

1
00:00:00,000 --> 00:00:05,400
alright we're going to continue our

2
00:00:03,350 --> 00:00:08,339
morning session on non local

3
00:00:05,400 --> 00:00:11,250
connectivity our first speaker will be

4
00:00:08,339 --> 00:00:16,138
John Alexander it's going to tell us the

5
00:00:11,250 --> 00:00:17,879
real story of goats John and then it was

6
00:00:16,138 --> 00:00:20,038
supposed to start with an apology by

7
00:00:17,879 --> 00:00:22,589
there when I moved nom Anor an unrated

8
00:00:20,039 --> 00:00:25,679
this talk I made an assumption that a

9
00:00:22,589 --> 00:00:27,809
bus soil that involved in a movie with

10
00:00:25,679 --> 00:00:30,899
George clearly there was based primarily

11
00:00:27,809 --> 00:00:32,488
on psychic phenomena would be going on

12
00:00:30,899 --> 00:00:33,929
in the audience and I didn't find out

13
00:00:32,488 --> 00:00:35,789
until I got to the culture merely

14
00:00:33,929 --> 00:00:40,649
thought this is where people don't even

15
00:00:35,789 --> 00:00:46,019
know what it is so we are alone I might

16
00:00:40,649 --> 00:00:50,730
not have been that otherwise the this is

17
00:00:46,020 --> 00:00:53,850
bet based on a book by John Watson on a

18
00:00:50,729 --> 00:00:56,009
proposed and I said a five percent

19
00:00:53,850 --> 00:01:00,420
factor where he talked about this much

20
00:00:56,009 --> 00:01:02,460
truth and wrote this much and I say the

21
00:01:00,420 --> 00:01:05,129
characters are unambiguous in this I've

22
00:01:02,460 --> 00:01:08,280
Anatole displacer I mentioned by name

23
00:01:05,129 --> 00:01:10,770
and so it is really clear we learn how

24
00:01:08,280 --> 00:01:14,180
to extract that now in the movie well

25
00:01:10,769 --> 00:01:16,949
there is quite a bit of extrapolation

26
00:01:14,180 --> 00:01:19,259
here the vivid claims that are really

27
00:01:16,950 --> 00:01:21,390
kind of interested me to go through as

28
00:01:19,259 --> 00:01:23,819
many of these as we can get through but

29

00:01:21,390 --> 00:01:26,189
these are things that their state of de

30
00:01:23,819 --> 00:01:28,349
happened I understand this was done as a

31
00:01:26,188 --> 00:01:33,078
comedy when you thought was so the kind

32
00:01:28,349 --> 00:01:35,309
of the intent on it so we started

33
00:01:33,078 --> 00:01:38,158
unfortunately he destroyed were the most

34
00:01:35,310 --> 00:01:38,939
romantic thing which was that you see

35
00:01:38,159 --> 00:01:41,850
George clearly

36
00:01:38,939 --> 00:01:45,810
yes is going beasters with the boat will

37
00:01:41,849 --> 00:01:49,439
intently and also the logo and the dice

38
00:01:45,810 --> 00:01:53,609
and in the milk that story exists

39
00:01:49,439 --> 00:01:55,890
unfortunately it's not true well the

40
00:01:53,609 --> 00:01:58,739
story which is published on the net to

41
00:01:55,890 --> 00:02:02,069
define says that this happened one

42
00:01:58,739 --> 00:02:03,989
winter morning at Fort Bragg that this

43
00:02:02,069 --> 00:02:07,589

guy better make a chalice who's a real

44

00:02:03,989 --> 00:02:10,590

martial artist was involved in it took

45

00:02:07,590 --> 00:02:12,960

personal bear pit now there's a temple

46

00:02:10,590 --> 00:02:15,509

problem with them to explain because

47

00:02:12,960 --> 00:02:19,830

this must have happened even the reader

48

00:02:15,509 --> 00:02:22,049

and 70 74 76 who's really don't get too

49

00:02:19,830 --> 00:02:25,010

so the other explain how that happened

50

00:02:22,050 --> 00:02:29,189

so he said introductions were made by

51

00:02:25,009 --> 00:02:32,489

koto GA who's runner is going to bob

52

00:02:29,189 --> 00:02:35,759

marshall or normal short o cuando to the

53

00:02:32,490 --> 00:02:40,850

united states ah and then ask for

54

00:02:35,759 --> 00:02:40,849

references highwaymen and alive dead

