

1  
00:00:11,660 --> 00:00:13,720  
you

2  
00:00:41,679 --> 00:00:45,679  
like tonight we have the great pleasure

3  
00:00:44,000 --> 00:00:48,500  
of introducing David Hadrian from

4  
00:00:45,679 --> 00:00:53,359  
Birmingham UFO group he's been

5  
00:00:48,500 --> 00:00:57,890  
investigating UFO cases and related

6  
00:00:53,359 --> 00:01:00,170  
things since 2009 we said I 2007 2007

7  
00:00:57,890 --> 00:01:03,079  
running the group since 2009 yeah

8  
00:01:00,170 --> 00:01:06,399  
fermium UFO group was started in 2007

9  
00:01:03,079 --> 00:01:08,180  
and he's been involved since 2009 so on

10  
00:01:06,399 --> 00:01:10,570  
tonight is going to give us a talk on

11  
00:01:08,180 --> 00:01:13,280  
the case that you investigated in vista

12  
00:01:10,569 --> 00:01:15,469  
which is entitled the bicester abduction

13  
00:01:13,280 --> 00:01:23,030  
case okay so you put your hands together

14  
00:01:15,469 --> 00:01:29,829  
peaceful David this ain't got a little

15  
00:01:23,030 --> 00:01:29,829  
intro video to run jump over why is it

16  
00:01:54,920 --> 00:01:57,070  
and

17  
00:02:22,939 --> 00:02:25,000  
Oh

18  
00:03:05,620 --> 00:03:12,920  
alright let's get this underway my

19  
00:03:11,000 --> 00:03:15,740  
fingers cross that's going to work ok

20  
00:03:12,919 --> 00:03:19,609  
button good evening old good evening

21  
00:03:15,740 --> 00:03:21,200  
Swansea so lovely to me down here drop

22  
00:03:19,610 --> 00:03:23,300  
it on down to a lovely wash weather

23  
00:03:21,199 --> 00:03:25,099  
actually early in the day was nice and

24  
00:03:23,300 --> 00:03:27,290  
bright wasn't it but it's slowly turn

25  
00:03:25,099 --> 00:03:28,489  
back to normal down here but my my

26  
00:03:27,289 --> 00:03:31,699  
wife's family from here they here

27  
00:03:28,490 --> 00:03:34,100  
tonight to her to see my talk and it's

28  
00:03:31,699 --> 00:03:38,109  
really great to be down here to talk you

29

00:03:34,099 --> 00:03:42,379  
tonight about this case of investigated

30  
00:03:38,110 --> 00:03:44,390  
so yes my name is Don Hogan and I'm the

31  
00:03:42,379 --> 00:03:47,449  
chairman and lead investigator for

32  
00:03:44,389 --> 00:03:49,399  
Birmingham UFO group and as eminent said

33  
00:03:47,449 --> 00:03:51,859  
the group's been running since late two

34  
00:03:49,400 --> 00:03:53,240  
thousand seven started by a couple of

35  
00:03:51,860 --> 00:03:55,400  
guys in Birmingham there Craig and Marc

36  
00:03:53,240 --> 00:03:57,379  
and I was one of the first members to

37  
00:03:55,400 --> 00:03:59,599  
sign up because I are brilliant as I as

38  
00:03:57,379 --> 00:04:00,530  
a UFO broke within reach of my house and

39  
00:03:59,599 --> 00:04:02,659  
I can go along and meet like-minded

40  
00:04:00,530 --> 00:04:05,090  
people have a bit of a chat and

41  
00:04:02,659 --> 00:04:06,409  
everything and it wasn't long before

42  
00:04:05,090 --> 00:04:08,780  
they took me on as the official

43  
00:04:06,409 --> 00:04:11,960

investigator for the group due to my

44

00:04:08,780 --> 00:04:13,159

passion and interest in the subject it's

45

00:04:11,960 --> 00:04:15,230

something I'd always thought about doing

46

00:04:13,159 --> 00:04:17,089

for many years just being directly

47

00:04:15,229 --> 00:04:18,889

involved and going speaking with people

48

00:04:17,089 --> 00:04:20,629

on the front lines with this and hearing

49

00:04:18,889 --> 00:04:22,819

about real experiences from people and

50

00:04:20,629 --> 00:04:24,860

it's something I just jumped on with the

51

00:04:22,819 --> 00:04:26,779

goats rally so I started writing

52

00:04:24,860 --> 00:04:29,030

reports to the group and then in the

53

00:04:26,779 --> 00:04:31,129

summer 2009 they handed over the running

54

00:04:29,029 --> 00:04:33,799

of blue fog to me as well and have been

55

00:04:31,129 --> 00:04:35,600

the chairman of that ever since where we

56

00:04:33,800 --> 00:04:39,050

hold monthly meetings in North

57

00:04:35,600 --> 00:04:41,780

Birmingham where we get various speakers

58  
00:04:39,050 --> 00:04:43,699  
to talk some which are here tonight so

59  
00:04:41,779 --> 00:04:47,089  
hi Alan everybody this island at the

60  
00:04:43,699 --> 00:04:48,680  
back super bear your follow just and we

61  
00:04:47,089 --> 00:04:50,239  
also showed documentaries and films of

62  
00:04:48,680 --> 00:04:52,579  
that sort of thing and I really like to

63  
00:04:50,240 --> 00:04:54,319  
promote the kind of an community spirit

64  
00:04:52,579 --> 00:04:56,149  
of these things just like you guys

65  
00:04:54,319 --> 00:04:57,680  
coming down tonight because a lot of

66  
00:04:56,149 --> 00:04:59,509  
people these days are kind of stuck on

67  
00:04:57,680 --> 00:05:01,430  
their computers and just checking out

68  
00:04:59,509 --> 00:05:02,719  
the subject via the internet and it's

69  
00:05:01,430 --> 00:05:05,449  
really nice when people just come

70  
00:05:02,720 --> 00:05:08,979  
together to meet up properly and have a

71  
00:05:05,449 --> 00:05:11,418  
chat about this fascinating subject so

72  
00:05:08,978 --> 00:05:11,629  
yeah I mean I've investigated hundreds

73  
00:05:11,418 --> 00:05:13,490  
you

74  
00:05:11,629 --> 00:05:16,519  
fo sightings over the years probably

75  
00:05:13,490 --> 00:05:18,230  
over a thousand now until and I'm

76  
00:05:16,519 --> 00:05:20,449  
getting more more known as being

77  
00:05:18,230 --> 00:05:22,810  
involved in the contact aspect of the

78  
00:05:20,449 --> 00:05:25,370  
subject and the so far investigate about

79  
00:05:22,810 --> 00:05:27,350  
250 or so contact cases from around the

80  
00:05:25,370 --> 00:05:30,110  
world over half of which have been a

81  
00:05:27,350 --> 00:05:33,230  
uk-based but have also covered cases as

82  
00:05:30,110 --> 00:05:34,610  
far as Australia and it's incredible

83  
00:05:33,230 --> 00:05:37,310  
there's the similarities that you get

84  
00:05:34,610 --> 00:05:38,509  
between those cases and a bit because of

85  
00:05:37,310 --> 00:05:41,089  
my interest in that particular aspect

86

00:05:38,509 --> 00:05:42,860  
and content these are now coming to me

87  
00:05:41,089 --> 00:05:44,269  
so that have to go around searching for

88  
00:05:42,860 --> 00:05:45,590  
people and so have you had an adoption

89  
00:05:44,269 --> 00:05:48,199  
or anything they're coming to me

90  
00:05:45,589 --> 00:05:50,299  
directly off word of mouth and showing

91  
00:05:48,199 --> 00:05:51,889  
their experiences with me quite a lot of

92  
00:05:50,300 --> 00:05:54,470  
the time those experiences turn into a

93  
00:05:51,889 --> 00:05:56,269  
very detailed case reports they can all

94  
00:05:54,470 --> 00:05:59,540  
be found freely available on the blue

95  
00:05:56,269 --> 00:06:01,310  
fog website other times it's very very

96  
00:05:59,540 --> 00:06:03,620  
personal to the individual and they just

97  
00:06:01,310 --> 00:06:05,030  
want to keep it to themselves really so

98  
00:06:03,620 --> 00:06:07,370  
we just have it have a chat and help

99  
00:06:05,029 --> 00:06:09,769  
them out and come to terms with what

100  
00:06:07,370 --> 00:06:10,610

with what's happening to them and I've

101

00:06:09,769 --> 00:06:13,399  
also worked with the number of

102

00:06:10,610 --> 00:06:15,050  
hypnotherapists over the years on

103

00:06:13,399 --> 00:06:18,889  
hypnotic regressions of contour tease

104

00:06:15,050 --> 00:06:20,840  
it's a very very controversial angle of

105

00:06:18,889 --> 00:06:23,120  
the subject due to the introduction of

106

00:06:20,839 --> 00:06:25,519  
false memories which can sometimes

107

00:06:23,120 --> 00:06:27,889  
happen but it's still a way of exploring

108

00:06:25,519 --> 00:06:30,319  
the cases further than what the

109

00:06:27,889 --> 00:06:32,300  
individual consciously remembers so

110

00:06:30,319 --> 00:06:35,029  
where the options open there you know

111

00:06:32,300 --> 00:06:36,050  
more than welcome for them to do that so

112

00:06:35,029 --> 00:06:38,869  
tonight I'm going to talk with you about

113

00:06:36,050 --> 00:06:41,240  
this incredible case the abyss contact

114

00:06:38,870 --> 00:06:44,660  
case and the case they first came to me

115  
00:06:41,240 --> 00:06:46,310  
the summer of 2014 so yeah that's

116  
00:06:44,660 --> 00:06:48,890  
something a summer brief look at how the

117  
00:06:46,310 --> 00:06:51,889  
investigation went on this one so

118  
00:06:48,889 --> 00:06:53,750  
initial correspondence came from Dave

119  
00:06:51,889 --> 00:06:57,529  
contacted me via phone after checking

120  
00:06:53,750 --> 00:06:59,839  
out one of my other talks on on youtube

121  
00:06:57,529 --> 00:07:02,689  
I write regularly for UFO truth magazine

122  
00:06:59,839 --> 00:07:04,579  
and the yearly UFO truth magazine

123  
00:07:02,689 --> 00:07:07,910  
conference I was speaking at that

124  
00:07:04,579 --> 00:07:10,039  
several years ago and Dave saw that

125  
00:07:07,910 --> 00:07:11,750  
video and got in touch and said it you

126  
00:07:10,040 --> 00:07:13,520  
know I've had some interesting things

127  
00:07:11,750 --> 00:07:16,009  
that happens in my life and I'd like to

128  
00:07:13,519 --> 00:07:17,449  
go over over them with him so I headed

129  
00:07:16,009 --> 00:07:19,310  
down to business and I'll fight other

130  
00:07:17,449 --> 00:07:21,800  
place lovely place in the Oxfordshire

131  
00:07:19,310 --> 00:07:23,360  
headed down there for the day and we

132  
00:07:21,800 --> 00:07:25,680  
just basically just had a chat

133  
00:07:23,360 --> 00:07:27,960  
for many many hours about all sorts of

134  
00:07:25,680 --> 00:07:29,400  
experiences you had visited a number of

135  
00:07:27,959 --> 00:07:32,579  
different locations to take photographs

136  
00:07:29,399 --> 00:07:34,289  
and that sort of thing when I got back

137  
00:07:32,579 --> 00:07:37,019  
up Birmingham started rising the report

138  
00:07:34,290 --> 00:07:39,410  
it was extremely in depth is probably

139  
00:07:37,019 --> 00:07:41,339  
over 200 pages long I think and

140  
00:07:39,410 --> 00:07:43,139  
everything you hear about tonight so

141  
00:07:41,339 --> 00:07:44,969  
everything I'm going to cover and many

142  
00:07:43,139 --> 00:07:46,019  
other experiences are in that report so

143

00:07:44,970 --> 00:07:47,910  
you know if you're interested in what

144  
00:07:46,019 --> 00:07:49,979  
here tonight and you want to hidden him

145  
00:07:47,910 --> 00:07:52,260  
read more just to go and check out check

146  
00:07:49,980 --> 00:07:54,150  
out the report that went up probably

147  
00:07:52,259 --> 00:07:58,349  
about nine months later it took a while

148  
00:07:54,149 --> 00:08:01,229  
to put together after that I did I add

149  
00:07:58,350 --> 00:08:04,650  
talk on UFOs in the music industry so

150  
00:08:01,230 --> 00:08:06,300  
the UFO themed bands and musicians have

151  
00:08:04,649 --> 00:08:09,569  
had experiences and then released songs

152  
00:08:06,300 --> 00:08:12,000  
based on those experiences and it's it

153  
00:08:09,569 --> 00:08:14,430  
very relevant to to get Dave and his

154  
00:08:12,000 --> 00:08:15,689  
band cosmos is to come and play as part

155  
00:08:14,430 --> 00:08:18,990  
of that event so they came up to

156  
00:08:15,689 --> 00:08:21,180  
Birmingham and played a gig and you'll

157  
00:08:18,990 --> 00:08:22,590

see the title of my talk the cosmos is

158

