

1
00:00:00,439 --> 00:00:05,819
and we looked up and there were you know

2
00:00:03,600 --> 00:00:08,099
lights on the bottom part of it that we

3
00:00:05,819 --> 00:00:10,019
could see as we looked up and this

4
00:00:08,099 --> 00:00:13,559
person has experienced a close encounter

5
00:00:10,019 --> 00:00:15,509
of the first kind you've had a close

6
00:00:13,558 --> 00:00:17,698
encounter of the first kind if you've

7
00:00:15,509 --> 00:00:22,260
seen a daylight disc or nocturnal light

8
00:00:17,699 --> 00:00:24,330
UFO at close range on April 14 1984

9
00:00:22,260 --> 00:00:26,550
hundreds of people in the small mining

10
00:00:24,329 --> 00:00:31,320
town of Morenci Arizona witnessed a huge

11
00:00:26,550 --> 00:00:33,359
boomerang shaped object in the sky close

12
00:00:31,320 --> 00:00:35,488
encounters of the second kind are visual

13
00:00:33,359 --> 00:00:37,920
evidence of a UFOs landing such as

14
00:00:35,488 --> 00:00:41,039
impressions made by the craft burned or

15
00:00:37,920 --> 00:00:43,170
irradiated soil trees or grass in August

16
00:00:41,039 --> 00:00:45,179
of 1979 in northern Minnesota when

17
00:00:43,170 --> 00:00:47,250
deputy sheriff Val Johnson encountered a

18
00:00:45,179 --> 00:00:48,960
brilliantly lighted object his vehicle

19
00:00:47,250 --> 00:00:52,909
was knocked off the road the hood dented

20
00:00:48,960 --> 00:00:52,910
two antennae bent and a headlamp broken

21
00:00:54,969 --> 00:00:59,140
in a close encounter of the third kind

22
00:00:56,590 --> 00:01:01,359
which Steven Spielberg made famous the

23
00:00:59,140 --> 00:01:05,739
witness observes or actually confronts

24
00:01:01,359 --> 00:01:07,509
the occupants of the UFO Close

25
00:01:05,739 --> 00:01:08,920
Encounters of the Fourth Kind include

26
00:01:07,509 --> 00:01:11,769
people who claim to have been abducted

27
00:01:08,920 --> 00:01:13,960
by extraterrestrials in almost every

28
00:01:11,769 --> 00:01:16,000
case abductees also claimed to have been

29

00:01:13,959 --> 00:01:18,309
medically examined by the ETS and

30
00:01:16,000 --> 00:01:21,939
eventually returned home unable to

31
00:01:18,310 --> 00:01:23,799
account for the missing time now there

32
00:01:21,939 --> 00:01:26,259
is a nominal charge of \$1 on your phone

33
00:01:23,799 --> 00:01:27,640
bill for each call to our 900 number the

34
00:01:26,259 --> 00:01:29,319
phones are active only in the United

35
00:01:27,640 --> 00:01:31,478
States and Canada from 8 p.m. Friday

36
00:01:29,319 --> 00:01:33,568
October 14th through 1:00 a.m. Saturday

37
00:01:31,478 --> 00:01:35,978
October 15th East Eastern Daylight Time

38
00:01:33,569 --> 00:01:39,250
so if you've had a close encounter of

39
00:01:35,978 --> 00:01:41,649
the first kind please call 1 904 0 0 6 1

40
00:01:39,250 --> 00:01:45,549
8 1 Close Encounters of the second kind

41
00:01:41,649 --> 00:01:46,780
call 1 904 0 0 6 1 8 2 if you've

42
00:01:45,549 --> 00:01:50,618
experienced a close encounter of the

43
00:01:46,780 --> 00:01:52,689

third kind please call 1 904 0 0 6 1 8 3

44

00:01:50,618 --> 00:01:53,978

but that's only if you've had a third

45

00:01:52,689 --> 00:01:56,079

kind encounter though not if you've just

46

00:01:53,978 --> 00:01:57,969

seen the movie if you had a close

47

00:01:56,079 --> 00:01:59,709

encounter of the Fourth Kind and you are

48

00:01:57,969 --> 00:02:04,899

back we're anxious to hear from you

49

00:01:59,709 --> 00:02:06,489

please call 1 904 0 0 6 1 8 4 finally if

50

00:02:04,899 --> 00:02:08,679

you have never had an encounter with an

51

00:02:06,489 --> 00:02:12,849

unidentified flying object please call 1

52

00:02:08,679 --> 00:02:14,289

904 0 0 6 1 8 5 if you haven't had an

53

00:02:12,848 --> 00:02:16,179

encounter with a UFO and would like to

54

00:02:14,289 --> 00:02:18,789

that's a long-distance call and I don't

55

00:02:16,180 --> 00:02:20,590

have the number tonight some of the

56

00:02:18,789 --> 00:02:23,169

world's leading UFO experts are joining

57

00:02:20,590 --> 00:02:24,340

us here in Washington DC now welcome the

58
00:02:23,169 --> 00:02:26,199
author of the search for

59
00:02:24,340 --> 00:02:28,209
extraterrestrial intelligence the

60
00:02:26,199 --> 00:02:30,609
distinguished astrophysicist dr. Thomas

61
00:02:28,209 --> 00:02:33,699
Macdonough dr. McDonough well Maggie

62
00:02:30,610 --> 00:02:35,230
sure to be part of this event in your

63
00:02:33,699 --> 00:02:36,848
opinion are we alone in the universe now

64
00:02:35,229 --> 00:02:38,829
my own estimate is that just in our

65
00:02:36,848 --> 00:02:40,329
galaxy alone there could be millions of

66
00:02:38,830 --> 00:02:42,700
planets that might be capable of

67
00:02:40,330 --> 00:02:44,290
sustaining life as we know it the size

68
00:02:42,699 --> 00:02:46,449
of the universe is difficult to

69
00:02:44,289 --> 00:02:49,539
comprehend in this galaxy there are

70
00:02:46,449 --> 00:02:51,339
several hundred billion stars each one

71
00:02:49,539 --> 00:02:53,549
of these dots represents a galaxy like

72
00:02:51,340 --> 00:02:55,680
our Milky Way there are billions of them

73
00:02:53,550 --> 00:02:57,870
so the sheer enormity of the numbers

74
00:02:55,680 --> 00:02:59,250
leaves many scientists like myself to

75
00:02:57,870 --> 00:03:01,860
conclude that there must be life

76
00:02:59,250 --> 00:03:03,240
somewhere in the universe now there are

77
00:03:01,860 --> 00:03:05,190
many theories about the origin of life

78
00:03:03,240 --> 00:03:07,620
how do you think life first began in the

79
00:03:05,189 --> 00:03:09,419
universe well that's where the cosmic

80
00:03:07,620 --> 00:03:12,120
cookbook of life comes in it goes like

81
00:03:09,419 --> 00:03:13,309
this take one medium-sized planet and

82
00:03:12,120 --> 00:03:15,990
place it near an average-sized star

83
00:03:13,310 --> 00:03:18,960
don't put it too close to the fire burn

84
00:03:15,990 --> 00:03:21,300
not too far away or we'll freeze add

85
00:03:18,960 --> 00:03:22,980
water ammonia methane gas and

86

00:03:21,300 --> 00:03:25,530
electricity in the form of lightning to

87
00:03:22,979 --> 00:03:27,840
get things going stir and wait patiently

88
00:03:25,530 --> 00:03:29,129
but you'll have to be very patient it

89
00:03:27,840 --> 00:03:31,800
might take several hundred million years

90
00:03:29,129 --> 00:03:33,240
but sooner or later we think that some

91
00:03:31,800 --> 00:03:34,830
of those molecules will make bigger ones

92
00:03:33,240 --> 00:03:36,540
the bigger ones will make even bigger

93
00:03:34,830 --> 00:03:39,719
ones and then reproduction will begin

94
00:03:36,539 --> 00:03:41,609
and life is born but perhaps the most

95
00:03:39,719 --> 00:03:42,419
important lesson we learn about life

96
00:03:41,610 --> 00:03:45,090
here on earth

97
00:03:42,419 --> 00:03:47,069
is that it is incredibly adaptable some

98
00:03:45,090 --> 00:03:48,599
prehistoric times until today from the

99
00:03:47,069 --> 00:03:50,699
depth of the ocean into the driest

100
00:03:48,599 --> 00:03:52,979

deserts to the freezing cold at the

101

00:03:50,699 --> 00:03:53,839

highest mountain peaks my forms on earth

102

00:03:52,979 --> 00:03:56,189

are thriving

103

00:03:53,840 --> 00:03:57,810

the reason I believe life probably

104

00:03:56,189 --> 00:03:59,879

exists elsewhere is the widespread

105

00:03:57,810 --> 00:04:02,699

availability of the ingredients in the

106

00:03:59,879 --> 00:04:04,169

cosmic cookbook of life so the effect

107

00:04:02,699 --> 00:04:05,458

your terrestrials exists and are

108

00:04:04,169 --> 00:04:08,969

visiting us then how do they get from

109

00:04:05,459 --> 00:04:10,590

there to here one possibility is that in

110

00:04:08,969 --> 00:04:11,969

space you could accelerate until you

111

00:04:10,590 --> 00:04:14,099

were very close to the speed of light

112

00:04:11,969 --> 00:04:16,290

with fusion rockets using the abundant

113

00:04:14,099 --> 00:04:17,548

hydrogen and helium already in space so

114

00:04:16,290 --> 00:04:19,379

the rocket wouldn't have to be burdened

115
00:04:17,548 --> 00:04:21,149
carrying fuel you could increase your

116
00:04:19,379 --> 00:04:23,430
energy by millions of times compared

117
00:04:21,149 --> 00:04:24,239
with conventional rockets so within our

118
00:04:23,430 --> 00:04:25,860
lifetime

119
00:04:24,240 --> 00:04:27,540
even with our primitive technology

120
00:04:25,860 --> 00:04:29,120
according to scientist Robert Bussard

121
00:04:27,540 --> 00:04:32,220
Robert forward and Stanton Friedman

122
00:04:29,120 --> 00:04:34,560
round trips to nearby stars could very

123
00:04:32,220 --> 00:04:36,390
well be feasible we are close to being

124
00:04:34,560 --> 00:04:40,160
able to get from here to there

125
00:04:36,389 --> 00:04:40,159
thank you dr. Tom McDonough

126
00:04:42,319 --> 00:04:46,759
stay with us Gilmore and Jamie SH and Ra

127
00:04:45,139 --> 00:04:49,129
introduced us to their government

128
00:04:46,759 --> 00:04:51,229
informants codenamed Falcon and Condor

129
00:04:49,129 --> 00:04:52,759
to protect their identities they were

130
00:04:51,228 --> 00:04:55,300
photographed in shadow with their voices

131
00:04:52,759 --> 00:04:55,300
disguise

132
00:04:55,660 --> 00:05:00,710
stay with UFO cover-up live and find out

133
00:04:58,759 --> 00:05:07,099
why Project Blue Book was classified top

134
00:05:00,709 --> 00:05:11,199
secret when we come back after this US

135
00:05:07,100 --> 00:05:11,200
News wants to send you a free Clarkston

136
00:05:15,209 --> 00:05:22,978
once again live from Washington DC your

137
00:05:18,389 --> 00:05:24,418
host Mike Farrell with all the UFO

138
00:05:22,978 --> 00:05:26,609
sightings reported over the years in

139
00:05:24,418 --> 00:05:27,990
America the logical question is if they

140
00:05:26,610 --> 00:05:32,729
really exist why don't they visit the

141
00:05:27,990 --> 00:05:36,030
White House and then there they were all

142
00:05:32,728 --> 00:05:37,949
of a sudden on July 26 1952 the air

143

00:05:36,029 --> 00:05:39,989
force tried and failed to intercept up

144
00:05:37,949 --> 00:05:41,819
to a dozen UFOs in the sky over the

145
00:05:39,990 --> 00:05:43,288
White House the press conference two

146
00:05:41,819 --> 00:05:46,139
days later became the largest media

147
00:05:43,288 --> 00:05:49,079
event since the end of World War two we

148
00:05:46,139 --> 00:05:52,079
can say that the recent sightings are in

149
00:05:49,079 --> 00:05:54,598
no way connected with any secret

150
00:05:52,079 --> 00:05:57,899
development by any agency of the United

151
00:05:54,598 --> 00:05:59,459
States with all due respect to the Air

152
00:05:57,899 --> 00:06:03,120
Force I believe that some of them will

153
00:05:59,459 --> 00:06:05,008
prove to be of interplanetary origin in

154
00:06:03,120 --> 00:06:06,930
my position in the research and

155
00:06:05,009 --> 00:06:08,848
development organization of the bureau

156
00:06:06,930 --> 00:06:11,519
of aeronautics and of the Navy

157
00:06:08,848 --> 00:06:13,500

Department I am thoroughly familiar with

158

00:06:11,519 --> 00:06:16,198
both our aircraft and our guided

159

00:06:13,500 --> 00:06:18,870
missiles programs and can state without

160

00:06:16,199 --> 00:06:21,840
reservation that the Navy has no

161

00:06:18,870 --> 00:06:25,500
saucer-shaped aircraft or missile in any

162

00:06:21,839 --> 00:06:27,060
of these programs headlines around the

163

00:06:25,500 --> 00:06:28,620
country aroused so much attention that

164

00:06:27,060 --> 00:06:31,918
the Air Force formed an official

165

00:06:28,620 --> 00:06:33,569
investigative unit project Bluebook with

166

00:06:31,918 --> 00:06:35,219
me now are two retired Air Force colonel

167

00:06:33,569 --> 00:06:36,959
who were actively involved in an inquiry

168

00:06:35,220 --> 00:06:38,580
Colonel Robert friend who headed up

169

00:06:36,959 --> 00:06:40,469
Project Blue Book for five years in

170

00:06:38,579 --> 00:06:41,759
Colonel William Coleman a former Air

171

00:06:40,470 --> 00:06:43,710
Force squadron commander who was

172
00:06:41,759 --> 00:06:45,629
Pentagon spokesman and chief of public

173
00:06:43,709 --> 00:06:48,239
information for the Air Force his friend

174
00:06:45,629 --> 00:06:49,769
Colonel Feldman welcome gentlemen has

175
00:06:48,240 --> 00:06:52,110
the Air Force been involved with UFOs

176
00:06:49,769 --> 00:06:54,839
before the white house incident during

177
00:06:52,110 --> 00:06:57,870
World War two our pilots are what we'll

178
00:06:54,839 --> 00:07:00,810
call gremlins and Foo Fighters these

179
00:06:57,870 --> 00:07:02,970
were fireballs that appeared to fly

180
00:07:00,810 --> 00:07:04,439
along with our aircraft we were

181
00:07:02,970 --> 00:07:06,180
concerned that these so-called Foo

182
00:07:04,439 --> 00:07:07,889
Fighters or the fireballs might be

183
00:07:06,180 --> 00:07:09,689
foreign weapons that could threaten our

184
00:07:07,889 --> 00:07:10,978
national security and did the Air Force

185
00:07:09,689 --> 00:07:13,379
ever try to chase a UFO

186
00:07:10,978 --> 00:07:16,110
yes in fact in 1948 one of our pilots

187
00:07:13,379 --> 00:07:17,490
crashed in pursuit of a UFO the story

188
00:07:16,110 --> 00:07:18,990
made headlines all over the world

189
00:07:17,490 --> 00:07:20,788
as I understand it that crash added

190
00:07:18,990 --> 00:07:23,189
emphasis to the conclusion that UFOs

191
00:07:20,788 --> 00:07:25,469
were extraterrestrial visitors that's

192
00:07:23,189 --> 00:07:26,910
true but the Air Force rejected the

193
00:07:25,470 --> 00:07:29,160
conclusion on the grounds of

194
00:07:26,910 --> 00:07:31,370
insufficient evidence even the name of

195
00:07:29,160 --> 00:07:33,840
the project was changed from sign to

196
00:07:31,370 --> 00:07:36,840
grudges to preclude this unhealthy

197
00:07:33,839 --> 00:07:39,598
association however by the time Blue

198
00:07:36,839 --> 00:07:41,848
Book get involved we started running

199
00:07:39,598 --> 00:07:43,469
into trouble hearings and enquiries

200

00:07:41,848 --> 00:07:45,750
regarding a way in which we were

201
00:07:43,470 --> 00:07:47,490
performing UFO investigations and every

202
00:07:45,750 --> 00:07:50,970
instance the Congress of the United

203
00:07:47,490 --> 00:07:53,939
States concurred in the way in which we

204
00:07:50,970 --> 00:07:57,419
conducted these projects however we were

205
00:07:53,939 --> 00:08:01,319
not disappointed with the 1969 decision

206
00:07:57,418 --> 00:08:04,348
to discontinue Project Blue Book another

207
00:08:01,319 --> 00:08:07,229
12,000 reported UFO sightings only 700

208
00:08:04,348 --> 00:08:09,750
remain unexplained of that remainder a

209
00:08:07,228 --> 00:08:12,389
hundred of them really worried us why

210
00:08:09,750 --> 00:08:14,519
was that because these 100 sightings

211
00:08:12,389 --> 00:08:16,800
involved the two criteria that defined a

212
00:08:14,519 --> 00:08:19,620
worrisome phenomenon high strangeness

213
00:08:16,800 --> 00:08:21,509
and high credibility meaning that highly

214
00:08:19,620 --> 00:08:24,149

credible multiple witnesses like

215

00:08:21,509 --> 00:08:26,069

military airline pilots see something

216

00:08:24,149 --> 00:08:28,799

they've never seen before to be there

217

00:08:26,069 --> 00:08:30,329

have you ever seen a UFO yes it was 1955

218

00:08:28,800 --> 00:08:33,089

and I was a squadron commander at the

219

00:08:30,329 --> 00:08:35,098

time we were flying b25 over Alabama

220

00:08:33,089 --> 00:08:37,860

where we spotted a strange silvery

221

00:08:35,099 --> 00:08:40,110

object some 25,000 feet above us hitting

222

00:08:37,860 --> 00:08:42,180

in the same direction since we were

223

00:08:40,110 --> 00:08:43,950

overtaking it I changed course

224

00:08:42,179 --> 00:08:45,629

eventually got within 1/8 of a mile of

225

00:08:43,950 --> 00:08:47,220

it literally right on top of the thing

226

00:08:45,629 --> 00:08:48,990

so you must have gotten a fairly good

227

00:08:47,220 --> 00:08:49,740

look at it but he certainly did the

228

00:08:48,990 --> 00:08:52,230

whole crew

229
00:08:49,740 --> 00:08:54,720
it was wingless a disc some 70 feet in

230
00:08:52,230 --> 00:08:56,759
diameter 15 feet thick at the center

231
00:08:54,720 --> 00:08:59,310
your average run-of-the-mill flying

232
00:08:56,759 --> 00:09:01,470
saucer and what happened in it performed

233
00:08:59,309 --> 00:09:03,449
an astonishing maneuver one second that

234
00:09:01,470 --> 00:09:05,579
was there the next it was gone

235
00:09:03,450 --> 00:09:07,379
but we chased it cause sight of it again

236
00:09:05,578 --> 00:09:09,899
he was skimming over a farmer's field

237
00:09:07,379 --> 00:09:12,570
kicking up vortex as a red dust as we

238
00:09:09,899 --> 00:09:15,059
flew we closed in on it behind the trees

239
00:09:12,570 --> 00:09:16,649
but it vanished mm-hmm did you make a

240
00:09:15,059 --> 00:09:18,629
report of this incident we all wrote up

241
00:09:16,649 --> 00:09:20,850
reports I was later debriefed by an

242
00:09:18,629 --> 00:09:22,588
intelligence officer years later when I

243
00:09:20,850 --> 00:09:23,329
was on Project Blue Book I tried to find

244
00:09:22,589 --> 00:09:26,049
my report

245
00:09:23,328 --> 00:09:28,849
that was not in the Fox not in the files

246
00:09:26,048 --> 00:09:30,259
hmm now you say you saw this object at

247
00:09:28,850 --> 00:09:32,058
point-blank range could it have been a

248
00:09:30,259 --> 00:09:34,308
balloon or an experimental aircraft

249
00:09:32,058 --> 00:09:36,350
absolutely not they displayed a level of

250
00:09:34,308 --> 00:09:38,719
technology far beyond anything I had

251
00:09:36,350 --> 00:09:40,339
seen on the earth then and now with this

252
00:09:38,720 --> 00:09:41,509
advanced level of technology were you

253
00:09:40,339 --> 00:09:42,739
ever concerned that the object could be

254
00:09:41,509 --> 00:09:44,269
a threat to national security

255
00:09:42,739 --> 00:09:46,610
no not necessarily a threat to our

256
00:09:44,269 --> 00:09:48,499
national security but I was uneasy about

257

00:09:46,610 --> 00:09:50,329
these UFOs because they were able to

258
00:09:48,499 --> 00:09:52,819
accomplish aerial feats that we couldn't

259
00:09:50,328 --> 00:09:55,068
the apparent capability of these objects

260
00:09:52,818 --> 00:09:56,719
could possibly represent obstructed

261
00:09:55,068 --> 00:09:59,149
through our national security what's

262
00:09:56,720 --> 00:10:03,470
become a Project Blue Book that's it

263
00:09:59,149 --> 00:10:06,409
Mike it was cancelled in 1969 and will

264
00:10:03,470 --> 00:10:08,298
not be accurate hmm well Colonel Coleman

265
00:10:06,409 --> 00:10:09,980
colonel friend thank you both and while

266
00:10:08,298 --> 00:10:11,448
we're on the subject of Blue Book let's

267
00:10:09,980 --> 00:10:13,009
hear another view from a scientist

268
00:10:11,448 --> 00:10:14,298
currently working for the government now

269
00:10:13,009 --> 00:10:15,860
because he has insisted on anonymity

270
00:10:14,298 --> 00:10:16,548
both his appearance and his voice had

271
00:10:15,860 --> 00:10:18,139

been altered

272

00:10:16,548 --> 00:10:20,028

but his credentials have been thoroughly

273

00:10:18,139 --> 00:10:22,009

researched by the investigative team of

274

00:10:20,028 --> 00:10:25,629

bill Moore and Jamie Chandra they've

275

00:10:22,009 --> 00:10:25,629

given him the code name Condor

276

00:11:45,490 --> 00:11:49,789

when Bluebook closed down the official

277

00:11:48,019 --> 00:11:51,829

US government position was that UFOs

278

00:11:49,789 --> 00:11:57,049

didn't exist and Americans accepted this

279

00:11:51,830 --> 00:11:58,629

contention is fact or did we you hear

280

00:11:57,049 --> 00:12:01,379

something

281

00:11:58,629 --> 00:12:01,379

here what

282

00:12:21,519 --> 00:12:25,429

subsequent reports were discredited

283

00:12:23,690 --> 00:12:27,830

relegated to the tabloids at the

284

00:12:25,429 --> 00:12:29,599

supermarket checkout counter after blue

285

00:12:27,830 --> 00:12:31,460

books final report anyone who claim to

286
00:12:29,600 --> 00:12:37,009
see a UFO was considered some kind of

287
00:12:31,460 --> 00:12:40,720
nut it was a saucer son we heard it

288
00:12:37,009 --> 00:12:44,059
both of us but more do we need to know

289
00:12:40,720 --> 00:12:50,269
we have to have time to think to

290
00:12:44,059 --> 00:12:52,369
evaluate this for we sound off so most

291
00:12:50,269 --> 00:12:55,659
sightings go unreported particularly

292
00:12:52,370 --> 00:12:55,659
sightings by aircraft pilots

293
00:14:11,279 --> 00:14:22,470
UWAA 5:17 do you want to report a UFO

294
00:14:13,950 --> 00:14:30,360
over Ares 31 do you wish to report a UFO

295
00:14:22,470 --> 00:14:31,860
over area 31 me neither

296
00:14:30,360 --> 00:14:35,850
I'll try to attract traffic the

297
00:14:31,860 --> 00:14:37,200
destination of it with me now or dr.

298
00:14:35,850 --> 00:14:40,440
Richard F Haines and captain Neil

299
00:14:37,200 --> 00:14:42,000
Daniels dr. Haines now-retired directed

300
00:14:40,440 --> 00:14:44,040
research and development projects at

301
00:14:42,000 --> 00:14:44,419
NASA's Ames Research Center for twenty

302
00:14:44,039 --> 00:14:47,129
years

303
00:14:44,419 --> 00:14:48,599
welcome dr. Haines captain Daniels dr.

