

1  
00:00:02,560 --> 00:00:28,049  
I have followed over the years

2  
00:01:43,200 --> 00:01:46,200  
yeah

3  
00:01:49,269 --> 00:01:52,969  
tonight we have the personal accompanied

4  
00:01:51,319 --> 00:01:55,129  
of neil spring who's come a long way

5  
00:01:52,969 --> 00:01:57,250  
from London he's from Swansea but he's

6  
00:01:55,129 --> 00:02:00,140  
made a special trip tonight to see us

7  
00:01:57,250 --> 00:02:02,680  
and he's gonna give us a talk on the

8  
00:02:00,140 --> 00:02:06,920  
Welsh triangle which has been dumped

9  
00:02:02,680 --> 00:02:10,939  
in 1977 was a spate of sightings in the

10  
00:02:06,920 --> 00:02:14,000  
Pembrokeshire area there will be a Q&A

11  
00:02:10,939 --> 00:02:17,650  
at the end and Neil's bought his book

12  
00:02:14,000 --> 00:02:17,650  
here I've been one of the other copies

13  
00:02:19,539 --> 00:02:26,000  
there in Waterstones and online be there

14  
00:02:23,449 --> 00:02:28,759  
basically Neil started off when he was

15  
00:02:26,000 --> 00:02:31,280  
in school in Bishop's done get an

16  
00:02:28,759 --> 00:02:34,909  
interest in UFOs and took upon himself

17  
00:02:31,280 --> 00:02:38,479  
to investigate locally the cycling is

18  
00:02:34,909 --> 00:02:40,340  
going on and thank you then went away to

19  
00:02:38,479 --> 00:02:43,568  
University in Oxford I believe yeah yeah

20  
00:02:40,340 --> 00:02:46,519  
they started a group called glueball

21  
00:02:43,568 --> 00:02:49,818  
yeah the group was called open minds

22  
00:02:46,519 --> 00:02:51,469  
open - yeah and he carried on with his

23  
00:02:49,818 --> 00:02:55,719  
work there he did write to cracking

24  
00:02:51,469 --> 00:02:58,310  
articles for UFO magazine in 2001 about

25  
00:02:55,719 --> 00:03:01,250  
Spectre psyched and seen on the night in

26  
00:02:58,310 --> 00:03:03,199  
1998 in the Swansea area if you managed

27  
00:03:01,250 --> 00:03:06,500  
to get copies of it it's well worth the

28  
00:03:03,199 --> 00:03:09,639  
read he then went on to become a

29

00:03:06,500 --> 00:03:12,829  
novelist ebook and these were written a

30  
00:03:09,639 --> 00:03:15,169  
novel called the ghost hunters I was the

31  
00:03:12,829 --> 00:03:18,439  
first one is it Gary price Mary price

32  
00:03:15,169 --> 00:03:20,958  
how deep a ghost hunter and latterly the

33  
00:03:18,439 --> 00:03:25,549  
Watchers which is being a doublet of TV

34  
00:03:20,959 --> 00:03:27,650  
ELISA so he's a talented guy with a

35  
00:03:25,549 --> 00:03:30,349  
background in UFOs and a lot of

36  
00:03:27,650 --> 00:03:33,400  
knowledge so you put your hand together

37  
00:03:30,349 --> 00:03:33,400  
given the other good welcome

38  
00:03:37,340 --> 00:03:41,189  
right well good evening ladies and

39  
00:03:39,719 --> 00:03:42,900  
gentleman make sure you can all hear me

40  
00:03:41,189 --> 00:03:44,729  
at the back yeah that's all right

41  
00:03:42,900 --> 00:03:47,700  
good well firstly thank you very much

42  
00:03:44,729 --> 00:03:49,439  
Ellen into the whole UFO sponser UFO

43  
00:03:47,699 --> 00:03:51,929

network for having me here tonight it's

44

00:03:49,439 --> 00:03:56,370

a pleasure to see so many of you here

45

00:03:51,930 --> 00:03:58,379

and I feel very very welcome just in

46

00:03:56,370 --> 00:04:02,550

terms of all I'm gonna do I'm gonna run

47

00:03:58,379 --> 00:04:03,269

you through a talk which I've entitled

48

00:04:02,550 --> 00:04:06,450

tonight

49

00:04:03,270 --> 00:04:08,520

secrets of the Welsh triangle but if any

50

00:04:06,449 --> 00:04:11,039

point anyone wants to stop me and ask

51

00:04:08,520 --> 00:04:13,469

any questions please just put up your

52

00:04:11,039 --> 00:04:17,189

hand or shout out whatever is easiest

53

00:04:13,469 --> 00:04:19,488

for you now I should begin by saying

54

00:04:17,189 --> 00:04:20,670

that I'm not really I'm not a UFO

55

00:04:19,488 --> 00:04:24,419

investigator

56

00:04:20,670 --> 00:04:28,020

I'm not a ufologist but I am a

57

00:04:24,420 --> 00:04:30,360

storyteller and I have a story to tell

58  
00:04:28,019 --> 00:04:37,799  
you tonight which rolls down to three

59  
00:04:30,360 --> 00:04:40,710  
main things UFOs exist there can be no

60  
00:04:37,800 --> 00:04:43,970  
doubt whatsoever about that they've been

61  
00:04:40,709 --> 00:04:46,349  
photographed witnessed by many

62  
00:04:43,970 --> 00:04:49,050  
investigated by hundreds of governments

63  
00:04:46,350 --> 00:04:50,580  
all over the world the second thing I'd

64  
00:04:49,050 --> 00:04:53,970  
like to you all please to remember

65  
00:04:50,579 --> 00:04:56,969  
tonight is that UFOs have an explanation

66  
00:04:53,970 --> 00:04:59,580  
which goes far beyond anything to do

67  
00:04:56,970 --> 00:05:01,890  
with military aircraft or secret

68  
00:04:59,579 --> 00:05:04,620  
military planes or anything of that

69  
00:05:01,889 --> 00:05:06,990  
nature I don't mean that to imply that

70  
00:05:04,620 --> 00:05:10,189  
they're extraterrestrial of course

71  
00:05:06,990 --> 00:05:12,660  
that's a possibility but UFOs have a

72  
00:05:10,189 --> 00:05:14,040  
explanation which goes far beyond what

73  
00:05:12,660 --> 00:05:16,470  
the authorities would have you believe

74  
00:05:14,040 --> 00:05:20,189  
and the third thing I'd like you to

75  
00:05:16,470 --> 00:05:23,490  
please all to remember tonight and this

76  
00:05:20,189 --> 00:05:26,459  
one is really very important is that our

77  
00:05:23,490 --> 00:05:29,668  
governments or agencies within our

78  
00:05:26,459 --> 00:05:32,539  
governments do not want any of us to

79  
00:05:29,668 --> 00:05:36,949  
know that fact

80  
00:05:32,540 --> 00:05:39,379  
now I'm aware of this information not

81  
00:05:36,949 --> 00:05:42,469  
because I have a faith by that I mean a

82  
00:05:39,379 --> 00:05:44,060  
belief without any evidence I'm aware of

83  
00:05:42,470 --> 00:05:46,100  
this evidence I'm aware of this

84  
00:05:44,060 --> 00:05:49,220  
information because I hold this belief

85  
00:05:46,100 --> 00:05:52,010  
very strongly based on information that

86

00:05:49,220 --> 00:05:55,130  
I have been privy to as I'm sure many of

87  
00:05:52,009 --> 00:05:58,430  
you have also been privy to and I hold

88  
00:05:55,129 --> 00:06:02,930  
this belief because many people around

89  
00:05:58,430 --> 00:06:05,540  
Swansea and far beyond have spoken to me

90  
00:06:02,930 --> 00:06:09,340  
personally about their experiences and

91  
00:06:05,540 --> 00:06:11,629  
those experiences informed this book

92  
00:06:09,339 --> 00:06:14,689  
which emmalin referred to just they're

93  
00:06:11,629 --> 00:06:19,040  
the Watchers which is a fictional tale

94  
00:06:14,689 --> 00:06:23,300  
based on reported sightings of UFOs in

95  
00:06:19,040 --> 00:06:25,939  
West Wales in 1977 just out of interest

96  
00:06:23,300 --> 00:06:31,220  
by show of hands how many people here

97  
00:06:25,939 --> 00:06:33,620  
are aware of those sightings ok very

98  
00:06:31,220 --> 00:06:38,930  
good that'll make it a bit easier

99  
00:06:33,620 --> 00:06:40,370  
tonight I'm gonna begin by talking a

100  
00:06:38,930 --> 00:06:42,050

little bit about how I came to this

101

00:06:40,370 --> 00:06:47,600

subject because I just said to you that

102

00:06:42,050 --> 00:06:50,030

I'm not a ufologist and that's not

103

00:06:47,600 --> 00:06:52,850

strictly accurate in the sense that as

104

00:06:50,029 --> 00:06:55,369

Emlyn said 2001 I was very actively

105

00:06:52,850 --> 00:06:59,500

involved in in investigating this

106

00:06:55,370 --> 00:07:02,449

subject but I didn't come to it from a

107

00:06:59,500 --> 00:07:04,610

position of you know simply looking out

108

00:07:02,449 --> 00:07:06,289

there for information on UFOs I actually

109

00:07:04,610 --> 00:07:08,509

came to it because I was really really

110

00:07:06,290 --> 00:07:10,100

interested in stories and there were two

111

00:07:08,509 --> 00:07:12,649

things that happened that got me

112

00:07:10,100 --> 00:07:15,320

interested in in the why the stories of

113

00:07:12,649 --> 00:07:18,379

UFOs the first was my mum's in the room

114

00:07:15,319 --> 00:07:21,529

my mum and I were in in a bookshop in

115  
00:07:18,379 --> 00:07:23,480  
st. Helens Road and there was a lady in

116  
00:07:21,529 --> 00:07:25,369  
there who was practicing the art of

117  
00:07:23,480 --> 00:07:26,750  
dowsing over a map when we walked in

118  
00:07:25,370 --> 00:07:28,220  
like that's very interesting what are

119  
00:07:26,750 --> 00:07:29,930  
you doing and she said well I'm trying

120  
00:07:28,220 --> 00:07:32,360  
to find somewhere for us to move our

121  
00:07:29,930 --> 00:07:34,579  
bookshop to and she said the crystals

122  
00:07:32,360 --> 00:07:36,889  
gonna tell us where to go

123  
00:07:34,579 --> 00:07:38,990  
and I said right a mum sort of looked at

124  
00:07:36,889 --> 00:07:40,759  
me as if to say what it's just gonna

125  
00:07:38,990 --> 00:07:44,629  
move her business to go somewhere else

126  
00:07:40,759 --> 00:07:46,370  
based on a crystal anyway I found a spot

127  
00:07:44,629 --> 00:07:49,610  
at the back of the book shop which was

128  
00:07:46,370 --> 00:07:51,889  
to do with UFOs and I was flicking

129  
00:07:49,610 --> 00:07:53,660  
through flicking through a book and the

130  
00:07:51,889 --> 00:07:58,430  
lady behind the counter said to me if

131  
00:07:53,660 --> 00:08:01,130  
you are interested in UFOs you ought to

132  
00:07:58,430 --> 00:08:04,009  
look at what the kids school what the

133  
00:08:01,129 --> 00:08:08,719  
kids saw down in brought Haven in 1940s

134  
00:08:04,009 --> 00:08:12,230  
in 1977 and I I've never heard anything

135  
00:08:08,720 --> 00:08:14,690  
happening down in Pembrokeshire in 1977

136  
00:08:12,230 --> 00:08:17,900  
but it lodged somewhere in my mind and

137  
00:08:14,689 --> 00:08:20,569  
then separately

138  
00:08:17,899 --> 00:08:23,179  
I was I was fortunate enough to have a

139  
00:08:20,569 --> 00:08:25,849  
wonderful teacher in school who she'd

140  
00:08:23,180 --> 00:08:28,459  
told me about the day that some some

141  
00:08:25,850 --> 00:08:30,860  
boys I grew up in Bishop stone that some

142  
00:08:28,459 --> 00:08:34,490  
boys living in Bishop stone had seen

143

00:08:30,860 --> 00:08:37,250  
what they thought was a UFO on the

144  
00:08:34,490 --> 00:08:38,659  
ground and I said what do you mean just

145  
00:08:37,250 --> 00:08:41,419  
in the middle of the day just sitting

146  
00:08:38,659 --> 00:08:45,409  
there and she said to me they saw a

147  
00:08:41,419 --> 00:08:47,629  
landed object on the ground and their

148  
00:08:45,409 --> 00:08:51,199  
father one of their fathers was the

149  
00:08:47,629 --> 00:08:56,000  
Reverend Bishop stone and he was very

150  
00:08:51,200 --> 00:08:58,700  
shaken by what his son had seen well

151  
00:08:56,000 --> 00:09:02,629  
then I was that's the story that hooked

152  
00:08:58,700 --> 00:09:04,520  
me actually so I went away and I did

153  
00:09:02,629 --> 00:09:07,960  
some research I actually went to the

154  
00:09:04,519 --> 00:09:11,179  
library and flipped through and through

155  
00:09:07,960 --> 00:09:13,400  
newspaper reports I also did something

156  
00:09:11,179 --> 00:09:15,649  
else I went and found the boys today I

157  
00:09:13,399 --> 00:09:16,819

found one of them I found Andrew Everson

158

00:09:15,649 --> 00:09:20,389  
who lives

159

00:09:16,820 --> 00:09:22,580  
we did live in the mails and Andrew

160

00:09:20,389 --> 00:09:25,519  
Breault kindly welcomed me into his home

161

00:09:22,580 --> 00:09:28,940  
and sat down with me

162

00:09:25,519 --> 00:09:33,860  
and the story he told me was this on a

163

00:09:28,940 --> 00:09:35,090  
Sunnis day and I believe it was 1977 but

164

00:09:33,860 --> 00:09:36,620  
it might have been a year or two either

165

00:09:35,090 --> 00:09:38,090  
side of that yeah well so there's lastly

166

00:09:36,620 --> 00:09:42,019  
the summer holidays right the last day

167

00:09:38,090 --> 00:09:43,960  
the summer holidays nice no sister last

168

00:09:42,019 --> 00:09:46,409  
day of the summer holidays they lived

169

00:09:43,960 --> 00:09:50,399  
actually very near to where in the

170

00:09:46,409 --> 00:09:52,588  
just where North Way Court is now ready

171

00:09:50,399 --> 00:09:55,350  
in bishops turn the farmers field was

172  
00:09:52,589 --> 00:09:56,579  
adjacent to the main road and Andrew and

173  
00:09:55,350 --> 00:09:58,949  
his friends were picking blackberries

174  
00:09:56,578 --> 00:10:01,469  
and the hill but you have to imagine a

175  
00:09:58,948 --> 00:10:03,688  
sort of sloping sloping hill they were

176  
00:10:01,470 --> 00:10:05,160  
coming down the hill and they turned and

177  
00:10:03,688 --> 00:10:09,299  
they saw right at the bottom of the

178  
00:10:05,159 --> 00:10:11,100  
field a cigar-shaped object which was to

179  
00:10:09,299 --> 00:10:14,818  
use his words the size of the single

180  
00:10:11,100 --> 00:10:18,449  
decker bus with the surface like brushed

181  
00:10:14,818 --> 00:10:21,659  
aluminium and a small dome on top maybe

182  
00:10:18,448 --> 00:10:24,059  
a flashing light and he said we stood

183  
00:10:21,659 --> 00:10:27,448  
there when we looked at this object and

184  
00:10:24,059 --> 00:10:29,458  
we ran and he ran back and they told his

185  
00:10:27,448 --> 00:10:33,479  
father who was initially very very

186  
00:10:29,458 --> 00:10:36,299  
skeptical until of course they returned

187  
00:10:33,480 --> 00:10:40,649  
to the spot and what did they find there

188  
00:10:36,299 --> 00:10:43,049  
but a big burn mark now if anyone has

189  
00:10:40,649 --> 00:10:46,679  
seen the original picture in the Evening

190  
00:10:43,049 --> 00:10:49,438  
Post that they took sure enough you can

191  
00:10:46,679 --> 00:10:51,149  
see there is mark it doesn't look to me

192  
00:10:49,438 --> 00:10:52,649  
like a burn mark but it looks there was

193  
00:10:51,149 --> 00:10:58,019  
a mark on the ground and the two boys

194  
00:10:52,649 --> 00:11:00,000  
are crouching there on it and I spoke to

195  
00:10:58,019 --> 00:11:04,740  
the farmer who are trapped down at that

196  
00:11:00,000 --> 00:11:08,100  
time lived in Merton village and the

197  
