Neil's bring people to learn to start

2
00:00:10,710 --> 00:00:17,880
research as I was I definitely think I

3
00:00:16,289 --> 00:00:19,710
was one of the people who first started

4
00:00:17,879 --> 00:00:23,640
looking into those into those triangles

5
00:00:19,710 --> 00:00:25,080
that appeared in 1983 yeah it was

6
00:00:23,640 --> 00:00:26,670
something I have it's something that

7
00:00:25,079 --> 00:00:28,288
I've followed over the years and

8
00:00:26,670 --> 00:00:30,000
something i came across when I was doing

9
00:00:28,289 --> 00:00:34,320
research for my for my books are

10
00:00:30,000 --> 00:00:38,670

18
00:01:52,920 --> 00:01:57,409
from London he's from Swansea but he's

19
00:01:55,109 --> 00:02:00,118
made a special trip tonight to see us

20
00:01:57,409 --> 00:02:02,690
and he's going to give us a talk on the

21
00:02:00,118 --> 00:02:06,810
Welsh triangle which has been dumped

22
00:02:02,689 --> 00:02:10,889
in 1977 suspect of sightings in

23
00:02:06,810 --> 00:02:13,979
pembrokeshire area there will be a Q&A

24
00:02:10,889 --> 00:02:16,339
at the end and Neil's bought this book

25
00:02:13,979 --> 00:02:20,488
here I've been want the other copies now

26
00:02:16,340 --> 00:02:23,069
sorry they missed so they decide they're

27
00:02:20,489 --> 00:02:25,890
in water stones and online I am be

28
00:02:23,069 --> 00:02:28,739
basically Neil's starting off when he

29

00:02:25,889 --> 00:02:32,089
was in school in Bishop's done yet in

30
00:02:28,739 --> 00:02:34,800
addressing UFOs and took upon himself to

31
00:02:32,090 --> 00:02:38,430
investigate locally the psyche tins

32
00:02:34,800 --> 00:02:40,920
going on the time you then went away to

33
00:02:38,430 --> 00:02:45,540
university in oxford the belief yeah he

34
00:02:40,919 --> 00:02:47,458
started a group called global yeah the

35
00:02:45,539 --> 00:02:49,829
group was called open minds open my us

36
00:02:47,459 --> 00:02:51,840
here and he carried on with his work

37
00:02:49,830 --> 00:02:56,700
there he did right to cracking articles

38
00:02:51,840 --> 00:02:59,189
for UFO magazine in 2001 about spate to

39
00:02:56,699 --> 00:03:02,189
cyclin seen on the night in 1998 in the

40
00:02:59,189 --> 00:03:05,549
swansea area if you manage to get copies

41
00:03:02,189 --> 00:03:07,969
of it as well worth for meat then we're

42
00:03:05,549 --> 00:03:12,060
not to become a novelist evil undies

43
00:03:07,969 --> 00:03:14,400

written a novel called the ghost hunters

44

00:03:12,060 --> 00:03:17,269

I was the first one who is it Gary price

45

00:03:14,400 --> 00:03:20,039

Harry price how deep a ghost hunter and

46

00:03:17,269 --> 00:03:24,239

laterally the watches which is being

47

00:03:20,039 --> 00:03:26,370

adapted for TV I believe so so he's a

48

00:03:24,239 --> 00:03:29,969

talented guy with a background in UFOs

49

00:03:26,370 --> 00:03:33,469

and a lot of knowledge so can pretty

50

00:03:29,969 --> 00:03:33,469

hard together give nila good welcome

51

00:03:37,299 --> 00:03:41,150

right well good evening ladies and

52

00:03:39,680 --> 00:03:43,159

gentlemen make sure we can all hear me

53

00:03:41,150 --> 00:03:45,140

at the back yeah that's all right good

54

00:03:43,158 --> 00:03:48,048

well firstly thank you very much emmalin

55

00:03:45,139 --> 00:03:49,518

into the whole UFO swans a UFO netbook

56

00:03:48,049 --> 00:03:52,129

for having me here tonight it's a

57

00:03:49,519 --> 00:03:56,480

pleasure to see so many of you here and

58
00:03:52,128 --> 00:03:58,340
I feel very very welcome just in terms

59
00:03:56,479 --> 00:04:02,238
of all I'm going to do I'm going to run

60
00:03:58,340 --> 00:04:04,299
you through a talk which I've been

61
