

1
00:00:55,820 --> 00:01:06,180
tastic story Linda yes this really is

2
00:01:00,210 --> 00:01:09,269
and it was a year ago in February 2016

3
00:01:06,180 --> 00:01:12,240
Welsh residents living west of Cardiff

4
00:01:09,269 --> 00:01:15,269
in the Penn Turk region were puzzled by

5
00:01:12,239 --> 00:01:18,419
a gray colored twin propeller driven

6
00:01:15,269 --> 00:01:20,609
airplane that began flying in figure

7
00:01:18,420 --> 00:01:25,200
Eight's over their houses at midday On

8
00:01:20,609 --> 00:01:28,259
February 24th 2016 periodically the

9
00:01:25,200 --> 00:01:30,600
plane would fly out into a big circle

10
00:01:28,259 --> 00:01:33,228
and then return to repeat the

11
00:01:30,599 --> 00:01:37,079
figure-eight pattern over and over

12
00:01:33,228 --> 00:01:39,239
according to 53 year old Cass Clarke she

13
00:01:37,079 --> 00:01:42,420
has lived in Penn Turk two miles from

14
00:01:39,239 --> 00:01:46,500
launch essent for the past 25 years and

15
00:01:42,420 --> 00:01:48,439
knows that region in Wales very well but

16
00:01:46,500 --> 00:01:51,420
she and her next-door neighbor Dave

17
00:01:48,439 --> 00:01:53,519
they've never seen a twin propeller

18
00:01:51,420 --> 00:01:56,399
plane to figure Eight's and large

19
00:01:53,519 --> 00:01:59,969
circles over their houses before and it

20
00:01:56,399 --> 00:02:02,489
did not end on February 24th the

21
00:01:59,969 --> 00:02:06,478
figure-eight plane persisted for three

22
00:02:02,489 --> 00:02:09,179
days and into the night Dave called the

23
00:02:06,478 --> 00:02:12,479
military defense office and emailed them

24
00:02:09,179 --> 00:02:16,409
to ask why this plane was over there

25
00:02:12,479 --> 00:02:19,500
Penn Turk houses but no one admitted

26
00:02:16,409 --> 00:02:22,250
even knowing that there was any airplane

27
00:02:19,500 --> 00:02:26,098
that was theirs in the area

28
00:02:22,250 --> 00:02:28,439
frustrated Tazz and Dave said that

29

00:02:26,098 --> 00:02:30,750
because they could not get any answers

30
00:02:28,439 --> 00:02:33,780
from the sorority's about why this plane

31
00:02:30,750 --> 00:02:37,650
was there that they decided on the early

32
00:02:33,780 --> 00:02:43,979
morning of February 26th around midnight

33
00:02:37,650 --> 00:02:46,469
ish of 2016 to go in to Casas garden to

34
00:02:43,979 --> 00:02:49,768
watch this persistent plane that was

35
00:02:46,469 --> 00:02:54,719
still flying and it had been four hours

36
00:02:49,769 --> 00:02:57,989
and then at 2:00 a.m. a huge AWACS plane

37
00:02:54,719 --> 00:03:00,990
and helicopter showed up and what

38
00:02:57,989 --> 00:03:04,520
unfolded after that seemed to fall in

39
00:03:00,990 --> 00:03:08,060
the category of some kind of millet

40
00:03:04,520 --> 00:03:10,750
hurry attack on a UFO all of this caught

41
00:03:08,060 --> 00:03:13,699
the attention of the Swansea UFO network

42
00:03:10,750 --> 00:03:16,069
base further west of launch essent and

43
00:03:13,699 --> 00:03:18,349

Penn Turk they have been investigating

44

00:03:16,069 --> 00:03:21,139

what happened that night and one of

45

00:03:18,349 --> 00:03:23,900

their members Gary Jones sent me emails

46

00:03:21,139 --> 00:03:26,119

about the dramatic events that have not

47

00:03:23,900 --> 00:03:29,659

been reported beyond the small local

48

00:03:26,120 --> 00:03:33,650

West wealth town I wanted to learn more

49

00:03:29,659 --> 00:03:38,120

and I recently joined them

50

00:03:33,650 --> 00:03:40,909

he and caz Clark they talked with me in

51

00:03:38,120 --> 00:03:44,800

a joint recorded phone interview that

52

00:03:40,909 --> 00:03:48,139

begins now with calves from Penn Turks

53

00:03:44,800 --> 00:03:49,850

at midday on the 24th of February I

54

00:03:48,139 --> 00:03:53,329

looked up and I could see this small

55

00:03:49,849 --> 00:03:55,400

gray 20 propeller-driven plane flying in

56

00:03:53,330 --> 00:03:57,650

bigger place and then they fly out into

57

00:03:55,400 --> 00:04:00,439

a big circle and come back and repeat

58
00:03:57,650 --> 00:04:03,950
the pattern and this went on day and

59
00:04:00,439 --> 00:04:06,199
night then for three days did you or

60
00:04:03,949 --> 00:04:09,169
your neighbor call the police or a

61
00:04:06,199 --> 00:04:11,000
military office what was happening yes

62
00:04:09,169 --> 00:04:13,099
my next-door neighbor called the

63
00:04:11,000 --> 00:04:15,229
Ministry of Defense and emailed them and

64
00:04:13,099 --> 00:04:17,680
ask them about the plane

65
00:04:15,229 --> 00:04:21,529
notice that they had a plane in the area

66
00:04:17,680 --> 00:04:24,949
that would seem strange that a UK

67
00:04:21,529 --> 00:04:27,679
citizen would be calling the mod-2 asked

68
00:04:24,949 --> 00:04:29,439
about a plane and simply get we don't

69
00:04:27,680 --> 00:04:31,819
have anything in the area without

70
00:04:29,439 --> 00:04:35,420
security police somebody coming to

71
00:04:31,819 --> 00:04:38,269
investigate right and no one came to

72
00:04:35,420 --> 00:04:41,990
investigate where you are living in Penn

73
00:04:38,269 --> 00:04:44,569
Turk no nobody I would think that if

74
00:04:41,990 --> 00:04:48,680
there was something going on for three

75
00:04:44,569 --> 00:04:52,339
days 72 hours of a plane doing figure 8

76
00:04:48,680 --> 00:04:55,490
over a neighborhood that there would be

77
00:04:52,339 --> 00:04:59,179
the ability to call police and have them

78
00:04:55,490 --> 00:05:01,910
come well in my opinion the police and

79
00:04:59,180 --> 00:05:05,449
the military was both involved in this

80
00:05:01,910 --> 00:05:07,580
it wasn't an exercise after the second

81
00:05:05,449 --> 00:05:09,889
day at the plane continuing flying

82
00:05:07,579 --> 00:05:11,539
backwards and forwards actually

83
00:05:09,889 --> 00:05:12,680
disgusted with my neighborhood and we

84
00:05:11,540 --> 00:05:14,330
went out in the garden and we watched

85
00:05:12,680 --> 00:05:17,870
this plane going backwards and forward

86

00:05:14,329 --> 00:05:20,149
for several hours now I got to

87
00:05:17,870 --> 00:05:22,910
to a.m. in the morning and just as I was

88
00:05:20,149 --> 00:05:25,310
about to go into the house a big III

89
00:05:22,910 --> 00:05:28,100
country playing turned us a wax plane

90
00:05:25,310 --> 00:05:30,230
with a big mushroom on his back and the

91
00:05:28,100 --> 00:05:33,230
small propeller driven planes left the

92
00:05:30,230 --> 00:05:35,780
area immediately and this a wax plane

93
00:05:33,230 --> 00:05:38,150
