

1  
00:00:00,000 --> 00:00:03,810  
they tend to be under the skin and they

2  
00:00:02,310 --> 00:00:05,220  
don't usually make a mark that it's very

3  
00:00:03,810 --> 00:00:06,298  
strange does the immune system doesn't

4  
00:00:05,219 --> 00:00:07,830  
react against them

5  
00:00:06,299 --> 00:00:10,949  
almost as if they'd sometimes your blood

6  
00:00:07,830 --> 00:00:13,410  
vessels and nerves grow round them very

7  
00:00:10,949 --> 00:00:15,000  
very odd I mean I know a lady who who

8  
00:00:13,410 --> 00:00:18,690  
had the minnow now at one in a nose and

9  
00:00:15,000 --> 00:00:19,740  
she had it confirmed and she she went

10  
00:00:18,690 --> 00:00:21,210  
and had it she went all the way to

11  
00:00:19,739 --> 00:00:23,129  
Greece to have a private operation

12  
00:00:21,210 --> 00:00:27,810  
costing thousands of pounds to have it

13  
00:00:23,129 --> 00:00:29,489  
removed and she went back and she went

14  
00:00:27,809 --> 00:00:32,969  
back home again anyway a couple of weeks

15  
00:00:29,489 --> 00:00:35,988  
later someone put someone or something

16  
00:00:32,969 --> 00:00:35,989  
put another one back in there

17  
00:01:36,459 --> 00:01:40,159  
right ladies and gentlemen thank you

18  
00:01:38,629 --> 00:01:43,909  
very much for attending this meeting of

19  
00:01:40,159 --> 00:01:46,609  
Swansea UFO network firstly I'd like to

20  
00:01:43,909 --> 00:01:48,979  
say that the PSP's somewhat of a UFO

21  
00:01:46,609 --> 00:01:51,260  
flap at the moment we received numerous

22  
00:01:48,980 --> 00:01:52,960  
reports of strange sightings from

23  
00:01:51,260 --> 00:01:55,430  
individuals all over a local area

24  
00:01:52,959 --> 00:01:57,739  
however in the process of trying to

25  
00:01:55,430 --> 00:02:00,260  
interview the persons and record it all

26  
00:01:57,739 --> 00:02:01,759  
and the doc Damien will take the

27  
00:02:00,260 --> 00:02:05,240  
opportunity or one of our meetings to

28  
00:02:01,760 --> 00:02:07,009  
explain it all to you now then back to

29

00:02:05,239 --> 00:02:08,780  
tonight we have the pleasure to greet

30  
00:02:07,009 --> 00:02:11,469  
for the second time mr. ben emmalin

31  
00:02:08,780 --> 00:02:13,969  
jones our guest speaker for the evening

32  
00:02:11,469 --> 00:02:15,800  
I'm sure it was likely to be the warm

33  
00:02:13,969 --> 00:02:17,599  
welcome he received last time that

34  
00:02:15,800 --> 00:02:19,189  
persuade him to return to us in so

35  
00:02:17,599 --> 00:02:22,099  
ancien certainly not the memory of this

36  
00:02:19,189 --> 00:02:25,520  
boiling-hot draft-free Markey as it was

37  
00:02:22,099 --> 00:02:27,259  
in the winter anyway anyway I brought a

38  
00:02:25,520 --> 00:02:28,820  
big coat with me tonight expecting to be

39  
00:02:27,259 --> 00:02:30,560  
absolutely freezing as I can see a few

40  
00:02:28,819 --> 00:02:33,709  
others of you have as well and now it's

41  
00:02:30,560 --> 00:02:36,650  
boiling in here anyway

42  
00:02:33,709 --> 00:02:39,769  
for those who are not familiar with Ben

43  
00:02:36,650 --> 00:02:42,170

I'll give you a quick rundown on him Ben

44

00:02:39,769 --> 00:02:44,840

was born in Aberystwyth and brought up

45

00:02:42,169 --> 00:02:47,899

in the Lampeter area before moving to

46

00:02:44,840 --> 00:02:50,840

Oxford where up until about four years

47

00:02:47,900 --> 00:02:53,000

ago he'd spent 22 well-respected years

48

00:02:50,840 --> 00:02:56,810

as a hospital porter at Rudd John

49

00:02:53,000 --> 00:02:58,969

Radcliffe Hospital in Oxford no bed

50

00:02:56,810 --> 00:03:01,209

became interested in UFOs and various

51

00:02:58,969 --> 00:03:06,289

other conspiracy theories in the late

52

00:03:01,209 --> 00:03:08,000

1990s he started his website blog which

53

00:03:06,289 --> 00:03:11,359

was hospital Porter's against the New

54

00:03:08,000 --> 00:03:15,139

World Order in 2006 and it has thousands

55

00:03:11,360 --> 00:03:17,540

of visitors every day irregular tens and

56

00:03:15,139 --> 00:03:19,909

delivers talks and discussions all over

57

00:03:17,539 --> 00:03:22,699

Britain on a wide range of subjects and

58  
00:03:19,909 --> 00:03:25,729  
is thought this evening is entitled the

59  
00:03:22,699 --> 00:03:26,768  
history of Exopolitics it's older than

60  
00:03:25,729 --> 00:03:28,939  
you think

61  
00:03:26,769 --> 00:03:30,530  
now he's travelled a good distance today

62  
00:03:28,939 --> 00:03:32,780  
to be with us this evening so without

63  
00:03:30,530 --> 00:03:34,640  
further ado please give a warm soup on

64  
00:03:32,780 --> 00:03:36,849  
welcome to mr. ben emmalin jones thank

65  
00:03:34,639 --> 00:03:36,849  
you

66  
00:03:41,639 --> 00:03:45,339  
thank you very much ladies and gentlemen

67  
00:03:43,750 --> 00:03:47,500  
it's great facts are coming this evening

68  
00:03:45,340 --> 00:03:50,009  
it's great to be back here again

69  
00:03:47,500 --> 00:03:52,810  
nice aware that it's light outside and

70  
00:03:50,009 --> 00:03:53,919  
this tent is not going to blow away like

71  
00:03:52,810 --> 00:03:54,219  
I thought all the walls could you last

72  
00:03:53,919 --> 00:03:55,780  
night

73  
00:03:54,219 --> 00:03:58,539  
now honestly thought it was on the point

74  
00:03:55,780 --> 00:03:59,530  
of them being gone with the wind all

75  
00:03:58,539 --> 00:04:01,539  
right I'm glad I've got one of these

76  
00:03:59,530 --> 00:04:04,299  
microphones which is hands-free because

77  
00:04:01,539 --> 00:04:07,030  
I'm gonna need both of my hands so this

78  
00:04:04,299 --> 00:04:10,920  
evening as you'll find out later so I'm

79  
00:04:07,030 --> 00:04:13,329  
glad that you got to stand here for me

80  
00:04:10,919 --> 00:04:14,919  
so yeah I'm this is my website um

81  
00:04:13,329 --> 00:04:17,680  
Hospital Porter's against the new world

82  
00:04:14,919 --> 00:04:19,629  
or check that out HPA and wo

83  
00:04:17,680 --> 00:04:22,900  
blogspot.com

84  
00:04:19,629 --> 00:04:25,839  
and this I actually I'm I developed it

85  
00:04:22,899 --> 00:04:30,370  
over the years there's a YouTube channel

86

00:04:25,839 --> 00:04:32,739  
my own radio shows you there's a fiction

87  
00:04:30,370 --> 00:04:34,990  
blog there's a forum it's pretty much

88  
00:04:32,740 --> 00:04:39,460  
multimedia and I keep it updated as much

89  
00:04:34,990 --> 00:04:42,060  
as I can so next slide please Mike if

90  
00:04:39,459 --> 00:04:44,620  
this was meeting the portering buddha i

91  
00:04:42,060 --> 00:04:47,889  
was a hospital porter for all those

92  
00:04:44,620 --> 00:04:50,228  
years as we just heard and I was rather

93  
00:04:47,889 --> 00:04:54,490  
unserem and ceremoniously kicked out of

94  
00:04:50,228 --> 00:04:56,918  
my job in 2012 which was very very

95  
00:04:54,490 --> 00:04:59,410  
distressing thing to happen and it was

96  
00:04:56,918 --> 00:05:01,598  
directly related to what I'm doing here

97  
00:04:59,410 --> 00:05:03,010  
and this isn't something that's happened

98  
00:05:01,598 --> 00:05:04,269  
and recurred more and more and more with

99  
00:05:03,009 --> 00:05:08,529  
different people in different

100  
00:05:04,269 --> 00:05:09,819

professions so it's it's strange really

101

00:05:08,529 --> 00:05:12,250

isn't that it's a strange thing that

102

00:05:09,819 --> 00:05:13,569

some it's not a good career move to get

103

00:05:12,250 --> 00:05:14,829

interested in the kinds of subjects

104

00:05:13,569 --> 00:05:17,620

we're talking about here this evening

105

00:05:14,829 --> 00:05:20,339

and over similar things other things

106

00:05:17,620 --> 00:05:23,579

like it

107

00:05:20,339 --> 00:05:25,589

but how the next slide please Mike right

108

00:05:23,579 --> 00:05:29,519

so how many of you are familiar with the

109

00:05:25,589 --> 00:05:32,579

term EXO politics quite a number of you

110

00:05:29,519 --> 00:05:34,019

yes Ben it's quite um it's quite a

111

00:05:32,579 --> 00:05:35,789

common term nowadays and there's several

112

00:05:34,019 --> 00:05:39,000

conferences named Exopolitics which i've

113

00:05:35,790 --> 00:05:41,310

been involved with and that it's it's

114

00:05:39,000 --> 00:05:42,600

not the same as ufology now some

115  
00:05:41,310 --> 00:05:44,370  
people's in regard it almost as a

116  
00:05:42,600 --> 00:05:47,460  
synonym a synonym if you follow G but

117  
00:05:44,370 --> 00:05:49,410  
the two are actually very different it's

118  
00:05:47,459 --> 00:05:52,049  
