

1
00:00:16,359 --> 00:00:21,579
chapulin Emily inevitably includes some

2
00:00:19,149 --> 00:00:22,869
kind of non-disclosure agreement they'll

3
00:00:21,579 --> 00:00:24,639
take it away and they'll show of it does

4
00:00:22,870 --> 00:00:28,270
you'll get the development which will

5
00:00:24,640 --> 00:00:29,949
include exclusive actually we exclusive

6
00:00:28,269 --> 00:00:31,449
for them alone and they'll say well

7
00:00:29,949 --> 00:00:34,000
thank you very much we'll be in touch

8
00:00:31,449 --> 00:00:35,829
and you'll never see them again what's

9
00:00:34,000 --> 00:00:38,170
in alternative they might threaten you

10
00:00:35,829 --> 00:00:39,579
they might try and blackmail you if you

11
00:00:38,170 --> 00:00:43,109
got a shady past something you haven't

12
00:00:39,579 --> 00:00:48,159
told your wife you know come on guys

13
00:00:43,109 --> 00:00:50,109
would be alone they may say well maybe

14
00:00:48,159 --> 00:00:51,519
she should be informed about all this if

15
00:00:50,109 --> 00:00:54,039
you don't hand over your invention to us

16
00:00:51,520 --> 00:00:57,820
things like that there's all kinds of

17
00:00:54,039 --> 00:01:01,600
ways they can get around you next slide

18
00:00:57,820 --> 00:01:04,868
please now he comes the dark side of

19
00:01:01,600 --> 00:01:06,700
free energy the fact of the matter is

20
00:01:04,868 --> 00:01:08,920
free energy is not only in secret

21
00:01:06,700 --> 00:01:10,359
possession it's in secret possession of

22
00:01:08,920 --> 00:01:12,159
the powers that be but then what just

23
00:01:10,359 --> 00:01:13,929
sitting on it and stopping us from

24
00:01:12,159 --> 00:01:15,700
having it they're using it for their own

25
00:01:13,930 --> 00:01:18,970
purposes and their own purposes means

26
00:01:15,700 --> 00:01:20,469
using it as a weapon I believe the free

27
00:01:18,969 --> 00:01:22,478
energy has been weaponized John

28
00:01:20,469 --> 00:01:24,879
Hutchison why she spoke to earlier as

29

00:01:22,478 --> 00:01:28,719
independently discovered what I think is

30
00:01:24,879 --> 00:01:32,048
a weapon that is being used by the elite

31
00:01:28,719 --> 00:01:34,118
a weapon so terrible that it even

32
00:01:32,049 --> 00:01:36,190
nuclear even nuclear bombs are not

33
00:01:34,118 --> 00:01:39,129
serious as this this lady dr. Julie

34
00:01:36,189 --> 00:01:40,719
would I think has discovered the

35
00:01:39,129 --> 00:01:43,000
evidence that this weapon was used to

36
00:01:40,719 --> 00:01:46,420
destroy the Twin Towers on 911 next

37
00:01:43,000 --> 00:01:48,609
slide please this is an example of what

38
00:01:46,420 --> 00:01:50,740
happened on 911 this is a part of the

39
00:01:48,609 --> 00:01:52,989
building collapsing on one of the towers

40
00:01:50,739 --> 00:01:56,500
this isn't this is a piece of the

41
00:01:52,989 --> 00:01:59,259
supporting columns of the tower falling

42
00:01:56,500 --> 00:02:00,549
this is 700 foot high supporting column

43
00:01:59,259 --> 00:02:01,599

of the towels left when the rest of the

44

00:02:00,549 --> 00:02:03,909
building fell down this was left

45

00:02:01,599 --> 00:02:05,769
standing in fell it should have taken

46

00:02:03,909 --> 00:02:09,899
out an entire city block to fit it to

47

00:02:05,769 --> 00:02:13,060
note into dust in midair I think the

48

00:02:09,899 --> 00:02:14,039
there's many many occasions in which I

49

00:02:13,060 --> 00:02:16,500
think they when

50

00:02:14,039 --> 00:02:18,389
do you hand over your invention to the

51

00:02:16,500 --> 00:02:20,250
government they take it away from you

52

00:02:18,389 --> 00:02:24,208
and they may use it themselves next

53

00:02:20,250 --> 00:02:28,620
slide please this is someone called

54

00:02:24,209 --> 00:02:30,810
victim this is an this is a strain video

55

00:02:28,620 --> 00:02:32,158
came across it's just it's a TV screen /

56

00:02:30,810 --> 00:02:34,378
switch is someone filming on the TV

57

00:02:32,158 --> 00:02:37,019
screen it ended up on YouTube it's a

58

00:02:34,378 --> 00:02:39,509

Russian film it shows a strange craft

59

00:02:37,019 --> 00:02:42,000

being tested by a military scientific

60

00:02:39,509 --> 00:02:44,098

team this device here is supposedly

61

00:02:42,000 --> 00:02:47,400

powered by a turbojet pointing downwards

62

00:02:44,098 --> 00:02:48,780

to lift it into the air however if you

63

00:02:47,400 --> 00:02:50,908

watch the film you'll see it flies

64

00:02:48,780 --> 00:02:53,519

around over grassy meadows through

65

00:02:50,908 --> 00:02:55,168

forests and there's no downdraft the

66

00:02:53,519 --> 00:02:57,709

turbojet would produce more lot of

67

00:02:55,169 --> 00:03:00,000

