[Music]

2
00:00:09,679 --> 00:00:14,309
my stepdaughter was scared to death okay

3
00:00:12,929 --> 00:00:18,990
she wouldn't leave the house because it

4
00:00:14,308 --> 00:00:22,410
was something flying over a half great

5
00:00:18,989 --> 00:00:25,359
though it was the end of time

6
00:00:22,410 --> 00:00:27,310
[Music]

7
00:00:25,359 --> 00:00:30,399
when I regained consciousness I was on

8
00:00:27,309 --> 00:00:33,369
board of this apparently out onboard the

9
00:00:30,399 --> 00:00:39,250
spacecraft and I encountered two

10
00:00:33,369 --> 00:00:41,979
different types of beings we have

11
00:00:39,250 --> 00:00:44,530
photographs we have films we have expert

12
00:00:41,979 --> 00:00:46,719
witnesses what more do you want we could

13
00:00:44,530 --> 00:00:49,058
prove that these objects exist we'll

14
00:00:46,719 --> 00:00:51,070
pass the point of proving they exist the

15
00:00:49,058 --> 00:00:54,009
question now is why are they here and

16
00:00:51,070 --> 00:00:57,670
what do they want unidentified flying

17
00:00:54,009 --> 00:00:59,048
objects UFOs are they spaceships from

18
00:00:57,670 --> 00:01:03,309
other worlds traveling through our

19
00:00:59,048 --> 00:01:05,640
galaxy or are they something else so far

20
00:01:03,308 --> 00:01:08,590
we cannot escape our own solar system

21
00:01:05,640 --> 00:01:11,618
our technology is placed man no further

22
00:01:08,590 --> 00:01:15,579
out than the moon if we can't travel to

23
00:01:11,618 --> 00:01:18,400
them can they be coming to us the

24
00:01:15,579 --> 00:01:19,450
American government says no despite

25
00:01:18,400 --> 00:01:21,670
films like this

26
00:01:19,450 --> 00:01:23,019
they say it's physically impossible so

27
00:01:21,670 --> 00:01:26,170
they've closed all their official

28
00:01:23,019 --> 00:01:28,810
investigations of UFOs that was a

29

00:01:26,170 --> 00:01:30,070
fallacy 69 they claim to the public that

30
00:01:28,810 --> 00:01:31,859
they closed the doors and they didn't

31
00:01:30,069 --> 00:01:34,719
because the document shows that they

32
00:01:31,859 --> 00:01:36,459
continued on gathering information so

33
00:01:34,719 --> 00:01:37,989
that was an out-and-out lie under the

34
00:01:36,459 --> 00:01:39,819
Freedom of Information Act some

35
00:01:37,989 --> 00:01:42,099
Americans petitioned the government for

36
00:01:39,819 --> 00:01:44,349
the release of top-secret UFO documents

37
00:01:42,099 --> 00:01:46,929
these documents they claim suggest to

38
00:01:44,349 --> 00:01:48,819
cover up a cosmic Watergate all we want

39
00:01:46,930 --> 00:01:51,610
to know is what's going on we want the

40
00:01:48,819 --> 00:01:56,458
government to tell us the truth

41
00:01:51,609 --> 00:01:56,459
[Music]

42
00:02:00,950 --> 00:02:05,670
the truth some believe is that a higher

43
00:02:03,780 --> 00:02:08,430

intelligence from a planet far beyond

44

00:02:05,670 --> 00:02:10,469

our galaxy has mastered a technology

45

00:02:08,430 --> 00:02:14,310

that makes it possible for them to do

46

00:02:10,469 --> 00:02:16,050

things we can only dream of they believe

47

00:02:14,310 --> 00:02:18,120

that these beams are penetrating the

48

00:02:16,050 --> 00:02:20,300

Galactic myth that shrouds and protects

49

00:02:18,120 --> 00:02:22,349

our planet some believe that these

50

00:02:20,300 --> 00:02:24,150

extraterrestrials technology is so

51

00:02:22,349 --> 00:02:25,979

advanced that they might even have

52

00:02:24,150 --> 00:02:30,719

visited us long before the birth of

53

00:02:25,979 --> 00:02:33,319

Christ are there secret messages carved

54

00:02:30,719 --> 00:02:35,580

in the stones of the pyramids of Egypt

55

00:02:33,319 --> 00:02:40,109

messages that tell us of the mysterious

56

00:02:35,580 --> 00:02:42,060

voyages of ancient astronaut on the

57

00:02:40,110 --> 00:02:43,620

pyramids of Egypt in Mexico and in

58
00:02:42,060 --> 00:02:45,840
primitive cave drawings all over the

59
00:02:43,620 --> 00:02:48,300
world there are carvings and images that

60
00:02:45,840 --> 00:02:50,159
many describe as being of intergalactic

61
00:02:48,300 --> 00:02:52,740
travelers dressed in space suits and

62
00:02:50,159 --> 00:02:56,719
helmets

63
00:02:52,740 --> 00:02:59,569
[Music]

64
00:02:56,719 --> 00:03:02,219
early Romans wrote about flying shield

65
00:02:59,568 --> 00:03:04,669
ancient Egyptians about circles of fire

66
00:03:02,219 --> 00:03:06,889
in the sky

67
00:03:04,669 --> 00:03:09,829
are these references and these drawings

68
00:03:06,889 --> 00:03:13,729
about spaceman or about the gods they

69
00:03:09,830 --> 00:03:15,530
worshiped in the heavens above aliens

70
00:03:13,729 --> 00:03:17,599
from other worlds with extraterrestrial

71
00:03:15,530 --> 00:03:19,370
powers are credited by some with having

72
00:03:17,599 --> 00:03:26,060
moved the great stone monuments of

73
00:03:19,370 --> 00:03:27,590
Easter Island others point to the giant

74
00:03:26,060 --> 00:03:30,229
circle of Stonehenge has been a

75
00:03:27,590 --> 00:03:32,509
sophisticated astronomical tool only

76
00:03:30,229 --> 00:03:33,979
possible at the time if it were designed

77
00:03:32,509 --> 00:03:37,579
by others with the more advanced

78
00:03:33,979 --> 00:03:40,780
knowledge of the universe and then there

79
00:03:37,580 --> 00:03:43,550
are the Nazca line and alleged spaceport

80
00:03:40,780 --> 00:03:46,280
these mysterious images decipherable

81
00:03:43,550 --> 00:03:48,350
only when seen from the air were carved

82
00:03:46,280 --> 00:03:50,560
in the ancient times atop a mountain in

83
00:03:48,349 --> 00:03:50,560
Peru

84
00:03:52,348 --> 00:03:59,608
many claims this was a landing area for

85
00:03:54,628 --> 00:04:01,438
et's if they're worried T's come in here

86

00:03:59,609 --> 00:04:05,849
in ancient times they seem to have lost

87
00:04:01,438 --> 00:04:08,128
interest in it until 1947 then suddenly

88
00:04:05,848 --> 00:04:09,869
around the world people of all kinds

89
00:04:08,128 --> 00:04:12,000
began to report seeing them in the skies

90
00:04:09,870 --> 00:04:14,430
above some claimed to have photographed

91
00:04:12,000 --> 00:04:16,829
them in the United States the government

92
00:04:14,430 --> 00:04:18,299
dismissed the phenomenon they described

93
00:04:16,829 --> 00:04:20,639
the mysterious objects as weather

94
00:04:18,298 --> 00:04:21,919
balloons hoaxes swamp gas and other

95
00:04:20,639 --> 00:04:29,139
scientific anomaly

97
00:04:29,139 --> 00:04:33,669
world war two it just ended a new age

98
00:04:31,660 --> 00:04:36,850
had begun at the Alamogordo flats of New

99
00:04:33,670 --> 00:04:38,620
Mexico the atomic bomb had unleashed an

100
00:04:36,850 --> 00:04:41,920

energy that some believed would take us

101

00:04:38,620 --> 00:04:44,079

beyond the Stars reason enough some say

102

00:04:41,920 --> 00:04:46,120

for those higher intelligences who dwell

103

00:04:44,079 --> 00:04:49,329

in other worlds to return for a second

104

00:04:46,120 --> 00:04:51,220

look at us earthling it would have to

105

00:04:49,329 --> 00:04:52,550

look beyond the shadows of our mushroom

106

00:04:51,220 --> 00:04:53,930

cloud

107

00:04:52,550 --> 00:04:56,740

they would need to know what our

108

00:04:53,930 --> 00:04:57,889

universal intentions were

109

00:04:56,740 --> 00:05:00,199

[Music]

