

1
00:00:05,299 --> 00:00:07,359
you

2
00:00:16,230 --> 00:00:25,320
okay well put you guys together now for

3
00:00:18,030 --> 00:00:27,149
been to the second half we got Ben will

4
00:00:25,320 --> 00:00:29,219
be finishing their technic finishing

5
00:00:27,149 --> 00:00:30,539
this talk at 10:00 after we review

6
00:00:29,219 --> 00:00:37,280
questions and answers

7
00:00:30,539 --> 00:00:41,640
okay just let know except me thank Steve

8
00:00:37,280 --> 00:00:44,910
yeah so we should continue we should the

9
00:00:41,640 --> 00:00:48,000
team away is some big brothers on the

10
00:00:44,909 --> 00:00:50,099
bar huh yeah I said it's on TV isn't it

11
00:00:48,000 --> 00:00:52,049
so I'm honored you should be doubly

12
00:00:50,100 --> 00:00:53,490
congratulate it and I feel very pleased

13
00:00:52,049 --> 00:00:56,129
with myself because right now I'm

14
00:00:53,490 --> 00:00:57,750
competing with Big Brother on TV and you

15
00:00:56,130 --> 00:01:00,329
guys are come here to watch me that's

16
00:00:57,750 --> 00:01:02,189
quite something isn't it normally you

17
00:01:00,329 --> 00:01:03,739
can't get Big Brother's on TV everything

18
00:01:02,189 --> 00:01:07,829
else stops doesn't it

19
00:01:03,738 --> 00:01:11,909
so one no good there's a couple of

20
00:01:07,829 --> 00:01:13,228
people with some sense yeah good know

21
00:01:11,909 --> 00:01:18,000
that Six Nations that's the only

22
00:01:13,228 --> 00:01:19,950
exception right so well I hope you have

23
00:01:18,000 --> 00:01:21,868
nice break and then we've been learning

24
00:01:19,950 --> 00:01:23,460
about the history of Exopolitics and so

25
00:01:21,868 --> 00:01:25,859
I've been talking about of course the

26
00:01:23,459 --> 00:01:28,559
Gary initiative and everything related

27
00:01:25,859 --> 00:01:29,310
to the United Nations but the story does

28
00:01:28,560 --> 00:01:31,709
not end there

29

00:01:29,310 --> 00:01:35,780
after the the Gary initiative was very

30
00:01:31,709 --> 00:01:38,840
unceremoniously and brutally scuppered

31
00:01:35,780 --> 00:01:41,310
thanks to earthly problems

32
00:01:38,840 --> 00:01:43,740
well this that wasn't the end of it a

33
00:01:41,310 --> 00:01:48,359
good idea never goes away especially an

34
00:01:43,739 --> 00:01:50,579
idea whose time has come and well this

35
00:01:48,359 --> 00:01:52,500
is this is this is where things carry on

36
00:01:50,579 --> 00:01:53,939
well this is the man who cameras them on

37
00:01:52,500 --> 00:01:56,219
I think this is Timothy good

38
00:01:53,939 --> 00:01:57,659
now I'm sure much you've heard of this

39
00:01:56,219 --> 00:01:59,789
girl you may probably read some of his

40
00:01:57,659 --> 00:02:03,000
books actually he's a wonder world's

41
00:01:59,789 --> 00:02:06,929
most prolific UFO authors and he's been

42
00:02:03,000 --> 00:02:09,000
writing books why she's about 30 now

43
00:02:06,929 --> 00:02:10,740

it's amazing what he's done um someone

44

00:02:09,000 --> 00:02:11,129

wrote pretty he's just pulled out a new

45

00:02:10,740 --> 00:02:12,930

one

46

00:02:11,129 --> 00:02:16,769

what couple years ago he brought a new

47

00:02:12,930 --> 00:02:20,159

one now this book here above top secret

48

00:02:16,770 --> 00:02:22,260

came he was published in 1997 it's not

49

00:02:20,159 --> 00:02:23,848

the first book he wrote but I think it

50

00:02:22,259 --> 00:02:26,149

seems to be the most definitive I think

51

00:02:23,848 --> 00:02:27,679

this this bolt for whatever reason

52

00:02:26,150 --> 00:02:29,719

broke through into the mainstream in a

53

00:02:27,680 --> 00:02:33,200

way that his previous books didn't know

54

00:02:29,719 --> 00:02:35,590

I have his subsequent books I'm sure dad

55

00:02:33,199 --> 00:02:37,969

I don't know why that is exactly because

56

00:02:35,590 --> 00:02:39,469

Tim Tims books are in their excellence

57

00:02:37,969 --> 00:02:41,000

and a full of packed full of essential

58
00:02:39,469 --> 00:02:43,579
information but they're all pretty much

59
00:02:41,000 --> 00:02:45,620
the same format they tend to be a list

60
00:02:43,579 --> 00:02:48,680
of cases almost in chapter-by-chapter

61
00:02:45,620 --> 00:02:52,009
form without any particular narrative

62
00:02:48,680 --> 00:02:55,159
art for the entire book so this was no

63
00:02:52,009 --> 00:02:56,539
exception but it was a book that I read

64
00:02:55,158 --> 00:02:58,429
and in reading I think it piqued my

65
00:02:56,539 --> 00:02:59,959
interest and a lot of people I know said

66
00:02:58,430 --> 00:03:01,579
well how did you get interested in UFOs

67
00:02:59,959 --> 00:03:06,319
I read the pop top secret

68
00:03:01,579 --> 00:03:08,569
it's fantastic this book is very very

69
00:03:06,318 --> 00:03:10,518
interesting in a number of ways I'm

70
00:03:08,568 --> 00:03:12,679
unique in a number of ways for instance

71
00:03:10,519 --> 00:03:15,439
the majestic 12 documents were first

72
00:03:12,680 --> 00:03:16,909
published in this book now Jesse twelve

73
00:03:15,439 --> 00:03:21,139
documents are very controversial I know

74
00:03:16,908 --> 00:03:22,429
that ufologists have been debating

75
00:03:21,139 --> 00:03:25,279
whether they're real or not and there's

76
00:03:22,430 --> 00:03:27,219
some reason I mean I myself of kind of

77
00:03:25,280 --> 00:03:29,329
come full circle a little bit because

78
00:03:27,219 --> 00:03:30,769
there was some people who looked at them

79
00:03:29,329 --> 00:03:31,969
and said that there's a lot of it looks

80
00:03:30,769 --> 00:03:34,120
some of the other documents as

81
00:03:31,969 --> 00:03:36,650
distinctly fake and they're not quite

82
00:03:34,120 --> 00:03:38,209
right and there were several different

83
00:03:36,650 --> 00:03:41,060
reasons for that however the recent

84
00:03:38,209 --> 00:03:43,539
research by bill would I think has he's

85
00:03:41,060 --> 00:03:45,949
much more favorable one for example he's

86

00:03:43,539 --> 00:03:48,259
he's worked out that the documents were

87
00:03:45,949 --> 00:03:52,668
typed were actually produced on a

88
00:03:48,259 --> 00:03:54,409
typewriter of a particular model it's a

89
00:03:52,669 --> 00:03:58,370
Remington 420 or something like that

90
00:03:54,409 --> 00:04:01,250
which which was which was only in common

91
00:03:58,370 --> 00:04:02,629
use in the 1940s and today there's only

92
00:04:01,250 --> 00:04:05,329
about for them left and they're all in

93
00:04:02,628 --> 00:04:07,310
museums so if it's a modern hoax

94
00:04:05,329 --> 00:04:09,500
someone must have raided a museum and

95
00:04:07,310 --> 00:04:11,569
got hold of Remington a 420 typewriter

96
00:04:09,500 --> 00:04:12,979
things like that and it's just I think

97
00:04:11,568 --> 00:04:15,078
it's very very interesting but the

98
00:04:12,979 --> 00:04:17,478
majestic 12 documents appeared on film

99
00:04:15,079 --> 00:04:20,299
and were given to a guy called Jamie

100
00:04:17,478 --> 00:04:22,819

shandur a Timothy could got a touch with

101

00:04:20,298 --> 00:04:26,750

him and agreed agreed to publish them in

102

00:04:22,819 --> 00:04:28,759

this book he talks about a secret cabal

103

00:04:26,750 --> 00:04:32,538

of government officials high government

104

00:04:28,759 --> 00:04:33,129

officials who have been designated to

105

00:04:32,538 --> 00:04:35,769

handle

106

00:04:33,129 --> 00:04:37,120

the covert UFO operations which involves

107

00:04:35,769 --> 00:04:39,549

things such as crash retrievals the

108

00:04:37,120 --> 00:04:41,709

Roswell incident things like that which

109

00:04:39,550 --> 00:04:44,170

the the the majestic 12 documents of

110

00:04:41,709 --> 00:04:48,039

that if they are genuine are explosive

111

00:04:44,170 --> 00:04:49,509

because they are proof of the

112

00:04:48,040 --> 00:04:51,460

government's involvement in secret UFO

113

00:04:49,509 --> 00:04:53,319

operations the knowledge of these things

114

00:04:51,459 --> 00:04:56,019

exist and that there is an attempt to

115
00:04:53,319 --> 00:04:59,199
keep these things from the public very

116
00:04:56,019 --> 00:05:00,430
very interesting and indeed this book

117
00:04:59,199 --> 00:05:02,680
also contains the interviewed a guy

118
00:05:00,430 --> 00:05:04,629
called Admiral of the Admiral of the

119
00:05:02,680 --> 00:05:06,610
fleet Lord Hill Norton who you may well

120
00:05:04,629 --> 00:05:09,819
have heard of before sadly passed away

121
00:05:06,610 --> 00:05:12,879
now but he was a major he was a

122
00:05:09,819 --> 00:05:14,860
ufologist and very keen campaigner he's

123
00:05:12,879 --> 00:05:17,050
an exit political campaigner officer

124
00:05:14,860 --> 00:05:21,520
type similar to Sarah Geary he wanted to

125
00:05:17,050 --> 00:05:23,980
raise the issue of UFOs in the putti in

126
00:05:21,519 --> 00:05:25,659
the political sphere now Lord Hill

127
00:05:23,980 --> 00:05:28,810
Norton I mean is it kind of crying again

128
00:05:25,660 --> 00:05:30,850
we got us the skeptics say people are

129
00:05:28,810 --> 00:05:32,920
all crazy people who believe in UFOs are

130
00:05:30,850 --> 00:05:36,970
crazy and they portray it in a certain

131
00:05:32,920 --> 00:05:39,430
way as being loonies fringe freaky flaky

132
00:05:36,970 --> 00:05:42,900
people and people who sit with hillsides

133
00:05:39,430 --> 00:05:45,579
and things like that not Hill Norton was

134
00:05:42,899 --> 00:05:47,199
with her commanded a battleship and if

135
00:05:45,579 --> 00:05:49,779
an entire fleet during the Battle of the

136
00:05:47,199 --> 00:05:52,860
Atlantic in world war ii now he was on

137
00:05:49,779 --> 00:05:55,239
the organizing committee for nato he was

138
00:05:52,860 --> 00:05:56,530
chief for the defense staff which meant

139
00:05:55,240 --> 00:05:58,900
he was basically charge of britain's

140
00:05:56,529 --> 00:06:04,449
armed forces and this included nuclear

141
00:05:58,899 --> 00:06:06,099
the nuclear weapons that Britain had so

142
00:06:04,449 --> 00:06:08,500
he's not the kind of person you would

143

00:06:06,100 --> 00:06:11,020
put in that kind of position if he was

144
00:06:08,500 --> 00:06:12,370
in any way mentally unstable but if I

145
00:06:11,019 --> 00:06:14,139
wonder if for one moment he was seen

146
00:06:12,370 --> 00:06:15,970
going off and standing on some hillside

147
00:06:14,139 --> 00:06:17,740
like wind wind heat pointing at the sky

148
00:06:15,970 --> 00:06:19,240
and things like that and such with

149
00:06:17,740 --> 00:06:20,740
cameras and telescopes looking for UFOs

150
00:06:19,240 --> 00:06:22,300
he would be removed from his

151
00:06:20,740 --> 00:06:23,230
responsibilities for those things

152
00:06:22,300 --> 00:06:25,240
without a doubt

153
00:06:23,230 --> 00:06:28,360
no no he's very very Lord he'll naught

154
00:06:25,240 --> 00:06:30,699
was very stable very very sane man

155
00:06:28,360 --> 00:06:31,840
indeed very rational and he tried to

156
00:06:30,699 --> 00:06:34,180
bring up the subject of UFOs in the

157
00:06:31,839 --> 00:06:36,129

House and Lords things like in the same

158

00:06:34,180 --> 00:06:39,150
way that sir Eric did in the United

159

00:06:36,129 --> 00:06:42,490
Nations so that is a book I think is

160

00:06:39,149 --> 00:06:46,448
definitely is a classic within UFO

161

00:06:42,490 --> 00:06:49,218
literature I believe next slide please

162

00:06:46,449 --> 00:06:51,050
and then in the early 1990s this man

163

00:06:49,218 --> 00:06:53,389
appeared this fine figure you see before

164

00:06:51,050 --> 00:06:57,949
you dr. Steven Greer

165

00:06:53,389 --> 00:07:00,918
now dr. Steven Greer is a he was a he

166

00:06:57,949 --> 00:07:02,389
was a he's a doctor he's head of a head

167

00:07:00,918 --> 00:07:05,028
of an emergency part department at a

168

00:07:02,389 --> 00:07:06,650
hospital in North Carolina and yes I'm

169

00:07:05,028 --> 00:07:10,908
just a country doctor from North

170

00:07:06,649 --> 00:07:14,778
Carolina Isis very very modest man

171

00:07:10,908 --> 00:07:17,810
indeed thoroughly modest but he sets up

172
00:07:14,778 --> 00:07:18,889
cset Edith um which is the Center for

173
00:07:17,810 --> 00:07:20,990
the Study of extraterrestrial

174
00:07:18,889 --> 00:07:22,069
intelligence not not to be confused with

175
00:07:20,990 --> 00:07:29,210
SETI the search for extraterrestrial

176
00:07:22,069 --> 00:07:30,919
intelligence extraterrestrial was point

177
00:07:29,209 --> 00:07:33,348
telescopes the skies are trying to pick

178
00:07:30,918 --> 00:07:35,359
up signals from other planets which is a

179
00:07:33,348 --> 00:07:36,728
bit redundant when you consider the

180
00:07:35,360 --> 00:07:39,620
other evidence we're discussing tonight

181
00:07:36,728 --> 00:07:41,028
so see SETI setup he also set up several

182
00:07:39,620 --> 00:07:45,110
other organizations including the

183
00:07:41,028 --> 00:07:48,228
disclosure project to try and basic and

184
00:07:45,110 --> 00:07:49,819
bring the subject of UFOs into the

185
00:07:48,228 --> 00:07:52,128
public domain and to raise its awareness

186
00:07:49,819 --> 00:07:53,960
on a political and personal and social

187
00:07:52,129 --> 00:07:56,060
level he wrote a book called hidden

188
00:07:53,959 --> 00:07:57,560
truth forbidden knowledge which talked

189
00:07:56,060 --> 00:07:59,538
about his own personal encounters with

190
00:07:57,560 --> 00:08:01,370
extraterrestrials he's interesting to

191
00:07:59,538 --> 00:08:04,158
read very interesting initial read