00:08:21,180 --> 00:08:26,430

connection and you'll find out what

159

00:08:22,589 --> 00:08:27,629

that's all about in a bit I then headed

160

00:08:26,430 --> 00:08:29,009

back to bicester on numerous other

161

00:08:27,629 --> 00:08:31,620

occasions to continue the investigation

162

00:08:29,009 --> 00:08:32,849

and just really just socialize with the

163

00:08:31,620 --> 00:08:34,740

guys because they you know we've formed

164

00:08:32,849 --> 00:08:38,009

kind of lasting friendship and nothing

165

00:08:34,740 --> 00:08:40,168

there on stage a place in in Oxford and

166

00:08:38,009 --> 00:08:41,668

and they're going for strength of

167

00:08:40,168 --> 00:08:45,000

strength and the store playing gigs

168

00:08:41,668 --> 00:08:47,639

regularly down there s'okay suspect says

169

00:08:45,000 --> 00:08:49,320

Dave which day for both Dave I said yeah

170

00:08:47,639 --> 00:08:52,049

there is Dave Hunt there I don't know

171

00:08:49,320 --> 00:08:53,760

who this man in black a geyser no idea

172  
00:08:52,049 --> 00:08:55,229  
so seven look at the aspects of this

173  
00:08:53,759 --> 00:08:58,470  
case and why I think it's such an

174  
00:08:55,230 --> 00:09:00,509  
important case it's extremely detailed

175  
00:08:58,470 --> 00:09:02,910  
and it's occurred over a long period of

176  
00:09:00,509 --> 00:09:04,409  
time now in some contact experiences the

177  
00:09:02,909 --> 00:09:06,659  
individual has one or two encounters

178  
00:09:04,409 --> 00:09:07,799  
over a short period of time and then

179  
00:09:06,659 --> 00:09:10,409  
nothing else for the rest of their life

180  
00:09:07,799 --> 00:09:12,240  
but other cases we calmly term repeater

181  
00:09:10,409 --> 00:09:15,419  
cases the individual has their

182  
00:09:12,240 --> 00:09:17,580  
experiences always from birth for from

183  
00:09:15,419 --> 00:09:20,549  
very young age and that's how this case

184  
00:09:17,580 --> 00:09:22,620  
is extremely detailed there's

185  
00:09:20,549 --> 00:09:25,529  
testimonial evidence we've got from from

186  
00:09:22,620 --> 00:09:28,649  
many witnesses and it's interesting that

187  
00:09:25,529 --> 00:09:31,230  
in a lot of the cases there have been

188  
00:09:28,649 --> 00:09:33,120  
other people present so it's not all

189  
00:09:31,230 --> 00:09:35,909  
just taking the testimony of one person

190  
00:09:33,120 --> 00:09:36,539  
and this is just a massive web of

191  
00:09:35,909 --> 00:09:38,730  
individuals

192  
00:09:36,539 --> 00:09:40,799  
involved in this case that involved most

193  
00:09:38,730 --> 00:09:42,330  
members of his family his closest

194  
00:09:40,799 --> 00:09:44,729  
friends and and other friends and

195  
00:09:42,330 --> 00:09:47,879  
associates many of which I've spoken

196  
00:09:44,730 --> 00:09:49,710  
with all of which back up the the

197  
00:09:47,879 --> 00:09:52,500  
experiences that I'm going to tell you

198  
00:09:49,710 --> 00:09:54,330  
about this evening so that's quite read

199  
00:09:52,500 --> 00:09:56,159  
you get that in a lot of cases it's just

200

00:09:54,330 --> 00:09:58,080  
a kind of just had to take one person's

201  
00:09:56,159 --> 00:10:00,899  
word for it and you can either take it

202  
00:09:58,080 --> 00:10:02,850  
or leave it but with this it's the

203  
00:10:00,899 --> 00:10:04,740  
amount of people that we've got to give

204  
00:10:02,850 --> 00:10:06,720  
testimony there is some physical

205  
00:10:04,740 --> 00:10:08,940  
photographic evidence involved with this

206  
00:10:06,720 --> 00:10:10,200  
case not so much but a bit in places and

207  
00:10:08,940 --> 00:10:14,190  
I'll take you through some of that

208  
00:10:10,200 --> 00:10:16,530  
tonight and also yeah and absolutely

209  
00:10:14,190 --> 00:10:17,790  
clear emotional impacts on the people

210  
00:10:16,529 --> 00:10:20,129  
involved with this this is a deeply

211  
00:10:17,789 --> 00:10:24,389  
touched Dave his friends and his family

212  
00:10:20,129 --> 00:10:27,240  
in in many ways and really changed their

213  
00:10:24,389 --> 00:10:30,960  
lives and you'll hear more about that as

214  
00:10:27,240 --> 00:10:32,519

we as we progress with this so we're

215

00:10:30,960 --> 00:10:35,460

going to start now with with David's

216

00:10:32,519 --> 00:10:37,049

experiences I don't whether you want to

217

00:10:35,460 --> 00:10:39,870

break at the halfway point on our time

218

00:10:37,049 --> 00:10:43,409

then George want me to split it the half

219

00:10:39,870 --> 00:10:44,850

year yes I'm not yeah so yeah we go

220

00:10:43,409 --> 00:10:46,769

through experiences and we'll get about

221

00:10:44,850 --> 00:10:48,690

halfway through no you know no we'll

222

00:10:46,769 --> 00:10:50,699

have a little break through this but

223

00:10:48,690 --> 00:10:52,530

yeah his experiences did actually start

224

00:10:50,700 --> 00:10:56,490

about age too but this this one took

225

00:10:52,529 --> 00:11:01,730

place 1979 is a state and is at a play

226

00:10:56,490 --> 00:11:04,590

group in London refused to go to right

227

00:11:01,730 --> 00:11:06,539

so essentially let me take you through

228

00:11:04,590 --> 00:11:08,600

what happened so that the playgroup he

229  
00:11:06,539 --> 00:11:11,129  
goes down there every single week and I

230  
00:11:08,600 --> 00:11:13,050  
wonder a plague of idiot decided to use

231  
00:11:11,129 --> 00:11:15,299  
the toilet so it tells the attendant

232  
00:11:13,049 --> 00:11:17,609  
they're used to go to the loop when he

233  
00:11:15,299 --> 00:11:19,019  
enters the toilets there's some figures

234  
00:11:17,610 --> 00:11:20,669  
standing there now obviously has only

235  
00:11:19,019 --> 00:11:22,500  
three years old he doesn't have too much

236  
00:11:20,669 --> 00:11:25,110  
recollection of this but he remembers

237  
00:11:22,500 --> 00:11:26,909  
their being men told people standing

238  
00:11:25,110 --> 00:11:30,990  
there and there were wendys a blue

239  
00:11:26,909 --> 00:11:33,000  
colored and sort of outfit and that's

240  
00:11:30,990 --> 00:11:37,049  
all he remembers next thing he knows

241  
00:11:33,000 --> 00:11:40,470  
he's quite far away elsewhere in London

242  
00:11:37,049 --> 00:11:43,019  
and several hours have passed back two

243  
00:11:40,470 --> 00:11:45,509  
hours and he's basically picked up is

244  
00:11:43,019 --> 00:11:48,449  
somebody on the street and spots him on

245  
00:11:45,509 --> 00:11:49,580  
his own calls the police and they get

246  
00:11:48,450 --> 00:11:51,680  
involved and then

247  
00:11:49,580 --> 00:11:53,450  
they find out who he is and get the

248  
00:11:51,679 --> 00:11:56,179  
parents and eventually he's kind of

249  
00:11:53,450 --> 00:11:57,500  
reunited with it with his parents so

250  
00:11:56,179 --> 00:12:00,439  
yeah let's say let's have a look at some

251  
00:11:57,500 --> 00:12:02,809  
of the aspects of this incident in more

252  
00:12:00,440 --> 00:12:05,060  
detail Shelley well special these are

253  
00:12:02,809 --> 00:12:09,189  
these men lead lives of men but these

254  
00:12:05,059 --> 00:12:12,169  
men and David encountered okay so the

255  
00:12:09,190 --> 00:12:14,840  
the figures were standing wearing these

256  
00:12:12,169 --> 00:12:16,839  
sort of light blue tight-fitting outfits

257

00:12:14,840 --> 00:12:19,639  
that's what that's what he describes as

258  
00:12:16,840 --> 00:12:21,769  
interesting that that he remembers that

259  
00:12:19,639 --> 00:12:25,669  
because that actually fits quite closely

260  
00:12:21,769 --> 00:12:29,809  
with clothing that a particular type or

261  
00:12:25,669 --> 00:12:32,120  
species if you will of being where many

262  
00:12:29,809 --> 00:12:34,159  
of you will be familiar with this for

263  
00:12:32,120 --> 00:12:35,600  
those they were aren't one of the the

264  
00:12:34,159 --> 00:12:37,459  
beings that's commonly reported by

265  
00:12:35,600 --> 00:12:39,710  
people they're commonly termed the

266  
00:12:37,460 --> 00:12:42,410  
Nordics or sometimes called humanoids or

267  
00:12:39,710 --> 00:12:44,540  
played ians because some people either

268  
00:12:42,409 --> 00:12:47,419  
from the Pleiades star system so the

269  
00:12:44,539 --> 00:12:49,610  
comp lady ins but essentially they're

270  
00:12:47,419 --> 00:12:53,299  
very very very very humanoid looking

271  
00:12:49,610 --> 00:12:55,789

quite perfect kind of features and the

272

00:12:53,299 --> 00:12:57,769

usual got pale or white hair usually

273

00:12:55,789 --> 00:12:59,899

comes shoulder length and the wear these

274

00:12:57,769 --> 00:13:02,720

kind of type things or jumpsuits usually

275

00:12:59,899 --> 00:13:03,860

either blue or silver there's other case

276

00:13:02,720 --> 00:13:06,170

of investigated where they've been

277

00:13:03,860 --> 00:13:09,259

wearing this kind of white road when the

278

00:13:06,169 --> 00:13:11,389

scene aboard craft these beings are

279

00:13:09,259 --> 00:13:12,889

reported very regularly and a lot of

280

00:13:11,389 --> 00:13:14,929

people think that they were reported a

281

00:13:12,889 --> 00:13:18,019

lot back in the 60s and 70s and they

282

00:13:14,929 --> 00:13:19,309

look all David Bowie style and and and

283

00:13:18,019 --> 00:13:20,720

they do it they do actually look like

284

00:13:19,309 --> 00:13:22,729

that and the still reported like that

285

00:13:20,720 --> 00:13:24,470

today and they're seen almost as

286  
00:13:22,730 --> 00:13:27,560  
commonly as some of the other sort of

287  
00:13:24,470 --> 00:13:29,960  
types of beings or entities that are

288  
00:13:27,559 --> 00:13:34,849  
commonly reported so still a very major

289  
00:13:29,960 --> 00:13:36,139  
part of contact so it manages to get

290  
00:13:34,850 --> 00:13:38,090  
outside the play group without being

291  
00:13:36,139 --> 00:13:40,519  
spotted so the teachers right there with

292  
00:13:38,090 --> 00:13:42,920  
the other children just just right next

293  
00:13:40,519 --> 00:13:44,870  
to whether whether losses and it seems

294  
00:13:42,919 --> 00:13:46,939  
you can see what he'd be able to do that

295  
00:13:44,870 --> 00:13:48,950  
walk outside around the outside of the

296  
00:13:46,940 --> 00:13:50,630  
playgroup where some very tall fences

297  
00:13:48,950 --> 00:13:52,340  
this isn't the actual fences but it's a

298  
00:13:50,629 --> 00:13:54,409  
isn't a representation of them that we

299  
00:13:52,340 --> 00:13:56,360  
found online they says a match to what

300  
00:13:54,409 --> 00:13:57,679  
the play we've had around it essentially

301  
00:13:56,360 --> 00:13:58,970  
obviously the children were locked in

302  
00:13:57,679 --> 00:14:00,289  
there they don't want random members of

303  
00:13:58,970 --> 00:14:03,059  
the public walking in while the plague

304  
00:14:00,289 --> 00:14:05,818  
written in place so how on earth did

305  
00:14:03,058 --> 00:14:09,868  
get over these are huge fences its

306  
00:14:05,818 --> 00:14:11,848  
figures old room so this is his journey

307  
00:14:09,869 --> 00:14:13,139  
hope you can see that the back right

308  
00:14:11,849 --> 00:14:15,749  
this is London as the River Thames

309  
00:14:13,139 --> 00:14:17,519  
flowing on there and this is the Aponte

310  
00:14:15,749 --> 00:14:19,918  
here when they like that that's the

311  
00:14:17,519 --> 00:14:21,869  
position of the playgroup and this is

312  
00:14:19,918 --> 00:14:25,528  
where he was found roughly two hours

