:03,559  
the White House the CIA and several

908

00:46:01,519 --> 00:46:06,320  
other defense intelligence agencies

909

00:46:03,559 --> 00:46:09,590  
receive the classified letter describing

910

00:46:06,320 --> 00:46:12,470  
the case in detail this memo written by

911

00:46:09,590 --> 00:46:16,700  
General Carroll H Bolender in 1969

912

00:46:12,469 --> 00:46:19,730  
became public in 1979 and revealed that

913  
00:46:16,699 --> 00:46:21,069  
reports of unidentified flying objects

914  
00:46:19,730 --> 00:46:25,730  
which could affect national security

915  
00:46:21,070 --> 00:46:28,309  
were not part of the Bluebook system it

916  
00:46:25,730 --> 00:46:31,429  
is clear that the government regards

917  
00:46:28,309 --> 00:46:33,590  
UFOs as a matter of national security

918  
00:46:31,429 --> 00:46:37,699  
because they can fly rings around our

919  
00:46:33,590 --> 00:46:40,130  
conventional jets or Rockets the first

920  
00:46:37,699 --> 00:46:42,619  
country to be able to duplicate the

921  
00:46:40,130 --> 00:46:45,608  
behavior of UFOs could attack any other

922  
00:46:42,619 --> 00:46:48,048  
country in the world with absolute in

923  
00:46:45,608 --> 00:46:50,838  
you see the single most important aspect

924  
00:46:48,048 --> 00:46:53,268  
of a flying saucer from a government or

925  
00:46:50,838 --> 00:46:55,998  
military viewpoint is its potential for

926  
00:46:53,268 --> 00:46:57,649  
military utilization the first country

927  
00:46:55,998 --> 00:47:00,429  
to be able to duplicate the behavior of

928  
00:46:57,650 --> 00:47:04,059  
flying saucer will rule the planet

929  
00:47:00,429 --> 00:47:04,059  
[Music]

930  
00:47:07,219 --> 00:47:14,799  
[Music]