110

00:04:57,889 --> 00:05:02,329

in the years after the war maybe an

111

00:05:00,199 --> 00:05:05,449

airport pilots regularly reported

112

00:05:02,329 --> 00:05:07,628

sightings of UFOs repeatedly these

113

00:05:05,449 --> 00:05:10,848

sightings were dismissed by the military

114

00:05:07,629 --> 00:05:13,908

one pilot Captain Thomas Mantell radioed

115
00:05:10,848 --> 00:05:15,949
he was pursuing a UFO the sake shake

116
00:05:13,908 --> 00:05:18,889
trap he said was looking at speeds

117
00:05:15,949 --> 00:05:23,379
unknown demand he pursued the craft

118
00:05:18,889 --> 00:05:23,379
until his own plane exploded in midair

119
00:05:23,730 --> 00:05:27,660
they may be investigated the crash and

120
00:05:25,829 --> 00:05:30,149
attributed the explosion to the pilots

121
00:05:27,660 --> 00:05:32,580
pushing his plane too high and too fast

122
00:05:30,149 --> 00:05:36,359
others said man tell with the casualty

123
00:05:32,579 --> 00:05:38,310
of an extraterrestrial attack control

124
00:05:36,360 --> 00:05:42,500
proponents charged a government cover-up

125
00:05:38,310 --> 00:05:42,500
the first they say of many

126
00:05:42,829 --> 00:05:46,800
UFO investigators alleged that the

127
00:05:45,300 --> 00:05:49,230
government cover-up went into high gear

128
00:05:46,800 --> 00:05:54,660
with the Roswell New Mexico incident in

129
00:05:49,230 --> 00:05:57,870
July 1947 Roswell was the site of an

130
00:05:54,660 --> 00:06:00,270
Army Air Force Base 118 miles from the

131
00:05:57,870 --> 00:06:03,319
atomic testing grounds at Alamogordo and

132
00:06:00,269 --> 00:06:07,439
only 220 miles from Los Alamos

133
00:06:03,319 --> 00:06:09,990
birthplace of the atomic bomb on July

134
00:06:07,439 --> 00:06:13,100
2nd this rancher Mac Brazel saw

135
00:06:09,990 --> 00:06:16,650
something clash in a field outside town

136
00:06:13,100 --> 00:06:18,300
battle died in 1963 having kept a pledge

137
00:06:16,649 --> 00:06:20,129
to the Air Force to keep secret the

138
00:06:18,300 --> 00:06:23,069
story of what really happened in this

139
00:06:20,129 --> 00:06:26,670
field zazzles taught to only one person

140
00:06:23,069 --> 00:06:29,009
about those events his son bill now 60

141
00:06:26,670 --> 00:06:31,350
years old he told him that whatever

142
00:06:29,009 --> 00:06:35,610
crashed here was something he could not

143

00:06:31,350 --> 00:06:38,700
identify according to my dad there was a

144
00:06:35,610 --> 00:06:41,970
bad thunderstorm the night before the

145
00:06:38,699 --> 00:06:45,000
next day he was out on the edge he found

146
00:06:41,970 --> 00:06:48,270
this debris and he picked it all up

147
00:06:45,000 --> 00:06:52,290
he's picked up and was talking to people

148
00:06:48,269 --> 00:06:57,060
and of course there was some talk about

149
00:06:52,290 --> 00:06:59,819
UFOs he was going to Roswell as far as I

150
00:06:57,060 --> 00:07:00,569
know he got in touch with the Sheriff's

151
00:06:59,819 --> 00:07:04,680
Department

152
00:07:00,569 --> 00:07:11,519
they in turn called the Air Force in the

153
00:07:04,680 --> 00:07:14,490
Air Force got with dad and sworn to

154
00:07:11,519 --> 00:07:18,240
secrecy and I came out to the ranch and

155
00:07:14,490 --> 00:07:20,670
picked up this debris major Jesse Marcel

156
00:07:18,240 --> 00:07:22,829
the chief intelligence officer at the

157
00:07:20,670 --> 00:07:25,170

base was assigned the task of collecting

158

00:07:22,829 --> 00:07:27,689

the debris from the class site his

159

00:07:25,170 --> 00:07:30,090

selection for the job UFO proponents say

160

00:07:27,689 --> 00:07:35,550

is proof that the Air Force knew from

161

00:07:30,089 --> 00:07:37,889

the start it was my knife I found one

162

00:07:35,550 --> 00:07:41,939

piece of what looked like barrel anyway

163

00:07:37,889 --> 00:07:45,449

it is not flexible but it has a spin of

164

00:07:41,939 --> 00:07:48,430

a fallen pack of cigarettes is a thin

165

00:07:45,449 --> 00:07:53,939

one of our story

166

00:07:48,430 --> 00:07:53,939

something unusual here he said duh I

167

00:07:54,149 --> 00:07:59,409

tried to make a death in this medal

168

00:07:57,029 --> 00:08:01,929

because you can't build it he can't make

169

00:07:59,410 --> 00:08:04,900

a mark on it is that took a sledgehammer

170

00:08:01,930 --> 00:08:07,930

and I landed a plate on the ground

171

00:08:04,899 --> 00:08:11,589

winded just like smacking the flesh of a

172
00:08:07,930 --> 00:08:13,478
bounced off of it when major Marcel

173
00:08:11,589 --> 00:08:14,198
reported his findings to officials back

174
00:08:13,478 --> 00:08:16,029
at the base

175
00:08:14,199 --> 00:08:18,280
they issued a startling press release

176
00:08:16,029 --> 00:08:20,859
they had a flying saucer

177
00:08:18,279 --> 00:08:22,359
the next day major Marcel was assigned

178
00:08:20,860 --> 00:08:24,610
to take the remains of the crashed

179
00:08:22,360 --> 00:08:27,340
objects to Wright Field in Ohio for

180
00:08:24,610 --> 00:08:29,439
further examination however the plane

181
00:08:27,339 --> 00:08:32,139
landed at Carswell Air Force Base in

182
00:08:29,439 --> 00:08:33,969
Fort Worth Texas general Alfred Ramey

183
00:08:32,139 --> 00:08:35,649
took one piece of the object off the

184
00:08:33,969 --> 00:08:38,289
plane and called a press conference

185
00:08:35,649 --> 00:08:40,990
then major Marcel was given different

186
00:08:38,288 --> 00:08:43,750
orders by Ramey he was not to continue

187
00:08:40,990 --> 00:08:46,259
on to right field he told me not to say

188
00:08:43,750 --> 00:08:48,429
anything is out having from now on and

189
00:08:46,259 --> 00:08:51,669
that's exactly what he did

190
00:08:48,429 --> 00:08:54,429
when he came out he said he told the

191
00:08:51,669 --> 00:08:56,349
press that was there he said there was

192
00:08:54,429 --> 00:09:00,819
nothing when the balloon crashed little

193
00:08:56,350 --> 00:09:02,950
blue myself under orders not to say what

194
00:09:00,820 --> 00:09:05,830
he believed only recently spoke out

195
00:09:02,950 --> 00:09:07,890
against the air force's revised story it

196
00:09:05,830 --> 00:09:12,430
was definitely not a weather balloon and

197
00:09:07,889 --> 00:09:16,720
it was an aircraft so what it could have

198
00:09:12,429 --> 00:09:18,669
been I would know I still don't know Mac

199
00:09:16,720 --> 00:09:21,160
Brazel who had a ranchers knowledge of

200

00:09:18,669 --> 00:09:23,649
such things told his son that like major

201
00:09:21,159 --> 00:09:26,199
Marcel he knew the object was not a

202
00:09:23,649 --> 00:09:27,970
weather balloon he said that's what the

203
00:09:26,200 --> 00:09:30,129
Air Force tried to make him believe that

204
00:09:27,970 --> 00:09:32,649
it was a weather balloon he should Billy

205
00:09:30,129 --> 00:09:36,220
said dick was not a weather girl he said

206
00:09:32,649 --> 00:09:40,449
I don't want it was money said it was

207
00:09:36,220 --> 00:09:44,050
something all the other different and

208
00:09:40,450 --> 00:09:45,850
much bigger they have extraterrestrials

209
00:09:44,049 --> 00:09:48,909
a Philip class the military expert

210
00:09:45,850 --> 00:09:52,120
disagree the fact the matter is that it

211
00:09:48,909 --> 00:09:55,659
was not a weather balloon as such it

212
00:09:52,120 --> 00:09:58,419
used a weather balloon as a vehicle but

213
00:09:55,659 --> 00:10:01,269
what it was is called a radar corner

214
00:09:58,419 --> 00:10:02,139

reflector it's an object that is roughly

215

00:10:01,269 --> 00:10:05,439
HEC side

216

00:10:02,139 --> 00:10:08,379
so that it can be tracked by radar and

217

00:10:05,440 --> 00:10:11,440
no matter what angle this hexagonal

218

00:10:08,379 --> 00:10:14,620
thing is pointing it always returns a

219

00:10:11,440 --> 00:10:16,690
strong radar echo so the object was not

220

00:10:14,620 --> 00:10:20,289
a weather balloon as such but it used

221

00:10:16,690 --> 00:10:22,210
the weather balloon TOI stood if the

222

00:10:20,289 --> 00:10:24,189
object were only a weather balloon UFO

223

00:10:22,210 --> 00:10:26,680
proponents say then why did the Air

224

00:10:24,190 --> 00:10:28,780
Force pledge Mac Brazel to secrecy and

225

00:10:26,679 --> 00:10:32,019
why did the Air Force pursue his son in

226

00:10:28,779 --> 00:10:34,539
the months that followed only 22 years

227

00:10:32,019 --> 00:10:36,549
old at the time bill could not help but

228

00:10:34,539 --> 00:10:39,219
be intrigued by his dad's discovery of

229

00:10:36,549 --> 00:10:41,139

the strange materials in this field he

230

00:10:39,220 --> 00:10:44,080

searched for and found some remnants of

231

00:10:41,139 --> 00:10:48,460

the crashed object and I was talking

232

00:10:44,080 --> 00:10:51,820

about it I went into Kelowna a sitting

233

00:10:48,460 --> 00:10:54,280

there in my ear joint now at this course

234

00:10:51,820 --> 00:10:56,170

my friend is asking me if I'd found any

235

00:10:54,279 --> 00:11:00,959

more or anything like this

236

00:10:56,169 --> 00:11:06,729

I said well and picked up a few scraps

237

00:11:00,960 --> 00:11:10,269

about a cigar box full and somebody I

238

00:11:06,730 --> 00:11:13,750

don't know must have informed the Air

239

00:11:10,269 --> 00:11:16,240

Force because first thing I know I am

240

00:11:13,750 --> 00:11:19,539

Fester's and then he said I'd like to

241

00:11:16,240 --> 00:11:23,730

have this material and they didn't tell

242

00:11:19,539 --> 00:11:23,730

me they'd confiscate it they just said

243
00:11:23,820 --> 00:11:31,330
well like we're going to have it one way

244
00:11:28,659 --> 00:11:33,279
or the other you know what bill and his

245
00:11:31,330 --> 00:11:35,220
father found was taken to what is now

246
00:11:33,279 --> 00:11:38,169
called wright-patterson Air Force Base

247
00:11:35,220 --> 00:11:40,990
some believe however that much more was

248
00:11:38,169 --> 00:11:43,419
taken there what they say is the actual

249
00:11:40,990 --> 00:11:45,310
shell of a spacecraft this spacecraft

250
00:11:43,419 --> 00:11:47,409
they allege was struck by lightning

251
00:11:45,309 --> 00:11:49,869
causing pieces of it to fall away into

252
00:11:47,409 --> 00:11:53,469
Mac Brazel field the craft itself they

253
00:11:49,870 --> 00:11:55,480
say clash 78 miles away the story has it

254
00:11:53,470 --> 00:11:57,519
that the spacecraft and the bodies of

255
00:11:55,480 --> 00:12:01,480
Italian crewmembers were then taken to

256
00:11:57,519 --> 00:12:04,240
right field and stored in hangar 18 myth

257

00:12:01,480 --> 00:12:07,360
or fact the Air Force denies the

258
00:12:04,240 --> 00:12:09,249
existence of craft or et bodies

259
00:12:07,360 --> 00:12:11,318
nothing is surfaced in the Freedom of

260
00:12:09,249 --> 00:12:13,659
Information Act release top secret

261
00:12:11,318 --> 00:12:16,208
government documents nothing to support

262
00:12:13,659 --> 00:12:19,169
what some claim is this actual photo of

263
00:12:16,208 --> 00:12:19,169
an ETS arm

264
00:12:19,580 --> 00:12:24,649
the air force also denies the existence

265
00:12:21,649 --> 00:12:26,480
of hangar 18 itself senator barry

266
00:12:24,649 --> 00:12:28,458
goldwater has written that he has tried

267
00:12:26,480 --> 00:12:31,399
to gain access to the legendary building

268
00:12:28,458 --> 00:12:33,469
in letters to UFO proponents Goldwater

269
00:12:31,399 --> 00:12:34,909
enigmatically says that he has given up

270
00:12:33,470 --> 00:12:37,070
trying to solve the mystery

271
00:12:34,909 --> 00:12:39,740

not because he's satisfied with what he

272

00:12:37,070 --> 00:12:42,769

hears but because it's just impossible

273

00:12:39,740 --> 00:12:44,720

to get anything on it nuclear physicist

274

00:12:42,769 --> 00:12:47,209

Stanton Friedman however believes the

275

00:12:44,720 --> 00:12:49,690

evidence is there is just no question at

276

00:12:47,208 --> 00:12:52,278

all in my mind let us watch a good crash

277

00:12:49,690 --> 00:12:53,930

that bodies were found by the government

278

00:12:52,278 --> 00:12:56,528

the big sponsor itself was picked up by

279

00:12:53,929 --> 00:13:00,109

the government carted off for study I

280

00:12:56,528 --> 00:13:04,669

the tremendous potential for gaining new

281

00:13:00,110 --> 00:13:06,528

technology from a thing it is just

282

00:13:04,669 --> 00:13:07,969

enormous and no government would be

283

00:13:06,528 --> 00:13:09,740

foolish enough to put it on display

284

00:13:07,970 --> 00:13:11,660

instead of cutting it off the laboratory

285

00:13:09,740 --> 00:13:13,990

look it's one of these situations of

286

00:13:11,659 --> 00:13:16,370

where if I were a freelance writer or

287

00:13:13,990 --> 00:13:18,200

I'd like to make a story I would love

288

00:13:16,370 --> 00:13:18,889

this story it's great it would make good

289

00:13:18,200 --> 00:13:20,959

copy

290

00:13:18,889 --> 00:13:23,449

but unfortunately or fortunately I

291

00:13:20,958 --> 00:13:24,859

happen to be a scientist and I have you

292

00:13:23,450 --> 00:13:27,980

might say the Hippocratic oath of a

293

00:13:24,860 --> 00:13:30,528

scientist I will not say something so

294

00:13:27,980 --> 00:13:33,528

until I'm very certain in my own mind

295

00:13:30,528 --> 00:13:36,528

that it is so as far as the creatures

296

00:13:33,528 --> 00:13:38,419

are concerned I honestly don't know dr.

