

1  
00:00:20,109 --> 00:00:26,169  
from the dawn of history man has

2  
00:00:22,480 --> 00:00:29,199  
reported visitors from other planets in

3  
00:00:26,170 --> 00:00:31,360  
ancient societies they were feared in

4  
00:00:29,199 --> 00:00:35,289  
pagan societies they were revered as

5  
00:00:31,359 --> 00:00:38,140  
gods but in modern times we've tried to

6  
00:00:35,289 --> 00:00:43,299  
ignore them do they continue their

7  
00:00:38,140 --> 00:00:45,429  
visits have they reached out to us are

8  
00:00:43,299 --> 00:00:47,378  
they in fact in league with the

9  
00:00:45,429 --> 00:00:50,710  
governments of the earth even as we

10  
00:00:47,378 --> 00:00:53,829  
speak these questions and more will be

11  
00:00:50,710 --> 00:00:57,640  
answered on volume 1 of UFO

12  
00:00:53,829 --> 00:01:00,879  
investigations that cover-up

13  
00:00:57,640 --> 00:01:03,640  
and now your hosts true Hawkins and Joan

14  
00:01:00,880 --> 00:01:06,370  
Piercy hello

15  
00:01:03,640 --> 00:01:08,560  
we're UFO investigations I'm true

16  
00:01:06,370 --> 00:01:13,090  
Hawkins and this is research associate

17  
00:01:08,560 --> 00:01:15,159  
Jody pearcy hello our continuing job is

18  
00:01:13,090 --> 00:01:17,590  
to bring information to you from

19  
00:01:15,159 --> 00:01:19,030  
recently acquired government documents

20  
00:01:17,590 --> 00:01:21,159  
acquired through the Freedom of

21  
00:01:19,030 --> 00:01:23,439  
Information Act and information from

22  
00:01:21,159 --> 00:01:26,200  
civilian investigators it's our

23  
00:01:23,439 --> 00:01:28,750  
continuing goal to compile and bring you

24  
00:01:26,200 --> 00:01:31,450  
information as it becomes available now

25  
00:01:28,750 --> 00:01:33,909  
this first video report will serve as a

26  
00:01:31,450 --> 00:01:35,978  
rather broad overview and history of

27  
00:01:33,909 --> 00:01:39,789  
Investigations starting right after

28  
00:01:35,978 --> 00:01:42,579  
World War two now to begin with do UFOs

29

00:01:39,790 --> 00:01:44,618  
and extraterrestrial beings exist well

30  
00:01:42,579 --> 00:01:46,209  
Jody has a group of government documents

31  
00:01:44,618 --> 00:01:49,478  
that would certainly lead one to believe

32  
00:01:46,209 --> 00:01:51,939  
that this is the case Jody thank you to

33  
00:01:49,478 --> 00:01:54,670  
our first set of documents to review are

34  
00:01:51,939 --> 00:01:56,739  
very interesting the first letter from

35  
00:01:54,670 --> 00:02:01,090  
general Nathan twining commander air

36  
00:01:56,739 --> 00:02:03,129  
material command September 23rd 1947 the

37  
00:02:01,090 --> 00:02:05,820  
subject opinion of the commander air

38  
00:02:03,129 --> 00:02:08,079  
material command on flying discs

39  
00:02:05,819 --> 00:02:10,030  
documents show that the flying discs

40  
00:02:08,080 --> 00:02:12,250  
were starting to be examined by certain

41  
00:02:10,030 --> 00:02:14,319  
factions in the military who apparently

42  
00:02:12,250 --> 00:02:17,080  
had been aware of the discs for some

43  
00:02:14,319 --> 00:02:19,409

time document shows that the discs were

44

00:02:17,080 --> 00:02:21,400

real and not someone's imagination

45

00:02:19,409 --> 00:02:23,560

document shows that General twining

46

00:02:21,400 --> 00:02:26,289

decided not to tell about the disk

47

00:02:23,560 --> 00:02:28,569

crashes that had started to occur with

48

00:02:26,289 --> 00:02:30,909

the subsequent recovery of both alien

49

00:02:28,569 --> 00:02:34,060

bodies and the bodies of Army Air Force

50

00:02:30,909 --> 00:02:35,650

pilots the document illustrates that the

51

00:02:34,060 --> 00:02:38,650

RAND Corporation had a very early

52

00:02:35,650 --> 00:02:41,019

involvement with the subject the letter

53

00:02:38,650 --> 00:02:43,629

was written in the same time period that

54

00:02:41,019 --> 00:02:46,239

President Truman decided to establish a

55

00:02:43,629 --> 00:02:49,659

separate effort to deal solely with the

56

00:02:46,239 --> 00:02:52,989

alien problem the second document also a

57

00:02:49,659 --> 00:02:55,269

government document dated 1950 has four

58  
00:02:52,989 --> 00:02:56,879  
points that are very very much along the

59  
00:02:55,269 --> 00:02:59,890  
lines of what we've been talking about

60  
00:02:56,879 --> 00:03:02,049  
one the matter is the most highly

61  
00:02:59,889 --> 00:03:04,569  
classified subject in the United States

62  
00:03:02,049 --> 00:03:09,099  
government rating higher even than the

63  
00:03:04,569 --> 00:03:12,489  
h-bomb be flying saucers exist

64  
00:03:09,099 --> 00:03:14,439  
see their modus operandi is unknown but

65  
00:03:12,490 --> 00:03:17,500  
concentrated effort is being made by a

66  
00:03:14,439 --> 00:03:22,090  
small group headed by dr. Vannevar Bush

67  
00:03:17,500 --> 00:03:23,770  
one of the original mj-12 members MD the

68  
00:03:22,090 --> 00:03:25,930  
entire matter is considered by the

69  
00:03:23,770 --> 00:03:28,810  
United States authorities to be of

70  
00:03:25,930 --> 00:03:32,409  
tremendous significance this document

71  
00:03:28,810 --> 00:03:33,659  
went to inter agencies throughout the US

72  
00:03:32,409 --> 00:03:36,669  
and Canada

73  
00:03:33,659 --> 00:03:38,770  
fascinating reading now what about UFO

74  
00:03:36,669 --> 00:03:40,989  
sightings let's take a look at some

75  
00:03:38,770 --> 00:03:43,200  
video and still pictures you be the

76  
00:03:40,990 --> 00:03:43,200  
judge

77  
00:04:26,259 --> 00:04:31,250  
that was just a small example of the

78  
00:04:28,910 --> 00:04:34,040  
thousands of sightings reported over the

79  
00:04:31,250 --> 00:04:35,899  
last few years we do need to apologize

80  
00:04:34,040 --> 00:04:38,060  
for the quality of some of the pictures

81  
00:04:35,899 --> 00:04:40,310  
and video you saw they were shot

82  
00:04:38,060 --> 00:04:42,110  
unexpectedly some with home equipment

83  
00:04:40,310 --> 00:04:44,509  
and in many cases under adverse

84  
00:04:42,110 --> 00:04:47,569  
conditions at night or clouds now in

85  
00:04:44,509 --> 00:04:50,629  
many cases research material arrived at

86

00:04:47,569 --> 00:04:53,569  
our offices from unknown origins totally

87  
00:04:50,629 --> 00:04:55,610  
unidentified in certain cases the sender

88  
00:04:53,569 --> 00:04:58,370  
specifically requested to remain

89  
00:04:55,610 --> 00:05:00,740  
anonymous for instance a government

90  
00:04:58,370 --> 00:05:02,750  
document or presidential memo if you

91  
00:05:00,740 --> 00:05:06,379  
will from President Truman to

92  
00:05:02,750 --> 00:05:08,740  
president-elect Eisenhower Jody give us

93  
00:05:06,379 --> 00:05:11,480  
details of this famous Truman document

94  
00:05:08,740 --> 00:05:14,870  
as you have pointed out true information

95  
00:05:11,480 --> 00:05:17,840  
about UFOs and aliens oftentimes with

96  
00:05:14,870 --> 00:05:21,170  
surfaces totally anonymously the Truman

97  
00:05:17,839 --> 00:05:23,689  
document for instance dated 1952 it's a

98  
00:05:21,170 --> 00:05:26,689  
briefing document for Eisenhower from

99  
00:05:23,689 --> 00:05:30,430  
President Truman it involves discussion

100  
00:05:26,689 --> 00:05:33,740

of the majestic 12 the Roswell crash

101

00:05:30,430 --> 00:05:36,680  
sightings in 1947 over Mount Rainier and

102

00:05:33,740 --> 00:05:38,930  
this particular document arrived in an

103

00:05:36,680 --> 00:05:43,550  
unmarked envelope at the home of a noted

104

00:05:38,930 --> 00:05:46,639  
UFO researcher in 1987 the pages were

105

00:05:43,550 --> 00:05:49,910  
recorded on 8 exposures of 35 millimeter

106

00:05:46,639 --> 00:05:52,219  
film much of the information that we

107

00:05:49,910 --> 00:05:54,260  
receive actually comes from government

108

00:05:52,220 --> 00:05:56,180  
employees and undercover civilian

109

00:05:54,259 --> 00:05:58,579  
investigators these people feed

110

00:05:56,180 --> 00:06:00,639  
information and in many cases lead

111

00:05:58,579 --> 00:06:02,629  
investigators to classified material

112

00:06:00,639 --> 00:06:04,099  
recently made available through the

113

00:06:02,629 --> 00:06:06,409  
Freedom of Information Act

114

00:06:04,100 --> 00:06:08,300  
now these undercover employees and

115  
00:06:06,410 --> 00:06:10,760  
investigators have their own reasons for

116  
00:06:08,300 --> 00:06:12,710  
not coming forward sometimes they fear

117  
00:06:10,759 --> 00:06:14,569  
ridicule sometimes they fear they lose

118  
00:06:12,709 --> 00:06:16,370  
their job sometimes they're even afraid

119  
00:06:14,569 --> 00:06:17,000  
for the safety of themselves and their

120  
00:06:16,370 --> 00:06:20,000  
families

121  
00:06:17,000 --> 00:06:21,949  
in most cases it appears to us as we did

122  
00:06:20,000 --> 00:06:24,949  
our research that it's a cry for help in

123  
00:06:21,949 --> 00:06:27,769  
solving a problem they see as being very

124  
00:06:24,949 --> 00:06:30,500  
serious as we compile this an

125  
00:06:27,769 --> 00:06:32,180  
up-and-coming video reports we were so

126  
00:06:30,500 --> 00:06:35,240  
impressed of the caliber of people

127  
00:06:32,180 --> 00:06:37,220  
actively involved in UFO research people

128  
00:06:35,240 --> 00:06:40,639  
from high-level government service

129  
00:06:37,220 --> 00:06:42,650  
the sciences and the private sector now

130  
00:06:40,639 --> 00:06:44,810  
on one side of the coin we have

131  
00:06:42,649 --> 00:06:47,539  
dedicated resourceful investigators on

132  
00:06:44,810 --> 00:06:49,819  
the other government spokespersons and

133  
00:06:47,540 --> 00:06:52,640  
military personnel maintaining an

134  
00:06:49,819 --> 00:06:55,069  
ongoing effort to discredit any UFO

135  
00:06:52,639 --> 00:06:57,409  
research let's take a look now at two

136  
00:06:55,069 --> 00:06:59,930  
very credible researchers as they were

137  
00:06:57,410 --> 00:07:00,790  
interviewed by PM magazine in Salt Lake

138  
00:06:59,930 --> 00:07:04,340  
City

139  
00:07:00,790 --> 00:07:08,540  
Glen being used for food the aliens are

140  
00:07:04,339 --> 00:07:11,619  
eating us people they're experimenting

141  
00:07:08,540 --> 00:07:14,750  
with this horrible unspeakable

142  
00:07:11,620 --> 00:07:17,449  
experimentations John Lear's is an

143

00:07:14,750 --> 00:07:19,310  
unbelievable story be certain that we

144  
00:07:17,449 --> 00:07:21,889  
have been invaded by an alien culture

145  
00:07:19,310 --> 00:07:24,680  
that they are experimenting on us and

146  
00:07:21,889 --> 00:07:29,649  
that the US government knows about it in

147  
00:07:24,680 --> 00:07:29,650  
fact it's their most guarded top-secret

148  
00:07:31,449 --> 00:07:38,180  
it all began on a hot July night in 1947

149  
00:07:35,990 --> 00:07:40,550  
when according to Lear and others an

150  
00:07:38,180 --> 00:07:43,569  
alien craft crashed on a remote ranch

151  
00:07:40,550 --> 00:07:43,569  
near Roswell New Mexico

152  
00:07:43,999 --> 00:07:48,619  
for local papers even the first military

153  
00:07:46,158 --> 00:07:51,558  
men at the site reported a crashed UFO

154  
00:07:48,619 --> 00:07:53,659  
then suddenly the top brass swarmed to

155  
00:07:51,559 --> 00:07:56,419  
the site witnesses were sworn to secrecy

156  
00:07:53,658 --> 00:07:58,668  
and every speck of debris was literally

157  
00:07:56,418 --> 00:08:00,468

vacuumed from the dusty desert floor a