304
00:14:47,129 --> 00:14:51,059
Haines tell us about pilot sightings

305
00:14:48,600 --> 00:14:53,850
that you've been studying well Mike I've

306
00:14:51,059 --> 00:14:56,039
dealt with over 3000 pilot cases from

307
00:14:53,850 --> 00:14:58,290
all over the world including some very

308
00:14:56,039 --> 00:15:00,719
skeptical pilots I might add who have

309
00:14:58,289 --> 00:15:03,360
since seen a UFO and completely change

310
00:15:00,720 --> 00:15:05,700
their minds and risk their reputation

311
00:15:03,360 --> 00:15:08,159
why do you limit your research to pilots

312
00:15:05,700 --> 00:15:10,770
well because pilots are very reliable

313
00:15:08,159 --> 00:15:12,329
and credible witnesses their jobs and

314

00:15:10,769 --> 00:15:14,340
their lives of their passengers depend

315
00:15:12,330 --> 00:15:16,070
on them they must be aware of what's

316
00:15:14,340 --> 00:15:18,060
going on in the skies around

317
00:15:16,070 --> 00:15:21,089
unfortunately most of them ask for

318
00:15:18,059 --> 00:15:23,009
anonymity really why is that well I

319
00:15:21,089 --> 00:15:25,230
think it's because of fear ridicule or

320
00:15:23,009 --> 00:15:26,730
worse fear losing their jobs I mean no

321
00:15:25,230 --> 00:15:29,250
airline wants to be promoted with the

322
00:15:26,730 --> 00:15:31,649
slogan fly us and see a UFO might

323
00:15:29,250 --> 00:15:33,120
increase business fortunately we do have

324
00:15:31,649 --> 00:15:34,740
a pilot who has come forward and has

325
00:15:33,120 --> 00:15:36,990
enough courage to share his experiences

326
00:15:34,740 --> 00:15:39,089
Captain Neil Daniels who flew for United

327
00:15:36,990 --> 00:15:40,620
Airlines for 35 years captain Daniels

328
00:15:39,089 --> 00:15:42,900

thanks for being here would you tell us

329

00:15:40,620 --> 00:15:44,669

about your experience with the UFO I was

330

00:15:42,899 --> 00:15:49,019

piloting a flight from San Francisco to

331

00:15:44,669 --> 00:15:51,569

Boston and March the 12th in 1977 in an

332

00:15:49,019 --> 00:15:54,029

altitude of 37,000 feet I became aware

333

00:15:51,570 --> 00:15:56,879

of a blinding bright white light out to

334

00:15:54,029 --> 00:15:58,139

the left of the dc-10 I estimated to be

335

00:15:56,879 --> 00:15:59,970

at about a thousand we are

336

00:15:58,139 --> 00:16:02,429

I don't know the object could have been

337

00:15:59,970 --> 00:16:04,920

several hundred feet in diameter but it

338

00:16:02,429 --> 00:16:05,578

didn't read on ground radar could you

339

00:16:04,919 --> 00:16:07,919

tell what it was

340

00:16:05,578 --> 00:16:09,778

nope could it have been a commercial

341

00:16:07,919 --> 00:16:11,699

flight or a military aircraft absolutely

342

00:16:09,778 --> 00:16:13,528

not at the speed of which had departed

343
00:16:11,700 --> 00:16:14,970
I've never seen anything like it was

344
00:16:13,528 --> 00:16:16,740
this object in any way a threat to your

345
00:16:14,970 --> 00:16:18,420
claim well the three compasses were

346
00:16:16,740 --> 00:16:20,250
indicating opposite directions and the

347
00:16:18,419 --> 00:16:22,469
plane was bearing off and banking to the

348
00:16:20,250 --> 00:16:23,909
left first by a strong magnetic pole

349
00:16:22,470 --> 00:16:26,100
yeah well how did you and your crew

350
00:16:23,909 --> 00:16:28,289
react the fighters there kept repeating

351
00:16:26,100 --> 00:16:29,940
I don't want to see it I don't want to

352
00:16:28,289 --> 00:16:32,099
know about it I don't want to know if I

353
00:16:29,940 --> 00:16:33,870
don't know did you file a report it was

354
00:16:32,100 --> 00:16:36,028
a short layover and the FAA what it

355
00:16:33,870 --> 00:16:37,919
hassled me all night so I let it go so

356
00:16:36,028 --> 00:16:39,838
that was the end of that yes

357
00:16:37,919 --> 00:16:41,939
but six months later I was on a hunting

358
00:16:39,839 --> 00:16:44,339
trip with my boss and I told him the

359
00:16:41,940 --> 00:16:45,959
story and he said gee I'm sorry you told

360
00:16:44,339 --> 00:16:47,910
me that strange things happen to people

361
00:16:45,958 --> 00:16:51,059
who have these sightings strange things

362
00:16:47,909 --> 00:16:53,009
like what well in my experience people

363
00:16:51,059 --> 00:16:54,719
are fearful of losing their jobs or

364
00:16:53,009 --> 00:16:55,169
being transferred so much for telling

365
00:16:54,720 --> 00:16:57,180
the truth

366
00:16:55,169 --> 00:16:58,679
huh well thank you dr. Haines captain

367
00:16:57,179 --> 00:17:01,229
Daniels for coming forward on UFO

368
00:16:58,679 --> 00:17:03,208
cover-up incidentally captain Daniels

369
00:17:01,230 --> 00:17:05,429
now lectures at San Francisco's fear of

370
00:17:03,208 --> 00:17:08,418
flying clinic I mean flying airplanes

371

00:17:05,429 --> 00:17:08,419
not flying saucers

372
00:17:24,329 --> 00:17:35,319
take a look for yourself well that's

373
00:17:31,480 --> 00:17:39,599
nothing from this world coming up a

374
00:17:35,319 --> 00:17:39,599
startling report live from Moscow

375
00:17:41,430 --> 00:17:46,799
the pirate and the true spirit beautiful

376
00:17:44,190 --> 00:17:51,150
but also mother of the passengers of the

377
00:17:46,799 --> 00:17:54,869
plane Asian egg we've obtained a report

378
00:17:51,150 --> 00:17:56,940
from Iran September eighteenth nineteen

379
00:17:54,869 --> 00:17:58,979
seventy six the Imperial Iranian Air

380
00:17:56,940 --> 00:18:00,720
Force reported flying objects so bright

381
00:17:58,980 --> 00:18:02,880
they illuminated the ground below

382
00:18:00,720 --> 00:18:04,470
alarmed citizens all over Tehran

383
00:18:02,880 --> 00:18:06,960
telephoned authorities with similar

384
00:18:04,470 --> 00:18:09,029
sightings simultaneous reports came from

385
00:18:06,960 --> 00:18:11,279

the Iranian Air Force tower personnel

386

00:18:09,029 --> 00:18:12,990
and ground radar US military

387

00:18:11,279 --> 00:18:15,210
intelligence forwarded reports to the

388

00:18:12,990 --> 00:18:17,370
Defense Intelligence Agency as far as

389

00:18:15,210 --> 00:18:20,130
we've been able to ascertain dia did

390

00:18:17,369 --> 00:18:21,209
nothing with these reports Guatemala

391

00:18:20,130 --> 00:18:23,040
Central America

392

00:18:21,210 --> 00:18:25,140
camera crews were poised to film a car

393

00:18:23,039 --> 00:18:28,639
commercial suddenly the cameraman was

394

00:18:25,140 --> 00:18:28,640
distracted by lights in the sky

395

00:18:29,799 --> 00:18:32,889
and now for Manitoba Canada and

396

00:18:31,839 --> 00:18:35,319
eyewitness account

397

00:18:32,890 --> 00:18:36,910
welcome mr. Robert berry an independent

398

00:18:35,319 --> 00:18:38,980
researcher and investigator from York

399

00:18:36,910 --> 00:18:42,820
Pennsylvania Bob tell us about the

400
00:18:38,980 --> 00:18:45,130
sighting near Winnipeg Manitoba we're

401
00:18:42,819 --> 00:18:48,000
watching as this UFO moves across the

402
00:18:45,130 --> 00:18:50,950
screen three times at normal speed then

403
00:18:48,000 --> 00:18:53,559
the same movement once in very slow

404
00:18:50,950 --> 00:18:55,930
motion 140th the normal speed

405
00:18:53,559 --> 00:18:58,450
now here's another sighting of the same

406
00:18:55,930 --> 00:19:01,660
object also witnessed by the whole town

407
00:18:58,450 --> 00:19:04,840
of Carmen Manitoba who turned out for

408
00:19:01,660 --> 00:19:08,200
the incredible light show now as we slow

409
00:19:04,839 --> 00:19:10,389
the film down watch as the UFO jumps on

410
00:19:08,200 --> 00:19:12,819
the right side of the screen to the top

411
00:19:10,390 --> 00:19:16,360
of the screen and lights up the whole

412
00:19:12,819 --> 00:19:19,119
sky the UFO is calculated to have been

413
00:19:16,359 --> 00:19:23,079
traveling faster and thirty thousand

414
00:19:19,119 --> 00:19:24,519
miles an hour it's very impressive in

415
00:19:23,079 --> 00:19:28,269
fact it did appear to light up the whole

416
00:19:24,519 --> 00:19:30,400
sky now live by satellite to Moscow for

417
00:19:28,269 --> 00:19:32,619
the first UFO glasnost in television

418
00:19:30,400 --> 00:19:34,900
history please welcome from the Soviet

419
00:19:32,619 --> 00:19:36,759
news agency Tass our journalists and UFO

420
00:19:34,900 --> 00:19:38,440
investigator who has researched many

421
00:19:36,759 --> 00:19:44,849
encounters with UFOs in the soviet union

422
00:19:38,440 --> 00:19:44,850
mr sergey bulin slava welcome sergey

423
00:19:45,779 --> 00:19:49,069
say okay can you hear me

424
00:19:50,079 --> 00:19:54,309
we don't seem to be getting through I

425
00:19:51,640 --> 00:19:57,009
don't listening to the show Michael it's

426
00:19:54,309 --> 00:19:58,299
really very exciting I am very pleased

427
00:19:57,009 --> 00:20:01,000
to be a part of it

428

00:19:58,299 --> 00:20:03,430
thank you sir tell me what are the most

429
00:20:01,000 --> 00:20:10,720
impressive recent UFO reports in the

430
00:20:03,430 --> 00:20:13,990
USSR in 1984 a tuple of aircraft flying

431
00:20:10,720 --> 00:20:18,819
front billeted to Italian encountered a

432
00:20:13,990 --> 00:20:20,069
UFO at 4:10 a.m. can you tell me who

433
00:20:18,819 --> 00:20:24,689
witnessed it

434
00:20:20,069 --> 00:20:28,619
who would yeah just the pilot noticed

435
00:20:24,690 --> 00:20:32,580
now first the pilot noticed a bright

436
00:20:28,619 --> 00:20:35,439
beam of light shoot down to the ground

437
00:20:32,579 --> 00:20:41,279
everything on the ground rolled and

438
00:20:35,440 --> 00:20:45,570
houses we're totally eliminated by the

439
00:20:41,279 --> 00:20:52,859
registration we're totally illuminated

440
00:20:45,569 --> 00:20:55,929
by a beam of light the beam of light was

441
00:20:52,859 --> 00:20:59,939
redirected onto the airplane and the

442
00:20:55,930 --> 00:21:03,700

crew saw a blinding white point of light

443

00:20:59,940 --> 00:21:06,220

surrounded by concentric colored circles

444

00:21:03,700 --> 00:21:08,200

as I'm told that that indicates the

445

00:21:06,220 --> 00:21:09,970

presence of a very strong magnetic field

446

00:21:08,200 --> 00:21:12,460

what happened next

447

00:21:09,970 --> 00:21:15,450

the right point of light slept down to

448

00:21:12,460 --> 00:21:18,970

the plane leaving a green cloud and

449

00:21:15,450 --> 00:21:20,190

began to swing from left to right up and

450

00:21:18,970 --> 00:21:25,170

down once again

451

00:21:20,190 --> 00:21:29,980

finally finally it flew alongside the

452

00:21:25,170 --> 00:21:33,310

airplane and as if it was an escort the

453

00:21:29,980 --> 00:21:38,230

passengers of the plane also saw this

454

00:21:33,309 --> 00:21:41,700

UFO and after landing in Italian Estonia

455

00:21:38,230 --> 00:21:45,779

the crew was told that these you

456

00:21:41,700 --> 00:21:48,360

had been also seen on the red screen the

457
00:21:45,779 --> 00:21:53,399
common denominator in the sighting seems

458
00:21:48,359 --> 00:21:56,490
to be some 1981 in Euro Slavic you know

459
00:21:53,400 --> 00:22:01,460
some 200 kilometers from Moscow north of

460
00:21:56,490 --> 00:22:05,190
Moscow to witnesses retarded 23 and

461
00:22:01,460 --> 00:22:08,100
Alexander 32 saw something clearly very

462
00:22:05,190 --> 00:22:13,009
strange in the park that was an

463
00:22:08,099 --> 00:22:16,829
egg-shaped OG object lying on the ground

464
00:22:13,009 --> 00:22:20,759
just six or maybe seven meters from them

465
00:22:16,829 --> 00:22:26,389
the object was bluish about five meters

466
00:22:20,759 --> 00:22:31,740
in diameter and two or three meters high

467
00:22:26,390 --> 00:22:36,259
it suddenly the object moved and began

468
00:22:31,740 --> 00:22:41,309
to open like a flower Alexander saw two

469
00:22:36,259 --> 00:22:44,700
human-like beings - human-like beings of

470
00:22:41,309 --> 00:22:48,139
European type of European type but very

471
00:22:44,700 --> 00:22:51,630
tall more than 2 meters close to 7 feet

472
00:22:48,140 --> 00:22:55,580
they grew up from the centre of the road

473
00:22:51,630 --> 00:22:59,390
object and approached Alexander he said

474
00:22:55,579 --> 00:23:05,189
both beings were radiating some kind of

475
00:22:59,390 --> 00:23:08,009
rose-colored light their heads we're

476
00:23:05,190 --> 00:23:11,730
clear but the rest of the bodies was

477
00:23:08,009 --> 00:23:14,670
outer seemed out of focus and then a

478
00:23:11,730 --> 00:23:19,140
very strange telepathic conversation

479
00:23:14,670 --> 00:23:20,700
took place they said don't be afraid we

480
00:23:19,140 --> 00:23:23,190
won't hurt you

481
00:23:20,700 --> 00:23:24,509
in the movie here in the Close

482
00:23:23,190 --> 00:23:26,190
Encounters of the Third Kind the

483
00:23:24,509 --> 00:23:27,700
extraterrestrials communicate with us

484
00:23:26,190 --> 00:23:29,230
through some sort of language

485

00:23:27,700 --> 00:23:30,970
of music much as you suggested they

486
00:23:29,230 --> 00:23:33,970
talked to Alexander what happens next

487
00:23:30,970 --> 00:23:38,049
both human leg deans entered the flower

488
00:23:33,970 --> 00:23:39,430
it blows and disappear mmm what about

489
00:23:38,049 --> 00:23:44,409
the other man what was he doing during

490
00:23:39,430 --> 00:23:48,009
this time oldest time four cities on the

491
00:23:44,410 --> 00:23:50,140
slow as if he was fertilized it isn't

492
00:23:48,009 --> 00:23:53,799
about it didn't take part in the

493
00:23:50,140 --> 00:23:55,660
conversation I don't blame him have you

494
00:23:53,799 --> 00:24:03,549
investigated any abduction cases in the

495
00:23:55,660 --> 00:24:07,450
USSR yes in in June 1975 the areas of

496
00:24:03,549 --> 00:24:11,460
lives south of Moscow at 2:00 a.m. a

497
00:24:07,450 --> 00:24:16,350
Soviet Army officer so a very strange

498
00:24:11,460 --> 00:24:21,269
don't hear four aircraft on the ground

499
00:24:16,349 --> 00:24:24,129

keep he broached it and so two alien

500

00:24:21,269 --> 00:24:27,099

silhouettes inside when he came closer

501

00:24:24,130 --> 00:24:30,100

he felt something like an invisible wall

502

00:24:27,099 --> 00:24:34,619

and dawn then lost consciousness

503

00:24:30,099 --> 00:24:40,359

when he recovered he saw an alien craft

504

00:24:34,619 --> 00:24:43,000

aircraft fly away he thought about 15

505

00:24:40,359 --> 00:24:46,029

minutes had passed but when he checked

506

00:24:43,000 --> 00:24:52,509

his watched much to his amazement ban

507

00:24:46,029 --> 00:24:55,869

