

1
00:00:00,930 --> 00:00:02,990
you

2
00:00:18,429 --> 00:00:22,579
something's definitely taking place at

3
00:00:20,719 --> 00:00:24,349
that point they notice and there's a

4
00:00:22,579 --> 00:00:26,178
being walking up the front driveway the

5
00:00:24,349 --> 00:00:27,588
house so you don't see it clearly but

6
00:00:26,178 --> 00:00:29,358
they see movement they see a figure

7
00:00:27,588 --> 00:00:33,019
walking up the driveway outside the lib

8
00:00:29,359 --> 00:00:34,570
for the land window and at that point

9
00:00:33,020 --> 00:00:37,579
everything becomes really really blood

10
00:00:34,570 --> 00:00:40,850
some time passes a number of minutes and

11
00:00:37,579 --> 00:00:43,549
then I think at least said something

12
00:00:40,850 --> 00:00:44,960
about being frightened and it seems to

13
00:00:43,549 --> 00:00:47,448
trip reality and everything kind of

14
00:00:44,960 --> 00:00:50,120
comes back up and everybody cookbook you

15
00:00:47,448 --> 00:00:51,920
know what what took place there I've got

16
00:00:50,119 --> 00:00:53,058
some testimony here from from David's

17
00:00:51,920 --> 00:00:54,320
daughter about this when I'm gonna

18
00:00:53,058 --> 00:00:56,238
interview dinner I covered this

19
00:00:54,320 --> 00:00:58,159
experience with her and as she said the

20
00:00:56,238 --> 00:01:00,018
following we were all start talking and

21
00:00:58,159 --> 00:01:02,000
the gate opened and it was somebody

22
00:01:00,018 --> 00:01:04,010
coming up and then all of a sudden it

23
00:01:02,000 --> 00:01:06,129
was like I was scared I remember being

24
00:01:04,010 --> 00:01:08,510
sat down I think mom had gone out

25
00:01:06,129 --> 00:01:10,640
everyone was going there's nothing to be

26
00:01:08,510 --> 00:01:12,770
afraid of it's just the wind and I was

27
00:01:10,640 --> 00:01:15,650
really scared so Adam went over to the

28
00:01:12,769 --> 00:01:18,289
door and it was open so the basic Galton

29

00:01:15,650 --> 00:01:22,009
found the front door was ajar really

30
00:01:18,290 --> 00:01:23,689
bizarre experience occurred days within

31
00:01:22,009 --> 00:01:25,790
these other things going on it was kind

32
00:01:23,688 --> 00:01:28,398
of all in this period of a week very

33
00:01:25,790 --> 00:01:30,020
very interesting and nobody really knows

34
00:01:28,399 --> 00:01:31,719
any more to it than that but it's

35
00:01:30,019 --> 00:01:34,789
something that happened around that time

36
00:01:31,719 --> 00:01:36,078
so since then the band of basically just

37
00:01:34,790 --> 00:01:37,430
gone from strength to strength so

38
00:01:36,078 --> 00:01:39,199
they've been playing a lot of gigs stand

39
00:01:37,430 --> 00:01:41,450
out for the area a difference or folk

40
00:01:39,200 --> 00:01:42,710
festivals and this other thing and their

41
00:01:41,450 --> 00:01:44,750
lyrics are quite deep a lot of their

42
00:01:42,709 --> 00:01:46,699
songs have kind of quite deep lyrics and

43
00:01:44,750 --> 00:01:48,828

all about contacts and that but some of

44

00:01:46,700 --> 00:01:50,689

the songs do reference these beings and

45

00:01:48,828 --> 00:01:53,889

everything but they're generally kind of

46

00:01:50,688 --> 00:01:56,148

quite positive and so consciously aware

47

00:01:53,890 --> 00:01:59,978

so yeah it's definitely worth a listen

48

00:01:56,149 --> 00:02:03,170

and so now we move on to april 2014

49

00:01:59,978 --> 00:02:05,118

almost up to date flying triangle sizing

50

00:02:03,170 --> 00:02:07,789

many of you know what a flying triangle

51

00:02:05,118 --> 00:02:10,629

is for anybody who doesn't one of the

52

00:02:07,789 --> 00:02:14,090

more commonly observed and reported

53

00:02:10,629 --> 00:02:16,098

craft types and are these kind of large

54

00:02:14,090 --> 00:02:17,750

black triangles almost like a stealth

55

00:02:16,098 --> 00:02:19,459

bomber but you know some

56

00:02:17,750 --> 00:02:21,409

no wings or anything just usually equal

57

00:02:19,460 --> 00:02:24,050

optical triangles if sometimes got

58
00:02:21,409 --> 00:02:25,699
lights on the base a white light at each

59
00:02:24,050 --> 00:02:28,100
corner usually a kind of reddish or

60
00:02:25,699 --> 00:02:29,989
amber light in the middle and other

61
00:02:28,099 --> 00:02:31,519
lighting configurations have seen them

62
00:02:29,990 --> 00:02:34,100
sometimes they've got like little lights

63
00:02:31,520 --> 00:02:35,390
right the way along all three edges some

64
00:02:34,099 --> 00:02:36,919
of these craft could be extremely large

65
00:02:35,389 --> 00:02:38,869
in size that we're talking like bigger

66
00:02:36,919 --> 00:02:41,239
than a football pitch and they have a

67
00:02:38,870 --> 00:02:43,430
completely motionless for a period of

68
00:02:41,240 --> 00:02:46,640
time before suddenly just as of their

69
00:02:43,430 --> 00:02:48,379
second and so they express the same kind

70
00:02:46,639 --> 00:02:50,689
of flight capabilities there are other

71
00:02:48,379 --> 00:02:52,909
types of craft flying sources and discs

72
00:02:50,689 --> 00:02:54,620
and that report some people believe that

73
00:02:52,909 --> 00:02:56,389
they are some sort of military projects

74
00:02:54,620 --> 00:02:58,250
going on that this is you know some sort

75
00:02:56,389 --> 00:03:01,429
of secret blood project by the military

76
00:02:58,250 --> 00:03:03,050
I would argue against that because I've

77
00:03:01,430 --> 00:03:05,719
dealt with contact cases that involve

78
00:03:03,050 --> 00:03:08,810
these craft types where graves have been

79
00:03:05,719 --> 00:03:11,090
seen aboard them and there's also other

80
00:03:08,810 --> 00:03:12,620
cases on record where the bland did I

81
00:03:11,090 --> 00:03:14,120
mention one only one landed in the

82
00:03:12,620 --> 00:03:15,739
middle of Birmingham if its military

83
00:03:14,120 --> 00:03:17,390
they'd have absolutely no reason to do

84
00:03:15,739 --> 00:03:19,400