297

00:13:36,528 --> 00:13:40,639

Hynek a noted astronomer from Harvard

298

00:13:38,419 --> 00:13:43,250

and northwestern universities has been a

299

00:13:40,639 --> 00:13:46,039

persistent investigator of UFO cases in

300
00:13:43,250 --> 00:13:48,708
1952 he was asked by the Air Force to

301
00:13:46,039 --> 00:13:51,588
join Project Blue Book their UFO

302
00:13:48,708 --> 00:13:53,208
investigation unit 17 years later he

303
00:13:51,589 --> 00:13:55,190
joined Air Force secretary Harold Brown

304
00:13:53,208 --> 00:13:57,199
at a press conference to announce the

305
00:13:55,190 --> 00:14:00,190
team's conclusions none of the evidence

306
00:13:57,200 --> 00:14:02,899
that I have examined would indicate any

307
00:14:00,190 --> 00:14:04,399
proof at all that we are being visited

308
00:14:02,899 --> 00:14:06,230
by extraterrestrials

309
00:14:04,399 --> 00:14:09,708
what is the airport hiding in this

310
00:14:06,230 --> 00:14:12,399
investigating we have not been hiding

311
00:14:09,708 --> 00:14:15,799
anything the investigations have been

312
00:14:12,399 --> 00:14:17,448
made public the ex-wife

313
00:14:15,799 --> 00:14:20,118
of those where there is a clear

314

00:14:17,448 --> 00:14:21,799
explanation has been made public hearing

315
00:14:20,119 --> 00:14:22,428
this morning with public for just that

316
00:14:21,799 --> 00:14:24,769
reason

317
00:14:22,428 --> 00:14:26,808
Project Blue Book was activated to deal

318
00:14:24,769 --> 00:14:29,720
with what the media was calling flying

319
00:14:26,808 --> 00:14:31,428
saucer hysteria they investigated twelve

320
00:14:29,720 --> 00:14:34,879
thousand five hundred and eighteen

321
00:14:31,428 --> 00:14:38,058
sightings they could not explain seven

322
00:14:34,879 --> 00:14:40,789
hundred to one of them doubts lingered

323
00:14:38,058 --> 00:14:42,678
long path to reports publication even

324
00:14:40,789 --> 00:14:44,389
supporters of the project's conclusions

325
00:14:42,678 --> 00:14:47,629
had to wonder about photographs like

326
00:14:44,389 --> 00:14:49,669
these in a series of three pictures the

327
00:14:47,629 --> 00:14:52,039
one can judge relative size because of

328
00:14:49,669 --> 00:14:54,738

the car window the telephone poles in

329

00:14:52,039 --> 00:14:56,860

the highway one can also speculate about

330

00:14:54,739 --> 00:14:59,839

the dirt being kicked up into the air

331

00:14:56,860 --> 00:15:03,619

dr. Hynek the leading scientists on the

332

00:14:59,839 --> 00:15:05,629

Blue Book panel began to have doubt he

333

00:15:03,619 --> 00:15:08,329

personally went to Brazil to talk to the

334

00:15:05,629 --> 00:15:09,889

man who took these pictures he discussed

335

00:15:08,328 --> 00:15:11,958

the matters with the president of Brazil

336

00:15:09,889 --> 00:15:15,548

and with photo analysts on both

337

00:15:11,958 --> 00:15:18,738

continents by 1973 he had completely

338

00:15:15,548 --> 00:15:20,838

reevaluated his Blue Book experiences he

339

00:15:18,739 --> 00:15:24,019

now became a critic of the investigation

340

00:15:20,839 --> 00:15:26,959

and an advocate for more UFO study I was

341

00:15:24,019 --> 00:15:30,919

there at Blue Book and I know the the

342

00:15:26,958 --> 00:15:35,719

job they had they were told not to

343
00:15:30,919 --> 00:15:39,678
excite the public don't rock the boat

344
00:15:35,720 --> 00:15:41,600
oh and I saw it in my own eyes happened

345
00:15:39,678 --> 00:15:43,759
that whenever a case happened that they

346
00:15:41,600 --> 00:15:46,579
could explain which is quite a few they

347
00:15:43,759 --> 00:15:49,399
made point of that and then let that out

348
00:15:46,578 --> 00:15:51,378
to the media things that the cases that

349
00:15:49,399 --> 00:15:54,379
were very difficult to explain they

350
00:15:51,379 --> 00:15:57,949
would jump the handsprings to keep the

351
00:15:54,379 --> 00:16:02,298
media away from it for there they had a

352
00:15:57,948 --> 00:16:05,719
job to do to whether rightfully or

353
00:16:02,298 --> 00:16:09,678
wrongly to keep the public from getting

354
00:16:05,720 --> 00:16:11,689
excited Sonic's concession that it was

355
00:16:09,678 --> 00:16:13,938
possible that extraterrestrials were

356
00:16:11,688 --> 00:16:14,629
visiting us raised the UFO debate to

357
00:16:13,938 --> 00:16:17,539
another level

358
00:16:14,629 --> 00:16:19,519
a major establishment astronomer and a

359
00:16:17,539 --> 00:16:21,469
man trusted by the Air Force was now

360
00:16:19,519 --> 00:16:23,178
saying that intergalactic spacecraft

361
00:16:21,470 --> 00:16:24,580
could be traveling through our solar

362
00:16:23,178 --> 00:16:26,740
system

363
00:16:24,580 --> 00:16:28,300
his pronouncements caused scientists who

364
00:16:26,740 --> 00:16:30,940
might otherwise have stayed out of the

365
00:16:28,299 --> 00:16:33,639
UFO debate to enter it they called

366
00:16:30,940 --> 00:16:35,470
hynek's proposition fantasy what if we

367
00:16:33,639 --> 00:16:36,909
just think of our own galaxy you know

368
00:16:35,470 --> 00:16:39,100
it's a hundred thousand light years

369
00:16:36,909 --> 00:16:42,850
across that means to travel from one

370
00:16:39,100 --> 00:16:45,220
side of that galaxy to another side the

371

00:16:42,850 --> 00:16:47,920
other extreme edge would take you a

372
00:16:45,220 --> 00:16:50,589
hundred thousand years if you traveled

373
00:16:47,919 --> 00:16:52,059
at the speed of light now there's very

374
00:16:50,589 --> 00:16:53,980
good evidence that nothing travels

375
00:16:52,059 --> 00:16:55,899
faster than the speed of light I mean it

376
00:16:53,980 --> 00:16:56,589
seems to be the ultimate speed limit in

377
00:16:55,899 --> 00:17:01,208
the universe

378
00:16:56,589 --> 00:17:01,570
if however aliens know something we

379
00:17:01,208 --> 00:17:05,500
don't

380
00:17:01,570 --> 00:17:07,449
suppose they are able to transform space

381
00:17:05,500 --> 00:17:11,640
and time or manipulate space and time in

382
00:17:07,449 --> 00:17:17,620
some way or travel in other dimensions

383
00:17:11,640 --> 00:17:19,509
then all things are possible as man has

384
00:17:17,619 --> 00:17:21,369
entered the space age the concept that

385
00:17:19,509 --> 00:17:23,400

all things are possible has indeed

386

00:17:21,369 --> 00:17:25,568

become part of a new way of thinking

387

00:17:23,400 --> 00:17:27,069

some of the men who investigated

388

00:17:25,568 --> 00:17:29,019

Bluebook were born before the Wright

389

00:17:27,068 --> 00:17:31,029

brothers flew at Kitty Hawk they

390

00:17:29,019 --> 00:17:33,940

conducted their investigation before man

391

00:17:31,029 --> 00:17:35,529

flew faster than the speed of sound even

392

00:17:33,940 --> 00:17:38,019

the Manning through our space missions

393

00:17:35,529 --> 00:17:39,259

can feed unusual experiences that they

394

00:17:38,019 --> 00:17:41,000

cannot explain

395

00:17:39,259 --> 00:17:43,429

[Music]

396

00:17:41,000 --> 00:17:46,220

astronauts like James McDivitt on Gemini

397

00:17:43,429 --> 00:17:49,179

4 and Ed white have reported seeing

398

00:17:46,220 --> 00:17:53,150

unidentified flying objects in space

399

00:17:49,179 --> 00:17:55,730

Pete Conrad on Gemini 11 in 1966 is

400
00:17:53,150 --> 00:17:58,630
another of the eleven astronauts who

401
00:17:55,730 --> 00:18:01,308
have seen UFOs on NASA space flights

402
00:17:58,630 --> 00:18:04,970
some of these objects the astronauts saw

403
00:18:01,308 --> 00:18:08,279
was photographed NASA has called some of

404
00:18:04,970 --> 00:18:10,809
these Sun flares or space debris

405
00:18:08,279 --> 00:18:13,559
[Music]

406
00:18:10,809 --> 00:18:17,568
some are still labeled and identified

407
00:18:13,559 --> 00:18:17,568
[Music]

