

1  
00:00:12,849 --> 00:00:21,429  
the corner of that field there goes

2  
00:00:17,019 --> 00:00:26,559  
along that it's that way around and we

3  
00:00:21,429 --> 00:00:30,070  
are here so so David saw I saw you mark

4  
00:00:26,559 --> 00:01:07,539  
saw I figured two figures walk in that

5  
00:00:30,070 --> 00:01:13,390  
way arms up in the gate and you couldn't

6  
00:01:07,539 --> 00:01:14,829  
remember notice in the okay we're on

7  
00:01:13,390 --> 00:01:17,439  
location and emmalin's going to now

8  
00:01:14,829 --> 00:01:19,629  
explain us this map here that explains

9  
00:01:17,439 --> 00:01:24,340  
the layout where they the corner of that

10  
00:01:19,629 --> 00:01:31,449  
field there just along that it's that

11  
00:01:24,340 --> 00:01:35,469  
way runs and we are here so so David saw

12  
00:01:31,450 --> 00:01:37,420  
so he mark saw I figured two figures

13  
00:01:35,469 --> 00:01:38,739  
walk in that way one of which had his

14  
00:01:37,420 --> 00:01:41,319  
arms up in the air or they were right by

15  
00:01:38,739 --> 00:01:43,259  
this spot here Emlyn and Mike are gonna

16  
00:01:41,319 --> 00:01:46,478  
try and reenact the path that these two

17  
00:01:43,259 --> 00:01:48,519  
the two humanoid figures two humanoid

18  
00:01:46,478 --> 00:01:52,500  
figures were walking when they were in

19  
00:01:48,519 --> 00:01:52,500  
the field that day so off you go fellas

20  
00:02:01,790 --> 00:02:13,939  
so this is roughly the path that they

21  
00:02:06,269 --> 00:02:13,939  
took moving away from Mach at that time

22  
00:02:20,030 --> 00:02:34,590  
yeah smile boys you described what they

23  
00:02:27,060 --> 00:02:36,539  
were wearing it was all grey suits all

24  
00:02:34,590 --> 00:02:41,280  
grey suits completely covered in the

25  
00:02:36,539 --> 00:02:43,469  
heads and buddy it was at dusk so there

26  
00:02:41,280 --> 00:02:52,139  
was diminishing light okay so so parts

27  
00:02:43,469 --> 00:02:53,789  
of my body then okay the legs just

28  
00:02:52,139 --> 00:02:55,439  
basically they were wearing clothes that

29

00:02:53,789 --> 00:02:59,370  
were not normal attire for this area

30  
00:02:55,439 --> 00:03:01,169  
were they not to mention traveling in a

31  
00:02:59,370 --> 00:03:02,640  
vehicle with a UFO can be done alone

32  
00:03:01,169 --> 00:03:04,799  
yeah not traveling in a vehicle you

33  
00:03:02,639 --> 00:03:05,488  
would expect to see on a road or a field

34  
00:03:04,800 --> 00:03:09,420  
yeah

35  
00:03:05,489 --> 00:03:23,099  
and Pat Owen saw three figures in the

36  
00:03:09,419 --> 00:03:25,199  
corner of Patricia Patricia hats

37  
00:03:23,099 --> 00:03:43,319  
yeah pull it up laughter can you tell us

38  
00:03:25,199 --> 00:03:46,589  
exactly what you saw in the other field

39  
00:03:43,319 --> 00:03:50,299  
yeah feels a bit better yeah what do

40  
00:03:46,590 --> 00:03:54,330  
these figures look like I don't know

41  
00:03:50,299 --> 00:03:56,459  
obviously it's an foot 7 foot yeah what

42  
00:03:54,330 --> 00:03:59,810  
were they wearing like a silver sorts

43  
00:03:56,459 --> 00:03:59,810

silver suit yeah

44

00:04:06,658 --> 00:04:13,889  
the other thing is horses

45

00:05:20,279 --> 00:05:25,809  
Pat Owen lived in that house heard the

46

00:05:24,098 --> 00:05:26,918  
kids came up to us she was 10 let's say

47

00:05:25,810 --> 00:05:28,930  
the house and said oh there's a flying

48

00:05:26,918 --> 00:05:32,228  
saucer and she ran into the house

49

00:05:28,930 --> 00:05:35,228  
upstairs and that's when she saw the

50

00:05:32,228 --> 00:05:37,538  
three tall men walking parallel to a

51

00:05:35,228 --> 00:05:42,009  
Hawthorne edge which is here that's