158

00:07:58,668 --> 00:08:03,288  
news story was issued

159

00:08:00,468 --> 00:08:07,178  
it said military officials was nothing

160

00:08:03,288 --> 00:08:07,178  
more than a crash weather balloon

161

00:08:10,319 --> 00:08:15,670  
William Moore has written a book on the

162

00:08:13,300 --> 00:08:17,889  
Roswell incident we know that it was not

163

00:08:15,670 --> 00:08:19,810  
a weather balloon the people who gave up

164

00:08:17,889 --> 00:08:21,519  
that story of since come forth and said

165

00:08:19,810 --> 00:08:24,129  
it was nothing more than a fabrication

166

00:08:21,519 --> 00:08:25,959  
to get the press off their backs the

167

00:08:24,129 --> 00:08:27,310  
evidence suggests it was a spacecraft

168

00:08:25,959 --> 00:08:31,479  
and the evidence suggests the government

169

00:08:27,310 --> 00:08:33,490  
grabbed it and carted it away and is

170

00:08:31,480 --> 00:08:38,409  
still involved with the examination of

171

00:08:33,490 --> 00:08:40,480  
it just imagine that the people were

172  
00:08:38,409 --> 00:08:43,419  
responsible for our government looking

173  
00:08:40,480 --> 00:08:47,100  
at this thing and also realizing that

174  
00:08:43,419 --> 00:08:49,269  
only nine years earlier in 1938

175  
00:08:47,100 --> 00:08:51,909  
thousands of people have been panicked

176  
00:08:49,269 --> 00:08:53,829  
by the HG Wells presentation of War of

177  
00:08:51,909 --> 00:08:55,990  
the Worlds is to imagine what these

178  
00:08:53,830 --> 00:08:58,120  
people thought when they were faced with

179  
00:08:55,990 --> 00:09:01,240  
this the reality of the thing it was

180  
00:08:58,120 --> 00:09:03,519  
just absolutely important of just

181  
00:09:01,240 --> 00:09:05,110  
absolutely world-shaking

182  
00:09:03,519 --> 00:09:08,740  
earth-shattering importance this thing

183  
00:09:05,110 --> 00:09:11,779  
be kept secret forever and ever

184  
00:09:08,740 --> 00:09:13,549  
in fact government documents unearthed

185  
00:09:11,779 --> 00:09:16,189  
via the Freedom of Information Act

186  
00:09:13,549 --> 00:09:17,569  
suggest that both craft and alien bodies

187  
00:09:16,190 --> 00:09:19,940  
had been retrieved

188  
00:09:17,570 --> 00:09:22,120  
however references are vague and large

189  
00:09:19,940 --> 00:09:25,970  
portions of the text have been censored

190  
00:09:22,120 --> 00:09:27,769  
what is known is that in 1947 the United

191  
00:09:25,970 --> 00:09:30,250  
States Air Force began a series of

192  
00:09:27,769 --> 00:09:33,439  
codenamed projects set up to monitor

193  
00:09:30,250 --> 00:09:36,049  
UFOs the truth of the matter is since

194  
00:09:33,440 --> 00:09:39,100  
1947 we have collected an avatar

195  
00:09:36,049 --> 00:09:41,929  
possession at least 30 to 35

196  
00:09:39,100 --> 00:09:43,610  
extraterrestrial flying saucers we have

197  
00:09:41,929 --> 00:09:46,939  
collected and have in our position at

198  
00:09:43,610 --> 00:09:49,820  
least 100 250 alien bodies representing

199  
00:09:46,940 --> 00:09:53,240  
at least 3 different species that people

200

00:09:49,820 --> 00:09:55,970  
are being abducted at a unprecedented

201  
00:09:53,240 --> 00:09:57,490  
rate leer goes so far as to claim that

202  
00:09:55,970 --> 00:09:59,840  
the US government has established

203  
00:09:57,490 --> 00:10:02,750  
communication with this alien power and

204  
00:09:59,840 --> 00:10:04,070  
actually collaborated with them we have

205  
00:10:02,750 --> 00:10:06,740  
even built underground research

206  
00:10:04,070 --> 00:10:09,470  
facilities and top-secret areas to house

207  
00:10:06,740 --> 00:10:11,629  
their little grey scientists the ones

208  
00:10:09,470 --> 00:10:14,720  
that I know for sure that exist are the

209  
00:10:11,629 --> 00:10:16,549  
ones in Nevada at area 51 there is the

210  
00:10:14,720 --> 00:10:19,370  
underground alien base there

211  
00:10:16,549 --> 00:10:21,859  
it's our nation's most secret

212  
00:10:19,370 --> 00:10:24,049  
operational facility and that's where

213  
00:10:21,860 --> 00:10:28,220  
they fly the extra-terrestrial craft out

214  
00:10:24,049 --> 00:10:30,229

of now says leer they have run amok they

215

00:10:28,220 --> 00:10:32,779

are out of control and they are not

216

00:10:30,230 --> 00:10:34,789

benevolent our government realizes it

217

00:10:32,779 --> 00:10:37,519

made a horrible mistake and can do

218

00:10:34,789 --> 00:10:40,139

nothing about it

219

00:10:37,519 --> 00:10:42,720

more believes that it's not the aliens

220

00:10:40,139 --> 00:10:45,840

but John Lear who's run amok and he's

221

00:10:42,720 --> 00:10:47,660

outraged by his stories war himself has

222

00:10:45,840 --> 00:10:50,759

spent years carefully and meticulously

223

00:10:47,659 --> 00:10:53,279

researching the UFO phenomena proving he

224

00:10:50,759 --> 00:10:55,110

believes that UFOs exist visit earth

225

00:10:53,279 --> 00:10:57,360

regularly and our government knows about

226

00:10:55,110 --> 00:11:00,090

it and for unknown reasons is

227

00:10:57,360 --> 00:11:02,610

maintaining a massive cover-up stories

228

00:11:00,090 --> 00:11:04,950

like Lear's he says only discredit the

229  
00:11:02,610 --> 00:11:07,950  
truth John Berger called me up one time

230  
00:11:04,950 --> 00:11:10,320  
and was absolutely certain that he was

231  
00:11:07,950 --> 00:11:13,560  
about to be captured and eaten by aliens

232  
00:11:10,320 --> 00:11:15,900  
all I can say is my sources go right to

233  
00:11:13,559 --> 00:11:18,269  
the very top and if it were not true I

234  
00:11:15,899 --> 00:11:20,519  
would not be risking my credibility and

235  
00:11:18,269 --> 00:11:22,919  
my life and him to come forward with

236  
00:11:20,519 --> 00:11:25,049  
this information there is no doubt that

237  
00:11:22,919 --> 00:11:27,240  
leer understands the inner workings of

238  
00:11:25,049 --> 00:11:29,309  
the US intelligence community he's the

239  
00:11:27,240 --> 00:11:31,769  
son of late aerospace pioneer bill Lear

240  
00:11:29,309 --> 00:11:35,219  
and four years flew covert missions over

241  
00:11:31,769 --> 00:11:39,029  
Laos for the CIA he has done nothing but

242  
00:11:35,220 --> 00:11:41,070  
collect the most outrageous rumor mill

243  
00:11:39,029 --> 00:11:44,519  
stories that are floating around on the

244  
00:11:41,070 --> 00:11:47,160  
grapevine bill Moore is one of the most

245  
00:11:44,519 --> 00:11:50,189  
hard-working incredible people in this

246  
00:11:47,159 --> 00:11:52,049  
UFO field he has probably done more to

247  
00:11:50,190 --> 00:11:55,140  
expose the cover-up than any other

248  
00:11:52,049 --> 00:11:56,759  
single individual but says leer Moore

249  
00:11:55,139 --> 00:11:59,309  
may be working with the government and

250  
00:11:56,759 --> 00:12:02,549  
only exposing parts of the truth parts

251  
00:11:59,309 --> 00:12:05,959  
aim to mislead the truth seekers all of

252  
00:12:02,549 --> 00:12:05,959  
which is totally false

253  
00:12:09,649 --> 00:12:15,740  
alien invaders government agents secret

254  
00:12:12,470 --> 00:12:18,649  
informants hoaxes or scams a cover-up

255  
00:12:15,740 --> 00:12:21,139  
like no other is this science fiction at

256  
00:12:18,649 --> 00:12:24,289  
its finest or reality beyond our wildest

257

00:12:21,139 --> 00:12:26,240  
imagination has John Lear stepped off

258  
00:12:24,289 --> 00:12:28,879  
the deep end it's not important that you

259  
00:12:26,240 --> 00:12:31,459  
believe this now but to follow it away

260  
00:12:28,879 --> 00:12:33,980  
for future reference in a month a year

261  
00:12:31,458 --> 00:12:35,928  
maybe two years you look back on this

262  
00:12:33,980 --> 00:12:38,688  
when the truth finally gets out and

263  
00:12:35,928 --> 00:12:40,928  
you'll say my gosh this son of a gun was

264  
00:12:38,688 --> 00:12:40,928  
right

265  
00:12:47,720 --> 00:12:52,950  
some startling information posed by

266  
00:12:50,519 --> 00:12:54,779  
top-level researchers the difference

267  
00:12:52,950 --> 00:12:57,230  
being that bill Moore the man with the

268  
00:12:54,779 --> 00:12:58,919  
beard you saw has admitted to

269  
00:12:57,230 --> 00:13:00,810  
participating in a government

270  
00:12:58,919 --> 00:13:03,569  
disinformation campaign to throw

271  
00:13:00,809 --> 00:13:05,399

researchers like John Lear off the trail

272

00:13:03,570 --> 00:13:08,820

and we found it kind of interesting in

273

00:13:05,399 --> 00:13:11,120

our research if UFOs don't exist then

274

00:13:08,820 --> 00:13:14,820

why is the government participating in

275

00:13:11,120 --> 00:13:16,649

disinformation about UFOs you might even

276

00:13:14,820 --> 00:13:18,900

ask how does a man with John there's

277

00:13:16,649 --> 00:13:21,449

background and prominence become so

278

00:13:18,899 --> 00:13:23,579

actively involved in UFO investigations

279

00:13:21,450 --> 00:13:25,650

we find out during an interview with

280

00:13:23,580 --> 00:13:29,610

award-winning broadcast journalist

281

00:13:25,649 --> 00:13:33,120

George Knapp of klas TV in Las Vegas

282

00:13:29,610 --> 00:13:35,009

three years ago when I had a friend of

283

00:13:33,120 --> 00:13:37,169

mine come to Nellis Air Force Base who I

284

00:13:35,009 --> 00:13:39,419

had flown with in Laos I flew for a

285

00:13:37,169 --> 00:13:45,079

private company over there and he flew

286  
00:13:39,419 --> 00:13:47,219  
for the ambassador he was a raven and

287  
00:13:45,080 --> 00:13:48,780  
really knew him very well he came

288  
00:13:47,220 --> 00:13:51,450  
through here about three years ago and

289  
00:13:48,779 --> 00:13:53,789  
in the process of asking him where all

290  
00:13:51,450 --> 00:13:55,770  
he had been in the past few years he

291  
00:13:53,789 --> 00:13:57,599  
mentioned he was at Bentwaters and met

292  
00:13:55,769 --> 00:13:59,970  
Watters was of course the site of a very

293  
00:13:57,600 --> 00:14:02,700  
famous flying saucer landing in 1980 and

294  
00:13:59,970 --> 00:14:04,350  
I said oh well that's that's supposedly

295  
00:14:02,700 --> 00:14:07,830  
where that flying saucer landed and he

296  
00:14:04,350 --> 00:14:09,300  
said no John not supposedly it did I

297  
00:14:07,830 --> 00:14:10,980  
didn't see it because I was confined to

298  
00:14:09,299 --> 00:14:13,169  
quarters but I will give you the names

299  
00:14:10,980 --> 00:14:15,240  
of the guys who did and gave me general

300  
00:14:13,169 --> 00:14:17,459  
Gordon Williams Colonel chuck called

301  
00:14:15,240 --> 00:14:19,139  
major ted conrad he said if you ever

302  
00:14:17,460 --> 00:14:21,000  
seen these guys they'll tell you and I

303  
00:14:19,139 --> 00:14:23,429  
said you mean all this stuff is true

304  
00:14:21,000 --> 00:14:25,350  
there are aliens and flying saucers and

305  
00:14:23,429 --> 00:14:27,269  
he said I hope to tell you so that's

306  
00:14:25,350 --> 00:14:30,090  
when I set out on this thing to find out

307  
00:14:27,269 --> 00:14:32,279  
what the bottom line was and so what

308  
00:14:30,090 --> 00:14:34,350  
I've been talking to you about over the

309  
00:14:32,279 --> 00:14:36,600  
past couple of years is what I keep

310  
00:14:34,350 --> 00:14:39,389  
finding out and we're getting closer and

311  
00:14:36,600 --> 00:14:41,220  
closer to the truth Lear is not the only

312  
00:14:39,389 --> 00:14:43,319  