408
00:18:21,099 --> 00:18:26,029
astronaut Gordon Cooper was so impressed

409
00:18:24,048 --> 00:18:28,490
with an unidentified flying object he

410
00:18:26,029 --> 00:18:30,440
saw that he wrote about it to a special

411
00:18:28,490 --> 00:18:35,230
United Nations Commission studying the

412
00:18:30,440 --> 00:18:37,370
phenomena he wrote I believe these

413
00:18:35,230 --> 00:18:39,769
extraterrestrial vehicles and their

414
00:18:37,369 --> 00:18:42,709
crews are visiting this planet from

415
00:18:39,769 --> 00:18:44,929
other planets which obviously are a lot

416
00:18:42,710 --> 00:18:47,710
more technically advanced than we are

417
00:18:44,929 --> 00:18:47,710
here on earth

418
00:18:49,539 --> 00:18:55,039
recently Cooper reversed himself he does

419
00:18:53,029 --> 00:18:56,950
not now believe that what he saw was an

420
00:18:55,039 --> 00:18:59,298
extraterrestrial spacecraft

421
00:18:56,950 --> 00:19:02,029
another of the original mercury 7

422
00:18:59,298 --> 00:19:04,279
astronauts however has not changed his

423
00:19:02,029 --> 00:19:08,750
mind about what he saw on a test pilot

424
00:19:04,279 --> 00:19:11,359
flight in 1952 deke Slayton as I closed

425
00:19:08,750 --> 00:19:13,160
on this thing like look like a weather

426
00:19:11,359 --> 00:19:16,129
balloon and that's what I presumed it

427
00:19:13,160 --> 00:19:17,600
was and I had plenty of gas in time so I

428

00:19:16,130 --> 00:19:20,690
just said I just come back around and

429
00:19:17,599 --> 00:19:21,949
make it make a pass on it and I got

430
00:19:20,690 --> 00:19:23,600
around where I should have been coming

431
00:19:21,950 --> 00:19:26,150
back on this thing all offended in with

432
00:19:23,599 --> 00:19:30,099
a bloom anymore it looked like a saucer

433
00:19:26,150 --> 00:19:32,630
sitting on edge but a 45-degree angle I

434
00:19:30,099 --> 00:19:34,339
didn't have any gun camera film onboard

435
00:19:32,630 --> 00:19:37,370
unfortunately right I shot some pictures

436
00:19:34,339 --> 00:19:39,918
of it and about that time I guess

437
00:19:37,369 --> 00:19:42,319
whatever it was whatever reasons took

438
00:19:39,919 --> 00:19:45,470
off climb had about a 45 degree angle

439
00:19:42,319 --> 00:19:47,720
and and just accelerated and disappeared

440
00:19:45,470 --> 00:19:51,380
and I wish I couldn't fall it was an old

441
00:19:47,720 --> 00:19:54,650
system engine fighter so I turned around

442
00:19:51,380 --> 00:19:56,809

went home some UFO observers however

443

00:19:54,650 --> 00:19:59,059

have had camera and film on hand at the

444

00:19:56,808 --> 00:20:01,210

critical moment this footage was shot

445

00:19:59,058 --> 00:20:04,279

from a helicopter off Catalina Island in

446

00:20:01,210 --> 00:20:05,880

1966 some say this is a single wing

447

00:20:04,279 --> 00:20:07,678

aircraft

448

00:20:05,880 --> 00:20:09,179

this film was shot by the coach of the

449

00:20:07,679 --> 00:20:12,990

Great Falls Montana minor-league

450

00:20:09,179 --> 00:20:16,320

baseball team in 1950 the airport says

451

00:20:12,990 --> 00:20:18,870

it is a picture of two aircraft

452

00:20:16,319 --> 00:20:22,319

this film were shot by a newsreel unit

453

00:20:18,869 --> 00:20:25,308

in Guatemala in 1976 some say this is

454

00:20:22,319 --> 00:20:25,308

also an aircraft

455

00:20:26,500 --> 00:20:28,559

you

456

00:20:29,349 --> 00:20:35,138

this film was taken by a Navy cameraman

457
00:20:31,690 --> 00:20:37,590
on vacation internment in Utah 1952 the

458
00:20:35,138 --> 00:20:40,058
airport speculates that these are Seagal

459
00:20:37,589 --> 00:20:42,699
dr. Hynek disputes the Air Force's

460
00:20:40,058 --> 00:20:44,648
explanation of these films this was his

461
00:20:42,700 --> 00:20:47,500
feelings about the eyewitnesses some

462
00:20:44,648 --> 00:20:49,599
change his mind I began to get certain

463
00:20:47,500 --> 00:20:52,538
doubts because not so much of any

464
00:20:49,599 --> 00:20:55,509
specific case or there were quite a few

465
00:20:52,538 --> 00:20:58,028
it was the people themselves I said to

466
00:20:55,509 --> 00:21:00,720
myself oh now come on how much longer am

467
00:20:58,028 --> 00:21:03,609
I going to call these people crazy and

468
00:21:00,720 --> 00:21:05,649
when I changed my glasses you might say

469
00:21:03,609 --> 00:21:08,500
a little bit and took a view that maybe

470
00:21:05,648 --> 00:21:10,599
people aren't crazy and began to realize

471
00:21:08,500 --> 00:21:14,378
what sort of people they were the people

472
00:21:10,599 --> 00:21:18,638
who would be accepted in any court of

473
00:21:14,378 --> 00:21:22,240
law as a witness let's say good solid

474
00:21:18,638 --> 00:21:26,008
people I said to myself well the time

475
00:21:22,240 --> 00:21:28,808
has come to maybe change my attitude

476
00:21:26,009 --> 00:21:31,389
it was Hynek who coined the expressions

477
00:21:28,808 --> 00:21:33,878
close encounters of the first second and

478
00:21:31,388 --> 00:21:35,918
third time a close encounter of the

479
00:21:33,878 --> 00:21:38,709
first kind is one that centers upon a

480
00:21:35,919 --> 00:21:41,740
visual sighting clinic investigated

481
00:21:38,710 --> 00:21:44,528
first kind encounters in 1983 in new

482
00:21:41,740 --> 00:21:47,230
york state local residents and commuters

483
00:21:44,528 --> 00:21:49,298
just 40 miles from New York City have

484
00:21:47,230 --> 00:21:51,278
been reporting sightings of an unusual

485

00:21:49,298 --> 00:21:54,519
object in the night skies for over a

486
00:21:51,278 --> 00:21:57,250
year and a half sightings were reported

487
00:21:54,519 --> 00:22:00,730
on at least 50 separate nights during

488
00:21:57,250 --> 00:22:04,048
the 18-month period over 9,000

489
00:22:00,730 --> 00:22:06,490
eyewitnesses lawyers teachers CPAs

490
00:22:04,048 --> 00:22:08,888
advertising executives nurses and

491
00:22:06,490 --> 00:22:12,099
factory workers reported seeing the

492
00:22:08,888 --> 00:22:14,528
unidentified phenomena newspapers and

493
00:22:12,099 --> 00:22:15,429
television almost weekly carried reports

494
00:22:14,528 --> 00:22:17,549
of the sightings

495
00:22:15,430 --> 00:22:19,140
[Music]

496
00:22:17,549 --> 00:22:22,289
from different places throughout the

497
00:22:19,140 --> 00:22:25,560
area eyewitnesses all reported seen the

498
00:22:22,289 --> 00:22:25,980
same thing I looked up and right over my

499
00:22:25,559 --> 00:22:28,049

head

500

00:22:25,980 --> 00:22:31,079

virtually it wasn't far off was right

501

00:22:28,049 --> 00:22:33,539

over my head and very still it was a rim

502

00:22:31,079 --> 00:22:35,339

of light in the shape of a triangle it

503

00:22:33,539 --> 00:22:37,589

was just a tremendous object it was

504

00:22:35,339 --> 00:22:42,029

anywhere from winter to winter about

505

00:22:37,589 --> 00:22:44,099

four 50 or 60 yards these were very very

506

00:22:42,029 --> 00:22:46,139

unusual lights I've never seen anything

507

00:22:44,099 --> 00:22:48,629

like it in my life and so I pulled my

508

00:22:46,140 --> 00:22:50,009

car over and I had to take a look and he

509

00:22:48,630 --> 00:22:50,610

would drive down the road and look up in

510

00:22:50,009 --> 00:22:52,619

the sky

511

00:22:50,609 --> 00:22:54,329

some people like Bob and Laurie possio

512

00:22:52,619 --> 00:22:56,659

Lee were determined to film the object

513

00:22:54,329 --> 00:23:00,929

and then one night he spotted this one

514
00:22:56,660 --> 00:23:02,160
round object and that's what he called

515
00:23:00,930 --> 00:23:05,310
me and he said quick let's get the

516
00:23:02,160 --> 00:23:08,470
camera and we did

517
00:23:05,309 --> 00:23:08,470
[Music]

518
00:23:10,480 --> 00:23:16,269
I'll be talking to tell you something

519
00:23:12,619 --> 00:23:16,269
funny I don't know what's holidays

520
00:23:17,039 --> 00:23:21,970
Baban lorry photographed v unidentified

521
00:23:20,259 --> 00:23:24,250
flying object near their home in

522
00:23:21,970 --> 00:23:26,350
Brewster New York Bob is the vice

523
00:23:24,250 --> 00:23:28,480
president in a Manhattan computer firm

524
00:23:26,349 --> 00:23:30,399
some of their friends and Laura's

525
00:23:28,480 --> 00:23:33,339
parents thought they were crazy

526
00:23:30,400 --> 00:23:37,030
despite the photographic evidence well

527
00:23:33,339 --> 00:23:38,980
yet turning very very slowly nine

528
00:23:37,029 --> 00:23:43,569
thousand odd people have seen this name

529
00:23:38,980 --> 00:23:46,420
or whatever it is and they all just

530
00:23:43,569 --> 00:23:48,399
can't be crazy Bob and Laurie have few

531
00:23:46,420 --> 00:23:51,039
children they are concerned about what

532
00:23:48,400 --> 00:23:52,929
they saw on the sky they also wonder why

533
00:23:51,039 --> 00:23:56,230
the government hasn't investigated the

534
00:23:52,929 --> 00:23:58,240
event their concern is shared by David

535
00:23:56,230 --> 00:24:01,150
Scarpino an accountant who works in New

536
00:23:58,240 --> 00:24:02,769
York City scarpino a family man has

537
00:24:01,150 --> 00:24:05,290
publicly called for a government

538
00:24:02,769 --> 00:24:07,240
investigation he and others like Bill

539
00:24:05,289 --> 00:24:09,609
hyla meteorologist at the County

540
00:24:07,240 --> 00:24:12,099
Airport made this demand at a town

541
00:24:09,609 --> 00:24:15,099
meeting public Fuhrer has been led by

542

00:24:12,099 --> 00:24:17,139
County Clerk Denis Sant Santos that a

543
00:24:15,099 --> 00:24:18,759
government investigation is indicated by

544
00:24:17,140 --> 00:24:21,309
the fact that eyewitnesses have all

545
00:24:18,759 --> 00:24:23,230
reported seeing the same thing you know

546
00:24:21,308 --> 00:24:27,029
the movement was almost like a probing

547
00:24:23,230 --> 00:24:30,308
movement it was very slow and it stopped

548
00:24:27,029 --> 00:24:32,769
periodically in stationary where it just

549
00:24:30,308 --> 00:24:35,349
came to a standstill and then it would

550
00:24:32,769 --> 00:24:36,879
move to another position and the

551
00:24:35,349 --> 00:24:41,349
movement from one position to another

552
00:24:36,880 --> 00:24:43,510
was just extremely slow now the speed at

553
00:24:41,349 --> 00:24:45,730
which it was going it that one is very

554
00:24:43,509 --> 00:24:48,308
slow because I had to walk at a very

555
00:24:45,730 --> 00:24:50,620
slow delivery gate to keep up with the

556
00:24:48,308 --> 00:24:52,569

lights every step I took it moved a

557

00:24:50,619 --> 00:24:55,149

little bit it moved in a very straight

558

00:24:52,569 --> 00:24:57,730

line very slow there was absolutely no

559

00:24:55,150 --> 00:25:00,040

noise when I walked away from it at that

560

00:24:57,730 --> 00:25:02,529

point it started to rotate virtually

561

00:25:00,039 --> 00:25:05,440

almost as it was on an axis didn't make

562

00:25:02,529 --> 00:25:07,569

a big loop it just rotated it appeared

563

00:25:05,440 --> 00:25:10,769

as I said to rotate in the sky change

564

00:25:07,569 --> 00:25:13,149

light aircraft I don't care how well

565

00:25:10,769 --> 00:25:14,558

precise you want to be in flying those

566

00:25:13,150 --> 00:25:17,290

you're not going to be able to

567

00:25:14,558 --> 00:25:20,109

make the move 90 degrees this thing did

568

00:25:17,289 --> 00:25:23,259

apparently rotate you can't do that with

569

00:25:20,109 --> 00:25:25,569

aircraft could it have been an aircraft

570

00:25:23,259 --> 00:25:28,169

or many smaller light planes flying in

571
00:25:25,569 --> 00:25:30,239
formation the media attention given the

572
00:25:28,169 --> 00:25:32,220
sightings prompted six pilots at a local

573
00:25:30,239 --> 00:25:36,509
airport to try to prove that it could be

574
00:25:32,220 --> 00:25:38,970
just that amused by the idea of UFOs

575
00:25:36,509 --> 00:25:41,399
the pilots planned and flew at least 18

576
00:25:38,970 --> 00:25:45,440
daring nighttime missions flying in

577
00:25:41,398 --> 00:25:45,439
formation sometimes without lights

578
00:25:45,559 --> 00:25:50,519
[Music]

579
00:25:48,138 --> 00:25:54,118
this whole fooled at least some of the

580
00:25:50,519 --> 00:25:55,769
eyewitnesses but not Bob and Laurie they

581
00:25:54,118 --> 00:25:58,259
claimed that in addition to photograph

582
00:25:55,769 --> 00:26:00,028
in the UFO they also videotaped the

583
00:25:58,259 --> 00:26:06,259
light airplanes as they enacted their

584
00:26:00,028 --> 00:26:09,989
hope the sixth and the lead one has his

585
00:26:06,259 --> 00:26:12,140
three lights on everybody else only has

586
00:26:09,989 --> 00:26:13,390
two

587
00:26:12,140 --> 00:26:15,090
the eerie engine

588
00:26:13,390 --> 00:26:18,159
[Music]