that land of secret craft in the middle

85
00:03:17,389 --> 00:03:22,339
of Birmingham San sandridge makes no

86

00:03:19,400 --> 00:03:26,269
logical sense so yeah I'd say carry on

87
00:03:22,340 --> 00:03:28,009
with this icing april 2014 the sighting

88
00:03:26,269 --> 00:03:30,590
location is here this is Bullingdon

89
00:03:28,009 --> 00:03:32,239
prison on the outskirts of bicester and

90
00:03:30,590 --> 00:03:34,640
it's actually on the way sir on the b 4

91
00:03:32,239 --> 00:03:36,799
11 the same road that the abduction

92
00:03:34,639 --> 00:03:38,479
happened on and different location are

93
00:03:36,799 --> 00:03:41,000
along it quite a long road but it's on

94
00:03:38,479 --> 00:03:42,259
the way to grill hill and this is

95
00:03:41,000 --> 00:03:45,469
another witnesses involved this one a

96
00:03:42,259 --> 00:03:47,599
lady lady named emma who's who's had a

97
00:03:45,469 --> 00:03:50,359
few experiences of her own while being

98
00:03:47,599 --> 00:03:52,430
around David and but this one was pretty

99
00:03:50,360 --> 00:03:57,260
dramatic yesterday they're driving this

100
00:03:52,430 --> 00:03:59,900

early evening and all of a sudden this

101

00:03:57,259 --> 00:04:01,840

massive craft basically just comes in

102

00:03:59,900 --> 00:04:04,610

and just flies right over their car

103

00:04:01,840 --> 00:04:05,989

these look these the location is

104

00:04:04,610 --> 00:04:07,220

interesting because it was right next to

105

00:04:05,989 --> 00:04:08,989

the prison it makes you wonder whether

106

00:04:07,219 --> 00:04:10,340

that was leaked or was it just random

107

00:04:08,989 --> 00:04:12,739

that they happen to be driving past the

108

00:04:10,340 --> 00:04:14,870

prison at that moment but essentially it

109

00:04:12,739 --> 00:04:16,970

was a completely black triangle with a

110

00:04:14,870 --> 00:04:19,069

with lights at each corner and and one

111

00:04:16,970 --> 00:04:21,049

in the center there all the lot all the

112

00:04:19,069 --> 00:04:22,909

lights were white in this case and it

113

00:04:21,048 --> 00:04:25,728

glided slowly across the road completely

114

00:04:22,910 --> 00:04:26,930

silently they almost stopped the car

115
00:04:25,728 --> 00:04:28,819
they didn't bring it to a halt because

116
00:04:26,930 --> 00:04:29,280
Oh Emma was a bit she was driving at the

117
00:04:28,819 --> 00:04:30,930
time

118
00:04:29,279 --> 00:04:34,349
she was extremely spooked out by this

119
00:04:30,930 --> 00:04:35,970
this as most of us would be and it

120
00:04:34,350 --> 00:04:38,430
passed over the car and just headed off

121
00:04:35,970 --> 00:04:40,500
on a straight course so again another

122
00:04:38,430 --> 00:04:43,918
close encounter there whereas another

123
00:04:40,500 --> 00:04:45,089
witness involved since that experience

124
00:04:43,918 --> 00:04:46,769
and has had some of that soup was

125
00:04:45,089 --> 00:04:51,209
planning to write a book on David sir

126
00:04:46,769 --> 00:04:53,219
and David's experiences within a couple

127
00:04:51,209 --> 00:04:57,629
of months of that she had a missing time

128
00:04:53,220 --> 00:04:59,250
episode while on the way around to visit

129
00:04:57,629 --> 00:05:01,168
day each other period mrs I'm she could

130
00:04:59,250 --> 00:05:03,209
account for and it spooked her out so

131
00:05:01,168 --> 00:05:05,579
much she decided to leave it and drop

132
00:05:03,209 --> 00:05:07,709
the book so I spoke with her and she's

133
00:05:05,579 --> 00:05:08,909
not she's already happy about what's

134
00:05:07,709 --> 00:05:10,799
happened to her you know she doesn't

135
00:05:08,910 --> 00:05:13,169
like it she was creeped out by and just

136
00:05:10,800 --> 00:05:15,090
wanted to leave it and but again it's

137
00:05:13,168 --> 00:05:17,668
just something else who's been involved

138
00:05:15,089 --> 00:05:19,739
with David in a way and and stuffs

139
00:05:17,668 --> 00:05:21,089
happened to them so yeah as I mentioned

140
00:05:19,740 --> 00:05:22,918
we've already gone over the military or

141
00:05:21,089 --> 00:05:24,509
alien origin for this you know and i

142
00:05:22,918 --> 00:05:26,639
would i would certainly argue that it's

143

00:05:24,509 --> 00:05:28,620
them rather than military although

144
00:05:26,639 --> 00:05:30,750
that's not to say to every single ft is

145
00:05:28,620 --> 00:05:32,370
you know maybe some a back engineered

146
00:05:30,750 --> 00:05:35,610
and being flown by humans us entirely

147
00:05:32,370 --> 00:05:37,139
possibility what or who was it therefore

148
00:05:35,610 --> 00:05:39,870
we're never going to know really it was

149
00:05:37,139 --> 00:05:41,490
just in that area was it there to scan

150
00:05:39,870 --> 00:05:42,569
david or something you know was it you

151
00:05:41,490 --> 00:05:44,310
know checking up on him or something

152
00:05:42,569 --> 00:05:46,168
like that or was it just completely

153
00:05:44,310 --> 00:05:48,930
random that they just happened to spot

154
00:05:46,168 --> 00:05:50,038
it with most of your face sizes we just

155
00:05:48,930 --> 00:05:52,110
need to be in the right place at the

156
00:05:50,038 --> 00:05:55,668
right time oh I suppose some would argue

157
00:05:52,110 --> 00:05:59,129

the wrong place at the wrong time pass

158

00:05:55,668 --> 00:06:01,259

so yeah we're coming to the end come to

159

00:05:59,129 --> 00:06:02,519

the end of it now but it's a very

160

00:06:01,259 --> 00:06:04,500

important aspect that I did want to

161

00:06:02,519 --> 00:06:06,959

cover with this case which has got some

162

00:06:04,500 --> 00:06:10,430

quite dramatically aspects to it yes

163

00:06:06,959 --> 00:06:13,949

surveillance so in some contact cases

164

00:06:10,430 --> 00:06:16,889

the individuals reports being observed

165

00:06:13,949 --> 00:06:18,538

by unknown agencies now these are

166

00:06:16,889 --> 00:06:21,209

