

1
00:00:01,070 --> 00:00:08,369
well good morning everybody again and

2
00:00:05,628 --> 00:00:10,410
I'm going to begin by adding a few

3
00:00:08,369 --> 00:00:15,539
things to what Courtney said as to why I

4
00:00:10,410 --> 00:00:17,879
claim to have a credible reputation in

5
00:00:15,539 --> 00:00:20,278
in ufology I'm probably the only one in

6
00:00:17,879 --> 00:00:21,750
the room who ran a proprietary program

7
00:00:20,278 --> 00:00:23,689
for a half-million dollars back in the

8
00:00:21,750 --> 00:00:25,559
late 60s for McDonnell Douglas

9
00:00:23,689 --> 00:00:28,259
investigating the question of how would

10
00:00:25,559 --> 00:00:30,868
you proceed to develop a gravity control

11
00:00:28,260 --> 00:00:34,620
device I'm probably the only one in the

12
00:00:30,868 --> 00:00:36,600
room who owns 4,000 pages of questioned

13
00:00:34,619 --> 00:00:40,649
leaked documents and I'm probably the

14
00:00:36,600 --> 00:00:42,000
only one in the room who was given

15
00:00:40,649 --> 00:00:44,820
hundreds of thousands of dollars to make

16
00:00:42,000 --> 00:00:48,829
a television documentary on the subject

17
00:00:44,820 --> 00:00:51,359
of UFOs and so with that background I'm

18
00:00:48,829 --> 00:00:52,320
claiming that what I'm going to say is

19
00:00:51,359 --> 00:00:59,939
believable

20
00:00:52,320 --> 00:01:02,100
now however however what I was asked to

21
00:00:59,939 --> 00:01:05,548
do was to provide a ten-minute summary

22
00:01:02,100 --> 00:01:08,010
of your follow GE or UFOs for the SSC

23
00:01:05,549 --> 00:01:11,250
members most of whom do not know much

24
00:01:08,010 --> 00:01:15,180
about the subject except what we just

25
00:01:11,250 --> 00:01:16,950
heard from Jerry Clark and I'm going to

26
00:01:15,180 --> 00:01:18,180
give it to you in four parts first I'm

27
00:01:16,950 --> 00:01:21,478
going to tell you what I think I know

28
00:01:18,180 --> 00:01:23,100
and the more you get involved in a

29

00:01:21,478 --> 00:01:26,219
subject of course just let you know what

30
00:01:23,099 --> 00:01:28,798
you know but I'm going to try to create

31
00:01:26,219 --> 00:01:31,379
a I have created the slide that I think

32
00:01:28,799 --> 00:01:33,360
is one that everyone on the panel

33
00:01:31,379 --> 00:01:35,519
tonight will all agree with we'll see

34
00:01:33,359 --> 00:01:37,680
then I'm going to share some surprising

35
00:01:35,519 --> 00:01:40,170
facts with you deal with some unanswered

36
00:01:37,680 --> 00:01:42,780
but interesting Lee scientific questions

37
00:01:40,170 --> 00:01:46,219
and and didn't find up wind up with what

38
00:01:42,780 --> 00:01:48,719
are the issues today first is the

39
00:01:46,219 --> 00:01:51,239
summary what I think I know for sure and

40
00:01:48,719 --> 00:01:53,250
the first one is that I know for sure

41
00:01:51,239 --> 00:01:55,530
that Professor James McDonald was a

42
00:01:53,250 --> 00:01:57,118
professor of atmospheric sciences at the

43
00:01:55,530 --> 00:02:00,960

University of Arizona in the late 60s

44

00:01:57,118 --> 00:02:04,109
and that he studied cases with great

45

00:02:00,959 --> 00:02:06,089
intensity and depths especially radar

46

00:02:04,109 --> 00:02:09,330
visual cases where there were lots of

47

00:02:06,090 --> 00:02:11,098
witnesses he presented his conclusions

48

00:02:09,330 --> 00:02:12,690
to a number of scientific societies and

49

00:02:11,098 --> 00:02:13,239
gained a reputation such that he was

50

00:02:12,689 --> 00:02:15,460
asked

51

00:02:13,240 --> 00:02:17,620
Congress a congressional committee to

52

00:02:15,460 --> 00:02:20,620
tell him what he thought and in that

53

00:02:17,620 --> 00:02:22,330
testimony he said I think that the least

54

00:02:20,620 --> 00:02:25,560
unlikely explanation is that the

55

00:02:22,330 --> 00:02:28,840
extra-terrestrial hypothesis is correct

56

00:02:25,560 --> 00:02:30,490
since he was a very cautious scientist

57

00:02:28,840 --> 00:02:33,610
he said least unlikely instead of most

58
00:02:30,490 --> 00:02:36,100
likely the second thing I'm I believe

59
00:02:33,610 --> 00:02:38,650
I'm certainly sure of is it they're real

60
00:02:36,099 --> 00:02:41,469
craft they make dents in railroad ties

61
00:02:38,650 --> 00:02:44,400
if they land military confrontations do

62
00:02:41,469 --> 00:02:47,229
occur planes have been shot down and

63
00:02:44,400 --> 00:02:49,030
actually I think quite a few more planes

64
00:02:47,229 --> 00:02:51,129
than have been a matter of public record

65
00:02:49,030 --> 00:02:52,060
have been shot down both in this country

66
00:02:51,129 --> 00:02:55,299
and in the Soviet Union

67
00:02:52,060 --> 00:02:58,979
I'm certain that consciousness reports

68
00:02:55,300 --> 00:03:01,960
are present that is interactions between

69
00:02:58,979 --> 00:03:05,069
the craft even if you don't see any

70
00:03:01,960 --> 00:03:08,020
creatures and interactions with

71
00:03:05,069 --> 00:03:09,699
potential aliens I'm certain that the

72
00:03:08,020 --> 00:03:11,230
reports are worldwide and they've been

73
00:03:09,699 --> 00:03:14,769
going for a long time in fact we just

74
00:03:11,229 --> 00:03:16,689
heard Jerome Clarke summarize a number

75
00:03:14,770 --> 00:03:20,320
of specific cases that are in that

76
00:03:16,689 --> 00:03:23,500
domain and finally I've concluded that

77
00:03:20,319 --> 00:03:25,359
there are some reports that are really

78
00:03:23,500 --> 00:03:27,969
curious that there are time anomalies

79
00:03:25,360 --> 00:03:29,830
where people are missing for a few days

80
00:03:27,969 --> 00:03:31,990
and yet their watch is the same time or

81
00:03:29,830 --> 00:03:33,880
vice versa or people are missing for a

82
00:03:31,990 --> 00:03:35,680
few days and they've grown a beard or

83
00:03:33,879 --> 00:03:37,299
they beyond no beard you know or they

84
00:03:35,680 --> 00:03:39,730
haven't been missing in the grew a beard

85
00:03:37,300 --> 00:03:43,240
so anyway those kind of time anomalies

86

00:03:39,729 --> 00:03:46,060
are puzzlement that are a little bit

87
00:03:43,240 --> 00:03:48,250
more difficult for everyone to deal with

88
00:03:46,060 --> 00:03:50,830
so this is what I think I know for sure

89
00:03:48,250 --> 00:03:52,840
and one of the ways I know for sure is

90
00:03:50,830 --> 00:03:54,480
as we're talking about earlier and the

91
00:03:52,840 --> 00:03:57,280
question answer is from the evidence

92
00:03:54,479 --> 00:03:58,719
well the evidence is the available

93
00:03:57,280 --> 00:04:01,000
evidence now if there are crashed

94
00:03:58,719 --> 00:04:02,550
vehicles and they're kept secret

95
00:04:01,000 --> 00:04:05,050
somewhere we don't have that evidence

96
00:04:02,550 --> 00:04:07,090
but we do have the evidence that shown

97
00:04:05,050 --> 00:04:08,650