313  
00:14:21,869 --> 00:14:27,569  
later so it disappeared and no idea two

314

00:14:25,528 --> 00:14:30,088  
hours later bang who's there it picked

315  
00:14:27,568 --> 00:14:31,978  
up on the street and obviously that's

316  
00:14:30,089 --> 00:14:35,249  
quite a distance for a three-year-old to

317  
00:14:31,979 --> 00:14:37,199  
walk yes it was a two hours yeah but

318  
00:14:35,249 --> 00:14:38,939  
really can a figure I'll really wonder

319  
00:14:37,198 --> 00:14:41,068  
and London bounced off across numerous

320  
00:14:38,938 --> 00:14:42,448  
bridges across the river thames and what

321  
00:14:41,068 --> 00:14:44,338  
that sort of distance the three years

322  
00:14:42,448 --> 00:14:47,639  
old without being picked up by anybody

323  
00:14:44,339 --> 00:14:49,829  
it just seems inconceivable to me during

324  
00:14:47,639 --> 00:14:51,599  
that time is not supported by anybody so

325  
00:14:49,828 --> 00:14:53,488  
if he was walking surely somebody would

326  
00:14:51,599 --> 00:14:56,539  
have seen the kid wandering around on

327  
00:14:53,489 --> 00:14:59,189  
their own and picked him up button it

328  
00:14:56,538 --> 00:15:00,479

and also dad's got no recollection of

329

00:14:59,188 --> 00:15:01,918

this journey taking place all he

330

00:15:00,479 --> 00:15:03,839

remembers is walking in there seeing

331

00:15:01,918 --> 00:15:07,278

these figures and then his net

332

00:15:03,839 --> 00:15:09,989

recollection is being there so yeah um

333

00:15:07,278 --> 00:15:12,479

in restoration and due to his other

334

00:15:09,989 --> 00:15:14,639

experiences later on of occurred and the

335

00:15:12,479 --> 00:15:16,949

fact that he quite clearly the contactee

336

00:15:14,639 --> 00:15:18,869

I think it's a probable or at least

337

00:15:16,948 --> 00:15:20,608

possible that he was abducted on this

338

00:15:18,869 --> 00:15:22,979

occasion and has the memories of that

339

00:15:20,609 --> 00:15:25,109

experience blood blacked out for those

340

00:15:22,979 --> 00:15:27,299

who are unfamiliar with their contact

341

00:15:25,109 --> 00:15:29,939

experiences where people are taken the

342

00:15:27,298 --> 00:15:31,739

craft and taken aboard craft and a lot

343  
00:15:29,938 --> 00:15:33,298  
of the time the year the infamy of the

344  
00:15:31,739 --> 00:15:34,798  
information is quite fragmented they

345  
00:15:33,298 --> 00:15:36,658  
only remember parts of the experience

346  
00:15:34,798 --> 00:15:38,308  
and in other cases they can't remember

347  
00:15:36,658 --> 00:15:40,619  
at all and it's called their missing

348  
00:15:38,308 --> 00:15:42,988  
time usually and they fit to have the

349  
00:15:40,619 --> 00:15:44,069  
memories blanked out and I personally

350  
00:15:42,989 --> 00:15:46,139  
believe that something that the beans

351  
00:15:44,068 --> 00:15:47,908  
are doing on purpose they kind of

352  
00:15:46,139 --> 00:15:50,668  
appeared with working covertly and they

353  
00:15:47,908 --> 00:15:52,048  
don't really want the the human beings

354  
00:15:50,668 --> 00:15:53,208  
who are involved with contact to know

355  
00:15:52,048 --> 00:15:55,499  
that they're having these experiences

356  
00:15:53,208 --> 00:15:56,998  
that I could talk about missing time as

357  
00:15:55,499 --> 00:16:00,418  
you know for then for the entire lecture

358  
00:15:56,999 --> 00:16:05,189  
so let's move on so we're moving on now

359  
00:16:00,418 --> 00:16:07,228  
in 1988 and again we've got a scenario

360  
00:16:05,188 --> 00:16:09,418  
here where you a possible abduction took

361  
00:16:07,229 --> 00:16:12,028  
place and this time it was on the

362  
00:16:09,418 --> 00:16:13,828  
motorway and with his parents driving

363  
00:16:12,028 --> 00:16:14,539  
and they've gone down to folks turned

364  
00:16:13,828 --> 00:16:16,579  
down here

365  
00:16:14,539 --> 00:16:18,769  
as I was London up there and sways to

366  
00:16:16,580 --> 00:16:20,540  
live at point B and this is there this

367  
00:16:18,769 --> 00:16:22,039  
is that route they were taking home so

368  
00:16:20,539 --> 00:16:24,199  
they kind of visit relatives down here

369  
00:16:22,039 --> 00:16:26,569  
and and they were heading back along the

370  
00:16:24,200 --> 00:16:28,129  
road and somewhere on this journey this

371

00:16:26,570 --> 00:16:31,540  
incident occurred we don't know the

372  
00:16:28,129 --> 00:16:33,679  
exact location but Polly round here

373  
00:16:31,539 --> 00:16:35,839  
today is looking at the back seat of the

374  
00:16:33,679 --> 00:16:38,870  
of the car just looking at the window

375  
00:16:35,840 --> 00:16:41,690  
and all of a sudden e cesar what I

376  
00:16:38,870 --> 00:16:44,289  
basically i Jes a fighter jet following

377  
00:16:41,690 --> 00:16:48,590  
after the car and it fits we're matching

378  
00:16:44,289 --> 00:16:51,230  
the speed of the car is essentially kind

379  
00:16:48,590 --> 00:16:54,440  
of floating slowly matching and just

380  
00:16:51,230 --> 00:16:55,879  
hovering there in the sky and he tells

381  
00:16:54,440 --> 00:16:57,440  
his parents about this jet and they're

382  
00:16:55,879 --> 00:16:59,929  
like madam don't be silly you know tips

383  
00:16:57,440 --> 00:17:02,150  
because if you can't come follow cars it

384  
00:16:59,929 --> 00:17:03,439  
doesn't happen so they carry on driving

385  
00:17:02,149 --> 00:17:06,200

and they don't really pay much attention

386

00:17:03,440 --> 00:17:09,620

all of a sudden and everything goes

387

00:17:06,200 --> 00:17:12,049

black um everything outside the car was

388

00:17:09,619 --> 00:17:14,089

a completely bitch pitch black in the

389

00:17:12,049 --> 00:17:16,129

car yet some visibility of the of his

390

00:17:14,089 --> 00:17:18,049

clothes surroundings and his parents

391

00:17:16,130 --> 00:17:19,160

appeared to be sort of passed out in the

392

00:17:18,049 --> 00:17:20,869

front of the car they paid to be

393

00:17:19,160 --> 00:17:23,630

unconscious which is lying there in the

394

00:17:20,869 --> 00:17:25,489

seats like that completely oblivious it

395

00:17:23,630 --> 00:17:28,340

also looks like the cars ground to a

396

00:17:25,490 --> 00:17:31,099

halt and it's just everything's still

397

00:17:28,339 --> 00:17:33,740

and quiet and dark outside and then

398

00:17:31,099 --> 00:17:36,379

David it was about I think it's about 13

399

00:17:33,740 --> 00:17:38,210

to 12 or 13 for this point he gets

400  
00:17:36,380 --> 00:17:40,550  
really he's got this varied recollection

401  
00:17:38,210 --> 00:17:42,620  
of something approaching the car from

402  
00:17:40,549 --> 00:17:45,980  
the outside and opening the car door on

403  
00:17:42,619 --> 00:17:47,689  
his side and that's it that's that's his

404  
00:17:45,980 --> 00:17:50,150  
only that's where his memory of that

405  
00:17:47,690 --> 00:17:51,980  
incident ends as I mentioned a lot of

406  
00:17:50,150 --> 00:17:55,070  
the time memories of contact can be

407  
00:17:51,980 --> 00:17:58,220  
quite fragmented so I'm looking at more

408  
00:17:55,069 --> 00:18:00,439  
debt physio desi and 26 or so wrong so

409  
00:17:58,220 --> 00:18:02,240  
just stand the boat away that there is

410  
00:18:00,440 --> 00:18:04,460  
the type of jet that was that was

411  
00:18:02,240 --> 00:18:05,720  
following after the car don't know that

412  
00:18:04,460 --> 00:18:08,360  
was that cyber jet because he had an

413  
00:18:05,720 --> 00:18:10,759  
interest in aviation at the age and he

414  
00:18:08,359 --> 00:18:15,399  
he actually knew that it was that time

415  
00:18:10,759 --> 00:18:18,740  
jet so is a fighter jet volkan and

416  
00:18:15,400 --> 00:18:20,420  
essentially as I said he can't fly at

417  
00:18:18,740 --> 00:18:21,589  
that speed Jets obviously when you see

418  
00:18:20,420 --> 00:18:24,440  
them they're just zip right across

419  
00:18:21,589 --> 00:18:26,658  
really quick flick to have been

420  
00:18:24,440 --> 00:18:28,070  
traveling at that speed and also

421  
00:18:26,659 --> 00:18:31,639  
following the car is just completely

422  
00:18:28,069 --> 00:18:33,710  
implausible really and we move on there

423  
00:18:31,638 --> 00:18:35,118  
to another area of contact which some of

424  
00:18:33,710 --> 00:18:38,269  
you will be familiar with but maybe not

425  
00:18:35,118 --> 00:18:39,829  
all which is screen memories screen

426  
00:18:38,269 --> 00:18:41,960  
memories are where the beings appeared a

427  
00:18:39,829 --> 00:18:43,728  
mask either their own appearance or the

428

00:18:41,960 --> 00:18:46,069  
appearance of their of their craft and

429  
00:18:43,729 --> 00:18:48,169  
they did it's quite regularly with with

430  
00:18:46,069 --> 00:18:51,019  
contact experiences and the bees because

431  
00:18:48,169 --> 00:18:53,929  
sometimes disguise himself as a family

432  
00:18:51,019 --> 00:18:56,239  
member or friend or an animal the craft

433  
00:18:53,929 --> 00:18:58,309  
had seen as owls something you want over

434  
00:18:56,239 --> 00:19:00,048  
the film the fourth kind which was a

435  
00:18:58,308 --> 00:19:02,210  
kind of contact theme horror movie and

436  
00:19:00,048 --> 00:19:04,038  
in that there the guy was seeing owls

437  
00:19:02,210 --> 00:19:06,798  
and that was basically based on that

438  
00:19:04,038 --> 00:19:10,038  
other animals have been reported wolves

439  
00:19:06,798 --> 00:19:11,450  
even tigers something that so they

440  
00:19:10,038 --> 00:19:13,460  
appeared to be something familiar to the

441  
00:19:11,450 --> 00:19:14,929  
individual and within with the craft

442  
00:19:13,460 --> 00:19:17,210

there will often disguise himself as a

443

00:19:14,929 --> 00:19:18,830

helicopter or a biplane or something

444

00:19:17,210 --> 00:19:21,590

like that so the individual when their

445

00:19:18,829 --> 00:19:23,329

things back to to the experience they

446

00:19:21,589 --> 00:19:26,388

don't see a kind of flying saucer or

447

00:19:23,329 --> 00:19:28,668

whatever they see a mundane object and

448

00:19:26,388 --> 00:19:30,199

then sometimes the regression they can

449

00:19:28,669 --> 00:19:31,489

actually see it in its real form and

450

00:19:30,200 --> 00:19:34,548

they can actually sort see the being as

451

00:19:31,489 --> 00:19:36,348

a being or see the craft and this is

452

00:19:34,548 --> 00:19:38,118

this is a very common aspect to contact

453

00:19:36,348 --> 00:19:40,220

and I would say a definite real part of

454

00:19:38,118 --> 00:19:41,720

it and again it appears to be something

455

00:19:40,220 --> 00:19:43,909

that the beans are doing I think that

456

00:19:41,720 --> 00:19:46,089

they're doing on purpose probably to

457  
00:19:43,909 --> 00:19:48,499  
reduce the fear of the experience and

458  
00:19:46,089 --> 00:19:50,028  
again and again though it's almost like

459  
00:19:48,499 --> 00:19:51,858  
they're going into the person's mind and

460  
00:19:50,028 --> 00:19:55,669  
finding something which is familiar or

461  
00:19:51,858 --> 00:19:57,589  
they're okay with and for example in

462  
00:19:55,669 --> 00:19:58,999  
some days earlier experiences other than

463  
00:19:57,589 --> 00:20:00,558  
we're going to cover here he had he

464  
00:19:58,999 --> 00:20:02,868  
actually had a number of princes where

465  
00:20:00,558 --> 00:20:04,729  
he saw soldiers in his room at night and

466  
00:20:02,868 --> 00:20:05,720  
he had an interest in the army and he

