

1
00:00:05,650 --> 00:00:09,600
see please put your hands together

2
00:00:15,009 --> 00:00:28,570
I take that off there wow this is a

3
00:00:25,839 --> 00:00:31,660
fantastic what a great turnout thank you

4
00:00:28,570 --> 00:00:36,070
all for coming thank you to Emmeline for

5
00:00:31,660 --> 00:00:38,230
inviting me and I hope I can keep you

6
00:00:36,070 --> 00:00:41,070
interested I've got quite a lot to get

7
00:00:38,229 --> 00:00:45,729
through tonight so I'm going to get on

8
00:00:41,070 --> 00:00:52,570
pretty quickly it's going to be a

9
00:00:45,729 --> 00:00:59,669
personal journey tonight you know I am

10
00:00:52,570 --> 00:00:59,670
an abductee I am a contact II am I an ET

11
00:01:02,308 --> 00:01:14,978
I'm not sure myself actually good so

12
00:01:07,019 --> 00:01:17,319
let's get started okay so basically you

13
00:01:14,978 --> 00:01:20,260
know I've been involved with a subject

14
00:01:17,319 --> 00:01:23,979
for many many years I've been taken

15
00:01:20,260 --> 00:01:28,180
since I was a child and it runs in my

16
00:01:23,980 --> 00:01:32,260
family both my sisters my mother my

17
00:01:28,180 --> 00:01:35,530
grandmother niece nephew we've all been

18
00:01:32,260 --> 00:01:40,000
taken we all have events that happen to

19
00:01:35,530 --> 00:01:43,000
us and it's ongoing and it continues and

20
00:01:40,000 --> 00:01:45,599
it will always be so I guess so I've

21
00:01:43,000 --> 00:01:49,209
done a great deal of thinking about this

22
00:01:45,599 --> 00:01:52,030
I'm just going to give you a little

23
00:01:49,209 --> 00:01:54,579
rundown of some of my experience because

24
00:01:52,030 --> 00:02:00,540
most of you won't have a clue who I am

25
00:01:54,579 --> 00:02:04,629
I've kept a low profile because my wife

26
00:02:00,540 --> 00:02:09,849
who passed away just over five years ago

27
00:02:04,629 --> 00:02:12,519
she hated the whole subject and it made

28
00:02:09,848 --> 00:02:15,019
life extremely difficult we were married

29

00:02:12,519 --> 00:02:18,770
for almost 40 years and

30
00:02:15,020 --> 00:02:23,590
I want to bring that that aspect of

31
00:02:18,770 --> 00:02:26,330
abductions to you tonight the fact that

32
00:02:23,590 --> 00:02:30,439
where you get one person that's involved

33
00:02:26,330 --> 00:02:33,590
and the partner is not involved or is

34
00:02:30,439 --> 00:02:36,139
not aware of it it creates terrible

35
00:02:33,590 --> 00:02:39,830
problems and the number of people who

36
00:02:36,139 --> 00:02:44,959
are abductees who end up being divorced

37
00:02:39,830 --> 00:02:48,650
or separated is way above average now

38
00:02:44,960 --> 00:02:55,629
this is a place that many of you will

39
00:02:48,650 --> 00:03:00,890
know it's it's a Riverstone farm and

40
00:02:55,629 --> 00:03:04,519
that is a memorial stone to the events

41
00:03:00,889 --> 00:03:06,919
that happened back in the late 1970s I

42
00:03:04,520 --> 00:03:12,020
know you went to broad haven didn't you

43
00:03:06,919 --> 00:03:14,389

and you had a time there you can see

44

00:03:12,020 --> 00:03:21,050

stacks rocks there in the background

45

00:03:14,389 --> 00:03:23,449

I call this memorial stone because it's

46

00:03:21,050 --> 00:03:28,969

been deliberately placed there directly

47

00:03:23,449 --> 00:03:31,659

in a line between stacks rocks and the

48

00:03:28,969 --> 00:03:35,469

farmhouse where the Coombs family lived

49

00:03:31,659 --> 00:03:38,870

and I reckon it's probably where Pauline

50

00:03:35,469 --> 00:03:41,840

Pauline Coombs I think where she saw the

51

00:03:38,870 --> 00:03:44,420

first UFO go down over the cliff when

52

00:03:41,840 --> 00:03:47,990

the whole event started and that's just

53

00:03:44,419 --> 00:03:51,939

a closer point and you can see that the

54

00:03:47,990 --> 00:03:55,100

stone has been drilled through Connolly

55

00:03:51,939 --> 00:03:59,960

through both sides it's the same on both

56

00:03:55,099 --> 00:04:01,759

sides so it's it's going smaller as it

57

00:03:59,960 --> 00:04:03,439

gets towards the middle and then it goes

58
00:04:01,759 --> 00:04:09,349
out again at the other side and this is

59
00:04:03,439 --> 00:04:14,060
red granite so it's extremely hard and I

60
00:04:09,349 --> 00:04:19,129
hope you can see that's just about here

61
00:04:14,060 --> 00:04:22,639
in the middle that there looks to be an

62
00:04:19,129 --> 00:04:25,389
area where the the granite has flowed

63
00:04:22,639 --> 00:04:29,680
maybe you know

64
00:04:25,389 --> 00:04:34,269
has it become molten by whatever has got

65
00:04:29,680 --> 00:04:38,139
this so who has who was placed this

66
00:04:34,269 --> 00:04:42,218
stone there is it the ETS that are

67
00:04:38,139 --> 00:04:43,269
placed it there I don't know but anyway

68
00:04:42,218 --> 00:04:48,459
it's interesting

69
00:04:43,269 --> 00:04:50,799
so crop circles I'm quite well known for

70
00:04:48,459 --> 00:04:53,498
my crop circle research have been

71
00:04:50,800 --> 00:04:57,610
involved with it for I don't know well

72
00:04:53,499 --> 00:05:00,849
over 20 years now every summer I've gone

73
00:04:57,610 --> 00:05:03,848
down to well sure for the last 18 years

74
00:05:00,848 --> 00:05:07,930
anyway and I've been in hundreds of crop

75
00:05:03,848 --> 00:05:10,000
circles some most mostly man-made but

76
00:05:07,930 --> 00:05:13,689
just the odd world the genuine and that

77
00:05:10,000 --> 00:05:16,050
one is a genuine crop circle this one

78
00:05:13,689 --> 00:05:21,729
occurred bit Bishop scannings

79
00:05:16,050 --> 00:05:25,288
near devices in 1999 you can see that

80
00:05:21,728 --> 00:05:31,378
the the extraordinarily extraordinary

81
00:05:25,288 --> 00:05:35,709
basket weave designed to the thing and

82
00:05:31,379 --> 00:05:41,080
such a thing has never been repeated but

83
00:05:35,709 --> 00:05:45,579
it's it's an absolute beauty and sorry

84
00:05:41,079 --> 00:05:45,848
wrong way and there's my partner in

85
00:05:45,579 --> 00:05:48,128
crime

86

00:05:45,848 --> 00:05:50,968
Dave Katyn many of you will probably

87
00:05:48,129 --> 00:05:50,968
recognize him

88
00:05:51,550 --> 00:05:56,228
Dave done a great deal on the animal

89
00:05:54,459 --> 00:05:58,329
mutilations stuff and I know he came

90
00:05:56,228 --> 00:06:01,348
down here and spoke about that he sends

91
00:05:58,329 --> 00:06:06,668
his best wishes to you all by the way

92
00:06:01,348 --> 00:06:09,688
yeah great guy that one crop circle I

93
00:06:06,668 --> 00:06:12,788
never went into her thing tonight 2004

94
00:06:09,689 --> 00:06:14,919
furs and all again their devices and I

95
00:06:12,788 --> 00:06:20,139
want to just put it in just to show you

96
00:06:14,918 --> 00:06:27,758
the beautiful swirling of the of the

97
00:06:20,139 --> 00:06:30,879
crop perfect no deviations and it's been

98
00:06:27,759 --> 00:06:34,479
created by energy so that's the real

99
00:06:30,879 --> 00:06:36,100
thing that one was the what we call the

100
00:06:34,478 --> 00:06:43,060

hubcap formation

101

00:06:36,100 --> 00:06:45,430

I was that was 2001 that came about a

102

00:06:43,060 --> 00:06:48,430

fortnight no less maybe seven days

103

00:06:45,430 --> 00:06:51,730

before the real big one the the galaxy

104

00:06:48,430 --> 00:06:56,709

formation on milk Hill which is the

105

00:06:51,730 --> 00:06:58,870

famous one that is often shown I was the

106

00:06:56,709 --> 00:07:03,509

first person to set foot in that crop

107

00:06:58,870 --> 00:07:03,509

circle and it was absolutely perfect

108

00:07:03,810 --> 00:07:11,189

that's Dave in the crop circle

109

00:07:07,290 --> 00:07:11,189

photographing we went in in the evening

110

00:07:11,730 --> 00:07:19,270

and there's the lay of the crop in the

111

00:07:15,160 --> 00:07:21,640

in the outer ring its barley and you can

112

00:07:19,269 --> 00:07:24,039

see how well it's not actually flattened

113

00:07:21,639 --> 00:07:26,680

to the ground it's it's a bit like

114

00:07:24,040 --> 00:07:29,920

feathers in fact that's what Dave said

115
00:07:26,680 --> 00:07:33,060
on the on the day there's one of the

116
00:07:29,920 --> 00:07:36,310
centres again beautifully swirled and

117
00:07:33,060 --> 00:07:40,959
there's the centre of the crop circle

118
00:07:36,310 --> 00:07:45,160
and that's my hand and I want you to

119
00:07:40,959 --> 00:07:50,019
notice how tightly this has been swirled

120
00:07:45,160 --> 00:07:52,120
around here and it's obviously a vortex

121
00:07:50,019 --> 00:07:57,099
of energy which is which is created

122
00:07:52,120 --> 00:08:00,879
though so I just thought had show you a

123
00:07:57,100 --> 00:08:03,070
little bit about crop circles UFO

124
00:08:00,879 --> 00:08:07,569
sightings have been researching notes

125
00:08:03,069 --> 00:08:11,920
for god knows how long 30 odd years this

126
00:08:07,569 --> 00:08:16,089
particular craft was photographed by my

127
00:08:11,920 --> 00:08:19,840
friend Eric Thomason Muslim beach in

128
00:08:16,089 --> 00:08:23,919
Australia I went over to Australia

129
00:08:19,839 --> 00:08:26,560
especially to meet Eric and to go to the

130
00:08:23,920 --> 00:08:29,080
location where this this took place and

131
00:08:26,560 --> 00:08:32,769
these photographs are ones which I

132
00:08:29,079 --> 00:08:38,250
fetched back from Australia these are

133
00:08:32,769 --> 00:08:41,769
the best quality that anybody has and I

134
00:08:38,250 --> 00:08:44,769
actually gave them to Richard Hall who

135
00:08:41,769 --> 00:08:48,850
we've helped we actually helped to get

136
00:08:44,769 --> 00:08:51,159
him started really I'll explain it in

137
00:08:48,850 --> 00:08:53,649
little little while Bella so Richard

138
00:08:51,159 --> 00:08:55,419
does a good job so I gave him these

139
00:08:53,649 --> 00:09:01,750
pictures so that he could show them on

140
00:08:55,419 --> 00:09:04,569
his his tours and it's showing you the

141
00:09:01,750 --> 00:09:07,210
large craft here which is about a

142
00:09:04,570 --> 00:09:10,600
hundred feet in diameter and there's a

143

00:09:07,210 --> 00:09:14,110
small one here which is actually coming

144
00:09:10,600 --> 00:09:16,120
in and it's going to dock with the large

145
00:09:14,110 --> 00:09:18,250
craft this is I think there were there

146
00:09:16,120 --> 00:09:20,860
were four photographs in total and this

147
00:09:18,250 --> 00:09:22,570
is the last one of them and if you can

148
00:09:20,860 --> 00:09:26,169
expect wonder if I've got a close-up of

149
00:09:22,570 --> 00:09:31,170
that yeah you can actually see the

150
00:09:26,169 --> 00:09:34,689
tractor beams underneath the large craft

151
00:09:31,169 --> 00:09:40,299
where this disc is being pulled up into

152
00:09:34,690 --> 00:09:43,089
a hole in them in the middle you'll be

153
00:09:40,299 --> 00:09:48,009
able to see that much more clearly when

154
00:09:43,089 --> 00:09:52,839
when the film of this is it's done but

155
00:09:48,009 --> 00:09:56,319
an amazing thing came up out of the sea

156
00:09:52,839 --> 00:09:59,350
and Eric SOI come up out of the sea and

157
00:09:56,320 --> 00:10:03,879

it flew over him and dripped water on

158

00:09:59,350 --> 00:10:06,159

him as it has they joined together and

159

00:10:03,879 --> 00:10:09,070

then just shot up into the sky within

160

00:10:06,159 --> 00:10:13,959

seconds it was you know lost his sight

161

00:10:09,070 --> 00:10:17,440

and that that's that's me with Pauline

162

00:10:13,960 --> 00:10:21,540

and Eric Thomason absolutely wonderful

163

00:10:17,440 --> 00:10:26,170