931  
00:47:10,320 --> 00:47:17,530  
these recently released secret CIA UFO

932  
00:47:14,800 --> 00:47:19,660  
files indicate intense government

933  
00:47:17,530 --> 00:47:23,890  
interest in the military potential of

934  
00:47:19,659 --> 00:47:25,839  
UFOs these files establish that the CIA

935  
00:47:23,889 --> 00:47:36,519  
had agents all around the world

936  
00:47:25,840 --> 00:47:38,130  
gathering information on UFOs this

937  
00:47:36,519 --> 00:47:40,840  
interview with senator Barry Goldwater

938  
00:47:38,130 --> 00:47:42,970  
provides an even clearer view of the

939  
00:47:40,840 --> 00:47:45,970  
government's concern about the military

940  
00:47:42,969 --> 00:47:47,980  
potential of UFOs senator Goldwater was

941

00:47:45,969 --> 00:47:51,489  
the Republican candidate for president

942  
00:47:47,980 --> 00:47:54,309  
in 1964 and is a Major General in the

943  
00:47:51,489 --> 00:47:57,789  
United States Air Force Reserve we have

944  
00:47:54,309 --> 00:48:00,849  
verified the following quotes Air Force

945  
00:47:57,789 --> 00:48:03,880  
Navy and commercial pilots have revealed

946  
00:48:00,849 --> 00:48:06,489  
to me cases when a UFO would fly near

947  
00:48:03,880 --> 00:48:09,460  
them right off the plane's wing and then

948  
00:48:06,489 --> 00:48:13,419  
just zoom away at incredible speeds

949  
00:48:09,460 --> 00:48:15,159  
I asked general Curtis LeMay who for

950  
00:48:13,420 --> 00:48:17,500  
years was head of the Strategic Air

951  
00:48:15,159 --> 00:48:21,909  
Command for permission to check into the

952  
00:48:17,500 --> 00:48:26,139  
files and he told me hell no and don't

953  
00:48:21,909 --> 00:48:28,569  
ask me again I think some highly secret

954  
00:48:26,139 --> 00:48:31,059  
government UFO investigations are going

955  
00:48:28,570 --> 00:48:33,670

on that we don't know about and probably

956

00:48:31,059 --> 00:48:37,630  
never will unless the Air Force

957

00:48:33,670 --> 00:48:40,180  
discloses them someday soon someone is

958

00:48:37,630 --> 00:48:43,809  
going to have strong UFO evidence that

959

00:48:40,179 --> 00:48:46,539  
can't be explained away and senator

960

00:48:43,809 --> 00:48:49,269  
goldwater's quote there is already

961

00:48:46,539 --> 00:48:51,579  
strong evidence that can't be explained

962

00:48:49,269 --> 00:48:55,210  
away in senator Barry Goldwater's own

963

00:48:51,579 --> 00:48:57,159  
home state of Arizona the evidence

964

00:48:55,210 --> 00:49:00,579  
revolves around an incident that took

965

00:48:57,159 --> 00:49:03,069  
place in the city Aves National Forest

966

00:49:00,579 --> 00:49:05,739  
it was in this location that a young

967

00:49:03,070 --> 00:49:10,510  
woodcutter named Travis Walton was

968

00:49:05,739 --> 00:49:14,319  
abducted by a UFO the UFO was witnessed

969

00:49:10,510 --> 00:49:17,350  
by six of his fellow workers at Travis's

970  
00:49:14,320 --> 00:49:19,530  
home in snowflake Arizona we interviewed

971  
00:49:17,349 --> 00:49:22,929  
him and one of the witnesses to the UFO

972  
00:49:19,530 --> 00:49:25,240  
Mike Rogers there were seven of us on

973  
00:49:22,929 --> 00:49:28,119  
the way home from work we were riding

974  
00:49:25,239 --> 00:49:31,000  
down the dirt road in a pickup and we

975  
00:49:28,119 --> 00:49:34,150  
saw an object hovering off to the side

976  
00:49:31,000 --> 00:49:40,329  
of the road it was a glowing disk shaped

977  
00:49:34,150 --> 00:49:43,690  
object it was about 90 feet away it was

978  
00:49:40,329 --> 00:49:45,610  
hovering about I'd say 15 to 20 feet off

979  
00:49:43,690 --> 00:49:47,920  
the ground and I got out of the truck

980  
00:49:45,610 --> 00:49:50,260  
and went closer I wanted to get a closer

981  
00:49:47,920 --> 00:49:54,010  
look at it I realized for the first time

982  
00:49:50,260 --> 00:49:57,160  
what what he was doing and I realized

983  
00:49:54,010 --> 00:50:01,990  
that it was dangerous I expected it you

984  
00:49:57,159 --> 00:50:04,449  
know fly away when I got closer but

985  
00:50:01,989 --> 00:50:07,089  
instead when I went when I got up there

986  
00:50:04,449 --> 00:50:11,799  
it started to move and and to make a

987  
00:50:07,090 --> 00:50:14,200  
loud sound which scared me I yelled at

988  
00:50:11,800 --> 00:50:16,539  
him and I told him you know get the hell

989  
00:50:14,199 --> 00:50:18,549  
away from there they raised up and

990  
00:50:16,539 --> 00:50:20,009  
turned to go and then all of a sudden

991  
00:50:18,550 --> 00:50:24,400  
the object

992  
00:50:20,010 --> 00:50:28,890  
apparently blasted him with some sort of

993  
00:50:24,400 --> 00:50:28,889  
array or both of light or something

994  
00:50:29,139 --> 00:50:36,639  
I felt a numbing shock and lost

995  
00:50:33,699 --> 00:50:38,578  
consciousness and that was the last I

996  
00:50:36,639 --> 00:50:42,219  
knew until I woke up aboard the craft

997  
00:50:38,579 --> 00:50:44,740  
when I saw this bright blinding light I

998

00:50:42,219 --> 00:50:48,038  
turned back just in time to see Travis

999  
00:50:44,739 --> 00:50:50,318  
flying back through the air he hit the

1000  
00:50:48,039 --> 00:50:54,160  
ground about ten feet or so from where

1001  
00:50:50,318 --> 00:50:57,909  
he had been standing at that point with

1002  
00:50:54,159 --> 00:51:00,250  
the the blast at the saucer had given

1003  
00:50:57,909 --> 00:51:02,199  
him it was such an incredible thing but

1004  
00:51:00,250 --> 00:51:05,199  
just unbelievable I was in an instant

1005  
00:51:02,199 --> 00:51:08,409  
panic the guys behind me somebody says

1006  
00:51:05,199 --> 00:51:12,098  
get the hell out of here so I hit the

1007  
00:51:08,409 --> 00:51:13,899  
gas and we took off down the road Mike

1008  
00:51:12,099 --> 00:51:16,920  
Rogers and the other five witnesses

1009  
00:51:13,900 --> 00:51:19,720  
returned only to find Travis missing

1010  
00:51:16,920 --> 00:51:22,630  
after they told their astounding story

1011  
00:51:19,719 --> 00:51:23,318  
to the police they came under suspicion

1012  
00:51:22,630 --> 00:51:26,079

of murder

1013

00:51:23,318 --> 00:51:27,670

an intense search for Travis Walton

1014

00:51:26,079 --> 00:51:30,880

proceeded for three days

1015

00:51:27,670 --> 00:51:33,608

using a large Posse dogs and helicopters

1016

00:51:30,880 --> 00:51:36,970

they were unable to find him or any

1017

00:51:33,608 --> 00:51:39,278

signs of where he was finally it was

1018

00:51:36,969 --> 00:51:42,518

suggested that the six witnesses take a

1019

00:51:39,278 --> 00:51:46,048

polygraph test to establish the truth or

1020

00:51:42,518 --> 00:51:46,048

fallacy of their story

1021

00:51:46,170 --> 00:51:49,650

you told them you know we'll take

1022

00:51:47,190 --> 00:51:52,590

polygraph tests we'll we'll take sodium

1023

00:51:49,650 --> 00:51:54,360

pentathol hypnosis anything you can give

1024

00:51:52,590 --> 00:51:57,870

us because this thing really happened

1025

00:51:54,360 --> 00:52:00,030

and and we don't like this thing about

1026

00:51:57,869 --> 00:52:02,279

you accusing us of murder which several

1027  
00:52:00,030 --> 00:52:04,890  
of them had openly arrangements were

1028  
00:52:02,280 --> 00:52:07,530  
made for sigh Gilson a highly qualified

1029  
00:52:04,889 --> 00:52:09,750  
polygraph examiner who was a member of

1030  
00:52:07,530 --> 00:52:12,240  
the Arizona state polygraph Association

1031  
00:52:09,750 --> 00:52:14,489  
to conduct the polygraphs on the six

1032  
00:52:12,239 --> 00:52:17,399  
witnesses to Travis Waltons UFO

1033  
00:52:14,489 --> 00:52:19,259  
encounter the utmost care in

1034  
00:52:17,400 --> 00:52:21,720  
administering these lie-detector tests

1035  
00:52:19,260 --> 00:52:23,310  
was exercised because the men were under

1036  
00:52:21,719 --> 00:52:28,409  
suspicion of murder

1037  
00:52:23,309 --> 00:52:30,239  
once the test got underway he started

1038  
00:52:28,409 --> 00:52:34,289  
changing his mind very quickly after he

1039  
00:52:30,239 --> 00:52:37,259  
tested about three of the six he seemed

1040  
00:52:34,289 --> 00:52:39,659  
to be acting differently by the time he

1041  
00:52:37,260 --> 00:52:42,660  
had tested all of us he seemed to be a

1042  
00:52:39,659 --> 00:52:45,690  
believer I talked to him after the tests

1043  
00:52:42,659 --> 00:52:48,949  
and he indicated to me that that

1044  
00:52:45,690 --> 00:52:52,019  
apparently he was wrong

1045  
00:52:48,949 --> 00:52:57,179  
unofficially he said that he believed

1046  
00:52:52,019 --> 00:52:59,969  
that we had told the truth because five

1047  
00:52:57,179 --> 00:53:02,969  
of us passed the test he wrote in his

1048  
00:52:59,969 --> 00:53:07,429  
report that we had told the truth that

1049  
00:53:02,969 --> 00:53:07,429  
apparently there had been a UFO

1050  
00:53:09,900 --> 00:53:14,778  
[Applause]

1051  
00:53:11,858 --> 00:53:17,869  
this was a very emotional thing for

1052  
00:53:14,778 --> 00:53:21,349  
Travis's family and emotional for us

1053  
00:53:17,869 --> 00:53:23,930  
Travis was my best friend and our whole

1054  
00:53:21,349 --> 00:53:25,969  
lives have been disrupted by this we

1055

00:53:23,929 --> 00:53:28,608  
wondered if we would ever see him again

1056  
00:53:25,969 --> 00:53:33,469  
when I regained consciousness I was

1057  
00:53:28,608 --> 00:53:36,858  
laying on my back I I came to slowly I

1058  
00:53:33,469 --> 00:53:40,130  
was in a lot of pain in my head and

1059  
00:53:36,858 --> 00:53:42,889  
chest area at first I thought I was in a

1060  
00:53:40,130 --> 00:53:45,410  
hospital but when I could finally see

1061  
00:53:42,889 --> 00:53:50,088  
like I saw these beings standing over me

1062  
00:53:45,409 --> 00:53:51,798  
and that I just became hysterical I was

1063  
00:53:50,088 --> 00:53:55,699  
about five feet tall

1064  
00:53:51,798 --> 00:53:59,358  
they had no hair no eyelashes eyebrows a

1065  
00:53:55,699 --> 00:54:01,940  
very large heads very large eyes the

1066  
00:53:59,358 --> 00:54:05,958  
rest of their features nose mouth and

1067  
00:54:01,940 --> 00:54:11,170  
ears were small and they were very white

1068  
00:54:05,958 --> 00:54:16,728  
looking I knocked him away from me and

1069  
00:54:11,170 --> 00:54:22,309

jumped off of the table there and they

1070

00:54:16,728 --> 00:54:24,288

started come toward me my grabbed an

1071

00:54:22,309 --> 00:54:26,590

object off of a bench there and

1072

00:54:24,289 --> 00:54:30,190

threatened him

1073

00:54:26,590 --> 00:54:33,800

[Music]