exhaustion which would create a wind

68

00:02:57,709 --> 00:03:01,979

maximum hour wind and the Aryan see it

69

00:03:00,000 --> 00:03:04,139

glowing the trees the tops of the trees

70

00:03:01,979 --> 00:03:06,000

in the class you don't see it and not

71

00:03:04,139 --> 00:03:07,230

you see it were dead one point it takes

72
00:03:06,000 --> 00:03:09,120
off in the back of a truck there's

73
00:03:07,229 --> 00:03:10,798
there's poor men holding it as it goes

74
00:03:09,120 --> 00:03:12,030
up and you there's no wind on their

75
00:03:10,799 --> 00:03:13,799
trouser later I thing like that I think

76
00:03:12,030 --> 00:03:16,188
that's a free energy advice there's a

77
00:03:13,799 --> 00:03:19,739
guy called brick Victor grab any cough

78
00:03:16,188 --> 00:03:21,418
who is a Russian who built the device

79
00:03:19,739 --> 00:03:23,370
like this I don't have time to tell your

80
00:03:21,419 --> 00:03:25,469
details now he basically he was

81
00:03:23,370 --> 00:03:26,789
approached by the military at the time

82
00:03:25,469 --> 00:03:29,280
this was in the mid-twentieth century

83
00:03:26,789 --> 00:03:31,048
course was the Soviet government and he

84
00:03:29,280 --> 00:03:31,949
destroyed his device rather than let it

85
00:03:31,049 --> 00:03:34,290
fall into the hands of the government

86

00:03:31,949 --> 00:03:36,030
but maybe the government got it anyway

87
00:03:34,289 --> 00:03:41,120
and they're using it today next slide

88
00:03:36,030 --> 00:03:44,568
please this is an example from India and

89
00:03:41,120 --> 00:03:47,310
shetland up and up north of Scotland

90
00:03:44,568 --> 00:03:48,839
where free energy devices are being

91
00:03:47,310 --> 00:03:50,128
developed at this moment and I don't

92
00:03:48,840 --> 00:03:53,209
have time to tell you the details now

93
00:03:50,128 --> 00:03:53,209
next slide please

94
00:03:53,770 --> 00:03:58,060
so any UFOs fit into all this that's the

95
00:03:56,050 --> 00:03:59,770
question we've been through energy

96
00:03:58,060 --> 00:04:03,670
inputs and we're going to discuss about

97
00:03:59,770 --> 00:04:06,159
UFOs now now UFOs have made a joke of

98
00:04:03,669 --> 00:04:07,509
aren't they I mean you know that you've

99
00:04:06,159 --> 00:04:10,329
been studying the UFO phenomena you not

100
00:04:07,509 --> 00:04:12,280

have a media covers UFOs now energy

101

00:04:10,330 --> 00:04:14,620

energies discuss very seriously looking

102

00:04:12,280 --> 00:04:16,899

and get like a smartly dressed man

103

00:04:14,620 --> 00:04:20,019

sitting behind a desk addressing the

104

00:04:16,899 --> 00:04:23,169

camera on TV saying yes this is Virginia

105

00:04:20,019 --> 00:04:25,269

and the oil prices are such and such and

106

00:04:23,170 --> 00:04:28,210

and while we're looking into the new

107

00:04:25,269 --> 00:04:30,370

OPEC deal say these things in a very

108

00:04:28,209 --> 00:04:34,989

grave serious voice what some typical

109

00:04:30,370 --> 00:04:37,240

media UFO story takes low please as I'm

110

00:04:34,990 --> 00:04:41,410

that's how UFOs are treated that's our

111

00:04:37,240 --> 00:04:43,509

typical for UFO internet typical for UFO

112

00:04:41,410 --> 00:04:49,060

story it's having a to possibly fit

113

00:04:43,509 --> 00:04:50,769

together well um if we believe that some

114

00:04:49,060 --> 00:04:55,629

of these are artifacts from an

115
00:04:50,769 --> 00:04:57,519
extraterrestrial civilization or maybe

116
00:04:55,629 --> 00:05:01,269
they travel inter-dimensionally to

117
00:04:57,519 --> 00:05:02,589
another world parallel to ours they're

118
00:05:01,269 --> 00:05:06,909
not doing it on Texaco and then a

119
00:05:02,589 --> 00:05:08,169
four-star now I assume most you've heard

120
00:05:06,910 --> 00:05:10,030
of the Roswell it's there did you lie

121
00:05:08,170 --> 00:05:13,660
ocean 47 anyone not note of the ra's

122
00:05:10,029 --> 00:05:15,399
wait you're that good did you know that

123
00:05:13,660 --> 00:05:17,800
the roswell incident is not the only one

124
00:05:15,399 --> 00:05:19,539
of its kind there are more they're very

125
00:05:17,800 --> 00:05:24,460
similar some even get back before

126
00:05:19,540 --> 00:05:26,590
Roswell the government has a global

127
00:05:24,459 --> 00:05:30,069
policy which is that when one of these

128
00:05:26,589 --> 00:05:31,689
artifacts from another world crashes on

129
00:05:30,069 --> 00:05:34,389
our earth which has happened several

130
00:05:31,689 --> 00:05:36,459
times as i said it comes to grief

131
00:05:34,389 --> 00:05:39,719
somewhere on the Earth's surface they

132
00:05:36,459 --> 00:05:44,008
move in they seal off the area and they

133
00:05:39,720 --> 00:05:47,949
