

1
00:00:16,960 --> 00:00:20,989
[Applause]

2
00:00:37,119 --> 00:00:46,969
we go to the lights in town to see their

3
00:00:41,689 --> 00:00:48,920
screen I've been a lot of surf you

4
00:00:46,969 --> 00:00:51,469
questions I didn't think I'd answer to

5
00:00:48,920 --> 00:00:55,579
follow you when the gentleman said who

6
00:00:51,469 --> 00:01:00,350
are they I have many guides but have

7
00:00:55,579 --> 00:01:04,400
helped me and one particular one I don't

8
00:01:00,350 --> 00:01:05,989
get on with that I don't get on with do

9
00:01:04,400 --> 00:01:08,000
you recommend to all of you remember

10
00:01:05,989 --> 00:01:10,939
when huniepop was in the sky that was

11
00:01:08,000 --> 00:01:24,650
going back sometime how many years ago

12
00:01:10,939 --> 00:01:26,959
was that 30s 97 they did ask I watch all

13
00:01:24,650 --> 00:01:30,800
the web logs behind us and they have the

14
00:01:26,959 --> 00:01:33,530
telescope's at watching howdy Bob and it

15
00:01:30,799 --> 00:01:37,099
was my first introduction to a true

16
00:01:33,530 --> 00:01:39,079
cosmic guides that has been with me on

17
00:01:37,099 --> 00:01:43,909
and off for a long time

18
00:01:39,079 --> 00:01:46,609
his name is called Malachi and he had

19
00:01:43,909 --> 00:01:50,060
great delight he boomed in my year on

20
00:01:46,609 --> 00:01:55,789
that top of the way lot I have thrown on

21
00:01:50,060 --> 00:01:58,370
the wings that become my thought and it

22
00:01:55,790 --> 00:02:01,880
turns out that he's an old cosmic guide

23
00:01:58,370 --> 00:02:03,620
that has had many hundreds or thousands

24
00:02:01,879 --> 00:02:08,239
of lifetime's on the earth but also

25
00:02:03,620 --> 00:02:12,019
other places his biggest fault is he

26
00:02:08,239 --> 00:02:15,140
loves to play and he has one of the

27
00:02:12,019 --> 00:02:17,060
investigations we did in Croydon that's

28
00:02:15,139 --> 00:02:19,639
where he came when he was playing with

29

00:02:17,060 --> 00:02:20,650
her beautifully and had them doing left

30
00:02:19,639 --> 00:02:23,079
right and center

31
00:02:20,650 --> 00:02:25,629
flying things going through the air and

32
00:02:23,080 --> 00:02:28,049
all the TV cameras even there as well

33
00:02:25,628 --> 00:02:30,219
made a program about all the paranormal

34
00:02:28,049 --> 00:02:35,080
events that were happening the young

35
00:02:30,219 --> 00:02:38,019
lads went to bed one day naked and woke

36
00:02:35,080 --> 00:02:38,560
up on the lawn outside all the doors

37
00:02:38,019 --> 00:02:41,530
were locked

38
00:02:38,560 --> 00:02:43,319
I would have to be get out oh we have

39
00:02:41,530 --> 00:02:45,579
fun and he had them sitting and they

40
00:02:43,318 --> 00:02:47,318
they follow me because they were in

41
00:02:45,579 --> 00:02:51,430
trouble because they couldn't get into

42
00:02:47,318 --> 00:02:53,858
their gym because he had blocked it just

43
00:02:51,430 --> 00:02:57,250

couldn't open the door and they had to

44

00:02:53,859 --> 00:02:58,989

fly in statues which were so happy they

45

00:02:57,250 --> 00:03:01,209

can't think about flying through coming

46

00:02:58,989 --> 00:03:03,159

down the stairs and everything can you

47

00:03:01,209 --> 00:03:05,229

come and help we've got this guy this

48

00:03:03,159 --> 00:03:07,628

person the spirit Ernie's well he's

49

00:03:05,229 --> 00:03:09,128

terrible and we've got to sit down a

50

00:03:07,628 --> 00:03:10,929

simple time I thought I'm not sitting

51

00:03:09,128 --> 00:03:13,179

down a sentence I mean you know I'll be

52

00:03:10,930 --> 00:03:16,269

there when I'm ready and we've had

53

00:03:13,180 --> 00:03:17,709

fights Monica and ie but I've come to

54

00:03:16,269 --> 00:03:21,819

respect him and the work that he does

55

00:03:17,709 --> 00:03:24,459

and he works with me and he has the

56

00:03:21,818 --> 00:03:29,469

biggest of egos but he doesn't call it

57

00:03:24,459 --> 00:03:31,180

ego he calls it confidence and he says I

58

00:03:29,469 --> 00:03:35,680

need her flown on the wings of the

59

00:03:31,180 --> 00:03:39,129

because my half I have got a part in the

60

00:03:35,680 --> 00:03:41,109

Bible and he has he said it's only one

61

00:03:39,128 --> 00:03:43,929

worker one page agreed but I got a

62

00:03:41,109 --> 00:03:45,849

chapter in the Bible he is called a

63

00:03:43,930 --> 00:03:48,669

Messenger of God in the Bible but he has

64

00:03:45,848 --> 00:03:51,098

been with me a long time and he tells me

65

00:03:48,669 --> 00:03:53,319

an awful lot of things and it's not just

66

00:03:51,098 --> 00:03:55,959

to do with the earthly things it's to do

67

00:03:53,318 --> 00:03:57,939

with the cosmic energy is cosmic what's

68

00:03:55,959 --> 00:04:00,400

going on so I get to hear everything

69

00:03:57,939 --> 00:04:05,049

well not everything that's what he wants

70

00:04:00,400 --> 00:04:07,959

me to hear I've done the place where I

71

00:04:05,049 --> 00:04:09,699

work is called the circle and they keep

72
00:04:07,959 --> 00:04:11,319
a record of everything that I do and

73
00:04:09,699 --> 00:04:11,819
everything whatever you ever read at us

74
00:04:11,318 --> 00:04:14,628
and

75
00:04:11,818 --> 00:04:17,370
only so many of us is about to 200 of us

76
00:04:14,628 --> 00:04:18,899
approximately we do all the work for all

77
00:04:17,370 --> 00:04:21,600
the magazines and everything up and down

78
00:04:18,899 --> 00:04:25,138
the country Oh No

79
00:04:21,600 --> 00:04:26,610
I've done over 32,000 readings I can't

80
00:04:25,139 --> 00:04:28,889
believe it but they keep a record and

81
00:04:26,610 --> 00:04:30,900
it's shown on the site and they keep a

82
00:04:28,889 --> 00:04:33,389
record of all the actual regions that we

83
00:04:30,899 --> 00:04:37,918
do but he helps me with a hell of a lot

84
00:04:33,389 --> 00:04:39,418
of them you would be shocked who I've

85
00:04:37,918 --> 00:04:42,089
spoken to on that line

86

00:04:39,418 --> 00:04:45,089
and literally the kind of people that

87
00:04:42,089 --> 00:04:47,038
come so in some respects I were doing

88
00:04:45,089 --> 00:04:49,168
their work through the people that come

89
00:04:47,038 --> 00:04:51,930
that were directed to me and he brings

90
00:04:49,168 --> 00:04:53,490
and well it's one of them for him it's

91
00:04:51,930 --> 00:04:55,978
like I just got to get what I get and

92
00:04:53,490 --> 00:04:59,189
that's who half that stuff comes from

93
00:04:55,978 --> 00:05:06,990
his name is Malik I just thought you'd

94
00:04:59,189 --> 00:05:08,879
like to know this one really this is an

95
00:05:06,990 --> 00:05:10,560
investigation I wasn't going to do

96
00:05:08,879 --> 00:05:13,319
because it breaks my heart every time I

97
00:05:10,560 --> 00:05:15,689
do it if I end up crying I am I've got

98
00:05:13,319 --> 00:05:19,379
to apologize straight away it broke my

99
00:05:15,689 --> 00:05:20,848
heart when I when this one happened Tim

100
00:05:19,379 --> 00:05:22,740

breaks though it was fate and fortune

101

00:05:20,848 --> 00:05:24,269

take a break Nessa to the take a break

102

00:05:22,740 --> 00:05:27,060

privacy and I tried two investigations

103

00:05:24,269 --> 00:05:30,779

for the magazine and they fo Mia and

104

00:05:27,060 --> 00:05:33,319

they said can you do something for us is

105

00:05:30,779 --> 00:05:38,000

that what you want an investigation over

106

00:05:33,319 --> 00:05:42,329

it's the eighth 404 to road from

107

00:05:38,000 --> 00:05:44,810

remember idly from Radhika to Albert

108

00:05:42,329 --> 00:05:48,959

give any anybody been on that road

109

00:05:44,810 --> 00:05:51,780

anybody know it there's a truck there

110

00:05:48,959 --> 00:05:54,269

and she said I don't want to tell you

111

00:05:51,779 --> 00:05:57,388

anything all I wanted to do is

112

00:05:54,269 --> 00:05:58,500

investigate and see what you get we go

113

00:05:57,389 --> 00:06:01,740

to the next slide

114

00:05:58,500 --> 00:06:04,529

oh that's that's it all taken in like

115
00:06:01,740 --> 00:06:07,259
that garden that's a hydrangea bush that

116
00:06:04,529 --> 00:06:09,089
shows you how big they can get those

117
00:06:07,259 --> 00:06:13,830
little ones coming out of it and the

118
00:06:09,089 --> 00:06:15,718