one formerly with the government

313  
00:14:41,220 --> 00:14:45,540  
intelligence community but no Cooper a

314

00:14:43,320 --> 00:14:48,480  
former Navy man describes the incident

315  
00:14:45,539 --> 00:14:50,939  
that turned him on to UFO research

316  
00:14:48,480 --> 00:14:54,180  
during a subsequent interview with Knapp

317  
00:14:50,940 --> 00:14:57,240  
and Lear in the Navy

318  
00:14:54,179 --> 00:15:00,539  
had an occasion to actually see what

319  
00:14:57,240 --> 00:15:02,339  
they call a UFO this was certainly not

320  
00:15:00,539 --> 00:15:04,019  
unidentified the only thing that I could

321  
00:15:02,339 --> 00:15:06,180  
tell about it that was unidentified is

322  
00:15:04,019 --> 00:15:07,710  
we didn't know who was flying it I was

323  
00:15:06,179 --> 00:15:10,469  
on a submarine on the surface between

324  
00:15:07,710 --> 00:15:12,600  
Pearl Harbor and the Portland Oregon

325  
00:15:10,470 --> 00:15:13,830  
Seattle Washington area what it looked

326  
00:15:12,600 --> 00:15:18,509  
like what did you see

327  
00:15:13,830 --> 00:15:21,270  
it was a huge absolutely without a doubt

328  
00:15:18,509 --> 00:15:23,730

metal machine which had been built by

329

00:15:21,269 --> 00:15:24,269

someone somewhere came up out of the

330

00:15:23,730 --> 00:15:26,700

water

331

00:15:24,269 --> 00:15:29,208

tumbled end-over-end and went up into

332

00:15:26,700 --> 00:15:31,560

the clouds was low cloud cover that day

333

00:15:29,208 --> 00:15:33,838

there were three personnel on the

334

00:15:31,559 --> 00:15:35,549

conning tower myself the starboard

335

00:15:33,839 --> 00:15:38,100

lookout and the officer the deck his

336

00:15:35,549 --> 00:15:40,109

name was in sand ball y'all saw all saw

337

00:15:38,100 --> 00:15:41,550

it captain was called to the bridge he

338

00:15:40,110 --> 00:15:42,570

came up followed by the chief

339

00:15:41,549 --> 00:15:45,899

quartermaster who brought a

340

00:15:42,570 --> 00:15:47,310

35-millimeter camera the craft or

341

00:15:45,899 --> 00:15:49,110

another craft that looked exactly like

342

00:15:47,309 --> 00:15:51,599

it came back down out of the clouds

343  
00:15:49,110 --> 00:15:53,610  
again tumbling end over end went into

344  
00:15:51,600 --> 00:15:56,730  
the water and the whole thing was

345  
00:15:53,610 --> 00:15:59,039  
incredible I was absolutely stunned but

346  
00:15:56,730 --> 00:16:01,200  
it was obvious that it was metal it was

347  
00:15:59,039 --> 00:16:05,399  
a machine it did not glow like the

348  
00:16:01,200 --> 00:16:09,300  
normal accounts of meteors or something

349  
00:16:05,399 --> 00:16:12,778  
I know and pictures were taken when we

350  
00:16:09,299 --> 00:16:15,569  
arrived back in port we were debriefed

351  
00:16:12,778 --> 00:16:19,379  
by office of naval intelligence officer

352  
00:16:15,570 --> 00:16:21,150  
who basically the gist of the debriefing

353  
00:16:19,379 --> 00:16:22,230  
was is you didn't see anything and

354  
00:16:21,149 --> 00:16:23,490  
you're not going to talk about anything

355  
00:16:22,230 --> 00:16:26,759  
and if you do you're gonna be in deep

356  
00:16:23,490 --> 00:16:29,009  
trouble so that was the end of that now

357  
00:16:26,759 --> 00:16:31,049  
both Liron Cooper are now conducting

358  
00:16:29,009 --> 00:16:33,120  
their research in the open exposing

359  
00:16:31,049 --> 00:16:36,000  
themselves to whatever consequences may

360  
00:16:33,120 --> 00:16:38,190  
come their way here in our studio we

361  
00:16:36,000 --> 00:16:39,120  
have a guest who for many reasons can't

362  
00:16:38,190 --> 00:16:42,180  
be identified

363  
00:16:39,120 --> 00:16:45,360  
we'll call him by his pen name Richard K

364  
00:16:42,179 --> 00:16:47,609  
Wilson he has compiled an extensive

365  
00:16:45,360 --> 00:16:49,649  
collection of research material and is

366  
00:16:47,610 --> 00:16:52,528  
the author of the book the secret treaty

367  
00:16:49,649 --> 00:16:55,110  
now mr. Wilson how did you get started

368  
00:16:52,528 --> 00:16:59,399  
in this research it happened about 20

369  
00:16:55,110 --> 00:17:04,220  
years ago I began notice the the

370  
00:16:59,399 --> 00:17:04,220  
presence of of disks

371

00:17:05,490 --> 00:17:11,189  
start talking to some intelligence

372  
00:17:07,769 --> 00:17:14,519  
people looking at documents that came by

373  
00:17:11,189 --> 00:17:17,040  
and I started I cover together a lot a

374  
00:17:14,519 --> 00:17:20,609  
bunch of other people quite a lot of

375  
00:17:17,039 --> 00:17:24,990  
data regarding what appeared to be quite

376  
00:17:20,609 --> 00:17:30,750  
a large cover-up mr. Wilson I have four

377  
00:17:24,990 --> 00:17:33,390  
pages of different names codes starting

378  
00:17:30,750 --> 00:17:35,579  
with majestic and for other various

379  
00:17:33,390 --> 00:17:37,440  
pages that go on from there could you

380  
00:17:35,579 --> 00:17:39,569  
give us the chronological order of how

381  
00:17:37,440 --> 00:17:42,090  
some of these agencies one became the

382  
00:17:39,569 --> 00:17:45,359  
other perhaps or what exactly some of

383  
00:17:42,089 --> 00:17:49,970  
their meanings may be the 1947 why the

384  
00:17:45,359 --> 00:17:54,089  
Roswell crash happened the United States

385  
00:17:49,970 --> 00:17:55,650

put together a group of people to go and

386

00:17:54,089 --> 00:17:57,329

look into this they weren't sure whether

387

00:17:55,650 --> 00:18:00,450

they came from the Germans or they came

388

00:17:57,329 --> 00:18:03,329

from the Soviets were they suspect that

389

00:18:00,450 --> 00:18:05,970

some additional technology was being

390

00:18:03,329 --> 00:18:07,439

developed after the war during the war

391

00:18:05,970 --> 00:18:09,860

the United States and the Soviets as

392

00:18:07,440 --> 00:18:13,710

well as the Canadians acquired disk data

393

00:18:09,859 --> 00:18:16,169

in 1947 there was a specific incident

394

00:18:13,710 --> 00:18:19,789

where the radar at the Four Corners area

395

00:18:16,170 --> 00:18:22,410

in the Midwest took down a desk

396

00:18:19,789 --> 00:18:23,789

thereafter known as the Roswell crash on

397

00:18:22,410 --> 00:18:26,308

that disk

398

00:18:23,789 --> 00:18:28,799

the United States government discovered

399

00:18:26,308 --> 00:18:31,799

both alien bodies of reptilian species

400  
00:18:28,799 --> 00:18:34,919  
and also the bodies of Air Force pilots

401  
00:18:31,799 --> 00:18:39,389  
this in itself besides the technological

402  
00:18:34,920 --> 00:18:43,259  
surprise was enough to keep them in the

403  
00:18:39,390 --> 00:18:45,240  
data secret in September 47 Truman

404  
00:18:43,259 --> 00:18:47,069  
passed the National Security Act in

405  
00:18:45,240 --> 00:18:48,390  
order to hide the activities of the

406  
00:18:47,069 --> 00:18:53,609  
government the Central Intelligence

407  
00:18:48,390 --> 00:18:55,980  
Agency in the alien problem 1948 project

408  
00:18:53,609 --> 00:18:58,669  
sign was established after a top-secret

409  
00:18:55,980 --> 00:19:01,529  
estimate the situation was prepared

410  
00:18:58,670 --> 00:19:04,320  
Daniel white Vandenberg after reviewing

411  
00:19:01,529 --> 00:19:07,670  
the report ordered it destroyed not all

412  
00:19:04,319 --> 00:19:10,649  
copies were destroyed one still survives

413  
00:19:07,670 --> 00:19:14,009  
project sign was designated as project

414  
00:19:10,650 --> 00:19:17,700  
grudge in December 1948 with a public

415  
00:19:14,009 --> 00:19:20,250  
version to be known as Project Blue Book

416  
00:19:17,700 --> 00:19:22,830  
the layers are between project grudge

417  
00:19:20,250 --> 00:19:28,410  
and Project Blue Book was Captain Edward

418  
00:19:22,829 --> 00:19:30,539  
ruppelt 1949 was a time period in which

419  
00:19:28,410 --> 00:19:32,070  
alien crafts were seen hovering over

420  
00:19:30,539 --> 00:19:35,039  
sensitive nuclear installations

421  
00:19:32,069 --> 00:19:38,839  
especially in New Mexico in December

422  
00:19:35,039 --> 00:19:41,279  
1950 they established a unit called IPU

423  
00:19:38,839 --> 00:19:45,119  
interplanetary phenomena unit which

424  
00:19:41,279 --> 00:19:47,789  
established operationally scenarios to

425  
00:19:45,119 --> 00:19:50,969  
be able to deal with the increasing

426  
00:19:47,789 --> 00:19:53,609  
problem of crash disk aliens by this

427  
00:19:50,970 --> 00:19:56,819  
time they had approximately 16 crash

428

00:19:53,609 --> 00:19:59,659  
disks and 65 alien bodies one of which

429  
00:19:56,819 --> 00:20:03,960  
was live and they had held in a facility

430  
00:19:59,660 --> 00:20:06,029  
they termed the alien EBE which means

431  
00:20:03,960 --> 00:20:09,420  
extraterrestrial biological entity a

432  
00:20:06,029 --> 00:20:10,950  
name CryEngine by dr. del F block was

433  
00:20:09,420 --> 00:20:12,060  
also a member of the original study

434  
00:20:10,950 --> 00:20:14,309  
group

435  
00:20:12,059 --> 00:20:16,859  
the government has pursued various and

436  
00:20:14,309 --> 00:20:19,019  
scenarios which are being implemented at

437  
00:20:16,859 --> 00:20:21,659  
this moment to try to acclimate the

438  
00:20:19,019 --> 00:20:24,119  
public toward a lot of these different

439  
00:20:21,660 --> 00:20:27,150  
events that are about to occur just how

440  
00:20:24,119 --> 00:20:27,659  
secret is all of this as Walter Smith in

441  
00:20:27,150 --> 00:20:30,450  
Decatur

442  
00:20:27,660 --> 00:20:32,910

in his letter to dr. Sarah Walker 1950

443

00:20:30,450 --> 00:20:35,490  
this matter is so highly classified

444

00:20:32,910 --> 00:20:36,570  
because of his impact I never would have

445

00:20:35,490 --> 00:20:38,549  
being on this planet

446

00:20:36,569 --> 00:20:41,669  
it's classed by higher than the h-bomb

447

00:20:38,549 --> 00:20:45,119  
was in fact they've developed at least

448

00:20:41,670 --> 00:20:46,920  
32 levels above top-secret into the

449

00:20:45,119 --> 00:20:48,599  
ultra and cue range to deal with

450

00:20:46,920 --> 00:20:51,269  
security as far as the aliens are

451

00:20:48,599 --> 00:20:53,189  
concerned only two presidents have

452

00:20:51,269 --> 00:20:56,089  
complained a complete knowledge of the

453

00:20:53,190 --> 00:20:59,070  
alien program President Eisenhower and

454

00:20:56,089 --> 00:21:00,529  
President Bush because of his

455

00:20:59,069 --> 00:21:04,529  
involvement a Central Intelligence

456

00:21:00,529 --> 00:21:07,349  
Agency John Mayer can corroborate that

457  
00:21:04,529 --> 00:21:10,440  
statement the other thing as I said that

458  
00:21:07,349 --> 00:21:13,919  
President Reagan did not know what was

459  
00:21:10,440 --> 00:21:15,330  
going on and he does to a certain extent

460  
00:21:13,920 --> 00:21:17,730  
but the president of the United States

461  
00:21:15,329 --> 00:21:20,220  
does not have a high enough clearance to

462  
00:21:17,730 --> 00:21:22,500  
know the whole thing and it's

463  
00:21:20,220 --> 00:21:25,100  
interesting to note that above top

464  
00:21:22,500 --> 00:21:26,419  
secret there's 38 levels of clearances

465  
00:21:25,099 --> 00:21:29,000  
now that's hard to buy that the

466  
00:21:26,419 --> 00:21:30,620  
president there somebody's has a higher

467  
00:21:29,000 --> 00:21:32,119  
clearance than the president he's not

468  
00:21:30,619 --> 00:21:34,459  
allowed to know who makes that decision