00:04:02,239 --> 00:04:07,310
titled tonight secrets of the Welsh

62
00:04:04,299 --> 00:04:10,280
triangle but if any point anyone wants

63
00:04:07,310 --> 00:04:12,408
to stop me and ask any questions please

64
00:04:10,280 --> 00:04:16,009
just put up your hand or shout out

65
00:04:12,408 --> 00:04:18,949
whatever is easiest are you now I should

66
00:04:16,009 --> 00:04:21,259
begin by saying that I'm not really i'm

67
00:04:18,949 --> 00:04:26,930
not a UFO investigator I'm not a

68
00:04:21,259 --> 00:04:29,180
ufologist but I am a storyteller and I

69
00:04:26,930 --> 00:04:35,050
have a story to tell you tonight which

70
00:04:29,180 --> 00:04:38,810
boils down to three main things UFOs

71
00:04:35,050 --> 00:04:41,470
exist there can be no doubt whatsoever

72
00:04:38,810 --> 00:04:45,110
about that they've been photographed

73
00:04:41,470 --> 00:04:46,970
witnessed by many investigated by

74
00:04:45,110 --> 00:04:49,729
hundreds of governments all over the

75
00:04:46,970 --> 00:04:53,120
world the second thing I'd liked you all

76
00:04:49,728 --> 00:04:55,279
please to remember tonight is that UFOs

77
00:04:53,120 --> 00:04:57,829
have an explanation which goes far and

78
00:04:55,279 --> 00:05:01,399
beyond anything to do with military

79
00:04:57,829 --> 00:05:03,918
aircraft or secret military planes or

80
00:05:01,399 --> 00:05:04,969
anything of that nature I don't mean

81
00:05:03,918 --> 00:05:07,219
that to imply that their

82
00:05:04,970 --> 00:05:11,150
extraterrestrial of course that's a

83
00:05:07,220 --> 00:05:12,740
possibility but UFOs have a explanation

84
00:05:11,149 --> 00:05:14,469
which goes far beyond what the

85
00:05:12,740 --> 00:05:16,579
authorities would have you believe and

86

00:05:14,470 --> 00:05:20,479
the third thing I'd like you to please

87
00:05:16,579 --> 00:05:23,259
all to remember tonight and this one is

88
00:05:20,478 --> 00:05:26,418
really very important is that our

89
00:05:23,259 --> 00:05:29,149
governments or agencies within our

90
00:05:26,418 --> 00:05:35,089
governments do not want any of us to

91
00:05:29,149 --> 00:05:38,029
know that fact now I'm aware of this

92
00:05:35,089 --> 00:05:40,279
information not because I have a faith

93
00:05:38,029 --> 00:05:43,359
by that I mean a belief without any

94
00:05:40,279 --> 00:05:45,250
evidence I'm aware of this evidence

95
00:05:43,360 --> 00:05:48,340
I'm aware of this information because I

96
00:05:45,250 --> 00:05:51,279
hold this belief very strongly based on

97
00:05:48,339 --> 00:05:53,348
information that I have been privy to as

98
00:05:51,279 --> 00:05:56,500
I'm sure many of you have also been

99
00:05:53,348 --> 00:06:00,310
privy to and I hold this belief because

100
00:05:56,500 --> 00:06:03,250

many people are an swansea and far

101

00:06:00,310 --> 00:06:06,038

beyond have spoken to me personally

102

00:06:03,250 --> 00:06:10,569

about their experiences and those

103

00:06:06,038 --> 00:06:12,218

experiences informed this book which and

104

00:06:10,569 --> 00:06:15,819

then referred to just there the Watchers

105

00:06:12,218 --> 00:06:19,658

which is a fictional tale based on

106

00:06:15,819 --> 00:06:24,460

reported sightings of ufos in west wales

107

00:06:19,658 --> 00:06:27,668

in 1977 just out of interest by show of

108

00:06:24,459 --> 00:06:32,888

hands how many people here are aware of

109

00:06:27,668 --> 00:06:37,149

those sightings okay very good that'll

110

00:06:32,889 --> 00:06:39,400

make it a bit easier tonight I'm going

111

00:06:37,149 --> 00:06:41,258

to begin by talking a little bit about

112

00:06:39,399 --> 00:06:42,429

how I came to this subject because I

113

00:06:41,259 --> 00:06:48,129

