

1  
00:00:00,020 --> 00:00:07,318  
well good morning everybody again and

2  
00:00:04,580 --> 00:00:09,359  
I'm going to begin by adding a few

3  
00:00:07,318 --> 00:00:14,519  
things to what Courtney said as to why I

4  
00:00:09,359 --> 00:00:16,980  
claim to have a credible reputation in

5  
00:00:14,519 --> 00:00:19,528  
ufology I'm probably the only one in the

6  
00:00:16,980 --> 00:00:20,850  
room who ran a proprietary program for a

7  
00:00:19,528 --> 00:00:23,670  
half million dollars back in the late

8  
00:00:20,850 --> 00:00:25,560  
60s for McDonnell Douglas investigating

9  
00:00:23,670 --> 00:00:28,710  
the question of how would you proceed to

10  
00:00:25,559 --> 00:00:30,000  
develop a gravity control device I'm

11  
00:00:28,710 --> 00:00:33,570  
probably the only one in the room who

12  
00:00:30,000 --> 00:00:35,549  
owns four thousand pages of questioned

13  
00:00:33,570 --> 00:00:39,600  
leaked documents and I'm probably the

14  
00:00:35,549 --> 00:00:41,039  
only one in the room who was given

15  
00:00:39,600 --> 00:00:43,770  
hundreds of thousands of dollars to make

16  
00:00:41,039 --> 00:00:47,780  
a television documentary on the subject

17  
00:00:43,770 --> 00:00:50,210  
of UFOs and so with that background I'm

18  
00:00:47,780 --> 00:00:58,260  
claiming that what I'm going to say is

19  
00:00:50,210 --> 00:01:00,420  
believable now however however what I

20  
00:00:58,259 --> 00:01:03,390  
was asked to do was to provide a 10

21  
00:01:00,420 --> 00:01:06,329  
minute summary of your father g or UFOs

22  
00:01:03,390 --> 00:01:09,390  
for the SSC members most of whom do not

23  
00:01:06,329 --> 00:01:13,859  
know much about the subject except what

24  
00:01:09,390 --> 00:01:15,210  
we just heard from jerry clark and i'm

25  
00:01:13,859 --> 00:01:16,709  
going to give it to you in four parts

26  
00:01:15,209 --> 00:01:20,399  
first i'm going to tell you what I think

27  
00:01:16,709 --> 00:01:21,809  
I know and the more you get involved in

28  
00:01:20,400 --> 00:01:24,750  
a sub T of course just less you know

29

00:01:21,810 --> 00:01:27,450  
what you know but I'm going to try to

30  
00:01:24,750 --> 00:01:30,328  
create a I have created a slide that I

31  
00:01:27,450 --> 00:01:32,129  
think is one that everyone on the panel

32  
00:01:30,328 --> 00:01:33,750  
tonight will all agree with well we'll

33  
00:01:32,129 --> 00:01:36,030  
see then I'm going to share some

34  
00:01:33,750 --> 00:01:37,978  
surprising facts with you deal with some

35  
00:01:36,030 --> 00:01:40,799  
unanswered but interesting Lee

36  
00:01:37,978 --> 00:01:43,069  
scientific questions and didn't find up

37  
00:01:40,799 --> 00:01:46,860  
wind up with what are the issues today

38  
00:01:43,069 --> 00:01:49,589  
first is the summary what I think I know

39  
00:01:46,859 --> 00:01:51,390  
for sure and the first one is that I

40  
00:01:49,590 --> 00:01:53,490  
know for sure that Professor James

41  
00:01:51,390 --> 00:01:55,500  
McDonald was a professor of atmospheric

42  
00:01:53,489 --> 00:01:59,399  
sciences at university of arizona in the

43  
00:01:55,500 --> 00:02:02,489

late 60s and that he studied cases with

44

00:01:59,399 --> 00:02:04,890

great intensity and depths especially

45

00:02:02,489 --> 00:02:07,468

radar visual cases where there were lots

46

00:02:04,890 --> 00:02:09,360

of witnesses he presented his

47

00:02:07,468 --> 00:02:11,219

conclusions to a number of scientific

48