192
00:08:01,370 --> 00:08:07,658
indeed now all this he's work came to a

193
00:08:04,158 --> 00:08:11,750
head in 2001 next slide please

194
00:08:07,658 --> 00:08:13,579
and then Monday the 9th 2001 he went to

195
00:08:11,750 --> 00:08:15,939
the National Press Club and set up the

196
00:08:13,579 --> 00:08:19,788
disclosure project the press conference

197
00:08:15,939 --> 00:08:20,899
which was a four hour session the DVD

198
00:08:19,788 --> 00:08:22,218
was produced of it with the Hubble

199
00:08:20,899 --> 00:08:25,009
highlights just now and a half of

200

00:08:22,218 --> 00:08:25,668
highlights but this was streamed live on

201
00:08:25,009 --> 00:08:27,680
the Internet

202
00:08:25,668 --> 00:08:29,778
now into 2001 that's actually quite a

203
00:08:27,680 --> 00:08:32,060
rare thing the Internet's actually

204
00:08:29,778 --> 00:08:34,278
changed quite considerably and expanded

205
00:08:32,059 --> 00:08:36,259
and modernized and is far far more

206
00:08:34,278 --> 00:08:40,338
undeveloped now than it was just those

207
00:08:36,259 --> 00:08:41,568
few years ago and live streaming on the

208
00:08:40,339 --> 00:08:43,099
Internet was a very very rare thing

209
00:08:41,568 --> 00:08:45,078
that's very difficult and this

210
00:08:43,099 --> 00:08:47,209
particular live stream was the most

211
00:08:45,078 --> 00:08:49,489
popular ever in history at that time on

212
00:08:47,208 --> 00:08:51,919
the history of the internet over 20,000

213
00:08:49,490 --> 00:08:55,009
people logged in to watch this live at

214
00:08:51,919 --> 00:08:56,339

the National Press Club dr. Greer

215

00:08:55,009 --> 00:08:57,569
unassembled what he'd been do

216

00:08:56,340 --> 00:09:00,000
over the last few years he'd been

217

00:08:57,570 --> 00:09:02,070
collecting interviews with various

218

00:09:00,000 --> 00:09:03,600
witnesses involved from the military

219

00:09:02,070 --> 00:09:06,030
from the intelligence organizations from

220

00:09:03,600 --> 00:09:09,210
pilots air traffic control the

221

00:09:06,029 --> 00:09:11,120
government and the court even want to

222

00:09:09,210 --> 00:09:13,500
take people who decided to speak out

223

00:09:11,120 --> 00:09:15,440
even the space program astronauts as

224

00:09:13,500 --> 00:09:18,710
well from all over the world

225

00:09:15,440 --> 00:09:21,240
specifically the United States and

226

00:09:18,710 --> 00:09:23,040
basically published these as a video he

227

00:09:21,240 --> 00:09:25,889
made a DVD of this with the disclosure

228

00:09:23,039 --> 00:09:27,539
witness DVDs and videos and they were

229
00:09:25,889 --> 00:09:28,980
and and they're online as well you can

230
00:09:27,539 --> 00:09:32,159
see them on YouTube now you see this on

231
00:09:28,980 --> 00:09:33,450
YouTube as well but so next slide please

232
00:09:32,159 --> 00:09:35,490
sir Mike

233
00:09:33,450 --> 00:09:37,050
so these dr. Greer opening the

234
00:09:35,490 --> 00:09:38,669
conference well it was actually open to

235
00:09:37,049 --> 00:09:40,979
the National Press Club by famous actor

236
00:09:38,669 --> 00:09:42,599
I can't remember who it was and he

237
00:09:40,980 --> 00:09:44,490
introduced career and angrier came up

238
00:09:42,600 --> 00:09:46,860
and introduced him the various witnesses

239
00:09:44,490 --> 00:09:48,419
who came forward to speak and it was a

240
00:09:46,860 --> 00:09:51,120
remarkable that's a remarkable

241
00:09:48,419 --> 00:09:53,219
collection of testimonies very very

242
00:09:51,120 --> 00:09:54,509
credible indeed and when I'm going

243
00:09:53,220 --> 00:09:56,580
through some of the funds I think most

244
00:09:54,509 --> 00:09:59,580
important ones now so next one please

245
00:09:56,580 --> 00:10:01,430
Mike this is John Callahan now he was

246
00:09:59,580 --> 00:10:04,290
head of the Federal Aviation

247
00:10:01,429 --> 00:10:06,179
Administration's accident investigation

248
00:10:04,289 --> 00:10:08,519
department it's a very very high level

249
00:10:06,179 --> 00:10:12,839
man in the world of air traffic control

250
00:10:08,519 --> 00:10:15,689
air safety and a VA ssin and airway

251
00:10:12,840 --> 00:10:18,120
administration he has to deal with UFOs

252
00:10:15,690 --> 00:10:20,100
regularly reports from pilots of all

253
00:10:18,120 --> 00:10:23,850
clients reports from passengers reports

254
00:10:20,100 --> 00:10:24,840
from radar operators and one of the most

255
00:10:23,850 --> 00:10:27,750
interesting things you have to deal with

256
00:10:24,840 --> 00:10:29,759
is in 1986 when um two pilots from a

257

00:10:27,750 --> 00:10:33,590
Japanese cargo Airport are flying them

258
00:10:29,759 --> 00:10:37,289
close to Alaska well intercepted by a

259
00:10:33,590 --> 00:10:39,570
flat a sort of a bulky discs discuss

260
00:10:37,289 --> 00:10:41,429
shaped object which was up to ten times

261
00:10:39,570 --> 00:10:44,490
the size of their aircraft and they were

262
00:10:41,429 --> 00:10:47,219
flying a Boeing 747 so we're talking

263
00:10:44,490 --> 00:10:50,879
about something monstrous larger than

264
00:10:47,220 --> 00:10:53,190
oil larger than oil tanker flying in the

265
00:10:50,879 --> 00:10:54,870
air next to them and at these two

266
00:10:53,190 --> 00:10:57,810
parties both the pilots that they saw it

267
00:10:54,870 --> 00:11:00,029
very very very credible to place indeed

268
00:10:57,809 --> 00:11:02,129
it was reported there's a radar evidence

269
00:11:00,029 --> 00:11:03,839
there is a testimony and there's

270
00:11:02,129 --> 00:11:05,939
recordings of the air traffic control

271
00:11:03,840 --> 00:11:07,470

conversation there's a transcript of the

272

00:11:05,940 --> 00:11:08,940
conversation

273

00:11:07,470 --> 00:11:10,560
very very important thing that he

274

00:11:08,940 --> 00:11:15,209
discovered and this guy had to deal with

275

00:11:10,559 --> 00:11:16,739
it he's there on stage and um he's he's

276

00:11:15,208 --> 00:11:18,989
not he's not scared to speak out and

277

00:11:16,740 --> 00:11:21,470
face ridicule if necessary next one

278

00:11:18,990 --> 00:11:21,470
please Mike

279

00:11:21,679 --> 00:11:29,789
Tara hi Josh chuckling never remember

280

00:11:24,149 --> 00:11:31,559
that guy's name was he all right Steve

281

00:11:29,789 --> 00:11:33,000
have you heard Steve he said that the

282

00:11:31,559 --> 00:11:34,409
kid Nick the pilot of the aircraft one

283

00:11:33,000 --> 00:11:36,179
of the points was actually grounded as a

284

00:11:34,409 --> 00:11:39,360
result of his encounter which again

285

00:11:36,179 --> 00:11:41,250
you've got to say okay skeptics where's

286
00:11:39,360 --> 00:11:41,610
the career movies is this a wise career

287
00:11:41,250 --> 00:11:44,009
move

288
00:11:41,610 --> 00:11:46,318
why do people make this stuff up when

289
00:11:44,009 --> 00:11:47,818
they don't actually get a lot from it in

290
00:11:46,318 --> 00:11:49,349
fact they help them pay off they sort of

291
00:11:47,818 --> 00:11:52,019
speaking out on this subject often comes

292
00:11:49,350 --> 00:11:53,699
with a terrible cost this guy here is

293
00:11:52,019 --> 00:11:55,560
some chat with Charlie Brown Charles

294
00:11:53,698 --> 00:11:58,909
Brown left Helen Caltrans Brown retired

295
00:11:55,559 --> 00:12:01,739
he's a world war two veteran a pilot and

296
00:11:58,909 --> 00:12:04,649
he was involved with project grudge

297
00:12:01,740 --> 00:12:06,448
project sign and project blue book which

298
00:12:04,649 --> 00:12:10,799
was the US government's last official

299
00:12:06,448 --> 00:12:13,859
investigation into UFOs and he is um he

300
00:12:10,799 --> 00:12:16,708
has signed affidavit and he is another's

301
00:12:13,860 --> 00:12:18,600
means that basically he he's saying what

302
00:12:16,708 --> 00:12:20,159
he says is true and if he's if he's

303
00:12:18,600 --> 00:12:23,550
lying he gets he'll getting into trouble

304
00:12:20,159 --> 00:12:25,588
as a result this affidavit but he has

305
00:12:23,549 --> 00:12:27,299
said that he but he believes that the

306
00:12:25,589 --> 00:12:29,009
phenomenon is very very real indeed he's

307
00:12:27,299 --> 00:12:31,828
investigated and he said it's very very

308
00:12:29,009 --> 00:12:34,800
real indeed and he's willing to testify

309
00:12:31,828 --> 00:12:37,169
under oath before the US Congress that

310
00:12:34,799 --> 00:12:40,169
what he's saying is true and so these

311
00:12:37,169 --> 00:12:42,208
are very very he's very very these are

312
00:12:40,169 --> 00:12:44,539
not statements that can be naught next

313
00:12:42,208 --> 00:12:44,539
slide please

314

00:12:45,389 --> 00:12:51,929
this is Captain Robert Salas now again

315
00:12:49,620 --> 00:12:53,759
skeptics I brought this up with my

316
00:12:51,929 --> 00:12:55,739
disgust Lord Hill Norton what does they

317
00:12:53,759 --> 00:12:57,750
say about us let's get the what skeptics

318
00:12:55,740 --> 00:13:00,149
say about believers in UFOs is that we

319
00:12:57,750 --> 00:13:03,149
we often exhibits a possible mental

320
00:13:00,149 --> 00:13:05,549
problems schizotypal disorders is one of

321
00:13:03,149 --> 00:13:07,799
the things they talk about my commitment

322
00:13:05,549 --> 00:13:09,870
own small neuroses minor neuroses and

323
00:13:07,799 --> 00:13:13,109
psychoses and skip the skip its gets the

324
00:13:09,870 --> 00:13:15,539
title disorders with freaky people we

325
00:13:13,110 --> 00:13:17,370
wear tinfoil hats we stand on hillsides

326
00:13:15,539 --> 00:13:20,578
with our hands in the air things like

327
00:13:17,370 --> 00:13:23,700
that and this man Captain Robert Salas

328
00:13:20,578 --> 00:13:26,069

was meant he he had a job his job meant

329

00:13:23,700 --> 00:13:28,110

that as it by his very definition meant

330

00:13:26,070 --> 00:13:30,028

that his mental health was more

331

00:13:28,110 --> 00:13:33,060

carefully screened than anyone else in

332

00:13:30,028 --> 00:13:35,899

the world because this guy's job was to

333

00:13:33,059 --> 00:13:39,419

have his finger on the nuclear button

334

00:13:35,899 --> 00:13:40,730

Catherine what the Salas was he was that

335

00:13:39,419 --> 00:13:44,419

he was the end of a chain of command

336

00:13:40,730 --> 00:13:49,500

within which he would actually activate

337

00:13:44,419 --> 00:13:50,909

America's nuclear deterrent he sat in

338

00:13:49,500 --> 00:13:54,659

his bunk it was called a capsule this

339

00:13:50,909 --> 00:13:55,708

bunker and he operated a certain number

340

00:13:54,659 --> 00:13:56,909

of missile turret order came through

341

00:13:55,708 --> 00:13:59,159

from to launch the missile as he would

342

00:13:56,909 --> 00:14:00,719

launch these missiles if this guy got a

343
00:13:59,159 --> 00:14:01,350
screw loose it'll be the end of the

344
00:14:00,720 --> 00:14:06,120
world

345
00:14:01,350 --> 00:14:07,470
totally so I mean I actually met captain

346
00:14:06,120 --> 00:14:08,549
Salas a couple of years ago he was at

347
00:14:07,470 --> 00:14:11,040
one of the UFO truth magazine

348
00:14:08,549 --> 00:14:12,689
conferences and he was talking about his

349
00:14:11,039 --> 00:14:14,610
job and he said oh my job was very

350
00:14:12,690 --> 00:14:16,740
boring very boring indeed he said that

351
00:14:14,610 --> 00:14:19,019
was good because it ever got interesting

352
00:14:16,740 --> 00:14:20,820
that'll be my last day on earth and

353
00:14:19,019 --> 00:14:27,929
it'll be the last day on earth for us

354
00:14:20,820 --> 00:14:30,209
all so it's the idea that it's going the

355
00:14:27,929 --> 00:14:32,069
skeptics I'll say the skeptics you know

356
00:14:30,208 --> 00:14:34,009
really please do think twice before

357
00:14:32,070 --> 00:14:37,230
making comments like this about people

358
00:14:34,009 --> 00:14:39,269
all right because it's it doesn't it's

359
00:14:37,230 --> 00:14:41,039
not just an insult to captain Salas

360
00:14:39,269 --> 00:14:44,879
there is an insult to our intelligence

361
00:14:41,039 --> 00:14:46,559
it's it's embarrassing for them to say

362
00:14:44,879 --> 00:14:49,338
something so stupid and it displays

363
00:14:46,559 --> 00:14:53,039
their even so badly it really does

364
00:14:49,339 --> 00:14:54,279
I'm cactus ours had in 1964 he was from

365
00:14:53,039 --> 00:14:56,078
that work as you

366
00:14:54,278 --> 00:14:59,620
it is bunker 60 feet below the ground

367
00:14:56,078 --> 00:15:01,359
and waiting for the order if it came

368
00:14:59,620 --> 00:15:03,249
which one companies in a coded message

369
00:15:01,360 --> 00:15:05,769
which they would then get out is him and

370
00:15:03,249 --> 00:15:07,569
his fellow calmness miss I'll come back

371

00:15:05,769 --> 00:15:08,679
the launcher would get out the triggers

372
00:15:07,568 --> 00:15:10,808
and they press the buttons and Morse the

373
00:15:08,679 --> 00:15:12,308
missiles if out if that code is order

374
00:15:10,808 --> 00:15:14,558
came through they would do it definitely

375
00:15:12,308 --> 00:15:16,509
he was waiting for that and he was there

376
00:15:14,558 --> 00:15:17,769
and suddenly the security guard above

377
00:15:16,509 --> 00:15:19,778
ground above the bunker where there's

378
00:15:17,769 --> 00:15:21,879
the entrance of the bunker he phoned out

379
00:15:19,778 --> 00:15:23,558
saying oh captain there's some strange

380
00:15:21,879 --> 00:15:26,949
things going on up here we see some

381
00:15:23,558 --> 00:15:29,110