just said to you that I'm not a

114

00:06:42,430 --> 00:06:50,199

ufologist and that's not strictly

115
00:06:48,129 --> 00:06:53,379
accurate in the sense that resemblance

116
00:06:50,199 --> 00:06:55,960
said 2001 I was very actively involved

117
00:06:53,379 --> 00:07:01,389
in investigating this subject but I

118
00:06:55,959 --> 00:07:02,859
didn't come to it from a position of you

119
00:07:01,389 --> 00:07:04,900
know simply looking out there for

120
00:07:02,860 --> 00:07:06,310
information on UFOs I actually came to

121
00:07:04,899 --> 00:07:08,500
it because I was really really

122
00:07:06,310 --> 00:07:10,060
interested in stories and there were two

123
00:07:08,500 --> 00:07:12,728
things that happened that got me

124
00:07:10,060 --> 00:07:15,310
interested in in the wider stories of

125
00:07:12,728 --> 00:07:18,310
UFOs the first was my mum's in the room

126
00:07:15,310 --> 00:07:21,490
my mum and I were in in a bookshop in

127
00:07:18,310 --> 00:07:23,468
st. Helens Road and there was a lady in

128
00:07:21,490 --> 00:07:25,329
there who was practicing the art of

129
00:07:23,468 --> 00:07:26,740
dowsing over a map when we walked in

130
00:07:25,329 --> 00:07:28,478
like that's very interesting what are

131
00:07:26,740 --> 00:07:30,550
you doing is she said I'm trying to find

132
00:07:28,478 --> 00:07:32,740
somewhere for us to move our bookshop to

133
00:07:30,550 --> 00:07:36,129
and she said the crystals going to tell

134
00:07:32,740 --> 00:07:37,870
us where to go and I said right a mum

135
00:07:36,129 --> 00:07:39,849
sort of looked at me as if to say what

136
00:07:37,870 --> 00:07:42,250
it is just going to move her business to

137
00:07:39,848 --> 00:07:44,949
go somewhere else based on a crystal

138
00:07:42,250 --> 00:07:46,838
anyway I found out the spot at the back

139
00:07:44,949 --> 00:07:50,770
of the book shop which was to do with

140
00:07:46,838 --> 00:07:52,478
UFOs and I was flicking through flicking

141
00:07:50,769 --> 00:07:56,479
through a book and the lady behind the

142
00:07:52,478 --> 00:07:59,899
counter said to me if you are interested

143

00:07:56,480 --> 00:08:02,060
in UFOs you ought to look at what the

144
00:07:59,899 --> 00:08:07,519
kids school what the kids saw Dan in

145
00:08:02,060 --> 00:08:09,620
broad haven in 1940's in 1977 and I I'd

146
00:08:07,519 --> 00:08:12,949
never heard anything happening down in

147
00:08:09,620 --> 00:08:17,540
pembrokeshire in 1977 but it lodged

148
00:08:12,949 --> 00:08:20,329
somewhere in my mind and then separately

149
00:08:17,540 --> 00:08:22,340
I was had it was fortunate enough to

150
00:08:20,329 --> 00:08:25,370
have a wonderful teacher in school who

151
00:08:22,339 --> 00:08:28,159
she'd told me about the day that some

152
00:08:25,370 --> 00:08:30,829
some boys I grew up in bishopston with

153
00:08:28,160 --> 00:08:34,430
some boys living in bishopston had seen

154
00:08:30,829 --> 00:08:37,220
what they thought was a UFO on the

155
00:08:34,429 --> 00:08:38,629
ground and I said what do you mean just

156
00:08:37,220 --> 00:08:41,389
in the middle of the day to sitting

157
00:08:38,629 --> 00:08:45,379

there and she said to me they saw a

158

00:08:41,389 --> 00:08:47,600

landed object on the ground and their

159

00:08:45,379 --> 00:08:51,169

father one of their fathers was the

160

00:08:47,600 --> 00:08:55,970

Reverend bishopston and he was very

161

00:08:51,169 --> 00:08:58,669

shaken by what his son had seen well

162

00:08:55,970 --> 00:09:02,600

then I was that's the story that hooked

163

00:08:58,669 --> 00:09:04,490

me actually so I went away and I did

164

00:09:02,600 --> 00:09:07,899

some research I actually went to the

165

00:09:04,490 --> 00:09:11,210