here we have a witness testimony we have

98
00:04:07,090 --> 00:04:10,270
the photos we have videos we have

99
00:04:08,650 --> 00:04:11,830
official government studies we have

100
00:04:10,270 --> 00:04:14,350

distinguished leader quotes and we have

101

00:04:11,830 --> 00:04:16,540
leaked documents and I'll give an

102

00:04:14,349 --> 00:04:19,180
example of each of these three beginning

103

00:04:16,540 --> 00:04:21,220
with this photograph comparison which I

104

00:04:19,180 --> 00:04:22,660
really love because the top one was

105

00:04:21,220 --> 00:04:24,669
taken by Paul tried at McMinnville

106

00:04:22,660 --> 00:04:26,300
Oregon in 1950 and the bottom was by

107

00:04:24,668 --> 00:04:28,279
French Air Force pilot in nineteen

108

00:04:26,300 --> 00:04:30,079
fifty-four and the similarity of these

109

00:04:28,279 --> 00:04:33,529
shapes and different times have always

110

00:04:30,079 --> 00:04:38,598
impressed me the second evidence example

111

00:04:33,529 --> 00:04:41,089
is a handwritten quote from J Edgar

112

00:04:38,598 --> 00:04:43,759
Hoover who says we must insist upon full

113

00:04:41,089 --> 00:04:45,439
access to this recovered for example in

114

00:04:43,759 --> 00:04:46,669
the LA case the army grabbed it would

115
00:04:45,439 --> 00:04:51,529
not let us have it for cursory

116
00:04:46,668 --> 00:04:55,609
examination in s July 15th 1947 a little

117
00:04:51,529 --> 00:05:00,049
bit after the Roswell crash the third

118
00:04:55,610 --> 00:05:02,479
example I have is an example of a leaked

119
00:05:00,050 --> 00:05:03,949
document that I believed to be authentic

120
00:05:02,478 --> 00:05:06,860
this is from the special operations

121
00:05:03,949 --> 00:05:09,139
manual the special operations manual is

122
00:05:06,860 --> 00:05:11,030
entitled extraterrestrial entities and

123
00:05:09,139 --> 00:05:13,550
technology recovery and disposal and

124
00:05:11,029 --> 00:05:17,989
actually there's examples on the table

125
00:05:13,550 --> 00:05:19,579
in the other room this statement says it

126
00:05:17,990 --> 00:05:21,590
may become necessary to issue false

127
00:05:19,579 --> 00:05:23,300
statements to preserve the security of

128
00:05:21,589 --> 00:05:24,709
the site meteors down satellites weather

129
00:05:23,300 --> 00:05:27,740
balloons military aircraft are all

130
00:05:24,709 --> 00:05:31,068
acceptable so we have had a deception

131
00:05:27,740 --> 00:05:33,079
policy now the second set of things I

132
00:05:31,069 --> 00:05:33,979
want to share with you is the facts that

133
00:05:33,079 --> 00:05:36,139
might surprise you

134
00:05:33,978 --> 00:05:38,959
first extensive reports of crashes

135
00:05:36,139 --> 00:05:40,490
Downing's and retrievals you you would

136
00:05:38,959 --> 00:05:42,109
probably be amazed to know that there is

137
00:05:40,490 --> 00:05:44,658
a book out called magic eyes only

138
00:05:42,110 --> 00:05:47,360
written by my own son Ryan Ryan are you

139
00:05:44,658 --> 00:05:49,610
in the room yeah he's right there so if

140
00:05:47,360 --> 00:05:52,009
you want to quiz him on this way you can

141
00:05:49,610 --> 00:05:53,810
do that at the break but he this book

142
00:05:52,009 --> 00:05:55,759
says that there's 75 crashes he

143

00:05:53,810 --> 00:05:57,800
identified very slow as a quality some

144
00:05:55,759 --> 00:05:59,408
of them require more investigation but

145
00:05:57,800 --> 00:06:01,879
he's used remote viewing in order to

146
00:05:59,408 --> 00:06:04,209
verify the location of previous crashes

147
00:06:01,879 --> 00:06:07,158
and to find the location of new crashes

148
00:06:04,209 --> 00:06:08,628
he uses the Stringfield cases and he

149
00:06:07,158 --> 00:06:13,490
still identifying new locations and

150
00:06:08,629 --> 00:06:15,379
debris and debris there there's another

151
00:06:13,490 --> 00:06:16,610
thing that surprised you probably would

152
00:06:15,379 --> 00:06:19,908
be that there's multiple indications

153
00:06:16,610 --> 00:06:22,129
that crashes started in 1941 242 the

154
00:06:19,908 --> 00:06:25,009
cape girardeau crash is a classic one

155
00:06:22,129 --> 00:06:29,810
and then the ones relating to the Battle

156
00:06:25,009 --> 00:06:31,879
of LA the third point is that some

157
00:06:29,810 --> 00:06:33,620

leaked documents may seem to be seem to

158

00:06:31,879 --> 00:06:37,009

be authentic that might surprise you

159

00:06:33,620 --> 00:06:39,500

it's easy to say well these days it's so

160

00:06:37,009 --> 00:06:40,249

simple to get a sophisticated word

161

00:06:39,500 --> 00:06:42,829

processing for

162

00:06:40,249 --> 00:06:44,659

and create almost anything that seems

163

00:06:42,829 --> 00:06:46,098

authentic the answer is if you have

164

00:06:44,658 --> 00:06:48,048

three additional papers it's not that

165

00:06:46,098 --> 00:06:49,788

easy and I'll talk about that later the

166

00:06:48,048 --> 00:06:53,508

fourth thing is that some abduction

167

00:06:49,788 --> 00:06:55,699

tales suggest reality and lastly the

168

00:06:53,509 --> 00:06:58,369

thing that I think most people have no

169

00:06:55,699 --> 00:07:00,829

grasp of especially people who have been

170

00:06:58,369 --> 00:07:02,989

largely in your university domain is

171

00:07:00,829 --> 00:07:05,509

that they have no idea of how

172
00:07:02,988 --> 00:07:08,058
sophisticated the government deception

173
00:07:05,509 --> 00:07:10,669
is and can be I mean we built a whole

174
00:07:08,059 --> 00:07:14,899
city called Oak Ridge and nobody knew

175
00:07:10,668 --> 00:07:16,459
about that essentially nobody now the

176
00:07:14,899 --> 00:07:18,769
third thing I want to share with you by

177
00:07:16,459 --> 00:07:23,119
way of introduction is that there are

178
00:07:18,769 --> 00:07:24,798
questions that you follow just ask that

179
00:07:23,119 --> 00:07:28,519
are really scientifically interesting in

180
00:07:24,798 --> 00:07:31,338
fact I proposed to MUFON the mutual UFO

181
00:07:28,519 --> 00:07:32,869
network and we'll hear from James

182
00:07:31,338 --> 00:07:36,769
carrion who's the director of that

183
00:07:32,869 --> 00:07:38,299
tonight some research projects a history

184
00:07:36,769 --> 00:07:41,059
research project how do they relate

185
00:07:38,298 --> 00:07:43,399
historically demand a Travel Research

186
00:07:41,059 --> 00:07:45,919
project how do they get here from there

187
00:07:43,399 --> 00:07:47,178
wherever there is and what's their

188
00:07:45,918 --> 00:07:49,368
energy source how do they communicate

189
00:07:47,178 --> 00:07:51,978
why are they abducting people and then

190
00:07:49,369 --> 00:07:53,779
finally this last one is added to that

191
00:07:51,978 --> 00:07:55,068
list and that is are their technical

192