467  
00:20:04,729 --> 00:20:07,729  
was thinking about joining the armed

468  
00:20:05,720 --> 00:20:09,470  
forces and this other thing and this

469  
00:20:07,729 --> 00:20:13,340  
problem that was sort of taking that

470  
00:20:09,470 --> 00:20:14,989  
that form so I'd certainly believe that

471  
00:20:13,339 --> 00:20:16,699  
it's quite possible this jet wasn't a

472  
00:20:14,989 --> 00:20:19,249  
jet at all but was a craft following

473  
00:20:16,700 --> 00:20:21,139  
behind the car then as this sudden

474  
00:20:19,249 --> 00:20:23,210  
darkness this again is a very regular

475  
00:20:21,138 --> 00:20:25,428  
ragley reported aspect of contact

476  
00:20:23,210 --> 00:20:28,069  
interestingly you've got either bright

477  
00:20:25,429 --> 00:20:29,989  
light or darkness for cases some people

478  
00:20:28,069 --> 00:20:32,178  
see everything go pitch black around and

479  
00:20:29,989 --> 00:20:34,700  
sometimes when they board the when they

480  
00:20:32,179 --> 00:20:37,159  
go away to what appears to be a craft is

481  
00:20:34,700 --> 00:20:38,838  
it's very very dark around other times

482  
00:20:37,159 --> 00:20:40,370  
they can be blinding white light and

483  
00:20:38,838 --> 00:20:42,769  
some of the beings can kind of step

484  
00:20:40,369 --> 00:20:44,750  
out of this lighten and take people back

485

00:20:42,769 --> 00:20:47,839  
into the light with them so it's very

486  
00:20:44,750 --> 00:20:50,450  
interesting these kind of parallels the

487  
00:20:47,839 --> 00:20:54,679  
parents unconscious again this again

488  
00:20:50,450 --> 00:20:56,299  
this again puts to contact and there's a

489  
00:20:54,680 --> 00:20:57,920  
lot of time distortion element to

490  
00:20:56,299 --> 00:20:59,690  
contact cases and when you look into

491  
00:20:57,920 --> 00:21:02,000  
quite a few you're just starts to the

492  
00:20:59,690 --> 00:21:03,259  
similarities between the cases and it's

493  
00:21:02,000 --> 00:21:05,000  
almost like they're shutting down the

494  
00:21:03,259 --> 00:21:08,299  
the local area some sort of time

495  
00:21:05,000 --> 00:21:10,730  
distortion goes on and so for example

496  
00:21:08,299 --> 00:21:12,740  
let's say there's a man and his wife and

497  
00:21:10,730 --> 00:21:14,450  
they line there and and the wife has a

498  
00:21:12,740 --> 00:21:16,069  
covered experience in the night the

499  
00:21:14,450 --> 00:21:17,660

husband may be a completely sort of

500

00:21:16,069 --> 00:21:19,879

knocked out unconscious and she can go

501

00:21:17,660 --> 00:21:21,470

to try and wake him up and hits him and

502

00:21:19,880 --> 00:21:23,059

everything ne le just doesn't stay just

503

00:21:21,470 --> 00:21:25,610

stays completely sleeps like it's been

504

00:21:23,058 --> 00:21:28,279

blanked out and I believe that they do

505

00:21:25,609 --> 00:21:29,899

that and so that they can directly

506

00:21:28,279 --> 00:21:31,940

contact the individual without other

507

00:21:29,900 --> 00:21:34,250

people interfering so anybody they don't

508

00:21:31,940 --> 00:21:35,920

want to be a part of the experience will

509

00:21:34,250 --> 00:21:38,329

not be able to essentially shut down

510

00:21:35,920 --> 00:21:41,420

switched off for a year for a period of

511

00:21:38,329 --> 00:21:43,189

time the sense of approaching figure in

512

00:21:41,420 --> 00:21:45,710

the car door opening tends to suggest

513

00:21:43,190 --> 00:21:47,840

that a being of some kind approached him

514  
00:21:45,710 --> 00:21:49,610  
and possibly took him out of the car

515  
00:21:47,839 --> 00:21:52,730  
elsewhere although he's got no

516  
00:21:49,609 --> 00:21:54,319  
recollection of that of course we've got

517  
00:21:52,730 --> 00:21:56,509  
the confirmation from the father yeah

518  
00:21:54,319 --> 00:21:59,149  
this wasn't too long ago meant three or

519  
00:21:56,509 --> 00:22:01,099  
four years ago David decided to speak

520  
00:21:59,150 --> 00:22:03,170  
with his father about this experience as

521  
00:22:01,099 --> 00:22:06,139  
its daddy's they're very skeptically

522  
00:22:03,170 --> 00:22:09,080  
minded about the whole thing and doesn't

523  
00:22:06,140 --> 00:22:11,110  
it doesn't entertain the notion that

524  
00:22:09,079 --> 00:22:13,879  
these other things can take place and

525  
00:22:11,109 --> 00:22:15,619  
Dave went and spoke with him about this

526  
00:22:13,880 --> 00:22:17,660  
experience and we're starting to take it

527  
00:22:15,619 --> 00:22:21,439  
through him and all of a sudden at the

528  
00:22:17,660 --> 00:22:24,259  
flu it's like oh I remember the car

529  
00:22:21,440 --> 00:22:25,910  
going black and I st. UD basie just he

530  
00:22:24,259 --> 00:22:28,279  
just came back to him now this this

531  
00:22:25,910 --> 00:22:31,340  
happens what happens is these memories

532  
00:22:28,279 --> 00:22:32,720  
that are blocked out some sometimes this

533  
00:22:31,339 --> 00:22:34,189  
can trigger them and one of the things

534  
00:22:32,720 --> 00:22:35,690  
that can trigger them is just talking

535  
00:22:34,190 --> 00:22:37,400  
about them just talking about that that

536  
00:22:35,690 --> 00:22:39,200  
experience because sometimes bring the

537  
00:22:37,400 --> 00:22:41,420  
memories back into the forefront of the

538  
00:22:39,200 --> 00:22:43,700  
mind so his father black black this out

539  
00:22:41,420 --> 00:22:45,500  
completely but when he when he talked

540  
00:22:43,700 --> 00:22:47,330  
about it he remembered it and and he

541  
00:22:45,500 --> 00:22:49,309  
couldn't explain it he didn't take it

542

00:22:47,329 --> 00:22:51,169  
any further than that but his father did

543  
00:22:49,309 --> 00:22:53,579  
confirm that he remembered the car sunny

544  
00:22:51,170 --> 00:22:54,600  
everything goes suddenly black and

545  
00:22:53,579 --> 00:22:56,159  
from that point onwards with that

546  
00:22:54,599 --> 00:22:57,599  
experience she was not text so he

547  
00:22:56,160 --> 00:22:59,700  
wouldn't have any any further

548  
00:22:57,599 --> 00:23:03,149  
recollection of that anyway so

549  
00:22:59,700 --> 00:23:06,539  
absolutely fascinating there again

550  
00:23:03,150 --> 00:23:09,810  
another abduction here this is june two

551  
00:23:06,539 --> 00:23:12,379  
thousand now and this is what we've

552  
00:23:09,809 --> 00:23:15,119  
turned their Dave's a trigger experience

553  
00:23:12,380 --> 00:23:16,920  
and by trigger it spins I mean it's a

554  
00:23:15,119 --> 00:23:19,979  
particular experience that the

555  
00:23:16,920 --> 00:23:21,509  
individual undergoes where it kind of

556  
00:23:19,980 --> 00:23:23,460

opens their mind to what's happening in

557

00:23:21,509 --> 00:23:24,960

their life now a lot of contactees I

558

00:23:23,460 --> 00:23:27,180

have experiences from an early age but

559

00:23:24,960 --> 00:23:29,430

they ignore them or push them to the

560

00:23:27,180 --> 00:23:30,630

back of their mind or maybe don't

561

00:23:29,430 --> 00:23:32,610

interpret them in the right way and

562

00:23:30,630 --> 00:23:33,690

they're there but they know things have

563

00:23:32,609 --> 00:23:35,579

happened but they just try to ignore

564

00:23:33,690 --> 00:23:37,140

them to get on with their life and then

565

00:23:35,579 --> 00:23:39,659

I they may have a certain experience

566

00:23:37,140 --> 00:23:41,550

where it's just completely obvious that

567

00:23:39,660 --> 00:23:43,410

something very unusual stake in place

568

00:23:41,549 --> 00:23:44,730

and then often they'll go back through

569

00:23:43,410 --> 00:23:45,990

their life and they'll start to look at

570

00:23:44,730 --> 00:23:47,880

these earlier experiences and they'd be

571  
00:23:45,990 --> 00:23:49,799  
like oh wow you know things are starting

572  
00:23:47,880 --> 00:23:51,600  
to fit in the place now and it kind of

573  
00:23:49,799 --> 00:23:53,669  
explains why well that particular thing

574  
00:23:51,599 --> 00:23:55,679  
happened early wrong so this here what

575  
00:23:53,670 --> 00:23:57,840  
happenin dude 2000 an absolutely

576  
00:23:55,680 --> 00:24:00,509  
incredible experience and this involved

577  
00:23:57,839 --> 00:24:02,730  
David his wife and his newborn baby

578  
00:24:00,509 --> 00:24:08,250  
daughter who was only a few weeks old at

579  
00:24:02,730 --> 00:24:10,079  
the time i said 'no counter with a

580  
00:24:08,250 --> 00:24:11,700  
silver disk essentially yeah i do

581  
00:24:10,079 --> 00:24:13,470  
apologize you guys at the back i know

582  
00:24:11,700 --> 00:24:15,630  
the screens quite small world i'll try

583  
00:24:13,470 --> 00:24:18,269  
to explain what's on the pictures now so

584  
00:24:15,630 --> 00:24:20,520  
here we've got another map and he'd been

585  
00:24:18,269 --> 00:24:23,519  
to been to banbury here a porn eh sorry

586  
00:24:20,519 --> 00:24:26,579  
point c heads Bambury and he's traveling

587  
00:24:23,519 --> 00:24:28,740  
bareback to bicester so he'd David used

588  
00:24:26,579 --> 00:24:30,839  
to a box you smear boxer and he had just

589  
00:24:28,740 --> 00:24:33,390  
been to a bottom match and lead it hurts

590  
00:24:30,839 --> 00:24:35,159  
his rib things he cracked a rib and he

591  
00:24:33,390 --> 00:24:36,690  
went to banbury to get it checked out so

592  
00:24:35,160 --> 00:24:38,790  
the doctor could do this or take a look

593  
00:24:36,690 --> 00:24:41,130  
at it nothing them and on the way back

594  
00:24:38,789 --> 00:24:44,549  
they were passing this point here which

595  
00:24:41,130 --> 00:24:48,930  
is a small village called a no on the B

596  
00:24:44,549 --> 00:24:50,220  
4 10 I think it is and and if those had

597  
00:24:48,930 --> 00:24:51,480  
a few experiences on this road at

598  
00:24:50,220 --> 00:24:53,910  
various points for his life by the way

599

00:24:51,480 --> 00:24:55,769  
but there were there just traveling back

600  
00:24:53,910 --> 00:24:57,330  
in the car and as wife's in the

601  
00:24:55,769 --> 00:24:59,460  
passenger seat is a newborn daughter

602  
00:24:57,329 --> 00:25:02,909  
sitting two car seats in the back of the

603  
00:24:59,460 --> 00:25:05,009  
car and Thursdays drawing of what they

604  
00:25:02,910 --> 00:25:06,660  
saw essentially they're coming on here

605  
00:25:05,009 --> 00:25:07,890  
the road a set of quite quiet on the

606  
00:25:06,660 --> 00:25:10,500  
road there wasn't any other cars around

607  
00:25:07,890 --> 00:25:12,120  
at the time all of a sudden this as a

608  
00:25:10,500 --> 00:25:14,670  
flattened silver disc essentially

609  
00:25:12,119 --> 00:25:17,399  
descends down into the view in the in

610  
00:25:14,670 --> 00:25:19,470  
the foreground of the car both him and

611  
00:25:17,400 --> 00:25:22,490  
his wife can see it clearly it's right

612  
00:25:19,470 --> 00:25:24,900  
there solid object and then they

613  
00:25:22,490 --> 00:25:26,519

acknowledge the fact that they've seen

614

00:25:24,900 --> 00:25:28,620

this and it appears to be again matching

615

00:25:26,519 --> 00:25:30,750

the speed of the car that just comes

616

00:25:28,619 --> 00:25:33,349

down and it's following they slow down

617

00:25:30,750 --> 00:25:36,180

the car a bit and at that point

618

00:25:33,349 --> 00:25:37,889

something changes over a sudden they

619

00:25:36,180 --> 00:25:42,090

further on down the road the crust

620

00:25:37,890 --> 00:25:43,410

totally vanished and and and they just

621