library and flit through flicked through

166

00:09:07,899 --> 00:09:13,399

newspaper reports I also did something

167

00:09:11,210 --> 00:09:15,620

else I went and found the boys today I

168

00:09:13,399 --> 00:09:19,360

found one of them I found Andrew Everson

169

00:09:15,620 --> 00:09:22,340

the lives we did live in the males and

170

00:09:19,360 --> 00:09:26,450

Andrew broke kindly welcome me into his

171

00:09:22,340 --> 00:09:29,360

home and sat down with me and the story

172
00:09:26,450 --> 00:09:31,750
he told me was this on a summer's day

173
00:09:29,360 --> 00:09:34,580
and i believe it was nineteen

174
00:09:31,750 --> 00:09:36,019
seventy-seven it might have been a year

175
00:09:34,580 --> 00:09:37,639
or two either side of that yeah well

176
00:09:36,019 --> 00:09:39,919
stirred lastly the summer holidays right

177
00:09:37,639 --> 00:09:42,529
last day at the summer holidays nice

178
00:09:39,919 --> 00:09:45,409
nose stop running last day of the summer

179
00:09:42,529 --> 00:09:49,069
holidays they lived actually very near

180
00:09:45,409 --> 00:09:50,659
to where the which was done a where

181
00:09:49,070 --> 00:09:52,550
northway court is now ready from

182
00:09:50,659 --> 00:09:55,309
bishopston but the farmer's field was

183
00:09:52,549 --> 00:09:56,539
Jason to the main road and Andrew and

184
00:09:55,309 --> 00:09:58,969
his friends were picking blackberries

185
00:09:56,539 --> 00:10:01,699
and the hill but you have to imagine us

186
00:09:58,970 --> 00:10:03,769
of sloping sloping hill they were coming

187
00:10:01,700 --> 00:10:05,810
down the hill and they turned and lace

188
00:10:03,769 --> 00:10:09,000
all right at the bottom of the field a

189
00:10:05,809 --> 00:10:11,189
cigar-shaped object which for

190
00:10:09,000 --> 00:10:14,759
to use his words the size of a single

191
00:10:11,190 --> 00:10:18,420
decker bus with a surface like brushed

192
00:10:14,759 --> 00:10:21,629
aluminium and a small dome on top maybe

193
00:10:18,419 --> 00:10:24,029
a flashing light and he said we stood

194
00:10:21,629 --> 00:10:27,240
there and we looked at this object and

195
00:10:24,029 --> 00:10:29,429
we ramp and we ran back and they told

196
00:10:27,240 --> 00:10:33,450
his father who was initially very very

197
00:10:29,429 --> 00:10:36,269
skeptical until of course they returned

198
00:10:33,450 --> 00:10:40,620
to the spot and what did they find there

199
00:10:36,269 --> 00:10:43,019
but a big burn mark now if anyone has

200

00:10:40,620 --> 00:10:46,740
seen the original picture in the Evening

201
00:10:43,019 --> 00:10:49,409
Post that they took sure enough you can

202
00:10:46,740 --> 00:10:51,120
see there is Mark it doesn't look to me

203
00:10:49,409 --> 00:10:52,829
like a burn mark but it looks there was

204
00:10:51,120 --> 00:10:58,080
a mark on the ground and the two boys of

205
00:10:52,830 --> 00:11:00,240
crouching there on it and I spoke to the

206
00:10:58,080 --> 00:11:04,920
farmer who are trapped down at that time

207
00:11:00,240 --> 00:11:09,240
lived in merton village & the farmer

208
00:11:04,919 --> 00:11:11,639
confirmed to me that he had absolutely

209
00:11:09,240 --> 00:11:15,779
no idea what could have caused this mark

210
00:11:11,639 --> 00:11:17,429
and that he thought there was a me he

211
00:11:15,779 --> 00:11:20,009
said he was very skeptical at the time

212
00:11:17,429 --> 00:11:23,250
but he said I have not been able to

213
00:11:20,009 --> 00:11:25,200
explain what they saw and it to him it

214
00:11:23,250 --> 00:11:27,539

was still a mystery and to Andrew

215

00:11:25,200 --> 00:11:29,339

Everson it was still a mystery and one

216

00:11:27,539 --> 00:11:34,588

