

1  
00:00:00,030 --> 00:00:06,169  
and I'm presenting a case of out-of-body

2  
00:00:04,878 --> 00:00:11,279  
experiences

3  
00:00:06,169 --> 00:00:15,808  
happening spontaneously under waking and

4  
00:00:11,279 --> 00:00:19,850  
in the waking state under you know full

5  
00:00:15,808 --> 00:00:24,268  
consciousness it's happening to me since

6  
00:00:19,850 --> 00:00:27,029  
1995 and also to my husband Michael who

7  
00:00:24,268 --> 00:00:31,049  
has been an experiencer for the past 44

8  
00:00:27,028 --> 00:00:34,979  
years so last week when I was browsing

9  
00:00:31,050 --> 00:00:37,829  
on the internet I read an advertisement

10  
00:00:34,979 --> 00:00:42,799  
huge advertisement saying out-of-body

11  
00:00:37,829 --> 00:00:47,460  
experiences in three days guaranteed

12  
00:00:42,799 --> 00:00:50,878  
right no I like okay it's kind of trendy

13  
00:00:47,460 --> 00:00:52,439  
nowadays to pay huge bucks for someone

14  
00:00:50,878 --> 00:00:54,808  
who would teach you how to get out of

15  
00:00:52,439 --> 00:00:58,619  
body right but guess what

16  
00:00:54,808 --> 00:01:02,189  
I know a person who would pay a lot of

17  
00:00:58,619 --> 00:01:05,399  
money to someone who could teach him how

18  
00:01:02,189 --> 00:01:10,140  
to get back into his physical body and

19  
00:01:05,400 --> 00:01:14,010  
stay grounded that person is my husband

20  
00:01:10,140 --> 00:01:18,118  
Michael who has been having a bad

21  
00:01:14,010 --> 00:01:22,920  
experiences for the past 44 years since

22  
00:01:18,118 --> 00:01:25,200  
he was born he remembers I mean he has

23  
00:01:22,920 --> 00:01:28,740  
been through the so-called conscious

24  
00:01:25,200 --> 00:01:33,689  
birth right he remembers when his mother

25  
00:01:28,739 --> 00:01:39,030  
was delivering him he remembers his own

26  
00:01:33,688 --> 00:01:41,609  
death out of body of course Michael is a

27  
00:01:39,030 --> 00:01:45,599  
natural psychic and out-of-body

28  
00:01:41,609 --> 00:01:50,539  
experiences experienter for the past 44

29

00:01:45,599 --> 00:01:56,218  
years he has been having out-of-body

30  
00:01:50,540 --> 00:02:01,070  
experiences in a waking state under full

31  
00:01:56,218 --> 00:02:03,599  
consciousness when walking talking

32  
00:02:01,069 --> 00:02:09,329  
standing working what

33  
00:02:03,599 --> 00:02:12,900  
ever okay now dr. Atwater PMH Atwater

34  
00:02:09,330 --> 00:02:15,420  
who is a recognized scholar on the Obi's

35  
00:02:12,900 --> 00:02:20,069  
and endings and other paranormal

36  
00:02:15,419 --> 00:02:24,589  
experiences she would write a foreword

37  
00:02:20,069 --> 00:02:30,299  
to like it forward to my book on OBE

38  
00:02:24,590 --> 00:02:35,490  
where she would say about Michael and

39  
00:02:30,300 --> 00:02:39,390  
I'm quoting a man who discovered a new

40  
00:02:35,490 --> 00:02:43,920  
aspect to his own being the ability to

41  
00:02:39,389 --> 00:02:46,469  
leave his body and goes of where now she

42  
00:02:43,919 --> 00:02:50,639  
would also say one of our conversations

43  
00:02:46,469 --> 00:02:52,109

something that I thought Michael death

44

00:02:50,639 --> 00:02:55,849  
scares me a little

45

00:02:52,110 --> 00:02:59,610  
she would say he is still human but

46

00:02:55,849 --> 00:03:02,359  
beginning to operate better at a higher

47

00:02:59,610 --> 00:03:07,410  
frequency than what's called normal

48

00:03:02,360 --> 00:03:09,090  
almost as high as it has become in pure

49

00:03:07,409 --> 00:03:12,750  
consciousness unclothed

50

00:03:09,090 --> 00:03:17,009  
well my aim here today is to deliver my

51

00:03:12,750 --> 00:03:20,069  
presentation in the most truthful honest

52

00:03:17,009 --> 00:03:23,489  
and effective way effective way as

53

00:03:20,069 --> 00:03:26,459  
possible and to this lovely audience