hour had passed and later he had the

508

00:24:52,509 --> 00:25:00,519

same dream over and over again he was

509

00:24:55,869 --> 00:25:02,979

flying over the UFO landing side so he

510

00:25:00,519 --> 00:25:04,389

thinks he was abducted that sounds

511

00:25:02,980 --> 00:25:05,860

actually very similar to some of the

512

00:25:04,390 --> 00:25:07,660

abduction stories we've encountered in

513

00:25:05,859 --> 00:25:09,509

the United States I understand you have

514
00:25:07,660 --> 00:25:12,290
some photographs that you can show us

515
00:25:09,509 --> 00:25:16,920
yes certainly

516
00:25:12,289 --> 00:25:24,240
this one was made in Bulgaria near Stara

517
00:25:16,920 --> 00:25:26,250
Zagora in July of 1978 a married couple

518
00:25:24,240 --> 00:25:28,920
was drinking tea of the country house

519
00:25:26,250 --> 00:25:31,650
when they saw this covering object they

520
00:25:28,920 --> 00:25:37,740
took the snapshot with a Polaroid camera

521
00:25:31,650 --> 00:25:41,790
and the UFO this UFO had been seen

522
00:25:37,740 --> 00:25:46,019
please change picture please change

523
00:25:41,789 --> 00:25:53,039
picture and another year for this year

524
00:25:46,019 --> 00:25:56,730
for yes this before had been seen near

525
00:25:53,039 --> 00:26:01,589
at the movement region near Finland's

526
00:25:56,730 --> 00:26:03,630
border the same here this snapshot had

527
00:26:01,589 --> 00:26:07,139
been reportedly made by the militia

528
00:26:03,630 --> 00:26:09,540
Thank You Sergei the joining us now is

529
00:26:07,140 --> 00:26:11,070
Leonarda nutrition science secretary

530
00:26:09,539 --> 00:26:12,690
excuse me of the working group

531
00:26:11,069 --> 00:26:15,839
extraterrestrial intelligence in the

532
00:26:12,690 --> 00:26:18,059
USSR Academy of Sciences mr. new kitchen

533
00:26:15,839 --> 00:26:20,699
I understand that you have thousands of

534
00:26:18,059 --> 00:26:23,450
reports of UFO sightings in the Soviet

535
00:26:20,700 --> 00:26:29,190
Union yes

536
00:26:23,450 --> 00:26:33,960
most of them well well it's Glee later

537
00:26:29,190 --> 00:26:40,789
as nature of events but son where these

538
00:26:33,960 --> 00:26:46,860
girls and unexplainable I expected

539
00:26:40,789 --> 00:26:50,039
result like as we know you mean unmanned

540
00:26:46,859 --> 00:26:51,869
space probe was there any official

541
00:26:50,039 --> 00:26:55,470
reaction to UFOs from Soviet science

542

00:26:51,869 --> 00:27:01,199
recently most scientists here this means

543
00:26:55,470 --> 00:27:06,710
them but now the situation is changing

544
00:27:01,200 --> 00:27:10,430
several eras ago we from a UFO group

545
00:27:06,710 --> 00:27:12,220
that included many investigators

546
00:27:10,430 --> 00:27:16,058
scientists

547
00:27:12,220 --> 00:27:27,669
cosmonauts technicians writers

548
00:27:16,058 --> 00:27:32,009
journalists and so on in 1944 in 1984 we

549
00:27:27,669 --> 00:27:38,038
published an announcement in several

550
00:27:32,009 --> 00:27:38,038
select newspapers in asking anyone who

551
00:27:38,429 --> 00:27:45,490
experience to complete our that's

552
00:27:44,200 --> 00:27:47,379
interesting we're doing the very same

553
00:27:45,490 --> 00:27:52,589
thing tonight what kind of responses did

554
00:27:47,378 --> 00:27:52,589
you get it only appeared once we were

555
00:27:53,849 --> 00:28:08,798
approximately three soldiers now we are

556
00:27:59,710 --> 00:28:13,659

attempting to approach in a more

557

00:28:08,798 --> 00:28:17,970

scientific way in our search for methods

558

00:28:13,659 --> 00:28:22,659

to contact these extraterrestrial

559

00:28:17,970 --> 00:28:26,429

intelligence personally I am sure we'll

560

00:28:22,659 --> 00:28:29,289

meet extraterrestrial at last

561

00:28:26,429 --> 00:28:32,350

make this sooner than you think

562

00:28:29,288 --> 00:28:33,669

thank you sir sergey bulin soft Leonarda

563

00:28:32,349 --> 00:28:34,509

Kishin thank you very much for all

564

00:28:33,669 --> 00:28:38,250

you've done so far

565

00:28:34,509 --> 00:28:38,250

stay with us and we'll get back to you

566

00:28:43,730 --> 00:28:48,440

here's a reminder tonight you can share

567

00:28:46,519 --> 00:28:50,480

your UFO experience with the rest of the

568

00:28:48,440 --> 00:28:53,058

world if you had a close encounter of

569

00:28:50,480 --> 00:28:56,240

the first time call one nine hundred 400

570

00:28:53,058 --> 00:28:59,178

six one eight one the second kind one

571
00:28:56,240 --> 00:29:02,058
nine hundred 400 six one eight two the

572
00:28:59,179 --> 00:29:04,639
Third Kind one nine hundred 400 six one

573
00:29:02,058 --> 00:29:07,490
eight three the Fourth Kind one nine

574
00:29:04,638 --> 00:29:09,079
hundred 400 six one eight four and if

575
00:29:07,490 --> 00:29:11,028
you never experience the close encounter

576
00:29:09,079 --> 00:29:14,480
and want to tell us called one nine

577
00:29:11,028 --> 00:29:15,798
hundred 400 six one eight five if you

578
00:29:14,480 --> 00:29:17,120
feel based on the evidence being

579
00:29:15,798 --> 00:29:19,398
presented tonight that a congressional

580
00:29:17,119 --> 00:29:23,058
investigation of UFOs is warranted

581
00:29:19,398 --> 00:29:24,918
telephone one nine hundred 400 six 186

582
00:29:23,058 --> 00:29:27,589
but if you feel a congressional

583
00:29:24,919 --> 00:29:32,380
investigation is unwarranted call one

584
00:29:27,589 --> 00:29:34,299
nine hundred 400 six one eight seven

585
00:29:32,380 --> 00:29:36,370
next two people who have survived a

586
00:29:34,299 --> 00:29:40,230
close encounter with a UFO but suffered

587
00:29:36,369 --> 00:29:40,229
dire consequences stay with us

588
00:29:53,440 --> 00:30:01,360
now back to Washington DC live and Mike

589
00:29:56,470 --> 00:30:03,339
Farrell in the 1950s America went UFO

590
00:30:01,359 --> 00:30:07,689
crazy waves of sightings were often

591
00:30:03,339 --> 00:30:09,459
followed by waves of hoaxes pranksters

592
00:30:07,690 --> 00:30:11,409
were busy airbrushing negatives and

593
00:30:09,460 --> 00:30:13,990
doing photographic cut-and-paste jobs

594
00:30:11,409 --> 00:30:16,080
they even tossed sauce pans in front of

595
00:30:13,990 --> 00:30:17,888
the camera dangled hubcaps in the air

596
00:30:16,079 --> 00:30:21,428
obviously they were just out to get

597
00:30:17,888 --> 00:30:23,740
publicity George Adamski claimed direct

598
00:30:21,429 --> 00:30:26,440
contact with blond-haired aliens who

599

00:30:23,740 --> 00:30:30,058
took him to the moon and Venus where he

600
00:30:26,440 --> 00:30:30,058
said he took these photographs

601
00:30:33,109 --> 00:30:37,679
then came the Barker incident at a small

602
00:30:36,029 --> 00:30:40,170
airfield in West Virginia where this

603
00:30:37,680 --> 00:30:43,170
film footage was shot this was termed

604
00:30:40,170 --> 00:30:44,490
the Lost Creek Flying Saucer many people

605
00:30:43,170 --> 00:30:46,650
who saw this film believed that the

606
00:30:44,490 --> 00:30:48,920
hanging thing you see was in fact a UFO

607
00:30:46,650 --> 00:30:51,660
we'll leave it to you

608
00:30:48,920 --> 00:30:53,340
the 60s and 70s brought various groups

609
00:30:51,660 --> 00:30:54,960
of people who actually built saucer

610
00:30:53,339 --> 00:30:59,250
shaped vehicles and attempted to fly

611
00:30:54,960 --> 00:31:00,900
them and about ten years ago there began

612
00:30:59,250 --> 00:31:03,539
what we believe to be the most elaborate

613
00:31:00,900 --> 00:31:05,730

hoax of all a Swiss farmer Billy Meyer

614

00:31:03,539 --> 00:31:07,259

claimed to have had direct contact with

615

00:31:05,730 --> 00:31:11,490

an extraterrestrial group from the

616

00:31:07,259 --> 00:31:13,289

Pleiades star system Meyer produced

617

00:31:11,490 --> 00:31:19,319

photographs of what he called beam ships

618

00:31:13,289 --> 00:31:20,819

and the occupants of these beam ships

619

00:31:19,319 --> 00:31:22,950

interestingly one of the aliens look

620

00:31:20,819 --> 00:31:24,929

very much like a Swiss fashion model and

621

00:31:22,950 --> 00:31:25,319

so called beam ship was found in his

622

00:31:24,930 --> 00:31:27,299

barn

623

00:31:25,319 --> 00:31:29,669

now Billy Meyers beam ships may have

624

00:31:27,299 --> 00:31:30,869

been obvious hoax but thousands of UFO

625

00:31:29,670 --> 00:31:33,420

sightings from all over the world are

626

00:31:30,869 --> 00:31:35,099

not so easily explained away joining me

627

00:31:33,420 --> 00:31:37,740

now from the suburbs of New York City

628
00:31:35,099 --> 00:31:39,269
are robert Pozzuoli a computer systems

629
00:31:37,740 --> 00:31:42,299
executive and his wife Laurie I'm glad

630
00:31:39,269 --> 00:31:43,859
you could be with us tonight tell us

631
00:31:42,299 --> 00:31:45,990
what to happen to you four years ago

632
00:31:43,859 --> 00:31:48,049
local residents around our town of

633
00:31:45,990 --> 00:31:50,640
Brewster New York reported seeing UFOs

634
00:31:48,049 --> 00:31:52,289
more than nine thousand reports came in

635
00:31:50,640 --> 00:31:54,960
and were always the same noiseless

636
00:31:52,289 --> 00:31:57,548
hovering boomerang shaped objects

637
00:31:54,960 --> 00:32:00,500
approximately 150 feet from wingtip

638
00:31:57,548 --> 00:32:02,388
when we spotted it I had my video camera

639
00:32:00,500 --> 00:32:04,339
and we quickly started shooting the

640
00:32:02,388 --> 00:32:05,449
footage she was single I think your

641
00:32:04,339 --> 00:32:06,259
comments on the tape are especially

642
00:32:05,450 --> 00:32:09,190
interesting

643
00:32:06,259 --> 00:32:09,190
let's look at it now

644
00:32:14,380 --> 00:32:17,190
I don't know

645
00:32:17,269 --> 00:32:26,179
I'll Hobbiton the taste-off funny I

646
00:32:19,700 --> 00:32:28,490
don't know what the holidays tell me

647
00:32:26,179 --> 00:32:29,390
what kind of effect this sighting has

648
00:32:28,490 --> 00:32:34,759
had on your life

649
00:32:29,390 --> 00:32:36,049
well we'd become very popular and Laurie

650
00:32:34,759 --> 00:32:36,769
was early thank you very much for

651
00:32:36,048 --> 00:32:39,440
joining us tonight

652
00:32:36,769 --> 00:32:42,349
and now from the Piney Woods of East

653
00:32:39,440 --> 00:32:43,850
Texas on December 23rd of 1980 comes a

654
00:32:42,349 --> 00:32:45,469
bizarre close encounter of the second

655
00:32:43,849 --> 00:32:47,808
kind experienced by our next guests

656

00:32:45,470 --> 00:32:49,788
Betty cash and Vickie Landrum Betty

657
00:32:47,808 --> 00:32:53,000
Vicki thank you for making the trip here

658
00:32:49,788 --> 00:32:55,220
tonight welcome to our show tell me what

659
00:32:53,000 --> 00:32:57,500
happened to you that night tonight

660
00:32:55,220 --> 00:32:59,480
thinking I'd and her grandson were

661
00:32:57,500 --> 00:33:02,210
coming back from playing bingo

662
00:32:59,480 --> 00:33:04,339
suddenly little Coby noticed a bright

663
00:33:02,210 --> 00:33:07,159
light in the sky above the pine trees

664
00:33:04,339 --> 00:33:09,949
but tremendous amount of heat was coming

665
00:33:07,159 --> 00:33:12,470
from Miss diamond-shaped thing if I was

666
00:33:09,950 --> 00:33:15,440
coming out of bottom of it when it moved

667
00:33:12,470 --> 00:33:18,048
it made a squishing sound and there was

668
00:33:15,440 --> 00:33:22,700
a beeping

669
00:33:18,048 --> 00:33:22,700
but I still hear in my mind at night

670
00:33:23,450 --> 00:33:31,469

Toby nan got right back in I just stood

671

00:33:27,659 --> 00:33:33,599

there terrified for about 10 minutes the

672

00:33:31,469 --> 00:33:36,570

object lit up the surrounding pine woods

673

00:33:33,598 --> 00:33:38,519

like it was daylight I was burning my

674

00:33:36,569 --> 00:33:40,439

skin was burning he must've been

675

00:33:38,519 --> 00:33:43,788

terrified how long did the craft hover

676

00:33:40,440 --> 00:33:46,288

over you oh about 20 minutes

677

00:33:43,788 --> 00:33:49,019

fire was coming out of the bottom like a

678

00:33:46,288 --> 00:33:51,210

boat torch it lifted up meant flew over

679

00:33:49,019 --> 00:33:53,700

the trees that would who we saw the

680

00:33:51,210 --> 00:33:56,729

helicopters come out the helicopters

681

00:33:53,700 --> 00:33:57,989

Kovac County 23 of them and I understand

682

00:33:56,729 --> 00:34:01,019

in fact you later identified them as

683

00:33:57,989 --> 00:34:02,969

ch-47 chinook military helicopters yes

684

00:34:01,019 --> 00:34:05,159

it seemed that they were trying to score

685
00:34:02,969 --> 00:34:07,528
to class somewhere it look like they're

686
00:34:05,159 --> 00:34:10,230
about we're about to collide the roar

687
00:34:07,528 --> 00:34:12,829
sounded like a tornado when we got home

688
00:34:10,230 --> 00:34:15,539
I watched Coco be off and put him to bed

689
00:34:12,829 --> 00:34:19,318
when the water touched his skin he cried

690
00:34:15,539 --> 00:34:22,289
out like he had been burned as if he had

691
00:34:19,318 --> 00:34:25,048
been in the Sun too long and I was too

692
00:34:22,289 --> 00:34:27,059
sick to work the next day my eyes swell

693
00:34:25,048 --> 00:34:29,358
clothes and whelps appeared on my face

694
00:34:27,059 --> 00:34:32,129
and head I thought it was going to die

695
00:34:29,358 --> 00:34:34,108
Vicky came and took me to emergency room

696
00:34:32,128 --> 00:34:37,769
at the hospital they treated me like a

697
00:34:34,108 --> 00:34:39,929
burn patient over the next few days I

698
00:34:37,769 --> 00:34:42,710
kept losing big patches of skin on my

699

00:34:39,929 --> 00:34:45,389

face and about half my hair fell out

700

00:34:42,710 --> 00:34:48,449

they kept me in the hospital over a

701

00:34:45,389 --> 00:34:49,858

month with no improvement it seems to me

702

00:34:48,449 --> 00:34:51,358

it takes remarkable inner strength to

703

00:34:49,858 --> 00:34:54,568

survive an ordeal like that how are you

704

00:34:51,358 --> 00:34:57,598

doing then I have cancer I was operated

705

00:34:54,568 --> 00:34:59,969

on in March 1983 and the doctors could

706

00:34:57,599 --> 00:35:02,880

not say if they got it all and then some

707

00:34:59,969 --> 00:35:04,618

days I'm okay other days are terrible

708

00:35:02,880 --> 00:35:06,119

has the government ever expressed a

709

00:35:04,619 --> 00:35:09,980

willingness to take responsibility for

710

00:35:06,119 --> 00:35:11,720

this name no and I'm mad I'm mad as hell

711

00:35:09,980 --> 00:35:13,849