chap he's dead now Eric but he was a

164

00:10:21,539 --> 00:10:27,009

world war two fighter bomber pilot who

165

00:10:26,169 --> 00:10:35,039

flew

166

00:10:27,009 --> 00:10:37,929

throughout the war from 1940 he flew

167

00:10:35,039 --> 00:10:42,129

Westland whirlwind which were fighter

168

00:10:37,929 --> 00:10:42,969

bomber Spitfires hurricanes typhoons and

169

00:10:42,129 --> 00:10:45,669

Tempest

170

00:10:42,970 --> 00:10:51,459

right to the end of the war so very

171

00:10:45,669 --> 00:10:54,278

brave man got shot down injured and so

172
00:10:51,458 --> 00:10:57,429
smashing guy now animal mutilations I've

173
00:10:54,278 --> 00:10:59,948
been involved with with that quite a bit

174
00:10:57,429 --> 00:11:05,708
I've helped David Katyn with his work

175
00:10:59,948 --> 00:11:08,528
there have been with him filming the

176
00:11:05,708 --> 00:11:11,979
animals not going to show you any nasty

177
00:11:08,528 --> 00:11:15,039
animal mutilations tonight that's Dave's

178
00:11:11,980 --> 00:11:18,819
dog though he'll that'd be more

179
00:11:15,039 --> 00:11:22,750
appropriate so yes so I've done a fair

180
00:11:18,818 --> 00:11:23,708
bit and there's the man himself on his

181
00:11:22,750 --> 00:11:27,639
80th birthday

182
00:11:23,708 --> 00:11:33,729
I think Dave's 82 now heart of gold

183
00:11:27,639 --> 00:11:37,180
absolutely Superman so the two films

184
00:11:33,730 --> 00:11:39,909
that my film is included in his silent

185
00:11:37,179 --> 00:11:42,008
killers which was about the animal

186
00:11:39,909 --> 00:11:44,860
mutilations and crop circles the hidden

187
00:11:42,009 --> 00:11:48,639
truth both by Richard Hall a lot of my

188
00:11:44,860 --> 00:11:51,759
films in there so we you know I was very

189
00:11:48,639 --> 00:11:53,948
happy to to a give Richard a bit of a

190
00:11:51,759 --> 00:11:57,909
helping hand to start him off he doesn't

191
00:11:53,948 --> 00:11:59,490
need it anymore and then abductions

192
00:11:57,909 --> 00:12:02,649
that's another aspect of my

193
00:11:59,490 --> 00:12:05,649
investigations this is the thing that

194
00:12:02,649 --> 00:12:09,339
really I'm interested in above all else

195
00:12:05,649 --> 00:12:11,528
because I am an abductee and just like

196
00:12:09,339 --> 00:12:13,480
any other abductee I've been trying to

197
00:12:11,528 --> 00:12:18,159
find the answers you know what's it all

198
00:12:13,480 --> 00:12:22,209
about that that is at an actual

199
00:12:18,159 --> 00:12:24,250
photograph of an alien I don't know

200

00:12:22,208 --> 00:12:28,508
whether you can see here can you see the

201
00:12:24,250 --> 00:12:31,839
face here this was taken by my friend

202
00:12:28,509 --> 00:12:36,730
Carol when she lived in New Zealand I

203
00:12:31,839 --> 00:12:40,509
think and yeah she has a heck of a lot

204
00:12:36,730 --> 00:12:43,329
of abduction experience unfortunately

205
00:12:40,509 --> 00:12:46,568
hers a lot of it isn't very good because

206
00:12:43,328 --> 00:12:48,669
she's what we call a my lab so that

207
00:12:46,568 --> 00:12:49,349
means she's been taken by the military

208
00:12:48,669 --> 00:12:52,919
as

209
00:12:49,350 --> 00:12:56,700
ETS and the military and certain not

210
00:12:52,919 --> 00:12:58,259
very current deities work together have

211
00:12:56,700 --> 00:13:04,740
a lot of knowledge and experience of

212
00:12:58,259 --> 00:13:08,429
that so regarding the abductions these

213
00:13:04,740 --> 00:13:11,720
are a lot of the things that abductees

214
00:13:08,429 --> 00:13:14,729

get as you probably aware many of you

215

00:13:11,720 --> 00:13:19,529

Scoob marks puncture marks triangle

216

00:13:14,730 --> 00:13:23,600

marks being levitated paralysis missing

217

00:13:19,529 --> 00:13:29,370

time gaining time I've had all of those

218

00:13:23,600 --> 00:13:33,300

more than once I've met four different

219

00:13:29,370 --> 00:13:36,179

types of ET two of them spoke to me and

220

00:13:33,299 --> 00:13:41,209

one of them embraced me I'll come to

221

00:13:36,179 --> 00:13:45,000

that later on so I'm quite used to them

222

00:13:41,210 --> 00:13:48,120

and not afraid of them by the way we

223

00:13:45,000 --> 00:13:51,779

want you to think that I'm looking for

224

00:13:48,120 --> 00:13:53,909

sympathy or I can't cope with this or

225

00:13:51,779 --> 00:13:57,870

anything like that because I can you

226

00:13:53,909 --> 00:13:59,850

know this is part of my everyday world

227

00:13:57,870 --> 00:14:01,560

and I know that they're involved with me

228

00:13:59,850 --> 00:14:03,810

and I wouldn't be surprised if they here

229
00:14:01,559 --> 00:14:10,489
tonight actually just to give me a

230
00:14:03,809 --> 00:14:14,039
helping hand often needed now abductees

231
00:14:10,490 --> 00:14:18,509
spirituality and psychic gifts go hand

232
00:14:14,039 --> 00:14:22,919
in hand it's just one of those things

233
00:14:18,509 --> 00:14:27,809
and most abductees have psychic

234
00:14:22,919 --> 00:14:30,029
abilities and some some more than others

235
00:14:27,809 --> 00:14:35,059
I've got some but I have friends who

236
00:14:30,029 --> 00:14:39,750
have even more by a long lunch or Hawk

237
00:14:35,059 --> 00:14:43,789
one of the psychic abilities they all do

238
00:14:39,750 --> 00:14:47,820
regular thing of bending spoons that

239
00:14:43,789 --> 00:14:50,939
little girl is my young sister for

240
00:14:47,820 --> 00:14:53,510
thirteen years younger than me and and

241
00:14:50,940 --> 00:14:55,800
she was indeed bending the large

242
00:14:53,509 --> 00:14:59,220
old-fashioned spoon and that's many many

243
00:14:55,799 --> 00:15:01,079
years ago and she was only a little tot

244
00:14:59,220 --> 00:15:03,420
but it didn't make it didn't make any

245
00:15:01,080 --> 00:15:06,060
difference we just watched the thing

246
00:15:03,419 --> 00:15:09,059
just bend over you know like as if it

247
00:15:06,059 --> 00:15:11,419
was putty you know so that's one of the

248
00:15:09,059 --> 00:15:14,869
things I've never been able to do that

249
00:15:11,419 --> 00:15:18,719
although I've tried but there you go it

250
00:15:14,870 --> 00:15:20,970
but I want you to think it's all doom

251
00:15:18,720 --> 00:15:23,610
and gloom and you know I like a bit of

252
00:15:20,970 --> 00:15:28,379
fun and there's a little cartoon that I

253
00:15:23,610 --> 00:15:30,300
like the the a being asked by Mike here

254
00:15:28,379 --> 00:15:32,039
that's a really good question Mike the

255
00:15:30,299 --> 00:15:34,559
reason we've never landed on the White

256
00:15:32,039 --> 00:15:37,169
House lawn is because we don't want to

257

00:15:34,559 --> 00:15:44,729
be shocked plus we're really only

258
00:15:37,169 --> 00:15:46,709
interested in intelligent life so there

259
00:15:44,730 --> 00:15:50,670
we go so that's a few years ago there's

260
00:15:46,710 --> 00:15:55,019
me and Dave Katyn down at in in Torquay

261
00:15:50,669 --> 00:15:57,929
with visit visiting friend Roy Dutton

262
00:15:55,019 --> 00:16:01,590
who sadly died two or three weeks ago

263
00:15:57,929 --> 00:16:05,129
and he was his funeral last week Roy was

264
00:16:01,590 --> 00:16:07,800
a huge figure in the crop circle world

265
00:16:05,129 --> 00:16:11,399
working with Colleen Andrews the boss

266
00:16:07,799 --> 00:16:11,969
detail at Delgado and it'll be sadly

267
00:16:11,399 --> 00:16:15,870
missed

268
00:16:11,970 --> 00:16:21,769
I don't really recognize this guy here

269
00:16:15,870 --> 00:16:26,580
on the right that's Toni Dodd the ex

270
00:16:21,769 --> 00:16:27,569
policeman who wrote the book alien

271
00:16:26,580 --> 00:16:31,920

investigator

272

00:16:27,570 --> 00:16:35,010

I knew Tony and we spent the afternoon

273

00:16:31,919 --> 00:16:37,019

that day in his conservatory and I've

274

00:16:35,009 --> 00:16:39,240

actually got some film of Tony talking

275

00:16:37,019 --> 00:16:41,009

on that day which nobody's ever seen and

276

00:16:39,240 --> 00:16:44,820

it's really quite good

277

00:16:41,009 --> 00:16:48,419

I might show it one day but it was

278

00:16:44,820 --> 00:16:52,920

a smashing guy some of you may recognize

279

00:16:48,419 --> 00:16:54,539

this fella on the left professor John

280

00:16:52,919 --> 00:16:58,349

Mac

281

00:16:54,539 --> 00:17:03,179

who's been a great help to abductees

282

00:16:58,350 --> 00:17:06,120

over the years I met John in in a crop

283

00:17:03,179 --> 00:17:06,599

circle of Pusey and this photograph was

284

00:17:06,119 --> 00:17:10,379

taken

285

00:17:06,599 --> 00:17:11,399

oh I don't know maybe about four months

286
00:17:10,380 --> 00:17:15,420
before he died

287
00:17:11,400 --> 00:17:18,390
killed in a car accident in London but a

288
00:17:15,420 --> 00:17:21,029
super guy super guy he listened

289
00:17:18,390 --> 00:17:24,660
patiently to my abductee sort of

290
00:17:21,029 --> 00:17:28,200
encounters you know nice guy and maybe

291
00:17:24,660 --> 00:17:32,130
some of you may even recognize and hear

292
00:17:28,200 --> 00:17:35,160
and Andrews and a husband pour this on

293
00:17:32,130 --> 00:17:40,350
Jason Andrews books been written about

294
00:17:35,160 --> 00:17:42,300
him and we stayed with Anne and Paul and

295
00:17:40,349 --> 00:17:45,949
there's Dave back in the back there in

296
00:17:42,299 --> 00:17:50,269
the corner we have back behind us there

297
00:17:45,950 --> 00:17:52,740
yes Jason's a special guy those are

298
00:17:50,269 --> 00:17:56,639
their dogs Pyrenean mounting dogs

299
00:17:52,740 --> 00:17:59,370
massive but wonderful and maybe you

300
00:17:56,640 --> 00:18:01,470
might recognize this lady that's Linda

301
00:17:59,369 --> 00:18:04,379
Moulton Howe who has the earthfiles web

302
00:18:01,470 --> 00:18:06,089
site in America spent a lot of time with

303
00:18:04,380 --> 00:18:08,310
Linda in the early days in the crop

304
00:18:06,089 --> 00:18:12,049
circles so I'm only just showing you

305
00:18:08,309 --> 00:18:15,480
this to you just give you an idea that

306
00:18:12,049 --> 00:18:18,450
you know I'm I'm well rounded in in the

307
00:18:15,480 --> 00:18:19,950
in the job you know I've I've been doing

308
00:18:18,450 --> 00:18:23,039
this a long time even though I've kept a

309
00:18:19,950 --> 00:18:26,970
low profile deliberately you know in

310
00:18:23,039 --> 00:18:29,250
order to keep peace at home but now my

311
00:18:26,970 --> 00:18:33,450
wife is gone I feel free to do whatever

312
00:18:29,250 --> 00:18:35,519
I feel so and that guy they're smashing

313
00:18:33,450 --> 00:18:39,330
fella Phil Hoyle lives in Shrewsbury

314

00:18:35,519 --> 00:18:40,319
probably one of the best researchers in

315
00:18:39,329 --> 00:18:42,329
the whole country

316
00:18:40,319 --> 00:18:46,169
unfortunately Phil's not very well at

317
00:18:42,329 --> 00:18:47,909
the moment so that's curtailed his his

318
00:18:46,170 --> 00:18:52,410
work but I've spent quite a bit of time

319
00:18:47,910 --> 00:18:53,840
with Phil and a lovely guy and this

320
00:18:52,410 --> 00:18:57,740
couple here you

321
00:18:53,839 --> 00:19:04,220
we'll recognize my friend David and

322
00:18:57,740 --> 00:19:07,460
Linda have spent many happy hours with

323
00:19:04,220 --> 00:19:13,450
them right there's me and Linda in the

324
00:19:07,460 --> 00:19:16,730
church but killed back in Herefordshire

325
00:19:13,450 --> 00:19:19,159
say I think yeah Herefordshire where

326
00:19:16,730 --> 00:19:21,110
laughing Dave took the photograph and

327
00:19:19,159 --> 00:19:24,140
the the thing that's really interesting