strange red lights just outside the gate

382
00:15:26,948 --> 00:15:30,578
just hovering there and he said okay

383
00:15:29,110 --> 00:15:32,289
I'll just keep an eye on things make

384
00:15:30,578 --> 00:15:34,479
sure everything's okay and it suddenly

385
00:15:32,289 --> 00:15:37,088

he's miss suck that the missiles on the

386

00:15:34,480 --> 00:15:38,949

on the display board where he they

387

00:15:37,089 --> 00:15:40,269

suddenly started switching off and you

388

00:15:38,948 --> 00:15:42,008

press the bunch drying him start again

389

00:15:40,269 --> 00:15:43,509

they wouldn't come on there well they

390

00:15:42,009 --> 00:15:45,879

just broke down just like that all of

391

00:15:43,509 --> 00:15:47,050

them at once should be impossible and it

392

00:15:45,879 --> 00:15:48,970

was a couple of weeks now to get them

393

00:15:47,049 --> 00:15:49,958

there to get the engineers outside

394

00:15:48,970 --> 00:15:50,949

looked at it was got a couple of weeks

395

00:15:49,958 --> 00:15:54,758

before they could get them back working

396

00:15:50,948 --> 00:15:56,289

again at the very same time and they've

397

00:15:54,759 --> 00:15:58,149

been so this was in 1964 there's been

398

00:15:56,289 --> 00:15:59,740

other events since then not just on I'm

399

00:15:58,149 --> 00:16:01,240

not just only on the western side either

400
00:15:59,740 --> 00:16:05,049
but in the Soviet missile launching

401
00:16:01,240 --> 00:16:07,209
facility still similar events so it

402
00:16:05,049 --> 00:16:08,708
seems that the UFOs have an interest in

403
00:16:07,208 --> 00:16:11,049
our nuclear weapons as many many other

404
00:16:08,708 --> 00:16:12,278
cases of UFOs and involving nuclear

405
00:16:11,049 --> 00:16:14,740
weapons like the Rendlesham forest

406
00:16:12,278 --> 00:16:18,250
incident for example but they seem to

407
00:16:14,740 --> 00:16:19,600
have a no they seem knives have an

408
00:16:18,250 --> 00:16:23,860
interest in it but they often sometimes

409
00:16:19,600 --> 00:16:25,839
display their ability to control these

410
00:16:23,860 --> 00:16:27,188
weapons perhaps shut them now which is

411
00:16:25,839 --> 00:16:30,189
actually quite good news when you think

412
00:16:27,188 --> 00:16:31,688
about it isn't it's only that time that

413
00:16:30,188 --> 00:16:33,159
I came when we that when the

414
00:16:31,688 --> 00:16:35,409
government's would actually act try to

415
00:16:33,159 --> 00:16:38,669
launch these things

416
00:16:35,409 --> 00:16:38,669
next slide please Mike

417
00:16:39,039 --> 00:16:43,339
this is my heart isn't no way convert

418
00:16:42,470 --> 00:16:47,570
okay

419
00:16:43,340 --> 00:16:50,420
I'm having a porter in moment this man

420
00:16:47,570 --> 00:16:52,490
wolf Karl wolf sorry sorry Karl this

421
00:16:50,419 --> 00:16:56,689
case is Karl wolf I'm next slide please

422
00:16:52,490 --> 00:16:59,950
and this is Donna hair these two people

423
00:16:56,690 --> 00:17:02,750
work for NASA and they were involved in

424
00:16:59,950 --> 00:17:08,150
processing photographs from the space

425
00:17:02,750 --> 00:17:10,160
program and they would bring in photos

426
00:17:08,150 --> 00:17:12,080
that came from a very special mission of

427
00:17:10,160 --> 00:17:13,519
the Apollo program for example various

428

00:17:12,079 --> 00:17:14,929
probes that were sent to the moon this

429
00:17:13,519 --> 00:17:16,940
is before this was before they started

430
00:17:14,930 --> 00:17:20,269
sending craft of Mars another placing

431
00:17:16,940 --> 00:17:22,940
like this and these guys have revealed

432
00:17:20,269 --> 00:17:25,569
that NASA would actually dr. photographs

433
00:17:22,940 --> 00:17:28,100
before publishing them to the media so

434
00:17:25,569 --> 00:17:29,990
if n photograph came down they would

435
00:17:28,099 --> 00:17:31,459
actually look at some they get someone

436
00:17:29,990 --> 00:17:33,559
to look it over and they said well we've

437
00:17:31,460 --> 00:17:35,210
been on you're gonna just Rob that bit

438
00:17:33,559 --> 00:17:37,549
now you're gonna airbrush or little lump

439
00:17:35,210 --> 00:17:39,529
or maybe just cutting out to crop that

440
00:17:37,549 --> 00:17:41,839
photo a bit to get rid of that thing and

441
00:17:39,529 --> 00:17:44,509
then that will then be presented to the

442
00:17:41,839 --> 00:17:46,669

media and the things that were cropped

443

00:17:44,509 --> 00:17:50,210
out and we'll remove the airbrushed out

444

00:17:46,670 --> 00:17:53,210
were fly unidentified flying objects in

445

00:17:50,210 --> 00:17:55,850
photographed in space we're sitting

446

00:17:53,210 --> 00:17:57,470
because a lot of astronauts gennady's

447

00:17:55,849 --> 00:18:01,879
from the Russians like an artist Rick

448

00:17:57,470 --> 00:18:05,200
Karloff Colonel Gordon Cooper Apollo 11

449

00:18:01,880 --> 00:18:10,220
astronaut Buzz Aldrin have all reported

450

00:18:05,200 --> 00:18:13,730
seeing strange things in space and they

451

00:18:10,220 --> 00:18:15,440
spoke openly about Aldrin and actually

452

00:18:13,730 --> 00:18:16,519
Cooper as he made reports the mission

453

00:18:15,440 --> 00:18:17,570
patrol you can these are actually

454

00:18:16,519 --> 00:18:19,579
recorded you can hear them they're

455

00:18:17,569 --> 00:18:20,720
online when I say oh there's a

456

00:18:19,579 --> 00:18:20,960
spacecraft think they said well it's

457
00:18:20,720 --> 00:18:22,460
something

458
00:18:20,960 --> 00:18:24,380
no sale is it those are you off out

459
00:18:22,460 --> 00:18:26,029
there you just say cut the use code like

460
00:18:24,380 --> 00:18:28,280
a bogeys 10 o'clock high things like

461
00:18:26,029 --> 00:18:29,629
that but there's been other there's

462
00:18:28,279 --> 00:18:31,519
other examples of astronauts speaking

463
00:18:29,630 --> 00:18:33,110
out about this another thing that the

464
00:18:31,519 --> 00:18:36,019
NASA were doing was they looked at

465
00:18:33,109 --> 00:18:37,819
pictures of the moon itself will beam

466
00:18:36,019 --> 00:18:38,930
and these include pictures of the Dark

467
00:18:37,819 --> 00:18:41,000
Side of the Moon that's what it's not

468
00:18:38,930 --> 00:18:42,769
dark it's it's called that but it's the

469
00:18:41,000 --> 00:18:43,910
father thus I thought our farthest away

470
00:18:42,769 --> 00:18:44,809
from the earth facing away from the

471
00:18:43,910 --> 00:18:46,850
earth

472
00:18:44,809 --> 00:18:48,409
we're its color they can't be seen by

473
00:18:46,849 --> 00:18:50,599
astronomers from the from the ground

474
00:18:48,410 --> 00:18:53,450
there are actually artificial structures

475
00:18:50,599 --> 00:18:55,039
there and that's that we're removing

476
00:18:53,450 --> 00:18:57,080
those before publishing this to the meat

477
00:18:55,039 --> 00:18:59,180
for me strategists are obviously these

478
00:18:57,079 --> 00:19:00,169
obviously buildings the laws are these

479
00:18:59,180 --> 00:19:03,799
obviously constructions

480
00:19:00,170 --> 00:19:05,180
built by or you know as if they've been

481
00:19:03,799 --> 00:19:07,849
built by humans which they may have I

482
00:19:05,180 --> 00:19:09,470
don't know with other missions we don't

483
00:19:07,849 --> 00:19:12,169
know about might have built them or

484
00:19:09,470 --> 00:19:14,480
built by something else it's not human

485

00:19:12,170 --> 00:19:16,370
or maybe a joint combined effort you

486
00:19:14,480 --> 00:19:20,660
know no but either way NASA was actually

487
00:19:16,369 --> 00:19:22,849
removing this evidence from the from the

488
00:19:20,660 --> 00:19:26,060
public record from published to media

489
00:19:22,849 --> 00:19:27,980
and data that was given to the media and

490
00:19:26,059 --> 00:19:30,440
these two people Donna here and Karl

491
00:19:27,980 --> 00:19:32,539
Wolfe knew about it and they both

492
00:19:30,440 --> 00:19:34,039
independently come forward and sets up

493
00:19:32,539 --> 00:19:36,379
and interesting in the last couple years

494
00:19:34,039 --> 00:19:38,450
a third person has come forward the

495
00:19:36,380 --> 00:19:41,720
comrade was named now he's come forward

496
00:19:38,450 --> 00:19:42,940
to say exactly the same thing next slide

497
00:19:41,720 --> 00:19:46,670
please

498
00:19:42,940 --> 00:19:48,950
this is Larry Warren now this man I

499
00:19:46,670 --> 00:19:50,810

think is the most important witness of

500

00:19:48,950 --> 00:19:52,730

to the Rendlesham forest incident and

501

00:19:50,809 --> 00:19:54,349

there's many many folk very vociferous

502

00:19:52,730 --> 00:19:56,059

claims to the contrary but some I don't

503

00:19:54,349 --> 00:19:57,289

go along them having looked at the

504

00:19:56,059 --> 00:19:59,440

evidence have a read his book he's

505

00:19:57,289 --> 00:20:02,569

written a book called left at Eastgate

506

00:19:59,440 --> 00:20:04,220

and I've got and I've got to know him

507

00:20:02,569 --> 00:20:06,649

personally actually I've spoken to him

508

00:20:04,220 --> 00:20:08,329

the evidence is done deniable that he

509

00:20:06,650 --> 00:20:10,070

had a remarkable experience and it has

510

00:20:08,329 --> 00:20:12,109

affected him and still affects him to

511

00:20:10,069 --> 00:20:16,009

this day he's mental and physical health

512

00:20:12,109 --> 00:20:19,159

he's has been harmed by Idzik that what

513

00:20:16,009 --> 00:20:21,410

happened to him in December 1980 where a

514
00:20:19,160 --> 00:20:24,860
lot of some object came down to earth

515
00:20:21,410 --> 00:20:27,110
near a US nuclear armed base and this

516
00:20:24,859 --> 00:20:29,979
guy was one of the security police who

517
00:20:27,109 --> 00:20:32,599
sent how to deal with it

518
00:20:29,980 --> 00:20:34,839
that was really it again we see this

519
00:20:32,599 --> 00:20:39,829
connection between nuclear weapons and

520
00:20:34,839 --> 00:20:41,569
UFOs so that's that's a no that's an

521
00:20:39,829 --> 00:20:44,269
interesting that that comes up again and

522
00:20:41,569 --> 00:20:47,730
again and again next slide please

523
00:20:44,269 --> 00:20:51,058
this is George filer now he was a he was

524
00:20:47,730 --> 00:20:52,919
a pilot he was an actual he was a pilot

525
00:20:51,058 --> 00:20:54,928
of a jet aircraft in the US Air Force

526
00:20:52,919 --> 00:20:58,080
and one of his shots he had to eat

527
00:20:54,929 --> 00:20:59,790
actually fly out and intercept UFOs and

528
00:20:58,079 --> 00:21:02,548
he was ordered occasionally to get very

529
00:20:59,789 --> 00:21:04,710
big as close as he could to UFOs at one

530
00:21:02,548 --> 00:21:06,569
point he was cruising at 30,000 feet and

531
00:21:04,710 --> 00:21:08,970
he was told to immediately descend to

532
00:21:06,569 --> 00:21:11,039
10,000 feet not to quite a dangerous

533
00:21:08,970 --> 00:21:12,569
thing to do in a high-speed aircraft and

534
00:21:11,039 --> 00:21:15,178
he did it because he had to train to set

535
00:21:12,569 --> 00:21:17,460
this UFO and he often took it quite

536
00:21:15,179 --> 00:21:19,019
close to them but then they would zoom

537
00:21:17,460 --> 00:21:21,450
away very quickly faster than any

538
00:21:19,019 --> 00:21:22,769
aircraft would go so and he's he's

539
00:21:21,450 --> 00:21:24,120
another guy who's willing to swear in

540
00:21:22,769 --> 00:21:30,619
front of Congress and he's signed an

541
00:21:24,119 --> 00:21:30,619
affidavit next slide please

542

00:21:37,420 --> 00:21:41,870
now this lady's one of the most

543
00:21:39,259 --> 00:21:43,960
interesting witnesses of all this is

544
00:21:41,869 --> 00:21:46,279
Carol rosin now she was a friend of

545
00:21:43,960 --> 00:21:50,600
laverna von Braun who was the rocket

546
00:21:46,279 --> 00:21:53,269
scientist a former Nazi rocket designer

547
00:21:50,599 --> 00:21:55,369
of missiles the v1 and v2 missile which

548
00:21:53,269 --> 00:21:58,089
was a wielded against this country in

549
00:21:55,369 --> 00:22:00,849
World War two after the war he was

550
00:21:58,089 --> 00:22:03,169
appropriated by Operation Paperclip and

551
00:22:00,849 --> 00:22:06,139
works on the space program and designed

552
00:22:03,170 --> 00:22:07,310
the Apollo rockets which essentially are

553
00:22:06,140 --> 00:22:11,300
very very similar in design to those

554
00:22:07,309 --> 00:22:12,379
missiles and no he said what he says I

555
00:22:11,299 --> 00:22:16,430
think I'm going to bring this up again

556
00:22:12,380 --> 00:22:19,090

because he said that the government he

557

00:22:16,430 --> 00:22:21,470

told her that the government would

558

00:22:19,089 --> 00:22:23,899

manipulate information on UFOs they

559

00:22:21,470 --> 00:22:25,819

wouldn't necessarily they wouldn't just

560

00:22:23,900 --> 00:22:29,150

try to suppress it that time would come

561

00:22:25,819 --> 00:22:31,460

when they may try to reveal the truth

562

00:22:29,150 --> 00:22:33,800

about UFOs but it wouldn't be a real

563

00:22:31,460 --> 00:22:35,420

revelation so they'll come and say yes

564

00:22:33,799 --> 00:22:38,329

UFOs are real or be a disclosure but

565

00:22:35,420 --> 00:22:40,910

it'll be a fake disclosure and it would

566

00:22:38,329 --> 00:22:43,609

probably be she believed that it would

567

00:22:40,910 --> 00:22:46,160

be something like they're real but

568

00:22:43,609 --> 00:22:48,219

they're bad they're evil and so we need

569

00:22:46,160 --> 00:22:50,480

to unite and fight against these aliens

570

00:22:48,220 --> 00:22:52,339