salvage what's left secretly

134
00:05:44,009 --> 00:05:50,680
and there's reason to believe Matt the

135
00:05:47,949 --> 00:05:51,970
government have not only discovered free

136
00:05:50,680 --> 00:05:54,810
energy through these human inventors

137
00:05:51,970 --> 00:05:57,610
like Nikola Tesla George Pickett but

138
00:05:54,810 --> 00:05:59,379
these extraterrestrials are also using

139
00:05:57,610 --> 00:06:01,419
free energy devices on their craft the

140
00:05:59,379 --> 00:06:03,759
sudden using at that the craft certainly

141
00:06:01,418 --> 00:06:07,689
display anti-gravity properties no doubt

142
00:06:03,759 --> 00:06:09,699
about it what if the government has

143

00:06:07,689 --> 00:06:12,519
studied this ours wreckage of these

144
00:06:09,699 --> 00:06:13,689
craft of Roswell and other events and

145
00:06:12,519 --> 00:06:15,399
what if they've worked out how their

146
00:06:13,689 --> 00:06:19,209
propulsion system and power plant work

147
00:06:15,399 --> 00:06:20,649
and what if that technology is part of

148
00:06:19,209 --> 00:06:26,680
what they're hiding from us main point

149
00:06:20,649 --> 00:06:28,829
where they've weaponized next slide

150
00:06:26,680 --> 00:06:28,829
please

151
00:06:29,069 --> 00:06:33,870
here that is the newspaper for the

152
00:06:30,959 --> 00:06:35,909
Roswell crash in 1947 it's got into the

153
00:06:33,870 --> 00:06:38,610
newspaper is very quickly shut down this

154
00:06:35,910 --> 00:06:41,370
is like that coldfusion thing the cover

155
00:06:38,610 --> 00:06:43,470
of almost failed but then they got the

156
00:06:41,370 --> 00:06:47,970
genie back in the bottle next slide

157
00:06:43,470 --> 00:06:50,580

please disclosure time for the trip the

158

00:06:47,970 --> 00:06:52,530

disclosure movement XO politics you've

159

00:06:50,579 --> 00:06:55,769

all heard this this is the campaign to

160

00:06:52,529 --> 00:06:57,269

try and get the the secrets of how UFOs

161

00:06:55,769 --> 00:07:00,449

the government's are keeping to be

162

00:06:57,269 --> 00:07:02,759

released and the people involved in this

163

00:07:00,449 --> 00:07:06,810

are quite open about why and pump part

164

00:07:02,759 --> 00:07:08,819

of it is the energy issue we have

165

00:07:06,810 --> 00:07:10,379

several people here is this is this is

166

00:07:08,819 --> 00:07:11,430

an advert for a conference there's

167

00:07:10,379 --> 00:07:14,850

several people they adopt steam

168

00:07:11,430 --> 00:07:20,030

agreeable iron man this model Salla

169

00:07:14,850 --> 00:07:20,030

there Robert Dean Stephen Bassett

170

00:07:20,930 --> 00:07:24,769

what's his name I paola Harris Nick Pope

171

00:07:23,029 --> 00:07:26,359

so I know I know some of these people

172
00:07:24,769 --> 00:07:28,459
are my friends and some of them are

173
00:07:26,360 --> 00:07:32,150
well-meaning people who need who want to

174
00:07:28,459 --> 00:07:36,219
do well but going up to the government

175
00:07:32,149 --> 00:07:38,299
and asking them to disclose his I don't

176
00:07:36,220 --> 00:07:40,880
do you think they're gonna say anything

177
00:07:38,300 --> 00:07:43,699
I don't believe the political structures

178
00:07:40,879 --> 00:07:45,829
of the world today have the capacity to

179
00:07:43,699 --> 00:07:47,870
absorb a revelation of that magnitude

180
00:07:45,829 --> 00:07:49,550
and I'm very split here because my heart

181
00:07:47,870 --> 00:07:52,069
my head is saying two different things

182
00:07:49,550 --> 00:07:54,500
is a part of me that wants to believe it

183
00:07:52,069 --> 00:07:56,149
is possible that the gun that you simply

184
00:07:54,500 --> 00:07:57,410
come clean they'll give up because it

185
00:07:56,149 --> 00:08:00,138
means giving up on their new world order

186
00:07:57,410 --> 00:08:02,960
as I said I believe that the free energy

187
00:08:00,139 --> 00:08:04,430
issue and the control of energy supply

188
00:08:02,959 --> 00:08:08,569
and is the use of fossil fuels

189
00:08:04,430 --> 00:08:09,740
quintessential to their power this

190
00:08:08,569 --> 00:08:11,990
apartment wants to believe that's

191
00:08:09,740 --> 00:08:14,960
possible and I respect these guys for

192
00:08:11,990 --> 00:08:18,650
what they're doing I really do and they

193
00:08:14,959 --> 00:08:20,149
might be right hope they are right but

194
00:08:18,649 --> 00:08:22,069
it's not just the fact that they would

195
00:08:20,149 --> 00:08:24,709
have to cope with the world in which

196
00:08:22,069 --> 00:08:26,899
free energy is around it's not just that

197
00:08:24,709 --> 00:08:29,629
it's the fact they'll have to admit that

198
00:08:26,899 --> 00:08:33,288
they lie to us for so long they lie to