00:07:53,778 --> 00:07:56,689
secrets that have already been

193
00:07:55,069 --> 00:08:01,039
discovered that we just don't know about

194
00:07:56,689 --> 00:08:03,559
in the unclassified world so with those

195
00:08:01,038 --> 00:08:05,899
three thoughts behind us let's go to the

196
00:08:03,559 --> 00:08:07,759
final thought set of ideas I wanted to

197
00:08:05,899 --> 00:08:10,908
share with you so that when you hear the

198
00:08:07,759 --> 00:08:13,189
panel discussion tonight and appreciate

199
00:08:10,908 --> 00:08:15,228
the questions that the those who are

200

00:08:13,189 --> 00:08:17,659
knowledgeable are asking each other and

201
00:08:15,228 --> 00:08:20,538
are dealing with the skeptics where

202
00:08:17,658 --> 00:08:23,449
these are the kind of hot issues or some

203
00:08:20,538 --> 00:08:25,218
or all of these documents hoaxed the

204
00:08:23,449 --> 00:08:28,038
second is why wouldn't the government be

205
00:08:25,218 --> 00:08:29,569
willing to disclose the truth and if

206
00:08:28,038 --> 00:08:31,548
there are extraterrestrial high heaven

207
00:08:29,569 --> 00:08:35,599
they contacted us it seems like there's

208
00:08:31,548 --> 00:08:39,168
large numbers of societies that have

209
00:08:35,599 --> 00:08:41,329
been reported than shapes it's amazing

210
00:08:39,168 --> 00:08:44,269
at least one of them hasn't tried how

211
00:08:41,328 --> 00:08:45,919
could you hide so much money to do the

212
00:08:44,269 --> 00:08:48,350
research necessary to secretly study

213
00:08:45,919 --> 00:08:51,049
this technology and is there any real

214
00:08:48,350 --> 00:08:52,159

evidence that we have back engineered or

215

00:08:51,049 --> 00:08:53,328
reverse engineered any

216

00:08:52,159 --> 00:08:56,299
thing that we might have recovered from

217

00:08:53,328 --> 00:08:57,828
these crafts and is it possible that

218

00:08:56,299 --> 00:09:01,568
some of the abductions are not real and

219

00:08:57,828 --> 00:09:07,309
it's all a matter of what's in our mind

220

00:09:01,568 --> 00:09:09,828
so these are those are the main ideas I

221

00:09:07,309 --> 00:09:12,438
wanted to share with you in the context

222

00:09:09,828 --> 00:09:15,739
of I've studied this subject for a long

223

00:09:12,438 --> 00:09:17,809
time and the more I study at the less

224

00:09:15,740 --> 00:09:19,310
I'm totally sure of but remember the

225

00:09:17,809 --> 00:09:21,559
five things I showed you I really share

226

00:09:19,309 --> 00:09:25,309
of that's probably good to go with and

227

00:09:21,559 --> 00:09:29,179
now you know what the issues are so now

228

00:09:25,309 --> 00:09:31,878
I'll proceed to the other part of my

229
00:09:29,179 --> 00:09:35,508
talk today which was the evaluation of

230
00:09:31,879 --> 00:09:42,528
two original paper leaked UFO documents

231
00:09:35,509 --> 00:09:48,409
and they are shown here well before I

232
00:09:42,528 --> 00:09:50,208
say that what well the first one is an

233
00:09:48,409 --> 00:09:55,159
encyclopedia of flying saucers by Vernon

234
00:09:50,208 --> 00:09:57,979
Bowen and actually this was given by him

235
00:09:55,159 --> 00:09:59,778
to the Air Force in 1961 they kept it

236
00:09:57,980 --> 00:10:01,250
study that make marks on it and returned

237
00:09:59,778 --> 00:10:04,159
it in 1999

238
00:10:01,250 --> 00:10:06,649
to my source Timothy Cooper and this is

239
00:10:04,159 --> 00:10:09,588
what the current version looks like

240
00:10:06,649 --> 00:10:14,059
actually they're available in the other

241
00:10:09,589 --> 00:10:17,420
room also this is a replication of the

242
00:10:14,059 --> 00:10:19,549
original manuscript in just a moment and

243
00:10:17,419 --> 00:10:23,958
then the second one is the burned memo

244
00:10:19,549 --> 00:10:28,448
which was a 1963 era document that was

245
00:10:23,958 --> 00:10:37,159
mailed by apparently from a CI a metered

246
00:10:28,448 --> 00:10:39,679
meter in 1999 also so these are this is

247
00:10:37,159 --> 00:10:46,360
a list of the documents that I possess

248
00:10:39,679 --> 00:10:49,698
as you can see there's a 104 of them and

249
00:10:46,360 --> 00:10:51,680
nearly 4,000 pages the ones that are in

250
00:10:49,698 --> 00:10:55,250
green are the ones where we have the

251
00:10:51,679 --> 00:10:57,019
original negatives and a 35 millimeter

252
00:10:55,250 --> 00:10:59,480
film and I actually have the originals

253
00:10:57,019 --> 00:11:02,980
and the ones in red are where we have

254
00:10:59,480 --> 00:11:05,740
original paper which is old

255
00:11:02,980 --> 00:11:06,730
the classifications are showing we're

256
00:11:05,740 --> 00:11:08,169
not going to deal much for the

257

00:11:06,730 --> 00:11:11,500
classifications but you can see it's

258
00:11:08,169 --> 00:11:14,370
over a range of times from 1984 to 2001

259
00:11:11,500 --> 00:11:16,958
I haven't received any more since 2001

260
00:11:14,370 --> 00:11:18,730
the titles of these documents are shown

261
00:11:16,958 --> 00:11:20,649
here but um the first one is the

262
00:11:18,730 --> 00:11:24,420
Eisenhower briefing document the famous

263
00:11:20,649 --> 00:11:28,929
one that identified the MJ program with

264
00:11:24,419 --> 00:11:31,929
MJ 1 through 12 being individuals and

265
00:11:28,929 --> 00:11:33,609
the special operations manual is the

266
00:11:31,929 --> 00:11:35,409
other one in green but we're going to

267
00:11:33,610 --> 00:11:39,699
talk about the bowen manuscript first

268
00:11:35,409 --> 00:11:43,269
and then the burned mental I'm going to

269
00:11:39,698 --> 00:11:46,299
tell you how I got it came in a 9 by 14

270
00:11:43,269 --> 00:11:49,149
jiffy mailer to Tim Cooper in June 1999

271
00:11:46,299 --> 00:11:51,609

and the return address was Fort Meade

272

00:11:49,149 --> 00:11:56,379

and actually Freedom of Information

273

00:11:51,610 --> 00:11:58,019

Office from the army and sheets were

274

00:11:56,379 --> 00:12:00,399

usually double-spaced and single sided

275

00:11:58,019 --> 00:12:04,509

this is one of the one of the sheets the

276

00:12:00,399 --> 00:12:07,649

first page shows actually three

277

00:12:04,509 --> 00:12:13,299

addresses that Vernon Bowen the author I

278

00:12:07,649 --> 00:12:17,759

had and the it shows the obvious red

279

00:12:13,299 --> 00:12:20,439

stamp the stamp contains for

280

00:12:17,759 --> 00:12:21,819

classification caveats one of them is no

281

00:12:20,440 --> 00:12:24,160

foreign dissemination which is a

282

00:12:21,820 --> 00:12:27,278

well-known one when I'm a size only

283

00:12:24,159 --> 00:12:28,629

which is also a standard one and and

284

00:12:27,278 --> 00:12:31,570

then of course the other two they are

285

00:12:28,629 --> 00:12:34,269

not acceptable unknown or top-secret

286
00:12:31,570 --> 00:12:37,120