and disappointed with the government of

712

00:35:11,719 --> 00:35:15,199

our United States I don't blame you miss

713

00:35:13,849 --> 00:35:16,759
cash and his Landrum thank you for

714
00:35:15,199 --> 00:35:17,719
joining us in Washington I I think your

715
00:35:16,760 --> 00:35:21,050
two are extraordinarily courageous

716
00:35:17,719 --> 00:35:23,419
ladies I'd like you to thank you we'd

717
00:35:21,050 --> 00:35:26,060
like you to see this exclusive videotape

718
00:35:23,420 --> 00:35:27,858
of a man we know only as Falken we asked

719
00:35:26,059 --> 00:35:32,719
him what the truth was concerning your

720
00:35:27,858 --> 00:35:38,289
case the cash Landrum incident the craft

721
00:35:32,719 --> 00:35:43,129
that was observed was a alien craft

722
00:35:38,289 --> 00:35:46,579
piloted by military aircraft pilots

723
00:35:43,130 --> 00:35:49,700
although they had been trained and were

724
00:35:46,579 --> 00:35:54,920
somewhat familiar with the craft they

725
00:35:49,699 --> 00:35:59,269
found that the aircraft did not respond

726
00:35:54,920 --> 00:36:01,880
to certain controls they radioed that

727
00:35:59,269 --> 00:36:05,989

they thought the craft was going to

728

00:36:01,880 --> 00:36:08,660
crash standard procedures for the

729

00:36:05,989 --> 00:36:11,929
military in a situation where an

730

00:36:08,659 --> 00:36:13,608
aircraft was going to crash the military

731

00:36:11,929 --> 00:36:16,639
would send up search and rescue

732

00:36:13,608 --> 00:36:18,920
helicopters the helicopters were

733

00:36:16,639 --> 00:36:22,279
following the craft the craft

734

00:36:18,920 --> 00:36:24,260
experienced severe problems it was

735

00:36:22,280 --> 00:36:24,920
thought that the craft was going to

736

00:36:24,260 --> 00:36:31,400
crash

737

00:36:24,920 --> 00:36:33,559
however this craft did not crash here

738

00:36:31,400 --> 00:36:35,090
are two hypotheses one the UFO Betty

739

00:36:33,559 --> 00:36:36,559
cash and Vickie Landrum saw was actually

740

00:36:35,090 --> 00:36:37,160
an aircraft developed by the United

741

00:36:36,559 --> 00:36:39,619
States government

742
00:36:37,159 --> 00:36:41,118
another possibility suggested by Falken

743
00:36:39,619 --> 00:36:46,250
is that it was a craft given our

744
00:36:41,119 --> 00:36:48,140
government by extraterrestrials stand by

745
00:36:46,250 --> 00:36:50,659
for first-hand reports of abduction

746
00:36:48,139 --> 00:36:53,609
Close Encounters of the Fourth Kind stay

747
00:36:50,659 --> 00:36:56,619
with UFO cover-up live

748
00:36:53,610 --> 00:37:01,630
you can depend on a comeback to UFO

749
00:36:56,619 --> 00:37:03,730
cover-up live rosemary is not oh oh a

750
00:37:01,630 --> 00:37:06,750
commercial graphic artist lives in New

751
00:37:03,730 --> 00:37:09,219
York City's East Village

752
00:37:06,750 --> 00:37:10,869
rosemary suffered a broken kneecap last

753
00:37:09,219 --> 00:37:15,519
year and is recuperating from the

754
00:37:10,869 --> 00:37:17,139
injuries al-haseem lives in the Bronx

755
00:37:15,519 --> 00:37:19,300
with his wife an 11 year old daughter

756
00:37:17,139 --> 00:37:21,119
and works the 4 p.m. to midnight shift

757
00:37:19,300 --> 00:37:24,039
for the telephone company in Manhattan

758
00:37:21,119 --> 00:37:26,909
in his off hours al likes to play guitar

759
00:37:24,039 --> 00:37:26,909
and write songs

760
00:37:27,769 --> 00:37:33,409
lissa salvia no of Lake Hiawatha New

761
00:37:30,440 --> 00:37:36,380
Jersey is 24 married and pregnant with

762
00:37:33,409 --> 00:37:42,049
her first child she works as a secretary

763
00:37:36,380 --> 00:37:43,820
in Morristown New Jersey these three

764
00:37:42,050 --> 00:37:45,260
ordinary individuals unrelated to one

765
00:37:43,820 --> 00:37:47,539
another share one extraordinary

766
00:37:45,260 --> 00:37:50,000
experience with the guidance of a

767
00:37:47,539 --> 00:37:51,650
psychiatrist dr. Rima labo they've been

768
00:37:50,000 --> 00:37:53,809
able to relive deeply buried memories

769
00:37:51,650 --> 00:37:55,639
that will astonish you under hypnosis

770

00:37:53,809 --> 00:37:57,320
the subjects are put into a relaxed

771
00:37:55,639 --> 00:37:59,659
state in which they can recall these

772
00:37:57,320 --> 00:38:01,610
disturbing memories and once regressed

773
00:37:59,659 --> 00:38:03,349
they relived the experience in real time

774
00:38:01,610 --> 00:38:06,079
often very emotionally moment by moment

775
00:38:03,349 --> 00:38:07,429
they reappear I am s'what what they went

776
00:38:06,079 --> 00:38:08,900
through the first time though it may

777
00:38:07,429 --> 00:38:11,480
have taken place months or even years

778
00:38:08,900 --> 00:38:15,250
earlier the police watches we replay

779
00:38:11,480 --> 00:38:15,250
portions of their hypnosis session now

780
00:38:17,780 --> 00:38:27,050
I can see this lights in the city there

781
00:38:23,630 --> 00:38:33,200
was just light coming over my head very

782
00:38:27,050 --> 00:38:37,090
bright very tense like a sharp heavy it

783
00:38:33,199 --> 00:38:40,699
was coming straight down kept looking

784
00:38:37,090 --> 00:38:42,980

see foot was on the roof I'm trying to

785

00:38:40,699 --> 00:38:46,759

see what it is and let's can't I can't

786

00:38:42,980 --> 00:38:48,260

see what it is what's preventing you

787

00:38:46,760 --> 00:38:50,030

from saying because it's so bright I

788

00:38:48,260 --> 00:38:52,930

can't I can't look through the bright

789

00:38:50,030 --> 00:38:52,930

has to see what it is

790

00:39:07,050 --> 00:39:17,070

I want to go wanted me to go out and I

791

00:39:15,300 --> 00:39:21,450

didn't know how to get out there cuz the

792

00:39:17,070 --> 00:39:29,460

windows there mm-hmm but when I thought

793

00:39:21,449 --> 00:39:43,169

that once and I started any went through

794

00:39:29,460 --> 00:39:48,990

the window no it doesn't say gonna go

795

00:39:43,170 --> 00:39:51,630

walking close it seems like I don't say

796

00:39:48,989 --> 00:39:54,029

anything like when you're walking you

797

00:39:51,630 --> 00:39:59,490

can see like things going up and down

798

00:39:54,030 --> 00:40:03,120

when you walk this is smooth can we get

799

00:39:59,489 --> 00:40:08,789
to the end of this walk some kind of

800

00:40:03,119 --> 00:40:11,779
controls what makes it look like some

801

00:40:08,789 --> 00:40:11,779
kind of control room

802

00:40:13,769 --> 00:40:22,079
does have a big console over there I

803

00:40:18,429 --> 00:40:30,389
think there was table table in the room

804

00:40:22,079 --> 00:40:30,390
like an eating table like a doctor sauce

805

00:40:32,699 --> 00:40:41,710
okay you lying on your tummy back on

806

00:40:37,659 --> 00:40:53,199
your back when you're lying there are

807

00:40:41,710 --> 00:40:59,139
you alone there's anybody touching all

808

00:40:53,199 --> 00:41:00,699
those links are you alone how many of

809

00:40:59,139 --> 00:41:06,039
them are there around the two please

810

00:41:00,699 --> 00:41:08,108
four or five and are they all doing

811

00:41:06,039 --> 00:41:11,139
something or they we're watching them

812

00:41:08,108 --> 00:41:15,578
they're watching - how many of them are

813
00:41:11,139 --> 00:41:18,509
actually doing someone there so what

814
00:41:15,579 --> 00:41:18,510
makes them so ugly

815
00:41:26,458 --> 00:41:36,639
God he's heaven that is an ugly thing

816
00:41:32,039 --> 00:41:39,719
very ugly just have look so pathetic

817
00:41:36,639 --> 00:41:42,159
his heads like they just not look right

818
00:41:39,719 --> 00:41:46,829
their heads don't look right

819
00:41:42,159 --> 00:41:51,248
they look distorted in very sickly some

820
00:41:46,829 --> 00:41:54,039
skull looks pointed in the front and

821
00:41:51,248 --> 00:41:55,149
larger in the back it looks a bit big

822
00:41:54,039 --> 00:41:57,069
inside

823
00:41:55,150 --> 00:42:00,719
what makes him look like a big insect

824
00:41:57,068 --> 00:42:00,719
the shape of his head

825
00:42:01,048 --> 00:42:06,548
tell me about the shape of his head

826
00:42:03,208 --> 00:42:13,509
almost like a football their eyes are

827

00:42:06,548 --> 00:42:15,188
very black slanted and it's just sort of

828
00:42:13,509 --> 00:42:18,849
wrinkled around the edges around the

829
00:42:15,188 --> 00:42:22,389
eyes are sort of like lizard eyes in a

830
00:42:18,849 --> 00:42:24,930
way big black black eyes - they have

831
00:42:22,389 --> 00:42:24,929
purpose

832
00:42:37,920 --> 00:42:42,909
come

833
00:42:40,119 --> 00:42:45,359
I will show you wonders you have never

834
00:42:42,909 --> 00:42:47,710
seen before

835
00:42:45,360 --> 00:42:52,019
UFO cover-up continues live from

836
00:42:47,710 --> 00:42:54,610
Washington DC with our host Mike Farrell

837
00:42:52,019 --> 00:42:57,039
one of the most intriguing UFO stories

838
00:42:54,610 --> 00:42:59,500
occurred in July of 1947 in New Mexico

839
00:42:57,039 --> 00:43:01,000
with me now are Bill Moore co-author of

840
00:42:59,500 --> 00:43:03,340
the Roswell incident and nuclear

841
00:43:01,000 --> 00:43:04,239

physicist Stanton T Friedman both of

842

00:43:03,340 --> 00:43:05,769

these gentlemen have done extensive

843

00:43:04,239 --> 00:43:08,199

research in this case thanks for joining

844

00:43:05,769 --> 00:43:10,030

us bill how many people were involved in

845

00:43:08,199 --> 00:43:11,879

the New Mexico incident with personal

846

00:43:10,030 --> 00:43:13,990

testimonies from about a hundred people

847

00:43:11,880 --> 00:43:16,960

one of the most important of these

848

00:43:13,989 --> 00:43:18,759

people was built Brazel Razzles father

849

00:43:16,960 --> 00:43:19,500

managed the land where the incident took

850

00:43:18,760 --> 00:43:21,850

place

851

00:43:19,500 --> 00:43:23,380

apparently a UFO had been caught in a

852

00:43:21,849 --> 00:43:26,139

thunder and lightning storm all in the

853

00:43:23,380 --> 00:43:27,940

area the next day Razzles father went

854

00:43:26,139 --> 00:43:29,739

out on horseback to check for property

855

00:43:27,940 --> 00:43:31,630

damage and came upon the wreckage of a

856
00:43:29,739 --> 00:43:33,669
strange aircraft which fanned out for

857
00:43:31,630 --> 00:43:35,349
nearly half a mile the corpses were

858
00:43:33,670 --> 00:43:38,260
found a couple of miles from the site of

859
00:43:35,349 --> 00:43:40,900
the crash just a moment corpses dead

860
00:43:38,260 --> 00:43:44,140
alien bodies called extraterrestrial

861
00:43:40,900 --> 00:43:45,820
biological entities eb es if you wish we

862
00:43:44,139 --> 00:43:47,619
got reports that they appear to be small

863
00:43:45,820 --> 00:43:50,289
humanoid bodies with large hairless

864
00:43:47,619 --> 00:43:52,750
heads wearing one-piece seamless grey

865
00:43:50,289 --> 00:43:54,610
skin like clothing we assume Lee must

866
00:43:52,750 --> 00:43:56,710
have ejected from their craft with some

867
00:43:54,610 --> 00:43:58,450
kind of ejection capsule the Air Force

868
00:43:56,710 --> 00:44:00,070
came and recovered the bodies and took

869
00:43:58,449 --> 00:44:02,409
them away for autopsies gentlemen

870
00:44:00,070 --> 00:44:04,059
autopsies EB EES assists reference

871
00:44:02,409 --> 00:44:06,279
settling information level with us what

872
00:44:04,059 --> 00:44:07,779
do we know to be fact we know these are

873
00:44:06,280 --> 00:44:09,850
the facts a very strange spacecraft

874
00:44:07,780 --> 00:44:11,920
exploded pieces of the craft were

875
00:44:09,849 --> 00:44:14,079
recovered several bodies were found and

876
00:44:11,920 --> 00:44:15,610
removed along with the wreckage we can

877
00:44:14,079 --> 00:44:18,130
prove the story was covered up very

878
00:44:15,610 --> 00:44:20,950
quickly at the highest level and given a

879
00:44:18,130 --> 00:44:24,760
classification above top-secret flying

880
00:44:20,949 --> 00:44:26,230
saucers are real period first person

881
00:44:24,760 --> 00:44:27,520
sent by the Air Force to investigate the

882
00:44:26,230 --> 00:44:29,500
crash site and to take care of the

883
00:44:27,519 --> 00:44:31,900
wreckage was a major Jesse Marcel

884

00:44:29,500 --> 00:44:33,190
let's meet his son dr. Jesse Marcel who

885
00:44:31,900 --> 00:44:34,780
was 12 years old at the time and

886
00:44:33,190 --> 00:44:35,849
needless to say has never forgotten that

887
00:44:34,780 --> 00:44:44,190
incident

888
00:44:35,849 --> 00:44:45,750
welcome dr. Marcel see ya doctor tell us

889
00:44:44,190 --> 00:44:48,450
if you will about the night your dad

890
00:44:45,750 --> 00:44:50,130
came home from that crash site my father

891
00:44:48,449 --> 00:44:52,079
came home with his car loaded with

892
00:44:50,130 --> 00:44:52,650
debris after investigating the crash

893
00:44:52,079 --> 00:44:54,119
site

894
00:44:52,650 --> 00:44:56,579
he brought the material into the house

895
00:44:54,119 --> 00:44:59,099
where he my mother and I sorted through

896
00:44:56,579 --> 00:45:01,469
his stuff mom glitter was a foil like

897
00:44:59,099 --> 00:45:03,449
cheating alloy it was metallic and it

898
00:45:01,469 --> 00:45:05,569

looked like the skin of an aircraft but

899

00:45:03,449 --> 00:45:08,339

it was unlike anything I had ever seen

900

00:45:05,570 --> 00:45:10,200

also there was an eye being about a foot

901

00:45:08,340 --> 00:45:12,329

to a foot and a half in length about 1/2

902

00:45:10,199 --> 00:45:14,699

inch across the inner surface had

903

00:45:12,329 --> 00:45:16,679

hieroglyphic like symbols on it like

904

00:45:14,699 --> 00:45:18,059

Egyptian symbols as I recall them and

905

00:45:16,679 --> 00:45:20,639

what was the Air Force's explanation of

906

00:45:18,059 --> 00:45:22,559

all this the explanation was that a

907

00:45:20,639 --> 00:45:24,239

weather boom had crashed did your father

908

00:45:22,559 --> 00:45:26,519

think it was a weather balloon anything

909

00:45:24,239 --> 00:45:27,869

but I believe the meaning behind his

910

00:45:26,519 --> 00:45:29,519

words was that he suspected there might

911

00:45:27,869 --> 00:45:30,480

have been some kind of cover-up what

912

00:45:29,519 --> 00:45:32,460

happened to all this debris you've

913
00:45:30,480 --> 00:45:33,929
described well the debris which had been

914
00:45:32,460 --> 00:45:36,000
removed was never seen again

915
00:45:33,929 --> 00:45:38,879
it was taken from your house to Carswell

916
00:45:36,000 --> 00:45:40,469
Air Force Base in Fort Worth Texas dr.