199
00:08:29,629 --> 00:08:34,458
us for over a hundred years and all the

200

00:08:33,288 --> 00:08:36,968
things all the terrible things have

201
00:08:34,458 --> 00:08:39,348
happened as a result of our continued

202
00:08:36,969 --> 00:08:40,339
unnecessary use of fossil fuels they'll

203
00:08:39,349 --> 00:08:42,200
have to admit that they could have

204
00:08:40,339 --> 00:08:45,500
prevented them I include things like

205
00:08:42,200 --> 00:08:48,020
Wars for oil as well which I've been

206
00:08:45,500 --> 00:08:50,528
power of you foreign policy for many

207
00:08:48,019 --> 00:08:54,379
Western powers out for a long long time

208
00:08:50,528 --> 00:08:56,299
but it actually going to say yes we

209
00:08:54,379 --> 00:08:59,778
catch it from you we kept it from you

210
00:08:56,299 --> 00:09:01,389
for your own good um well no actually

211
00:08:59,778 --> 00:09:03,588
but didn't we kept it for our own good

212
00:09:01,389 --> 00:09:05,389
they won't release they have to say that

213
00:09:03,589 --> 00:09:08,510
they can't get out of it in and say look

214
00:09:05,389 --> 00:09:11,088

we're very very solid will make it up to

215

00:09:08,509 --> 00:09:14,629

you but bring back school milk it's not

216

00:09:11,089 --> 00:09:16,810

realistic it's really not realistic next

217

00:09:14,629 --> 00:09:16,809

slide please

218

00:09:17,950 --> 00:09:24,020

Stephen Bassett here is a good guy he

219

00:09:21,139 --> 00:09:25,939

means well here he is at the national

220

00:09:24,019 --> 00:09:30,620

press club talking about this is the

221

00:09:25,940 --> 00:09:32,360

Citizen hearing on disclosure I won't

222

00:09:30,620 --> 00:09:33,889

believe what he can do is possible I

223

00:09:32,360 --> 00:09:38,210

don't know already done next slide

224

00:09:33,889 --> 00:09:44,679

please this is a bit this is alive then

225

00:09:38,210 --> 00:09:48,019

again what if what if there is a process

226

00:09:44,679 --> 00:09:50,529

going on behind the scenes right now it

227

00:09:48,019 --> 00:09:54,679

could lead to Falls willing disclosure

228

00:09:50,529 --> 00:09:58,039

sorry I strange happened to me um year

229
00:09:54,679 --> 00:10:01,009
for us I got a call from Dave podrian

230
00:09:58,039 --> 00:10:02,719
you may know Lisa he's we could speak it

231
00:10:01,009 --> 00:10:05,539
out here actually very interesting chap

232
00:10:02,720 --> 00:10:07,040
it runs the firming without group and he

233
00:10:05,539 --> 00:10:09,019
told me that he'd been invited to speak

234
00:10:07,039 --> 00:10:11,059
to an event speak at an event in London

235
00:10:09,019 --> 00:10:13,039
about the Roswell incident he said he

236
00:10:11,059 --> 00:10:14,389
asked me if I could come with him and I

237
00:10:13,039 --> 00:10:17,240
said great I said I'd meet him at the

238
00:10:14,389 --> 00:10:19,850
venue while I got to the venue is in the

239
00:10:17,240 --> 00:10:22,549
heart of London and it was a very very

240
00:10:19,850 --> 00:10:24,110
posh out indeed very posh building and

241
00:10:22,549 --> 00:10:26,779
Ethan I went in there clean go through

242
00:10:24,110 --> 00:10:30,139
the front door because I didn't have

243
00:10:26,779 --> 00:10:32,120
sure entire I will have my woman friend

244
00:10:30,139 --> 00:10:33,799
Heidi with me and they said all this is

245
00:10:32,120 --> 00:10:35,720
a general and only Club we have a

246
00:10:33,799 --> 00:10:39,769
private event where some women a comment

247
00:10:35,720 --> 00:10:41,420
but some spacing week both had to go

248
00:10:39,769 --> 00:10:42,769
around to the other side of the building

249
00:10:41,419 --> 00:10:45,079
and coming through the other door it was

250
00:10:42,769 --> 00:10:47,929
like they let sit I'm really difficult

251
00:10:45,080 --> 00:10:50,720
and dave was there there was this big

252
00:10:47,929 --> 00:10:52,779
inflatable imax theater and those two

253
00:10:50,720 --> 00:10:55,129
people with TV cameras everywhere and

254
00:10:52,779 --> 00:11:01,100
the guy dressed as an alien it's quite

255
00:10:55,129 --> 00:11:03,200
funny really um and is this this group

256
00:11:01,100 --> 00:11:05,570
this organization from spain this and

257

00:11:03,200 --> 00:11:08,270
these people here they were doing this

258
00:11:05,570 --> 00:11:10,850
life modulation calm we're doing this

259
00:11:08,269 --> 00:11:12,860
event there and the people i was waiting

260
00:11:10,850 --> 00:11:15,589
for maybe some of the UFO the local UFO

261
00:11:12,860 --> 00:11:17,990
community to turn up but the people who

262
00:11:15,589 --> 00:11:20,250
turned up to attend this event they were

263
00:11:17,990 --> 00:11:23,159