and he said government could the

571
00:22:50,480 --> 00:22:54,440
government put comes could be very very

572
00:22:52,339 --> 00:22:55,759
desperate to the point where that would

573
00:22:54,440 --> 00:22:57,350
actually happen then they would actually

574
00:22:55,759 --> 00:23:00,259
play that card against there's a

575
00:22:57,349 --> 00:23:03,230
psychological warfare card against us to

576
00:23:00,259 --> 00:23:05,240
try and as a last resort to try and

577
00:23:03,230 --> 00:23:06,680
introduce introduce authoritarian

578
00:23:05,240 --> 00:23:09,620
government so never on brownies

579
00:23:06,680 --> 00:23:10,519
interestingly he predicted the end of

580
00:23:09,619 --> 00:23:12,349
the Cold War

581
00:23:10,519 --> 00:23:13,910
pretty much when it actually happened

582
00:23:12,349 --> 00:23:16,069
and also the rise of international

583
00:23:13,910 --> 00:23:18,519
terrorism as a replacement for that Cold

584
00:23:16,069 --> 00:23:21,740
War and as the major threat to

585
00:23:18,519 --> 00:23:23,240
civilization on earth so very very

586
00:23:21,740 --> 00:23:24,769
interesting indeed and this lady

587
00:23:23,240 --> 00:23:26,029
speaking out it's very very interesting

588
00:23:24,769 --> 00:23:28,700
things she has to say

589
00:23:26,029 --> 00:23:31,389
everything is very much indeed next one

590
00:23:28,700 --> 00:23:31,390
please have a mic

591
00:23:31,539 --> 00:23:36,970
but just like with the Gary initiative

592
00:23:34,559 --> 00:23:40,029
real world events dragged every went

593
00:23:36,970 --> 00:23:42,789
back down to earth and the and the

594
00:23:40,029 --> 00:23:44,529
momentum that was generated was he

595
00:23:42,789 --> 00:23:46,299
normal I mean the momentum was generated

596
00:23:44,529 --> 00:23:50,019
it was crushed the momentum on May the

597
00:23:46,299 --> 00:23:51,639
9th 20,000 people watch this it was the

598
00:23:50,019 --> 00:23:53,589
recordings of it were watched on online

599

00:23:51,640 --> 00:23:55,090
this is before YouTube but it was

600
00:23:53,589 --> 00:23:57,819
watched on various video sharing sites

601
00:23:55,089 --> 00:23:59,649
again and again and again the press were

602
00:23:57,819 --> 00:24:01,389
very interested in it there was a lot of

603
00:23:59,650 --> 00:24:04,450
media attention it got into the

604
00:24:01,390 --> 00:24:06,040
mainstream quite considerably and so is

605
00:24:04,450 --> 00:24:10,150
similar to the Gary initiative in that

606
00:24:06,039 --> 00:24:13,240
sense a real momentum was building and

607
00:24:10,150 --> 00:24:16,660
people were very very optimistic and on

608
00:24:13,240 --> 00:24:19,089
September the 11th 2001 9/11 happened

609
00:24:16,660 --> 00:24:21,940
and it was all gone it was completely in

610
00:24:19,089 --> 00:24:24,429
a single day all that good work was

611
00:24:21,940 --> 00:24:26,350
undone and Basset Steve Bassett someone

612
00:24:24,430 --> 00:24:27,820
talked about later Steven Greer they all

613
00:24:26,349 --> 00:24:32,409

say this they will say was an awful

614

00:24:27,819 --> 00:24:33,669

thing but that happened because it's who

615

00:24:32,410 --> 00:24:35,769

knows what would have happened with the

616

00:24:33,670 --> 00:24:39,279

disclosure process if 9/11 had not

617

00:24:35,769 --> 00:24:42,750

happened by inevitably leads to the

618

00:24:39,279 --> 00:24:48,240

question was 9/11 done specifically to

619

00:24:42,750 --> 00:24:50,799

prevent that that's a disclosure project

620

00:24:48,240 --> 00:24:53,890

movement was it done to quash it to

621

00:24:50,799 --> 00:24:55,059

distract people away from it now as I

622

00:24:53,890 --> 00:24:57,759

said I don't believe that was the case

623

00:24:55,059 --> 00:25:00,429

of the Gary initiative I'm not so

624

00:24:57,759 --> 00:25:02,319

confident now with with this particular

625

00:25:00,430 --> 00:25:05,470

event this there's more more recent

626

00:25:02,319 --> 00:25:07,509

example of the same thing there may be

627

00:25:05,470 --> 00:25:09,759

many reasons why 9/11 was done probably

628
00:25:07,509 --> 00:25:12,450
more than one certainly I was certainly

629
00:25:09,759 --> 00:25:14,680
more than one this could be one of them

630
00:25:12,450 --> 00:25:16,120
there's no doubt though that if you were

631
00:25:14,680 --> 00:25:20,529
again if you were the keeper of the

632
00:25:16,119 --> 00:25:22,000
secret of UFOs and something like this

633
00:25:20,529 --> 00:25:23,500
happened and and were you were you at

634
00:25:22,000 --> 00:25:24,849
you you were watching the disclosure

635
00:25:23,500 --> 00:25:26,890
project press conference and you thought

636
00:25:24,849 --> 00:25:30,009
this is trouble this is real trouble

637
00:25:26,890 --> 00:25:30,850
then 9/11 comes along you become thank

638
00:25:30,009 --> 00:25:33,700
God for that

639
00:25:30,849 --> 00:25:35,109
God we were lucky there weren't we even

640
00:25:33,700 --> 00:25:37,930
better and you could bet that they would

641
00:25:35,109 --> 00:25:40,299
take advantage of this situation even if

642
00:25:37,930 --> 00:25:41,769
they hadn't created it for that and for

643
00:25:40,299 --> 00:25:43,480
these created it for that purpose or

644
00:25:41,769 --> 00:25:46,539
someone they weren't part of that we

645
00:25:43,480 --> 00:25:50,529
created it for whatever purpose so yes

646
00:25:46,539 --> 00:25:54,930
very very sad indeed but again from the

647
00:25:50,529 --> 00:25:54,930
ashes Rose the Phoenix next slide please

648
00:25:56,069 --> 00:25:58,869
now it's dr. Steven great has not gone

649
00:25:58,569 --> 00:26:00,939
away

650
00:25:58,869 --> 00:26:03,069
he's still hard at work and he still

651
00:26:00,940 --> 00:26:04,900
were doing his stuff in the East um

652
00:26:03,069 --> 00:26:06,220
buying more things he's still speaking

653
00:26:04,900 --> 00:26:07,900
he's still making movies he's still

654
00:26:06,220 --> 00:26:09,940
doing various press conferences and

655
00:26:07,900 --> 00:26:11,259
interviews and here he is doing an A in

656

00:26:09,940 --> 00:26:12,730
a debate everybody heated debate

657
00:26:11,259 --> 00:26:14,250
actually with Kerry Cassidy at Project

658
00:26:12,730 --> 00:26:16,630
Camelot

659
00:26:14,250 --> 00:26:17,859
now you can watch this on youtube it's

660
00:26:16,630 --> 00:26:19,180
quite it's quite long as my son

661
00:26:17,859 --> 00:26:21,250
hour-and-a-half was over they just

662
00:26:19,180 --> 00:26:23,650
basically active hammer and tongs bill

663
00:26:21,250 --> 00:26:25,359
Ryan they Kerry's colleague is there

664
00:26:23,650 --> 00:26:26,710
he's he's almost silent it's just

665
00:26:25,359 --> 00:26:28,419
basically these two of having a go at

666
00:26:26,710 --> 00:26:32,259
each other and it does get quite

667
00:26:28,420 --> 00:26:34,810
vitriolic I'm very very you're very very

668
00:26:32,259 --> 00:26:36,819
um fueled and it's actually quite

669
00:26:34,809 --> 00:26:40,329
amusing to watch I must say I did enjoy

670
00:26:36,819 --> 00:26:43,089

it but the fact of the matter is though

671

00:26:40,329 --> 00:26:44,500

it's the answer what is actually stake

672

00:26:43,089 --> 00:26:46,119

is very very interesting indeed and I'm

673

00:26:44,500 --> 00:26:50,920

gonna this is a very very important

674

00:26:46,119 --> 00:26:54,639

question the the origins know this what

675

00:26:50,920 --> 00:26:56,320

caused this Rao was that dr. Stephen

676

00:26:54,640 --> 00:26:58,180

Korea has when he talks about the

677

00:26:56,319 --> 00:26:59,980

extraterrestrials he talks about them as

678

00:26:58,180 --> 00:27:03,360

benevolent he believes that they are all

679

00:26:59,980 --> 00:27:05,950

benevolent beings they are loving

680

00:27:03,359 --> 00:27:07,899

spiritually advanced and only want good

681

00:27:05,950 --> 00:27:09,519

for the world all of them and they're

682

00:27:07,900 --> 00:27:11,380

having you think where they come from

683

00:27:09,519 --> 00:27:12,639

out there but then we put the only

684

00:27:11,380 --> 00:27:14,530

problems the only evil comes from us

685
00:27:12,640 --> 00:27:16,180
down here on earth the humans we're the

686
00:27:14,529 --> 00:27:18,129
only bad guys on the block all the

687
00:27:16,180 --> 00:27:19,630
others are good we're the ones but were

688
00:27:18,130 --> 00:27:21,460
the only ones with a problem and there's

689
00:27:19,630 --> 00:27:25,450
no danger to off many extraterrestrials

690
00:27:21,460 --> 00:27:27,670
they're all nice and Kerry Cassidy wrote

691
00:27:25,450 --> 00:27:29,740
an article on her blog basically saying

692
00:27:27,670 --> 00:27:31,450
that's not true and she was quite

693
00:27:29,740 --> 00:27:32,980
vehement about that I actually agree

694
00:27:31,450 --> 00:27:34,960
with her I think she was run a bit over

695
00:27:32,980 --> 00:27:36,190
the top but I agree with her on that and

696
00:27:34,960 --> 00:27:37,779
I'll say a bit more about that in a

697
00:27:36,190 --> 00:27:41,170
little while but anyway this led to this

698
00:27:37,779 --> 00:27:43,899
very very heated barrage of various

699
00:27:41,170 --> 00:27:45,310
insult another veiled microaggressions

700
00:27:43,900 --> 00:27:46,690
towards each other it's quite funny to

701
00:27:45,309 --> 00:27:49,419
watch next slide please

702
00:27:46,690 --> 00:27:50,720
mm-hmm and here we see dr. Steven Greer

703
00:27:49,420 --> 00:27:55,039
boasting again

704
00:27:50,720 --> 00:27:56,509
a likely story Steve and Kerry Cassidy I

705
00:27:55,039 --> 00:27:58,599
think she can see through it cuz he she

706
00:27:56,509 --> 00:28:03,640
don't know very impressed there does she

707
00:27:58,599 --> 00:28:05,959
know as he said next slide please

708
00:28:03,640 --> 00:28:09,830
dot steamer is recently released this

709
00:28:05,960 --> 00:28:11,539
movie serious now this is actually worth

710
00:28:09,829 --> 00:28:13,699
watching although it's there's not much

711
00:28:11,539 --> 00:28:15,349
original in there I must say there's

712
00:28:13,700 --> 00:28:18,350
lots of pictures of Gris himself wearing

713

00:28:15,349 --> 00:28:21,829
tight jeans which I expected in fact I

714
00:28:18,349 --> 00:28:22,939
think other half the shots or that but

715
00:28:21,829 --> 00:28:24,289
he there's a couple of interesting

716
00:28:22,940 --> 00:28:26,029
things eventually she's doing some

717
00:28:24,289 --> 00:28:27,950
scientific analysis of a little body

718
00:28:26,029 --> 00:28:30,619
called he calls at Sur this Atacama

719
00:28:27,950 --> 00:28:33,830
humanoid how many of you are familiar

720
00:28:30,619 --> 00:28:35,750
with the crystal and the Starchild skull

721
00:28:33,829 --> 00:28:37,879
do you know about that yeah that's

722
00:28:35,750 --> 00:28:39,289
that's a very I think that's a more

723
00:28:37,880 --> 00:28:41,780
interesting case it's a more advanced

724
00:28:39,289 --> 00:28:43,309
research project on this one we're still

725
00:28:41,779 --> 00:28:44,389
waiting for the what to find out what

726
00:28:43,309 --> 00:28:46,519
they had to cut this tiny little

727
00:28:44,390 --> 00:28:49,460

creature is that he's discovered just

728

00:28:46,519 --> 00:28:51,319

worth watching serious it is so great

729

00:28:49,460 --> 00:28:53,420

he's still at work and he's still doing

730

00:28:51,319 --> 00:28:55,789

his thing he's as controversial as ever

731

00:28:53,420 --> 00:28:58,190

I'm not sure I completely trust him but

732

00:28:55,789 --> 00:29:00,159

still worth watching looking at what he

733

00:28:58,190 --> 00:29:03,170

does next slide please

734

00:29:00,160 --> 00:29:06,320

and he's not alone out there there are

735

00:29:03,170 --> 00:29:08,210

many many others now this one two years

736

00:29:06,319 --> 00:29:08,480

after greer actually a bit started his

737

00:29:08,210 --> 00:29:10,549

work

738

00:29:08,480 --> 00:29:13,549

Disko it picked up his bat and he walked

739

00:29:10,549 --> 00:29:15,740

out for the crease and he has been doing

740

00:29:13,549 --> 00:29:18,559

something very very similar actually and

741

00:29:15,740 --> 00:29:20,359

he's a more room I must say he's a moon

742
00:29:18,559 --> 00:29:22,759
and he's very very confident about this

743
00:29:20,359 --> 00:29:25,399
and he's currently and he spends all his

744
00:29:22,759 --> 00:29:27,769
time in Washington DC and he's American

745
00:29:25,400 --> 00:29:29,300
himself but of course he says this

746
00:29:27,769 --> 00:29:32,059
includes he was also interested in other

747
00:29:29,299 --> 00:29:33,470
countries including this one about the

748
00:29:32,059 --> 00:29:37,279
possibility that other countries could

749
00:29:33,470 --> 00:29:39,710
become the disclosure country um quite

750
00:29:37,279 --> 00:29:41,000
something Annie sees again he's not only

751
00:29:39,710 --> 00:29:44,150
interesting what he has to say he's very

752
00:29:41,000 --> 00:29:45,619
very persuaded because I'm I myself I

753
00:29:44,150 --> 00:29:47,000
mean very much in two minds about

754
00:29:45,619 --> 00:29:50,209
everything he says and there's a lot of

755
00:29:47,000 --> 00:29:53,390
internal conflict in my own mind about

756
00:29:50,210 --> 00:29:54,700
what he says but he's extremely

757
00:29:53,390 --> 00:29:57,350
persuasive

758
00:29:54,700 --> 00:29:58,350
very very it may really make you believe

759
00:29:57,349 --> 00:30:04,788
it

760
00:29:58,349 --> 00:30:07,398
and next slide please now in 2013 dr.