917
00:45:38,880 --> 00:45:41,880
Marcel you've examined the material

918
00:45:40,469 --> 00:45:43,349
firsthand you've had a long time to

919
00:45:41,880 --> 00:45:45,599
think about it what is your assessment

920
00:45:43,349 --> 00:45:48,210
of the Roswell incident I held the

921
00:45:45,599 --> 00:45:51,299
material in my hand it was not from this

922
00:45:48,210 --> 00:45:53,360
earth of this universe in this version

923
00:45:51,300 --> 00:45:55,010
that's what I think we're not alone

924
00:45:53,360 --> 00:45:57,599
Thank You gentleman

925
00:45:55,010 --> 00:45:59,010
now if the story is true then we have to

926
00:45:57,599 --> 00:46:01,529
rethink the government's role in history

927
00:45:59,010 --> 00:46:02,910
of UFOs the government in fact may have

928
00:46:01,530 --> 00:46:05,910
had the answer in their hands over 40

929
00:46:02,909 --> 00:46:07,649
years ago the United States Air Force

930
00:46:05,909 --> 00:46:09,029
has played a major role in America's

931
00:46:07,650 --> 00:46:10,860
attitude toward unidentified flying

932
00:46:09,030 --> 00:46:12,300
objects here's another account of how

933
00:46:10,860 --> 00:46:14,670
the Air Force dealt with such phenomena

934
00:46:12,300 --> 00:46:17,340
with me is author and filmmaker Robert

935
00:46:14,670 --> 00:46:18,480
Emma negra and former security manager

936
00:46:17,340 --> 00:46:20,100
and chief of requirements for the

937
00:46:18,480 --> 00:46:22,679
audio-visual program at Norton Air Force

938
00:46:20,099 --> 00:46:24,299
Base Paul shuttle gentlemen mr. Raymond

939
00:46:22,679 --> 00:46:26,609
ager how did you get involved with UFOs

940
00:46:24,300 --> 00:46:27,670
well it was in 1973 when I was vice

941

00:46:26,610 --> 00:46:29,710
president of gray

942
00:46:27,670 --> 00:46:31,269
I took time out and went to Norton Air

943
00:46:29,710 --> 00:46:33,190
Force Base to explore some explore

944
00:46:31,269 --> 00:46:35,798
television specials related to the

945
00:46:33,190 --> 00:46:38,260
Defense Department while discussing

946
00:46:35,798 --> 00:46:40,659
several of the subjects UFOs came up and

947
00:46:38,260 --> 00:46:43,089
Paul here told us about a film of a

948
00:46:40,659 --> 00:46:45,909
landing of alien crafts at Holloman Air

949
00:46:43,088 --> 00:46:47,828
Force Base about three years earlier and

950
00:46:45,909 --> 00:46:50,469
what did you see mr. shuttle I saw

951
00:46:47,829 --> 00:46:52,000
footage of three disc-shaped crafts one

952
00:46:50,469 --> 00:46:54,338
of the crafts landed and to him one away

953
00:46:52,000 --> 00:46:55,989
why did it land it appeared to be in

954
00:46:54,338 --> 00:46:57,969
trouble because it oscillated all the

955
00:46:55,989 --> 00:47:01,108

way down to the ground however it did

956

00:46:57,969 --> 00:47:03,879

land on three pods a sliding door open a

957

00:47:01,108 --> 00:47:07,269

ramp was extended and out came three

958

00:47:03,880 --> 00:47:09,039

aliens what did they look like well they

959

00:47:07,269 --> 00:47:11,380

were human size they had odd gray

960

00:47:09,039 --> 00:47:13,210

complexion and a pronounced nose they

961

00:47:11,380 --> 00:47:14,440

wore tight-fitting jumpsuits thin

962

00:47:13,210 --> 00:47:17,108

headdresses that appeared to be

963

00:47:14,440 --> 00:47:19,990

communication devices and her hands in

964

00:47:17,108 --> 00:47:23,650

their hands they held a translator I was

965

00:47:19,989 --> 00:47:25,088

told a Holloman base commander another

966

00:47:23,650 --> 00:47:26,858

Air Force officer went out to meet me

967

00:47:25,088 --> 00:47:29,920

and you actually saw these aliens on the

968

00:47:26,858 --> 00:47:31,808

film yes this film footage sounded very

969

00:47:29,920 --> 00:47:33,639

very special and we wanted to use it as

970
00:47:31,809 --> 00:47:35,589
the ending of our television special and

971
00:47:33,639 --> 00:47:37,239
did you was it in your special well

972
00:47:35,588 --> 00:47:38,980
although the Pentagon had been very very

973
00:47:37,239 --> 00:47:41,199
cooperative all the way at the last

974
00:47:38,980 --> 00:47:42,818
minute the film was confiscated and we

975
00:47:41,199 --> 00:47:44,588
lost the whole finale of our show but

976
00:47:42,818 --> 00:47:46,389
what I saw and heard was enough to

977
00:47:44,588 --> 00:47:49,389
convince me that you know the phenomena

978
00:47:46,389 --> 00:47:50,739
of UFOs is real very real mister Sharda

979
00:47:49,389 --> 00:47:52,989
what did your superior officers tell you

980
00:47:50,739 --> 00:47:54,759
I was told it was theatrical footage the

981
00:47:52,989 --> 00:47:56,169
Air Force has picked purchase to make a

982
00:47:54,760 --> 00:47:59,349
training film well it sounds plausible

983
00:47:56,170 --> 00:48:01,269
doesn't profit we're a theatrical film

984
00:47:59,349 --> 00:48:03,099
why don't I have record of this it was

985
00:48:01,269 --> 00:48:05,530
my job to keep accurate records of all

986
00:48:03,099 --> 00:48:07,240
audio-visual purchases is there any

987
00:48:05,530 --> 00:48:09,730
other reason that you feel this was not

988
00:48:07,239 --> 00:48:11,919
a theatrical film yes it was too real

989
00:48:09,730 --> 00:48:13,659
the people who were shooting that they

990
00:48:11,920 --> 00:48:16,000
were Air Force personnel lucky for us

991
00:48:13,659 --> 00:48:18,239
the day they were shooting they were

992
00:48:16,000 --> 00:48:19,559
doing an acceleration test

993
00:48:18,239 --> 00:48:21,389
it's too bad we couldn't get that

994
00:48:19,559 --> 00:48:22,500
footage from the air force gentlemen

995
00:48:21,389 --> 00:48:25,619
thank you very much for being with us

996
00:48:22,500 --> 00:48:27,300
tonight one of the most compelling

997
00:48:25,619 --> 00:48:29,159
sightings in recent years took place in

998

00:48:27,300 --> 00:48:32,420
Gulf Breeze Florida where over 100

999
00:48:29,159 --> 00:48:32,420
people witnessed a UFO

1000
00:48:34,179 --> 00:48:38,469
I believe belfry's will turn out to be

1001
00:48:36,460 --> 00:48:40,650
one of the most important UFO cases of

1002
00:48:38,469 --> 00:48:51,039
all time

1003
00:48:40,650 --> 00:48:52,780
hello Gulf Breeze next a live first-hand

1004
00:48:51,039 --> 00:48:55,420
report of amazing sightings on the Gulf

1005
00:48:52,780 --> 00:48:57,580
Coast of Florida UFO cover-up sponsored

1006
00:48:55,420 --> 00:48:59,500
in part by new cheese grits pits tiny

1007
00:48:57,579 --> 00:49:00,940
Ritz crackers with a taste of real Rod

1008
00:48:59,500 --> 00:49:04,289
Serling himself couldn't have come up

1009
00:49:00,940 --> 00:49:04,289
with a stranger sequence of events

1010
00:49:04,809 --> 00:49:09,670
Gulf Breeze is a beautiful affluent

1011
00:49:07,269 --> 00:49:12,849
community of 6,000 on a peninsula near

1012
00:49:09,670 --> 00:49:14,800

Pensacola Florida it is here on a quiet

1013

00:49:12,849 --> 00:49:17,110

residential street that a person known

1014

00:49:14,800 --> 00:49:19,960

to us only is Edie spotted a strange

1015

00:49:17,110 --> 00:49:23,559

object floating above his house November

1016

00:49:19,960 --> 00:49:26,340

11 1987 Edie snapped five photographs

1017

00:49:23,559 --> 00:49:28,659

that day and changed his life forever

1018

00:49:26,340 --> 00:49:31,750

over the next seven months he saw the

1019

00:49:28,659 --> 00:49:34,379

object several times shooting another 36

1020

00:49:31,750 --> 00:49:36,610

pictures with three different cameras

1021

00:49:34,380 --> 00:49:39,130

witnesses include his wife and kids

1022

00:49:36,610 --> 00:49:41,470

family friends neighbors and even city

1023

00:49:39,130 --> 00:49:44,820

officials to other people allegedly

1024

00:49:41,469 --> 00:49:44,819

photographed the same object

1025

00:49:45,789 --> 00:49:49,570

could it be a secret military device

1026

00:49:47,590 --> 00:49:51,220

Gulf Breeze is literally surrounded by

1027
00:49:49,570 --> 00:49:53,140
military bases but the public

1028
00:49:51,219 --> 00:49:54,369
information officers disclaim official

1029
00:49:53,139 --> 00:49:56,440
knowledge of any UFO

1030
00:49:54,369 --> 00:49:58,659
now here's Ed's photograph of a UFO

1031
00:49:56,440 --> 00:50:00,519
notice the strong blue beam that had

1032
00:49:58,659 --> 00:50:02,019
claims first paralyzed him then

1033
00:50:00,519 --> 00:50:05,079
levitated him and dropped him

1034
00:50:02,019 --> 00:50:07,179
clumsy aliens this is the most famous of

1035
00:50:05,079 --> 00:50:08,440
EDS photographs which he took weeks

1036
00:50:07,179 --> 00:50:11,019
later through the windshield of his

1037
00:50:08,440 --> 00:50:12,460
truck the UFO hovers just three feet

1038
00:50:11,019 --> 00:50:15,219
three feet off the ground its beam

1039
00:50:12,460 --> 00:50:16,869
reflecting off the asphalt ed says he

1040
00:50:15,219 --> 00:50:19,809
was partially paralyzed again but

1041
00:50:16,869 --> 00:50:22,239
escaped this time this is Ed's home

1042
00:50:19,809 --> 00:50:25,119
video shot as he crouched in the bushes

1043
00:50:22,239 --> 00:50:27,309
near his home the UFO reach traces its

1044
00:50:25,119 --> 00:50:29,529
path rotating as it travels through the

1045
00:50:27,309 --> 00:50:31,570
same airspace notice how it goes behind

1046
00:50:29,530 --> 00:50:34,780
the trees in and out reversing direction

1047
00:50:31,570 --> 00:50:36,910
and coming back now ed is a respected

1048
00:50:34,780 --> 00:50:38,560
family man runs a successful business

1049
00:50:36,909 --> 00:50:40,809
and has shunned all publicity and

1050
00:50:38,559 --> 00:50:41,920
declined to be on our show what about it

1051
00:50:40,809 --> 00:50:43,360
Gulf Breeze is there really something

1052
00:50:41,920 --> 00:50:46,450
going on down there or is it all in

1053
00:50:43,360 --> 00:50:48,700
elaborate hoax Dewayne cook is editor of

1054
00:50:46,449 --> 00:50:51,089
the Gulf Breeze Sentinel Donald where as

1055

00:50:48,699 --> 00:50:53,619
a UFO investigator who claims to know of

1056
00:50:51,090 --> 00:50:55,780
153 firsthand witnesses who have seen

1057
00:50:53,619 --> 00:50:58,900
the object Jerry Brown is the chief of

1058
00:50:55,780 --> 00:51:00,790
police in Gulf Breeze Don you're an ex

1059
00:50:58,900 --> 00:51:02,139
Air Force officer who's firmly convinced

1060
00:51:00,789 --> 00:51:04,000
something extraterrestrial has been

1061
00:51:02,139 --> 00:51:07,480
appearing in the skies around a mob of

1062
00:51:04,000 --> 00:51:11,110
Gulf Breeze what convinced you Mike one

1063
00:51:07,480 --> 00:51:13,360
couple had 22 encounters including 18

1064
00:51:11,110 --> 00:51:17,730
separate photographic sessions in a five

1065
00:51:13,360 --> 00:51:20,650
and a half month period and many any

1066
00:51:17,730 --> 00:51:23,170
independent witnesses highly credible

1067
00:51:20,650 --> 00:51:24,820
also reported seeing the same objects

1068
00:51:23,170 --> 00:51:27,730
that were photographed all right more

1069
00:51:24,820 --> 00:51:29,800

people reported seeing the aliens six

1070

00:51:27,730 --> 00:51:33,519

reported blue beams coming from the UFO

1071

00:51:29,800 --> 00:51:35,769

and ten have reported periods of missing

1072

00:51:33,519 --> 00:51:38,980

time okay how about you chief Brown I

1073

00:51:35,769 --> 00:51:42,039

take it you're not convinced no sir I'm

1074

00:51:38,980 --> 00:51:44,880

not we are one of the have one of the

1075

00:51:42,039 --> 00:51:47,650

busiest air spaces in the country and

1076

00:51:44,880 --> 00:51:50,050

not to say that all these people here

1077

00:51:47,650 --> 00:51:51,820

are lying not telling the truth I firmly

1078

00:51:50,050 --> 00:51:54,640

believe they are seeing something

1079

00:51:51,820 --> 00:51:56,170

because at anytime or anyplace there are

1080

00:51:54,639 --> 00:51:59,029

different lights different things that

1081

00:51:56,170 --> 00:52:02,269

you can see what I don't believe

1082

00:51:59,030 --> 00:52:04,519

the things the local papers and the TV

1083

00:52:02,269 --> 00:52:07,159

media has put out of a flying saucer

1084
00:52:04,519 --> 00:52:09,349
with beings from another planet I just

1085
00:52:07,159 --> 00:52:11,119
simply don't believe that okay Dwayne I

1086
00:52:09,349 --> 00:52:12,650
guess you could say that you're the

1087
00:52:11,119 --> 00:52:14,929
fellow responsible for stirring this up

1088
00:52:12,650 --> 00:52:16,670
your paper is faithfully supported Ed's

1089
00:52:14,929 --> 00:52:19,489
story much to the consternation of many

1090
00:52:16,670 --> 00:52:21,289
of your neighbors the well I guess you

1091
00:52:19,489 --> 00:52:23,869
could say we have stirred it up Mike

1092
00:52:21,289 --> 00:52:27,559
yeah but I really can't say I'm aware of

1093
00:52:23,869 --> 00:52:29,659
any too much consternation most of Gulf

1094
00:52:27,559 --> 00:52:32,210
Breeze really believes Ed's photographs

1095
00:52:29,659 --> 00:52:34,039
and his story just like they believe the

1096
00:52:32,210 --> 00:52:36,559
hundred plus other witnesses that have

1097
00:52:34,039 --> 00:52:38,719
seen it most of which are here tonight a

1098
00:52:36,559 --> 00:52:40,250
reporter Mark Curtis in Pensacola

1099
00:52:38,719 --> 00:52:41,989
followed the saga of the Gulf Breeze UFO

1100
00:52:40,250 --> 00:52:45,170
from the very beginning what were your

1101
00:52:41,989 --> 00:52:46,669
initial thoughts Mike I was amazed at

1102
00:52:45,170 --> 00:52:49,400
the detail and clarity of these

1103
00:52:46,670 --> 00:52:51,320
photographs but I was very skeptical so

1104
00:52:49,400 --> 00:52:52,910
we brought in some photographic experts

1105
00:52:51,320 --> 00:52:54,860
to look at them and none have been able

1106
00:52:52,909 --> 00:52:57,920
to tell that these pictures our face

1107
00:52:54,860 --> 00:53:00,200
also Edie has taken to lie-detector

1108
00:52:57,920 --> 00:53:01,789
tests and passed them both aside from

1109
00:53:00,199 --> 00:53:03,559
the picture though this is the story of

1110
00:53:01,789 --> 00:53:05,090
the witnesses and the people Charlie's

1111
00:53:03,559 --> 00:53:06,469
Sommerby and his wife Doris saw this

1112

00:53:05,090 --> 00:53:11,120
object last November Charlie if you

1113
00:53:06,469 --> 00:53:13,279
could tell us what you saw we saw this

1114
00:53:11,119 --> 00:53:16,309
circular object it was bluish gray in

1115
00:53:13,280 --> 00:53:18,890
color and with light shining out through

1116
00:53:16,309 --> 00:53:21,829
portholes and the really amazing thing

1117
00:53:18,889 --> 00:53:23,239
was there was no sound Jesse and Alice

1118
00:53:21,829 --> 00:53:24,500
Bertram please join us Jesse as a

1119
00:53:23,239 --> 00:53:25,969
youngster here he was playing with a

1120
00:53:24,500 --> 00:53:29,929
friend last December tell us what you

1121
00:53:25,969 --> 00:53:32,389