sometimes called the many black Leslie

167

00:06:18,538 --> 00:06:23,490

your name have been given they usually

168

00:06:21,209 --> 00:06:25,769

appear to be kind of personnel

169

00:06:23,490 --> 00:06:28,740

government personnel in some many black

170

00:06:25,769 --> 00:06:31,349

cases they appear to be non-human so the

171

00:06:28,740 --> 00:06:33,210

the beings appear to be alien themselves

172
00:06:31,350 --> 00:06:37,080
almost like they're putting on a human

173
00:06:33,209 --> 00:06:38,639
form and then quite often seen when

174
00:06:37,079 --> 00:06:41,699
there's kind of black suits with a with

175
00:06:38,639 --> 00:06:44,069
fedora hats local back in the 1950s and

176
00:06:41,699 --> 00:06:45,959
and they've got kind of very very power

177
00:06:44,069 --> 00:06:47,759
connections in a lot of the contact

178
00:06:45,959 --> 00:06:50,579
cases though they appear to be sort of

179
00:06:47,759 --> 00:06:51,750
agents as in normal humans almost like

180
00:06:50,579 --> 00:06:53,279
they're trying to find out information

181
00:06:51,750 --> 00:06:54,360
that's what I believe is going on I

182
00:06:53,279 --> 00:06:56,939
believe they're trying to find out

183
00:06:54,360 --> 00:06:58,230
information about these beings through

184
00:06:56,939 --> 00:07:00,389
the contact these because they know that

185
00:06:58,230 --> 00:07:03,629
they've had experiences with them so

186
00:07:00,389 --> 00:07:05,219
they kind of monitor them our newest

187
00:07:03,629 --> 00:07:07,889
indications that Dave's being observed

188
00:07:05,220 --> 00:07:09,570
and he's not not ready to be taken

189
00:07:07,889 --> 00:07:11,159
lightly there's a sort of thing that you

190
00:07:09,569 --> 00:07:14,040
could just say was just down to paranoia

191
00:07:11,160 --> 00:07:16,530
but on a number of occasions dave has

192
00:07:14,040 --> 00:07:18,240
has been photographed like random people

193
00:07:16,529 --> 00:07:19,500
in suits or they've been out on the road

194
00:07:18,240 --> 00:07:21,050
and is just seen him just lift of a

195
00:07:19,500 --> 00:07:23,250
camera snap him and just come walking

196
00:07:21,050 --> 00:07:25,259
there was a there was an incident where

197
00:07:23,250 --> 00:07:28,560
there was a van parts of opposite house

198
00:07:25,259 --> 00:07:30,659
for about two days with a man sitting in

199
00:07:28,560 --> 00:07:33,180
it wearing appeared to be seen wearing a

200

00:07:30,660 --> 00:07:34,350
suit monitoring their house watching in

201
00:07:33,180 --> 00:07:35,819
you know whenever they looked out the

202
00:07:34,350 --> 00:07:38,010
window his boy was really crude toggle

203
00:07:35,819 --> 00:07:40,560
this and they didn't get photo of it and

204
00:07:38,009 --> 00:07:42,870
he kind of wished he'd got a shot of

205
00:07:40,560 --> 00:07:44,280
that man but he didn't mean this car was

206
00:07:42,870 --> 00:07:46,079
there and whenever they looked out it

207
00:07:44,279 --> 00:07:48,719
was their opposite their house you know

208
00:07:46,079 --> 00:07:50,250
you could say well okay it's unrelated

209
00:07:48,720 --> 00:07:52,530
and he's just there and maybe he's just

210
00:07:50,250 --> 00:07:55,529
you know maybe it's just paranoid and

211
00:07:52,529 --> 00:07:57,119
sometimes with the concept it may just

212
00:07:55,529 --> 00:07:59,689
be that you know and it may not be that

213
00:07:57,120 --> 00:08:01,980
the Bing and the surveillance however

214
00:07:59,689 --> 00:08:04,230

there is a case that happened where he

215

00:08:01,980 --> 00:08:07,200

he believes his phone is being tapped or

216

00:08:04,230 --> 00:08:09,210

has been tapped on occasions and and

217

00:08:07,199 --> 00:08:10,500

this experience after knew he was in the

218

00:08:09,209 --> 00:08:12,209

kitchen and he's too he's doing the

219

00:08:10,500 --> 00:08:13,889

cooking and he's on the phone to his

220

00:08:12,209 --> 00:08:15,269

friend and because he's got the frying

221

00:08:13,889 --> 00:08:16,860

pan and that he's got the phone if he on

222

00:08:15,269 --> 00:08:18,089

his shoulder hold it with his head lap

223

00:08:16,860 --> 00:08:21,629

and it's just trying to cook at the same

224

00:08:18,089 --> 00:08:23,549

time so he ends his chat with his friend

225

00:08:21,629 --> 00:08:24,930

and his friend hangs up and because it's

226

00:08:23,550 --> 00:08:26,400

a lot up on his shoulder he doesn't

227

00:08:24,930 --> 00:08:28,709

immediately click the stop himself you

228

00:08:26,399 --> 00:08:30,329

know so it hangs up and it's and it's

229
00:08:28,709 --> 00:08:31,589
still on for a few seconds you know when

230
00:08:30,329 --> 00:08:33,659
you get to the end of a mobile phone

231
00:08:31,589 --> 00:08:36,240
call that stays active then he hears

232
00:08:33,659 --> 00:08:38,699
this male voice an unknown male voice on

233
00:08:36,240 --> 00:08:41,490
the phone say he didn't say anything

234
00:08:38,700 --> 00:08:46,290
that time and Dave's like hello and it

235
00:08:41,490 --> 00:08:47,639
just goes quick goes off um so it

236
00:08:46,289 --> 00:08:50,099
certainly appears that somebody was

237
00:08:47,639 --> 00:08:51,569
monitoring his call and I believe when

238
00:08:50,100 --> 00:08:53,159
they were saying he didn't say anything

239
00:08:51,570 --> 00:08:54,480
that time is that they were looking for

240
00:08:53,159 --> 00:08:56,549
information and he wanted

241
00:08:54,480 --> 00:08:58,589
there were listening to see whether dave

242
00:08:56,549 --> 00:09:00,539
was discussing his experiences with his

243
00:08:58,589 --> 00:09:01,860
friend over the phone and that casual

244
00:09:00,539 --> 00:09:04,588
you didn't were just chatting away like

245
00:09:01,860 --> 00:09:05,820
normal and so there's an indication that

246
00:09:04,589 --> 00:09:07,649
is phone have been tapped on that

247
00:09:05,820 --> 00:09:11,070
occasion whether it's still tap today we