00:02:09,360 --> 00:02:12,840

societies and gained a reputation such

49

00:02:11,219 --> 00:02:13,530

that he was asked by Congress a

50

00:02:12,840 --> 00:02:15,750

congressional

51

00:02:13,530 --> 00:02:19,259

mittee to tell him what he thought and

52

00:02:15,750 --> 00:02:20,969

in that testimony he said I think that

53

00:02:19,259 --> 00:02:23,099

the least unlikely explanation is that

54

00:02:20,969 --> 00:02:27,330

the extra-terrestrial hypothesis is

55

00:02:23,099 --> 00:02:29,159

correct since he was a very cautious

56

00:02:27,330 --> 00:02:31,950

scientist he said least unlikely instead

57

00:02:29,159 --> 00:02:34,620

of most likely the second thing I'm I

58  
00:02:31,949 --> 00:02:36,929  
believe I'm certainly sure of is that

59  
00:02:34,620 --> 00:02:39,480  
they're real craft they make dents in

60  
00:02:36,930 --> 00:02:41,640  
railroad ties if they land military

61  
00:02:39,479 --> 00:02:44,729  
confrontations Duke occur planes have

62  
00:02:41,639 --> 00:02:46,979  
been shot down and actually I think

63  
00:02:44,729 --> 00:02:48,359  
quite a few more planes than have been

64  
00:02:46,979 --> 00:02:50,310  
no matter of public record have been

65  
00:02:48,360 --> 00:02:52,350  
shot down both in this country and in

66  
00:02:50,310 --> 00:02:55,590  
the Soviet Union I'm certain that

67  
00:02:52,349 --> 00:02:59,759  
consciousness reports are present that

68  
00:02:55,590 --> 00:03:02,129  
is interactions between the craft even

69  
00:02:59,759 --> 00:03:06,090  
if you don't see any creatures and

70  
00:03:02,129 --> 00:03:07,889  
interactions with potential aliens I'm

71  
00:03:06,090 --> 00:03:09,569  
certain that the reports are worldwide

72  
00:03:07,889 --> 00:03:12,149  
and they've been going for a long time

73  
00:03:09,568 --> 00:03:14,699  
in fact we just heard Jerome Clark

74  
00:03:12,150 --> 00:03:18,480  
summarize a number of specific cases

75  
00:03:14,699 --> 00:03:20,039  
that are in that domain and finally I've

76  
00:03:18,479 --> 00:03:23,488  
concluded that there are some reports

77  
00:03:20,039 --> 00:03:26,400  
that are really curious that there are

78  
00:03:23,489 --> 00:03:27,780  
time anomalies where people are missing

79  
00:03:26,400 --> 00:03:30,360  
for a few days and yet their watch is

80  
00:03:27,780 --> 00:03:31,979  
the same time or vice versa or people

81  
00:03:30,360 --> 00:03:33,570  
are missing for a few days and they've

82  
00:03:31,979 --> 00:03:35,518  
grown a beard or they'd be on no beard

83  
00:03:33,569 --> 00:03:37,349  
go or they haven't been missing in the

84  
00:03:35,519 --> 00:03:39,599  
Google of you grow a beard so anyway

85  
00:03:37,349 --> 00:03:42,389  
those kind of time anomalies are puzzle

86

00:03:39,599 --> 00:03:45,629  
mats that are a little bit more

87  
00:03:42,389 --> 00:03:47,669  
difficult for everyone to deal with so

88  
00:03:45,629 --> 00:03:50,699  
this is what I think I know for sure and

89  
00:03:47,669 --> 00:03:51,809  
one of the ways I know for sure is as

90  
00:03:50,699 --> 00:03:53,449  
we're talking about earlier and the

91  
00:03:51,810 --> 00:03:56,250  
question answer is from the evidence

92  
00:03:53,449 --> 00:03:57,689  
well the evidence is the available

93  
00:03:56,250 --> 00:03:59,969  
evidence now if there are crashed

94  
00:03:57,689 --> 00:04:01,519  
vehicles and they're kept secret

95  
00:03:59,969 --> 00:04:04,019  
somewhere we don't have that evidence