55

00:02:40,969 --> 00:02:47,280

make a chalice is a real guy now he was

56

00:02:45,180 --> 00:02:49,110

so psychic that he got on a helicopter

57

00:02:47,280 --> 00:02:51,449

who became emotionally got on a

58
00:02:49,110 --> 00:02:58,470
helicopter and nicaragua had a bomb on

59
00:02:51,449 --> 00:03:00,659
it and died so that but his death gives

60
00:02:58,469 --> 00:03:02,909
us say you know kind of a reference

61
00:03:00,659 --> 00:03:05,549
point on earth and violet or probably

62
00:03:02,909 --> 00:03:08,969
didn't happen with the person didn't

63
00:03:05,550 --> 00:03:12,110
know I guess is that there's a Philip in

64
00:03:08,969 --> 00:03:15,689
the guy in the middle here is my cousin

65
00:03:12,110 --> 00:03:17,850
Lucy on meaning attempt on back belt

66
00:03:15,689 --> 00:03:18,650
what does that leave well they're the

67
00:03:17,849 --> 00:03:20,389
guys in

68
00:03:18,650 --> 00:03:23,900
where did that little martial arts are

69
00:03:20,389 --> 00:03:26,809
taking all his playmates me yeah this is

70
00:03:23,900 --> 00:03:30,890
a real service top and lasso turns out

71
00:03:26,810 --> 00:03:33,408
we know Julie so I called him and asked

72
00:03:30,889 --> 00:03:36,649
him about the events did not wear the

73
00:03:33,408 --> 00:03:39,620
principles involved was not a colonel he

74
00:03:36,650 --> 00:03:41,870
came the United States in his late 20s

75
00:03:39,620 --> 00:03:43,930
you had been a lieutenant was not weird

76
00:03:41,870 --> 00:03:49,459
they're Koreans who I did not know a

77
00:03:43,930 --> 00:03:51,349
chalice okay so if we say they didn't

78
00:03:49,459 --> 00:03:53,689
have it did happen because there is some

79
00:03:51,348 --> 00:03:56,268
very spectacular sorts of things that

80
00:03:53,689 --> 00:03:59,060
did happen and I will talk about and

81
00:03:56,269 --> 00:04:00,469
maybe law is crazy mobile sa is a comedy

82
00:03:59,060 --> 00:04:04,430
and the makes us look like we were

83
00:04:00,469 --> 00:04:07,068
really crazy first of all yes the US was

84
00:04:04,430 --> 00:04:08,989
concerned about what the soil Soviet

85
00:04:07,068 --> 00:04:11,628
Union is there if you look and maybe

86

00:04:08,989 --> 00:04:15,289
you'll actually see them reading this

87
00:04:11,628 --> 00:04:19,519
book which was very popular in the late

88
00:04:15,289 --> 00:04:21,108
70s now there is a goat lamb there's a

89
00:04:19,519 --> 00:04:23,598
really good lab it's our third by the

90
00:04:21,108 --> 00:04:25,819
Special Forces Warfare group and the

91
00:04:23,598 --> 00:04:27,620
purpose of the boat lab is yes they are

92
00:04:25,819 --> 00:04:29,990
not the size goats they ship them and

93
00:04:27,620 --> 00:04:31,610
the idea is in trained medics or the

94
00:04:29,990 --> 00:04:34,870
first time where they don't see a

95
00:04:31,610 --> 00:04:37,908
gunshot wound is not on the battlefield

96
00:04:34,870 --> 00:04:40,009
unfortunately a pedal does not elect all

97
00:04:37,908 --> 00:04:42,769
three Goodweather hard as she treasures

98
00:04:40,009 --> 00:04:46,158
or something but maybe in a practical

99
00:04:42,769 --> 00:04:48,529
application get lab is really and some

100
00:04:46,158 --> 00:04:52,209

interesting things happened there why

101

00:04:48,529 --> 00:04:54,799

why stirred goat it did Stuart goat

102

00:04:52,209 --> 00:04:58,250

where the hell is this guy this is rick

103

00:04:54,800 --> 00:05:00,740

roll in the nineteen sixty three here

104

00:04:58,250 --> 00:05:03,709

and two other people were captured in

105

00:05:00,740 --> 00:05:08,060

south vietnam and he was a prisoner

106

00:05:03,709 --> 00:05:10,009

until late december in 1968 in order a

107

00:05:08,060 --> 00:05:11,899

few days before they have decided to

108

00:05:10,009 --> 00:05:14,168

execute him because we got tired of his