next photo that's it just dr. be gone

119
00:06:13,829 --> 00:06:20,519
but you can see the little ones still

120
00:06:15,718 --> 00:06:22,699
coming out and the next photograph you

121
00:06:20,519 --> 00:06:24,519
see when I do the

122
00:06:22,699 --> 00:06:26,990
twenty years around the church services

123
00:06:24,519 --> 00:06:29,000
burns are taking clairvoyant mediumship

124
00:06:26,990 --> 00:06:31,460
demonstrations for over 20 years and

125
00:06:29,000 --> 00:06:36,379
Chris does take photographs now and then

126
00:06:31,459 --> 00:06:39,379
on the next one and this is au foaming

127
00:06:36,379 --> 00:06:40,909
Lavina in Kinkos where a friend of ours

128
00:06:39,379 --> 00:07:00,949
opened the back door and that was above

129
00:06:40,910 --> 00:07:05,420
his house he don't he won't he is such a

130
00:07:00,949 --> 00:07:11,229
shiny Chris it's Dave he will not tell

131
00:07:05,420 --> 00:07:11,230
you about because it was in confidence

132
00:07:18,069 --> 00:07:59,350
at the time he was quite dark

133
00:07:56,949 --> 00:08:00,909
it was you couldn't see the scar you

134
00:07:59,350 --> 00:08:17,430
said you only could see was the enemies

135
00:08:00,910 --> 00:08:17,430
of the craft does this thing - repent

136
00:08:20,639 --> 00:08:29,620
until we have the next one please

137
00:08:24,300 --> 00:08:32,320
as another all over that was in Brecon

138
00:08:29,620 --> 00:08:34,389
way if you go close up you could see the

139
00:08:32,320 --> 00:08:37,300
face I think the next one is close up

140
00:08:34,389 --> 00:08:39,629
one yeah what's your face actually

141
00:08:37,299 --> 00:08:42,219
that's where a plane came down

142
00:08:39,629 --> 00:08:44,590
so I think that sort of ghosty kind of

143

00:08:42,220 --> 00:08:47,320
thing rather than the UFO thing and

144
00:08:44,590 --> 00:08:49,030
that's where a plane came down and you

145
00:08:47,320 --> 00:08:55,870
can definitely see the face in that one

146
00:08:49,029 --> 00:08:57,819
coming and the next one the sky watch go

147
00:08:55,870 --> 00:09:02,200
on a sky watch they're always attracted

148
00:08:57,820 --> 00:09:04,120
next one yeah they always come in a sky

149
00:09:02,200 --> 00:09:06,970
watch take cameras if you're going on a

150
00:09:04,120 --> 00:09:09,399
sky watch take your cameras with you

151
00:09:06,970 --> 00:09:12,779
high energy if I energy is there then

152
00:09:09,399 --> 00:09:21,189
I'm taking photographs on the next one

153
00:09:12,779 --> 00:09:23,589
now this is this investigation it runs

154
00:09:21,190 --> 00:09:27,490
from popsicle to our you've led a forum

155
00:09:23,590 --> 00:09:30,460
before on for two and this is what the

156
00:09:27,490 --> 00:09:32,320
magazine had told me two policemen had

157
00:09:30,460 --> 00:09:35,590

seen something and apparently were very

158

00:09:32,320 --> 00:09:37,330

upset over this experience I asked take

159

00:09:35,590 --> 00:09:39,070

a fortune for only the time of the

160

00:09:37,330 --> 00:09:40,690

occurrence as I have worked with spirit

161

00:09:39,070 --> 00:09:42,760

for over 30 years and I trust them I

162

00:09:40,690 --> 00:09:43,970

found that this is the best way to go

163

00:09:42,759 --> 00:09:46,639

into any investigation

164

00:09:43,970 --> 00:09:49,009

knowing nothing which is true we've got

165

00:09:46,639 --> 00:09:50,509

to do that because I find in

166

00:09:49,009 --> 00:09:52,669

investigations you go back time and time

167

00:09:50,509 --> 00:09:55,250

again and gets get parts the story each

168

00:09:52,669 --> 00:09:57,610

and every time and by the way in where

169

00:09:55,250 --> 00:10:02,028

that's big

170

00:09:57,610 --> 00:10:04,970

the club has cross Ely where they

171

00:10:02,028 --> 00:10:07,578

actually were the pilots saw that tanker

172
00:10:04,970 --> 00:10:09,350
a lady opened the curtains in the

173
00:10:07,578 --> 00:10:11,809
morning that was a youthful staring in

174
00:10:09,350 --> 00:10:21,220
there's a lot of activity going on over

175
00:10:11,809 --> 00:10:25,128
there you know okay next one this

176
00:10:21,220 --> 00:10:27,949
investigation I went to the trough -

177
00:10:25,129 --> 00:10:31,370
psychic artists so I find that if I do

178
00:10:27,948 --> 00:10:33,078
drawings the spirit covers clothes and

179
00:10:31,370 --> 00:10:35,480
they come in and they literally give me

180
00:10:33,078 --> 00:10:40,039
sittings and you know there was quite a

181
00:10:35,480 --> 00:10:45,528
few spirit there but we went to actually

182
00:10:40,039 --> 00:10:51,110
visit there was a robbery a highway

183
00:10:45,528 --> 00:10:54,649
robbery but the actual one is that I've

184
00:10:51,110 --> 00:10:57,889
got it was a very young soul that came

185
00:10:54,649 --> 00:10:59,659
from so tragic hoping the ways were so

186
00:10:57,889 --> 00:11:01,549
clear he spoke to me through tears and

187
00:10:59,659 --> 00:11:04,328
you can see the tears in the psychic art

188
00:11:01,549 --> 00:11:09,500
portrait it's always the actual website

189
00:11:04,328 --> 00:11:13,818
but this was in 2006 he was crying he

190
00:11:09,500 --> 00:11:15,649
was but he told me he was 21 22 and he

191
00:11:13,818 --> 00:11:19,188
just kept saying I'm sorry mom I'm so

192
00:11:15,649 --> 00:11:27,350
sorry please please forgive me he died

193
00:11:19,188 --> 00:11:31,338
on and what happened was that he had

194
00:11:27,350 --> 00:11:35,509
bought a motorcycle of his friends and

195
00:11:31,339 --> 00:11:38,389
he was in the middle of violence and he

196
00:11:35,509 --> 00:11:39,950
was in the pub and the keys were on the

197
00:11:38,389 --> 00:11:44,870
table so he stole

198
00:11:39,950 --> 00:11:49,640
jeez it didn't have a motorcycle helmet

199
00:11:44,870 --> 00:11:52,039
on and his parents were split up and he

200

00:11:49,639 --> 00:11:55,250
used to go from principal to Alberta

201
00:11:52,039 --> 00:11:57,469
penny where his dad moved so he got on

202
00:11:55,250 --> 00:11:59,960
the motorbike he stole it merely and but

203
00:11:57,470 --> 00:12:01,910
he got on the motorbike to drive to his

204
00:11:59,960 --> 00:12:03,830
dad's he was gonna buy the bike anyway

205
00:12:01,909 --> 00:12:05,539
degree but it was just he didn't do any

206
00:12:03,830 --> 00:12:09,650
of the rights we didn't have about

207
00:12:05,539 --> 00:12:13,009
chance he drove around the roundabout to

208
00:12:09,649 --> 00:12:15,169
go up once the airport for a for - but

209
00:12:13,009 --> 00:12:18,169
what he didn't know because he was

210
00:12:15,169 --> 00:12:22,429
driving away fast because he was elated

211
00:12:18,169 --> 00:12:24,319
he just stolen the body he was driving

212
00:12:22,429 --> 00:12:27,649
fast what he didn't know when the road

213
00:12:24,320 --> 00:12:30,980
was closed and they put a line across

214
00:12:27,649 --> 00:12:35,529

its of Rover crosses as he went up the

215

00:12:30,980 --> 00:12:35,529

road the Rope Courtin he was decapitated

216

00:12:38,950 --> 00:12:47,600

I'm sorry it's just that when they

217

00:12:43,850 --> 00:12:53,149

coming close and I had all the emotion

218

00:12:47,600 --> 00:12:55,190

of he was so upset he was so he didn't

219

00:12:53,149 --> 00:13:00,799

know what to say or do to put him riders

220

00:12:55,190 --> 00:13:02,780

and he really couldn't say much more all

221

00:13:00,799 --> 00:13:07,599

I did was the psychic art photograph I

222

00:13:02,779 --> 00:13:14,809

don't know if we've got it forward

223

00:13:07,600 --> 00:13:17,540

no that's the truck but I did photograph

224

00:13:14,809 --> 00:13:24,619

the artwork we've got the next one is it

225

00:13:17,539 --> 00:13:29,449

there is it really upset me and then all

226

00:13:24,620 --> 00:13:31,129

I could see was a month and because this

227

00:13:29,450 --> 00:13:33,350

is really upset me and I started crying

228

00:13:31,129 --> 00:13:35,330

with him I had to close we had to close

229

00:13:33,350 --> 00:13:37,970

down and I thought I'd have to come back

230

00:13:35,330 --> 00:13:40,100

at the time of when the actual thing

231

00:13:37,970 --> 00:13:42,230

magazine said to actually come back

232

00:13:40,100 --> 00:13:45,409

which is the incident happened at 4 a.m.