1074

00:54:30,190 --> 00:54:38,450

they stopped and turned around and left

1075

00:54:33,800 --> 00:54:43,510

the room I was afraid they'd come back

1076

00:54:38,449 --> 00:54:45,980

so I left there looking for a way out I

1077

00:54:43,510 --> 00:54:49,370

went into another room where there was a

1078

00:54:45,980 --> 00:54:51,889

chair there was some kind of projection

1079

00:54:49,369 --> 00:54:53,719

or some kind of a viewing thing in this

1080

00:54:51,889 --> 00:54:57,589

room where you could see a map with

1081

00:54:53,719 --> 00:54:59,299

stars a man came in while I was trying

1082

00:54:57,590 --> 00:55:04,070

to find a way out there

1083

00:54:59,300 --> 00:55:06,590

and this was a human looking person they

1084  
00:55:04,070 --> 00:55:09,530  
had passing a crowd this individual and

1085  
00:55:06,590 --> 00:55:13,100  
on earth it was bigger than me taller

1086  
00:55:09,530 --> 00:55:18,140  
and more muscular very large individual

1087  
00:55:13,099 --> 00:55:22,429  
I went up and tried to talk to this guy

1088  
00:55:18,139 --> 00:55:25,219  
and he didn't answer me he led me

1089  
00:55:22,429 --> 00:55:27,619  
outside of this craft that I was in

1090  
00:55:25,219 --> 00:55:31,730  
which was apparently parked inside of a

1091  
00:55:27,619 --> 00:55:34,429  
large room or building or larger craft

1092  
00:55:31,730 --> 00:55:39,369  
and led me out of this room into another

1093  
00:55:34,429 --> 00:55:44,960  
room were some other beings like himself

1094  
00:55:39,369 --> 00:55:48,380  
put me unconscious when I regained

1095  
00:55:44,960 --> 00:55:51,800  
consciousness I found myself laying on

1096  
00:55:48,380 --> 00:55:54,019  
the roadway that I saw a craft hovering

1097  
00:55:51,800 --> 00:55:57,860  
there that just sat there for a second

1098  
00:55:54,019 --> 00:56:00,980  
and just shot straight up that's the

1099  
00:55:57,860 --> 00:56:03,260  
last I've seen oh I ran down into the

1100  
00:56:00,980 --> 00:56:06,019  
town man called my family and they came

1101  
00:56:03,260 --> 00:56:08,660  
and got me when I did hear that he had

1102  
00:56:06,019 --> 00:56:10,579  
been returned yet it was almost as

1103  
00:56:08,659 --> 00:56:13,299  
unbelievable as the original thing

1104  
00:56:10,579 --> 00:56:16,250  
because he'd been gone so long

1105  
00:56:13,300 --> 00:56:18,470  
one of the biggest shocks I had to deal

1106  
00:56:16,250 --> 00:56:21,230  
with when I was returned was finding out

1107  
00:56:18,469 --> 00:56:26,480  
that this brief period of time had

1108  
00:56:21,230 --> 00:56:27,769  
somehow taken over five days when I

1109  
00:56:26,480 --> 00:56:32,150  
found out I've been gone for that long

1110  
00:56:27,769 --> 00:56:35,090  
it was it was just you know blew me away

1111  
00:56:32,150 --> 00:56:38,240  
and my my brother you know told me about

1112

00:56:35,090 --> 00:56:40,160  
it then I was stunned and he asked me

1113  
00:56:38,239 --> 00:56:42,979  
feel my face and that had I had a you

1114  
00:56:40,159 --> 00:56:45,379  
know a week's growth and I was really

1115  
00:56:42,980 --> 00:56:47,659  
took my mind just reeled at that because

1116  
00:56:45,380 --> 00:56:50,840  
as far as I knew it was the same night

1117  
00:56:47,659 --> 00:56:56,659  
the thing that bothered me most about

1118  
00:56:50,840 --> 00:56:58,579  
the whole experience was those eyes when

1119  
00:56:56,659 --> 00:57:03,230  
they looked at me they just seemed like

1120  
00:56:58,579 --> 00:57:05,630  
they were looking right through me you

1121  
00:57:03,230 --> 00:57:15,440  
just can't understand how it would be if

1122  
00:57:05,630 --> 00:57:18,829  
it were just right there after his

1123  
00:57:15,440 --> 00:57:22,070  
return Travis Walton also passed a

1124  
00:57:18,829 --> 00:57:27,230  
polygraph test verifying the truth of

1125  
00:57:22,070 --> 00:57:29,450  
his UFO experience to obtain an expert

1126  
00:57:27,230 --> 00:57:31,579

opinion on what conclusions could be

1127

00:57:29,449 --> 00:57:34,879

drawn from the polygraph tests in the

1128

00:57:31,579 --> 00:57:37,699

Travis Walton case we interviewed Edward

1129

00:57:34,880 --> 00:57:41,360

Gelb president of the American polygraph

1130

00:57:37,699 --> 00:57:43,309

Association hundreds of police

1131

00:57:41,360 --> 00:57:46,130

departments and corporations throughout

1132

00:57:43,309 --> 00:57:48,489

the world utilized the polygraph to

1133

00:57:46,130 --> 00:57:52,250

separate truth from deception

1134

00:57:48,489 --> 00:57:54,409

the 94% accuracy of the polygraph has

1135

00:57:52,250 --> 00:57:56,539

been well documented not only in

1136

00:57:54,409 --> 00:57:59,389

real-life situations as we've discussed

1137

00:57:56,539 --> 00:58:00,279

here but in laboratory and university

1138

00:57:59,389 --> 00:58:03,650

studies that have been conducted

1139

00:58:00,280 --> 00:58:06,590

throughout the world the odds against

1140

00:58:03,650 --> 00:58:09,590

six people successfully deceiving a

1141  
00:58:06,590 --> 00:58:13,120  
trained polygraph examiner on a single

1142  
00:58:09,590 --> 00:58:15,800  
issue are over a million to one

1143  
00:58:13,119 --> 00:58:18,659  
the polygraph evidence in the Travis

1144  
00:58:15,800 --> 00:58:22,640  
Walton case is strong enough to stand as

1145  
00:58:18,659 --> 00:58:22,639  
proof in a court of law in many states

1146  
00:58:23,360 --> 00:58:28,590  
in order to understand where the beings

1147  
00:58:26,579 --> 00:58:31,500  
that kidnapped Travis Walton may have

1148  
00:58:28,590 --> 00:58:36,630  
originated we must first understand our

1149  
00:58:31,500 --> 00:58:39,719  
place in the universe our Sun is only

1150  
00:58:36,630 --> 00:58:45,119  
one of over a hundred and fifty billion

1151  
00:58:39,719 --> 00:58:48,239  
stars in our galaxy the Milky Way there

1152  
00:58:45,119 --> 00:58:54,059  
are billions and billions of galaxies in

1153  
00:58:48,239 --> 00:58:56,909  
the universe if only one star in every

1154  
00:58:54,059 --> 00:59:00,360  
million has planets that can support

1155  
00:58:56,909 --> 00:59:02,009  
life then there are hundreds of billions

1156  
00:59:00,360 --> 00:59:06,180  
of life-supporting planets in the

1157  
00:59:02,010 --> 00:59:09,030  
universe within 55 light-years of our

1158  
00:59:06,179 --> 00:59:15,809  
own solar system there are thousands of

1159  
00:59:09,030 --> 00:59:18,720  
stars 46 of these near neighbors are

1160  
00:59:15,809 --> 00:59:22,009  
similar to the Sun and can be expected

1161  
00:59:18,719 --> 00:59:24,480  
to have planets and life especially if

1162  
00:59:22,010 --> 00:59:27,540  
colonization and migration have been

1163  
00:59:24,480 --> 00:59:33,030  
going on for part of their ten billion

1164  
00:59:27,539 --> 00:59:35,610  
year lives by examining our own advanced

1165  
00:59:33,030 --> 00:59:38,280  
technology closely we can get some

1166  
00:59:35,610 --> 00:59:40,559  
indications as to how the UFO that

1167  
00:59:38,280 --> 00:59:42,870  
kidnapped Travis Walton may have been

1168  
00:59:40,559 --> 00:59:46,320  
propelled and how it could have traveled

1169

00:59:42,869 --> 00:59:48,599  
through space to the earth the

1170  
00:59:46,320 --> 00:59:51,990  
technology to travel to nearby stars in

1171  
00:59:48,599 --> 00:59:54,119  
our own galaxy now exists just as the

1172  
00:59:51,989 --> 00:59:57,500  
basic technology do go to the moon

1173  
00:59:54,119 --> 00:59:57,500  
existed shortly after world

1174  
00:59:57,659 --> 01:00:04,420  
technological progress is the result new

1175  
01:00:00,219 --> 01:00:07,000  
systems and not perfecting old ones we

1176  
01:00:04,420 --> 01:00:10,300  
cross the Atlantic Ocean 100 times

1177  
01:00:07,000 --> 01:00:12,579  
faster now than 200 years ago not

1178  
01:00:10,300 --> 01:00:15,460  
because we've got boats that go 100

1179  
01:00:12,579 --> 01:00:17,100  
times faster but because we now have jet

1180  
01:00:15,460 --> 01:00:19,619  
airliners

1181  
01:00:17,099 --> 01:00:21,960  
today we take jet airliners for granted

1182  
01:00:19,619 --> 01:00:25,099  
but 200 years ago they would have

1183  
01:00:21,960 --> 01:00:28,349

sounded like the wildest kind of fantasy

1184

01:00:25,099 --> 01:00:30,900

it took Magellan two years to sail

1185

01:00:28,349 --> 01:00:33,630

around the planet and it only takes a

1186

01:00:30,900 --> 01:00:35,900

modern astronaut 90 minutes to circle

1187

01:00:33,630 --> 01:00:35,900

the earth

1188

01:00:38,539 --> 01:00:43,789

the Apollo project not only proved that

1189

01:00:41,449 --> 01:00:45,739

it is possible for mankind to leave the

1190

01:00:43,789 --> 01:00:48,949

earth and visit our nearest neighbor in

1191

01:00:45,739 --> 01:00:51,439

space the moon it revealed that even the

1192

01:00:48,949 --> 01:00:53,689

most prestigious scientists often

1193

01:00:51,440 --> 01:00:55,490

underestimate the ability of human

1194

01:00:53,690 --> 01:00:56,950

ingenuity to accomplish what is

1195

01:00:55,489 --> 01:01:01,309

considered impossible

1196

01:00:56,949 --> 01:01:03,679

in 1957 Lee de Forest the inventor of

1197

01:01:01,309 --> 01:01:06,500

the vacuum tube and father of modern

1198  
01:01:03,679 --> 01:01:08,599  
electronics stated that no matter what

1199  
01:01:06,500 --> 01:01:10,880  
the inventions of the future man would

1200  
01:01:08,599 --> 01:01:14,329  
never land on the moon and bring back

1201  
01:01:10,880 --> 01:01:16,309  
samples to earth just twelve years after

1202  
01:01:14,329 --> 01:01:18,199  
that millions of people on the earth

1203  
01:01:16,309 --> 01:01:22,449  
were able to watch the first moon

1204  
01:01:18,199 --> 01:01:22,449  
landing on television as it happened

1205  
01:01:23,679 --> 01:01:29,000  
when trying to understand UFOs it is

1206  
01:01:27,079 --> 01:01:31,250  
important to be careful about using the

1207  
01:01:29,000 --> 01:01:33,170  
word impossible because the history of

1208  
01:01:31,250 --> 01:01:34,940  
our own technology shows that

1209  
01:01:33,170 --> 01:01:37,039  
intelligent beings have a habit of

1210  
01:01:34,940 --> 01:01:42,019  
accomplishing what was once considered

1211  
01:01:37,039 --> 01:01:44,239  
impossible today some people consider it

1212  
01:01:42,019 --> 01:01:46,699  
impossible to travel the vast distances

1213  
01:01:44,239 --> 01:01:49,339  
between stars the state of current

1214  
01:01:46,699 --> 01:01:52,669  
technology already indicates that their

1215  
01:01:49,340 --> 01:01:54,680  
ideas will soon be as obsolete as mr. de

1216  
01:01:52,670 --> 01:01:57,260  
forests statement that man would never

1217  
01:01:54,679 --> 01:01:59,179  
land on the moon we could build

1218  
01:01:57,260 --> 01:02:01,250  
nuclear-powered starships that could

1219  
01:01:59,179 --> 01:02:04,509  
travel in space just the way this

1220  
01:02:01,250 --> 01:02:04,510  
submarine travels on

1221  
01:02:04,739 --> 01:02:10,118  
these starships to travel to nearby

1222  
01:02:07,179 --> 01:02:12,940  
stars and return within the lifetime of

1223  
01:02:10,119 --> 01:02:15,608  
a man they would be powered by nuclear

1224  
01:02:12,940 --> 01:02:18,099  
fusion the energy source of the Sun and

1225  
01:02:15,608 --> 01:02:25,119  
the same nuclear process used in the

1226

01:02:18,099 --> 01:02:27,160  
hydrogen bomb an advanced starship

1227  
01:02:25,119 --> 01:02:29,230  
capable of traveling close to the speed

1228  
01:02:27,159 --> 01:02:31,598  
of light could take advantage of

1229  
01:02:29,230 --> 01:02:35,679  
Einstein's law of relativity which has

1230  
01:02:31,599 --> 01:02:37,210  
now been experimentally verified as the

1231  
01:02:35,679 --> 01:02:39,250  
spaceship approached the speed of light

1232  
01:02:37,210 --> 01:02:42,429  
the objects that they approached would

1233  
01:02:39,250 --> 01:02:46,679  
take on a red glow time would begin to

1234  
01:02:42,429 --> 01:02:49,960  
slow down for the crew when they reached

1235  
01:02:46,679 --> 01:02:53,409  
99.999% of the speed of light they could

1236  
01:02:49,960 --> 01:02:54,608  
travel to a star 37 light-years away in

1237  
01:02:53,409 --> 01:02:57,549  
just two months

1238  
01:02:54,608 --> 01:03:00,519  
pilot time the people that they left

1239  
01:02:57,550 --> 01:03:02,410  
behind would be 37 years older but the

1240  
01:03:00,519 --> 01:03:07,269

crew of this starship would have aged

1241

01:03:02,409 --> 01:03:09,460

only two months the space shuttle will

1242

01:03:07,269 --> 01:03:11,400

be able to lift portions of a giant

1243

01:03:09,460 --> 01:03:13,559

nuclear fission or

1244

01:03:11,400 --> 01:03:15,539

fusion rocket into orbit around the

1245

01:03:13,559 --> 01:03:17,579

earth where it could be assembled from

1246

01:03:15,539 --> 01:03:31,049

there it could be launched to other

1247

01:03:17,579 --> 01:03:33,839

solar systems the Space Shuttle will

1248

01:03:31,048 --> 01:03:34,619

also be used to build and supply Space

1249

01:03:33,838 --> 01:03:40,279

Station's

1250

01:03:34,619 --> 01:03:43,079

[Music]