explained here and firstly ufology is

119  
00:05:49,410 --> 00:05:53,280  
much older term humor folk dates back to

120  
00:05:52,050 --> 00:05:54,930  
the condom report which is in the late

121  
00:05:53,279 --> 00:05:58,019  
1950s

122  
00:05:54,930 --> 00:05:59,910  
ufology of course this is a from MUFON

123  
00:05:58,019 --> 00:06:00,829  
it's a mixture of MUFON and Wikipedia

124  
00:05:59,910 --> 00:06:03,990  
which are put together

125  
00:06:00,829 --> 00:06:06,359  
ufology is loosely defined as the study

126  
00:06:03,990 --> 00:06:07,949  
of reports visual records physical

127  
00:06:06,360 --> 00:06:10,410  
evidence and other phenomena related to

128  
00:06:07,949 --> 00:06:12,120  
unidentified flying objects UFOs have

129  
00:06:10,410 --> 00:06:14,010  
been subject to various investigations

130  
00:06:12,120 --> 00:06:18,120  
over the years by governments

131  
00:06:14,009 --> 00:06:20,038  
independent groups and scientists now so

132  
00:06:18,120 --> 00:06:22,288  
since that's the that's the basic

133  
00:06:20,038 --> 00:06:22,740  
definition definition of ufology it's a

134  
00:06:22,288 --> 00:06:26,038  
study

135  
00:06:22,740 --> 00:06:28,350  
it's a scientific subject anything ends

136  
00:06:26,038 --> 00:06:29,990  
in ology is related to science is

137  
00:06:28,350 --> 00:06:33,960  
usually something to do with science

138  
00:06:29,990 --> 00:06:36,180  
next slide please Michael now this is a

139  
00:06:33,959 --> 00:06:39,478  
definition of EXO politics from Michael

140  
00:06:36,180 --> 00:06:40,340  
salla who is an Australian expert on

141  
00:06:39,478 --> 00:06:42,359  
this subject

142  
00:06:40,339 --> 00:06:44,219  
Exopolitics is the study of key

143

00:06:42,360 --> 00:06:45,689  
individuals political institutions and

144  
00:06:44,220 --> 00:06:48,090  
processes associated with

145  
00:06:45,689 --> 00:06:49,620  
extraterrestrial life information

146  
00:06:48,089 --> 00:06:51,029  
concerning extraterrestrial life and

147  
00:06:49,620 --> 00:06:53,069  
technologies kept secret from the

148  
00:06:51,029 --> 00:06:54,839  
general public elected political

149  
00:06:53,069 --> 00:06:57,060  
representatives and even senior military

150  
00:06:54,839 --> 00:06:59,429  
officials the supporting evidence is

151  
00:06:57,060 --> 00:07:01,500  
overwhelming that decision-making is

152  
00:06:59,430 --> 00:07:04,970  
restricted is restricted or strict

153  
00:07:01,500 --> 00:07:08,220  
need-to-know basis both ufology and

154  
00:07:04,970 --> 00:07:11,820  
Exopolitics are greek derive words EXO

155  
00:07:08,220 --> 00:07:14,669  
first up outside or exterior external

156  
00:07:11,819 --> 00:07:18,659  
umm now Exopolitics is a much more

157  
00:07:14,668 --> 00:07:21,209

recent term as well Exopolitics is dates

158

00:07:18,660 --> 00:07:23,220

back it's been traced back in 1995 and

159

00:07:21,209 --> 00:07:26,149

it was coined by Alfred Weber who's a

160

00:07:23,220 --> 00:07:30,230

Canadian ecologist

161

00:07:26,149 --> 00:07:33,649

and I think it's best just it's just

162

00:07:30,230 --> 00:07:35,140

finding for me simply ufologists who'll

163

00:07:33,649 --> 00:07:38,060

make up their mind

164

00:07:35,139 --> 00:07:40,849

ufology is looking at your thoughts

165

00:07:38,060 --> 00:07:42,050

where are they where are they are they

166

00:07:40,850 --> 00:07:44,600

weather balloons are they lighthouses

167

00:07:42,050 --> 00:07:47,569

etc etc they meteors maybe they're not

168

00:07:44,600 --> 00:07:49,150

let's think about it let's do some more

169

00:07:47,569 --> 00:07:53,000

studies and things like that

170

00:07:49,149 --> 00:07:57,409

Exopolitics these people who essentially

171

00:07:53,000 --> 00:07:59,509

saying okay we've looked into it we know

172  
00:07:57,410 --> 00:08:02,030  
that they are some of them at least are

173  
00:07:59,509 --> 00:08:04,459  
extraterrestrial or other dimensional

174  
00:08:02,029 --> 00:08:05,379  
etc etc now what are we going to do

175  
00:08:04,459 --> 00:08:08,000  
about it

176  
00:08:05,379 --> 00:08:09,709  
and the two are very very different I

177  
00:08:08,000 --> 00:08:12,560  
mean that the the youth ology and

178  
00:08:09,709 --> 00:08:14,149  
Exopolitics I think how it's a very very

179  
00:08:12,560 --> 00:08:16,160  
different mindset and different skill

180  
00:08:14,149 --> 00:08:17,419  
sets and different methods of

181  
00:08:16,160 --> 00:08:19,820  
approaching the subject

182  
00:08:17,420 --> 00:08:23,270  
next slide please Mike dance is a

183  
00:08:19,819 --> 00:08:25,909  
ufologist next one that is an extra

184  
00:08:23,269 --> 00:08:27,490  
politician next one that's a ufologist

185  
00:08:25,910 --> 00:08:30,340  
next one

186  
00:08:27,490 --> 00:08:32,899  
that's an extra politician next one

187  
00:08:30,339 --> 00:08:35,299  
dancer ufologist next one

188  
00:08:32,899 --> 00:08:38,309  
that's an extra politician next one

189  
00:08:35,299 --> 00:08:43,049  
that's it

190  
00:08:38,309 --> 00:08:46,198  
I don't know what that is yeah he's yet

191  
00:08:43,049 --> 00:08:48,269  
to be properly defined that Nick Pope

192  
00:08:46,198 --> 00:08:50,698  
incidentally has his own definition of

193  
00:08:48,269 --> 00:08:53,789  
Exopolitics and he actually attended the

194  
00:08:50,698 --> 00:08:55,318  
2011 lead Exopolitics Expo and he

195  
00:08:53,789 --> 00:08:59,610  
brought along the Sun newspaper who

196  
00:08:55,318 --> 00:09:02,818  
condescended to to actually cover our

197  
00:08:59,610 --> 00:09:04,318  
event and report on it and Nick did his

198  
00:09:02,818 --> 00:09:06,240  
little he has a little column in the Sun

199  
00:09:04,318 --> 00:09:08,308  
he did in those days and he said that

200

00:09:06,240 --> 00:09:10,350  
Exopolitics is the militant wing of

201  
00:09:08,308 --> 00:09:13,078  
ufology that's how we differ that's how

202  
00:09:10,350 --> 00:09:15,540  
he defined us it's very funny I mean

203  
00:09:13,078 --> 00:09:18,179  
yeah I mean you should have seen Leeds

204  
00:09:15,539 --> 00:09:22,110  
when we were there oh yeah rubbish bins

205  
00:09:18,179 --> 00:09:24,378  
on emptied piling up huge towers of

206  
00:09:22,110 --> 00:09:27,990  
coffins outside graveyards and we're

207  
00:09:24,379 --> 00:09:32,308  
guessing that's Nick that's whole Nick

208  
00:09:27,990 --> 00:09:34,198  
Pope now yes so that's Nick's um that's

209  
00:09:32,308 --> 00:09:36,058  
his ideas about things and of course I

210  
00:09:34,198 --> 00:09:37,859  
don't miss it I don't share all these

211  
00:09:36,058 --> 00:09:39,360  
views on these things at all they were

212  
00:09:37,860 --> 00:09:41,778  
still an enjoyable conference and that

213  
00:09:39,360 --> 00:09:46,139  
we all had jolly good fun had by all

214  
00:09:41,778 --> 00:09:48,448

now Exopolitics is now centered on the

215

00:09:46,139 --> 00:09:49,889  
united states like ufology it is

216

00:09:48,448 --> 00:09:52,139  
centered on the United States no it's

217

00:09:49,889 --> 00:09:54,269  
not of course the only country in the

218

00:09:52,139 --> 00:09:56,250  
world where Exopolitics or ufology is

219

00:09:54,269 --> 00:09:59,339  
done I think all countries at some point

220

00:09:56,250 --> 00:10:01,620  
are involved in ufology or Exopolitics

221

00:09:59,339 --> 00:10:03,750  
and Wales of course is one of those but

222

00:10:01,620 --> 00:10:07,230  
it's it is the United States I think is

223

00:10:03,750 --> 00:10:10,110  
the heartland of where Exopolitics is

224

00:10:07,230 --> 00:10:13,379  
today however it's not always been the

225

00:10:10,110 --> 00:10:15,360  
case and in fact um if you want I mean

226

00:10:13,379 --> 00:10:17,639  
it's hard to know where exit politics

227

00:10:15,360 --> 00:10:20,149  
began because exopolitical ideas can be

228

00:10:17,639 --> 00:10:22,470  
found throughout the history of ufology

229

00:10:20,149 --> 00:10:27,089

but I think we really really took off

230

00:10:22,470 --> 00:10:29,220

properly in early 1970s and it wasn't in

231

00:10:27,089 --> 00:10:31,529

the United States it was in this place I

232

00:10:29,220 --> 00:10:33,089

think this this place I think is where

233

00:10:31,528 --> 00:10:36,088

you can trace the currently the first

234

00:10:33,089 --> 00:10:38,449

steps to real deliberate attempts to

235

00:10:36,089 --> 00:10:41,850

bring exopolitical ideas into the world

236

00:10:38,448 --> 00:10:43,588

this is Grenada now you may recognize

