

1
00:00:00,000 --> 00:00:03,569
for what even the first step would be to

2
00:00:01,829 --> 00:00:04,950
fix and I'm just talking about cancer

3
00:00:03,569 --> 00:00:07,019
here I got a bunch of other experiments

4
00:00:04,950 --> 00:00:10,800
to but I wouldn't have any idea what to

5
00:00:07,019 --> 00:00:14,369
do so one of the things i need to do is

6
00:00:10,800 --> 00:00:16,320
not even try but to say it to evoke

7
00:00:14,369 --> 00:00:19,980
another intelligence i would have to say

8
00:00:16,320 --> 00:00:24,028
it has to be but the intelligence could

9
00:00:19,980 --> 00:00:27,868
be me in other words i don't know how to

10
00:00:24,028 --> 00:00:31,050
digest an apple but i can digest an

11
00:00:27,868 --> 00:00:33,530
apple I don't need to understand how to

12
00:00:31,050 --> 00:00:36,600
digest digest an apple in order to do it

13
00:00:33,530 --> 00:00:39,120
so the intelligence to digest an apple

14
00:00:36,600 --> 00:00:40,620
is me or could be me and you can argue

15
00:00:39,119 --> 00:00:43,109
whether we're that intelligence come

16
00:00:40,619 --> 00:00:44,820
from and go in an infinite regress but

17
00:00:43,109 --> 00:00:47,579
consciously I don't know how to digest

18
00:00:44,820 --> 00:00:49,350
an apple consciously I don't know how to

19
00:00:47,579 --> 00:00:52,109
do almost anything that I just naturally

20
00:00:49,350 --> 00:00:55,800
do and in that sense i mean i don't know

21
00:00:52,109 --> 00:00:59,219
how to walk yet i can do it i don't know

22
00:00:55,799 --> 00:01:01,108
how to heal yet i can do it and so in

23
00:00:59,219 --> 00:01:03,359
that sense i say there has to be because

24
00:01:01,109 --> 00:01:05,700
my conscious brain certainly is not

25
00:01:03,359 --> 00:01:11,219
capable of even knowing what the first

26
00:01:05,700 --> 00:01:18,109
step would be in this I hope you can do

27
00:01:11,219 --> 00:01:20,060
some work on baldness words Jerome

28
00:01:18,109 --> 00:01:21,500
traded children's wards by prick

29

00:01:20,060 --> 00:01:24,290
painting him with the brightly colored

30
00:01:21,500 --> 00:01:26,060
eye and he found and telling was a magic

31
00:01:24,290 --> 00:01:32,270
guy and that it would eventually go away

32
00:01:26,060 --> 00:01:34,159
yet on that way yeah they have I had a

33
00:01:32,269 --> 00:01:36,319
dermatologist explain to me how to get

34
00:01:34,159 --> 00:01:37,789
rid of warts you take an apple and you

35
00:01:36,319 --> 00:01:39,139
tell the person to cut it in a certain

36
00:01:37,790 --> 00:01:41,090
way at a certain time at a certain

37
00:01:39,140 --> 00:01:43,010
frequency at a certain and you do that

38
00:01:41,090 --> 00:01:44,240
certain number of times per day for a

39
00:01:43,010 --> 00:01:46,100
certain number of days and we'll get rid

40
00:01:44,239 --> 00:01:52,909
of the warts and he says he does this in

41
00:01:46,099 --> 00:01:58,089
his clinical work and he said it works I

42
00:01:52,909 --> 00:01:58,090
can't do it though I can cut an apple

43
00:02:02,370 --> 00:02:06,990

the nature

44

00:02:04,789 --> 00:02:09,719
our research

45

00:02:06,989 --> 00:02:12,289
if x-rated

46

00:02:09,719 --> 00:02:12,289
my professor

47

00:02:12,539 --> 00:02:20,469
that's the stress

48

00:02:15,490 --> 00:02:20,469
it wouldn't roll the presence of

49

00:02:23,840 --> 00:02:28,680
full

50

00:02:25,689 --> 00:02:33,318
no that no

51

00:02:28,680 --> 00:02:33,319
but just wait there he look like

52

00:02:36,370 --> 00:02:40,780
they can't tell who's we

53

00:02:41,580 --> 00:02:50,890
those circumstances you do see that the

54

00:02:46,479 --> 00:03:03,250
appropriate production possibility the

55

00:02:50,889 --> 00:03:05,019
genuine yours details in one experiment

56

00:03:03,250 --> 00:03:07,150
we had six rooms going on at the same

57

00:03:05,020 --> 00:03:09,730
time so if I was in there sitting with a

58
00:03:07,150 --> 00:03:12,310
cage a student was sitting there sitting

59
00:03:09,729 --> 00:03:14,979
with a cage they tried to replicate

60
00:03:12,310 --> 00:03:17,920
exactly what i did with no training and

61
00:03:14,979 --> 00:03:22,719
all that oh they all got cured because

62
00:03:17,919 --> 00:03:28,208
they all get cured now yeah but that's

63
00:03:22,719 --> 00:03:32,400
all but now the student would leave yes

64
00:03:28,209 --> 00:03:35,879
yes they're not just there to say

65
00:03:32,400 --> 00:03:35,879
they're not there

66
00:03:36,370 --> 00:03:50,379
intention contamination or variable to

67
00:03:40,460 --> 00:03:50,379
celesin addressing how sister yes

68
00:03:51,060 --> 00:03:56,469
no something that I co made up with some

69
00:03:54,490 --> 00:03:58,780
other guy and I and it would take me a

70
00:03:56,469 --> 00:04:01,509
long time to explain it but I can tell

71
00:03:58,780 --> 00:04:06,340
you what it's not it has no faith it has

72

00:04:01,509 --> 00:04:09,280

no belief it has it has yet has

73

00:04:06,340 --> 00:04:10,960

intention it has intention and it's a

74

00:04:09,280 --> 00:04:13,360

mechanical process it takes quite a bit

75

00:04:10,960 --> 00:04:16,150

of practice to master but you can do it

76

00:04:13,360 --> 00:04:18,850

relatively mechanically it is completely

77

00:04:16,149 --> 00:04:22,979

faithless in belief 'less thank you we

78

00:04:18,850 --> 00:04:22,980

could go on yeah thank you very much