54

00:03:23,489 --> 00:03:30,259  
here and to everyone who's willing to

55

00:03:26,459 --> 00:03:33,650  
listen to my story without judging it

56

00:03:30,259 --> 00:03:38,548  
before I start though I think I should

57

00:03:33,650 --> 00:03:41,340  
make two points first this paper

58  
00:03:38,549 --> 00:03:44,000  
presented presents a case for studying

59  
00:03:41,340 --> 00:03:47,519  
and out-of-body experiences based on

60  
00:03:44,000 --> 00:03:50,659  
first-person experience as it was

61  
00:03:47,519 --> 00:03:53,039  
written from the perspective of

62  
00:03:50,659 --> 00:03:57,090  
experiences myself and Michael

63  
00:03:53,039 --> 00:04:00,349  
so my paper relies on observation that

64  
00:03:57,090 --> 00:04:03,229  
are subjective in their nature

65  
00:04:00,349 --> 00:04:07,878  
second a clear distinct

66  
00:04:03,229 --> 00:04:14,089  
should be made between an out-of-body

67  
00:04:07,878 --> 00:04:18,798  
experience in the waking state happening

68  
00:04:14,090 --> 00:04:23,509  
fully spontaneously naturally under full

69  
00:04:18,798 --> 00:04:25,069  
consciousness acting in the middle of

70  
00:04:23,509 --> 00:04:27,978  
the day out of the blue when you're

71  
00:04:25,069 --> 00:04:33,849  
walking talking working whatever and

72  
00:04:27,978 --> 00:04:38,779  
what I call Auto Body life experiences

73  
00:04:33,850 --> 00:04:42,129  
that will happen you know under lucidity

74  
00:04:38,779 --> 00:04:46,819  
or lose it states right under hypnosis

75  
00:04:42,129 --> 00:04:50,810  
on their influence of drugs different

76  
00:04:46,819 --> 00:04:56,259  
medications different but you also have

77  
00:04:50,810 --> 00:04:59,300  
REM intrusion right sleep paralysis

78  
00:04:56,259 --> 00:05:03,009  
helping a good job happiness pumping

79  
00:04:59,300 --> 00:05:07,728  
states you would have different

80  
00:05:03,009 --> 00:05:12,228  
out-of-body experiences happening under

81  
00:05:07,728 --> 00:05:16,668  
deep sleep when theta waves are involved

82  
00:05:12,228 --> 00:05:20,659  
Cesar and Eloise so I'm presenting out

83  
00:05:16,668 --> 00:05:23,959  
about experiences happening okay one

84  
00:05:20,660 --> 00:05:26,630  
more time you know waking stay under

85  
00:05:23,959 --> 00:05:30,739  
full consciousness in the middle of the

86

00:05:26,629 --> 00:05:33,228  
day okay when person is active talking

87  
00:05:30,740 --> 00:05:40,490  
speaking standing right not laying down

88  
00:05:33,228 --> 00:05:43,399  
or sleeping now I will not use much

89  
00:05:40,490 --> 00:05:45,620  
rotation from different scientific works

90  
00:05:43,399 --> 00:05:48,649  
right people that would study

91  
00:05:45,620 --> 00:05:52,459  
out-of-body experiences because I want

92  
00:05:48,649 --> 00:05:55,099  
to present as much firsthand

93  
00:05:52,459 --> 00:05:58,879  
and first-hand information and facts

94  
00:05:55,100 --> 00:06:01,970  
possible although I might use one quote

95  
00:05:58,879 --> 00:06:05,000  
from Susan Blackmore well study the

96  
00:06:01,970 --> 00:06:07,550  
nature of all be used extensively in one

97  
00:06:05,000 --> 00:06:10,509  
of her stops okay she would say the

98  
00:06:07,550 --> 00:06:14,270  
following on the nature of all these

99  
00:06:10,509 --> 00:06:18,560  
well they are quote there are short

100  
00:06:14,269 --> 00:06:20,959

duration and happen only once or twice

101

00:06:18,560 --> 00:06:24,439  
in all lifetime

102

00:06:20,959 --> 00:06:27,379  
well let me respectfully disagree with

103

00:06:24,439 --> 00:06:31,250  
that statement given the fact that might

104

00:06:27,379 --> 00:06:34,538  
fall under those multiple Obi's each day

105

00:06:31,250 --> 00:06:39,709  
or the last 44 years

106

00:06:34,538 --> 00:06:43,848  