237

00:10:41,850 --> 00:10:45,178

this you you may have been on here on

238

00:10:43,589 --> 00:10:47,399

holiday actually because Grenada is a

239

00:10:45,178 --> 00:10:49,169

very popular holiday resort it's

240

00:10:47,399 --> 00:10:50,970

absolutely lovely place

241

00:10:49,169 --> 00:10:52,769

and as you can see I mean just looking

242

00:10:50,970 --> 00:10:54,180

at a picture I can't you know I really

243  
00:10:52,769 --> 00:10:56,490  
want to go lie on those Sun now because

244  
00:10:54,179 --> 00:10:57,809  
I want to get me roll me roll my

245  
00:10:56,490 --> 00:11:00,659  
trousers up to the knee and have a way

246  
00:10:57,809 --> 00:11:02,518  
didn't that see in the beautiful it is

247  
00:11:00,659 --> 00:11:04,588  
very popular for holiday destinations

248  
00:11:02,519 --> 00:11:08,129  
because of its nice beaches here it's

249  
00:11:04,589 --> 00:11:09,570  
blue seas and it's in the Caribbean and

250  
00:11:08,129 --> 00:11:12,028  
like much of the Caribbean it's famous

251  
00:11:09,570 --> 00:11:14,070  
for its its friendly people it's

252  
00:11:12,028 --> 00:11:16,789  
easygoing lifestyle

253  
00:11:14,070 --> 00:11:19,290  
the culture the food things like that so

254  
00:11:16,789 --> 00:11:21,870  
most days there's a cruise ship moored

255  
00:11:19,289 --> 00:11:23,490  
out there and people come and go and

256  
00:11:21,870 --> 00:11:27,060  
there's hotels and things like that so

257

00:11:23,490 --> 00:11:31,889  
for the visit there's nothing no to

258  
00:11:27,059 --> 00:11:34,309  
indicate in that picture that's the this

259  
00:11:31,889 --> 00:11:36,899  
alignment is greater as a small island

260  
00:11:34,309 --> 00:11:40,169  
in the Grenadines chain is only 12 miles

261  
00:11:36,899 --> 00:11:42,659  
across there's very small countries as

262  
00:11:40,169 --> 00:11:45,360  
an as a nation there's nothing in the

263  
00:11:42,659 --> 00:11:47,129  
picture or anything you could if you

264  
00:11:45,360 --> 00:11:49,019  
some people who visit it to indicate

265  
00:11:47,129 --> 00:11:52,698  
that this little island is actually one

266  
00:11:49,019 --> 00:11:57,299  
of the most important places in all of

267  
00:11:52,698 --> 00:11:58,769  
the history of Exopolitics graters

268  
00:11:57,299 --> 00:12:03,208  
interesting place denied it was actually

269  
00:11:58,769 --> 00:12:05,278  
a British Crown Colony originally and it

270  
00:12:03,208 --> 00:12:08,458  
was bought to the British Empire bought

271  
00:12:05,278 --> 00:12:09,958

it off the friendship are in 1877 you

272

00:12:08,458 --> 00:12:13,409  
could buy islands in those days it was

273

00:12:09,958 --> 00:12:18,208  
amazing and so it became a British Crown

274

00:12:13,409 --> 00:12:21,059  
Colony and in 1922 a man was born on

275

00:12:18,208 --> 00:12:22,708  
Grenada who I think he's one of the

276

00:12:21,059 --> 00:12:24,059  
least well-known but I think one of the

277

00:12:22,708 --> 00:12:26,159  
most important figures in the history of

278

00:12:24,059 --> 00:12:27,149  
acts of politics next slide please Mike

279

00:12:26,159 --> 00:12:31,139  
if you can make this one I don't work

280

00:12:27,149 --> 00:12:33,419  
bigger than a beer cool it's a bit small

281

00:12:31,139 --> 00:12:36,480  
so that's it right how many people

282

00:12:33,419 --> 00:12:38,838  
you'll recognize this man no it's not

283

00:12:36,480 --> 00:12:41,519  
Eddie Murphy looks a bit like him I know

284

00:12:38,839 --> 00:12:44,250  
now it's hear a lot about enigmatic

285

00:12:41,519 --> 00:12:46,230  
smiles within like the Mona Lisa and the

286  
00:12:44,250 --> 00:12:48,028  
famous painting this guy's got an

287  
00:12:46,230 --> 00:12:50,670  
enigmatic smile I think in this pits but

288  
00:12:48,028 --> 00:12:54,360  
in this big picture in particular this

289  
00:12:50,669 --> 00:12:57,189  
is Erika Gary now he was the first Prime

290  
00:12:54,360 --> 00:12:59,360  
Minister of Grenada and

291  
00:12:57,190 --> 00:13:01,310  
believe it or not he actually was a very

292  
00:12:59,360 --> 00:13:03,500  
very important figure in getting Eufaula

293  
00:13:01,309 --> 00:13:06,379  
you thought UFOs brought into the

294  
00:13:03,500 --> 00:13:10,429  
political sphere he was born in 1922

295  
00:13:06,379 --> 00:13:12,740  
like I said and he became when he grew

296  
00:13:10,429 --> 00:13:14,599  
up he became politically active and he

297  
00:13:12,740 --> 00:13:16,519  
became part of the movement which wanted

298  
00:13:14,600 --> 00:13:17,170  
to make grant grenadier independent

299  
00:13:16,519 --> 00:13:19,069  
nation

300  
00:13:17,169 --> 00:13:21,709  
in other words would leave the British

301  
00:13:19,070 --> 00:13:26,240  
Empire and become its own self-governing

302  
00:13:21,710 --> 00:13:27,740  
state and he rose from he took places in

303  
00:13:26,240 --> 00:13:29,930  
the colonial government he was elected

304  
00:13:27,740 --> 00:13:31,759  
and he rose through the ranks and

305  
00:13:29,929 --> 00:13:35,289  
through the different grades of

306  
00:13:31,759 --> 00:13:38,330  
political office until in in February of

307  
00:13:35,289 --> 00:13:40,669  
1974 just one month after the barren

308  
00:13:38,330 --> 00:13:41,180  
mountains incident up here in North

309  
00:13:40,669 --> 00:13:44,389  
Wales

310  
00:13:41,179 --> 00:13:46,759  
he became the country's first prime

311  
00:13:44,389 --> 00:13:50,840  
minister as it it wasn't independent

312  
00:13:46,759 --> 00:13:56,000  
nation and it's very interesting because

313  
00:13:50,840 --> 00:13:57,440  
he when Grenada became became

314

00:13:56,000 --> 00:13:59,929  
independent it was offered a seat at the

315  
00:13:57,440 --> 00:14:01,310  
United Nations and Saric Gary went to

316  
00:13:59,929 --> 00:14:05,599  
the United Nations and immediately

317  
00:14:01,309 --> 00:14:08,059  
started work on a UFO initiative this is

318  
00:14:05,600 --> 00:14:09,620  
very long long before dr. Steven Greer

319  
00:14:08,059 --> 00:14:13,899  
or bassett or any of these other people

320  
00:14:09,620 --> 00:14:13,899  
did have the next slide please and

321  
00:14:17,558 --> 00:14:21,409  
yeah this is a very important picture

322  
00:14:19,818 --> 00:14:24,259  
it's very important historical document

323  
00:14:21,409 --> 00:14:26,749  
they say on the Left ACC Eric gairy and

324  
00:14:24,259 --> 00:14:29,449  
he is at the United Nations see the logo

325  
00:14:26,749 --> 00:14:32,749  
there and next to him is J Allen Hynek

326  
00:14:29,448 --> 00:14:34,849  
the ufologists there's a Jacques Vallee

327  
00:14:32,749 --> 00:14:38,689  
who's another another famous ufologists

328  
00:14:34,850 --> 00:14:39,918

in the 1970s and Colonel Barry coin and

329

00:14:38,688 --> 00:14:43,909

he said about the United Nations

330

00:14:39,918 --> 00:14:47,409

discussing UFOs and he spent a lot of

331

00:14:43,909 --> 00:14:52,368

time doing that so next slide please

332

00:14:47,409 --> 00:14:54,230

now this is Texas at some text which you

333

00:14:52,369 --> 00:14:55,970

will actually get you can get this on if

334

00:14:54,230 --> 00:14:57,980

you've got the Grenada government portal

335

00:14:55,970 --> 00:15:00,499

and look through CEREC page on the

336

00:14:57,980 --> 00:15:04,339

history section this text is reproduced

337

00:15:00,499 --> 00:15:08,798

in full this is a part of a speech that

338

00:15:04,339 --> 00:15:11,589

CEREC gave in the 2012 of october 1978

339

00:15:08,798 --> 00:15:14,418

at the United Nations General Assembly

340

00:15:11,589 --> 00:15:16,279

he stood and he talked about this

341

00:15:14,418 --> 00:15:19,548

subject to meet you see here does it

342

00:15:16,278 --> 00:15:22,369

give you a few important some of the

343  
00:15:19,548 --> 00:15:25,100  
most important some clips here sightings

344  
00:15:22,369 --> 00:15:27,110  
of UFOs are not restricted to one or two

345  
00:15:25,100 --> 00:15:29,629  
parts of our planet reports come in from

346  
00:15:27,110 --> 00:15:31,100  
all over the world today and scientific

347  
00:15:29,629 --> 00:15:33,079  
analysis of these reports strongly

348  
00:15:31,100 --> 00:15:34,999  
suggests that a growing number of people

349  
00:15:33,078 --> 00:15:39,678  
believe that UFOs exist as a physical

350  
00:15:34,999 --> 00:15:42,199  
phenomenon more countries believe that

351  
00:15:39,678 --> 00:15:44,119  
in an in-depth investigation into this

352  