saw climbing a tree and we saw brackish

1122
00:53:29,929 --> 00:53:34,159
white object and it was moving then it

1123
00:53:32,389 --> 00:53:37,670
disappeared he ran behind the Guthrie's

1124
00:53:34,159 --> 00:53:39,079
on the main tree school and then it did

1125
00:53:37,670 --> 00:53:41,389
we start moving again then it

1126
00:53:39,079 --> 00:53:42,769

disappeared mrs. Bertram what did you do

1127

00:53:41,389 --> 00:53:44,449

did you believe these youngsters when

1128

00:53:42,769 --> 00:53:46,579

they told you this no I didn't I'm a

1129

00:53:44,449 --> 00:53:47,869

skeptic anyway but I had him sit down at

1130

00:53:46,579 --> 00:53:49,880

different ends at the table and draw

1131

00:53:47,869 --> 00:53:51,230

what they saw and the pictures were

1132

00:53:49,880 --> 00:53:52,849

identical and he matched what we're in

1133

00:53:51,230 --> 00:53:54,380

the newspaper one of the most

1134

00:53:52,849 --> 00:53:56,059

interesting sightings came from Jeff

1135

00:53:54,380 --> 00:53:57,650

Thompson Jeff if you join us and tell us

1136

00:53:56,059 --> 00:53:59,570

what you saw in the morning during the

1137

00:53:57,650 --> 00:54:02,360

daylight on November 11 it was November

1138

00:53:59,570 --> 00:54:05,180

11th at 8:10 in the morning a UFO came

1139

00:54:02,360 --> 00:54:07,640

within 400 feet of me at treetop level I

1140

00:54:05,179 --> 00:54:10,759

noticed two military jets were following

1141
00:54:07,639 --> 00:54:12,210
it about two air miles the UFO showed up

1142
00:54:10,760 --> 00:54:13,800
at a 45-degree angle

1143
00:54:12,210 --> 00:54:15,960
and waited for the Jets to approach a

1144
00:54:13,800 --> 00:54:17,849
little closer and then in an instant it

1145
00:54:15,960 --> 00:54:18,960
just shot straight up what happened to

1146
00:54:17,849 --> 00:54:20,970
the Jets and are you sure they're

1147
00:54:18,960 --> 00:54:22,829
military jets yeah they're military jets

1148
00:54:20,969 --> 00:54:24,779
I believe that Eglin because around here

1149
00:54:22,829 --> 00:54:26,759
we just have the red and white Navy

1150
00:54:24,780 --> 00:54:29,220
training jets and they just said that

1151
00:54:26,760 --> 00:54:30,330
the military jets is kind of curved over

1152
00:54:29,219 --> 00:54:32,819
the bay and went on the back towards

1153
00:54:30,329 --> 00:54:34,769
Eglin this may just be the tip of the

1154
00:54:32,820 --> 00:54:36,990
iceberg how many people in this room

1155
00:54:34,769 --> 00:54:40,889
tonight have seen a UFO raise your hands

1156
00:54:36,989 --> 00:54:42,779
please well there you have it Washington

1157
00:54:40,889 --> 00:54:44,129
okay well you keep watching Gulf Breeze

1158
00:54:42,780 --> 00:54:47,790
because you'll find this next thing

1159
00:54:44,130 --> 00:54:49,170
interesting UFO cover-up worked closely

1160
00:54:47,789 --> 00:54:51,150
with two of the nation's leading experts

1161
00:54:49,170 --> 00:54:52,380
in photographic analysis in an attempt

1162
00:54:51,150 --> 00:54:54,660
to shed some light on the photographs

1163
00:54:52,380 --> 00:54:55,740
taken by the man called Edie dr. Robert

1164
00:54:54,659 --> 00:54:58,649
Nathan has been with the Jet Propulsion

1165
00:54:55,739 --> 00:55:02,868
Laboratory for 16 years during that time

1166
00:54:58,650 --> 00:55:02,869
he's exposed many UFO photos as hoaxes

1167
00:55:03,050 --> 00:55:07,769
our staff gave dr. Nathan several of the

1168
00:55:06,000 --> 00:55:09,630
negatives in the hope that his advanced

1169

00:55:07,769 --> 00:55:13,250
techniques in computer enhancement would

1170
00:55:09,630 --> 00:55:13,250
shed some light on the controversy

1171
00:55:15,068 --> 00:55:21,219
I'm not too comfortable with the Gulf

1172
00:55:17,829 --> 00:55:23,519
Breeze photographs I feel that many of

1173
00:55:21,219 --> 00:55:26,708
these images are double exposure

1174
00:55:23,518 --> 00:55:29,679
photographs the craft and many of these

1175
00:55:26,708 --> 00:55:32,018
images seems to be a different focus

1176
00:55:29,679 --> 00:55:34,989
that they're either more sharply focused

1177
00:55:32,018 --> 00:55:37,808
or fuzzier than the surrounding

1178
00:55:34,989 --> 00:55:41,019
background objects the spacecraft

1179
00:55:37,809 --> 00:55:43,239
appears to be rather bright it's as if

1180
00:55:41,018 --> 00:55:46,419
there was some kind of external light

1181
00:55:43,239 --> 00:55:49,358
shining on it the situation that would

1182
00:55:46,420 --> 00:55:52,239
arise if the craft were in a room at an

1183
00:55:49,358 --> 00:55:55,358

earlier time with moonlight shining from

1184

00:55:52,239 --> 00:55:58,380

all directions it seems that in quite a

1185

00:55:55,358 --> 00:56:02,139

few of these pictures the very top and

1186

00:55:58,380 --> 00:56:04,150

bottom of the spacecraft are very

1187

00:56:02,139 --> 00:56:06,759

sharply cut off whereas the rest of the

1188

00:56:04,150 --> 00:56:08,920

images rather fuzzy giving me the

1189

00:56:06,759 --> 00:56:12,909

feeling that there's some kind of cut

1190

00:56:08,920 --> 00:56:16,088

and pasted onto some surface it appears

1191

00:56:12,909 --> 00:56:19,028

that with every photographs where this

1192

00:56:16,088 --> 00:56:22,420

object appears that it's against a

1193

00:56:19,028 --> 00:56:24,028

relatively uniformly dark background the

1194

00:56:22,420 --> 00:56:27,759

kind that you need for double exposure

1195

00:56:24,028 --> 00:56:30,728

when you add two images together you get

1196

00:56:27,759 --> 00:56:33,269

the intensities added and even though

1197

00:56:30,728 --> 00:56:36,098

the purples if that's what they are

1198
00:56:33,268 --> 00:56:38,618
appear rather dark they're never darker

1199
00:56:36,099 --> 00:56:41,259
than the background sky I've been

1200
00:56:38,619 --> 00:56:43,479
chasing these UFO sightings for thirty

1201
00:56:41,259 --> 00:56:45,400
years I would have liked to have said

1202
00:56:43,478 --> 00:56:49,838
differently but I'm afraid to gulp these

1203
00:56:45,400 --> 00:56:51,009
photographs just don't check out thank

1204
00:56:49,838 --> 00:56:52,298
you dr. Nathan now to make things

1205
00:56:51,009 --> 00:56:53,949
perfectly clear a man who takes a

1206
00:56:52,298 --> 00:56:55,599
completely different view is dr. Bruce

1207
00:56:53,949 --> 00:56:57,369
Maccabee an optical physicist working

1208
00:56:55,599 --> 00:56:59,430
for the US Navy who has explained many

1209
00:56:57,369 --> 00:57:00,990
UFO photos in the past

1210
00:56:59,429 --> 00:57:02,489
Maccabi you spent hundreds of hours

1211
00:57:00,989 --> 00:57:03,750
studying these images and you've come to

1212
00:57:02,489 --> 00:57:05,039
the conclusion that there's no hoax

1213
00:57:03,750 --> 00:57:06,568
involved in this case is that correct

1214
00:57:05,039 --> 00:57:08,519
yes Mike

1215
00:57:06,568 --> 00:57:10,650
dr. Nathan has studied only a few of the

1216
00:57:08,519 --> 00:57:12,269
photographs I on the other hand have

1217
00:57:10,650 --> 00:57:14,579
analyzed all the photographic evidence

1218
00:57:12,269 --> 00:57:16,469
which includes stereo photos that

1219
00:57:14,579 --> 00:57:19,170
allowed me to calculate the distance and

1220
00:57:16,469 --> 00:57:21,389
size of the UFO I've also analyzed the

1221
00:57:19,170 --> 00:57:22,740
video tape I have asked myself if the

1222
00:57:21,389 --> 00:57:25,379
photographic evidence were hoax

1223
00:57:22,739 --> 00:57:27,328
how was it done I have considered many

1224
00:57:25,380 --> 00:57:28,980
methods for creating trick photos each

1225
00:57:27,329 --> 00:57:31,349
method can leave a characteristic flaw

1226

00:57:28,980 --> 00:57:33,210
within a photo and I have searched for

1227
00:57:31,349 --> 00:57:35,460
such flaws for example I have looked

1228
00:57:33,210 --> 00:57:37,230
above each UFO to see if there is a fine

1229
00:57:35,460 --> 00:57:39,480
line indicating I was suspended by a

1230
00:57:37,230 --> 00:57:40,769
string I have looked below each image to

1231
00:57:39,480 --> 00:57:43,019
see if there is any indication it was

1232
00:57:40,769 --> 00:57:44,639
resting on a table or a post I've looked

1233
00:57:43,019 --> 00:57:46,710
for reflections in glass double

1234
00:57:44,639 --> 00:57:48,179
exposures and photographic montages I

1235
00:57:46,710 --> 00:57:49,108
have found that none of these methods

1236
00:57:48,179 --> 00:57:50,940
had been used

1237
00:57:49,108 --> 00:57:52,710
therefore after many many hours of

1238
00:57:50,940 --> 00:57:54,269
analysis I have found nothing in the

1239
00:57:52,710 --> 00:57:56,519
photos which could refute the sighting

1240
00:57:54,269 --> 00:57:58,230

reports my opinion is that the photos

1241

00:57:56,519 --> 00:58:00,269

are genuine and these crafts are not

1242

00:57:58,230 --> 00:58:02,579

from here unless there's some race other

1243

00:58:00,269 --> 00:58:04,858

than the human race operating them thank

1244

00:58:02,579 --> 00:58:06,660

you dr. Maccabee for your analysis well

1245

00:58:04,858 --> 00:58:12,989

you've seen the evidence and heard some

1246

00:58:06,659 --> 00:58:16,409

conflicting opinions what are you next

1247

00:58:12,989 --> 00:58:19,848

what is mj-12 and another live report on

1248

00:58:16,409 --> 00:58:19,848

UFOs from Moscow

1249

00:58:21,619 --> 00:58:28,490

colors now UFO cover-up live

1250

00:58:26,510 --> 00:58:30,440

earlier in the show we met bill Moore

1251

00:58:28,489 --> 00:58:32,599

joining us now is jamey shandur a a

1252

00:58:30,440 --> 00:58:34,460

television producer and director both

1253

00:58:32,599 --> 00:58:36,440

began regular contacts with government

1254

00:58:34,460 --> 00:58:37,730

agents regarding UFOs six years ago and

1255
00:58:36,440 --> 00:58:39,110
amassed an enormous quantity of

1256
00:58:37,730 --> 00:58:42,949
information about the government's UFO

1257
00:58:39,110 --> 00:58:45,200
program welcome gentlemen a bill tell us

1258
00:58:42,949 --> 00:58:46,969
how you first got involved I got a phone

1259
00:58:45,199 --> 00:58:49,819
call after appearing on a radio show

1260
00:58:46,969 --> 00:58:51,739
from a man who said the only person

1261
00:58:49,820 --> 00:58:54,380
we've heard talk about this subject who

1262
00:58:51,739 --> 00:58:55,699
seems to know what he's talking about he

1263
00:58:54,380 --> 00:58:57,829
convinced me that he was a government

1264
00:58:55,699 --> 00:58:59,599
intelligence agent and wanted to begin

1265
00:58:57,829 --> 00:59:01,969
disseminating some information about

1266
00:58:59,599 --> 00:59:03,799
UFOs to the public the man bill is

1267
00:59:01,969 --> 00:59:05,659
referring to his Falken whom we've seen

1268
00:59:03,800 --> 00:59:08,240
in shadow to protect his identity that's

1269
00:59:05,659 --> 00:59:10,609
right I didn't think that I could handle

1270
00:59:08,239 --> 00:59:12,079
it all alone the volume of material I

1271
00:59:10,610 --> 00:59:13,910
was getting from Falcon who was rather

1272
00:59:12,079 --> 00:59:16,190
mind-boggling so I got together with

1273
00:59:13,909 --> 00:59:19,119
Jamie and we joined forces in June of

1274
00:59:16,190 --> 00:59:25,119
1982 and Falcon told us about mj-12

1275
00:59:19,119 --> 00:59:28,279
mj-12 functions as a policy making group

1276
00:59:25,119 --> 00:59:32,839
relating to extraterrestrial activities

1277
00:59:28,280 --> 00:59:35,840
and contacts and UFO activities within

1278
00:59:32,840 --> 00:59:39,079
the United States they make the policy

1279
00:59:35,840 --> 00:59:44,630
obtain presidential approval and then

1280
00:59:39,079 --> 00:59:46,519
field activities implement the policies

1281
00:59:44,630 --> 00:59:48,349
how did you acquire the mj-12 documents

1282
00:59:46,519 --> 00:59:50,059
well they were mailed to me on a plain

1283

00:59:48,349 --> 00:59:51,440
brown envelope which contained President

1284
00:59:50,059 --> 00:59:53,420
Truman's executive order establishing

1285
00:59:51,440 --> 00:59:55,130
mj-12 and the briefing document to

1286
00:59:53,420 --> 00:59:57,079
president-elect Eisenhower informing him

1287
00:59:55,130 --> 00:59:59,990
of the 1947 crash in Roswell New Mexico

1288
00:59:57,079 --> 01:00:01,429
and the recovery of alien bodies and

1289
00:59:59,989 --> 01:00:03,139
then there were follow-up postcards

1290
01:00:01,429 --> 01:00:04,750
Ethiopian picture postcards mailed from

1291
01:00:03,139 --> 01:00:08,420
New Zealand with puzzles and riddles

1292
01:00:04,750 --> 01:00:12,019
right the puzzles were clues for example

1293
01:00:08,420 --> 01:00:14,000
for a stylish look shop Suitland this

1294
01:00:12,019 --> 01:00:15,650
led us to the national repository in

1295
01:00:14,000 --> 01:00:17,659
Suitland Maryland where we discovered

1296
01:00:15,650 --> 01:00:19,130
the existence of top-secret documents

1297
01:00:17,659 --> 01:00:21,559

and filed a Freedom of Information

1298

01:00:19,130 --> 01:00:24,079

request which led us further to the

1299

01:00:21,559 --> 01:00:25,639

Cutler twining document now all of our

1300

01:00:24,079 --> 01:00:28,489

meetings with Falcon were secret now

1301

01:00:25,639 --> 01:00:30,049

wait gentlemen riddles postcards secret

1302

01:00:28,489 --> 01:00:31,519

meetings code words in gist suspect

1303

01:00:30,050 --> 01:00:33,019

somebody was pulling your leg we always

1304

01:00:31,519 --> 01:00:35,210

look for hoaxes but within every clue

1305

01:00:33,019 --> 01:00:38,000

there was always some verifiable fact so

1306

01:00:35,210 --> 01:00:40,760

you were able to verify mj-12 validating

1307

01:00:38,000 --> 01:00:42,440

mj-12 was difficult because we couldn't

1308

01:00:40,760 --> 01:00:44,240

find any government agency that would

1309

01:00:42,440 --> 01:00:46,190

admit publicly that they were aware of

1310

01:00:44,239 --> 01:00:47,509

mj-12 existence well so without

1311

01:00:46,190 --> 01:00:47,809

validating it how do you get from there

1312
01:00:47,510 --> 01:00:49,430
to here

1313
01:00:47,809 --> 01:00:50,960
well after hundreds of hours of research

1314
01:00:49,429 --> 01:00:52,519
we're working with experts trying to

1315
01:00:50,960 --> 01:00:54,470
validate the documents but most

1316
01:00:52,519 --> 01:00:56,329
important the contacts have grown to

1317
01:00:54,469 --> 01:00:57,919
include Falcon and nine other government

1318
01:00:56,329 --> 01:00:59,299
agents and why do you believe them

1319
01:00:57,920 --> 01:01:00,680
oh because we've been able to meet with

1320
01:00:59,300 --> 01:01:02,630
them we've been able to check and verify

1321
01:01:00,679 --> 01:01:05,629
credentials and it's clear that they are

1322
01:01:02,630 --> 01:01:07,160
in secret need-to-know positions Falcons

1323
01:01:05,630 --> 01:01:09,380
position for example gives him access to

1324
01:01:07,159 --> 01:01:13,969
