00:00:12,320 --> 00:00:14,380

Wall please leave okay come on you've

4
00:00:31,350 --> 00:00:37,649
got to acknowledge I asked these kind of

5
00:00:35,219 --> 00:00:41,460
questions because it gives me an idea of

6
00:00:37,649 --> 00:00:44,100
where to pitch the lecture and seriously

7
00:00:41,460 --> 00:00:48,620
about her kind of level I'm dealing with

8
00:00:44,100 --> 00:00:51,170
it in terms of your knowledge so till

9
00:00:48,619 --> 00:00:53,459
for the lady on the front row sorry

10
00:00:51,170 --> 00:00:54,989
don't a point I would never point you

11
00:00:53,460 --> 00:01:01,609
out but the lady the glasses on the

12
00:00:54,988 --> 00:01:01,609
front row as do another don't worry

13
00:01:01,789 --> 00:01:06,379
who was had to travel the farthest

14
00:01:03,950 --> 00:01:14,090
distance to get here anybody over 30

15
00:01:06,379 --> 00:01:19,729
miles to get here today 20 miles welcome

16
00:01:14,090 --> 00:01:21,978
to the lymph meeting of Suppan I to kill

17
00:01:19,730 --> 00:01:23,900
the music Bret tonight we're very

18
00:01:21,978 --> 00:01:27,709
privileged to have the company of mr.