109

00:05:11,899 --> 00:05:18,008

ethics and we're away

110

00:05:14,168 --> 00:05:21,728

he escaped so he got out of the military

111

00:05:18,009 --> 00:05:25,090

for a while and better he was only

112

00:05:21,728 --> 00:05:27,639

relative 34 POWs too if we escaped

113

00:05:25,089 --> 00:05:30,038

during that entire conflict but they

114

00:05:27,639 --> 00:05:32,319

only decided to pay up in the chorus

115
00:05:30,038 --> 00:05:35,438
concert which is a survival evasion

116
00:05:32,319 --> 00:05:37,778
resistance and escape and we'll do this

117
00:05:35,439 --> 00:05:41,409
for people who are at high risk of being

118
00:05:37,778 --> 00:05:44,408
captured or intern so it better to win

119
00:05:41,408 --> 00:05:47,408
of course then somebody who's got five

120
00:05:44,408 --> 00:05:52,360
years or experience now the US are some

121
00:05:47,408 --> 00:05:54,759
dates on him because unfortunately in 20

122
00:05:52,360 --> 00:05:59,169
on april nineteen eighty nine he was

123
00:05:54,759 --> 00:06:03,278
assassinated really well near manila in

124
00:05:59,168 --> 00:06:05,139
the philippines but he is really that

125
00:06:03,278 --> 00:06:06,759
interested in this area many other

126
00:06:05,139 --> 00:06:08,499
things did you see in the movies you got

127
00:06:06,759 --> 00:06:12,580
round i was going to jump off of your

128
00:06:08,499 --> 00:06:15,879
pass and all that not happening ok this

129
00:06:12,579 --> 00:06:19,209
is what real prw may have seen rescued

130
00:06:15,879 --> 00:06:21,399
on this is base on unreal but this is

131
00:06:19,209 --> 00:06:25,149
what bo buddies look like when they come

132
00:06:21,399 --> 00:06:29,468
out so you've got full health you

133
00:06:25,149 --> 00:06:34,168
probably been beaten diseases is quite

134
00:06:29,468 --> 00:06:34,168
rampant so therefore the question that

135
00:06:34,860 --> 00:06:41,169
never had was what kinds of things can

136
00:06:37,899 --> 00:06:43,778
we do all day racing but i had five

137
00:06:41,168 --> 00:06:46,838
years practical experience in the jungle

138
00:06:43,778 --> 00:06:48,999
sir what can you do to influence people

139
00:06:46,838 --> 00:06:50,709
who is not going to save a great deal of

140
00:06:48,999 --> 00:06:53,409
physical energy because you just not

141
00:06:50,709 --> 00:06:55,829
going to have that but it does come you

142
00:06:53,408 --> 00:06:58,538
love experiments have been done on story

143

00:06:55,829 --> 00:07:01,508
does it make sense to try and have a

144
00:06:58,538 --> 00:07:04,568
guard look in a specific direction for a

145
00:07:01,509 --> 00:07:06,550
bit longer who's also Faison how do you

146
00:07:04,569 --> 00:07:09,908
move your hands how can I do make

147
00:07:06,550 --> 00:07:13,240
movements their affinity safe that can

148
00:07:09,908 --> 00:07:14,469
suddenly be turned into an attack he

149
00:07:13,240 --> 00:07:17,590
also had hold

150
00:07:14,470 --> 00:07:20,110
did Mac which was the death touch so he

151
00:07:17,589 --> 00:07:26,019
said so that the reserve shiraz outside

152
00:07:20,110 --> 00:07:30,660
is this real yeah they far came to is

153
00:07:26,019 --> 00:07:33,159
this guy this is guy savelli rather

154
00:07:30,660 --> 00:07:35,950
unique sure you say martial artists

155
00:07:33,160 --> 00:07:38,980
they've trained really met with him but

156
00:07:35,949 --> 00:07:42,789
he is the one who actually taught people

157
00:07:38,980 --> 00:07:45,310

how to do dim mak now these guys these

158

00:07:42,790 --> 00:07:46,810

are NCOs they choose not to be more

159

00:07:45,310 --> 00:07:50,259

mailmen you know who the what their

160

00:07:46,810 --> 00:07:52,449

identity are they now retired but we are

161

00:07:50,259 --> 00:07:55,000

actively involved in training with him

162