the mj-12 infrastructure why don't we

1325
01:01:09,380 --> 01:01:17,200
just hear it in his own words j12 was a

1326
01:01:13,969 --> 01:01:20,000
group of people within the government

1327
01:01:17,199 --> 01:01:23,389
mk12 was created by President Truman

1328
01:01:20,000 --> 01:01:26,150
early 50s and their job was to

1329
01:01:23,389 --> 01:01:28,489
investigate keep track of information

1330
01:01:26,150 --> 01:01:32,420
pertaining to UFOs part of their job

1331
01:01:28,489 --> 01:01:35,959
with scientific enhancements but later

1332
01:01:32,420 --> 01:01:38,090
primary purpose was to keep track of the

1333
01:01:35,960 --> 01:01:39,260
information coming in on UFOs and to

1334
01:01:38,090 --> 01:01:43,460
hand wise

1335
01:01:39,260 --> 01:01:45,610
both scientifically and in a way that

1336
01:01:43,460 --> 01:01:48,079
would advance our technology there are

1337
01:01:45,610 --> 01:01:51,590
government officials and elected

1338
01:01:48,079 --> 01:01:55,460
officials that are automatically brief

1339
01:01:51,590 --> 01:01:59,300
in the existence of view mj-12

1340

01:01:55,460 --> 01:02:02,720
activities these officials include the

1341
01:01:59,300 --> 01:02:05,090
president the vice president as elected

1342
01:02:02,719 --> 01:02:07,519
officials the director of Central

1343
01:02:05,090 --> 01:02:11,269
Intelligence and the director of the

1344
01:02:07,519 --> 01:02:13,759
National Security Agency the mj-12

1345
01:02:11,269 --> 01:02:18,230
policy is headquartered the Naval

1346
01:02:13,760 --> 01:02:23,410
Observatory in Washington DC the United

1347
01:02:18,230 --> 01:02:27,610
States Navy has primary operational

1348
01:02:23,409 --> 01:02:31,730
responsibilities of field activities

1349
01:02:27,610 --> 01:02:34,940
relating to the mj-12 policies all

1350
01:02:31,730 --> 01:02:38,480
information gathered in the field not

1351
01:02:34,940 --> 01:02:44,530
necessarily by Navy personnel is

1352
01:02:38,480 --> 01:02:44,530
transmitted to the Navy for analysis

1353
01:02:44,929 --> 01:02:48,980
other non-government agencies feed

1354
01:02:47,269 --> 01:02:51,710

information to mj-12 through a

1355

01:02:48,980 --> 01:02:54,590

top-secret cover project known West's

1356

01:02:51,710 --> 01:02:56,090

project Aquarius now mj-12 connects to

1357

01:02:54,590 --> 01:02:57,860

select individuals within the National

1358

01:02:56,090 --> 01:03:00,200

Security Council the Joint Chiefs of

1359

01:02:57,860 --> 01:03:02,269

Staff the White House Intelligence Unit

1360

01:03:00,199 --> 01:03:03,919

the National Security Agency the Central

1361

01:03:02,269 --> 01:03:05,750

Intelligence Agency and the Defense

1362

01:03:03,920 --> 01:03:07,430

Intelligence Agency the research is

1363

01:03:05,750 --> 01:03:09,019

conducted the data classified and

1364

01:03:07,429 --> 01:03:12,109

catalogued all under the umbrella of

1365

01:03:09,019 --> 01:03:13,730

strictest national security the mj-12

1366

01:03:12,110 --> 01:03:15,200

table of organization created by more

1367

01:03:13,730 --> 01:03:16,389

and shandur a purports to give us an

1368

01:03:15,199 --> 01:03:18,169

understanding of a complex

1369
01:03:16,389 --> 01:03:20,779
intergovernmental chain of command

1370
01:03:18,170 --> 01:03:22,630
existing solely to oversee organize and

1371
01:03:20,780 --> 01:03:26,680
administer the data on UFOs and ETS

1372
01:03:22,630 --> 01:03:26,680
gentlemen thank you very much thank you

1373
01:03:27,429 --> 01:03:32,559
when we come back Falcon and condors

1374
01:03:30,409 --> 01:03:36,469
stunning revelations on the existence of

1375
01:03:32,559 --> 01:03:40,578
extraterrestrial aliens stay with us

1376
01:03:36,469 --> 01:03:44,480
please villa desert next on UFO cover-up

1377
01:03:40,579 --> 01:03:46,550
live what Bill Moore and Jamie sander a

1378
01:03:44,480 --> 01:03:48,858
source falcon told us about aliens will

1379
01:03:46,550 --> 01:03:50,390
astonish you lbs communications and

1380
01:03:48,858 --> 01:03:52,190
Seligmann productions makes no claim in

1381
01:03:50,389 --> 01:03:54,139
favor of or against the truth and

1382
01:03:52,190 --> 01:03:55,639
accuracy of this material we ask only

1383
01:03:54,139 --> 01:03:57,409
that you watch and listen and make up

1384
01:03:55,639 --> 01:03:58,730
your own minds now if you feel a

1385
01:03:57,409 --> 01:04:00,769
congressional investigation is warranted

1386
01:03:58,730 --> 01:04:02,599
to get the facts about UFOs out to the

1387
01:04:00,769 --> 01:04:04,789
american public please call this 900

1388
01:04:02,599 --> 01:04:06,410
number if you feel an investigation is

1389
01:04:04,789 --> 01:04:08,869
not necessary call this number

1390
01:04:06,409 --> 01:04:10,759
Bill Moore and Jamie shandur a have

1391
01:04:08,869 --> 01:04:11,568
checked and verified Falcons and condors

1392
01:04:10,760 --> 01:04:14,030
credentials

1393
01:04:11,568 --> 01:04:17,599
Peter Lyon also met Falcon and here's

1394
01:04:14,030 --> 01:04:19,849
his statement I met with a government

1395
01:04:17,599 --> 01:04:24,800
intelligent agents with the code name of

1396
01:04:19,849 --> 01:04:26,000
Falcon in 1983 with Jamie and Bill at

1397

01:04:24,800 --> 01:04:28,609
the time that I was an executive

1398
01:04:26,000 --> 01:04:31,849
producer of news for the CBS station in

1399
01:04:28,608 --> 01:04:35,029
Los Angeles at the time we verified as

1400
01:04:31,849 --> 01:04:38,030
authentic his credentials and then again

1401
01:04:35,030 --> 01:04:41,630
in 1987 we met again with Falcon and

1402
01:04:38,030 --> 01:04:45,019
again verified his credentials I'm

1403
01:04:41,630 --> 01:04:49,490
satisfied at this time that he is who he

1404
01:04:45,019 --> 01:04:52,099
says he is the fact that I have proven

1405
01:04:49,489 --> 01:04:55,068
my identity to you showed you my

1406
01:04:52,099 --> 01:04:57,680
credentials and verified my existence

1407
01:04:55,068 --> 01:05:01,039
within the intelligence community you

1408
01:04:57,679 --> 01:05:06,348
also have some of my colleagues who have

1409
01:05:01,039 --> 01:05:07,608
verified the same information we asked

1410
01:05:06,349 --> 01:05:09,619
Vulcan where he found out so much about

1411
01:05:07,608 --> 01:05:14,449

extraterrestrial biological entities or

1412

01:05:09,619 --> 01:05:18,039

he bees this book or called the Bible in

1413

01:05:14,449 --> 01:05:21,500

engage Hall community

1414

01:05:18,039 --> 01:05:24,799

historically everything the curd from

1415

01:05:21,500 --> 01:05:27,108

the truman dare up through the three

1416

01:05:24,798 --> 01:05:29,630

aliens being Justice of the United

1417

01:05:27,108 --> 01:05:32,328

States government technological data

1418

01:05:29,630 --> 01:05:36,170

gathered from the aliens medical history

1419

01:05:32,329 --> 01:05:37,039

gathered from the aliens that were found

1420

01:05:36,170 --> 01:05:41,240

in the desert

1421

01:05:37,039 --> 01:05:45,099

autopsies information gathered from dead

1422

01:05:41,239 --> 01:05:48,038

aliens found in the desert and

1423

01:05:45,099 --> 01:05:50,750

information obtained from the

1424

01:05:48,039 --> 01:05:53,859

extraterrestrials regarding their social

1425

01:05:50,750 --> 01:05:57,318

structure and their information

1426
01:05:53,858 --> 01:06:00,400
pertaining to the universe was there an

1427
01:05:57,318 --> 01:06:00,400
additional source of information

1428
01:06:01,630 --> 01:06:09,140
presently as of in year 1988 there is

1429
01:06:05,568 --> 01:06:12,588
one extraterrestrial being he's a guest

1430
01:06:09,139 --> 01:06:16,548
of the United States government and he's

1431
01:06:12,588 --> 01:06:19,308
remained hidden from public view the

1432
01:06:16,548 --> 01:06:22,759
yellow book is a book that was

1433
01:06:19,309 --> 01:06:27,740
exclusively written by the second alien

1434
01:06:22,760 --> 01:06:30,440
the book relates to the aliens planet

1435
01:06:27,739 --> 01:06:33,979
solar system Suns

1436
01:06:30,440 --> 01:06:37,490
the culture and society makeup on the

1437
01:06:33,980 --> 01:06:42,490
planet the social structure of aliens

1438
01:06:37,489 --> 01:06:46,759
and the aliens life among Earthlings

1439
01:06:42,489 --> 01:06:51,608
what was most intriguing to me in my

1440
01:06:46,760 --> 01:06:55,520
experience with aliens is a I believe an

1441
01:06:51,608 --> 01:06:58,670
octagon-shaped crystal which when held

1442
01:06:55,519 --> 01:07:02,358
in the aliens hand and viewed by a

1443
01:06:58,670 --> 01:07:05,539
second person displays pictures his

1444
01:07:02,358 --> 01:07:10,190
pictures could be can be of the aliens

1445
01:07:05,539 --> 01:07:12,710
home planet or pictures of Earth many

1446
01:07:10,190 --> 01:07:16,909
thousands of years ago we asked where

1447
01:07:12,710 --> 01:07:20,380
the II bees came from he was in me as a

1448
01:07:16,909 --> 01:07:20,379
to Reticuli star group

1449
01:07:54,750 --> 01:08:04,659
trust rules have complete control of

1450
01:07:59,289 --> 01:08:07,509
this base which is located in Nevada my

1451
01:08:04,659 --> 01:08:10,239
understanding is that three different

1452
01:08:07,510 --> 01:08:14,500
battalions of the same species have

1453
01:08:10,239 --> 01:08:20,460
resided within the United States from

1454

01:08:14,500 --> 01:08:25,560
1948 or 49 until present day the first

1455
01:08:20,460 --> 01:08:30,609
alien was captured in a Mexican desert

1456
01:08:25,560 --> 01:08:35,200
after its craft crashed the alien which

1457
01:08:30,609 --> 01:08:38,500
was named Eva by the government was kept

1458
01:08:35,199 --> 01:08:43,179
in captivity for three years we learned

1459
01:08:38,500 --> 01:08:48,850
a great deal of information about the

1460
01:08:43,180 --> 01:08:51,700
aliens race culture and spacecrafts the

1461
01:08:48,850 --> 01:08:54,100
second tip alien was it part of an

1462
01:08:51,699 --> 01:08:57,849
exchange program I don't recall what

1463
01:08:54,100 --> 01:09:01,270
year that alien visited the third alien

1464
01:08:57,850 --> 01:09:05,109
was also part of an exchange program and

1465
01:09:01,270 --> 01:09:09,670
has been a guest of the United States

1466
01:09:05,109 --> 01:09:11,140
government since 1982 we asked what they

1467
01:09:09,670 --> 01:09:13,649
looked like you know a run-of-the-mill

1468
01:09:11,140 --> 01:09:13,650

EB

1469

01:09:13,988 --> 01:09:23,988

any creature about three foot four to

1470

01:09:19,130 --> 01:09:29,409

three foot eight inches tall their eyes

1471

01:09:23,988 --> 01:09:31,789

are extremely large almost mystic style

1472

01:09:29,408 --> 01:09:34,789

their eyes have a couple of different

1473

01:09:31,789 --> 01:09:37,039

inner lids the days were extremely

1474

01:09:34,789 --> 01:09:39,738

bright there will be twice two three

1475

01:09:37,039 --> 01:09:42,679

times as bright as our Sun I think they

1476

01:09:39,738 --> 01:09:45,678

have just a two openings the Lord knows

1477

01:09:42,679 --> 01:09:46,969

who paid get a small mouth they have no

1478

01:09:45,679 --> 01:09:51,548

teeth as we know it

1479

01:09:46,969 --> 01:09:54,800

they have a hard come like area their

1480

01:09:51,548 --> 01:09:58,250

internal organs are quite simple they

1481

01:09:54,800 --> 01:10:01,310

have a a one organ which it does the job

1482

01:09:58,250 --> 01:10:04,520

of our heart lungs and digestive system

1483
01:10:01,310 --> 01:10:08,360
is just really simple their skin the

1484
01:10:04,520 --> 01:10:12,890
structure is extremely is a very elastic

1485
01:10:08,359 --> 01:10:16,698
skin and hard probably hardening from

1486
01:10:12,890 --> 01:10:18,650
their son they have some basic organs

1487
01:10:16,698 --> 01:10:22,339
our brain is more complex than ours

1488
01:10:18,649 --> 01:10:28,099
it has a to several different lobes in

1489
01:10:22,340 --> 01:10:29,929
ours have their eyes are where our eyes

1490
01:10:28,100 --> 01:10:31,310
are controlled by the back or a head

1491
01:10:29,929 --> 01:10:33,949
there's just controlled by the father

1492
01:10:31,310 --> 01:10:35,420
Bernie you're hearing is quite better

1493
01:10:33,948 --> 01:10:40,099
than ours almost better than the dogs

1494
01:10:35,420 --> 01:10:43,158
small here is their sexual organs are

1495
01:10:40,100 --> 01:10:45,079
they have males or females their kidney

1496
01:10:43,158 --> 01:10:46,789
and bladder is one word that excuse

1497
01:10:45,079 --> 01:10:48,260
great waste that they have another organ

1498
01:10:46,789 --> 01:10:50,119
which I don't know if our scientists

1499
01:10:48,260 --> 01:10:52,340
determine what it was for but they

1500
01:10:50,119 --> 01:10:54,439
believe is to transfer the solid wastes

1501
01:10:52,340 --> 01:10:56,719
in the liquid wastes they have hands

1502
01:10:54,439 --> 01:11:00,169
without thumbs and forefingers without

1503
01:10:56,719 --> 01:11:03,050
and any thumbs the feeder would like a

1504
01:11:00,170 --> 01:11:04,158
small would like so many questions occur

1505
01:11:03,050 --> 01:11:06,079
do they believe in a Supreme Being

1506
01:11:04,158 --> 01:11:08,359
what's their intelligence level what's

1507
01:11:06,079 --> 01:11:13,399
their average lifespan it's

1508
01:11:08,359 --> 01:11:18,529
approximately 350 to 400 earth years

1509
01:11:13,399 --> 01:11:22,289
it's my understanding that aliens have

1510
01:11:18,529 --> 01:11:24,869
an IQ of over 200

1511

01:11:22,289 --> 01:11:27,630
happy religion but it's a universal

1512
01:11:24,869 --> 01:11:32,029
religion they believe in the universe as

1513
01:11:27,630 --> 01:11:36,600
a Supreme Being the aliens enjoy music

1514
01:11:32,029 --> 01:11:40,170
all types of music especially ancient

1515
01:11:36,600 --> 01:11:45,840
Tibetan style music we asked about their

1516
01:11:40,170 --> 01:11:49,409
diet they do eat vegetables they like

1517
01:11:45,840 --> 01:11:52,369
vegetables and their favorite dish or

1518
01:11:49,409 --> 01:11:55,590
snack his ice cream especially

1519
01:11:52,369 --> 01:11:57,840
strawberry well the next time you're in

1520
01:11:55,590 --> 01:12:00,119
an ice cream parlor just quietly noticed

1521
01:11:57,840 --> 01:12:01,770
who orders strawberry okay as a wrap-up

1522
01:12:00,119 --> 01:12:05,279
Falcon and Condor said to us I

1523
01:12:01,770 --> 01:12:07,670
personally feel that this information

1524
01:12:05,279 --> 01:12:10,949
should be presented to the public

1525
01:12:07,670 --> 01:12:13,310

there's only a small portion of the

1526

01:12:10,949 --> 01:12:15,449
information that we've gathered from

1527

01:12:13,310 --> 01:12:19,200
extraterrestrials that should be the

1528

01:12:15,449 --> 01:12:20,159
state party to classify Condor also

1529

01:12:19,199 --> 01:12:21,449
suggested he'd like to see a

1530

01:12:20,159 --> 01:12:23,609