not your usual UFO crowd

264
00:11:20,250 --> 00:11:26,620
these were guys with golden with suits

265
00:11:23,159 --> 00:11:29,699
their wives had diamond earrings the

266
00:11:26,620 --> 00:11:32,129
bracelet the men had gold Rolexes on I

267
00:11:29,700 --> 00:11:35,290
was sitting there talking about their

268
00:11:32,129 --> 00:11:37,000
the same things might come well the

269
00:11:35,289 --> 00:11:38,769
latest figures from our Hong Kong office

270
00:11:37,000 --> 00:11:41,259
are very encouraging I've over that's on

271
00:11:38,769 --> 00:11:43,778

their conversations what people do not

272

00:11:41,259 --> 00:11:46,330

like that don't even worth of it I are

273

00:11:43,778 --> 00:11:48,100

Steve about this and he thinks that this

274

00:11:46,330 --> 00:11:51,040

was actually some kind of covert

275

00:11:48,100 --> 00:11:52,690

disclosure promotion event these this

276

00:11:51,039 --> 00:11:55,389

was some way there is a group of people

277

00:11:52,690 --> 00:11:58,839

try to persuade the rich and powerful to

278

00:11:55,389 --> 00:12:01,389

actually go for disclosure and as I said

279

00:11:58,839 --> 00:12:03,910

before I doubt despite my doubts I did

280

00:12:01,389 --> 00:12:05,889

wonder if somehow I've managed to get

281

00:12:03,909 --> 00:12:07,569

involved the owner the event day you

282

00:12:05,889 --> 00:12:09,309

might imagine because they didn't know

283

00:12:07,570 --> 00:12:12,010

what this was about a ver when he was

284

00:12:09,309 --> 00:12:13,539

inviting she's invited to speak but I

285

00:12:12,009 --> 00:12:16,600

just wondered somehow we got caught up

286
00:12:13,539 --> 00:12:18,189
in one of these coburg disclose your

287
00:12:16,600 --> 00:12:20,560
events work at least these people were

288
00:12:18,190 --> 00:12:21,730
elite these people this this is I found

289
00:12:20,559 --> 00:12:23,409
out the venues actually called the in

290
00:12:21,730 --> 00:12:25,089
and out cloth it's one of most elite

291
00:12:23,409 --> 00:12:27,578
clubs in London Prince Charles isn't

292
00:12:25,089 --> 00:12:30,250
over you'll know that day but probably

293
00:12:27,578 --> 00:12:32,799
he could easily is a regimen so that's

294
00:12:30,250 --> 00:12:34,778
it it's another size the stories we

295
00:12:32,799 --> 00:12:38,139
could be possible next slide times so I

296
00:12:34,778 --> 00:12:42,759
won't keep you out much longer okay now

297
00:12:38,139 --> 00:12:45,899
we are faced with a choice and where do

298
00:12:42,759 --> 00:12:45,899
we go from here this is the thing

299
00:12:46,208 --> 00:12:50,899
because I believe that this disclosure

300
00:12:48,919 --> 00:12:52,610
the truth cannot be kept out and i

301
00:12:50,899 --> 00:12:53,570
believe it is going to come out not

302
00:12:52,610 --> 00:12:54,919
because the government gives us

303
00:12:53,570 --> 00:12:58,339
permission but in a way maybe we don't

304
00:12:54,919 --> 00:13:00,229
predict but we could end up like this

305
00:12:58,339 --> 00:13:03,130
this is the this is the end result the

306
00:13:00,230 --> 00:13:05,720
elite not big brother next slide please

307
00:13:03,129 --> 00:13:08,899
people living in control world with it

308
00:13:05,720 --> 00:13:13,639
for the degraded up and synthesized and

309
00:13:08,899 --> 00:13:17,480
robotized cybernetic environment next

310
00:13:13,639 --> 00:13:20,269
slide please but the city is destroyed

311
00:13:17,480 --> 00:13:22,610
in people living in camps basically work

312
00:13:20,269 --> 00:13:24,909
camps where we're eating the food we're

313
00:13:22,610 --> 00:13:28,430
eating the genetically modified food

314

00:13:24,909 --> 00:13:33,500
that exists for one purpose alone to

315
00:13:28,429 --> 00:13:35,269
keep us moving while we work until we

316
00:13:33,500 --> 00:13:36,769
drop dead which with a very young age in

317
00:13:35,269 --> 00:13:39,078
which cake will be replaced or somebody

318
00:13:36,769 --> 00:13:41,659
else it was also effective genetically

319
00:13:39,078 --> 00:13:45,349
modified foods keep away don't make them

320
00:13:41,659 --> 00:13:48,370
work for no other clerks that is what

321
00:13:45,350 --> 00:13:48,370
they want next slide please

322
00:13:48,789 --> 00:13:55,189
alternatively we can live in this future

323
00:13:51,528 --> 00:13:57,679
it's not too late do the hind bird graph

324
00:13:55,190 --> 00:14:00,470
has not reaches extreme lenslet yet we

325
00:13:57,679 --> 00:14:02,479
can turn around we can turn things back

326
00:14:00,470 --> 00:14:04,310
in exactly the way in the second set of

327
00:14:02,480 --> 00:14:06,110
graphs I showed you if when free energy

328
00:14:04,309 --> 00:14:08,479