he must have experience over fifteen

107

00:06:39,709 --> 00:06:47,500  
thousand eight hundred and forty Obi's

108

00:06:43,848 --> 00:06:52,459  
up today so what's the story Michael

109

00:06:47,500 --> 00:06:56,000  
well basically he remembers has the

110

00:06:52,459 --> 00:06:59,810  
whole prenatal state having been in his

111

00:06:56,000 --> 00:07:04,279  
mother's uterus and actually he

112

00:06:59,810 --> 00:07:07,759  
remembers the exact instant when his

113

00:07:04,279 --> 00:07:12,619  
what let's call it soul or the light

114

00:07:07,759 --> 00:07:18,319  
body or the quantum of energy was flown

115  
00:07:12,620 --> 00:07:21,560  
and to his mother's uterus to join the

116  
00:07:18,319 --> 00:07:28,399  
fetus that would later become his

117  
00:07:21,560 --> 00:07:31,668  
physical body and his own words quote I

118  
00:07:28,399 --> 00:07:35,689  
have had all these since I can remember

119  
00:07:31,668 --> 00:07:39,288  
I remember leaving my body as a toddler

120  
00:07:35,689 --> 00:07:43,908  
I remember being in my mother's suitors

121  
00:07:39,288 --> 00:07:48,699  
I remember how it felt there the exact

122  
00:07:43,908 --> 00:07:52,639  
sounds colors geometry shapes and

123  
00:07:48,699 --> 00:07:54,999  
surroundings well Michael telepathically

124  
00:07:52,639 --> 00:08:00,610  
communicates with animals

125  
00:07:54,999 --> 00:08:03,549  
the DC's toddlers new even babies that

126  
00:08:00,610 --> 00:08:06,338  
have not been warmed yet they are either

127  
00:08:03,548 --> 00:08:09,368  
in the prenatal stage or will only be

128  
00:08:06,338 --> 00:08:14,259  
born in a distant future he retrieves

129  
00:08:09,369 --> 00:08:16,899  
information from wall doors with trees

130  
00:08:14,259 --> 00:08:19,989  
this is a furniture wooden furniture

131  
00:08:16,899 --> 00:08:25,228  
stones crystals plants basically

132  
00:08:19,988 --> 00:08:29,709  
anything and which is organic what work

133  
00:08:25,228 --> 00:08:32,139  
plastic would not work well when Michael

134  
00:08:29,709 --> 00:08:34,990  
goes out of body in the middle of the

135  
00:08:32,139 --> 00:08:38,219  
day hey I can just tell I have been

136  
00:08:34,990 --> 00:08:41,759  
observing him for the last 25 years and

137  
00:08:38,219 --> 00:08:47,110  
what he would do went leaving his body

138  
00:08:41,759 --> 00:08:49,949  
he would kind of shut his eyes he

139  
00:08:47,110 --> 00:08:53,980  
doesn't need them when out of body

140  
00:08:49,948 --> 00:08:58,139  
Heywood with respect to his movements he

141  
00:08:53,980 --> 00:09:01,750  
would kind of like move in a rock

142  
00:08:58,139 --> 00:09:05,680  
robotic light of moments trying to look

143

00:09:01,750 --> 00:09:09,159  
for his balance right he would have some

144  
00:09:05,679 --> 00:09:12,969  
vestibular issues you can tell but try

145  
00:09:09,159 --> 00:09:15,159  
to figure out you know the space trying

146  
00:09:12,970 --> 00:09:17,620  
to figure out though out the difference

147  
00:09:15,159 --> 00:09:22,000  
between his and too personal and extra

148  
00:09:17,620 --> 00:09:26,110  
personal space so to speak now he would

149  
00:09:22,000 --> 00:09:29,289  
also have difficulty communicating when

150  
00:09:26,110 --> 00:09:31,568  
out of body he would have a heart we

151  
00:09:29,289 --> 00:09:34,990  
would have some difficulties clearly

152  
00:09:31,568 --> 00:09:38,889  
with respect to his both oral and

153  
00:09:34,990 --> 00:09:43,089  
written fluency and his mother tongue

154  
00:09:38,889 --> 00:09:46,720  
which English right hey could hardly

155  
00:09:43,089 --> 00:09:51,809  
hold a pen hate him right because his

156  
00:09:46,720 --> 00:09:56,410  
muscles are all relaxed right now he

157  
00:09:51,808 --> 00:09:59,039

would also exhibit so signs I don't want

158