00:15:42,198 --> 00:15:46,188  
phenomenon it might make a significant

353  
00:15:44,119 --> 00:15:47,928  
contribution towards the well-being of

354  
00:15:46,188 --> 00:15:50,418  
planet Earth and towards man's better

355  
00:15:47,928 --> 00:15:52,548  
understanding of himself and his purpose

356  
00:15:50,418 --> 00:15:57,399  
on earth and that's have written the

357  
00:15:52,548 --> 00:16:00,100  
next slide please Mike she's bout one

358  
00:15:57,399 --> 00:16:03,259  
there's two of those blue ones

359  
00:16:00,100 --> 00:16:08,629  
this okay now this is the interesting

360  
00:16:03,259 --> 00:16:14,299  
where is it some yeah he talked to Allen

361  
00:16:08,629 --> 00:16:17,689  
Hynek here yep this one this is one way

362  
00:16:14,299 --> 00:16:21,828  
he actually um at one point he has he

363  
00:16:17,690 --> 00:16:23,870  
hints he's he gives a hint that the

364  
00:16:21,828 --> 00:16:25,399  
government around him knows more than

365  
00:16:23,870 --> 00:16:28,490  
it's saying isn't a knows more that's

366  
00:16:25,399 --> 00:16:32,328  
saying about it here we go um they

367  
00:16:28,490 --> 00:16:33,769  
promise to support myself lost where it

368  
00:16:32,328 --> 00:16:35,719  
is it doesn't matter you could even

369  
00:16:33,769 --> 00:16:37,100  
check this out on the on the Canadian

370  
00:16:35,720 --> 00:16:40,850  
government portal it's a very very

371

00:16:37,100 --> 00:16:42,230  
interesting thing and so Eric gairy as I

372  
00:16:40,850 --> 00:16:45,019  
said he stood here in the UN and he

373  
00:16:42,230 --> 00:16:46,879  
talked quite openly about UFOs about

374  
00:16:45,019 --> 00:16:47,750  
some various things that you wanted to

375  
00:16:46,879 --> 00:16:52,850  
do next slide please

376  
00:16:47,750 --> 00:16:56,059  
Mike I don't how many of you collect

377  
00:16:52,850 --> 00:16:58,670  
stamps but this is a set of

378  
00:16:56,059 --> 00:17:01,309  
commemorative stamps made from 1978 that

379  
00:16:58,669 --> 00:17:04,639  
Eric actually ordered the post office of

380  
00:17:01,309 --> 00:17:06,678  
Grenada to issue and these are UFO

381  
00:17:04,640 --> 00:17:11,630  
themed stamps you see here two dollars

382  
00:17:06,679 --> 00:17:13,910  
as Grenada dollars and we research into

383  
00:17:11,630 --> 00:17:15,919  
UFOs if if any of you find one of these

384  
00:17:13,910 --> 00:17:21,640  
let me know and this is like the you see

385  
00:17:15,919 --> 00:17:21,640

the back here there's a you see that the

386

00:17:21,880 --> 00:17:26,260

the 30 second regular session of the

387

00:17:24,980 --> 00:17:29,450

General Assembly of the United Nations

388

00:17:26,259 --> 00:17:31,849

and the Tapia walk out UFOs and related

389

00:17:29,450 --> 00:17:33,880

phenomena now and this in the background

390

00:17:31,849 --> 00:17:36,558

here is the United Nations building and

391

00:17:33,880 --> 00:17:39,559

you see a little UFO hovering up there

392

00:17:36,558 --> 00:17:41,869

in the corner now what's interesting is

393

00:17:39,558 --> 00:17:44,990

that that might have been based on a

394

00:17:41,869 --> 00:17:46,759

real report a UFO report because where

395

00:17:44,990 --> 00:17:49,730

that actually is in New York City was

396

00:17:46,759 --> 00:17:53,179

the near the UN General Assembly in a

397

00:17:49,730 --> 00:17:57,019

few years earlier in 1973 John Lennon

398

00:17:53,179 --> 00:17:59,240

the Beatle he saw a UFO in New York

399

00:17:57,019 --> 00:18:01,129

going along the Hudson River yeah this

400  
00:17:59,240 --> 00:18:03,650  
serve this river here and it looked a

401  
00:18:01,130 --> 00:18:05,510  
bit like that and and I wonder if that

402  
00:18:03,650 --> 00:18:08,590  
is actually there based on John Lennon's

403  
00:18:05,509 --> 00:18:08,589  
report they put that in there

404  
00:18:08,740 --> 00:18:14,539  
now Sarah carry the plan to make people

405  
00:18:12,589 --> 00:18:17,000  
he he petitioned the United Nations to

406  
00:18:14,539 --> 00:18:21,829  
make 1979 the International Year of the

407  
00:18:17,000 --> 00:18:24,170  
UFO now you know that you know that the

408  
00:18:21,829 --> 00:18:25,250  
UN has international years is had

409  
00:18:24,170 --> 00:18:27,940  
internationally as the child

410  
00:18:25,250 --> 00:18:30,980  
international years of the environment

411  
00:18:27,940 --> 00:18:32,930  
things like that where campaigns on

412  
00:18:30,980 --> 00:18:35,750  
particular issues over a certain amount

413  
00:18:32,930 --> 00:18:37,880  
of time and in 97 you know he wanted

414  
00:18:35,750 --> 00:18:42,170  
1979 to become the International Year of

415  
00:18:37,880 --> 00:18:44,120  
the UFO now this of course is a UFO

416  
00:18:42,170 --> 00:18:46,160  
event and there's many many others

417  
00:18:44,119 --> 00:18:48,409  
there's a new horizon st. Ann's and

418  
00:18:46,160 --> 00:18:52,730  
probe and things like that now can you

419  
00:18:48,410 --> 00:18:56,330  
just imagine our prime minister on a

420  
00:18:52,730 --> 00:18:59,329  
name now Teresa let's just imagine her

421  
00:18:56,329 --> 00:19:02,299  
standing on this stage talking you about

422  
00:18:59,329 --> 00:19:06,019  
UFOs can you imagine that it's extremely

423  
00:19:02,299 --> 00:19:08,269  
rare this is where Sarah Kerry's unique

424  
00:19:06,019 --> 00:19:10,639  
among the Statesmen of unique apart from

425  
00:19:08,269 --> 00:19:12,230  
perhaps Paul Hellyer MP of

426  
00:19:10,640 --> 00:19:14,930  
administrative defense of Canada who

427  
00:19:12,230 --> 00:19:16,519  
I'll talk about later this makes him

428

00:19:14,930 --> 00:19:19,160  
very very unusual among statesmen

429  
00:19:16,519 --> 00:19:21,829  
because he actually did as a serving

430  
00:19:19,160 --> 00:19:25,130  
statesman he actually did attend very

431  
00:19:21,829 --> 00:19:27,049  
few of our meetings and he spoke at the

432  
00:19:25,130 --> 00:19:28,760  
UFO into the International UFO Congress

433  
00:19:27,049 --> 00:19:29,809  
now the International UFO Congress some

434  
00:19:28,759 --> 00:19:32,089  
of you might have actually been there

435  
00:19:29,809 --> 00:19:35,240  
too held them every year in Nevada USA

436  
00:19:32,089 --> 00:19:36,559  
and that has been since 1991 but it's

437  
00:19:35,240 --> 00:19:38,390  
there was an older you were

438  
00:19:36,559 --> 00:19:43,759  
International UFO Congress and we've

439  
00:19:38,390 --> 00:19:47,300  
started in 1977 and ahiret Gary spoke on

440  
00:19:43,759 --> 00:19:49,609  
stage at the first ever international

441  
00:19:47,299 --> 00:19:52,190  
UFO Congress and that's I think that's

442  
00:19:49,609 --> 00:19:54,740

the only time a serving state of serving

443

00:19:52,190 --> 00:19:57,500

head of government has spoken of the UFO

444

00:19:54,740 --> 00:19:59,660

can't confess conference it's absolutely

445

00:19:57,500 --> 00:20:02,390

amazing development

446

00:19:59,660 --> 00:20:05,990

and Saric actually also in 1979 he

447

00:20:02,390 --> 00:20:10,310

wanted to host the the third new

448

00:20:05,990 --> 00:20:11,750

international UFO Congress on Grenada he

449

00:20:10,309 --> 00:20:15,049

actually planned to have it on Grenada

450

00:20:11,750 --> 00:20:16,660

and he wanted to build a UFO research

451

00:20:15,049 --> 00:20:19,460

center on Grenada

452

00:20:16,660 --> 00:20:20,900

but with telescopes special sky watching

453

00:20:19,460 --> 00:20:23,480

telescopes and things like that it's

454

00:20:20,900 --> 00:20:27,920

quite remarkable thing he was an amazing

455

00:20:23,480 --> 00:20:29,450

man I mean obviously one of the ideas

456

00:20:27,920 --> 00:20:31,580

he's a bit he's a bit crazy I'm the

457  
00:20:29,450 --> 00:20:34,250  
mainstream idea he's a bit crazy and of

458  
00:20:31,579 --> 00:20:35,599  
course many of his political rivals I'll

459  
00:20:34,250 --> 00:20:38,720  
explain more detail in a minute about

460  
00:20:35,599 --> 00:20:41,809  
all that but many of his political

461  
00:20:38,720 --> 00:20:43,730  
rivals used his interest in UFOs to

462  
00:20:41,809 --> 00:20:45,409  
discredit him they said well he's not

463  
00:20:43,730 --> 00:20:46,700  
fit to rule because he's crazy

464  
00:20:45,410 --> 00:20:51,650  
because he believes in flying saucers

465  
00:20:46,700 --> 00:20:52,759  
and little green men but when you

466  
00:20:51,650 --> 00:20:55,070  
actually look at what the average

467  
00:20:52,759 --> 00:20:56,869  