761
00:30:04,788 --> 00:30:11,819
Steven Bassett organized the disclosure

762
00:30:07,398 --> 00:30:13,798
the et disclosure Citizen hearing

763
00:30:11,819 --> 00:30:15,509
initiative now this is a this is the

764
00:30:13,798 --> 00:30:17,548
most remarkable thing to happen since

765
00:30:15,509 --> 00:30:20,940
the disclosure project press conference

766
00:30:17,548 --> 00:30:22,859
or the Gary initiative what what

767
00:30:20,940 --> 00:30:25,620
happened was in the very very same room

768
00:30:22,859 --> 00:30:28,648
that the disclosure project press

769
00:30:25,619 --> 00:30:31,250
conference took place the main ballroom

770

00:30:28,648 --> 00:30:35,099
the National Press Club

771
00:30:31,250 --> 00:30:37,619
that's it got together a panel which

772
00:30:35,099 --> 00:30:40,439
consisted of former members of the US

773
00:30:37,619 --> 00:30:42,359
Congress former members and he paid them

774
00:30:40,440 --> 00:30:44,100
privately and he just said them look

775
00:30:42,359 --> 00:30:46,619
just to just come out of retirement and

776
00:30:44,099 --> 00:30:48,480
work privately for me doing what you

777
00:30:46,619 --> 00:30:50,158
used to do when you were in Congress

778
00:30:48,480 --> 00:30:52,019
carrying out a congressional

779
00:30:50,159 --> 00:30:54,059
investigation or congressional hearing

780
00:30:52,019 --> 00:30:55,620
is one of the things that Americans do

781
00:30:54,058 --> 00:30:56,609
in their legal system is they have

782
00:30:55,619 --> 00:30:59,268
congressional hearings where they

783
00:30:56,609 --> 00:31:01,798
appoint members of the US Congress to a

784
00:30:59,269 --> 00:31:03,210

board to investigate something and to

785

00:31:01,798 --> 00:31:04,440

interview people and have hearings and

786

00:31:03,210 --> 00:31:05,940

things like that that's what you want

787

00:31:04,440 --> 00:31:07,710

them to do is called the Citizen hearing

788

00:31:05,940 --> 00:31:09,690

because it was organized privately the

789

00:31:07,710 --> 00:31:11,069

money came it cost over a million US

790

00:31:09,690 --> 00:31:14,278

dollars and then the money came in

791

00:31:11,069 --> 00:31:16,398

privately from benefactors so this was

792

00:31:14,278 --> 00:31:19,829

amazing this was strained online as well

793

00:31:16,398 --> 00:31:21,689

man who was went to this one for an

794

00:31:19,829 --> 00:31:23,250

entire week and it was quite riveting

795

00:31:21,690 --> 00:31:26,548

actually I'm like I'd get home from work

796

00:31:23,250 --> 00:31:27,750

and I was working in the mornings to

797

00:31:26,548 --> 00:31:29,730

work in the mornings in those days

798

00:31:27,750 --> 00:31:33,119

didn't used her afternoons often that

799
00:31:29,730 --> 00:31:34,500
week I was very very good because it

800
00:31:33,119 --> 00:31:36,028
would start about 2:00 p.m. because this

801
00:31:34,500 --> 00:31:37,740
was my Washington time so I'd get home

802
00:31:36,028 --> 00:31:39,000
from work I like to be I'd be glued to

803
00:31:37,740 --> 00:31:40,589
it all day rather missed it when it was

804
00:31:39,000 --> 00:31:44,000
finished actually really really quite

805
00:31:40,589 --> 00:31:44,000
remarkable next slide please

806
00:31:54,490 --> 00:31:59,839
that they're these Steven Greer and

807
00:31:57,259 --> 00:32:01,700
Steven Bassett I'm answering questions

808
00:31:59,839 --> 00:32:04,490
from the various Congress people the X

809
00:32:01,700 --> 00:32:06,850
Congress people on the on the board next

810
00:32:04,490 --> 00:32:06,849
slide please

811
00:32:07,869 --> 00:32:12,529
that there is Gary Heseltine on the

812
00:32:11,298 --> 00:32:14,808
right left

813
00:32:12,529 --> 00:32:16,789
I believe have spoken on this stage yeah

814
00:32:14,808 --> 00:32:18,829
he's even here in the editor view of our

815
00:32:16,789 --> 00:32:20,869
truth magazine on Twitter right is peter

816
00:32:18,829 --> 00:32:22,329
robbins who's the co-author of larry

817
00:32:20,869 --> 00:32:24,259
Warren's left at Eastgate

818
00:32:22,329 --> 00:32:26,779
on talking about the Rendlesham forest

819
00:32:24,259 --> 00:32:28,929
incident so that's their next slide

820
00:32:26,779 --> 00:32:28,928
please

821
00:32:28,960 --> 00:32:33,558
and behind all this row of activists

822
00:32:32,450 --> 00:32:36,769
there you have to have that

823
00:32:33,558 --> 00:32:38,450
theoreticians of the movement and to

824
00:32:36,769 --> 00:32:40,250
this man I think he's the biggest of the

825
00:32:38,450 --> 00:32:42,470
theoreticians and have won the most

826
00:32:40,250 --> 00:32:44,589
important this is Richard Dolan he's

827

00:32:42,470 --> 00:32:48,019
he's written some amazing books on UFOs

828
00:32:44,589 --> 00:32:49,909
and he is again he said he's an academic

829
00:32:48,019 --> 00:32:51,859
he's a very very accomplished academic

830
00:32:49,910 --> 00:32:54,798
trained at Oxford he was actually

831
00:32:51,859 --> 00:32:56,629
shortlisted for a Rhodes Scholarship and

832
00:32:54,798 --> 00:32:59,900
he came to Oxford and studied political

833
00:32:56,630 --> 00:33:04,190
science and history specializing in Cold

834
00:32:59,900 --> 00:33:05,929
War diplomacy and he studied at various

835
00:33:04,190 --> 00:33:08,000
different places but while he was over

836
00:33:05,929 --> 00:33:10,820
here in Oxford he actually had a um he's

837
00:33:08,000 --> 00:33:13,640
actually he comes from America we study

838
00:33:10,819 --> 00:33:15,168
Oxford University he picked up a copy of

839
00:33:13,640 --> 00:33:17,960
above top secret

840
00:33:15,169 --> 00:33:19,910
Wow book again by Timothy good and he

841
00:33:17,960 --> 00:33:24,620

read it and he decided to do he decided

842

00:33:19,910 --> 00:33:26,660

to bring in the UFO angle into his his

843

00:33:24,619 --> 00:33:29,509

thesis he was working on his his

844

00:33:26,660 --> 00:33:31,940

political historical thesis and it

845

00:33:29,509 --> 00:33:34,640

changed his life because he suddenly

846

00:33:31,940 --> 00:33:35,870

realized that the whole UFO issue was

847

00:33:34,640 --> 00:33:38,179

taking over anything else

848

00:33:35,869 --> 00:33:41,869

and he's something he's much like there

849

00:33:38,179 --> 00:33:43,610

was a key that unlocked a completely new

850

00:33:41,869 --> 00:33:45,019

door onto the whole subject of what he

851

00:33:43,609 --> 00:33:47,209

was already discussing this is a man

852

00:33:45,019 --> 00:33:49,609

very very familiar with conventional

853

00:33:47,210 --> 00:33:53,660

politics in history and the UFO

854

00:33:49,609 --> 00:33:57,168

phenomenon actually made him more is all

855

00:33:53,660 --> 00:33:58,790

brought brought out aboard that's so

856
00:33:57,169 --> 00:34:01,400
much more and there's so much more

857
00:33:58,789 --> 00:34:02,839
taking a clue in other words to solving

858
00:34:01,400 --> 00:34:03,930
puzzles think otherwise one of them has

859
00:34:02,839 --> 00:34:08,279
solved

860
00:34:03,930 --> 00:34:09,929
next slide please so in conclusion I

861
00:34:08,280 --> 00:34:12,360
think we have a sorcerer in the Hangout

862
00:34:09,929 --> 00:34:14,220
now social de Hanna is a bit of a joke

863
00:34:12,360 --> 00:34:15,690
actually because the term source and

864
00:34:14,219 --> 00:34:20,819
hangar is actually coined by Nick Pope

865
00:34:15,690 --> 00:34:23,340
in his son column and he it's become it

866
00:34:20,820 --> 00:34:26,130
refers to the crash retrieval situation

867
00:34:23,340 --> 00:34:30,450
I do believe that this has happened I do

868
00:34:26,130 --> 00:34:32,970
believe that the government knows far

869
00:34:30,449 --> 00:34:33,869
more than not only become a tree see of

870
00:34:32,969 --> 00:34:36,239
those as a joke

871
00:34:33,869 --> 00:34:40,829
despite the UN for the draft resolution

872
00:34:36,239 --> 00:34:42,449
that Eric gairy got from the UN the the

873
00:34:40,829 --> 00:34:44,190
government treats it as novelty they

874
00:34:42,449 --> 00:34:46,369
they have no official line on it at all

875
00:34:44,190 --> 00:34:49,409
that lead since the UFO test closed down

876
00:34:46,369 --> 00:34:50,940
in 2002 there's been no Nick Pope

877
00:34:49,409 --> 00:34:52,530
himself has gone freelance he doesn't

878
00:34:50,940 --> 00:34:53,909
work for that anymore there's no if

879
00:34:52,530 --> 00:34:59,160
you're showing you a government policy

880
00:34:53,909 --> 00:35:00,510
on UFOs the media treated is a complete

881
00:34:59,159 --> 00:35:03,769
and utter farce I was talking in the

882
00:35:00,510 --> 00:35:06,270
break to people about UFOs on TV now

883
00:35:03,769 --> 00:35:08,190
again despite the UN draft draft

884

00:35:06,269 --> 00:35:10,500
resolution amount on unidentified flying

885
00:35:08,190 --> 00:35:14,309
objects and its political mandate to

886
00:35:10,500 --> 00:35:15,179
take them seriously UFO UFO portrayal in

887
00:35:14,309 --> 00:35:18,029
the media was appalling

888
00:35:15,179 --> 00:35:20,549
it's got worse I mean you go back 20

889
00:35:18,030 --> 00:35:22,700
years and there were a couple there are

890
00:35:20,550 --> 00:35:26,519
a couple of half-decent

891
00:35:22,699 --> 00:35:28,319
documentaries on UFOs a couple there are

892
00:35:26,519 --> 00:35:30,150
none now at all and then and the ones

893
00:35:28,320 --> 00:35:31,950
they have of the bad ones have got worse

894
00:35:30,150 --> 00:35:34,730
and worse and worse they plummeted to a

895
00:35:31,949 --> 00:35:37,259
nadir that I've never seen before

896
00:35:34,730 --> 00:35:40,530
I've actually uh I've been asked to take

897
00:35:37,260 --> 00:35:43,560
part in a couple of UFO TV documentaries

898
00:35:40,530 --> 00:35:48,990

I've refused when I see them I'm very

899

00:35:43,559 --> 00:35:51,570

glad and I've often said there's a limit

900

00:35:48,989 --> 00:35:55,529

to how bad a TV program can be by

901

00:35:51,570 --> 00:35:58,920

accident so there is a suppression of

902

00:35:55,530 --> 00:35:59,910

this information that the the I believe

903

00:35:58,920 --> 00:36:01,200

the government know more than they're

904

00:35:59,909 --> 00:36:03,899

saying part of it through various

905

00:36:01,199 --> 00:36:05,819

different and their own seek research

906

00:36:03,900 --> 00:36:07,740

projects into UFOs also other phenomena

907

00:36:05,820 --> 00:36:10,190

such as crop circles that's another

908

00:36:07,739 --> 00:36:14,109

that's a that's a hot subject in south

909

00:36:10,190 --> 00:36:17,090

but I think the Roswell incident was the

910

00:36:14,110 --> 00:36:19,579

an artifact of an extraterrestrial

911

00:36:17,090 --> 00:36:21,800

civilization a non-human intelligent

912

00:36:19,579 --> 00:36:24,409

civilization came to grief on the

913
00:36:21,800 --> 00:36:27,019
Earth's surface in July of 1947 in New

914
00:36:24,409 --> 00:36:31,279
Mexico USA I believe that the government

915
00:36:27,019 --> 00:36:32,809
secretly salvaged that craft and have

916
00:36:31,280 --> 00:36:36,200
kept it secret from the public to this

917
00:36:32,809 --> 00:36:38,809
day putting out lies you know cover-ups

918
00:36:36,199 --> 00:36:40,579
no comments and disinformation to try

919
00:36:38,809 --> 00:36:43,190
and prevent the truth coming out about

920
00:36:40,579 --> 00:36:45,019
that event and what surprises me I think

921
00:36:43,190 --> 00:36:46,820
Roswell is actually a name of course is

922
00:36:45,019 --> 00:36:49,460
the name of the town in New Mexico near

923
00:36:46,820 --> 00:36:52,010
where this happened but Roswell is not

924
00:36:49,460 --> 00:36:54,470
the only time this has happened it's not

925
00:36:52,010 --> 00:36:56,480
even the first there was some before

926
00:36:54,469 --> 00:36:59,779
Roswell I was supposed to find this out

927
00:36:56,480 --> 00:37:02,179
when I started looking into it there's

928
00:36:59,780 --> 00:37:05,120
been many other since now um there's a

929
00:37:02,179 --> 00:37:08,539
book called magic eyes own mark on the

930
00:37:05,119 --> 00:37:11,119
title of Bo magic something mmHg I see

931
00:37:08,539 --> 00:37:13,820
Matt majestic 12 kind of thing which

932
00:37:11,119 --> 00:37:17,059
lists over a hundred similar events to

933
00:37:13,820 --> 00:37:18,530
this to the Roswell incident including

934
00:37:17,059 --> 00:37:22,340
several in this country there's at least

935
00:37:18,530 --> 00:37:24,350
two in this country there probably it's

936
00:37:22,340 --> 00:37:29,480
a regular thing the UFO crash approval

937
00:37:24,349 --> 00:37:30,559
is a regular thing and it's it's

938
00:37:29,480 --> 00:37:34,730
probably going to continue to happen

939
00:37:30,559 --> 00:37:37,099
most likely and it seems that there are

940
00:37:34,730 --> 00:37:38,840
government institutions which are but

941

00:37:37,099 --> 00:37:40,670
specifically trained to deal with them

942
00:37:38,840 --> 00:37:42,559
because when these things happen the

943
00:37:40,670 --> 00:37:44,869
wherever it is in the world does the

944
00:37:42,559 --> 00:37:46,340
same procedure under is under go even

945
00:37:44,869 --> 00:37:48,049
one happened there's a very interesting

946
00:37:46,340 --> 00:37:51,079
case actually happened in South Africa

947
00:37:48,050 --> 00:37:52,910
in 1989 and the very very same thing

948
00:37:51,079 --> 00:37:54,949
happen has happened at Roswell as if the

949
00:37:52,909 --> 00:37:56,569
people the people come already knew what

950
00:37:54,949 --> 00:37:58,909
to do is if there's some kind of global

951
00:37:56,570 --> 00:38:03,650
policy in place for dealing with this

952
00:37:58,909 --> 00:38:05,469
eventualities so the the book actually

953
00:38:03,650 --> 00:38:07,960
lists over 100 examples if it's just

954
00:38:05,469 --> 00:38:11,839
it's just a handful of those are real

955
00:38:07,960 --> 00:38:13,030

just think well that means next time

956

00:38:11,840 --> 00:38:15,910

please

957

00:38:13,030 --> 00:38:18,160

now what UFOs are I mean are they

958

00:38:15,909 --> 00:38:20,920

spaceships they come from other planet

959

00:38:18,159 --> 00:38:22,000

they fly here from z2 Reticuli we don't

960

00:38:20,920 --> 00:38:25,920

know we know that they appear to be

961

00:38:22,000 --> 00:38:29,289

mechanical devices of some kind and they

962

00:38:25,920 --> 00:38:31,210

inside them you find biological type

963

00:38:29,289 --> 00:38:33,309

entities like this one this isn't a this

964

00:38:31,210 --> 00:38:35,409

is a model in certainly not a real thing

965

00:38:33,309 --> 00:38:44,559

this is at the Roswell museum in you in

966

00:38:35,409 --> 00:38:46,690

Roswell New Mexico it's only this the

967

00:38:44,559 --> 00:38:49,299

skeptics go absolutely eight about

968

00:38:46,690 --> 00:38:50,860

Roswell and it's beautiful museums if

969

00:38:49,300 --> 00:38:52,840

you have no exhibitions is UFO

970
00:38:50,860 --> 00:38:54,250
conferences and things like that and

971
00:38:52,840 --> 00:38:56,380
they say it's absolutely shameful the

972
00:38:54,250 --> 00:38:57,760
way it's it's very tacky and you know

973
00:38:56,380 --> 00:39:00,550
they make a lot of money off this little

974
00:38:57,760 --> 00:39:02,500
thing don't like this little this new

975
00:39:00,550 --> 00:39:04,960
alien industry they have don't they

976
00:39:02,500 --> 00:39:07,599
these I would say to the skeptics if you

977
00:39:04,960 --> 00:39:09,220
don't like that if you checked then go

978
00:39:07,599 --> 00:39:10,420
to stratford-on-avon and tell them to

979
00:39:09,219 --> 00:39:14,319
get rid of all the Shakespeare stuff

980
00:39:10,420 --> 00:39:14,950
close down all the theaters you you know

981
00:39:14,320 --> 00:39:16,570
things like that

982
00:39:14,949 --> 00:39:18,069
there's nothing wrong with a place

983
00:39:16,570 --> 00:39:22,570
exploiting its own history for its own

984
00:39:18,070 --> 00:39:24,610
prosperity so um anyway that's an aside

985
00:39:22,570 --> 00:39:26,530
so what they arm they could be extra

986
00:39:24,610 --> 00:39:28,210
dimensional it could be creatures from

987
00:39:26,530 --> 00:39:29,500
under the sea they could be creatures

988
00:39:28,210 --> 00:39:31,090
that have been sharing this planet with

989
00:39:29,500 --> 00:39:33,550
us and we don't know there could be

990
00:39:31,090 --> 00:39:34,780
angels and demons there could be all of

991
00:39:33,550 --> 00:39:35,260
the above they could be known that none

992
00:39:34,780 --> 00:39:37,140
of the above

993
00:39:35,260 --> 00:39:39,100
there could be some of the above we

994
00:39:37,139 --> 00:39:41,199
don't we don't know what they are we do

995
00:39:39,099 --> 00:39:44,289
know they are real they exist it's no

996
00:39:41,199 --> 00:39:45,669
doubt about that that's all so what's

997
00:39:44,289 --> 00:39:49,139
gonna happen now that's the question

998

00:39:45,670 --> 00:39:49,139
this think this thing exists is real

999
00:39:49,380 --> 00:39:55,720
some people know and others don't

1000
00:39:51,429 --> 00:39:59,500
next slide please so are we going to see

1001
00:39:55,719 --> 00:40:01,839
it Stephen Bassett once this guy or his

1002
00:39:59,500 --> 00:40:05,050
successor whoever that is sitting there