00:11:04,740 --> 00:11:10,769  
farmer confirmed to me that he had

198  
00:11:08,100 --> 00:11:14,399  
absolutely no idea what could have

199  
00:11:10,769 --> 00:11:16,409  
caused this mark and that he thought

200

00:11:14,399 --> 00:11:18,750  
there was a me he said he was very

201  
00:11:16,409 --> 00:11:22,139  
skeptical at the time but he said I have

202  
00:11:18,750 --> 00:11:24,240  
not been able to explain what they saw

203  
00:11:22,139 --> 00:11:26,459  
and it to him it was still a mystery

204  
00:11:24,240 --> 00:11:28,589  
and to Andrew Everson it was still a

205  
00:11:26,458 --> 00:11:30,688  
mystery and one thing that was a mystery

206  
00:11:28,589 --> 00:11:36,660  
to me which he said and lodged in my

207  
00:11:30,688 --> 00:11:37,500  
mind was that some men came and asked us

208  
00:11:36,659 --> 00:11:41,240  
some questions

209  
00:11:37,500 --> 00:11:44,339  
I always remember he said that to me and

210  
00:11:41,240 --> 00:11:47,610  
he didn't imply they were government men

211  
00:11:44,339 --> 00:11:48,839  
he's thought about going to America he

212  
00:11:47,610 --> 00:11:50,938  
said there was some people who had come

213  
00:11:48,839 --> 00:11:52,259  
an awesome but was all very vague but I

214  
00:11:50,938 --> 00:11:53,698

just like you to remember that because

215

00:11:52,259 --> 00:11:58,009

it's important for what I'm going to

216

00:11:53,698 --> 00:11:58,008

come on to talk to in a little bit

217

00:11:59,059 --> 00:12:06,059

after moving away from Swansea when I

218

00:12:03,179 --> 00:12:07,769

was at university I spoke to I became

219

00:12:06,059 --> 00:12:10,139

aware of a woman who became a good

220

00:12:07,769 --> 00:12:11,129

friend of mine I'm afraid it's no longer

221

00:12:10,139 --> 00:12:13,860

with us

222

00:12:11,129 --> 00:12:14,429

his name is Georgina Bruni Georgina

223

00:12:13,860 --> 00:12:16,680

Bruni

224

00:12:14,429 --> 00:12:19,679

as many of you will know wrote a book

225

00:12:16,679 --> 00:12:23,250

called you can't tell the people and the

226

00:12:19,679 --> 00:12:26,159

the origin of that title came from a

227

00:12:23,250 --> 00:12:27,750

dinner party that she was attending at

228

00:12:26,159 --> 00:12:29,969

which Margaret Thatcher was sitting next

229  
00:12:27,750 --> 00:12:32,340  
to her and you've met and sure many of

230  
00:12:29,970 --> 00:12:34,230  
you have heard this story and she said

231  
00:12:32,340 --> 00:12:36,720  
she got on to the subject of UFOs and

232  
00:12:34,230 --> 00:12:39,990  
the Rendlesham forest incident and of

233  
00:12:36,720 --> 00:12:43,470  
course Margaret Thatcher turned to her

234  
00:12:39,990 --> 00:12:45,889  
and said UFOs quote you must have your

235  
00:12:43,470 --> 00:12:48,870  
facts and you cannot tell the people

236  
00:12:45,889 --> 00:12:52,980  
well afterwards Georgina and I stayed in

237  
00:12:48,870 --> 00:12:54,690  
touch for some time and again as I said

238  
00:12:52,980 --> 00:12:57,090  
it's a great shame that she died so

239  
00:12:54,690 --> 00:12:58,680  
young but I do believe that my Georgina

240  
00:12:57,090 --> 00:13:01,259  
Bruni's book on the Rendlesham forest

241  
00:12:58,679 --> 00:13:03,389  
incident it's one of the best books you

242  
00:13:01,259 --> 00:13:05,189  
can read on the subject and I know

243  
00:13:03,389 --> 00:13:07,230  
there's a lot of information that you've

244  
00:13:05,190 --> 00:13:11,190  
deliberately left out of that book as

245  
00:13:07,230 --> 00:13:15,269  
well again which I'll come back to a

246  
00:13:11,190 --> 00:13:17,820  
little bit later on but my interest was

247  
00:13:15,269 --> 00:13:20,610  
ignited from this point on and was very

248  
00:13:17,820 --> 00:13:24,300  
very strong and I have to say what

249  
00:13:20,610 --> 00:13:26,370  
happened if you go papers after meeting

250  
00:13:24,299 --> 00:13:29,699  
Georgina that I that I began to think

251  
00:13:26,370 --> 00:13:31,409  
actually yes maybe maybe there is some

252  
00:13:29,700 --> 00:13:33,810  
substance in these claims that the

253  
00:13:31,409 --> 00:13:36,750  
government is not is actually taking

254  
00:13:33,809 --> 00:13:41,849  
this whole subject more seriously than

255  
00:13:36,750 --> 00:13:43,289  
any of us might suppose of course we all

256  
00:13:41,850 --> 00:13:46,529  
know when the modern wave of flying

257

00:13:43,289 --> 00:13:48,779  
saucers began which was in 1947 in the

258  
00:13:46,529 --> 00:13:51,750  
summer when Kenneth Arnold said he saw

259  
00:13:48,779 --> 00:13:54,600  
his objects which skipped like a source

260  
00:13:51,750 --> 00:13:58,259  
of wood across water and he told that

261  
00:13:54,600 --> 00:14:01,779  
story to the press with great Glee

262  
00:13:58,259 --> 00:14:05,710  
and then shortly after that the disc

263  
00:14:01,779 --> 00:14:08,049  
landed in Roswell New Mexico I think

264  
00:14:05,710 --> 00:14:10,090  
they could be now no doubt that

265  
00:14:08,049 --> 00:14:11,889  
something came down there which the

266  
00:14:10,090 --> 00:14:13,750  
government were not prepared to admit to

267  
00:14:11,889 --> 00:14:16,600  
at the time and I'm not sure how many

268  
00:14:13,750 --> 00:14:19,409  
people in the room take seriously any of

269  
00:14:16,600 --> 00:14:22,649  
the government's at the US government's

270  
00:14:19,409 --> 00:14:25,480  
recent explanations for that sighting

271  
00:14:22,649 --> 00:14:27,699

they're slightly more credible than the

272

00:14:25,480 --> 00:14:30,190

ones they put out at the time the web

273

00:14:27,700 --> 00:14:33,759

balloon but I said I don't think a great

274

00:14:30,190 --> 00:14:36,670

deal more credible and then of course

275

00:14:33,759 --> 00:14:40,000

the great sightings of 1952 in

276

00:14:36,669 --> 00:14:42,519

Washington DC which were basically mass

277

00:14:40,000 --> 00:14:44,970

sightings where you had a great number

278

00:14:42,519 --> 00:14:47,860

of lights seen over the Capitol building

279

00:14:44,970 --> 00:14:50,080

my slides were working here I'd be able

280

00:14:47,860 --> 00:14:52,480

to show you this on the slide did the

281

00:14:50,080 --> 00:14:55,090

photographs that I have but what was

282

00:14:52,480 --> 00:14:56,800

extremely interesting to me though but

283

00:14:55,090 --> 00:14:59,740

looking back over history over that

284

00:14:56,799 --> 00:15:02,469

period was how our government were

285

00:14:59,740 --> 00:15:06,009

looking at the subject and when I was

286  
00:15:02,470 --> 00:15:10,019  
doing my research for this book I came

287  
00:15:06,009 --> 00:15:13,000  
across a memo which is basically a

288  
00:15:10,019 --> 00:15:17,319  
letter which comes from a member of the

289  
00:15:13,000 --> 00:15:19,539  
Air Force retired this letter was sent

290  
00:15:17,320 --> 00:15:21,190  
to the chief of the air staff and it

291  
00:15:19,539 --> 00:15:24,219  
begins dear sir

292  
00:15:21,190 --> 00:15:26,740  
in 1952 I was stationed in the Far East

293  
00:15:24,220 --> 00:15:28,960  
with the RAF but a particularly large an

294  
00:15:26,740 --> 00:15:30,850  
important base and during one flying

295  
00:15:28,960 --> 00:15:33,490  
summer's day with not a cloud in sight

296  
00:15:30,850 --> 00:15:36,279  
nor any aircraft about or balloons or

297  
00:15:33,490 --> 00:15:38,139  
flares suddenly and in full view of

298  
00:15:36,279 --> 00:15:40,329  
everyone on the base we were

299  
00:15:38,139 --> 00:15:43,990  
deliberately buzzed by a large flying

300  
00:15:40,330 --> 00:15:47,080  
disc which glowed red on the trailing

301  
00:15:43,990 --> 00:15:50,769  
edge as it made several passes over our

302  
00:15:47,080 --> 00:15:55,389  
place which house our vampire a meteor

303  
00:15:50,769 --> 00:15:59,139  
aircraft I go he goes on it made a loud

304  
00:15:55,389 --> 00:16:00,970  
buzzing sound as it shot about the disc

305  
00:15:59,139 --> 00:16:04,210  
was in the area for about three minutes

306  
00:16:00,970 --> 00:16:07,389  
before it shot straight up to the zenith

307  
00:16:04,210 --> 00:16:12,009  
at a speed our radar chaps estimated to

308  
00:16:07,389 --> 00:16:15,039  
be about six hundred knots we were told

309  
00:16:12,009 --> 00:16:18,279  
not to write home about it or to talk

310  
00:16:15,039 --> 00:16:20,829  
about it to outsiders but we were all

311  
00:16:18,279 --> 00:16:24,399  
well aware that we had seen something of

312  
00:16:20,830 --> 00:16:26,440  
great importance and that governments

313  
00:16:24,399 --> 00:16:28,659  
are aware that these things are not

314

00:16:26,440 --> 00:16:32,110  
coming from outer space other galaxies

315  
00:16:28,659 --> 00:16:37,449  
either but somewhere else quote another

316  
00:16:32,110 --> 00:16:39,669  
place anyway he finishes and says can

317  
00:16:37,450 --> 00:16:42,460  
you please tell me who decides on the

318  
00:16:39,669 --> 00:16:47,699  
amedy there is no danger to our defenses

319  
00:16:42,460 --> 00:16:51,190  
and how do you investigate it who indeed

320  
00:16:47,700 --> 00:16:53,200  
well of course that question as to where

321  
00:16:51,190 --> 00:16:57,100  
these things come from kept being asked

322  
00:16:53,200 --> 00:16:58,690  
and the same year Winston Churchill sent

323  
00:16:57,100 --> 00:17:00,310  
his famous memo what is all this stuff

324  
00:16:58,690 --> 00:17:02,590  
about flying saucers and that too what

325  
00:17:00,309 --> 00:17:04,210  
could it mean what is the truth somebody

326  
00:17:02,590 --> 00:17:06,940  
let me have a report and indeed they did

327  
00:17:04,210 --> 00:17:10,420  
and they all know I assume most of you

328  
00:17:06,940 --> 00:17:14,830

know that he was basically fobbed off by

329

00:17:10,420 --> 00:17:16,300

the mo D well then we're lucky because

330

00:17:14,829 --> 00:17:18,399

there were people in the defense

331

00:17:16,299 --> 00:17:23,159

establishment who weren't prepared to be

332

00:17:18,400 --> 00:17:25,870

fobbed off and the Admiral of the fleet

333

00:17:23,160 --> 00:17:27,820

is one of those people led the Great

334

00:17:25,869 --> 00:17:31,869

Britain the Battle of Britain at the

335

00:17:27,819 --> 00:17:34,119

time and as we're all aware went on

336

00:17:31,869 --> 00:17:35,949

record was a very very impressive UFO

337

00:17:34,119 --> 00:17:38,529

sighting and indeed until the day he

338

00:17:35,950 --> 00:17:40,360

died was assisting georgina Bruni in

339

00:17:38,529 --> 00:17:44,139

looking into the incidents around the

340

00:17:40,359 --> 00:17:46,269

Rendlesham forest of December 1980 that

341

00:17:44,140 --> 00:17:50,500

case is when I'm just assuming most of

342

00:17:46,269 --> 00:17:52,569

you are here are very well aware of how

343  
00:17:50,500 --> 00:17:56,700  
many of you have heard of the of the

344  
00:17:52,569 --> 00:18:00,849  
condign report but from the mo D yes so

345  
00:17:56,700 --> 00:18:05,230  
it's worth reflecting that although the

346  
00:18:00,849 --> 00:18:07,839  
MRD were very very happy to not talk

347  
00:18:05,230 --> 00:18:09,910  
about the December 1980 incident in

348  
00:18:07,839 --> 00:18:12,490  
Rendlesham forest where crafts

349  
00:18:09,910 --> 00:18:14,860  
apparently landed in the woods next to

350  
00:18:12,490 --> 00:18:17,410  
the twin air bases RAF Woodbridge and

351  
00:18:14,859 --> 00:18:20,109  
RAF Bentwaters it's worth noting that

352  
00:18:17,410 --> 00:18:21,120  
the MRD were quite happy to sweep all

353  
00:18:20,109 --> 00:18:24,869  
this under the

354  
00:18:21,119 --> 00:18:27,989  
of it but Nick Pope and many other

355  
00:18:24,869 --> 00:18:30,750  
researchers in the field have since

356  
00:18:27,990 --> 00:18:32,880  
spoken to this very insightful document

357  
00:18:30,750 --> 00:18:36,329  
which was entitled unidentified aerial

358  
00:18:32,880 --> 00:18:38,100  
phenomena in the UK this is now in the

359  
00:18:36,329 --> 00:18:41,579  
public domain by the way and all of you

360  
00:18:38,099 --> 00:18:44,579  
can go and look it up this Declassified

361  
00:18:41,579 --> 00:18:48,210  
report which was conducted by Britain's

362  
00:18:44,579 --> 00:18:51,599  
Defense Intelligence staff concludes the

363  
00:18:48,210 --> 00:18:53,970  
UAP unidentified aerial phenomena do

364  
00:18:51,599 --> 00:18:56,759  
exist it concludes that that's

365  
00:18:53,970 --> 00:18:59,069  
indisputable and that these craft

366  
00:18:56,759 --> 00:19:01,440  
clearly sorry it doesn't use the word

367  
00:18:59,069 --> 00:19:04,678  
craft but and that these phenomena

368  
00:19:01,440 --> 00:19:07,230  
clearly exhibit characteristics that are

369  
00:19:04,679 --> 00:19:10,890  
quote well beyond any of those aircraft

370  
00:19:07,230 --> 00:19:12,929  
that any aircraft or missile now what's

371

00:19:10,890 --> 00:19:14,309  
interesting about this report there are

372  
00:19:12,929 --> 00:19:17,610  
three things interesting about it the

373  
00:19:14,308 --> 00:19:20,490  
first is that it's classified UK secret

374  
00:19:17,609 --> 00:19:23,299  
eyes-only so if there's nothing in the

375  
00:19:20,490 --> 00:19:27,029  
UFO phenomenon why is our government

376  
00:19:23,299 --> 00:19:29,819  
creating reports entitled on the subject

377  
00:19:27,029 --> 00:19:32,190  
in current entitled UK secret eyes-only

378  
00:19:29,819 --> 00:19:34,439  
the second interesting thing about it is

379  
00:19:32,190 --> 00:19:37,500  
that there were only 11 copies of it

380  
00:19:34,440 --> 00:19:38,880  
made which implies that it was a

381  
00:19:37,500 --> 00:19:41,730  
document considered to be of some

382  
00:19:38,880 --> 00:19:43,800  
sensitivity and the third most important

383  
00:19:41,730 --> 00:19:48,089  
thing about it is that it was conducted

384  
00:19:43,799 --> 00:19:51,928  
by the Defense Intelligence staff all of

385  
00:19:48,089 --> 00:19:55,649

these things have implications I think

386

00:19:51,929 --> 00:19:57,360

that point to the conclusion I outlined

387

00:19:55,650 --> 00:19:59,460

at the beginning which is that our

388

00:19:57,359 --> 00:20:02,009

government take this subject far more

389

00:19:59,460 --> 00:20:07,410

seriously than they are willing to admit

390

00:20:02,009 --> 00:20:11,970

to on the face of it and I have to tell

391