19
00:01:23,900 --> 00:01:33,260
Gary Heseltine Gary had his own personal

20
00:01:27,709 --> 00:01:34,909
UFO sighted in 1975 66 second and this

21
00:01:33,260 --> 00:01:39,618
was to have a profound effect on his

22
00:01:34,909 --> 00:01:41,539
life okay Gary like myself as a retired

23
00:01:39,618 --> 00:01:48,560
police officer he had a total of

24
00:01:41,540 --> 00:01:52,460
twenty-two years service I've spent much

25
00:01:48,560 --> 00:01:53,990
of the time as a detective 19 years so

26
00:01:52,459 --> 00:01:56,449
he's well used to interviewing people

27
00:01:53,989 --> 00:01:58,519
and record in statements now I'm sure

28
00:01:56,450 --> 00:02:01,040
like myself after this much experience

29

00:01:58,519 --> 00:02:02,810
he clearly possesses good judgment as to

30
00:02:01,040 --> 00:02:06,740
whether he's being told truth or being

31
00:02:02,810 --> 00:02:09,080
lied to now in 2002 we founded the proof

32
00:02:06,739 --> 00:02:11,629
of database which caters for serving and

33
00:02:09,080 --> 00:02:15,290
retired British police UFOs site in

34
00:02:11,629 --> 00:02:17,989
reports he's the founder and editor of

35
00:02:15,289 --> 00:02:20,659
UFO truth magazine and was the former

36
00:02:17,989 --> 00:02:24,230
editor of the online publication UFO

37
00:02:20,659 --> 00:02:28,060
monthly dot-com as well as the former

38
00:02:24,229 --> 00:02:31,340
co-editor of UFO data magazine now in

39
00:02:28,060 --> 00:02:32,959
2010 at washington DC was presented with

40
00:02:31,340 --> 00:02:36,950
the disclosure award by stephen

41
00:02:32,959 --> 00:02:40,900
Bassett's prg group and in 2012 was

42
00:02:36,949 --> 00:02:43,189
awarded the Exopolitics group award yeah

43
00:02:40,900 --> 00:02:46,400

he rarely gives talks and discussions

44

00:02:43,189 --> 00:02:47,719

worldwide on the subject of UFOs and for

45

00:02:46,400 --> 00:02:50,480

many years he's been working closely

46

00:02:47,719 --> 00:02:52,310

with the retired colonel charles help to

47

00:02:50,479 --> 00:02:54,469

piece together Britain's most famous UFO

48

00:02:52,310 --> 00:02:58,939

case which was the rendlesham forest

49

00:02:54,469 --> 00:03:00,769

incident of December 1980 gary has

50

00:02:58,939 --> 00:03:03,049

undoubtedly become one of Britain's most

51

00:03:00,769 --> 00:03:04,819

renowned UFO investigators and whilst

52

00:03:03,049 --> 00:03:06,620

he's probably used to giving talks at

53

00:03:04,819 --> 00:03:09,049

far larger venues than ours I'm

54

00:03:06,620 --> 00:03:11,090

absolutely delighted that he's traveled

55

00:03:09,049 --> 00:03:12,430

so very far to be able to join us here

56

00:03:11,090 --> 00:03:15,079

this evening

57

00:03:12,430 --> 00:03:17,060

so without further ado please give a

58
00:03:15,079 --> 00:03:27,349
warm safan welcome to mr. Gary Heseltine

59
00:03:17,060 --> 00:03:30,709
thank you thank you so what a lovely

60
00:03:27,348 --> 00:03:32,089
warm welcome carry on if you now it was

61
00:03:30,709 --> 00:03:35,449
a lovely welcome thank you very much air

62
00:03:32,090 --> 00:03:37,819
I do let your all around the country is

63
00:03:35,449 --> 00:03:41,598
the first time I've ever lectured in

64
00:03:37,818 --> 00:03:44,718
Wales so this is good for me it goes on

65
00:03:41,598 --> 00:03:47,718
to my ceiling of countries that I've now

66
00:03:44,718 --> 00:03:51,378
legend in which is about 15 now so I'm

67
00:03:47,718 --> 00:03:55,759
pleased and honored to be in Swansea on

68
00:03:51,378 --> 00:03:59,479
a serious note as was mentioned I had a

69
00:03:55,759 --> 00:04:01,759
child a Titan white hours 16 you were

70
00:03:59,479 --> 00:04:06,590
right for many years I put it out that I

71
00:04:01,759 --> 00:04:09,530
was 15 but then a chance meeting with my

72
00:04:06,590 --> 00:04:14,049
former best friend from school who

73
00:04:09,530 --> 00:04:16,370
hadn't seen in over 30 years last year

74
00:04:14,049 --> 00:04:19,639
when we got our heads together best

75
00:04:16,370 --> 00:04:21,079
around girlfriends of the time he

76
00:04:19,639 --> 00:04:23,598
actually said no that was the summer of

77
00:04:21,079 --> 00:04:28,158
76 when you were going out with this

78
00:04:23,598 --> 00:04:29,870
lady so it wasn't 75 and 76 August

79
00:04:28,158 --> 00:04:32,240
services all right so that's why it's

80
00:04:29,870 --> 00:04:34,848
changed so you were right and turn out

81
00:04:32,240 --> 00:04:38,478
to the wrong but it wasn't you right so

82
00:04:34,848 --> 00:04:41,029
basically Who am I now as I asked in the

83
00:04:38,478 --> 00:04:44,389
kind of warm up there's quite a lot of

84
00:04:41,029 --> 00:04:47,538
you who never heard of me or seen seen

85
00:04:44,389 --> 00:04:50,860
me before so in all seriousness I'll

86

00:04:47,538 --> 00:04:55,069
give you a bit of background between

87
00:04:50,860 --> 00:04:58,569
1983 1989 I was a royal air force police

88
00:04:55,069 --> 00:05:00,680
officer and I did predominantly

89