00:09:56,409 --> 00:10:03,620

to call it symptoms but some signs of

159

00:09:59,039 --> 00:10:08,750

people that usually suffer from

160

00:10:03,620 --> 00:10:14,120

different symptoms such as a face be off

161

00:10:08,750 --> 00:10:17,299

a breakfast dyslexia at pretz-elle or

162

00:10:14,120 --> 00:10:20,419

agnosia spatial and visual acknowledges

163

00:10:17,299 --> 00:10:23,439

right now this is how my fault describes

164

00:10:20,419 --> 00:10:26,149

has physical vision without a body I

165

00:10:23,440 --> 00:10:29,840

don't have to see it with my physical

166

00:10:26,149 --> 00:10:33,340

eyes because I can see with the means of

167

00:10:29,840 --> 00:10:36,200

my consciousness extended in space

168

00:10:33,340 --> 00:10:39,680

sometimes I have problems with my eyes

169

00:10:36,200 --> 00:10:42,770

when I'm here on earth I can't breathe

170

00:10:39,679 --> 00:10:46,339

for my physical eyes only through touch

171

00:10:42,769 --> 00:10:51,860

and feel I'm only able to read through

172  
00:10:46,340 --> 00:10:56,180  
the shape of air and thoughts most of

173  
00:10:51,860 --> 00:10:58,159  
the time I'm out of body so my physical

174  
00:10:56,179 --> 00:11:00,500  
eyes are not a problem

175  
00:10:58,159 --> 00:11:04,370  
because I don't use them when I come

176  
00:11:00,500 --> 00:11:08,059  
back to earth however I walk into wall

177  
00:11:04,370 --> 00:11:11,710  
sometimes my orientation out-of-body

178  
00:11:08,059 --> 00:11:14,989  
relies on extrasensory perception soul I

179  
00:11:11,710 --> 00:11:19,820  
get a ran it through talking in distance

180  
00:11:14,990 --> 00:11:22,759  
as my aura as extended and its face I

181  
00:11:19,820 --> 00:11:27,260  
have to physically see the object to

182  
00:11:22,759 --> 00:11:30,649  
know what it is it's just I just feel it

183  
00:11:27,259 --> 00:11:32,779  
with my extended consciousness so again

184  
00:11:30,649 --> 00:11:38,209  
when you're out of body you don't need

185  
00:11:32,779 --> 00:11:42,529  
eyes because you can see by touch smell

186  
00:11:38,210 --> 00:11:47,090  
and taste so to speak you can feel the

187  
00:11:42,529 --> 00:11:50,720  
shape of objects at distance at a some

188  
00:11:47,090 --> 00:11:53,740  
time you can taste whatever you are

189  
00:11:50,720 --> 00:11:56,899  
looking at you can hear it too

190  
00:11:53,740 --> 00:12:00,139  
because every object has an elaboration

191  
00:11:56,899 --> 00:12:04,490  
or energetic signature attached to it

192  
00:12:00,139 --> 00:12:10,059  
and the formal both audible or inaudible

193  
00:12:04,490 --> 00:12:11,419  
soft sound when out-of-body I function

194  
00:12:10,059 --> 00:12:15,229  
multi-dimensionally

195  
00:12:11,419 --> 00:12:17,559  
and I'm not just on look her and I'm not

196  
00:12:15,230 --> 00:12:22,190  
just on looker but rather at

197  
00:12:17,559 --> 00:12:26,689  
participants as well so I'm not only an

198  
00:12:22,190 --> 00:12:29,720  
observant I'm not only an observant like

199  
00:12:26,690 --> 00:12:34,670  
if you're if you're watching the movie

200

00:12:29,720 --> 00:12:41,899  
I'm rather a part of the move in myself

201  
00:12:34,669 --> 00:12:45,860  
3d movie right now back in 2016

202  
00:12:41,899 --> 00:12:49,069  
Michael and I began to cooperate with

203  
00:12:45,860 --> 00:12:54,430  
free foundation foundation for research

204  
00:12:49,070 --> 00:12:58,060  
of x-ray extraterrestrial encounters the

205  
00:12:54,429 --> 00:13:02,389  
research study conducted by the free

206  
00:12:58,059 --> 00:13:05,799  
demonstrating that 80% of bills with

207  
00:13:02,389 --> 00:13:10,460  
image I encounters non-human

208  
00:13:05,799 --> 00:13:13,269  
intelligence experience also auto body

209  
00:13:10,460 --> 00:13:16,670  
well I mean they have all be East right