1251

01:03:40,280 --> 01:03:45,960

astronauts have already stayed in space

1252

01:03:43,079 --> 01:03:48,000

for five months we are rapidly

1253

01:03:45,960 --> 01:03:50,280

approaching a time when they will be a

1254

01:03:48,000 --> 01:03:54,230

permanent space colony and there will

1255  
01:03:50,280 --> 01:03:54,230  
always be Earthlings in space

1256  
01:03:56,500 --> 01:03:59,599  
[Music]

1257  
01:03:59,900 --> 01:04:18,358  
[Applause]

1258  
01:04:14,750 --> 01:04:20,730  
our civilization on earth is destined to

1259  
01:04:18,358 --> 01:04:25,048  
become a space traveling culture and our

1260  
01:04:20,730 --> 01:04:26,670  
space age is less than 25 years old who

1261  
01:04:25,048 --> 01:04:28,739  
could possibly estimate the

1262  
01:04:26,670 --> 01:04:30,990  
technological limits of a space

1263  
01:04:28,739 --> 01:04:37,108  
traveling culture that is a billion

1264  
01:04:30,989 --> 01:04:39,328  
years older than our own this UFO caused

1265  
01:04:37,108 --> 01:04:41,278  
severe static on the photographer's

1266  
01:04:39,329 --> 01:04:43,140  
transistor radio as it maneuvered

1267  
01:04:41,278 --> 01:04:46,000  
overhead

1268  
01:04:43,139 --> 01:04:49,098  
[Laughter]

1269  
01:04:46,000 --> 01:04:49,099  
[Music]

1270  
01:04:50,239 --> 01:04:55,379  
reports of UFOs causing magnetic

1271  
01:04:53,070 --> 01:04:57,440  
disturbance such as the interruption of

1272  
01:04:55,380 --> 01:04:59,760  
television and radio transmissions and

1273  
01:04:57,440 --> 01:05:03,090  
interference with the electrical systems

1274  
01:04:59,760 --> 01:05:06,240  
of cars are common this electrical

1275  
01:05:03,090 --> 01:05:09,000  
interference strongly suggests that at

1276  
01:05:06,239 --> 01:05:11,369  
least one UFO atmospheric propulsion

1277  
01:05:09,000 --> 01:05:15,239  
system is based on some kind of

1278  
01:05:11,369 --> 01:05:16,799  
electromagnetic propulsion the first

1279  
01:05:15,239 --> 01:05:19,079  
successful test of an electromagnetic

1280  
01:05:16,800 --> 01:05:22,200  
propulsion system was conducted on earth

1281  
01:05:19,079 --> 01:05:25,409  
in 1966 when this electromagnetic

1282  
01:05:22,199 --> 01:05:29,609  
submarine was first demonstrated it cost

1283

01:05:25,409 --> 01:05:31,949  
only two thousand dollars to build it's

1284  
01:05:29,610 --> 01:05:34,640  
homemade look is reminiscent of the

1285  
01:05:31,949 --> 01:05:34,639  
Wright brother's airplane

1286  
01:05:35,480 --> 01:05:40,099  
it clearly demonstrates the potential

1287  
01:05:37,820 --> 01:05:42,109  
for magnetic propulsion this

1288  
01:05:40,099 --> 01:05:44,599  
electromagnetic submarine moves through

1289  
01:05:42,108 --> 01:05:51,039  
the water as a result of electromagnetic

1290  
01:05:44,599 --> 01:05:53,659  
forces it has absolutely no moving parts

1291  
01:05:51,039 --> 01:05:57,309  
ionized air is an electrically

1292  
01:05:53,659 --> 01:05:59,750  
conductive substance just like sea water

1293  
01:05:57,309 --> 01:06:03,710  
this film was taken from a space capsule

1294  
01:05:59,750 --> 01:06:06,920  
returning to Earth it shows air ionized

1295  
01:06:03,710 --> 01:06:09,079  
by the extreme heat of reentry the

1296  
01:06:06,920 --> 01:06:11,539  
glowing ionized air seen around the

1297  
01:06:09,079 --> 01:06:13,730

space capsule is very similar to the

1298

01:06:11,539 --> 01:06:23,750

glowing effect photographed around UFOs

1299

01:06:13,730 --> 01:06:26,019

and described by UFO witnesses UFOs may

1300

01:06:23,750 --> 01:06:27,980

be propelled by some sort of advanced

1301

01:06:26,019 --> 01:06:30,500

electromagnetic system that is

1302

01:06:27,980 --> 01:06:33,019

foreshadowed by this primitive submarine

1303

01:06:30,500 --> 01:06:36,130

just as Goddard's Rockets foreshadowed

1304

01:06:33,019 --> 01:06:36,130

this advance

1305

01:06:41,090 --> 01:06:46,850

the Travis Walton case is not the only

1306

01:06:44,389 --> 01:06:50,960

well documented instance of a person

1307

01:06:46,849 --> 01:06:54,549

being abducted by a UFO these books

1308

01:06:50,960 --> 01:06:54,550

record many such cases

1309

01:06:56,579 --> 01:07:02,299

[Music]

1310

01:07:05,000 --> 01:07:10,369

perhaps the best-known abduction of all

1311

01:07:07,460 --> 01:07:11,960

and one of the earliest reported is the

1312  
01:07:10,369 --> 01:07:14,980  
abduction of a well-respected New

1313  
01:07:11,960 --> 01:07:18,470  
England couple Betty and Barney Hill

1314  
01:07:14,980 --> 01:07:21,559  
Barney Hill died in February of 1969

1315  
01:07:18,469 --> 01:07:26,149  
eight years after their UFO experience

1316  
01:07:21,559 --> 01:07:28,009  
on September 20th 1961 their experience

1317  
01:07:26,150 --> 01:07:31,608  
has been described in a book the

1318  
01:07:28,010 --> 01:07:36,020  
interrupted journey and a movie the UFO

1319  
01:07:31,608 --> 01:07:38,239  
incident Betty and Barney Hill were

1320  
01:07:36,019 --> 01:07:39,889  
driving along a deserted road at two

1321  
01:07:38,239 --> 01:07:42,429  
o'clock in the morning on their way to

1322  
01:07:39,889 --> 01:07:45,409  
their New Hampshire home from Montreal

1323  
01:07:42,429 --> 01:07:49,159  
suddenly we began to see a strange light

1324  
01:07:45,409 --> 01:07:52,639  
in the sky which was renewing in a very

1325  
01:07:49,159 --> 01:07:55,489  
erratic pattern this light began to drop

1326  
01:07:52,639 --> 01:07:57,920  
flying along beside us and did this for

1327  
01:07:55,489 --> 01:08:00,919  
about 30 miles until he came to an area

1328  
01:07:57,920 --> 01:08:03,470  
known as Indian Head and at that place

1329  
01:08:00,920 --> 01:08:06,559  
this light left the top of the mountain

1330  
01:08:03,469 --> 01:08:10,569  
came out over the highway and stopped in

1331  
01:08:06,559 --> 01:08:12,409  
midair directly in front of us Barney

1332  
01:08:10,570 --> 01:08:14,420  
jumped out of the cab with the

1333  
01:08:12,409 --> 01:08:17,420  
binoculars in an attempt to try to

1334  
01:08:14,420 --> 01:08:19,600  
identify this craft because this was we

1335  
01:08:17,420 --> 01:08:22,190  
knew nothing about UFOs at the time

1336  
01:08:19,600 --> 01:08:24,620  
Barney walked towards it looking up

1337  
01:08:22,189 --> 01:08:27,199  
through the binoculars and he could see

1338  
01:08:24,619 --> 01:08:29,479  
a red light on each side and figure

1339  
01:08:27,199 --> 01:08:32,479  
standing behind the double row of

1340

01:08:29,479 --> 01:08:34,639  
windows he panicked and he ran back to

1341  
01:08:32,479 --> 01:08:36,619  
the car saying they plan to capture us

1342  
01:08:34,640 --> 01:08:38,829  
and we had to get out of there

1343  
01:08:36,619 --> 01:08:41,390  
and we went speeding down the highway

1344  
01:08:38,829 --> 01:08:43,698  
and at that point we heard beeping

1345  
01:08:41,390 --> 01:08:45,859  
sounds in the car vibrated

1346  
01:08:43,698 --> 01:08:49,039  
now when we arrived home we had many

1347  
01:08:45,859 --> 01:08:51,170  
puzzles tops of Barney's shoes were

1348  
01:08:49,039 --> 01:08:53,539  
scuffed our watches and stopped

1349  
01:08:51,170 --> 01:08:56,029  
functioning they were highly polished

1350  
01:08:53,539 --> 01:08:58,789  
spots in the trunk of the car but the

1351  
01:08:56,029 --> 01:09:02,900  
biggest mystery of all was the fact that

1352  
01:08:58,789 --> 01:09:05,420  
it had taken us seven hours to drive 190

1353  
01:09:02,899 --> 01:09:08,500  
miles the hills reported their sighting

1354  
01:09:05,420 --> 01:09:11,779

of a UFO to nearby Pease Air Force Base

1355

01:09:08,500 --> 01:09:15,140

for fear of ridicule they left out their

1356

01:09:11,779 --> 01:09:15,920

observation of alien beings during the

1357

01:09:15,140 --> 01:09:18,410

next two years

1358

01:09:15,920 --> 01:09:21,250

Betty Hill was haunted by nightmares and

1359

01:09:18,409 --> 01:09:23,389

Barney developed a debilitating ulcer

1360

01:09:21,250 --> 01:09:25,159

fearing that the ulcer and nightmares

1361

01:09:23,390 --> 01:09:28,310

were rooted in the two hours of lost

1362

01:09:25,159 --> 01:09:31,969

time the hill sought the help of dr.

