

1  
00:00:00,000 --> 00:00:06,089  
presented in Phillip Corsos book I think

2  
00:00:02,759 --> 00:00:12,109  
it's what Roswell revisited good

3  
00:00:06,089 --> 00:00:15,389  
question how the I gave a whole talk on

4  
00:00:12,109 --> 00:00:19,980  
to a course those book and feel course

5  
00:00:15,388 --> 00:00:22,829  
so at at one time and my recollection of

6  
00:00:19,980 --> 00:00:25,920  
what I said and what I think now is that

7  
00:00:22,829 --> 00:00:28,399  
when Phil Corso states specifically that

8  
00:00:25,920 --> 00:00:31,230  
he did something he's probably

9  
00:00:28,399 --> 00:00:34,859  
accurately stating that when he states

10  
00:00:31,230 --> 00:00:36,840  
that someone else did something like we

11  
00:00:34,859 --> 00:00:39,479  
reverse-engineer this but he never saw

12  
00:00:36,840 --> 00:00:41,940  
it then I'd say he might be susceptible

13  
00:00:39,479 --> 00:00:45,029  
to exaggeration and or speculation I

14  
00:00:41,939 --> 00:00:46,649  
don't know it's possible that John

15  
00:00:45,030 --> 00:00:49,500  
Alexander may comment on that on that

16  
00:00:46,649 --> 00:00:52,590  
point but I I think when he stated

17  
00:00:49,500 --> 00:00:54,119  
something that he did himself I think it

18  
00:00:52,590 --> 00:00:57,359  
was an honest man and I think he was

19  
00:00:54,119 --> 00:00:59,849  
stating it what he what he did whether

20  
00:00:57,359 --> 00:01:01,799  
what he stated about other people is

21  
00:00:59,850 --> 00:01:04,769  
more questionable ok we have just one

22  
00:01:01,799 --> 00:01:05,969  
more question I'm sorry and this may be

23  
00:01:04,769 --> 00:01:09,840  
a technical question on the bone

24  
00:01:05,969 --> 00:01:11,459  
document but i'm a bit puzzled why for a

25  
00:01:09,840 --> 00:01:14,579  
document that parently preserved pretty

26  
00:01:11,459 --> 00:01:16,559  
high up in the air force hierarchy ends

27  
00:01:14,579 --> 00:01:18,030  
up being released by the Fort Meade for

28  
00:01:16,560 --> 00:01:20,490  
your office I that doesn't make much

29

00:01:18,030 --> 00:01:22,739  
sense to me well I'm agreed with that

30  
00:01:20,489 --> 00:01:25,829  
question to rule if you want me to

31  
00:01:22,739 --> 00:01:27,298  
speculate on the answer basically this

32  
00:01:25,829 --> 00:01:30,000  
document was truly given to the Air

33  
00:01:27,299 --> 00:01:32,368  
Force for evaluation and and was

34  
00:01:30,000 --> 00:01:33,509  
evaluated at a classified level but

35  
00:01:32,368 --> 00:01:35,340  
there was nothing there there was

36  
00:01:33,509 --> 00:01:36,989  
nothing important and so they stuck it

37  
00:01:35,340 --> 00:01:39,030  
in a file and here he is in a top-secret

38  
00:01:36,989 --> 00:01:41,069  
file well it's not easy to declassify it

39  
00:01:39,030 --> 00:01:43,439  
and i think frankly the guys who are in

40  
00:01:41,069 --> 00:01:45,839  
charge of the that particular file

41  
00:01:43,438 --> 00:01:47,728  
didn't know what to do with it but they

42  
00:01:45,840 --> 00:01:50,430  
did follow the subject enough said well

43  
00:01:47,728 --> 00:01:52,560

he knew this guy tim cooper was

44

00:01:50,430 --> 00:01:54,329

receiving leaked documents let's mail it

45

00:01:52,560 --> 00:01:55,978

to him and so i think it was as simple

46

00:01:54,328 --> 00:01:58,349

as that they stuck it in the envelope

47

00:01:55,978 --> 00:01:59,849

there was no transmittal letter they got

48

00:01:58,349 --> 00:02:05,789

it out of their files they didn't have

49

00:01:59,849 --> 00:02:09,139

to account for it ok Brenda what I'm

50

00:02:05,790 --> 00:02:09,140

sorry one last question ok

51

00:02:10,560 --> 00:02:17,560

I'm new to this and so I'm looking at it

52

00:02:13,750 --> 00:02:20,340

from a perspective of trying to really

53

00:02:17,560 --> 00:02:23,500

the previous speaker talked about

54

00:02:20,340 --> 00:02:26,409

leaving the observation and questioning

55

00:02:23,500 --> 00:02:28,389

the explanation yes when I look at what

56

00:02:26,409 --> 00:02:29,919

you presented it seems very credible to

57

00:02:28,389 --> 00:02:31,239

me that these are real documents and

58  
00:02:29,919 --> 00:02:35,259  
that these are real statements that were

59  
00:02:31,240 --> 00:02:36,580  
made my impression is that my first

60  
00:02:35,259 --> 00:02:40,109  
impression is that well why couldn't

61  
00:02:36,580 --> 00:02:41,980  
this be evidence of a black ops

62  
00:02:40,110 --> 00:02:43,989  
operation in the government which we

63  
00:02:41,979 --> 00:02:48,429  
know exists we know that they go through

64  
00:02:43,989 --> 00:02:50,170  
a great deal of effort to do a lot of

65  
00:02:48,430 --> 00:02:53,830  
black ops experimentation and

66  
00:02:50,169 --> 00:02:56,589  
development and the explanation would be

67  
00:02:53,830 --> 00:02:58,180  
there for the relationship with JFK if

68  
00:02:56,590 --> 00:03:00,459  
someone and especially when you

69  
00:02:58,180 --> 00:03:06,129  
mentioned funding that's one of the

70  
00:03:00,459 --> 00:03:08,879  
greatest motivations for concern is that

71  
00:03:06,129 --> 00:03:08,879  
X