233

00:13:42,230 --> 00:13:48,920

in the morning the two policemen had

234

00:13:45,409 --> 00:13:50,958

drove down the road that's 4 a.m. so I

235

00:13:48,919 --> 00:13:54,409

wanted to be on the road at 4 a.m. just

236

00:13:50,958 --> 00:13:59,028

to be at the same time I did a church

237

00:13:54,409 --> 00:14:02,509

service in Quantico by coincidence just

238

00:13:59,028 --> 00:14:06,438

that we could see later and I put this

239

00:14:02,509 --> 00:14:09,379

as part 2 of this investigation from the

240

00:14:06,438 --> 00:14:11,360

a 4-4-2 for particle to albumin and if

241

00:14:09,379 --> 00:14:14,629

anything I didn't expect it to happen

242

00:14:11,360 --> 00:14:17,600

but I do these church services so I went

243
00:14:14,629 --> 00:14:19,610
into the church service and started it's

244
00:14:17,600 --> 00:14:21,379
just like a normal church service until

245
00:14:19,610 --> 00:14:23,659
the end where you get messages from

246
00:14:21,379 --> 00:14:27,889
spirit to prove that life exists you

247
00:14:23,659 --> 00:14:29,448
know it carries on and I started giving

248
00:14:27,889 --> 00:14:33,318
a lot of details I couldn't nobody could

249
00:14:29,448 --> 00:14:35,179
take it and there was an Alsatian talk I

250
00:14:33,318 --> 00:14:37,128
always get the animals are stationed on

251
00:14:35,179 --> 00:14:39,078
a retriever a golden retriever in the

252
00:14:37,129 --> 00:14:40,730
family then the names came through and

253
00:14:39,078 --> 00:14:44,419
nobody could take it and they were so

254
00:14:40,730 --> 00:14:46,220
definite about all of it and then

255
00:14:44,419 --> 00:14:48,349
somebody came in and I always take my

256
00:14:46,220 --> 00:14:49,790
dog there because she didn't mind me

257

00:14:48,350 --> 00:14:51,558
taking my little dog and she started

258
00:14:49,789 --> 00:14:54,828
barking at them so I told him to sit

259
00:14:51,558 --> 00:14:56,629
down I gave them all the details and

260
00:14:54,828 --> 00:14:59,989
they took every bit so putting the dogs

261
00:14:56,629 --> 00:15:02,438
that they were in the family she came up

262
00:14:59,990 --> 00:15:04,759
to me and afterwards because they

263
00:15:02,438 --> 00:15:05,990
started to give her a message

264
00:15:04,759 --> 00:15:08,058
and in fact she'd never go through

265
00:15:05,990 --> 00:15:11,120
something ever again and that she was

266
00:15:08,058 --> 00:15:15,169
brave and that a lot of things happened

267
00:15:11,120 --> 00:15:17,120
by coincidence and that you know it was

268
00:15:15,169 --> 00:15:19,878
a young act that was crying and it

269
00:15:17,120 --> 00:15:21,860
struck me that we weren't far from the

270
00:15:19,879 --> 00:15:24,920
truth whether the young wife was crying

271
00:15:21,860 --> 00:15:26,808

as the psychic are photographing so I

272

00:15:24,919 --> 00:15:30,139

said to her can you hang on just a

273

00:15:26,808 --> 00:15:30,669

second after the service and I just want

274

00:15:30,139 --> 00:15:33,759

to see

275

00:15:30,669 --> 00:15:38,529

got something to show you I showed her

276

00:15:33,759 --> 00:15:40,929

me out that was her son and that's how I

277

00:15:38,529 --> 00:15:45,429

got all the details of what happened and

278

00:15:40,929 --> 00:15:46,870

how he died and only motherless not even

279

00:15:45,429 --> 00:15:48,250

if anybody else is getting the he's

280

00:15:46,870 --> 00:15:51,940

probably around because we're talking

281

00:15:48,250 --> 00:15:55,000

about him but he died too young and

282

00:15:51,940 --> 00:15:56,740

literally she told me the story that had

283

00:15:55,000 --> 00:16:01,179

stolen the motorbike going to see his

284

00:15:56,740 --> 00:16:04,379

father you know of the fact that it was

285

00:16:01,179 --> 00:16:07,719

a tragic tragic accident

286
00:16:04,379 --> 00:16:09,399
her son was 6 foot 2 tall was considered

287
00:16:07,720 --> 00:16:11,560
very handsome patias that was not

288
00:16:09,399 --> 00:16:14,019
wearing a helmet when he died the

289
00:16:11,559 --> 00:16:15,639
inquest into his fellows death has not

290
00:16:14,019 --> 00:16:18,610
happened yet estar was pulled out of

291
00:16:15,639 --> 00:16:20,319
Anthony Jones he was wearing a white

292
00:16:18,610 --> 00:16:22,029
t-shirt or blue trousers when she

293
00:16:20,320 --> 00:16:22,510
visited him in the hospital after the

294
00:16:22,029 --> 00:16:25,089
event

295
00:16:22,509 --> 00:16:29,259
Adam was already dead and I didn't see

296
00:16:25,090 --> 00:16:31,120
the accident this it was the same high

297
00:16:29,259 --> 00:16:36,220
cheekbones and dimple and the Chairman

298
00:16:31,120 --> 00:16:38,679
he was younger because you can imagine

299
00:16:36,220 --> 00:16:41,519
this was so upsetting and I thought I've

300
00:16:38,679 --> 00:16:45,339
got to go back because I started doing

301
00:16:41,519 --> 00:16:47,529
the first part of the investigation and

302
00:16:45,340 --> 00:16:49,210
this was part of the second part for the

303
00:16:47,529 --> 00:16:51,669
magazine so I thought I got to go back

304
00:16:49,210 --> 00:16:58,379
one more time at the time of when the

305
00:16:51,669 --> 00:17:04,389
policeman had the incident so I went and

306
00:16:58,379 --> 00:17:06,069
before I did Pam said Pam Jones mum told

307
00:17:04,390 --> 00:17:09,940
me that there was an article in the

308
00:17:06,069 --> 00:17:12,250
newspaper about his son and if I wanted

309
00:17:09,940 --> 00:17:13,930
to I could go to the magazine and she

310
00:17:12,250 --> 00:17:17,709
was willing for me to have a photograph

311
00:17:13,930 --> 00:17:20,170
of him from the the Gazeta quasi-neutral

312
00:17:17,709 --> 00:17:23,470
so I got the Gazette and they sent me

313
00:17:20,170 --> 00:17:26,390
the photograph and the article is in

314

00:17:23,470 --> 00:17:28,850
that tomb and this is being

315
00:17:26,390 --> 00:17:37,190
I just can't believe what what happened

316
00:17:28,849 --> 00:17:40,039
next but the photograph attacks him from

317
00:17:37,190 --> 00:17:43,120
the article I didn't get until after

318
00:17:40,039 --> 00:17:46,430
we've been back at 4 a.m. in the morning

319
00:17:43,119 --> 00:17:48,379
so then we were this is scientific

320
00:17:46,430 --> 00:17:51,110
investigations you've got one inside you

321
00:17:48,380 --> 00:17:51,820
know and it was cold it was freezing one

322
00:17:51,109 --> 00:17:55,119
Icarus

323
00:17:51,819 --> 00:17:58,039
he went to the childhood we sat down and

324
00:17:55,119 --> 00:17:59,869
all this stuff in the car door opens and

325
00:17:58,039 --> 00:18:01,309
suddenly settled in and it wasn't Chris

326
00:17:59,869 --> 00:18:02,959
might say there was gonna talk to

327
00:18:01,309 --> 00:18:06,679
Kristin somebody else was there it was a

328
00:18:02,960 --> 00:18:10,039

month so I took him and I started to

329

00:18:06,680 --> 00:18:12,650

talk to him and he started to give me

330

00:18:10,039 --> 00:18:14,480

the impression of who he was and what it

331

00:18:12,650 --> 00:18:17,269

was all about it was very urgent and he

332

00:18:14,480 --> 00:18:19,610

told me that the car the police car I've

333

00:18:17,269 --> 00:18:22,879

ever driven through him and all the rest

334

00:18:19,609 --> 00:18:25,039

and I thought Frankie you know and the

335

00:18:22,880 --> 00:18:29,020

actual party was there we investigated

336

00:18:25,039 --> 00:18:31,849

after we found the army but

337

00:18:29,019 --> 00:18:34,549

unfortunately my husband the big skeptic

338

00:18:31,849 --> 00:18:36,679

altered the Doris sat on him so that's

339

00:18:34,549 --> 00:18:42,919

the end of that I said you like this

340

00:18:36,680 --> 00:18:44,480

somebody there it says my seats the

341

00:18:42,920 --> 00:18:46,100

monkey had told me that the ground which

342

00:18:44,480 --> 00:18:47,960

was a normal burial grounds have been

343
00:18:46,099 --> 00:18:49,549
disturbed and of course the energy to go

344
00:18:47,960 --> 00:18:52,519
out of balance and was the reason why

345
00:18:49,549 --> 00:18:54,529
the doorway was opened and spirit could

346
00:18:52,519 --> 00:18:56,720
come through in the first investigation

347
00:18:54,529 --> 00:18:58,879
we took parallel Road to cross off the

348
00:18:56,720 --> 00:19:00,680
building site next the police station

349
00:18:58,880 --> 00:19:01,520
and I wondered whether this was the

350
00:19:00,680 --> 00:19:04,279
Disturb sign

351
00:19:01,519 --> 00:19:05,750
I never assume anything with spirits but

352
00:19:04,279 --> 00:19:08,509
this was just a few hundred yards from

353
00:19:05,750 --> 00:19:09,890
where we were sitting and that's the

354
00:19:08,509 --> 00:19:11,480
next big night making all of a sudden

355
00:19:09,890 --> 00:19:13,130
the door open a Kris started to talk

356
00:19:11,480 --> 00:19:15,500
about how cold where there was a crowd I

357
00:19:13,130 --> 00:19:20,510
don't sit down and then he sat on him so

358
00:19:15,500 --> 00:19:25,119
clear so when I took the art photograph

359
00:19:20,509 --> 00:19:27,440
of the monk for me go to the next one

360
00:19:25,119 --> 00:19:29,679
well that was one of those things I

361
00:19:27,440 --> 00:19:32,380
stories were never the doorway was

362
00:19:29,680 --> 00:19:35,289
open it was really open the police were

363
00:19:32,380 --> 00:19:37,390
convinced it was a person it was as

364
00:19:35,289 --> 00:19:38,769
physical as you were I think I'm not

365
00:19:37,390 --> 00:19:40,690
going to argue with them because at the

366
00:19:38,769 --> 00:19:43,059
end of the day I think was best if these

367
00:19:40,690 --> 00:19:44,740
two policemen had gone to turn imagines

368
00:19:43,059 --> 00:19:46,659
who's not going to take a break plate

369
00:19:44,740 --> 00:19:49,779
before which a magazine and say this is

370
00:19:46,660 --> 00:19:52,840
what happened to us explain it so can he

371

00:19:49,779 --> 00:19:55,139
go to the next one that's another one

372
00:19:52,839 --> 00:19:59,859
from the investigation and the next one

373
00:19:55,140 --> 00:20:00,810
there she'll monk Wow he was he wasn't

374
00:19:59,859 --> 00:20:03,129
at me

375
00:20:00,809 --> 00:20:05,339
he was absolutely lovely can you notice

376
00:20:03,130 --> 00:20:07,330
the next one

377
00:20:05,339 --> 00:20:08,799
Darla next well there was a lot of

378
00:20:07,329 --> 00:20:11,019
paranormal photographs taken

379
00:20:08,799 --> 00:20:14,049
there's the policeman I'm going to read

380
00:20:11,019 --> 00:20:16,210
out their story anyway I went back and

381
00:20:14,049 --> 00:20:18,159
explained about it explained about the

382
00:20:16,210 --> 00:20:20,259
Lancome that the disturbed energy and

383
00:20:18,160 --> 00:20:21,940
that's why the monk was there and it was

384
00:20:20,259 --> 00:20:28,059
probably the month that the policemen

385
00:20:21,940 --> 00:20:30,460

sing so this is their article from tech

386

00:20:28,059 --> 00:20:33,309

break Faison fortune please sergeant

387

00:20:30,460 --> 00:20:34,870

Makai from multiple hacked with PC John

388

00:20:33,309 --> 00:20:37,019

Williams on the rights of trained to

389

00:20:34,869 --> 00:20:40,089

keep cool under pressure

390

00:20:37,019 --> 00:20:41,829

but what Makai store on duty one night

391

00:20:40,089 --> 00:20:43,539

was more chilling than anything he'd

392

00:20:41,829 --> 00:20:46,509

ever seen in his 10 years of fighting

393

00:20:43,539 --> 00:20:48,190

crime glancing down at the clock on the

394

00:20:46,509 --> 00:20:49,210

dashboard I was surprised to see it was

395

00:20:48,190 --> 00:20:51,400

already 4 a.m.