00:04:58,569 --> 00:05:03,709
two-thirds of that was spent what's

90
00:05:00,680 --> 00:05:07,550
called wire-walking what's called SD 814

91
00:05:03,709 --> 00:05:09,978
garden nuclear weapons okay so just in

92
00:05:07,550 --> 00:05:11,090
relation to just put your hands up a few

93
00:05:09,978 --> 00:05:14,149
of heard of the rendlesham forest

94
00:05:11,089 --> 00:05:16,668
incident I was quite a lot than even the

95
00:05:14,149 --> 00:05:18,829
people who don't know it right well

96
00:05:16,668 --> 00:05:20,399
Rendlesham forest is arguably the

97
00:05:18,829 --> 00:05:23,288
world's best case

98
00:05:20,399 --> 00:05:25,658
not just Britain's best case I would say

99
00:05:23,288 --> 00:05:27,878
it's up there arguably the world's best

100
00:05:25,658 --> 00:05:29,860

case because it happened all the three

101

00:05:27,879 --> 00:05:32,979

consecutive nights multiple military

102

00:05:29,860 --> 00:05:35,408

police officers Brown trace evidence

103

00:05:32,978 --> 00:05:37,300

radar evidence lots and lots of eater

104

00:05:35,408 --> 00:05:43,810

but I'm not here to talk about that as

105

00:05:37,300 --> 00:05:45,430

such but the job that they did those US

106

00:05:43,810 --> 00:05:47,918

Air Force police officers with the

107

00:05:45,430 --> 00:05:50,228

direct equivalent of what i did in the

108

00:05:47,918 --> 00:05:52,899

Royal Air Force police and in fact an

109

00:05:50,228 --> 00:05:56,528

area flower brook where i served in

110

00:05:52,899 --> 00:05:58,299

germany the design of the what was

111

00:05:56,528 --> 00:06:00,038

called in the RAF the supplementary

112

00:05:58,300 --> 00:06:02,918

storage area which is the nuclear

113

00:06:00,038 --> 00:06:07,089

bonkers is exactly the same way all

114

00:06:02,918 --> 00:06:10,180

exactly the same layout as the what they

115
00:06:07,089 --> 00:06:12,158
called weapon storage area wsa that they

116
00:06:10,180 --> 00:06:14,949
turned the Americans use for the nuclear

117
00:06:12,158 --> 00:06:17,259
bunkers exactly the same and I'm

118
00:06:14,949 --> 00:06:19,718
electron Rendlesham I've got a

119
00:06:17,259 --> 00:06:21,759
photograph where I went back after the

120
00:06:19,718 --> 00:06:23,620
bear's claws and I was allowed to go

121
00:06:21,759 --> 00:06:27,278
into this restricted area which was one

122
00:06:23,620 --> 00:06:30,579
of you know like microwaved lamb

123
00:06:27,278 --> 00:06:32,228
defenses so many guns point out here and

124
00:06:30,579 --> 00:06:34,870
I was just able to walk in and text some

125
00:06:32,228 --> 00:06:37,838
photographs it was a the bullies exactly

126
00:06:34,870 --> 00:06:39,278
the same design so that was the 83 289

127
00:06:37,838 --> 00:06:42,908
and then i joined the british transport

128
00:06:39,278 --> 00:06:45,278
police in 1989 and after four years

129
00:06:42,908 --> 00:06:47,379
became a detective became qualified

130
00:06:45,278 --> 00:06:51,278
after five years what's called a

131
00:06:47,379 --> 00:06:55,718
substantive detective and was the

132
00:06:51,278 --> 00:07:00,338
detective constable for the rest of my

133
00:06:55,718 --> 00:07:02,680
career until i reside in 2013 so 24

134
00:07:00,338 --> 00:07:05,620
years service 19 years of Detective I

135
00:07:02,680 --> 00:07:07,500
didn't want to go higher in the police

136
00:07:05,620 --> 00:07:10,689
because I didn't like the bureaucracy

137
00:07:07,500 --> 00:07:13,569
the pettiness and realistically I

138
00:07:10,689 --> 00:07:16,289
enjoyed interviewing people suspects and

139
00:07:13,569 --> 00:07:18,968
witnesses so I became a very specialized

140
00:07:16,288 --> 00:07:21,699
interviewer as time went on that was my

141
00:07:18,968 --> 00:07:24,980
back as it were so I I was trained as

142
00:07:21,699 --> 00:07:28,310
high as you could go in interview ok

143

00:07:24,980 --> 00:07:32,360
and that's something I miss about the

144
00:07:28,310 --> 00:07:38,089
police but not nothing else really okay

145
00:07:32,360 --> 00:07:41,060
so in terms of my training I was trained

146
00:07:38,089 --> 00:07:44,209
in terms of psychology to look at

147
00:07:41,060 --> 00:07:49,819
witnesses body language things like that

148
00:07:44,209 --> 00:07:53,839
and basically in all the years that I

149
00:07:49,819 --> 00:07:55,219
did it you develop a sixth sense for

150
00:07:53,839 --> 00:07:58,039
when someone is telling you the truth

151
00:07:55,220 --> 00:07:59,990
and that can be corned a lot of it is a

152
00:07:58,040 --> 00:08:01,790
natural skill in terms of interview some

153
00:07:59,990 --> 00:08:03,710
people got it in to get some people are

154
00:08:01,790 --> 00:08:05,480
not very good you can be trained a

155
00:08:03,709 --> 00:08:06,949
little bit but basically to be a good

156
00:08:05,480 --> 00:08:09,170
interviewer you've got to have a natural

157
00:08:06,949 --> 00:08:13,729

flair and he's not everybody's cup of

158

00:08:09,170 --> 00:08:16,819

tea okay now I could have gone on for