328
00:19:21,109 --> 00:19:26,778

is this thing above our heads here we

329

00:19:24,140 --> 00:19:30,080

get strange phenomena around us fairly

330

00:19:26,778 --> 00:19:31,819

often but when people like Linda gets

331

00:19:30,079 --> 00:19:34,158

together with with me you know and

332

00:19:31,819 --> 00:19:38,619

anything can happen and there's a

333

00:19:34,159 --> 00:19:46,190

blow-up of this thing it looks

334

00:19:38,619 --> 00:19:48,229

three-dimensional it's I have a feeling

335

00:19:46,190 --> 00:19:50,769

it's connected with Mary Magdalene the

336

00:19:48,230 --> 00:19:56,509

church at kill Peck is dedicated to her

337

00:19:50,769 --> 00:19:58,668

I say this because I've seen a

338

00:19:56,509 --> 00:20:01,669

photograph they're not offer a

339

00:19:58,669 --> 00:20:04,909

painting of Mary Magdalene in Indonesia

340

00:20:01,669 --> 00:20:08,440

and superimposed in the air ovary is

341

00:20:04,909 --> 00:20:10,700

this exact shape and color of things so

342

00:20:08,440 --> 00:20:14,480

Mary Magdalene seems to be the

343
00:20:10,700 --> 00:20:18,140
connection now I live pretty close to

344
00:20:14,480 --> 00:20:19,730
Java Bank radio telescope when I live in

345
00:20:18,140 --> 00:20:23,600
mapless field it's only about I have no

346
00:20:19,730 --> 00:20:26,110
six miles from my home and of course

347
00:20:23,599 --> 00:20:32,329
they get plenty of UFO activity around

348
00:20:26,109 --> 00:20:34,398
george'll bank we have had that exact

349
00:20:32,329 --> 00:20:38,418
scenario even that's just an artist

350
00:20:34,398 --> 00:20:42,589
impression that really has happened and

351
00:20:38,419 --> 00:20:45,860
a lot more besides total Bank know full

352
00:20:42,589 --> 00:20:48,589
well that eighties are often flying

353
00:20:45,859 --> 00:20:50,719
around there but they pretend that

354
00:20:48,589 --> 00:20:53,808
that's not the case but I know otherwise

355
00:20:50,720 --> 00:20:55,130
because I've invested various cases

356
00:20:53,808 --> 00:20:57,289
where people have seen them flying in

357
00:20:55,130 --> 00:21:00,860
the fields

358
00:20:57,289 --> 00:21:04,849
around the jungle bangle so so I set up

359
00:21:00,859 --> 00:21:08,569
the mattress filled UFO society just

360
00:21:04,849 --> 00:21:11,059
couple of three years ago maybe really

361
00:21:08,569 --> 00:21:13,789
just to get all the sightings and cases

362
00:21:11,059 --> 00:21:16,009
out of my head had them written down but

363
00:21:13,789 --> 00:21:17,690
they kept going through my head and I

364
00:21:16,009 --> 00:21:20,420
didn't want to forget all the details so

365
00:21:17,690 --> 00:21:22,970
I put all the cases on macalister

366
00:21:20,420 --> 00:21:25,850
mattress value for society so if you

367
00:21:22,970 --> 00:21:28,279
just put that in Google you'll see all

368
00:21:25,849 --> 00:21:33,069
the cases that we have round around my

369
00:21:28,279 --> 00:21:35,180
plus field it's a busy area this is a

370
00:21:33,069 --> 00:21:37,730
map showing the

371

00:21:35,180 --> 00:21:39,830
ley-line major ley line distribution

372
00:21:37,730 --> 00:21:45,740
throughout the country I've not done

373
00:21:39,829 --> 00:21:48,769
this map somebody else did and sorry

374
00:21:45,740 --> 00:21:50,180
about that one button so this big one

375
00:21:48,769 --> 00:21:52,400
going straight through here's the

376
00:21:50,180 --> 00:21:55,580
blindness line from sort of the Isle of

377
00:21:52,400 --> 00:21:58,790
Wight area where David Icke lives

378
00:21:55,579 --> 00:22:02,659
Englund right up to Scotland then we've

379
00:21:58,789 --> 00:22:05,629
got one from Newport going up to this

380
00:22:02,660 --> 00:22:10,940
area here one going from here across

381
00:22:05,630 --> 00:22:15,470
North Wales and another one coming down

382
00:22:10,940 --> 00:22:19,160
here towards the hips which Rendlesham

383
00:22:15,470 --> 00:22:21,559
forest area yeah and another one going

384
00:22:19,160 --> 00:22:23,660
off towards bridlington where we've had

385
00:22:21,559 --> 00:22:26,149

a lot of sightings over here and another

386

00:22:23,660 --> 00:22:29,150

one up towards Blackpool again we've had

387

00:22:26,150 --> 00:22:33,850

loads of sightings there they all seem

388

00:22:29,150 --> 00:22:39,500

to converge here which is where I live

389

00:22:33,849 --> 00:22:42,429

Macclesfield roughly speaking so so no

390

00:22:39,500 --> 00:22:42,430

wonder it's a busy place

391

00:22:42,500 --> 00:22:47,869

first thing cleaves there was something

392

00:22:44,509 --> 00:22:50,059

slightly different about me that's

393

00:22:47,869 --> 00:22:52,250

that's me as a baby and my granddad's

394

00:22:50,059 --> 00:22:55,429

garden that's my cousin

395

00:22:52,250 --> 00:22:59,059

Alfred was a big family with big spread

396

00:22:55,430 --> 00:23:00,980

of years so and the thing that I noticed

397

00:22:59,059 --> 00:23:02,309

was that this is a ball of light here

398

00:23:00,980 --> 00:23:04,559

above my head

399

00:23:02,309 --> 00:23:11,639

directly in line with the with the crown

400
00:23:04,559 --> 00:23:13,349
of my head I just got back this is me on

401
00:23:11,640 --> 00:23:16,380
the angel mountain we'll talk about

402
00:23:13,349 --> 00:23:23,039
angel mounting a little later on with

403
00:23:16,380 --> 00:23:26,370
David and again above my head you can

404
00:23:23,039 --> 00:23:29,099
see there's this ball directly in line

405
00:23:26,369 --> 00:23:35,459
with the crown of my head I don't know

406
00:23:29,099 --> 00:23:37,819
what it is but I think it's unusual this

407
00:23:35,460 --> 00:23:44,220
picture was taken by David at the

408
00:23:37,819 --> 00:23:46,319
lighthouse at us down that way Emily

409
00:23:44,220 --> 00:23:52,319
knew being here haven't you permit I

410
00:23:46,319 --> 00:23:56,909
know yeah yeah yeah and that's a

411
00:23:52,319 --> 00:23:58,889
very flattering photograph of me but the

412
00:23:56,910 --> 00:24:00,930
thing of interest is this thing above my

413
00:23:58,890 --> 00:24:04,530
head here if you notice there no other

414
00:24:00,930 --> 00:24:09,539
orbs in the room at all so there's a

415
00:24:04,529 --> 00:24:13,500
closer look at it and there's an even

416
00:24:09,539 --> 00:24:17,639
closer look and I hope you can see that

417
00:24:13,500 --> 00:24:19,740
it's it's shaped like a head the front

418
00:24:17,640 --> 00:24:25,560
of the head here this is the nose mouth

419
00:24:19,740 --> 00:24:27,660
here I forehead hair and all that okay

420
00:24:25,559 --> 00:24:31,169
but there are other faces here can you

421
00:24:27,660 --> 00:24:34,050
see this face here okay and then there's

422
00:24:31,170 --> 00:24:36,930
another face here and there's probably

423
00:24:34,049 --> 00:24:40,980
another face there a bit faint I've

424
00:24:36,930 --> 00:24:42,720
actually counted about 16 so you know

425
00:24:40,980 --> 00:24:46,259
what's all that about

426
00:24:42,720 --> 00:24:51,630
I have a feeling he might be connected

427
00:24:46,259 --> 00:24:56,690
with my past lives and maybe those were

428

00:24:51,630 --> 00:25:00,480
me who knows but I just have a feeling

429
00:24:56,690 --> 00:25:05,669
okay so my first sighting that's me was

430
00:25:00,480 --> 00:25:08,700
to I was put outside my auntie's house

431
00:25:05,669 --> 00:25:13,340
those are her steps my mum went back

432
00:25:08,700 --> 00:25:17,340
inside to get my little sister and a

433
00:25:13,339 --> 00:25:20,519
ball of not a ball of light a a light

434
00:25:17,339 --> 00:25:23,668
bulb shaped but a light came down into

435
00:25:20,519 --> 00:25:26,179
the street in front of me it was shaped

436
00:25:23,669 --> 00:25:30,590
with with the bulbous part at the bottom

437
00:25:26,179 --> 00:25:33,179
it was a yellow a white light and it

438
00:25:30,589 --> 00:25:36,839
came down into the street and hovered

439
00:25:33,179 --> 00:25:40,650
just a few feet away from me maybe five

440
00:25:36,839 --> 00:25:43,980
feet off the ground if that and I will

441
00:25:40,650 --> 00:25:46,140
just watched it and and then gradually

442
00:25:43,980 --> 00:25:49,169

body just sort of dissipated and just

443

00:25:46,140 --> 00:25:51,600

went well there's no no suggestion of

444

00:25:49,169 --> 00:25:53,610

you know like these silly ideas about

445

00:25:51,599 --> 00:25:55,500

ball lightning and stuff like that but

446

00:25:53,609 --> 00:26:00,869

most of that is complete rubbish by the

447

00:25:55,500 --> 00:26:04,230

way it I mean that I the amazing thing

448

00:26:00,869 --> 00:26:07,229

about when you have a sighting like that

449

00:26:04,230 --> 00:26:09,779

is that it impresses on your mind the

450

00:26:07,230 --> 00:26:13,019

memory even though I was - I can still

451

00:26:09,779 --> 00:26:14,730

see the houses across the road I know

452

00:26:13,019 --> 00:26:17,730

what the weather conditions were like on

453

00:26:14,730 --> 00:26:19,798

that day it was calm it was still little

454

00:26:17,730 --> 00:26:21,298

bit dull and maybe it touched drizzly

455

00:26:19,798 --> 00:26:24,389

but nothing much

456

00:26:21,298 --> 00:26:29,220

so absolutely not conditions for ball

457
00:26:24,390 --> 00:26:31,770
whining right now some of these things

458
00:26:29,220 --> 00:26:34,319
might not seem very important but they

459
00:26:31,769 --> 00:26:37,589
they are they're all connecting with my

460
00:26:34,319 --> 00:26:44,509
experiences through my life when I was

461
00:26:37,589 --> 00:26:47,519
five I woke up to see the head of a bald

462
00:26:44,509 --> 00:26:50,220
African elephant in the corner of my

463
00:26:47,519 --> 00:26:52,798
bedroom and it filled the entire corner

464
00:26:50,220 --> 00:26:57,950
of the bedroom I was absolutely

465
00:26:52,798 --> 00:27:00,450
petrified huge white tusks big ears

466
00:26:57,950 --> 00:27:02,789
moving from side to side in a menacing

467
00:27:00,450 --> 00:27:05,309
manner

468
00:27:02,789 --> 00:27:06,779
and I couldn't speak at first just

469
00:27:05,309 --> 00:27:10,319
couldn't get the words out of my mouth

470
00:27:06,779 --> 00:27:13,950
eventually I managed to call my mom who

471
00:27:10,319 --> 00:27:18,389
was in the next bedroom she came and

472
00:27:13,950 --> 00:27:22,350
stood in the doorway and I thought mom I

473
00:27:18,390 --> 00:27:23,490
need you you know but she just stood

474
00:27:22,349 --> 00:27:27,179
there I said what's the matter

475
00:27:23,490 --> 00:27:30,150
and I said the elephant and she couldn't

476
00:27:27,180 --> 00:27:32,100
see the elephant but I could and so I

477
00:27:30,150 --> 00:27:34,950
looked at my mom and I looked at the

478
00:27:32,099 --> 00:27:36,299
elephant and looked at my mom I looked

479
00:27:34,950 --> 00:27:40,019
at the elephant and he was still there

480
00:27:36,299 --> 00:27:41,639
and obviously your reason well if my

481
00:27:40,019 --> 00:27:45,000
mom's there then the elephant's there

482
00:27:41,640 --> 00:27:47,340
and it's real so you know it's

483
00:27:45,000 --> 00:27:50,160
absolutely scared me to death eventually

484
00:27:47,339 --> 00:27:54,329
it did disappear and monk got in bed and

485

00:27:50,160 --> 00:27:57,900
comforted me but I have no doubt at all

486
00:27:54,329 --> 00:27:59,879
that this was a visitation that it was

487
00:27:57,900 --> 00:28:01,590
no nightmare or anything like that I

488
00:27:59,880 --> 00:28:05,480
might not even have seen a broken air

489
00:28:01,589 --> 00:28:07,970
life elephant by that age of five but