slash magic which is the code word we'll

287
00:12:34,269 --> 00:12:39,610
talk about and in errata which probably

288
00:12:37,120 --> 00:12:41,528
means for original originating agency

289
00:12:39,610 --> 00:12:43,810
declassification the classification

290
00:12:41,528 --> 00:12:50,189
Authority means that you can't

291
00:12:43,809 --> 00:12:52,899
declassify this ever so the those three

292
00:12:50,190 --> 00:12:53,260
addresses gave me an easy trail to

293
00:12:52,899 --> 00:12:56,589
follow

294
00:12:53,259 --> 00:12:59,318
I put up a call to put in a call to the

295
00:12:56,589 --> 00:13:00,880
church said oh yeah remember Vernon born

296
00:12:59,318 --> 00:13:03,370
he had a son Patrick come on his number

297
00:13:00,879 --> 00:13:06,220
so it's brought as easy you could run

298
00:13:03,370 --> 00:13:07,539
into than finding somebody so I I called

299
00:13:06,220 --> 00:13:09,220
him told him I had this manuscript he

300
00:13:07,539 --> 00:13:10,240
never knew of the existence the

301
00:13:09,220 --> 00:13:12,100
manuscript but he still had the

302
00:13:10,240 --> 00:13:13,629
typewriter it was typed on it was very

303
00:13:12,100 --> 00:13:15,399
cooperative he wanted to see his dad but

304
00:13:13,629 --> 00:13:16,720
there's a book published and and so

305
00:13:15,399 --> 00:13:19,389
that's why we made two

306
00:13:16,720 --> 00:13:23,050
other copies of which we have 50 or so

307
00:13:19,389 --> 00:13:24,879
left and there as they say available the

308
00:13:23,049 --> 00:13:26,828
appearance is old looking pages the

309
00:13:24,879 --> 00:13:28,688
watermark was there the glue was dried

310
00:13:26,828 --> 00:13:30,549
the clippings are loose and the red and

311
00:13:28,688 --> 00:13:32,588
black caveat stamps I'll have an example

312
00:13:30,549 --> 00:13:34,258
of and marginalia and different hands

313
00:13:32,589 --> 00:13:36,370
here's the way the clippings were

314

00:13:34,259 --> 00:13:40,659
fastened with old blue and they just

315
00:13:36,370 --> 00:13:43,509
kind of face fell off but Vernon Bowen

316
00:13:40,659 --> 00:13:45,338
is very thorough guy he had apparently

317
00:13:43,509 --> 00:13:47,470
spent nearly every noon hour in New York

318
00:13:45,339 --> 00:13:49,060
City library looking up the readers

319
00:13:47,470 --> 00:13:51,370
guide to periodical literature and

320
00:13:49,059 --> 00:13:53,289
captured every single entry having to do

321
00:13:51,370 --> 00:13:57,909
with flying saucers up till the time

322
00:13:53,289 --> 00:13:59,708
hood he stopped in 1954 so what is this

323
00:13:57,909 --> 00:14:02,019
book say well actually he's a good

324
00:13:59,708 --> 00:14:05,679
writer he wrote children's books but he

325
00:14:02,019 --> 00:14:07,539
was he has he has a natural style he

326
00:14:05,679 --> 00:14:10,388
it's some kind of gripping going from

327
00:14:07,539 --> 00:14:12,759
chapter to chapter so the chapters are

328
00:14:10,389 --> 00:14:14,500

15 chapters he begins really with the

329

00:14:12,759 --> 00:14:16,568

same sort of flavor that you just heard

330

00:14:14,500 --> 00:14:18,610

from Jerome Clark he talks about the

331

00:14:16,568 --> 00:14:21,188

things that Charles Fort reported that

332

00:14:18,610 --> 00:14:22,539

aren't anomalistic phenomena and then

333

00:14:21,188 --> 00:14:25,360

finally in the middle of it he talks

334

00:14:22,539 --> 00:14:28,568

about flying saucers gives a report on

335

00:14:25,360 --> 00:14:29,949

every periodical and every sighting up

336

00:14:28,568 --> 00:14:33,610

to that point that was in the public

337

00:14:29,948 --> 00:14:35,679

literature then when he comes to chapter

338

00:14:33,610 --> 00:14:39,039

12 the US Air Force and flying saucers

339

00:14:35,679 --> 00:14:41,349

it turns out that's when the stamps on

340

00:14:39,039 --> 00:14:44,528

this document change from confidential

341

00:14:41,350 --> 00:14:46,569

to top-secret slash magic and so clearly

342

00:14:44,528 --> 00:14:48,039

the Air Force was looking this over to

343
00:14:46,568 --> 00:14:50,708
determine whether or not there was

344
00:14:48,039 --> 00:14:52,389
something important here and they didn't

345
00:14:50,708 --> 00:14:54,399
they classified it before they decided

346
00:14:52,389 --> 00:14:57,399
of course they do that and then he

347
00:14:54,399 --> 00:14:59,860
concludes with an interesting one he he

348
00:14:57,399 --> 00:15:03,250
really doesn't know in 1954 what they

349
00:14:59,860 --> 00:15:05,829
are but he says he wonders whether or

350
00:15:03,250 --> 00:15:08,198
not they're the Soviets very seriously

351
00:15:05,828 --> 00:15:10,239
and and then he thinks that well maybe

352
00:15:08,198 --> 00:15:12,219
we've been capturing some of them

353
00:15:10,240 --> 00:15:14,470
ourselves and in any case sooner or

354
00:15:12,220 --> 00:15:15,879
later we will know the technology so he

355
00:15:14,470 --> 00:15:19,959
winds up with that thought they will be

356
00:15:15,879 --> 00:15:22,209
sometime hours now I want to share with

357
00:15:19,958 --> 00:15:25,000
you a cartoon for a specific reason

358
00:15:22,208 --> 00:15:27,438
blondie mm cat cartoon has Dagwood

359
00:15:25,000 --> 00:15:29,928
talking to

360
00:15:27,438 --> 00:15:32,108
clerk the cat abducted by space aliens

361
00:15:29,928 --> 00:15:34,220
Bigfoot decided who reads this trash

362
00:15:32,109 --> 00:15:36,649
clerk says over 20 million readers

363
00:15:34,220 --> 00:15:40,369
Dagwood would you take out the trash cuz

364
00:15:36,649 --> 00:15:43,879
I haven't finished reading it yet and

365
00:15:40,369 --> 00:15:46,339
what you don't know is that maybe at one

366
00:15:43,879 --> 00:15:48,798
time the National Enquirer was

367
00:15:46,339 --> 00:15:52,729
controlled by some CIA employees and

368
00:15:48,798 --> 00:15:54,828
putting stories in about UFOs if it was

369
00:15:52,729 --> 00:15:56,899
to the advantage so I bought a copy of

370
00:15:54,828 --> 00:15:59,088
the National Enquirer yesterday to see

371

00:15:56,899 --> 00:16:01,158
what it says and it doesn't say anything

372
00:15:59,089 --> 00:16:03,439
about UFOs today but it's all it's all

373
00:16:01,158 --> 00:16:06,979
Hollywood now probably and crow

374
00:16:03,438 --> 00:16:09,318
enthralled by a different management so

375
00:16:06,979 --> 00:16:11,089
the forensic analysis stating of the

376
00:16:09,318 --> 00:16:12,769
document was done by speck in

377
00:16:11,089 --> 00:16:14,359
laboratories and they did a thin layer

378
00:16:12,769 --> 00:16:16,220
chromatography one of the standard

379
00:16:14,359 --> 00:16:18,199
techniques to determine the age of ink

380
00:16:16,220 --> 00:16:19,639
looked at the pencils could try to

381
00:16:18,198 --> 00:16:23,228
compare the watermarks couldn't find a