396

00:20:49,210 --> 00:20:53,200

my fellow police officer John Williams

397

00:20:51,400 --> 00:20:55,930

and I were driving back to the neck in

398

00:20:53,200 --> 00:20:58,720

our monthly scoring timer to swim by

399

00:20:55,930 --> 00:21:00,190

it's been a busy on like John I said as

400
00:20:58,720 --> 00:21:03,130
we headed along the deserted

401
00:21:00,190 --> 00:21:06,370
8404 to from a big advantage Awards

402
00:21:03,130 --> 00:21:09,040
pontypool in South Wales we went on the

403
00:21:06,369 --> 00:21:10,179
77 shift we've been involved in a

404
00:21:09,039 --> 00:21:12,279
situation

405
00:21:10,180 --> 00:21:15,640
in a fairly enough to put sweetheart a

406
00:21:12,279 --> 00:21:17,980
debrief at the local station rather we

407
00:21:15,640 --> 00:21:20,800
were on our way back to base with John

408
00:21:17,980 --> 00:21:22,960
at the wheel loyalists were tired

409
00:21:20,799 --> 00:21:26,169
in fact the adrenaline from the blast

410
00:21:22,960 --> 00:21:28,329
job that left us more alert than normal

411
00:21:26,170 --> 00:21:31,360
we were passing through the run-over

412
00:21:28,329 --> 00:21:33,009
area doing about 40 miles per hour while

413
00:21:31,359 --> 00:21:35,889
I saw her hooded figure right in the

414
00:21:33,009 --> 00:21:37,869
middle of the road and we got closer I

415
00:21:35,890 --> 00:21:40,000
saw that that the person I couldn't tell

416
00:21:37,869 --> 00:21:43,149
whether he was a he or she was standing

417
00:21:40,000 --> 00:21:44,980
dead still there back to us just inside

418
00:21:43,150 --> 00:21:47,530
the central white lines the figure was

419
00:21:44,980 --> 00:21:51,309
wearing a long brown cloak with a hood

420
00:21:47,529 --> 00:21:53,769
over its head so that it rose to a sharp

421
00:21:51,309 --> 00:21:56,769
point it realizing the other ones have

422
00:21:53,769 --> 00:22:00,129
it you see all sorts of things in this

423
00:21:56,769 --> 00:22:01,750
job that it struck very hard what is the

424
00:22:00,130 --> 00:22:04,000
how is someone doing out here at Florida

425
00:22:01,750 --> 00:22:05,859
adjusting their mouths habits and

426
00:22:04,000 --> 00:22:07,900
wonderful job break in any moment I

427
00:22:05,859 --> 00:22:09,869
thought but he didn't he kept on going

428

00:22:07,900 --> 00:22:12,940
are you going to slow down I asked him

429
00:22:09,869 --> 00:22:14,799
my heart was beating faster as we drove

430
00:22:12,940 --> 00:22:18,190
towards the figure why what's wrong

431
00:22:14,799 --> 00:22:19,569
replied John can't you see it I started

432
00:22:18,190 --> 00:22:21,309
trying not to panic

433
00:22:19,569 --> 00:22:22,809
we were almost upon the figure the car

434
00:22:21,309 --> 00:22:25,509
was heading straight for it

435
00:22:22,809 --> 00:22:27,129
see what he asked against all our

436
00:22:25,509 --> 00:22:29,950
training I almost grabbed the wheel to

437
00:22:27,130 --> 00:22:31,690
try and swerve but it was too late we

438
00:22:29,950 --> 00:22:34,150
cleared right through the figure I

439
00:22:31,690 --> 00:22:36,400
braced myself for the impact but there

440
00:22:34,150 --> 00:22:39,280
was no sound no job nothing John drove

441
00:22:36,400 --> 00:22:42,160
on stop by yells you're hit Smith hit

442
00:22:39,279 --> 00:22:44,319

just hit him it don't look like stopping

443

00:22:42,160 --> 00:22:48,009

Karen looked at me I could see he was

444

00:22:44,319 --> 00:22:50,169

totally confused I don't understand look

445

00:22:48,009 --> 00:22:52,119

like John I didn't see end nevertheless

446

00:22:50,170 --> 00:22:53,860

he's Spanish ground back at the spot

447

00:22:52,119 --> 00:22:54,219

where there's no trace of the person or

448

00:22:53,859 --> 00:22:57,219

any

449

00:22:54,220 --> 00:23:00,069

an accident it didn't make sense I told

450

00:22:57,220 --> 00:23:02,529

him I was pretty spooked and John to see

451

00:23:00,069 --> 00:23:04,899

for my expression it was no wonder he

452

00:23:02,529 --> 00:23:06,639

drove towards pond school but a few

453

00:23:04,900 --> 00:23:08,019

months later we decided to go back to

454

00:23:06,640 --> 00:23:11,259

the spot for another look he's a

455

00:23:08,019 --> 00:23:14,168

policeman just in case as we approach

456

00:23:11,259 --> 00:23:16,058

the second time I froze it's right back

457
00:23:14,169 --> 00:23:18,220
are the figures still accompany come

458
00:23:16,058 --> 00:23:21,029
back to this but kaya can't see a thing

459
00:23:18,220 --> 00:23:24,009
said John poor guy was totally baffled

460
00:23:21,029 --> 00:23:25,450
suddenly the cold icy cold as I stared

461
00:23:24,009 --> 00:23:29,650
out to the figure I felt an overwhelming

462
00:23:25,450 --> 00:23:31,569
sense of despair it was so intense that

463
00:23:29,650 --> 00:23:34,030
tears welled up in my eyes I've never

464
00:23:31,569 --> 00:23:35,859
experienced anything like you'd see in

465
00:23:34,029 --> 00:23:37,720
the state I was seeing and realizing

466
00:23:35,859 --> 00:23:40,029
that something was terribly wrong

467
00:23:37,720 --> 00:23:41,679
John accelerated away within a minute

468
00:23:40,029 --> 00:23:43,899
the temperature in the car was back to

469
00:23:41,679 --> 00:23:46,059
normal temperatures go down very low

470
00:23:43,900 --> 00:23:51,370
when this activity of anybody noticed

471
00:23:46,058 --> 00:23:52,899
that the girls like icy but though John

472
00:23:51,369 --> 00:23:55,000
hadn't seen the figure with his own eyes

473
00:23:52,900 --> 00:23:56,470
he didn't doubt me one side recovered I

474
00:23:55,000 --> 00:23:58,089
wanted to go back and look for a third

475
00:23:56,470 --> 00:23:58,890
time it's a glycol isn't it for

476
00:23:58,089 --> 00:24:01,119
punishment

477
00:23:58,890 --> 00:24:02,530
John agreed but just what we got a

478
00:24:01,119 --> 00:24:06,489
call-out and I had to go back to

479
00:24:02,529 --> 00:24:08,349
Quantico this happened a 91 survived

480
00:24:06,490 --> 00:24:10,690
different past the spot many times since

481
00:24:08,349 --> 00:24:15,009
both on and off duty but never seen

482
00:24:10,690 --> 00:24:20,009
anything strange like that this happened

483
00:24:15,009 --> 00:24:23,349
before Adam was decapitated

484
00:24:20,009 --> 00:24:27,129
he not only appeared to the policeman he

485

00:24:23,349 --> 00:24:30,730
came to the mother prior to the event

486
00:24:27,130 --> 00:24:34,840
two weeks prior to the events she told

487
00:24:30,730 --> 00:24:37,529
me that she was getting so sad stories

488
00:24:34,839 --> 00:24:40,269
and she was crying and she didn't know I

489
00:24:37,529 --> 00:24:43,539
she tried to get hold of the chair

490
00:24:40,269 --> 00:24:47,440
she for Christmas but it was closed the

491
00:24:43,539 --> 00:24:49,539
first time that she could go back to the

492
00:24:47,440 --> 00:24:53,410
church was when I was there after the

493
00:24:49,539 --> 00:24:56,470
event she didn't understand why that she

494
00:24:53,410 --> 00:24:59,580
had this feeling of despair and dreaming

495
00:24:56,470 --> 00:25:03,730
of her son and the songs that he loved

496
00:24:59,579 --> 00:25:08,199
prior to the event come here the next

497
00:25:03,730 --> 00:25:12,730
photograph that's their article on the

498
00:25:08,200 --> 00:25:18,009
next one now that's there is a

499
00:25:12,730 --> 00:25:22,720

photograph of Adam when he dies that

500

00:25:18,009 --> 00:25:24,099

husband he was 20 21 because they can't

501

00:25:22,720 --> 00:25:27,179

be the only close up from you could

502

00:25:24,099 --> 00:25:33,449

clean out the next one it perhaps it is

503

00:25:27,179 --> 00:25:36,509

anyway one of the same in fact I was

504

00:25:33,450 --> 00:25:40,860

literally told can we go back to the

505

00:25:36,509 --> 00:25:40,859

photograph the wavy lines please

506

00:25:47,410 --> 00:25:54,100

hmm my conclusion is a strange one on my

507

00:25:50,929 --> 00:25:56,330

first visit to this place I remarked to

508

00:25:54,099 --> 00:25:59,689

think of Fortune magazine that a vehicle

509

00:25:56,329 --> 00:26:01,058

went straight to the ghost of Adam it

510

00:25:59,690 --> 00:26:05,509

didn't leave went through the moat

511

00:26:01,058 --> 00:26:11,629

either one woman could wanted to say now

512

00:26:05,509 --> 00:26:14,450

time is not strange it's like this it's

513

00:26:11,630 --> 00:26:17,929

wavy it's like that sign sometimes not

514
00:26:14,450 --> 00:26:21,230
spent Linea it's like that clay noticed

515
00:26:17,929 --> 00:26:26,330
that when we take photographs I could be

516
00:26:21,230 --> 00:26:28,069
at the top loop of that first sitting

517
00:26:26,329 --> 00:26:31,189
there with my camera going click and

518
00:26:28,069 --> 00:26:33,470
time has traveled on all the way down so

519
00:26:31,190 --> 00:26:35,630
that people gone back up and I'm taking

520
00:26:33,470 --> 00:26:37,660
the photograph at the second loop the

521
00:26:35,630 --> 00:26:40,490
time difference could be a hundred years

522
00:26:37,660 --> 00:26:45,440
but it's just like a doorways opening up

523
00:26:40,490 --> 00:26:49,220
just in front of human paddle Enomoto

524
00:26:45,440 --> 00:26:52,039
the same he came back to warn hadn't

525
00:26:49,220 --> 00:26:55,940
warned the mother be with the police

526
00:26:52,039 --> 00:26:59,240
prior to the event to stop it happening

527
00:26:55,940 --> 00:27:01,370
any couldn't you can't stop something

528
00:26:59,240 --> 00:27:04,490
that's going to happen I had realized

529
00:27:01,369 --> 00:27:06,319
that if something is destiny we can

530
00:27:04,490 --> 00:27:08,750
interfere to a certain extent but you

531
00:27:06,319 --> 00:27:13,369
can tend to feel like this and that's

532
00:27:08,750 --> 00:27:15,650
why it never happened later on reading

533
00:27:13,369 --> 00:27:17,869
Rico story he confirms at the police car

534
00:27:15,650 --> 00:27:19,400
went through the ghost of the monk he

535
00:27:17,869 --> 00:27:21,919
also felt that the trough meant

536
00:27:19,400 --> 00:27:23,750
something this was where we had a large

537
00:27:21,920 --> 00:27:25,960
or with a purple tinge to the air to

538
00:27:23,750 --> 00:27:28,759
associate with parties and churches

539
00:27:25,960 --> 00:27:32,799
Makai felt an overwhelming feeling of

540
00:27:28,759 --> 00:27:36,619
despair and death prior to article time

541
00:27:32,799 --> 00:27:39,079
that Jung wrote that note it's almost

542

00:27:36,619 --> 00:27:44,239
like the monk was trying to warn himself

543
00:27:39,079 --> 00:27:46,039
in the future not to do it it's affected

544
00:27:44,240 --> 00:27:46,950
the energy system when we went there on

545
00:27:46,039 --> 00:27:48,629
the first page

546
00:27:46,950 --> 00:27:50,850
the energy was all over the place it was

547
00:27:48,630 --> 00:27:53,850
you would feel it on your feet it was

548
00:27:50,849 --> 00:27:56,038
all over the place and when we blew up

549
00:27:53,849 --> 00:27:58,829
some of the office we could see a lot of

550
00:27:56,038 --> 00:28:02,490
things but the two photographs is tight