248
00:09:07,649 --> 00:09:13,589
don't really know yeah and there's the

249
00:09:11,070 --> 00:09:18,990
sunglasses oh yeah this one's a

250
00:09:13,589 --> 00:09:21,930
interesting this happened early last

251
00:09:18,990 --> 00:09:23,009
year thing and in 2015 don't brings me

252
00:09:21,929 --> 00:09:25,588
up and says don't believe what's just

253
00:09:23,009 --> 00:09:27,360
taking place he come down his local park

254
00:09:25,589 --> 00:09:30,990
and most mornings it goes down into for

255
00:09:27,360 --> 00:09:32,669
a normal walk one was down the park as a

256
00:09:30,990 --> 00:09:33,990
big open grassy area incidentally the

257

00:09:32,669 --> 00:09:37,019
value of those sightings down there

258
00:09:33,990 --> 00:09:39,600
which I have time to cover but he spots

259
00:09:37,019 --> 00:09:42,629
this woman so shortish looking lady and

260
00:09:39,600 --> 00:09:45,778
wearing a kind of them some soap bat

261
00:09:42,629 --> 00:09:48,028
suit and she's standing facing the fence

262
00:09:45,778 --> 00:09:49,230
she's like facing away from does like

263
00:09:48,028 --> 00:09:53,429
the standing there staring at the

264
00:09:49,230 --> 00:09:55,079
fencing and okay it carries I'm walking

265
00:09:53,429 --> 00:09:57,208
and he's taking a look at her and a

266
00:09:55,078 --> 00:09:59,638
thing and he starts to get it paranoia

267
00:09:57,208 --> 00:10:02,159
there's quite a ballsy guy a when but

268
00:09:59,639 --> 00:10:04,649
you know he doesn't say no nonsense and

269
00:10:02,159 --> 00:10:06,719
he started any any thought this woman's

270
00:10:04,649 --> 00:10:08,009
up to see how they like this so he

271
00:10:06,720 --> 00:10:10,470

decides it's going to go confront sir

272

00:10:08,009 --> 00:10:12,958

doesn't he so he starts walking across

273

00:10:10,470 --> 00:10:14,579

the part towards this lady yeah gets to

274

00:10:12,958 --> 00:10:16,948

about 10 meters away from her and all of

275

00:10:14,578 --> 00:10:18,328

a sudden she just turned she takes off

276

00:10:16,948 --> 00:10:20,219

the glasses and puts him in her pocket

277

00:10:18,328 --> 00:10:23,250

turns and starts walking fast at the

278

00:10:20,220 --> 00:10:25,199

park again and this point up until that

279

00:10:23,250 --> 00:10:27,600

point rusted away from him yeah as she

280

00:10:25,198 --> 00:10:29,039

goes she drops the glasses fall out of

281

00:10:27,600 --> 00:10:30,839

her pocket and she doesn't realize and

282

00:10:29,039 --> 00:10:32,879

they land on the ground yeah the woman's

283

00:10:30,839 --> 00:10:34,380

gone isn't chase after up the road or

284

00:10:32,879 --> 00:10:36,629

anything she decides of the part of way

285

00:10:34,379 --> 00:10:40,318

he goes over and picks the glasses up

286
00:10:36,629 --> 00:10:44,370
here that is low flat black sunglasses

287
00:10:40,318 --> 00:10:49,139
and sort quite wide and on the inside of

288
00:10:44,370 --> 00:10:51,299
the lenses is mirrors on the outside

289
00:10:49,139 --> 00:10:52,500
edges and when you put them on you can

290
00:10:51,299 --> 00:10:56,789
see over your shoulders and see exactly

291
00:10:52,500 --> 00:11:00,539
what's behind you they are affection for

292
00:10:56,789 --> 00:11:02,610
glasses so see the lenses here these

293
00:11:00,539 --> 00:11:03,629
bits on the out on the inside when you

294
00:11:02,610 --> 00:11:05,730
wear them you can see over your

295
00:11:03,629 --> 00:11:08,649
shoulders um

296
00:11:05,730 --> 00:11:10,810
so basically by facing away from him

297
00:11:08,649 --> 00:11:13,029
she'd been observing him now why she was

298
00:11:10,809 --> 00:11:15,669
doing that who knows maybe she had a

299
00:11:13,029 --> 00:11:17,470
piece of me and she could listen in to

300
00:11:15,669 --> 00:11:18,789
his calls we don't know this all we know

301
00:11:17,470 --> 00:11:21,009
is that this is real there's a solid

302
00:11:18,789 --> 00:11:22,509
things that he got any bought the back

303
00:11:21,009 --> 00:11:25,389
to his house and which doesn't

304
00:11:22,509 --> 00:11:26,649
photographs on them first year and the

305
00:11:25,389 --> 00:11:28,629
up he said I've got his glasses this

306
00:11:26,649 --> 00:11:30,279
woman dropped in the pot I was like just

307
00:11:28,629 --> 00:11:32,200
photograph from now coming get some

308
00:11:30,279 --> 00:11:33,309
photos sent Oh within a minute incentive

309
00:11:32,200 --> 00:11:35,470
on the mobile phone that's what are you

310
00:11:33,309 --> 00:11:36,699
looking at here it's a good thing you

311
00:11:35,470 --> 00:11:38,410
took those photographs because within

312
00:11:36,700 --> 00:11:40,710
three days they'd vanished from his

313
00:11:38,409 --> 00:11:43,480
house mysteriously he left them on the

314

00:11:40,710 --> 00:11:45,370
left him on the mantelpiece and three

315
00:11:43,480 --> 00:11:47,590
days later the one there when asked his

316
00:11:45,370 --> 00:11:50,440
wife when dust his kids did you move

317
00:11:47,590 --> 00:11:52,690
those glasses up and never to be seen

318
00:11:50,440 --> 00:11:56,350
again stays believe that they came back

319
00:11:52,690 --> 00:11:58,390
in and took back yeah that's pretty wild

320
00:11:56,350 --> 00:12:01,269
stuff really it's free bread you kind of

321
00:11:58,389 --> 00:12:02,860
get a kind of artifact from these people

322
00:12:01,269 --> 00:12:05,230
doing observing but certainly that's

323
00:12:02,860 --> 00:12:07,180
what this is their story doesn't end

324
00:12:05,230 --> 00:12:11,710
there could have ended there but it

325
00:12:07,179 --> 00:12:13,479
didn't last weekend i gave a talk at the

326
00:12:11,710 --> 00:12:16,300
multidimensional show in birmingham

327
00:12:13,480 --> 00:12:18,460
isaiah it was a day-long conference on

328
00:12:16,299 --> 00:12:20,409

various subjects and i was invited to

329

00:12:18,460 --> 00:12:23,800

talk and dave was there with cosmesis