started to do big circles

94
00:05:35,779 --> 00:05:41,089
I live on top of a mountain so you can

95
00:05:38,149 --> 00:05:42,799
see all the way around for miles and we

96
00:05:41,089 --> 00:05:46,429
estimated that it was about five minutes

97
00:05:42,800 --> 00:05:49,040
to do one revolution the plane circled

98
00:05:46,430 --> 00:05:52,490
seven times because the first light

99
00:05:49,040 --> 00:05:54,260
appeared and it was just one single red

100
00:05:52,490 --> 00:05:57,199

light to begin with high above the trees

101

00:05:54,259 --> 00:05:59,029

behind my house so I called my neighbor

102

00:05:57,199 --> 00:06:01,099

and we jumped over the small fence and

103

00:05:59,029 --> 00:06:02,689

ran to the field behind us because

104

00:06:01,100 --> 00:06:05,600

there's nothing behind my house at all

105

00:06:02,689 --> 00:06:08,899

and by this time now there are three red

106

00:06:05,600 --> 00:06:11,570

lights in the triangular formation and

107

00:06:08,899 --> 00:06:14,750

the whole thing became visible first one

108

00:06:11,569 --> 00:06:17,629

had like then three then five then the

109

00:06:14,750 --> 00:06:20,600

whole thing was there is a big pyramid

110

00:06:17,629 --> 00:06:22,490

shaped with a curved bottom to it and a

111

00:06:20,600 --> 00:06:24,890

green object I couldn't tell you what

112

00:06:22,490 --> 00:06:27,530

shape it was because it was so bright

113

00:06:24,889 --> 00:06:29,779

doctrine object at the top of the

114

00:06:27,529 --> 00:06:32,089

pyramid like a leaf falling in the wind

115
00:06:29,779 --> 00:06:34,849
on a still day there's rocking backwards

116
00:06:32,089 --> 00:06:38,389
and forwards and the AWACS plane was

117
00:06:34,850 --> 00:06:41,540
still doing big circles and the big red

118
00:06:38,389 --> 00:06:44,000
pyramid which was outlined by these red

119
00:06:41,540 --> 00:06:46,310
lights around the outside of it started

120
00:06:44,000 --> 00:06:49,790
to drift to the right and turn towards

121
00:06:46,310 --> 00:06:52,730
me so spinning anti-clockwise slowly and

122
00:06:49,790 --> 00:06:55,040
came down into the field into the corner

123
00:06:52,730 --> 00:06:57,470
and the lower it got to the ground

124
00:06:55,040 --> 00:07:00,860
the brighter a litter the bottom lights

125
00:06:57,470 --> 00:07:02,390
became bright white orange and the whole

126
00:07:00,860 --> 00:07:04,910
string of lights on the right-hand side

127
00:07:02,389 --> 00:07:06,079
of the ship lit up really brightly you

128
00:07:04,910 --> 00:07:09,410
know they got down to the ground

129
00:07:06,079 --> 00:07:12,079
this happened of lightnings fire colored

130
00:07:09,410 --> 00:07:14,750
extended and reached out to touch the

131
00:07:12,079 --> 00:07:16,550
ground that's what it looked like my

132
00:07:14,750 --> 00:07:19,670
neighbor was watching the top of the

133
00:07:16,550 --> 00:07:22,129
ship we saw lots of all coming out the

134
00:07:19,670 --> 00:07:25,250
top of it what color were the orbs that

135
00:07:22,129 --> 00:07:28,279
you saw they were red so they were

136
00:07:25,250 --> 00:07:31,399
moving red orbs coming out of something

137
00:07:28,279 --> 00:07:33,679
that was triangular or pyramid shaped in

138
00:07:31,399 --> 00:07:37,039
sense that you could see red lights that

139
00:07:33,680 --> 00:07:38,870
outline to sides when it came down to

140
00:07:37,040 --> 00:07:41,210
the ground and that right hamstring had

141
00:07:38,870 --> 00:07:43,850
lights lit up really brightly they lit

142
00:07:41,209 --> 00:07:45,978
up so brightening it illuminated part to

143

00:07:43,850 --> 00:07:48,020
the side of the ship not all of it just

144
00:07:45,978 --> 00:07:51,258
around the lights so you could see there

145
00:07:48,019 --> 00:07:52,750
was a solid class pyramidal shape I saw

146
00:07:51,259 --> 00:07:55,160
the green object which is still up there

147
00:07:52,750 --> 00:07:57,649
but as it came down to the ground

148
00:07:55,160 --> 00:07:59,900
they've got really brighten then when

149
00:07:57,649 --> 00:08:02,659
act like the lights are switched off and

150
00:07:59,899 --> 00:08:05,299
the oak I only saw two of those

151
00:08:02,660 --> 00:08:07,460
afterwards and they were both red the

152
00:08:05,300 --> 00:08:09,770
distance from where you and your

153
00:08:07,459 --> 00:08:13,099
neighbor are watching this to the

154
00:08:09,769 --> 00:08:15,529
pyramidal shaped craft misspoke smelly

155
00:08:13,100 --> 00:08:18,639
kid under meters away from me okay so

156
00:08:15,529 --> 00:08:22,399
200 meters is about 700 feet

157
00:08:18,639 --> 00:08:24,740

approximately yeah so that's your

158

00:08:22,399 --> 00:08:28,370
distance now do I understand that

159

00:08:24,740 --> 00:08:31,098
simultaneously the entire time there is

160

00:08:28,370 --> 00:08:33,820
an AWACS plane that is doing large

161

00:08:31,098 --> 00:08:37,668
circles in the sky above all this

162

00:08:33,820 --> 00:08:39,469
absolutely the green that was coming out

163

00:08:37,668 --> 00:08:43,309
of the top of the pyramid has

164

00:08:39,469 --> 00:08:45,650
disappeared like it blinked out pyramid

165

00:08:43,309 --> 00:08:48,919
did but the green object still stayed

166

00:08:45,649 --> 00:08:51,409
there the pyramid blinks out but the

167

00:08:48,919 --> 00:08:53,929
green object that came out of the top is

168

00:08:51,409 --> 00:08:55,100
still there yes the green object is

169

00:08:53,929 --> 00:08:56,929
extremely bright

170

00:08:55,100 --> 00:08:59,659
I couldn't tell a definite shape to it

171

00:08:56,929 --> 00:09:02,208
because it was so bright and it skipped

172
00:08:59,659 --> 00:09:05,240
from side to side in one place I believe

173
00:09:02,208 --> 00:09:07,338
falling on a still day that other planes

174
00:09:05,240 --> 00:09:09,950
turned up and it flashed three really

175
00:09:07,339 --> 00:09:12,260
bright green strobes at these planes and

176
00:09:09,950 --> 00:09:15,050
all four of these military aircraft

177
00:09:12,259 --> 00:09:17,419
followed it didn't seem to be in a hurry

178
00:09:15,049 --> 00:09:20,479
it just thought from side to side and

179
00:09:17,419 --> 00:09:22,639
moved it will enact the treetops heading

180
00:09:20,480 --> 00:09:23,959
towards lunch written from here with the

181
00:09:22,639 --> 00:09:26,629
four planes behind it

182
00:09:23,958 --> 00:09:28,969
what were the types of the other three

183
00:09:26,629 --> 00:09:31,610
planes that showed up in addition to the

184
00:09:28,970 --> 00:09:34,009