1363

01:09:28,310 --> 01:09:35,210

Benjamin Simon a psychiatrist and expert

1364

01:09:31,969 --> 01:09:37,369

in regressive hypnosis dr. Simon

1365

01:09:35,210 --> 01:09:40,069

conducted weekly hypnosis sessions with

1366

01:09:37,369 --> 01:09:41,988

each of the hills separately he would

1367

01:09:40,069 --> 01:09:43,580

induce amnesia in each of the hills

1368

01:09:41,988 --> 01:09:46,099

session to make sure they couldn't

1369  
01:09:43,579 --> 01:09:49,250  
discuss or exchange information about

1370  
01:09:46,100 --> 01:09:51,588  
what they remembered after three months

1371  
01:09:49,250 --> 01:09:54,439  
a clearer picture of their abduction

1372  
01:09:51,588 --> 01:09:58,488  
emerged and Barney's ulcer had been

1373  
01:09:54,439 --> 01:10:01,039  
cured at that point dr. Simon played for

1374  
01:09:58,488 --> 01:10:03,289  
them a composite tape of all of the

1375  
01:10:01,039 --> 01:10:07,519  
sessions and the hills found out the

1376  
01:10:03,289 --> 01:10:10,429  
truth about the two missing hours it was

1377  
01:10:07,520 --> 01:10:12,739  
at this point the beings that had been

1378  
01:10:10,429 --> 01:10:14,810  
on the craft but now standing in the

1379  
01:10:12,738 --> 01:10:15,319  
middle of the road a dirt road blocking

1380  
01:10:14,810 --> 01:10:19,550  
our way

1381  
01:10:15,319 --> 01:10:21,500  
the car motor stalled they separated

1382  
01:10:19,550 --> 01:10:23,960  
came up onto each side

1383  
01:10:21,500 --> 01:10:26,750  
took us out of the car and at that point

1384  
01:10:23,960 --> 01:10:30,289  
I realized that they undoubtedly plan to

1385  
01:10:26,750 --> 01:10:33,920  
take us on board and that even increased

1386  
01:10:30,289 --> 01:10:36,140  
my fears so that actually by the time we

1387  
01:10:33,920 --> 01:10:40,099  
had arrived at the craft I was fighting

1388  
01:10:36,140 --> 01:10:42,539  
but I was in a panic they just held me

1389  
01:10:40,099 --> 01:10:44,880  
after Mrs. Hills examination by the

1390  
01:10:42,539 --> 01:10:46,920  
aliens had been completed she had an

1391  
01:10:44,880 --> 01:10:50,250  
opportunity to speak with the leader of

1392  
01:10:46,920 --> 01:10:52,380  
the aliens when I asked the reader where

1393  
01:10:50,250 --> 01:10:55,319  
he was from I said I know you're not

1394  
01:10:52,380 --> 01:10:58,230  
from this planet and this is when I saw

1395  
01:10:55,319 --> 01:11:03,328  
the star map it looked almost like I was

1396  
01:10:58,229 --> 01:11:05,968  
looking out a window it was about 3 or 4

1397

01:11:03,328 --> 01:11:08,399  
feet long and about 2 feet high there

1398  
01:11:05,969 --> 01:11:11,010  
are all these balls of light in it no

1399  
01:11:08,399 --> 01:11:13,679  
later explained to me the heavy blinds

1400  
01:11:11,010 --> 01:11:16,260  
the places they go all the time or

1401  
01:11:13,679 --> 01:11:19,770  
frequently the broken lines were

1402  
01:11:16,260 --> 01:11:23,639  
expeditions he asked me if I knew where

1403  
01:11:19,770 --> 01:11:26,880  
I was on the map I told him no that I

1404  
01:11:23,639 --> 01:11:30,929  
knew nothing about astronomy and so he

1405  
01:11:26,880 --> 01:11:32,880  
said if I did not know where I was in

1406  
01:11:30,929 --> 01:11:35,760  
the map then there was no point there

1407  
01:11:32,880 --> 01:11:37,230  
trying to explain it to me I just didn't

1408  
01:11:35,760 --> 01:11:39,570  
have the necessary knowledge

1409  
01:11:37,229 --> 01:11:41,819  
Betty drew the star map she had seen on

1410  
01:11:39,569 --> 01:11:45,090  
board the spacecraft and it appeared in

1411  
01:11:41,819 --> 01:11:48,179

her book because there was no indication

1412

01:11:45,090 --> 01:11:50,190

of which star was the Sun the best way

1413

01:11:48,179 --> 01:11:52,349

that this map could be interpreted would

1414

01:11:50,189 --> 01:11:54,899

be to build a large three-dimensional

1415

01:11:52,349 --> 01:11:58,289

model of the Sun and all the stars near

1416

01:11:54,899 --> 01:12:00,899

the Sun the one person who decided to

1417

01:11:58,289 --> 01:12:04,019

take on this difficult task was Marjorie

1418

01:12:00,899 --> 01:12:07,078

fish when I first started I expected to

1419

01:12:04,020 --> 01:12:09,599

find many similar patterns to Betty's

1420

01:12:07,078 --> 01:12:12,509

drawing but exactly the opposite

1421

01:12:09,599 --> 01:12:14,909

happened because of the peculiar spacing

1422

01:12:12,510 --> 01:12:17,460

of the stars near the Sun it was

1423

01:12:14,908 --> 01:12:19,769

impossible for Marjorie fish to find a

1424

01:12:17,460 --> 01:12:23,578

match of more than 4 or 5 of the 12

1425

01:12:19,770 --> 01:12:25,619

pattern stars in the star map then she

1426  
01:12:23,578 --> 01:12:28,679  
began to focus on the stars that were

1427  
01:12:25,618 --> 01:12:31,889  
most like the Sun and most likely to

1428  
01:12:28,679 --> 01:12:35,550  
have planets and life finally only the

1429  
01:12:31,889 --> 01:12:38,039  
very best stars for life were left when

1430  
01:12:35,550 --> 01:12:42,179  
that happened I had a nine-point match

1431  
01:12:38,039 --> 01:12:44,639  
in 1969 a new star catalog came out

1432  
01:12:42,179 --> 01:12:48,539  
giving more accurate distances between

1433  
01:12:44,639 --> 01:12:51,150  
stars Marjorie made a new model based on

1434  
01:12:48,539 --> 01:12:52,479  
those distances and disregarded all

1435  
01:12:51,149 --> 01:12:55,089  
stars a

1436  
01:12:52,479 --> 01:12:58,389  
cept the ones most likely to have

1437  
01:12:55,090 --> 01:13:00,220  
planets and life the whole pattern stood

1438  
01:12:58,390 --> 01:13:03,160  
out including three background stars

1439  
01:13:00,220 --> 01:13:05,770  
this is a very heavy exciting thing for

1440  
01:13:03,159 --> 01:13:08,199  
me the 15 point match achieved by

1441  
01:13:05,770 --> 01:13:11,320  
Marjorie fish of the Betty Hill star map

1442  
01:13:08,199 --> 01:13:13,988  
is unique and goes far beyond the laws

1443  
01:13:11,319 --> 01:13:15,759  
of chance despite the fact that Marjorie

1444  
01:13:13,988 --> 01:13:17,649  
fish tried thousands of different

1445  
01:13:15,760 --> 01:13:20,320  
combinations of stars to try to match

1446  
01:13:17,649 --> 01:13:22,750  
Betty's pattern she was able to find one

1447  
01:13:20,319 --> 01:13:24,519  
and only one pattern that matched angle

1448  
01:13:22,750 --> 01:13:27,609  
for angle line length for line length

1449  
01:13:24,520 --> 01:13:29,590  
but Betty had drawn the star pattern

1450  
01:13:27,609 --> 01:13:31,689  
makes sense from nearest star to nearest

1451  
01:13:29,590 --> 01:13:35,739  
star to nearest star the Sun is part of

1452  
01:13:31,689 --> 01:13:37,960  
the pattern quite remarkably every one

1453  
01:13:35,738 --> 01:13:40,719  
of the stars in the pattern is the right

1454

01:13:37,960 --> 01:13:42,609  
kind for planets in life and all of the

1455  
01:13:40,720 --> 01:13:45,670  
right kind of stars for planets in life

1456  
01:13:42,609 --> 01:13:47,799  
in this volume of space are part of the

1457  
01:13:45,670 --> 01:13:50,079  
pattern the chance of that happening by

1458  
01:13:47,800 --> 01:13:52,810  
accident all the right kind and only the

1459  
01:13:50,079 --> 01:13:55,869  
right kind for pattern stars is one in

1460  
01:13:52,810 --> 01:13:58,120  
several thousand perhaps most remarkably

1461  
01:13:55,869 --> 01:14:01,420  
this work tells us where one set of

1462  
01:13:58,119 --> 01:14:05,050  
visitors originates the base stars Zeta

1463  
01:14:01,420 --> 01:14:09,250  
1 and Zeta 2 Reticuli are a very special

1464  
01:14:05,050 --> 01:14:11,440  
pair of stars Zeta 1 and Zeta 2 Reticuli

1465  
01:14:09,250 --> 01:14:14,199  
are the closest to each other pair of

1466  
01:14:11,439 --> 01:14:17,589  
stars suitable for planets and life in

1467  
01:14:14,199 --> 01:14:20,050  
our entire neighborhood instead of being

1468  
01:14:17,590 --> 01:14:23,529

isolated from their neighbors as we are

1469

01:14:20,050 --> 01:14:26,020

Zeta 1 and Zeta 2 are a hundred times

1470

01:14:23,529 --> 01:14:28,329

closer to each other than we are to our

1471

01:14:26,020 --> 01:14:30,489

nearest neighbor it would not be

1472

01:14:28,329 --> 01:14:33,569

surprising if space travel developed

1473

01:14:30,488 --> 01:14:37,559

earlier between such close neighbors

1474

01:14:33,569 --> 01:14:40,679

Zeta 1 & 2 Reticuli are over a billion

1475

01:14:37,560 --> 01:14:42,780