thing that was a mystery to me which he

217

00:11:29,339 --> 00:11:37,680

said and lodged in my mind was that some

218

00:11:34,589 --> 00:11:41,210

men came and asked us some questions I

219

00:11:37,679 --> 00:11:44,309

almost remember he said that to me and

220

00:11:41,210 --> 00:11:47,550

he didn't imply they were government men

221

00:11:44,309 --> 00:11:48,629

he thought about going to America he

222

00:11:47,549 --> 00:11:49,919

said there were some people who would

223

00:11:48,629 --> 00:11:51,899

come in asking but was all very vague

224

00:11:49,919 --> 00:11:53,399

but I just like you to remember that

225

00:11:51,899 --> 00:11:55,829

because it's important for what I'm

226

00:11:53,399 --> 00:11:58,129

going to come on to talk to in a little

227

00:11:55,830 --> 00:11:58,129

bit

228

00:11:59,019 --> 00:12:06,019

after moving away from swansea when i

229
00:12:03,169 --> 00:12:07,729
was at university I spoke to I became

230
00:12:06,019 --> 00:12:09,919
aware of a woman who became a good

231
00:12:07,730 --> 00:12:12,230
friend of mine who I'm afraid it's no

232
00:12:09,919 --> 00:12:15,349
longer with us his name is Georgina

233
00:12:12,230 --> 00:12:17,659
Bruni Georgina Bruni as many of you will

234
00:12:15,350 --> 00:12:20,899
know wrote a book called you can't tell

235
00:12:17,659 --> 00:12:24,860
the people and the the origin of that

236
00:12:20,899 --> 00:12:27,019
title came from a dinner party that she

237
00:12:24,860 --> 00:12:29,269
was attending at which Margaret Thatcher

238
00:12:27,019 --> 00:12:30,710
was sitting next to her and you've met

239
00:12:29,269 --> 00:12:34,189
sure many of you have heard this story

240
00:12:30,710 --> 00:12:36,710
and she got onto the subject of UFOs and

241
00:12:34,190 --> 00:12:39,950
the rendlesham forest incident and of

242
00:12:36,710 --> 00:12:43,430
course Margaret Thatcher turned to her

243
00:12:39,950 --> 00:12:46,009
and said UFOs quote you must have your

244
00:12:43,429 --> 00:12:48,829
facts and you cannot tell the people

245
00:12:46,009 --> 00:12:52,909
well afterwards Georgina and I stayed in

246
00:12:48,830 --> 00:12:54,650
touch for some time and again as I said

247
00:12:52,909 --> 00:12:57,049
it's a great shame that she died so

248
00:12:54,649 --> 00:12:58,639
young but I do believe that my Georgina

249
00:12:57,049 --> 00:13:01,219
Bruni's book on the rendlesham forest

250
00:12:58,639 --> 00:13:03,350
incident it's one of the best books you

251
00:13:01,220 --> 00:13:05,120
can read on the subject and that I know

252
00:13:03,350 --> 00:13:07,190
there's a lot of information that she

253
00:13:05,120 --> 00:13:11,090
deliberately left out of that book as

254
00:13:07,190 --> 00:13:15,080
well again which I'll come back to a

255
00:13:11,090 --> 00:13:17,780
little bit later on but my interest was

256
00:13:15,080 --> 00:13:20,600
ignited from this point on and was very

257

00:13:17,779 --> 00:13:24,259
very strong and I have to say what

258
00:13:20,600 --> 00:13:26,360
happened if you go it was after meeting

259
00:13:24,259 --> 00:13:29,659
Georgina that I that I began to think

260
00:13:26,360 --> 00:13:31,370
actually yes maybe maybe there is some

261
00:13:29,659 --> 00:13:33,769
substance in these claims that the

262
00:13:31,370 --> 00:13:36,139
government is not is actually taking

263
00:13:33,769 --> 00:13:41,809
this whole subject more seriously than

264
00:13:36,139 --> 00:13:43,250
any of us might suppose of course we all

265
00:13:41,809 --> 00:13:46,549
know when the modern wave of flying

266
00:13:43,250 --> 00:13:48,710
saucers began which was in 1947 in the

267
00:13:46,549 --> 00:13:51,709
summer when Kenneth Arnold said he saw

268
00:13:48,710 --> 00:13:54,710