00:07:52,449 --> 00:07:58,269

some very unique circumstances very easy

163

00:07:55,000 --> 00:08:00,819

did know or make a chalice and no you

164

00:07:58,269 --> 00:08:05,319

didn't get involved in restoring aspects

165

00:08:00,819 --> 00:08:07,870

of it sure there's dim mak highly

166

00:08:05,319 --> 00:08:10,439

controversial as i said there's known as

167

00:08:07,870 --> 00:08:14,259

the death touch and the idea here is

168

00:08:10,439 --> 00:08:16,418

like a this is from bloodsport it is not

169

00:08:14,259 --> 00:08:19,329

a hard physical bleh we were going to

170

00:08:16,418 --> 00:08:21,549

you know stop the head it's like what

171

00:08:19,329 --> 00:08:25,060

you do is any update with their of key

172
00:08:21,550 --> 00:08:28,600
or cheat death occurs at some later

173
00:08:25,060 --> 00:08:31,839
point in time this may be up to maybe

174
00:08:28,600 --> 00:08:33,668
you had 24 hours later now it's

175
00:08:31,839 --> 00:08:36,098
interesting i pity here the principles

176
00:08:33,668 --> 00:08:39,519
for those who attended the meeting in

177
00:08:36,099 --> 00:08:42,250
san diego we had some interest in

178
00:08:39,519 --> 00:08:46,269
japanese research and looking at remote

179
00:08:42,250 --> 00:08:48,339
applications of g and key and that's

180
00:08:46,269 --> 00:08:51,789
basically what we were talking about

181
00:08:48,339 --> 00:08:54,190
here so what happened on the goats and

182
00:08:51,789 --> 00:08:56,079
to the little controversy over he

183
00:08:54,190 --> 00:08:58,870
actually had to go whether it was guys

184
00:08:56,080 --> 00:08:59,800
to valerie one of the NLCS but the

185
00:08:58,870 --> 00:09:02,740
weather it is a

186
00:08:59,799 --> 00:09:05,019
today so it was kept in for the cameras

187
00:09:02,740 --> 00:09:10,419
he had time-lapse photography on it and

188
00:09:05,019 --> 00:09:13,899
about oops about 18 hours later the dope

189
00:09:10,419 --> 00:09:16,028
goes book then flips so quickly now they

190
00:09:13,899 --> 00:09:17,620
did it knock necropsy on and I've seen

191
00:09:16,028 --> 00:09:19,870
the results on that they still won't

192
00:09:17,620 --> 00:09:22,060
release to an individual's holder they

193
00:09:19,870 --> 00:09:24,370
said death was so fast at the time that

194
00:09:22,059 --> 00:09:27,250
it did occur that the help didn't even

195
00:09:24,370 --> 00:09:30,429
contract who is most amazing to me is

196
00:09:27,250 --> 00:09:32,769
the nice are these pictures we solve for

197
00:09:30,429 --> 00:09:35,019
anybody in the scene billets one

198
00:09:32,769 --> 00:09:37,149
cadavers what happens you have high

199
00:09:35,019 --> 00:09:39,039
velocity or missile that goes through

200

00:09:37,149 --> 00:09:42,309
the body you can see that the image

201
00:09:39,039 --> 00:09:45,370
deposition took took place in which you

202
00:09:42,309 --> 00:09:47,469
saw in the goats was that kind of energy

203
00:09:45,370 --> 00:09:51,070
depletion saw line going right across

204
00:09:47,470 --> 00:09:52,810
the thoracic reason the problem is there

205
00:09:51,070 --> 00:09:57,000
was no rear ended entrance or real

206
00:09:52,809 --> 00:10:01,028
addiction so it was really quite

207
00:09:57,000 --> 00:10:04,659
dramatic hiya drivers come now here is

208
00:10:01,028 --> 00:10:06,970
something called Delta Force and the

209
00:10:04,659 --> 00:10:09,610
mission of Delta is basically a think

210
00:10:06,970 --> 00:10:11,440
tank that was allowed to go out and be

211
00:10:09,610 --> 00:10:14,200
really wild i mean we could look at

212
00:10:11,440 --> 00:10:15,459
basically anything the model is what's

213
00:10:14,200 --> 00:10:17,560
the difference it makes a difference

214
00:10:15,458 --> 00:10:20,139

really key literally a transforming the

215

00:10:17,559 --> 00:10:23,229