00:25:42,089 --> 00:25:44,819

plays he come round and they know that

622

00:25:43,410 --> 00:25:48,600

something's happened but they can't say

623

00:25:44,819 --> 00:25:50,639

what almost immediately within minutes

624

00:25:48,599 --> 00:25:53,219

of this Dave starts to get these vivid

625

00:25:50,640 --> 00:25:55,830

flashbacks of what he believes took

626

00:25:53,220 --> 00:25:58,170

place in the in the missing time they

627

00:25:55,829 --> 00:25:59,970

checked the clock and about some 30 to

628  
00:25:58,170 --> 00:26:02,759  
40 minutes of the essentially vanished

629  
00:25:59,970 --> 00:26:04,470  
that they couldn't account for but all

630  
00:26:02,759 --> 00:26:07,950  
they knew was this object wasn't around

631  
00:26:04,470 --> 00:26:10,740  
anymore today was certainly in the back

632  
00:26:07,950 --> 00:26:12,620  
of the car with his her rib and these

633  
00:26:10,740 --> 00:26:15,180  
memories start to come back to his brain

634  
00:26:12,619 --> 00:26:17,849  
and what he remembers is being in a

635  
00:26:15,180 --> 00:26:19,830  
location like this as a kind of

636  
00:26:17,849 --> 00:26:22,230  
oval-shaped room and some banks and

637  
00:26:19,829 --> 00:26:24,839  
monitors with screens and things and

638  
00:26:22,230 --> 00:26:28,110  
it's a kind of got curved curved kind of

639  
00:26:24,839 --> 00:26:29,699  
a smooth smooth appearance to it he

640  
00:26:28,109 --> 00:26:32,429  
certainly believes he's aboard this

641  
00:26:29,700 --> 00:26:34,890  
silver disk at this point there are five

642  
00:26:32,430 --> 00:26:37,980  
humanoid beings standing in front of him

643  
00:26:34,890 --> 00:26:41,400  
again wearing these are type blue six

644  
00:26:37,980 --> 00:26:43,799  
and and you can see that most of them

645  
00:26:41,400 --> 00:26:45,269  
are male this one here was a female so

646  
00:26:43,799 --> 00:26:48,059  
you can sort of difference there and

647  
00:26:45,269 --> 00:26:49,889  
this earth central guy looks just like

648  
00:26:48,059 --> 00:26:52,319  
him always exactly the same as him

649  
00:26:49,890 --> 00:26:53,759  
almost like his identical twin but then

650  
00:26:52,319 --> 00:26:55,619  
Dave didn't have a beard he does

651  
00:26:53,759 --> 00:26:57,779  
actually have a beard now but back then

652  
00:26:55,619 --> 00:26:59,849  
he didn't but this being had a had a

653  
00:26:57,779 --> 00:27:02,369  
beard and the only essential difference

654  
00:26:59,849 --> 00:27:03,869  
facially to him was the bigs kind of

655  
00:27:02,369 --> 00:27:06,149  
hair color was a kind of sort of dark

656

00:27:03,869 --> 00:27:10,829  
race of color rather than his kind of

657  
00:27:06,150 --> 00:27:15,090  
brownish hair so yeah the wife and

658  
00:27:10,829 --> 00:27:16,829  
daughter are there a next room so it

659  
00:27:15,089 --> 00:27:18,250  
starts looking around it's worse to one

660  
00:27:16,829 --> 00:27:20,919  
side and she's like this

661  
00:27:18,250 --> 00:27:23,500  
she just appears to be unconscious just

662  
00:27:20,920 --> 00:27:25,120  
hang in there standing up to his left is

663  
00:27:23,500 --> 00:27:27,460  
the car seat with his baby daughter in

664  
00:27:25,119 --> 00:27:30,219  
again fast asleep but they're taking the

665  
00:27:27,460 --> 00:27:32,950  
car seat wither and she just then on the

666  
00:27:30,220 --> 00:27:35,890  
ground next to the central being steps

667  
00:27:32,950 --> 00:27:38,080  
forward and they start having a

668  
00:27:35,890 --> 00:27:40,810  
conversation quite an in-depth

669  
00:27:38,079 --> 00:27:42,519  
conversation the conversation begins at

670  
00:27:40,809 --> 00:27:45,220

is telepathic so he starts to get these

671

00:27:42,519 --> 00:27:47,680

It starts to hear things directly in

672

00:27:45,220 --> 00:27:50,200

his mind coming from this beam and then

673

00:27:47,680 --> 00:27:53,320

the being starts explaining that it it

674

00:27:50,200 --> 00:27:55,240

looks like him because it is him he says

675

00:27:53,319 --> 00:27:57,549

his brother is like a brother to him

676

00:27:55,240 --> 00:28:00,220

that's what he said and he explained to

677

00:27:57,549 --> 00:28:02,230

David all sorts of stuff a lot of which

678

00:28:00,220 --> 00:28:03,730

he wasn't ready for this point this just

679

00:28:02,230 --> 00:28:05,620

come out the blue didn't know what was

680

00:28:03,730 --> 00:28:07,329

going on this was his first kind of

681

00:28:05,619 --> 00:28:09,669

vivid recollection of an abduction

682

00:28:07,329 --> 00:28:11,949

experience and it was all so new to him

683

00:28:09,670 --> 00:28:14,529

but the Bing was essentially telling him

684

00:28:11,950 --> 00:28:16,600

that they were experiencing the world

685  
00:28:14,529 --> 00:28:19,119  
through his eyes and through his actions

686  
00:28:16,599 --> 00:28:21,029  
and thoughts and they had a direct

687  
00:28:19,119 --> 00:28:23,049  
connection with this being and

688  
00:28:21,029 --> 00:28:24,879  
essentially that connection was going to

689  
00:28:23,049 --> 00:28:26,769  
go on through life they said that this

690  
00:28:24,880 --> 00:28:28,720  
was a big program that is ongoing and

691  
00:28:26,769 --> 00:28:30,759  
that numerous can't IDs around the world

692  
00:28:28,720 --> 00:28:33,220  
I've got a direct connection with a

693  
00:28:30,759 --> 00:28:34,990  
particular entity and they kind of share

694  
00:28:33,220 --> 00:28:37,569  
experiences and they're learning about

695  
00:28:34,990 --> 00:28:39,069  
the world through these through these

696  
00:28:37,569 --> 00:28:41,769  
individuals that they decide to bond

697  
00:28:39,069 --> 00:28:44,589  
with i have heard other content ease

698  
00:28:41,769 --> 00:28:47,019  
mentioned this before quite famous lady

699  
00:28:44,589 --> 00:28:49,089  
from America from Australia sorry Susie

700  
00:28:47,019 --> 00:28:50,920  
Hanson if any of you where Suzy Hanson

701  
00:28:49,089 --> 00:28:53,349  
she's released a book called the jewel

702  
00:28:50,920 --> 00:28:54,670  
soul connection and essentially she's

703  
00:28:53,349 --> 00:28:56,699  
talking about the same thing there's a

704  
00:28:54,670 --> 00:29:01,720  
direct connection with it with a being

705  
00:28:56,700 --> 00:29:03,490  
so very very interesting so yeah the as

706  
00:29:01,720 --> 00:29:07,150  
I said the same same beings as before

707  
00:29:03,490 --> 00:29:08,740  
these a humanoid then he has his

708  
00:29:07,150 --> 00:29:10,540  
communication with the key contacts and

709  
00:29:08,740 --> 00:29:12,640  
at this point it was telepathic although

710  
00:29:10,539 --> 00:29:14,589  
in later cases they do have spoken to

711  
00:29:12,640 --> 00:29:16,600  
him audibly as well whether it'll move

712  
00:29:14,589 --> 00:29:18,250  
the masters of both types and then he

713

00:29:16,599 --> 00:29:19,750  
appears to be returned to the car this

714  
00:29:18,250 --> 00:29:21,789  
went on for quite a period of time and

715  
00:29:19,750 --> 00:29:23,650  
the the conversation was quite in-depth

716  
00:29:21,789 --> 00:29:24,819  
they didn't talk about exactly where

717  
00:29:23,650 --> 00:29:26,200  
they were from they didn't talk about

718  
00:29:24,819 --> 00:29:28,329  
how they got there anything like that

719  
00:29:26,200 --> 00:29:29,970  
but they were talking a lot about how

720  
00:29:28,329 --> 00:29:32,099  
there's going to be changes on earth

721  
00:29:29,970 --> 00:29:34,650  
and that this program has been going on

722  
00:29:32,099 --> 00:29:37,169  
quite a while and will continue to do so

723  
00:29:34,650 --> 00:29:39,769  
it didn't all sink in it doesn't

724  
00:29:37,170 --> 00:29:42,120  
remember everything that was said but

725  
00:29:39,769 --> 00:29:44,460  
what it does remember is is in the

726  
00:29:42,119 --> 00:29:46,079  
report as is quite a lot i'm not going

727  
00:29:44,460 --> 00:29:47,940

to go into too much now because its

728

00:29:46,079 --> 00:29:51,089

pages but you can go read all that in

729

00:29:47,940 --> 00:29:52,740

the report yeah the after effects and

730

00:29:51,089 --> 00:29:56,759

reactions right so he starts getting

731

00:29:52,740 --> 00:29:59,190

these flashbacks and the experience

732

00:29:56,759 --> 00:30:02,309

really affected him on a deep level in

733

00:29:59,190 --> 00:30:04,830

the following months after that he he

734

00:30:02,309 --> 00:30:07,589

became an adverse to to all forms of

735

00:30:04,829 --> 00:30:09,990

violence he stopped boxing he go of his

736

00:30:07,589 --> 00:30:12,869

idea event going into the military he

737

00:30:09,990 --> 00:30:16,380

became vegetarian and he lost about

738

00:30:12,869 --> 00:30:18,119

three or four stone in weight now a lot

739

00:30:16,380 --> 00:30:20,070

of the time quantities do get this

740

00:30:18,119 --> 00:30:21,149

happen and it's usually after they kind

741

00:30:20,069 --> 00:30:23,490

of realized and they start having these

742  
00:30:21,150 --> 00:30:26,490  
experiences with these beings quite

743  
00:30:23,490 --> 00:30:28,019  
common being vegetarian be more

744  
00:30:26,490 --> 00:30:29,880  
protective of the environment and more

745  
00:30:28,019 --> 00:30:32,910  
caring towards animals this is a common

746  
00:30:29,880 --> 00:30:34,320  
thing that occurs and you know it's one

747  
00:30:32,910 --> 00:30:37,970  
of those observations that comes out

748  
00:30:34,319 --> 00:30:37,970  
from looking a lot of contact cases

749  
00:30:43,519 --> 00:30:47,639  
because that doesn't focus on these

750  
00:30:45,779 --> 00:30:49,170  
experiences directly but I've dealt with

751  
00:30:47,640 --> 00:30:51,840  
lots of other cases which do involve

752  
00:30:49,170 --> 00:30:53,850  
that angle so year was certainly Dave

753  
00:30:51,839 --> 00:30:56,009  
trigger experience and that point

754  
00:30:53,849 --> 00:30:59,159  
onwards he started to become aware of

755  
00:30:56,009 --> 00:31:01,470  
what was happening in his life to move

756  
00:30:59,160 --> 00:31:03,570  
on now to early 2002 I did say that

757  
00:31:01,470 --> 00:31:05,339  
there's some photographic evidence in

758  
00:31:03,569 --> 00:31:08,869  
his talk and he's a bit fully right here

759  
00:31:05,339 --> 00:31:13,259  
so the potential UFO photograph here

760  
00:31:08,869 --> 00:31:15,569  
writes okay this is a daughter at least

761  
00:31:13,259 --> 00:31:17,250  
who have interviewed as well she's given

762  
00:31:15,569 --> 00:31:19,319  
me a half-hour interview with his

763  
00:31:17,250 --> 00:31:21,809  
daughter some of the testimony is in the

764  
00:31:19,319 --> 00:31:26,210  
report she's now about for 12 years old

765  
00:31:21,809 --> 00:31:28,379  
some and yeah there's the object okay so

766  
00:31:26,210 --> 00:31:30,269  
she's here and David just basic just

767  
00:31:28,380 --> 00:31:32,490  
sick in his land one day just decides to

768  
00:31:30,269 --> 00:31:34,349  
take a photo on the best photograph ever

769  
00:31:32,490 --> 00:31:36,450  
of course but he's got some clothes

770

00:31:34,349 --> 00:31:37,829  
hanging up there that are drying and you

771  
00:31:36,450 --> 00:31:39,870  
can see here the window and we've got

772  
00:31:37,829 --> 00:31:41,909  
this neck and hanging down to the window

773  
00:31:39,869 --> 00:31:43,679  
when it gets the photograph developed he

774  
00:31:41,910 --> 00:31:45,480  
realizes there's this odd looking object

775  