00:20:07,410 --> 00:20:17,250

you when I became aware of the sightings

392

00:20:11,970 --> 00:20:22,140

in West Wales of 1977 a question at the

393

00:20:17,250 --> 00:20:24,420

top of my mind was how seriously did the

394

00:20:22,140 --> 00:20:26,170

military and the government take those

395

00:20:24,420 --> 00:20:28,630

sightings

396

00:20:26,170 --> 00:20:31,509

because those sightings which occurred

397

00:20:28,630 --> 00:20:35,260

throughout the winter at 77 and into the

398

00:20:31,509 --> 00:20:38,559

summer occurred within an extremely

399

00:20:35,259 --> 00:20:42,009

sensitive geographical area militarily

400  
00:20:38,559 --> 00:20:44,679  
speaking not only did they occur within

401  
00:20:42,009 --> 00:20:48,700  
close proximity to a missile testing

402  
00:20:44,680 --> 00:20:51,490  
range and to a very secret u.s. naval

403  
00:20:48,700 --> 00:20:56,190  
station positioned on the perimeters of

404  
00:20:51,490 --> 00:21:00,819  
RAF braudy overlooking st. bride's Bay

405  
00:20:56,190 --> 00:21:03,309  
but they occurred within you know a

406  
00:21:00,819 --> 00:21:06,909  
pretty populated area this community

407  
00:21:03,309 --> 00:21:08,440  
would have something to worry about if

408  
00:21:06,910 --> 00:21:11,050  
they thought that there were secret

409  
00:21:08,440 --> 00:21:13,360  
military aircraft being tested and

410  
00:21:11,049 --> 00:21:15,519  
possibly landed in their fields and

411  
00:21:13,359 --> 00:21:19,089  
pasture lands as many of the many of the

412  
00:21:15,519 --> 00:21:23,950  
witnesses living in that area claimed to

413  
00:21:19,089 --> 00:21:28,959  
see so I was interested to what extent

414  
00:21:23,950 --> 00:21:32,430  
they took those sightings seriously I'll

415  
00:21:28,960 --> 00:21:32,430  
touch upon one sighting

416  
00:21:38,339 --> 00:21:40,399  
you

417  
00:21:45,250 --> 00:21:49,509  
I suppose if you had to think about the

418  
00:21:47,859 --> 00:21:52,449  
sightings of West in West Wales

419  
00:21:49,509 --> 00:21:55,150  
if the 90 different in 1977 you'd think

420  
00:21:52,450 --> 00:21:57,279  
about three particular events the

421  
00:21:55,150 --> 00:22:01,509  
landing of the UFO at the Broad Haven

422  
00:21:57,279 --> 00:22:03,789  
primary school a series of sightings at

423  
00:22:01,509 --> 00:22:06,609  
a place called ripest and farm a few

424  
00:22:03,789 --> 00:22:08,889  
miles away up on the cliffs and a series

425  
00:22:06,609 --> 00:22:13,119  
of sightings which afflicted a hotel iya

426  
00:22:08,890 --> 00:22:15,660  
living at the havenport Hotel in between

427  
00:22:13,119 --> 00:22:18,609  
port heiden and sea and little hayden

428

00:22:15,660 --> 00:22:23,950  
let me just touch upon her for a moment

429  
00:22:18,609 --> 00:22:25,479  
her name was Rosa Granville Spanish in

430  
00:22:23,950 --> 00:22:27,819  
origin and her daughter's name is

431  
00:22:25,480 --> 00:22:30,730  
Francine and I believe Francine still

432  
00:22:27,819 --> 00:22:36,269  
this at the Hayden for although Rose is

433  
00:22:30,730 --> 00:22:38,740  
now dead one night Rosa woke up to a

434  
00:22:36,269 --> 00:22:40,869  
rocking sound outside her window there

435  
00:22:38,740 --> 00:22:43,120  
was a that the window was rattling there

436  
00:22:40,869 --> 00:22:45,279  
was there was a light shining into her

437  
00:22:43,119 --> 00:22:47,379  
boat into her room and she was deathly

438  
00:22:45,279 --> 00:22:49,240  
terrified so terrified that she got out

439  
00:22:47,380 --> 00:22:51,010  
of bed and she went to the window and

440  
00:22:49,240 --> 00:22:58,299  
she looked out and what does she see

441  
00:22:51,009 --> 00:23:02,819  
there a landed object on the ground with

442  
00:22:58,299 --> 00:23:02,819

figures walking around it

443

00:23:02,909 --> 00:23:06,778

I can't tell you whether she saw one or

444

00:23:05,339 --> 00:23:09,058

two figures I believe it was more than

445

00:23:06,778 --> 00:23:12,269

one but they were silver suited they

446

00:23:09,058 --> 00:23:15,108

were they were they were very tall and

447

00:23:12,269 --> 00:23:16,499

they seemed to be inspecting the ground

448

00:23:15,108 --> 00:23:19,589

now

449

00:23:16,499 --> 00:23:23,069

Rosa Granville reported this sighting to

450

00:23:19,589 --> 00:23:28,618

the newspapers and became the subject of

451

00:23:23,069 --> 00:23:30,210

some well a bit of a joke I suppose

452

00:23:28,618 --> 00:23:32,249

amongst some of her peeps some of the

453

00:23:30,210 --> 00:23:36,929

people living in living in Little Haven

454

00:23:32,249 --> 00:23:39,028

unfairly unfairly a my dad because she

455

00:23:36,929 --> 00:23:40,470

was seen to be vindicated because there

456

00:23:39,028 --> 00:23:42,628

was a whole other flurry of sightings

457  
00:23:40,470 --> 00:23:45,960  
seem to follow but what was really

458  
00:23:42,628 --> 00:23:49,888  
interesting about her sighting was that

459  
00:23:45,960 --> 00:23:51,720  
after the event and I know I've heard

460  
00:23:49,888 --> 00:23:54,678  
this firsthand from the witnesses when I

461  
00:23:51,720 --> 00:23:59,940  
visited the area about 1011 years ago

462  
00:23:54,679 --> 00:24:01,769  
they were visited by some men and the

463  
00:23:59,940 --> 00:24:04,440  
way this story was put to me

464  
00:24:01,769 --> 00:24:07,019  
I'll just tell to you now Francine was

465  
00:24:04,440 --> 00:24:09,479  
sitting in the bar the bar the havenport

466  
00:24:07,019 --> 00:24:12,269  
Hotel looks out over uh sort of wide

467  
00:24:09,479 --> 00:24:15,298  
gravel drive and she was in the bar and

468  
00:24:12,269 --> 00:24:16,558  
they heard the doorbell go and she said

469  
00:24:15,298 --> 00:24:18,868  
to me that was the first thing that was

470  
00:24:16,558 --> 00:24:21,210  
strange because whenever a car comes up

471  
00:24:18,868 --> 00:24:22,709  
on the driveway we hear it come up the

472  
00:24:21,210 --> 00:24:25,169  
driveway but suddenly there was someone

473  
00:24:22,710 --> 00:24:26,819  
at the door so she said we went to the

474  
00:24:25,169 --> 00:24:31,009  
door and there were two men standing

475  
00:24:26,819 --> 00:24:33,989  
there she said to me that they had a

476  
00:24:31,009 --> 00:24:37,220  
skin that was like a woman's skin it's

477  
00:24:33,989 --> 00:24:39,629  
the word she used and she said they were

478  
00:24:37,220 --> 00:24:42,720  
very similar-looking they were dressed

479  
00:24:39,628 --> 00:24:45,748  
in they were dressed very smartly and

480  
00:24:42,720 --> 00:24:48,130  
their car heart behind them as she said

481  
00:24:45,749 --> 00:24:51,519  
look like

482  
00:24:48,130 --> 00:24:54,610  
a silver futuristic car she said I've

483  
00:24:51,519 --> 00:24:57,250  
never seen a car like it but what was

484  
00:24:54,609 --> 00:25:00,250  
even stranger was but these men then

485

00:24:57,250 --> 00:25:02,829  
said to her we've come to talk to you

486  
00:25:00,250 --> 00:25:06,359  
about your UFO sighting but we can't

487  
00:25:02,829 --> 00:25:11,199  
stop today will come another day that

488  
00:25:06,359 --> 00:25:14,469  
was it and then they left now that that

489  
00:25:11,200 --> 00:25:16,690  
is deeply strange behavior and I saw

490  
00:25:14,470 --> 00:25:21,009  
we've all met somebody who is deeply

491  
00:25:16,690 --> 00:25:22,930  
strange we've all met people who are

492  
00:25:21,009 --> 00:25:25,779  
deeply strange right these people do

493  
00:25:22,930 --> 00:25:30,009  
exist if do incest but I'll tell you

494  
00:25:25,779 --> 00:25:33,490  
something that is even stranger these

495  
00:25:30,009 --> 00:25:36,549  
reports of strange men to come and ask

496  
00:25:33,490 --> 00:25:40,509  
peculiar these quick place questions

497  
00:25:36,549 --> 00:25:46,829  
I found all over the world all over the

498  
00:25:40,509 --> 00:25:50,250  
world and you only have to look at the

499  
00:25:46,829 --> 00:25:52,329

similarities between these reports to

500

00:25:50,250 --> 00:25:54,069  
draw the conclusion that there's

501

00:25:52,329 --> 00:25:55,689  
something deeply strange going on and I

502

00:25:54,069 --> 00:26:00,189  
don't mean that to imply that these men

503

00:25:55,690 --> 00:26:03,549  
were some sort of alien or from you know

504

00:26:00,190 --> 00:26:05,110  
government agency I just want to draw

505

00:26:03,549 --> 00:26:09,819  
your attention to the fact that these

506

00:26:05,109 --> 00:26:12,339  
things do happen because what happened

507

00:26:09,819 --> 00:26:16,419  
at the havenport hotel then happened

508

00:26:12,339 --> 00:26:18,279  
again at ripest in fact a ripest and

509

00:26:16,420 --> 00:26:20,500  
farm as many of you will know it's a

510

00:26:18,279 --> 00:26:22,329  
very very remote place have you been to

511

00:26:20,500 --> 00:26:24,519  
breakfast and fun I mean is right is

512

00:26:22,329 --> 00:26:28,149  
that right so it's right out on the

513

00:26:24,519 --> 00:26:29,349  
Chris really quite spooky place I would

514  
00:26:28,150 --> 00:26:33,100  
imagine if you were to live there in the

515  
00:26:29,349 --> 00:26:35,199  
winter and at the time of course Betty

516  
00:26:33,099 --> 00:26:38,109  
Coombs was the head hurts Minh and

517  
00:26:35,200 --> 00:26:38,980  
Pauline Coombs was his wife and they had

518  
00:26:38,109 --> 00:26:41,649  
a couple of kids

519  
00:26:38,980 --> 00:26:43,900  
well twins brother and sister as well

520  
00:26:41,650 --> 00:26:47,880  
and of course the affair at the ripest

521  
00:26:43,900 --> 00:26:50,350  
and farm began on a dark not dark night

522  
00:26:47,880 --> 00:26:52,870  
Pauline's driving down the road Daniel

523  
00:26:50,349 --> 00:26:55,389  
the lane suddenly a globe of light falls

524  
00:26:52,869 --> 00:26:58,989  
from the sky and begins following her

525  
00:26:55,390 --> 00:27:01,179  
car it becomes even more terrifying

526  
00:26:58,990 --> 00:27:03,009  
light spins around and flies directly at

527  
00:27:01,179 --> 00:27:04,630  
the car towards the windscreen it looks

528  
00:27:03,009 --> 00:27:07,150  
like they're gonna hit and then it goes

529  
00:27:04,630 --> 00:27:10,179  
straight up by this point she's

530  
00:27:07,150 --> 00:27:12,250  
absolutely terrified as you would be all

531  
00:27:10,179 --> 00:27:14,470  
the kids terrified she comes to a halt

532  
00:27:12,250 --> 00:27:16,960  
outside the house they run inside and

533  
00:27:14,470 --> 00:27:19,660  
grab her husband he comes to the door

534  
00:27:16,960 --> 00:27:25,299  
just in time to see this globe of light

535  
00:27:19,660 --> 00:27:28,330  
above the car and it flies away now that

536  
00:27:25,299 --> 00:27:30,069  
sighting as well as being quite

537  
00:27:28,329 --> 00:27:32,889  
interesting could be out of the textbook

538  
00:27:30,069 --> 00:27:35,980  
if you've read any UFO books they're all

539  
00:27:32,890 --> 00:27:37,929  
it follows a certain pattern but what's

540  
00:27:35,980 --> 00:27:39,940  
really interesting is that that report I

541  
00:27:37,929 --> 00:27:41,350  
referred to earlier on project condign

542

00:27:39,940 --> 00:27:44,980  
the one done by the Defense Intelligence

543  
00:27:41,349 --> 00:27:48,899  
staff that focuses on the military

544  
00:27:44,980 --> 00:27:52,299  
applications of this sort of phosphorus

545  
00:27:48,900 --> 00:27:55,660  
so they admit that these things are real

546  
00:27:52,299 --> 00:27:57,339  
in this report and what she saw and what

547  
00:27:55,660 --> 00:27:59,519  
she was laughed at for seeing doesn't

548  
00:27:57,339 --> 00:28:01,299  
necessarily it suddenly we have

549  
00:27:59,519 --> 00:28:03,179  
independent confirmation from our

550  
00:28:01,299 --> 00:28:05,349  
government that this sort of phenomena

551  
00:28:03,179 --> 00:28:06,929  
exists and it could actually have some

552  
00:28:05,349 --> 00:28:10,959  
sort of military application whatever

553  
00:28:06,929 --> 00:28:13,450  
application is I have no idea but it's

554  
00:28:10,960 --> 00:28:15,009  
interesting the second really

555  
00:28:13,450 --> 00:28:18,130  
interesting thing to happen at

556  
00:28:15,009 --> 00:28:20,289

Riverstone farm of course is that the

557

00:28:18,130 --> 00:28:22,690

whole family will witness or Billy and

558

00:28:20,289 --> 00:28:24,730

his and his wife Pauline at least were

559

00:28:22,690 --> 00:28:27,519

witness to one of these various tall

560

00:28:24,730 --> 00:28:30,970

figures which appeared that one of their

561

00:28:27,519 --> 00:28:32,799

window it was one evening and of course

562

00:28:30,970 --> 00:28:35,079

that was an incident that scared them

563

00:28:32,799 --> 00:28:37,058

all to death but I interviewed Pauline

564

00:28:35,079 --> 00:28:41,019

coops because I was interested to see

565

00:28:37,058 --> 00:28:44,649

how much of what she said then she was

566

00:28:41,019 --> 00:28:46,299

still prepared to say and I have to say

567

00:28:44,650 --> 00:28:51,850

that not only was most of what she told

568

00:28:46,299 --> 00:28:53,799

me perfectly consistent but I gleaned

569

00:28:51,849 --> 00:28:56,049

further bits of information from her so

570

00:28:53,799 --> 00:28:58,000

for example she told me that the roast

571  
00:28:56,049 --> 00:29:02,500  
there was a bush next to the window and

572  
00:28:58,000 --> 00:29:04,599  
she said that she said that it was it

573  
00:29:02,500 --> 00:29:06,880  
was it was black and all damaged after

574  
00:29:04,599 --> 00:29:08,529  
this figure this glowing silver seated

575  
00:29:06,880 --> 00:29:10,570  
figure with this blacked-out face that

576  
00:29:08,529 --> 00:29:11,299  
appeared on the window she said it was

577  
00:29:10,569 --> 00:29:13,700  
damaged

578  
00:29:11,299 --> 00:29:17,569  
and she also said that the paint around

579  
00:29:13,700 --> 00:29:17,990  
the window refused to stick properly for

580  
00:29:17,569 --> 00:29:21,950  
a while

581  
00:29:17,990 --> 00:29:23,359  
and that was that was interesting but of

582  
00:29:21,950 --> 00:29:25,480  
course we can't verify that because it

583  
00:29:23,359 --> 00:29:29,559  
happened so long ago

584  
00:29:25,480 --> 00:29:33,380  
but what was interesting was that the

585  
00:29:29,559 --> 00:29:36,230  
the son of the family did report also an

586  