artery at this point nobody just coming

216

00:10:20,139 --> 00:10:26,350
out of Vietnam the only reserve in the

217

00:10:23,230 --> 00:10:29,528
bedroom is that at best and so they they

218

00:10:26,350 --> 00:10:31,019
looked at how you cept need change keep

219

00:10:29,528 --> 00:10:34,208
track of time lessons of history

220

00:10:31,019 --> 00:10:37,000
realities and visions of the future now

221

00:10:34,208 --> 00:10:39,609
also mentioned this is not Delta with

222

00:10:37,000 --> 00:10:42,490
the ritual is Delta Force so that was

223

00:10:39,610 --> 00:10:44,019
created by a trailer buck with would you

224

00:10:42,490 --> 00:10:46,778
rather and I

225

00:10:44,019 --> 00:10:48,938
women so major course together much long

226

00:10:46,778 --> 00:10:50,678
before that so these are not the door

227

00:10:48,938 --> 00:10:53,618
kickers these were people who got

228

00:10:50,678 --> 00:10:56,019
together and fought but I our

229
00:10:53,619 --> 00:10:58,269
organizational chart we have written a

230
00:10:56,019 --> 00:11:00,188
comes out John nit of the slaves

231
00:10:58,269 --> 00:11:02,159
guerrilla management number of years

232
00:11:00,188 --> 00:11:06,009
later on solvers on the chart with

233
00:11:02,159 --> 00:11:07,688
concentric news and they were like who

234
00:11:06,009 --> 00:11:10,629
did this kind of thinking for a

235
00:11:07,688 --> 00:11:12,248
management perspective and one and the

236
00:11:10,629 --> 00:11:14,409
name should recognize that they're guys

237
00:11:12,249 --> 00:11:19,389
that called Paul some of the others

238
00:11:14,409 --> 00:11:21,368
related one oddity of amazing things now

239
00:11:19,389 --> 00:11:24,249
in the baby you have something called

240
00:11:21,369 --> 00:11:27,339
the new earth army this was actually

241
00:11:24,249 --> 00:11:29,170
taken from the first Earth battalion and

242
00:11:27,339 --> 00:11:33,279
this is the real thing some people

243
00:11:29,169 --> 00:11:35,139
emerge into channel it to him on that he

244
00:11:33,278 --> 00:11:37,899
designed this module which was now

245
00:11:35,139 --> 00:11:40,389
available on the net for imminent the

246
00:11:37,899 --> 00:11:43,058
main thing is this was not a real human

247
00:11:40,389 --> 00:11:46,178
he couldn't go on the organizational

248
00:11:43,058 --> 00:11:48,938
chart and find the first Earth battalion

249
00:11:46,178 --> 00:11:51,909
listed some place but it was a national

250
00:11:48,938 --> 00:11:54,789
thing and it was real this is the

251
00:11:51,909 --> 00:11:57,249
invasion of the new era that may

252
00:11:54,789 --> 00:12:01,139
recognize it artwork is really pretty

253
00:11:57,249 --> 00:12:03,519
important in the building Jeff Bridges

254
00:12:01,139 --> 00:12:05,798
unfortunately return here is he's got a

255
00:12:03,519 --> 00:12:08,048
ponytail it was about this long down the

256
00:12:05,798 --> 00:12:10,869
back in the lab but that didn't happen

257

00:12:08,048 --> 00:12:13,709
but it is playing of this guy this is

258
00:12:10,869 --> 00:12:17,430
our Jim Channon whoever William

259
00:12:13,710 --> 00:12:20,580
well imagineer Jim is best known for his

260
00:12:17,429 --> 00:12:22,709
artwork in fact some of this symbology

261
00:12:20,580 --> 00:12:25,200
and still you know basic symbols that

262
00:12:22,710 --> 00:12:28,170
have used in the military together but

263
00:12:25,200 --> 00:12:31,040
he was CEO three or four segments beyond

264
00:12:28,169 --> 00:12:35,579
the corridor with alarming most

265
00:12:31,039 --> 00:12:39,599
certainly at that time he works till in

266
00:12:35,580 --> 00:12:41,430
credit ethology and what is the key was

267
00:12:39,600 --> 00:12:43,769
dare to think the unthinkable what the

268
00:12:41,429 --> 00:12:46,889
first Earth battalion did was emotional

269
00:12:43,769 --> 00:12:49,199