years older than Earth clearly giving

1476

01:14:40,680 --> 01:14:45,170

any beings living there a long

1477

01:14:42,779 --> 01:14:48,389

evolutionary head start on us

1478

01:14:45,170 --> 01:14:50,399

we went to Ohio State University to get

1479

01:14:48,390 --> 01:14:54,660

an expert opinion about the validity of

1480

01:14:50,399 --> 01:14:56,609

Marjorie fish's starmap work professor

1481

01:14:54,659 --> 01:15:01,019

Walter Mitchell has been a professional

1482

01:14:56,609 --> 01:15:03,509

astronomer for over 20 years it took me

1483  
01:15:01,020 --> 01:15:05,250  
quite a long time to gain a full

1484  
01:15:03,510 --> 01:15:07,560  
appreciation for the work of Marjorie

1485  
01:15:05,250 --> 01:15:10,529  
fish but it's become apparent over the

1486  
01:15:07,560 --> 01:15:13,410  
years that first of all the work is

1487  
01:15:10,529 --> 01:15:16,229  
without question accurate the proven

1488  
01:15:13,409 --> 01:15:18,389  
validity of her starmap enormous Lea

1489  
01:15:16,229 --> 01:15:21,299  
increases the credibility of the

1490  
01:15:18,390 --> 01:15:23,490  
remainder of mrs. Hills story I was

1491  
01:15:21,300 --> 01:15:26,789  
taken into the first room Barney into

1492  
01:15:23,489 --> 01:15:31,409  
the second room where we were given as

1493  
01:15:26,789 --> 01:15:34,439  
the leader as I call him gave us testing

1494  
01:15:31,409 --> 01:15:36,779  
there were loving beings and for

1495  
01:15:34,439 --> 01:15:38,519  
purposes of identification a call one

1496  
01:15:36,779 --> 01:15:40,739  
the leader because he seemed to be in

1497  
01:15:38,520 --> 01:15:42,480  
charge of the project of Duras testing

1498  
01:15:40,739 --> 01:15:45,929  
and he was the only one who spoke

1499  
01:15:42,479 --> 01:15:48,269  
English then there was the examiner who

1500  
01:15:45,930 --> 01:15:51,329  
did the testing and then there were nine

1501  
01:15:48,270 --> 01:15:53,970  
others we call crew members they stayed

1502  
01:15:51,329 --> 01:15:56,010  
outside the room in the corona our

1503  
01:15:53,970 --> 01:15:58,710  
examinations are very much similar in

1504  
01:15:56,010 --> 01:16:03,060  
that with both Barney and I they checked

1505  
01:15:58,710 --> 01:16:06,539  
our eyes ears nose throat took samples

1506  
01:16:03,060 --> 01:16:10,440  
of our hair fingernail and they scraped

1507  
01:16:06,539 --> 01:16:14,130  
our skin with me they touched my body

1508  
01:16:10,439 --> 01:16:17,039  
with little points my wires they said he

1509  
01:16:14,130 --> 01:16:19,710  
was checking my nervous system and then

1510  
01:16:17,039 --> 01:16:23,010  
they attempted to insert a needle like

1511

01:16:19,710 --> 01:16:24,480  
instrument in my navel dye objected that

1512  
01:16:23,010 --> 01:16:26,970  
it would hurt and he said he shouldn't

1513  
01:16:24,479 --> 01:16:29,399  
hurt when he did this it caused a great

1514  
01:16:26,970 --> 01:16:31,800  
deal of pain he said it was a pregnancy

1515  
01:16:29,399 --> 01:16:36,599  
test and I said well that's no pregnancy

1516  
01:16:31,800 --> 01:16:38,820  
test here Betty Hill was right in 1961

1517  
01:16:36,600 --> 01:16:40,219  
there was no pregnancy test like that

1518  
01:16:38,819 --> 01:16:43,479  
here on earth

1519  
01:16:40,219 --> 01:16:47,180  
in the early 1970s two techniques

1520  
01:16:43,479 --> 01:16:50,509  
amniocentesis and laparoscopy have both

1521  
01:16:47,180 --> 01:16:52,100  
come in two why usage both are

1522  
01:16:50,510 --> 01:16:54,530  
techniques that provide information

1523  
01:16:52,100 --> 01:16:57,199  
about pregnancy and bear a striking

1524  
01:16:54,529 --> 01:17:01,880  
resemblance to the experience that Betty

1525  
01:16:57,198 --> 01:17:05,059

Hill described it's difficult to imagine

1526

01:17:01,880 --> 01:17:08,329

Betty Hill inventing medical techniques

1527

01:17:05,060 --> 01:17:12,039

that did not yet exist on earth unless

1528

01:17:08,329 --> 01:17:15,140

her UFO experience actually occurred

1529

01:17:12,039 --> 01:17:17,930

when the alien leaders saw the pain that

1530

01:17:15,140 --> 01:17:21,590

Betty was experiencing he put his hand

1531

01:17:17,930 --> 01:17:25,219

on her head and the pain went away at

1532

01:17:21,590 --> 01:17:27,560

this point the examiner came running

1533

01:17:25,219 --> 01:17:29,329

back into the room I'd opened my mouth I

1534

01:17:27,560 --> 01:17:32,840

started tugging at my teeth

1535

01:17:29,329 --> 01:17:36,890

and I said to the Lido what is he doing

1536

01:17:32,840 --> 01:17:39,560

and he said we're very very puzzled why

1537

01:17:36,890 --> 01:17:43,280

are Barney's teeth removable and yours

1538

01:17:39,560 --> 01:17:46,280

are not at that point we left the craft

1539

01:17:43,279 --> 01:17:47,809

and went back to the car and we stood

1540  
01:17:46,279 --> 01:17:50,929  
there by the car and we watched the

1541  
01:17:47,810 --> 01:17:55,730  
craft leave we saw become surrounded by

1542  
01:17:50,930 --> 01:17:58,100  
a fiery revolving mass of some kind we

1543  
01:17:55,729 --> 01:18:01,159  
could see the UFO in the middle of this

1544  
01:17:58,100 --> 01:18:02,570  
and it lifted up dipped down right right

1545  
01:18:01,159 --> 01:18:05,689  
straight up it was gone

1546  
01:18:02,569 --> 01:18:08,599  
I received a copy of the radar report

1547  
01:18:05,689 --> 01:18:12,169  
from Pease Air Force Base where they had

1548  
01:18:08,600 --> 01:18:15,590  
tracked an unidentified craft at 2:14

1549  
01:18:12,170 --> 01:18:18,079  
a.m. in the more about the time just

1550  
01:18:15,590 --> 01:18:21,650  
about the time we estimate that the UFO

1551  
01:18:18,079 --> 01:18:24,380  
left we went back and we found the spot

1552  
01:18:21,649 --> 01:18:28,729  
where we were captured it was not a

1553  
01:18:24,380 --> 01:18:31,489  
fantasy it was a real experience and I

1554  
01:18:28,729 --> 01:18:34,218  
believe that I have enough evidence to

1555  
01:18:31,488 --> 01:18:36,649  
establish that I first met Betty and

1556  
01:18:34,219 --> 01:18:38,539  
Barney Hill in November 1968

1557  
01:18:36,649 --> 01:18:41,779  
I've spent a great deal of time since

1558  
01:18:38,539 --> 01:18:43,880  
then investigating their abduction I've

1559  
01:18:41,779 --> 01:18:46,550  
talked to dr. Benjamin Simon about his

1560  
01:18:43,880 --> 01:18:49,100  
hypnosis sessions I've listened to the

1561  
01:18:46,550 --> 01:18:51,739  
tapes of those sessions and I've looked

1562  
01:18:49,100 --> 01:18:53,380  
at Marjorie fish's starmap work in great

1563  
01:18:51,738 --> 01:18:55,689  
depth

1564  
01:18:53,380 --> 01:18:57,909  
seems clear to me that Betty and Barney

1565  
01:18:55,689 --> 01:19:01,238  
Hill were taken on board a flying saucer

1566  
01:18:57,908 --> 01:19:05,319  
in New Hampshire in 1961 this story must

1567  
01:19:01,238 --> 01:19:07,149  
be taken at face value it's true I think

1568

01:19:05,319 --> 01:19:09,279  
for a long long time I had the feeling

1569  
01:19:07,149 --> 01:19:12,279  
that I had set up lives through a

1570  
01:19:09,279 --> 01:19:14,500  
tragedy in some way and sometimes even

1571  
01:19:12,279 --> 01:19:17,859  
now I still have this feeling because

1572  
01:19:14,500 --> 01:19:21,340  
it's something that's haunting if

1573  
01:19:17,859 --> 01:19:24,279  
something that's always on my mind no

1574  
01:19:21,340 --> 01:19:26,350  
matter where I go or what I do because I

1575  
01:19:24,279 --> 01:19:29,229  
do lead a very active life and I have

1576  
01:19:26,350 --> 01:19:31,570  
many many interests but always that's on

1577  
01:19:29,229 --> 01:19:33,488  
the back of my mind it's the last thing

1578  
01:19:31,569 --> 01:19:35,769  
I think of when I go to bed at night and

1579  
01:19:33,488 --> 01:19:40,869  
it's the first thing I think of in the

1580  
01:19:35,770 --> 01:19:42,040  
morning when I wake up I I expect it

1581  
01:19:40,869 --> 01:19:43,529  
will probably be that way for the rest

1582  
01:19:42,039 --> 01:19:46,689

of my life

1583

01:19:43,529 --> 01:19:49,809

Ted Phillips research into UFO landing

1584

01:19:46,689 --> 01:19:52,359

sites revealed amazing information as to

1585

01:19:49,810 --> 01:19:54,340

the frequency with which alien beings

1586

01:19:52,359 --> 01:19:56,799

have been observed visiting the earth

1587

01:19:54,340 --> 01:19:58,510

you find a surprising number of

1588

01:19:56,800 --> 01:20:03,940

instances in which humanoids are