00:29:33,380 --> 00:29:39,290  
encounter but with with a car a

587  
00:29:36,230 --> 00:29:43,160  
futuristic looking car which came to the

588  
00:29:39,289 --> 00:29:47,529  
property after their sighting and that

589  
00:29:43,160 --> 00:29:50,090  
there were men there dressed smartly I

590  
00:29:47,529 --> 00:29:52,279  
don't want to use the word men in black

591  
00:29:50,089 --> 00:29:54,559  
because it carries so many unfortunate

592  
00:29:52,279 --> 00:29:55,759  
connotations now you know you can't use

593  
00:29:54,559 --> 00:29:59,179  
that phrase without thinking about Will

594  
00:29:55,759 --> 00:30:01,970  
Smith but but the point is the point is

595  
00:29:59,180 --> 00:30:04,100  
these things were reported and I'd read

596  
00:30:01,970 --> 00:30:06,289  
about them like I'm sure you've all read

597  
00:30:04,099 --> 00:30:08,689  
about men in black and UFO sightings but

598  
00:30:06,289 --> 00:30:11,149  
when you hear it from the horse's mouth

599

00:30:08,690 --> 00:30:15,769  
it has a very different has a very

600  
00:30:11,150 --> 00:30:18,080  
different effect I think so I was

601  
00:30:15,769 --> 00:30:19,339  
interested in whether or not any of

602  
00:30:18,079 --> 00:30:24,049  
these sightings which were happening

603  
00:30:19,339 --> 00:30:27,769  
around West Wales had had attracted any

604  
00:30:24,049 --> 00:30:29,990  
sort of interest from the government if

605  
00:30:27,769 --> 00:30:33,650  
you go back and look at what the mo D

606  
00:30:29,990 --> 00:30:35,660  
said at the time they'll tell you it's

607  
00:30:33,650 --> 00:30:37,640  
pretty clear actually they were aware

608  
00:30:35,660 --> 00:30:40,940  
they were aware of the reports that were

609  
00:30:37,640 --> 00:30:42,770  
going on but they they didn't really

610  
00:30:40,940 --> 00:30:46,490  
claim to have any information on it they

611  
00:30:42,769 --> 00:30:48,980  
claimed they had you know they've been a

612  
00:30:46,490 --> 00:30:52,490  
very woolly about the whole thing and in

613  
00:30:48,980 --> 00:30:54,500

fact rosid Granville's at local MP wrote

614

00:30:52,490 --> 00:30:56,630

trying to get answers and he got a reply

615

00:30:54,500 --> 00:31:00,109

basically saying that there was nothing

616

00:30:56,630 --> 00:31:01,610

in all this I think his name is James

617

00:31:00,109 --> 00:31:03,289

well the love a person who replied

618

00:31:01,609 --> 00:31:07,879

anyway you can let me go and look at all

619

00:31:03,289 --> 00:31:09,680

go and look it up but the point is and

620

00:31:07,880 --> 00:31:11,930

it's a it's a it's quite a significant

621

00:31:09,680 --> 00:31:14,360

point is it was in writing at the time

622

00:31:11,930 --> 00:31:15,970

that they had nothing on any of these

623

00:31:14,359 --> 00:31:20,000

events

624

00:31:15,970 --> 00:31:21,529

well I'll come now to the fraud Haven

625

00:31:20,000 --> 00:31:25,640

UFO incident

626

00:31:21,529 --> 00:31:25,970

at school in February I have with me

627

00:31:25,640 --> 00:31:29,390

tonight

628  
00:31:25,970 --> 00:31:32,049  
a statement from one of the one of the

629  
00:31:29,390 --> 00:31:35,870  
witnesses one of the original witnesses

630  
00:31:32,049 --> 00:31:40,720  
who's happy for me to read this out and

631  
00:31:35,869 --> 00:31:43,549  
like I will read it out before I do I

632  
00:31:40,720 --> 00:31:45,470  
went to the school about 1011 years ago

633  
00:31:43,549 --> 00:31:47,419  
and looked through they have a wonderful

634  
00:31:45,470 --> 00:31:50,509  
scrapbook they're brought Haven primary

635  
00:31:47,420 --> 00:31:51,980  
school and the story I was able to piece

636  
00:31:50,509 --> 00:31:55,309  
together is the one I'm sure you've all

637  
00:31:51,980 --> 00:31:58,160  
heard that on a drizzly afternoon I

638  
00:31:55,309 --> 00:32:00,349  
think it was a Friday afternoon the

639  
00:31:58,160 --> 00:32:03,350  
children came running in and alerted

640  
00:32:00,349 --> 00:32:05,839  
their headmaster ruff Llewellyn to the

641  
00:32:03,349 --> 00:32:08,629  
fact that they had seen at the end of

642  
00:32:05,839 --> 00:32:10,490  
their playing field of heads that

643  
00:32:08,630 --> 00:32:14,150  
bordered the stream and looked at a

644  
00:32:10,490 --> 00:32:18,559  
wider hill behind that they'd seen what

645  
00:32:14,150 --> 00:32:21,530  
they described as a landed landed flying

646  
00:32:18,559 --> 00:32:23,059  
saucer UFO it was in fact they didn't

647  
00:32:21,529 --> 00:32:25,480  
actually have a full view of it it was

648  
00:32:23,059 --> 00:32:27,289  
half obscured behind the trees and

649  
00:32:25,480 --> 00:32:30,589  
actually what was really interesting

650  
00:32:27,289 --> 00:32:32,389  
about looking at their drawings is that

651  
00:32:30,589 --> 00:32:34,970  
this object there's a very striking

652  
00:32:32,390 --> 00:32:37,430  
similarity to the one that was seen in

653  
00:32:34,970 --> 00:32:39,710  
Bishop stone which first ignited my

654  
00:32:37,430 --> 00:32:42,620  
interest very very striking similarity

655  
00:32:39,710 --> 00:32:45,259  
of course the headmaster was deeply

656

00:32:42,619 --> 00:32:49,729  
deeply skeptical but the boy's parents

657  
00:32:45,259 --> 00:32:50,210  
were unprepared to take to forget the

658  
00:32:49,730 --> 00:32:53,900  
whole thing

659  
00:32:50,210 --> 00:32:55,850  
and Randall Jones Pugh who was a local

660  
00:32:53,900 --> 00:32:58,430  
researcher at the time was very very

661  
00:32:55,849 --> 00:33:00,769  
quickly made aware and went down to the

662  
00:32:58,430 --> 00:33:03,140  
place where this object seemed to have

663  
00:33:00,769 --> 00:33:08,029  
appeared and he basically discovered a

664  
00:33:03,140 --> 00:33:10,700  
very very muddy terrain where it would

665  
00:33:08,029 --> 00:33:14,539  
be very very difficult to place any sort

666  
00:33:10,700 --> 00:33:17,840  
of machinery now that may or may not be

667  
00:33:14,539 --> 00:33:19,720  
true I know that he went there I no

668  
00:33:17,839 --> 00:33:22,429  
doubt it was muddy

669  
00:33:19,720 --> 00:33:25,490  
it was raining of the visibility was not

670  
00:33:22,430 --> 00:33:26,779

good that day and I spent a lot of time

671

00:33:25,490 --> 00:33:29,180

in brought Haven when I was researching

672

00:33:26,779 --> 00:33:31,059

the Watchers I can tell you that there

673

00:33:29,180 --> 00:33:33,710

are many people living there

674

00:33:31,059 --> 00:33:36,829

particularly near the sewage works and

675

00:33:33,710 --> 00:33:38,990

the hill opposite who will say I'm

676

00:33:36,829 --> 00:33:41,509

afraid what they saw was a sewage tanker

677

00:33:38,990 --> 00:33:44,329

and they've been watching too much Star

678

00:33:41,509 --> 00:33:49,279

Trek because one of those boys actually

679

00:33:44,329 --> 00:33:52,009

drew a figure that has pointy ears well

680

00:33:49,279 --> 00:33:53,899

I have to say I don't believe that what

681

00:33:52,009 --> 00:33:57,589

they saw was a sewage canker I

682

00:33:53,900 --> 00:33:59,570

understand why people say it but if you

683

00:33:57,589 --> 00:34:02,240

if you look at the spot and if you go

684

00:33:59,569 --> 00:34:04,549

there and sigh hand fits I mean it's

685  
00:34:02,240 --> 00:34:06,410  
it's a it's a very you know the hill is

686  
00:34:04,549 --> 00:34:08,418  
pretty steep but also the sewage works

687  
00:34:06,410 --> 00:34:09,710  
aren't really completely visible it

688  
00:34:08,418 --> 00:34:12,619  
seems like very odd thing to have seen

689  
00:34:09,710 --> 00:34:14,898  
but what convinces me more than that is

690  
00:34:12,619 --> 00:34:16,039  
that the boys all stand by their story

691  
00:34:14,898 --> 00:34:17,779  
today

692  
00:34:16,039 --> 00:34:21,230  
well these those of them that I have

693  
00:34:17,780 --> 00:34:23,600  
been able to speak to do and as far back

694  
00:34:21,230 --> 00:34:30,409  
as 1996 I think they all stuck by their

695  
00:34:23,599 --> 00:34:32,179  
story as well well the interesting thing

696  
00:34:30,409 --> 00:34:33,679  
is and these are the sorts of events

697  
00:34:32,179 --> 00:34:36,019  
obviously we can't go back we can't

698  
00:34:33,679 --> 00:34:38,059  
check but what we can do what we can do

699  
00:34:36,019 --> 00:34:41,329  
is look at the evidence from the time

700  
00:34:38,059 --> 00:34:43,039  
which is obviously the most reliable and

701  
00:34:41,329 --> 00:34:47,119  
the evidence from the time was gathered

702  
00:34:43,039 --> 00:34:48,739  
by rasulallah and I know people who he's

703  
00:34:47,119 --> 00:34:52,699  
no work no longer with us I'm afraid but

704  
00:34:48,739 --> 00:34:56,750  
I do know people who knew him who was

705  
00:34:52,699 --> 00:35:00,769  
said to me he regretted until the day he

706  
00:34:56,750 --> 00:35:03,849  
died not going out to look when the boys

707  
00:35:00,769 --> 00:35:06,590  
called him

708  
00:35:03,849 --> 00:35:08,690  
and the reason he regretted it is

709  
00:35:06,590 --> 00:35:10,309  
because he asked them all to draw what

710  
00:35:08,690 --> 00:35:13,220  
they saw and of course all those

711  
00:35:10,309 --> 00:35:15,980  
drawings tallied they all drew pretty

712  
00:35:13,219 --> 00:35:18,049  
much the same thing there were a few

713

00:35:15,980 --> 00:35:20,210  
discrepancies but it's a dome-shaped

714  
00:35:18,050 --> 00:35:22,480  
object the cigar shaped object with a

715  
00:35:20,210 --> 00:35:25,010  
dome on top and maybe a light maybe not

716  
00:35:22,480 --> 00:35:27,349  
what's also interesting is that many

717  
00:35:25,010 --> 00:35:28,940  
people living around the school there's

718  
00:35:27,349 --> 00:35:31,880  
a small road that overlooks it

719  
00:35:28,940 --> 00:35:34,250  
I did actually speak to a couple of

720  
00:35:31,880 --> 00:35:36,590  
people who implied to me that adults had

721  
00:35:34,250 --> 00:35:39,380  
seen the object as well actually at the

722  
00:35:36,590 --> 00:35:41,539  
time there were some canteen workers who

723  
00:35:39,380 --> 00:35:43,880  
were prepared to say they had seen an

724  
00:35:41,539 --> 00:35:45,440  
object up there that looked very similar

725  
00:35:43,880 --> 00:35:47,360  
to what the boys had reported on a

726  
00:35:45,440 --> 00:35:53,150  
different day and then he also thought

727  
00:35:47,360 --> 00:35:55,910

this thing was pretty unusual now if

728

00:35:53,150 --> 00:36:01,070

this incident had occurred in complete

729

00:35:55,909 --> 00:36:03,889

isolation let's suppose that it had you

730

00:36:01,070 --> 00:36:06,130

might be forgiven I suppose you might be

731

00:36:03,889 --> 00:36:08,358

forgiven for thinking what happened was

732

00:36:06,130 --> 00:36:10,700

somebody somewhere was dumping some

733

00:36:08,358 --> 00:36:12,559

sewage they weren't meant to be doing it

734

00:36:10,699 --> 00:36:14,059

this may be illegal they were and they

735

00:36:12,559 --> 00:36:16,730

were quite happy for somebody to go away

736

00:36:14,059 --> 00:36:20,269

and invent a UFO story as there's lots

737

00:36:16,730 --> 00:36:22,400

of big IFS in there but it didn't happen

738

00:36:20,269 --> 00:36:24,829

in isolation because people all over

739

00:36:22,400 --> 00:36:28,309

Pembrokeshire that summer reported

740

00:36:24,829 --> 00:36:30,889

seeing silver objects on the ground and

741

00:36:28,309 --> 00:36:33,289

what's also interesting or perhaps

742  
00:36:30,889 --> 00:36:37,368  
telling about this is that these objects

743  
00:36:33,289 --> 00:36:40,820  
were never seen moving they were seen

744  
00:36:37,369 --> 00:36:41,660  
disappearing in situ reappearing

745  
00:36:40,820 --> 00:36:44,450  
somewhere else

746  
00:36:41,659 --> 00:36:46,009  
in another part of the field which

747  
00:36:44,449 --> 00:36:48,819  
doesn't really sound like a sewage

748  
00:36:46,010 --> 00:36:48,820  
tanker to me

749  
00:36:49,750 --> 00:36:59,360  
one of the witnesses was a woman who was

750  
00:36:56,860 --> 00:37:02,420  
University educated and lived very near

751  
00:36:59,360 --> 00:37:05,690  
to ripest and farm her name is Josephine

752  
00:37:02,420 --> 00:37:08,210  
Hewson well

753  
00:37:05,690 --> 00:37:10,039  
Josephine woke up one morning to look

754  
00:37:08,210 --> 00:37:13,579  
out of her window to see an object that

755  
00:37:10,039 --> 00:37:16,610  
she described was a like an upturned

756  
00:37:13,579 --> 00:37:20,000  
jelly mould and again with a brushed

757  
00:37:16,610 --> 00:37:22,690  
aluminium finish and she said this

758  
00:37:20,000 --> 00:37:27,889  
object was so big that it it completely

759  
00:37:22,690 --> 00:37:29,990  
blocked out a local greenhouse a

760  
00:37:27,889 --> 00:37:31,449  
greenhouse standing on her standing on

761  
00:37:29,989 --> 00:37:36,409  
her property

762  
00:37:31,449 --> 00:37:37,909  
well Josephine stood by I interviewed

763  
00:37:36,409 --> 00:37:41,149  
Josephine myself when I was researching

764  
00:37:37,909 --> 00:37:45,559  
this book and she doesn't live in Wales

765  
00:37:41,150 --> 00:37:47,420  
anymore stood by it stood by the story

766  
00:37:45,559 --> 00:37:49,789  
but when I was most recently doing

767  
00:37:47,420 --> 00:37:51,980  
research for this book I went back to

768  
00:37:49,789 --> 00:37:55,969  
the havens and I met a chap who knew her

769  
00:37:51,980 --> 00:37:59,179  
and he said to me I'm extremely

770

00:37:55,969 --> 00:38:02,899  
skeptical about all of this he said but

771  
00:37:59,179 --> 00:38:06,859  
bloody hell she was adamant she was no

772  
00:38:02,900 --> 00:38:09,500  
changing her mind she'd seen this and I

773  
00:38:06,860 --> 00:38:14,920  
can conceive of no reasonable

774  
00:38:09,500 --> 00:38:20,420  
explanation as to why she'd make it up

775  
00:38:14,920 --> 00:38:22,280  
why would she make it up her her

776  
00:38:20,420 --> 00:38:25,309  
neighbors Pauline and Billy had been

777  
00:38:22,280 --> 00:38:28,900  
ridiculed because they prepared in the

778  
00:38:25,309 --> 00:38:28,900  
press quite a few times

779  
00:38:29,019 --> 00:38:33,280  
so one of the sites one of the reasons

780  
00:38:31,179 --> 00:38:34,809  
they were ridiculed is because one of

781  
00:38:33,280 --> 00:38:37,570  
the things they saw was really quite

782  