589
00:26:15,089 --> 00:26:20,319
some UFO investigators agree that many

590
00:26:18,159 --> 00:26:22,929
of the reported sightings were probably

591
00:26:20,319 --> 00:26:25,240
of the hoax but some eyewitnesses they

592
00:26:22,929 --> 00:26:27,490
say were clearly able to differentiate

593
00:26:25,240 --> 00:26:32,409
between the hoax and the unidentified

594
00:26:27,490 --> 00:26:36,599
object as it was coming over there was a

595
00:26:32,409 --> 00:26:39,970
star in the sky and as the lead light

596
00:26:36,599 --> 00:26:41,859
went under that star right behind it you

597
00:26:39,970 --> 00:26:44,409
could still see the star which meant it

598
00:26:41,859 --> 00:26:47,109
was not a solid object and as it was

599

00:26:44,409 --> 00:26:50,710
going overhead you did hear engines

600
00:26:47,109 --> 00:26:52,569
right now what kind of aircraft engines

601
00:26:50,710 --> 00:26:55,450
I don't know but you did hear aircraft

602
00:26:52,569 --> 00:26:57,278
engine rolls engine noise different

603
00:26:55,450 --> 00:26:59,769
lights and different flying movements

604
00:26:57,278 --> 00:27:03,960
UFO proponents say clearly make the

605
00:26:59,769 --> 00:27:07,329
airplanes IFOS identified flying objects

606
00:27:03,960 --> 00:27:10,829
but this object or objects remains

607
00:27:07,329 --> 00:27:10,829
unidentified for many

608
00:27:12,200 --> 00:27:16,489
some eyewitnesses refused to accept the

609
00:27:14,599 --> 00:27:19,488
possibility that these are also the

610
00:27:16,489 --> 00:27:21,139
lights of the airplane I know what it

611
00:27:19,489 --> 00:27:22,069
wasn't it wasn't an ultra-light it

612
00:27:21,138 --> 00:27:25,189
wasn't a blimp

613
00:27:22,069 --> 00:27:27,220

it wasn't gas no one's trying to tell me

614

00:27:25,190 --> 00:27:29,149

what it was but I know what it wasn't

615

00:27:27,220 --> 00:27:31,579

investigators have subjected the

616

00:27:29,148 --> 00:27:34,099

videotape images of the hoax and the

617

00:27:31,579 --> 00:27:37,128

unidentified lights to various computer

618

00:27:34,099 --> 00:27:39,048

analyses by digitalization of the images

619

00:27:37,128 --> 00:27:41,178

they hope to be able to determine if the

620

00:27:39,048 --> 00:27:44,298

area between the lights of the UFO was

621

00:27:41,179 --> 00:27:46,129

solid indicating one craft the airplanes

622

00:27:44,298 --> 00:27:49,269

they hope would show night sky in the

623

00:27:46,128 --> 00:27:53,089

center of the life this is this al him

624

00:27:49,269 --> 00:27:55,849

pictures like this night sky a few

625

00:27:53,089 --> 00:27:58,249

lights taken with a television camera

626

00:27:55,849 --> 00:27:59,689

that perhaps being moved at not

627

00:27:58,249 --> 00:28:01,608

deliberately but accidentally while I

628
00:27:59,690 --> 00:28:03,499
was taking the picture there's really

629
00:28:01,608 --> 00:28:05,928
nothing you can you can say about these

630
00:28:03,499 --> 00:28:07,429
things in one case they're a very good

631
00:28:05,929 --> 00:28:08,899
explanation is offered and I see no

632
00:28:07,429 --> 00:28:10,730
reason to disbelieve it in the other

633
00:28:08,898 --> 00:28:14,089
case there is no explanation I certainly

634
00:28:10,730 --> 00:28:16,639
can't offer one I would love it if UFOs

635
00:28:14,089 --> 00:28:17,949
if some UFOs were extraterrestrial

636
00:28:16,638 --> 00:28:20,028
objects being piloted by

637
00:28:17,950 --> 00:28:21,919
extraterrestrial beings I think that'd

638
00:28:20,028 --> 00:28:23,720
be the most marvelous discovery with

639
00:28:21,919 --> 00:28:27,909
registry of man I'd love to have that be

640
00:28:23,720 --> 00:28:31,159
true so I'm not going to say that

641
00:28:27,909 --> 00:28:32,659
objects foreign objects artifacts made

642
00:28:31,159 --> 00:28:33,889
by intelligent creatures in the solar

643
00:28:32,659 --> 00:28:34,669
system I'm not going to say that's

644
00:28:33,888 --> 00:28:37,638
preposterous

645
00:28:34,669 --> 00:28:40,278
I'm going to say it is so unusual so it

646
00:28:37,638 --> 00:28:41,658
was immensely important that I'm not

647
00:28:40,278 --> 00:28:43,519
going to assign anything like any

648
00:28:41,659 --> 00:28:46,850
sightings like this but that phenomenon

649
00:28:43,519 --> 00:28:49,329
without a lot more data insufficient

650
00:28:46,849 --> 00:28:51,888
data the object remains unidentified

651
00:28:49,329 --> 00:28:54,349
for government officials therefore it is

652
00:28:51,888 --> 00:28:56,719
of no consequence but for the New York

653
00:28:54,349 --> 00:28:59,689
eyewitnesses the question of what it is

654
00:28:56,720 --> 00:29:02,108
remains they find the government's

655
00:28:59,690 --> 00:29:04,519
apparent lack of interest puzzling the

656

00:29:02,108 --> 00:29:07,009
government didn't come to me as a

657
00:29:04,519 --> 00:29:09,858
rational individual as an accountant I

658
00:29:07,009 --> 00:29:11,329
like concrete things like evidence to

659
00:29:09,858 --> 00:29:13,128
them to say that I didn't see anything

660
00:29:11,329 --> 00:29:14,289
without really talking to me and

661
00:29:13,128 --> 00:29:16,149
investigating it

662
00:29:14,289 --> 00:29:17,589
means that they were trying to hide

663
00:29:16,150 --> 00:29:20,880
something now it's like going from the

664
00:29:17,589 --> 00:29:23,919
very beginning they know something okay

665
00:29:20,880 --> 00:29:26,020
they know something either they know

666
00:29:23,920 --> 00:29:27,640
that there's something up there and they

667
00:29:26,019 --> 00:29:29,859
don't they want to investigate it

668
00:29:27,640 --> 00:29:33,549
themselves and don't want other people

669
00:29:29,859 --> 00:29:35,048
trying to handle it one they're doing

670
00:29:33,548 --> 00:29:38,920

something but if they're doing something

671

00:29:35,048 --> 00:29:40,960

then what people know about it this New

672

00:29:38,920 --> 00:29:43,710

York State event occurred over a densely

673

00:29:40,960 --> 00:29:46,000

populated area and over a nuclear plant

674

00:29:43,710 --> 00:29:48,340

prompting one eyewitness New York

675

00:29:46,000 --> 00:29:50,769

Attorney Peter Gersten to suspect the

676

00:29:48,339 --> 00:29:52,720

government cover-up with others like

677

00:29:50,769 --> 00:29:54,759

Larry Costas a police officer in

678

00:29:52,720 --> 00:29:58,720

Coventry Connecticut he helps establish

679

00:29:54,759 --> 00:30:00,700

citizens against UFO secrecy process he

680

00:29:58,720 --> 00:30:02,798

says the way he views the world has been

681

00:30:00,700 --> 00:30:06,009

drastically affected by his sightings of

682

00:30:02,798 --> 00:30:08,650

the UFO in 1965 petition the government

683

00:30:06,009 --> 00:30:10,750

for the release of UFO related documents

684

00:30:08,650 --> 00:30:12,309

these documents released under the

685
00:30:10,750 --> 00:30:15,759
Freedom of Information Act were

686
00:30:12,308 --> 00:30:17,230
previously classified top-secret example

687
00:30:15,759 --> 00:30:19,960
of some of the government documents we

688
00:30:17,230 --> 00:30:23,529
have obtained of the other flights over

689
00:30:19,960 --> 00:30:26,440
the military bases in 1975 over work

690
00:30:23,529 --> 00:30:28,139
Smith Air Force Base in Michigan of a

691
00:30:26,440 --> 00:30:31,390
mouse Tramel Force Base in Montana

692
00:30:28,140 --> 00:30:33,910
Loring Air Force Base in Maine manat Air

693
00:30:31,390 --> 00:30:37,230
Force Base in North Dakota over a period

694
00:30:33,910 --> 00:30:40,380
of six weeks unusual unknown

695
00:30:37,230 --> 00:30:44,349
unidentified objects we're traveling at

696
00:30:40,380 --> 00:30:47,110
exceedingly quick and fast speeds what's

697
00:30:44,349 --> 00:30:49,329
interesting is that even to this date

698
00:30:47,109 --> 00:30:51,159
the government has not acknowledged that

699
00:30:49,329 --> 00:30:52,449
it was able to identify any of those

700
00:30:51,160 --> 00:30:55,330
actions

701
00:30:52,450 --> 00:30:57,730
the documents do state that there were

702
00:30:55,329 --> 00:31:01,509
confirmed sightings at all four bases in

703
00:30:57,730 --> 00:31:03,128
October and November 1975 the first

704
00:31:01,509 --> 00:31:06,399
sighting was at Loring Air Force Base

705
00:31:03,128 --> 00:31:10,839
and named loin like the other bases was

706
00:31:06,398 --> 00:31:12,849
a Strategic Air Command installation the

707
00:31:10,839 --> 00:31:16,569
documents do not state however that

708
00:31:12,849 --> 00:31:19,569
these objects were alien spacecraft they

709
00:31:16,569 --> 00:31:22,899
do state that the military reaction was

710
00:31:19,569 --> 00:31:25,450
swift and confirm

711
00:31:22,900 --> 00:31:27,800
at Lauren there were two separate events

712
00:31:25,450 --> 00:31:31,808
something unidentified appeared in the

713

00:31:27,799 --> 00:31:31,808
night sky above the weapons storage area

714
00:31:32,880 --> 00:31:36,309
[Music]