330

00:12:20,409 --> 00:12:26,139

and we we did a kind of group talk now

331

00:12:23,799 --> 00:12:28,029

after the after the day it ended we're

332

00:12:26,139 --> 00:12:30,220

kind of sitting outside after i talk i

333

00:12:28,029 --> 00:12:33,579

was chatting somebody and david's around

334

00:12:30,220 --> 00:12:35,500

sitting on the picnic table and a lady

335

00:12:33,580 --> 00:12:39,310

approaches him a blonde lady approaches

336

00:12:35,500 --> 00:12:41,230

him and says tim just means any when she

337

00:12:39,309 --> 00:12:43,479

says you're not going to get away with

338

00:12:41,230 --> 00:12:45,940

continuing to show those photographs in

339

00:12:43,480 --> 00:12:47,470

your talk because that's what we wear

340

00:12:45,940 --> 00:12:49,150

that's what she says to him and she

341

00:12:47,470 --> 00:12:53,350

turns around and she won she walked up

342

00:12:49,149 --> 00:12:54,879

and deb made straight over you know

343
00:12:53,350 --> 00:12:56,110
so and i saw the woman at a distance

344
00:12:54,879 --> 00:12:57,399
want wandering off and everything he

345
00:12:56,110 --> 00:13:00,909
told me what you need have been said

346
00:12:57,399 --> 00:13:02,289
which adamant heard as well numb yeah

347
00:13:00,909 --> 00:13:03,819
and he said the way that she said it

348
00:13:02,289 --> 00:13:05,349
didn't come across as kind of like a

349
00:13:03,820 --> 00:13:07,180
friendly warning it came across as a

350
00:13:05,350 --> 00:13:10,779
sort of like you're not to show those

351
00:13:07,179 --> 00:13:13,179
photos yeah interesting yeah kind of

352
00:13:10,779 --> 00:13:14,679
creepy look um but I'll show them here

353
00:13:13,179 --> 00:13:18,129
today I don't care

354
00:13:14,679 --> 00:13:20,969
I'll say bring it on bring it on where

355
00:13:18,129 --> 00:13:22,629
there have been occasions where we I

356
00:13:20,970 --> 00:13:24,250
believe that our group has been

357
00:13:22,629 --> 00:13:26,230
monitored which I'm not going to go into

358
00:13:24,250 --> 00:13:29,080
nabbit if you ask me about bad I'll tell

359
00:13:26,230 --> 00:13:30,519
you anyway yes oh yeah the possible

360
00:13:29,080 --> 00:13:32,110
reasons for surveillance we kind of

361
00:13:30,519 --> 00:13:33,909
already covered this ready I think the I

362
00:13:32,110 --> 00:13:36,159
think the main reason is properly to

363
00:13:33,909 --> 00:13:39,549
find out more information about what's

364
00:13:36,159 --> 00:13:40,929
happening with these experiences by

365
00:13:39,549 --> 00:13:43,149
talking to the condos they very rarely

366
00:13:40,929 --> 00:13:44,649
kind of say to them oh you you're not

367
00:13:43,149 --> 00:13:47,019
allowed to talk about this stuff don't

368
00:13:44,649 --> 00:13:49,028
you tell anybody it's usually more like

369
00:13:47,019 --> 00:13:50,350
them trying to gain information and

370
00:13:49,028 --> 00:13:51,789
sometimes they'll return them a

371

00:13:50,350 --> 00:13:53,528
door-to-door salesman and they're coming

372
00:13:51,789 --> 00:13:55,329
up and they'll start asking normal

373
00:13:53,528 --> 00:13:57,159
questions and then all of a sudden the

374
00:13:55,330 --> 00:13:58,930
the subject or change on to it on to

375
00:13:57,159 --> 00:14:00,850
UFOs and they'll start quizzing him

376
00:13:58,929 --> 00:14:02,169
about anything strange has happened in

377
00:14:00,850 --> 00:14:04,450
their life for this something it's

378
00:14:02,169 --> 00:14:07,620
fascinating and certainly a real real

379
00:14:04,450 --> 00:14:11,140
aspect of the subject that's going on it

380
00:14:07,620 --> 00:14:13,750
right so yeah I don't have Dave Hunt

381
00:14:11,139 --> 00:14:16,958
from here today but I do have him on

382
00:14:13,750 --> 00:14:19,990
video and I've got a video to show now

383
00:14:16,958 --> 00:14:22,389
so to kind of wrap things up it's about

384
00:14:19,990 --> 00:14:25,060
eight minutes long now they've recorded

385
00:14:22,389 --> 00:14:26,949

this video for a UFO truth conference

386

00:14:25,059 --> 00:14:29,699

and it was even set to talk alongside me

387

00:14:26,950 --> 00:14:32,650

and he couldn't make it unfortunately

388

00:14:29,700 --> 00:14:34,240

due to i think was lack of money or

389

00:14:32,649 --> 00:14:36,039

whatever but it essentially could make

390

00:14:34,240 --> 00:14:38,049

it on the day so i just got in to do

391

00:14:36,039 --> 00:14:39,730

this recording to show at the end so if

392

00:14:38,049 --> 00:14:41,588

you've mentioned scary hair satire UFO

393

00:14:39,730 --> 00:14:44,110

truth magazine in this video you'll know

394

00:14:41,589 --> 00:14:47,130

why okay but but it's a very fascinating

395

00:14:44,110 --> 00:14:47,129

insight so i hope you enjoy

396

00:14:58,578 --> 00:15:05,568

hi everybody my name is Nathan and guy

397

00:15:03,528 --> 00:15:07,989

that you've just been hearing about from

398

00:15:05,568 --> 00:15:11,298

last hour so free one day paid room and

399

00:15:07,989 --> 00:15:14,089

I'd like to apologize flat be known i'm

400
00:15:11,298 --> 00:15:16,669
afraid of commitments without Cosmo she

401
00:15:14,089 --> 00:15:18,439
says putting me all around the country

402
00:15:16,669 --> 00:15:20,748
at the moment and I'm just too far away

403
00:15:18,438 --> 00:15:24,919
being it so sorry about like someone

404
00:15:20,749 --> 00:15:28,100
left have been there I'd like to start

405
00:15:24,919 --> 00:15:30,078
off by saying that the reason why the

406
00:15:28,100 --> 00:15:32,209
stories come to you at all in the first

407
00:15:30,078 --> 00:15:35,688
place for amazing but no small part to

408
00:15:32,208 --> 00:15:39,078
Dave bodrum his integrity and honesty

409
00:15:35,688 --> 00:15:41,928
and the friendship he showed me and men

410
00:15:39,078 --> 00:15:45,919
are trusted him to bring the story

411
00:15:41,928 --> 00:15:47,838
forward to the public as such and you