00:38:34,809 --> 00:38:39,309  
astounding and this is the this is the

783  
00:38:37,570 --> 00:38:41,740  
story which strains the credulity I

784  
00:38:39,309 --> 00:38:43,929

think the whole wells Triangle enigma

785

00:38:41,739 --> 00:38:45,939

yeah so many of you know what I'm about

786

00:38:43,929 --> 00:38:47,679

to say that's of course the sighting by

787

00:38:45,940 --> 00:38:51,130

Pauline Coombs have an object flying

788

00:38:47,679 --> 00:38:51,819

into stack rocks which was an Iraqi out

789

00:38:51,130 --> 00:38:54,579

problem

790

00:38:51,820 --> 00:38:56,289

sort of the sort of st. bride's Bay what

791

00:38:54,579 --> 00:38:59,949

she thought she saw was an object flying

792

00:38:56,289 --> 00:39:03,610

into it a door opening and closing and a

793

00:38:59,949 --> 00:39:06,609

dog within the rocks now if you've ever

794

00:39:03,610 --> 00:39:07,960

seen a bird on a bright sunny day flying

795

00:39:06,610 --> 00:39:10,660

around the rocks it can look a bit like

796

00:39:07,960 --> 00:39:12,760

a silver disc from a distance but what's

797

00:39:10,659 --> 00:39:20,799

interesting is that somebody else also

798

00:39:12,760 --> 00:39:22,990

saw this somebody else also saw this and

799  
00:39:20,800 --> 00:39:26,019  
if somebody else was the hotel you at

800  
00:39:22,989 --> 00:39:27,959  
the havenport hotel now that for me also

801  
00:39:26,019 --> 00:39:30,309  
sounds like a bit of a coincidence

802  
00:39:27,960 --> 00:39:36,130  
but we have to take the testimony at

803  
00:39:30,309 --> 00:39:38,858  
face value I'll tell you that something

804  
00:39:36,130 --> 00:39:41,530  
when I was in in the havens walking

805  
00:39:38,858 --> 00:39:43,000  
around the area around around breakfast

806  
00:39:41,530 --> 00:39:49,720  
and farm and stacked rocks

807  
00:39:43,000 --> 00:39:51,639  
I met a farmer who who said to me I got

808  
00:39:49,719 --> 00:39:54,429  
talking to him about this and he told me

809  
00:39:51,639 --> 00:39:55,599  
two interesting things the first was if

810  
00:39:54,429 --> 00:39:58,419  
you don't think there's anything out in

811  
00:39:55,599 --> 00:40:01,210  
stack rocks go and talk to the divers

812  
00:39:58,420 --> 00:40:04,059  
and the diving club that was the first

813  
00:40:01,210 --> 00:40:05,470  
interesting thing the second thing was I

814  
00:40:04,059 --> 00:40:06,880  
used to hear that he used to have some

815  
00:40:05,469 --> 00:40:07,659  
people who would stay at his farm

816  
00:40:06,880 --> 00:40:09,910  
because he used to run a

817  
00:40:07,659 --> 00:40:12,069  
bed-and-breakfast and he said they would

818  
00:40:09,909 --> 00:40:15,269  
go out walking around stack rocks

819  
00:40:12,070 --> 00:40:19,480  
frequently until one day they came home

820  
00:40:15,269 --> 00:40:22,358  
and they said we're never coming back

821  
00:40:19,480 --> 00:40:24,780  
here again and you said they never spoke

822  
00:40:22,358 --> 00:40:28,119  
about it

823  
00:40:24,780 --> 00:40:29,980  
well I went to the divers club and I

824  
00:40:28,119 --> 00:40:31,869  
asked because of my curiosity was feet

825  
00:40:29,980 --> 00:40:33,760  
it was a good story as I said the

826  
00:40:31,869 --> 00:40:36,339  
stories of what I'm all about really and

827

00:40:33,760 --> 00:40:40,000  
I went I went and spoke to somebody at

828  
00:40:36,340 --> 00:40:42,930  
the divers club and they said that there

829  
00:40:40,000 --> 00:40:45,610  
were members of their club who had seen

830  
00:40:42,929 --> 00:40:47,889  
equipment under the water around stacked

831  
00:40:45,610 --> 00:40:51,550  
rocks so they said they'd seen a ladder

832  
00:40:47,889 --> 00:40:52,719  
embedded in the rocks now that seems to

833  
00:40:51,550 --> 00:40:55,240  
me like something you could go and check

834  
00:40:52,719 --> 00:41:00,250  
and I'm not a diver I'm just telling you

835  
00:40:55,239 --> 00:41:05,049  
what they told me but it did make me

836  
00:41:00,250 --> 00:41:07,179  
think because at the hotel I was I

837  
00:41:05,050 --> 00:41:10,510  
learned a story which I don't think it's

838  
00:41:07,179 --> 00:41:12,250  
been put down in print before but I used

839  
00:41:10,510 --> 00:41:15,580  
a version of it fictionalized in my

840  
00:41:12,250 --> 00:41:20,800  
novel and the story basically came from

841  
00:41:15,579 --> 00:41:22,299

the hotel where the UFO was seen and the

842

00:41:20,800 --> 00:41:24,430

story bought down to this there were

843

00:41:22,300 --> 00:41:27,250

some people staying there who worked up

844

00:41:24,429 --> 00:41:28,449

at RAF braudy while they didn't work at

845

00:41:27,250 --> 00:41:30,960

RAF braudy they worked at this

846

00:41:28,449 --> 00:41:33,519

top-secret naval installation next door

847

00:41:30,960 --> 00:41:37,329

it was officially an oceanographic

848

00:41:33,519 --> 00:41:41,170

research station very very top-secret at

849

00:41:37,329 --> 00:41:42,849

its height of the Cold War and what they

850

00:41:41,170 --> 00:41:45,309

were doing or what they said they were

851

00:41:42,849 --> 00:41:47,579

doing at the time that this station was

852

00:41:45,309 --> 00:41:47,579

runny

853

00:41:53,550 --> 00:41:55,610

you

854

00:42:05,588 --> 00:42:09,920

and these microphones were basically

855

00:42:08,059 --> 00:42:12,440

listening to top secrets Russian

856  
00:42:09,920 --> 00:42:15,729  
submarines and the whole operation was

857  
00:42:12,440 --> 00:42:17,659  
called Project SOSUS sound surveillance

858  
00:42:15,728 --> 00:42:19,489  
and if you go to the public records

859  
00:42:17,659 --> 00:42:21,348  
office in Kew you can look through and

860  
00:42:19,489 --> 00:42:23,329  
see all the documents as to how this how

861  
00:42:21,349 --> 00:42:25,278  
that our government agreed to take this

862  
00:42:23,329 --> 00:42:26,150  
station at the time and the effect it

863  
00:42:25,278 --> 00:42:27,920  
was going to have on the local

864  
00:42:26,150 --> 00:42:30,229  
population they were really really

865  
00:42:27,920 --> 00:42:34,909  
really concerned about the effect it

866  
00:42:30,228 --> 00:42:37,939  
would have on the local population so

867  
00:42:34,909 --> 00:42:40,389  
why weren't they concerned when hundreds

868  
00:42:37,940 --> 00:42:42,739  
of sightings started pouring in of

869  
00:42:40,389 --> 00:42:45,699  
objects which were completely

870  
00:42:42,739 --> 00:42:48,949  
unidentified landing in people's

871  
00:42:45,699 --> 00:42:52,608  
blabbing in people's back gardens didn't

872  
00:42:48,949 --> 00:42:55,268  
make any sense well we now know the

873  
00:42:52,608 --> 00:43:01,969  
truth they were extremely concerned

874  
00:42:55,268 --> 00:43:05,568  
because a letter came to light which

875  
00:43:01,969 --> 00:43:09,619  
some of you may have seen but this

876  
00:43:05,568 --> 00:43:14,018  
letter basically is sent by an official

877  
00:43:09,619 --> 00:43:18,890  
working at the Ministry of Defense and

878  
00:43:14,018 --> 00:43:22,669  
it's a letter to the RAF police and it

879  
00:43:18,889 --> 00:43:27,440  
reads it's dated 14th of June 1977 and

880  
00:43:22,670 --> 00:43:30,318  
it says we've not invoked the assistance

881  
00:43:27,440 --> 00:43:34,909  
of the provost and security services on

882  
00:43:30,318 --> 00:43:36,829  
UFOs before and as I explained on the

883  
00:43:34,909 --> 00:43:39,199  
telephone the last thing I want to do is

884

00:43:36,829 --> 00:43:41,390  
to involve you in problems which would

885  
00:43:39,199 --> 00:43:45,289  
divert you from your more immediate work

886  
00:43:41,389 --> 00:43:48,858  
on low-flying complaints that he goes on

887  
00:43:45,289 --> 00:43:51,289  
and he says well the standard procedure

888  
00:43:48,858 --> 00:43:52,940  
on UFOs is to send reports to the

889  
00:43:51,289 --> 00:43:54,829  
various specialist authorities in the

890  
00:43:52,940 --> 00:43:57,139  
MRD to make sure that they contain no

891  
00:43:54,829 --> 00:43:58,670  
items of Defense and nothing has come to

892  
00:43:57,139 --> 00:44:02,679  
light to suggest anything untoward in

893  
00:43:58,670 --> 00:44:06,559  
Wales important point then he says I

894  
00:44:02,679 --> 00:44:08,739  
confess however that I find the

895  
00:44:06,559 --> 00:44:11,420  
correspondence a little puzzling

896  
00:44:08,739 --> 00:44:13,608  
according to the press cuttings some of

897  
00:44:11,420 --> 00:44:16,599  
the witnesses are people who might be

898  
00:44:13,608 --> 00:44:19,420

expected to be a fairly level-headed

899

00:44:16,599 --> 00:44:24,039

and the local MP has been inundated with

900

00:44:19,420 --> 00:44:26,289

inquiries he then says I should be

901

00:44:24,039 --> 00:44:28,960

grateful if you would have a look at

902

00:44:26,289 --> 00:44:32,710

these papers and let me know whether you

903

00:44:28,960 --> 00:44:34,690

think there may be some need for a

904

00:44:32,710 --> 00:44:37,809

discreet inquiry that it would be

905

00:44:34,690 --> 00:44:44,079

worthwhile and if your staff could find

906

00:44:37,809 --> 00:44:45,730

the time he then finishes his letter

907

00:44:44,079 --> 00:44:47,940

it's talking about whether or not there

908

00:44:45,730 --> 00:44:52,079

is evidence for a more serious

909

00:44:47,940 --> 00:44:55,389

specialist inquiry anchor and finishes I

910

00:44:52,079 --> 00:44:57,670

have not committed you in any way and I

911

00:44:55,389 --> 00:45:02,259

have not even told the minister

912

00:44:57,670 --> 00:45:04,329

I am consulting you well the minister

913  
00:45:02,260 --> 00:45:08,230  
was the one answering parliamentary

914  
00:45:04,329 --> 00:45:10,960  
questions on this I think that's

915  
00:45:08,230 --> 00:45:13,210  
actually quite curious firstly because

916  
00:45:10,960 --> 00:45:16,690  
it means that it shows basically that

917  
00:45:13,210 --> 00:45:21,010  
the old adage ignorance is bliss rings

918  
00:45:16,690 --> 00:45:23,110  
true the minister was unable to give the

919  
00:45:21,010 --> 00:45:26,440  
truth because plausible deniability

920  
00:45:23,110 --> 00:45:30,610  
applied the officials at the mo D hadn't

921  
00:45:26,440 --> 00:45:33,130  
told him but I understand why they were

922  
00:45:30,610 --> 00:45:40,480  
interested because as I said Wes Wells

923  
00:45:33,130 --> 00:45:45,780  
was a very very very vulnerable space at

924  
00:45:40,480 --> 00:45:49,659  
that time and researched released since

925  
00:45:45,780 --> 00:45:52,630  
1977 has shown that Wales and West Wales

926  
00:45:49,659 --> 00:45:54,969  
in particular was a nuclear on the

927

00:45:52,630 --> 00:45:59,230  
nuclear strike list for the Soviets and

928

00:45:54,969 --> 00:46:03,509  
it's not hard to see why so why did

929

00:45:59,230 --> 00:46:08,500  
these UFOs wherever they come from

930

00:46:03,510 --> 00:46:10,270  
choose this part of Wales is it because

931

00:46:08,500 --> 00:46:12,130  
of the work that we were doing there

932

00:46:10,269 --> 00:46:16,509  
it's a question that you could

933

00:46:12,130 --> 00:46:18,130  
legitimately apply to the landing of an

934

00:46:16,510 --> 00:46:21,760  
unexplained object in Rendlesham forest

935

00:46:18,130 --> 00:46:24,940  
in December 1980 because of course those

936

00:46:21,760 --> 00:46:28,059  
spaces weren't just holding nuclear

937

00:46:24,940 --> 00:46:30,938  
weapons as we know now but

938

00:46:28,059 --> 00:46:34,269  
were located in close proximity to

939

00:46:30,938 --> 00:46:37,719  
top-secret radar installations as well

940

00:46:34,268 --> 00:46:40,598  
and radar research and there's a great

941

00:46:37,719 --> 00:46:41,979  
deal of speculation that I don't want to

942  
00:46:40,599 --> 00:46:44,588  
go into really but a great deal of

943  
00:46:41,978 --> 00:46:46,538  
speculation about the nature of that

944  
00:46:44,588 --> 00:46:49,170  
research and what it might have had to

945  
00:46:46,539 --> 00:46:51,309  
do with the object they saw in the woods

946  
00:46:49,170 --> 00:46:57,028  
and you can draw your own conclusions

947  
00:46:51,309 --> 00:47:00,009  
about that but I did have to ask myself

948  
00:46:57,028 --> 00:47:04,869  
why is it that these objects disappeared

949  
00:47:00,009 --> 00:47:06,608  
in situ and vanish and this probably

950  
00:47:04,869 --> 00:47:08,528  
isn't a popular theory amongst people

951  
00:47:06,608 --> 00:47:11,288  
who would like to believe that there is

952  
00:47:08,528 --> 00:47:14,588  
there are tangible objects visiting us

953  
00:47:11,289 --> 00:47:16,420  
from outer space but that sort of

954  
00:47:14,588 --> 00:47:19,449  
behavior these images these objects that

955  
00:47:16,420 --> 00:47:21,548

sort of slip in and out on radar implies

956

00:47:19,449 --> 00:47:25,108

to me something that's more paranormal

957

00:47:21,548 --> 00:47:27,909

in nature than it is nuts and bolts

958

00:47:25,108 --> 00:47:29,920

having said that who's to say that

959

00:47:27,909 --> 00:47:33,219

another very advanced nuts-and-bolts

960

00:47:29,920 --> 00:47:34,688

craft hasn't perfected the ability to do

961

00:47:33,219 --> 00:47:35,499

these things which are beyond our

962

00:47:34,688 --> 00:47:41,379

understanding

963

00:47:35,498 --> 00:47:43,778

it's certainly beyond mine and on that

964

00:47:41,380 --> 00:47:46,088

note but I'd like to do is to open the

965

00:47:43,778 --> 00:47:50,548

floor to some questions because I think

966

00:47:46,088 --> 00:47:50,548

I've spoken enough thank you

967

00:47:58,079 --> 00:48:15,869

yes about the same time yes at the same

968

00:48:12,699 --> 00:48:15,869

time of 1977

969

00:48:24,349 --> 00:48:31,799

well I am I'm aware that there was

970  
00:48:28,530 --> 00:48:33,780  
certainly sightings of Gower and one of

971  
00:48:31,800 --> 00:48:35,610  
the one of the sightings was the one I

972  
00:48:33,780 --> 00:48:37,769  
referred to earlier about the boys who'd

973  
00:48:35,610 --> 00:48:41,099  
seen something in their field and his

974  
00:48:37,769 --> 00:48:43,019  
father was in Bishop's turn another

975  
00:48:41,099 --> 00:48:45,739  
sighting actually occurred to an artist

976  
00:48:43,019 --> 00:48:50,219  
they've been very very very near there

977  
00:48:45,739 --> 00:48:52,199  
and she I'm not referring to it's mr.