Grenadian in the street thought about

468  
00:20:55,069 --> 00:21:00,799  
this I mean were they particularly

469  
00:20:56,869 --> 00:21:02,359  
concerned about their you know their

470  
00:21:00,799 --> 00:21:03,169  
prime minister spending the taxpayers

471  
00:21:02,359 --> 00:21:06,009  
money

472  
00:21:03,170 --> 00:21:08,300  
on flying saucers and little green men

473  
00:21:06,009 --> 00:21:10,460  
it turns out that that didn't actually

474  
00:21:08,299 --> 00:21:11,960  
affect his popularity very much some

475  
00:21:10,460 --> 00:21:13,309  
other things soon would more earthly

476  
00:21:11,960 --> 00:21:15,769  
things and I would say more about that

477  
00:21:13,309 --> 00:21:17,419  
in a minute but it sounds like he did

478  
00:21:15,769 --> 00:21:18,920  
have the support of the grenade up the

479  
00:21:17,420 --> 00:21:20,870  
people of Grenada I mean probably just

480  
00:21:18,920 --> 00:21:22,039  
likes a small place doesn't have a very

481  
00:21:20,869 --> 00:21:24,319  
big population I think they were very

482  
00:21:22,039 --> 00:21:27,529  
much on his side I mean he was a popular

483  
00:21:24,319 --> 00:21:30,230  
leader anyway he was he was seen as a

484  
00:21:27,529 --> 00:21:32,629  
people's champion he was interested in

485

00:21:30,230 --> 00:21:34,250  
women's rights which was a major concern

486  
00:21:32,630 --> 00:21:37,240  
in the Caribbean in those days he

487  
00:21:34,250 --> 00:21:39,410  
rebuilt the great official industry

488  
00:21:37,240 --> 00:21:41,930  
his nickname was uncle whose people

489  
00:21:39,410 --> 00:21:44,750  
called him uncle so he was a popular

490  
00:21:41,930 --> 00:21:50,029  
leader and it seems that this stranger

491  
00:21:44,750 --> 00:21:52,160  
knew newer campaign of his strategy did

492  
00:21:50,029 --> 00:21:56,329  
nothing to actually dampen his people

493  
00:21:52,160 --> 00:21:59,810  
some support for him but other things

494  
00:21:56,329 --> 00:22:02,349  
soon would unfortunately next slide

495  
00:21:59,809 --> 00:22:02,349  
please Mike

496  
00:22:02,528 --> 00:22:07,278  
so Eric's initiative is not the only

497  
00:22:05,269 --> 00:22:09,950  
time that the UFO subject has brushed up

498  
00:22:07,278 --> 00:22:11,210  
against the United Nations I just

499  
00:22:09,950 --> 00:22:14,528

mentioned a couple of these as well

500

00:22:11,210 --> 00:22:18,288

because it is very very important now

501

00:22:14,528 --> 00:22:19,759

when when Eric was at the UN the

502

00:22:18,288 --> 00:22:22,308

secretary-general at the time was an

503

00:22:19,759 --> 00:22:25,308

Austrian guy called Kurt Waldheim but

504

00:22:22,308 --> 00:22:29,119

his successor was this man on the left

505

00:22:25,308 --> 00:22:31,099

ear Javier Perez de Cuellar now in 1986

506

00:22:29,119 --> 00:22:33,889

something really remarkable happened the

507

00:22:31,099 --> 00:22:36,230

woman on the right is a young New Yorker

508

00:22:33,890 --> 00:22:39,190

Courtland and the Politan Oh and she

509

00:22:36,230 --> 00:22:41,808

reports in 1986 that she was abducted by

510

00:22:39,190 --> 00:22:43,058

extraterrestrials from her her apartment

511

00:22:41,808 --> 00:22:45,710

in New York City

512

00:22:43,058 --> 00:22:47,298

the aliens appeared in her bedroom and

513

00:22:45,710 --> 00:22:48,259

they levitated her off the bed she was

514  
00:22:47,298 --> 00:22:51,190  
completely paralyzed

515  
00:22:48,259 --> 00:22:54,980  
they never tainted her off the bed and

516  
00:22:51,190 --> 00:22:56,600  
basically maneuvered her weightless out

517  
00:22:54,980 --> 00:22:57,860  
the window the window shuts which they

518  
00:22:56,599 --> 00:23:00,259  
actually put she went straight through

519  
00:22:57,859 --> 00:23:01,459  
the glass and it was very scary because

520  
00:23:00,259 --> 00:23:03,558  
she was like on the sixth or seventh

521  
00:23:01,460 --> 00:23:06,798  
floor but they basically maneuvered it

522  
00:23:03,558 --> 00:23:09,139  
and they they maneuvered her through the

523  
00:23:06,798 --> 00:23:11,210  
air to this spaceship now very very

524  
00:23:09,140 --> 00:23:12,890  
unusually this particular alien

525  
00:23:11,210 --> 00:23:14,990  
abduction had witnesses and several came

526  
00:23:12,890 --> 00:23:17,929  
forward to say that they've been driving

527  
00:23:14,990 --> 00:23:20,778  
past in a car during the middle of night

528  
00:23:17,929 --> 00:23:23,750  
and they'd seen Linda Napolitano hanging

529  
00:23:20,778 --> 00:23:26,690  
in midair outside her bedroom window and

530  
00:23:23,750 --> 00:23:28,880  
these aliens around her and well it was

531  
00:23:26,690 --> 00:23:30,380  
never confirmed but the people who did

532  
00:23:28,880 --> 00:23:31,880  
come forward did say this man was in

533  
00:23:30,380 --> 00:23:34,340  
their company and they say it was this

534  
00:23:31,880 --> 00:23:36,140  
guy here Javier Perez de Cuellar now I

535  
00:23:34,339 --> 00:23:38,168  
think he just stopping un

536  
00:23:36,140 --> 00:23:40,970  
secretary-general after that but he was

537  
00:23:38,169 --> 00:23:43,730  
he was he - he left office at that time

538  
00:23:40,970 --> 00:23:45,589  
but it wasn't long after he left office

539  
00:23:43,730 --> 00:23:48,380  
that he actually he's never actually

540  
00:23:45,589 --> 00:23:50,119  
commented on this but the people are

541  
00:23:48,380 --> 00:23:52,340  
with him are known to be his colleagues

542

00:23:50,119 --> 00:23:52,969  
and they say this guy mr. de Cuellar was

543  
00:23:52,339 --> 00:23:55,339  
with us

544  
00:23:52,970 --> 00:23:58,730  
we all saw this woman levitating in

545  
00:23:55,339 --> 00:24:00,829  
midair this is quite remarkable koats

546  
00:23:58,730 --> 00:24:01,640  
there and a un related UFO issue and

547  
00:24:00,829 --> 00:24:04,819  
that's not the only one

548  
00:24:01,640 --> 00:24:06,710  
next slide Mike you've probably seen

549  
00:24:04,819 --> 00:24:08,720  
this on YouTube this is a Ronald Reagan

550  
00:24:06,710 --> 00:24:11,779  
president of the United States during

551  
00:24:08,720 --> 00:24:13,670  
much of the 1980s now um he

552  
00:24:11,779 --> 00:24:19,309  
he's several times actually he may

553  
00:24:13,670 --> 00:24:21,529  
comment on stage that are you related to

554  
00:24:19,309 --> 00:24:23,359  
the idea of extraterrestrial life um

555  
00:24:21,529 --> 00:24:27,879  
twice actually I think this happened he

556  
00:24:23,359 --> 00:24:30,169

said something along the lines of it

557

00:24:27,880 --> 00:24:31,760

amazes me you see that's how he was um

558

00:24:30,170 --> 00:24:33,410

involved in trying to end the Cold War

559

00:24:31,759 --> 00:24:35,180

he made he was working with Mikhail

560

00:24:33,410 --> 00:24:36,650

Gorbachev the Soviet President to end

561

00:24:35,180 --> 00:24:38,299

the Cold War and he says I summarized

562

00:24:36,650 --> 00:24:39,860

think how quickly our worldly

563

00:24:38,299 --> 00:24:43,339

differences would be forgotten if we

564

00:24:39,859 --> 00:24:46,099

were faced with a peril from beyond this

565

00:24:43,339 --> 00:24:49,039

earth he said basically would that we

566

00:24:46,099 --> 00:24:50,750

the people would unite and form an

567

00:24:49,039 --> 00:24:55,099

alliance to protect our planet from a

568

00:24:50,750 --> 00:24:57,109

danger beyond our earth and then he

569

00:24:55,099 --> 00:24:59,000

quickly had it but wasn't some is

570

00:24:57,109 --> 00:25:00,889

intended to between people's enough of a

571  
00:24:59,000 --> 00:25:03,319  
danger because some I say that's an

572  
00:25:00,890 --> 00:25:05,570  
alien threat and so they quickly added

573  
00:25:03,319 --> 00:25:07,970  
that all at the end but it was I think

574  
00:25:05,569 --> 00:25:09,679  
it's because he was at that time the

575  
00:25:07,970 --> 00:25:11,990  
Cold War was rapidly cooling to the

576  
00:25:09,680 --> 00:25:14,090  
point where eventually would end and a

577  
00:25:11,990 --> 00:25:18,349  
short time later the Soviet Union itself

578  
00:25:14,089 --> 00:25:20,919  
would be disbanded but but this rumors

579  
00:25:18,349 --> 00:25:23,659  
that break and knew a lot of stuff about

580  
00:25:20,920 --> 00:25:25,190  
UFOs I mean he's reported to our

581  
00:25:23,660 --> 00:25:27,290  
meetings have had meetings with Steven

582  
00:25:25,190 --> 00:25:29,840  
spielberger after Close Encounters the

583  
00:25:27,289 --> 00:25:30,980  
film came out he said oh you know mr.