159

00:08:13,730 --> 00:08:19,270

another six years when every tide in

160

00:08:16,819 --> 00:08:24,079

2013 I could have gone for me 30 years

161

00:08:19,269 --> 00:08:26,839

but by that time something compelled me

162

00:08:24,079 --> 00:08:29,889

to retire early and the circumstances

163

00:08:26,839 --> 00:08:32,629

with my second wife financially meant

164

00:08:29,889 --> 00:08:35,229

that I could retire early with melons on

165

00:08:32,629 --> 00:08:38,360

the after 24 years of my RAF pension

166

00:08:35,229 --> 00:08:41,030

that I took a chance and felt I'm going

167

00:08:38,360 --> 00:08:44,769

to follow my passion and try to make a

168

00:08:41,029 --> 00:08:46,879

difference so by creating the magazine

169

00:08:44,769 --> 00:08:50,029

that was my way of trying to do it

170

00:08:46,879 --> 00:08:52,970

something a bit different now i started

171

00:08:50,029 --> 00:08:55,850

my active research publicly in january

172
00:08:52,970 --> 00:08:57,620
2002 when i launched the proof force

173
00:08:55,850 --> 00:09:01,519
please their best proof or standing for

174
00:08:57,620 --> 00:09:05,139
please report in your force started with

175
00:09:01,519 --> 00:09:09,620
six cases involving 10 officers now

176
00:09:05,139 --> 00:09:12,439
we're 14 years on I've now got over 550

177
00:09:09,620 --> 00:09:15,740
cases involved in a thousand and fifty

178
00:09:12,440 --> 00:09:17,510
British police officers that's all and

179
00:09:15,740 --> 00:09:21,019
then I'm writing the book about them now

180
00:09:17,509 --> 00:09:23,240
as we speak almost hopefully you'll be

181
00:09:21,019 --> 00:09:25,699
out by the end of the year can't find a

182
00:09:23,240 --> 00:09:27,649
publisher anywhere then stream fully

183
00:09:25,700 --> 00:09:29,000
that isn't it we'll talk about how

184
00:09:27,649 --> 00:09:32,110
mainstream not interested in this

185
00:09:29,000 --> 00:09:35,360
subject and it doesn't

186
00:09:32,110 --> 00:09:37,669
make sense if you're doing well at

187
00:09:35,360 --> 00:09:41,269
something you normally get more

188
00:09:37,669 --> 00:09:45,078
attention but when i started the

189
00:09:41,269 --> 00:09:47,899
database in 2002 because i was still a

190
00:09:45,078 --> 00:09:49,849
serving police officer the national meet

191
00:09:47,899 --> 00:09:52,938
you were very interested in me lots of

192
00:09:49,850 --> 00:09:56,058
articles in national newspapers after

193
00:09:52,938 --> 00:09:57,498
two or three years they're not even

194
00:09:56,058 --> 00:09:59,929
though the numbers are going up by

195
00:09:57,499 --> 00:10:03,259
hundreds each year don't make sense

196
00:09:59,929 --> 00:10:05,120
unless you logically think that this

197
00:10:03,259 --> 00:10:08,959
somebody doesn't want this kind of

198
00:10:05,120 --> 00:10:12,249
credible information gap okay hence all

199
00:10:08,958 --> 00:10:15,138
of this frustration as to why I left and

200

00:10:12,249 --> 00:10:17,110
created the magazine the beauty that the

201
00:10:15,139 --> 00:10:20,028
magazine is that there's no overheads

202
00:10:17,110 --> 00:10:21,800
none of the experts that right columns

203
00:10:20,028 --> 00:10:24,698
again paired they don't do it

204
00:10:21,799 --> 00:10:27,049
voluntarily because they support my idea

205
00:10:24,698 --> 00:10:30,349
but this is where you come in because

206
00:10:27,049 --> 00:10:33,318
that I ring-fence a third of all monies

207
00:10:30,350 --> 00:10:38,379
that coming through subscriptions for

208
00:10:33,318 --> 00:10:42,438
UFO causes now initially that then

209
00:10:38,379 --> 00:10:44,600
financing conferences book in

210
00:10:42,438 --> 00:10:46,698
international flights from speakers and

211
00:10:44,600 --> 00:10:49,339
things like that hotels I book a ball up

212
00:10:46,698 --> 00:10:51,318
magazine so in a sense that created the

213
00:10:49,339 --> 00:10:53,059
funding mechanism but if we have

214
00:10:51,318 --> 00:10:55,188

thousands of thousands of people around

215

00:10:53,058 --> 00:10:59,139

the world buying into a an easing which

216

00:10:55,188 --> 00:11:03,318

you can just get by email it's so simple

217

00:10:59,139 --> 00:11:07,129

it could generate millions if we have

218

00:11:03,318 --> 00:11:09,289

thousands more LOL drop in the ocean for

219

00:11:07,129 --> 00:11:12,199

the amount of hits but people are

220

00:11:09,289 --> 00:11:13,578

reluctant to pay in reality for

221

00:11:12,198 --> 00:11:17,979

something that they can't physically

222

00:11:13,578 --> 00:11:23,208

hold even though ebooks have taken over

223

00:11:17,980 --> 00:11:26,149

from the printed word in on Amazon

224

00:11:23,208 --> 00:11:29,058

things like that in terms of sales the

225

00:11:26,149 --> 00:11:33,318

still reluctant but people can't people

226

00:11:29,058 --> 00:11:35,568

want to change people want to have some

227

00:11:33,318 --> 00:11:38,808

impact and I say it's people in the

228