1003
00:40:01,840 --> 00:40:09,460
in front of the TV screen saying my

1004
00:40:05,050 --> 00:40:11,440
fellow Americans UFOs are real I mean

1005
00:40:09,460 --> 00:40:12,550
whatever way it'll dress up in some kind

1006
00:40:11,440 --> 00:40:14,740
of political language I mean there's

1007
00:40:12,550 --> 00:40:17,170
many draft examples of potential

1008
00:40:14,739 --> 00:40:19,189
disclosure disclosure speeches some have

1009
00:40:17,170 --> 00:40:22,400
been recorded live as an actor

1010
00:40:19,190 --> 00:40:24,380
of how it could look or could be what it

1011
00:40:22,400 --> 00:40:26,030
could be like I've actually written one

1012
00:40:24,380 --> 00:40:27,530

myself because I've written a book a

1013

00:40:26,030 --> 00:40:28,850

fictional book about this subject so

1014

00:40:27,530 --> 00:40:31,580

I'll tell you more about that at the end

1015

00:40:28,849 --> 00:40:33,349

but one thing's for certain is if this

1016

00:40:31,579 --> 00:40:34,789

happens it's a one-way street once

1017

00:40:33,349 --> 00:40:36,889

disclosures have happened there's no

1018

00:40:34,789 --> 00:40:39,050

going back and it can't happen in one

1019

00:40:36,889 --> 00:40:39,769

place either I mean I think if disguise

1020

00:40:39,050 --> 00:40:42,320

had happened

1021

00:40:39,769 --> 00:40:44,000

I'm during the Cold War even then it

1022

00:40:42,320 --> 00:40:46,340

would have been impossible to prevent it

1023

00:40:44,000 --> 00:40:48,829

happening worldwide even with the media

1024

00:40:46,340 --> 00:40:51,110

is very little media and the Soviet

1025

00:40:48,829 --> 00:40:52,549

Union being closed closed off it still

1026

00:40:51,110 --> 00:40:54,680

would not been possible to prevent the

1027
00:40:52,550 --> 00:40:56,480
news spreading in this case it would

1028
00:40:54,679 --> 00:40:58,690
spread instantly across the world more

1029
00:40:56,480 --> 00:41:00,980
with modern media next slide please

1030
00:40:58,690 --> 00:41:03,320
now this is your CD slider a bit out of

1031
00:41:00,980 --> 00:41:05,570
day cuz this chump is now gone he's been

1032
00:41:03,320 --> 00:41:07,730
replaced by the Wicked Witch what's her

1033
00:41:05,570 --> 00:41:12,140
name Theresa May or whatever her name is

1034
00:41:07,730 --> 00:41:17,869
Mother Teresa yeah horrible horrible

1035
00:41:12,139 --> 00:41:19,159
anyway that's within what most instantly

1036
00:41:17,869 --> 00:41:21,409
after that announcement minimum that had

1037
00:41:19,159 --> 00:41:24,500
been made by the US president we would

1038
00:41:21,409 --> 00:41:26,420
see our own leader come out number 10

1039
00:41:24,500 --> 00:41:28,989
and say the same thing and you see this

1040
00:41:26,420 --> 00:41:31,430
repeated in every nation on earth

1041
00:41:28,989 --> 00:41:32,989
because it possible is it can only

1042
00:41:31,429 --> 00:41:34,730
happen that's the question these are the

1043
00:41:32,989 --> 00:41:38,679
big question I think is that a realistic

1044
00:41:34,730 --> 00:41:38,679
scenario next like this

1045
00:41:40,679 --> 00:41:47,338
now we're gonna look at the implications

1046
00:41:42,568 --> 00:41:49,048
of you of this truth coming out not

1047
00:41:47,338 --> 00:41:50,849
least in the amount of time that this

1048
00:41:49,048 --> 00:41:54,358
secret has existed and the amount of

1049
00:41:50,849 --> 00:41:57,200
knowledge that the secret keep the

1050
00:41:54,358 --> 00:41:59,940
keepers of the secret potentially have

1051
00:41:57,199 --> 00:42:01,230
now this is I've done an entire lecture

1052
00:41:59,940 --> 00:42:03,059
on this I think the first time I was

1053
00:42:01,230 --> 00:42:04,349
here in January I did an entire speech

1054
00:42:03,059 --> 00:42:06,630
on this which you can watch on a video

1055

00:42:04,349 --> 00:42:09,539
online it's called energy politics and

1056
00:42:06,630 --> 00:42:12,778
UFOs and I go into this subject in more

1057
00:42:09,539 --> 00:42:14,339
detail but basically the the power

1058
00:42:12,778 --> 00:42:18,389
plants and propulsion systems of

1059
00:42:14,338 --> 00:42:20,548
extraterrestrial crafts may well have

1060
00:42:18,389 --> 00:42:23,098
been back engineered by secret

1061
00:42:20,548 --> 00:42:24,630
government institutions what Richard

1062
00:42:23,099 --> 00:42:26,849
Dolan he calls them the breakaway

1063
00:42:24,630 --> 00:42:28,440
civilization other people call the

1064
00:42:26,849 --> 00:42:29,970
majestic even using words like the

1065
00:42:28,440 --> 00:42:31,920
Illuminati whatever you look whichever

1066
00:42:29,969 --> 00:42:35,639
you choose to use the keepers of the

1067
00:42:31,920 --> 00:42:38,298
secret the Masters of infinity let

1068
00:42:35,639 --> 00:42:43,588
cetera et cetera if that is the case

1069
00:42:38,298 --> 00:42:44,759

then this technology it's obviously you

1070

00:42:43,588 --> 00:42:46,259

know these craft if they're coming from

1071

00:42:44,760 --> 00:42:47,579

interdimensional portals are flying

1072

00:42:46,260 --> 00:42:49,950

across the universe they're not doing it

1073

00:42:47,579 --> 00:42:52,410

on Texaco unleaded four-star they have

1074

00:42:49,949 --> 00:42:54,808

et cetera propulsion systems and power

1075

00:42:52,409 --> 00:42:56,879

plants now if that technology has been

1076

00:42:54,809 --> 00:43:02,089

back engineered it could be used on

1077

00:42:56,880 --> 00:43:04,769

earth to fuel our civilization and the

1078

00:43:02,088 --> 00:43:07,230

benefits of that are incalculable and

1079

00:43:04,769 --> 00:43:09,179

almost beyond comprehension the

1080

00:43:07,230 --> 00:43:10,409

improvement they could make to our lives

1081

00:43:09,179 --> 00:43:12,960

and the lives of everyone in the world

1082

00:43:10,409 --> 00:43:15,000

is the astonishing environmental damage

1083

00:43:12,960 --> 00:43:17,608

would become a thing of the past because

1084
00:43:15,000 --> 00:43:19,500
with this technology is clean and I must

1085
00:43:17,608 --> 00:43:22,048
point out that some now know I go into

1086
00:43:19,500 --> 00:43:25,889
more details in my other speech but it's

1087
00:43:22,048 --> 00:43:27,929
not just it's not just a UFO issue human

1088
00:43:25,889 --> 00:43:30,690
inventors have come up with similar

1089
00:43:27,929 --> 00:43:34,338
types of energy energy sources free

1090
00:43:30,690 --> 00:43:36,510
energy Nikola Tesla people buy that but

1091
00:43:34,338 --> 00:43:39,509
freeing us from fossil fuels and many

1092
00:43:36,510 --> 00:43:42,359
many other destructive ways that we live

1093
00:43:39,510 --> 00:43:45,539
would prevent environmental damage and

1094
00:43:42,358 --> 00:43:46,980
end our lifestyle is damaging the

1095
00:43:45,539 --> 00:43:50,069
environment and it doesn't matter

1096
00:43:46,980 --> 00:43:51,690
whether or not you believe in carbon

1097
00:43:50,068 --> 00:43:54,358
dioxide emission causing climate

1098
00:43:51,690 --> 00:43:56,909
or not even if you don't you have to

1099
00:43:54,358 --> 00:43:58,139
concede that our activities only are

1100
00:43:56,909 --> 00:44:02,578
doing a lot of damage to the environment

1101
00:43:58,139 --> 00:44:04,139
I could be healed in many under that and

1102
00:44:02,579 --> 00:44:06,660
I describe that in more detail in my

1103
00:44:04,139 --> 00:44:11,480
other speech by the use of free clean

1104
00:44:06,659 --> 00:44:13,469
limitless energy next slide please

1105
00:44:11,480 --> 00:44:15,030
free energy could take some of the

1106
00:44:13,469 --> 00:44:17,129
poorest people on earth and lift them

1107
00:44:15,030 --> 00:44:18,960
out of poverty someone only put the

1108
00:44:17,130 --> 00:44:20,849
poorest and most destitute societies in

1109
00:44:18,960 --> 00:44:22,260
the world because achieve a standard of

1110
00:44:20,849 --> 00:44:24,980
living beyond anything they've ever

1111
00:44:22,260 --> 00:44:24,980
experienced before

1112

00:44:25,429 --> 00:44:30,179
basically the this the gap between the

1113
00:44:28,619 --> 00:44:31,108
rich countries and poor countries would

1114
00:44:30,179 --> 00:44:35,039
be eliminated

1115
00:44:31,108 --> 00:44:36,239
but certainly greatly reduced and and it

1116
00:44:35,039 --> 00:44:38,519
would be an upwards but it wouldn't be

1117
00:44:36,239 --> 00:44:43,489
the rich ones coming down it will be

1118
00:44:38,519 --> 00:44:45,869
both going up next slide please

1119
00:44:43,489 --> 00:44:48,439
this is the world we could live in as

1120
00:44:45,869 --> 00:44:52,470
well we could have lived in and

1121
00:44:48,440 --> 00:44:56,010
hopefully we will maybe I mean I'm not a

1122
00:44:52,469 --> 00:44:58,289
utopian um but I still believe that the

1123
00:44:56,010 --> 00:45:01,200
world we could live in would be with the

1124
00:44:58,289 --> 00:45:03,088
use of this technology in many many

1125
00:45:01,199 --> 00:45:05,519
different ways and the effects it would

1126
00:45:03,088 --> 00:45:06,659

have on our culture our society and the

1127

00:45:05,519 --> 00:45:09,630
way we relate to each other

1128

00:45:06,659 --> 00:45:12,239
politically and economically will be

1129

00:45:09,630 --> 00:45:15,890
enormous ly beneficial I would greatly

1130

00:45:12,239 --> 00:45:18,889
improve human society every in every way

1131

00:45:15,889 --> 00:45:22,409
next slide please

1132

00:45:18,889 --> 00:45:27,150
who could possibly object to that surely

1133

00:45:22,409 --> 00:45:29,429
I think how good it now that now we come

1134

00:45:27,150 --> 00:45:32,550
to the prop now we come to maybe the

1135

00:45:29,429 --> 00:45:36,858
source this is one of the reasons why I

1136

00:45:32,550 --> 00:45:41,700
think we have not had access to this

1137

00:45:36,858 --> 00:45:44,699
free energy and again I go into more

1138

00:45:41,699 --> 00:45:45,989
details in my other speech we're gonna

1139

00:45:44,699 --> 00:45:46,559
have to go up to the chairman of royal

1140

00:45:45,989 --> 00:45:48,268
dutch/shell

1141
00:45:46,559 --> 00:45:50,219
knock on his door

1142
00:45:48,268 --> 00:45:52,828
and I let you in he's probably got an

1143
00:45:50,219 --> 00:45:55,168
office bigger than this room you sex

1144
00:45:52,829 --> 00:45:56,548
behind a desk probably stretches from

1145
00:45:55,168 --> 00:46:01,259
there to there you don't have to go up

1146
00:45:56,548 --> 00:46:02,579
for this guy and say um I'm just come to

1147
00:46:01,259 --> 00:46:06,838
tell you your services are no longer

1148
00:46:02,579 --> 00:46:09,019
required but if you thought about maybe

1149
00:46:06,838 --> 00:46:11,578
going into other businesses know there's

1150
00:46:09,018 --> 00:46:14,188
shale candles so you still need oil to

1151
00:46:11,579 --> 00:46:15,509
make candles don't you shut that shale

1152
00:46:14,188 --> 00:46:16,558
candles there'd be a big dollar on that

1153
00:46:15,509 --> 00:46:18,898
just think about it

1154
00:46:16,559 --> 00:46:20,909
they're pretty colors they smell nice

1155
00:46:18,898 --> 00:46:26,518
they won't stain your wallpaper shale

1156
00:46:20,909 --> 00:46:28,318
candles I don't think so no the oil oil

1157
00:46:26,518 --> 00:46:29,668
and fossil fuels it's not just the

1158
00:46:28,318 --> 00:46:31,469
biggest industry on earth it is the

1159
00:46:29,668 --> 00:46:34,308
industry it's the lifeblood and the

1160
00:46:31,469 --> 00:46:37,409
lubricant of civilization as we know it

1161
00:46:34,309 --> 00:46:40,379
now and this is where we have to see the

1162
00:46:37,409 --> 00:46:42,088
world not through our own eyes as only

1163
00:46:40,378 --> 00:46:44,489
folk we just want the good life and good

1164
00:46:42,088 --> 00:46:46,378
lies for everyone we've got to see

1165
00:46:44,489 --> 00:46:48,239
through their eyes they aren't the eyes

1166
00:46:46,378 --> 00:46:49,798
are the power brokers and the plutocrats

1167
00:46:48,239 --> 00:46:51,239
of the world that's not pleasant it's

1168
00:46:49,798 --> 00:46:55,409
not pleasant to contemplate what war

1169

00:46:51,239 --> 00:46:59,759
they think but they see they what they

1170
00:46:55,409 --> 00:47:02,398
will see is they will see a destruction

1171
00:46:59,759 --> 00:47:06,228
in they will see as enormously

1172
00:47:02,398 --> 00:47:10,438
destructive an institution of a chaotic

1173
00:47:06,228 --> 00:47:13,078
anarchic system of injected into the

1174
00:47:10,438 --> 00:47:15,328
political and economic world they will

1175
00:47:13,079 --> 00:47:16,739
see India and China taking over

1176
00:47:15,329 --> 00:47:20,999
everything with a huge populations and

1177
00:47:16,739 --> 00:47:24,148
enormous resources the destabilization

1178
00:47:20,998 --> 00:47:27,238
of you know all kinds of societies and

1179
00:47:24,148 --> 00:47:30,748
nations of companies of corporations of

1180
00:47:27,239 --> 00:47:32,849
industries as a result of the transfer

1181
00:47:30,748 --> 00:47:36,658
away from going from fossil fuel to free

1182
00:47:32,849 --> 00:47:37,949
energy to the point where now I'm in a

1183
00:47:36,659 --> 00:47:39,148

lot of them it's people it's not just

1184

00:47:37,949 --> 00:47:40,318

about money a lot of them are very very

1185

00:47:39,148 --> 00:47:42,088

rich off the oil business

1186

00:47:40,318 --> 00:47:44,068

their own personal fortunes as well

1187

00:47:42,088 --> 00:47:47,099

their own personal incomes which are

1188

00:47:44,068 --> 00:47:48,358

considerable there are some I think who

1189

00:47:47,099 --> 00:47:50,639

are just concerned about that they're

1190

00:47:48,358 --> 00:47:51,838

just greedy and they're just worried

1191

00:47:50,639 --> 00:47:53,459

about their aren't they they just want

1192

00:47:51,838 --> 00:47:54,328

to have as much money as much as they

1193

00:47:53,458 --> 00:47:56,068

can

1194

00:47:54,329 --> 00:47:57,239

and free energy would put an end to that

1195

00:47:56,068 --> 00:47:58,259

and that's why they don't want to do it

1196

00:47:57,239 --> 00:48:00,119

they know they're not necessarily

1197

00:47:58,259 --> 00:48:01,769

politically motivated at a lower level

1198
00:48:00,119 --> 00:48:05,099
these this is a sort of second nation on

1199
00:48:01,768 --> 00:48:06,688
lower level with people but at a higher

1200
00:48:05,099 --> 00:48:08,880
level is they're they're thinking much

1201
00:48:06,688 --> 00:48:10,348
more too in terms of the thinking much

1202
00:48:08,880 --> 00:48:11,459
more abstractly they're thinking more

1203
00:48:10,349 --> 00:48:14,729
politically they're thinking more

1204
00:48:11,458 --> 00:48:16,348
strategically and a higher level it's

1205
00:48:14,728 --> 00:48:20,098
not just about money it's about it's

1206
00:48:16,349 --> 00:48:21,959
about control and that is one of the

1207
00:48:20,099 --> 00:48:25,709
reasons why we don't have free energy

1208
00:48:21,958 --> 00:48:28,678
and as I said before watch energy

1209
00:48:25,708 --> 00:48:30,719
politics and UFOs my first my first

1210
00:48:28,679 --> 00:48:32,929
speech I did here at SU fun next slide

1211
00:48:30,719 --> 00:48:35,278
please

1212
00:48:32,929 --> 00:48:37,410
there's also a cultural element to this

1213
00:48:35,278 --> 00:48:40,469
I mean the for whatever reason I think

1214
00:48:37,409 --> 00:48:44,399
of the idea that with some kind of

1215
00:48:40,469 --> 00:48:47,400
little islands a little oases of life in

1216
00:48:44,400 --> 00:48:50,309
an infinite cosmic desert it's

1217
00:48:47,400 --> 00:48:54,179
quintessential to our psychological

1218
00:48:50,309 --> 00:49:00,359
control and our cultural control of the

1219
00:48:54,179 --> 00:49:01,619
powers that be over us now in 1959 the

1220
00:49:00,358 --> 00:49:03,538
very start of the space program

1221
00:49:01,619 --> 00:49:05,068
not long after Sputnik the Brookings

1222
00:49:03,539 --> 00:49:05,849
Institute was just psychological

1223
00:49:05,068 --> 00:49:08,608
think-tank

1224
00:49:05,849 --> 00:49:11,969
published a report in which they stated

1225
00:49:08,608 --> 00:49:13,699
that the potential the potential for the

1226

00:49:11,969 --> 00:49:15,838
discovery of extraterrestrial life

1227
00:49:13,699 --> 00:49:17,188
this is when they didn't know what was

1228
00:49:15,838 --> 00:49:18,688
out there they were just sending Rockets

1229
00:49:17,188 --> 00:49:19,768
out there for the first time what if

1230
00:49:18,688 --> 00:49:20,938
they discovered that the earth was not

1231
00:49:19,768 --> 00:49:22,458
alone in the universe

1232
00:49:20,938 --> 00:49:26,038
what if they discovered that some

1233
00:49:22,458 --> 00:49:27,899
distinct evidence of of intelligent

1234
00:49:26,039 --> 00:49:31,739
civilizations out evil past or present

1235
00:49:27,900 --> 00:49:36,088
out there in the universe and they

1236
00:49:31,739 --> 00:49:38,130
concluded that if this came to mind you

1237
00:49:36,088 --> 00:49:39,798
probably would not be a good idea to

1238
00:49:38,130 --> 00:49:42,028
shout it from the rooftops

1239
00:49:39,798 --> 00:49:45,059
the report doesn't specifically

1240
00:49:42,028 --> 00:49:48,778

recommend a cover-up but it it hints at

1241

00:49:45,059 --> 00:49:50,849

it it really very is a very strong elbow

1242