469  
00:21:32,119 --> 00:21:36,018  
do you think that's hard to buy well you

470  
00:21:34,460 --> 00:21:37,759  
hear the rest of this down maybe who

471  
00:21:36,019 --> 00:21:39,740  
makes that decision though sorry we

472  
00:21:37,759 --> 00:21:42,980  
can't let Ronald Reagan know about this

473  
00:21:39,740 --> 00:21:44,659  
it's a organization called mj-12 it was

474  
00:21:42,980 --> 00:21:47,360  
established by President Truman by

475  
00:21:44,659 --> 00:21:50,450  
executive order in September 24th 1947

476  
00:21:47,359 --> 00:21:53,959  
and when President when Dwight the

477  
00:21:50,450 --> 00:21:55,580  
Eisenhower was elected in 1952 he

478  
00:21:53,960 --> 00:21:59,120  
increased even the security requirements

479  
00:21:55,579 --> 00:22:03,408  
because he was military oriented and the

480  
00:21:59,119 --> 00:22:06,008  
military psyche has a very distinct or

481  
00:22:03,409 --> 00:22:09,559  
elected officials so he's the one that

482  
00:22:06,009 --> 00:22:11,000  
effectively let the reins of power of

483  
00:22:09,558 --> 00:22:13,369  
the executive office slip from the

484  
00:22:11,000 --> 00:22:15,619  
president into the hands of mj-12 who

485

00:22:13,369 --> 00:22:17,808  
runs everything now our research team

486  
00:22:15,619 --> 00:22:21,408  
has amassed a mountain of documents that

487  
00:22:17,808 --> 00:22:24,398  
refer to or expressly describe UFO

488  
00:22:21,409 --> 00:22:26,720  
incidents and encounters Jodee

489  
00:22:24,398 --> 00:22:30,500  
headquarters Air Force Office of Special

490  
00:22:26,720 --> 00:22:33,139  
Investigations September November 1980

491  
00:22:30,500 --> 00:22:35,179  
to whom this is addressed is deleted

492  
00:22:33,138 --> 00:22:38,000  
it's a request for photographic

493  
00:22:35,179 --> 00:22:40,909  
interpretation by again deleted who

494  
00:22:38,000 --> 00:22:43,190  
provided negatives in film the document

495  
00:22:40,909 --> 00:22:46,549  
describes trilateral insignia known to

496  
00:22:43,190 --> 00:22:49,820  
be on alien devices document shows

497  
00:22:46,548 --> 00:22:50,658  
tampering we're NSA was changed to NASA

498  
00:22:49,819 --> 00:22:52,668  
before

499  
00:22:50,659 --> 00:22:55,429

document was released under Freedom of

500

00:22:52,669 --> 00:22:57,889

Information Act document mentions high

501

00:22:55,429 --> 00:23:00,860

frequency beam pulses and implies that

502

00:22:57,888 --> 00:23:03,378

bennewitz was gaining alien data from

503

00:23:00,859 --> 00:23:05,959

these signals now a document we have

504

00:23:03,378 --> 00:23:08,469

here that's a little more colorful than

505

00:23:05,960 --> 00:23:12,200

most records a shooting incident

506

00:23:08,470 --> 00:23:15,048

reported at Ellsworth Air Force Base now

507

00:23:12,200 --> 00:23:18,350

this is an actual official complaint

508

00:23:15,048 --> 00:23:21,470

report from Ellsworth it's filled out by

509

00:23:18,349 --> 00:23:22,908

the guard duty officer helping hand is

510

00:23:21,470 --> 00:23:25,190

one of the code words a security

511

00:23:22,909 --> 00:23:28,879

violation another one covered wagon

512

00:23:25,190 --> 00:23:30,980

security violation a paul d Heinzmann a

513

00:23:28,878 --> 00:23:33,219

sergeant in the US Air Force wings

514  
00:23:30,980 --> 00:23:36,558  
security control the report continues

515  
00:23:33,220 --> 00:23:37,630  
Samuel Lyme security control telephone

516  
00:23:36,558 --> 00:23:40,178  
WSC

517  
00:23:37,630 --> 00:23:44,020  
and reported a nosy alarm activation at

518  
00:23:40,179 --> 00:23:47,230  
19 that lime Sat number one it's all

519  
00:23:44,019 --> 00:23:50,859  
military code but it gets down to the

520  
00:23:47,230 --> 00:23:54,190  
incident was upgraded to a covered wagon

521  
00:23:50,859 --> 00:23:57,009  
per request of captain Stokes the report

522  
00:23:54,190 --> 00:24:00,250  
goes on to say that when these security

523  
00:23:57,009 --> 00:24:03,099  
officers responded to the alarm a beam

524  
00:24:00,250 --> 00:24:05,410  
of light hit his rifle and it

525  
00:24:03,099 --> 00:24:08,859  
disintegrated melted burned his hands

526  
00:24:05,410 --> 00:24:11,679  
they fired at aliens as it says in the

527  
00:24:08,859 --> 00:24:14,798  
report another beam of light according

528  
00:24:11,679 --> 00:24:17,679  
to this the the two sailors or soldiers

529  
00:24:14,798 --> 00:24:20,079  
involved were so terrified they called

530  
00:24:17,679 --> 00:24:21,850  
for more help not much question as to

531  
00:24:20,079 --> 00:24:24,099  
what happened as far as these guards

532  
00:24:21,849 --> 00:24:26,459  
were concerned but now let's take a look

533  
00:24:24,099 --> 00:24:29,259  
and have Jodi read the follow-up report

534  
00:24:26,460 --> 00:24:31,360  
yes to this document indeed is just as

535  
00:24:29,259 --> 00:24:33,819  
interesting as the one you just read it

536  
00:24:31,359 --> 00:24:36,158  
is however the second part to that it

537  
00:24:33,819 --> 00:24:38,168  
does however have deletion of name to

538  
00:24:36,159 --> 00:24:39,580  
whom it was addressed nor there is there

539  
00:24:38,169 --> 00:24:43,240  
any signature upon it

540  
00:24:39,579 --> 00:24:45,759  
Raik the soldier in question aimed his

541  
00:24:43,240 --> 00:24:48,220  
m16 rifle at the intruder and ordered

542

00:24:45,759 --> 00:24:50,890  
him to stop the intruder turned towards

543  
00:24:48,220 --> 00:24:52,990  
rake and aimed an object at rake which

544  
00:24:50,890 --> 00:24:56,020  
emitted a bright flash of intense light

545  
00:24:52,990 --> 00:24:58,298  
the flash of light struck rakes m16

546  
00:24:56,019 --> 00:25:00,339  
rifle disintegrating the weapon and

547  
00:24:58,298 --> 00:25:03,038  
causing second and third degree burns to

548  
00:25:00,339 --> 00:25:05,678  
rakes hands rake immediately took cover

549  
00:25:03,038 --> 00:25:08,829  
and concealment and radioed the

550  
00:25:05,679 --> 00:25:13,080  
situation to Jenkins who in turned

551  
00:25:08,829 --> 00:25:15,519  
radioed a 1013 distress to line control

552  
00:25:13,079 --> 00:25:18,009  
Jenkins challenged the two individuals

553  
00:25:15,519 --> 00:25:20,019  
the two additional a lien individuals

554  
00:25:18,009 --> 00:25:22,419  
apparently but they also refused to stop

555  
00:25:20,019 --> 00:25:25,359  
Jenkins aimed and fired two rounds from

556  
00:25:22,419 --> 00:25:27,460

his m16 rifle as well one bullet struck

557

00:25:25,359 --> 00:25:29,649

one intruder in the back and one bullet

558

00:25:27,460 --> 00:25:31,538

struck one intruder in the Helmand both

559

00:25:29,650 --> 00:25:34,090

intruders fell to the ground however

560

00:25:31,538 --> 00:25:35,859

approximately 15 seconds later both

561

00:25:34,089 --> 00:25:38,349

returned to an upright position and

562

00:25:35,859 --> 00:25:40,899

fired the same flashes of light at

563

00:25:38,349 --> 00:25:43,269

Jenkins Jenkins took cover and the light

564

00:25:40,900 --> 00:25:47,259

missed Jenkins now the report goes on to

565

00:25:43,269 --> 00:25:50,829

finish and say additional information

566

00:25:47,259 --> 00:25:53,440

rake was treated at the base hospital

567

00:25:50,829 --> 00:25:56,769

a captain named who I cannot make out

568

00:25:53,440 --> 00:26:01,660

for second and third-degree radiation

569

00:25:56,769 --> 00:26:05,079

burns to each hand rake was airvac to an

570

00:26:01,660 --> 00:26:08,620

unspecified location and rakes m16 rifle

571  
00:26:05,079 --> 00:26:10,329  
could not be located at the site and

572  
00:26:08,619 --> 00:26:13,509  
like many of the documents that we

573  
00:26:10,329 --> 00:26:15,669  
unearthed in our research this document

574  
00:26:13,509 --> 00:26:17,440  
shows that people were sent different

575  
00:26:15,670 --> 00:26:19,600  
places so that they can't correlate

576  
00:26:17,440 --> 00:26:21,580  
their stories and Jodie something that

577  
00:26:19,599 --> 00:26:24,730  
keeps coming up and is of real interest

578  
00:26:21,579 --> 00:26:27,129  
is the reoccurring reference to mj-12

579  
00:26:24,730 --> 00:26:29,230  
and all of these documents we get it's

580  
00:26:27,130 --> 00:26:30,910  
mentioned in the Truman documents it's

581  
00:26:29,230 --> 00:26:32,650  
mentioned throughout the documents that

582  
00:26:30,910 --> 00:26:34,980  
we've researched I would like to ask our

583  
00:26:32,650 --> 00:26:39,340  
guest mr. Wilson a few questions about

584  
00:26:34,980 --> 00:26:43,680  
these mj-12 documents no mr. Wilson how

585  
00:26:39,339 --> 00:26:48,939  
secret is this mj-12 the mj-12

586  
00:26:43,680 --> 00:26:52,480  
organization itself is the group of

587  
00:26:48,940 --> 00:26:56,590  
people that are actually the top 12 of a

588  
00:26:52,480 --> 00:26:59,799  
group of 32 individuals in a group known

589  
00:26:56,589 --> 00:27:04,329  
as the Jason control group started in

590  
00:26:59,799 --> 00:27:08,769  
the late 50s as a measure to take away

591  
00:27:04,329 --> 00:27:10,449  
the alien problem procedure away from

592  
00:27:08,769 --> 00:27:12,940  
governments and take it outside the

593  
00:27:10,450 --> 00:27:15,309  
hands of government meanwhile our

594  
00:27:12,940 --> 00:27:18,519  
document trail appears to lead to a

595  
00:27:15,309 --> 00:27:20,349  
large-scale government cover-up yes and

596  
00:27:18,519 --> 00:27:23,079  
as an example here is another shooting

597  
00:27:20,349 --> 00:27:25,990  
incident report Department of the Air

598  
00:27:23,079 --> 00:27:28,839  
Force the security police squadron in

599

00:27:25,990 --> 00:27:31,359  
night January of 1978 I was stationed at

600  
00:27:28,839 --> 00:27:33,639  
McGuire Air Force Base New Jersey one

601  
00:27:31,359 --> 00:27:36,250  
evening during the timeframe of Oh 300

602  
00:27:33,640 --> 00:27:38,560  
hours and Oh 500 hours there was a

603  
00:27:36,250 --> 00:27:41,980  
number of UFO sightings in the area over

604  
00:27:38,559 --> 00:27:43,750  
the airfield and Fort Dix army camp I am

605  
00:27:41,980 --> 00:27:46,420  
a security policeman and was on routine

606  
00:27:43,750 --> 00:27:48,730  
patrol at the time New Jersey State

607  
00:27:46,420 --> 00:27:50,890  
Police and Fort Dix MPs were running

608  
00:27:48,730 --> 00:27:53,410  
code in the direction of Brownsville New

609  
00:27:50,890 --> 00:27:55,210  
Jersey a state trooper then entered gate

610  
00:27:53,410 --> 00:27:58,180  
five at the rear of the base requesting

611  
00:27:55,210 --> 00:27:59,860  
assistance and permission to enter I was

612  
00:27:58,180 --> 00:28:02,440  
dispatched in the trooper wanted access

613  
00:27:59,859 --> 00:28:04,059

to the runway area which led to the very

614

00:28:02,440 --> 00:28:06,490  
back of the airfield

615

00:28:04,059 --> 00:28:08,950  
with a heavily wooded area which is part

616

00:28:06,490 --> 00:28:11,680  
of the Dix training area he informed me

617

00:28:08,950 --> 00:28:13,840  
that a Fort Dix MP was pursuing a

618

00:28:11,680 --> 00:28:16,330  
low-flying object which then hovered

619

00:28:13,839 --> 00:28:18,819  
over his car he described it as an

620

00:28:16,329 --> 00:28:21,639  
oval-shaped with no details and glowing

621

00:28:18,819 --> 00:28:24,609  
with a bluish green color his radio

622

00:28:21,640 --> 00:28:26,530  
transmission was cut off at that time in