1589

01:19:58,510 --> 01:20:08,500

reported near the landed UFO some 22% or

1590

01:20:03,939 --> 01:20:11,589

325 cases involve humanoids generally

1591

01:20:08,500 --> 01:20:15,789

described as small in size kind of pale

1592

01:20:11,590 --> 01:20:19,920

gray skin little if any hair wide-set

1593

01:20:15,789 --> 01:20:23,229

quite prominent eyes thin spindly bodies

1594

01:20:19,920 --> 01:20:25,359

slightly enlarged heads and wearing

1595

01:20:23,229 --> 01:20:27,759

tight-fitting divers suit as it is

1596

01:20:25,359 --> 01:20:30,908

generally described in over fifty of the

1597  
01:20:27,760 --> 01:20:32,670  
cases they were found small footprints

1598  
01:20:30,908 --> 01:20:36,579  
correlating of course with the small

1599  
01:20:32,670 --> 01:20:39,489  
humanoid scene dr. Leo sprinkle a state

1600  
01:20:36,579 --> 01:20:41,979  
psychologist who has examined 20 UFO

1601  
01:20:39,488 --> 01:20:45,569  
abductees says that they are absolutely

1602  
01:20:41,979 --> 01:20:48,519  
sane responsible people of great courage

1603  
01:20:45,569 --> 01:20:50,289  
he could find no mental aberration in

1604  
01:20:48,520 --> 01:20:52,989  
any of the people that he examined

1605  
01:20:50,289 --> 01:20:55,658  
people who took the trouble to talk to

1606  
01:20:52,988 --> 01:20:57,428  
me and investigate the thing saw that it

1607  
01:20:55,658 --> 01:20:59,619  
you know obviously must have happened

1608  
01:20:57,429 --> 01:21:02,380  
just as we reported it the overwhelming

1609  
01:20:59,619 --> 01:21:03,199  
picture that emerges from UFO abductions

1610  
01:21:02,380 --> 01:21:05,659  
II

1611  
01:21:03,199 --> 01:21:08,630  
that the alien beings are examining and

1612  
01:21:05,659 --> 01:21:17,750  
studying Earthlings much the way that we

1613  
01:21:08,630 --> 01:21:19,789  
examine and study wild animals dr. James

1614  
01:21:17,750 --> 01:21:21,560  
Harbor is a professor of civil

1615  
01:21:19,789 --> 01:21:24,350  
engineering at the University of

1616  
01:21:21,560 --> 01:21:25,060  
California at Berkeley we visited him at

1617  
01:21:24,350 --> 01:21:27,260  
his home

1618  
01:21:25,060 --> 01:21:29,690  
professor hardier is one of the leading

1619  
01:21:27,260 --> 01:21:32,480  
experts in the world concerning UFO

1620  
01:21:29,689 --> 01:21:35,809  
abduction he is hypnotized both Betty

1621  
01:21:32,479 --> 01:21:37,849  
Hill and Travis Walton he was also one

1622  
01:21:35,810 --> 01:21:40,100  
of the twelve scientists to present

1623  
01:21:37,850 --> 01:21:42,200  
overwhelming evidence at the u.s.

1624  
01:21:40,100 --> 01:21:45,470  
congressional hearings indicating that

1625

01:21:42,199 --> 01:21:46,489  
some UFOs are extraterrestrial

1626  
01:21:45,470 --> 01:21:49,070  
spacecraft

1627  
01:21:46,489 --> 01:21:51,199  
professor Carter has used hypnosis to

1628  
01:21:49,069 --> 01:21:53,779  
aid hundreds of people in remembering

1629  
01:21:51,199 --> 01:21:56,779  
the details of their UFO experiences and

1630  
01:21:53,779 --> 01:21:59,119  
believes that much of our confusion in

1631  
01:21:56,779 --> 01:22:01,489  
dealing with a large number of UFO

1632  
01:21:59,119 --> 01:22:04,159  
abduction reports stems from the fact

1633  
01:22:01,489 --> 01:22:08,599  
that there are many different alien

1634  
01:22:04,159 --> 01:22:12,920  
groups visiting the earth one of these

1635  
01:22:08,600 --> 01:22:14,870  
UFO abductees is Pat Roach she and her

1636  
01:22:12,920 --> 01:22:17,359  
daughter were apparently abducted by

1637  
01:22:14,869 --> 01:22:21,050  
alien beings on a flying saucer that

1638  
01:22:17,359 --> 01:22:26,239  
landed near their home in Utah visualize

1639  
01:22:21,050 --> 01:22:30,010

just what's in front of you there tell

1640

01:22:26,239 --> 01:22:30,010  
me what it is that your eyes see

1641

01:22:30,929 --> 01:22:38,829  
I'd say he's about I'm not good at

1642

01:22:34,149 --> 01:22:42,009  
height but possibly three and a half

1643

01:22:38,829 --> 01:22:45,429  
foot tall he is a little people he's

1644

01:22:42,010 --> 01:22:48,849  
skinny but he's not he's still in

1645

01:22:45,429 --> 01:22:51,810  
proportion although his arms are long

1646

01:22:48,849 --> 01:22:55,179  
that wasn't the impression that you got

1647

01:22:51,810 --> 01:22:57,400  
they can't really interfere they asked

1648

01:22:55,179 --> 01:23:01,149  
me what I liked and what I didn't like

1649

01:22:57,399 --> 01:23:05,059  
and they asked me how I felt about

1650

01:23:01,149 --> 01:23:08,599  
things how I felt about

1651

01:23:05,060 --> 01:23:11,810  
other people and how I felt about pain

1652

01:23:08,600 --> 01:23:13,039  
and then they took me back to instances

1653

01:23:11,810 --> 01:23:16,610  
in my life where I had had these

1654  
01:23:13,039 --> 01:23:19,489  
feelings and it's not right it's not

1655  
01:23:16,609 --> 01:23:20,960  
right to do that to people they were

1656  
01:23:19,489 --> 01:23:25,269  
just trying to learn as much as they

1657  
01:23:20,960 --> 01:23:30,069  
could know what tell me where bite you

1658  
01:23:25,270 --> 01:23:30,070  
there Pat your children all right

1659  
01:23:30,310 --> 01:23:35,990  
there's nothing going to be bothering

1660  
01:23:32,720 --> 01:23:40,760  
them they're perfectly safe there's no

1661  
01:23:35,989 --> 01:23:43,519  
reason for you to feel this upset one of

1662  
01:23:40,760 --> 01:23:47,199  
the things that's a pretty good earmark

1663  
01:23:43,520 --> 01:23:50,840  
of authenticity Don any reasonable doubt

1664  
01:23:47,199 --> 01:23:52,550  
is the welling up of a strong emotional

1665  
01:23:50,840 --> 01:23:56,440  
reaction during the time that a person

1666  
01:23:52,550 --> 01:24:00,470  
is reliving an experience under hypnosis

1667  
01:23:56,439 --> 01:24:04,339  
the spontaneity the emotional reaction

1668  
01:24:00,470 --> 01:24:05,690  
the quick tears and terror when you come

1669  
01:24:04,340 --> 01:24:08,810  
across that sort of thing as sometimes

1670  
01:24:05,689 --> 01:24:11,319  
all I'm sparring when those strange

1671  
01:24:08,810 --> 01:24:14,720  
beings started walking up to the car I

1672  
01:24:11,319 --> 01:24:17,049  
was so terrified that even now that I

1673  
01:24:14,720 --> 01:24:20,449  
think about it I wonder how I actually

1674  
01:24:17,050 --> 01:24:24,980  
lived through it to be able to see a UFO

1675  
01:24:20,449 --> 01:24:27,800  
close up leaves one feeling very

1676  
01:24:24,979 --> 01:24:29,269  
insignificant my connection with the UFO

1677  
01:24:27,800 --> 01:24:32,869  
phenomena has certainly changed my

1678  
01:24:29,270 --> 01:24:36,820  
outlook on life I I don't I feel much

1679  
01:24:32,869 --> 01:24:39,050  
freer knowing that there's an infinite

1680  
01:24:36,819 --> 01:24:41,029  
expansion of knowledge and existence out

1681  
01:24:39,050 --> 01:24:42,829  
there that we aren't stuck with the

1682

01:24:41,029 --> 01:24:46,880  
limitations that we think we we thought

1683  
01:24:42,829 --> 01:24:49,729  
we had man has always wondered about his

1684  
01:24:46,880 --> 01:24:51,350  
place in the universe once it was a

1685  
01:24:49,729 --> 01:24:53,029  
matter of conventional wisdom and

1686  
01:24:51,350 --> 01:24:54,860  
religious doctrine that the earth was

1687  
01:24:53,029 --> 01:24:58,779  
the center of the universe and the Sun

1688  
01:24:54,859 --> 01:25:02,000  
and Moon moved around it in 1543

1689  
01:24:58,779 --> 01:25:04,219  
Nicholas Copernicus realized that in

1690  
01:25:02,000 --> 01:25:08,000  
reality the earth was moving around the

1691  
01:25:04,220 --> 01:25:09,229  
Sun as were the other planets Giordano

1692  
01:25:08,000 --> 01:25:10,939  
Bruno

1693  
01:25:09,229 --> 01:25:13,699  
the madam first publicly proclaimed

1694  
01:25:10,939 --> 01:25:16,759  
Copernicus's views was burned at the

1695  
01:25:13,698 --> 01:25:19,848  
stake and Copernicus's discovery was

1696  
01:25:16,760 --> 01:25:21,340

successfully suppressed for over 200

1697

01:25:19,849 --> 01:25:24,708  
years

1698

01:25:21,340 --> 01:25:27,440  
the realization that UFOs are someone

1699

01:25:24,708 --> 01:25:29,748  
else's spacecraft completes the job that

1700

01:25:27,439 --> 01:25:31,458  
Copernicus started in discovering that

1701

01:25:29,748 --> 01:25:33,279  
the earth was not the center of the

1702

01:25:31,458 --> 01:25:38,349  
universe

1703

01:25:33,279 --> 01:25:38,349  
[Music]