was declassified if you live in the

329

00:14:06,110 --> 00:14:13,339

world of free energy in which we would

330

00:14:08,480 --> 00:14:15,250

look like this next slide place where

331

00:14:13,339 --> 00:14:18,500

the animal kingdom and the plant kingdom

332

00:14:15,250 --> 00:14:20,610

would be live undamaged next slide

333

00:14:18,500 --> 00:14:25,740

please

334

00:14:20,610 --> 00:14:27,329

natural world would be attacked and we

335

00:14:25,740 --> 00:14:29,490

will all be free we'd be free poverty

336

00:14:27,328 --> 00:14:32,639

we're going to live are we be able live

337

00:14:29,490 --> 00:14:34,980

long healthy happy lives in abundance

338

00:14:32,639 --> 00:14:37,169

without harming the rest of the

339

00:14:34,980 --> 00:14:43,289

biosphere and the rest of the plan next

340

00:14:37,169 --> 00:14:45,240

slide please don't give up this is

341

00:14:43,289 --> 00:14:46,828

important point to make night I don't

342

00:14:45,240 --> 00:14:48,959

have all the answers I don't know what

343
00:14:46,828 --> 00:14:52,799
the solution is going to be to this but

344
00:14:48,958 --> 00:14:55,109
I just know that it's not it's not doom

345
00:14:52,799 --> 00:14:57,120
and gloom let's go and i'll set here

346
00:14:55,110 --> 00:14:59,550
again offer character from jr talking to

347
00:14:57,120 --> 00:15:02,720
the rent jr talking actually was very

348
00:14:59,549 --> 00:15:05,250
very he's very much in touch with

349
00:15:02,720 --> 00:15:07,470
spiritual traditions and spiritual

350
00:15:05,250 --> 00:15:10,799
matters he was a deep thinker he was

351
00:15:07,470 --> 00:15:12,570
deeply feeler he was a dreamer somebody

352
00:15:10,799 --> 00:15:14,309
is only great power that can hold the

353
00:15:12,570 --> 00:15:16,560
middle in check but that is not what i

354
00:15:14,309 --> 00:15:18,359
have found I found that smoke everyday

355
00:15:16,559 --> 00:15:20,989
deeds of ordinary folk but keep it down

356
00:15:18,360 --> 00:15:23,700
as if a small acts of kindness and love

357
00:15:20,990 --> 00:15:25,980
well gang are the same here what talking

358
00:15:23,700 --> 00:15:29,940
was saying in putting this dialogue in

359
00:15:25,980 --> 00:15:33,899
is that none of us a help us everything

360
00:15:29,940 --> 00:15:37,130
we do has an effect and we must never

361
00:15:33,899 --> 00:15:40,169
give up never forget that we never know

362
00:15:37,129 --> 00:15:42,000
when why I'm gonna describe next in a

363
00:15:40,169 --> 00:15:46,559
minute is actually happens next slide

364
00:15:42,000 --> 00:15:48,679
please as Martin Luther King said this

365
00:15:46,559 --> 00:15:51,629
hour in history needs a dedicated circle

366
00:15:48,679 --> 00:15:52,739
transform nonconformist our planet

367
00:15:51,629 --> 00:15:55,649
teeters on the brink of annihilation

368
00:15:52,740 --> 00:15:58,350
dangerous passions of pride entered some

369
00:15:55,649 --> 00:16:00,028
little thrown in our lives and then due

370
00:15:58,350 --> 00:16:01,210
reverence for the false gods of

371

00:16:00,028 --> 00:16:04,159
nationalism

372
00:16:01,210 --> 00:16:07,300
the saving of our world can pending

373
00:16:04,159 --> 00:16:09,559
doing them not through the complacent

374
00:16:07,299 --> 00:16:11,629
adjustment of the component of jollity

375
00:16:09,559 --> 00:16:16,669
the creative maladjustment of a

376
00:16:11,629 --> 00:16:19,159
non-conforming minority that means you

377
00:16:16,669 --> 00:16:21,589
gotta go stick by your guns when people

378
00:16:19,159 --> 00:16:23,600
call you crazy and try and turn you into

379
00:16:21,590 --> 00:16:28,040
copy for themselves I put pressure on

380
00:16:23,600 --> 00:16:29,290
you cuz they will we're still just a the

381
00:16:28,039 --> 00:16:32,059
large number of people believe

382
00:16:29,289 --> 00:16:35,269
understand conspiracies next understand

383
00:16:32,059 --> 00:16:38,359
UFOs so they say time and time again

384
00:16:35,269 --> 00:16:41,600
twenty percent thirty percent but we are

385
00:16:38,360 --> 00:16:45,019

a small very vocal tip of a very large

386

00:16:41,600 --> 00:16:48,019

side an iceberg and I think would change

387

00:16:45,019 --> 00:16:49,360

but it does we're going to need a lot of

388

00:16:48,019 --> 00:16:52,490

guts we don't look after each other

389

00:16:49,360 --> 00:16:57,080

mutual support is a great source of

390

00:16:52,490 --> 00:16:58,669

courage next slide please and as Oscar

391

00:16:57,080 --> 00:17:01,870

Wilde said always forgive your enemies

392

00:16:58,669 --> 00:17:04,240

because nothing annoys them so much but

393

00:17:01,870 --> 00:17:06,740

you've got to have a laugh you got it

394

00:17:04,240 --> 00:17:08,269