382
00:16:19,639 --> 00:16:26,688
watermark for this particular one and

383
00:16:23,229 --> 00:16:28,339
James black did the dating of the well

384
00:16:26,688 --> 00:16:30,588
he identified the typewriter

385
00:16:28,339 --> 00:16:32,600

specifically in 1939 under wood and that

386

00:16:30,589 --> 00:16:34,789

is exactly the typewriter that his son

387

00:16:32,600 --> 00:16:36,470

says he has so there's no question but

388

00:16:34,788 --> 00:16:42,288

what this one was written by Vernon

389

00:16:36,470 --> 00:16:45,908

Bowen the pencils are consistent with

390

00:16:42,288 --> 00:16:52,729

1950s the red stamp ink is not a recent

391

00:16:45,908 --> 00:16:54,528

mixture of red ink so there's really two

392

00:16:52,729 --> 00:16:56,839

ages of inks that are important one is

393

00:16:54,528 --> 00:16:58,399

the ballpoint ink 1961 which is written

394

00:16:56,839 --> 00:17:01,039

by Vernon Bowen based on the nature of

395

00:16:58,399 --> 00:17:03,948

the comments and that was just before he

396

00:17:01,038 --> 00:17:06,949

gave it to the Air Force for evaluation

397

00:17:03,948 --> 00:17:10,009

and then the 1977 ballpoint ink has to

398

00:17:06,949 --> 00:17:13,250

do with comments relating to association

399

00:17:10,009 --> 00:17:18,110

with UFO program we'll talk about those

400
00:17:13,250 --> 00:17:19,788
right now here's an example he's talking

401
00:17:18,109 --> 00:17:21,878
about actually Vernon is talking about

402
00:17:19,788 --> 00:17:24,019
you can spin tall tales of moon dust

403
00:17:21,878 --> 00:17:25,369
accused the Air Force of covering up the

404
00:17:24,019 --> 00:17:28,788
greatest story since Christ and so forth

405
00:17:25,369 --> 00:17:31,308
and the the writer and the left has put

406
00:17:28,788 --> 00:17:34,778
Project moon dust well it turns out

407
00:17:31,308 --> 00:17:37,548
project moon dust is a project that is

408
00:17:34,778 --> 00:17:40,430
classified but generally it's been

409
00:17:37,548 --> 00:17:43,639
identified as a recovery program to

410
00:17:40,430 --> 00:17:45,799
for any if any vehicle crashes and we'll

411
00:17:43,640 --> 00:17:48,410
go recover it and and of course the

412
00:17:45,799 --> 00:17:50,359
moondust recovery program has allegedly

413
00:17:48,410 --> 00:17:52,340
a top-secret version which is recovering

414
00:17:50,359 --> 00:17:55,250
UFOs as opposed to just ordinary

415
00:17:52,339 --> 00:17:56,929
satellites that are crashing this

416
00:17:55,250 --> 00:17:59,119
particular page is interesting because

417
00:17:56,930 --> 00:18:01,160
it's got one of the original stamps that

418
00:17:59,119 --> 00:18:03,109
blue stamp makes this very authentic

419
00:18:01,160 --> 00:18:06,529
with respect to the Air Force use and

420
00:18:03,109 --> 00:18:08,269
the handwritten information there says

421
00:18:06,529 --> 00:18:10,399
do not withdraw from files personal

422
00:18:08,269 --> 00:18:13,609
notes of Colonel Hayward and the

423
00:18:10,400 --> 00:18:17,620
Hawaiian of ATI CA TCAP BP our UFO

424
00:18:13,609 --> 00:18:20,509
section these are identification of the

425
00:18:17,619 --> 00:18:24,979
organizations at wright-patterson that

426
00:18:20,509 --> 00:18:28,789
dealt with UFOs another interesting one

427
00:18:24,980 --> 00:18:30,440
was a comment in the book that a Harvard

428

00:18:28,789 --> 00:18:31,490
professor is telling his classes he can

429
00:18:30,440 --> 00:18:34,700
prove that there are people in other

430
00:18:31,490 --> 00:18:35,930
planets and one reviewer said was a

431
00:18:34,700 --> 00:18:38,930
highly dubious source of information

432
00:18:35,930 --> 00:18:41,720
Dorothy Kilgallen but the other one says

433
00:18:38,930 --> 00:18:44,960
what is diem doing and here's the

434
00:18:41,720 --> 00:18:48,490
original which shows right here this is

435
00:18:44,960 --> 00:18:50,509
what is diem doing this 1977 egg and

436
00:18:48,490 --> 00:18:55,039
excuse me that's Pitt this is brothers

437
00:18:50,509 --> 00:18:57,549
pencil this is pencil and this is says I

438
00:18:55,039 --> 00:19:00,019
hope diem teeps his big mouth shut so

439
00:18:57,549 --> 00:19:01,490
for those of you who are familiar at all

440
00:19:00,019 --> 00:19:03,619
was the Eisenhower briefing documents

441
00:19:01,490 --> 00:19:06,589
don Menzel was identified as one of the

442
00:19:03,619 --> 00:19:08,359

MJ members 1 through 12 and he was a

443

00:19:06,589 --> 00:19:11,299
professor who wrote three books that

444

00:19:08,359 --> 00:19:14,599
were anti UFO books that tried to

445

00:19:11,299 --> 00:19:18,230
destroy the credibility of cases that

446

00:19:14,599 --> 00:19:20,750
were being discussed the final set of

447

00:19:18,230 --> 00:19:23,480
annotations that impressed me are on

448

00:19:20,750 --> 00:19:25,970
notes apparently by Ben Hayward himself

449

00:19:23,480 --> 00:19:28,519
who was apparently talking to someone

450

00:19:25,970 --> 00:19:31,940
who's the distinguished guy wants to

451

00:19:28,519 --> 00:19:33,529
learn more he talks about NPIC

452

00:19:31,940 --> 00:19:36,289
a national photographic information

453

00:19:33,529 --> 00:19:37,940
center white-hot which is the label for

454

00:19:36,289 --> 00:19:41,269
a set of leaked documents that I have

455

00:19:37,940 --> 00:19:43,730
Blue Room which is allegedly where the

456

00:19:41,269 --> 00:19:45,769
aliens were kept at wright-patt and TS

457
00:19:43,730 --> 00:19:48,710
restricted a classification that has

458
00:19:45,769 --> 00:19:50,668
been denied to be existing and Natan

459
00:19:48,710 --> 00:19:52,889
Vann presumably could be Nathan

460
00:19:50,669 --> 00:19:57,869
you know planning and event in

461
00:19:52,888 --> 00:20:01,108
Vandenberg so anyway the that's the

462
00:19:57,868 --> 00:20:03,959
summary of that particular one document

463
00:20:01,108 --> 00:20:06,749
which has a few notations on the side

464
00:20:03,960 --> 00:20:10,798
which kind of reinforce the credibility

465
00:20:06,749 --> 00:20:13,980
of the existence of a program to study

466
00:20:10,798 --> 00:20:15,599
UFOs by the government but not or not as

467
00:20:13,980 --> 00:20:17,909
much as the one that I'm about to share

468
00:20:15,599 --> 00:20:21,238
with you the next one which was the burn

469
00:20:17,909 --> 00:20:24,960
metal this came from five minutes okay

470
00:20:21,239 --> 00:20:27,298
this came from McLean Virginia postmark

471
00:20:24,960 --> 00:20:30,210
and it was later correlated with a CIA

472
00:20:27,298 --> 00:20:32,940
zip code the pages shows scorch marks

473
00:20:30,210 --> 00:20:36,569
and this is the first page that director

474
00:20:32,940 --> 00:20:38,850
of Central Intelligence mj1 writing 2mj

475
00:20:36,569 --> 00:20:42,989
two through seven as you can see talking