623

00:28:24,609 --> 00:28:30,429  
front of his police car appeared a thing

624

00:28:26,529 --> 00:28:33,730  
about four feet tall grayish brown fat

625

00:28:30,430 --> 00:28:36,340  
head long arms and slender body the MP

626

00:28:33,730 --> 00:28:39,220  
panicked and fired five rounds from his

627

00:28:36,339 --> 00:28:41,709  
45 caliber into the thing and one round

628  
00:28:39,220 --> 00:28:43,690  
into the object above the object then

629  
00:28:41,710 --> 00:28:46,900  
fled straight up and joined with eleven

630  
00:28:43,690 --> 00:28:49,620  
others high in the sky this we all saw

631  
00:28:46,900 --> 00:28:51,820  
but didn't know the details at the time

632  
00:28:49,619 --> 00:28:53,979  
anyway the thing ran into the woods

633  
00:28:51,819 --> 00:28:56,019  
towards our fence line and they wanted

634  
00:28:53,980 --> 00:28:59,410  
to look for it by this time several

635  
00:28:56,019 --> 00:29:01,960  
several patrols were involved we found

636  
00:28:59,410 --> 00:29:03,790  
the body of the thing near the runway it

637  
00:29:01,960 --> 00:29:08,049  
had apparently climbed the fence and

638  
00:29:03,789 --> 00:29:09,609  
died while running absolutely incredible

639  
00:29:08,049 --> 00:29:12,220  
official documents and here's another

640  
00:29:09,609 --> 00:29:20,049  
official document that makes reference

641  
00:29:12,220 --> 00:29:22,960  
to OSI CR 44 local authorities mj-12 FBI

642  
00:29:20,049 --> 00:29:27,210  
and emergency medical reaction teams

643  
00:29:22,960 --> 00:29:31,299  
this document describes the office mj-12

644  
00:29:27,210 --> 00:29:33,759  
44 and in the document it says no media

645  
00:29:31,299 --> 00:29:36,609  
exposure no media exposure send

646  
00:29:33,759 --> 00:29:38,950  
emergency react teams once again another

647  
00:29:36,609 --> 00:29:41,079  
reference to mj-12 that's that

648  
00:29:38,950 --> 00:29:45,100  
government organization that supposedly

649  
00:29:41,079 --> 00:29:46,869  
does not exist too recently in a Gulf

650  
00:29:45,099 --> 00:29:49,449  
Breeze Florida there was an incident

651  
00:29:46,869 --> 00:29:52,989  
that a hundred and thirty two folks say

652  
00:29:49,450 --> 00:29:55,509  
most certainly existed right you are

653  
00:29:52,990 --> 00:29:57,640  
even a television station was involved

654  
00:29:55,509 --> 00:30:00,670  
in analyzing the pictures and videos

655  
00:29:57,640 --> 00:30:03,120  
taken of this UFO sighting here is their

656

00:30:00,670 --> 00:30:03,120  
report

657  
00:30:10,690 --> 00:30:15,200  
things were very normal around the house

658  
00:30:12,950 --> 00:30:17,569  
just a normal evening no I've said she's

659  
00:30:15,200 --> 00:30:19,400  
got a run to the store anyway I'm

660  
00:30:17,569 --> 00:30:22,220  
sitting at my desk out the window I

661  
00:30:19,400 --> 00:30:24,470  
noticed something a glow I got up and

662  
00:30:22,220 --> 00:30:26,240  
walked around outside looked it just

663  
00:30:24,470 --> 00:30:28,880  
didn't look like a helicopter or an

664  
00:30:26,240 --> 00:30:30,200  
airplane I realized that it was not

665  
00:30:28,880 --> 00:30:32,960  
something normal

666  
00:30:30,200 --> 00:30:35,120  
I thought of calling the police and I

667  
00:30:32,960 --> 00:30:38,929  
said well I better take a picture first

668  
00:30:35,119 --> 00:30:41,089  
I had no feelings I was going to be you

669  
00:30:38,929 --> 00:30:43,220  
know hurt or anything I took four shots

670  
00:30:41,089 --> 00:30:45,889

and ran out of film and again in my mind

671

00:30:43,220 --> 00:30:47,600

take some more pictures I ran back in

672

00:30:45,890 --> 00:30:49,610

took the last package of Polaroid film

673

00:30:47,599 --> 00:30:51,319

out opened up and crammed it in there

674

00:30:49,609 --> 00:30:54,019

cuz the things flying around out there

675

00:30:51,319 --> 00:30:56,808

you know I mean get it quick it either

676

00:30:54,019 --> 00:30:58,940

saw me or whatever because it started

677

00:30:56,808 --> 00:31:01,940

coming it altered its course it started

678

00:30:58,940 --> 00:31:04,880

coming my direction that was November 11

679

00:31:01,940 --> 00:31:07,220

1987 about 6 o'clock in the evening a

680

00:31:04,880 --> 00:31:08,750

Gulf Breeze resident who insists on

681

00:31:07,220 --> 00:31:11,329

remaining anonymous took these

682

00:31:08,750 --> 00:31:13,519

photographs charlie indoors Somerby

683

00:31:11,329 --> 00:31:17,960

say they saw the same thing that night

684

00:31:13,519 --> 00:31:24,408

over East Bay and suddenly Dory said

685  
00:31:17,960 --> 00:31:26,538  
look that's a jolly happy bad report

686  
00:31:24,409 --> 00:31:29,149  
holes we saw a portal light coming out

687  
00:31:26,538 --> 00:31:33,339  
of the portholes and over the next three

688  
00:31:29,148 --> 00:31:33,339  
months many more pictures would be taken

689  
00:31:35,769 --> 00:31:39,339  
by different people

690  
00:31:42,519 --> 00:31:51,980  
and videotapes too and I feel there's

691  
00:31:50,299 --> 00:31:54,700  
absolutely no sign of a hoax

692  
00:31:51,980 --> 00:31:57,049  
let the photographs of genuine recipe

693  
00:31:54,700 --> 00:31:59,930  
witnesses are telling the truth and that

694  
00:31:57,049 --> 00:32:01,339  
this presents probably the best without

695  
00:31:59,930 --> 00:32:07,120  
any doubt the best photographic evidence

696  
00:32:01,339 --> 00:32:07,119  
in in 40 years of UFO investigation

697  
00:32:11,450 --> 00:32:16,919  
and interestingly enough all of this

698  
00:32:14,970 --> 00:32:18,509  
information was presented to the Air

699  
00:32:16,919 --> 00:32:20,700  
Force the Air Force said they weren't

700  
00:32:18,509 --> 00:32:23,400  
particularly interested in any of it

701  
00:32:20,700 --> 00:32:25,528  
until such time as the TV station picked

702  
00:32:23,400 --> 00:32:28,320  
it up and ran it on the air then the Air

703  
00:32:25,528 --> 00:32:29,700  
Force became very interested contacted

704  
00:32:28,319 --> 00:32:32,399  
all the people involved and tried to

705  
00:32:29,700 --> 00:32:34,830  
confiscate all of the film all of the

706  
00:32:32,400 --> 00:32:36,538  
information when later contacted the Air

707  
00:32:34,829 --> 00:32:39,210  
Force said what sighting what are you

708  
00:32:36,538 --> 00:32:40,829  
talking about of course true that is not

709  
00:32:39,210 --> 00:32:43,079  
the only occasion for that kind of

710  
00:32:40,829 --> 00:32:45,538  
government response there was an

711  
00:32:43,079 --> 00:32:47,609  
incident which is too lengthy for us to

712  
00:32:45,538 --> 00:32:50,788  
read in its entirety happened in England

713

00:32:47,609 --> 00:32:53,759  
in 1980 eleven years after the Air Force

714  
00:32:50,788 --> 00:32:57,179  
claims that they had no longer had any

715  
00:32:53,759 --> 00:32:58,769  
interest or investigation in UFOs this

716  
00:32:57,179 --> 00:33:01,980  
report is from the deputy base commander

717  
00:32:58,769 --> 00:33:04,019  
who was both present and has a tape

718  
00:33:01,980 --> 00:33:06,269  
recording of the incident it happened

719  
00:33:04,019 --> 00:33:09,329  
over for period a period of four nights

720  
00:33:06,269 --> 00:33:11,668  
and this is how it reads early in the

721  
00:33:09,329 --> 00:33:14,278  
morning of December 27th approximately

722  
00:33:11,669 --> 00:33:16,440  
300 hours to US Air Force security

723  
00:33:14,278 --> 00:33:19,079  
police patrolmen saw unusual lights

724  
00:33:16,440 --> 00:33:21,000  
outside the back gate at RAF Woodbridge

725  
00:33:19,079 --> 00:33:23,250  
thinking an aircraft might have crashed

726  
00:33:21,000 --> 00:33:24,960  
or have been forced down they call for

727  
00:33:23,250 --> 00:33:27,390

permission to go outside the gate to

728

00:33:24,960 --> 00:33:29,399

investigate the on-duty flight chief

729

00:33:27,390 --> 00:33:31,950

responded and allowed three patrolmen to

730

00:33:29,398 --> 00:33:33,778

proceed on foot the individuals reported

731

00:33:31,950 --> 00:33:36,000

seeing a strange glowing object in the

732

00:33:33,778 --> 00:33:38,788

forest the object was described as being

733

00:33:36,000 --> 00:33:41,099

metallic in appearance and triangular in

734

00:33:38,788 --> 00:33:43,589

shape approximately two to three meters

735

00:33:41,099 --> 00:33:46,349

across the base and approximately two

736

00:33:43,589 --> 00:33:48,869

meters high it illuminated the entire

737

00:33:46,349 --> 00:33:51,898

forest with a white light the object

738

00:33:48,869 --> 00:33:55,109

itself has a pulsating red light on top

739

00:33:51,898 --> 00:33:58,769

and back and blue lights underneath it

740

00:33:55,109 --> 00:34:01,500

the object was hovering on or legs as

741

00:33:58,769 --> 00:34:02,970

the police approached the object it

742  
00:34:01,500 --> 00:34:04,919  
maneuvered through the trees and

743  
00:34:02,970 --> 00:34:07,829  
disappeared the next day three

744  
00:34:04,919 --> 00:34:10,019  
depressions 1 and 1/2 feet deep and 7

745  
00:34:07,829 --> 00:34:11,699  
inches in diameter were found where the

746  
00:34:10,019 --> 00:34:14,460  
object had been sighted on the ground

747  
00:34:11,699 --> 00:34:16,648  
the following night December 29th the

748  
00:34:14,460 --> 00:34:19,918  
area was checked for radiation beta

749  
00:34:16,648 --> 00:34:22,079  
gamma readings point 1 reims were

750  
00:34:19,918 --> 00:34:23,378  
recorded and peak reading in their three

751  
00:34:22,079 --> 00:34:25,480  
depressions and near the

752  
00:34:23,378 --> 00:34:28,509  
the triangle formed by the depressions a

753  
00:34:25,480 --> 00:34:30,369  
nearby tree had moderate readings and on

754  
00:34:28,509 --> 00:34:32,619  
the side of a tree toward the

755  
00:34:30,369 --> 00:34:34,720  
depressions later in the night a red

756  
00:34:32,619 --> 00:34:37,990  
sunlight was seen through the trees

757  
00:34:34,719 --> 00:34:39,939  
again it moved about and pulsated at one

758  
00:34:37,989 --> 00:34:41,888  
point it appeared to throw off glowing

759  
00:34:39,940 --> 00:34:43,778  
particles and then broke into five

760  
00:34:41,889 --> 00:34:46,720  
separate white objects and then

761  
00:34:43,778 --> 00:34:48,579  
disappeared immediately thereafter three

762  
00:34:46,719 --> 00:34:51,459  
star-like objects were noticed in the

763  
00:34:48,579 --> 00:34:53,740  
sky two objects to the north and one to

764  
00:34:51,460 --> 00:34:56,199  
the south all of which were about ten

765  
00:34:53,739 --> 00:34:58,659  
degrees off the horizon the objects

766  
00:34:56,199 --> 00:35:01,179  
moved rapidly in sharp angular movement

767  
00:34:58,659 --> 00:35:03,548  
and displayed red green and blue lights

768  
00:35:01,179 --> 00:35:06,250  
the objects to the north appeared to be

769  
00:35:03,548 --> 00:35:08,710  
elliptical throughout an eight to twelve

770

00:35:06,250 --> 00:35:10,750  
power lens then they turned to full

771  
00:35:08,710 --> 00:35:12,670  
circles the objects to the north

772  
00:35:10,750 --> 00:35:15,250  
remained in the sky for an hour or more

773  
00:35:12,670 --> 00:35:17,170  
the objects to the south remained

774  
00:35:15,250 --> 00:35:19,239  
visible for two to three hours and

775  
00:35:17,170 --> 00:35:22,000  
beamed down a stream of light from time

776  
00:35:19,239 --> 00:35:24,219  
to time numerous individuals including

777  