00:11:35,568 --> 00:11:41,509

audience well the idea of the third of

229
00:11:38,808 --> 00:11:43,639
all monies be ring-fenced of UFO causes

230
00:11:41,509 --> 00:11:44,870
could do that because if you have lots

231
00:11:43,639 --> 00:11:46,339
of people doing it then you

232
00:11:44,870 --> 00:11:48,528
you can appear for a lot more Bonn

233
00:11:46,339 --> 00:11:50,300
conference or two conferences you can

234
00:11:48,528 --> 00:11:52,399
then start taking full page ads are in

235
00:11:50,299 --> 00:11:54,109
national newspapers where we don't need

236
00:11:52,399 --> 00:11:56,299
a reporter to tell us the facts we can

237
00:11:54,110 --> 00:11:58,850
just put facts in the newspaper and buy

238
00:11:56,299 --> 00:12:01,990
it can you imagine having a paying five

239
00:11:58,850 --> 00:12:05,060
grand and say I want a page in The Times

240
00:12:01,990 --> 00:12:06,769
well need an article then what we won't

241
00:12:05,059 --> 00:12:08,599
need a reporter to put their own bias on

242
00:12:06,769 --> 00:12:10,730
it we just put facts and figures out the

243
00:12:08,600 --> 00:12:12,350
full page but that's what we could do in

244
00:12:10,730 --> 00:12:14,539
time and people want to make a

245
00:12:12,350 --> 00:12:17,930
difference well the difference is you

246
00:12:14,539 --> 00:12:21,019
pay you for depends a week is what it

247
00:12:17,929 --> 00:12:23,689
works out the more people subscribe the

248
00:12:21,019 --> 00:12:26,710
more that probably is of causes I get

249
00:12:23,690 --> 00:12:29,900
money towards allied pies cancer feed I

250
00:12:26,710 --> 00:12:32,540
get donations to various documentary

251
00:12:29,899 --> 00:12:35,269
features cosmic whistleblowers all about

252
00:12:32,539 --> 00:12:38,088
Roswell the last rose welding give

253
00:12:35,269 --> 00:12:40,730
donations so it's already working but I

254
00:12:38,089 --> 00:12:43,310
get frustrated because people claim to

255
00:12:40,730 --> 00:12:45,589
be interested in this subject but if we

256
00:12:43,309 --> 00:12:47,689
were really interested could pay a few

257

00:12:45,589 --> 00:12:51,320
pens for the common era of their

258
00:12:47,690 --> 00:12:54,740
subjective and I'm trying to do it not

259
00:12:51,320 --> 00:12:56,959
to make millions for me I'm not really

260
00:12:54,740 --> 00:13:00,169
interested i'm not selling dvds I've got

261
00:12:56,958 --> 00:13:01,609
some merchandise it just helped I'm not

262
00:13:00,169 --> 00:13:04,250
out to make a lot of money but I want to

263
00:13:01,610 --> 00:13:06,850
try to make a different difference in

264
00:13:04,250 --> 00:13:10,039
the way people perceive this subject

265
00:13:06,850 --> 00:13:12,950
because anybody who thinks that this is

266
00:13:10,039 --> 00:13:15,889
Looney tune time which is what most

267
00:13:12,950 --> 00:13:17,450
people believe outside of this room that

268
00:13:15,889 --> 00:13:21,708
they're the ones who are subtly

269
00:13:17,450 --> 00:13:23,330
blindfolded so quite a lot of the people

270
00:13:21,708 --> 00:13:26,088
in this room said that they've never

271
00:13:23,330 --> 00:13:28,520

seen me before well that kind of tells

272

00:13:26,089 --> 00:13:30,650
me that I don't know that much about the

273

00:13:28,519 --> 00:13:32,689
subject because in Britain they

274

00:13:30,649 --> 00:13:34,458
shouldn't kind of like recognize me as

275

00:13:32,690 --> 00:13:37,070
one of the heads of the subject in this

276

00:13:34,458 --> 00:13:41,419
country he can it tells me that there's

277

00:13:37,070 --> 00:13:44,000
a disconnect the lots of people can go

278

00:13:41,419 --> 00:13:46,490
to a million websites on the internet

279

00:13:44,000 --> 00:13:49,028
and I get quite angry this because they

280

00:13:46,490 --> 00:13:51,450
become what i call the answer expert oh

281

00:13:49,028 --> 00:13:54,909
that's that yeah

282

00:13:51,450 --> 00:13:58,930
they don't have to move the books at all

283

00:13:54,909 --> 00:14:01,959
but they take on the role of yeah I'm

284

00:13:58,929 --> 00:14:04,149
the expert and they become

285

00:14:01,960 --> 00:14:07,600
self-perpetuating because they then

286

00:14:04,149 --> 00:14:10,269

launch their on-site without ever doing

287

00:14:07,600 --> 00:14:12,220

any proper research without ever really

288

00:14:10,269 --> 00:14:15,189

knowing what's good and bad the wheat

289

00:14:12,220 --> 00:14:17,710

from the chaff and they put more

290

00:14:15,190 --> 00:14:19,780

disinformation out there so on the

291

00:14:17,710 --> 00:14:25,750

internet there are some very good

292

00:14:19,779 --> 00:14:31,120

websites but George Lee who landed the

293

00:14:25,750 --> 00:14:33,490

proper built majority are not very good

294

00:14:31,120 --> 00:14:36,639

because there's no evidential background

295

00:14:33,490 --> 00:14:39,310

to them and of course with my kind of

296

00:14:36,639 --> 00:14:42,899

background this is the only way I can

297

00:14:39,309 --> 00:14:46,779