unit was allowed us to be a lot of the

270
00:12:46,889 --> 00:12:51,740
usual thinking in razor we're not

271
00:12:49,200 --> 00:12:55,200

threatening to the conventional force

272

00:12:51,740 --> 00:12:58,139

that's really which symbology is kind of

273

00:12:55,200 --> 00:13:00,030

interesting in gym so handbook I might

274

00:12:58,139 --> 00:13:02,970

mention that you'll notice there's a

275

00:13:00,029 --> 00:13:05,399

black and white be the desire isn't

276

00:13:02,970 --> 00:13:07,340

quite complete that's intentional that's

277

00:13:05,399 --> 00:13:09,809

so that the people who are working

278

00:13:07,340 --> 00:13:12,899

everything are you looking at this you

279

00:13:09,809 --> 00:13:16,019

mind fills in the blanks well this Allah

280

00:13:12,899 --> 00:13:18,419

movie is the actual depiction of you

281

00:13:16,019 --> 00:13:21,179

know clearly coming out with the goat so

282

00:13:18,419 --> 00:13:23,959

what these are symbology of God's an

283

00:13:21,179 --> 00:13:27,299

action this is our Toby of last year in

284

00:13:23,960 --> 00:13:28,950

Afghanistan and what they're doing is

285

00:13:27,299 --> 00:13:31,199

they've gone to a village you know

286
00:13:28,950 --> 00:13:33,840
collateral casualties are a problem and

287
00:13:31,200 --> 00:13:36,600
we've stepped in to be the family and

288
00:13:33,840 --> 00:13:39,389
make amends for killing a couple of kids

289
00:13:36,600 --> 00:13:42,290
that have been the motive to kill and

290
00:13:39,389 --> 00:13:46,139
literally are taking the great end as

291
00:13:42,289 --> 00:13:48,480
and others well received by the way now

292
00:13:46,139 --> 00:13:51,710
in the maybe if you even saw the trailer

293
00:13:48,480 --> 00:13:54,470
as you see where general hopgood here

294
00:13:51,710 --> 00:13:56,980
whether you smoke there

295
00:13:54,470 --> 00:13:59,750
getting knocked unconscious and whatnot

296
00:13:56,980 --> 00:14:04,940
the guy authority is taking it was my

297
00:13:59,750 --> 00:14:06,590
ex-boss general bit stubborn unless I

298
00:14:04,940 --> 00:14:11,090
upgrade us and when I would become the

299
00:14:06,590 --> 00:14:13,850
villain in bed alone in avatar I argue

300
00:14:11,090 --> 00:14:16,160
this likely didn't happen to some people

301
00:14:13,850 --> 00:14:18,620
who they could no have we did talk about

302
00:14:16,159 --> 00:14:21,829
the potential of any penetrability of

303
00:14:18,620 --> 00:14:24,110
matter but probably did not happen and

304
00:14:21,830 --> 00:14:27,590
certainly not you know the ridiculous

305
00:14:24,110 --> 00:14:29,870
ray anthony b makes up in the baby you

306
00:14:27,590 --> 00:14:33,250
see George George driving down the road

307
00:14:29,870 --> 00:14:36,799
since 30 days as busting clouds on

308
00:14:33,250 --> 00:14:40,220
highly controversial yep we are we did

309
00:14:36,799 --> 00:14:43,759
back in the same it we may be again you

310
00:14:40,220 --> 00:14:47,180
see where he walks into the room you

311
00:14:43,759 --> 00:14:49,549
know as it says the 50 years or stills

312
00:14:47,179 --> 00:14:53,949
I've reached in and taken off the movie

313
00:14:49,549 --> 00:14:57,620
itself and out of the computers crash

314

00:14:53,950 --> 00:15:01,780
yep that that really did happen the guy

315
00:14:57,620 --> 00:15:04,279
who did it Rosalynn Buchanan remember me

316
00:15:01,779 --> 00:15:06,379
reviewing circles in fact you know that

317
00:15:04,279 --> 00:15:09,799
what happened is she was at the augsburg

318
00:15:06,379 --> 00:15:12,080
germany and spent a lot of time setting

319
00:15:09,799 --> 00:15:14,179
up a computer program they were supposed

320
00:15:12,080 --> 00:15:16,700
to have a big show them tell ya and

321
00:15:14,179 --> 00:15:18,669
everything except to go had left it

322