490
00:28:05,480 --> 00:28:14,009
back in those days that would have been

491
00:28:07,970 --> 00:28:15,839
1957 then an oak tree incident just a

492
00:28:14,009 --> 00:28:18,059
small thing I used to go and sit under

493
00:28:15,839 --> 00:28:20,669
an oak tree in the field near our house

494
00:28:18,059 --> 00:28:24,269
and on this occasion I was trying to

495
00:28:20,670 --> 00:28:26,910
make a bird's nest out of mud and bits

496
00:28:24,269 --> 00:28:28,410
of twig bluegrass and stuff like that

497
00:28:26,910 --> 00:28:30,779
and I wasn't doing a very good job at

498
00:28:28,410 --> 00:28:33,980
all then these two people came walking

499
00:28:30,779 --> 00:28:39,119

over to me dressed in the silver suits

500

00:28:33,980 --> 00:28:42,839

quite or one-piece suits and spoke to me

501

00:28:39,119 --> 00:28:46,559

I haven't got a clue what they said but

502

00:28:42,839 --> 00:28:48,990

I just found myself walking back to my

503

00:28:46,559 --> 00:28:49,980

house which is only a few yards away and

504

00:28:48,990 --> 00:28:54,210

in my hand

505

00:28:49,980 --> 00:28:55,440

I got a perfectly formed bird's nest now

506

00:28:54,210 --> 00:28:57,690

there's no way on earth I could have

507

00:28:55,440 --> 00:29:01,170

made it so how that happened I don't

508

00:28:57,690 --> 00:29:03,240

know but it was just another thing not

509

00:29:01,170 --> 00:29:06,400

just a normal kid that's me and my

510

00:29:03,240 --> 00:29:09,880

sister Jane school picture

511

00:29:06,400 --> 00:29:12,670

and together with Jane we were abducted

512

00:29:09,880 --> 00:29:17,230

on two occasions that we know about for

513

00:29:12,670 --> 00:29:23,080

sure one in 1959 and the other in 1961

514
00:29:17,230 --> 00:29:28,420
in North Wales the first one was over

515
00:29:23,079 --> 00:29:31,809
here at prostatic italica Warren camp

516
00:29:28,420 --> 00:29:34,930
Caravan campsite place and the second

517
00:29:31,809 --> 00:29:37,149
was in 61 on the by the great on the

518
00:29:34,930 --> 00:29:39,100
great or when we were staying at one

519
00:29:37,150 --> 00:29:44,170
don't know so this is a press sat in one

520
00:29:39,099 --> 00:29:47,649
that's er this this area here is is the

521
00:29:44,170 --> 00:29:51,250
is to like a Warren as you can see it

522
00:29:47,650 --> 00:29:55,150
says to lacquer their I've got to don't

523
00:29:51,250 --> 00:29:58,029
go in a bit closer so I'd only can see

524
00:29:55,150 --> 00:29:59,860
there's the where the caravan was there

525
00:29:58,029 --> 00:30:07,000
was just this single road going through

526
00:29:59,859 --> 00:30:09,039
which was only a narrow road and we we

527
00:30:07,000 --> 00:30:11,049
went through the sand dunes and we were

528

00:30:09,039 --> 00:30:13,440

on the beach here

529

00:30:11,049 --> 00:30:17,619

my parents were with us at the time and

530

00:30:13,440 --> 00:30:20,549

they said we're going to go back to make

531

00:30:17,619 --> 00:30:22,899

some sandwiches for dinner you know so

532

00:30:20,549 --> 00:30:25,029

Jane and I said well can we stay here

533

00:30:22,900 --> 00:30:28,480

for a little while and then we'll come

534

00:30:25,029 --> 00:30:33,730

to you my dad was very strict so we we

535

00:30:28,480 --> 00:30:36,759

did as we were told and but seven to

536

00:30:33,730 --> 00:30:39,360

four hours later we found ourselves

537

00:30:36,759 --> 00:30:46,720

walking up and down this road

538

00:30:39,359 --> 00:30:49,059

very disorientated when they left us on

539

00:30:46,720 --> 00:30:53,259

the pond on the beach it was a beautiful

540

00:30:49,059 --> 00:30:54,789

sunny day but now it was raining and my

541

00:30:53,259 --> 00:31:01,450

parents were absolutely frantic with

542

00:30:54,789 --> 00:31:03,159
worry and and we couldn't explain what

543
00:31:01,450 --> 00:31:05,170
had happened to us we were taken in by a

544
00:31:03,160 --> 00:31:08,470
kind family and my parents were then

545
00:31:05,170 --> 00:31:11,710
found I suppose my parents thought we'd

546
00:31:08,470 --> 00:31:13,058
be naughty but this is a problem that

547
00:31:11,710 --> 00:31:17,200
hub dog tease house

548
00:31:13,058 --> 00:31:18,730
they have missing periods of time which

549
00:31:17,200 --> 00:31:20,740
that can't be explained and I'm sure

550
00:31:18,730 --> 00:31:23,409
there's plenty of youngsters have been

551
00:31:20,740 --> 00:31:25,509
taken and the parents have given me a

552
00:31:23,409 --> 00:31:27,039
thick air because they thought they were

553
00:31:25,509 --> 00:31:29,319
being naughty when in fact they'd been

554
00:31:27,038 --> 00:31:33,099
taken by ETS that's exactly what

555
00:31:29,319 --> 00:31:41,259
happened to us so so that was there and

556
00:31:33,099 --> 00:31:44,109

and then in 1961 when I was nine my dope

557

00:31:41,259 --> 00:31:48,038

on my my sister was seven we were taken

558

00:31:44,109 --> 00:31:51,008

from our dicks in in in London oh here

559

00:31:48,038 --> 00:31:55,079

and we were placed at the bottom of the

560

00:31:51,009 --> 00:31:59,980

cliff around great or round Marine Drive

561

00:31:55,079 --> 00:32:02,319

and with no idea how he got there and

562

00:31:59,980 --> 00:32:07,028

our parents had got no idea that any of

563

00:32:02,319 --> 00:32:09,278

this had taken place so that's a picture

564

00:32:07,028 --> 00:32:10,960

of a Marine Drive with the wall going

565

00:32:09,278 --> 00:32:12,700

around it and they dropped down to the

566

00:32:10,960 --> 00:32:15,429

seats probably about a hundred feet and

567

00:32:12,700 --> 00:32:18,220

these cliffs and these bits of ledges

568

00:32:15,429 --> 00:32:20,889

and what have you and when we were down

569

00:32:18,220 --> 00:32:25,470

there my sister saw what she thought was

570

00:32:20,888 --> 00:32:26,829

a carousel spinning round on the sea

571
00:32:25,470 --> 00:32:32,350
anyway

572
00:32:26,829 --> 00:32:35,230
we climbed up up the rocks and I managed

573
00:32:32,349 --> 00:32:36,668
to get my sister over the wall and I

574
00:32:35,230 --> 00:32:40,210
made the mistake then I'm looking back

575
00:32:36,669 --> 00:32:43,360
down and I froze because it was a heck

576
00:32:40,210 --> 00:32:46,028
of a height and it was my sister my

577
00:32:43,359 --> 00:32:49,859
seven-year-old sister who had talked me

578
00:32:46,028 --> 00:32:54,190
over the wall and got over the wall we

579
00:32:49,859 --> 00:32:57,758
started to walk on the tarmac all along

580
00:32:54,190 --> 00:32:59,798
here and we'd only taken a few steps and

581
00:32:57,759 --> 00:33:04,089
the next second we were back in the dings

582
00:32:59,798 --> 00:33:07,058
again my sister's perfect recollection

583
00:33:04,089 --> 00:33:13,678
of all that happening so there was no

584
00:33:07,058 --> 00:33:17,730
doubt about it at all it happened they

585
00:33:13,679 --> 00:33:21,930
this was followed by intense nosebleeds

586
00:33:17,730 --> 00:33:23,579
which lasted for a couple of weeks you

587
00:33:21,930 --> 00:33:26,690
know every time I wash my face in the

588
00:33:23,579 --> 00:33:28,949
sink and through the water up to my face

589
00:33:26,690 --> 00:33:32,330
there have been a huge amount of blood

590
00:33:28,950 --> 00:33:38,910
came out of my nose and into the sink

591
00:33:32,329 --> 00:33:40,349
and I'd never had a nosebleed before as

592
00:33:38,910 --> 00:33:44,370
far as I knew and I've never had one

593
00:33:40,349 --> 00:33:47,279
since so I'm absolutely certain I had an

594
00:33:44,369 --> 00:33:52,559
implant put inside my nose which of

595
00:33:47,279 --> 00:33:52,950
course is commonplace for abductees yeah

596
00:33:52,559 --> 00:33:55,289
so I

597
00:33:52,950 --> 00:33:57,269
apart from this had a very normal life

598
00:33:55,289 --> 00:34:00,930
that's my granddad and this is lovely

599

00:33:57,269 --> 00:34:02,789
garden which is where I was born down at

600
00:34:00,930 --> 00:34:07,200
the cottage my granddad was gamekeeper

601
00:34:02,789 --> 00:34:09,960
so we lived in the country that's me

602
00:34:07,200 --> 00:34:14,909
with my uncle receiving the prize for

603
00:34:09,960 --> 00:34:17,789
winning the local mattis field juvenile

604
00:34:14,909 --> 00:34:23,130
fishing competition on the canal I've

605
00:34:17,789 --> 00:34:26,309
still got that real and so just a normal

606
00:34:23,130 --> 00:34:28,820
kid I was head boy at me junior school

607
00:34:26,309 --> 00:34:33,179
went to grammar school got married at 21

608
00:34:28,820 --> 00:34:34,919
to songs by the age of 25 I was working

609
00:34:33,179 --> 00:34:39,210
my socks off in my own little business

610
00:34:34,918 --> 00:34:42,769
but I was aware of no et activity during

611
00:34:39,210 --> 00:34:47,010
that period until 28th of December 1918

612
00:34:42,769 --> 00:34:49,440
now 28 December 1980 is a day that some

613
00:34:47,010 --> 00:34:56,429

of you might recognize as the date of

614

00:34:49,440 --> 00:35:01,440

the Rendlesham forest incident and I was

615

00:34:56,429 --> 00:35:06,639

going home one evening in my car from

616

00:35:01,440 --> 00:35:09,670

Atlas field going towards Leake and my

617

00:35:06,639 --> 00:35:11,650

my one of my son's was with me he would

618

00:35:09,670 --> 00:35:14,200

only be very young perhaps but I don't

619

00:35:11,650 --> 00:35:16,480

know five something like that and my

620

00:35:14,199 --> 00:35:18,338

other son was with my wife in her car

621

00:35:16,480 --> 00:35:24,250

following on behind some distance behind

622

00:35:18,338 --> 00:35:28,028

and first I saw a red light a big red

623

00:35:24,250 --> 00:35:30,518

light up the road maybe quarter of a

624

00:35:28,028 --> 00:35:33,429

mile in front of me and I knew

625

00:35:30,518 --> 00:35:35,768

immediately that it was it was not an

626

00:35:33,429 --> 00:35:39,308

aeroplane he was far too low with the

627

00:35:35,768 --> 00:35:41,649

hills surrounding and it was too big to

628
00:35:39,309 --> 00:35:43,000
be a farmer's Lantern or anything so I

629
00:35:41,650 --> 00:35:46,000
just knew there was something strange

630
00:35:43,000 --> 00:35:48,730
about it and I followed it as far as I

631
00:35:46,000 --> 00:35:51,309
could then I lost it came out on the

632
00:35:48,730 --> 00:35:53,710
straight and at the end of this Strait

633
00:35:51,309 --> 00:35:55,269
was a lay-by and I pulled into the

634
00:35:53,710 --> 00:35:57,159
lay-by and I thought I just feels like

635
00:35:55,268 --> 00:36:00,479
he's here somewhere got out of the car

636
00:35:57,159 --> 00:36:03,190
and and there and there it was just

637
00:36:00,480 --> 00:36:09,068
right above me and this was a

638
00:36:03,190 --> 00:36:14,528
disc-shaped craft possibly worth 90 feet

639
00:36:09,068 --> 00:36:17,349
in diameter and it was totally silent

640
00:36:14,528 --> 00:36:19,059
when I first got out of the car but I'm

641
00:36:17,349 --> 00:36:25,088
quite certain we have some missing time

642
00:36:19,059 --> 00:36:26,559
experience and at first thought I could

643
00:36:25,088 --> 00:36:28,268
see I was just looking up at this thing

644
00:36:26,559 --> 00:36:30,369
because it was right over the top of me

645
00:36:28,268 --> 00:36:34,078
and I could just see a black circle in

646
00:36:30,369 --> 00:36:36,759
the sky like looking over a suti tunnel

647
00:36:34,079 --> 00:36:40,089
and all I could see were the twinkling

648
00:36:36,759 --> 00:36:43,599
stars in between the base of the rim and

649
00:36:40,088 --> 00:36:45,759
the top of the hills this was about nine