551
00:27:58,829 --> 00:28:04,829
besides in the actual website time is

552
00:28:02,490 --> 00:28:07,169
not linear the soul of an atom in the

553
00:28:04,829 --> 00:28:10,199
month are one and the same just

554
00:28:07,169 --> 00:28:11,880
different times if we only own requests

555
00:28:10,200 --> 00:28:13,850
we go back into our past lives

556
00:28:11,880 --> 00:28:16,500

why not the future I've seen this happen

557

00:28:13,849 --> 00:28:18,269

the most understood the energy system

558

00:28:16,500 --> 00:28:20,759

and as the energies were so fired by the

559

00:28:18,269 --> 00:28:23,190

truck for one precious moment in time

560

00:28:20,759 --> 00:28:25,558

thought that perhaps the symptoms of a

561

00:28:23,190 --> 00:28:31,110

traumatic event in his future I'm trying

562

00:28:25,558 --> 00:28:33,148

to stop it and March 2006 I met Alan

563

00:28:31,109 --> 00:28:34,918

Jones Adam's mother to hand over the

564

00:28:33,148 --> 00:28:37,558

Friends of original artwork of a son

565

00:28:34,919 --> 00:28:39,480

this was a very emotional meeting and I

566

00:28:37,558 --> 00:28:43,408

know I put salt right on this event for

567

00:28:39,480 --> 00:28:51,149

some time clear there was unconditional

568

00:28:43,409 --> 00:28:51,899

love between such a tragedy was 21 years

569

00:28:51,148 --> 00:28:54,869

old

570

00:28:51,898 --> 00:28:56,759

such a tragedy but I can't go wrong with

571
00:28:54,869 --> 00:28:58,798
this one but I have to say as it

572
00:28:56,759 --> 00:29:01,558
affected me a great deal but not only

573
00:28:58,798 --> 00:29:03,778
that to realize there's more to life

574
00:29:01,558 --> 00:29:07,648
than what we could ever understand and

575
00:29:03,778 --> 00:29:11,159
these dimensional doors open up and when

576
00:29:07,648 --> 00:29:13,048
things go wrong you know I don't know if

577
00:29:11,159 --> 00:29:16,380
it's right or wrong with the monks knew

578
00:29:13,048 --> 00:29:18,298
how to manipulate the energy system and

579
00:29:16,380 --> 00:29:20,490
they're the only ones when I see people

580
00:29:18,298 --> 00:29:23,069
who've got a time T which is very rare

581
00:29:20,490 --> 00:29:26,579
event a tiny key is when you can

582
00:29:23,069 --> 00:29:28,609
manipulate and open these doorways but

583
00:29:26,579 --> 00:29:31,579
you have

584
00:29:28,609 --> 00:29:34,339
you cannot do that and that's one of the

585
00:29:31,579 --> 00:29:37,460
things he overstepped the line but if

586
00:29:34,339 --> 00:29:45,379
you can go back to the photograph the

587
00:29:37,460 --> 00:29:48,110
two together and actually see the

588
00:29:45,380 --> 00:29:52,450
likeness it seems that when we

589
00:29:48,109 --> 00:29:52,449
reincarnate there's something about us

590
00:29:53,679 --> 00:30:09,669
between can we go to the next one any

591
00:30:05,298 --> 00:30:37,190
questions on that one

592
00:30:09,669 --> 00:30:40,250
any other monks understood the energy

593
00:30:37,190 --> 00:30:41,690
system they can't go back and forth like

594
00:30:40,250 --> 00:30:43,970
they're not suppose we're not supposed

595
00:30:41,690 --> 00:30:46,100
to anybody is supposed to interfere but

596
00:30:43,970 --> 00:30:50,509
what I have noticed with people who have

597
00:30:46,099 --> 00:30:53,028
been in the church months knows etc that

598
00:30:50,509 --> 00:30:54,888
have high energy and the innocent energy

599

00:30:53,028 --> 00:30:57,259
that the can open the doorway said do

600
00:30:54,888 --> 00:31:00,349
this kind of work and warn people have

601
00:30:57,259 --> 00:31:02,869
helped people and guide people I have

602
00:31:00,349 --> 00:31:04,879
noticed one or two things sometimes they

603
00:31:02,869 --> 00:31:09,079
are reincarnation and they your own

604
00:31:04,880 --> 00:31:13,100
guide purely because they took vows of

605
00:31:09,079 --> 00:31:16,759
poverty and chastity and sometimes those

606
00:31:13,099 --> 00:31:19,459
vows go on to other lifetimes and they

607
00:31:16,759 --> 00:31:22,158
shouldn't interfere in other lifetimes

608
00:31:19,460 --> 00:31:23,750
but they do and so it's like getting rid

609
00:31:22,159 --> 00:31:28,460
of a little bit not of a curse but of

610
00:31:23,750 --> 00:31:29,619
what you did explanation I have the fear

611
00:31:28,460 --> 00:31:33,220
of the dentist

612
00:31:29,619 --> 00:31:35,769
have an overcrowding were 14 and my

613
00:31:33,220 --> 00:31:37,210

mother took me to the dentist and I

614

00:31:35,769 --> 00:31:39,220

screamed the place down something worse

615

00:31:37,210 --> 00:31:42,308

than the kitty screaming the place down

616

00:31:39,220 --> 00:31:43,630

in inner dentists I student place down

617

00:31:42,308 --> 00:31:45,220

my mother couldn't get over it I went

618

00:31:43,630 --> 00:31:49,000

from dentist to dentist and there woke

619

00:31:45,220 --> 00:31:53,440

up she goes she started screaming and I

620

00:31:49,000 --> 00:31:55,359

have a request did I ever realize why if

621

00:31:53,440 --> 00:31:58,450

you drown one lifetime we've got a fear

622

00:31:55,359 --> 00:32:04,058

of water in the next it is no reason

623

00:31:58,450 --> 00:32:06,460

friends I have a fear of the gas well

624

00:32:04,058 --> 00:32:09,819

they took out teeth when I was young it

625

00:32:06,460 --> 00:32:13,210

was my gas I wanna have a regression I

626

00:32:09,819 --> 00:32:18,939

saw myself as a little girl then kids in

627

00:32:13,210 --> 00:32:21,190

the gets jealous so in some respects I

628
00:32:18,940 --> 00:32:23,610
couldn't do it because as I said she

629
00:32:21,190 --> 00:32:26,440
went to the very beginning of his talk

630
00:32:23,609 --> 00:32:29,558
when you're younger you are more

631
00:32:26,440 --> 00:32:32,259
susceptible to remembering things that

632
00:32:29,558 --> 00:32:34,629
ever happened to you from past lives

633
00:32:32,259 --> 00:32:36,160
you're not really it's when you're

634
00:32:34,630 --> 00:32:38,260
younger and you're innocent and you're

635
00:32:36,160 --> 00:32:41,259
sensitive that you do pick up things yes

636
00:32:38,259 --> 00:32:43,150
but that's really shocked because only

637
00:32:41,259 --> 00:32:46,179
when I had any question did I realize

638
00:32:43,150 --> 00:32:48,700
that's the reason why I'm a dentist with

639
00:32:46,179 --> 00:32:51,670
months they took those vows which

640
00:32:48,700 --> 00:32:54,160
affected them I've done so many readings

641
00:32:51,670 --> 00:32:57,519
with people who were being abused in a

642
00:32:54,160 --> 00:32:59,830
very big karmic ties that have affected

643
00:32:57,519 --> 00:33:04,839
many many many many many lifetimes and

644
00:32:59,829 --> 00:33:08,428
it's why people certain people accept

645
00:33:04,839 --> 00:33:11,349
abuse as the no and even what the hell

646
00:33:08,429 --> 00:33:13,630
you know but each lifetime they come

647
00:33:11,349 --> 00:33:16,928
back to learn it's not right healing

648
00:33:13,630 --> 00:33:20,470
going to this cycle again and accept

649
00:33:16,929 --> 00:33:22,870
abuse because in one huge lifetime

650
00:33:20,470 --> 00:33:25,329
that's when it started Lia first

651
00:33:22,869 --> 00:33:27,969
original sin when the first one happened

652
00:33:25,329 --> 00:33:28,999
that's when the trouble started and that

653
00:33:27,970 --> 00:33:31,519
caused the scar

654
00:33:28,999 --> 00:33:33,769
and the world opens up every time until

655
00:33:31,519 --> 00:33:36,828
you break the cycle and you figure it

656

00:33:33,769 --> 00:33:39,288
out and you work it out and there's only

657
00:33:36,828 --> 00:33:41,298
one way of doing that that I've learned

658
00:33:39,288 --> 00:33:43,818
the hard way and you learned with

659
00:33:41,298 --> 00:33:46,128
somebody who I knew for a long time who

660
00:33:43,818 --> 00:33:48,019
I loved and that's unconditional - is

661
00:33:46,128 --> 00:33:50,388
its happy however how can you love

662
00:33:48,019 --> 00:33:52,939
somebody that is murdered you in another

663
00:33:50,388 --> 00:33:55,128
lifetime and you go home - that are made

664
00:33:52,939 --> 00:33:58,339
with there any grabber they put you into

665
00:33:55,128 --> 00:34:00,128
your family you could be yourself next

666
00:33:58,338 --> 00:34:01,999
lifetime he's your son

667
00:34:00,128 --> 00:34:07,038
unconditionally you forgive him

668
00:34:01,999 --> 00:34:08,929
everything so I hope that's all said it

669
00:34:07,038 --> 00:34:11,389
could be you in the previous ayah but

670
00:34:08,929 --> 00:34:15,730

because you're susceptible to it because

671

00:34:11,389 --> 00:34:23,740

the 2008 Spain why poverty and chastity

672

00:34:15,730 --> 00:34:23,740

problems in a person's life it's a help

673

00:34:23,980 --> 00:34:28,548

they do have yes but they they

674

00:34:26,329 --> 00:34:30,259

understand the energy system more in

675

00:34:28,548 --> 00:34:32,389

those days I sometimes I wonder if

676

00:34:30,259 --> 00:34:34,878

that's why all Henry in the agent did

677

00:34:32,389 --> 00:34:37,778

what he did because they were getting

678

00:34:34,878 --> 00:34:37,778

powerful amongst

679

00:34:42,050 --> 00:34:47,160

sorry I can't see you can you put your

680

00:34:44,369 --> 00:34:48,859

hand up please oh there you go sorry

681

00:34:47,159 --> 00:34:53,329

yeah

682

00:34:48,860 --> 00:34:59,090

do you know that something yeah yeah

683

00:34:53,329 --> 00:34:59,090

yeah because I see like like gray

684

00:35:04,010 --> 00:35:16,770

yeah yeah right Oh see it in the other

685
00:35:11,489 --> 00:35:19,979
direction it being with being here the

686
00:35:16,769 --> 00:35:22,369
parts of my body is hot yeah and then

687
00:35:19,980 --> 00:35:27,050
the other part of my body is home

688
00:35:22,369 --> 00:35:27,049
everybody is from I kick to some extent

689
00:35:27,539 --> 00:35:30,639
[Music]

690
00:36:19,010 --> 00:36:22,069
[Music]

691
00:36:37,690 --> 00:36:43,119
chris is one chris is one of the biggest

692
00:36:40,750 --> 00:36:45,760
skeptics going and they done everything

693
00:36:43,119 --> 00:36:48,309
they pushed him as well devezin will be

694
00:36:45,760 --> 00:36:50,020
there pushed he will have the fact that

695
00:36:48,309 --> 00:36:53,260
he was pushed and they try to prove to

696
00:36:50,019 --> 00:36:55,088
him but he tries to find the how many

697
00:36:53,260 --> 00:36:57,930
kind an explanation will be important is

698
00:36:55,088 --> 00:36:57,929
not leave Nanjing

699

00:37:09,369 --> 00:37:14,599

I think a lot of people in this room are

700

00:37:13,130 --> 00:37:18,289

here because you've had your own

701

00:37:14,599 --> 00:37:20,809

experiences and you because you not only

702

00:37:18,289 --> 00:37:23,089

had your own UFO experiences but you've

703

00:37:20,809 --> 00:37:24,589

also had spiritual experiences yourself

704

00:37:23,088 --> 00:37:28,298

you've probably seen or heard something

705

00:37:24,588 --> 00:37:28,298

that's the reason why you're interested

706

00:37:52,960 --> 00:37:56,059

[Music]