00:35:22,000 --> 00:35:26,338  
the undersigned witnessed the activities

778  
00:35:24,219 --> 00:35:28,058  
listed in paragraphs two and three

779  
00:35:26,338 --> 00:35:31,058  
Charles L halt

780  
00:35:28,059 --> 00:35:33,309  
Lieutenant Colonel US Air Force deputy

781  
00:35:31,059 --> 00:35:35,650  
base commander and a very interesting

782  
00:35:33,309 --> 00:35:37,869  
sidenote to this is the fact that the US

783  
00:35:35,650 --> 00:35:40,630  
Air Force disavowed that there was any

784  
00:35:37,869 --> 00:35:43,470

information physical evidence tape

785

00:35:40,630 --> 00:35:45,970  
recordings of a report of any kind and

786

00:35:43,469 --> 00:35:48,578  
we bet we have in our possession both

787

00:35:45,969 --> 00:35:50,318  
the tape recording from a news report we

788

00:35:48,579 --> 00:35:53,289  
have transcription of tapes taken

789

00:35:50,318 --> 00:35:56,858  
actually at the scene with deputy base

790

00:35:53,289 --> 00:35:59,769  
commander halt present and three to five

791

00:35:56,858 --> 00:36:01,750  
different witnesses all of whom were at

792

00:35:59,768 --> 00:36:03,669  
the site taking the readings and the

793

00:36:01,750 --> 00:36:06,759  
photographs that the US Air Force

794

00:36:03,670 --> 00:36:08,710  
claimed do not exist Thank You Jody

795

00:36:06,759 --> 00:36:11,349  
that's another instance where the Air

796

00:36:08,710 --> 00:36:13,838  
Force denies denies denies and

797

00:36:11,349 --> 00:36:15,759  
discredits people who come up with

798

00:36:13,838 --> 00:36:17,768  
information that's probably one of the

799

00:36:15,759 --> 00:36:21,639

big reasons that people are reluctant to

800

00:36:17,768 --> 00:36:22,750

give information on UFOs alien sightings

801

00:36:21,639 --> 00:36:25,239

anything like that

802

00:36:22,750 --> 00:36:27,489

what we are trying to do is provide a

803

00:36:25,239 --> 00:36:31,000

clearinghouse for all of the information

804

00:36:27,489 --> 00:36:33,909

that is available we want you to send us

805

00:36:31,000 --> 00:36:36,719

any information you may have and we will

806

00:36:33,909 --> 00:36:39,480

tell you how to do that later in

807

00:36:36,719 --> 00:36:41,879

simply 1948 the air force headed up

808

00:36:39,480 --> 00:36:44,159

Operation Blue Book and I'd like right

809

00:36:41,880 --> 00:36:47,599

now to ask mr. Wilson if he could

810

00:36:44,159 --> 00:36:47,598

possibly tell us something about that

811

00:36:49,849 --> 00:36:58,309

disinformation program that evolved

812

00:36:55,019 --> 00:37:01,818

after the United States discovered the

813  
00:36:58,309 --> 00:37:06,559  
airforce officer bodies and with the

814  
00:37:01,818 --> 00:37:09,509  
alien bodies in the Roswell crash the

815  
00:37:06,559 --> 00:37:11,400  
The Grudge part of it they named crush

816  
00:37:09,510 --> 00:37:14,520  
was something that apparently have

817  
00:37:11,400 --> 00:37:16,139  
evolved with general hood Annenberg it

818  
00:37:14,519 --> 00:37:18,480  
was a particularly pleased with that

819  
00:37:16,139 --> 00:37:21,929  
top-secret estimate of the situation

820  
00:37:18,480 --> 00:37:27,179  
which was prepared by project sign in

821  
00:37:21,929 --> 00:37:30,348  
August 1948 and December 48th sign was

822  
00:37:27,179 --> 00:37:32,639  
redesignate it as project grudge

823  
00:37:30,349 --> 00:37:35,910  
primarily because of what's displeasure

824  
00:37:32,639 --> 00:37:38,279  
with a report it wasn't convenient it

825  
00:37:35,909 --> 00:37:41,699  
was a problem and he wanted to have the

826  
00:37:38,280 --> 00:37:46,260  
material stopped so the answer was is to

827

00:37:41,699 --> 00:37:48,989  
create a publicly perceived version of

828  
00:37:46,260 --> 00:37:51,900  
an Air Force project was several

829  
00:37:48,989 --> 00:37:56,098  
officers involved whether being captured

830  
00:37:51,900 --> 00:37:57,568  
Edward group helped in order to give the

831  
00:37:56,099 --> 00:37:59,880  
appearance of the public that the Air

832  
00:37:57,568 --> 00:38:02,730  
Force was looking into the matter and at

833  
00:37:59,880 --> 00:38:05,550  
the end of that to discredit the UFOs

834  
00:38:02,730 --> 00:38:08,250  
and close the project which they

835  
00:38:05,550 --> 00:38:11,280  
apparently told the public that they

836  
00:38:08,250 --> 00:38:14,280  
were going to do in 1969 all during this

837  
00:38:11,280 --> 00:38:18,180  
process the top reports really

838  
00:38:14,280 --> 00:38:20,880  
interesting material the really gruesome

839  
00:38:18,179 --> 00:38:23,429  
stuff about some of the abductions and

840  
00:38:20,880 --> 00:38:28,200  
crashes that they were finding was

841  
00:38:23,429 --> 00:38:30,480

bypassed went bypass Project Blue Book

842

00:38:28,199 --> 00:38:32,519  
and went into the secret Central

843

00:38:30,480 --> 00:38:36,300  
Intelligence Agency and national

844

00:38:32,519 --> 00:38:38,849  
security security agency files the Blue

845

00:38:36,300 --> 00:38:41,190  
Book ended up with the unimportant stuff

846

00:38:38,849 --> 00:38:43,890  
off the top which they could easily kind

847

00:38:41,190 --> 00:38:45,240  
of work and explain away that's what

848

00:38:43,889 --> 00:38:48,000  
abalone is another hemispheric

849

00:38:45,239 --> 00:38:49,549  
phenomenon of late it seems there are

850

00:38:48,000 --> 00:38:52,610  
more sightings more

851

00:38:49,550 --> 00:38:55,970  
people saying that they've seen flying

852

00:38:52,610 --> 00:38:57,289  
saucers UFOs it's just kind of snowball

853

00:38:55,969 --> 00:38:59,659  
to the point where they can't keep it

854

00:38:57,289 --> 00:39:02,809  
secret any longer that's right they not

855

00:38:59,659 --> 00:39:06,139  
only can I keep that secret but there

856  
00:39:02,809 --> 00:39:08,719  
are military secrets and government

857  
00:39:06,139 --> 00:39:12,440  
secret seems to be a very fleeting thing

858  
00:39:08,719 --> 00:39:15,159  
and it was once said that were four

859  
00:39:12,440 --> 00:39:18,050  
people gathered together to conspire

860  
00:39:15,159 --> 00:39:21,409  
three are fools and one is a government

861  
00:39:18,050 --> 00:39:27,080  
agent briefly described the cloak of

862  
00:39:21,409 --> 00:39:31,699  
secrecy surrounding the information just

863  
00:39:27,079 --> 00:39:35,239  
coming out of a war in crash and alien

864  
00:39:31,699 --> 00:39:39,349  
beings dead humans and a real big

865  
00:39:35,239 --> 00:39:41,569  
problem an alien craft and alien beings

866  
00:39:39,349 --> 00:39:44,920  
is a big culture shock they are worried

867  
00:39:41,570 --> 00:39:48,860  
about a lot of people going crazy and

868  
00:39:44,920 --> 00:39:51,230  
there was one early test which is one

869  
00:39:48,860 --> 00:39:53,990  
Orson Welles did his war the world's

870  
00:39:51,230 --> 00:39:55,639  
thing as Mars thing on the radio that

871  
00:39:53,989 --> 00:39:58,879  
was he was a ring he was asked to do

872  
00:39:55,639 --> 00:40:01,579  
that by the government so they still

873  
00:39:58,880 --> 00:40:03,860  
felt that that was a common mindset and

874  
00:40:01,579 --> 00:40:06,139  
they they couldn't tell people what was

875  
00:40:03,860 --> 00:40:09,710  
going on it was to know the truth would

876  
00:40:06,139 --> 00:40:11,569  
destroy religions upset economic systems

877  
00:40:09,710 --> 00:40:14,599  
in general they proceeded to cause

878  
00:40:11,570 --> 00:40:16,610  
general havoc about the whole thing

879  
00:40:14,599 --> 00:40:18,349  
borrow their thing doesn't doing now is

880  
00:40:16,610 --> 00:40:19,490  
they're trying to acclimate the public

881  
00:40:18,349 --> 00:40:22,159  
they've been trying to do that for

882  
00:40:19,489 --> 00:40:24,349  
several years I think movies like Ichi

883  
00:40:22,159 --> 00:40:26,239  
and then eventually when they find out

884

00:40:24,349 --> 00:40:29,449  
that they could not stop where

885  
00:40:26,239 --> 00:40:32,469  
apparently was an alien timetable they

886  
00:40:29,449 --> 00:40:35,689  
start coming out with the series v2 plan

887  
00:40:32,469 --> 00:40:37,909  
depicting aliens as reptilians are

888  
00:40:35,690 --> 00:40:39,559  
carnivorous reptiles a lot of these

889  
00:40:37,909 --> 00:40:41,389  
movies detect a little piece of the

890  
00:40:39,559 --> 00:40:44,599  
truth trying to psychologically

891  
00:40:41,389 --> 00:40:48,889  
acclimate the public before events soon

892  
00:40:44,599 --> 00:40:51,529  
to come apparently forced themselves on

893  
00:40:48,889 --> 00:40:54,440  
the American publish the public and the

894  
00:40:51,530 --> 00:40:56,000  
world at large journalist Linda Howe has

895  
00:40:54,440 --> 00:40:58,099  
written the book and produced a

896  
00:40:56,000 --> 00:41:00,409  
documentary film on the subject of

897  
00:40:58,099 --> 00:41:03,559  
mutilations let's take a look at a

898  
00:41:00,409 --> 00:41:05,868

minute or two of what her film disc

899

00:41:03,559 --> 00:41:08,358  
in northeastern Colorado another

900

00:41:05,869 --> 00:41:10,420  
favorite spot for the mutilators Tex

901

00:41:08,358 --> 00:41:13,369  
graves former sheriff of Logan County

902

00:41:10,420 --> 00:41:17,349  
insists the 93 mutilated carcasses he

903

00:41:13,369 --> 00:41:20,588  
investigated were not natural deaths

904

00:41:17,349 --> 00:41:23,410  
the very first time we had was southwest

905

00:41:20,588 --> 00:41:26,650  
of sterling when we first looked at it

906

00:41:23,409 --> 00:41:30,268  
it was just unbelievable that you could

907

00:41:26,650 --> 00:41:33,309  
take an animal and do this too without

908

00:41:30,268 --> 00:41:37,179  
leaving some kind of tract some kind of

909

00:41:33,309 --> 00:41:40,449  
evidence behind such as the cigarette

910

00:41:37,179 --> 00:41:44,198  
butts matches handprints footprints but

911

00:41:40,449 --> 00:41:46,930  
there was nothing the animal looked

912

00:41:44,199 --> 00:41:49,900  
almost horrible and it was something

913  
00:41:46,929 --> 00:41:53,558  
that I didn't really want to believe

914  
00:41:49,900 --> 00:41:55,959  
then and there was we probably had had

915  
00:41:53,559 --> 00:41:58,028  
five or six others before it I really

916  
00:41:55,958 --> 00:42:01,419  
did believe something strange was going

917  
00:41:58,028 --> 00:42:04,659  
on we had one up north where we believe

918  
00:42:01,420 --> 00:42:07,778  
the animal was paralyzed and was alive

919  
00:42:04,659 --> 00:42:11,228  
when it was being mutilated and I and in

920  
00:42:07,778 --> 00:42:13,929  
here the tongue the rectal area was

921  
00:42:11,228 --> 00:42:16,808  
taken out but the animal dug a hole with

922  
00:42:13,929 --> 00:42:21,278  
its head but none of the other parts of

923  
00:42:16,809 --> 00:42:24,430  
the body moved not even their legs he 6

924  
00:42:21,278 --> 00:42:28,389  
north of town on a very hard pasture

925  
00:42:24,429 --> 00:42:31,629  
almost like hard brick we found tripod

926  
00:42:28,389 --> 00:42:33,998  
marks 12 inches of crossed by the tripod

927

00:42:31,630 --> 00:42:36,608

marks were 14 feet apart

928

00:42:33,998 --> 00:42:40,149

we found one set that had gone in the

929

00:42:36,608 --> 00:42:42,400

ground roughly 8 inches and it would

930

00:42:40,150 --> 00:42:45,880

take a good post hole digger on our

931

00:42:42,400 --> 00:42:48,548

shovel to dig in like this it indicated