715
00:31:34,150 --> 00:31:38,400
very bonded having learned of the event

716
00:31:36,308 --> 00:31:40,928
in the release documents investigated

717
00:31:38,400 --> 00:31:43,210
military people in God's in and around

718
00:31:40,929 --> 00:31:46,840
the weapon storage areas began to report

719
00:31:43,210 --> 00:31:50,190
lights hovering or landing within the

720
00:31:46,839 --> 00:31:52,569
weapons storage areas people would

721
00:31:50,190 --> 00:31:54,548
military people would respond to the

722
00:31:52,569 --> 00:31:56,288
area only to see the lights go out and

723
00:31:54,548 --> 00:31:59,079
the object disappear and then reappear

724
00:31:56,288 --> 00:32:02,500
over the runway let's described as

725
00:31:59,079 --> 00:32:05,859
football-shaped the length of maybe two

726
00:32:02,500 --> 00:32:07,329
or three vehicles cars if you will the

727
00:32:05,859 --> 00:32:10,119

witness telling us that there are

728

00:32:07,329 --> 00:32:12,609

shimmering zuv heat as you would see off

729

00:32:10,119 --> 00:32:14,288

the desert scene in the movie when we

730

00:32:12,609 --> 00:32:15,879

questioned the individual could it have

731

00:32:14,288 --> 00:32:18,730

been an aircraft could it have been in a

732

00:32:15,880 --> 00:32:21,039

helicopter the military person and I'll

733

00:32:18,730 --> 00:32:22,870

give his name Steve Ike they're telling

734

00:32:21,038 --> 00:32:24,519

us no I know what helicopters look like

735

00:32:22,869 --> 00:32:25,719

I've been around aircraft I work on

736

00:32:24,519 --> 00:32:26,889

aircraft this is something I've never

737

00:32:25,720 --> 00:32:29,079

seen before

738

00:32:26,890 --> 00:32:31,538

the official records which I quote in my

739

00:32:29,079 --> 00:32:33,099

book indicate that on the first night it

740

00:32:31,538 --> 00:32:35,829

certainly was a helicopter it was

741

00:32:33,099 --> 00:32:39,730

described as a helicopter now if the

742
00:32:35,829 --> 00:32:42,158
officers on the base experienced pilots

743
00:32:39,730 --> 00:32:45,429
if they don't know a helicopter and we

744
00:32:42,159 --> 00:32:48,100
have to depend on some GI who's not a

745
00:32:45,429 --> 00:32:51,190
pilot who comes forward not at the time

746
00:32:48,099 --> 00:32:53,339
but years later he claims to have been

747
00:32:51,190 --> 00:32:56,590
there and claims it was not a helicopter

748
00:32:53,339 --> 00:32:59,199
again let's go on the official records

749
00:32:56,589 --> 00:33:01,538
it is the official records that fosset

750
00:32:59,200 --> 00:33:03,278
uses to substantiate his claim that

751
00:33:01,538 --> 00:33:05,769
helicopters could not be the explanation

752
00:33:03,278 --> 00:33:08,288
the military response at all four bases

753
00:33:05,769 --> 00:33:10,359
he says was to dramatically from our

754
00:33:08,288 --> 00:33:13,359
documentation we know of pursuits that

755
00:33:10,359 --> 00:33:15,339
occurred scrambling of aircraft from

756
00:33:13,359 --> 00:33:17,769
Loring Air Force Base and the chases

757
00:33:15,339 --> 00:33:20,230
went up into the Canadian territory if

758
00:33:17,769 --> 00:33:21,819
you will only to be lost around New

759
00:33:20,230 --> 00:33:23,528
Brunswick somewhere up in that area

760
00:33:21,819 --> 00:33:26,589
there's no question there were over

761
00:33:23,528 --> 00:33:28,179
flights of unknowns that sometimes

762
00:33:26,589 --> 00:33:29,648
referred to as helicopters but if you

763
00:33:28,179 --> 00:33:32,200
talk to the people read the official

764
00:33:29,648 --> 00:33:34,209
government statement it's clear that

765
00:33:32,200 --> 00:33:35,980
they were concerned but there were

766
00:33:34,210 --> 00:33:37,899
scrambled subjects to go after these

767
00:33:35,980 --> 00:33:41,169
things that they were being observed by

768
00:33:37,898 --> 00:33:43,808
highly qualified people but we were lied

769
00:33:41,169 --> 00:33:45,100
to flat-out about those cases as a

770

00:33:43,808 --> 00:33:47,889
matter of fact some of the documents we

771
00:33:45,099 --> 00:33:49,409
eventually got clearly indicated during

772
00:33:47,890 --> 00:33:52,509
traduction for local based commanders

773
00:33:49,410 --> 00:33:54,730
don't say anything about the sightings

774
00:33:52,509 --> 00:33:57,940
at the other bases they could appear to

775
00:33:54,730 --> 00:34:00,549
be an isolated instance military

776
00:33:57,940 --> 00:34:03,160
authorities will not comment on the 1975

777
00:34:00,549 --> 00:34:05,409
overfly they simply state that at any

778
00:34:03,160 --> 00:34:07,330
sac installation there would always be

779
00:34:05,410 --> 00:34:10,240
an immediate defensive response to

780
00:34:07,329 --> 00:34:12,369
anything unknown we planes in the air

781
00:34:10,239 --> 00:34:15,009
they say it does not confirm a

782
00:34:12,369 --> 00:34:17,859
penetration of an intergalactic craft

783
00:34:15,010 --> 00:34:20,080
Vincennes against UFO secrecy however

784
00:34:17,860 --> 00:34:22,149

refer to other documents they've gotten

785

00:34:20,079 --> 00:34:26,829

released by the Pentagon to prove their

786

00:34:22,148 --> 00:34:29,199

claims in May of 1985 we've gotten a

787

00:34:26,829 --> 00:34:34,869

document there was classified top-secret

788

00:34:29,199 --> 00:34:36,849

in 1948 and about a month after its it's

789

00:34:34,869 --> 00:34:39,219

released to the other agencies its

790

00:34:36,849 --> 00:34:41,529

distribution it was ordered recalled and

791

00:34:39,219 --> 00:34:43,449

destroyed each and every copy one copy

792

00:34:41,530 --> 00:34:45,580

was kept and it has a remained top

793

00:34:43,449 --> 00:34:48,398

secret classified top secret for the

794

00:34:45,579 --> 00:34:49,809

last what is it 40 years almost and in

795

00:34:48,398 --> 00:34:52,839

the document the government acknowledges

796

00:34:49,809 --> 00:34:55,418

back in 1948 the existence and reality

797

00:34:52,840 --> 00:34:57,039

of the objects the official military

798

00:34:55,418 --> 00:34:58,329

position about any document issued

799

00:34:57,039 --> 00:35:00,550
before the project Bluebook

800

00:34:58,329 --> 00:35:03,190
investigation is that Blue Book later

801

00:35:00,550 --> 00:35:05,530
explained them this includes a startling

802

00:35:03,190 --> 00:35:08,500
document written by a Canadian warbird

803

00:35:05,530 --> 00:35:10,540
Smith stated flat-out and his top secret

804

00:35:08,500 --> 00:35:12,789
memo and I think was Declassified by

805

00:35:10,539 --> 00:35:14,590
mistake Franklin but this is the most

806

00:35:12,789 --> 00:35:16,809
classified subject in the United States

807

00:35:14,590 --> 00:35:20,800
even more so than the h-bomb and that

808

00:35:16,809 --> 00:35:23,019
flat-out flying saucers exist this is

809

00:35:20,800 --> 00:35:27,090
the opinion of one man a Canadian

810

00:35:23,019 --> 00:35:27,090
officer in 1947

811

00:35:27,139 --> 00:35:33,569
[Music]

812

00:35:30,869 --> 00:35:35,579
for truth the flying saucers do exist

813
00:35:33,570 --> 00:35:37,289
some critics demand more than just the

814
00:35:35,579 --> 00:35:40,049
accounts of those who have had Close

815
00:35:37,289 --> 00:35:42,179
Encounters of the first kind visual

816
00:35:40,050 --> 00:35:44,490
sightings even when first kind

817
00:35:42,179 --> 00:35:46,500
encounters are reinforced by photographs

818
00:35:44,489 --> 00:35:49,349
they fail to satisfy the need for

819
00:35:46,500 --> 00:35:50,909
physical evidence this woman claims that

820
00:35:49,349 --> 00:35:54,449
she has had a close encounter of the

821
00:35:50,909 --> 00:35:57,349
second kind a second kind encounter is

822
00:35:54,449 --> 00:35:59,789
defined by its having physical evidence

823
00:35:57,349 --> 00:36:02,190
Vickie Landrum along with her grandson

824
00:35:59,789 --> 00:36:04,380
Coby lead alleges that they along with

825
00:36:02,190 --> 00:36:05,789
Betty cash were on their way home from a

826
00:36:04,380 --> 00:36:08,450
bingo game when they encountered

827

00:36:05,789 --> 00:36:13,119
something they had never seen before

828
00:36:08,449 --> 00:36:14,859
[Music]