AWACS propeller drilling planes they

185
00:09:31,610 --> 00:09:37,190
were larger than the ones before I would

186
00:09:34,009 --> 00:09:40,850
say they would see one 30 to 40 a.m. on

187
00:09:37,190 --> 00:09:42,740
the 26th of February 2016 they just flew

188
00:09:40,850 --> 00:09:45,230
straight over the houses straight

189
00:09:42,740 --> 00:09:47,990
towards the green object wouldn't

190
00:09:45,230 --> 00:09:50,149
been an enormous amount of sound and

191
00:09:47,990 --> 00:09:52,610
wouldn't every neighbor for miles around

192
00:09:50,149 --> 00:09:54,620
be coming out of their houses and that's

193
00:09:52,610 --> 00:09:56,440
he was up by the time you got up to see

194
00:09:54,620 --> 00:10:00,320
the planes that have already gone so

195
00:09:56,440 --> 00:10:05,360
starting at midnight and going into 3

196
00:10:00,320 --> 00:10:08,930
a.m. and Beyond on February 26 2016 this

197
00:10:05,360 --> 00:10:11,899
is when the red lights showed up in this

198
00:10:08,929 --> 00:10:14,509
pattern of something triangular or

199
00:10:11,899 --> 00:10:18,199
pyramid shape out of which came this

200

00:10:14,509 --> 00:10:22,159
bright green thing and that after the

201
00:10:18,200 --> 00:10:25,670
red light pyramid disappeared above the

202
00:10:22,159 --> 00:10:29,120
AWACS plane was still circling and three

203
00:10:25,669 --> 00:10:32,539
perhaps c-130s showed up as if their

204
00:10:29,120 --> 00:10:36,799
intent was to interact with the bright

205
00:10:32,539 --> 00:10:38,509
green object follow it yes and I believe

206
00:10:36,799 --> 00:10:41,449
the green object did its best to get

207
00:10:38,509 --> 00:10:45,319
their attention to follow it by strobing

208
00:10:41,450 --> 00:10:48,350
at the plane to deflect the planes away

209
00:10:45,320 --> 00:10:51,410
from where the red pyramid or triangular

210
00:10:48,350 --> 00:10:53,300
object disappeared after the green

211
00:10:51,409 --> 00:10:55,579
object skips away and the planes were

212
00:10:53,299 --> 00:10:58,609
following it the AWACS plane was still

213
00:10:55,580 --> 00:11:00,680
above us we walk down to the next gate

214
00:10:58,610 --> 00:11:03,139

to see where the pyramid had come down

215

00:11:00,679 --> 00:11:05,809

so we walk back to the first gate again

216

00:11:03,139 --> 00:11:09,529

200 yards away and looked up there were

217

00:11:05,809 --> 00:11:13,009

two red but all shaped objects barrel

218

00:11:09,529 --> 00:11:14,720

shape what size in color okay they were

219

00:11:13,009 --> 00:11:17,509

red and they were about the size of

220

00:11:14,720 --> 00:11:18,879

small car and they are suspended how

221

00:11:17,509 --> 00:11:23,600

high above the ground

222

00:11:18,879 --> 00:11:26,570

30p and how far apart are they about the

223

00:11:23,600 --> 00:11:30,320

same 30 feet are you hearing any noise

224

00:11:26,570 --> 00:11:33,230

or feeling any air motion nothing no

225

00:11:30,320 --> 00:11:35,720

noise no emotion nothing there were just

226

00:11:33,230 --> 00:11:37,370

these two lights that were barrel-shaped

227

00:11:35,720 --> 00:11:39,230

that were flattened off on the top and

228

00:11:37,370 --> 00:11:42,019

on the bottom was black and when we

229
00:11:39,230 --> 00:11:43,820
looked at them close up as a kid you got

230
00:11:42,019 --> 00:11:45,199
too close to the TV and you could see

231
00:11:43,820 --> 00:11:48,440
all those little black dots jumping

232
00:11:45,200 --> 00:11:50,030
around that's what it was like but red

233
00:11:48,440 --> 00:11:52,040
and you can see all these little black

234
00:11:50,029 --> 00:11:54,139
dots jumping around and then one of them

235
00:11:52,039 --> 00:11:54,679
the one that was closest to me it turned

236
00:11:54,139 --> 00:11:57,139
green

237
00:11:54,679 --> 00:11:59,000
when Cantera light read the traffic

238
00:11:57,139 --> 00:12:01,490
light green in an instant

239
00:11:59,000 --> 00:12:04,339
like somebody's like to switch how close

240
00:12:01,490 --> 00:12:08,269
are you at that moment just about the

241
00:12:04,339 --> 00:12:09,949
oak tree next to me so 20 feet did you

242
00:12:08,269 --> 00:12:14,539
have the impression that this could be a

243
00:12:09,948 --> 00:12:16,429
hologram or was it some 3d matter it's a

244
00:12:14,539 --> 00:12:17,120
solid and I felt like I was being

245
00:12:16,429 --> 00:12:20,328
scanned

246
00:12:17,120 --> 00:12:21,889
can you describe why you would feel like

247
00:12:20,328 --> 00:12:24,948
you were being scanned

248
00:12:21,889 --> 00:12:26,930
it's difficult to put into words these

249
00:12:24,948 --> 00:12:28,729
two objects came to look at my neighbor

250
00:12:26,929 --> 00:12:31,278
and ID and that was the object that

251
00:12:28,730 --> 00:12:33,680
turned green now both of those objects

252
00:12:31,278 --> 00:12:36,049
stayed exactly where they were and fill

253
00:12:33,679 --> 00:12:38,929
that object - in green when it turned

254
00:12:36,049 --> 00:12:41,419
green they both moved off in that period

255
00:12:38,929 --> 00:12:45,198
of time where you felt that these two

256
00:12:41,419 --> 00:12:48,979
red barrel glowing objects one of which

257

00:12:45,198 --> 00:12:52,758
turns green were scanning you were you

258
00:12:48,980 --> 00:12:56,649
getting in your mind's eye any numbers

259
00:12:52,759 --> 00:13:00,649
symbols hieroglyphs or thought words

260
00:12:56,649 --> 00:13:03,379
know you're feeling scanned and then

261
00:13:00,649 --> 00:13:06,379
what happens these two objects moved off

262
00:13:03,379 --> 00:13:09,860
my neighbor and I our silence is broken

263
00:13:06,379 --> 00:13:11,930
by three Apache helicopters flying in a

264
00:13:09,860 --> 00:13:13,419
pyramid formation with their big red

265
00:13:11,929 --> 00:13:16,278
flashing lights in the front of them

266
00:13:13,419 --> 00:13:18,469
really low across the field going

267
00:13:16,278 --> 00:13:23,299
towards front written from the left of

268
00:13:18,470 --> 00:13:27,800
us is the sky now filled with three

269
00:13:23,299 --> 00:13:31,039
Apache helicopters three c-130s and an

270
00:13:27,799 --> 00:13:32,019
AWACS that is rotating in a circle above

271
00:13:31,039 --> 00:13:35,208

all of it

272

00:13:32,019 --> 00:13:37,519

c-130s follows the green objects was one

273

00:13:35,208 --> 00:13:39,500

person so they were already gone the

274

00:13:37,519 --> 00:13:41,899

Apache helicopters were coming at ground

275

00:13:39,500 --> 00:13:44,778

levels across the field towards lunch

