

1
00:00:00,060 --> 00:00:06,540
I was wondering exactly what did the

2
00:00:02,279 --> 00:00:09,539
healers do I mean did they chant or pray

3
00:00:06,540 --> 00:00:11,669
or was it just intentionality or what

4
00:00:09,539 --> 00:00:13,439
exactly did they do to perform this

5
00:00:11,669 --> 00:00:15,929
treatment okay the the second part of

6
00:00:13,439 --> 00:00:17,789
that is was it's based on special

7
00:00:15,929 --> 00:00:21,329
abilities of these people or is it

8
00:00:17,789 --> 00:00:23,580
behaviors that could a person could

9
00:00:21,329 --> 00:00:25,889
learn and therefore you know be able to

10
00:00:23,579 --> 00:00:28,858
treat others as well well I'll tell you

11
00:00:25,890 --> 00:00:31,070
that I have since over this decade

12
00:00:28,859 --> 00:00:32,669
trained myself so now even I can do it

13
00:00:31,070 --> 00:00:35,219
okay

14
00:00:32,668 --> 00:00:37,649
I had a number of undergraduate students

15
00:00:35,219 --> 00:00:41,179
at University of California Irvine that

16
00:00:37,649 --> 00:00:44,579
I took a crash course in pranic healing

17
00:00:41,179 --> 00:00:46,890
about an hour and they treated the cells

18
00:00:44,579 --> 00:00:49,710
in culture they did not do as good a job

19
00:00:46,890 --> 00:00:52,439
as an experienced healer but they still

20
00:00:49,710 --> 00:00:54,840
had a result and what they actually did

21
00:00:52,439 --> 00:00:59,218
with pranic healing at least was that

22
00:00:54,840 --> 00:01:01,289
they imagined and pull through energy

23
00:00:59,219 --> 00:01:04,710
from the universe through their bodies

24
00:01:01,289 --> 00:01:07,439
and visualized first green light

25
00:01:04,709 --> 00:01:10,679
emitting from their hands clean the

26
00:01:07,438 --> 00:01:14,039
cells with green light whitish green

27
00:01:10,680 --> 00:01:17,610
light then clean the cells with whitish

28
00:01:14,040 --> 00:01:20,340
orange light stimulated the cells with

29

00:01:17,609 --> 00:01:25,680
bright white light through their hands

30
00:01:20,340 --> 00:01:28,189
then placed blue light oh the cells and

31
00:01:25,680 --> 00:01:28,189
that was it

32
00:01:32,780 --> 00:01:41,359
it's what they visualize if you look at

33
00:01:36,079 --> 00:01:42,829
it clairvoyantly you see colors but what

34
00:01:41,359 --> 00:01:47,060
this actually entails it's far more

35
00:01:42,829 --> 00:01:49,489
obviously than electromagnetic or energy

36
00:01:47,060 --> 00:01:52,939
because you can do this in a area that

37
00:01:49,489 --> 00:01:54,890
shielded from electromagnetic fields and

38
00:01:52,939 --> 00:01:56,689
the other healers that we work with

39
00:01:54,890 --> 00:01:58,519
there are many healers who work with do

40
00:01:56,689 --> 00:02:00,829
not have a clue what they do but they

41
00:01:58,519 --> 00:02:03,590
seem to be able to bring about a healing

42
00:02:00,829 --> 00:02:08,469
process okay let's give a big round of

43
00:02:03,590 --> 00:02:08,469

applause for dr. Joey Jones