00:31:43,680 --> 00:31:51,390  
there this is not a closer look at that

776  
00:31:45,480 --> 00:31:53,400  
oh this right okay so you can send you

777  
00:31:51,390 --> 00:31:55,830  
see you there that the shape appears to

778  
00:31:53,400 --> 00:31:59,400  
resemble I kind of classic don't don't

779  
00:31:55,829 --> 00:32:01,259  
disc essentially and it's being seen

780  
00:31:59,400 --> 00:32:02,580  
through the net curtain yeah so if it is

781  
00:32:01,259 --> 00:32:04,470  
outside and i'm not saying hundred

782  
00:32:02,579 --> 00:32:07,559  
percent that it is but if it is outside

783  
00:32:04,470 --> 00:32:08,759  
then that would that would be why it's

784  
00:32:07,559 --> 00:32:09,899

kind of dog colors because you're

785

00:32:08,759 --> 00:32:12,329

looking out through the curtain and

786

00:32:09,900 --> 00:32:14,490

appear if it is outside up in the sky

787

00:32:12,329 --> 00:32:16,439

and we've got no way of gauging distance

788

00:32:14,490 --> 00:32:18,089

obviously you can see there's no novice

789

00:32:16,440 --> 00:32:20,070

detailed in that at all really that can

790

00:32:18,089 --> 00:32:23,429

be made out we've only really got the

791

00:32:20,069 --> 00:32:24,960

shape and this sort of general color yes

792

00:32:23,430 --> 00:32:27,210

it could be a smudge on the photograph

793

00:32:24,960 --> 00:32:28,860

absolutely you know Dave certainly you

794

00:32:27,210 --> 00:32:32,009

know believes that that could be could

795

00:32:28,859 --> 00:32:33,269

be what it is however Dave's had a lot

796

00:32:32,009 --> 00:32:35,579

of contact experiences throughout his

797

00:32:33,269 --> 00:32:37,859

life he's had other other experiences

798

00:32:35,579 --> 00:32:39,659

later on where crafts have been seen in

799  
00:32:37,859 --> 00:32:42,349  
the vicinity of those experiences taking

800  
00:32:39,660 --> 00:32:44,880  
place one was seen by his neighbor

801  
00:32:42,349 --> 00:32:48,419  
hovering hovering over the road where

802  
00:32:44,880 --> 00:32:51,090  
David lived on and was reported to from

803  
00:32:48,420 --> 00:32:52,410  
his neighbor and so it's certainly

804  
00:32:51,089 --> 00:32:52,959  
possible that what you're looking at

805  
00:32:52,410 --> 00:32:54,669  
there is

806  
00:32:52,960 --> 00:32:57,009  
natural kraft una this outside in the

807  
00:32:54,669 --> 00:32:58,240  
sky at the time now dead doesn't have

808  
00:32:57,009 --> 00:32:59,500  
any recollection many contact

809  
00:32:58,240 --> 00:33:01,179  
experiences they occurred around this

810  
00:32:59,500 --> 00:33:02,619  
time but it's again certainly

811  
00:33:01,179 --> 00:33:04,778  
interesting that we have a photograph 30

812  
00:33:02,619 --> 00:33:06,879  
look at further said there's numerous

813  
00:33:04,778 --> 00:33:12,119  
explanations one of which is that it's

814  
00:33:06,880 --> 00:33:14,679  
some sort of spacecraft right okay so

815  
00:33:12,119 --> 00:33:16,719  
2016 same year the same years at UFO

816  
00:33:14,679 --> 00:33:20,740  
photograph few months later after his

817  
00:33:16,720 --> 00:33:22,179  
taken this photo and one days it was in

818  
00:33:20,740 --> 00:33:24,940  
the light of feeling quite sleepy as a

819  
00:33:22,179 --> 00:33:27,788  
late evening time and his wife decided

820  
00:33:24,940 --> 00:33:29,980  
so two guys at the house and sort of

821  
00:33:27,788 --> 00:33:34,750  
leaves him there and he drops off to

822  
00:33:29,980 --> 00:33:36,429  
sleep on the sofa and it's been asleep

823  
00:33:34,750 --> 00:33:37,750  
on the sofa for a while and he comes

824  
00:33:36,429 --> 00:33:40,659  
back round and he's still lying on the

825  
00:33:37,750 --> 00:33:43,298  
safer it's bit darker and in the room

826  
00:33:40,659 --> 00:33:46,480  
and he senses that something's not quite

827

00:33:43,298 --> 00:33:48,879  
right this is kind of shift in reality

828  
00:33:46,480 --> 00:33:50,860  
as he calls it and this is very very

829  
00:33:48,880 --> 00:33:52,659  
commonly reported with with content

830  
00:33:50,859 --> 00:33:55,418  
experiences they often start with a

831  
00:33:52,659 --> 00:33:56,799  
change in the surroundings like like

832  
00:33:55,419 --> 00:33:58,570  
everything looks fine but there's

833  
00:33:56,798 --> 00:34:00,129  
something not quite right and some

834  
00:33:58,569 --> 00:34:04,569  
people sense a kind of presence in the

835  
00:34:00,130 --> 00:34:06,399  
room he he looks over the doorway so no

836  
00:34:04,569 --> 00:34:08,980  
he looks over the door so he was not

837  
00:34:06,398 --> 00:34:11,259  
paralyzed at this point he he was able

838  
00:34:08,980 --> 00:34:13,210  
to lift up and look he's looking around

839  
00:34:11,260 --> 00:34:14,589  
the room he looked about the delay and

840  
00:34:13,210 --> 00:34:17,530  
he says this all guys standing in the

841  
00:34:14,588 --> 00:34:20,108

doorway and essentially that's a what we

842

00:34:17,530 --> 00:34:23,409  
commonly call a grey one of the more

843

00:34:20,108 --> 00:34:26,319  
commonly reported types of a venti the

844

00:34:23,409 --> 00:34:28,990  
usually about four foot high large black

845

00:34:26,320 --> 00:34:30,849  
eyes made famous by films such as close

846

00:34:28,989 --> 00:34:34,178  
encounters and the x-files and all that

847

00:34:30,849 --> 00:34:35,379  
the quintessential look of how an alien

848

00:34:34,179 --> 00:34:37,358  
supposed to look like in the in the

849

00:34:35,378 --> 00:34:38,918  
public eye these guys are seen quite

850

00:34:37,358 --> 00:34:40,569  
regularly with contact that as i said

851

00:34:38,918 --> 00:34:43,118  
earlier on the the humanoid types are

852

00:34:40,570 --> 00:34:44,169  
also seen almost as often as great and

853

00:34:43,119 --> 00:34:48,909  
there are other types of should not

854

00:34:44,168 --> 00:34:51,219  
going to go into the moment so yeah at

855

00:34:48,909 --> 00:34:53,260  
that point he black fam I'm so it turns

856  
00:34:51,219 --> 00:34:54,459  
and sees this guy and immediately if it

857  
00:34:53,260 --> 00:34:56,440  
is it feels almost like it's been

858  
00:34:54,460 --> 00:34:59,230  
sedated and it just drops back off to

859  
00:34:56,440 --> 00:35:01,838  
sleep and everything goes dark when he

860  
00:34:59,230 --> 00:35:04,358  
comes around and a number of hours has

861  
00:35:01,838 --> 00:35:05,710  
gone by it's watch his wife is still out

862  
00:35:04,358 --> 00:35:07,449  
the house and

863  
00:35:05,710 --> 00:35:08,858  
realizes the one of his feet is aching

864  
00:35:07,449 --> 00:35:11,108  
quite a lot it's getting quite a lot of

865  
00:35:08,858 --> 00:35:12,819  
pain from his foot in this of his foot

866  
00:35:11,108 --> 00:35:14,710  
it was bad for at the time of I am a

867  
00:35:12,820 --> 00:35:17,670  
little bit spoilt and on the basis potty

868  
00:35:14,710 --> 00:35:19,900  
he sees that he's tried to draw it

869  
00:35:17,670 --> 00:35:22,720  
essentially it was a very very odd

870  
00:35:19,900 --> 00:35:23,980  
collection of lines and circles and yes

871  
00:35:22,719 --> 00:35:27,579  
it does almost look like a crop

872  
00:35:23,980 --> 00:35:29,588  
formation that's right and so a lot of

873  
00:35:27,579 --> 00:35:31,480  
circles up here with these kind of lines

874  
00:35:29,588 --> 00:35:33,429  
go down here and then another double

875  
00:35:31,480 --> 00:35:35,710  
circle type thing there so imagine that

876  
00:35:33,429 --> 00:35:39,489  
in red in red so lines on the base of

877  
00:35:35,710 --> 00:35:42,608  
his feet and it's got no idea how it got

878  
00:35:39,489 --> 00:35:43,929  
there whatsoever so someone look at some

879  
00:35:42,608 --> 00:35:47,170  
of the possibilities for what they could

880  
00:35:43,929 --> 00:35:49,929  
have been was that previously unnoticed

881  
00:35:47,170 --> 00:35:51,280  
injury so sometimes you can injure

882  
00:35:49,929 --> 00:35:52,750  
yourself and not realize you've been

883  
00:35:51,280 --> 00:35:54,670  
hurt until you until you look and you

884

00:35:52,750 --> 00:35:56,170  
see see the cut or whatever and then all

885  
00:35:54,670 --> 00:35:58,059  
of a sudden it starts to hurt now it

886  
00:35:56,170 --> 00:36:00,550  
just says its foot started aching before

887  
00:35:58,059 --> 00:36:02,230  
he saw it but even so had it been

888  
00:36:00,550 --> 00:36:05,050  
something had he damaged his foot in

889  
00:36:02,230 --> 00:36:07,059  
some way on the previous and earlier on

890  
00:36:05,050 --> 00:36:09,460  
that day and not realized that maybe you

891  
00:36:07,059 --> 00:36:11,320  
had tight shoes on and I was blocking

892  
00:36:09,460 --> 00:36:13,329  
the pain there's something like that but

893  
00:36:11,320 --> 00:36:15,400  
doesn't seem to really fit that could it

894  
00:36:13,329 --> 00:36:17,108  
trod on something while sleepwalking um

895  
00:36:15,400 --> 00:36:18,519  
no this is one of the things I put to

896  
00:36:17,108 --> 00:36:20,289  
him you know when maybe you dropped off

897  
00:36:18,519 --> 00:36:22,088  
to sleep you started sleep wandering

898  
00:36:20,289 --> 00:36:24,849

around your house and you tried on one

899

00:36:22,088 --> 00:36:26,469

of your daughter's toys of what I'm the

900

00:36:24,849 --> 00:36:28,539

day we confirmed that they didn't have

901

00:36:26,469 --> 00:36:29,949

anything in the room there was a Lego or

902

00:36:28,539 --> 00:36:32,259

anything lying around that he could have

903

00:36:29,949 --> 00:36:34,269

trod none especially not something to

904

00:36:32,260 --> 00:36:36,280

make it a very odd shape like that on

905

00:36:34,269 --> 00:36:38,108

the base of his foot and I mean it was

906

00:36:36,280 --> 00:36:40,030

quite an extensive and you can see the

907

00:36:38,108 --> 00:36:41,289

the amount of his foot that was covered

908

00:36:40,030 --> 00:36:44,109

with it so that didn't really seem to

909

00:36:41,289 --> 00:36:47,320

fit either well that medical skin

910

00:36:44,108 --> 00:36:48,519

condition the day was not grinding

911

00:36:47,320 --> 00:36:50,019

history of having a medical skin

912

00:36:48,519 --> 00:36:52,030

condition of any kind you know kind of

913  
00:36:50,019 --> 00:36:53,920  
XML hives or anything like that it

914  
00:36:52,030 --> 00:36:56,890  
doesn't you know he hasn't had any any

915  
00:36:53,920 --> 00:36:58,630  
previous thing so I just got this to go

916  
00:36:56,889 --> 00:37:02,588  
on that this happened and it's never

917  
00:36:58,630 --> 00:37:04,390  
happened again since so and it looks too

918  
00:37:02,588 --> 00:37:05,619  
intricate to be a medical skin condition

919  
00:37:04,389 --> 00:37:07,900  
it didn't really look like a rash it

920  
00:37:05,619 --> 00:37:10,809  
look like proper kind of curve lines and

921  
00:37:07,900 --> 00:37:12,700  
circles which is first rank so again the

922  
00:37:10,809 --> 00:37:15,009  
other possible explanation what we're

923  
00:37:12,699 --> 00:37:16,399  
looking at here is some kind of marking

924  
00:37:15,010 --> 00:37:20,030  
that he got from a

925  
00:37:16,400 --> 00:37:21,740  
abduction or a visitation a visitation

926  
00:37:20,030 --> 00:37:23,300  
of basis where where the person sees

927  
00:37:21,739 --> 00:37:24,829  
entities in the in their environment in

928  
00:37:23,300 --> 00:37:27,080  
their own home like this that's a

929  
00:37:24,829 --> 00:37:29,929  
visitation he's already had that but was