his objects which skipped like a source

269
00:13:51,710 --> 00:13:58,509
of wood across water and he told that

270
00:13:54,710 --> 00:13:58,509
story to the press with great glee

271
00:13:58,528 --> 00:14:05,909

and then shortly after that the disc

272

00:14:01,740 --> 00:14:08,698
landed in Roswell New Mexico I think

273

00:14:05,909 --> 00:14:10,259
they can be now no dead that something

274

00:14:08,698 --> 00:14:12,149
came down there which the government

275

00:14:10,259 --> 00:14:14,188
were not prepared to admit to at the

276

00:14:12,149 --> 00:14:16,649
time and I'm not sure how many people in

277

00:14:14,188 --> 00:14:20,370
the room take seriously any of the

278

00:14:16,649 --> 00:14:23,639
government at the US government's recent

279

00:14:20,370 --> 00:14:25,620
explanations for that sighting there's

280

00:14:23,639 --> 00:14:27,990
slightly more credible than the ones

281

00:14:25,620 --> 00:14:30,179
they put out at the time the web balloon

282

00:14:27,990 --> 00:14:34,230
but I said I don't think a great deal

283

00:14:30,179 --> 00:14:38,239
more credible and then of course the

284

00:14:34,230 --> 00:14:40,438
great sightings of 1952 in Washington DC

285

00:14:38,240 --> 00:14:42,930
which were basically mass sightings

286
00:14:40,438 --> 00:14:45,929
where you had a great number of lights

287
00:14:42,929 --> 00:14:48,058
seen over the Capitol building and my

288
00:14:45,929 --> 00:14:49,769
slides were working here I'd be able to

289
00:14:48,058 --> 00:14:52,469
show you this on the slide the

290
00:14:49,769 --> 00:14:55,049
photographs that I have but what was

291
00:14:52,470 --> 00:14:56,759
extremely interesting to me though but

292
00:14:55,049 --> 00:14:59,698
looking back over history over that

293
00:14:56,759 --> 00:15:02,430
period was how our government were

294
00:14:59,698 --> 00:15:05,969
looking at the subject and when I was

295
00:15:02,429 --> 00:15:09,979
doing my research for this book i came

296
00:15:05,970 --> 00:15:12,870
across a memo which is basically a

297
00:15:09,980 --> 00:15:17,278
letter which comes from a member of the

298
00:15:12,870 --> 00:15:19,500
Air Force retired this letter was sent

299
00:15:17,278 --> 00:15:23,578
to the chief of the Air Staff and it

300
00:15:19,500 --> 00:15:25,769
begins dear sir in 1952 I was stationed

301
00:15:23,578 --> 00:15:27,750
in the Far East with the RAF but a

302
00:15:25,769 --> 00:15:30,269
particularly large an important base and

303
00:15:27,750 --> 00:15:32,549
during one flying summers day with not a

304
00:15:30,269 --> 00:15:35,549
cloud in sight nor any aircraft about

305
00:15:32,549 --> 00:15:37,979
Orville un's or flares suddenly and in

306
00:15:35,549 --> 00:15:39,870
full view of everyone on the base we

307
00:15:37,980 --> 00:15:43,678
were deliberately buzzed by a large

308
00:15:39,870 --> 00:15:46,558
flying disc which glowed red on the

309
00:15:43,678 --> 00:15:50,159
trailing edge as it made several passes

310
00:15:46,558 --> 00:15:55,110
over our place which house are vampire a

311
00:15:50,159 --> 00:15:57,860
meteor aircraft I go he goes on it made

312
00:15:55,110 --> 00:16:00,720
a loud buzzing sound as it shot about

313
00:15:57,860 --> 00:16:03,688
the disk was in the area for about three

314

00:16:00,720 --> 00:16:06,329
minutes before it shot straight up to

315
00:16:03,688 --> 00:16:10,849
the zenith at a speed our radar chaps

316
00:16:06,328 --> 00:16:14,088
estimated to be about 600 knots

317
00:16:10,850 --> 00:16:17,990
we were told not to write home about it

318
00:16:14,089 --> 00:16:19,940
or to talk about it to outsiders but we

319
00:16:17,990 --> 00:16:23,720
were all well aware that we had seen

320