96  
00:04:01,519 --> 00:04:06,030  
but we do have the evidence that shown

97  
00:04:04,019 --> 00:04:07,620  
here we have a witness testimony we have

98  
00:04:06,030 --> 00:04:09,239  
the photos we have videos we have

99  
00:04:07,620 --> 00:04:10,799  
official government studies we have

100  
00:04:09,239 --> 00:04:13,319

distinguished leader quotes and we have

101

00:04:10,799 --> 00:04:15,510  
leaked documents and I'll give an

102

00:04:13,319 --> 00:04:18,120  
example of each of these three beginning

103

00:04:15,509 --> 00:04:20,189  
with this photograph comparison which I

104

00:04:18,120 --> 00:04:21,598  
really love because the top one was

105

00:04:20,189 --> 00:04:23,639  
taken by Paul tread upon minh ville

106

00:04:21,598 --> 00:04:26,459  
oregon in 1950 in the bottom was by

107

00:04:23,639 --> 00:04:27,449  
French Air Force pilot in 1954 and the

108

00:04:26,459 --> 00:04:29,189  
similarity of these

109

00:04:27,449 --> 00:04:32,490  
apes and different times have always

110

00:04:29,189 --> 00:04:37,439  
impressed me the second evidence example

111

00:04:32,490 --> 00:04:40,050  
is a hand written quote from j edgar

112

00:04:37,439 --> 00:04:42,719  
hoover who says we must insist upon full

113

00:04:40,050 --> 00:04:44,550  
access to disks recovered for example in

114

00:04:42,720 --> 00:04:46,400  
the LA case the army grab that would not

115  
00:04:44,550 --> 00:04:48,329  
let us have it for cursory examination

116  
00:04:46,399 --> 00:04:51,870  
that's July fifteenth nineteen

117  
00:04:48,329 --> 00:04:55,259  
forty-seven a little bit after the

118  
00:04:51,870 --> 00:05:00,389  
roswell crash the third example i have

119  
00:04:55,259 --> 00:05:01,949  
is an example of a leaked document that

120  
00:05:00,389 --> 00:05:04,500  
i believe to be athletic this is from

121  
00:05:01,949 --> 00:05:06,560  
the Special Operations man the special

122  
00:05:04,500 --> 00:05:08,639  
operations manual is entitled

123  
00:05:06,560 --> 00:05:10,560  
extraterrestrial entities and Technology

124  
00:05:08,639 --> 00:05:12,719  
recovery and disposal and actually

125  
00:05:10,560 --> 00:05:17,069  
there's examples on the table in the

126  
00:05:12,720 --> 00:05:18,540  
other room this statement says it may

127  
00:05:17,069 --> 00:05:20,639  
become necessary to issue false

128  
00:05:18,540 --> 00:05:22,260  
statements to preserve the security the

129  
00:05:20,639 --> 00:05:23,669  
site meteors down satellites weather

130  
00:05:22,259 --> 00:05:26,670  
balloons military aircraft are all

131  
00:05:23,670 --> 00:05:29,850  
acceptable so we have had a deception

132  
00:05:26,670 --> 00:05:31,920  
policy now now the second set of things

133  
00:05:29,850 --> 00:05:33,960  
I want to share with you the facts that

134  
00:05:31,920 --> 00:05:35,790  
might surprise you first extensive

135  
00:05:33,959 --> 00:05:38,370  
reports of crashes Downing's and

136  
00:05:35,790 --> 00:05:39,930  
retrievals you you would probably be

137  
00:05:38,370 --> 00:05:42,240  
amazed to know that there's book out

138  
00:05:39,930 --> 00:05:44,699  
called magic eyes only written by my own

139  
00:05:42,240 --> 00:05:47,430  
son Ryan Ryan are you in the room yeah

140  
00:05:44,699 --> 00:05:49,050  
he's right there so if you want to quiz

141  
00:05:47,430 --> 00:05:51,689  
him on this way you can do that at the

142  
00:05:49,050 --> 00:05:54,030  
break but he this book says that there's

143