829
00:36:13,119 --> 00:36:19,719
the alleged offense

830
00:36:14,860 --> 00:36:21,880
on December 28 1980 Vickie and Colby

831
00:36:19,719 --> 00:36:25,899
were driving in Betty's car on highway

832
00:36:21,880 --> 00:36:30,039
14 85 30 miles from the Houston Airport

833
00:36:25,900 --> 00:36:33,849
and only 37 miles from NASA's American

834
00:36:30,039 --> 00:36:38,170
state headquarters Coby Lise saw a light

835
00:36:33,849 --> 00:36:40,900
and he kept asking us what the light was

836
00:36:38,170 --> 00:36:43,630
and he kept putting my face around and

837
00:36:40,900 --> 00:36:44,950
asking me ma'am or what he did and I

838
00:36:43,630 --> 00:36:50,019
said honey I don't know

839
00:36:44,949 --> 00:36:52,210
and baby Shelby's getting closer and I

840
00:36:50,019 --> 00:36:54,280
says well it kind of looks like it but

841
00:36:52,210 --> 00:36:57,970

we had no idea that we were gonna get

842

00:36:54,280 --> 00:37:01,660

hurt I would say within an instant of so

843

00:36:57,969 --> 00:37:04,179

all of us noticed it because it lit up

844

00:37:01,659 --> 00:37:06,339

the entire sky there was no way you

845

00:37:04,179 --> 00:37:11,159

could have missed it it looked like the

846

00:37:06,340 --> 00:37:11,160

woods were being set on fire and not aah

847

00:37:11,190 --> 00:37:17,380

inside the car it was so hot

848

00:37:14,550 --> 00:37:23,920

till my handprint is yet on the

849

00:37:17,380 --> 00:37:25,990

dashboard of Betty's car they got out on

850

00:37:23,920 --> 00:37:29,320

their side of the door I stepped out on

851

00:37:25,989 --> 00:37:32,229

mine I stood behind the corridor for

852

00:37:29,320 --> 00:37:35,530

just a second or so and I walked toward

853

00:37:32,230 --> 00:37:40,000

the front of automobile I stood there

854

00:37:35,530 --> 00:37:45,580

for just a short time I don't know how

855

00:37:40,000 --> 00:37:48,760

long trying to see what I could figure

856
00:37:45,579 --> 00:37:52,090
this object out to be it was diamond

857
00:37:48,760 --> 00:37:54,520
shaped it didn't mean it was sharp up

858
00:37:52,090 --> 00:37:56,740
here and chalk down here it was kind of

859
00:37:54,519 --> 00:38:00,989
round and the fire come out the bottom

860
00:37:56,739 --> 00:38:04,929
of it but here was this huge object and

861
00:38:00,989 --> 00:38:09,309
flames shooting from it and they weren't

862
00:38:04,929 --> 00:38:13,329
just small flames they were gushing from

863
00:38:09,309 --> 00:38:15,849
it and Kobe was hanging on to me and I

864
00:38:13,329 --> 00:38:17,920
he was trying to get he started pulling

865
00:38:15,849 --> 00:38:20,769
away from me and I pushed him back in

866
00:38:17,920 --> 00:38:22,360
the car and I got inside the car and put

867
00:38:20,769 --> 00:38:26,079
more I'm around him and hugged him up

868
00:38:22,360 --> 00:38:27,180
real close to me we thought it was the

869
00:38:26,079 --> 00:38:33,000
end of time

870
00:38:27,179 --> 00:38:38,369
that is a Kobe don't be afraid I said if

871
00:38:33,000 --> 00:38:40,380
you see a man it'll be Jesus and I said

872
00:38:38,369 --> 00:38:43,319
he will come to Kerala still a better

873
00:38:40,380 --> 00:38:45,450
place he will not hurt you it was just

874
00:38:43,320 --> 00:38:48,330
learning it was just too much heat I

875
00:38:45,449 --> 00:38:50,329
could not tolerate it so Vicki scream

876
00:38:48,329 --> 00:38:53,429
Ben begged for me to get back in the car

877
00:38:50,329 --> 00:38:56,069
well I did but I had to use the end of

878
00:38:53,429 --> 00:38:58,469
my leather jacket in order to open my

879
00:38:56,070 --> 00:39:01,950
car door to get back in that's just how

880
00:38:58,469 --> 00:39:04,889
high it was and when the object lifted

881
00:39:01,949 --> 00:39:09,239
and slowly moved over to the right of us

882
00:39:04,889 --> 00:39:11,549
her and Coby saw some helicopters there

883
00:39:09,239 --> 00:39:16,769
was so many out it sounded like a

884

00:39:11,550 --> 00:39:19,200
tornado and we counted 23 I counted 22

885
00:39:16,769 --> 00:39:22,679
really but Cody said there's one more

886
00:39:19,199 --> 00:39:25,980
and I said yeah maybe that makes 23 and

887
00:39:22,679 --> 00:39:31,319
there were helicopters on both sides and

888
00:39:25,980 --> 00:39:34,170
also over the top of the object or Lac

889
00:39:31,320 --> 00:39:36,059
they were trying to him it in the only

890
00:39:34,170 --> 00:39:37,800
apparent proof the women have for what

891
00:39:36,059 --> 00:39:39,659
happened to them is the illness they

892
00:39:37,800 --> 00:39:41,640
claimed they suffered as a result of the

893
00:39:39,659 --> 00:39:44,219
encounter it is the record of these

894
00:39:41,639 --> 00:39:48,599
illnesses that made this an encounter of

895
00:39:44,219 --> 00:39:51,169
the second kind my eyes were burned so

896
00:39:48,599 --> 00:39:53,579
till they was swelled and they were

897
00:39:51,170 --> 00:39:55,530
tearing till I could lay down at night

898
00:39:53,579 --> 00:39:58,789

in the next morning my pillow would be

899

00:39:55,530 --> 00:40:02,550

completely wet and I couldn't I couldn't

900

00:39:58,789 --> 00:40:04,710

hardly see anything Vicky was treated

901

00:40:02,550 --> 00:40:07,590

for burns and she and Colby Lee suffered

902

00:40:04,710 --> 00:40:09,599

long periods of nausea Betty cash was

903

00:40:07,590 --> 00:40:11,940

hospitalized immediately after the event

904

00:40:09,599 --> 00:40:14,099

she suffered severe hair loss and was

905

00:40:11,940 --> 00:40:16,289

also treated for burns and nausea

906

00:40:14,099 --> 00:40:19,319

since then she has been hospitalized

907

00:40:16,289 --> 00:40:20,670

several times it is the first time that

908

00:40:19,320 --> 00:40:21,420

went into the hospital they were

909

00:40:20,670 --> 00:40:25,950

treating us

910

00:40:21,420 --> 00:40:28,260

it burned but then after they found out

911

00:40:25,949 --> 00:40:31,199

really what had happened then they

912

00:40:28,260 --> 00:40:37,860

started to treating us as radioactive

913
00:40:31,199 --> 00:40:40,139
burned incense I have had cancer Betty's

914
00:40:37,860 --> 00:40:40,740
hospital records do not explicitly state

915
00:40:40,139 --> 00:40:43,349
that she was

916
00:40:40,739 --> 00:40:45,629
treated for radioactive burn they do

917
00:40:43,349 --> 00:40:48,000
state however that she exhibited the

918
00:40:45,630 --> 00:40:49,950
symptoms similar to someone who might

919
00:40:48,000 --> 00:40:50,519
have been exposed to a radioactive

920
00:40:49,949 --> 00:40:53,069
element

921
00:40:50,519 --> 00:40:55,110
Betty further maintains that she had no

922
00:40:53,070 --> 00:40:57,960
cancer history previous to the alleged

923
00:40:55,110 --> 00:41:01,530
encounter her records do confirm however

924
00:40:57,960 --> 00:41:07,050
that she does now have the disease no

925
00:41:01,530 --> 00:41:11,400
I'm not well my domain I wish I pray

926
00:41:07,050 --> 00:41:13,230
that I could be with the help of Peter

927

00:41:11,400 --> 00:41:15,690
Gersten the New York Attorney for

928

00:41:13,230 --> 00:41:17,789
citizens against UFO secrecy the two

929

00:41:15,690 --> 00:41:19,889
women have sued the government to find

930

00:41:17,789 --> 00:41:23,429
out what it was they encountered that

931

00:41:19,889 --> 00:41:26,400
night was it a UFO or an American weapon

932

00:41:23,429 --> 00:41:30,389
gone awry or something else I believe

933

00:41:26,400 --> 00:41:33,930
the story is a hoax there is absolutely

934

00:41:30,389 --> 00:41:36,719
no evidence the woman's story is

935

00:41:33,929 --> 00:41:38,730
supported only by the claim of Betty

936

00:41:36,719 --> 00:41:42,029
cash that she had serious health

937

00:41:38,730 --> 00:41:43,920
problems after the alleged incident from

938

00:41:42,030 --> 00:41:45,869
my review of the cash Landrum case I

939

00:41:43,920 --> 00:41:47,670
would say that there's no question that

940

00:41:45,869 --> 00:41:49,320
an event took place that those people

941

00:41:47,670 --> 00:41:50,070
were near something that was emitting

942
00:41:49,320 --> 00:41:51,900
radiation

943
00:41:50,070 --> 00:41:53,460
I don't think it was mailing in

944
00:41:51,900 --> 00:41:55,650
spacecraft Franklin I think was a

945
00:41:53,460 --> 00:41:58,019
nuclear-powered aircraft that's why all

946
00:41:55,650 --> 00:42:00,030
the helicopters its standard practice if

947
00:41:58,019 --> 00:42:01,920
there's a classified system around there

948
00:42:00,030 --> 00:42:03,680
guys ready to go there to keep somebody

949
00:42:01,920 --> 00:42:08,340
else from getting that shouldn't crash

950
00:42:03,679 --> 00:42:10,559
the facts are that the US Defense

951
00:42:08,340 --> 00:42:14,789
Department investigated they could not

952
00:42:10,559 --> 00:42:17,009
locate 22 twin-rotor helicopters that

953
00:42:14,789 --> 00:42:19,889
could possibly have been flying in that

954
00:42:17,010 --> 00:42:22,410
area and in fact is Colonel saran who

955
00:42:19,889 --> 00:42:24,239

made the investigation told me he said

956

00:42:22,409 --> 00:42:25,589

Phil this occurred over the Christmas

957

00:42:24,239 --> 00:42:27,959

New Year's holiday

958

00:42:25,590 --> 00:42:29,820

he said you couldn't get that many

959

00:42:27,960 --> 00:42:32,940

helicopters you couldn't get a military

960

00:42:29,820 --> 00:42:35,039

operation into the air over the

961

00:42:32,940 --> 00:42:37,619

Christmas New Year's holiday unless the

962

00:42:35,039 --> 00:42:39,059

nation was at war the object was there

963

00:42:37,619 --> 00:42:41,460

it existed there's no question about

964

00:42:39,059 --> 00:42:42,750

that what's interesting is that for the

965

00:42:41,460 --> 00:42:44,760

first time the government has suggested

966

00:42:42,750 --> 00:42:47,670

that it wasn't there that it was

967

00:42:44,760 --> 00:42:49,560

possibly a true UFO and nowhere has the

968

00:42:47,670 --> 00:42:52,470

government ever ever admitted other than

969

00:42:49,559 --> 00:42:53,489

this basic document that was done in

970
00:42:52,469 --> 00:42:57,139
1948

971
00:42:53,489 --> 00:43:01,409
that UFOs exist I love this country and

972
00:42:57,139 --> 00:43:05,460
all it stands for but I wish they would

973
00:43:01,409 --> 00:43:07,829
tell us the truth if extraterrestrials

974
00:43:05,460 --> 00:43:10,110
are coming here what do they want are

975
00:43:07,829 --> 00:43:12,179
they coming here just to observe or are

976
00:43:10,110 --> 00:43:15,240
they making actual contact with some of

977
00:43:12,179 --> 00:43:17,639
it contact with an alien is what dr.