276

00:13:41,899 --> 00:13:48,470

recent and the AWACS was still above it

277

00:13:44,778 --> 00:13:51,139

yes what happens next I can only surmise

278

00:13:48,470 --> 00:13:54,050

what happens next because I heard an

279

00:13:51,139 --> 00:13:57,079

almighty explosion and I'm about 30

280

00:13:54,049 --> 00:13:59,508

miles away from front-row Center but

281

00:13:57,078 --> 00:14:01,789

only through witness testimonies and I

282

00:13:59,509 --> 00:14:03,500

know what happened afterwards but I'd

283

00:14:01,789 --> 00:14:06,349

have to pass you over to Gary for that

284

00:14:03,500 --> 00:14:08,480

because he's an investigator on the UFO

285

00:14:06,350 --> 00:14:10,730

network so if you wouldn't mind if I

286
00:14:08,480 --> 00:14:12,779
could pass it over to him yes thank you

287
00:14:10,730 --> 00:14:15,509
and what they describe

288
00:14:12,779 --> 00:14:18,209
after the explosion it's about four or

289
00:14:15,509 --> 00:14:21,659
five seconds later it was another

290
00:14:18,210 --> 00:14:24,030
smaller explosion not as loud as the

291
00:14:21,659 --> 00:14:26,159
first one but it was like something I

292
00:14:24,029 --> 00:14:26,819
guess you could describe hitting the

293
00:14:26,159 --> 00:14:29,100
ground

294
00:14:26,820 --> 00:14:31,140
one minute is this massive explosion are

295
00:14:29,100 --> 00:14:34,440
shaking buildings and homes and

296
00:14:31,139 --> 00:14:38,039
hospitals and then a couple of seconds

297
00:14:34,440 --> 00:14:39,930
later the other explosion shook like it

298
00:14:38,039 --> 00:14:45,379
was impact in the ground like some fun

299
00:14:39,929 --> 00:14:48,599
boom boom and the Swazi UFO network has

300
00:14:45,379 --> 00:14:50,730
persistently been trying to gather as

301
00:14:48,600 --> 00:14:53,879
much data as possible for the past

302
00:14:50,730 --> 00:14:56,930
several months and Gary Jones who you

303
00:14:53,879 --> 00:15:01,679
just heard from the Swansea UFO network

304
00:14:56,929 --> 00:15:04,349
emailed me tonight quote we also have

305
00:15:01,679 --> 00:15:07,079
done Geiger counter measurements of Penn

306
00:15:04,350 --> 00:15:09,570
Turk and smile log wood which you are

307
00:15:07,080 --> 00:15:10,230
going to hear about in this next

308
00:15:09,570 --> 00:15:13,140
half-hour

309
00:15:10,230 --> 00:15:14,519
it's amazing what happened and what they

310
00:15:13,139 --> 00:15:16,710
photographed and what they have

311
00:15:14,519 --> 00:15:19,289
discovered and we will have those

312
00:15:16,710 --> 00:15:22,139
results to report soon the Geiger

313
00:15:19,289 --> 00:15:25,620
counter the EMF and Geiger readings

314

00:15:22,139 --> 00:15:27,590
offer much more in terms of evidence but

315
00:15:25,620 --> 00:15:31,350
to highlight another piece of evidence

316
00:15:27,590 --> 00:15:34,740
the seismological report we received the

317
00:15:31,350 --> 00:15:37,860
FIA requests it does show something

318
00:15:34,740 --> 00:15:40,200
registered in the seismic data at the

319
00:15:37,860 --> 00:15:43,169
time people in lunch essence said they

320
00:15:40,200 --> 00:15:49,320
heard explosions and building shook

321
00:15:43,169 --> 00:15:52,679
about 4:20 a.m. on February 26 2016

322
00:15:49,320 --> 00:15:56,220
we've also filed FOIA requests to the

323
00:15:52,679 --> 00:15:59,039
police fire services and hospitals and

324
00:15:56,220 --> 00:16:02,370
are waiting to receive information from

325
00:15:59,039 --> 00:16:05,579
them close quote and why this is

326
00:16:02,370 --> 00:16:08,429
important George that the Swansea UFO

327
00:16:05,580 --> 00:16:10,710
network there has been persistent and

328
00:16:08,429 --> 00:16:14,459

that they're continuing to do this in to

329

00:16:10,710 --> 00:16:16,580
file FOIA is that just like what we

330

00:16:14,460 --> 00:16:19,860
heard in the first two half hours

331

00:16:16,580 --> 00:16:23,820
somebody wanted to shut this all down

332

00:16:19,860 --> 00:16:26,700
keep every scrap of any information away

333

00:16:23,820 --> 00:16:29,910
from the public there was very

334

00:16:26,700 --> 00:16:35,180
little news reporting of any kind and

335

00:16:29,909 --> 00:16:38,879
yet Cass Clarke and her neighbor Dave

336

00:16:35,179 --> 00:16:42,750
they were witnesses right under wherever

337

00:16:38,879 --> 00:16:46,919
their houses were something was expected

338

00:16:42,750 --> 00:16:48,750
they analyzed that that plane that flew

339

00:16:46,919 --> 00:16:51,899
in those figure eights in those circles

340

00:16:48,750 --> 00:16:55,769
for three days was there under orders

341

00:16:51,899 --> 00:16:58,559
because somebody knew that something was

342

00:16:55,769 --> 00:17:02,009
going to show up and though it showed up

343
00:16:58,559 --> 00:17:04,470
was this strange pyramid shaped craft

344
00:17:02,009 --> 00:17:08,129
that was associated with this green

345
00:17:04,470 --> 00:17:10,588
bright thing and then you have all of

346
00:17:08,130 --> 00:17:16,110
this military activity that comes

347
00:17:10,588 --> 00:17:20,250
suddenly helicopters c-130s in addition

348
00:17:16,109 --> 00:17:22,859
to the AWACS and then what we're going

349
00:17:20,250 --> 00:17:26,910
to hear in this next half-hour is that

350
00:17:22,859 --> 00:17:31,169
two miles from Kaz and Dave's houses

351
00:17:26,910 --> 00:17:35,910
this huge boom explosion that shakes the

352
00:17:31,170 --> 00:17:39,800
hospital it is an amazing story and so

353
00:17:35,910 --> 00:17:46,019
there was physical evidence and yet

354
00:17:39,799 --> 00:17:50,369
somebody came in apparently and roped

355
00:17:46,019 --> 00:17:53,129
off taped off an area came in and got

356
00:17:50,369 --> 00:17:56,789
something out and that's what they're

357
00:17:53,130 --> 00:18:00,930
trying to find out but this is an

358
00:17:56,789 --> 00:18:04,589
example of major military action in our

359
00:18:00,930 --> 00:18:07,920
residential town and village and houses

360
00:18:04,589 --> 00:18:10,500
that still works overtime to keep

361
00:18:07,920 --> 00:18:12,240
everybody from knowing anything about

362
00:18:10,500 --> 00:18:15,089
what happened how do they expect to keep

363
00:18:12,240 --> 00:18:18,390
these things secret Linda geez well it's

364
00:18:15,089 --> 00:18:21,720
been 70 years of an assumption as John

365
00:18:18,390 --> 00:18:25,410
Brandenburg said it's knee-jerk reaction

366
00:18:21,720 --> 00:18:28,740
they just say they have a cover-up story

367
00:18:25,410 --> 00:18:32,070