476
00:20:38,849 --> 00:20:46,259
about MJ majestic and Jehovah which is

477
00:20:42,989 --> 00:20:49,139
perhaps the real reason for the MJ

478
00:20:46,259 --> 00:20:51,690
abbreviations it also has a signature by

479
00:20:49,138 --> 00:20:53,729
Fritz for JJ angleton James Jesus

480
00:20:51,690 --> 00:20:56,249
angleton who was the guy who ran the

481
00:20:53,730 --> 00:20:59,308
counterintelligence of the CIA for many

482
00:20:56,249 --> 00:21:02,129
years in a parallel organization to

483
00:20:59,308 --> 00:21:04,980
check on the rest of the CIA the cover

484
00:21:02,128 --> 00:21:07,278
note is relevant basically it came from

485

00:21:04,980 --> 00:21:09,419
the leaker who says he's a retired CIA

486
00:21:07,278 --> 00:21:11,099
counterintelligence officer it worked

487
00:21:09,419 --> 00:21:13,169
for angleton and he says this is the

488
00:21:11,099 --> 00:21:19,199
last piece of paper that connects mj-12

489
00:21:13,169 --> 00:21:21,059
with JFK's murder and he it also says

490
00:21:19,200 --> 00:21:22,319
that that at the time is fast

491
00:21:21,058 --> 00:21:24,118
approaching when the files of the

492
00:21:22,319 --> 00:21:26,099
majestic Jehovah project will be pried

493
00:21:24,118 --> 00:21:26,668
loose to the public's right to know will

494
00:21:26,099 --> 00:21:29,459
begin

495
00:21:26,669 --> 00:21:31,859
celina is a person who's a secretary for

496
00:21:29,460 --> 00:21:33,119
the CIA we also have a leak from the

497
00:21:31,858 --> 00:21:36,298
claim they've been keeping the UFO

498
00:21:33,118 --> 00:21:39,028
community busy and in some way you don't

499
00:21:36,298 --> 00:21:40,950

know hi these are the eight tabs that

500

00:21:39,028 --> 00:21:43,589

are associated with this and I just got

501

00:21:40,950 --> 00:21:46,950

a slide on each one of these tabs but

502

00:21:43,589 --> 00:21:50,849

there the first page summarizes the

503

00:21:46,950 --> 00:21:53,548

situation that we have that JFK was

504

00:21:50,849 --> 00:21:56,699

known as Lancer at the time and Lancer

505

00:21:53,548 --> 00:21:59,788

was inquiring about activities which we

506

00:21:56,700 --> 00:22:02,489

cannot allow namely he was asking more

507

00:21:59,788 --> 00:22:03,839

about the UFO program our deadline for

508

00:22:02,489 --> 00:22:06,929

decision

509

00:22:03,839 --> 00:22:10,339

jae-won allan dulles wanted to have the

510

00:22:06,929 --> 00:22:13,830

other MJ members decide and agree with

511

00:22:10,339 --> 00:22:16,769

his proposed ground rules which are the

512

00:22:13,829 --> 00:22:20,129

following eight slides first what

513

00:22:16,769 --> 00:22:22,500

happens if the president asks about UFOs

514
00:22:20,130 --> 00:22:24,150
well how why is he asking declare that

515
00:22:22,500 --> 00:22:27,298
it's not a security threat we'll come to

516
00:22:24,150 --> 00:22:30,480
that in just a moment on the keep the

517
00:22:27,298 --> 00:22:32,579
FBI included just enough to so they can

518
00:22:30,480 --> 00:22:34,440
keep the secret and the instruction was

519
00:22:32,579 --> 00:22:37,288
keep our spies or backchannels they're

520
00:22:34,440 --> 00:22:39,509
in place so that we know what the FBI is

521
00:22:37,288 --> 00:22:41,669
thinking the intent of the second third

522
00:22:39,509 --> 00:22:44,339
tab was to say that DoD air security

523
00:22:41,669 --> 00:22:47,429
does not apply to MJ except in the case

524
00:22:44,339 --> 00:22:50,490
of a couple of sub one subcommittee by

525
00:22:47,429 --> 00:22:52,320
the National Security Council 54:12 and

526
00:22:50,490 --> 00:22:55,460
some special classified executive orders

527
00:22:52,319 --> 00:23:01,558
which some people claim don't even exist

528
00:22:55,460 --> 00:23:03,298
the attentive Tab D was to define Blue

529
00:23:01,558 --> 00:23:08,849
Book as in the National Intelligence

530
00:23:03,298 --> 00:23:13,648
Estimate and proceed with its role which

531
00:23:08,849 --> 00:23:16,648
was to discredit credibility and if

532
00:23:13,648 --> 00:23:20,119
anybody asks any Congress supreme court

533
00:23:16,648 --> 00:23:22,619
whoever asks even if they're authorized

534
00:23:20,119 --> 00:23:24,058
even if a pretty high ranking tell them

535
00:23:22,619 --> 00:23:27,028
that we won't tell them anything about

536
00:23:24,058 --> 00:23:28,470
the program at end of tab F was on

537
00:23:27,028 --> 00:23:30,169
psychological operations one of the

538
00:23:28,470 --> 00:23:32,460
things that has impressed me is the

539
00:23:30,169 --> 00:23:34,169
enormous emphasis that was placed in the

540
00:23:32,460 --> 00:23:36,630
UFO leaked documents that I have on

541
00:23:34,169 --> 00:23:38,788
psychological operations to make sure

542

00:23:36,630 --> 00:23:40,980
that we have a sophisticated set of

543
00:23:38,788 --> 00:23:44,879
cover stories so that the public really

544
00:23:40,980 --> 00:23:47,069
never grasps what's going on and finally

545
00:23:44,880 --> 00:23:49,110
not finally but the next last is the

546
00:23:47,069 --> 00:23:52,439
tentative Tab G was concerning

547
00:23:49,109 --> 00:23:54,869
biological warfare and presumably the

548
00:23:52,440 --> 00:23:56,370
problem is alien pathogens when they

549
00:23:54,869 --> 00:23:57,750
have a program called spike and

550
00:23:56,369 --> 00:24:00,689
housecleaning that's already in place

551
00:23:57,750 --> 00:24:04,409
but they have a plan for backup using

552
00:24:00,690 --> 00:24:06,870
MKULTRA and MKULTRA as some of you may

553
00:24:04,409 --> 00:24:10,140
know was an illegal unethical program

554
00:24:06,869 --> 00:24:13,349
for mind-control using chemicals of the

555
00:24:10,140 --> 00:24:14,788
day plus other programs called artichoke

556
00:24:13,349 --> 00:24:17,009

and domestic what we don't know what

557

00:24:14,788 --> 00:24:19,289
they are and finally the

558

00:24:17,009 --> 00:24:20,940
here was it if it looks like we're going

559

00:24:19,289 --> 00:24:24,029
to lose our group and get no more money

560

00:24:20,940 --> 00:24:26,820
then we ought to try assasin a shoe and

561

00:24:24,029 --> 00:24:28,619
if you look at these words here it

562

00:24:26,819 --> 00:24:30,960
basically says at the bottom if the

563

00:24:28,619 --> 00:24:33,229
weather is lacking any precipitation it

564

00:24:30,960 --> 00:24:36,120
should be wet and what that is is

565

00:24:33,230 --> 00:24:37,710
commonly known to be as wet is a code

566

00:24:36,119 --> 00:24:40,559
word for assassination in the criminal

567

00:24:37,710 --> 00:24:42,779
world so basically this is an

568

00:24:40,559 --> 00:24:47,220
authorization in principle to

569

00:24:42,779 --> 00:24:49,649
assassinate JFK and so I'll have another

570

00:24:47,220 --> 00:24:52,650
20 seconds of conclusions here and that