present evidence through evidential eyes

298

00:14:42,899 --> 00:14:48,699

yeah yep so that's the basis that I try

299

00:14:46,779 --> 00:14:50,740

to do it so what I'm trying to do is

300
00:14:48,700 --> 00:14:52,600
different from all of the other side's

301
00:14:50,740 --> 00:14:53,740
someone doing it similarly but they

302
00:14:52,600 --> 00:14:55,990
haven't got my kind of police background

303
00:14:53,740 --> 00:14:58,509
I know what evidence is and what would

304
00:14:55,990 --> 00:15:01,120
stand up in a court of law for example

305
00:14:58,509 --> 00:15:03,029
and you'll back me up on this if for

306
00:15:01,120 --> 00:15:05,950
example this is a former police officer

307
00:15:03,029 --> 00:15:08,319
if he was driving on tonight and he

308
00:15:05,950 --> 00:15:09,730
dubbed him one too many drinks and he

309
00:15:08,320 --> 00:15:13,180
got pulled by the place if you want one

310
00:15:09,730 --> 00:15:15,460
of his bed and went off but basically if

311
00:15:13,179 --> 00:15:16,959
he got pulled and the suspect you drink

312
00:15:15,460 --> 00:15:20,259
driving than ask him to do a breath test

313
00:15:16,960 --> 00:15:23,050
this a better blow into this Brett yeah

314

00:15:20,259 --> 00:15:26,259
if he believed positive on the little

315
00:15:23,049 --> 00:15:27,789
handle meter that say you're positive

316
00:15:26,259 --> 00:15:29,379
you're under arrest that then taking

317
00:15:27,789 --> 00:15:31,899
back to a police station a man police

318
00:15:29,379 --> 00:15:36,610
station and let's say blow into this big

319
00:15:31,899 --> 00:15:39,909
machine and in top savita you're over

320
00:15:36,610 --> 00:15:43,300
the limit what does it produce it

321
00:15:39,909 --> 00:15:46,419
produces a printout that says chemical

322
00:15:43,299 --> 00:15:49,359
analysis you are over the limit what

323
00:15:46,419 --> 00:15:51,389
goes to court as the evidence that

324
00:15:49,360 --> 00:15:54,580
convicts you will drink doubted that

325
00:15:51,389 --> 00:15:57,429
piece a better held a pig car's a piece

326
00:15:54,580 --> 00:16:00,430
of documentary evidence that says I'm

327
00:15:57,429 --> 00:16:02,679
not there you blew positive now tell me

328
00:16:00,429 --> 00:16:03,969

what's the difference between telemetry

329

00:16:02,679 --> 00:16:07,539
data

330

00:16:03,970 --> 00:16:11,319
from an f-16 chasing the UF for for 75

331

00:16:07,539 --> 00:16:16,419
minutes in a dogfight over Belgium where

332

00:16:11,318 --> 00:16:20,828
all of the cockpit instrumentation was

333

00:16:16,419 --> 00:16:24,059
recorded on video all of the dogfight

334

00:16:20,828 --> 00:16:29,289
was confirmed on seven different

335

00:16:24,059 --> 00:16:33,789
airports three military for civilian on

336

00:16:29,289 --> 00:16:36,849
all telemetry data second-by-second over

337

00:16:33,789 --> 00:16:39,370
75 minutes replace to a printout that

338

00:16:36,850 --> 00:16:42,269
you can pull up in a hypothetical court

339

00:16:39,370 --> 00:16:44,828
of law on the de bit of US law reality

340

00:16:42,269 --> 00:16:48,100
then on that telemetry data it would say

341

00:16:44,828 --> 00:16:52,269
that during that don't fight where 20 16

342

00:16:48,100 --> 00:16:55,379
is chasing the UFO basically at one

343
00:16:52,269 --> 00:16:59,769
point on several gauges but at one point

344
00:16:55,379 --> 00:17:03,188
it goes straight up in the air jumps

345
00:16:59,769 --> 00:17:04,929
5,000 feet in three seconds straight and

346
00:17:03,188 --> 00:17:07,119
then it does a sharp angle and drops

347
00:17:04,929 --> 00:17:09,630
down to the ground and at the bottom the

348
00:17:07,119 --> 00:17:13,509
ground it then does a right angle turn

349
00:17:09,630 --> 00:17:16,780
then L is it before impacted but

350
00:17:13,509 --> 00:17:18,939
the point it did the L share how many

351
00:17:16,779 --> 00:17:21,939
g's do you think he was pulling don't

352
00:17:18,939 --> 00:17:27,250
mind the maximum for stealth even now is

353
00:17:21,939 --> 00:17:30,340
11 to 12 G's it was telemetry data 35

354
00:17:27,250 --> 00:17:33,460
G's should that not be on the six

355
00:17:30,339 --> 00:17:36,759
o'clock news hard evidence no difference

356
00:17:33,460 --> 00:17:39,640
from that drink DRO please but then he

357
00:17:36,759 --> 00:17:42,099
what lies yourself why is not not on the

358
00:17:39,640 --> 00:17:44,350
six-pointed so it's very easy to prove

359
00:17:42,099 --> 00:17:47,379
that there is a mainstream bias against

360
00:17:44,349 --> 00:17:51,279
the best evidence ok so that's the

361
00:17:47,380 --> 00:17:53,320
introduction so this is my take in the

362
00:17:51,279 --> 00:17:58,119
first hour just those people who are I

363
00:17:53,319 --> 00:18:01,839
blades Polikoff tree lat lunges but the

364
00:17:58,119 --> 00:18:04,058
order of play tonight is first hour is

365
00:18:01,839 --> 00:18:07,750
this lecture of circumstantial evidence

366
00:18:04,058 --> 00:18:09,849
case for ET extraterrestrial then we'll