930  
00:37:27,079 --> 00:37:32,420  
he when he blacked out was he then taken

931  
00:37:29,929 --> 00:37:34,339  
aboard a craft somewhere else and have

932  
00:37:32,420 --> 00:37:35,900  
this done to him you know is that the

933  
00:37:34,340 --> 00:37:38,059  
after effect of having some strange

934  
00:37:35,900 --> 00:37:39,920  
instrument of some kind used on use on

935  
00:37:38,059 --> 00:37:42,199  
this foot we're never going to know the

936  
00:37:39,920 --> 00:37:43,670  
answer to that I've dealt with other

937  
00:37:42,199 --> 00:37:45,559  
contact cases where markings have

938  
00:37:43,670 --> 00:37:47,630  
appeared on people and there was one

939  
00:37:45,559 --> 00:37:49,519  
lady where she got a row of five dots in

940  
00:37:47,630 --> 00:37:50,809  
the dead straight line I've dealt with

941

00:37:49,519 --> 00:37:54,320  
numerous cases where they've had some

942  
00:37:50,809 --> 00:37:56,480  
red triangles and quite you know quite

943  
00:37:54,320 --> 00:37:59,150  
so straight edge trial and the mark is

944  
00:37:56,480 --> 00:38:00,559  
usually disappear within so 48 hours but

945  
00:37:59,150 --> 00:38:07,039  
very occasionally have been known to

946  
00:38:00,559 --> 00:38:08,299  
leave lasting scars right okay I'm going

947  
00:38:07,039 --> 00:38:10,039  
to take you through one more one more

948  
00:38:08,300 --> 00:38:13,250  
incident and then we'll have a little

949  
00:38:10,039 --> 00:38:15,349  
bit of a break in the future and this is

950  
00:38:13,250 --> 00:38:18,500  
the another incredible incident occurred

951  
00:38:15,349 --> 00:38:20,869  
in the summer 2004 and this one's really

952  
00:38:18,500 --> 00:38:22,639  
bizarre and you'll see some aspects of

953  
00:38:20,869 --> 00:38:24,230  
this which you probably want to see

954  
00:38:22,639 --> 00:38:26,779  
before live there with experiences and

955  
00:38:24,230 --> 00:38:28,369

it occurred near called the case fields

956

00:38:26,780 --> 00:38:30,140

that's a nickname that they earn that

957

00:38:28,369 --> 00:38:32,389

the guys gave for the area where this

958

00:38:30,139 --> 00:38:35,299

occurred so basically a number of her

959

00:38:32,389 --> 00:38:37,789

grassy fields in the southeast corner of

960

00:38:35,300 --> 00:38:39,019

bicester tan and on the outskirts and

961

00:38:37,789 --> 00:38:40,420

they and they caught the ghost fields

962

00:38:39,019 --> 00:38:42,949

because numerous people reported seeing

963

00:38:40,420 --> 00:38:44,570

ghosts down there various points there's

964

00:38:42,949 --> 00:38:46,699

kind of quite spooky after that you get

965

00:38:44,570 --> 00:38:48,200

a kind of low mist and almost like that

966

00:38:46,699 --> 00:38:49,339

back that's not the ghost fields by the

967

00:38:48,199 --> 00:38:53,000

way I just grabbed that because it kind

968

00:38:49,340 --> 00:38:55,850

of reminded me of it so you're one

969

00:38:53,000 --> 00:38:57,469

evening a remand is our friend Ricky the

970  
00:38:55,849 --> 00:38:59,000  
big that's a place called a brill hill

971  
00:38:57,469 --> 00:39:01,279  
other than offensive you're aware of

972  
00:38:59,000 --> 00:39:03,079  
that and sin the outskirts of a vista

973  
00:39:01,280 --> 00:39:05,720  
and they sometimes go out there

974  
00:39:03,079 --> 00:39:08,329  
skywatching because um officer Davis has

975  
00:39:05,719 --> 00:39:10,489  
had numerous experiences with craft and

976  
00:39:08,329 --> 00:39:12,199  
beings and everything and and he's well

977  
00:39:10,489 --> 00:39:14,149  
aware this is a part of his life so he

978  
00:39:12,199 --> 00:39:16,099  
likes to go out and sit under the stars

979  
00:39:14,150 --> 00:39:17,840  
and you know see if you can spot

980  
00:39:16,099 --> 00:39:20,089  
anything so they're gone they're gone

981  
00:39:17,840 --> 00:39:22,100  
out the Brill hill and they're traveling

982  
00:39:20,090 --> 00:39:25,010  
back observe quite quite late at night

983  
00:39:22,099 --> 00:39:27,199  
there between for half 10-11 so not

984  
00:39:25,010 --> 00:39:28,370  
ridiculously like this it was certainly

985  
00:39:27,199 --> 00:39:29,338  
very dark very dark and they're

986  
00:39:28,369 --> 00:39:31,739  
traveling along a straight

987  
00:39:29,338 --> 00:39:33,900  
garbage lane and at this point on the

988  
00:39:31,739 --> 00:39:36,449  
island here and they look over to the

989  
00:39:33,900 --> 00:39:38,130  
right and they see a glowing white orb

990  
00:39:36,449 --> 00:39:40,858  
of light up in the sky off to the right

991  
00:39:38,130 --> 00:39:43,818  
of the car appears bigger than a sterile

992  
00:39:40,858 --> 00:39:46,619  
satellite and this white light is a

993  
00:39:43,818 --> 00:39:48,568  
descending and is coming down like a

994  
00:39:46,619 --> 00:39:50,729  
falling leaf is doing this sort of

995  
00:39:48,568 --> 00:39:53,278  
motion and slowly coming down through

996  
00:39:50,728 --> 00:39:54,538  
the sky and they clock it and they're

997  
00:39:53,278 --> 00:39:56,579  
watching it they're carrying on driving

998

00:39:54,539 --> 00:39:58,769  
along the road and this thing is across

999  
00:39:56,579 --> 00:40:00,390  
here over the field and it's it's

1000  
00:39:58,768 --> 00:40:01,858  
keeping pace with the car essentially

1001  
00:40:00,389 --> 00:40:04,469  
and they're watching it and it's coming

1002  
00:40:01,858 --> 00:40:06,778  
to lower and lower to the ground there's

1003  
00:40:04,469 --> 00:40:08,519  
a drawing of it as their car going along

1004  
00:40:06,778 --> 00:40:10,650  
and there's the object so he's trying to

1005  
00:40:08,518 --> 00:40:12,808  
draw this kind of falling leaf type

1006  
00:40:10,650 --> 00:40:15,539  
pattern that this thing was doing I've

1007  
00:40:12,809 --> 00:40:21,778  
heard of a cases where people reported

1008  
00:40:15,539 --> 00:40:23,339  
this this pattern so they go a bit

1009  
00:40:21,778 --> 00:40:24,929  
further up the road and this dis lights

1010  
00:40:23,338 --> 00:40:25,920  
coming on down and they realize it's

1011  
00:40:24,929 --> 00:40:28,318  
going to come down this going to touch

1012  
00:40:25,920 --> 00:40:29,969

the ground and it goes down out of sight

1013

00:40:28,318 --> 00:40:32,009

behind there behind the trees off to the

1014

00:40:29,969 --> 00:40:33,900

right of the road so is the drumming

1015

00:40:32,009 --> 00:40:37,498

along here and it's gone down over here

1016

00:40:33,900 --> 00:40:39,660

somewhere and they Park up and they're

1017

00:40:37,498 --> 00:40:42,149

sitting there in the car and the

1018

00:40:39,659 --> 00:40:44,308

thinking was a craft till something over

1019

00:40:42,150 --> 00:40:45,528

there and that field over there yeah are

1020

00:40:44,309 --> 00:40:47,910

we going to go ahead go and have a look

1021

00:40:45,528 --> 00:40:49,469

would you I mean many of us here would

1022

00:40:47,909 --> 00:40:51,058

probably like oh yeah yeah I'm

1023

00:40:49,469 --> 00:40:52,650

definitely gonna have a look but really

1024

00:40:51,059 --> 00:40:53,910

put yourself in that situation it's

1025

00:40:52,650 --> 00:40:56,309

quite late at night there's nobody else

1026

00:40:53,909 --> 00:40:58,228

around and this going white thing just

1027  
00:40:56,309 --> 00:40:59,910  
comes down into the field and you're

1028  
00:40:58,228 --> 00:41:01,288  
left for the either staying in the car

1029  
00:40:59,909 --> 00:41:03,568  
and driving off home we've been nice and

1030  
00:41:01,289 --> 00:41:06,239  
safe and sane or getting out and go and

1031  
00:41:03,568 --> 00:41:08,099  
seeing what's in the field yeah yeah

1032  
00:41:06,239 --> 00:41:10,440  
what's up they left five minutes

1033  
00:41:08,099 --> 00:41:12,479  
psyching himself up in the end they

1034  
00:41:10,440 --> 00:41:14,818  
decide to go for it so they are the exit

1035  
00:41:12,478 --> 00:41:16,528  
the car park here and they start a walk

1036  
00:41:14,818 --> 00:41:19,228  
out of style and come here into the

1037  
00:41:16,528 --> 00:41:20,518  
farmer's fields I've got their

1038  
00:41:19,228 --> 00:41:21,960  
photograph though took us out to the

1039  
00:41:20,518 --> 00:41:23,278  
location where this occurred when it

1040  
00:41:21,960 --> 00:41:25,289  
went down the best of the first time

1041  
00:41:23,278 --> 00:41:28,380  
this is the pathway to the field here

1042  
00:41:25,289 --> 00:41:30,028  
and they says it it was a moreover

1043  
00:41:28,380 --> 00:41:31,318  
greater than the kind of cleared it adds

1044  
00:41:30,028 --> 00:41:33,329  
a bit and everything and made it kind of

1045  
00:41:31,318 --> 00:41:34,679  
more public kind of walk paint walkway

1046  
00:41:33,329 --> 00:41:36,150  
now but you said it was some more

1047  
00:41:34,679 --> 00:41:39,568  
shrubbery here and everything but you

1048  
00:41:36,150 --> 00:41:41,548  
can still get through there's the field

1049  
00:41:39,568 --> 00:41:42,989  
location so that was where i showed you

1050  
00:41:41,548 --> 00:41:45,719  
with the circle on the map

1051  
00:41:42,989 --> 00:41:47,609  
second ago so let's standing here in the

1052  
00:41:45,719 --> 00:41:49,500  
field that forgets dark and follow this

1053  
00:41:47,610 --> 00:41:50,670  
it was right after dark and they could

1054  
00:41:49,500 --> 00:41:52,079  
still make out the trees and I think it

1055

00:41:50,670 --> 00:41:54,360  
was quite clear night the stars were out

1056  
00:41:52,079 --> 00:41:56,460  
in the moon and across here behind this

1057  
00:41:54,360 --> 00:41:58,680  
clump of trees there was this white glow

1058  
00:41:56,460 --> 00:42:00,360  
coming from the ground and it was

1059  
00:41:58,679 --> 00:42:04,409  
obvious to them that it was whatever

1060  
00:42:00,360 --> 00:42:06,990  
this object was that it had come down so

1061  
00:42:04,409 --> 00:42:10,649  
again they said they stopped and they

1062  
00:42:06,989 --> 00:42:12,959  
like the cigarette and they cycle cells

1063  
00:42:10,650 --> 00:42:14,849  
up again because they quite nervous by

1064  
00:42:12,960 --> 00:42:15,929  
this point and they're kind of wondering

1065  
00:42:14,849 --> 00:42:19,409  
you know whether should really got going

1066  
00:42:15,929 --> 00:42:20,190  
over there or not I'm sure many I'm sure

1067  
00:42:19,409 --> 00:42:21,690  
if you can put yourself in that

1068  
00:42:20,190 --> 00:42:23,070  
situation now creepy that would have

1069  
00:42:21,690 --> 00:42:26,130

been to be out there not field after

1070

00:42:23,070 --> 00:42:27,660

dark know what's going on I there's a

1071

00:42:26,130 --> 00:42:29,730

drawing we tried to draw it didn't

1072

00:42:27,659 --> 00:42:32,339

belong much person essentially a local

1073

00:42:29,730 --> 00:42:33,690

own walk let's go come to the trees so

1074

00:42:32,340 --> 00:42:36,480

this thing had definitely come down you

1075

00:42:33,690 --> 00:42:38,909

know question is how'd it crashed was

1076

00:42:36,480 --> 00:42:41,090

this falling leaf motion due to it going

1077

00:42:38,909 --> 00:42:43,559

wrong in some way and was it descending

1078

00:42:41,090 --> 00:42:46,650

not an accord or was it landing on

1079

00:42:43,559 --> 00:42:50,608

purpose that's left open to debate isn't

1080

00:42:46,650 --> 00:42:51,809

it but it's certainly interesting so

1081

00:42:50,608 --> 00:42:53,639

yeah they're looking across these trees

1082

00:42:51,809 --> 00:42:54,869