52

00:05:37,538 --> 00:05:44,740  
that's Hawthorne and she she observed

53

00:05:42,009 --> 00:05:47,529  
them for two minutes walking side by

54

00:05:44,740 --> 00:05:50,079  
side up an Inc inclined field which is

55

00:05:47,529 --> 00:05:51,369  
that field there I mean again in there

56

00:05:50,079 --> 00:05:53,500  
she doesn't say oh it was just the

57

00:05:51,370 --> 00:05:55,629  
farmer or kids messing around this is

58  
00:05:53,500 --> 00:05:55,829  
definitely something you don't see every

59  
00:05:55,629 --> 00:05:58,149  
day

60  
00:05:55,829 --> 00:06:00,939  
especially in your local area file he's

61  
00:05:58,149 --> 00:06:03,069  
not that far behind far away people in

62  
00:06:00,939 --> 00:06:04,538  
the area of familiar with seeing

63  
00:06:03,069 --> 00:06:11,930  
military aircraft and helicopters flying

64  
00:06:04,538 --> 00:06:34,939  
around so mm-hmm so boys are living here

65  
00:06:11,930 --> 00:06:41,240  
and socket nothing it's upstairs so the

66  
00:06:34,939 --> 00:06:45,949  
military were in the area no way our

67  
00:06:41,240 --> 00:06:48,340  
scene no emotion yeah reminds me of

68  
00:06:45,949 --> 00:06:52,990  
brought Haven to a degree because

69  
00:06:48,339 --> 00:06:56,418  
humanoids had been seen in a field mmm

70  
00:06:52,990 --> 00:06:58,038  
similar somewhere in what way what do

71  
00:06:56,418 --> 00:07:03,579  
you well

72  
00:06:58,038 --> 00:07:06,439  
like where it suits advocated in a field

73  
00:07:03,579 --> 00:07:09,500  
like the were dead boredom was just up

74  
00:07:06,439 --> 00:07:13,779  
from Haven for hotel that was a similar

75  
00:07:09,500 --> 00:07:14,990  
case that was in a field timeline 8:15

76  
00:07:13,779 --> 00:07:18,529  
mark

77  
00:07:14,990 --> 00:07:19,848  
Hesketh saw the like descending 2021 he

78  
00:07:18,529 --> 00:07:23,500  
saw the two figures walking across the

79  
00:07:19,848 --> 00:07:26,538  
field six foot tall

80  
00:07:23,500 --> 00:07:27,709  
alright then by saw Mike just made a

81  
00:07:26,538 --> 00:07:30,319  
valid point when we were doing that

82  
00:07:27,709 --> 00:07:32,538  
little reenactment but if this is the

83  
00:07:30,319 --> 00:07:34,129  
direction they turned towards the most

84  
00:07:32,538 --> 00:07:37,038  
likely direction they were heading its

85  
00:07:34,129 --> 00:07:39,860  
towards maybe there's a gate just down

86

00:07:37,038 --> 00:07:41,810  
by there so that's most likely the

87  
00:07:39,860 --> 00:07:45,139  
direction they were heading probably

88  
00:07:41,810 --> 00:07:49,098  
most likely back to their craft or means

89  
00:07:45,139 --> 00:07:53,060  
of transport for that day all right so

90  
00:07:49,098 --> 00:07:56,029  
this is roughly the field where the

91  
00:07:53,060 --> 00:07:59,389  
witnesses said they saw the craft is it

92  
00:07:56,029 --> 00:08:03,799  
or the lights that the lights that had

93  
00:07:59,389 --> 00:08:05,300  
that white below shaped oh that's right

94  
00:08:03,800 --> 00:08:10,509  
yeah they said they saw something coming

95  
00:08:05,300 --> 00:08:13,819  
down and it was bullet shaped and it was

96  
00:08:10,509 --> 00:08:16,269  
one was a boy twelve years old alien

97  
00:08:13,819 --> 00:08:17,418  
Williams and this was rockin evening

98  
00:08:16,269 --> 00:08:20,509  
okay

99  
00:08:17,418 --> 00:08:23,389  
we saw circular craft emitting a bright

100  
00:08:20,509 --> 00:08:25,219

light descending fifteen minutes later

101

00:08:23,389 --> 00:08:28,220  
that's when mark esketh

102

00:08:25,220 --> 00:08:30,710  
his France saw this bullet-shaped bright

103

00:08:28,220 --> 00:08:33,168  
white light with a glowing red bander on