367
00:18:07,750 --> 00:18:11,740
have a break and then i will talk i'll

368
00:18:09,849 --> 00:18:13,178
show you some video clips that I think

369
00:18:11,740 --> 00:18:16,410
you're very interested talk about all

370
00:18:13,179 --> 00:18:18,690
the things and then finally if we've got

371

00:18:16,410 --> 00:18:21,779
time we'll do some Q&A questions answers

372
00:18:18,690 --> 00:18:24,809
okay so first part circumstantial

373
00:18:21,779 --> 00:18:27,750
evidence case piece of gadget switch on

374
00:18:24,809 --> 00:18:33,059
is it working oh I've got it is right

375
00:18:27,750 --> 00:18:35,779
before I talk to you about UFOs if I'm

376
00:18:33,059 --> 00:18:37,589
going to talk to you about evidence

377
00:18:35,779 --> 00:18:39,839
you've got to have a bit of an

378
00:18:37,589 --> 00:18:41,279
understand of what evidence is in terms

379
00:18:39,839 --> 00:18:44,459
of what could get you into a court of

380
00:18:41,279 --> 00:18:47,039
law how you present the evidence well in

381
00:18:44,460 --> 00:18:49,620
reality there's only three basic forms

382
00:18:47,039 --> 00:18:51,990
of evidence there's real evidence which

383
00:18:49,619 --> 00:18:54,449
is cold physical evidence it's called

384
00:18:51,990 --> 00:18:55,740
relevance which is the gun the knife if

385
00:18:54,450 --> 00:18:58,170

you think of a murder scenario the

386

00:18:55,740 --> 00:19:00,089

murder weapon something physical if I

387

00:18:58,170 --> 00:19:05,039

butter this lady with glasses on the

388

00:19:00,089 --> 00:19:07,529

front row and you all witness it you'd

389

00:19:05,039 --> 00:19:09,269

see that and I murder with it fracture

390

00:19:07,529 --> 00:19:11,670

the skull then that would become the

391

00:19:09,269 --> 00:19:13,230

murder weapon yes that murder weapon

392

00:19:11,670 --> 00:19:17,370

will be held up in murder trial and as

393

00:19:13,230 --> 00:19:20,039

gh1 exhibit this was the implement used

394

00:19:17,369 --> 00:19:24,509

to stare this lady's hidden because

395

00:19:20,039 --> 00:19:26,159

you've never seen them before absolutely

396

00:19:24,509 --> 00:19:27,900

true that that's what we do isn't it

397

00:19:26,160 --> 00:19:31,110

you've all seen the bill any please

398

00:19:27,900 --> 00:19:32,880

documentary any police drama whilst they

399

00:19:31,109 --> 00:19:35,549

they don't present it very well that's

400
00:19:32,880 --> 00:19:37,500
the best book so physical evidence

401
00:19:35,549 --> 00:19:40,980
anything that you can physically pick up

402
00:19:37,500 --> 00:19:44,099
tangible yeah even if it was you were

403
00:19:40,980 --> 00:19:46,950
him by a motor boat in the water you

404
00:19:44,099 --> 00:19:49,230
swim in the paddling in Spain and some

405
00:19:46,950 --> 00:19:51,539
believe opacity a hit by the propeller

406
00:19:49,230 --> 00:19:54,329
in you you killed but you can't

407
00:19:51,539 --> 00:19:55,950
physically pick the bottle bring it into

408
00:19:54,329 --> 00:19:58,259
cop what you can do is take a photograph

409
00:19:55,950 --> 00:19:59,970
at the bar photograph of the blades with

410
00:19:58,259 --> 00:20:02,700
the blood on the blades blah blah blah

411
00:19:59,970 --> 00:20:06,000
that then becomes the documentary

412
00:20:02,700 --> 00:20:08,789
evidence that is produced in call this

413
00:20:06,000 --> 00:20:10,740
book the mary elizabeth hit this lady on

414
00:20:08,789 --> 00:20:13,619
such a such a day and this was the

415
00:20:10,740 --> 00:20:15,630
forensic blood analysis of photographs

416
00:20:13,619 --> 00:20:17,479
of the blood on the propeller blades etc

417
00:20:15,630 --> 00:20:20,400
so that's how evidence guessing the cop

418
00:20:17,480 --> 00:20:22,620
so you've got the real evidence and then

419
00:20:20,400 --> 00:20:23,700
you would talk about documentary

420
00:20:22,619 --> 00:20:26,569
evidence

421
00:20:23,700 --> 00:20:29,250
anything so if you think about fraud

422
00:20:26,569 --> 00:20:31,230
yeah somebody's applaud you credit card

423
00:20:29,250 --> 00:20:33,058
and then you look on your monthly

424
00:20:31,230 --> 00:20:36,210
statement and see that six grams gone

425
00:20:33,058 --> 00:20:38,700
you go words I never done that we got

426
00:20:36,210 --> 00:20:41,069
the bank's on this planet that produces

427
00:20:38,700 --> 00:20:44,220
a pet trailer evidence is produced in

428

00:20:41,069 --> 00:20:46,668
court to get you your money back because

429
00:20:44,220 --> 00:20:51,139
you don't actually spend the six month

430
00:20:46,669 --> 00:20:53,639
that's the nature so physical evidence

431
00:20:51,138 --> 00:20:57,928
documentary evidence anything in written

432
00:20:53,638 --> 00:21:01,859
form piece of paper but the main thing

433
00:20:57,929 --> 00:21:08,759
that we have all around the world is

434
00:21:01,859 --> 00:21:12,269
down to witness testimony which produces

435
00:21:08,759 --> 00:21:13,888
two things if I go back to the stove in

436