for everything and it's got to change we

368
00:18:28,740 --> 00:18:34,890
have all got to know and that is why

369
00:18:32,069 --> 00:18:38,250
when you hear the next half hour with

370
00:18:34,890 --> 00:18:39,750
Gary Jones and all of the details it

371

00:18:38,250 --> 00:18:43,890
shows that it

372
00:18:39,750 --> 00:18:47,009
people are persistent they will begin to

373
00:18:43,890 --> 00:18:49,470
find out what is underneath all of the

374
00:18:47,009 --> 00:18:53,970
so-called official cover-up do you hit

375
00:18:49,470 --> 00:18:58,529
the ground running in 2018 lots of

376
00:18:53,970 --> 00:19:01,470
projects huh yeah well I don't just live

377
00:18:58,529 --> 00:19:05,220
X I'll be there yeah I'm there February

378
00:19:01,470 --> 00:19:09,620
9 to 12 and I then turn around and go to

379
00:19:05,220 --> 00:19:12,990
Phoenix for the UFO Congress there and

380
00:19:09,619 --> 00:19:14,879
that's two things back to back in

381
00:19:12,990 --> 00:19:17,579
February and then it just continues

382
00:19:14,880 --> 00:19:21,390
throughout the rest of 2018 do you go to

383
00:19:17,579 --> 00:19:22,919
contact in the desert at all yeah the

384
00:19:21,390 --> 00:19:27,060
last three years so I'll be there

385
00:19:22,920 --> 00:19:27,990

there's also in 2018 alright and this

386

00:19:27,059 --> 00:19:30,329

one's going to be in a different

387

00:19:27,990 --> 00:19:33,240

location this year yes I'm really

388

00:19:30,329 --> 00:19:36,929

interested to learn what it's going to

389

00:19:33,240 --> 00:19:40,349

be like I know that the conscious life

390

00:19:36,930 --> 00:19:43,140

Expo being at the LAX Hilton it's always

391

00:19:40,349 --> 00:19:45,869

so comfortable and convenient and fun

392

00:19:43,140 --> 00:19:48,420

it's crowded there's so much going on

393

00:19:45,869 --> 00:19:51,449

but it is still it's like going to a

394

00:19:48,420 --> 00:19:53,460

kind of watering hole for all of the

395

00:19:51,450 --> 00:19:55,110

interesting subjects that everybody gets

396

00:19:53,460 --> 00:19:55,710

to have lunch breakfast and dinner

397

00:19:55,109 --> 00:19:57,449

together

398

00:19:55,710 --> 00:19:59,660

alright we're coming back with more with

399

00:19:57,450 --> 00:20:02,069

Linda in a moment on coast to coast am

400
00:19:59,660 --> 00:20:04,320
and welcome back were with Linda Moulton

401
00:20:02,069 --> 00:20:05,960
Howe next hour we'll have conversations

402
00:20:04,319 --> 00:20:09,119
with Linda we'll take your phone calls

403
00:20:05,960 --> 00:20:11,789
stories tips ideas you name it we'll do

404
00:20:09,119 --> 00:20:14,849
it Linda let's wrap up your reports here

405
00:20:11,789 --> 00:20:18,389
go ahead all right Gary Jones with the

406
00:20:14,849 --> 00:20:21,829
Swansea UFO network in South Wales has

407
00:20:18,390 --> 00:20:24,440
been investigating the strange Wales

408
00:20:21,829 --> 00:20:27,659
knowit we'll call it a military event

409
00:20:24,440 --> 00:20:32,100
from last February and he is now going

410
00:20:27,660 --> 00:20:34,080
to continue with explaining some of the

411
00:20:32,099 --> 00:20:37,199
physical evidence that they have been

412
00:20:34,079 --> 00:20:39,869
finding from the beginning going back

413
00:20:37,200 --> 00:20:43,650
several months ago all the way up to

414
00:20:39,869 --> 00:20:47,609
today with that email that I read about

415
00:20:43,650 --> 00:20:51,540
they're doing FOIA on the Geiger counter

416
00:20:47,609 --> 00:20:53,329
and other seismic information so here

417
00:20:51,539 --> 00:20:57,159
now

418
00:20:53,329 --> 00:21:01,129
Wales South Wales is Gary Jones

419
00:20:57,160 --> 00:21:04,310
investigator for soo fun as Swansea UFO

420
00:21:01,130 --> 00:21:07,580
network is called this is where it gets

421
00:21:04,309 --> 00:21:09,919
interesting because the secondary boom

422
00:21:07,579 --> 00:21:12,710
may have been something hit in the

423
00:21:09,920 --> 00:21:15,080
ground some explosion that took place in

424
00:21:12,710 --> 00:21:17,690
the air because we've been up to smile

425
00:21:15,079 --> 00:21:20,569
OGG woods we've done quite an extensive

426
00:21:17,690 --> 00:21:23,509
search of the area and we found a place

427
00:21:20,569 --> 00:21:26,359
in a straight line we found a lot of

428

00:21:23,509 --> 00:21:30,319
snap to trees and canopies that were

429
00:21:26,359 --> 00:21:33,829
damaged some of these trees are like 20

430
00:21:30,319 --> 00:21:36,379
feet up snapped off trunks of really big

431
00:21:33,829 --> 00:21:39,619
grown pine trees which have just snapped

432
00:21:36,380 --> 00:21:42,550
off laying around the area it looks like

433
00:21:39,619 --> 00:21:46,519
something has crashed into that area and

434
00:21:42,549 --> 00:21:48,919
we've since looked at the EMF readings

435
00:21:46,519 --> 00:21:50,539
he took an EMF reader up there we went

436
00:21:48,920 --> 00:21:52,160
around the area and we've got quite a

437
00:21:50,539 --> 00:21:53,839
number of quite high readings you know

438
00:21:52,160 --> 00:21:57,490
above what you would have been normal

439
00:21:53,839 --> 00:22:00,139
backgrounds also it looks like the area

440
00:21:57,490 --> 00:22:02,059
irradiated the trees look like they're

441
00:22:00,140 --> 00:22:04,310
dead the leaves look like they've been

442
00:22:02,059 --> 00:22:05,690

burnt a bit so some of the areas of site

443

00:22:04,309 --> 00:22:08,599

leave they've lost all their leaves

444

00:22:05,690 --> 00:22:11,360

altogether they've been scorched two of

445

00:22:08,599 --> 00:22:13,819

the trees show these scorch marks like

446

00:22:11,359 --> 00:22:18,679

spoons it has that sort of singe

447

00:22:13,819 --> 00:22:20,480

look to it black or white white silvery

448

00:22:18,680 --> 00:22:22,940

grayish color you could also describe it

449

00:22:20,480 --> 00:22:25,759

as it goes from the centre of this white

450

00:22:22,940 --> 00:22:29,840

silvery patch area it turns more into a

451

00:22:25,759 --> 00:22:33,619

light brown orange kind of color we do

452

00:22:29,839 --> 00:22:36,169

believe now but the second spoon may

453

00:22:33,619 --> 00:22:39,829

have been this thing's whatever it was

454

00:22:36,170 --> 00:22:42,740

they were chasing the light green bottle

455

00:22:39,829 --> 00:22:45,470

shaped object which was chased by the

456

00:22:42,740 --> 00:22:48,140

military in the airport as cars and her

457
00:22:45,470 --> 00:22:50,740
neighbor have seen that may have been

458
00:22:48,140 --> 00:22:53,690