584  
00:25:29,839 --> 00:25:32,509  
Spielberg you know where'd you get your

585  
00:25:30,980 --> 00:25:33,680  
ideas from you know a lot of that's real

586  
00:25:32,509 --> 00:25:36,650  
what you've what you've talked about

587  
00:25:33,680 --> 00:25:37,880  
there so the peers that some Reagan I

588  
00:25:36,650 --> 00:25:40,060  
think had an interest in this sort of

589  
00:25:37,880 --> 00:25:40,060  
thing

590  
00:25:42,539 --> 00:25:45,409  
x1

591  
00:25:48,819 --> 00:25:52,898  
this is this is to Eric gairy again I'm

592  
00:25:51,548 --> 00:25:57,579  
he's I'm in a meeting with Jimmy Carter

593  
00:25:52,898 --> 00:25:58,839  
president in the United States now it's

594  
00:25:57,579 --> 00:25:59,888  
interesting that the conversations they

595  
00:25:58,839 --> 00:26:01,898  
must have had because I've got a feeling

596  
00:25:59,888 --> 00:26:03,569  
these two heads of state may well have

597  
00:26:01,898 --> 00:26:06,508  
had a rapport with each other because

598  
00:26:03,569 --> 00:26:09,428  
Jimmy Carter's reported seeing a UFO -

599

00:26:06,509 --> 00:26:12,579  
this happened a few years I think before

600  
00:26:09,429 --> 00:26:15,130  
you met Gary he was with his friend

601  
00:26:12,579 --> 00:26:17,798  
Shirley MacLaine who was an author was

602  
00:26:15,130 --> 00:26:19,210  
written a lot about each of Tareq

603  
00:26:17,798 --> 00:26:21,009  
subjects the paranormal you were

604  
00:26:19,210 --> 00:26:22,778  
followed G things like that and he was

605  
00:26:21,009 --> 00:26:25,389  
staying with her at a ranch in the in

606  
00:26:22,778 --> 00:26:27,038  
the Colorado or someone like that and

607  
00:26:25,388 --> 00:26:30,038  
they saw they had a UFO sighting

608  
00:26:27,038 --> 00:26:32,288  
together and Carter has said this ever

609  
00:26:30,038 --> 00:26:34,058  
since he's reported it so I mean I

610  
00:26:32,288 --> 00:26:37,269  
wonder what kind of discussions they

611  
00:26:34,058 --> 00:26:39,158  
might have had during their summit I can

612  
00:26:37,269 --> 00:26:44,230  
imagine Carl yeah that's been thrown

613  
00:26:39,159 --> 00:26:46,539

quite amazing next one I please sir is

614

00:26:44,230 --> 00:26:50,048

very much now the Gary initiative was

615

00:26:46,538 --> 00:26:52,329

very very successful because here you

616

00:26:50,048 --> 00:26:53,829

can see it now this here the United

617

00:26:52,329 --> 00:26:56,678

Nations you know the UN General Assembly

618

00:26:53,829 --> 00:27:01,079

decision was 33 / 4 to 6 18th of

619

00:26:56,679 --> 00:27:03,278

December 1978 and this resolution says

620

00:27:01,079 --> 00:27:04,990

the establishment of an agency or

621

00:27:03,278 --> 00:27:06,878

Department of the United Nations for

622

00:27:04,990 --> 00:27:09,099

undertaking coordinating under cemetery

623

00:27:06,878 --> 00:27:11,740

disseminating the results of research

624

00:27:09,099 --> 00:27:14,230

into unidentified flying objects and

625

00:27:11,740 --> 00:27:15,609

related phenomena at its 87th plenary

626

00:27:14,230 --> 00:27:16,899

meeting on the 18th of December night

627

00:27:15,609 --> 00:27:18,339

only 8 the General Assembly on

628  
00:27:16,898 --> 00:27:20,949  
recommendation not special to the

629  
00:27:18,339 --> 00:27:22,928  
committee adopted the following text as

630  
00:27:20,950 --> 00:27:26,470  
representing the consensus of the

631  
00:27:22,929 --> 00:27:28,450  
members of the assembly 1 the General

632  
00:27:26,470 --> 00:27:29,589  
Assembly has taken note of the states

633  
00:27:28,450 --> 00:27:32,500  
from made and a draft resolution

634  
00:27:29,589 --> 00:27:33,759  
submitted by Grenada at the 32nd and

635  
00:27:32,500 --> 00:27:36,460  
33rd sessions of the General Assembly

636  
00:27:33,759 --> 00:27:38,679  
we're going unidentified flying objects

637  
00:27:36,460 --> 00:27:40,298  
on related phenomena this is the United

638  
00:27:38,679 --> 00:27:43,298  
Nations ladies and gentlemen next slide

639  
00:27:40,298 --> 00:27:45,638  
please Mike to the General Assembly

640  
00:27:43,298 --> 00:27:48,190  
invites interested member states to take

641  
00:27:45,638 --> 00:27:50,258  
appropriate steps to coordinate on a

642  
00:27:48,190 --> 00:27:52,000  
national level scientific research and

643  
00:27:50,259 --> 00:27:52,880  
investigation into extraterrestrial life

644  
00:27:52,000 --> 00:27:55,640  
in

645  
00:27:52,880 --> 00:27:56,720  
unidentified flying objects that's a

646  
00:27:55,640 --> 00:28:00,680  
third time they've said that

647  
00:27:56,720 --> 00:28:02,240  
unidentified flying object man even

648  
00:28:00,680 --> 00:28:03,799  
former Secretary General of observations

649  
00:28:02,240 --> 00:28:06,500  
research and evaluation of such

650  
00:28:03,799 --> 00:28:08,059  
activities of three the General Assembly

651  
00:28:06,500 --> 00:28:10,299  
requests the secretary-general to

652  
00:28:08,059 --> 00:28:13,009  
transmit statements of the delegation of

653  
00:28:10,299 --> 00:28:14,809  
Grenada and the relevant documentation

654  
00:28:13,009 --> 00:28:17,450  
to the Committee on the peaceful uses

655  
00:28:14,809 --> 00:28:20,629  
around to space so that it may consider

656

00:28:17,450 --> 00:28:21,890  
them at its session in 1939 for the

657  
00:28:20,630 --> 00:28:23,750  
Committee on the peaceful uses another

658  
00:28:21,890 --> 00:28:25,759  
space will permit Grenada upon his

659  
00:28:23,750 --> 00:28:28,549  
request to present its views to the

660  
00:28:25,759 --> 00:28:29,809  
committee at its session in 1979 the

661  
00:28:28,549 --> 00:28:31,940  
committee's deliberation will be

662  
00:28:29,809 --> 00:28:33,859  
included in his report which will be

663  
00:28:31,940 --> 00:28:37,070  
considered by the General Assembly as

664  
00:28:33,859 --> 00:28:39,459  
thirty fourth session so they're in

665  
00:28:37,069 --> 00:28:42,500  
black and white Squire

666  
00:28:39,460 --> 00:28:43,880  
if you go to the you go to view a United

667  
00:28:42,500 --> 00:28:45,349  
Nation website and look up the records

668  
00:28:43,880 --> 00:28:47,240  
of the minutes of the meetings and

669  
00:28:45,349 --> 00:28:49,990  
resolutions you'll find it under that

670  
00:28:47,240 --> 00:28:53,509

reference it's there this is an

671

00:28:49,990 --> 00:28:57,410

astounding document because this is um

672

00:28:53,509 --> 00:28:59,990

Can this actually send a mandate for

673

00:28:57,410 --> 00:29:02,210

the Syria the adoption of the

674

00:28:59,990 --> 00:29:07,579

unidentified flying object has a serious

675

00:29:02,210 --> 00:29:09,769

political topic which is really quite

676

00:29:07,579 --> 00:29:13,720

remarkable you consider the current the

677

00:29:09,769 --> 00:29:15,889

modern day and how politicians react

678

00:29:13,720 --> 00:29:17,299

when this subject even comes up the way

679

00:29:15,890 --> 00:29:19,940

the way it's talked about in the media

680

00:29:17,299 --> 00:29:23,839

the way it's treated by popular culture

681

00:29:19,940 --> 00:29:29,000

as a joke there's no doubt that this was

682

00:29:23,839 --> 00:29:31,699

a movement towards possibly a safe an

683

00:29:29,000 --> 00:29:33,200

official investigation in not just an

684

00:29:31,700 --> 00:29:35,799

official investigation as it was with

685  
00:29:33,200 --> 00:29:40,130  
Project Blue Book a few years earlier

686  
00:29:35,799 --> 00:29:42,230  
but a in a sense an X a political view

687  
00:29:40,130 --> 00:29:43,970  
rather than a youthful logical view that

688  
00:29:42,230 --> 00:29:46,250  
these things are real Garrett as gary

689  
00:29:43,970 --> 00:29:48,350  
said he believed they were real when he

690  
00:29:46,250 --> 00:29:51,829  
addressed the UN the year before or they

691  
00:29:48,349 --> 00:29:55,250  
the few months before and this could

692  
00:29:51,829 --> 00:29:58,309  
have resulted in not not necessarily

693  
00:29:55,250 --> 00:29:59,990  
disclosure of secret of topics but of

694  
00:29:58,309 --> 00:30:01,039  
classified information which I believed

695  
00:29:59,990 --> 00:30:04,940  
existed on the side

696  
00:30:01,039 --> 00:30:07,159  
but a raising of the lead status of a

697  
00:30:04,940 --> 00:30:10,039  
UFO from the fringe to the accepted

698  
00:30:07,160 --> 00:30:12,860  
which would then have probably could

699  
00:30:10,039 --> 00:30:15,740  
have gone anywhere from there so that

700  
00:30:12,859 --> 00:30:17,509  
was at the end of 1978 look very

701  
00:30:15,740 --> 00:30:20,359  
promising as hopeful times if you're a

702  
00:30:17,509 --> 00:30:23,869  
ufologist in those days but it all went

703  
00:30:20,359 --> 00:30:26,079  
terribly terribly wrong next slide

704  
00:30:23,869 --> 00:30:26,079  
please

705  
00:30:26,109 --> 00:30:32,119  
on March the 15th of 1979 just a few

706  
00:30:30,140 --> 00:30:36,620  
months after that resolutions pass was

707  
00:30:32,119 --> 00:30:39,199  
drafted rather so Eric gairy was in New

708  
00:30:36,619 --> 00:30:42,259  
York again he was having consultations

709  
00:30:39,200 --> 00:30:44,600  
he was having another discussion with

710  
00:30:42,259 --> 00:30:48,440  
Val time when he received devastating

711  
00:30:44,599 --> 00:30:50,269  
news from home he's one of his political

712  
00:30:48,440 --> 00:30:52,160  
rivals his miss principal political

713

00:30:50,269 --> 00:30:56,529  
rival in the Grenada government this guy

714  
00:30:52,160 --> 00:31:00,440  
here a burner cord sorry Morris Bishop

715  
00:30:56,529 --> 00:31:01,789  
had seized power in a coup what happened

716  
00:31:00,440 --> 00:31:05,710  
was at Morris Bishop and his close

717  
00:31:01,789 --> 00:31:08,450  
friend Bernard Coard and arranged a

718  
00:31:05,710 --> 00:31:10,190  
takeover the government by their party

719  
00:31:08,450 --> 00:31:13,039  
which was called the mule the new jewel

720  
00:31:10,190 --> 00:31:15,140  
movement jewel stands for Joint Endeavor

721  
00:31:13,039 --> 00:31:17,210  
for workers education and liberation

722  
00:31:15,140 --> 00:31:20,570  
this was a Marxist Leninist group

723  
00:31:17,210 --> 00:31:21,920  
sponsored by Cuba and they they smuggled

724  
00:31:20,569 --> 00:31:24,139  
weapons onto the island and they

725  
00:31:21,920 --> 00:31:25,310  
basically the hudley time remembers all

726  
00:31:24,140 --> 00:31:26,900  