00:16:19,940 --> 00:16:25,940
something of great importance and that

321
00:16:23,720 --> 00:16:28,069
governments are aware that these things

322
00:16:25,940 --> 00:16:31,279
are not coming from out of space other

323
00:16:28,068 --> 00:16:37,039
galaxies either but somewhere else quote

324
00:16:31,278 --> 00:16:39,318
another place anyway he finishes and

325
00:16:37,039 --> 00:16:41,778
says can you please tell me who decides

326
00:16:39,318 --> 00:16:45,729
an emod there is no danger to our

327
00:16:41,778 --> 00:16:50,240
defenses and how do you investigate it

328
00:16:45,730 --> 00:16:52,430

who indeed well of course that question

329

00:16:50,240 --> 00:16:56,480

as to where these things come from kept

330

00:16:52,429 --> 00:16:58,219

being asked and the same year Winston

331

00:16:56,480 --> 00:16:59,300

Churchill sent his famous memo what does

332

00:16:58,220 --> 00:17:01,220

all this stuff about flying saucers

333

00:16:59,299 --> 00:17:03,708

amount to what could it mean what is the

334

00:17:01,220 --> 00:17:05,360

truth somebody let me have a report and

335

00:17:03,708 --> 00:17:08,269

indeed they did and they all know I

336

00:17:05,359 --> 00:17:12,979

assume most of you know that he was

337

00:17:08,269 --> 00:17:15,078

basically fobbed off by the mo d well

338

00:17:12,980 --> 00:17:17,179

then we're lucky because there were

339

00:17:15,078 --> 00:17:20,918

people in the defense establishment who

340

00:17:17,179 --> 00:17:24,470

weren't prepared to be fobbed off and

341

00:17:20,919 --> 00:17:26,839

the admiral of the feet is one of those

342

00:17:24,470 --> 00:17:30,558

people led great Britain the brick

343
00:17:26,838 --> 00:17:32,599
battle of britain at the time and as

344
00:17:30,558 --> 00:17:34,849
we're all aware went on record was a

345
00:17:32,599 --> 00:17:36,529
very very impressive UFO sighting and

346
00:17:34,849 --> 00:17:39,230
indeed until the day he died was

347
00:17:36,529 --> 00:17:40,759
assisting Georgina Bruni in looking into

348
00:17:39,230 --> 00:17:44,659
the incidents around the Rendlesham

349
00:17:40,759 --> 00:17:46,579
forest of December 1980 that case is

350
00:17:44,659 --> 00:17:50,750
when I'm just assuming most of you are

351
00:17:46,579 --> 00:17:52,939
here are very well aware of how many of

352
00:17:50,750 --> 00:17:57,679
you have heard of the of the condign

353
00:17:52,940 --> 00:18:01,038
report but from the mo d yes so it's

354
00:17:57,679 --> 00:18:05,360
worth reflecting that although the mr

355
00:18:01,038 --> 00:18:08,240
deburr very very happy to not talk about

356
00:18:05,359 --> 00:18:11,359
the december 1980 incident in Rendlesham

357
00:18:08,240 --> 00:18:14,210
forest where craft apparently landed in

358
00:18:11,359 --> 00:18:16,879
the woods next to the twin air bases raf

359
00:18:14,210 --> 00:18:18,909
woodbridge and RAF Bentwaters it's worth

360
00:18:16,880 --> 00:18:21,980
noting that the MRD were quite happy to

361
00:18:18,909 --> 00:18:25,669
sweep all this under the carpet

362
00:18:21,980 --> 00:18:29,298
but Nick Pope and many other researchers

363
00:18:25,669 --> 00:18:31,100
in the field have since spoken to this

364
00:18:29,298 --> 00:18:33,619
very insightful document which was

365
00:18:31,099 --> 00:18:36,409
entitled unidentified aerial phenomena

366
00:18:33,619 --> 00:18:38,389
in the UK this is now in the public

367
00:18:36,410 --> 00:18:42,190
domain by the way and all of you can go

368
00:18:38,390 --> 00:18:44,990
and look it up this Declassified report

369
00:18:42,190 --> 00:18:48,850
which was conducted by Britain's Defence

370
00:18:44,990 --> 00:18:52,099
Intelligence staff concludes the uap

371

00:18:48,849 --> 00:18:54,409