210  
00:13:13,269 --> 00:13:20,779  
now auto body experience has been

211  
00:13:16,669 --> 00:13:26,509  
identified as one of a poor experiences

212  
00:13:20,779 --> 00:13:31,490  
of energy encounters based on the great

213  
00:13:26,509 --> 00:13:35,240  
study dr. Rudy Schilt former Harvard

214  
00:13:31,490 --> 00:13:40,009

Harvard astrophysicist what sent an

215

00:13:35,240 --> 00:13:43,700

inquiry to my last year and and his

216

00:13:40,009 --> 00:13:47,649

reply to the inquiry Michael would

217

00:13:43,700 --> 00:13:52,009

confirm the following and his auto body

218

00:13:47,649 --> 00:13:54,829

experiences Hayek's force the cold dim

219

00:13:52,009 --> 00:13:57,769

planet lock objects everywhere in the

220

00:13:54,830 --> 00:14:01,280

vast spaces between stars they have

221

00:13:57,769 --> 00:14:04,279

masses and solid course with atmospheric

222

00:14:01,279 --> 00:14:07,789

gases and weather effects much like our

223

00:14:04,279 --> 00:14:11,209

earth there's one Rock planet beyond the

224

00:14:07,789 --> 00:14:16,849

planet Pluto as the death planet people

225

00:14:11,210 --> 00:14:20,810

must accept at support life the whole

226

00:14:16,850 --> 00:14:22,170

inquiry actually was published in Mary

227

00:14:20,809 --> 00:14:26,729

Raul's

228

00:14:22,169 --> 00:14:28,979

a new book called the new human Mara

229  
00:14:26,730 --> 00:14:34,920  
Rawal is an internationally recognized

230  
00:14:28,980 --> 00:14:37,980  
expert on ETO slash NIT context and she

231  
00:14:34,919 --> 00:14:40,979  
devoted the entire chapter xxii

232  
00:14:37,980 --> 00:14:43,079  
Michaelson my story the chapter her

233  
00:14:40,980 --> 00:14:45,509  
those of you are interested in the

234  
00:14:43,078 --> 00:14:47,309  
chapters called the interdimensional

235  
00:14:45,509 --> 00:14:50,100  
travelers out-of-body and

236  
00:14:47,309 --> 00:14:52,229  
multi-dimensional journeys not Michael

237  
00:14:50,100 --> 00:14:55,470  
loss to visit different planets during

238  
00:14:52,230 --> 00:14:59,190  
its Ottawa travels this is what he said

239  
00:14:55,470 --> 00:15:03,480  
involved running water and I repeat

240  
00:14:59,190 --> 00:15:07,139  
running water on Mars back in 1998 and I

241  
00:15:03,480 --> 00:15:09,649  
have entered in into my diary hope I've

242  
00:15:07,139 --> 00:15:13,379  
been exploring Mars among other places

243  
00:15:09,649 --> 00:15:15,480  
there's running water there so there are

244  
00:15:13,379 --> 00:15:20,220  
certain types of lint creatures such as

245  
00:15:15,480 --> 00:15:23,610  
box and lizard unquote now NASA release

246  
00:15:20,220 --> 00:15:27,180  
information on running water on Mars

247  
00:15:23,610 --> 00:15:29,190  
only back in 2014

248  
00:15:27,179 --> 00:15:31,559  
now Michael told me about it back in

249  
00:15:29,190 --> 00:15:35,459  
1998

250  
00:15:31,559 --> 00:15:37,409  
sometimes when in an out-of-body mode of

251  
00:15:35,458 --> 00:15:40,729  
consciousness this is how I called it

252  
00:15:37,409 --> 00:15:44,879  
Michael experiences things which would

253  
00:15:40,730 --> 00:15:48,209  
happen and physical dense reality only

254  
00:15:44,879 --> 00:15:50,759  
later like in a couple of minutes and or

255  
00:15:48,208 --> 00:15:53,159  
hours or so or next day or in a week or

256  
00:15:50,759 --> 00:15:57,120  
basically sometimes in the future when

257

00:15:53,159 --> 00:15:58,350  
this happens funny situations arise all

258  
00:15:57,120 --> 00:16:01,649  
the time

259  
00:15:58,350 --> 00:16:04,470  
the following story actually describes

260  
00:16:01,649 --> 00:16:09,179  
one of such funny situations I called it

261  
00:16:04,470 --> 00:16:12,949  
first eat your bread then go and buy it

262  
00:16:09,179 --> 00:16:16,049  
well once Michael asked me to buy