the members of the party had armed

727  
00:31:25,309 --> 00:31:28,909

themselves and marched into the

728

00:31:26,900 --> 00:31:32,780

government house and basically announced

729

00:31:28,910 --> 00:31:34,370

we're taking over we're going to we're

730

00:31:32,779 --> 00:31:35,899

now running this country Minister of

731

00:31:34,369 --> 00:31:38,239

Grenada and all the other members of the

732

00:31:35,900 --> 00:31:41,200

new jewel part the party the new jewel

733

00:31:38,240 --> 00:31:44,359

movement were given government positions

734

00:31:41,200 --> 00:31:48,620

know one of the first things that Bishop

735

00:31:44,359 --> 00:31:53,149

did was to exile Serek Gary and outlaw

736

00:31:48,619 --> 00:31:55,309

his party lots of members of the Gary's

737

00:31:53,150 --> 00:31:57,800

party actually were actually taken from

738

00:31:55,309 --> 00:31:59,569

their homes and put into a prison camp

739

00:31:57,799 --> 00:32:01,339

on one of the outlying islands of

740

00:31:59,569 --> 00:32:02,929

grenade a part of Grenada but it's not

741

00:32:01,339 --> 00:32:05,269

on the actual island itself as a small

742  
00:32:02,930 --> 00:32:07,288  
outline and nearby and they were kept

743  
00:32:05,269 --> 00:32:09,579  
there for five years

744  
00:32:07,288 --> 00:32:11,378  
so Eric couldn't come back he couldn't

745  
00:32:09,579 --> 00:32:13,960  
come back to his own it-it's his own

746  
00:32:11,378 --> 00:32:16,298  
home because he was exiled he wouldn't

747  
00:32:13,960 --> 00:32:18,579  
been allowed into his own country so he

748  
00:32:16,298 --> 00:32:20,829  
was banned from grade only yet he had to

749  
00:32:18,579 --> 00:32:22,720  
stay in in in the United States he C was

750  
00:32:20,829 --> 00:32:25,569  
given political asylum in the United

751  
00:32:22,720 --> 00:32:27,909  
States and he had to stay there and he

752  
00:32:25,569 --> 00:32:29,710  
and basically he had unfortunately to

753  
00:32:27,909 --> 00:32:31,749  
drop everything he was doing with UFOs

754  
00:32:29,710 --> 00:32:35,129  
until he sorted out this mess in his own

755  
00:32:31,749 --> 00:32:37,839  
country and that took almost five years

756  
00:32:35,128 --> 00:32:39,428  
in the meantime he he also had to go on

757  
00:32:37,839 --> 00:32:41,019  
the run I mean he was at Miss America

758  
00:32:39,429 --> 00:32:44,080  
that's actually very in a very

759  
00:32:41,019 --> 00:32:45,909  
vulnerable position because um the new

760  
00:32:44,079 --> 00:32:48,699  
jewel movement bishops party actually

761  
00:32:45,909 --> 00:32:51,249  
had allies in the United States and one

762  
00:32:48,700 --> 00:32:54,759  
of them Mario Salas said that he would

763  
00:32:51,249 --> 00:32:56,499  
hunt down Gary and kill him so Sarah had

764  
00:32:54,759 --> 00:32:57,700  
to basically we had to watch his back

765  
00:32:56,499 --> 00:33:00,220  
when he was bad he had to carry a gun

766  
00:32:57,700 --> 00:33:02,230  
Ian's a pyro bodyguard yet to watch his

767  
00:33:00,220 --> 00:33:04,179  
back whenever he went out in case Alice

768  
00:33:02,230 --> 00:33:06,358  
or one of his associates came home and

769  
00:33:04,179 --> 00:33:11,169  
tried to kill him

770

00:33:06,358 --> 00:33:12,759  
now the paradoxically even though this

771  
00:33:11,169 --> 00:33:14,499  
is an awful thing for Eric Gary the

772  
00:33:12,759 --> 00:33:18,460  
actual people are actually accepted the

773  
00:33:14,499 --> 00:33:20,470  
new regime quite quickly because this is

774  
00:33:18,460 --> 00:33:24,278  
the bishop years are actually seen as

775  
00:33:20,470 --> 00:33:28,028  
something of a golden age in Grenadiers

776  
00:33:24,278 --> 00:33:29,679  
history because basically the the actual

777  
00:33:28,028 --> 00:33:31,298  
island I mean grenade herself actually

778  
00:33:29,679 --> 00:33:33,639  
became one of the richest islands in the

779  
00:33:31,298 --> 00:33:36,099  
world during the bishop time during the

780  
00:33:33,638 --> 00:33:37,988  
bishop regime for its size of population

781  
00:33:36,099 --> 00:33:39,519  
it became enormously wealthy but this is

782  
00:33:37,989 --> 00:33:42,009  
basically because Cuba and for the

783  
00:33:39,519 --> 00:33:43,690  
Soviet Union were bankrolling the place

784  
00:33:42,009 --> 00:33:45,308

they were given the sending massive

785

00:33:43,690 --> 00:33:47,169

amounts of money to Grenada to develop

786

00:33:45,308 --> 00:33:50,558

it and develop the new socialist

787

00:33:47,169 --> 00:33:52,179

government there under under Bishop this

788

00:33:50,558 --> 00:33:55,989

is a lot to do with Cold War politics

789

00:33:52,179 --> 00:33:58,288

and the policies of the Caribbean at

790

00:33:55,989 --> 00:34:01,239

that time now in 1959 had been a

791

00:33:58,288 --> 00:34:02,798

revolution in Cuba and Fidel Castro and

792

00:34:01,239 --> 00:34:04,210

Che Guevara they'd taken over the

793

00:34:02,798 --> 00:34:09,030

government and they'd instituted a

794

00:34:04,210 --> 00:34:11,798

soviet-style socialist regime there and

795

00:34:09,030 --> 00:34:13,809

the the same thing happened on Grenada

796

00:34:11,798 --> 00:34:15,338

was seen by as very strategic

797

00:34:13,809 --> 00:34:16,869

strategically very important for the

798

00:34:15,338 --> 00:34:17,509

Soviet Union because they know how to

799

00:34:16,869 --> 00:34:20,659  
sec

800

00:34:17,510 --> 00:34:21,440  
nation in that part of the world which

801

00:34:20,659 --> 00:34:24,769  
was an ally

802

00:34:21,440 --> 00:34:26,829  
Cuba is cuber first and now Grenada as

803

00:34:24,769 --> 00:34:29,860  
well in 1979 news and Grenada

804

00:34:26,829 --> 00:34:33,469  
so um Sabich the Soviet Union with the

805

00:34:29,860 --> 00:34:36,950  
Cuba and the Russians Soviet Union

806

00:34:33,469 --> 00:34:39,769  
basically gave Greg a blank check to

807

00:34:36,949 --> 00:34:41,178  
spend on whatever they liked and it was

808

00:34:39,769 --> 00:34:44,300  
a good time for people I mean it's

809

00:34:41,179 --> 00:34:47,780  
whatever the whatever your opinions on

810

00:34:44,300 --> 00:34:50,539  
the actual the actual form of government

811

00:34:47,780 --> 00:34:52,460  
they had so many people it was they were

812

00:34:50,539 --> 00:34:54,259  
very well off I mean young people went

813  
00:34:52,460 --> 00:34:55,730  
to Cuba to University and some of them

814  
00:34:54,260 --> 00:34:57,650  
went to the Soviet Union from Grenada

815  
00:34:55,730 --> 00:34:59,420  
and studied there which they'd never

816  
00:34:57,650 --> 00:35:01,010  
been able to do before they never had to

817  
00:34:59,420 --> 00:35:02,269  
go to university and places like that

818  
00:35:01,010 --> 00:35:06,860  
before getting education they could

819  
00:35:02,269 --> 00:35:12,019  
never have before so the people were not

820  
00:35:06,860 --> 00:35:13,610  
in a hurry to sort of forget to say Eric

821  
00:35:12,019 --> 00:35:16,610  
come back and get rid of this guy for us

822  
00:35:13,610 --> 00:35:19,809  
well yeah which is a shame really say

823  
00:35:16,610 --> 00:35:22,220  
but that's the way it goes now um

824  
00:35:19,809 --> 00:35:23,690  
there's been some speculation I'll say

825  
00:35:22,219 --> 00:35:26,149  
but I'll say more about this later but

826  
00:35:23,690 --> 00:35:28,700  
there's been some talk about what was

827

00:35:26,150 --> 00:35:30,650  
the cause of this but anyway I'll say

828  
00:35:28,699 --> 00:35:33,049  
what happened next now it's didn't last

829  
00:35:30,650 --> 00:35:35,750  
for long there's just room for five

830  
00:35:33,050 --> 00:35:38,110  
years the the bishop the bishop

831  
00:35:35,750 --> 00:35:41,000  
government actually held then in 1983

832  
00:35:38,110 --> 00:35:43,400  
his his friend Bernard Coard

833  
00:35:41,000 --> 00:35:47,900  
his deputy prime minister staged his own

834  
00:35:43,400 --> 00:35:49,820  
coup against bishops government he he

835  
00:35:47,900 --> 00:35:51,829  
took over himself and he arrested all

836  
00:35:49,820 --> 00:35:53,830  
the bishop with his own with his own

837  
00:35:51,829 --> 00:35:56,059  
cabal with in the new jewel movement

838  
00:35:53,829 --> 00:35:57,500  
took over the other side of the other

839  
00:35:56,059 --> 00:35:58,730  
two new jewel movement and arrested them

840  
00:35:57,500 --> 00:36:02,989  
so Bishop and all the others were

841  
00:35:58,730 --> 00:36:04,849

arrested court appointed himself prime

842

00:36:02,989 --> 00:36:05,479

minister so put the sober liqueur became

843

00:36:04,849 --> 00:36:09,739

prime minister

844

00:36:05,480 --> 00:36:11,900

- Bishop was arrested and the first

845

00:36:09,739 --> 00:36:15,919

thing what court did was he asked him he

846

00:36:11,900 --> 00:36:16,760

took the bishop and all his his

847

00:36:15,920 --> 00:36:19,190

associates

848

00:36:16,760 --> 00:36:20,930

within the party and he killed them he

849

00:36:19,190 --> 00:36:23,389

shot them all they're known as the

850

00:36:20,929 --> 00:36:25,789

Grenada 17 sober Nicole shot Marissa

851

00:36:23,389 --> 00:36:28,109

Bishop and all the others so who needs

852

00:36:25,789 --> 00:36:30,639

enemies as the saying goes

853

00:36:28,110 --> 00:36:32,640

at this point the United States decided

854

00:36:30,639 --> 00:36:36,730

to intervene just like I did in Iraq

855

00:36:32,639 --> 00:36:40,690

they actually sent a task force to

856  
00:36:36,730 --> 00:36:42,940  
Grenada and landed troops there and

857  
00:36:40,690 --> 00:36:47,440  
basically there was a big battle and the

858  
00:36:42,940 --> 00:36:49,360  
United States took over I took over the

859  
00:36:47,440 --> 00:36:51,490  
cut the island and deposed Bernick or

860  
00:36:49,360 --> 00:36:53,349  
they killed court and all members and

861  
00:36:51,489 --> 00:36:56,609  
anyone who were people who shot back

862  
00:36:53,349 --> 00:36:59,049  
from they knew the new jewel movement

863  
00:36:56,610 --> 00:37:00,460  
and then it was under US occupation now

864  
00:36:59,050 --> 00:37:02,650  
when they were under US occupation they

865  
00:37:00,460 --> 00:37:05,079  
restored the previous Constitution the

866  
00:37:02,650 --> 00:37:07,180  
one that Bishop and outlook had actually

867  
00:37:05,079 --> 00:37:10,019  
abolished Gary's original Constitution

868  
00:37:07,179 --> 00:37:12,250  