what caused the damage it's my log wood

459
00:22:50,740 --> 00:22:56,450
we've got photos of the actual area

460
00:22:53,690 --> 00:22:59,990
ourselves where the tree was snapped off

461
00:22:56,450 --> 00:23:02,720
I should also mention where the first

462
00:22:59,990 --> 00:23:05,120
loud explosions followed by the second

463
00:23:02,720 --> 00:23:06,950
one after like say four or five seconds

464
00:23:05,119 --> 00:23:10,279
it was smoke scene

465
00:23:06,950 --> 00:23:13,759
from the area itself right oh it's my

466
00:23:10,279 --> 00:23:16,629
luck box and waffle smoke and we've got

467
00:23:13,759 --> 00:23:19,849
some witnesses who have spoken to us I'm

468
00:23:16,630 --> 00:23:22,250
written down a testimony as well they

469
00:23:19,849 --> 00:23:24,259
smelled something like sulfur it's like

470
00:23:22,250 --> 00:23:26,660
in the air you could smell it it was

471
00:23:24,259 --> 00:23:29,539
like sulfur kind of smell there's a

472
00:23:26,660 --> 00:23:34,940
chance but it's like the military chased

473
00:23:29,539 --> 00:23:37,220
it opened fire brought it down and may

474
00:23:34,940 --> 00:23:41,420
not have actually destroyed it but

475
00:23:37,220 --> 00:23:44,650
caused it to I guess lose altitude and

476
00:23:41,420 --> 00:23:47,960
ended up in this area of my log wood

477
00:23:44,650 --> 00:23:50,690
the other things that we've also managed

478
00:23:47,960 --> 00:23:53,210
to find out who people who written blogs

479
00:23:50,690 --> 00:23:55,789
who liked to keep track of Air Force

480
00:23:53,210 --> 00:23:56,390
bases and plane spotters or things like

481
00:23:55,789 --> 00:24:00,170
that

482
00:23:56,390 --> 00:24:04,070
they're describing shinnok coming to and

483
00:24:00,170 --> 00:24:06,470
from the base called st. Athens it's not

484
00:24:04,069 --> 00:24:09,349
too far from this area that we're

485

00:24:06,470 --> 00:24:11,059
talking to you now they were making a

486
00:24:09,349 --> 00:24:14,240
number of trips behind a place called

487
00:24:11,059 --> 00:24:16,039
the Royal Mint and that seems to

488
00:24:14,240 --> 00:24:19,279
indicate to us at least that they were

489
00:24:16,039 --> 00:24:21,019
making a list dropping something off of

490
00:24:19,279 --> 00:24:23,660
saying Athens and coming back to the

491
00:24:21,019 --> 00:24:26,569
mint the other thing I just want to say

492
00:24:23,660 --> 00:24:29,120
besides the air lifts and the

493
00:24:26,569 --> 00:24:31,759
helicopters circling and yes you know

494
00:24:29,119 --> 00:24:36,109
the smoke but no fire which is very

495
00:24:31,759 --> 00:24:39,079
strange the smell of sulphur is that not

496
00:24:36,109 --> 00:24:41,509
long after the explosions took place

497
00:24:39,079 --> 00:24:46,549
whatever caused the explosion

498
00:24:41,509 --> 00:24:49,640
all the roads lanes even the back roads

499
00:24:46,549 --> 00:24:53,180

were closed off nobody could get

500

00:24:49,640 --> 00:24:56,360

anywhere near this place because the

501

00:24:53,180 --> 00:24:59,420

army or the military or someone gave us

502

00:24:56,359 --> 00:25:02,179

order to shut down those areas they

503

00:24:59,420 --> 00:25:05,779

didn't seem to want anyone going near

504

00:25:02,180 --> 00:25:07,820

the smile our woods area and we've got a

505

00:25:05,779 --> 00:25:09,559

number of people who testified to this

506

00:25:07,819 --> 00:25:11,899

they were trying to get home on their

507

00:25:09,559 --> 00:25:15,169

normal route normal roads that they

508

00:25:11,900 --> 00:25:16,790

would take they were closed off they had

509

00:25:15,170 --> 00:25:20,360

to find some other means of getting home

510

00:25:16,789 --> 00:25:22,250

it just seems very strange

511

00:25:20,359 --> 00:25:25,009

this was what they call a military

512

00:25:22,250 --> 00:25:26,990

exercise why are they going to so much

513

00:25:25,009 --> 00:25:29,869

trouble to shut down all the roads I

514
00:25:26,990 --> 00:25:32,058
would normally be open it's never like

515
00:25:29,869 --> 00:25:34,849
them to do something like that in fact

516
00:25:32,058 --> 00:25:38,839
there was no reason given back the road

517
00:25:34,849 --> 00:25:43,129
to close what was posted at all of the

518
00:25:38,839 --> 00:25:45,470
closed roads nothing the only thing that

519
00:25:43,130 --> 00:25:48,380
we know is that the police were there

520
00:25:45,470 --> 00:25:50,269
cars standing by the road and silent

521
00:25:48,380 --> 00:25:53,179
people they couldn't go this way or go

522
00:25:50,269 --> 00:25:56,779
another way when they got there where

523
00:25:53,179 --> 00:25:59,509
the police from when transit or from

524
00:25:56,779 --> 00:26:02,480
Penn Turk I think they were part of the

525
00:25:59,509 --> 00:26:05,629
South Wales Police Force so the South

526
00:26:02,480 --> 00:26:09,410
Wales Police Force was ordered by

527
00:26:05,630 --> 00:26:12,799
somebody to go to several roads leading

528
00:26:09,410 --> 00:26:15,410
into smile log forest and they simply

529
00:26:12,798 --> 00:26:17,200
parked and told people to turn back that

530
00:26:15,410 --> 00:26:21,558
they couldn't go through these roads

531
00:26:17,200 --> 00:26:25,340
yeah this would have to have reached in

532
00:26:21,558 --> 00:26:27,950
February 2016 with social media Bristol

533
00:26:25,339 --> 00:26:30,139
and Cardiff and all over the place that

534
00:26:27,950 --> 00:26:34,460
there was all this military activity

535
00:26:30,140 --> 00:26:36,860
over tenter to Lantis end well that one

536
00:26:34,460 --> 00:26:41,090
story that we did find comes from Wales

537
00:26:36,859 --> 00:26:44,058
online they posted a story about 7:00

538
00:26:41,089 --> 00:26:48,199
a.m. the very same day calling it the

539
00:26:44,058 --> 00:26:50,389
military exercise project chameleon but

540
00:26:48,200 --> 00:26:53,179
there seems to have been no other

541
00:26:50,390 --> 00:26:56,270
explanation for the loud explosions

542

00:26:53,179 --> 00:26:59,120
which was reported by several people on

543
00:26:56,269 --> 00:27:01,579
the Wales online article where people

544
00:26:59,119 --> 00:27:03,319
also reported these loud explosions we

545
00:27:01,579 --> 00:27:05,629
since spoken to one or two of them and

546
00:27:03,319 --> 00:27:08,960
that's how we got their statements at

547
00:27:05,630 --> 00:27:10,940
the same time station called 101 is it

548
00:27:08,960 --> 00:27:13,039
when I wanted from non emergency

549
00:27:10,940 --> 00:27:15,350
telephone number to the police hundreds