412
00:15:45,919 --> 00:15:48,919
know if it wasn't for him my EP just

413
00:15:47,839 --> 00:15:50,920
wouldn't have happened and I would

414
00:15:48,919 --> 00:15:52,639
suggest to anyone else out there who's a

415
00:15:50,919 --> 00:15:53,778
looking for some of the year they can

416
00:15:52,639 --> 00:15:55,220
trust his speed to about their

417
00:15:53,778 --> 00:15:58,220
experiences because that's what big

418
00:15:55,220 --> 00:16:01,928
policies about and as I kiddin

419
00:15:58,220 --> 00:16:05,449
recommending any haider and I suppose

420
00:16:01,928 --> 00:16:07,519
now you've heard the story and if you

421
00:16:05,448 --> 00:16:09,708
want to look in depth i note sir online

422
00:16:07,519 --> 00:16:13,428
as i reported a growth on the beautiful

423
00:16:09,708 --> 00:16:16,428
website and I suppose really what you

424
00:16:13,428 --> 00:16:21,649
probably interest you know now is is how

425
00:16:16,428 --> 00:16:23,629
as well I live with it and that's a it's

426
00:16:21,649 --> 00:16:28,339
an interesting question i'll just ask

427
00:16:23,629 --> 00:16:31,789
myself misstep it's truly affected by

428

00:16:28,339 --> 00:16:33,739
every area of my life and it really is

429
00:16:31,789 --> 00:16:37,308
quite hard in a very short video like to

430
00:16:33,739 --> 00:16:40,970
explain them like the fact the other has

431
00:16:37,308 --> 00:16:42,528
led me to where I am today and he's got

432
00:16:40,970 --> 00:16:44,178
a lot of ups and downs and I've been

433
00:16:42,528 --> 00:16:46,049
over the years I've felt very isolated

434
00:16:44,178 --> 00:16:47,789
from

435
00:16:46,049 --> 00:16:49,829
I need people around me as well yeah

436
00:16:47,789 --> 00:16:52,379
yeah that's weak said we're going to be

437
00:16:49,830 --> 00:16:57,180
the same thing that I was and went

438
00:16:52,379 --> 00:16:59,909
driven the same way I was to like to

439
00:16:57,179 --> 00:17:04,318
learn more about myself and who I am in

440
00:16:59,909 --> 00:17:06,480
my place in the universe and but one

441
00:17:04,318 --> 00:17:10,019
would say is ultimately as far as my own

442
00:17:06,480 --> 00:17:14,179

person perspective is his come with the

443

00:17:10,019 --> 00:17:16,439

many benefits a knife grown as a person

444

00:17:14,179 --> 00:17:19,500

more than I ever thought I would have

445

00:17:16,439 --> 00:17:21,150

done when I was a 21 year old man and I

446

00:17:19,500 --> 00:17:24,470

didn't realize the depths to understand

447

00:17:21,150 --> 00:17:26,730

and there was to being human being and

448

00:17:24,470 --> 00:17:29,600

the depth of the love that basically as

449

00:17:26,730 --> 00:17:32,789

well that surrounds life itself and

450

00:17:29,599 --> 00:17:34,740

that's been a profound journey for me

451

00:17:32,789 --> 00:17:36,629

that's all I come to terms with and had

452

00:17:34,740 --> 00:17:38,700

to have to change the person and start

453

00:17:36,630 --> 00:17:42,600

treating people around as if they are me

454

00:17:38,700 --> 00:17:44,130

and to know nice all I intellectually

455

00:17:42,599 --> 00:17:49,409

understand i were to actually feel it

456

00:17:44,130 --> 00:17:52,950

into effect upon those feelings and it's

457
00:17:49,410 --> 00:17:55,110
led to me being famous a number of times

458
00:17:52,950 --> 00:17:58,640
and has led to me being for most of my

459
00:17:55,109 --> 00:18:03,619
life being quite poor financially and

460
00:17:58,640 --> 00:18:07,710
because i was just completely driven to

461
00:18:03,619 --> 00:18:10,739
build my relationship with these guys

462
00:18:07,710 --> 00:18:12,650
and to fill other sense to me off nozzle

463
00:18:10,740 --> 00:18:15,650
things you'd feel watching worthy of

464
00:18:12,650 --> 00:18:15,650
being

465
00:18:15,669 --> 00:18:19,820
basically the whole better than we do

466
00:18:17,750 --> 00:18:22,339
but don't really know how deep it to say

467
00:18:19,819 --> 00:18:24,259
it but they just do behave better me and

468
00:18:22,339 --> 00:18:26,839
but they have their surely we have

469
00:18:24,259 --> 00:18:28,940
actually known as something we have all

470
00:18:26,839 --> 00:18:32,329
the potential world to go above and

471
00:18:28,940 --> 00:18:35,690
beyond even the way the lady a and i

472
00:18:32,329 --> 00:18:41,889
believe that i truly do believe that

473
00:18:35,690 --> 00:18:44,870
humanity has unlimited potential it's

474
00:18:41,890 --> 00:18:46,880
ultimately i suppose it needs to come

475
00:18:44,869 --> 00:18:50,178
round to the fact that like the way I

476
00:18:46,880 --> 00:18:52,190
express myself now and become as a

477
00:18:50,179 --> 00:18:56,620
healthy outlet for the wife in three

478
00:18:52,190 --> 00:18:56,620
letters through my band cosmos asst

479
00:18:57,159 --> 00:19:06,620
lights I feel like it's mine and like

480
00:19:03,440 --> 00:19:09,558
it's my thing that I can do you know

481
00:19:06,619 --> 00:19:12,019
that I can give and I can spread the

482
00:19:09,558 --> 00:19:13,759
message that I've been put up you know

483
00:19:12,019 --> 00:19:17,629
I've been told and learn himself as well

484
00:19:13,759 --> 00:19:19,700
and just spread lit with high vibrations

485

00:19:17,630 --> 00:19:23,929
and spread a conscious awareness every

486
00:19:19,700 --> 00:19:25,759
point but to to not do it like really

487
00:19:23,929 --> 00:19:29,900
deeply seriously because it's not feel

488
00:19:25,759 --> 00:19:32,329
any of these people like the feeling is

489
00:19:29,900 --> 00:19:36,590
one of lightheartedness and of shedding

490
00:19:32,329 --> 00:19:38,918
light weight and you know an acting in

491
00:19:36,589 --> 00:19:41,990
away and that's always been my primary

492
00:19:38,919 --> 00:19:45,559
idea of the bands that were like with

493
00:19:41,990 --> 00:19:49,548
lightweight but we do it in very good

494
00:19:45,558 --> 00:19:53,538