650
00:36:43,599 --> 00:36:49,869
o'clock in the evening 28th December

651
00:36:45,759 --> 00:36:54,639
1980 same night as Larry Warren's and

652
00:36:49,869 --> 00:36:58,000
count major encounter down there which

653
00:36:54,639 --> 00:36:59,768
they're doing a film about called cable

654
00:36:58,000 --> 00:37:00,900
green which will be coming out next year

655
00:36:59,768 --> 00:37:04,439
and

656

00:37:00,900 --> 00:37:06,090
I was asked to be part of that so I'm

657
00:37:04,440 --> 00:37:10,019
looking forward to seeing that when he

658
00:37:06,090 --> 00:37:11,670
comes out obviously I didn't take those

659
00:37:10,019 --> 00:37:14,009
photographs they were taken by a guy

660
00:37:11,670 --> 00:37:15,980
called Paul Villa at Albuquerque in New

661
00:37:14,010 --> 00:37:20,130
Mexico

662
00:37:15,980 --> 00:37:23,760
Paul was a super guy apparently totally

663
00:37:20,130 --> 00:37:26,460
honest I had the great pleasure of

664
00:37:23,760 --> 00:37:30,720
meeting Wendell Stevens who some of you

665
00:37:26,460 --> 00:37:32,789
may have heard of and he was a friend of

666
00:37:30,719 --> 00:37:35,459
Paul's and he confirmed to me that the

667
00:37:32,789 --> 00:37:37,949
sighting of Paul's was absolutely

668
00:37:35,460 --> 00:37:40,949
genuine which I knew it was anyway and

669
00:37:37,949 --> 00:37:45,719
the reason was I just go back a second

670
00:37:40,949 --> 00:37:47,909

that around that the the base here there

671

00:37:45,719 --> 00:37:50,129

are what I thought there were windows

672

00:37:47,909 --> 00:37:53,609

because there was soft light coming from

673

00:37:50,130 --> 00:37:56,220

within these windows and as this thing

674

00:37:53,610 --> 00:37:59,670

flew away from me I mean it was only

675

00:37:56,219 --> 00:38:01,049

about 150 feet above my head anyway but

676

00:37:59,670 --> 00:38:02,880

I couldn't see them when when it was

677

00:38:01,050 --> 00:38:05,250

over the top of me but as it flew away

678

00:38:02,880 --> 00:38:09,900

flew away horizontally didn't fly off

679

00:38:05,250 --> 00:38:11,789

into this go up into the sky then I

680

00:38:09,900 --> 00:38:14,130

could camp I could see there were

681

00:38:11,789 --> 00:38:17,190

windows on the side and I counted the

682

00:38:14,130 --> 00:38:19,860

windows three times so I knew there was

683

00:38:17,190 --> 00:38:23,820

11 and a half windows visible from a

684

00:38:19,860 --> 00:38:25,500

side-on view and if you count them you

685
00:38:23,820 --> 00:38:27,420
know that that's exactly how many there

686
00:38:25,500 --> 00:38:32,179
are obviously they carry on round the

687
00:38:27,420 --> 00:38:35,940
other side so I knew that when I counted

688
00:38:32,179 --> 00:38:38,549
the windows on the photographs that Paul

689
00:38:35,940 --> 00:38:40,380
Paul Villard taken exactly the same 11

690
00:38:38,550 --> 00:38:42,600
and a half windows not saying he was the

691
00:38:40,380 --> 00:38:45,180
same craft but it was certainly exactly

692
00:38:42,599 --> 00:38:47,369
the same design and the second morning

693
00:38:45,179 --> 00:38:50,789
the morning after that I was driving to

694
00:38:47,369 --> 00:38:53,190
work in broad daylight and another UFO

695
00:38:50,789 --> 00:38:56,610
flew out of the field about a quarter of

696
00:38:53,190 --> 00:38:58,769
a mile past where I seen this big one if

697
00:38:56,610 --> 00:39:03,070
flew across the road in front of me it

698
00:38:58,769 --> 00:39:06,400
was about the size of a small car

699
00:39:03,070 --> 00:39:09,970
shaped like a big tin can with with

700
00:39:06,400 --> 00:39:13,119
silver no markings nor windows no

701
00:39:09,969 --> 00:39:16,419
protuberances of any kind and they flew

702
00:39:13,119 --> 00:39:20,079
off to altar Hills so I thought well you

703
00:39:16,420 --> 00:39:22,750
know that was something and of course I

704
00:39:20,079 --> 00:39:24,369
I told my I told my friends my colleague

705
00:39:22,750 --> 00:39:27,670
work colleagues about it and of course

706
00:39:24,369 --> 00:39:29,980
they thought I was crackers but about

707
00:39:27,670 --> 00:39:33,220
three or four days later one of them

708
00:39:29,980 --> 00:39:36,159
brought a free newspaper in the stock

709
00:39:33,219 --> 00:39:38,109
board messenger and the front page of

710
00:39:36,159 --> 00:39:41,529
that was covered in reports of UFO

711
00:39:38,110 --> 00:39:45,130
sightings at Hazel Grove which is only

712
00:39:41,530 --> 00:39:49,810
about five or six miles away from where

713

00:39:45,130 --> 00:39:51,010
I had my sighting so and so were there

714
00:39:49,809 --> 00:39:53,230
any more sightings at the town when

715
00:39:51,010 --> 00:39:56,470
Rendlesham incident yes there's five

716
00:39:53,230 --> 00:39:58,900
more around where I live this down here

717
00:39:56,469 --> 00:40:01,659
is Apes which and Rendlesham forest and

718
00:39:58,900 --> 00:40:05,710
this is where I live up here I'll just

719
00:40:01,659 --> 00:40:07,329
quickly go through these these are all

720
00:40:05,710 --> 00:40:11,170
sightings and I think I'm going to have

721
00:40:07,329 --> 00:40:14,590
to sort of motor on a bit quickly

722
00:40:11,170 --> 00:40:17,829
through these but actually Dave Katyn

723
00:40:14,590 --> 00:40:19,450
lives there this is near Hazel Grove a

724
00:40:17,829 --> 00:40:24,039
friend of mine Kath who was a retired

725
00:40:19,449 --> 00:40:26,379
teacher she had a new over UFO that came

726
00:40:24,039 --> 00:40:28,690
down it in the at the back here which

727
00:40:26,380 --> 00:40:34,960

lit off her bedroom up and that was the

728

00:40:28,690 --> 00:40:37,929

same weekend again the location may be

729

00:40:34,960 --> 00:40:40,360

important because we have British

730

00:40:37,929 --> 00:40:43,210

Aerospace at Waterford we have

731

00:40:40,360 --> 00:40:46,240

Manchester Airport here we have Jodrell

732

00:40:43,210 --> 00:40:48,880

Bank radio telescope here this is Mathis

733

00:40:46,239 --> 00:40:51,939

field my home now but at the time I

734

00:40:48,880 --> 00:40:55,559

lived over in Compton and there's two

735

00:40:51,940 --> 00:40:58,929

more sightings down here including mine

736

00:40:55,559 --> 00:41:03,130

that's that's mine that's where I was

737

00:40:58,929 --> 00:41:06,250

when I saw my UFO on the 28th evening of

738

00:41:03,130 --> 00:41:07,119

28th December 1980 but on New Year's Eve

739

00:41:06,250 --> 00:41:09,039

just

740

00:41:07,119 --> 00:41:11,380

two hours later three other people

741

00:41:09,039 --> 00:41:15,400

witnessed it the tremendous UFO sighting

742
00:41:11,380 --> 00:41:18,099
just here in that car so it's a real hot

743
00:41:15,400 --> 00:41:18,430
spot you know that's what I want to tell

744
00:41:18,099 --> 00:41:20,469
you

745
00:41:18,429 --> 00:41:23,649
and of course abnormal re for a long

746
00:41:20,469 --> 00:41:26,858
time and I thought old saying probably

747
00:41:23,650 --> 00:41:34,479
about 2000 2001 at the lead UFO

748
00:41:26,858 --> 00:41:36,248
conference yes so Shell Island 81 to 85

749
00:41:34,478 --> 00:41:40,449
that's my wife and my two sons and my

750
00:41:36,248 --> 00:41:43,209
daughter and stuff happened Shell Island

751
00:41:40,449 --> 00:41:46,328
you know any dismay of barmouth near

752
00:41:43,210 --> 00:41:49,778
harlech sure some of you know most of

753
00:41:46,329 --> 00:41:52,539
you probably know where it is anyway but

754
00:41:49,778 --> 00:41:57,699
we went on holiday there in May 8th May

755
00:41:52,539 --> 00:41:59,680
81 that's bear in mind that's only five

756
00:41:57,699 --> 00:42:01,808
months after the big UFO sighting had

757
00:41:59,679 --> 00:42:06,308
had it which my health wasn't great

758
00:42:01,809 --> 00:42:07,930
after that and I was really very ill we

759
00:42:06,309 --> 00:42:11,249
have to call the holiday Shore and I was

760
00:42:07,929 --> 00:42:11,248
brought home on the back seat of the car

761
00:42:12,119 --> 00:42:16,269
so they have to take my ambulance to

762
00:42:14,318 --> 00:42:19,028
hospital with urinary infection which

763
00:42:16,268 --> 00:42:23,949
urinary infections are quite common with

764
00:42:19,028 --> 00:42:28,389
abductors both male and female and I

765
00:42:23,949 --> 00:42:31,478
also discovered later that my mom had

766
00:42:28,389 --> 00:42:37,778
had a needle inserted into a navel at

767
00:42:31,478 --> 00:42:42,808
the same time which is what the ETS do

768
00:42:37,778 --> 00:42:47,498
when they're removing X from women and

769
00:42:42,809 --> 00:42:53,528
so the penny began to drop that you know

770

00:42:47,498 --> 00:42:56,139
I really was an abductee and so that sir

771
00:42:53,528 --> 00:43:00,068
my friend Roy Dalton down at Toki or I

772
00:42:56,139 --> 00:43:01,920
say had died about three weeks ago and

773
00:43:00,068 --> 00:43:04,679
I've recently spent five days we

774
00:43:01,920 --> 00:43:06,599
actually what he was in it he was not it

775
00:43:04,679 --> 00:43:10,980
was not well and so it's a blessing

776
00:43:06,599 --> 00:43:12,510
naturally now in I spent a lot of time

777
00:43:10,980 --> 00:43:14,190
with Roy when he lived up in Mathis

778
00:43:12,510 --> 00:43:18,599
field while he lived in points in which

779
00:43:14,190 --> 00:43:22,170
his near massless field in 1991 arrived

780
00:43:18,599 --> 00:43:24,630
home from Roy's house about quarter to

781
00:43:22,170 --> 00:43:26,579
1:00 in the morning as you do when

782
00:43:24,630 --> 00:43:29,400
you're talking about these things you

783
00:43:26,579 --> 00:43:31,470
get carried away and and the next

784
00:43:29,400 --> 00:43:33,298

morning my next-door neighbor there's

785

00:43:31,469 --> 00:43:36,629

another day if I seem to be surrounded

786

00:43:33,298 --> 00:43:39,150

by Dave's he told me that there'd been a

787

00:43:36,630 --> 00:43:41,670

got up in the night and he saw powerful

788

00:43:39,150 --> 00:43:45,269

white light beaming down on the roof of

789

00:43:41,670 --> 00:43:48,480

my house so that was another indication

790

00:43:45,269 --> 00:43:53,039

that I was being followed he said he

791

00:43:48,480 --> 00:43:57,659

wasn't the moon by the way so late

792

00:43:53,039 --> 00:44:00,929

August 98 after a holiday a birth with

793

00:43:57,659 --> 00:44:02,639

my family I was I was levitating in bed

794

00:44:00,929 --> 00:44:06,169

and that's a strange feeling when you

795

00:44:02,639 --> 00:44:09,239

suddenly feel yourself floating up and I

796

00:44:06,170 --> 00:44:12,180

I didn't like it at all it's the first

797

00:44:09,239 --> 00:44:14,358

time I've been levitated and it's just

798

00:44:12,179 --> 00:44:18,029

that lack of control that's not very

799

00:44:14,358 --> 00:44:20,759

uncomfortable and I had the feeling if I

800

00:44:18,030 --> 00:44:22,769

could somehow just move a finger because

801

00:44:20,760 --> 00:44:24,930

there's an element of paralysis involved

802

00:44:22,769 --> 00:44:27,358

with this as well and just touch my wife

803

00:44:24,929 --> 00:44:29,460

that the spell would be broken somehow

804

00:44:27,358 --> 00:44:31,318

and indeed it was and I fell back onto

805

00:44:29,460 --> 00:44:33,030

the bed and I looked around the bedroom

806

00:44:31,318 --> 00:44:35,369

to thinking oh it's gotta be one in

807

00:44:33,030 --> 00:44:41,760

years now you know but didn't see

808

00:44:35,369 --> 00:44:44,180

anything so I went to sleep and next

809

00:44:41,760 --> 00:44:46,380

morning got in the shower and

810

00:44:44,179 --> 00:44:49,129

[Applause]