550
00:27:13,039 --> 00:27:17,750
of people telephones when I went to find

551
00:27:15,349 --> 00:27:20,178
out what was going on because nobody has

552
00:27:17,750 --> 00:27:22,669
been told anything like this exercise

553
00:27:20,179 --> 00:27:25,880
that wasn't even listed as an exercise

554
00:27:22,669 --> 00:27:28,700
in fact exercise chameleon was in Durham

555
00:27:25,880 --> 00:27:30,470
because in the north of England practice

556
00:27:28,700 --> 00:27:31,920

thank you any further north before

557

00:27:30,470 --> 00:27:33,390

you're in Scotland

558

00:27:31,920 --> 00:27:36,630

there was absolutely nothing written

559

00:27:33,390 --> 00:27:38,670

about low-level flying especially in the

560

00:27:36,630 --> 00:27:42,060

early hours of the morning and did not

561

00:27:38,670 --> 00:27:44,430

include as well at all so how did the

562

00:27:42,059 --> 00:27:46,889

military and the police get away with

563

00:27:44,430 --> 00:27:51,180

explaining something in South Wales as

564

00:27:46,890 --> 00:27:52,680

related to a exercise chameleon so far

565

00:27:51,180 --> 00:27:56,220

north that it was at the Scotland

566

00:27:52,680 --> 00:28:00,240

boundary that was the cover story as

567

00:27:56,220 --> 00:28:02,370

Kaza said the original area where the

568

00:28:00,240 --> 00:28:04,380

exercise was going to take place would

569

00:28:02,369 --> 00:28:08,039

have taken place up in Durham North

570

00:28:04,380 --> 00:28:10,950

inland it was unannounced they didn't

571
00:28:08,039 --> 00:28:13,649
give any motives to people at this area

572
00:28:10,950 --> 00:28:16,289
whatsoever a they didn't want anyone it

573
00:28:13,650 --> 00:28:19,380
was taken place B they seemed to be very

574
00:28:16,289 --> 00:28:22,950
quiet about actually explaining why this

575
00:28:19,380 --> 00:28:24,810
exercise took place and see which took

576
00:28:22,950 --> 00:28:27,690
place in the early hours of the morning

577
00:28:24,809 --> 00:28:30,240
over a populated area in the early hours

578
00:28:27,690 --> 00:28:32,850
of the day and not really irritated a

579
00:28:30,240 --> 00:28:35,039
lot of people it's my experience as an

580
00:28:32,849 --> 00:28:37,169
investigative reporter for a long time

581
00:28:35,039 --> 00:28:40,529
trying to get to the bottom of high

582
00:28:37,170 --> 00:28:43,769
strangeness that military exercise is

583
00:28:40,529 --> 00:28:47,549
the common explanation even though it

584
00:28:43,769 --> 00:28:52,289
never is the answer in the booms and

585
00:28:47,549 --> 00:28:55,919
these strange sound events seems to me

586
00:28:52,289 --> 00:28:59,339
that what we have is something that is

587
00:28:55,920 --> 00:29:03,480
in the high strangeness category that

588
00:28:59,339 --> 00:29:06,059
the mo D then tries to cover up with

589
00:29:03,480 --> 00:29:09,029
military activity that it will tie to a

590
00:29:06,059 --> 00:29:12,319
military exercise that the Guardian and

591
00:29:09,029 --> 00:29:15,149
the BBC would accept without doing any

592
00:29:12,319 --> 00:29:19,019
investigation exactly what they've done

593
00:29:15,150 --> 00:29:21,690
I have been told by more than one

594
00:29:19,019 --> 00:29:25,740
whistleblower that the earth is in a

595
00:29:21,690 --> 00:29:29,850
secret war and that homo sapien sapien

596
00:29:25,740 --> 00:29:33,900
has allies but there are serious enemies

597
00:29:29,849 --> 00:29:36,899
and now the issue is has anybody talked

598
00:29:33,900 --> 00:29:41,180
with either of you about what the true

599

00:29:36,900 --> 00:29:45,360
nature of this war might be or was on

600
00:29:41,180 --> 00:29:48,380
February 24th to 26th 2016

601
00:29:45,359 --> 00:29:51,149
between Penn Turk in Llantrisant

602
00:29:48,380 --> 00:29:53,040
something that troubles me personally is

603
00:29:51,150 --> 00:29:55,380
that they knew that vehicles were coming

604
00:29:53,039 --> 00:29:57,480
and they didn't know exactly when that

605
00:29:55,380 --> 00:29:59,130
they knew they'd be coming year so they

606
00:29:57,480 --> 00:30:01,890
watched the skies for three days until

607
00:29:59,130 --> 00:30:05,400
that vehicle arrived and it was enormous

608
00:30:01,890 --> 00:30:09,210
Linda we estimate at the moment 280

609
00:30:05,400 --> 00:30:11,070
meters of 800 feet wide and the spoke

610
00:30:09,210 --> 00:30:13,860
thing that fills the corridors and

611
00:30:11,069 --> 00:30:15,929
hospitals there is so much so he came

612
00:30:13,859 --> 00:30:18,929
through the vents for my exciting tada

613
00:30:15,930 --> 00:30:21,299

stills and filled the air like fog was

614

00:30:18,930 --> 00:30:23,430

falling from the air so there was some

615

00:30:21,299 --> 00:30:25,680

kind of explosion but I didn't hear the

616

00:30:23,430 --> 00:30:28,259

explosion from here and I'm about two

617

00:30:25,680 --> 00:30:31,769

miles away from hunterson so whatever it

618

00:30:28,259 --> 00:30:33,629

was the explosion was enormous and they

619

00:30:31,769 --> 00:30:37,019

removed it from smile of wood is in

620

00:30:33,630 --> 00:30:40,350

turnips are there eyewitnesses to

621

00:30:37,019 --> 00:30:44,069

chinook helicopters physically lifting

622

00:30:40,349 --> 00:30:46,409

something out of smile log woods what

623

00:30:44,069 --> 00:30:48,539

witnesses have seen the Chinook's taking

624

00:30:46,410 --> 00:30:51,450

big trucks into there and removing

625

00:30:48,539 --> 00:30:54,149

something from my log woods it takes

626

00:30:51,450 --> 00:30:56,519

about five minutes flight flying to get

627

00:30:54,150 --> 00:30:58,620

to st. Athens Air Base where they landed

628
00:30:56,519 --> 00:30:59,759
and took off immediately and this went

629
00:30:58,619 --> 00:31:03,000
on for three hours

630
00:30:59,759 --> 00:31:06,809
so the Chinooks were continuing to

631
00:31:03,000 --> 00:31:11,099
operate in the smile log woods even if

632
00:31:06,809 --> 00:31:14,759
it were dark yes yes I do have videos

633
00:31:11,099 --> 00:31:17,099
for myself not long after cars and her

634
00:31:14,759 --> 00:31:19,920
neighbors beam this craft appear in the

635
00:31:17,099 --> 00:31:23,099
fields of Pentos about half past two

636
00:31:19,920 --> 00:31:26,460
chinook helicopters appeared in several

637
00:31:23,099 --> 00:31:29,009
areas and I do have a video where it was

638
00:31:26,460 --> 00:31:30,750
flying not too far from my house where

639
00:31:29,009 --> 00:31:34,650
it was like making a circling pattern

640
00:31:30,750 --> 00:31:36,509