money I'll see the band is has been made

495
00:19:49,548 --> 00:19:55,970
up of experiences mostly and that's has

496
00:19:53,538 --> 00:19:58,908
an amazing and profound effect on by the

497
00:19:55,970 --> 00:20:00,350
music and what we do and I know you may

498
00:19:58,909 --> 00:20:03,620
have heard of his stories about having

499
00:20:00,349 --> 00:20:07,639

japanic an EP is here I'm going got it

500

00:20:03,619 --> 00:20:11,889

may just like okay logo just come in say

501

00:20:07,640 --> 00:20:15,919

hi to ruin so they recognize her hello

502

00:20:11,890 --> 00:20:17,538

yes my main man Adam and we like you

503

00:20:15,919 --> 00:20:20,028

basically two experiences that came

504

00:20:17,538 --> 00:20:22,940

together and I want a bit it does happen

505

00:20:20,028 --> 00:20:25,069

and you know like there are a lot of

506

00:20:22,940 --> 00:20:27,019

people though you can be and remain

507

00:20:25,069 --> 00:20:29,839

adamant now making music together and

508

00:20:27,019 --> 00:20:32,389

with both my power button what's going

509

00:20:29,839 --> 00:20:40,148

on in the best way if you know how most

510

00:20:32,390 --> 00:20:45,610

healthiest way to my I've got no sorry I

511

00:20:40,148 --> 00:20:48,558

can't say that I know where it's going

512

00:20:45,609 --> 00:20:50,119

not with Pacific details I'm not one of

513

00:20:48,558 --> 00:20:53,000

these people that I tell you the world's

514
00:20:50,119 --> 00:20:58,009
going to end in three weeks and I don't

515
00:20:53,000 --> 00:21:00,130
believe that and I am very optimistic

516
00:20:58,009 --> 00:21:02,680
about the future

517
00:21:00,130 --> 00:21:04,980
I genuinely am and I haven't got

518
00:21:02,680 --> 00:21:07,509
particularly smiley face bar Amelia and

519
00:21:04,980 --> 00:21:10,029
I do think things are just going to get

520
00:21:07,509 --> 00:21:12,900
better and like I think with the amount

521
00:21:10,029 --> 00:21:17,379
of people now that are like you know

522
00:21:12,900 --> 00:21:21,640
experiencing contact with like beings

523
00:21:17,380 --> 00:21:22,840
from elsewhere and seeing the UFOs and

524
00:21:21,640 --> 00:21:25,030
are being touched even if they're not

525
00:21:22,839 --> 00:21:26,349
sending your toes and having a conscious

526
00:21:25,029 --> 00:21:28,259
contact you know there's a lot of people

527
00:21:26,349 --> 00:21:30,459
walking around now we'll be in touch and

528
00:21:28,259 --> 00:21:33,220
like being touched spiritually

529
00:21:30,460 --> 00:21:36,009
emotionally and I think they can only go

530
00:21:33,220 --> 00:21:38,170
one way that kind of conscious of a pins

531
00:21:36,009 --> 00:21:40,809
not going to diminish your sony dingus

532
00:21:38,170 --> 00:21:42,340
rumble rumble and for me personally I

533
00:21:40,809 --> 00:21:45,909
think it's the best thing that happens

534
00:21:42,339 --> 00:21:49,509
in the world and I want to be at Harbor

535
00:21:45,910 --> 00:21:52,779
and that's like saying no snow reason

536
00:21:49,509 --> 00:21:54,640
why we've done burned through this was

537
00:21:52,779 --> 00:21:58,509
able to put things well the whole point

538
00:21:54,640 --> 00:22:00,340
of contact as them teaching us again we

539
00:21:58,509 --> 00:22:02,740
will come together and share our

540
00:22:00,339 --> 00:22:06,009
experiences that's the point if we had

541
00:22:02,740 --> 00:22:08,140
to bridge reality live outside we have

542

00:22:06,009 --> 00:22:11,109
to first written from ourselves and

543
00:22:08,140 --> 00:22:13,960
versus one another and it's great today

544
00:22:11,109 --> 00:22:17,319
as duas community because we need to

545
00:22:13,960 --> 00:22:19,360
build immunity again content is true

546
00:22:17,319 --> 00:22:21,309
distributes gonna scale in fact we found

547
00:22:19,359 --> 00:22:23,829
out after you name the band with cosmo

548
00:22:21,309 --> 00:22:27,240
sees means to experience a sense of

549
00:22:23,829 --> 00:22:31,569
oneness with the universe simply buggy

550
00:22:27,240 --> 00:22:34,269
that's it so I'd like to spend really on

551
00:22:31,569 --> 00:22:37,539
a thinking Dave for being such a great

552
00:22:34,269 --> 00:22:39,430
guy and helping us get the story are

553
00:22:37,539 --> 00:22:42,369
those people and in a way that we felt

554
00:22:39,430 --> 00:22:44,440
secure and trusted I'd like to thank

555
00:22:42,369 --> 00:22:46,359
Gary's for putting on the day as well

556
00:22:44,440 --> 00:22:50,019

I'm really sorry I can't be there and I

557

00:22:46,359 --> 00:22:52,500

hope that next year when we do talk in

558

00:22:50,019 --> 00:22:55,059

Birmingham that we get to meet you and

559

00:22:52,500 --> 00:22:56,619

that a very last thing up let's say

560

00:22:55,059 --> 00:23:01,379

really is if you wanted to contact us

561

00:22:56,619 --> 00:23:04,349

and we're on facebook as cosmesis

562

00:23:01,380 --> 00:23:06,820

vangent k that's the aggressiveness of

563

00:23:04,349 --> 00:23:08,349

education and you can see where we're

564

00:23:06,819 --> 00:23:10,629

playing live and please if you want to

565

00:23:08,349 --> 00:23:12,579

come down and see us you know feel free

566

00:23:10,630 --> 00:23:15,430

to come up to me and talk to me after

567

00:23:12,579 --> 00:23:18,220

shows and stuff on one wins to talk to

568

00:23:15,430 --> 00:23:19,750

anybody over so a big love everybody

569

00:23:18,220 --> 00:23:23,670

okay and I hope you enjoy yesterday

570

00:23:19,750 --> 00:23:23,670

thanks a lot take care much love

571
00:23:31,259 --> 00:23:37,680
let's have the guys themselves let's

572
00:23:35,880 --> 00:23:40,920
wrap up with a few conclusions on where

573
00:23:37,680 --> 00:23:42,150
this case has come through this time so

574
00:23:40,920 --> 00:23:44,279
yeah as I said it's one of the most

575
00:23:42,150 --> 00:23:46,200
impressive cases I've yet investigated

576