932

00:42:45,880 --> 00:42:50,380

something very heavy had sat down in

933

00:42:48,548 --> 00:42:53,949

this area yet there was no tracks

934

00:42:50,380 --> 00:42:56,519

leading from it nor to it almost nightly

935

00:42:53,949 --> 00:43:00,369

when this was going on

936

00:42:56,519 --> 00:43:02,889

we could pick out a very brilliant huge

937

00:43:00,369 --> 00:43:05,559

brilliant light in the sky

938

00:43:02,889 --> 00:43:08,589

we had a snooze man take pictures of it

939

00:43:05,559 --> 00:43:11,289

with a very high-powered lens but all we

940

00:43:08,590 --> 00:43:14,970

got out of this was the movement of it

941

00:43:11,289 --> 00:43:18,730  
and the light showing very brilliant

942  
00:43:14,969 --> 00:43:21,609  
several times we observed a no smaller

943  
00:43:18,730 --> 00:43:24,460  
lights come out of this aircraft and

944  
00:43:21,610 --> 00:43:26,550  
then come down toward Earth and when it

945  
00:43:24,460 --> 00:43:30,159  
would move it could move up and down

946  
00:43:26,550 --> 00:43:32,980  
backwards forwards travel very rapidly

947  
00:43:30,159 --> 00:43:35,319  
and after a while these smaller lights

948  
00:43:32,980 --> 00:43:38,800  
would join up with the larger one and

949  
00:43:35,320 --> 00:43:40,570  
then they disappear riservato is the

950  
00:43:38,800 --> 00:43:43,200  
chief investigator for the District

951  
00:43:40,570 --> 00:43:44,740  
Attorney's Office in Trinidad Colorado

952  
00:43:43,199 --> 00:43:48,189  
extraterrestrials are the ones

953  
00:43:44,739 --> 00:43:50,669  
mutilating animals what do you think the

954  
00:43:48,190 --> 00:43:54,519  
implications are then for this planet

955  
00:43:50,670 --> 00:43:56,139

through out the mutilations all of us

956

00:43:54,519 --> 00:43:57,730  
involved and concerned with the

957

00:43:56,139 --> 00:43:59,279  
possibility of the mutilations going

958

00:43:57,730 --> 00:44:02,500  
from animals to human beings

959

00:43:59,280 --> 00:44:05,530  
understandable thank God at this point

960

00:44:02,500 --> 00:44:07,780  
it hasn't happened whatever they're

961

00:44:05,530 --> 00:44:09,580  
doing with the portions of these animals

962

00:44:07,780 --> 00:44:12,190  
they are taking I haven't the slightest

963

00:44:09,579 --> 00:44:15,880  
idea there's a reason for it it's not

964

00:44:12,190 --> 00:44:18,460  
haphazard there's a pattern to it I

965

00:44:15,880 --> 00:44:21,599  
don't know I think it's a wait-and-see

966

00:44:18,460 --> 00:44:24,639  
game what else can we do if we do have

967

00:44:21,599 --> 00:44:26,639  
beings from outer space doing this but

968

00:44:24,639 --> 00:44:31,629  
the capabilities to do things like this

969

00:44:26,639 --> 00:44:37,299  
what can we as a human race do now that

970  
00:44:31,630 --> 00:44:39,250  
is bizarre in looking at this videotape

971  
00:44:37,300 --> 00:44:41,980  
it's amazing

972  
00:44:39,250 --> 00:44:44,409  
those are surgical cuts they're

973  
00:44:41,980 --> 00:44:47,650  
perfectly clean yes you don't see cuts

974  
00:44:44,409 --> 00:44:48,969  
like that at the butcher that's some of

975  
00:44:47,650 --> 00:44:52,780  
the interesting things about the

976  
00:44:48,969 --> 00:44:55,119  
mutilations as well as the photos the

977  
00:44:52,780 --> 00:44:58,420  
video describes is that the incisions

978  
00:44:55,119 --> 00:45:01,000  
are very clean there is no blood it is

979  
00:44:58,420 --> 00:45:03,670  
done in an advanced a surgical procedure

980  
00:45:01,000 --> 00:45:06,159  
and one of the most interesting things

981  
00:45:03,670 --> 00:45:08,289  
is that there is blood drained

982  
00:45:06,159 --> 00:45:10,449  
completely from the animal no

983  
00:45:08,289 --> 00:45:13,059  
sign of blood yet there is no vascular

984  
00:45:10,449 --> 00:45:14,949  
or organ collapse from that something we

985  
00:45:13,059 --> 00:45:16,989  
could not do in our own surgical

986  
00:45:14,949 --> 00:45:19,179  
hospitals yes I know I know you've done

987  
00:45:16,989 --> 00:45:21,039  
an awful lot of research and reading on

988  
00:45:19,179 --> 00:45:23,139  
this subject and I think you've

989  
00:45:21,039 --> 00:45:24,820  
confirmed that the different procedures

990  
00:45:23,139 --> 00:45:27,009  
that were done the vascular system

991  
00:45:24,820 --> 00:45:30,100  
doesn't collapse there's no bleeding the

992  
00:45:27,010 --> 00:45:33,040  
edges of the incisions are symmetrical

993  
00:45:30,099 --> 00:45:34,659  
we don't have the technology to do that

994  
00:45:33,039 --> 00:45:36,519  
even if it were done surgically you know

995  
00:45:34,659 --> 00:45:40,739  
that the instruments with the serrated

996  
00:45:36,519 --> 00:45:43,960  
edges and it's almost as if something as

997  
00:45:40,739 --> 00:45:46,329  
if an apple record it is that simple it

998

00:45:43,960 --> 00:45:47,949  
is that clean and there is not a mess

999  
00:45:46,329 --> 00:45:49,719  
there is not anything that you would

1000  
00:45:47,949 --> 00:45:51,759  
really anticipate to find when you think

1001  
00:45:49,719 --> 00:45:54,069  
of something being butchered this story

1002  
00:45:51,760 --> 00:45:56,050  
reflects the need for more research and

1003  
00:45:54,070 --> 00:45:58,900  
more people to come forward with what

1004  
00:45:56,050 --> 00:46:01,480  
they know Jodie has a special guest in

1005  
00:45:58,900 --> 00:46:04,210  
our studio today the head of UFO

1006  
00:46:01,480 --> 00:46:07,510  
investigations I would like to introduce

1007  
00:46:04,210 --> 00:46:08,860  
mr. Richard Harris president of UFO

1008  
00:46:07,510 --> 00:46:11,020  
investigations Inc

1009  
00:46:08,860 --> 00:46:13,690  
mr. Harris why don't you tell us a

1010  
00:46:11,019 --> 00:46:16,690  
little bit about the organization well

1011  
00:46:13,690 --> 00:46:19,420  
how it started was we had gotten some

1012  
00:46:16,690 --> 00:46:23,289

anonymous information and tips from

1013

00:46:19,420 --> 00:46:26,530

sources that came through myself and our

1014

00:46:23,289 --> 00:46:28,480

legal staff at that point we got us

1015

00:46:26,530 --> 00:46:31,690

interested as you can tell from what

1016

00:46:28,480 --> 00:46:33,880

you've done here and we put an ad in a

1017

00:46:31,690 --> 00:46:34,840

local paper for people to tell us of

1018

00:46:33,880 --> 00:46:37,390

their experience is there any

1019

00:46:34,840 --> 00:46:39,100

information they may have and lo and

1020

00:46:37,389 --> 00:46:41,650

behold what we started getting in with

1021

00:46:39,099 --> 00:46:43,839

some really highly credible governmental

1022

00:46:41,650 --> 00:46:46,930

bodies that were supplying information

1023

00:46:43,840 --> 00:46:48,550

to us anonymous men people in the local

1024

00:46:46,929 --> 00:46:50,909

level they started checking their local

1025

00:46:48,550 --> 00:46:54,039

newspapers and they started checking the

1026

00:46:50,909 --> 00:46:56,469

law enforcement agencies they started

1027  
00:46:54,039 --> 00:46:58,989  
bringing forth information and we've

1028  
00:46:56,469 --> 00:47:00,819  
grown now to a national organization and

1029  
00:46:58,989 --> 00:47:02,559  
hopefully will be international before

1030  
00:47:00,820 --> 00:47:04,120  
long because we can't really stop it we

1031  
00:47:02,559 --> 00:47:07,929  
can't keep up how do you go about

1032  
00:47:04,119 --> 00:47:09,159  
gathering your information a lot of it

1033  
00:47:07,929 --> 00:47:11,469  
comes from the Freedom of Information

1034  
00:47:09,159 --> 00:47:14,980  
Act or the Library of Congress the

1035  
00:47:11,469 --> 00:47:18,079  
National Archives and a lot of it comes

1036  
00:47:14,980 --> 00:47:21,829  
via people such as mr. Wilson

1037  
00:47:18,079 --> 00:47:23,509  
who are highly credible researchers most

1038  
00:47:21,829 --> 00:47:26,029  
of them they're doing for 20 years and

1039  
00:47:23,510 --> 00:47:28,220  
then we get all the way down to the

1040  
00:47:26,030 --> 00:47:29,540  
grassroots level where people are have

1041  
00:47:28,219 --> 00:47:31,989  
actually checked in with local

1042  
00:47:29,539 --> 00:47:35,900  
newspapers their local law enforcement

1043  
00:47:31,989 --> 00:47:38,869  
agencies and we compile it all together

1044  
00:47:35,900 --> 00:47:42,170  
and the locals augment and supplement

1045  
00:47:38,869 --> 00:47:45,469  
the the researchers surprisingly enough

1046  
00:47:42,170 --> 00:47:47,180  
most of the time the the professional

1047  
00:47:45,469 --> 00:47:49,669  
researchers are within the government

1048  
00:47:47,179 --> 00:47:52,519  
body that themselves they will not come

1049  
00:47:49,670 --> 00:47:55,250  
out in the open a funny story lady at

1050  
00:47:52,519 --> 00:47:57,440  
the bank she says I had this UFO

1051  
00:47:55,250 --> 00:48:00,289  
experience everywhere you go everyone

1052  
00:47:57,440 --> 00:48:01,849  
has a UFO experience so she proceeded to

1053  
00:48:00,289 --> 00:48:04,309  
tell me that she had seen a UFO and she

1054  
00:48:01,849 --> 00:48:07,849  
said but don't tell anybody because I

1055

00:48:04,309 --> 00:48:09,199  
work at the bank now we're really

1056  
00:48:07,849 --> 00:48:11,809  
looking to be a clearinghouse for

1057  
00:48:09,199 --> 00:48:13,429  
information there's so much more that's

1058  
00:48:11,809 --> 00:48:16,460  
out there that people can let us know

1059  
00:48:13,429 --> 00:48:18,980  
about if they'll call or write us so if

1060  
00:48:16,460 --> 00:48:21,590  
any of your viewers have information

1061  
00:48:18,980 --> 00:48:24,500  
that as you well know help us all the

1062  
00:48:21,590 --> 00:48:29,090  
time they can send it to 29 29 East

1063  
00:48:24,500 --> 00:48:29,690  
desert in Road number 21 131 Las Vegas

1064  
00:48:29,090 --> 00:48:32,900  
Nevada

1065  
00:48:29,690 --> 00:48:35,869  
8 9 1 2 1 and we can compile it and

1066  
00:48:32,900 --> 00:48:37,910  
we'll get it to the public well thank

1067  
00:48:35,869 --> 00:48:39,589  
you very much mr. Harris and I hope that

1068  
00:48:37,909 --> 00:48:41,569  
the viewers whether it's a story about

1069  
00:48:39,590 --> 00:48:44,180

their own experience or sightings or

1070

00:48:41,570 --> 00:48:46,580

government people or whatever respond

1071

00:48:44,179 --> 00:48:48,559

and I wish you all the best for whatever

1072

00:48:46,579 --> 00:48:50,719

reason the government is used for

1073

00:48:48,559 --> 00:48:52,460

covering up this information you would

1074

00:48:50,719 --> 00:48:54,769

think that over the span of 40-plus

1075

00:48:52,460 --> 00:48:56,780

years they might have tried at one time

1076

00:48:54,769 --> 00:48:57,289

or another to bring this information to

1077

00:48:56,780 --> 00:48:59,360

the public

1078

00:48:57,289 --> 00:49:03,889

John Lear has some thoughts on this

1079

00:48:59,360 --> 00:49:07,190

subject now on April 25th 1964 was the

1080

00:49:03,889 --> 00:49:10,069

first official communication between our

1081

00:49:07,190 --> 00:49:11,720

government in the aliens 3 saucers

1082

00:49:10,070 --> 00:49:14,630

landed there by pre-arranged agreement

1083

00:49:11,719 --> 00:49:17,359

it was filmed by five high-speed cameras

1084  
00:49:14,630 --> 00:49:19,579  
68 thousand feet of film the reason we

1085  
00:49:17,360 --> 00:49:20,539  
know this is because in 1972 when they

1086  