unidentified aerial phenomena do exist

372
00:18:52,099 --> 00:18:58,459
it concludes that that's indisputable

373
00:18:54,410 --> 00:19:00,650
and that these crafts clearly sorry it

374
00:18:58,460 --> 00:19:02,870
doesn't use the word craft but and that

375
00:19:00,650 --> 00:19:05,240
these phenomena clearly exhibit

376
00:19:02,869 --> 00:19:07,879
characteristics that are quote well

377
00:19:05,240 --> 00:19:10,849
beyond any of those aircraft at any

378
00:19:07,880 --> 00:19:12,919
aircraft or missile now what's

379
00:19:10,849 --> 00:19:14,269
interesting about this report there are

380
00:19:12,919 --> 00:19:17,570
three things interesting about it the

381
00:19:14,269 --> 00:19:20,450
first is that it's classified UK secret

382
00:19:17,569 --> 00:19:23,509
eyes only so if there's nothing in the

383
00:19:20,450 --> 00:19:26,990
UFO phenomenon why as our government

384
00:19:23,509 --> 00:19:29,298
creating reports entitled on the subject

385
00:19:26,990 --> 00:19:31,308

incorrect in tap entitled UK secret eyes

386

00:19:29,298 --> 00:19:34,099

only the second interesting thing about

387

00:19:31,308 --> 00:19:37,460

it is that there were only 11 copies of

388

00:19:34,099 --> 00:19:38,869

it made which implies that it was a

389

00:19:37,460 --> 00:19:41,720

document considered to be of some

390

00:19:38,869 --> 00:19:43,759

sensitivity and the third most important

391

00:19:41,720 --> 00:19:48,169

thing about it is that it was conducted

392

00:19:43,759 --> 00:19:52,160

by the Defence Intelligence staff all of

393

00:19:48,169 --> 00:19:55,610

these things have implications I think

394

00:19:52,160 --> 00:19:57,320

that point to the conclusion i outlined

395

00:19:55,609 --> 00:19:59,418

at the beginning which is that our

396

00:19:57,319 --> 00:20:02,058

government take this subject far more

397

00:19:59,419 --> 00:20:07,400

seriously than they are willing to admit

398

00:20:02,058 --> 00:20:11,928

to on the face of it and i have to tell

399

00:20:07,400 --> 00:20:17,210

you when i became aware of the sightings

400
00:20:11,929 --> 00:20:22,100
in west wales of 1977 a question at the

401
00:20:17,210 --> 00:20:24,380
top of my mind was how seriously did the

402
00:20:22,099 --> 00:20:26,149
military and the government take those

403
00:20:24,380 --> 00:20:28,580
sightings

404
00:20:26,150 --> 00:20:31,460
because those sightings which occurred

405
00:20:28,579 --> 00:20:35,240
throughout the winter at 77 and into the

406
00:20:31,460 --> 00:20:38,480
summer occurred within an extremely

407
00:20:35,240 --> 00:20:41,990
sensitive geographical area militarily

408
00:20:38,480 --> 00:20:44,630
speaking not only did they occur within

409
00:20:41,990 --> 00:20:48,650
close proximity to a missile testing

410
00:20:44,630 --> 00:20:51,470
range and to a very secret US Naval

411
00:20:48,650 --> 00:20:54,710
Station positioned on the parameters of

412
00:20:51,470 --> 00:21:01,250
the RAF braudy overlooking st. bride's

413
00:20:54,710 --> 00:21:04,309
Bay but they occurred within a pretty

414
00:21:01,250 --> 00:21:07,460
populated area this community would have

415
00:21:04,309 --> 00:21:09,339
something to worry about if they thought

416
00:21:07,460 --> 00:21:12,440
that there were secret military aircraft

417
00:21:09,339 --> 00:21:14,689
being tested and possibly landed in

418
00:21:12,440 --> 00:21:16,430
their fields and pestilences many of the

419
00:21:14,690 --> 00:21:23,000
many of the witnesses living in that

420
00:21:16,430 --> 00:21:24,980
area claimed to see so I was interested

421
00:21:23,000 --> 00:21:32,200
to what extent they took those sightings

422
00:21:24,980 --> 00:21:32,200
seriously I'll touch upon one sighting