00:49:48,778 --> 00:49:52,170

in the ribs tally NASA does this report

1243

00:49:50,849 --> 00:49:53,910

was compiled for nuts such as saying

1244

00:49:52,170 --> 00:49:56,539

look just it'll be better not to tell

1245

00:49:53,909 --> 00:49:56,538

anyone about it

1246

00:50:03,458 --> 00:50:12,228

another reason another problem is that

1247

00:50:09,548 --> 00:50:13,639

the idea of civilizations out there

1248

00:50:12,228 --> 00:50:15,978

whether we're not alone humans are all

1249

00:50:13,639 --> 00:50:18,229

alone there are beings out there with a

1250

00:50:15,978 --> 00:50:21,458

much with much more high-tech much

1251

00:50:18,228 --> 00:50:23,028

higher technology and the means to

1252

00:50:21,458 --> 00:50:25,098

essentially well they can certainly

1253

00:50:23,028 --> 00:50:27,079

evade our aircraft they can seems they

1254

00:50:25,099 --> 00:50:28,939

can do pretty much what they want they

1255
00:50:27,079 --> 00:50:31,159
seem to have an opulent power when it

1256
00:50:28,938 --> 00:50:34,578
comes to this now that's is not a

1257
00:50:31,159 --> 00:50:36,798
welcome thing to grasp when you if you

1258
00:50:34,579 --> 00:50:40,729
consider that some of them may not be

1259
00:50:36,798 --> 00:50:41,989
friendly and while comments we've talked

1260
00:50:40,728 --> 00:50:43,278
about Carol Ross in the fact that the

1261
00:50:41,989 --> 00:50:45,499
government might deliberately say that

1262
00:50:43,278 --> 00:50:47,018
and pretend that they're all evil so

1263
00:50:45,498 --> 00:50:49,938
they can unite people about what

1264
00:50:47,018 --> 00:50:51,348
what if someone really are obviously no

1265
00:50:49,938 --> 00:50:55,298
majority of them aren't otherwise we

1266
00:50:51,349 --> 00:50:55,298
wouldn't be here now

1267
00:50:55,309 --> 00:50:59,149
this next picture has a trigger warning

1268
00:50:57,079 --> 00:51:04,459
okay and the next slide I'm going to

1269
00:50:59,148 --> 00:51:07,538
show you so prepare yourselves this is a

1270
00:51:04,458 --> 00:51:09,938
cow a dead cow which has fallen foul of

1271
00:51:07,539 --> 00:51:11,839
the mysterious mutilation phenomenon

1272
00:51:09,938 --> 00:51:13,908
this is something that's been going on

1273
00:51:11,838 --> 00:51:16,398
for a very very long time it's

1274
00:51:13,909 --> 00:51:18,878
completely mysterious and there's no no

1275
00:51:16,398 --> 00:51:21,138
one knows what's causing it no one knows

1276
00:51:18,878 --> 00:51:24,048
there's not there's no theoretical

1277
00:51:21,139 --> 00:51:27,499
reason why anyone or anything might be

1278
00:51:24,048 --> 00:51:30,128
doing this farm animals like this are

1279
00:51:27,498 --> 00:51:33,998
affected wild animals marine animals

1280
00:51:30,128 --> 00:51:38,659
dolphins seals things like that pets

1281
00:51:33,998 --> 00:51:42,648
surface animals and all species and I do

1282
00:51:38,659 --> 00:51:44,479
mean all species humans - that's the

1283

00:51:42,648 --> 00:51:46,938
thing that's that's an area where even

1284
00:51:44,478 --> 00:51:49,009
some researchers into the mutilation

1285
00:51:46,938 --> 00:51:50,568
farmer will not go they will say oh it's

1286
00:51:49,009 --> 00:51:52,519
basically every species but not humans

1287
00:51:50,568 --> 00:51:54,079
they were saying you try to mention

1288
00:51:52,518 --> 00:51:56,658
because human bodies turn up with these

1289
00:51:54,079 --> 00:51:58,369
kinds of injuries and you try to talk to

1290
00:51:56,659 --> 00:52:03,858
about it and they just they just shut it

1291
00:51:58,369 --> 00:52:05,329
shut down the conversation but they say

1292
00:52:03,858 --> 00:52:08,418
well they do this to animals but not

1293
00:52:05,329 --> 00:52:09,649
humans humans are different humans are I

1294
00:52:08,418 --> 00:52:11,418
mean this is a thing that's got more to

1295
00:52:09,648 --> 00:52:12,789
do with the way some people see

1296
00:52:11,418 --> 00:52:14,710
ourselves we see it we have this

1297
00:52:12,789 --> 00:52:17,559

either way it's humans and animal isn't

1298

00:52:14,710 --> 00:52:19,210

they're humans and animals but humans

1299

00:52:17,559 --> 00:52:22,570

are animals this Charles Darwin has

1300

00:52:19,210 --> 00:52:24,400

pointed out we're a species of ape where

1301

00:52:22,570 --> 00:52:26,019

we we are unusual in a sense we walk

1302

00:52:24,400 --> 00:52:27,639

upright and we have intelligence and we

1303

00:52:26,019 --> 00:52:29,199

don't have any hair on our bodies and

1304

00:52:27,639 --> 00:52:30,579

things like that but we're still an

1305

00:52:29,199 --> 00:52:32,039

animal and it's possible that a very

1306

00:52:30,579 --> 00:52:33,730

highly advanced intelligent

1307

00:52:32,039 --> 00:52:35,019

extraterrestrial species that we're

1308

00:52:33,730 --> 00:52:37,240

doing this for whatever reason they're

1309

00:52:35,019 --> 00:52:39,550

doing it may not maybe they don't see as

1310

00:52:37,239 --> 00:52:41,229

malevolent maybe they're just doing it

1311

00:52:39,550 --> 00:52:44,530

they may just regard humans it's just

1312
00:52:41,230 --> 00:52:47,619
one more species of varmint to poke and

1313
00:52:44,530 --> 00:52:49,990
prod be the way of course this is

1314
00:52:47,619 --> 00:52:51,880
extremely disturbing especially since

1315
00:52:49,989 --> 00:52:54,909
there's normal anyone can do to stop

1316
00:52:51,880 --> 00:52:58,930
them this is comes back to the debate

1317
00:52:54,909 --> 00:53:01,690
between if it will fight blowup between

1318
00:52:58,929 --> 00:53:03,009
dr. Steven Greer and Kerry Cassidy Greer

1319
00:53:01,690 --> 00:53:05,440
says they're all nice they're all lovely

1320
00:53:03,010 --> 00:53:06,490
I actually agree with Kerry Cassidy the

1321
00:53:05,440 --> 00:53:09,190
evidence suggests that these

1322
00:53:06,489 --> 00:53:11,619
extraterrestrials have a very wide

1323
00:53:09,190 --> 00:53:13,809
variety of they they have a very less

1324
00:53:11,619 --> 00:53:15,279
you have a wide variety of agendas they

1325
00:53:13,809 --> 00:53:18,130
display many many different types of

1326
00:53:15,280 --> 00:53:22,090
behavior some of them are nice some of

1327
00:53:18,130 --> 00:53:25,570
them are very nice and they're very

1328
00:53:22,090 --> 00:53:28,269
friendly loving others are not others

1329
00:53:25,570 --> 00:53:31,510
the majority seem to be pretty much in a

1330
00:53:28,269 --> 00:53:34,210
disinterested way studying us and there

1331
00:53:31,510 --> 00:53:37,540
was a minority who are malevolent who

1332
00:53:34,210 --> 00:53:39,400
harmed people and there are people that

1333
00:53:37,539 --> 00:53:42,099
there cause deaths and injuries as a

1334
00:53:39,400 --> 00:53:44,079
result of their income their people died

1335
00:53:42,099 --> 00:53:47,039
and suffer severe injuries as a result

1336
00:53:44,079 --> 00:53:49,289
of their encounters with these beings

1337
00:53:47,039 --> 00:53:52,090
and that is a fact

1338
00:53:49,289 --> 00:53:53,710
and it has to be dealt with and this

1339
00:53:52,090 --> 00:53:55,450
this is another this is another thing

1340

00:53:53,710 --> 00:53:57,699
what happens have to come out in a

1341
00:53:55,449 --> 00:53:59,439
disclosure speech with them with a

1342
00:53:57,699 --> 00:54:00,639
moment the president gets off the TV

1343
00:53:59,440 --> 00:54:02,829
this is what's gonna be going through

1344
00:54:00,639 --> 00:54:07,440
people's heads what do you know about

1345
00:54:02,829 --> 00:54:07,440
this next slide please

1346
00:54:09,010 --> 00:54:13,220
abduction alien abduction millions and

1347
00:54:12,079 --> 00:54:15,798
millions of people are affected by this

1348
00:54:13,219 --> 00:54:18,618
it's being done my talk button in Linda

1349
00:54:15,798 --> 00:54:20,449
Napolitano earlier on I know people who

1350
00:54:18,619 --> 00:54:22,250
are serial abductees who constantly have

1351
00:54:20,449 --> 00:54:24,798
these experiences have been taken by

1352
00:54:22,250 --> 00:54:27,338
these beings and having various

1353
00:54:24,798 --> 00:54:30,980
experiences some of them Pleasant

1354
00:54:27,338 --> 00:54:35,538

someone that just saw a strange others

1355

00:54:30,980 --> 00:54:38,298

are testing the unpleasant and this is

1356

00:54:35,539 --> 00:54:40,400

affecting so many people there's

1357

00:54:38,298 --> 00:54:44,480

something I want to show you and this is

1358

00:54:40,400 --> 00:54:48,639

why I need both my hands-free don't

1359

00:54:44,480 --> 00:54:48,639

worry it's not that kind of show

1360

00:54:52,019 --> 00:54:55,019

it

1361

00:54:58,710 --> 00:55:04,499

can any of you see your mark on my arm

1362

00:55:01,429 --> 00:55:06,778

baby harnessing from that distance that

1363

00:55:04,498 --> 00:55:08,998

on my arm on my arm there on my upper

1364

00:55:06,778 --> 00:55:10,429

arm just about the town line there's a

1365

00:55:08,998 --> 00:55:13,919

circular mark

1366

00:55:10,429 --> 00:55:15,538

he's a it's a circle with a red circle

1367

00:55:13,920 --> 00:55:19,829

with a couple of dots in the middle to

1368

00:55:15,539 --> 00:55:22,349

two oval-shaped dots I noticed there's a

1369
00:55:19,829 --> 00:55:25,048
couple of years ago I didn't think much

1370
00:55:22,349 --> 00:55:26,609
of it I just had to sort of see it there

1371
00:55:25,048 --> 00:55:28,079
and I thought that's just that's just it

1372
00:55:26,608 --> 00:55:31,679
so mark disappeared on my skin isn't

1373
00:55:28,079 --> 00:55:34,200
really mean and think and then I was at

1374
00:55:31,679 --> 00:55:36,768
a conference last last year and someone

1375
00:55:34,199 --> 00:55:39,088
there were some people there was with

1376
00:55:36,768 --> 00:55:41,219
with scanning equipment for picking out

1377
00:55:39,088 --> 00:55:43,078
implants these are said there are people

1378
00:55:41,219 --> 00:55:44,730
who had certain have certain objects in

1379
00:55:43,079 --> 00:55:46,559
their body which have appeared their

1380
00:55:44,730 --> 00:55:48,179
food no knows exactly how they appear

1381
00:55:46,559 --> 00:55:50,249
appeared they just happened to appear in

1382
00:55:48,179 --> 00:55:56,159
the body these are often strange devices

1383
00:55:50,248 --> 00:55:57,598
that are not that not really they don't

1384
00:55:56,159 --> 00:56:02,068
resemble any piece of technology that we

1385
00:55:57,599 --> 00:56:04,400
know of some look a bit presentable

1386
00:56:02,068 --> 00:56:04,400
again

1387
00:56:05,068 --> 00:56:12,489
and I wasn't no I wasn't these people in

1388
00:56:11,019 --> 00:56:15,489
a booth they sort of set up a booth

1389
00:56:12,489 --> 00:56:17,289
which is like in a tent because had a

1390
00:56:15,489 --> 00:56:20,729
wire in it because just like it was like

1391
00:56:17,289 --> 00:56:22,779
a Faraday cage to eliminate

1392
00:56:20,730 --> 00:56:24,400
electromagnetic smog so you wouldn't get

1393
00:56:22,780 --> 00:56:25,540
false readings and they had they walk in

1394
00:56:24,400 --> 00:56:26,470
there with you and they'd have these

1395
00:56:25,539 --> 00:56:28,389
three scanners there was an

1396
00:56:26,469 --> 00:56:30,789
electromagnetic field detector there was

1397

00:56:28,389 --> 00:56:33,489
a metal detector and there was a regular

1398
00:56:30,789 --> 00:56:34,779
frequency detector and they would run

1399
00:56:33,489 --> 00:56:36,549
these up people's bodies and try and

1400
00:56:34,780 --> 00:56:38,109
discover they're the implants no idea I

1401
00:56:36,550 --> 00:56:39,310
wasn't gonna go in next I thought well

1402
00:56:38,108 --> 00:56:41,710
what the hell you I've got none of these

1403
00:56:39,309 --> 00:56:43,509
things am i I thought I don't have any

1404
00:56:41,710 --> 00:56:45,690
of these things I have no memory of any

1405
00:56:43,510 --> 00:56:49,140
experience would lead me to believe that

1406
00:56:45,690 --> 00:56:51,550
I someone had put something in my body

1407
00:56:49,139 --> 00:56:52,868
and then disclosed there's guy foody

1408
00:56:51,550 --> 00:56:54,640
come all the way from Balter for this

1409
00:56:52,869 --> 00:56:57,160
conference in the West Country he he

1410
00:56:54,639 --> 00:57:02,348
stared at me said don't say that then so

1411
00:56:57,159 --> 00:57:03,879

I did get scanned in the end and I had

1412

00:57:02,349 --> 00:57:06,670

complete surprise to me completely

1413

00:57:03,880 --> 00:57:08,559

unexpectedly I found that there is

1414

00:57:06,670 --> 00:57:10,150

actually a radio frequency pulses coming

1415

00:57:08,559 --> 00:57:13,509

from my arm or there was when I was

1416

00:57:10,150 --> 00:57:16,539

scanned was 40 megahertz quite a high

1417

00:57:13,510 --> 00:57:19,420

frequency pulses and they were coming

1418

00:57:16,539 --> 00:57:21,818

from exactly the spot where that mark is

1419

00:57:19,420 --> 00:57:23,588

on my arm and the guy's scanning me he

1420

00:57:21,818 --> 00:57:25,179

said well you he pointed the mark and he

1421

00:57:23,588 --> 00:57:26,619

said we'll look this it looks like

1422

00:57:25,179 --> 00:57:29,169

you've been you've been implanted I

1423

00:57:26,619 --> 00:57:30,579

wasn't winding and I was a bit I was a

1424

00:57:29,170 --> 00:57:31,809

bit good dumbstruck because I said I

1425

00:57:30,579 --> 00:57:34,810

don't know how this could have happened

1426
00:57:31,809 --> 00:57:36,969
I don't have any I had no experience to

1427
00:57:34,809 --> 00:57:39,909
my knowledge that I have any ability to

1428
00:57:36,969 --> 00:57:44,289
recall that I have perhaps had an

1429
00:57:39,909 --> 00:57:45,429
experience like this and there's not a

1430
00:57:44,289 --> 00:57:47,139
lot what I don't know I can do really

1431
00:57:45,429 --> 00:57:48,818
because if I go to the doctor and I say

1432
00:57:47,139 --> 00:57:50,559
look because I could get it confirmed

1433
00:57:48,818 --> 00:57:52,179
with them MRI scans and all these things

1434
00:57:50,559 --> 00:57:53,980
show up an x-ray anokhin saying doctor

1435
00:57:52,179 --> 00:57:55,899
please refer me to our nah right I think

1436
00:57:53,980 --> 00:57:58,920
space aliens are put something in my arm

1437
00:57:55,900 --> 00:58:01,930
and I want you to scan it to let me know

1438
00:57:58,920 --> 00:58:06,519
you'd refer me or I wouldn't to the

1439
00:58:01,929 --> 00:58:08,049
psychiatric clinic so I'm happy to let

1440
00:58:06,519 --> 00:58:09,309
it be but I mean this is an example what

1441
00:58:08,050 --> 00:58:11,410
I'm talking I know other people who

1442
00:58:09,309 --> 00:58:13,358
haven't who have had these things in

1443
00:58:11,409 --> 00:58:14,279
their body it's not just in their arm

1444
00:58:13,358 --> 00:58:15,569
some of them have them

1445
00:58:14,280 --> 00:58:16,830
heads inside their brains where they

1446
00:58:15,570 --> 00:58:19,200
couldn't have been inserted surgically

1447
00:58:16,829 --> 00:58:20,579
because we kill you on those I know a

1448
00:58:19,199 --> 00:58:22,679
lady who's got them in their eye her

1449
00:58:20,579 --> 00:58:25,019
eyeballs as a man I know he's a friend

1450
00:58:22,679 --> 00:58:28,799
of mine I see who has them it's who has

1451
00:58:25,019 --> 00:58:30,239
some input in his jaw and with actually

1452
00:58:28,800 --> 00:58:32,310
these things are devices we've seen

1453
00:58:30,239 --> 00:58:34,799
specifically designed to constrict the

1454

00:58:32,309 --> 00:58:35,340
dental nerve now if you ever had

1455
00:58:34,800 --> 00:58:38,310
toothache

1456
00:58:35,340 --> 00:58:39,930
it's terrible in there there's this

1457
00:58:38,309 --> 00:58:42,150
device seem to induce toothache in his

1458
00:58:39,929 --> 00:58:44,059
entire jaw so these are devices of

1459
00:58:42,150 --> 00:58:47,329
torture they've been put in his jawbone

1460
00:58:44,059 --> 00:58:50,039
his dentist has a lot clue what they are

1461
00:58:47,329 --> 00:58:52,860
it's like I'm lying I'm not complaining

1462
00:58:50,039 --> 00:58:54,329
I'm lucky but the question is going to

1463
00:58:52,860 --> 00:58:57,240
be I mean you know what are these

1464
00:58:54,329 --> 00:59:04,489
experiences who's doing it or what is

1465
00:58:57,239 --> 00:59:07,559
doing it and why I mean it's it's the

1466
00:59:04,489 --> 00:59:09,239
obviously I don't think it's not just

1467
00:59:07,559 --> 00:59:10,139
the extra stress we're taking people and

1468
00:59:09,239 --> 00:59:11,250

doing these things I think the

1469

00:59:10,139 --> 00:59:13,429
government is doing it directly

1470

00:59:11,250 --> 00:59:15,059
themselves as well as some people and

1471

00:59:13,429 --> 00:59:17,940
that's another question

1472

00:59:15,059 --> 00:59:20,820
the Manzarek Gary to speak out and say

1473

00:59:17,940 --> 00:59:23,690
UFOs are real and he says there was real

1474

00:59:20,820 --> 00:59:26,760
as the aircraft the fly above our heads

1475

00:59:23,690 --> 00:59:28,200
this man was an engineer he was a top

1476

00:59:26,760 --> 00:59:29,880
engineer then he became Canada's

1477

00:59:28,199 --> 00:59:32,399
Minister administrative Minister of

1478

00:59:29,880 --> 00:59:34,590
Defence for many years the book in his

1479

00:59:32,400 --> 00:59:36,349
hand is where do the towers go by dr.