978  
00:48:50,219 --> 00:48:57,119  
Petts I'm not referring to him another

979  
00:48:52,199 --> 00:48:59,579  
artist - she's she lived on on North Way

980  
00:48:57,119 --> 00:49:02,250  
actually on the road there Santa kaua

981  
00:48:59,579 --> 00:49:08,039  
and she was doing the washing up one

982  
00:49:02,250 --> 00:49:10,110  
afternoon and she said she became aware

983  
00:49:08,039 --> 00:49:14,730  
of an object flying immediately overhead

984  
00:49:10,110 --> 00:49:16,079  
and she ran out into the garden and she

985  
00:49:14,730 --> 00:49:19,619  
looked up and she said it was a

986  
00:49:16,079 --> 00:49:24,599  
spherical shaped object again brushed

987  
00:49:19,619 --> 00:49:26,159  
gray aluminium and she said the phrase

988  
00:49:24,599 --> 00:49:27,989  
which sticks in my mind and this is a

989  
00:49:26,159 --> 00:49:29,849  
long time ago but I'm just using the

990  
00:49:27,989 --> 00:49:33,059  
words that she used she said the

991  
00:49:29,849 --> 00:49:37,170  
underneath of the craft was composed of

992  
00:49:33,059 --> 00:49:37,949  
many shining radiating filaments the

993  
00:49:37,170 --> 00:49:41,309  
word she used

994  
00:49:37,949 --> 00:49:43,230  
radiating filaments which made it sound

995  
00:49:41,309 --> 00:49:46,559  
like a very intricate object and this

996  
00:49:43,230 --> 00:49:50,250  
was very shortly after the or maybe even

997  
00:49:46,559 --> 00:49:55,139  
the same day as Andrew Everson sighting

998

00:49:50,250 --> 00:50:03,840  
in in Bishop's turn there were sightings

999  
00:49:55,139 --> 00:50:05,190  
over our much later in 1996 898 in

1000  
00:50:03,840 --> 00:50:09,539  
October 1980

1001  
00:50:05,190 --> 00:50:12,869  
almost 21 years later and those

1002  
00:50:09,539 --> 00:50:17,009  
sightings were queried by our been

1003  
00:50:12,869 --> 00:50:19,500  
Member of Parliament Martin Katyn who

1004  
00:50:17,010 --> 00:50:24,770  
actually put the questions down at my

1005  
00:50:19,500 --> 00:50:27,269  
request at the time and those questions

1006  
00:50:24,769 --> 00:50:29,429  
pertain to a series of lights that have

1007  
00:50:27,269 --> 00:50:33,820  
been seen over Gower that night which

1008  
00:50:29,429 --> 00:50:37,949  
were pursued by two Sea King helicopters

1009  
00:50:33,820 --> 00:50:41,830  
both of those one of those helicopters

1010  
00:50:37,949 --> 00:50:47,049  
landed at Swansea Airport on the night

1011  
00:50:41,829 --> 00:50:48,429  
of the incident and quite frankly the

1012  
00:50:47,050 --> 00:50:50,019

details of what happened at Swansea

1013

00:50:48,429 --> 00:50:52,210

Airport like that like something out of

1014

00:50:50,019 --> 00:50:52,780

The X Files I'll go into what happened

1015

00:50:52,210 --> 00:50:58,659

in a minute

1016

00:50:52,780 --> 00:51:00,370

but the point is that many many people

1017

00:50:58,659 --> 00:51:05,469

over Gareth at night saw something and

1018

00:51:00,369 --> 00:51:11,170

the mo D attributed it to a military

1019

00:51:05,469 --> 00:51:13,959

exercise essentially which it could have

1020

00:51:11,170 --> 00:51:16,539

been who knows but what what is

1021

00:51:13,960 --> 00:51:18,820

interesting is that shortly after the

1022

00:51:16,539 --> 00:51:21,849

event I I was lucky enough to speak to

1023

00:51:18,820 --> 00:51:24,130

somebody who worked at the airport who

1024

00:51:21,849 --> 00:51:29,319

told me that the objects had been

1025

00:51:24,130 --> 00:51:31,869

tracked on radar I didn't I didn't see

1026

00:51:29,320 --> 00:51:33,490

any sort of hard evidence of that so I

1027  
00:51:31,869 --> 00:51:34,659  
can't tell you if that's true I'm just

1028  
00:51:33,489 --> 00:51:41,019  
telling you what I was told

1029  
00:51:34,659 --> 00:51:44,369  
and I was told that the airport

1030  
00:51:41,019 --> 00:51:49,059  
that night was visited by a large

1031  
00:51:44,369 --> 00:51:52,869  
unmarked car which was dark and which

1032  
00:51:49,059 --> 00:51:56,440  
was parked on the runway without without

1033  
00:51:52,869 --> 00:51:58,559  
official clearance to be there and had

1034  
00:51:56,440 --> 00:52:01,059  
its headlights switched to full beam and

1035  
00:51:58,559 --> 00:52:03,849  
that one of the helicopters which had

1036  
00:52:01,059 --> 00:52:07,119  
been involved in these maneuvers used

1037  
00:52:03,849 --> 00:52:11,739  
that beam to land from the car to land

1038  
00:52:07,119 --> 00:52:16,690  
at the airport that night now I have no

1039  
00:52:11,739 --> 00:52:18,429  
idea what was going on but I have no

1040  
00:52:16,690 --> 00:52:20,019  
doubt that it that happened because I

1041  
00:52:18,429 --> 00:52:21,579  
was one of the people who saw it I saw

1042  
00:52:20,019 --> 00:52:24,969  
one of these helicopters and lights

1043  
00:52:21,579 --> 00:52:30,159  
myself so but you know many people did

1044  
00:52:24,969 --> 00:52:31,569  
the Coast Guard saw it and of course it

1045  
00:52:30,159 --> 00:52:34,089  
was all it was or distant military

1046  
00:52:31,570 --> 00:52:37,120  
exercise but they can tell you at the

1047  
00:52:34,090 --> 00:52:40,210  
time it felt very different to that but

1048  
00:52:37,119 --> 00:52:43,349  
again it's it's it's one of those events

1049  
00:52:40,210 --> 00:52:48,889  
which hasn't been explained

1050  
00:52:43,349 --> 00:52:50,940  
another question government yes if we

1051  
00:52:48,889 --> 00:52:53,009  
believe and what we're told

1052  
00:52:50,940 --> 00:52:56,880  
French government the South American

1053  
00:52:53,010 --> 00:52:59,700  
government etc etc a very minded about

1054  
00:52:56,880 --> 00:53:02,369  
UFOs that's what we learn to believe

1055

00:52:59,699 --> 00:53:03,539  
would you agree with that well not which

1056  
00:53:02,369 --> 00:53:07,230  
is the other government you mentioned

1057  
00:53:03,539 --> 00:53:08,460  
South American obviously not so I know

1058  
00:53:07,230 --> 00:53:10,829  
there are lots of countries in South

1059  
00:53:08,460 --> 00:53:15,179  
America sleeper but what the point of

1060  
00:53:10,829 --> 00:53:18,599  
making is if there there's a fair about

1061  
00:53:15,179 --> 00:53:22,559  
it why the British and possibly the

1062  
00:53:18,599 --> 00:53:24,750  
Americans so secretive what's going what

1063  
00:53:22,559 --> 00:53:26,519  
it would be you would assume that they'd

1064  
00:53:24,750 --> 00:53:30,960  
all be saved in the same hymn sheet or

1065  
00:53:26,519 --> 00:53:32,519  
not yeah well I think it's a good

1066  
00:53:30,960 --> 00:53:34,670  
question so firstly yes I would agree

1067  
00:53:32,519 --> 00:53:37,139  
that there are many governments who are

1068  
00:53:34,670 --> 00:53:39,720  
farmer minded about it and the French

1069  
00:53:37,139 --> 00:53:41,699

certainly third I think they're their

1070

00:53:39,719 --> 00:53:44,219  
official investigative group is still

1071

00:53:41,699 --> 00:53:47,519  
ongoing actually I'm not sure ever

1072

00:53:44,219 --> 00:53:51,209  
disbanded but the Belgium the Belgians

1073

00:53:47,519 --> 00:53:53,429  
of course have been were extremely

1074

00:53:51,210 --> 00:53:55,289  
historically vocal about a series of

1075

00:53:53,429 --> 00:53:58,199  
sightings the wave of triangular-shaped

1076

00:53:55,289 --> 00:54:02,039  
UFOs that were seen over over Belgium

1077

00:53:58,199 --> 00:54:03,569  
and that fateful night and so much so

1078

00:54:02,039 --> 00:54:05,610  
that they went on bloody national

1079

00:54:03,570 --> 00:54:09,660  
television and show people the radar

1080

00:54:05,610 --> 00:54:12,570  
tapes so yes I would agree that some

1081

00:54:09,659 --> 00:54:15,989  
governments are more and more open about

1082

00:54:12,570 --> 00:54:18,570  
it the question of why some governments

1083

00:54:15,989 --> 00:54:21,569  
are not I think it basically boils down

1084  
00:54:18,570 --> 00:54:26,550  
to what those governments might have to

1085  
00:54:21,570 --> 00:54:28,860  
gain so and I'm just talking off the top

1086  
00:54:26,550 --> 00:54:32,280  
of my head here I heard I but I do

1087  
00:54:28,860 --> 00:54:35,250  
believe that it's quite possible that

1088  
00:54:32,280 --> 00:54:39,450  
the more developed countries militarily

1089  
00:54:35,250 --> 00:54:41,789  
may have more more at stake and I think

1090  
00:54:39,449 --> 00:54:45,449  
what I mean by that is there are

1091  
00:54:41,789 --> 00:54:47,940  
obviously military learnings that the

1092  
00:54:45,449 --> 00:54:49,980  
government and our armed forces can make

1093  
00:54:47,940 --> 00:54:53,849  
from this phenomenon and indeed that's

1094  
00:54:49,980 --> 00:54:55,740  
what project condign and it is really

1095  
00:54:53,849 --> 00:54:58,409  
well worth a little read if you can go

1096  
00:54:55,739 --> 00:55:00,829  
download it from the mo DS website is is

1097  
00:54:58,409 --> 00:55:03,659  
really well worth well worth a look

1098  
00:55:00,829 --> 00:55:05,909  
because it shows that knew the

1099  
00:55:03,659 --> 00:55:08,759  
government has considered learning from

1100  
00:55:05,909 --> 00:55:11,368  
this phenomenon to apply to military

1101  
00:55:08,760 --> 00:55:13,560  
applications and and I would suggest

1102  
00:55:11,369 --> 00:55:15,180  
that's probably why they were they work

1103  
00:55:13,559 --> 00:55:17,039  
they're probably more secret about it

1104  
00:55:15,179 --> 00:55:18,539  
I'm certainly not proposing that the

1105  
00:55:17,039 --> 00:55:21,920  
government has a crashed flying saucer

1106  
00:55:18,539 --> 00:55:21,920  
in a hangar

1107  
00:55:24,139 --> 00:55:30,750  
I also think that the mo D has been

1108  
00:55:28,139 --> 00:55:35,579  
quite canny in how they've dealt with

1109  
00:55:30,750 --> 00:55:38,880  
this so the term unidentified flying

1110  
00:55:35,579 --> 00:55:42,210  
object has basically been dispensed with

1111  
00:55:38,880 --> 00:55:45,300  
and unidentified aerial phenomena and

1112

00:55:42,210 --> 00:55:49,710  
there's no common parlance in government

1113  
00:55:45,300 --> 00:55:51,150  
well certainly in the mo D but the

1114  
00:55:49,710 --> 00:55:53,039  
effect of doing that it's actually quite

1115  
00:55:51,150 --> 00:55:55,440  
convenient because if somebody decides

1116  
00:55:53,039 --> 00:55:57,719  
to place a Freedom of Information Act

1117  
00:55:55,440 --> 00:56:00,690  
request asking for information that our

1118  
00:55:57,719 --> 00:56:04,949  
government has on UFOs basically means

1119  
00:56:00,690 --> 00:56:06,570  
they can quite legitimately say because

1120  
00:56:04,949 --> 00:56:08,429  
you didn't ask for unidentified aerial

1121  
00:56:06,570 --> 00:56:10,019  
phenomena all right and how many people

1122  
00:56:08,429 --> 00:56:11,059  
in the general public are going to be

1123  
00:56:10,019 --> 00:56:12,929  
thinking oh I know

1124  
00:56:11,059 --> 00:56:14,699  
unidentified aerial for not it's quite

1125  
00:56:12,929 --> 00:56:17,489  
interesting Hillary Clinton used the

1126  
00:56:14,699 --> 00:56:19,189

term recently at an interview and make

1127

00:56:17,489 --> 00:56:21,509

the point that that is the phrase that

1128

00:56:19,190 --> 00:56:23,280

she's aware of so she's obviously been

1129

00:56:21,510 --> 00:56:29,520

briefed on the subject by her campaign

1130

00:56:23,280 --> 00:56:31,320

manager but it's it's certainly you know

1131

00:56:29,519 --> 00:56:33,119

it's a clever way of getting around the

1132

00:56:31,320 --> 00:56:33,840

stuff I know her German Jenny mentioned

1133

00:56:33,119 --> 00:56:35,850

it oh really

1134

00:56:33,840 --> 00:56:39,269

no no murder unidentified aerial

1135

00:56:35,849 --> 00:56:41,819

phenomena and the other point worth

1136

00:56:39,269 --> 00:56:44,699

mentioning is that the the way in which

1137

00:56:41,820 --> 00:56:46,289

they they they the government would

1138

00:56:44,699 --> 00:56:49,289

investigate reports of this sort of

1139

00:56:46,289 --> 00:56:52,380

thing is that they will often consult a

1140

00:56:49,289 --> 00:56:54,840

private contractor a private contractor

1141  
00:56:52,380 --> 00:56:57,090  
who runs our radar systems in the UK

1142  
00:56:54,840 --> 00:56:59,010  
whereas the government is obliged to

1143  
00:56:57,090 --> 00:56:59,460  
give you whatever information that you

1144  
00:56:59,010 --> 00:57:02,610  
ask

1145  
00:56:59,460 --> 00:57:08,099  
or or at least to consider it this

1146  
00:57:02,610 --> 00:57:09,990  
private contractor isn't so I do think

1147  
00:57:08,099 --> 00:57:13,139  
that I do think there is a possibility

1148  
00:57:09,989 --> 00:57:14,489  
that the government although I hope you

1149  
00:57:13,139 --> 00:57:16,789  
working at the EMA D and I know they

1150  
00:57:14,489 --> 00:57:19,559  
have in deeper than their UFO desk

1151  
00:57:16,789 --> 00:57:21,840  
although that's all well and true it

1152  
00:57:19,559 --> 00:57:23,909  
doesn't mean they're not employing an

1153  
00:57:21,840 --> 00:57:27,800  
external agency to continue this work

1154  
00:57:23,909 --> 00:57:31,289  
and I wouldn't discount that possibility

1155  
00:57:27,800 --> 00:57:32,490  
thank you okay then years ago you know

1156  
00:57:31,289 --> 00:57:36,230  
when you first started coming

1157  
00:57:32,489 --> 00:57:39,899  
inquisitive many strange things happen

1158  
00:57:36,230 --> 00:57:43,320  
oh I've had numerous accounts of see

1159  
00:57:39,900 --> 00:57:59,690  
paralysis strange electronic sounds in

1160  
00:57:43,320 --> 00:58:02,660  
the bedroom just wandering strangers

1161  
00:57:59,690 --> 00:58:06,150  
since you started

1162  
00:58:02,659 --> 00:58:09,179  
III I'm so I'm certainly aware of a

1163  
00:58:06,150 --> 00:58:12,269  
great many people so John keel John keel

1164  
00:58:09,179 --> 00:58:14,579  
is a researcher Reedus books it's yeah

1165  
00:58:12,269 --> 00:58:17,340  
really really good example of somebody

1166  
00:58:14,579 --> 00:58:18,809  
who's looked at this phenomenon and

1167  
00:58:17,340 --> 00:58:21,390  
encounter it many many many strange

1168  
00:58:18,809 --> 00:58:23,730  
things I think the problem with these

1169

00:58:21,389 --> 00:58:25,559  
sorts of experiences as I so I always

1170  
00:58:23,730 --> 00:58:28,380  
say to people there's nobody who wants

1171  
00:58:25,559 --> 00:58:31,349  
to see it more than I do because you

1172  
00:58:28,380 --> 00:58:33,599  
know I write about it I I love I love

1173  
00:58:31,349 --> 00:58:35,699  
everything about these sorts of subjects

1174  
00:58:33,599 --> 00:58:36,779  
that's why I write about them I've never

1175  
00:58:35,699 --> 00:58:40,139  
seen a ghost

1176  
00:58:36,780 --> 00:58:42,690  
I've certainly never seen up close you

1177  
00:58:40,139 --> 00:58:44,250  
know a landed UFO or a flying saucer

1178  
00:58:42,690 --> 00:58:48,240  
I've seen some unexplained lights but I

1179  
00:58:44,250 --> 00:58:49,710  
would imagine many people have and

1180  
00:58:48,239 --> 00:58:51,059  
there's no so do i but i will say is

1181  
00:58:49,710 --> 00:58:54,449  
this nobody wants to see it more than me

1182  
00:58:51,059 --> 00:58:56,670  
and I'm not really in the same way that

1183  
00:58:54,449 --> 00:58:59,009

you know pauline Combe sees this object

1184

00:58:56,670 --> 00:59:02,070

or this you know the children see the

1185

00:58:59,010 --> 00:59:04,410

subject I'm not but I'm greatly envious

1186

00:59:02,070 --> 00:59:07,530

of people people who have because I

1187

00:59:04,409 --> 00:59:11,909

think these experiences actually as many

1188

00:59:07,530 --> 00:59:14,730

as they are are very special and

1189

00:59:11,909 --> 00:59:16,649

special because they're rare that's why

1190

00:59:14,730 --> 00:59:20,190

they're special they're so rare and I

1191

00:59:16,650 --> 00:59:25,289

would love to see something but done yet

1192

00:59:20,190 --> 00:59:30,990

is blue it oh yeah nice just listening

1193

00:59:25,289 --> 00:59:33,240

to kind of got more requests oh ok first

1194

00:59:30,989 --> 00:59:35,068

of all when you you know when you say

1195

00:59:33,239 --> 00:59:37,529

the government and you might you might

1196

00:59:35,068 --> 00:59:40,710

to consider you know the actual

1197

00:59:37,530 --> 00:59:42,359

hierarchy like we're not I said we're

1198  
00:59:40,710 --> 00:59:44,099  
not a hundred percent sure that would

1199  
00:59:42,358 --> 00:59:46,798  
unify a lot of research that the

1200  
00:59:44,099 --> 00:59:49,829  
government are necessarily at the top of

1201  
00:59:46,798 --> 00:59:53,358  
the hierarchy so uh maybe propose the

1202  
00:59:49,829 --> 00:59:55,530  
possibility that depending on the level

1203  
00:59:53,358 --> 00:59:56,098  
depending on the level in the area of

1204  
00:59:55,530 --> 00:59:58,500  
government

1205  
00:59:56,099 --> 01:00:01,440  
some people might you know some people

1206  
00:59:58,500 --> 01:00:04,019  
might have she not know what's going on

1207  
01:00:01,440 --> 01:00:06,088  
themselves for example look I'm not

1208  
01:00:04,019 --> 01:00:08,960  
saying this is necessarily true but in

1209  
01:00:06,088 --> 01:00:11,460  
the u.s. the CIA has suffered

1210  
01:00:08,960 --> 01:00:15,210  
30-something levels and the president

1211  
01:00:11,460 --> 01:00:17,608  
can access something like number 17 or

1212  
01:00:15,210 --> 01:00:22,559  
whatever I know it's the need to know

1213  
01:00:17,608 --> 01:00:26,880  
yeah point the point is the point is

1214  
01:00:22,559 --> 01:00:29,900  
very well made because you know it's

1215  
01:00:26,880 --> 01:00:32,579  
quite interesting Tony Blair

1216  
01:00:29,900 --> 01:00:33,510  
specifically requested a briefing on the

1217  
01:00:32,579 --> 01:00:38,490  
subject of UFOs

1218  
01:00:33,510 --> 01:00:40,770  
so did Winston Churchill before he was

1219  
01:00:38,489 --> 01:00:43,679  
elected David Cameron said he would look

1220  
01:00:40,769 --> 01:00:47,579  
into it publicly he said that I don't

1221  
01:00:43,679 --> 01:00:51,568  
know if you ever did Hillary Clinton has

1222  
01:00:47,579 --> 01:00:54,480  
now said that she will Bill Clinton Bill

1223  
01:00:51,568 --> 01:00:56,818  
Clinton at the time plaintiff did and

1224  
01:00:54,480 --> 01:01:00,630  
the camp and Clinton's current campaign

1225  
01:00:56,818 --> 01:01:02,759  
manager claims that they did like one of

1226

01:01:00,630 --> 01:01:05,220  
his biggest regrets working at for Obama

1227  
01:01:02,760 --> 01:01:07,319  
is that he he wasn't able to open the

1228  
01:01:05,219 --> 01:01:09,808  
files but that he wants to push this

1229  
01:01:07,318 --> 01:01:12,058  
through now are these people saying this

1230  
01:01:09,809 --> 01:01:14,400  
because they think it's somehow popular

1231  
01:01:12,059 --> 01:01:16,859  
with the electorate because so many

1232  
01:01:14,400 --> 01:01:20,190  
people believe well maybe maybe not

1233  
01:01:16,858 --> 01:01:23,250  
because I don't know how many if I I

1234  
01:01:20,190 --> 01:01:24,480  
know a great many people working in

1235  
01:01:23,250 --> 01:01:27,239  
politics

1236  
01:01:24,480 --> 01:01:29,579  