00:15:16,700 --> 00:15:20,740
comes back in the next morning

323
00:15:18,669 --> 00:15:23,649
somebody tweaked any of this is what do

324
00:15:20,740 --> 00:15:26,980
you do is I'm just tweaking it and what

325
00:15:23,649 --> 00:15:33,059
now and yeah he just reserved not buying

326
00:15:26,980 --> 00:15:35,230
the entire system crashed remote very

327
00:15:33,059 --> 00:15:38,019
obviously you know about that was

328
00:15:35,230 --> 00:15:40,990

Stargate program we've got of course

329

00:15:38,019 --> 00:15:45,250

ceramic model is formed the very people

330

00:15:40,990 --> 00:15:47,620

here Paul endale Beth will certainly

331

00:15:45,250 --> 00:15:50,259

associated with the program firewalking

332

00:15:47,620 --> 00:15:54,370

yep we did that word from Jack talking

333

00:15:50,259 --> 00:15:57,700

about the the response on that lady fast

334

00:15:54,370 --> 00:15:59,350

does not answer that question in the

335

00:15:57,700 --> 00:16:03,220

baby in the world of this and themselves

336

00:15:59,350 --> 00:16:05,889

are given LSD this is supposed to take

337

00:16:03,220 --> 00:16:09,160

place in the tooth out of the desert

338

00:16:05,889 --> 00:16:12,879

storm here are so not only no but hell

339

00:16:09,159 --> 00:16:14,879

no by the seventies they are after we

340

00:16:12,879 --> 00:16:17,639

see their investigations that come out

341

00:16:14,879 --> 00:16:21,370

this would have been rated G of stuff

342

00:16:17,639 --> 00:16:23,639

and absolutely do not and some fictional

343
00:16:21,370 --> 00:16:28,870
player did include it in the movies

344
00:16:23,639 --> 00:16:31,419
metalbending baby spacey sitting right

345
00:16:28,870 --> 00:16:34,060
over here how's this and to see how

346
00:16:31,419 --> 00:16:36,429
could say edit and that of course we all

347
00:16:34,059 --> 00:16:40,179
the hill yeah this is something that

348
00:16:36,429 --> 00:16:42,669
really is real not only if the weapon is

349
00:16:40,179 --> 00:16:45,519
one of my main fear of whole host of all

350
00:16:42,669 --> 00:16:47,709
sorts of frames the positive attributes

351
00:16:45,519 --> 00:16:49,689
of goatse whistles from Jenny Jelen

352
00:16:47,710 --> 00:16:52,629
where he points out is we've also had

353
00:16:49,690 --> 00:16:54,910
the court jester the court jester paid

354
00:16:52,629 --> 00:16:57,490
an important villain ideas he could try

355
00:16:54,909 --> 00:17:00,939
things and made things safe so the point

356
00:16:57,490 --> 00:17:03,639
was that he's in here and confusion you

357
00:17:00,940 --> 00:17:06,460
can interject or good ideas or new ideas

358
00:17:03,639 --> 00:17:08,799
in a safe environment whereas if you

359
00:17:06,460 --> 00:17:13,210
apply them just those you know here's a

360
00:17:08,799 --> 00:17:15,009
are they can be terminal so look what

361
00:17:13,210 --> 00:17:17,380
did this look like his and stare at

362
00:17:15,009 --> 00:17:19,660
goats nope didn't do that with a kill

363
00:17:17,380 --> 00:17:21,250
goats yup we did that we do they stare

364
00:17:19,660 --> 00:17:23,500
at goats yes they did some other

365
00:17:21,250 --> 00:17:24,970
stirring experience again trying to

366
00:17:23,500 --> 00:17:27,430
cause them to move one way or another

367
00:17:24,970 --> 00:17:31,870
you know what's the influence of staring

368
00:17:27,430 --> 00:17:34,060
on people we was concerned about sign

369
00:17:31,869 --> 00:17:37,809
research obviously had a remote viewing

370
00:17:34,059 --> 00:17:40,119
program metal band aid about computer

371

00:17:37,809 --> 00:17:41,649
caution got helping cloudbuster I'll put

372
00:17:40,119 --> 00:17:44,469
that and a possible got some interesting

373
00:17:41,650 --> 00:17:47,470
results we didn't need the scientific

374
00:17:44,470 --> 00:17:51,339
Virginia they sheath battalion is really