00:49:19,579 --> 00:49:23,710  
were going to release the first

1087  
00:49:20,539 --> 00:49:26,420  
information about UFOs to the public a

1088  
00:49:23,710 --> 00:49:28,610  
very knowledgeable writer whose name was

1089  
00:49:26,420 --> 00:49:31,440  
Robert emanate was asked by the agency

1090  
00:49:28,610 --> 00:49:32,548  
to write a documentary which he did

1091  
00:49:31,440 --> 00:49:34,559  
and they were going to release this

1092  
00:49:32,548 --> 00:49:35,940  
thing and that we had the old history of

1093  
00:49:34,559 --> 00:49:38,880  
the UFOs in the last part of the

1094  
00:49:35,940 --> 00:49:41,608  
documentary was the the footage of the

1095  
00:49:38,880 --> 00:49:42,390  
saucer landing but in 1973 when they're

1096  
00:49:41,608 --> 00:49:44,730  
ready to go

1097  
00:49:42,389 --> 00:49:46,318  
we had Watergate and they were faced

1098  
00:49:44,730 --> 00:49:47,608  
with two problems number one is they

1099  
00:49:46,318 --> 00:49:49,318  
didn't think the public had handled too

1100  
00:49:47,608 --> 00:49:51,480  
traumatic experiences at the same time

1101  
00:49:49,318 --> 00:49:53,909  
and number two they thought that the

1102  
00:49:51,480 --> 00:49:55,980  
public would perceive these this picture

1103  
00:49:53,909 --> 00:49:58,199  
of aliens and spacecraft is a ploy by

1104  
00:49:55,980 --> 00:49:58,889  
Nixon to divert the attention from

1105  
00:49:58,199 --> 00:50:01,078  
Watergate

1106  
00:49:58,889 --> 00:50:03,509  
so they shelved it the documentary

1107  
00:50:01,079 --> 00:50:05,369  
actually came out it was narrated by Rod

1108  
00:50:03,510 --> 00:50:09,329  
Serling but instead of the real footage

1109  
00:50:05,369 --> 00:50:11,430  
they had drawings of these flying saucer

1110  
00:50:09,329 --> 00:50:13,740  
landing and they said Rod Serling says

1111  
00:50:11,429 --> 00:50:15,598  
let's consider an event that could

1112

00:50:13,739 --> 00:50:18,899  
possibly happen the future or may have

1113  
00:50:15,599 --> 00:50:20,910  
already happened it seems almost certain

1114  
00:50:18,900 --> 00:50:23,369  
that if other beings more advanced than

1115  
00:50:20,909 --> 00:50:25,858  
ourselves doing happen other sectors of

1116  
00:50:23,369 --> 00:50:28,200  
the universe then it's quite probable

1117  
00:50:25,858 --> 00:50:31,670  
there will come that day that moment in

1118  
00:50:28,199 --> 00:50:34,019  
time when official contact can be made

1119  
00:50:31,670 --> 00:50:36,510  
let's look at an incident that might

1120  
00:50:34,019 --> 00:50:38,880  
happen in the future or perhaps could

1121  
00:50:36,510 --> 00:50:41,369  
have happened already the premise is

1122  
00:50:38,880 --> 00:50:43,440  
that contact is made by extraterrestrial

1123  
00:50:41,369 --> 00:50:45,150  
beings with representatives of the

1124  
00:50:43,440 --> 00:50:49,010  
United States Air Force at Holloman Air

1125  
00:50:45,150 --> 00:50:49,010  
Force Base in the deserts of New Mexico

1126  
00:50:49,099 --> 00:50:56,900

today's clip it's about 5:30 2 a.m. at

1127

00:50:52,880 --> 00:50:59,090

Holloman Air Force Base 1 recon plane is

1128

00:50:56,900 --> 00:51:01,070

on the field ready for takeoff when

1129

00:50:59,090 --> 00:51:04,329

sergeant Mann is given a report of an

1130

00:51:01,070 --> 00:51:04,330

approaching identified

1131

00:51:21,750 --> 00:51:25,250

make contact with them bill

1132

00:51:41,469 --> 00:51:52,039

more speaking this is Colonel Horner

1133

00:51:48,050 --> 00:51:55,130

yeah there's an unidentified vehicle you

1134

00:51:52,039 --> 00:51:57,730

warn the aircraft again I'll show you

1135

00:51:55,130 --> 00:52:05,170

all right all right Jake Edwards

1136

00:51:57,730 --> 00:52:05,170

civilian Patrol okay all right Red Alert

1137

00:52:05,858 --> 00:52:10,348

hey Bill give me a quick check with

1138

00:52:08,358 --> 00:52:13,619

wright-patterson and toes

1139

00:52:10,349 --> 00:52:16,880

I don't know here alert the fire chief

1140

00:52:13,619 --> 00:52:16,880

and security safety

1141  
00:52:34,639 --> 00:52:38,929  
military interceptors are dispatched to

1142  
00:52:36,619 --> 00:52:41,200  
escort the unidentified crafts out of

1143  
00:52:38,929 --> 00:52:41,199  
the area

1144  
00:52:44,518 --> 00:52:49,718  
during a routine photographic mission a

1145  
00:52:47,440 --> 00:52:51,489  
tech sergeant and staff sideshow the

1146  
00:52:49,719 --> 00:52:54,039  
base photographic team were aboard a

1147  
00:52:51,489 --> 00:52:56,409  
helicopter at the time and run off

1148  
00:52:54,039 --> 00:52:59,979  
several feet of film of the three

1149  
00:52:56,409 --> 00:53:02,889  
objects one of which breaks away and

1150  
00:52:59,978 --> 00:53:05,169  
begins a descent a second high-speed

1151  
00:53:02,889 --> 00:53:08,440  
camera crew on the ground runs off a box

1152  
00:53:05,170 --> 00:53:12,150  
11 600 feet the cameras continue the

1153  
00:53:08,440 --> 00:53:12,150  
roar was the extraordinary enviable

1154  
00:53:13,210 --> 00:53:18,010  
almost silently about ten feet off the

1155  
00:53:15,670 --> 00:53:20,980  
ground for nearly a minute and yours

1156  
00:53:18,010 --> 00:53:24,250  
like a ship at anchor then sets down on

1157  
00:53:20,980 --> 00:53:26,440  
three extension pads commander and two

1158  
00:53:24,250 --> 00:53:30,278  
officers along with teeth Vasia for

1159  
00:53:26,440 --> 00:53:32,409  
scientists and wait an apprehensive the

1160  
00:53:30,278 --> 00:53:36,429  
panel slides over on the side of the

1161  
00:53:32,409 --> 00:53:38,588  
craft stepping forward one then two and

1162  
00:53:36,429 --> 00:53:40,769  
a third what appear to be mean and

1163  
00:53:38,588 --> 00:53:43,900  
dressed in tight-fitting jumpsuits

1164  
00:53:40,769 --> 00:53:47,170  
perhaps short by high standards with an

1165  
00:53:43,900 --> 00:53:50,710  
allowed blue grey complexion I said far

1166  
00:53:47,170 --> 00:53:52,630  
apart a large pronounced enormous they

1167  
00:53:50,710 --> 00:53:55,480  
were a headpiece that resembles a rope

1168  
00:53:52,630 --> 00:53:57,460  
like design a commander and the two

1169

00:53:55,480 --> 00:54:00,068  
scientists stepped forward to greet the

1170  
00:53:57,460 --> 00:54:02,199  
visitors arrangements are made by some

1171  
00:54:00,068 --> 00:54:04,750  
sort of communication and the group

1172  
00:54:02,199 --> 00:54:09,308  
quickly with tires an inner office in

1173  
00:54:04,750 --> 00:54:12,400  
the king one area left behind standest

1174  
00:54:09,309 --> 00:54:14,829  
and group military personnel who the

1175  
00:54:12,400 --> 00:54:17,309  
visitors are where they're from and what

1176  
00:54:14,829 --> 00:54:17,309  
they want

1177  
00:54:21,239 --> 00:54:27,250  
interesting hypothetical situation or is

1178  
00:54:24,550 --> 00:54:29,109  
it hypothetical as a person involved in

1179  
00:54:27,250 --> 00:54:31,599  
television production most of my adult

1180  
00:54:29,108 --> 00:54:34,389  
life I have some serious questions about

1181  
00:54:31,599 --> 00:54:36,670  
this Serling one our program that we

1182  
00:54:34,389 --> 00:54:39,848  
just saw bits of now I have seen the

1183  
00:54:36,670 --> 00:54:42,490

entire show in the very beginning of the

1184

00:54:39,849 --> 00:54:45,609

show there are two Academy award-winning

1185

00:54:42,489 --> 00:54:47,769

actors feature Serling never used name

1186

00:54:45,608 --> 00:54:50,289

talent in any of his productions it was

1187

00:54:47,769 --> 00:54:53,108

always a strong script with unknown

1188

00:54:50,289 --> 00:54:55,659

talent there also was an appearance by a

1189

00:54:53,108 --> 00:54:59,289

Department of Defense spokesman Rod

1190

00:54:55,659 --> 00:55:01,449

Serling in the Pentagon doing a UFO

1191

00:54:59,289 --> 00:55:05,349

feature at a time when the government

1192

00:55:01,449 --> 00:55:09,098

said UFOs didn't exist then after this

1193

00:55:05,349 --> 00:55:14,859

very well done very expensive piece of

1194

00:55:09,099 --> 00:55:16,660

videotape we go to a very rushed thrown

1195

00:55:14,858 --> 00:55:19,358

together segment that shows you loud

1196

00:55:16,659 --> 00:55:22,239

speakers and microphones and clocks and

1197

00:55:19,358 --> 00:55:24,670

telephones the two pieces don't seem to

1198  
00:55:22,239 --> 00:55:27,969  
fit together it appears as if the first

1199  
00:55:24,670 --> 00:55:29,260  
part of the show was done the last part

1200  
00:55:27,969 --> 00:55:33,009  
had to be thrown together in a few

1201  
00:55:29,260 --> 00:55:35,170  
minutes make sure one now mr. Wilson you

1202  
00:55:33,010 --> 00:55:42,180  
have information about this particular

1203  
00:55:35,170 --> 00:55:42,180  
segment on the Rod Serling particular

1204  
00:55:44,190 --> 00:55:50,470  
pretty well demonstrated as far as we

1205  
00:55:46,719 --> 00:55:53,858  
can determine that the government had a

1206  
00:55:50,469 --> 00:55:57,399  
plan in process during this particular

1207  
00:55:53,858 --> 00:55:59,650  
point in time to bring some very

1208  
00:55:57,400 --> 00:56:01,630  
superficial information about alien

1209  
00:55:59,650 --> 00:56:02,490  
presence to the minds of the American

1210  
00:56:01,630 --> 00:56:05,019  
public

1211  
00:56:02,489 --> 00:56:08,709  
however in the in the middle of the

1212  
00:56:05,019 --> 00:56:14,579  
production certain incidents that

1213  
00:56:08,710 --> 00:56:18,780  
occurred allegedly at an alien base here

1214  
00:56:14,579 --> 00:56:23,199  
where military personnel were killed

1215  
00:56:18,780 --> 00:56:26,440  
forced a rethink of the government alien

1216  
00:56:23,199 --> 00:56:28,329  
relationship and postponed especially in

1217  
00:56:26,440 --> 00:56:30,760  
terms of the political climate at the

1218  
00:56:28,329 --> 00:56:32,650  
time any kind of revelation to the

1219  
00:56:30,760 --> 00:56:35,319  
general public

1220  
00:56:32,650 --> 00:56:38,730  
we've seen an awful lot of documentation

1221  
00:56:35,318 --> 00:56:42,400  
especially documents the refer to this

1222  
00:56:38,730 --> 00:56:44,889  
mj-12 mj-12 starts with the Truman

1223  
00:56:42,400 --> 00:56:49,028  
document and runs all the way through a

1224  
00:56:44,889 --> 00:56:50,798  
variety of name changes to the present

1225  
00:56:49,028 --> 00:56:53,048  
day we've seen an awful lot of

1226

00:56:50,798 --> 00:56:56,230  
information that would indicate there is

1227  
00:56:53,048 --> 00:56:59,170  
a cover-up that more information is

1228  
00:56:56,230 --> 00:57:01,599  
needed we would like to have your

1229  
00:56:59,170 --> 00:57:03,670  
information if you have had any kind of

1230  
00:57:01,599 --> 00:57:05,230  
an experience if you know of someone

1231  
00:57:03,670 --> 00:57:07,630  
that's had an experience maybe you've

1232  
00:57:05,230 --> 00:57:10,480  
got information that you've been afraid

1233  
00:57:07,630 --> 00:57:12,789  
to tell anybody please send it to us we

1234  
00:57:10,480 --> 00:57:14,380  
want to become the international

1235  
00:57:12,789 --> 00:57:17,140  
clearinghouse we can put it all together

1236  
00:57:14,380 --> 00:57:20,528  
and maybe make some sense of it now this

1237  
00:57:17,139 --> 00:57:22,389  
is only the first of several tapes that

1238  
00:57:20,528 --> 00:57:26,289  
we're going to bring you on specific

1239  
00:57:22,389 --> 00:57:27,338  
parts of this UFO story well Jodi thank