the wits and politics I can guarantee

1237  
01:01:27,239 --> 01:01:32,639  
you if I was to go out to one of their

1238  
01:01:29,579 --> 01:01:36,960  
gatherings and start talking about UFOs

1239  
01:01:32,639 --> 01:01:39,299  
I probably get a few laughs so an indeed

1240  
01:01:36,960 --> 01:01:41,250

if you look at the David Cameron pledged

1241

01:01:39,300 --> 01:01:42,720

that well it answered that he gave in a

1242

01:01:41,250 --> 01:01:44,250

he felt obliged to make a joke of the

1243

01:01:42,719 --> 01:01:47,519

subject at the time and the question got

1244

01:01:44,250 --> 01:01:49,108

a great many laughs so but to come back

1245

01:01:47,519 --> 01:01:52,909

to your point about compartmentalized

1246

01:01:49,108 --> 01:01:55,170

information yes I in the United States

1247

01:01:52,909 --> 01:01:59,250

that's absolutely the case there are

1248

01:01:55,170 --> 01:02:03,180

projects that yes yes but I do think

1249

01:01:59,250 --> 01:02:05,969

that it has the UFO phenomenon being

1250

01:02:03,179 --> 01:02:07,739

used to manipulate people and has

1251

01:02:05,969 --> 01:02:09,899

information about the subject being

1252

01:02:07,739 --> 01:02:13,129

leaked in a way which is designed to

1253

01:02:09,900 --> 01:02:16,139

influence people absolutely it has and

1254

01:02:13,130 --> 01:02:18,990

you only have to look at the way in

1255  
01:02:16,139 --> 01:02:21,659  
which the US government and the CIA in

1256  
01:02:18,989 --> 01:02:24,569  
particular deliberately used the myth of

1257  
01:02:21,659 --> 01:02:27,449  
the UFO phenomenon during the Cold War

1258  
01:02:24,570 --> 01:02:29,430  
to test fly their military aircraft

1259  
01:02:27,449 --> 01:02:32,309  
because of course when they were flying

1260  
01:02:29,429 --> 01:02:35,849  
the u2 ads of the testing facility in

1261  
01:02:32,309 --> 01:02:38,699  
Groom Lake Nevada they basically had a

1262  
01:02:35,849 --> 01:02:40,559  
ready-made explanation in their hands if

1263  
01:02:38,699 --> 01:02:42,389  
anyone decided to see one of these

1264  
01:02:40,559 --> 01:02:44,699  
unpainted objects and report it as a

1265  
01:02:42,389 --> 01:02:46,858  
flying disc that's what it was reported

1266  
01:02:44,699 --> 01:02:48,858  
as it's a bits of flying it's also of

1267  
01:02:46,858 --> 01:02:51,509  
course where they overstep the line

1268  
01:02:48,858 --> 01:02:53,309  
actually quite recently I think was last

1269  
01:02:51,510 --> 01:02:55,470  
year maybe the year before there's been

1270  
01:02:53,309 --> 01:02:57,690  
the CIA bent out on Twitter don't know

1271  
01:02:55,469 --> 01:03:00,059  
how many of you saw it and said remember

1272  
01:02:57,690 --> 01:03:03,200  
all those sightings of flying discs back

1273  
01:03:00,059 --> 01:03:07,559  
in the 60s and 70s quote that was us

1274  
01:03:03,199 --> 01:03:09,269  
well all of the research that's been

1275  
01:03:07,559 --> 01:03:11,730  
done plotting the sightings of flying

1276  
01:03:09,269 --> 01:03:15,119  
discs over America from the summer of

1277  
01:03:11,730 --> 01:03:17,940  
1947 right up to the pretty much you

1278  
01:03:15,119 --> 01:03:20,010  
know in the 60s 70s and 80s all of them

1279  
01:03:17,940 --> 01:03:22,559  
all of that work shows that the

1280  
01:03:20,010 --> 01:03:25,020  
sightings did not overwhelmingly occur

1281  
01:03:22,559 --> 01:03:27,090  
on the flight path of the flight paths

1282  
01:03:25,019 --> 01:03:29,460  
of the u2 and there are other and there

1283

01:03:27,090 --> 01:03:30,900  
other aircraft so they have an

1284  
01:03:29,460 --> 01:03:33,030  
explanation at the time they're quite

1285  
01:03:30,900 --> 01:03:34,289  
willing to use that and twisting it

1286  
01:03:33,030 --> 01:03:36,359  
around those yeah and now

1287  
01:03:34,289 --> 01:03:37,679  
and in UFOs he was just exactly and now

1288  
01:03:36,358 --> 01:03:39,449  
they're quite happy because what's

1289  
01:03:37,679 --> 01:03:41,579  
what's that what's happened is these

1290  
01:03:39,449 --> 01:03:43,499  
sightings still those sightings continue

1291  
01:03:41,579 --> 01:03:45,509  
to this day not just like light

1292  
01:03:43,498 --> 01:03:47,488  
sightings of flying discs but sightings

1293  
01:03:45,509 --> 01:03:49,139  
of triangular aircraft and of course

1294  
01:03:47,489 --> 01:03:51,418  
everyone who's looked into this subject

1295  
01:03:49,139 --> 01:03:52,828  
well it may be very tempting for people

1296  
01:03:51,418 --> 01:03:55,318  
to say oh yes sightings of large

1297  
01:03:52,829 --> 01:03:57,239

triangular aircraft began back in the

1298

01:03:55,318 --> 01:03:59,548

early 1980s well no they didn't actually

1299

01:03:57,239 --> 01:04:01,708

if you go well back the sightings of

1300

01:03:59,548 --> 01:04:04,228

these large triangular aircraft with

1301

01:04:01,708 --> 01:04:06,358

lights at each corner go way way way

1302

01:04:04,228 --> 01:04:09,149

back these are this isn't some sort of

1303

01:04:06,358 --> 01:04:10,588

new phenomenon the reason it became very

1304

01:04:09,150 --> 01:04:13,108

public is because of what happened in

1305

01:04:10,588 --> 01:04:15,268

Belgium that's why it became so public

1306

01:04:13,108 --> 01:04:16,380

and really put it on the map of course

1307

01:04:15,268 --> 01:04:17,548

they're suspected stealth bomber has

1308

01:04:16,380 --> 01:04:19,019

something to do with it but I think it

1309

01:04:17,548 --> 01:04:21,059

probably had nothing to do others

1310

01:04:19,018 --> 01:04:24,718

what was I did in the three cases was it

1311

01:04:21,059 --> 01:04:26,999

on what South Wales right so this is I

1312  
01:04:24,719 --> 01:04:32,309  
miss talking about a case which occurred

1313  
01:04:26,998 --> 01:04:35,248  
in South Wales in 1983 January 1983 when

1314  
01:04:32,309 --> 01:04:37,798  
many people saw I think what you call

1315  
01:04:35,248 --> 01:04:44,009  
the night of the triangles this was many

1316  
01:04:37,798 --> 01:04:45,119  
people saw two very large moat but some

1317  
01:04:44,009 --> 01:04:47,789  
of the reports would say they were very

1318  
01:04:45,119 --> 01:04:51,749  
large to very large triangular shaped

1319  
01:04:47,789 --> 01:04:55,439  
objects with lights at each corner over

1320  
01:04:51,748 --> 01:04:57,298  
over Swansea Valley well these these

1321  
01:04:55,438 --> 01:05:01,918  
these craft as many people probably know

1322  
01:04:57,298 --> 01:05:05,788  
we also seen in Cardiff all over the

1323  
01:05:01,918 --> 01:05:07,498  
Gower and what was immensely impressive

1324  
01:05:05,789 --> 01:05:08,729  
to me when I first became aware of this

1325  
01:05:07,498 --> 01:05:10,288  
because I was actually doing some

1326  
01:05:08,728 --> 01:05:12,058  
research at the library to the Evening

1327  
01:05:10,289 --> 01:05:14,219  
Post and I came across there's a picture

1328  
01:05:12,059 --> 01:05:16,769  
I think many people have seen already of

1329  
01:05:14,219 --> 01:05:18,958  
two triangles right next to each other

1330  
01:05:16,768 --> 01:05:23,428  
but this lady had steps in and drawn and

1331  
01:05:18,958 --> 01:05:24,658  
I followed up on that and I remembered

1332  
01:05:23,429 --> 01:05:29,338  
somebody wrote to me telling me that

1333  
01:05:24,659 --> 01:05:31,499  
they'd been driving driving along just

1334  
01:05:29,338 --> 01:05:34,858  
as he come over the the common aisle

1335  
01:05:31,498 --> 01:05:37,408  
down to the fair would common and they'd

1336  
01:05:34,858 --> 01:05:39,989  
seen two very large objects that were

1337  
01:05:37,409 --> 01:05:42,809  
sort of pointing towards each other over

1338  
01:05:39,989 --> 01:05:45,059  
the road and she said they were a very

1339  
01:05:42,809 --> 01:05:46,349  
high treetop level and they were really

1340

01:05:45,059 --> 01:05:49,140  
really low

1341  
01:05:46,349 --> 01:05:51,420  
humming the sound coming from them and a

1342  
01:05:49,139 --> 01:05:53,868  
lit up like a Christmas tree or the word

1343  
01:05:51,420 --> 01:05:56,338  
cheese lit up like a Christmas tree

1344  
01:05:53,869 --> 01:05:58,380  
there's another one we all know do not

1345  
01:05:56,338 --> 01:06:02,759  
see there I'll go back to my notes see

1346  
01:05:58,380 --> 01:06:07,349  
if you've got 22 witness references now

1347  
01:06:02,759 --> 01:06:08,728  
so 23 22 23 people from that nylund's

1348  
01:06:07,349 --> 01:06:16,099  
many of them saw them at the same time

1349  
01:06:08,728 --> 01:06:18,028  
at different parts of swansea yeah yeah

1350  
01:06:16,099 --> 01:06:22,130  
and what's really interesting about

1351  
01:06:18,028 --> 01:06:24,208  
these reports is that they were you know

1352  
01:06:22,130 --> 01:06:26,579  
everyone described seeing these very

1353  
01:06:24,208 --> 01:06:29,548  
large triangular objects and they

1354  
01:06:26,579 --> 01:06:31,650

continued to be seen and of course today

1355

01:06:29,548 --> 01:06:34,199

we live in the world where any one of us

1356

01:06:31,650 --> 01:06:37,410

can go down the shop if we want and buy

1357

01:06:34,199 --> 01:06:39,150

a sophisticated drone and we all know

1358

01:06:37,409 --> 01:06:42,208

they make us a humming sound and we can

1359

01:06:39,150 --> 01:06:45,088

fly them around and now the question in

1360

01:06:42,208 --> 01:06:49,108

my mind is did they have that sort of

1361

01:06:45,088 --> 01:06:50,458

technology back then well I'm sure they

1362

01:06:49,108 --> 01:06:52,228

weren't selling it over the counter

1363

01:06:50,458 --> 01:06:55,798

because I think I've wanted to buy one

1364

01:06:52,228 --> 01:06:57,868

if they had at that time but they they

1365

01:06:55,798 --> 01:07:00,358

the question is did the military have

1366

01:06:57,869 --> 01:07:01,829

that technology I mean have you

1367

01:07:00,358 --> 01:07:04,048

certainly had stealth bombers and all of

1368

01:07:01,829 --> 01:07:05,249

that but so did that that's what that's

1369  
01:07:04,048 --> 01:07:08,579  
an interesting question because I think

1370  
01:07:05,248 --> 01:07:10,828  
it would be churlish for anyone to just

1371  
01:07:08,579 --> 01:07:13,619  
say right what people saw that night was

1372  
01:07:10,829 --> 01:07:14,880  
a drone and that's it and you know but I

1373  
01:07:13,619 --> 01:07:17,160  
also think it'd be churlish to just to

1374  
01:07:14,880 --> 01:07:19,608  
discount the idea because I've always

1375  
01:07:17,159 --> 01:07:23,518  
thought to myself why would you fly a

1376  
01:07:19,608 --> 01:07:27,208  
top-secret aircraft over a heavily

1377  
01:07:23,518 --> 01:07:28,228  
built-up area like Swansea they took

1378  
01:07:27,208 --> 01:07:30,899  
like a Christmas tree

1379  
01:07:28,228 --> 01:07:34,139  
this up like a Christmas tree unless

1380  
01:07:30,900 --> 01:07:38,068  
that's exactly what you want to do and

1381  
01:07:34,139 --> 01:07:42,768  
what I mean by that is most drones are

1382  
01:07:38,068 --> 01:07:46,978  
used to gather information about people

1383  
01:07:42,768 --> 01:07:48,629  
living in built-up areas so you know you

1384  
01:07:46,978 --> 01:07:51,298  
go out to the deed they use them in the

1385  
01:07:48,630 --> 01:07:54,298  
desert they use it to to listen and on

1386  
01:07:51,298 --> 01:07:56,159  
to people to target people and if that

1387  
01:07:54,298 --> 01:07:57,719  
is your objective if that's what you

1388  
01:07:56,159 --> 01:07:59,730  
want to do then probably

1389  
01:07:57,719 --> 01:08:01,559  
yes the first thing you would do is fly

1390  
01:07:59,730 --> 01:08:06,240  
it over built a barrier if you were

1391  
01:08:01,559 --> 01:08:08,460  
certain that it wouldn't be unsafe so I

1392  
01:08:06,239 --> 01:08:10,259  
not one of these people who says you

1393  
01:08:08,460 --> 01:08:14,760  
know what the scene that night had to

1394  
01:08:10,260 --> 01:08:16,409  
had to have been something on it that's

1395  
01:08:14,760 --> 01:08:18,030  
necessarily unexplained it might well be

1396  
01:08:16,409 --> 01:08:21,599  
that we can explain it but I would say

1397

01:08:18,029 --> 01:08:23,399  
this of the witnesses I spoke to and

1398  
01:08:21,600 --> 01:08:25,140  
you've obviously got you've you've done

1399  
01:08:23,399 --> 01:08:28,710  
a wonderful piece of work here you've

1400  
01:08:25,140 --> 01:08:30,329  
found so many people who saw it many of

1401  
01:08:28,710 --> 01:08:34,020  
them do speak about something very big

1402  
01:08:30,329 --> 01:08:36,029  
and certainly the witnesses I spoke to

1403  
01:08:34,020 --> 01:08:39,510  
spoke about something very big and two

1404  
01:08:36,029 --> 01:08:41,639  
of them as well and I find I find that

1405  
01:08:39,510 --> 01:08:42,750  
more difficult I find that more

1406  
01:08:41,640 --> 01:08:45,119  
difficult because if there's one thing

1407  
01:08:42,750 --> 01:08:50,760  
we know about drones is it tend to be

1408  
01:08:45,119 --> 01:08:54,300  
there once or 3/3 a huge one your jet

1409  
01:08:50,760 --> 01:08:59,780  
plane size to just about then they saw

1410  
01:08:54,300 --> 01:09:02,298  
the two smaller ones all those different

1411  
01:08:59,779 --> 01:09:05,088

different girls

1412

01:09:02,298 --> 01:09:06,470

but either way you know as I stand by

1413

01:09:05,088 --> 01:09:09,528

what I said at the beginning which is

1414

01:09:06,470 --> 01:09:11,720

that are these things real absolutely

1415

01:09:09,529 --> 01:09:13,850

yes and do our government know about

1416

01:09:11,720 --> 01:09:16,338

them absolutely yes and do they want to

1417

01:09:13,850 --> 01:09:19,190

keep them secret from this I think but

1418

01:09:16,338 --> 01:09:23,180

yes it's a very good book all to write a

1419

01:09:19,189 --> 01:09:28,608

pale horse like bill but Caviezel of

1420

01:09:23,180 --> 01:09:30,829

this right yeah yeah what's it called

1421

01:09:28,609 --> 01:09:32,720

again to write the pale horse to ride a

1422

01:09:30,829 --> 01:09:35,479

power horse well the very first

1423

01:09:32,720 --> 01:09:44,930

disability research as he liked in the

1424

01:09:35,479 --> 01:09:48,949

past I'll look it up I'll look it up but

1425

01:09:44,930 --> 01:09:51,319

I I just realized that I said to you

1426  
01:09:48,949 --> 01:09:53,028  
earlier that I had a statement I'd read

1427  
01:09:51,319 --> 01:09:55,430  
you if you'd like to hear it I'll

1428  
01:09:53,029 --> 01:09:58,010  
happily read you this is this is a

1429  
01:09:55,430 --> 01:10:00,400  
statement sent by one of the original

1430  
01:09:58,010 --> 01:10:06,260  
witnesses to the broad Haven UFO

1431  
01:10:00,399 --> 01:10:13,399  
sighting and this is from a chap whose

1432  
01:10:06,260 --> 01:10:17,000  
name is David Davis he says on the 4th

1433  
01:10:13,399 --> 01:10:19,339  
of February 1977 a damp miserable day

1434  
01:10:17,000 --> 01:10:22,699  
brought Haven School in Pembrokeshire

1435  
01:10:19,340 --> 01:10:25,119  
receives a visitation that today 38

1436  
01:10:22,699 --> 01:10:28,929  
years later still remains unexplained

1437  
01:10:25,119 --> 01:10:32,210  
the object was pearlescent silvery gray

1438  
01:10:28,930 --> 01:10:34,670  
approximately 40 feet long torpedo shape

1439  
01:10:32,210 --> 01:10:36,949  
torpedo cigar shaped with an upper dome

1440  
01:10:34,670 --> 01:10:38,840  
section that covered the third central

1441  
01:10:36,949 --> 01:10:41,840  
third of the vehicle and which was

1442  
01:10:38,840 --> 01:10:43,880  
topped with a red pulsating light I was

1443  
01:10:41,840 --> 01:10:46,100  
the last of a dozen or so children to

1444  
01:10:43,880 --> 01:10:48,199  
see the object on that day and although

1445  
01:10:46,100 --> 01:10:50,360  
my particular sighting only lasted just

1446  
01:10:48,199 --> 01:10:52,789  
a few seconds what I saw that day

1447  
01:10:50,359 --> 01:10:53,659  
imprinted itself on my memory like a

1448  
01:10:52,789 --> 01:10:56,260  
photograph

1449  
01:10:53,659 --> 01:10:58,430  
I have never in the last 38 years

1450  
01:10:56,260 --> 01:11:00,970  
exaggerated or sensationalized the

1451  
01:10:58,430 --> 01:11:03,500  
account of what I saw and never

1452  
01:11:00,970 --> 01:11:05,960  
suggested that what we saw was of

1453  
01:11:03,500 --> 01:11:08,359  
extraterrestrial origin and the truth of

1454

01:11:05,960 --> 01:11:10,939  
the matter is that despite years of

1455  
01:11:08,359 --> 01:11:12,739  
extensive research I am still not really

1456  
01:11:10,939 --> 01:11:14,019  
any closer to a satisfactory explanation

1457  
01:11:12,739 --> 01:11:18,789  
for what we

1458  
01:11:14,020 --> 01:11:20,680  
so many suggestions have been made the

1459  
01:11:18,789 --> 01:11:23,050  
what we saw was either an agricultural

1460  
01:11:20,680 --> 01:11:25,390  
vehicle an aircraft from nearby RAF

1461  
01:11:23,050 --> 01:11:28,480  
braudy I'd like to state categorically

1462  
01:11:25,390 --> 01:11:30,070  
that this is not the case as the

1463  
01:11:28,479 --> 01:11:32,529  
majority of the children of the school

1464  
01:11:30,069 --> 01:11:34,479  
myself included came from farming

1465  
01:11:32,529 --> 01:11:37,449  
backgrounds and would have been able to

1466  
01:11:34,479 --> 01:11:39,669  
identify any agricultural vehicle and

1467  
01:11:37,449 --> 01:11:42,880  
because of braudys proximity we were

1468  
01:11:39,670 --> 01:11:46,180

also familiar with almost every RAF

1469

01:11:42,880 --> 01:11:48,850  
aircraft in the skies it was also

1470

01:11:46,180 --> 01:11:50,740  
independently verified that no vehicle

1471

01:11:48,850 --> 01:11:52,840  
was at the location of the sighting on

1472

01:11:50,739 --> 01:11:55,149  
that day and that because of the boggy

1473

01:11:52,840 --> 01:11:58,930  
ground it was impossible for any vehicle

1474

01:11:55,149 --> 01:12:02,379  
to be there our sighting was not the

1475

01:11:58,930 --> 01:12:04,210  
last visit to the school though and I've

1476

01:12:02,380 --> 01:12:06,579  
been known to the children and most of

1477

01:12:04,210 --> 01:12:08,890  
the small community the craft returned a

1478

01:12:06,579 --> 01:12:11,800  
few days later and was on this occasion

1479

01:12:08,890 --> 01:12:16,119  
seen by a teacher and three of the

1480

01:12:11,800 --> 01:12:23,650  
canteen staff finally I just like to add

1481

01:12:16,119 --> 01:12:26,019  
that we witnesses myself included myself

1482

01:12:23,649 --> 01:12:29,619  
especially as the most vocal have had to

1483  
01:12:26,020 --> 01:12:33,220  
endure 38 years of accusations for lying

1484  
01:12:29,619 --> 01:12:36,250  
and some of the most horrific bullying

1485  
01:12:33,220 --> 01:12:38,289  
imaginable yet throughout all that I

1486  
01:12:36,250 --> 01:12:40,989  
have stuck steadfastly to the account

1487  
01:12:38,289 --> 01:12:43,149  
I gave right from the start and I shall

1488  
01:12:40,989 --> 01:12:46,389  
continue to do so until my last breath

1489  
01:12:43,149 --> 01:12:47,500  
or until this matter is solved once and

1490  
01:12:46,390 --> 01:12:51,010  
for all

1491  
01:12:47,500 --> 01:12:54,489  
signed David Davis when I asked mr.