707

00:38:04,059 --> 00:38:10,489

they want to they want to give you proof

708

00:38:07,639 --> 00:38:11,838

that there and they really want you to

709

00:38:10,489 --> 00:38:13,969

know that they're there because some of

710

00:38:11,838 --> 00:38:16,099

the investigations we've just been

711

00:38:13,969 --> 00:38:17,719

blowing their minds we should relieve

712

00:38:16,099 --> 00:38:20,150

some of them on the website because they

713

00:38:17,719 --> 00:38:22,009
are really unbelievable because they

714
00:38:20,150 --> 00:38:25,690
improving dimensional things are we

715
00:38:22,009 --> 00:38:25,690
getting approval photographs as well

716
00:38:30,429 --> 00:38:42,639
oh no I happened but I've heard of them

717
00:38:39,969 --> 00:38:43,989
I've investigated one of them and there

718
00:38:42,639 --> 00:38:46,449
was a reason for it

719
00:38:43,989 --> 00:39:45,429
there was a reason for it so in some

720
00:38:46,449 --> 00:39:48,730
respects because anybody else like to

721
00:39:45,429 --> 00:39:50,618
ask a question about the dimensional

722
00:39:48,730 --> 00:39:53,619
stuff is that's interesting so a lot of

723
00:39:50,619 --> 00:39:56,440
the handed out leaflets to the website

724
00:39:53,619 --> 00:39:58,119
Alissa awful lot apparently the website

725
00:39:56,440 --> 00:40:00,548
there's an awful lot of photographs and

726
00:39:58,119 --> 00:40:02,470
dimensional photographs there too was

727
00:40:00,548 --> 00:40:12,028

could when you open those doorways that

728

00:40:02,469 --> 00:40:12,028

are amazing so it's like sorry which one

729

00:40:13,949 --> 00:40:19,449

the one that was abused the Karman

730

00:40:17,199 --> 00:40:22,778

relates to Australia and I've had a lot

731

00:40:19,449 --> 00:40:25,419

of people come through they stayed was

732

00:40:22,778 --> 00:40:29,469

about a few centuries ago where young

733

00:40:25,420 --> 00:40:31,139

people were taken off the coasts of boys

734

00:40:29,469 --> 00:40:33,689

out of homes taken off

735

00:40:31,139 --> 00:40:37,109

the Australian Australian clubs take

736

00:40:33,690 --> 00:40:39,179

them to a place which was a hot interior

737

00:40:37,110 --> 00:40:42,000

and they were held underground in the

738

00:40:39,179 --> 00:40:43,769

dark and what happened was that they

739

00:40:42,000 --> 00:40:45,150

were abused and that's how I got this

740

00:40:43,769 --> 00:40:47,789

passionately wants to live in those

741

00:40:45,150 --> 00:40:51,030

temperatures it was a lining community

742
00:40:47,789 --> 00:40:53,610
and I'd find the people and I talked to

743
00:40:51,030 --> 00:40:55,710
because as I said I don't know 32,000

744
00:40:53,610 --> 00:40:58,050
reasons that that are connected they all

745
00:40:55,710 --> 00:41:01,110
seem to have mining connections in their

746
00:40:58,050 --> 00:41:03,510
family and connections to Australia but

747
00:41:01,110 --> 00:41:05,340
they were sexually and physically abused

748
00:41:03,510 --> 00:41:09,960
and that's they fell in love with their

749
00:41:05,340 --> 00:41:13,200
abuser but I won a reincarnated it's

750
00:41:09,960 --> 00:41:15,599
still stuck in their minds it still was

751
00:41:13,199 --> 00:41:18,119
there because then they couldn't go into

752
00:41:15,599 --> 00:41:19,710
a relationship and as a normal

753
00:41:18,119 --> 00:41:21,480
relationship they had to go into an

754
00:41:19,710 --> 00:41:23,970
abusive relationship because they

755
00:41:21,480 --> 00:41:27,599
understood that they weren't healed from

756
00:41:23,969 --> 00:41:30,000
it just like they come back to heal from

757
00:41:27,599 --> 00:41:32,069
it and to experience it and to forgive

758
00:41:30,000 --> 00:41:35,489
and once they forgiven it was all over

759
00:41:32,070 --> 00:41:38,580
but it was a case of it's karma has to

760
00:41:35,489 --> 00:41:43,289
balance those people were reincarnated

761
00:41:38,579 --> 00:41:48,230
into that karma have been both sides

762
00:41:43,289 --> 00:41:48,230
they've been the abused and the abuser

763
00:41:53,900 --> 00:41:59,789
working with you had experiences with

764
00:41:56,369 --> 00:42:03,420
angels work with angels particularly one

765
00:41:59,789 --> 00:42:05,519
Michael he always seems to come when

766
00:42:03,420 --> 00:42:07,019
people are in crisis he's the best one

767
00:42:05,519 --> 00:42:09,690
because he always puts people into a

768
00:42:07,019 --> 00:42:11,250
great time and then he just holds them

769
00:42:09,690 --> 00:42:12,630
there and they hate it because people

770

00:42:11,250 --> 00:42:14,818
come on the line and they said well

771
00:42:12,630 --> 00:42:16,169
nothing is happening and I say no

772
00:42:14,818 --> 00:42:18,329
what happened because you've got metal

773
00:42:16,168 --> 00:42:19,889
in your system and when you've got

774
00:42:18,329 --> 00:42:22,048
Michael there he works on the whole of

775
00:42:19,889 --> 00:42:23,969
your aura system but it's only one fat

776
00:42:22,048 --> 00:42:26,458
one I particularly work with a Monica

777
00:42:23,969 --> 00:42:30,298
but working with Monica has been

778
00:42:26,458 --> 00:42:31,798
interesting with everything I'll tell

779
00:42:30,298 --> 00:42:34,829
you about that one it was amazing

780
00:42:31,798 --> 00:42:36,599
because we went down there and I took an

781
00:42:34,829 --> 00:42:39,209
insurance friend and she was all

782
00:42:36,599 --> 00:42:44,130
semester we went into their house which

783
00:42:39,208 --> 00:42:46,948
is a big house and had swimming pool and

784
00:42:44,130 --> 00:42:49,979

a jacuzzi in the gym Malakai has

785

00:42:46,949 --> 00:42:52,168

actually put the gym in the shape of a

786

00:42:49,978 --> 00:42:55,708

cross big heavy weights and everything

787

00:42:52,168 --> 00:42:57,509

was put into the shape of a cross and he

788

00:42:55,708 --> 00:43:01,048

had them we really had them running

789

00:42:57,509 --> 00:43:03,478

around when I'd like anything and when

790

00:43:01,048 --> 00:43:08,159

he said direct saw these I said why he

791

00:43:03,478 --> 00:43:10,409

said what I want to show you anyway

792

00:43:08,159 --> 00:43:13,678

there was it was a bit like predator the

793

00:43:10,409 --> 00:43:15,808

background moved the summerhouse result

794

00:43:13,679 --> 00:43:18,239

was he was bigger than the Southern

795

00:43:15,809 --> 00:43:20,719

house and this was his reincarnation in

796

00:43:18,239 --> 00:43:24,389

another place and he was huge and

797

00:43:20,719 --> 00:43:26,458

literally the how he did it was the

798

00:43:24,389 --> 00:43:28,108

background moved in the shape of him big

799

00:43:26,458 --> 00:43:31,918
predator the only way I can describe it

800

00:43:28,108 --> 00:43:34,048
I went Wow and then even all the way

801

00:43:31,918 --> 00:43:35,158
home evening she made out the love

802

00:43:34,048 --> 00:43:38,998
suggested I thought she was very

803

00:43:35,159 --> 00:43:41,309
sensible and very calm about its ghosts

804

00:43:38,998 --> 00:43:42,988
and all and has some very spiritual but

805

00:43:41,309 --> 00:43:44,669
she couldn't take it because there was a

806

00:43:42,989 --> 00:43:46,739
lot of activity in that place it was on

807

00:43:44,668 --> 00:43:49,018
television there's so much activity

808

00:43:46,739 --> 00:43:50,969
she ran out and she said I have the keys

809

00:43:49,018 --> 00:43:52,168
in my pocket I was going I could have

810

00:43:50,969 --> 00:43:57,028
left you there was them I said wasn't

811

00:43:52,168 --> 00:43:59,269
right but she was that scared that was

812

00:43:57,028 --> 00:44:01,469
an interest in investing

813
00:43:59,269 --> 00:44:05,480
there we go but they look the house

814
00:44:01,469 --> 00:44:05,480
alone pantygrams know what you expect

815
00:44:07,099 --> 00:44:16,170
any other question if anybody tried to

816
00:44:09,480 --> 00:44:20,039
us the dimensional saying is it's very

817
00:44:16,170 --> 00:44:22,050
interesting when friends of mine took

818
00:44:20,039 --> 00:44:23,909
photographs of one investigation in 2d

819
00:44:22,050 --> 00:44:28,650
carrying the actual purpose of what was

820
00:44:23,909 --> 00:44:30,929
it called eager arms or something Paul

821
00:44:28,650 --> 00:44:32,700
took a photograph analyst Jennifer there

822
00:44:30,929 --> 00:44:34,799
was an autumn of a blue except there was

823
00:44:32,699 --> 00:44:38,789
the family the actual house was the

824
00:44:34,800 --> 00:44:40,890
steel work or coal miner the family and

825
00:44:38,789 --> 00:44:42,570
there was the actual family and it was

826
00:44:40,889 --> 00:44:44,879
amazing because they would all like

827

00:44:42,570 --> 00:44:46,260
housing and Joe sat on their chairs and

828
00:44:44,880 --> 00:44:49,530
all family was there that was an

829
00:44:46,260 --> 00:44:51,600
interesting one so they came forward in

830
00:44:49,530 --> 00:44:53,240
time to give you that to have that

831
00:44:51,599 --> 00:44:55,829
clearance

832
00:44:53,239 --> 00:44:57,959
we've actually got photographs they've

833
00:44:55,829 --> 00:45:00,329
only got one and it scares the living

834
00:44:57,960 --> 00:45:02,159
daylights of me I put it on our website

835
00:45:00,329 --> 00:45:06,119
I think I've taken it off it moves

836
00:45:02,159 --> 00:45:07,230
inside the old photograph the moves and

837
00:45:06,119 --> 00:45:09,299
it's off the future

838
00:45:07,230 --> 00:45:10,590
no it scares me because makes me wonder

839
00:45:09,300 --> 00:45:15,660
what the hell is going on are we in

840
00:45:10,590 --> 00:45:16,260
water or what I can so that when I turn

841
00:45:15,659 --> 00:45:19,589

ournament

842

00:45:16,260 --> 00:45:22,070

photograph moves my suspension I took it

843

00:45:19,590 --> 00:45:22,070

off the website

844

00:45:31,400 --> 00:45:37,588

yes I saw the twin towers come down

845

00:45:34,949 --> 00:45:42,899

before it happens I think if you're

846

00:45:37,588 --> 00:45:44,608

around these kind of UFOs and they were

847

00:45:42,900 --> 00:45:47,999

talking to you in your mind you see and

848

00:45:44,608 --> 00:45:50,219

it's like we kept more psychic you

849

00:45:47,998 --> 00:45:51,868

people have been around have you noticed

850

00:45:50,219 --> 00:45:53,969

this with your investigations that

851

00:45:51,869 --> 00:45:57,269

people would be an analogy where I was

852

00:45:53,969 --> 00:45:58,650

seen to be no sidekick and it changes

853

00:45:57,268 --> 00:46:00,988

their life and it certainly happens for

854

00:45:58,650 --> 00:46:02,278

me I see the future yes I saw the before

855

00:46:00,989 --> 00:46:04,588

I thought it was inadequate

856
00:46:02,278 --> 00:46:06,329
I saw the Twin Towers fall about a

857
00:46:04,588 --> 00:46:08,548
fortnight Chris was it before it

858
00:46:06,329 --> 00:46:10,229
happened about a fortnight before it

859
00:46:08,548 --> 00:46:13,469
happens yeah I just didn't know what

860
00:46:10,228 --> 00:46:17,189
thought it down I didn't see the

861
00:46:13,469 --> 00:46:19,528
planners yes

862
00:46:17,190 --> 00:46:21,539
do you know lots of people who have

863
00:46:19,528 --> 00:46:24,389
dreams of the future it's like you've

864
00:46:21,539 --> 00:46:26,069
been shown things for a reason and I

865
00:46:24,389 --> 00:46:27,690
couldn't understand why I used to pick

866
00:46:26,068 --> 00:46:30,420
on me to do all this kind of thing I'm

867
00:46:27,690 --> 00:46:33,900
just a normal person but to be honest

868
00:46:30,420 --> 00:46:36,239
the work that I do I close I like some

869
00:46:33,900 --> 00:46:38,249
shocks that who comes through the

870
00:46:36,239 --> 00:46:41,249
scientists have come through to talk to

871
00:46:38,248 --> 00:46:45,748
me and said well we improve in what

872
00:46:41,248 --> 00:46:47,909
you're doing you're living we're

873
00:46:45,748 --> 00:46:50,038
interested in you because you literally

874
00:46:47,909 --> 00:46:52,588
are seeing that always opening the

875
00:46:50,039 --> 00:46:54,059
doorways and in the bedroom when there

876
00:46:52,588 --> 00:46:56,009
was higher energy one of the doors

877
00:46:54,059 --> 00:46:57,690
opened and I didn't go through because

878
00:46:56,009 --> 00:46:58,650
it just changed the scenery the bed

879
00:46:57,690 --> 00:47:01,990
could have gone through I could have

880
00:46:58,650 --> 00:47:04,358
walked through that where the hell

881
00:47:01,989 --> 00:47:08,829
would I have disappeared so did this you

882
00:47:04,358 --> 00:47:11,679
know they took get interested yes some

883
00:47:08,829 --> 00:47:14,769
of the phone calls I get where their

884

00:47:11,679 --> 00:47:17,108
headaches because the car industry is of

885
00:47:14,769 --> 00:47:19,869
this one it's going to change as you

886
00:47:17,108 --> 00:47:22,119
it's changing now but also some of my

887
00:47:19,869 --> 00:47:24,340
clients are trying to change solar

888
00:47:22,119 --> 00:47:26,858
energy and batteries at the moment and

889
00:47:24,340 --> 00:47:28,539
it comes to me as well so these are

890
00:47:26,858 --> 00:47:31,989
people that the hell are they doing with

891
00:47:28,539 --> 00:47:34,509
me you know why do they come into me but

892
00:47:31,989 --> 00:47:36,639
I think Malachi works with me through me

893
00:47:34,510 --> 00:47:39,820
to them and gives them what they need to

894
00:47:36,639 --> 00:47:41,500
know because they're gonna change this

895
00:47:39,820 --> 00:47:44,170
world and they're doing it subtly around

896
00:47:41,500 --> 00:47:46,630
people's backs like this which is

897
00:47:44,170 --> 00:47:48,579
interesting isn't it but I think you'll

898
00:47:46,630 --> 00:47:51,460

find that those people are get involved

899

00:47:48,579 --> 00:47:53,650

with UFOs also it raises a lot of things

900

00:47:51,460 --> 00:47:56,380

makes them aware of energy centers

901

00:47:53,650 --> 00:47:59,139

energy spirits they know more spiritual

902

00:47:56,380 --> 00:48:01,559

and understand quantum physics and get

903

00:47:59,139 --> 00:48:06,150

interested in their home yeah

904

00:48:01,559 --> 00:48:06,150

have you had a UFO experience

905

00:48:27,519 --> 00:48:42,570

how many in this room is seen a UFO how

906

00:48:39,070 --> 00:48:42,570

many you see ghosts

907

00:48:43,409 --> 00:48:51,279

is it the same hands coming up first

908

00:48:46,119 --> 00:48:56,619

it's also seen a UFO how many of you is

909

00:48:51,280 --> 00:48:58,930

zelos see this quite a few here and how

910

00:48:56,619 --> 00:49:05,890

many you really feel odds talking to

911

00:48:58,929 --> 00:49:13,089

normal people never talk to normal

912

00:49:05,889 --> 00:49:21,039

people it does change your life it

913
00:49:13,090 --> 00:49:25,510
really does sorry I was four years old

914
00:49:21,039 --> 00:49:27,690
my mother took me to church and the

915
00:49:25,510 --> 00:49:31,420
minister there put his hand on my head

916
00:49:27,690 --> 00:49:34,960
and blessed me and I felt it go right

917
00:49:31,420 --> 00:49:37,570
through me it was the energy first time

918
00:49:34,960 --> 00:49:39,460
I felt it it went right through me and I

919
00:49:37,570 --> 00:49:42,330
thought wow this is why people come to

920
00:49:39,460 --> 00:49:47,500
church and I walked away your light is

921
00:49:42,329 --> 00:49:49,179
and then I found out what because that

922
00:49:47,500 --> 00:49:54,190
was the best time you don't think that

923
00:49:49,179 --> 00:49:56,399
my crown chakra that's what he did yeah

924
00:49:54,190 --> 00:49:59,980
[Music]