811

00:44:46,380 --> 00:44:54,170

as the hot water from the shower hit me

812

00:44:49,130 --> 00:44:58,190

on the older you know John Thomas oh

813
00:44:54,170 --> 00:45:03,599
yeah I noticed that there was a triangle

814
00:44:58,190 --> 00:45:10,650
printed on on it only a small triangle I

815
00:45:03,599 --> 00:45:12,480
hasten to watch well nevertheless it was

816
00:45:10,650 --> 00:45:14,880
there and it was just the outline of the

817
00:45:12,480 --> 00:45:24,389
triangle it wasn't filled in if you like

818
00:45:14,880 --> 00:45:27,390
with with red and so as I say now there

819
00:45:24,389 --> 00:45:30,629
was a UFO sighting near Jodrell Bank and

820
00:45:27,389 --> 00:45:32,400
then a couple of weeks later dedicated

821
00:45:30,630 --> 00:45:34,170
and I went to the Leeds UFO conference

822
00:45:32,400 --> 00:45:36,300
and one of the speaker's was a bomb

823
00:45:34,170 --> 00:45:39,030
Smith from America who's a quite a

824
00:45:36,300 --> 00:45:40,530
famous abductee researcher and you know

825
00:45:39,030 --> 00:45:44,550
hidden a therapist and what have you and

826
00:45:40,530 --> 00:45:46,320
she she'd been dealing with the the

827

00:45:44,550 --> 00:45:48,630
wiener twins from the allagash

828
00:45:46,320 --> 00:45:53,340
abductions over there which you may have

829
00:45:48,630 --> 00:45:57,660
heard of and she she showed on the

830
00:45:53,340 --> 00:46:00,720
screen this was mostly denim actually a

831
00:45:57,659 --> 00:46:02,879
big piece of denim with a square cut out

832
00:46:00,719 --> 00:46:05,699
of it with some skin behind it

833
00:46:02,880 --> 00:46:07,140
with a red triangle on the skin and she

834
00:46:05,699 --> 00:46:10,829
said you'll never guess where that is

835
00:46:07,139 --> 00:46:12,329
and of course everybody did and and I

836
00:46:10,829 --> 00:46:16,710
nearly fell off the chair because it was

837
00:46:12,329 --> 00:46:19,079
identical to what I'd had on me seen her

838
00:46:16,710 --> 00:46:20,400
for tonight before and I've told David

839
00:46:19,079 --> 00:46:23,519
annealing Lee fell off the chair is

840
00:46:20,400 --> 00:46:26,250
about the interesting thing about it is

841
00:46:23,519 --> 00:46:30,000

that I didn't make a fuss about it man

842

00:46:26,250 --> 00:46:32,489
and when it happened It was as if you

843

00:46:30,000 --> 00:46:34,559
know okay right you know but we are

844

00:46:32,489 --> 00:46:36,089
conditioned to accept these things and

845

00:46:34,559 --> 00:46:41,070
that's not that's another thing that

846

00:46:36,090 --> 00:46:42,900
people must understand 98 saw you for

847

00:46:41,070 --> 00:46:44,700
both the the golf course

848

00:46:42,900 --> 00:46:47,639
amethyst field I was a member of mothers

849

00:46:44,699 --> 00:46:48,869
feel Golf Club so I'm just trying to get

850

00:46:47,639 --> 00:46:51,329
across to the fact that I'm a just an

851

00:46:48,869 --> 00:46:54,210
ordinary guy just normal in many

852

00:46:51,329 --> 00:46:56,440
respects and I watched he fly into a

853

00:46:54,210 --> 00:46:58,720
cloud a small cloud whose

854

00:46:56,440 --> 00:47:00,849
a hot white clouds with a lot of blue

855

00:46:58,719 --> 00:47:01,269
sky I thought raha watch it come out the

856
00:47:00,849 --> 00:47:03,519
other side

857
00:47:01,269 --> 00:47:05,650
but he didn't and I stood there for five

858
00:47:03,519 --> 00:47:07,480
minutes watching this cloud and then he

859
00:47:05,650 --> 00:47:09,220
came out and he went up in a different

860
00:47:07,480 --> 00:47:13,559
direction and hid behind another cloud

861
00:47:09,219 --> 00:47:17,318
so I thought yes I know what you are

862
00:47:13,559 --> 00:47:20,500
then try having home one day just a

863
00:47:17,318 --> 00:47:23,108
normal working day from a midday meal

864
00:47:20,500 --> 00:47:24,730
I was actually passing a church but I

865
00:47:23,108 --> 00:47:29,199
don't whether that was significant or

866
00:47:24,730 --> 00:47:34,179
not but a voice spoke to me so clearly

867
00:47:29,199 --> 00:47:37,568
and it said love is the answer that's

868
00:47:34,179 --> 00:47:41,169
all but it was so clear it was just like

869
00:47:37,568 --> 00:47:44,380
somebody was sat there you know and I've

870
00:47:41,170 --> 00:47:51,119
listened to that advice ever since and

871
00:47:44,380 --> 00:47:55,450
indeed it is the answer another occasion

872
00:47:51,119 --> 00:47:58,420
this is just my thought on it I was in

873
00:47:55,449 --> 00:48:00,429
bed when I was levitated again I floated

874
00:47:58,420 --> 00:48:04,990
up out of my body and there was this

875
00:48:00,429 --> 00:48:06,519
person above me facedown didn't seem to

876
00:48:04,989 --> 00:48:09,789
have any clothes on but that didn't

877
00:48:06,519 --> 00:48:12,460
matter and I merged with his body it was

878
00:48:09,789 --> 00:48:14,769
a man and I had the feeling that he was

879
00:48:12,460 --> 00:48:20,289
Jesus and I have to sir tell you I'm not

880
00:48:14,769 --> 00:48:23,530
a religious person I but that was the

881
00:48:20,289 --> 00:48:25,509
feeling that I got and the following and

882
00:48:23,530 --> 00:48:28,510
after that I don't remember anything

883
00:48:25,510 --> 00:48:30,790
following morning I got up and did the

884

00:48:28,510 --> 00:48:33,579
normal things a showered got dressed and

885
00:48:30,789 --> 00:48:35,769
everything but I was naked

886
00:48:33,579 --> 00:48:37,810
I it felt as if I hadn't slept for about

887
00:48:35,769 --> 00:48:40,539
five or six days I could have just got

888
00:48:37,809 --> 00:48:42,539
back into bed but what happened that

889
00:48:40,539 --> 00:48:47,318
night not a clue

890
00:48:42,539 --> 00:48:50,969
so and another thing was that I went

891
00:48:47,318 --> 00:48:53,588
through a period around that time where

892
00:48:50,969 --> 00:48:57,189
when I was even when I was driving I'd

893
00:48:53,588 --> 00:49:00,460
see a list of laws in the air and these

894
00:48:57,190 --> 00:49:02,608
were the laws of the galaxy and I knew

895
00:49:00,460 --> 00:49:04,650
them

896
00:49:02,608 --> 00:49:08,639
how the heck do I know them that they

897
00:49:04,650 --> 00:49:10,230
were my memories although in this life I

898
00:49:08,639 --> 00:49:12,509

haven't got a clue what the laws of the

899

00:49:10,230 --> 00:49:16,230

garret that galaxies are but in some

900

00:49:12,509 --> 00:49:19,679

other aspect of me perhaps I don't know

901

00:49:16,230 --> 00:49:22,528

what the laws of the galaxies are the

902

00:49:19,679 --> 00:49:24,088

galaxy is so you know there were man

903

00:49:22,528 --> 00:49:26,248

memories and it happened several times

904

00:49:24,088 --> 00:49:30,058

it could happen anytime they didn't seem

905

00:49:26,248 --> 00:49:33,298

to be any ran no reason to it October

906

00:49:30,059 --> 00:49:36,749

2000 I gave a talk at the spiritualist

907

00:49:33,298 --> 00:49:40,998

Church in Stockport and after I'd given

908

00:49:36,748 --> 00:49:43,919

the talk on crop circles a lady in the

909

00:49:40,998 --> 00:49:46,798

audience came up to me who turned out to

910

00:49:43,920 --> 00:49:49,048

be a medium and I didn't know and she

911

00:49:46,798 --> 00:49:53,400

said I have to speak to you so we we sat

912

00:49:49,048 --> 00:49:55,829

in the church area after after everybody

913
00:49:53,400 --> 00:49:57,150
had moved off and she said I have to

914
00:49:55,829 --> 00:50:01,170
tell you you weren't alone

915
00:49:57,150 --> 00:50:05,358
on the platform there were about five

916
00:50:01,170 --> 00:50:07,470
little guys around you and there was one

917
00:50:05,358 --> 00:50:10,288
similar but much taller than you

918
00:50:07,469 --> 00:50:13,259
standing right behind you and above your

919
00:50:10,289 --> 00:50:16,680
head there was a triangle-shaped object

920
00:50:13,259 --> 00:50:19,409
and they were using the triangle to

921
00:50:16,679 --> 00:50:23,159
influence your thoughts and they were

922
00:50:19,409 --> 00:50:24,899
helping you and they were calling you

923
00:50:23,159 --> 00:50:26,909
they're all she said they were

924
00:50:24,900 --> 00:50:31,170
pleased with you very pleased with you

925
00:50:26,909 --> 00:50:34,170
and they were calling you brother so you

926
00:50:31,170 --> 00:50:36,329
can make about what you will but I kind

927
00:50:34,170 --> 00:50:38,220
of got the indication from that that I

928
00:50:36,329 --> 00:50:41,730
was definitely connected to these people

929
00:50:38,219 --> 00:50:44,429
so there's you know there's more

930
00:50:41,730 --> 00:50:47,548
puncture marks and stuff going on with

931
00:50:44,429 --> 00:50:51,230
feet and I showed them to my next door

932
00:50:47,548 --> 00:50:55,498
neighbor who told me that they've been a

933
00:50:51,230 --> 00:50:58,528
huge thud like a pressure wave over the

934
00:50:55,498 --> 00:51:01,439
house that night now my wife is a very

935
00:50:58,528 --> 00:51:03,239
light sleeper and my children but none

936
00:51:01,440 --> 00:51:05,530
of none of us had heard a damn thing

937
00:51:03,239 --> 00:51:08,119
that night

938
00:51:05,530 --> 00:51:10,360
David got to check the windows in door

939
00:51:08,119 --> 00:51:13,160
because he felt sure something that

940
00:51:10,360 --> 00:51:15,110
broken and even my mom who lived 500

941

00:51:13,159 --> 00:51:16,789
yards away even heard it but we heard

942
00:51:15,110 --> 00:51:21,860
nothing and I wrecked now was being

943
00:51:16,789 --> 00:51:24,610
dropped off by by the craft and the next

944
00:51:21,860 --> 00:51:27,950
day I found a circular patch on the lawn

945
00:51:24,610 --> 00:51:29,510
probably about two feet across where all

946
00:51:27,949 --> 00:51:35,289
the chlorophyll had been taken out to

947
00:51:29,510 --> 00:51:37,840
the grass and I had a beautiful tall

948
00:51:35,289 --> 00:51:40,579
thin conifer which must have been about

949
00:51:37,840 --> 00:51:42,170
10 to 10 feet high anyway there was an

950
00:51:40,579 --> 00:51:44,869
absolute beauty at the bottom of the

951
00:51:42,170 --> 00:51:50,500
garden in a perfect in position for it

952
00:51:44,869 --> 00:51:54,820
and it died from the top down it just

953
00:51:50,500 --> 00:51:57,650
there see no reason for it whatsoever

954
00:51:54,820 --> 00:52:00,619
much in the same way that billy meier

955
00:51:57,650 --> 00:52:05,030

reported in switzerland where the tree

956

00:52:00,619 --> 00:52:08,269

where the UFO was a flew around died and

957

00:52:05,030 --> 00:52:11,450

had to be taken down I had to dig my

958

00:52:08,269 --> 00:52:13,489