1704

01:25:40,288 --> 01:25:46,349  
new ideas which change man's conception

1705

01:25:43,380 --> 01:25:48,750  
of himself and his universe coming to

1706

01:25:46,349 --> 01:25:50,550  
acceptance not because their opponents

1707

01:25:48,750 --> 01:25:53,250  
come to believe in them but because

1708

01:25:50,550 --> 01:25:56,420  
their opponents die and a new generation

1709

01:25:53,250 --> 01:26:03,939  
grows up that is accustomed to them

1710

01:25:56,420 --> 01:26:07,079  
[Music]

1711  
01:26:03,939 --> 01:26:09,488  
many of the ideas presented in this film

1712  
01:26:07,079 --> 01:26:12,390  
definitely challenge our present

1713  
01:26:09,488 --> 01:26:15,819  
conception of our place in the universe

1714  
01:26:12,390 --> 01:26:19,210  
however the evidence supporting these

1715  
01:26:15,819 --> 01:26:21,819  
ideas is so strong that it cannot be

1716  
01:26:19,210 --> 01:26:24,789  
ignored by open-minded people seeking

1717  
01:26:21,819 --> 01:26:27,099  
the truth Gordon Cooper's letter to the

1718  
01:26:24,789 --> 01:26:30,939  
United Nations verifying his UFO

1719  
01:26:27,100 --> 01:26:33,699  
experience 1,400 UFO landing sites where

1720  
01:26:30,939 --> 01:26:36,250  
the UFO affected the soil general Nathan

1721  
01:26:33,698 --> 01:26:38,679  
twining classified letter revealing the

1722  
01:26:36,250 --> 01:26:41,109  
Air Force's knowledge of the reality of

1723  
01:26:38,680 --> 01:26:43,719  
flying discs J edgar Hoover's

1724  
01:26:41,109 --> 01:26:46,779  
handwritten memo asking for access to

1725  
01:26:43,719 --> 01:26:49,960  
captured flying saucers major Marcel's

1726  
01:26:46,779 --> 01:26:52,779  
recovery of a crashed UFO computer

1727  
01:26:49,960 --> 01:26:55,630  
analyzed photographs of UFOs the six

1728  
01:26:52,779 --> 01:26:59,679  
polygraph tests verifying the reality of

1729  
01:26:55,630 --> 01:27:01,719  
Travis Waltons UFO experience the

1730  
01:26:59,680 --> 01:27:04,210  
evidence we have presented establishes

1731  
01:27:01,719 --> 01:27:08,010  
well beyond a reasonable doubt that

1732  
01:27:04,210 --> 01:27:11,670  
alien beings are visiting the earth in

1733  
01:27:08,010 --> 01:27:11,670  
extraterrestrial spacecraft

1734  
01:27:13,139 --> 01:27:18,719  
the next section of this film makes it

1735  
01:27:15,899 --> 01:27:21,448  
even more difficult to ignore the

1736  
01:27:18,719 --> 01:27:24,118  
reality of these extraterrestrial

1737  
01:27:21,448 --> 01:27:27,238  
visitors one of the most convincing UFO

1738  
01:27:24,118 --> 01:27:30,210  
cases of all time began in January 1975

1739

01:27:27,238 --> 01:27:32,939  
in Switzerland the experience begins to

1740  
01:27:30,210 --> 01:27:35,029  
the UFO abduction case a Swiss farmer

1741  
01:27:32,939 --> 01:27:37,049  
was taken aboard a spacecraft

1742  
01:27:35,029 --> 01:27:38,519  
articulated words with the occupants

1743  
01:27:37,050 --> 01:27:40,679  
that began in exchange of information

1744  
01:27:38,520 --> 01:27:43,800  
that has continued on and is going on

1745  
01:27:40,679 --> 01:27:45,300  
today still going on today spacecraft

1746  
01:27:43,800 --> 01:27:47,429  
flew out of the blue and landed the

1747  
01:27:45,300 --> 01:27:48,900  
occupant got up and stood in the grass

1748  
01:27:47,429 --> 01:27:50,460  
and sat on the grass and talked to the

1749  
01:27:48,899 --> 01:27:52,319  
man and they had an exchange that lasted

1750  
01:27:50,460 --> 01:27:54,899  
20 minutes and there have been a hundred

1751  
01:27:52,319 --> 01:27:57,059  
and sixteen contacts since then case

1752  
01:27:54,899 --> 01:27:58,079  
involved a mr. Billy - today's question

1753  
01:27:57,060 --> 01:27:59,909

they said that they come from the

1754

01:27:58,079 --> 01:28:02,939

Pleiades they said that they are here

1755

01:27:59,908 --> 01:28:05,399

observing humanity that they have

1756

01:28:02,939 --> 01:28:07,469

information some of the information is

1757

01:28:05,399 --> 01:28:09,839

of scientific nature and that he would

1758

01:28:07,469 --> 01:28:12,630

be asked to pass it to other people they

1759

01:28:09,840 --> 01:28:14,550

say that they are not gods they're not

1760

01:28:12,630 --> 01:28:16,529

superior people they are men just like

1761

01:28:14,550 --> 01:28:19,260

we're men and he's taken hundreds of

1762

01:28:16,529 --> 01:28:22,259

photographs of the Pleiadian spacecraft

1763

01:28:19,260 --> 01:28:23,880

operating in Swiss airspace and this has

1764

01:28:22,260 --> 01:28:26,579

all been checked by the computer the

1765

01:28:23,880 --> 01:28:30,300

computer says that this object is on the

1766

01:28:26,579 --> 01:28:32,460

order of 20 feet in diameter and about a

1767

01:28:30,300 --> 01:28:34,829

hundred and twenty yards away it agrees

1768  
01:28:32,460 --> 01:28:36,300  
with what the witness said about the

1769  
01:28:34,829 --> 01:28:37,319  
diary says it's seven meters in darkness

1770  
01:28:36,300 --> 01:28:39,750  
about 21 feet

1771  
01:28:37,319 --> 01:28:42,149  
he took messages he copied notes from

1772  
01:28:39,750 --> 01:28:44,609  
the Pleadians wrote them down over two

1773  
01:28:42,149 --> 01:28:46,559  
thousand pages worth here's a book of

1774  
01:28:44,609 --> 01:28:48,118  
600 pages that I have translated in

1775  
01:28:46,560 --> 01:28:52,219  
English so far this represents

1776  
01:28:48,118 --> 01:28:52,219  
one-fourth one-fourth of the notes

1777  
01:28:53,958 --> 01:28:59,179  
we have no case on record with that

1778  
01:28:56,849 --> 01:29:01,979  
volume of information delivered by

1779  
01:28:59,179 --> 01:29:05,368  
extraterrestrial contacts to a contact

1780  
01:29:01,979 --> 01:29:07,320  
eat a UFO contactee and the information

1781  
01:29:05,368 --> 01:29:10,078  
in there is just staggering just

1782  
01:29:07,319 --> 01:29:11,938  
phenomenal the information covers

1783  
01:29:10,078 --> 01:29:13,648  
technical and scientific data as best

1784  
01:29:11,939 --> 01:29:15,209  
they can explain it to us in terms of

1785  
01:29:13,649 --> 01:29:17,550  
the words that we use in our technology

1786  
01:29:15,208 --> 01:29:19,559  
it gets into spiritual problems

1787  
01:29:17,550 --> 01:29:22,079  
spiritual development of man and our

1788  
01:29:19,559 --> 01:29:24,929  
relationship to deity it has it

1789  
01:29:22,078 --> 01:29:27,179  
describes other existences in space

1790  
01:29:24,929 --> 01:29:29,368  
other human beings living in other

1791  
01:29:27,179 --> 01:29:31,708  
planetary environments they're here

1792  
01:29:29,368 --> 01:29:33,748  
because they're concerned about us their

1793  
01:29:31,708 --> 01:29:35,878  
younger brothers are technical

1794  
01:29:33,748 --> 01:29:37,828  
potentials have exceeded our spiritual

1795  
01:29:35,878 --> 01:29:39,569  
capability of handling the information

1796

01:29:37,828 --> 01:29:41,578  
and we are now in a position where we

1797  
01:29:39,569 --> 01:29:43,859  
can destroy ourselves and we don't have

1798  
01:29:41,578 --> 01:29:46,109  
the spiritual development to prevent it

1799  
01:29:43,859 --> 01:29:48,328  
and they will because this we have

1800  
01:29:46,109 --> 01:29:49,948  
become a laboratory experiment they are

1801  
01:29:48,328 --> 01:29:51,929  
waiting to see what we're going to do as

1802  
01:29:49,948 --> 01:29:54,198  
a matter of fact they don't see us

1803  
01:29:51,929 --> 01:29:56,699  
solving the problem they see us as a an

1804  
01:29:54,198 --> 01:30:00,148  
insane society rushing headlong to

1805  
01:29:56,698 --> 01:30:03,089  
destruction and that only a change of

1806  
01:30:00,149 --> 01:30:07,249  
mass mind on a mass scale can influence

1807  
01:30:03,090 --> 01:30:07,248  
it and they don't see this happening

1808  
01:30:13,368 --> 01:30:15,429  
you