263  
00:16:12,948 --> 00:16:19,439  
special kind of bread the breath is

264  
00:16:16,049 --> 00:16:23,939  
native to Slovakia so you cannot get it

265  
00:16:19,440 --> 00:16:28,110  
in America now the bread that I bought

266  
00:16:23,940 --> 00:16:30,260  
for Michael was eaten by him out of body

267  
00:16:28,110 --> 00:16:32,110  
before I bought it

268  
00:16:30,259 --> 00:16:35,769  
basically will happen

269  
00:16:32,110 --> 00:16:37,870  
he added out a lot first and then I you

270  
00:16:35,769 --> 00:16:41,200  
know one lauding brought it to him and

271  
00:16:37,870 --> 00:16:43,269

physical form after me eighty so

272

00:16:41,200 --> 00:16:45,910

basically what happened is the future in

273

00:16:43,269 --> 00:16:48,370

that happens and the form of an

274

00:16:45,909 --> 00:16:51,028

out-of-body experience before it

275

00:16:48,370 --> 00:16:54,399

happened and the present reality

276

00:16:51,028 --> 00:16:58,659

Michael is accustomed to such a way of

277

00:16:54,399 --> 00:17:03,990

living and perceiving reality he lives

278

00:16:58,659 --> 00:17:10,318

for the same events situations was first

279

00:17:03,990 --> 00:17:15,189

our body and then in the dense reality

280

00:17:10,318 --> 00:17:19,209

there are times where has not sure if

281

00:17:15,189 --> 00:17:22,058

what has experiencing at a moment is the

282

00:17:19,209 --> 00:17:25,620

actual present reality of whether X a

283

00:17:22,058 --> 00:17:30,069

future that has experience in our body

284

00:17:25,619 --> 00:17:32,139

Michael is also able to enter on enter

285

00:17:30,069 --> 00:17:35,079

the bodies of other human beings animals

286  
00:17:32,140 --> 00:17:37,600  
including Birds trades plans and so on

287  
00:17:35,079 --> 00:17:40,269  
and think of their feelings emotions of

288  
00:17:37,599 --> 00:17:43,000  
thoughts the following is a story I call

289  
00:17:40,269 --> 00:17:45,490  
I fool in a body of a sad bird and

290  
00:17:43,000 --> 00:17:48,039  
basically describes what it felt like

291  
00:17:45,490 --> 00:17:53,890  
often Michael was able to enter about a

292  
00:17:48,039 --> 00:17:57,428  
plant bird right so could it was evening

293  
00:17:53,890 --> 00:17:59,650  
and it was already dark transferred into

294  
00:17:57,429 --> 00:18:00,250  
the body of the bird was flying I was

295  
00:17:59,650 --> 00:18:02,910  
scared

296  
00:18:00,250 --> 00:18:06,099  
I could tell the bird was very sad

297  
00:18:02,910 --> 00:18:09,850  
something bothered him he had to fly

298  
00:18:06,099 --> 00:18:16,480  
somewhere from questioning it okay so I

299  
00:18:09,849 --> 00:18:18,509  
guess it's so I have to finish right

300  
00:18:16,480 --> 00:18:18,509  
here

301  
00:18:27,569 --> 00:18:33,868  
by personal experiences in trances and

302  
00:18:31,378 --> 00:18:36,808  
altered states inform a great deal of my

303  
00:18:33,868 --> 00:18:39,509  
life and my spirituality when I'm doing

304  
00:18:36,808 --> 00:18:43,710  
science I am always very careful to try

305  
00:18:39,509 --> 00:18:46,349  
to throttle that back down to statements

306  
00:18:43,710 --> 00:18:50,090  
that can at least in principle be

307  
00:18:46,349 --> 00:18:55,558  
verified by other people who aren't me

308  
00:18:50,089 --> 00:18:58,949  
from that perspective I like to ask why

309  
00:18:55,558 --> 00:19:01,678  
the rest of us should believe that any

310  
00:18:58,950 --> 00:19:05,639  
of Michaels testimony is something other

311  
00:19:01,679 --> 00:19:08,159  
than the result of some some kind of

312  
00:19:05,638 --> 00:19:15,839  
seizure seizure disorder accompanied by

313  
00:19:08,159 --> 00:19:20,759  
delusional states suffer any medical

314

00:19:15,839 --> 00:19:26,759  
conditions as a healthy individual he

315  
00:19:20,759 --> 00:19:32,009  