conifer out sometime later and when I

959

00:52:11,449 --> 00:52:16,368

did the roofs were in perfect condition

960

00:52:13,489 --> 00:52:17,479

no nothing wrong with it at all so I can

961

00:52:16,369 --> 00:52:21,619

only assume it was some kind of

962

00:52:17,480 --> 00:52:25,039

radiation now I show you a few pictures

963

00:52:21,619 --> 00:52:27,920

here this isn't my mom my mom's arm and

964

00:52:25,039 --> 00:52:30,500

you can see these this sort of flattened

965

00:52:27,920 --> 00:52:33,170

triangle shape of puncture marks on her

966

00:52:30,500 --> 00:52:37,400

arm there and you probably can notice

967

00:52:33,170 --> 00:52:39,950

bruising around it too that's a bit more

968

00:52:37,400 --> 00:52:42,079

of a close so you could actually see in

969

00:52:39,949 --> 00:52:45,500

this top one a kind of a track mark of

970
00:52:42,079 --> 00:52:52,219
blood very whatever needles they use

971
00:52:45,500 --> 00:52:53,989
must be extremely fine but this is the

972
00:52:52,219 --> 00:52:56,989
kind of thing that we have this is my

973
00:52:53,989 --> 00:52:59,239
next-door neighbor Dave Randall at the

974
00:52:56,989 --> 00:53:01,368
same time as my mom was getting that he

975
00:52:59,239 --> 00:53:04,819
was getting this Dave and my mom were

976
00:53:01,369 --> 00:53:06,318
very close friends pathways and you can

977
00:53:04,820 --> 00:53:08,119
see that

978
00:53:06,318 --> 00:53:09,708
his arm here there's a triangle shape

979
00:53:08,119 --> 00:53:12,079
within the bruise and he's got more

980
00:53:09,708 --> 00:53:14,149
bruising down here it just got to bed

981
00:53:12,079 --> 00:53:15,349
with these go to bed normal and he

982
00:53:14,150 --> 00:53:18,619
caught me wake up with these things

983
00:53:15,349 --> 00:53:22,150
that's just showing you the triangle

984
00:53:18,619 --> 00:53:26,689
shape inside the bruise there on his arm

985
00:53:22,150 --> 00:53:28,729
and again we it's out of focus I'm

986
00:53:26,688 --> 00:53:30,139
afraid there's a puncture mark there one

987
00:53:28,728 --> 00:53:34,188
there and I think there's another one

988
00:53:30,139 --> 00:53:36,199
down here and bruising have to take it

989
00:53:34,188 --> 00:53:38,808
very quickly because my wife was in the

990
00:53:36,199 --> 00:53:41,809
garden with us and she hated the whole

991
00:53:38,809 --> 00:53:45,160
business with a passion as I said in

992
00:53:41,809 --> 00:53:49,429
spring of 2003 my eyesight was affected

993
00:53:45,159 --> 00:53:51,978
for a period of two weeks everything

994
00:53:49,429 --> 00:53:55,989
that looks at had a diamond shaped mesh

995
00:53:51,978 --> 00:54:01,308
pattern on it the walls the the ceiling

996
00:53:55,989 --> 00:54:03,739
even the the porcelain of the toilet had

997
00:54:01,309 --> 00:54:05,900
this diamond-shaped mesh on it and it

998

00:54:03,739 --> 00:54:08,568
was very much like that I mean that's on

999
00:54:05,900 --> 00:54:11,329
leaded windows a friend's house but it

1000
00:54:08,568 --> 00:54:15,048
gives you an idea what it looks like and

1001
00:54:11,329 --> 00:54:15,979
I have since learned that people called

1002
00:54:15,048 --> 00:54:19,849
something similar

1003
00:54:15,978 --> 00:54:22,818
indras net and unless I'm quite sure

1004
00:54:19,849 --> 00:54:25,909
what the obviously ETS have done that to

1005
00:54:22,818 --> 00:54:27,469
me to give me an idea of something

1006
00:54:25,909 --> 00:54:28,969
different and I think what they're

1007
00:54:27,469 --> 00:54:31,369
showing me is that the nature of reality

1008
00:54:28,969 --> 00:54:33,858
is not what we think it is you know it's

1009
00:54:31,369 --> 00:54:37,278
a bit like of the holodeck on this on

1010
00:54:33,858 --> 00:54:40,518
the enterprise you know that kind of

1011
00:54:37,278 --> 00:54:43,309
thing the thing is I told my uncle about

1012
00:54:40,518 --> 00:54:46,908

this and he was the one person that I

1013

00:54:43,309 --> 00:54:49,759

really confided in about it about all my

1014

00:54:46,909 --> 00:54:53,509

UFO stuff because at home I didn't dare

1015

00:54:49,759 --> 00:54:55,759

talk about it at all and he didn't

1016

00:54:53,509 --> 00:54:58,369

really listen and I was really very

1017

00:54:55,759 --> 00:55:01,938

disappointed with him and I felt a bit

1018

00:54:58,369 --> 00:55:07,150

alone at once more which abductees can

1019

00:55:01,938 --> 00:55:10,489

often do and so anyway after a fortnight

1020

00:55:07,150 --> 00:55:12,789

this condition left me woke up one

1021

00:55:10,489 --> 00:55:14,980

morning wasn't there anymore

1022

00:55:12,789 --> 00:55:17,139

later I went to see my uncle he was at

1023

00:55:14,980 --> 00:55:18,400

arrive state he said Rob Roebuck I've

1024

00:55:17,139 --> 00:55:20,529

gotta make an appointment and the

1025

00:55:18,400 --> 00:55:22,059

doctors said what's the matter he said

1026

00:55:20,530 --> 00:55:25,030

there's a diamond-shaped mesh on

1027
00:55:22,059 --> 00:55:26,949
everything I look at and I said well I

1028
00:55:25,030 --> 00:55:30,070
told you uncle

1029
00:55:26,949 --> 00:55:33,549
they're just done that to you in order

1030
00:55:30,070 --> 00:55:36,730
for you to know that what I was saying

1031
00:55:33,550 --> 00:55:38,410
was the truth so you don't need to worry

1032
00:55:36,730 --> 00:55:42,190
give it a couple of weeks and it'll go

1033
00:55:38,409 --> 00:55:46,089
and it did so I mentioned that because I

1034
00:55:42,190 --> 00:55:48,429
want to just let you know how how they

1035
00:55:46,090 --> 00:55:55,079
do help me sometimes it's not all bad

1036
00:55:48,429 --> 00:55:58,299
not by any means ok so again more

1037
00:55:55,079 --> 00:56:00,519
puncture marks on my mom's arm but of

1038
00:55:58,300 --> 00:56:04,180
course this is that's a different time

1039
00:56:00,519 --> 00:56:05,650
that was 2005 that's 2008 and he said in

1040
00:56:04,179 --> 00:56:11,649
a slightly different position on her arm

1041
00:56:05,650 --> 00:56:13,360
so unnaturally she'd had she had one in

1042
00:56:11,650 --> 00:56:16,119
between there but I didn't know need to

1043
00:56:13,360 --> 00:56:19,480
take a photograph of that then we get

1044
00:56:16,119 --> 00:56:22,259
scoot marks on the arm here that's just

1045
00:56:19,480 --> 00:56:26,490
a bit of a better picture of it I think

1046
00:56:22,260 --> 00:56:33,760
I've got the same scoot marks on me

1047
00:56:26,489 --> 00:56:36,639
that's a scoop mark on my on this left

1048
00:56:33,760 --> 00:56:40,260
arm here had that one since I was very

1049
00:56:36,639 --> 00:56:45,549
young that shows it a bit more clearly

1050
00:56:40,260 --> 00:56:51,280
there many abductees have this exact

1051
00:56:45,550 --> 00:56:52,500
same mark on them you know we we we have

1052
00:56:51,280 --> 00:56:57,460
fun

1053
00:56:52,500 --> 00:57:00,010
showing each other's marks and that one

1054
00:56:57,460 --> 00:57:04,659
also is on the on the back of my arm

1055

00:57:00,010 --> 00:57:08,530
here that's another scoop mark that's a

1056
00:57:04,659 --> 00:57:11,589
bit bit unusual because it used to be a

1057
00:57:08,530 --> 00:57:15,010
concave for depressed and it was kind of

1058
00:57:11,590 --> 00:57:16,480
not colored like that but when an event

1059
00:57:15,010 --> 00:57:17,170
happened not talked about about that

1060
00:57:16,480 --> 00:57:19,090
later on

1061
00:57:17,170 --> 00:57:19,680
it seemed that I got a new blood supply

1062
00:57:19,090 --> 00:57:23,280
too

1063
00:57:19,679 --> 00:57:26,250
and this the this the skin in it sort of

1064
00:57:23,280 --> 00:57:28,110
thickened and Inca knee went higher than

1065
00:57:26,250 --> 00:57:31,170
the level of my arm

1066
00:57:28,110 --> 00:57:33,660
he went pink and now it's Ashley dropped

1067
00:57:31,170 --> 00:57:38,039
back to normal and it looks like I've

1068
00:57:33,659 --> 00:57:40,259
been repaired is what I'm saying that's

1069
00:57:38,039 --> 00:57:42,869

another thing that I was abductors have

1070

00:57:40,260 --> 00:57:44,700

sometimes this is the back of my hand I

1071

00:57:42,869 --> 00:57:49,349

don't they can just about make out this

1072

00:57:44,699 --> 00:57:52,109

v-shaped scar they're very very thin

1073

00:57:49,349 --> 00:57:56,909

white scars and a lot of abductees have

1074

00:57:52,110 --> 00:58:01,590

them on the backs of their hands again

1075

00:57:56,909 --> 00:58:06,960

some more bruising from punctures that's

1076

00:58:01,590 --> 00:58:07,350

on my mom's arm and that's my arm over

1077

00:58:06,960 --> 00:58:11,550

there

1078

00:58:07,349 --> 00:58:15,869

so you know sometimes they visit visited

1079

00:58:11,550 --> 00:58:19,050

moment visited may as well that one is a

1080

00:58:15,869 --> 00:58:22,079

double puncture mark on the inside of my

1081

00:58:19,050 --> 00:58:25,289

right bicep which was a favorite place

1082

00:58:22,079 --> 00:58:27,769

for them they they used to visit me

1083

00:58:25,289 --> 00:58:31,259

probably every six months I would say

1084
00:58:27,769 --> 00:58:34,170
and give me that particular injection

1085
00:58:31,260 --> 00:58:37,440
not always on the right palm sometimes

1086
00:58:34,170 --> 00:58:39,539
left bicep sometimes and the other place

1087
00:58:37,440 --> 00:58:47,579
they can do it is inner thigh both sides

1088
00:58:39,539 --> 00:58:49,489
and the reason for that is because I'm

1089
00:58:47,579 --> 00:58:56,190
also a shapeshifter

1090
00:58:49,489 --> 00:59:01,229
so and that injection is done to keep me

1091
00:58:56,190 --> 00:59:06,090
in this form and it needed to be done

1092
00:59:01,230 --> 00:59:08,610
every six month because if it wasn't

1093
00:59:06,090 --> 00:59:13,370
then it might happen and I didn't want

1094
00:59:08,610 --> 00:59:16,769
it to happen but since my wife passed

1095
00:59:13,369 --> 00:59:20,880
and far more relaxed I'm able to be

1096
00:59:16,769 --> 00:59:24,750
myself and I haven't had that injection

1097
00:59:20,880 --> 00:59:25,818
since I know that's what it's for

1098
00:59:24,750 --> 00:59:30,528
because I was

1099
00:59:25,818 --> 00:59:31,599
old quite definitely there's one on the

1100
00:59:30,528 --> 00:59:35,059
other arm

1101
00:59:31,599 --> 00:59:37,160
and upon another occasion they also take

1102
00:59:35,059 --> 00:59:41,619
blood from me and it's always the same

1103
00:59:37,159 --> 00:59:43,998
place it's on the left arm just here and

1104
00:59:41,619 --> 00:59:47,028
quite often I'll get they'll take the

1105
00:59:43,998 --> 00:59:48,558
blood and then a few days later I'll get