1492  
01:12:51,010 --> 01:13:00,310  
Davis about any potential lod interest

1493  
01:12:54,489 --> 01:13:04,090  
he said there were certainly no D staff

1494  
01:13:00,310 --> 01:13:08,860  
from raf brodie who came to ask us a few

1495  
01:13:04,090 --> 01:13:10,690  
questions although i'm unsure as to

1496  
01:13:08,859 --> 01:13:14,199  
whether this was part of an official

1497  
01:13:10,689 --> 01:13:17,759  
inquiry or not and may have been just an

1498  
01:13:14,199 --> 01:13:17,760  
to professional curiosity

1499  
01:13:18,000 --> 01:13:23,970  
perhaps we'll never know but

1500  
01:13:21,659 --> 01:13:27,720  
I think it's different for everybody to

1501  
01:13:23,970 --> 01:13:30,329  
make their own minds up well when did

1502  
01:13:27,720 --> 01:13:32,750  
you were contact him that was in October

1503  
01:13:30,329 --> 01:13:37,829  
last year

1504  
01:13:32,750 --> 01:13:39,569  
yeah yeah so we had a root of David L

1505  
01:13:37,829 --> 01:13:43,439  
Richards you brought the book UFO wails

1506  
01:13:39,569 --> 01:13:47,609  
I have yeah he contacted David Davis in

1507  
01:13:43,439 --> 01:13:49,919  
about 2001 11:00 service same thing also

1508  
01:13:47,609 --> 01:13:52,229  
you didn't read a statement telling out

1509  
01:13:49,920 --> 01:13:55,109  
he just they would give us a talk last

1510  
01:13:52,229 --> 01:13:58,379  
year about it well if you want to read

1511

01:13:55,109 --> 01:14:01,829  
more of what you said you only did that

1512  
01:13:58,380 --> 01:14:04,920  
because then when this when this book

1513  
01:14:01,829 --> 01:14:08,789  
came out my novel the watchers from this

1514  
01:14:04,920 --> 01:14:11,279  
came out in October last year we were

1515  
01:14:08,789 --> 01:14:13,680  
contacted by journalists and actually

1516  
01:14:11,279 --> 01:14:15,750  
what happened is that David spoke to the

1517  
01:14:13,680 --> 01:14:18,000  
press so if you go online you can google

1518  
01:14:15,750 --> 01:14:20,279  
for tape and UFO and Google News and

1519  
01:14:18,000 --> 01:14:21,840  
you'll see that the full article and

1520  
01:14:20,279 --> 01:14:23,399  
you'll see there's more Ysleta more

1521  
01:14:21,840 --> 01:14:24,449  
about it there as well this works well

1522  
01:14:23,399 --> 01:14:26,399  
with the luck it's it's quite

1523  
01:14:24,449 --> 01:14:33,210  
interesting Stevie would you end up to

1524  
01:14:26,399 --> 01:14:35,129  
you sorry could you stayed a bit low

1525  
01:14:33,210 --> 01:14:38,850

just that we have a new subject

1526

01:14:35,130 --> 01:14:40,079  
many years this seems to be from my

1527

01:14:38,850 --> 01:14:46,110  
point of view that seems to be that

1528

01:14:40,079 --> 01:14:48,390  
always a paranormal element to so much

1529

01:14:46,109 --> 01:14:52,079  
so that the old hypothesis of nuts and

1530

01:14:48,390 --> 01:14:57,240  
bolts seems to be falling away it seems

1531

01:14:52,079 --> 01:14:59,579  
to be coming in to interline with the

1532

01:14:57,239 --> 01:15:01,319  
nick bostrom idea of a kind of

1533

01:14:59,579 --> 01:15:03,000  
simulation hypothesis where we're kind

1534

01:15:01,319 --> 01:15:05,039  
of living in a matrix that that's had a

1535

01:15:03,000 --> 01:15:07,470  
lot of traction in the last month or so

1536

01:15:05,039 --> 01:15:09,750  
with Elon Musk a mountain said to

1537

01:15:07,470 --> 01:15:12,670  
probably get in a major

1538

01:15:09,750 --> 01:15:17,380  
bearing that in mind what do you think

1539

01:15:12,670 --> 01:15:19,840  
is going on do you think and also what

1540  
01:15:17,380 --> 01:15:23,829  
do you think to do all the other the

1541  
01:15:19,840 --> 01:15:27,400  
other of the box cameras so what so I

1542  
01:15:23,829 --> 01:15:29,050  
think it's going on given the many and I

1543  
01:15:27,399 --> 01:15:31,239  
just met because I don't think the

1544  
01:15:29,050 --> 01:15:35,800  
powers that be or the pose that think

1545  
01:15:31,239 --> 01:15:37,599  
they'd be I think that's why it hasn't

1546  
01:15:35,800 --> 01:15:39,489  
been there seems to be a drip feed of

1547  
01:15:37,600 --> 01:15:42,850  
disclosure but I think they won't

1548  
01:15:39,489 --> 01:15:46,559  
disclose we're not really okay it's a

1549  
01:15:42,850 --> 01:15:49,300  
good question and Steve I I think that I

1550  
01:15:46,560 --> 01:15:53,289  
think that if you go back through all of

1551  
01:15:49,300 --> 01:15:57,130  
the the the official documents on this

1552  
01:15:53,289 --> 01:15:59,229  
it's really quite clear that there's a

1553  
01:15:57,130 --> 01:16:01,690  
there's a huge amount of confusion in

1554  
01:15:59,229 --> 01:16:05,159  
government on this and there's also a

1555  
01:16:01,689 --> 01:16:07,809  
huge unwillingness for people to

1556  
01:16:05,159 --> 01:16:09,970  
demonstrate an interest even if they are

1557  
01:16:07,810 --> 01:16:14,860  
interested because they're afraid of

1558  
01:16:09,970 --> 01:16:16,690  
ridicule but I I do agree that if you

1559  
01:16:14,859 --> 01:16:18,759  
were to do so there are two there are

1560  
01:16:16,689 --> 01:16:19,960  
two parts to this so if you if you

1561  
01:16:18,760 --> 01:16:22,420  
accept as I do

1562  
01:16:19,960 --> 01:16:24,220  
but if many of these sightings have this

1563  
01:16:22,420 --> 01:16:28,300  
sort of undercurrent of paranormal

1564  
01:16:24,220 --> 01:16:31,000  
phenomena going on it makes it even more

1565  
01:16:28,300 --> 01:16:32,350  
difficult for people to talk about it

1566  
01:16:31,000 --> 01:16:34,659  
because although people can get their

1567  
01:16:32,350 --> 01:16:37,329  
heads around the craft from outer space

1568

01:16:34,659 --> 01:16:39,189  
may be visiting us the truth of the

1569  
01:16:37,329 --> 01:16:42,789  
matter is if you talk to a witness of

1570  
01:16:39,189 --> 01:16:45,759  
the UFO especially a witness to a close

1571  
01:16:42,789 --> 01:16:47,289  
encounter you'll quickly discover a

1572  
01:16:45,760 --> 01:16:50,680  
number of things you'll quickly discover

1573  
01:16:47,289 --> 01:16:52,119  
that person has the tap perhaps seen a

1574  
01:16:50,680 --> 01:16:53,950  
ghost in their time or believes they've

1575  
01:16:52,119 --> 01:16:57,269  
seen an apparition you'll quickly

1576  
01:16:53,949 --> 01:17:00,579  
discover they have a sensitivity to

1577  
01:16:57,270 --> 01:17:02,470  
electricity that they may have seen

1578  
01:17:00,579 --> 01:17:06,250  
globes of light around their home or

1579  
01:17:02,470 --> 01:17:08,940  
nearby that they may have woken in the

1580  
01:17:06,250 --> 01:17:11,590  
night the sense of presence in the room

1581  
01:17:08,939 --> 01:17:13,659  
perhaps or perhaps not paralyzed or

1582  
01:17:11,590 --> 01:17:19,150

suffering from you know sleep paralysis

1583

01:17:13,659 --> 01:17:21,069

but these things coalesce and I think it

1584

01:17:19,149 --> 01:17:24,399

would be churlish of us

1585

01:17:21,069 --> 01:17:26,049

to discount the possibility that there

1586

01:17:24,399 --> 01:17:28,658

are simply some people who are capable

1587

01:17:26,050 --> 01:17:33,210

of seeing things that other people are

1588

01:17:28,658 --> 01:17:35,859

not capable of seeing Stephen I've

1589

01:17:33,210 --> 01:17:37,029

that's we've come to that conclusion as

1590

01:17:35,859 --> 01:17:40,539

well because we've interviewed a few

1591

01:17:37,029 --> 01:17:42,219

people know well who say they display

1592

01:17:40,539 --> 01:17:44,649

well they've got a certain amount of

1593

01:17:42,219 --> 01:17:47,649

psychic ability they just sense other

1594

01:17:44,649 --> 01:17:50,198

things and they've seen seen UFOs it's

1595

01:17:47,649 --> 01:17:55,059

it is it is it just it is a common theme

1596

01:17:50,198 --> 01:17:58,118

and the other thing I've detected is

1597  
01:17:55,060 --> 01:18:00,310  
this association with electricity so

1598  
01:17:58,118 --> 01:18:04,689  
people who are letter are electrically

1599  
01:18:00,310 --> 01:18:06,280  
hypersensitive that tend to be sometimes

1600  
01:18:04,689 --> 01:18:08,589  
it's not always as sometimes living

1601  
01:18:06,279 --> 01:18:11,710  
close to electrical pylons of things

1602  
01:18:08,590 --> 01:18:13,210  
like that but the there was a there was

1603  
01:18:11,710 --> 01:18:15,639  
a connection here that I don't profess

1604  
01:18:13,210 --> 01:18:17,828  
to be able to understand or explain but

1605  
01:18:15,639 --> 01:18:19,989  
I do think and I'll give you an example

1606  
01:18:17,828 --> 01:18:22,118  
there was the case you may have seen it

1607  
01:18:19,988 --> 01:18:24,638  
in your files but there was going back

1608  
01:18:22,118 --> 01:18:27,698  
to the 1990s probably the late 1990s

1609  
01:18:24,639 --> 01:18:29,319  
though there's a lady that I met who had

1610  
01:18:27,698 --> 01:18:32,379  
seen what she described as an object

1611  
01:18:29,319 --> 01:18:36,069  
hovering over this in Petra queeth

1612  
01:18:32,380 --> 01:18:36,699  
hovering over the house opposite she

1613  
01:18:36,069 --> 01:18:39,250  
woke in the night

1614  
01:18:36,698 --> 01:18:42,759  
a bit like the hotel yeah oh yeah in

1615  
01:18:39,250 --> 01:18:45,550  
yeah and she saw this what she described

1616  
01:18:42,760 --> 01:18:48,520  
as a Michelin Man hovering over the roof

1617  
01:18:45,550 --> 01:18:50,469  
which sounds absolutely absurd right of

1618  
01:18:48,520 --> 01:18:52,239  
the face of it and she said it left a

1619  
01:18:50,469 --> 01:18:53,920  
patch where this thing had been and I

1620  
01:18:52,238 --> 01:18:55,779  
sucked her wet I went to have a look in

1621  
01:18:53,920 --> 01:18:58,000  
it but it looked to me like that a sort

1622  
01:18:55,779 --> 01:18:59,769  
of patch that have been left because of

1623  
01:18:58,000 --> 01:19:03,729  
the chimney above it was some sort of oh

1624  
01:18:59,770 --> 01:19:06,000  
I don't know but all I do know is that

1625

01:19:03,729 --> 01:19:07,928  
after she told me about the sighting I

1626  
01:19:06,000 --> 01:19:10,420  
quickly learned that she'd had other

1627  
01:19:07,929 --> 01:19:12,158  
sightings of strange things and this you

1628  
01:19:10,420 --> 01:19:16,359  
know this interest in psychic phenomena

1629  
01:19:12,158 --> 01:19:18,578  
and I I do I absolutely do not believe

1630  
01:19:16,359 --> 01:19:21,639  
that we're dealing with people here who

1631  
01:19:18,578 --> 01:19:23,198  
have overactive imaginations or anything

1632  
01:19:21,639 --> 01:19:26,230  
like that I generally don't believe that

1633  
01:19:23,198 --> 01:19:28,029  
and I understand I understand why people

1634  
01:19:26,229 --> 01:19:30,609  
who are not familiar with the subject

1635  
01:19:28,029 --> 01:19:32,078  
might leap upon that and say that's the

1636  
01:19:30,609 --> 01:19:33,250  
case when I had

1637  
01:19:32,078 --> 01:19:34,448  
and they might say that because

1638  
01:19:33,250 --> 01:19:36,760  
basically when you're talking about

1639  
01:19:34,448 --> 01:19:38,919

evidence you've basically got three four

1640

01:19:36,760 --> 01:19:40,630

four sorts of evidence you've got you've

1641

01:19:38,920 --> 01:19:42,578

got a witness testimony you've got

1642

01:19:40,630 --> 01:19:45,039

photographic testimony you've got

1643

01:19:42,578 --> 01:19:47,289

physical traces evidence and then

1644

01:19:45,039 --> 01:19:49,779

finally you've got the weight of all the

1645

01:19:47,289 --> 01:19:52,349

evidence to the contrary that says none

1646

01:19:49,779 --> 01:19:55,389

of this has happened to me and therefore

1647

01:19:52,349 --> 01:19:56,980

when you weigh it all up to those people

1648

01:19:55,389 --> 01:20:00,039

who haven't experienced it that makes

1649

01:19:56,979 --> 01:20:02,229

that but that makes that has a powerful

1650

01:20:00,039 --> 01:20:06,729

difference but I would contend that when

1651

01:20:02,229 --> 01:20:08,979

you take when you take the evidence from

1652

01:20:06,729 --> 01:20:11,709

our own experience and when you take the

1653

01:20:08,979 --> 01:20:13,598

evidence from photographic work or when

1654  
01:20:11,710 --> 01:20:16,448  
you take the evidence from ground traces

1655  
01:20:13,599 --> 01:20:17,099  
radiation marks and you bring it all

1656  
01:20:16,448 --> 01:20:20,888  
together

1657  
01:20:17,099 --> 01:20:23,230  
that evidence outweighs what they would

1658  
01:20:20,889 --> 01:20:24,840  
say has never happened and I think that

1659  
01:20:23,229 --> 01:20:26,859  
is steadily the conclusion that

1660  
01:20:24,840 --> 01:20:28,840  
governments who have studied this and

1661  
01:20:26,859 --> 01:20:31,569  
commissioned top-secret studies of it

1662  
01:20:28,840 --> 01:20:33,510  
are coming to and so now I think that

1663  
01:20:31,569 --> 01:20:36,039  
will be a day when people when people

1664  
01:20:33,510 --> 01:20:38,050  
think oh I remember me laughed about all

1665  
01:20:36,039 --> 01:20:40,090  
those people who saw those things you

1666  
01:20:38,050 --> 01:20:41,289  
know and will simply understand it but I

1667  
01:20:40,090 --> 01:20:50,920  
think we're a stage where we don't

1668  
01:20:41,289 --> 01:20:53,229  
understand it just yet flying saucers

1669  
01:20:50,920 --> 01:20:55,059  
making Devon travel distances we're

1670  
01:20:53,229 --> 01:20:57,399  
really a lot of it is in the dimensional

1671  
01:20:55,059 --> 01:20:59,349  
where it's like we talk about spirits

1672  
01:20:57,399 --> 01:21:01,420  
and course to some people just look at

1673  
01:20:59,349 --> 01:21:03,219  
you stupid but if you actually Greek the

1674  
01:21:01,420 --> 01:21:05,199  
universe down in the frequencies which

1675  
01:21:03,219 --> 01:21:07,389  
is what this these are just

1676  
01:21:05,198 --> 01:21:09,250  
consciousness or entities that have I

1677  
01:21:07,389 --> 01:21:12,819  
breathed in a different frequency and

1678  
01:21:09,250 --> 01:21:14,679  
the occasionally come into our yeah and

1679  
01:21:12,819 --> 01:21:16,299  
that it's it's a compelling theory right

1680  
01:21:14,679 --> 01:21:18,969  
because scientists are now saying that

1681  
01:21:16,300 --> 01:21:20,650  
you are able to influence that as a

1682

01:21:18,969 --> 01:21:21,939  
quantum level you were able to influence

1683  
01:21:20,649 --> 01:21:24,729  
something happening somewhere else I

1684  
01:21:21,939 --> 01:21:26,678  
even touching it I hang on what it

1685  
01:21:24,729 --> 01:21:28,269  
sounds like something out of a science

1686  
01:21:26,679 --> 01:21:30,250  
fiction film but there you know suddenly

1687  
01:21:28,270 --> 01:21:32,349  
they're saying so what's what's possible

1688  
01:21:30,250 --> 01:21:34,569  
today also what's impossible today can

1689  
01:21:32,349 --> 01:21:35,710  
sometimes suddenly become possible and

1690  
01:21:34,569 --> 01:21:38,078  
that's why I think when you're studying

1691  
01:21:35,710 --> 01:21:39,969  
this subject it's probably it's prudent

1692  
01:21:38,078 --> 01:21:41,019  
thing not says not to just rush to

1693  
01:21:39,969 --> 01:21:42,189  
conclusions they've got to be this

1694  
01:21:41,020 --> 01:21:44,170  
they've got to be that

1695  
01:21:42,189 --> 01:21:45,399  
treatise we don't know whenever this

1696  
01:21:44,170 --> 01:21:47,409

anyway you know you're not governments

1697

01:21:45,399 --> 01:21:49,779

don't know I think they generally don't

1698

01:21:47,409 --> 01:21:53,859

know if they don't know how are we gonna

1699

01:21:49,779 --> 01:21:55,359

know but I understand yeah can I take

1700

01:21:53,859 --> 01:21:59,500

you back to Bristol for this cares were

1701

01:21:55,359 --> 01:22:00,899

all of us getting out we were used but

1702

01:21:59,500 --> 01:22:03,100

now the people said to me

1703

01:22:00,899 --> 01:22:04,719

people laughed about all that mean

1704

01:22:03,100 --> 01:22:07,719

everything shouldn't have laughed you

1705

01:22:04,719 --> 01:22:09,310

know people people people in the area

1706

01:22:07,719 --> 01:22:10,899

what what's really interesting about all

1707

01:22:09,310 --> 01:22:15,340

the people who live near ripest and farm

1708

01:22:10,899 --> 01:22:19,629

even to this day is that they're really

1709

01:22:15,340 --> 01:22:21,369

open minded about it so they're all I it

1710

01:22:19,630 --> 01:22:24,250

was odd bit when I was I was finishing

1711  
01:22:21,369 --> 01:22:25,809  
the book and I was staying and I hired a

1712  
01:22:24,250 --> 01:22:29,770  
little cottage and I went there and I I

1713  
01:22:25,810 --> 01:22:33,820  
was working on it and I spoke to some

1714  
01:22:29,770 --> 01:22:36,219  
people and they were telling me about

1715  
01:22:33,819 --> 01:22:37,719  
how they'd seen it behave before hotel

1716  
01:22:36,219 --> 01:22:40,359  
under on the cliffs was supposed to be

1717  
01:22:37,719 --> 01:22:41,529  
haunted by a white lady and I said what

1718  
01:22:40,359 --> 01:22:43,089  
do you think of this story about the

1719  
01:22:41,529 --> 01:22:46,779  
white lady and you know there are a

1720  
01:22:43,090 --> 01:22:48,010  
couple of people laughing in the bar and

1721  
01:22:46,779 --> 01:22:49,750  
there was a chap sort of hunched over

1722  
01:22:48,010 --> 01:22:52,480  
his beer in the corner I can see he was

1723  
01:22:49,750 --> 01:22:55,390  
earwiggling and after they went away he

1724  
01:22:52,479 --> 01:22:56,709  
called me open he said to me you're

1725  
01:22:55,390 --> 01:22:59,980  
interested in all these stories about

1726  
01:22:56,710 --> 01:23:01,510  
UFOs he's a yeah I got a story to tell

1727  
01:22:59,979 --> 01:23:04,779  
you and he starts telling me about his

1728  
01:23:01,510 --> 01:23:06,579  
own sighting and what was interesting to

1729  
01:23:04,779 --> 01:23:08,469  
me was that this small community was

1730  
01:23:06,579 --> 01:23:10,059  
quite happy to laugh about the white

1731  
01:23:08,469 --> 01:23:11,948  
lady on the cliffs that someone might

1732  
01:23:10,060 --> 01:23:12,820  
have might a lot of seen but in the next

1733  
01:23:11,948 --> 01:23:16,539  
breath they're going to sit down and

1734  
01:23:12,819 --> 01:23:18,789  
tell you all about the UFO sighting and

1735  
01:23:16,539 --> 01:23:20,680  
I think you know it's a great many

1736  
01:23:18,789 --> 01:23:22,390  
people there who have who have seen

1737  
01:23:20,680 --> 01:23:23,829  
things I actually bumped into a woman

1738  
01:23:22,390 --> 01:23:25,750  
who said to me she doesn't she just

1739

01:23:23,829 --> 01:23:27,969  
moved there she was walking her dogs and

1740  
01:23:25,750 --> 01:23:30,369  
she said to me she had absolutely no

1741  
01:23:27,969 --> 01:23:32,500  
idea that this place was a UFO hotspot

1742  
01:23:30,369 --> 01:23:33,819  
and I told her this and then man you

1743  
01:23:32,500 --> 01:23:35,350  
should have seen her mouth drop because

1744  
01:23:33,819 --> 01:23:38,259  
she said to me you're kidding me

1745  
01:23:35,350 --> 01:23:39,880  
she said I saw something I saw something

1746  
01:23:38,260 --> 01:23:42,670  
a few nights back she said were these

1747  
01:23:39,880 --> 01:23:44,319  
two lights in the sky they were dancing

1748  
01:23:42,670 --> 01:23:47,329  
around together she said I saw something

1749  
01:23:44,319 --> 01:23:48,739  
she's no I never knew this was a UFO she

1750  
01:23:47,329 --> 01:23:52,159  
I'm gonna go and look it up and this is

1751  
01:23:48,739 --> 01:23:53,599  
a woman I met walking her dogs and I kid

1752  
01:23:52,159 --> 01:23:55,489  
you not and it was down just on that

1753  
01:23:53,600 --> 01:23:59,260

damn marine Road near the port aid from

1754

01:23:55,489 --> 01:24:02,119

primary school but I met this woman so

1755

01:23:59,260 --> 01:24:03,829

yeah it never ceases to amaze me sleep

1756

01:24:02,119 --> 01:24:06,109

any research as well he was there

1757

01:24:03,829 --> 01:24:09,069

anything about the landscape were above

1758

01:24:06,109 --> 01:24:09,069

the geographical