978
00:43:15,239 --> 00:43:19,799
Hynek calls and what Steven Spielberg

979
00:43:17,639 --> 00:43:22,109
has celebrated in the movies at the

980
00:43:19,800 --> 00:43:24,960
close encounter of the Third Kind

981
00:43:22,110 --> 00:43:27,210
Charlie Hickman says he's had such an

982
00:43:24,960 --> 00:43:30,199
encounter these things evidently they

983
00:43:27,210 --> 00:43:33,059
are coming from another world someone I

984
00:43:30,199 --> 00:43:35,189
don't know what message they how far so

985
00:43:33,059 --> 00:43:36,690
they intended help us for sure today are

986
00:43:35,190 --> 00:43:39,929
not going to Amish because they didn't

987
00:43:36,690 --> 00:43:43,380
get on me Charlie Hickson's alleged

988
00:43:39,929 --> 00:43:44,909
abduction aboard a UFO in 1973 follow

989
00:43:43,380 --> 00:43:47,539
the story of Betty and Barney Hill

990
00:43:44,909 --> 00:43:51,719
abduction in Exeter New Hampshire in

991
00:43:47,539 --> 00:43:53,849
1961 a most recent claim of a close

992
00:43:51,719 --> 00:43:56,099
encounter of the Third Kind occurred not

993
00:43:53,849 --> 00:43:57,690
in the back waters of Mississippi but in

994
00:43:56,099 --> 00:44:01,139
the heart of New York City

995
00:43:57,690 --> 00:44:03,119
rosemary ostinato suddenly I hesitated

996
00:44:01,139 --> 00:44:09,599
or I couldn't seem to put the key in the

997
00:44:03,119 --> 00:44:11,730
door and I just turned around and wanted

998

00:44:09,599 --> 00:44:13,529
to go up to the roof and they seem

999
00:44:11,730 --> 00:44:15,090
rather odd because you just don't do

1000
00:44:13,530 --> 00:44:16,530
that in New York you don't go up on the

1001
00:44:15,090 --> 00:44:19,019
roof at one o'clock in the morning it's

1002
00:44:16,530 --> 00:44:21,269
just not something to do and yet I was

1003
00:44:19,019 --> 00:44:24,690
doing in and it seemed to me a very

1004
00:44:21,269 --> 00:44:26,940
bright light that was shining in the

1005
00:44:24,690 --> 00:44:30,750
hallway and I thought this was moonlight

1006
00:44:26,940 --> 00:44:32,579
at first you know and apparently it

1007
00:44:30,750 --> 00:44:34,710
wasn't moonlight because when I got up

1008
00:44:32,579 --> 00:44:37,739
there there was a very bright light up

1009
00:44:34,710 --> 00:44:40,440
on the roof and then it went out for a

1010
00:44:37,739 --> 00:44:44,789
few seconds and then it came back on

1011
00:44:40,440 --> 00:44:49,320
again and I was just listed physically

1012
00:44:44,789 --> 00:44:58,320

lifted in that beam of light when I got

1013

00:44:49,320 --> 00:45:03,260

into the craft I was led by a group of I

1014

00:44:58,320 --> 00:45:03,260

guess mother one group of grace

1015

00:45:04,099 --> 00:45:18,200

I don't know what they were but large a

1016

00:45:09,088 --> 00:45:22,078

large I've been well and they

1017

00:45:18,199 --> 00:45:23,879

communicated telepathically nineteen

1018

00:45:22,079 --> 00:45:26,130

year old Travis Walton of snowflake

1019

00:45:23,880 --> 00:45:30,088

Arizona claimed he encountered similar

1020

00:45:26,130 --> 00:45:32,068

aliens in 1975 Walton was in his words

1021

00:45:30,088 --> 00:45:33,929

zapped by a blue light when the

1022

00:45:32,068 --> 00:45:35,849

spaceship appeared when he was working

1023

00:45:33,929 --> 00:45:38,328

in the forest when I regained

1024

00:45:35,849 --> 00:45:43,039

consciousness I was on board of this

1025

00:45:38,329 --> 00:45:45,298

apparently on board the spacecraft and I

1026

00:45:43,039 --> 00:45:48,329

encountered two different types of

1027
00:45:45,298 --> 00:45:52,259
beings the first type of creature I saw

1028
00:45:48,329 --> 00:45:54,450
was about five feet tall they were very

1029
00:45:52,259 --> 00:45:57,719
white looking their skin was very pale

1030
00:45:54,449 --> 00:46:01,409
and they didn't have any hair on their

1031
00:45:57,719 --> 00:46:04,228
heads and had enormous eyes there was a

1032
00:46:01,409 --> 00:46:06,139
type of being there that you know anyone

1033
00:46:04,228 --> 00:46:09,389
else would consider to be looked very

1034
00:46:06,139 --> 00:46:11,788
human-like Walton was found on a

1035
00:46:09,389 --> 00:46:14,248
roadside five days after he disappeared

1036
00:46:11,789 --> 00:46:16,319
from the forest he could however recall

1037
00:46:14,248 --> 00:46:19,919
only what seemed like an hour of time

1038
00:46:16,318 --> 00:46:23,940
past time he claims he spent aboard an

1039
00:46:19,920 --> 00:46:28,019
alien spacecraft now 29 he reflects on

1040
00:46:23,940 --> 00:46:31,380
that experience I lost my job you know

1041
00:46:28,018 --> 00:46:33,389
the effects were quite negative you know

1042
00:46:31,380 --> 00:46:36,719
time lost now it's a very disturbing

1043
00:46:33,389 --> 00:46:38,548
thing in my life a lot of negative

1044
00:46:36,719 --> 00:46:41,479
publicity really and all this is a kind

1045
00:46:38,548 --> 00:46:44,728
of a stigma same thing for people to you

1046
00:46:41,478 --> 00:46:45,899
know consider you you know not certain

1047
00:46:44,728 --> 00:46:46,498
percentage that people think that you're

1048
00:46:45,900 --> 00:46:48,930
wacko

1049
00:46:46,498 --> 00:46:51,118
what Travis Walton and others claim they

1050
00:46:48,929 --> 00:46:53,548
have experienced as according to some

1051
00:46:51,119 --> 00:46:54,780
now been validated by government

1052
00:46:53,548 --> 00:46:56,909
documents

1053
00:46:54,780 --> 00:46:59,460
about to join the limiter of Third Kind

1054
00:46:56,909 --> 00:47:01,649
encounters is the startling tale of an

1055

00:46:59,460 --> 00:47:04,260
alleged landing of a spacecraft outside

1056
00:47:01,650 --> 00:47:06,660
an American Air Force Base in Rendlesham

1057
00:47:04,260 --> 00:47:08,820
England the American military admits

1058
00:47:06,659 --> 00:47:11,250
they are still withholding six documents

1059
00:47:08,820 --> 00:47:13,800
in the Bentwaters case we have an

1060
00:47:11,250 --> 00:47:16,590
eyewitness which is rare we have an

1061
00:47:13,800 --> 00:47:18,330
audiotape made at the time of the actual

1062
00:47:16,590 --> 00:47:20,970
event we have a government document

1063
00:47:18,329 --> 00:47:22,860
which corroborates the existence of the

1064
00:47:20,969 --> 00:47:25,709
incident the government has no reason to

1065
00:47:22,860 --> 00:47:28,140
withhold the information the UFO is

1066
00:47:25,710 --> 00:47:30,000
vigil clashed in the ocean forest in an

1067
00:47:28,139 --> 00:47:32,730
area two miles from the American

1068
00:47:30,000 --> 00:47:34,500
military installation released Air Force

1069
00:47:32,730 --> 00:47:36,599

documents confirm that military

1070

00:47:34,500 --> 00:47:39,210
personnel were dispatched to the site on

1071

00:47:36,599 --> 00:47:42,420
the first night they reported seeing the

1072

00:47:39,210 --> 00:47:44,250
lights of the mysterious craft on the

1073

00:47:42,420 --> 00:47:45,659
second night after Geiger counter

1074

00:47:44,250 --> 00:47:47,909
readings indicated increased

1075

00:47:45,659 --> 00:47:49,769
radioactivity in the area where it seems

1076

00:47:47,909 --> 00:47:52,079
something could have landed the

1077

00:47:49,769 --> 00:47:54,599
commanding officer of the base Colonel

1078

00:47:52,079 --> 00:47:56,849
Charles halt along with several officers

1079

00:47:54,599 --> 00:48:00,539
and enlisted men also reported seeing

1080

00:47:56,849 --> 00:48:03,239
the UFO hub world this document

1081

00:48:00,539 --> 00:48:05,009
reporting the sighting it clearly

1082

00:48:03,239 --> 00:48:07,019
indicated the presence of a strange

1083

00:48:05,010 --> 00:48:10,920
glowing light that illuminated the

1084
00:48:07,019 --> 00:48:13,050
entire forest it tells the pulsating red

1085
00:48:10,920 --> 00:48:15,889
and blue light and of the objects

1086
00:48:13,050 --> 00:48:15,890
disappearing

1087
00:48:19,389 --> 00:48:23,710
Colonel halt also made this tape

1088
00:48:21,880 --> 00:48:36,369
recording at the time of the second

1089
00:48:23,710 --> 00:48:38,289
incident what Colonel Hall was

1090
00:48:36,369 --> 00:48:40,509
describing that night some believe was

1091
00:48:38,289 --> 00:48:43,360
the pulsating light emanating from a

1092
00:48:40,510 --> 00:48:44,650
lighthouse five miles away those who

1093
00:48:43,360 --> 00:48:46,300
believe that it could not have been the

1094
00:48:44,650 --> 00:48:48,309
lighthouse quickly point out that halls

1095
00:48:46,300 --> 00:48:48,940
report indicates lights of different

1096
00:48:48,309 --> 00:48:51,159
colors

1097
00:48:48,940 --> 00:48:53,860
critics respond that pulsating lights

1098
00:48:51,159 --> 00:48:56,259
can play tricks create illusion and the

1099
00:48:53,860 --> 00:48:59,289
light comes in at you at a roughly tree

1100
00:48:56,260 --> 00:49:01,840
level and it turns and it rotate so it's

1101
00:48:59,289 --> 00:49:05,050
flashing on and off if you look at the

1102
00:49:01,840 --> 00:49:07,000
the transcripts of the taped account of

1103
00:49:05,050 --> 00:49:08,710
what the colonel and his men said that

1104
00:49:07,000 --> 00:49:11,019
night you will find they were things as

1105
00:49:08,710 --> 00:49:12,880
things as it's on now it's off it's on

1106
00:49:11,019 --> 00:49:15,489
it's off if I remember correctly and

1107
00:49:12,880 --> 00:49:18,970
that sequencing corresponds precisely

1108
00:49:15,489 --> 00:49:21,489
with what the rotation frequency is for

1109
00:49:18,969 --> 00:49:23,559
the the lighthouse the lighthouse Theory

1110
00:49:21,489 --> 00:49:26,139
deals only with a close encounter of the

1111
00:49:23,559 --> 00:49:29,049
first time one of the close encounter of

1112

00:49:26,139 --> 00:49:31,719
the third kind the story told later by

1113
00:49:29,050 --> 00:49:35,160
several American enlisted men the story

1114
00:49:31,719 --> 00:49:37,809
they say they were ordered not to tell

1115
00:49:35,159 --> 00:49:39,730
afraid to reveal his identity one of

1116
00:49:37,809 --> 00:49:42,639
them talks about the alleged encounter

1117
00:49:39,730 --> 00:49:46,449
the senior officer seemed very calm with

1118
00:49:42,639 --> 00:49:48,940
it and they don't the lower ranking

1119
00:49:46,449 --> 00:49:51,909
people like myself didn't know what to

1120
00:49:48,940 --> 00:49:54,220
make of it and almost maybe shock had

1121
00:49:51,909 --> 00:49:56,170
set in because we're very after listen

1122
00:49:54,219 --> 00:49:58,179
to what we were told to do I know

1123
00:49:56,170 --> 00:50:00,220
conversation took place between our base

1124
00:49:58,179 --> 00:50:03,210
commander and individuals that limit

1125
00:50:00,219 --> 00:50:06,000
craft a base commander at that time

1126
00:50:03,210 --> 00:50:08,409

apparently even shook one of their hands

1127

00:50:06,000 --> 00:50:11,949

something tells me at that time they had

1128

00:50:08,409 --> 00:50:15,359

difficulty with the craft and we even

1129

00:50:11,949 --> 00:50:17,949

gave them help in repairing the craft

1130

00:50:15,360 --> 00:50:19,930

the light house explanation for colonel

1131

00:50:17,949 --> 00:50:21,969

halts report cannot explain away the

1132

00:50:19,929 --> 00:50:25,539

account of the alleged landing and Third

1133

00:50:21,969 --> 00:50:27,399

Kind encounter and so far nothing in the

1134

00:50:25,539 --> 00:50:29,920

released government documents confirms

1135

00:50:27,400 --> 00:50:31,510

such an encounter there are six

1136

00:50:29,920 --> 00:50:32,740

documents that the government is

1137

00:50:31,510 --> 00:50:34,810

withholding concerning

1138

00:50:32,739 --> 00:50:36,429

the incident Bentwaters I want to know

1139

00:50:34,809 --> 00:50:38,049

why they was holding that information

1140

00:50:36,429 --> 00:50:39,819

they do not have a right to withhold

1141
00:50:38,050 --> 00:50:42,220
that information and I want to know what

1142
00:50:39,820 --> 00:50:44,350
that information is the government will

1143
00:50:42,219 --> 00:50:47,319
not release the documents for national

1144
00:50:44,349 --> 00:50:49,630
security reasons citizens against UFO

1145
00:50:47,320 --> 00:50:52,510
secrecy maintain that the government

1146
00:50:49,630 --> 00:50:54,780
uses national security as a cover for

1147
00:50:52,510 --> 00:50:57,250
withholding UFO related material

1148
00:50:54,780 --> 00:50:58,540
recently they sued for release of a

1149
00:50:57,250 --> 00:51:01,210
document from the National Security

1150
00:50:58,539 --> 00:51:03,519
Agency when they got it it looked like

1151
00:51:01,210 --> 00:51:05,460
this when you go through it all and

1152
00:51:03,519 --> 00:51:08,219
somebody actually added up the

1153
00:51:05,460 --> 00:51:11,110
percentage of the paper more than

1154
00:51:08,219 --> 00:51:16,089
three-quarters of this document isn't

1155
00:51:11,110 --> 00:51:19,059
there it means quite clearly that there

1156
00:51:16,090 --> 00:51:20,320
is a cover-up anybody who says the

1157
00:51:19,059 --> 00:51:22,029
government isn't holding anything back

1158
00:51:20,320 --> 00:51:24,340
at today well except for that stuff they

1159
00:51:22,030 --> 00:51:27,430
won't release when this is a UFO

1160
00:51:24,340 --> 00:51:30,340
document it tells about NSA information

1161
00:51:27,429 --> 00:51:32,109
about UFOs now on the one hand we the

1162
00:51:30,340 --> 00:51:34,390
government is still saying UFOs don't

1163
00:51:32,110 --> 00:51:36,640
exist now if UFOs don't exist how can

1164
00:51:34,389 --> 00:51:38,559
they affect national security the

1165
00:51:36,639 --> 00:51:40,618
government maintains that what is in the

1166
00:51:38,559 --> 00:51:42,940
censored and unreleased documents is

1167
00:51:40,619 --> 00:51:45,550
information that does not support the

1168
00:51:42,940 --> 00:51:47,019
existence of extraterrestrials but

1169

00:51:45,550 --> 00:51:49,119
rather information that if released

1170
00:51:47,019 --> 00:51:51,460
would compromise our own intelligence

1171
00:51:49,119 --> 00:51:54,160
network much of the information in those

1172
00:51:51,460 --> 00:51:56,409
UFO documents the government claims has

1173
00:51:54,159 --> 00:51:59,379
to do with how we intercept and decode

1174
00:51:56,409 --> 00:52:02,589
Soviet bloc messages to release them

1175
00:51:59,380 --> 00:52:05,559
would reveal to the Soviets and other

1176
00:52:02,590 --> 00:52:07,539
potential enemies where we have

1177
00:52:05,559 --> 00:52:09,699
listening stations my goodness the

1178
00:52:07,539 --> 00:52:11,920
Russians might discover might discover

1179
00:52:09,699 --> 00:52:14,649
that we have a listening station in

1180
00:52:11,920 --> 00:52:17,190
Leningrad as an example that we had

1181
00:52:14,650 --> 00:52:20,470
intercepted some communications there

1182
00:52:17,190 --> 00:52:24,820
more important it would reveal that we

1183
00:52:20,469 --> 00:52:27,129

were able to decode Soviet coded

1184

00:52:24,820 --> 00:52:28,720

messages there are three basic reasons

1185

00:52:27,130 --> 00:52:30,309

why the government does not come forward

1186

00:52:28,719 --> 00:52:32,469

and release the information it has an

1187

00:52:30,309 --> 00:52:34,269

UFO the first reason is technology

1188

00:52:32,469 --> 00:52:36,368

that's trying to learn as much about the

1189

00:52:34,269 --> 00:52:39,219

objects before the Russians the second

1190

00:52:36,369 --> 00:52:41,720

reason is the vulnerability that could

1191

00:52:39,219 --> 00:52:43,039

be shown by the

1192

00:52:41,719 --> 00:52:45,618

relations that might be forthcoming

1193

00:52:43,039 --> 00:52:47,869

concerning UFOs the third reason is the

1194

00:52:45,619 --> 00:52:54,440

hysteria that might be caused by the

1195

00:52:47,869 --> 00:52:56,500

release of this information are these

1196

00:52:54,440 --> 00:52:59,389

spaceships from Otherworld

1197

00:52:56,500 --> 00:53:01,010

are we being visited by intergalactic

1198
00:52:59,389 --> 00:53:03,069
aliens with the technology and

1199
00:53:01,010 --> 00:53:06,230
civilization that Dwarfs ours

1200
00:53:03,070 --> 00:53:10,039
most scientists say no they are not

1201
00:53:06,230 --> 00:53:12,740
because they cannot UFO proponents say

1202
00:53:10,039 --> 00:53:14,960
they are that our myopia prevents us

1203
00:53:12,739 --> 00:53:17,719
from seeing life elsewhere as being

1204
00:53:14,960 --> 00:53:19,340
different from ours I think it's one

1205
00:53:17,719 --> 00:53:21,649
should also point out there's a fee

1206
00:53:19,340 --> 00:53:23,000
Krakus and when we look for life oh but

1207
00:53:21,650 --> 00:53:24,980
we should not look only for life as we

1208
00:53:23,000 --> 00:53:26,510
know but life as we don't know any went

1209
00:53:24,980 --> 00:53:29,309
so far as to say 'hey we should even

1210
00:53:26,510 --> 00:53:31,830
look for life as we can't understand it

1211
00:53:29,309 --> 00:53:34,110
[Music]

1212
00:53:31,829 --> 00:53:36,090
we are now only beginning to free

1213
00:53:34,110 --> 00:53:39,329
ourselves from the gravity that binds us

1214
00:53:36,090 --> 00:53:41,610
to our own planet a new generation of

1215
00:53:39,329 --> 00:53:45,329
Americans those born in the space age

1216
00:53:41,610 --> 00:53:47,370
demand new answers to old questions more

1217
00:53:45,329 --> 00:53:49,170
receptive to the possibilities they want

1218
00:53:47,369 --> 00:53:52,259
to know are we being visited by

1219
00:53:49,170 --> 00:53:54,389
intergalactic travelers they have joined

1220
00:53:52,260 --> 00:53:56,960
their voices to others asking what's

1221
00:53:54,389 --> 00:53:59,639
going on is there a government cover-up

1222
00:53:56,960 --> 00:54:02,610
do the unreleased documents contain

1223
00:53:59,639 --> 00:54:04,319
evidence that proves that UFOs over our

1224
00:54:02,610 --> 00:54:07,380
nuclear plants and air bases are

1225
00:54:04,320 --> 00:54:10,289
actually from other worlds or are they

1226

00:54:07,380 --> 00:54:12,059
from earthly neighbors most scientists

1227
00:54:10,289 --> 00:54:15,059
agree that there is life in the universe

1228
00:54:12,059 --> 00:54:17,070
but that it cannot travel here they hope

1229
00:54:15,059 --> 00:54:18,840
only to communicate with that life with

1230
00:54:17,070 --> 00:54:20,640
giant radio telescopes

1231
00:54:18,840 --> 00:54:22,470
these scientists believe that what is

1232
00:54:20,639 --> 00:54:24,539
being hidden in the government document

1233
00:54:22,469 --> 00:54:27,269
is probably not secrets of other world

1234
00:54:24,539 --> 00:54:28,659
with the secrets of an earthbound Cold

1235
00:54:27,269 --> 00:54:31,500
War

1236
00:54:28,659 --> 00:54:31,500
either way

1237
00:54:33,590 --> 00:55:09,659
[Music]

1238
00:55:14,079 --> 00:55:16,139
you