571
00:24:49,650 --> 00:24:54,000
is that I think the original paper and

572
00:24:52,650 --> 00:24:55,769
ink dating essentially rules out of

573
00:24:54,000 --> 00:24:57,569
modern hoax for these two documents if

574
00:24:55,769 --> 00:24:58,139
there was a hoax that was done then not

575
00:24:57,569 --> 00:25:01,919
now

576
00:24:58,140 --> 00:25:04,020
the bow and marginalia strongly suggests

577
00:25:01,920 --> 00:25:07,110
that a mj-12 program existed and the

578
00:25:04,019 --> 00:25:09,150
Byrne memo shows issues between JFK and

579
00:25:07,109 --> 00:25:11,849
mj-12 and reinforces the existence of

580
00:25:09,150 --> 00:25:15,300
CIA covert UFO projects buried in the

581
00:25:11,849 --> 00:25:23,849
counterintelligence world and so how

582
00:25:15,299 --> 00:25:27,379
about that Courtney I think you're

583
00:25:23,849 --> 00:25:27,379
supposed to come up and chair the Q&A

584
00:25:28,369 --> 00:25:37,889
yeah who would like to ask questions we

585
00:25:31,470 --> 00:25:40,230
have five minutes Oh Brenda needs to

586
00:25:37,890 --> 00:25:46,280
make a short announcement first where's

587
00:25:40,230 --> 00:25:46,279
Brenda do the questions okay fine okay

588
00:25:48,289 --> 00:26:05,009
it does appear almost convincing the

589
00:25:54,630 --> 00:26:08,700
burden memo something like this it has

590
00:26:05,009 --> 00:26:10,319
such an explosive import that it would

591
00:26:08,700 --> 00:26:13,769
seem to me that it could have been

592
00:26:10,319 --> 00:26:16,470
hoaxed by some extremely devilishly

593
00:26:13,769 --> 00:26:20,879
clever hoaxers they could have obtained

594
00:26:16,470 --> 00:26:25,589
old paper and old ink and created a very

595
00:26:20,880 --> 00:26:27,960
convincing fake isn't that possible well

596
00:26:25,589 --> 00:26:29,679
it's always possible to imagine a

597
00:26:27,960 --> 00:26:31,630
scenario where there

598
00:26:29,680 --> 00:26:33,519
there is a hoax situation but the

599

00:26:31,630 --> 00:26:35,080
question is what is the probability of

600
00:26:33,519 --> 00:26:37,299
that hypothesis being correct that's

601
00:26:35,079 --> 00:26:39,399
what the SSA typically does is is list

602
00:26:37,299 --> 00:26:41,200
the different hypotheses and select the

603
00:26:39,400 --> 00:26:42,509
one that's most reasonable yes that

604
00:26:41,200 --> 00:26:52,299
should be on the list of hypotheses

605
00:26:42,509 --> 00:26:55,390
whose Ennis was in New York I have to

606
00:26:52,299 --> 00:26:59,529
admit that what strains credibility for

607
00:26:55,390 --> 00:27:01,870
me the most in this is the amazingly

608
00:26:59,529 --> 00:27:05,980
variable level of competence and

609
00:27:01,869 --> 00:27:08,229
dedication involved I mean if a rogue US

610
00:27:05,980 --> 00:27:10,960
government agency had enough clout in

611
00:27:08,230 --> 00:27:12,640
enough secrecy to arrange the

612
00:27:10,960 --> 00:27:16,210
assassination of a president who is

613
00:27:12,640 --> 00:27:18,550

getting too close to the truth why have

614

00:27:16,210 --> 00:27:20,940

not you for example with all of these

615

00:27:18,549 --> 00:27:24,369

leaked classified documents in your

616

00:27:20,940 --> 00:27:28,390

possession not quietly been disappeared

617

00:27:24,369 --> 00:27:32,049

oh 10 years ago or so well that's a fair

618

00:27:28,390 --> 00:27:34,509

question actually I feel that the

619

00:27:32,049 --> 00:27:36,789

documents are very important I keep them

620

00:27:34,509 --> 00:27:39,450

you know locked up pretty securely now

621

00:27:36,789 --> 00:27:42,099

however this is the first time I've

622

00:27:39,450 --> 00:27:44,590

exposed this level of detail and that

623

00:27:42,099 --> 00:27:46,359

document to any audience so I don't

624

00:27:44,589 --> 00:27:48,669

think I've ever stated before that that

625

00:27:46,359 --> 00:27:49,869

document clearly links mj-12 with the

626

00:27:48,670 --> 00:27:53,350

Kennedy assassination

627

00:27:49,869 --> 00:27:55,449

so however I've enjoyed life and if I

628
00:27:53,349 --> 00:28:00,129
get assassinated way that's the breaks I

629
00:27:55,450 --> 00:28:00,460
have had a lot of fun Bob is this thing

630
00:28:00,130 --> 00:28:03,100
on

631
00:28:00,460 --> 00:28:05,079
yeah Bob I have a question you said that

632
00:28:03,099 --> 00:28:07,959
you had contacted the son of Vernon

633
00:28:05,079 --> 00:28:10,509
Bowen yes and I was wondering were you

634
00:28:07,960 --> 00:28:12,250
able to determine through your talks

635
00:28:10,509 --> 00:28:14,710
with him what happened to any of the

636
00:28:12,250 --> 00:28:16,779
other research or papers that Vernon

637
00:28:14,710 --> 00:28:17,799
Bowen has if it has been preserved

638
00:28:16,779 --> 00:28:20,859
because thank you that's an excellent

639
00:28:17,799 --> 00:28:22,119
question because as soon as I found out

640
00:28:20,859 --> 00:28:23,919
that he was willing to be friendly and

641
00:28:22,119 --> 00:28:25,869
cooperative I said well hey I got lots

642
00:28:23,920 --> 00:28:27,640
of reasons to come to New York City

643
00:28:25,869 --> 00:28:31,329
because my sister lives there is she

644
00:28:27,640 --> 00:28:33,520
sitting in the audience too and so I

645
00:28:31,329 --> 00:28:35,439
said is it okay for me to come and let's

646
00:28:33,519 --> 00:28:37,389
look and your father's files and so he

647
00:28:35,440 --> 00:28:38,980
said sure so actually we went over to a

648
00:28:37,390 --> 00:28:40,930
second house crawled up into the attic

649
00:28:38,980 --> 00:28:42,789
and open up the doors to all of his

650
00:28:40,930 --> 00:28:43,420
father's files and we found a few

651
00:28:42,789 --> 00:28:48,210
additional

652
00:28:43,420 --> 00:28:51,730
papers from what he had but there was no

653
00:28:48,210 --> 00:28:55,029
there was nothing that was really the

654
00:28:51,730 --> 00:28:56,319
earth-shattering result but thank you

655
00:28:55,029 --> 00:28:59,259
that's a good question

656

00:28:56,319 --> 00:29:03,009
you have been reported that the

657
00:28:59,259 --> 00:29:05,529
astronaut saw some object on the moon

658
00:29:03,009 --> 00:29:07,900
did you ever interview the astronauts

659
00:29:05,529 --> 00:29:14,740
because you make no mention of that kind

660
00:29:07,900 --> 00:29:16,240
of a sauce okay well I do I do know ed

661
00:29:14,740 --> 00:29:18,460
Mitchell a little bit in fact he's

662
00:29:16,240 --> 00:29:23,349
participate I think in SSE meetings but

663
00:29:18,460 --> 00:29:25,690
one of the things that you find in in a

664
00:29:23,349 --> 00:29:28,000
discipline like ufology it is so broad

665
00:29:25,690 --> 00:29:30,730
that you wind up having to specialize

666
00:29:28,000 --> 00:29:33,759
and so I specialize in documents if

667
00:29:30,730 --> 00:29:35,769