was hired by government back in 1998 to

316  
00:19:26,759 --> 00:19:36,298  
solve some criminal cases in Europe case

317  
00:19:32,009 --> 00:19:38,720  
of murder of politicians high-ranking

318  
00:19:36,298 --> 00:19:44,308  
politician which he solved to

319  
00:19:38,720 --> 00:19:45,868  
satisfaction so I mean it's that from

320  
00:19:44,308 --> 00:19:51,450  
research standpoint we're always looking

321  
00:19:45,868 --> 00:19:52,949  
for ways in which one can validate these

322  
00:19:51,450 --> 00:19:56,129  
kinds of things these kinds of

323  
00:19:52,950 --> 00:19:57,960  
experiences and so when you have

324  
00:19:56,128 --> 00:20:00,209  
something that's reproducible as what

325  
00:19:57,960 --> 00:20:02,879  
Michael does it seems like a very

326  
00:20:00,210 --> 00:20:06,358  
natural condition to do this kind of

327  
00:20:02,878 --> 00:20:08,638  
research so for example clairvoyant kind

328  
00:20:06,358 --> 00:20:11,460

of research would be in principle fairly

329

00:20:08,638 --> 00:20:15,418

simple to have something at a remote

330

00:20:11,460 --> 00:20:18,808

site and have him leave his body

331

00:20:15,419 --> 00:20:21,570

I go to that remote site and describe

332

00:20:18,808 --> 00:20:23,398

what is there come back you know write

333

00:20:21,569 --> 00:20:25,108

it down or whatever and then that can

334

00:20:23,398 --> 00:20:27,358

validate it and that would be in

335

00:20:25,108 --> 00:20:29,398

principle a very clean way to do

336

00:20:27,358 --> 00:20:32,368

research so I'm wondering has he been

337

00:20:29,398 --> 00:20:36,118

tested in this way he has not been

338

00:20:32,368 --> 00:20:37,649

tested yet but he does not want to come

339

00:20:36,118 --> 00:20:42,269

out of the closet yet

340

00:20:37,650 --> 00:20:46,309

but his retiring this year and you know

341

00:20:42,269 --> 00:20:51,509

we would like him to get tested starting

342

00:20:46,308 --> 00:20:54,000

2018 right and there's much more well

343  
00:20:51,509 --> 00:20:59,509  
the reason why he does not want to get

344  
00:20:54,000 --> 00:21:08,849  
out of the closet is rather that he

345  
00:20:59,509 --> 00:21:12,509  
claims he has been in touch with college

346  
00:21:08,849 --> 00:21:15,240  
any guy or different entities early on

347  
00:21:12,509 --> 00:21:21,089  
when he was four years old right that

348  
00:21:15,240 --> 00:21:24,509  
would kind of fly through his life one

349  
00:21:21,089 --> 00:21:28,109  
havel for three years old he would be

350  
00:21:24,509 --> 00:21:30,299  
shown who the walk well he wouldn't be

351  
00:21:28,109 --> 00:21:33,359  
shown me right away

352  
00:21:30,299 --> 00:21:36,149  
Julia that that's a life you have to

353  
00:21:33,359 --> 00:21:39,539  
have so many kids and this is what

354  
00:21:36,150 --> 00:21:43,790  
you're going to do in your life right so

355  
00:21:39,539 --> 00:21:48,420  
he had certain like stages that has been

356  
00:21:43,789 --> 00:21:53,369  
following and the reason why all my

357  
00:21:48,420 --> 00:21:58,350  
period here in 2017 is that he is

358  
00:21:53,369 --> 00:22:01,439  
retiring in 2019 and is ready to get

359  
00:21:58,349 --> 00:22:04,500  
tested in to get out of the closet I

360  
00:22:01,440 --> 00:22:07,920  
mean I have written the book right on

361  
00:22:04,500 --> 00:22:11,609  
out about experiences which is in Slovak

362  
00:22:07,920 --> 00:22:15,240  
and was translated in English but

363  
00:22:11,609 --> 00:22:16,259  
Michael stopped it he said it's not the

364  
00:22:15,240 --> 00:22:20,490  
time yeah

365  
00:22:16,259 --> 00:22:23,308  
let's publish it in English in 2018 it's

366  
00:22:20,490 --> 00:22:28,380  
all ready to be published but there's

367  
00:22:23,308 --> 00:22:32,899  
many things that are not revealing here