00:05:51,689 --> 00:05:55,500  
75 crashes they identified very slow as

144  
00:05:54,029 --> 00:05:57,449  
a quality some of them require more

145  
00:05:55,500 --> 00:05:59,670  
investigation but he's used remote

146  
00:05:57,449 --> 00:06:01,979  
viewing in order to verify the location

147  
00:05:59,670 --> 00:06:04,980  
of previous crashes and to find the

148  
00:06:01,980 --> 00:06:06,330  
location of new crashes he uses the

149  
00:06:04,980 --> 00:06:08,870  
string field cases and he still

150  
00:06:06,329 --> 00:06:12,899  
identifying new locations and debris and

151  
00:06:08,870 --> 00:06:14,639  
debris there there's another thing that

152  
00:06:12,899 --> 00:06:15,839  
surprised you probably would be that

153  
00:06:14,639 --> 00:06:19,050  
there's multiple indications that

154  
00:06:15,839 --> 00:06:21,359  
crashes started in 1941 242 the Cape

155  
00:06:19,050 --> 00:06:24,030  
Girardeau crash is a classic one and

156  
00:06:21,360 --> 00:06:29,040  
then the ones relating to the Battle of

157  
00:06:24,029 --> 00:06:31,049

LA the third point is that some leaked

158

00:06:29,040 --> 00:06:33,360

documents may seem to be seem to be

159

00:06:31,050 --> 00:06:36,240

authentic that might surprise you it's

160

00:06:33,360 --> 00:06:38,910

easy to say well these days is so simple

161

00:06:36,240 --> 00:06:41,069

to get a sophisticated word processing

162

00:06:38,910 --> 00:06:43,410

program and create almost anything

163

00:06:41,069 --> 00:06:44,879

that seems authentic the answer is if

164

00:06:43,410 --> 00:06:46,230

you have the original papers it's not

165

00:06:44,879 --> 00:06:48,750

that easy and I'll talk about that later

166

00:06:46,230 --> 00:06:52,439

the fourth thing is that some abduction

167

00:06:48,750 --> 00:06:54,660

tales suggest reality and lastly the

168

00:06:52,439 --> 00:06:57,149

thing that I think most people have no

169

00:06:54,660 --> 00:06:59,910

grasp of especially people who have been

170

00:06:57,149 --> 00:07:02,639

largely in your University domain so

171

00:06:59,910 --> 00:07:05,640

they have no idea of how sophisticated

172  
00:07:02,639 --> 00:07:07,800  
the government deception is and can be I

173  
00:07:05,639 --> 00:07:09,839  
mean we built a whole city called Oak

174  
00:07:07,800 --> 00:07:14,490  
Ridge and nobody knew about that

175  
00:07:09,839 --> 00:07:15,599  
essentially nobody now the third thing I

176  
00:07:14,490 --> 00:07:18,540  
want to share with you by way of

177  
00:07:15,600 --> 00:07:22,379  
introduction is that there are questions

178  
00:07:18,540 --> 00:07:24,920  
that you follow just ask that are really

179  
00:07:22,379 --> 00:07:28,050  
scientifically interesting in fact I

180  
00:07:24,920 --> 00:07:30,930  
proposed to MUFON the mutual UFO network

181  
00:07:28,050 --> 00:07:34,139  
and we'll hear from James carrion who's

182  
00:07:30,930 --> 00:07:36,030  
the director of that tonight some

183  
00:07:34,139 --> 00:07:37,919  
research projects a history research

184  
00:07:36,029 --> 00:07:41,069  
project how do they relate historically

185  
00:07:37,920 --> 00:07:42,870  
demand a travel research project how do

186  
00:07:41,069 --> 00:07:45,779  
they get here from there wherever there

187  
00:07:42,870 --> 00:07:47,699  
is and what's their energy source how do

188  
00:07:45,779 --> 00:07:49,699  
they communicate why are they abducting

189  
00:07:47,699 --> 00:07:52,319  
people and then finally this last one is