somebody were to tell me what they saw

668
00:29:33,759 --> 00:29:37,930
last night I would find somebody else to

669
00:29:35,769 --> 00:29:40,420
go examine it in fact the mutual UFO

670
00:29:37,930 --> 00:29:42,490

network as a whole arsenal of people who

671

00:29:40,420 --> 00:29:49,450

go out and and follow up on reports

672

00:29:42,490 --> 00:29:51,099

including reports from astronauts oh yes

673

00:29:49,450 --> 00:29:52,870

oh absolutely

674

00:29:51,099 --> 00:29:54,339

astronauts are wonderful but that's not

675

00:29:52,869 --> 00:29:56,589

the thing that I do and I've I've never

676

00:29:54,339 --> 00:29:58,209

tried to interview people it's not my

677

00:29:56,589 --> 00:30:02,049

specialty

678

00:29:58,210 --> 00:30:05,140

how well-documented is the information

679

00:30:02,049 --> 00:30:08,470

presented in Phillip Corsos book I think

680

00:30:05,140 --> 00:30:14,490

it's what Roswell revisited good

681

00:30:08,470 --> 00:30:17,799

question how the I gave a whole talk on

682

00:30:14,490 --> 00:30:22,049

to of course those look and feel course

683

00:30:17,799 --> 00:30:25,240

so at at one time and my recollection of

684

00:30:22,049 --> 00:30:28,329

what I said and what I think now is that

685
00:30:25,240 --> 00:30:30,839
when Phil Corso states specifically that

686
00:30:28,329 --> 00:30:33,609
he did something he's probably

687
00:30:30,839 --> 00:30:37,240
accurately stating that when he states

688
00:30:33,609 --> 00:30:39,219
that someone else did something like we

689
00:30:37,240 --> 00:30:42,009
reverse-engineer this but he never saw

690
00:30:39,220 --> 00:30:44,350
it then I'd say he might be susceptible

691
00:30:42,009 --> 00:30:47,410
to exaggeration and/or speculation I

692
00:30:44,349 --> 00:30:49,029
don't know it's possible that John

693
00:30:47,410 --> 00:30:51,940
Alexander may comment on that on that

694
00:30:49,029 --> 00:30:53,259
point but I think when he stated

695
00:30:51,940 --> 00:30:55,900
something that he

696
00:30:53,259 --> 00:30:58,390
himself I think he was an honest man and

697
00:30:55,900 --> 00:31:01,509
I think he was stating it what he what

698
00:30:58,390 --> 00:31:03,490
he did whether what he stated about

699
00:31:01,509 --> 00:31:05,049
other people is more questionable okay

700
00:31:03,490 --> 00:31:08,200
we have just one more question I'm sorry

701
00:31:05,049 --> 00:31:11,190
I may be a technical question on the

702
00:31:08,200 --> 00:31:13,180
borne document but I'm a bit puzzled why

703
00:31:11,190 --> 00:31:14,830
for a document that parently were

704
00:31:13,180 --> 00:31:17,590
preserved pretty high up in the Air

705
00:31:14,829 --> 00:31:19,960
Force hierarchy ends up being released

706
00:31:17,589 --> 00:31:21,490
by the Fort Meade for your office that

707
00:31:19,960 --> 00:31:24,819
doesn't make much sense to me well I'm

708
00:31:21,490 --> 00:31:26,349
I'm agreed with that question too if you

709
00:31:24,819 --> 00:31:29,409
want me to speculate on the answer

710
00:31:26,349 --> 00:31:32,109
briefly this document was clearly given

711
00:31:29,410 --> 00:31:34,060
to the Air Force for evaluation and and

712
00:31:32,109 --> 00:31:35,619
was evaluated at the classified level

713

00:31:34,059 --> 00:31:37,419
but there was nothing there

714
00:31:35,619 --> 00:31:39,129
there was nothing important and so they

715
00:31:37,420 --> 00:31:40,779
stuck it in a file and here he is in a

716
00:31:39,130 --> 00:31:42,940
top-secret file well it's not easy to

717
00:31:40,779 --> 00:31:45,009
declassify it and I think frankly the

718
00:31:42,940 --> 00:31:47,140
guys who are in charge of the that

719
00:31:45,009 --> 00:31:49,329
particular file didn't know what to do

720
00:31:47,140 --> 00:31:51,759
with it but they did follow the subject

721
00:31:49,329 --> 00:31:54,369
enough said well he knew this guy Tim

722
00:31:51,759 --> 00:31:56,500
Cooper was receiving leaked documents

723
00:31:54,369 --> 00:31:58,209
let's mail it to him and so I think it

724
00:31:56,500 --> 00:31:59,950
was as simple as that they stuck it in

725
00:31:58,210 --> 00:32:01,390
the envelope there was no transmittal

726
00:31:59,950 --> 00:32:07,140
letter they got it out of their files

727
00:32:01,390 --> 00:32:11,550

they didn't have to account for it okay

728

00:32:07,140 --> 00:32:11,550
I'm sorry one last question okay

729

00:32:12,930 --> 00:32:19,990
I'm new to this and so I'm looking at it

730

00:32:16,150 --> 00:32:22,560
from a perspective of trying to really

731

00:32:19,990 --> 00:32:25,900
the previous speaker talked about

732

00:32:22,559 --> 00:32:28,779
leaving the observation and questioning

733

00:32:25,900 --> 00:32:30,790
the explanation yes when I look at what

734

00:32:28,779 --> 00:32:32,319
you presented I'd seems very credible to

735

00:32:30,789 --> 00:32:33,639
me that these are real documents and

736

00:32:32,319 --> 00:32:37,629
that these are real statements that were

737

00:32:33,640 --> 00:32:38,980
made my impression is that my first

738

00:32:37,630 --> 00:32:42,480
impression is that well why couldn't

739

00:32:38,980 --> 00:32:44,380
this be evidence of a black ops

740

00:32:42,480 --> 00:32:46,539
operation in the government which we

741

00:32:44,380 --> 00:32:50,830
know exists we know that they go through

742
00:32:46,539 --> 00:32:52,539
a great deal of effort to do a lot of

743
00:32:50,829 --> 00:32:56,230
black ops experimentation and

744
00:32:52,539 --> 00:32:58,990
development and the explanation would be

745
00:32:56,230 --> 00:33:00,549
therefore the relationship with JFK if

746
00:32:58,990 --> 00:33:02,829
someone and especially when you

747
00:33:00,549 --> 00:33:05,210
mentioned funding that's one of the

748
00:33:02,829 --> 00:33:10,109
greatest motivations for

749
00:33:05,210 --> 00:33:11,220
concern the does that exclamation fit

750
00:33:10,109 --> 00:33:15,329
with your evidence or have you

751
00:33:11,220 --> 00:33:18,839
considered that the question is what I'm

752
00:33:15,329 --> 00:33:21,659
sorry list of there's black operations

753
00:33:18,839 --> 00:33:23,759
explained well this is clearly a black

754
00:33:21,660 --> 00:33:25,200
operation that was so black that none of

755
00:33:23,759 --> 00:33:26,759
the other black operations knew about it

756
00:33:25,200 --> 00:33:28,319
and that was the whole point there was

757
00:33:26,759 --> 00:33:31,259
just one place that was really

758
00:33:28,319 --> 00:33:33,389
controlling this program and the other

759
00:33:31,259 --> 00:33:35,160
the other people who were cleared for

760
00:33:33,390 --> 00:33:37,440
top secret code word were basically

761
00:33:35,160 --> 00:33:40,430
excluded from any knowledge of this

762
00:33:37,440 --> 00:33:40,430
mj-12 program