375
00:17:47,470 --> 00:17:54,039
a falcon yet we did that go through laws

376
00:17:51,339 --> 00:17:59,409
nope didn't do that non-lethal weapons

377
00:17:54,039 --> 00:18:02,920
of course evolved and LSD not about to

378
00:17:59,410 --> 00:18:04,840
venture into that minefield ah I should

379
00:18:02,920 --> 00:18:07,630
have warned people in case I did love

380
00:18:04,839 --> 00:18:09,279
the ending of the movie because at the

381
00:18:07,630 --> 00:18:12,040
end the guy who's playing John ransom

382
00:18:09,279 --> 00:18:13,779
jumps up and literally does run through

383
00:18:12,039 --> 00:18:15,309
the wall so as a spoiler but has been

384
00:18:13,779 --> 00:18:20,829
out long enough if you haven't seen it

385
00:18:15,309 --> 00:18:23,259

so I sort of did leave it there and I'm

386

00:18:20,829 --> 00:18:26,019

I think that's it and as one more

387

00:18:23,259 --> 00:18:28,720

admission when I'm two years ago I gave

388

00:18:26,019 --> 00:18:30,759

a talk on UFOs and we've got a book

389

00:18:28,720 --> 00:18:35,400

that's coming out february with mixture

390

00:18:30,759 --> 00:18:38,400

on that so we actually have to limit so

391

00:18:35,400 --> 00:18:38,400

ok

392

00:18:43,759 --> 00:18:54,359

okay we have two minutes for questions

393

00:18:46,079 --> 00:18:56,699

now we have two minutes most of these

394

00:18:54,359 --> 00:19:00,029

effects that you described I would

395

00:18:56,700 --> 00:19:04,590

categorize as somewhat negative high

396

00:19:00,029 --> 00:19:07,529

entropy harmful are many examples that

397

00:19:04,589 --> 00:19:10,709

you know off that we're uplifting well

398

00:19:07,529 --> 00:19:13,139

my point was that the hell they were the

399

00:19:10,710 --> 00:19:15,779

POWs well that is the thing that

400
00:19:13,140 --> 00:19:17,700
precipitated it it was how do you train

401
00:19:15,779 --> 00:19:20,970
people are going to be in a very you

402
00:19:17,700 --> 00:19:24,480
know tough environment to be able to

403
00:19:20,970 --> 00:19:26,279
influence that environment and I would

404
00:19:24,480 --> 00:19:28,140
argue about whether they're crazy by the

405
00:19:26,279 --> 00:19:31,049
way the Navy portrayed everything it was

406
00:19:28,140 --> 00:19:35,340
highly negative and you know everything

407
00:19:31,049 --> 00:19:38,309
was done for a loss factor yes John does

408
00:19:35,339 --> 00:19:43,259
the on this the Delta Force think tank

409
00:19:38,309 --> 00:19:46,109
or similar organizations still exists or

410
00:19:43,259 --> 00:19:47,640
if it does exist or does not are others

411
00:19:46,109 --> 00:19:54,569
what are some of the other thing takes

412
00:19:47,640 --> 00:19:57,390
like the Delta Force there's never been

413
00:19:54,569 --> 00:20:02,039
anything quite as organized as Delta was

414
00:19:57,390 --> 00:20:04,020
at the time as far as I get questions

415
00:20:02,039 --> 00:20:06,319
all the time while raising a secret

416
00:20:04,019 --> 00:20:09,690
remote viewing program my answer is no

417
00:20:06,319 --> 00:20:11,819
because it was highly organized it was

418
00:20:09,690 --> 00:20:14,070
ready to put information in how to live

419
00:20:11,819 --> 00:20:15,990
uated how to transmit it that does not

420
00:20:14,069 --> 00:20:17,279
mean that there aren't individuals and

421
00:20:15,990 --> 00:20:20,220
some of them here who don't get

422
00:20:17,279 --> 00:20:22,259
individual questions about you know

423
00:20:20,220 --> 00:20:27,480
specific targets and things like that

424
00:20:22,259 --> 00:20:30,410
but no such organizations I'll tell you

425
00:20:27,480 --> 00:20:33,480
I do you work with the military a lot

426
00:20:30,410 --> 00:20:36,769
frankly people are women so fast they

427
00:20:33,480 --> 00:20:36,769
really don't have time to think