look another phrase I don't know who

395

00:17:06,740 --> 00:17:10,250

said it otherwise I put a slide up for

396

00:17:08,269 --> 00:17:12,920

that person's grown as well life is too

397

00:17:10,250 --> 00:17:15,019

important to be taken seriously you have

398

00:17:12,920 --> 00:17:17,360

to have sense of humor in this world not

399

00:17:15,019 --> 00:17:19,359

to trivialize things as serious but as a

400
00:17:17,359 --> 00:17:21,740
defense mechanism as a means of survival

401
00:17:19,359 --> 00:17:25,698
is you can't laugh as well you ain't you

402
00:17:21,740 --> 00:17:26,870
survived it next slide please this is

403
00:17:25,699 --> 00:17:29,180
the most important thing of all this is

404
00:17:26,869 --> 00:17:31,729
why I believe we have hope Lyle Watson a

405
00:17:29,180 --> 00:17:33,289
great south african researcher he

406
00:17:31,730 --> 00:17:36,319
discovered something really remarkable

407
00:17:33,289 --> 00:17:38,180
that ideas the cupboard that come into

408
00:17:36,319 --> 00:17:41,960
people's heads and on a large number of

409
00:17:38,180 --> 00:17:43,610
large level they don't they don't spread

410
00:17:41,960 --> 00:17:45,620
the way people think they do from person

411
00:17:43,609 --> 00:17:48,169
to person by word of mouth what happens

412
00:17:45,619 --> 00:17:49,609
is you get an idea someone gets an idea

413
00:17:48,170 --> 00:17:50,750
they spread to a couple of other people

414
00:17:49,609 --> 00:17:52,879
another couple of other people they

415
00:17:50,750 --> 00:17:55,730
circulate as in a group like this then

416
00:17:52,880 --> 00:17:58,160
they reach a certain critical mass when

417
00:17:55,730 --> 00:18:00,110
that critical mass is reached they

418
00:17:58,160 --> 00:18:02,029
almost instantly explode out into the

419
00:18:00,109 --> 00:18:03,769
rest of the population Lyle Watson

420
00:18:02,029 --> 00:18:06,049
observe this when he was doing any

421
00:18:03,769 --> 00:18:08,539
experiment involving monkeys on an

422
00:18:06,049 --> 00:18:10,609
island off the coast of Australia these

423
00:18:08,539 --> 00:18:12,769
monkeys and very interesting because

424
00:18:10,609 --> 00:18:14,719
they found out one day one monkey

425
00:18:12,769 --> 00:18:16,069
they need potatoes and one monkey found

426
00:18:14,720 --> 00:18:17,569
out you can improve the flavor of the

427
00:18:16,069 --> 00:18:19,700
potato but watching it in the seat get

428

00:18:17,569 --> 00:18:21,049
some salt into him a couple of other

429
00:18:19,700 --> 00:18:23,390
monkey's watched him doing that and

430
00:18:21,049 --> 00:18:25,909
thought I would go and they tried him

431
00:18:23,390 --> 00:18:26,930
bit by bit more more monkeys followed

432
00:18:25,910 --> 00:18:29,150
the leader and followed the example

433
00:18:26,930 --> 00:18:31,880
realized it was a good idea but then

434
00:18:29,150 --> 00:18:35,240
after a certain number of monkeys learnt

435
00:18:31,880 --> 00:18:36,950
this almost instantaneously Watson found

436
00:18:35,240 --> 00:18:42,190
that all the monkeys on the entire

437
00:18:36,950 --> 00:18:44,390
island with her in it and it's not as if

438
00:18:42,190 --> 00:18:46,130
Carl Jung talks about the collective

439
00:18:44,390 --> 00:18:47,540
unconscious like there's a government of

440
00:18:46,130 --> 00:18:49,490
our mind a higher level of our mind

441
00:18:47,539 --> 00:18:51,230
which is shared by us all and once a

442
00:18:49,490 --> 00:18:55,190

certain once there's a certain critical

443

00:18:51,230 --> 00:18:56,569

mass reached it can eat suddenly becomes

444

00:18:55,190 --> 00:19:00,320

a part of a collective unconscious and

445

00:18:56,569 --> 00:19:03,559

is active access by everybody and with

446

00:19:00,319 --> 00:19:05,000

monkeys it was about 1% of monkeys when

447

00:19:03,559 --> 00:19:06,799

they were the potato washing test

448

00:19:05,000 --> 00:19:09,740

process and that's why you get the

449

00:19:06,799 --> 00:19:11,299

phrase hundredth monkey effect with

450

00:19:09,740 --> 00:19:12,950

humans we don't want the level is but

451

00:19:11,299 --> 00:19:15,769

it's not majority nowhere near the

452

00:19:12,950 --> 00:19:17,450

majority which means that the ideas

453

00:19:15,769 --> 00:19:19,819

we're talking about right now could be

454

00:19:17,450 --> 00:19:21,440

like those monkeys washing potatoes we

455

00:19:19,819 --> 00:19:23,299

don't know when we're didn't reach the

456

00:19:21,440 --> 00:19:25,400

critical mass we're going to cross that

457
00:19:23,299 --> 00:19:27,559
threshold and suddenly things and change

458
00:19:25,400 --> 00:19:29,180
very rapidly we don't know when is it

459