congressional hearing on the subject

1531

01:12:21,449 --> 01:12:25,050
interestingly enough he Falken in a

1532

01:12:23,609 --> 01:12:26,789
third source have agreed to meet with a

1533

01:12:25,050 --> 01:12:27,779
senator's staff to discuss all of the

1534

01:12:26,789 --> 01:12:29,970
information they claim to have

1535

01:12:27,779 --> 01:12:31,500
concerning UFOs and aliens from this

1536

01:12:29,970 --> 01:12:34,260
meeting a Senate investigation could

1537

01:12:31,500 --> 01:12:37,670
ensue now if this is true tonight we're

1538

01:12:34,260 --> 01:12:37,670
witnessing history in the making a

1539

01:12:39,350 --> 01:12:44,730
startling new revelation live from the

1540
01:12:41,819 --> 01:12:51,059
USSR right after this stay with UFO

1541
01:12:44,729 --> 01:12:53,189
cover-up sev tell us again Sergei about

1542
01:12:51,060 --> 01:12:57,480
the preliminary findings from Tunguska

1543
01:12:53,189 --> 01:12:59,399
in Siberia are you on the line

1544
01:12:57,479 --> 01:13:03,379
circulating Cuzco explosion which

1545
01:12:59,399 --> 01:13:06,629
occurred in 1908 still trickster

1546
01:13:03,380 --> 01:13:09,810
tremendous amount of public attention

1547
01:13:06,630 --> 01:13:13,650
I traveled tries to the site of the

1548
01:13:09,810 --> 01:13:18,240
explosion it is in a very remote very

1549
01:13:13,649 --> 01:13:20,399
distant part of Siberia and according to

1550
01:13:18,239 --> 01:13:22,409
some recent findings the most

1551
01:13:20,399 --> 01:13:25,409
astonishing fact about Tunguska

1552
01:13:22,409 --> 01:13:30,189
explosion is that actually there were

1553
01:13:25,409 --> 01:13:34,119
two objects two objects I would say two

1554
01:13:30,189 --> 01:13:36,339
Oh's the first one had been seen early

1555
01:13:34,119 --> 01:13:40,809
in the morning at approximately 8:00

1556
01:13:36,340 --> 01:13:44,079
a.m. and it was exploded it exploded

1557
01:13:40,810 --> 01:13:48,039
over the Tunguska forest and the second

1558
01:13:44,079 --> 01:13:50,470
one had been seen in the afternoon one

1559
01:13:48,039 --> 01:13:53,229
can get the impression that the second

1560
01:13:50,470 --> 01:13:56,440
object was looking for the first one yes

1561
01:13:53,229 --> 01:13:58,149
and my by the way why shouldn't we

1562
01:13:56,439 --> 01:13:59,589
arrange a joint Soviet American

1563
01:13:58,149 --> 01:14:02,379
expedition to the site of the explosion

1564
01:13:59,590 --> 01:14:04,150
I think that's a terrific idea is there

1565
01:14:02,380 --> 01:14:06,520
a I'm sure there are many Americans who

1566
01:14:04,149 --> 01:14:08,319
would like to join us we'll talk further

1567
01:14:06,520 --> 01:14:09,880
now we're looking forward to the final

1568

01:14:08,319 --> 01:14:12,039
reports from this latest expedition to

1569
01:14:09,880 --> 01:14:14,380
Siberia thanks for the newsflash there

1570
01:14:12,039 --> 01:14:16,119
gaybo Lanza and thanks for opening a new

1571
01:14:14,380 --> 01:14:18,329
channel of communication between the US

1572
01:14:16,119 --> 01:14:20,590
and the USSR

1573
01:14:18,329 --> 01:14:22,809
now we've invited three people who are

1574
01:14:20,590 --> 01:14:24,039
highly skeptical of UFO phenomena we

1575
01:14:22,810 --> 01:14:26,410
would like them to give you their point

1576
01:14:24,039 --> 01:14:28,899
of view let's meet them first David

1577
01:14:26,409 --> 01:14:30,279
Williamson a 30-year veteran NASA senior

1578
01:14:28,899 --> 01:14:32,739
staff member who is well known as the

1579
01:14:30,279 --> 01:14:33,989
UFO point person at the National

1580
01:14:32,739 --> 01:14:36,460
Aeronautics and Space Administration

1581
01:14:33,989 --> 01:14:38,710
James Oberg who has written many books

1582
01:14:36,460 --> 01:14:40,510

and articles about space and UFOs and

1583

01:14:38,710 --> 01:14:42,520

lectures widely on related topics and

1584

01:14:40,510 --> 01:14:44,500

finally dr. Herbert Spiegel who heads

1585

01:14:42,520 --> 01:14:46,990

the Columbia College of Physicians and

1586

01:14:44,500 --> 01:14:48,909

Surgeons postgraduate program is in

1587

01:14:46,989 --> 01:14:50,829

hypnosis and is the author of the book

1588

01:14:48,909 --> 01:14:53,019

trance and treatment the clinical uses

1589

01:14:50,829 --> 01:14:55,180

of hypnosis gentlemen thank you for

1590

01:14:53,020 --> 01:14:56,440

being here dr. Spiegel you're the expert

1591

01:14:55,180 --> 01:14:59,650

in hypnosis what do you think of the

1592

01:14:56,439 --> 01:15:03,519

technique of hypnotic regression well

1593

01:14:59,649 --> 01:15:06,509

the hypnosis is accurately regarded as

1594

01:15:03,520 --> 01:15:09,550

controlled imagination which includes

1595

01:15:06,510 --> 01:15:13,750

misperceptions as well and what you can

1596

01:15:09,550 --> 01:15:15,610

do with hypnosis is to intensify the the

1597
01:15:13,750 --> 01:15:18,460
memories that we have but that also

1598
01:15:15,609 --> 01:15:20,319
includes our inner feelings as well as

1599
01:15:18,460 --> 01:15:22,390
our memories with the original

1600
01:15:20,319 --> 01:15:25,599
distortions in the first place but

1601
01:15:22,390 --> 01:15:27,730
hypnosis does the other all enhance the

1602
01:15:25,600 --> 01:15:30,579
accuracy of the original perception the

1603
01:15:27,729 --> 01:15:31,899
first place does not does not the

1604
01:15:30,579 --> 01:15:34,090
question of commonalities does that mean

1605
01:15:31,899 --> 01:15:37,920
anything it's simply because if we know

1606
01:15:34,090 --> 01:15:40,429
that our forensic work that too many

1607
01:15:37,920 --> 01:15:43,190
misperceptions occur in the first place

1608
01:15:40,429 --> 01:15:47,690
and if you now intensified with the

1609
01:15:43,189 --> 01:15:50,269
vivid recall on hypnosis then all you do

1610
01:15:47,689 --> 01:15:53,299
is exaggerating which where he started

1611
01:15:50,270 --> 01:15:54,980
off with as misperception all right sir

1612
01:15:53,300 --> 01:15:56,449
mr. Williamson what does NASA's point

1613
01:15:54,979 --> 01:15:58,819
man on UFOs have to say in response to

1614
01:15:56,448 --> 01:16:01,789
the material you've seen sort of

1615
01:15:58,819 --> 01:16:04,099
interesting the official NASA position

1616
01:16:01,789 --> 01:16:06,488
has been for 11 years that we will

1617
01:16:04,100 --> 01:16:09,590
analyze legitimate materials physically

1618
01:16:06,488 --> 01:16:12,109
available to us give us a quick claim so

1619
01:16:09,590 --> 01:16:14,600
that we can cut it apart and so forth in

1620
01:16:12,109 --> 01:16:17,000
those 11 years we haven't had any

1621
01:16:14,600 --> 01:16:19,340
physical evidence what you're doing here

1622
01:16:17,000 --> 01:16:21,050
with here seems to be a phenomenon very

1623
01:16:19,340 --> 01:16:24,170
real sense the zekiel is all the way to

1624
01:16:21,050 --> 01:16:25,760
Florida yes but it is not a physical

1625

01:16:24,170 --> 01:16:27,289
phenomena that you can measure they can

1626
01:16:25,760 --> 01:16:29,480
put your hands on but you can bring the

1627
01:16:27,289 --> 01:16:31,130
laboratory I don't know what it is it's

1628
01:16:29,479 --> 01:16:33,500
obviously real you can't you can have

1629
01:16:31,130 --> 01:16:36,050
some hoaxes quite a lot of hoaxes as you

1630
01:16:33,500 --> 01:16:38,479
saw tonight but you also have a lot of

1631
01:16:36,050 --> 01:16:40,369
people who know that they have felt

1632
01:16:38,479 --> 01:16:42,379
something experienced something we don't

1633
01:16:40,369 --> 01:16:44,238
know what it is keep an open mind and

1634
01:16:42,380 --> 01:16:46,760
wait for physical evidence is probably

1635
01:16:44,238 --> 01:16:48,889
the the best scientific advice you can

1636
01:16:46,760 --> 01:16:51,739
get in the meantime look for ways to

1637
01:16:48,890 --> 01:16:53,030
measure this thing I can't mister Oberg

1638
01:16:51,738 --> 01:16:55,129
what do you think about the evidence

1639
01:16:53,029 --> 01:16:57,500

you've seen tonight by this special

1640

01:16:55,130 --> 01:16:59,810

material like the most interesting part

1641

01:16:57,500 --> 01:17:01,969

is that the materials was put together

1642

01:16:59,810 --> 01:17:03,920

left out off a lot as well the trailer

1643

01:17:01,969 --> 01:17:05,689

than the UFO community itself with a lot

1644

01:17:03,920 --> 01:17:07,699

of controversy and skepticism among your

1645

01:17:05,689 --> 01:17:10,460

for believers about the mj-12 material

1646

01:17:07,698 --> 01:17:12,349

and about Gulf Breeze is an example I'm

1647

01:17:10,460 --> 01:17:13,819

glad to see if the Russians grind to

1648

01:17:12,350 --> 01:17:15,409

this because that really underscores

1649

01:17:13,819 --> 01:17:17,750

what I think is happening a lot of these

1650

01:17:15,408 --> 01:17:20,559

reports which is that people will see

1651

01:17:17,750 --> 01:17:22,908

and interpret things in the sky as they

1652

01:17:20,560 --> 01:17:25,460

interpret them and late times the

1653

01:17:22,908 --> 01:17:28,039

government doesn't really mind that UFOs

1654
01:17:25,460 --> 01:17:29,300
are seen as flying saucers the case is

1655
01:17:28,039 --> 01:17:31,640
discussed tonight that predicted the

1656
01:17:29,300 --> 01:17:34,159
first case from the airliner 1984 at

1657
01:17:31,640 --> 01:17:35,750
4:10 a.m. turns out to have been it was

1658
01:17:34,158 --> 01:17:36,319
seen by other people outside of Russia

1659
01:17:35,750 --> 01:17:39,319
as well

1660
01:17:36,319 --> 01:17:41,149
a military rocket test up in the area of

1661
01:17:39,319 --> 01:17:43,189
placet switch was a secret Space Center

1662
01:17:41,149 --> 01:17:45,049
this happened in so many times on Soviet

1663
01:17:43,189 --> 01:17:47,359
Union a release official sent of reports

1664
01:17:45,050 --> 01:17:49,159
from the Academy of Sciences claiming

1665
01:17:47,359 --> 01:17:50,569
that things that people see which

1666
01:17:49,158 --> 01:17:51,619
happened to be weapons test space

1667
01:17:50,569 --> 01:17:55,519
weapons tests for example

1668
01:17:51,619 --> 01:17:57,710
are UFO's so but so to call them flying

1669
01:17:55,520 --> 01:17:59,750
saucers is and in - and to present that

1670
01:17:57,710 --> 01:18:01,760
point of view is actually to take part

1671
01:17:59,750 --> 01:18:03,710
in the cover-up of their true nature

1672
01:18:01,760 --> 01:18:05,840
which is in some ways a very ironic

1673
01:18:03,710 --> 01:18:08,329
feature now in terms of whether that

1674
01:18:05,840 --> 01:18:09,890
we're either real UFOs whether or not

1675
01:18:08,329 --> 01:18:11,989
the mj-12 stories would seem to change

1676
01:18:09,890 --> 01:18:14,450
every time we hear them from from falcon

1677
01:18:11,989 --> 01:18:17,090
are true i'm afraid we don't have a 900

1678
01:18:14,449 --> 01:18:18,829
number but I suggest we people go out do

1679
01:18:17,090 --> 01:18:20,630
is go out and buy strawberry ice cream

1680
01:18:18,829 --> 01:18:23,510
if it's all gone maybe the UFO guy will

1681
01:18:20,630 --> 01:18:25,489
go away great thank you very much

1682

01:18:23,510 --> 01:18:26,930
gentlemen for being here since we went

1683
01:18:25,489 --> 01:18:27,949
on the air two hours ago calls have been

1684
01:18:26,930 --> 01:18:29,360
coming in from all over the country

1685
01:18:27,949 --> 01:18:32,210
claiming to have experienced close

1686
01:18:29,359 --> 01:18:37,250
encounters with UFOs here are the

1687
01:18:32,210 --> 01:18:39,050
results of the people that called in 20

1688
01:18:37,250 --> 01:18:43,699
percent they said they had never had a

1689
01:18:39,050 --> 01:18:45,350
UFO experience of those who claim to

1690
01:18:43,699 --> 01:18:51,319
have had a close encounter of the first

1691
01:18:45,350 --> 01:18:53,510
kind do I have a number 66 percent

1692
01:18:51,319 --> 01:18:54,500
claimed to have had a UFO experience of

1693
01:18:53,510 --> 01:18:57,550
the foot close encounter of the first

1694
01:18:54,500 --> 01:19:01,550
kind close encounter of the second kind

1695
01:18:57,550 --> 01:19:02,989
5% make that claim and three percent

1696
01:19:01,550 --> 01:19:05,510

claimed to have had a close encounter of

1697

01:19:02,989 --> 01:19:06,889
the third kind that's perfect

1698

01:19:05,510 --> 01:19:09,440
Close Encounters it was a fourth kind

1699

01:19:06,890 --> 01:19:13,220
six percent that's far in the program

1700

01:19:09,439 --> 01:19:14,449
we've had how many percent of our caller

1701

01:19:13,220 --> 01:19:17,420
is calling for a congressional

1702

01:19:14,449 --> 01:19:20,090
investigation 87 percent saying yes

1703

01:19:17,420 --> 01:19:22,520
congressional investigation no 13

1704

01:19:20,090 --> 01:19:24,590
percent I remember our telephones are

1705

01:19:22,520 --> 01:19:26,150
active until 1:00 a.m. the October 15th

1706

01:19:24,590 --> 01:19:28,369
Eastern Daylight Time throughout the

1707

01:19:26,149 --> 01:19:30,769
United States and Canada at the nominal

1708

01:19:28,369 --> 01:19:32,869
charge of \$1 all information received

1709

01:19:30,770 --> 01:19:34,370
from your phone calls will be forwarded

1710

01:19:32,869 --> 01:19:35,960
to a proper investigational committee

1711
01:19:34,369 --> 01:19:40,489
should one be set up in Congress here in

1712
01:19:35,960 --> 01:19:42,529
Washington DC it seems every man woman

1713
01:19:40,489 --> 01:19:44,359
and child is araga and the exciting

1714
01:19:42,529 --> 01:19:46,729
wrap-up of UFO information concerning

1715
01:19:44,359 --> 01:19:49,619
the government's role in UFOs please

1716
01:19:46,729 --> 01:19:52,439
write to the address you see

1717
01:19:49,619 --> 01:19:57,349
now welcome back to the final chapter of

1718
01:19:52,439 --> 01:19:57,349
UFO cover-up with our host Mike Farrell

1719
01:19:57,779 --> 01:20:02,109
Thomas Jefferson said the government

1720
01:19:59,920 --> 01:20:03,730
must never lie to the people after all

1721
01:20:02,109 --> 01:20:05,259
the sightings observations and

1722
01:20:03,729 --> 01:20:07,089
testimonies presented here tonight we

1723
01:20:05,260 --> 01:20:08,560
are left with the uneasy question has

1724
01:20:07,090 --> 01:20:11,949
our government been lying to us about

1725
01:20:08,560 --> 01:20:13,450
UFOs our extraterrestrials here does our

1726
01:20:11,949 --> 01:20:16,479
government have UFOs hidden away in a

1727
01:20:13,449 --> 01:20:18,939
warehouse or is it just some sort of

1728
01:20:16,479 --> 01:20:21,429
misunderstanding or perhaps is it all

1729
01:20:18,939 --> 01:20:24,869
the hoax a sci-fi fantasy in the minds

1730
01:20:21,430 --> 01:20:24,869
of overzealous space fan

1731
01:20:38,000 --> 01:20:42,539
those are for space here in Roswell New

1732
01:20:40,500 --> 01:20:47,239
Mexico the center of a controversy back

1733
01:20:42,539 --> 01:20:47,239
in 1937 there were 40 years