every 3 or 4 minutes for about 35 45

641
00:31:34,650 --> 00:31:38,910
minutes and then the Chinook's were

642
00:31:36,509 --> 00:31:40,980
taken off whose smile of words there was

643
00:31:38,910 --> 00:31:43,560
yellow search tape on the common they

644
00:31:40,980 --> 00:31:46,349
went right through my log words roughly

645
00:31:43,559 --> 00:31:48,329
50 feet either side the debris trail

646
00:31:46,349 --> 00:31:48,869
that we followed that took off the tops

647
00:31:48,329 --> 00:31:51,480
of the trees

648
00:31:48,869 --> 00:31:53,129
these are conifer trees and all of the

649
00:31:51,480 --> 00:31:55,529
tops were off of the trees and laid

650
00:31:53,130 --> 00:31:57,660
right through the woods in a straight

651
00:31:55,529 --> 00:31:59,099
line when we got to the top of the ridge

652
00:31:57,660 --> 00:32:04,259
trees it didn't snap

653
00:31:59,099 --> 00:32:08,069
so at the midway point 23 in years now I

654
00:32:04,259 --> 00:32:12,599
am going to have on Monday both of these

655
00:32:08,069 --> 00:32:15,178
reports with photographs and some other

656

00:32:12,599 --> 00:32:17,548
data about some of this physical

657
00:32:15,179 --> 00:32:18,780
evidence at my news website earth

658
00:32:17,548 --> 00:32:22,319
files.com

659
00:32:18,779 --> 00:32:26,548
so listeners tonight go to earth files

660
00:32:22,319 --> 00:32:29,730
on Monday Earth files calm and this will

661
00:32:26,548 --> 00:32:32,190
be at the top of my headlines page with

662
00:32:29,730 --> 00:32:36,900
links to these reports so that you can

663
00:32:32,190 --> 00:32:39,840
see the trees and various other pieces

664
00:32:36,900 --> 00:32:43,679
of information and maps and that sort of

665
00:32:39,839 --> 00:32:49,319
thing and all of this made me remember

666
00:32:43,679 --> 00:32:53,669
that in it was the 1980s and it was

667
00:32:49,319 --> 00:32:56,730
somebody I met from Idaho and it was a

668
00:32:53,669 --> 00:32:59,340
similar report about how roads were

669
00:32:56,730 --> 00:33:01,288
blocked off in the Sawtooth National

670
00:32:59,339 --> 00:33:05,038

Forest northeast of Mountain Home Air

671

00:33:01,288 --> 00:33:07,408

Base but the person talking to me was in

672

00:33:05,038 --> 00:33:10,230

the military at the time and told me he

673

00:33:07,409 --> 00:33:13,490

had first-hand knowledge that a silver

674

00:33:10,230 --> 00:33:17,159

disc may be 30 to 50 feet in diameter

675

00:33:13,490 --> 00:33:19,859

had come down or crashed into a creek

676

00:33:17,159 --> 00:33:23,549

area and that he was in a military group

677

00:33:19,859 --> 00:33:27,479

sent to block off as many roads as

678

00:33:23,548 --> 00:33:30,179

possible to the site and the cover story

679

00:33:27,480 --> 00:33:32,460

to the news media and the public was

680

00:33:30,179 --> 00:33:36,419

there had been a large tanker truck

681

00:33:32,460 --> 00:33:39,179

overturned but he told me firsthand what

682

00:33:36,419 --> 00:33:41,730

had happened and I've tried to find

683

00:33:39,179 --> 00:33:44,788

other people who might know about that

684

00:33:41,730 --> 00:33:47,579

incident as well where did that UFO go

685
00:33:44,788 --> 00:33:51,210
how was it transported out of the

686
00:33:47,579 --> 00:33:55,529
mountainous woods and to where and then

687
00:33:51,210 --> 00:33:58,319
also back in the late 1980s I was first

688
00:33:55,529 --> 00:34:02,250
introduced to the concept the words

689
00:33:58,319 --> 00:34:04,950
earth secret war by an Army Intelligence

690
00:34:02,250 --> 00:34:08,398
whistleblower who told me he had been in

691
00:34:04,950 --> 00:34:10,648
a very high-level meeting back east on

692
00:34:08,398 --> 00:34:12,989
one of the corridors around Washington

693
00:34:10,648 --> 00:34:16,829
DC with

694
00:34:12,989 --> 00:34:18,569
real scientists some pretend scientists

695
00:34:16,829 --> 00:34:21,239
meaning that they were from the alphabet

696
00:34:18,570 --> 00:34:24,629
soup spying on each other and pretending

697
00:34:21,239 --> 00:34:28,378
to be scientists a real general and a

698
00:34:24,628 --> 00:34:32,279
couple of pretend officers also alphabet

699
00:34:28,378 --> 00:34:34,769
soup spies but he was impressed and

700
00:34:32,280 --> 00:34:37,320
disturbed by the discussion with the

701
00:34:34,769 --> 00:34:41,489
real scientists in the room because the

702
00:34:37,320 --> 00:34:45,179
subject was UFOs and genetic

703
00:34:41,489 --> 00:34:47,579
manipulation and hybridization he told

704
00:34:45,179 --> 00:34:50,579
me back then he did not fully understand

705
00:34:47,579 --> 00:34:52,378
the conversation or the implications but

706
00:34:50,579 --> 00:34:55,110
when the meeting was over and they were

707
00:34:52,378 --> 00:34:58,230
heading out the door he overheard the

708
00:34:55,110 --> 00:35:01,680
general asked one of the real scientists

709
00:34:58,230 --> 00:35:04,949
quote well how do you think Earth's

710
00:35:01,679 --> 00:35:06,509
secret war is going and he said the

711
00:35:04,949 --> 00:35:11,219
scientist answered

712
00:35:06,510 --> 00:35:14,250
I think it's futile well maybe what

713

00:35:11,219 --> 00:35:16,739
happened in Wales a year ago is a signal

714
00:35:14,250 --> 00:35:19,739
that whatever conflicts human military

715
00:35:16,739 --> 00:35:23,009
are having with an alien presence

716
00:35:19,739 --> 00:35:26,549
humans are not backing down and in fact

717
00:35:23,010 --> 00:35:29,820
in lunch ascent and smile our wood which

718
00:35:26,550 --> 00:35:33,180
is their Atlantis and it would seem that

719
00:35:29,820 --> 00:35:35,039
something violent happened in the land

720
00:35:33,179 --> 00:35:37,589
and the trees and that Chinook

721
00:35:35,039 --> 00:35:39,840
helicopters might have lifted out an

722
00:35:37,590 --> 00:35:42,869
object and I would like to make an

723
00:35:39,840 --> 00:35:45,960
appeal on behalf of Earth files.com and

724
00:35:42,869 --> 00:35:48,059
the Swansea UFO network that if anyone

725
00:35:45,960 --> 00:35:51,179
listening has any first-hand information

726
00:35:48,059 --> 00:35:55,608
about the whales events in February of

727
00:35:51,179 --> 00:36:00,089

2016 a little less than one year ago or

728

00:35:55,608 --> 00:36:03,150

about the nature of a secret war on this

729

00:36:00,090 --> 00:36:06,990

planet with an alien presence please

730

00:36:03,150 --> 00:36:09,980

email me at earth files at earthfiles

731

00:36:06,989 --> 00:36:09,979

dot-com

732

00:36:10,889 --> 00:36:12,949

you