and sitting there smoking away and then

1083

00:42:53,639 --> 00:42:57,599

wondering whether they're going to go

1084  
00:42:54,869 --> 00:42:59,010  
over there nobody there a better kind of

1085  
00:42:57,599 --> 00:42:59,880  
them decide they're going to do it

1086  
00:42:59,010 --> 00:43:02,280  
they're going to go and check what's

1087  
00:42:59,880 --> 00:43:05,280  
behind the trees and all of a sudden

1088  
00:43:02,280 --> 00:43:10,200  
this happened essentially will they see

1089  
00:43:05,280 --> 00:43:12,150  
is a line of about 10 or so figures come

1090  
00:43:10,199 --> 00:43:13,589  
out from the undergrowth in the

1091  
00:43:12,150 --> 00:43:15,570  
direction of where this white light is

1092  
00:43:13,590 --> 00:43:17,340  
yeah he said they're almost alongside

1093  
00:43:15,570 --> 00:43:19,350  
one another but not in a dead straight

1094  
00:43:17,340 --> 00:43:20,519  
line but kind of in a rough line and

1095  
00:43:19,349 --> 00:43:23,039  
they appear to be wearing what look like

1096  
00:43:20,519 --> 00:43:25,170  
hazmat suits are in white suits with

1097  
00:43:23,039 --> 00:43:29,400  
kind of proper mask so that sort of face

1098  
00:43:25,170 --> 00:43:31,200  
visor over the front and these figures

1099  
00:43:29,400 --> 00:43:32,340  
appear to be walking at marching across

1100  
00:43:31,199 --> 00:43:34,949  
the field almost like they're looking

1101  
00:43:32,340 --> 00:43:36,329  
for something now thinking what know if

1102  
00:43:34,949 --> 00:43:39,000  
they're going hey you know we stumbled

1103  
00:43:36,329 --> 00:43:40,079  
into some sort of biological I'd break

1104  
00:43:39,000 --> 00:43:41,608  
or something you know they didn't know

1105  
00:43:40,079 --> 00:43:43,769  
what was going on and the figure

1106  
00:43:41,608 --> 00:43:46,469  
suddenly looked human but this is the

1107  
00:43:43,769 --> 00:43:48,480  
vegetation they've stepped out from just

1108  
00:43:46,469 --> 00:43:50,159  
look far too dense for them to step out

1109  
00:43:48,480 --> 00:43:53,280  
so uniformly it was almost like they've

1110  
00:43:50,159 --> 00:43:55,349  
kind of wharfton essentially appeared

1111  
00:43:53,280 --> 00:43:56,280  
out of the trees but these figures are

1112

00:43:55,349 --> 00:43:57,239  
kind of working

1113  
00:43:56,280 --> 00:43:58,590  
film they're just stunning they're

1114  
00:43:57,239 --> 00:44:00,629  
looking at them they're just going

1115  
00:43:58,590 --> 00:44:03,210  
across the film there's what is

1116  
00:44:00,630 --> 00:44:06,059  
happening here about 30 seconds go by

1117  
00:44:03,210 --> 00:44:10,800  
and Ricky just without saying anything

1118  
00:44:06,059 --> 00:44:13,590  
just points of them and appears that

1119  
00:44:10,800 --> 00:44:15,720  
they noticed in pointing perhaps I don't

1120  
00:44:13,590 --> 00:44:17,760  
know but at that point one of the beings

1121  
00:44:15,719 --> 00:44:23,549  
are turns and basically looks straight

1122  
00:44:17,760 --> 00:44:24,840  
at them right and at that point but

1123  
00:44:23,550 --> 00:44:26,730  
suddenly get this image in a head

1124  
00:44:24,840 --> 00:44:28,769  
immediately they can both see the bings

1125  
00:44:26,730 --> 00:44:30,659  
face but it's right up there in front of

1126  
00:44:28,769 --> 00:44:32,070

them a few feet away they've clearly

1127

00:44:30,659 --> 00:44:34,909

hears the words and I do apologize my

1128

00:44:32,070 --> 00:44:37,980

French is it hears the words off in

1129

00:44:34,909 --> 00:44:40,440

his in his mind a telepathic

1130

00:44:37,980 --> 00:44:42,570

communication and he sees the being very

1131

00:44:40,440 --> 00:44:44,519

very very negative very like you are not

1132

00:44:42,570 --> 00:44:47,700

supposed to be here type touch sensation

1133

00:44:44,519 --> 00:44:48,960

and the beings face he said it looked

1134

00:44:47,699 --> 00:44:51,599

rather humanoid but the eyes were

1135

00:44:48,960 --> 00:44:53,400

slightly bigger and it's facebook blue

1136

00:44:51,599 --> 00:44:54,809

but he said it maybe it was like a blue

1137

00:44:53,400 --> 00:44:57,150

visor and he was looking at it and had a

1138

00:44:54,809 --> 00:44:59,159

blue face because of the visor but

1139

00:44:57,150 --> 00:45:01,380

that's what he heard and needless to say

1140

00:44:59,159 --> 00:45:03,119

he turned and ran it didn't look what

1141  
00:45:01,380 --> 00:45:05,640  
was going on with Ricky he just turned

1142  
00:45:03,119 --> 00:45:07,559  
and leg dit he knew definitely wasn't

1143  
00:45:05,639 --> 00:45:09,089  
supposed to be there runs right the way

1144  
00:45:07,559 --> 00:45:10,949  
back to the car at that point he

1145  
00:45:09,090 --> 00:45:13,680  
realizes the Ricky is also back at the

1146  
00:45:10,949 --> 00:45:15,629  
car Ricky immediately tells him when the

1147  
00:45:13,679 --> 00:45:17,879  
being looked at us I saw its face right

1148  
00:45:15,630 --> 00:45:21,630  
next to my face it said it said get out

1149  
00:45:17,880 --> 00:45:24,390  
go away to me so he'd heard different

1150  
00:45:21,630 --> 00:45:26,099  
words but both of them a sort of very

1151  
00:45:24,389 --> 00:45:28,319  
negative conversation it was almost like

1152  
00:45:26,099 --> 00:45:29,699  
their minds were interpreting it in two

1153  
00:45:28,320 --> 00:45:31,380  
different words you know but it was the

1154  
00:45:29,699 --> 00:45:33,710  
it was the conversation of sort of you

1155  
00:45:31,380 --> 00:45:36,269  
know you're not supposed to be here

1156  
00:45:33,710 --> 00:45:38,190  
absolutely stunning incident needless to

1157  
00:45:36,269 --> 00:45:40,259  
say they got into the cart and guides

1158  
00:45:38,190 --> 00:45:42,510  
are there days says he's never seen

1159  
00:45:40,260 --> 00:45:44,970  
these things before since and he

1160  
00:45:42,510 --> 00:45:46,980  
believes that something went on there it

1161  
00:45:44,969 --> 00:45:48,689  
doesn't know whether it was on purpose

1162  
00:45:46,980 --> 00:45:50,130  
because it seems interesting you had all

1163  
00:45:48,690 --> 00:45:52,409  
these contact experiences and then he

1164  
00:45:50,130 --> 00:45:54,000  
has this incident but it was almost like

1165  
00:45:52,409 --> 00:45:55,230  
something outside of his experiences

1166  
00:45:54,000 --> 00:45:57,179  
something they'd stumbled into by

1167  
00:45:55,230 --> 00:45:59,429  
mistake it definitely weren't welcome

1168  
00:45:57,179 --> 00:46:01,319  
there whatever was happening and of

1169

00:45:59,429 --> 00:46:03,089  
course the fact that is being and kind

1170  
00:46:01,320 --> 00:46:05,519  
of psychically appeared in front of both

1171  
00:46:03,090 --> 00:46:07,470  
their faces and shows that it clearly

1172  
00:46:05,519 --> 00:46:08,759  
wasn't a sort of standard you

1173  
00:46:07,469 --> 00:46:12,118  
you know they certainly didn't appear to

1174  
00:46:08,760 --> 00:46:14,609  
be human absolutely stunning I've got

1175  
00:46:12,119 --> 00:46:18,390  
some testimony from Ricky Here I am I

1176  
00:46:14,608 --> 00:46:20,400  
met Ricky only i think was last year

1177  
00:46:18,389 --> 00:46:22,920  
early last year i went down to see the

1178  
00:46:20,400 --> 00:46:24,329  
band and Ricky spent a lot of time and

1179  
00:46:22,920 --> 00:46:26,340  
probably spin across Australia for a

1180  
00:46:24,329 --> 00:46:27,779  
while but say he was back in the UK and

1181  
00:46:26,340 --> 00:46:29,880  
he come to see the group and while he

1182  
00:46:27,780 --> 00:46:31,320  
was there I without any warning or

1183  
00:46:29,880 --> 00:46:33,059

anything and I just pulled into one side

1184

00:46:31,320 --> 00:46:34,769

and I said could ask you some questions

1185

00:46:33,059 --> 00:46:37,349

about some of the experiences that

1186

00:46:34,769 --> 00:46:39,030

you've been involved in Israel yeah so

1187

00:46:37,349 --> 00:46:41,970

we go we go into the van i'll start you

1188

00:46:39,030 --> 00:46:44,519

know interviewing essentially and about

1189

00:46:41,969 --> 00:46:46,379

hears testimony and it fits extremely

1190

00:46:44,519 --> 00:46:48,480

closely with it with what dost are we in

1191

00:46:46,380 --> 00:46:50,670

fact for the letter i would say this is

1192

00:46:48,480 --> 00:46:52,619

his testimony in the sky was a big

1193

00:46:50,670 --> 00:46:55,230

glowing orb falling slowly from the sky

1194

00:46:52,619 --> 00:46:56,519

side to side like a leaf would fill it

1195

00:46:55,230 --> 00:46:58,289

looked like it was landing a couple of

1196

00:46:56,519 --> 00:47:01,500

fields over from the road so we decided

1197

00:46:58,289 --> 00:47:03,509

to stop and investigate we entered one

1198  
00:47:01,500 --> 00:47:05,489  
field and looked around and could see

1199  
00:47:03,510 --> 00:47:07,020  
the orders in the next field over but

1200  
00:47:05,489 --> 00:47:08,939  
the trees and bushes were far too dense

1201  
00:47:07,019 --> 00:47:11,699  
to make it through to it we stood and

1202  
00:47:08,940 --> 00:47:13,139  
just watched a while I looked across the

1203  
00:47:11,699 --> 00:47:15,868  
field and saw about nine year monoid

1204  
00:47:13,139 --> 00:47:17,608  
beings about 30 to 40 yards away in some

1205  
00:47:15,869 --> 00:47:21,960  
kind of white suits walking across the

1206  
00:47:17,608 --> 00:47:23,759  
field in single line 107 looked at us I

1207  
00:47:21,960 --> 00:47:25,740  
felt like he was right in front of my

1208  
00:47:23,760 --> 00:47:27,570  
face and then as clear as anything I

1209  
00:47:25,739 --> 00:47:30,689  
hear a voice in my head saying get out

1210  
00:47:27,570 --> 00:47:32,519  
go away I turned to run away back to the

1211  
00:47:30,690 --> 00:47:34,559  
trees and towards the car at the same

1212  
00:47:32,519 --> 00:47:35,969  
moment Dave did the same thing so you

1213  
00:47:34,559 --> 00:47:38,940  
can see there it's a direct correlation

1214  
00:47:35,969 --> 00:47:41,159  
with what dave has told us I certainly

1215  
00:47:38,940 --> 00:47:43,380  
believe the this incident took place of

1216  
00:47:41,159 --> 00:47:45,449  
speaking with numerous occasions you can

1217  
00:47:43,380 --> 00:47:47,880  
say yes it's just testimonial but in

1218  
00:47:45,449 --> 00:47:49,618  
both in most UFO innocence and contact

1219  
00:47:47,880 --> 00:47:51,539  
cases that's all we've got to go on

1220  
00:47:49,619 --> 00:47:53,940  
testimonial but believe me when i say

1221  
00:47:51,539 --> 00:47:56,460  
i've spoken with day for many many hours

1222  
00:47:53,940 --> 00:47:58,108  
about his experiences and whenever I ask

1223  
00:47:56,460 --> 00:48:00,059  
him a question I get the answer back

1224  
00:47:58,108 --> 00:48:01,940  
like that it's not like he's coming up

1225  
00:48:00,059 --> 00:48:04,588  
with another part of the story

1226

00:48:01,940 --> 00:48:06,059  
everything is told me as never it's

1227  
00:48:04,588 --> 00:48:07,799  
never wavered it's always it's always

1228  
00:48:06,059 --> 00:48:11,039  
exactly the same I certainly believe is

1229  
00:48:07,800 --> 00:48:13,080  
talking about a real instrument here so

1230  
00:48:11,039 --> 00:48:14,789  
I think at this point is probably a good

1231  
00:48:13,079 --> 00:48:15,869  
chance to kind of have a break and grab

1232  
00:48:14,789 --> 00:48:20,029  
a drink and everything I hope you

1233  
00:48:15,869 --> 00:48:20,030  
enjoyed the talk so far more about Sean

1234  
00:48:41,469 --> 00:48:43,529  
you