from 1974 the Americans restored it and

869  
00:37:10,019 --> 00:37:15,280  
this was good ferret Gary because it

870  
00:37:12,250 --> 00:37:16,929  
meant he could now come home and he

871  
00:37:15,280 --> 00:37:20,500  
would there was basically there were

872  
00:37:16,929 --> 00:37:22,239  
three elections on Grenada now the good

873  
00:37:20,500 --> 00:37:24,250  
thing is that this the occupation of

874  
00:37:22,239 --> 00:37:26,319  
ground it was not as as bloody and

875  
00:37:24,250 --> 00:37:28,989  
troublesome as the US occupation of Iraq

876  
00:37:26,320 --> 00:37:32,289  
and things settled down pretty quickly

877  
00:37:28,989 --> 00:37:34,329  
in the last us the last US forces

878  
00:37:32,289 --> 00:37:38,858  
actually left less than a year later

879  
00:37:34,329 --> 00:37:41,940  
less than a year after the invasion so

880  
00:37:38,858 --> 00:37:44,829  
Eric he ran for government a few times

881  
00:37:41,940 --> 00:37:47,380  
and he didn't yeah he did unless he was

882  
00:37:44,829 --> 00:37:50,259  
not as successful at I mean government

883  
00:37:47,380 --> 00:37:51,608  
as he was before the coup and it could

884

00:37:50,260 --> 00:37:53,560  
be that he's tired he may have been

885  
00:37:51,608 --> 00:37:56,108  
getting he was just exhausted his allure

886  
00:37:53,559 --> 00:37:57,670  
had gone whatever the reason he never

887  
00:37:56,108 --> 00:38:01,210  
achieved high public office again

888  
00:37:57,670 --> 00:38:03,849  
unfortunately now there's a lot of talk

889  
00:38:01,210 --> 00:38:05,889  
about I mean you could say it was it

890  
00:38:03,849 --> 00:38:07,779  
sort of serendipitous especially with

891  
00:38:05,889 --> 00:38:09,190  
what I'm going to talk about in a little

892  
00:38:07,780 --> 00:38:11,350  
while as well with other events like

893  
00:38:09,190 --> 00:38:14,550  
this because there are parallels with

894  
00:38:11,349 --> 00:38:17,559  
other situations what happened with

895  
00:38:14,550 --> 00:38:19,720  
Grenada but you could say that if you're

896  
00:38:17,559 --> 00:38:22,119  
keeping if you were the secret keepers

897  
00:38:19,719 --> 00:38:24,969  
of the UFO truth and the Gary initiative

898  
00:38:22,119 --> 00:38:26,650

was becoming troublesome people say well

899

00:38:24,969 --> 00:38:29,230

did they is there was this stage in

900

00:38:26,650 --> 00:38:30,260

order to just to stop Eric Gary in his

901

00:38:29,230 --> 00:38:32,358

tracks

902

00:38:30,260 --> 00:38:37,490

and to stop the Gary initiative to do

903

00:38:32,358 --> 00:38:39,619

with UFOs in the United Nations if

904

00:38:37,489 --> 00:38:43,579

there's no evidence to suggest that that

905

00:38:39,619 --> 00:38:45,680

is the case the what happened on Grenada

906

00:38:43,579 --> 00:38:47,929

was a part of that Islands politics and

907

00:38:45,679 --> 00:38:49,250

that it was a combination of a political

908

00:38:47,929 --> 00:38:54,769

conflict that had been on that island

909

00:38:49,250 --> 00:38:57,380

for many many years before and in fact

910

00:38:54,769 --> 00:38:59,840

ever since the Cuban Revolution the

911

00:38:57,380 --> 00:39:01,640

whole region of the Caribbean has it's

912

00:38:59,840 --> 00:39:04,190

been a kind of cold war played out in

913

00:39:01,639 --> 00:39:06,259

proxy with the two sites Soviet

914

00:39:04,190 --> 00:39:08,929

socialism Western capitalist democracy

915

00:39:06,260 --> 00:39:11,000

battling for control of that region and

916

00:39:08,929 --> 00:39:15,409

when the conflict between Gary and

917

00:39:11,000 --> 00:39:18,440

spaceship and the cordon Bishop the kind

918

00:39:15,409 --> 00:39:20,989

of manifestations that larger proxy war

919

00:39:18,440 --> 00:39:22,849

so there's no evidence to suggest that

920

00:39:20,989 --> 00:39:25,729

this was actually staged the coup in

921

00:39:22,849 --> 00:39:28,039

1979 was staged to shut up so Eric Gary

922

00:39:25,730 --> 00:39:31,880

and to just basically distract him from

923

00:39:28,039 --> 00:39:34,579

his UFO work you could but but you can

924

00:39:31,880 --> 00:39:37,190

bet if there was someone keeping secrets

925

00:39:34,579 --> 00:39:38,989

of UFOs I believe there are they would

926

00:39:37,190 --> 00:39:42,470

have been very relieved that they good

927  
00:39:38,989 --> 00:39:45,219  
luck definitely how the next slide

928  
00:39:42,469 --> 00:39:45,219  
please Morgan

929  
00:39:47,849 --> 00:39:56,049  
however that's despite what I just said

930  
00:39:51,690 --> 00:39:58,450  
this very interesting thing came in this

931  
00:39:56,050 --> 00:40:00,610  
is very very interesting this was posted

932  
00:39:58,449 --> 00:40:07,029  
on the BBC Caribbean website into it in

933  
00:40:00,610 --> 00:40:10,210  
2010 UK foiled geureon UFOs now this is

934  
00:40:07,030 --> 00:40:13,660  
very interesting because there were some

935  
00:40:10,210 --> 00:40:15,970  
recently Declassified telexes which

936  
00:40:13,659 --> 00:40:17,829  
indicate that the British diplomatic

937  
00:40:15,969 --> 00:40:20,469  
mission of the United Nations is the US

938  
00:40:17,829 --> 00:40:23,110  
ambassador to the United Nations will

939  
00:40:20,469 --> 00:40:25,959  
actually been in consultation with the

940  
00:40:23,110 --> 00:40:28,690  
Foreign Office about what Gary was doing

941

00:40:25,960 --> 00:40:30,070  
with the UFOs and the advice for the

942  
00:40:28,690 --> 00:40:30,690  
Foreign Office was you've got to stop

943  
00:40:30,070 --> 00:40:33,640  
him

944  
00:40:30,690 --> 00:40:36,519  
now various telexes were sent back and

945  
00:40:33,639 --> 00:40:39,629  
forth and anyone under 20 is looking at

946  
00:40:36,519 --> 00:40:44,829  
me and as I say Ben what's a telex a

947  
00:40:39,630 --> 00:40:47,829  
telex is imagine an email on a shopping

948  
00:40:44,829 --> 00:40:50,019  
tool roll you've got it kids that's a

949  
00:40:47,829 --> 00:40:53,679  
telex and with these taxes was there's a

950  
00:40:50,019 --> 00:40:55,090  
large number of them and but it appears

951  
00:40:53,679 --> 00:40:56,710  
that there doesn't seem nice on the

952  
00:40:55,090 --> 00:40:59,079  
surface within this evidence has come to

953  
00:40:56,710 --> 00:41:00,970  
light it doesn't seem to be any the

954  
00:40:59,079 --> 00:41:03,460  
concern about UFOs doesn't seem to be

955  
00:41:00,969 --> 00:41:05,169

while we know we got secrets we got a

956

00:41:03,460 --> 00:41:06,789

secret we've got to keep and this guy's

957

00:41:05,170 --> 00:41:08,159

gonna blow up on the secrets and we

958

00:41:06,789 --> 00:41:11,529

better put a stop to him for that reason

959

00:41:08,159 --> 00:41:15,190

now listen there's not that it's more a

960

00:41:11,530 --> 00:41:17,230

case of what people think of us this is

961

00:41:15,190 --> 00:41:19,119

really not only no the United Nations

962

00:41:17,230 --> 00:41:21,940

were not set up to deal with this

963

00:41:19,119 --> 00:41:23,949

tomfoolery we need to just we need to

964

00:41:21,940 --> 00:41:26,200

try to stop this resolution because it's

965

00:41:23,949 --> 00:41:28,689

just so it's so embarrassing it'll make

966

00:41:26,199 --> 00:41:30,519

the United UN look ridiculous so there's

967

00:41:28,690 --> 00:41:31,960

more that kind of thing the the concern

968

00:41:30,519 --> 00:41:34,389

of the UK government and they and its

969

00:41:31,960 --> 00:41:36,639

submission in the UN's really one of

970  
00:41:34,389 --> 00:41:38,589  
public image they believe that the Gary

971  
00:41:36,639 --> 00:41:39,909  
initiative was actually it was it was

972  
00:41:38,590 --> 00:41:41,289  
making a joke at the UN because they

973  
00:41:39,909 --> 00:41:42,819  
didn't believe in UFOs they thought your

974  
00:41:41,289 --> 00:41:45,340  
folks are crazy and they thought well

975  
00:41:42,820 --> 00:41:47,980  
the UN should not be absorbing itself

976  
00:41:45,340 --> 00:41:50,180  
and wasting his time with something so

977  
00:41:47,980 --> 00:41:57,300  
fringe and crazy

978  
00:41:50,179 --> 00:41:58,409  
next slide place one Sarek Gary spent

979  
00:41:57,300 --> 00:41:59,789  
the rest of his life he lived the rest

980  
00:41:58,409 --> 00:42:03,000  
of his life on his hike in his home

981  
00:41:59,789 --> 00:42:04,619  
country as I said he was not he was not

982  
00:42:03,000 --> 00:42:06,570  
successful in politics yet he thought he

983  
00:42:04,619 --> 00:42:13,619  
retired very soon after returning to

984  
00:42:06,570 --> 00:42:17,280  
Grenada in 1985 and so 1983 sorry and he

985  
00:42:13,619 --> 00:42:19,619  
died in 1997 in his homeland he's buried

986  
00:42:17,280 --> 00:42:22,769  
today in Georgetown there's a memorial

987  
00:42:19,619 --> 00:42:26,760  
to him and so I hope you'll take a

988  
00:42:22,769 --> 00:42:29,009  
moment to recognize this very unsung

989  
00:42:26,760 --> 00:42:30,960  
hero of Exopolitics and if you're ever

990  
00:42:29,010 --> 00:42:32,310  
on holiday in Grenada and you're sunning

991  
00:42:30,960 --> 00:42:34,440  
yourself on a beautiful beach and

992  
00:42:32,309 --> 00:42:36,059  
swimming in that lovely blue sea you

993  
00:42:34,440 --> 00:42:38,309  
might take a moment just to pop to the

994  
00:42:36,059 --> 00:42:41,070  
florists pick up a bunch of

995  
00:42:38,309 --> 00:42:43,170  
chrysanthemums and put a little UFO card

996  
00:42:41,070 --> 00:42:44,609  
in them or something and then one of

997  
00:42:43,170 --> 00:42:47,369  
your little sous fun card would be nice

998

00:42:44,608 --> 00:42:51,630  
wouldn't it and I lay it lay that lay it

999  
00:42:47,369 --> 00:42:58,050  
on the grave of Sarah Gary an excellent

1000  
00:42:51,630 --> 00:42:59,338  
place how we doing for time all right

1001  
00:42:58,050 --> 00:43:00,900  
I think now is a good time to take a

1002  
00:42:59,338 --> 00:43:02,759  
little break and we'll come back and

1003  
00:43:00,900 --> 00:43:04,858  
I'll deal with the rest of this in a

1004  
00:43:02,760 --> 00:43:06,750  
little while because we've look want us

1005  
00:43:04,858 --> 00:43:09,150  
another subject or another next stage in

1006  
00:43:06,750 --> 00:43:11,159  
the history of Exopolitics so get

1007  
00:43:09,150 --> 00:43:14,900  
yourself a beer it and I've seen a

1008  
00:43:11,159 --> 00:43:14,899  
little while thank you very much

1009  
00:43:39,460 --> 00:43:41,519  
you