925
00:49:56,400 --> 00:50:03,400
yeah it was the first experience I had a

926
00:49:59,980 --> 00:50:05,019
very well I think that all of you can

927
00:50:03,400 --> 00:50:07,269
relate to this because you're different

928
00:50:05,019 --> 00:50:09,489
you all remember all of you a different

929
00:50:07,269 --> 00:50:11,440
issue here but when you were in school

930
00:50:09,489 --> 00:50:13,479
you probably stood out and you could

931
00:50:11,440 --> 00:50:14,108
read people and I couldn't read you you

932
00:50:13,480 --> 00:50:16,329
were different

933
00:50:14,108 --> 00:50:20,069
how many of you have a fact growing up

934
00:50:16,329 --> 00:50:22,179
you feeling all this one we actually do

935
00:50:20,070 --> 00:50:25,298
so in some respects

936
00:50:22,179 --> 00:50:28,868
since the case of them I was different I

937
00:50:25,298 --> 00:50:31,389
did stand out but it was until 14 then I

938
00:50:28,869 --> 00:50:33,760
had first come here to experience I went

939
00:50:31,389 --> 00:50:36,129
on holiday with my friends and I knew

940
00:50:33,760 --> 00:50:38,980
somebody just fallen out of the window

941

00:50:36,130 --> 00:51:05,039
and committed suicide so and the girl

942
00:50:38,980 --> 00:51:09,010
was in when you're coming from in this

943
00:51:05,039 --> 00:51:10,930
because I think that we really went out

944
00:51:09,010 --> 00:51:15,250
to describe this is for persons

945
00:51:10,929 --> 00:51:17,259
experience my friends um had cancer in

946
00:51:15,250 --> 00:51:19,449
the back she was the beautiful character

947
00:51:17,260 --> 00:51:22,660
they called a seeker and she used to

948
00:51:19,449 --> 00:51:24,818
help a lot of people and she had to go

949
00:51:22,659 --> 00:51:28,960
through an emergency operation on her

950
00:51:24,818 --> 00:51:33,219
back and when she went on that operation

951
00:51:28,960 --> 00:51:36,429
and then in house yet she died on the

952
00:51:33,219 --> 00:51:38,709
table she came out as a body she was

953
00:51:36,429 --> 00:51:40,568
able to see the things on the cupboard

954
00:51:38,710 --> 00:51:43,420
at the top and then they she was zoomed

955
00:51:40,568 --> 00:51:45,759

out she went to see her family she went

956

00:51:43,420 --> 00:51:49,260

to come see me apparently let me go I

957

00:51:45,760 --> 00:51:54,880

was working at the time and insurance

958

00:51:49,260 --> 00:51:58,119

then she was had a past and the a deaf

959

00:51:54,880 --> 00:51:59,318

experience she was dragged in backwards

960

00:51:58,119 --> 00:52:02,500

and it was the most surreal experience

961

00:51:59,318 --> 00:52:04,989

she'd ever had she saw her Harley was a

962

00:52:02,500 --> 00:52:09,099

black tunnel it was horrific if she saw

963

00:52:04,989 --> 00:52:10,629

all horrible things faces and demons and

964

00:52:09,099 --> 00:52:12,309

all the rest and she came out and her

965

00:52:10,630 --> 00:52:14,670

grandmother was there instead of it

966

00:52:12,309 --> 00:52:16,690

being loving and duggie and all the rest

967

00:52:14,670 --> 00:52:17,769

literally told her off and told her to

968

00:52:16,690 --> 00:52:21,369

go back and look after

969

00:52:17,769 --> 00:52:25,420

children's next thing she knew she was

970
00:52:21,369 --> 00:52:27,490
back inside her body she related all of

971
00:52:25,420 --> 00:52:30,010
this to the search of her she saw

972
00:52:27,489 --> 00:52:32,199
afterwards including the fact that he

973
00:52:30,010 --> 00:52:35,110
needed an hour English clocks to stand

974
00:52:32,199 --> 00:52:37,089
on to do the operation because she

975
00:52:35,110 --> 00:52:39,309
thought it was so funny when she came

976
00:52:37,090 --> 00:52:42,039
back into body she noticed it he was so

977
00:52:39,309 --> 00:52:43,809
shocked of historians shock because it

978
00:52:42,039 --> 00:52:49,179
was all true he did start on an orange

979
00:52:43,809 --> 00:52:53,019
box where as a party when some people

980
00:52:49,179 --> 00:52:55,449
have these antibodies experiences I mean

981
00:52:53,019 --> 00:52:57,460
I think that we visit people mean we

982
00:52:55,449 --> 00:52:58,929
talk about time slips I things that we

983
00:52:57,460 --> 00:53:03,159
literally cannot visit our relatives

984
00:52:58,929 --> 00:53:06,279
from previous times and future times I

985
00:53:03,159 --> 00:53:08,589
taking photographs of events that were

986
00:53:06,280 --> 00:53:10,690
in the future when I can't understand it

987
00:53:08,590 --> 00:53:13,960
and it's one photographs that I've taken

988
00:53:10,690 --> 00:53:18,190
in my local park a little girl looking

989
00:53:13,960 --> 00:53:19,030
down from a tree and later on you know I

990
00:53:18,190 --> 00:53:20,980
was dark

991
00:53:19,030 --> 00:53:23,350
later on I went blog because I have gray

992
00:53:20,980 --> 00:53:25,690
hairs I tried to disguise them so I went

993
00:53:23,349 --> 00:53:30,368
blonde I was telling a blonde when I go

994
00:53:25,690 --> 00:53:31,780
gray and that photograph I really

995
00:53:30,369 --> 00:53:35,320
related so because I'm looking minute I

996
00:53:31,780 --> 00:53:36,810
thinking that's me yeah I totally agree

997
00:53:35,320 --> 00:53:38,619
anything's possible

998

00:53:36,809 --> 00:53:40,659
that's what they talk that's what

999
00:53:38,619 --> 00:53:42,309
quantum fixes is all about it's opening

1000
00:53:40,659 --> 00:53:44,039
these doorways to pass them and to the

1001
00:53:42,309 --> 00:53:46,509
future I remember then of the wavy line

1002
00:53:44,039 --> 00:53:48,219
the wave behind we can go forward you

1003
00:53:46,510 --> 00:53:49,930
see those always open

1004
00:53:48,219 --> 00:53:52,599
you've seen the orbs in respect it's the

1005
00:53:49,929 --> 00:53:56,429
first and most always open they're open

1006
00:53:52,599 --> 00:54:04,000
in the future as well as the past yes

1007
00:53:56,429 --> 00:54:06,639
yes yes there is that one very well

1008
00:54:04,000 --> 00:54:08,139
looked after young Souls they come on

1009
00:54:06,639 --> 00:54:10,299
the line then when I get an old stone

1010
00:54:08,139 --> 00:54:12,079
boy feel the energy straightaway and I

1011
00:54:10,300 --> 00:54:13,910
go oh that somebody who's been

1012
00:54:12,079 --> 00:54:24,650

before probably their mum and dad have

1013

00:54:13,909 --> 00:54:26,869

said that when we learn to play the

1014

00:54:24,650 --> 00:54:28,010

piano one lifetime we take that talent

1015

00:54:26,869 --> 00:54:30,079

they're called keys

1016

00:54:28,010 --> 00:54:33,800

that's what they've taught me is they're

1017

00:54:30,079 --> 00:54:36,110

keys their reward keys I call them it

1018

00:54:33,800 --> 00:54:38,090

means you can have another life tyranny

1019

00:54:36,110 --> 00:54:41,360

props these reward keys that you've

1020

00:54:38,090 --> 00:54:43,430

earned from previous lives and they come

1021

00:54:41,360 --> 00:54:45,260

back as talents so when you complete it

1022

00:54:43,429 --> 00:54:47,809

your karmic debt and credit what you're

1023

00:54:45,260 --> 00:54:49,730

supposed to do this lifetime they say

1024

00:54:47,809 --> 00:54:51,320

it's the balance you get your keys back

1025

00:54:49,730 --> 00:54:53,659

and you have your talents back and then

1026

00:54:51,320 --> 00:54:55,190

you go down the road of passion that's

1027
00:54:53,659 --> 00:54:56,989
explained it to me

1028
00:54:55,190 --> 00:55:01,550
there's keys are the world keys that

1029
00:54:56,989 --> 00:55:03,049
you've earned from previous life you can

1030
00:55:01,550 --> 00:55:05,570
play the piano and pick it up it's like

1031
00:55:03,050 --> 00:55:25,310
it's a talent yes because you've done

1032
00:55:05,570 --> 00:55:27,620
all the work in another lifetime oh gosh

1033
00:55:25,309 --> 00:55:29,539
yes I had a tea don't run a circle for a