190  
00:07:49,699 --> 00:07:53,939  
added to that list and that is our their

191  
00:07:52,319 --> 00:07:55,529  
technical secrets that have already been

192  
00:07:53,939 --> 00:08:00,000  
discovered that we just don't know about

193  
00:07:55,529 --> 00:08:02,519  
in the unclassified world so with those

194  
00:08:00,000 --> 00:08:04,860  
three thoughts behind us let's go to the

195  
00:08:02,519 --> 00:08:06,689  
final thought set of ideas I wanted to

196  
00:08:04,860 --> 00:08:09,870  
share with you so that when you hear the

197  
00:08:06,689 --> 00:08:12,149  
panel discussion tonight and appreciate

198  
00:08:09,870 --> 00:08:14,160  
the questions that the those who are

199  
00:08:12,149 --> 00:08:16,949  
knowledgeable or asking each other and

200

00:08:14,160 --> 00:08:19,740  
are dealing with the skeptics with these

201  
00:08:16,949 --> 00:08:22,769  
are the kind of hot issues are some or

202  
00:08:19,740 --> 00:08:24,180  
all of these documents hoaxed the second

203  
00:08:22,769 --> 00:08:26,969  
is why wouldn't the government be

204  
00:08:24,180 --> 00:08:28,620  
willing to disclose the truth and if

205  
00:08:26,970 --> 00:08:30,720  
their extraterrestrial higher van they

206  
00:08:28,620 --> 00:08:34,710  
contacted us it seems like there's large

207  
00:08:30,720 --> 00:08:38,160  
numbers of societies that have been

208  
00:08:34,710 --> 00:08:40,469  
reported in shapes it's amazing that

209  
00:08:38,159 --> 00:08:43,228  
least one of medicine tried how could

210  
00:08:40,469 --> 00:08:44,879  
you hide so much money to do the

211  
00:08:43,229 --> 00:08:47,310  
research necessary to secretly study

212  
00:08:44,879 --> 00:08:50,009  
this technology and is there any real

213  
00:08:47,309 --> 00:08:51,539  
evidence that we have back engineered or

214  
00:08:50,009 --> 00:08:52,799

reverse engineered anything that we

215

00:08:51,539 --> 00:08:54,449

might have recovered from these crafts

216

00:08:52,799 --> 00:08:56,069

and is it

217

00:08:54,450 --> 00:08:58,680

possible that some of the abductions are

218

00:08:56,070 --> 00:09:04,820

not real and it's all a matter of what's

219

00:08:58,679 --> 00:09:08,009

in our mind so these are those are the

220

00:09:04,820 --> 00:09:11,070

main ideas I wanted to share with you in

221

00:09:08,009 --> 00:09:14,069

the context of I've studied this subject

222

00:09:11,070 --> 00:09:16,260

for a long time and the more I study at

223

00:09:14,070 --> 00:09:17,820

the less I'm totally sure of but

224

00:09:16,259 --> 00:09:19,620

remember the five things I showed you I

225

00:09:17,820 --> 00:09:22,379

really sure of it's probably good to go

226

00:09:19,620 --> 00:09:27,210

with and now you know what the issues

227

00:09:22,379 --> 00:09:30,179

are so now I'll proceed to the other

228

00:09:27,210 --> 00:09:33,240

part of my talk today which was the

229

00:09:30,179 --> 00:09:39,719

evaluation of two original paper leaked

230

00:09:33,240 --> 00:09:46,320

UFO documents and they are shown here

231

00:09:39,720 --> 00:09:48,330

well see before I say that what well the

232

00:09:46,320 --> 00:09:51,810

first one is an encyclopedia of flying

233

00:09:48,330 --> 00:09:54,990

saucers by Vernon gone and actually this

234

00:09:51,809 --> 00:09:57,869

was given by him to the Air Force in

235

00:09:54,990 --> 00:10:01,940

1961 they kept it study that make marks

236

00:09:57,870 --> 00:10:01,940

on it and returned it in 1990