00:23:44,279 --> 00:23:48,960
and I've looked into a lot but they

577
00:23:46,200 --> 00:23:50,250
they're not often this far-reaching but

578
00:23:48,960 --> 00:23:54,210
there's many different types of

579
00:23:50,250 --> 00:23:56,279
experiences and now the bigger a case

580
00:23:54,210 --> 00:23:58,799
gets and the more varied aspects that it

581
00:23:56,279 --> 00:24:00,389
contains the more people tend to kind of

582
00:23:58,799 --> 00:24:02,279
take a kind of negative slant and

583
00:24:00,390 --> 00:24:04,350
skeptical view towards it but I can

584
00:24:02,279 --> 00:24:05,639
assure you from the heart these

585
00:24:04,349 --> 00:24:07,709
experiences have happened to these

586
00:24:05,640 --> 00:24:09,870
people absolutely and everything

587
00:24:07,710 --> 00:24:12,000
everything I've never once had any

588
00:24:09,869 --> 00:24:13,529
doubts that the stuff that the sharing

589
00:24:12,000 --> 00:24:15,779
with me isn't real things that have

590
00:24:13,529 --> 00:24:17,879
happened to them I wasn't there but you

591
00:24:15,779 --> 00:24:19,109
know dave says if I if I keep talking

592
00:24:17,880 --> 00:24:20,940
meeting the band and everything he'd go

593
00:24:19,109 --> 00:24:22,619
down and so seeing him in Oxford year he

594
00:24:20,940 --> 00:24:24,480
thinks that at some point I'll probably

595
00:24:22,619 --> 00:24:25,859
have an experience you know because from

596
00:24:24,480 --> 00:24:28,680
what he's seen is that lots of people

597
00:24:25,859 --> 00:24:31,649
around him I've had stuff happen to them

598
00:24:28,680 --> 00:24:33,690
you know and it has forced me to

599

00:24:31,650 --> 00:24:36,750
reevaluate my thoughts on the contact

600
00:24:33,690 --> 00:24:38,610
subject specific aspects of it some of

601
00:24:36,750 --> 00:24:41,039
the agendas that these beings appear to

602
00:24:38,609 --> 00:24:43,679
have this whole kind of connection with

603
00:24:41,039 --> 00:24:45,690
an individual being and looking at

604
00:24:43,680 --> 00:24:46,890
through their eyes it's an it's an angle

605
00:24:45,690 --> 00:24:48,720
of the subject and it's one of the

606
00:24:46,890 --> 00:24:50,520
agendas is not very often covered or

607
00:24:48,720 --> 00:24:52,610
talked about by your follow this but I

608
00:24:50,519 --> 00:24:55,500
think it's a very very important one

609
00:24:52,609 --> 00:24:56,849
it's absolutely clear that David sincere

610
00:24:55,500 --> 00:24:58,259
about what is experienced something you

611
00:24:56,849 --> 00:25:00,869
can see there from the video however

612
00:24:58,259 --> 00:25:02,670
sincere guy is and if you met in real

613
00:25:00,869 --> 00:25:03,989

life it's just like that you know is

614

00:25:02,670 --> 00:25:05,340
totally straight up totally

615

00:25:03,990 --> 00:25:07,529
down-to-earth about what's happened to

616

00:25:05,339 --> 00:25:09,419
him you know and these are incredible

617

00:25:07,529 --> 00:25:12,389
things being experienced by a totally

618

00:25:09,420 --> 00:25:13,920
normal individual it's affected him his

619

00:25:12,390 --> 00:25:15,240
family and friends in many ways as

620

00:25:13,920 --> 00:25:16,920
you've seen through tonight we've gone

621

00:25:15,240 --> 00:25:20,670
over some of those ways as effective

622

00:25:16,920 --> 00:25:23,880
it's it's caused a lot of them and a lot

623

00:25:20,670 --> 00:25:26,009
of good cosmos has come about as a

624

00:25:23,880 --> 00:25:27,630
result of this contact and some of the

625

00:25:26,009 --> 00:25:32,129
music may have come directly from the

626

00:25:27,630 --> 00:25:34,770
beings themselves this story is I far

627

00:25:32,130 --> 00:25:36,780
from over there's some new experiences

628
00:25:34,769 --> 00:25:39,538
that haven't covered here that were

629
00:25:36,779 --> 00:25:41,819
reported to me about two months ago and

630
00:25:39,538 --> 00:25:43,470
that we we've added to the report the

631
00:25:41,819 --> 00:25:45,028
report continues to grow all the time

632
00:25:43,470 --> 00:25:47,069
when the girls get in touch with me if

633
00:25:45,028 --> 00:25:48,358
they've had any experience of the other

634
00:25:47,069 --> 00:25:50,819
thing we're interesting enough to go in

635
00:25:48,358 --> 00:25:52,829
there and then then they get added by

636
00:25:50,819 --> 00:25:53,970
myself to that report so if you're

637
00:25:52,829 --> 00:25:56,009
interested in what you've heard tonight

638
00:25:53,970 --> 00:25:57,600
and you want to hear more about this you

639
00:25:56,009 --> 00:26:00,179
know do go ahead and do go and check it

640
00:25:57,599 --> 00:26:02,009
all that they'll take your wall though

641
00:26:00,179 --> 00:26:03,749

642
00:26:02,009 --> 00:26:06,329

www boom fog calm all the case reports

645
00:26:10,138 --> 00:26:14,668
at least the ones I I'm allowed to write

646
00:26:12,450 --> 00:26:16,679
on I'm not a journalist or just go and

647
00:26:14,669 --> 00:26:18,509
grab information and put it out to the

648
00:26:16,679 --> 00:26:20,369
public that's not what we're about at

649
00:26:18,509 --> 00:26:21,808
all you know I doubled a lot of cases

650
00:26:20,368 --> 00:26:23,519
and a lot of people just want to chat

651
00:26:21,808 --> 00:26:25,229
and they're too scared of the medical or

652
00:26:23,519 --> 00:26:27,028
whatever but if they are willing to

653
00:26:25,229 --> 00:26:29,788
share their details and them to go in a

654
00:26:27,028 --> 00:26:31,348
report very confidential of course then

655
00:26:29,788 --> 00:26:34,408

official member of boom pop to attend

666
00:26:53,308 --> 00:26:58,470

670
00:27:04,618 --> 00:27:09,868

674

00:27:14,398 --> 00:27:18,388
the meetings will be chatting on their

675

00:27:16,259 --> 00:27:20,669

683

00:27:32,249 --> 00:27:35,429
moment I believe that might be on

684

00:27:33,808 --> 00:27:38,009
soundcloud and it's probably a link to

685

00:27:35,429 --> 00:27:40,950