00:21:12,269 --> 00:21:15,870
this loaded headed just use it as an

437
00:21:13,888 --> 00:21:18,538
example I always do this pixel pick on

438
00:21:15,869 --> 00:21:22,969
something in a nice way but illustrate

439
00:21:18,538 --> 00:21:26,908
the point if i watch i was this lady now

440
00:21:22,970 --> 00:21:29,038
should that stand or it practice cool

441
00:21:26,909 --> 00:21:31,380
she dies bleeds to death in this room i

442
00:21:29,038 --> 00:21:36,690

hope you sleep okay tonight but

443

00:21:31,380 --> 00:21:40,580

basically if that happened what would

444

00:21:36,690 --> 00:21:42,750

likely happen it all go on lawsuit

445

00:21:40,579 --> 00:21:45,298

somebody probably wrestle me to the

446

00:21:42,750 --> 00:21:47,038

ground arrest me citizen's arrest but

447

00:21:45,298 --> 00:21:51,359

should be dead you'll seen it you become

448

00:21:47,038 --> 00:21:53,429

witnesses to murder yes so what would

449

00:21:51,359 --> 00:21:55,500

happen please stop all come in and God

450

00:21:53,429 --> 00:21:57,480

right what did you say what did you see

451

00:21:55,500 --> 00:22:00,028

they do but they're never do it in a

452

00:21:57,480 --> 00:22:03,179

group you take an assigned individually

453

00:22:00,028 --> 00:22:06,148

police officer 121 tell me what you saw

454

00:22:03,179 --> 00:22:09,840

so you get say there's 50 people in this

455

00:22:06,148 --> 00:22:14,158

room 50 different statements about what

456

00:22:09,839 --> 00:22:17,689

they saw and each perception of what you

457
00:22:14,159 --> 00:22:21,570
saw will be slightly different

458
00:22:17,690 --> 00:22:24,210
perception is very strange and the

459
00:22:21,569 --> 00:22:25,648
skeptics will say Oh Chris French you

460
00:22:24,210 --> 00:22:28,169
rarely see me I'm telling when Chris

461
00:22:25,648 --> 00:22:30,519
frankly well on skeptic he didn't

462
00:22:28,169 --> 00:22:33,410
survive early

463
00:22:30,519 --> 00:22:35,599
he will i give the arts just every all

464
00:22:33,410 --> 00:22:37,790
UFO and sold people mistaken Scientology

465
00:22:35,599 --> 00:22:41,119
blah blah blah let's go back to our

466
00:22:37,789 --> 00:22:44,119
scenario now you're all witnesses but

467
00:22:41,119 --> 00:22:47,599
somebody in the back row will not see as

468
00:22:44,119 --> 00:22:50,149
much as somebody on the front row jump

469
00:22:47,599 --> 00:22:51,740
make sense so your perception will be

470
00:22:50,150 --> 00:22:55,280
slightly different but here's the thing

471
00:22:51,740 --> 00:23:01,029
with perception when we check out 50

472
00:22:55,279 --> 00:23:04,160
students you'll all give basically wide

473
00:23:01,029 --> 00:23:05,720
descriptions of me see if I've just done

474
00:23:04,160 --> 00:23:09,560
it yet and I'm not stood in front of you

475
00:23:05,720 --> 00:23:11,150
so you'd only see me briefly some would

476
00:23:09,559 --> 00:23:13,129
say I would black someone say I was

477
00:23:11,150 --> 00:23:17,150
writing some would say oh 6-foot someone

478
00:23:13,130 --> 00:23:20,780
say o 643 that's the perception errors

479
00:23:17,150 --> 00:23:25,190
that we make but you'd all say I saw a

480
00:23:20,779 --> 00:23:28,190
man stand up and hit saw him hit this

481
00:23:25,190 --> 00:23:30,799
woman with something and she fell to the

482
00:23:28,190 --> 00:23:34,519
floor something like that so if we think

483
00:23:30,799 --> 00:23:37,309
about it whilst our perceptions may vary

484
00:23:34,519 --> 00:23:39,769
a great deal in terms of description

485

00:23:37,309 --> 00:23:43,279
physical descriptions of a person a

486
00:23:39,769 --> 00:23:46,519
place someone good some about the

487
00:23:43,279 --> 00:23:49,609
general story that man hits lady on

488
00:23:46,519 --> 00:23:51,309
front row she collapses man runs off me

489
00:23:49,609 --> 00:23:54,500
going out the back door kind of thing

490
00:23:51,309 --> 00:23:57,559
the general story would be accurate from

491
00:23:54,500 --> 00:23:59,869
the 50 witnesses but your perceptions in

492
00:23:57,559 --> 00:24:04,429
terms of personal descriptions they're

493
00:23:59,869 --> 00:24:06,769
very wildly but this is what Chris

494
00:24:04,430 --> 00:24:10,340
French the skeptics dogs say that the

495
00:24:06,769 --> 00:24:12,230
general story is accurate and if you

496
00:24:10,339 --> 00:24:14,959
don't know the person sat next to you

497
00:24:12,230 --> 00:24:17,870
then you what's called independent

498
00:24:14,960 --> 00:24:19,579
witnesses they're the best witnesses we

499
00:24:17,869 --> 00:24:21,259

can have because you have no axe to

500

00:24:19,579 --> 00:24:23,750

grind you just happen to be in the wrong

501

00:24:21,259 --> 00:24:26,990

place wrong time and you see something

502

00:24:23,750 --> 00:24:28,940

yeah so if we get 50 people who don't

503

00:24:26,990 --> 00:24:31,809

know each other will all give that same

504

00:24:28,940 --> 00:24:31,809

story that man

505

00:24:37,929 --> 00:24:39,990

you