00:19:27,559 --> 00:19:31,490
could be today could be tomorrow could

460
00:19:29,180 --> 00:19:33,890
be next week it could be right now it

461
00:19:31,490 --> 00:19:35,059
could be you me talking right now are

462
00:19:33,890 --> 00:19:37,520
you listening to what I'm saying right

463
00:19:35,059 --> 00:19:40,519
now we could be the unrep monkey this

464
00:19:37,519 --> 00:19:42,200
why we must never give up it will be

465
00:19:40,519 --> 00:19:47,619
awful if we gave up a moment before we

466
00:19:42,200 --> 00:19:50,779
cross that threshold next slide please

467
00:19:47,619 --> 00:19:52,339
Mahatma Gandhi said what I despair I

468
00:19:50,779 --> 00:19:53,960
remember that all through history the

469
00:19:52,339 --> 00:19:55,639
ways of truth and love of always one

470
00:19:53,960 --> 00:19:57,590
there have been tyrants and murderers

471
00:19:55,640 --> 00:20:00,230
and for a time they can seem invincible

472
00:19:57,589 --> 00:20:03,740
but in the end they always fall think of

473
00:20:00,230 --> 00:20:05,180
it always he's right there is an ulcer

474
00:20:03,740 --> 00:20:07,190
so there's a natural art that bends

475
00:20:05,180 --> 00:20:09,529
towards justice which means there isn't

476
00:20:07,190 --> 00:20:12,980
we don't live in an amoral world there

477
00:20:09,529 --> 00:20:14,039
is a natural order to this world its

478
00:20:12,980 --> 00:20:20,309
universe

479
00:20:14,039 --> 00:20:22,980
and if you're on the side of kindness

480
00:20:20,309 --> 00:20:25,859
and caring and desire to do good and you

481
00:20:22,980 --> 00:20:27,539
are on the winning team as a part of the

482
00:20:25,859 --> 00:20:29,969
natural order of the universe even if

483
00:20:27,539 --> 00:20:36,029
you might not see it that it seems so at

484
00:20:29,970 --> 00:20:38,309
the time next slide please so I really

485

00:20:36,029 --> 00:20:39,629
do hope you have enjoyed this what I've

486
00:20:38,309 --> 00:20:40,859
said today I hope it's made you think I

487
00:20:39,630 --> 00:20:42,780
hope it's made you go out and talk to

488
00:20:40,859 --> 00:20:45,149
other people if you want know more about

489
00:20:42,779 --> 00:20:50,220
me willing to do is go to this website

490
00:20:45,150 --> 00:20:52,470
here www.panama.blogspot.com this is my

491
00:20:50,220 --> 00:20:54,240
main website it's also a portal to all

492
00:20:52,470 --> 00:20:57,150
the other websites I have because I have

493
00:20:54,240 --> 00:20:59,700
a multiple as a YouTube channel there's

494
00:20:57,150 --> 00:21:00,960
a rep my own radio shows and recordings

495
00:20:59,700 --> 00:21:03,180
of other live lectures I've done like

496
00:21:00,960 --> 00:21:06,690
this one and you can find out everything

497
00:21:03,180 --> 00:21:09,200
about me well say now is don't get wet

498
00:21:06,690 --> 00:21:13,580
going home and sleep well sleep tight

499
00:21:09,200 --> 00:21:13,580

and thanks very much for having me

500

00:21:21,410 --> 00:21:29,580

questions questions right all the time

501

00:21:27,420 --> 00:21:31,620

well

502

00:21:29,579 --> 00:21:36,329

we've got a little get time to questions

503

00:21:31,619 --> 00:21:38,669

anyone got question aye sir the 911

504

00:21:36,329 --> 00:21:42,449

thing you mentioned dear technology that

505

00:21:38,670 --> 00:21:44,340

brought down what's up I'm just checking

506

00:21:42,450 --> 00:21:46,920

a guy called John Mayer was talked about

507

00:21:44,339 --> 00:21:49,529

is have any chance called direct energy

508

00:21:46,920 --> 00:21:51,539

weapons yes yeah that things are

509

00:21:49,529 --> 00:21:54,269

something something to do with molecular

510

00:21:51,539 --> 00:21:56,250

disintegration yeah I recommend the book

511

00:21:54,269 --> 00:21:57,750

and where the towers go about dr. Julie

512

00:21:56,250 --> 00:21:59,640

wood and also the website check the

513

00:21:57,750 --> 00:22:04,259

evidence combo with Andrew Johnson

514
00:21:59,640 --> 00:22:06,720
website anyone ask some question see ya

515
00:22:04,259 --> 00:22:08,339
thanks for coming thank you it's getting

516
00:22:06,720 --> 00:22:10,980
like I know I've gone on a bit along but

517
00:22:08,339 --> 00:22:12,839
sir but if not answer many questions and

518
00:22:10,980 --> 00:22:14,190
I say thanks very much and good luck

519
00:22:12,839 --> 00:22:16,109
with this group you've got here because

520
00:22:14,190 --> 00:22:18,740
this is a new group it's just started

521
00:22:16,109 --> 00:22:23,609
you've achieved so much so pleased that

522
00:22:18,740 --> 00:22:26,269
go on let the good times roll and go to

523
00:22:23,609 --> 00:22:26,269
higher and greater things

524
00:22:34,359 --> 00:22:36,419
you