368  
00:22:28,380 --> 00:22:32,900  
or not saying that rather words

369  
00:22:33,799 --> 00:22:39,680  
I mean you know what I'm fine yes yes so

370  
00:22:37,130 --> 00:22:41,860  
I think thank you well thanks for the

371

00:22:39,680 --> 00:22:41,860  
preview

372  
00:22:43,579 --> 00:22:47,899  
early in the talk you alluded to

373  
00:22:45,789 --> 00:22:51,069  
suggestion that perhaps this is

374  
00:22:47,900 --> 00:22:53,240  
representative of a stage of evolution

375  
00:22:51,069 --> 00:22:55,339  
that you know perhaps this is an

376  
00:22:53,240 --> 00:22:57,430  
advanced state of being that maybe some

377  
00:22:55,339 --> 00:23:00,349  
of us can look forward to at some point

378  
00:22:57,430 --> 00:23:03,799  
but with that I would like you to

379  
00:23:00,349 --> 00:23:04,969  
clarify so I think ken wilber is quoted

380  
00:23:03,799 --> 00:23:08,139  
with saying there's a difference between

381  
00:23:04,970 --> 00:23:10,279  
waking up and growing up right and so

382  
00:23:08,140 --> 00:23:11,900  
indication of but like a really advanced

383  
00:23:10,279 --> 00:23:14,210  
abilities in one dimension doesn't

384  
00:23:11,900 --> 00:23:16,190  
necessarily always come with it the

385  
00:23:14,210 --> 00:23:18,049

ethics we would like to see onboard with

386

00:23:16,190 --> 00:23:21,309

it so my question is what what kind of

387

00:23:18,049 --> 00:23:23,720

define that in these states is Michael

388

00:23:21,309 --> 00:23:25,940

participating in some kind of like Maxie

389

00:23:23,720 --> 00:23:28,490

fraternal or a substantial types of

390

00:23:25,940 --> 00:23:30,289

tasks or as he just kind of pop it

391

00:23:28,490 --> 00:23:33,529

around looking at stuff I mean what you

392

00:23:30,289 --> 00:23:36,079

know encapsulating the body of a bird is

393

00:23:33,529 --> 00:23:37,549

impressive of course but you know you

394

00:23:36,079 --> 00:23:39,399

could imagine cases of working at an

395

00:23:37,549 --> 00:23:41,089

extra physical clinic and helping like

396

00:23:39,400 --> 00:23:42,890

pathological consciousness that are

397

00:23:41,089 --> 00:23:45,919

discarnating and things like this so

398

00:23:42,890 --> 00:23:50,090

he's not involved in any of this yeah

399

00:23:45,920 --> 00:23:53,360

but he would like to in the future I

400  
00:23:50,089 --> 00:23:56,750  
mean he can talk to as I said he can

401  
00:23:53,359 --> 00:23:58,849  
talk to animals he can talk to cases of

402  
00:23:56,750 --> 00:24:02,210  
pregnant woman and they just happened

403  
00:23:58,849 --> 00:24:06,559  
last week right and he was interacting

404  
00:24:02,210 --> 00:24:10,819  
with the fetus he can't talk to feces I

405  
00:24:06,559 --> 00:24:13,700  
mean his it's not his open in the future

406  
00:24:10,819 --> 00:24:18,559  
he is open to do all this kind of things

407  
00:24:13,700 --> 00:24:20,029  
he is doing it right now I am keeping my

408  
00:24:18,559 --> 00:24:22,339  
diary

409  
00:24:20,029 --> 00:24:25,759  
I have thousands of pages okay she's

410  
00:24:22,339 --> 00:24:32,419  
ready all right I started in 1995 1994

411  
00:24:25,759 --> 00:24:34,849  
but as I said he said it's not the time

412  
00:24:32,420 --> 00:24:39,590  
yeah you know for him to get out of the

413  
00:24:34,849 --> 00:24:42,019  
closet and I hopefully next year we can

414  
00:24:39,589 --> 00:24:42,720  
go ahead with some of the research and

415  
00:24:42,019 --> 00:24:45,690  
that's why

416  
00:24:42,720 --> 00:24:47,788  
presenting the paper here right now if

417  
00:24:45,690 --> 00:24:49,140  
that makes sense well it makes sense

418  
00:24:47,788 --> 00:24:53,230  
from a research standpoint and we're

419  
00:24:49,140 --> 00:24:58,190  
scientists oh well okay

420  
00:24:53,230 --> 00:24:58,190  
[Applause]