1480

00:59:34,590 --> 00:59:39,390
Judy wood who's a scientist who's

1481

00:59:36,349 --> 00:59:41,809
investigated this possibility and has

1482

00:59:39,389 --> 00:59:45,480
concluded that is really evidence exists

1483
00:59:41,809 --> 00:59:46,199
and haven't looked at this myself I

1484
00:59:45,480 --> 00:59:47,519
think that's true

1485
00:59:46,199 --> 00:59:48,299
that's another issue that's another

1486
00:59:47,519 --> 00:59:52,019
thing that's gonna be going through

1487
00:59:48,300 --> 00:59:53,550
people's heads but it will come up

1488
00:59:52,019 --> 00:59:57,829
eventually when the president gets off

1489
00:59:53,550 --> 00:59:57,830
the TV next slide please

1490
00:59:59,059 --> 01:00:04,250
you make up it bigger like it's not a

1491
01:00:01,889 --> 01:00:04,250
small one

1492
01:00:06,610 --> 01:00:12,670
now it's not just it's not just the

1493
01:00:09,369 --> 01:00:15,579
nature of what's been suppressed it's

1494
01:00:12,670 --> 01:00:17,320
not just the fact that suppression has

1495
01:00:15,579 --> 01:00:19,360
taken place it's not the fact that

1496
01:00:17,320 --> 01:00:21,039
things have been suppressed in terms of

1497
01:00:19,360 --> 01:00:22,950
free energy things like that the

1498
01:00:21,039 --> 01:00:25,840
knowledge that we're not alone etc etc

1499
01:00:22,949 --> 01:00:28,239
it's not just that it's the nature of

1500
01:00:25,840 --> 01:00:31,420
the suppression itself it's the fact of

1501
01:00:28,239 --> 01:00:32,919
the suppression itself because we can

1502
01:00:31,420 --> 01:00:34,630
ask to come on how long if you know

1503
01:00:32,920 --> 01:00:37,780
about this and you're now just telling

1504
01:00:34,630 --> 01:00:39,160
us for the first time on TV how long

1505
01:00:37,780 --> 01:00:41,320
have you known about this before you

1506
01:00:39,159 --> 01:00:42,879
told us the answer is going to actually

1507
01:00:41,320 --> 01:00:44,470
be futile if you depends how you word

1508
01:00:42,880 --> 01:00:46,480
the question but if you include things

1509
01:00:44,469 --> 01:00:52,539
such as free energy inventions more than

1510
01:00:46,480 --> 01:00:54,250
a century and that is the problem they

1511

01:00:52,539 --> 01:00:56,710
can have to say that they kept this

1512
01:00:54,250 --> 01:00:58,539
quiet they didn't keep it quiet for our

1513
01:00:56,710 --> 01:01:01,599
benefit they kept it quiet for their own

1514
01:00:58,539 --> 01:01:04,659
benefit they kept it quiet

1515
01:01:01,599 --> 01:01:07,269
we paid they kept it quiet and enormous

1516
01:01:04,659 --> 01:01:10,539
costs to us an enormous detriment to us

1517
01:01:07,269 --> 01:01:11,199
and I think that's the the cause of this

1518
01:01:10,539 --> 01:01:13,500
secrecy

1519
01:01:11,199 --> 01:01:16,149
I was the effect of this secrecy rather

1520
01:01:13,500 --> 01:01:19,239
have been an enormous amount of

1521
01:01:16,150 --> 01:01:25,889
suffering human suffering environmental

1522
01:01:19,239 --> 01:01:28,179
damage and degradation of the planet and

1523
01:01:25,889 --> 01:01:29,230
we're talking I think such as wars for

1524
01:01:28,179 --> 01:01:31,210
oil these things are going to go through

1525
01:01:29,230 --> 01:01:34,480

people's heads when the president gets

1526

01:01:31,210 --> 01:01:37,059

off the TV because we're talking laws

1527

01:01:34,480 --> 01:01:38,800

while was almost wasn't is now was now

1528

01:01:37,059 --> 01:01:40,539

almost 70 years ago but there were rose

1529

01:01:38,800 --> 01:01:41,800

walls before then it's free energy and

1530

01:01:40,539 --> 01:01:45,369

things like that dating back to the late

1531

01:01:41,800 --> 01:01:50,200

19th century it was kept quiet was

1532

01:01:45,369 --> 01:01:51,369

suppressed and a lot of what's happened

1533

01:01:50,199 --> 01:01:53,230

in the world since their people were

1534

01:01:51,369 --> 01:01:55,269

going through the 20th the history of

1535

01:01:53,230 --> 01:01:58,150

the 20th century thinking well how would

1536

01:01:55,269 --> 01:01:59,920

have been different if it hadn't been if

1537

01:01:58,150 --> 01:02:01,329

this secret hadn't been suppressed I

1538

01:01:59,920 --> 01:02:04,510

talk about this more in my energy

1539

01:02:01,329 --> 01:02:07,750

politics and UFOs videos my energy

1540
01:02:04,510 --> 01:02:10,990
politics engine UFO and energy politics

1541
01:02:07,750 --> 01:02:13,570
talk but it would be in carefully

1542
01:02:10,989 --> 01:02:14,949
different I just be talking about this

1543
01:02:13,570 --> 01:02:17,230
about

1544
01:02:14,949 --> 01:02:20,588
what it effect will have it would have

1545
01:02:17,230 --> 01:02:21,760
meant that even for the age of oil we

1546
01:02:20,588 --> 01:02:24,400
should have been out of we should have

1547
01:02:21,760 --> 01:02:29,380
have free energy it's remarkable just to

1548
01:02:24,400 --> 01:02:31,389
think about that and then what would I

1549
01:02:29,380 --> 01:02:35,230
what were our reaction be to know that

1550
01:02:31,389 --> 01:02:37,299
we that people in government have done

1551
01:02:35,230 --> 01:02:40,300
this to us I mean the credibility

1552
01:02:37,300 --> 01:02:41,859
problem they would suffer would who

1553
01:02:40,300 --> 01:02:43,300
would be enormous to put it mildly

1554
01:02:41,858 --> 01:02:46,119
wouldn't it and that's an understatement

1555
01:02:43,300 --> 01:02:49,690
I mean duck ponds extramarital affairs

1556
01:02:46,119 --> 01:02:51,160
that's nothing I'd want to be at the

1557
01:02:49,690 --> 01:02:52,809
head of this model I grab me torsion

1558
01:02:51,159 --> 01:02:56,980
aren't my pitchforks I want to be ahead

1559
01:02:52,809 --> 01:03:00,849
of this mob I mean it's it's not it's

1560
01:02:56,980 --> 01:03:02,469
beyond anything that's really bad enough

1561
01:03:00,849 --> 01:03:06,039
any kind of criminal charge or any

1562
01:03:02,469 --> 01:03:08,439
punishment then I can think of you know

1563
01:03:06,039 --> 01:03:10,389
the Prime Minister resigning calling

1564
01:03:08,440 --> 01:03:13,740
calling a general election Latin that

1565
01:03:10,389 --> 01:03:16,949
one to do won't even come close to it

1566
01:03:13,739 --> 01:03:16,949
next slide please

1567
01:03:21,099 --> 01:03:26,450
all these questions that I brought up

1568

01:03:23,420 --> 01:03:28,099
are going to be discussed in secret

1569
01:03:26,449 --> 01:03:32,989
board rooms where the keepers of the

1570
01:03:28,099 --> 01:03:35,119
secret meet behind locked doors to talk

1571
01:03:32,989 --> 01:03:39,709
about disclosure whether we should have

1572
01:03:35,119 --> 01:03:42,050
disclosure or not and I don't know

1573
01:03:39,710 --> 01:03:43,490
course what they're saying but I can

1574
01:03:42,050 --> 01:03:48,190
speculate I can guess what they're

1575
01:03:43,489 --> 01:03:50,389
saying next slide please

1576
01:03:48,190 --> 01:03:52,429
so the government now has a number of

1577
01:03:50,389 --> 01:03:54,980
options in terms of disclosure we can

1578
01:03:52,429 --> 01:03:57,980
have the disclosure the way grier the

1579
01:03:54,980 --> 01:04:01,818
way bassett its wants it the way they're

1580
01:03:57,980 --> 01:04:05,599
campaigning to have it the leader comes

1581
01:04:01,818 --> 01:04:07,338
out they just say it's real and this is

1582
01:04:05,599 --> 01:04:08,930

why this is what we do we kept it quiet

1583

01:04:07,338 --> 01:04:11,239

we're releasing this information to you

1584

01:04:08,929 --> 01:04:13,429

now it's real let's move into the post

1585

01:04:11,239 --> 01:04:16,608

disclosure world together in harmony

1586

01:04:13,429 --> 01:04:19,848

that's one option I won't explain to you

1587

01:04:16,608 --> 01:04:22,848

why I think this disclosure in this form

1588

01:04:19,849 --> 01:04:24,220

is not feasible next question next slide

1589

01:04:22,849 --> 01:04:26,990

please

1590

01:04:24,219 --> 01:04:28,699

however I mean it's interestingly it's

1591

01:04:26,989 --> 01:04:31,279

interesting to actually talk about this

1592

01:04:28,699 --> 01:04:34,539

because Korea I'm sorry the Bassett has

1593

01:04:31,280 --> 01:04:37,309

actually discussed this many many times

1594

01:04:34,539 --> 01:04:39,980

in the current presidential US

1595

01:04:37,309 --> 01:04:43,460

presidential election Hillary Clinton in

1596

01:04:39,980 --> 01:04:45,588

particular has had UFOs associated with

1597
01:04:43,460 --> 01:04:48,409
her many many times the leader her fur

1598
01:04:45,588 --> 01:04:51,108
campaign is a guy called John Podesta

1599
01:04:48,409 --> 01:04:52,639
and he has actually made several

1600
01:04:51,108 --> 01:04:54,170
statements and he spoken at various

1601
01:04:52,639 --> 01:04:56,239
events talking about UFOs about how

1602
01:04:54,170 --> 01:04:57,710
people can't handle the truth or how

1603
01:04:56,239 --> 01:05:00,108
it's right they have a need to know they

1604
01:04:57,710 --> 01:05:01,519
have a right to know you know I follow

1605
01:05:00,108 --> 01:05:03,429
him on Twitter and it's amazing some of

1606
01:05:01,519 --> 01:05:05,780
the things he comes up with like UFOs

1607
01:05:03,429 --> 01:05:08,509
whenever a new UFO news story comes

1608
01:05:05,780 --> 01:05:10,220
about John Podesta is there commenting

1609
01:05:08,510 --> 01:05:11,630
on it saying about how the government

1610
01:05:10,219 --> 01:05:15,679
should cut should be talking about this

1611
01:05:11,630 --> 01:05:17,500
Hillary presumably has hired this guy to

1612
01:05:15,679 --> 01:05:20,210
run her campaign and she doesn't object

1613
01:05:17,500 --> 01:05:22,849
in fact some Hillary herself was asked

1614
01:05:20,210 --> 01:05:24,309
questions about UFOs and it's one of the

1615
01:05:22,849 --> 01:05:27,140
causes

1616
01:05:24,309 --> 01:05:31,250
and she gave some very interesting

1617
01:05:27,139 --> 01:05:33,739
answers and her husband bill has talked

1618
01:05:31,250 --> 01:05:35,570
about this as well about how he tried to

1619
01:05:33,739 --> 01:05:38,000
get information on UFOs and no one told

1620
01:05:35,570 --> 01:05:39,440
him and things like this about how we

1621
01:05:38,000 --> 01:05:43,309
talk to you talk about Roswell in area

1622
01:05:39,440 --> 01:05:45,170
51 is to find that the Jimmy Kimmel show

1623
01:05:43,309 --> 01:05:47,239
is the one to go to because that's some

1624
01:05:45,170 --> 01:05:49,099
Obama has said a few things about it as

1625

01:05:47,239 --> 01:05:52,219
well so so this is there is this kind of

1626
01:05:49,099 --> 01:05:57,619
like interesting night guys thanks for

1627
01:05:52,219 --> 01:05:59,449
coming this interesting point of them is

1628
01:05:57,619 --> 01:06:02,769
undertone it's almost hidden ting in the

1629
01:05:59,449 --> 01:06:04,759
media about this issue next slide please

1630
01:06:02,769 --> 01:06:07,699
or they could just continue with the

1631
01:06:04,760 --> 01:06:11,510
truth embargo in its modern form they

1632
01:06:07,699 --> 01:06:13,879
could just continue with it right yeah

1633
01:06:11,510 --> 01:06:16,730
okay they could just continue with it as

1634
01:06:13,880 --> 01:06:18,740
it is and we'll just go along without

1635
01:06:16,730 --> 01:06:20,240
any change but how long realistically is

1636
01:06:18,739 --> 01:06:23,239
that possible how long realistically

1637
01:06:20,239 --> 01:06:24,679
realistically can that be done because

1638
01:06:23,239 --> 01:06:27,319
we're talking about an irresistible

1639
01:06:24,679 --> 01:06:31,519

force and an immovable object yeah it's

1640

01:06:27,320 --> 01:06:33,019

a kind of situation it cannot go on it

1641

01:06:31,519 --> 01:06:34,579

definitely can't the one for much longer

1642

01:06:33,019 --> 01:06:37,179

one way or another something's going to

1643

01:06:34,579 --> 01:06:39,500

have to crack next slide please

1644

01:06:37,179 --> 01:06:41,960

this is an interesting film this is a

1645

01:06:39,500 --> 01:06:43,820

film from 1956 called the earth versus

1646

01:06:41,960 --> 01:06:45,949

flying saucers you should not read the

1647

01:06:43,820 --> 01:06:47,900

title because it gives away the plot but

1648

01:06:45,949 --> 01:06:49,549

basically it's a very it's a similar

1649

01:06:47,900 --> 01:06:52,910

plot Independence Day actually it's

1650

01:06:49,550 --> 01:06:54,230

about aliens alien invaders who come

1651

01:06:52,909 --> 01:06:57,139

down without trying to destroy it and

1652

01:06:54,230 --> 01:06:59,150

have we fought off it's quite an amusing

1653

01:06:57,139 --> 01:07:01,039

film and it's been there's a great spoof

1654
01:06:59,150 --> 01:07:03,110
made by Tim Burton actually called Mars

1655
01:07:01,039 --> 01:07:06,079
Attacks you have to see that it's really

1656
01:07:03,110 --> 01:07:07,880
hilarious but then what's interesting

1657
01:07:06,079 --> 01:07:09,739
about this film is it was made with the

1658
01:07:07,880 --> 01:07:11,210
assistance of ufologists and they the

1659
01:07:09,739 --> 01:07:15,709
actual extraterrestrial craft do

1660
01:07:11,210 --> 01:07:17,059
resemble real reports on UFOs however

1661
01:07:15,710 --> 01:07:18,500
I'm hands with Independence Day there's

1662
01:07:17,059 --> 01:07:21,739
some themes in the film which lead me to

1663
01:07:18,500 --> 01:07:23,780
believe that the government is very very

1664
01:07:21,739 --> 01:07:26,839
keen for us to perceive UFOs in a

1665
01:07:23,780 --> 01:07:29,260
certain way and that they may be going

1666
01:07:26,840 --> 01:07:32,000
for exactly what Carol rosin has said

1667
01:07:29,260 --> 01:07:34,070
when when she talks wishing she related

1668
01:07:32,000 --> 01:07:36,119
the words of valve on Brad

1669
01:07:34,070 --> 01:07:37,710
there's going to be just there's going

1670
01:07:36,119 --> 01:07:40,469
to be some kind of statement from the

1671
01:07:37,710 --> 01:07:46,019
government along the lines of UFOs are

1672
01:07:40,469 --> 01:07:47,699
real but the rest will be lies there

1673
01:07:46,019 --> 01:07:49,829
will be false information to talk will

1674
01:07:47,699 --> 01:07:51,539
be told false information about them to

1675
01:07:49,829 --> 01:07:52,860
make us respond in a certain way in

1676
01:07:51,539 --> 01:07:55,199
other ways they get over the disclosure

1677
01:07:52,860 --> 01:07:57,990
problem by just adding to the truth

1678
01:07:55,199 --> 01:07:59,699
embargo in a different way down I think

1679
01:07:57,989 --> 01:08:02,009
is the most likely outcome and that's

1680
01:07:59,699 --> 01:08:03,449
what we have to be on our guard against

1681
01:08:02,010 --> 01:08:08,040
next slide please

1682

01:08:03,449 --> 01:08:09,239
I don't know these are truth I mean

1683
01:08:08,039 --> 01:08:10,949
there's as I said there's a lot of

1684
01:08:09,239 --> 01:08:12,059
internal conflicts in me I don't know

1685
01:08:10,949 --> 01:08:16,019
whether we're going to have disclosure

1686
01:08:12,059 --> 01:08:20,000
or not or the types eat Bassett angrier

1687
01:08:16,020 --> 01:08:23,279
talks about the extra political world is

1688
01:08:20,000 --> 01:08:24,569
is split over this people even very very

1689
01:08:23,279 --> 01:08:26,010
certain or they're very very certain

1690
01:08:24,569 --> 01:08:27,180
isn't he's certainly it's possible as

1691
01:08:26,010 --> 01:08:29,670
certain it's not possible

1692
01:08:27,180 --> 01:08:32,400
I'm divided and I think the rational

1693
01:08:29,670 --> 01:08:34,560
side of myself says that the willing

1694
01:08:32,399 --> 01:08:36,119
disclosure is impossible for the reasons

1695
01:08:34,560 --> 01:08:40,170
I've explained and I explained in my

1696
01:08:36,119 --> 01:08:42,180

other talk but there's a part of me I

1697

01:08:40,170 --> 01:08:45,899
think because the the idea is so

1698

01:08:42,180 --> 01:08:47,670
appealing especially honest and Steven

1699

01:08:45,899 --> 01:08:49,710
batter talking that on an emotional

1700

01:08:47,670 --> 01:08:56,250
level I can't let it go I can't think

1701

01:08:49,710 --> 01:08:59,130
what if could it be is it possible as I

1702

01:08:56,250 --> 01:09:00,409
think only time will tell but next slide

1703

01:08:59,130 --> 01:09:02,789
please

1704

01:09:00,409 --> 01:09:04,920
in the meantime I've actually written a

1705

01:09:02,789 --> 01:09:06,028
book which is gonna be available very

1706

01:09:04,920 --> 01:09:07,440
soon as you know actually I'm going

1707

01:09:06,029 --> 01:09:09,630
through the process of getting it done

1708

01:09:07,439 --> 01:09:12,379
at the printers now it's called what

1709

01:09:09,630 --> 01:09:15,270
while rising a novel of disclosure and

1710

01:09:12,380 --> 01:09:16,350
my web details on my website about when

1711
01:09:15,270 --> 01:09:19,380
it comes out but basically is a

1712
01:09:16,350 --> 01:09:21,539
fictional book about UFO disclosure

1713
01:09:19,380 --> 01:09:23,730
basically it talks like the Roswell

1714
01:09:21,539 --> 01:09:27,119
incident and Steve Bassett was I'm on

1715
01:09:23,729 --> 01:09:28,679
the radio saying well well what would

1716
01:09:27,119 --> 01:09:29,989
have happened if we'd had disclosure on

1717
01:09:28,680 --> 01:09:32,490
Roswell

1718
01:09:29,989 --> 01:09:34,679
just imagine what the 20th century would

1719
01:09:32,489 --> 01:09:36,000
have been like after that I'm sure

1720
01:09:34,680 --> 01:09:38,069
somewhere one day we'll write a book

1721
01:09:36,000 --> 01:09:40,770
about it I can't I don't have time but

1722
01:09:38,069 --> 01:09:42,180
someone will well I thought I contacted

1723
01:09:40,770 --> 01:09:44,009
Steven I said well why not why don't I

1724
01:09:42,180 --> 01:09:45,569
do it I can write I've written books

1725
01:09:44,009 --> 01:09:47,310
before I've written two novels

1726
01:09:45,569 --> 01:09:48,989
I can write another book well as I've

1727
01:09:47,310 --> 01:09:51,210
written a fictional allegorical novel

1728
01:09:48,988 --> 01:09:53,789
about what would happen if we had

1729
01:09:51,210 --> 01:09:56,670
disclosure so I hope you enjoy that book

1730
01:09:53,789 --> 01:10:02,118
when it comes out you go back to the

1731
01:09:56,670 --> 01:10:02,118
first slide again my mic

1732
01:10:04,649 --> 01:10:09,869
that's a bitch putting out a copy that

1733
01:10:06,729 --> 01:10:09,869
slide the Bonjour night

1734
01:10:14,609 --> 01:10:17,448
nice right

1735
01:10:17,869 --> 01:10:23,090
in the meantime if you want to know any

1736
01:10:19,670 --> 01:10:25,100
more about me that's my website their HP

1737
01:10:23,090 --> 01:10:28,159
NWO hospital Porter's against the New

1738
01:10:25,100 --> 01:10:30,560
World Order I want to say thanks to

1739

01:10:28,159 --> 01:10:31,849
emmalin to Steven to everyone else who's

1740
01:10:30,560 --> 01:10:33,710
organized this event it's been really

1741
01:10:31,850 --> 01:10:35,870
really great and I've really enjoyed it

1742
01:10:33,710 --> 01:10:37,399
and you guys thanks for coming I really

1743
01:10:35,869 --> 01:10:49,159
appreciate you listening to me

1744
01:10:37,399 --> 01:10:49,639
you take care now I'm at what's the time

1745
01:10:49,159 --> 01:10:54,019
now

1746
01:10:49,640 --> 01:10:54,410
Oh blimey is it so is it getting a bit

1747
01:10:54,020 --> 01:10:58,310
late now

1748
01:10:54,409 --> 01:11:00,229
no it's okay is anyone have a question

1749
01:10:58,310 --> 01:11:02,900
maybe one if anyone's got a burden

1750
01:11:00,229 --> 01:11:04,819
question no I see Steve he's getting a

1751
01:11:02,899 --> 01:11:07,429
bit like now so sorry I didn't mean to

1752
01:11:04,819 --> 01:11:08,899
go on this long um that's much longer

1753
01:11:07,430 --> 01:11:12,579

than the first time I did it but thanks

1754

01:11:08,899 --> 01:11:12,579
for coming guys all right take care

1755

01:11:25,479 --> 01:11:35,859
I don't know why that's okay you

1756

01:11:32,140 --> 01:11:38,110
mentioned main plans earlier we

1757

01:11:35,859 --> 01:11:41,729
mentioned implants in part yeah

1758

01:11:38,109 --> 01:11:41,729
what's our forms committee

1759

01:11:55,289 --> 01:12:00,010
they seem to be metallian they seem fee

1760

01:11:57,819 --> 01:12:01,599
made of metal in most places they don't

1761

01:12:00,010 --> 01:12:08,230
seem to be they're not conventional

1762

01:12:01,600 --> 01:12:09,579
electronics or any while are they they

1763

01:12:08,229 --> 01:12:11,229
tend to be under the skin and they don't

1764

01:12:09,579 --> 01:12:12,579
usually make a mark it's very strange

1765

01:12:11,229 --> 01:12:14,349
because the immune system doesn't react

1766

01:12:12,579 --> 01:12:15,640
against them almost as if they'd

1767

01:12:14,350 --> 01:12:18,670
sometimes your blood vessels and nerves

1768
01:12:15,640 --> 01:12:20,980
grow around them very very odd I mean I

1769
01:12:18,670 --> 01:12:22,300
know a lady who and who have them in oh

1770
01:12:20,979 --> 01:12:26,259
no she have one in a nose and sherry

1771
01:12:22,300 --> 01:12:27,610
confirmed and she she went and had it

1772
01:12:26,260 --> 01:12:29,199
she went all the way to Greece to have a

1773
01:12:27,609 --> 01:12:32,920
private operation costing thousands of

1774
01:12:29,198 --> 01:12:36,129
pounds to have it removed and she went

1775
01:12:32,920 --> 01:12:39,279
back and she went back home again anyway

1776
01:12:36,130 --> 01:12:40,569
a couple of weeks later someone put

1777
01:12:39,279 --> 01:12:43,539
someone or something put another one

1778
01:12:40,569 --> 01:12:45,809
back in there so she had another implant

1779
01:12:43,539 --> 01:12:45,810
put in

1780
01:12:56,939 --> 01:12:59,000
you