104

00:08:30,709 --> 00:08:36,259  
the perimeter with red lights across the

105

00:08:33,168 --> 00:08:38,389  
breadth of the object near nearing

106

00:08:36,259 --> 00:08:41,149  
ground level you notice there are two

107

00:08:38,389 --> 00:08:43,330  
protrusions one each side landing behind

108

00:08:41,149 --> 00:08:45,649  
trees which would have been those trees

109

00:08:43,330 --> 00:08:48,889  
there's no distance oh yeah

110

00:08:45,649 --> 00:08:53,090  
at the same time as that a Patricia

111

00:08:48,889 --> 00:08:57,049  
Perry was 27 living in the estate so on

112

00:08:53,090 --> 00:09:02,300  
all the lights silver white descending

113

00:08:57,049 --> 00:09:05,689  
and revolving slowly moving off to the

114

00:09:02,299 --> 00:09:15,589  
southwest I'm descending slowly so she

115  
00:09:05,690 --> 00:09:21,380  
probably saw the same object does about

116  
00:09:15,590 --> 00:09:25,580  
six o'clock her husband told me you were

117  
00:09:21,379 --> 00:09:29,210  
quite shaken up with the incident there

118  
00:09:25,580 --> 00:09:31,400  
was not military activity in two or

119  
00:09:29,210 --> 00:09:33,110  
three days fallen it MA so this is

120  
00:09:31,399 --> 00:09:34,850  
another case where a little first of

121  
00:09:33,110 --> 00:09:37,039  
September in the evening and on the

122  
00:09:34,850 --> 00:09:39,259  
early morning of the 3rd of September it

123  
00:09:37,039 --> 00:09:41,149  
was a loud explosion here again another

124  
00:09:39,259 --> 00:09:45,200  
man who didn't want to give his name at

125  
00:09:41,149 --> 00:09:46,850  
the time so if we just clarify something

126  
00:09:45,200 --> 00:09:48,200  
op there's a lot of activity happening

127  
00:09:46,850 --> 00:09:50,750  
down there yeah we just clarify

128  
00:09:48,200 --> 00:09:53,240  
something there we've seen a lot of

129  
00:09:50,750 --> 00:09:54,740  
cases now all totally different from

130  
00:09:53,240 --> 00:09:56,779  
each other but a couple of similarities

131  
00:09:54,740 --> 00:09:59,230  
and things that correspond military loud

132  
00:09:56,779 --> 00:10:03,289  
explosions and lights in the sky in

133  
00:09:59,230 --> 00:10:04,850  
occasionally you know you see people

134  
00:10:03,289 --> 00:10:06,919  
maybe strange people walking in the

135  
00:10:04,850 --> 00:10:10,310  
field but what it all means

136  
00:10:06,919 --> 00:10:11,838  
who knows but well it's not something

137  
00:10:10,309 --> 00:10:30,129  
that is something random there is

138  
00:10:11,839 --> 00:10:32,810  
definitely a pattern to it on that one

139  
00:10:30,129 --> 00:10:36,230  
that's know the rest of them could have

140  
00:10:32,809 --> 00:10:38,149  
been there and there was some

141  
00:10:36,230 --> 00:10:40,850  
investigators

142  
00:10:38,149 --> 00:10:47,659  
yeah

143

00:10:40,850 --> 00:10:47,659  
so solicitor from America came solicitor

144  
00:10:47,779 --> 00:10:54,179  
what did he ask about UFOs okay yeah

145  
00:10:52,950 --> 00:10:56,550  
I'll be the first wants to bother you

146  
00:10:54,179 --> 00:11:00,389  
after the event no no no well there's

147  
00:10:56,549 --> 00:11:03,959  
been a few of the girls they read the

148  
00:11:00,389 --> 00:11:07,069  
film aa few weeks ago the girl is living

149  
00:11:03,960 --> 00:11:18,240  
here now she was in the film which was

150  
00:11:07,070 --> 00:11:21,810  
taking the kids sides yeah do you

151  
00:11:18,240 --> 00:11:25,580  
remember the title of the film no have

152  
00:11:21,809 --> 00:11:25,579  
to look that up then it's 40 years ago

153  
00:11:33,379 --> 00:11:36,710  
thank you very much

154  
00:11:43,058 --> 00:11:45,118  
you