1034
00:55:27,619 --> 00:55:32,359
long time in my house and there was one

1035
00:55:29,539 --> 00:55:35,179
particular lady in charge of a lot of

1036
00:55:32,360 --> 00:55:37,370
people in a very big government

1037
00:55:35,179 --> 00:55:39,769
organization and she could have 50

1038
00:55:37,369 --> 00:55:44,269
pieces make a man cry and she had done

1039
00:55:39,769 --> 00:55:46,400
and we went back and we realized that

1040
00:55:44,269 --> 00:55:49,250
she was a witch queen in one of these

1041
00:55:46,400 --> 00:55:50,930
places and she decided to literally go

1042
00:55:49,250 --> 00:55:53,269
to have a look at this and she realized

1043
00:55:50,929 --> 00:55:54,919
that these things are happening to me

1044
00:55:53,269 --> 00:55:56,360
you know she wouldn't have it any other

1045
00:55:54,920 --> 00:55:58,130
way they were happening I being a witch

1046
00:55:56,360 --> 00:56:01,190
Queen so I said Bharat calm we'll go and

1047
00:55:58,130 --> 00:56:03,800
find out what this is all about and we

1048
00:56:01,190 --> 00:56:05,358
went to a place which she knew she lived

1049
00:56:03,800 --> 00:56:08,240
and was over

1050
00:56:05,358 --> 00:56:11,150
so we're going back a few cemeteries now

1051
00:56:08,239 --> 00:56:15,739
she took the purest thing from a local

1052
00:56:11,150 --> 00:56:18,829
community a girl she builds a box that

1053
00:56:15,739 --> 00:56:19,338
was made of words and she made this

1054
00:56:18,829 --> 00:56:21,349
build

1055

00:56:19,338 --> 00:56:25,009
dirty town in this box and she put a

1056
00:56:21,349 --> 00:56:27,048
great great big slab stone over the box

1057
00:56:25,010 --> 00:56:29,780
breaking her back not killing her

1058
00:56:27,048 --> 00:56:31,699
breaking her back so she's in agony and

1059
00:56:29,780 --> 00:56:33,380
electric performance satanic rites she

1060
00:56:31,699 --> 00:56:37,129
killed a lot of people and then all she

1061
00:56:33,380 --> 00:56:39,829
could see was leaves in those days they

1062
00:56:37,130 --> 00:56:42,470
didn't use to hang you by their neck

1063
00:56:39,829 --> 00:56:46,190
they used to hang you by the feet so all

1064
00:56:42,469 --> 00:56:47,838
she saw us was leaves and a hammer well

1065
00:56:46,190 --> 00:56:49,880
as shield with the door tossed her

1066
00:56:47,838 --> 00:56:51,739
forgiveness she still was crying she was

1067
00:56:49,880 --> 00:56:53,780
one of the biggest boxes in her not

1068
00:56:51,739 --> 00:56:55,489
gonna say where she was because give the

1069
00:56:53,780 --> 00:56:56,140

game away but she was in charge of

1070

00:56:55,489 --> 00:56:58,729
hundreds

1071

00:56:56,139 --> 00:57:00,980
she was prioritized out so when she

1072

00:56:58,730 --> 00:57:04,280
opened that box and the spirit flew back

1073

00:57:00,980 --> 00:57:07,400
the pain I had in my neck and back when

1074

00:57:04,280 --> 00:57:09,920
I think I loved her and I forgave them

1075

00:57:07,400 --> 00:57:12,230
how the hell could I not her because I

1076

00:57:09,920 --> 00:57:12,950
might it's also another lifetime how to

1077

00:57:12,230 --> 00:57:19,068
do it

1078

00:57:12,949 --> 00:57:21,759
who knows yeah I come across them any

1079

00:57:19,068 --> 00:57:21,759
other question

1080

00:57:30,429 --> 00:57:37,549
elusive protections so those are

1081

00:57:33,860 --> 00:57:39,650
predictions but I like finding things

1082

00:57:37,550 --> 00:57:42,440
about fighting animals and I've done

1083

00:57:39,650 --> 00:57:45,230
that many many times and that's what I

1084
00:57:42,440 --> 00:57:46,220
feel it's a great success because when

1085
00:57:45,230 --> 00:57:48,050
you've got a little lost

1086
00:57:46,219 --> 00:57:51,049
so that's lost its mum when it's a baby

1087
00:57:48,050 --> 00:57:52,220
captain and you know you're on the

1088
00:57:51,050 --> 00:57:55,220
line and you're talking to this

1089
00:57:52,219 --> 00:57:57,799
distracted one mother to put posters up

1090
00:57:55,219 --> 00:58:00,889
everywhere trying to find this little

1091
00:57:57,800 --> 00:58:03,200
poor little mite and I told the waiter

1092
00:58:00,889 --> 00:58:06,170
girl I said there is a man looking after

1093
00:58:03,199 --> 00:58:07,969
but he's in a box and apparently in term

1094
00:58:06,170 --> 00:58:09,980
only was the security guard that was

1095
00:58:07,969 --> 00:58:12,349
feeding the little kid but it was half

1096
00:58:09,980 --> 00:58:14,360
the size but she went to this place that

1097
00:58:12,349 --> 00:58:17,690
they just ran into each other's hours

1098
00:58:14,360 --> 00:58:27,740
and crying but she was so delighted with

1099
00:58:17,690 --> 00:58:31,280
me well not really you know but if I get

1100
00:58:27,739 --> 00:58:32,689
anything they'll let you know about

1101
00:58:31,280 --> 00:58:36,530
what's happening to the ears and

1102
00:58:32,690 --> 00:58:39,409
everything like that there's one thing

1103
00:58:36,530 --> 00:58:44,390
that happened in Singapore when they had

1104
00:58:39,409 --> 00:58:46,250
a very big financial problem that's a

1105
00:58:44,389 --> 00:58:49,639
nice way of putting it and the market

1106
00:58:46,250 --> 00:58:52,789
was very stable I foresaw it because

1107
00:58:49,639 --> 00:58:55,719
they come to me for financial help and

1108
00:58:52,789 --> 00:58:58,219
this is accountant in Singapore asked me

1109
00:58:55,719 --> 00:59:01,279
whether to buy this property and

1110
00:58:58,219 --> 00:59:06,019
literally I said it will be stable for

1111
00:59:01,280 --> 00:59:08,470
about six years whatever but it won't go

1112

00:59:06,019 --> 00:59:11,119
up we won't go down and we'll just stay

1113
00:59:08,469 --> 00:59:13,939
it might slightly come up site to go

1114
00:59:11,119 --> 00:59:15,289
down but it means if you invest

1115
00:59:13,940 --> 00:59:18,110
you'll get your money back but he will

1116
00:59:15,289 --> 00:59:20,960
take time she did invest exactly that

1117
00:59:18,110 --> 00:59:48,769
happened and do feel this is happening

1118
00:59:20,960 --> 00:59:53,809
okay twice twice the Negro's one once

1119
00:59:48,769 --> 00:59:56,239
was a young big play with me they will

1120
00:59:53,809 --> 00:59:58,250
play a government they won't allow me to

1121
00:59:56,239 --> 01:00:01,489
to give me the lottery members for the

1122
00:59:58,250 --> 01:00:03,588
big prizes but there was a girl over in

1123
01:00:01,489 --> 01:00:05,539
Ireland that I talked directly and she

1124
01:00:03,588 --> 01:00:08,630
spent a fortune she's beautiful she's

1125
01:00:05,539 --> 01:00:12,250
got she's a psychologist and she's going

1126
01:00:08,630 --> 01:00:15,349

in the criminal psychology profiler and

1127

01:00:12,250 --> 01:00:17,179

she spent a fortune on talking to me so

1128

01:00:15,349 --> 01:00:18,710

I felt so guilty and she asked for the

1129

01:00:17,179 --> 01:00:21,019

lottery number so I gave them and she

1130

01:00:18,710 --> 01:00:22,789

won't pay back the money she she fell we

1131

01:00:21,019 --> 01:00:26,289

she said hold a lottery spend for this

1132

01:00:22,789 --> 01:00:26,289

today thank you

1133

01:00:26,469 --> 01:00:31,309

and the other one was the same it was

1134

01:00:28,969 --> 01:00:32,868

very similar it was over in single point

1135

01:00:31,309 --> 01:00:34,400

was the account because she asks for a

1136

01:00:32,869 --> 01:00:38,088

lot remember so she got the lottery

1137

01:00:34,400 --> 01:00:42,139

numbers and she won - yes but not big

1138

01:00:38,088 --> 01:00:45,309

amounts are really so you can't go

1139

01:00:42,139 --> 01:00:45,309

asking me for bothering them

1140

01:00:47,170 --> 01:00:55,250

and here's a question no well I should

1141

01:00:52,760 --> 01:00:59,260

say thank you very much for having me

1142

01:00:55,250 --> 01:00:59,260

and I hope that you enjoy tonight