1106
00:59:47,028 --> 00:59:51,708
the puncture marks so it's like they're

1107
00:59:48,559 --> 00:59:56,599
testing me to see how I'm doing and then

1108
00:59:51,708 --> 01:00:00,788
they'll do something else with me that's

1109
00:59:56,599 --> 01:00:05,088
my right nipple sorry about that

1110
01:00:00,789 --> 01:00:06,799
but I put it on there because they'd

1111
01:00:05,088 --> 01:00:11,538
give me an injection around here

1112

01:00:06,798 --> 01:00:14,389
somewhere and the the the the nipple

1113
01:00:11,539 --> 01:00:17,630
blistered up on that side and it was

1114
01:00:14,389 --> 01:00:19,879
really very painful and my friend David

1115
01:00:17,630 --> 01:00:23,749
he's had exactly the same thing which I

1116
01:00:19,880 --> 01:00:26,209
didn't find out about until yesterday so

1117
01:00:23,748 --> 01:00:28,368
we get all sorts of things double

1118
01:00:26,208 --> 01:00:35,618
puncture marks we get them in different

1119
01:00:28,369 --> 01:00:38,660
places that one was on my right calf and

1120
01:00:35,619 --> 01:00:41,509
bad gaudy itched it was it was really

1121
01:00:38,659 --> 01:00:44,449
really bad I had that six months later

1122
01:00:41,509 --> 01:00:46,880
and it was still the same unfortunately

1123
01:00:44,449 --> 01:00:53,690
now it's gone thank goodness that's the

1124
01:00:46,880 --> 01:00:57,559
same thing that's my friend David sorry

1125
01:00:53,690 --> 01:00:59,630
where are we there we go and you can see

1126
01:00:57,559 --> 01:01:04,999

he's got the double puncture on his leg

1127

01:00:59,630 --> 01:01:07,670

unfortunately he seems to eat a great

1128

01:01:04,998 --> 01:01:10,669

deal more with these things than I do so

1129

01:01:07,670 --> 01:01:13,338

I was able to resist scratching it but I

1130

01:01:10,670 --> 01:01:14,778

can assure you that if I had scratched

1131

01:01:13,338 --> 01:01:19,969

it mine would have look like that

1132

01:01:14,778 --> 01:01:23,568

without a shadow of a doubt I was also

1133

01:01:19,969 --> 01:01:27,559

up with the Devereaux family who were in

1134

01:01:23,568 --> 01:01:30,829

the film the real 4400 which some of you

1135

01:01:27,559 --> 01:01:35,360

may have seen some years ago

1136

01:01:30,829 --> 01:01:38,079

I was explaining that not all the marks

1137

01:01:35,360 --> 01:01:40,190

that we get are very easy to see

1138

01:01:38,079 --> 01:01:41,329

deliberately they don't want you know

1139

01:01:40,190 --> 01:01:43,460

they don't want to put a big sign on

1140

01:01:41,329 --> 01:01:45,679

you're saying et was here or something

1141
01:01:43,460 --> 01:01:47,269
do they you know so I was saying that I

1142
01:01:45,679 --> 01:01:52,219
had a double puncture on the inside of

1143
01:01:47,269 --> 01:01:56,210
my left knee so Rachel and Ben here and

1144
01:01:52,219 --> 01:01:58,879
his brother Alex and and grandma and we

1145
01:01:56,210 --> 01:02:02,000
were rolling trouser-legs up checking to

1146
01:01:58,880 --> 01:02:05,329
see and sure enough Ben had got exactly

1147
01:02:02,000 --> 01:02:09,409
the same double puncture on the inside

1148
01:02:05,329 --> 01:02:11,179
of his knee exactly the same as me so it

1149
01:02:09,409 --> 01:02:13,759
made me think that perhaps the beings

1150
01:02:11,179 --> 01:02:15,679
that had taken and the devrel family

1151
01:02:13,760 --> 01:02:20,300
were the same ones who were taking me I

1152
01:02:15,679 --> 01:02:26,239
don't know maybe there's one of the

1153
01:02:20,300 --> 01:02:28,400
injections in the inner thigh that's

1154
01:02:26,239 --> 01:02:33,649
another one in the other thigh and

1155
01:02:28,400 --> 01:02:40,010
that's a bit of a beauty in take that

1156
01:02:33,650 --> 01:02:42,079
one occurred in October 2013 just about

1157
01:02:40,010 --> 01:02:45,380
three months after my wife died they

1158
01:02:42,079 --> 01:02:47,900
came and and gave me that absolute

1159
01:02:45,380 --> 01:02:50,000
beauty and that one I'm glad I wasn't

1160
01:02:47,900 --> 01:02:56,389
awake when they did it because it would

1161
01:02:50,000 --> 01:02:58,730
have bloody hurt there you go now I'd

1162
01:02:56,389 --> 01:03:00,739
never seen one like that before in all

1163
01:02:58,730 --> 01:03:07,550
my abduction research but then I

1164
01:03:00,739 --> 01:03:10,329
discovered that my friend also had

1165
01:03:07,550 --> 01:03:13,789
something very similar in the same place

1166
01:03:10,329 --> 01:03:18,400
and I found this chart from a guy in

1167
01:03:13,789 --> 01:03:21,559
Australia and these were marks that that

1168
01:03:18,400 --> 01:03:24,950
abductees have on their body and looking

1169

01:03:21,559 --> 01:03:27,500
down the list coming down here I could

1170
01:03:24,949 --> 01:03:31,819
see something that looked a bit familiar

1171
01:03:27,500 --> 01:03:34,539
so just blow that up again and here we

1172
01:03:31,820 --> 01:03:39,580
have the mark arm inside right bicep

1173
01:03:34,539 --> 01:03:42,590
four inch heart-shaped mandelbrot so I

1174
01:03:39,579 --> 01:03:43,190
think that qualifies is a 4 inch how

1175
01:03:42,590 --> 01:03:47,180
shape man

1176
01:03:43,190 --> 01:03:48,650
and in inside right bicep so I'm just

1177
01:03:47,179 --> 01:03:51,230
showing you that so that you realize

1178
01:03:48,650 --> 01:03:53,780
that this is a worldwide phenomenon it's

1179
01:03:51,230 --> 01:03:56,588
not just happening here or in America

1180
01:03:53,780 --> 01:03:56,589
it's everywhere

1181
01:03:56,650 --> 01:04:04,880
now I also have this is another common

1182
01:04:01,719 --> 01:04:09,259
puncture that abductees get and it's on

1183
01:04:04,880 --> 01:04:11,420

the on the the just below the base of

1184

01:04:09,260 --> 01:04:13,970

the the thumb in between the wrists and

1185

01:04:11,420 --> 01:04:20,269

the base of the thumb and it's a double

1186

01:04:13,969 --> 01:04:24,139

puncture mark here I have got I have an

1187

01:04:20,269 --> 01:04:28,969

implant in in my left hand in that

1188

01:04:24,139 --> 01:04:32,440

location and it's gone into a lump it's

1189

01:04:28,969 --> 01:04:38,929

a hard lump now and it gives me pain and

1190

01:04:32,440 --> 01:04:41,139

from time to time and it it also has the

1191

01:04:38,929 --> 01:04:44,809

effect of weakening the thumb

1192

01:04:41,139 --> 01:04:48,469

significantly so that the grip on this

1193

01:04:44,809 --> 01:04:52,219

hand is all crikey it's a third what it

1194

01:04:48,469 --> 01:04:55,459

should be and I know other people who

1195

01:04:52,219 --> 01:05:00,769

have the same problem my friend

1196

01:04:55,460 --> 01:05:04,880

David here and Linda also have the same

1197

01:05:00,769 --> 01:05:07,400

thing we got the same double puncture

1198
01:05:04,880 --> 01:05:13,720
well we were together driving back from

1199
01:05:07,400 --> 01:05:17,510
Angel Mountain back to st. David's so

1200
01:05:13,719 --> 01:05:19,909
and David was in his right hand mine in

1201
01:05:17,510 --> 01:05:24,290
the left and he has the same problem

1202
01:05:19,909 --> 01:05:26,179
with his right thumb so I don't whether

1203
01:05:24,289 --> 01:05:28,400
you can see there's a kind of a look

1204
01:05:26,179 --> 01:05:33,588
there it's easier to see just looking at

1205
01:05:28,400 --> 01:05:36,550
it in real life but this these these

1206
01:05:33,588 --> 01:05:39,650
marks this one he is in the same place

1207
01:05:36,550 --> 01:05:41,970
this hand belongs to dr. Mary Helen

1208
01:05:39,650 --> 01:05:46,889
Hensley

1209
01:05:41,969 --> 01:05:48,088
who lives in Ireland and a speaker on

1210
01:05:46,889 --> 01:05:52,739
this on the subject

1211
01:05:48,088 --> 01:05:54,809
not so much abductions but she gets

1212
01:05:52,739 --> 01:06:01,348
exactly the same thing and we're in

1213
01:05:54,809 --> 01:06:05,009
contact quite often so and those two

1214
01:06:01,349 --> 01:06:08,550
punctures were on her left arm she sent

1215
01:06:05,010 --> 01:06:13,400
me that picture and those two on her

1216
01:06:08,550 --> 01:06:15,480
back so stuff happens around me and

1217
01:06:13,400 --> 01:06:19,050
neighbors have watched the ball of light

1218
01:06:15,480 --> 01:06:20,760
above our houses for ages people get fed

1219
01:06:19,050 --> 01:06:22,079
up of it you know they'll stand there

1220
01:06:20,760 --> 01:06:24,119
watching for three quarters of an hour

1221
01:06:22,079 --> 01:06:26,780
and then think it's not doing anything

1222
01:06:24,119 --> 01:06:29,010
I'm going in and that's it you know

1223
01:06:26,780 --> 01:06:30,839
another occasion I was in the house on

1224
01:06:29,010 --> 01:06:33,270
my own having a shower and the shower

1225
01:06:30,838 --> 01:06:35,699
was turned off on me and when I say

1226

01:06:33,269 --> 01:06:39,780
turned off it was a big electric switch

1227
01:06:35,699 --> 01:06:41,519
that had done clicked off so had a cold

1228
01:06:39,780 --> 01:06:46,410
shower they were just having a bit of

1229
01:06:41,519 --> 01:06:48,989
fun in the night we've had sharp bangs

1230
01:06:46,409 --> 01:06:51,719
on the bedroom windows and I mean really

1231
01:06:48,989 --> 01:06:53,149
sharp bang you know and really loud you

1232
01:06:51,719 --> 01:06:55,289
thought the windows coming through

1233
01:06:53,150 --> 01:06:57,930
strange humming noise above the house

1234
01:06:55,289 --> 01:07:00,889
and knocked on the front door when

1235
01:06:57,929 --> 01:07:00,889
there's been nobody there

1236
01:07:01,489 --> 01:07:07,789
that's not very clear but across here

1237
01:07:05,460 --> 01:07:11,699
you can just about make out two red

1238
01:07:07,789 --> 01:07:12,809
marks see them a bit more clearly there

1239
01:07:11,699 --> 01:07:15,539
there and there

1240
01:07:12,809 --> 01:07:17,068

that's what I woke up with I think I've

1241
01:07:15,539 --> 01:07:18,108
been strapped down on that particular

1242
01:07:17,068 --> 01:07:21,838
occasion

1243
01:07:18,108 --> 01:07:24,989
obviously I hadn't gone quietly and of

1244
01:07:21,838 --> 01:07:27,650
course the bruises from the finger marks

1245
01:07:24,989 --> 01:07:30,269
they're a bit heavy and II sometimes

1246
01:07:27,650 --> 01:07:34,410
that was another occasion where

1247
01:07:30,269 --> 01:07:38,039
I was on holiday in Morcom and I'd have

1248
01:07:34,409 --> 01:07:40,289
a problem with my right knee and I fancy

1249
01:07:38,039 --> 01:07:41,610
doing a bit of cycling again so I asked

1250
01:07:40,289 --> 01:07:43,800
them for a bit of help I said will you

1251
01:07:41,610 --> 01:07:46,070
come and fix it for me and sure enough

1252
01:07:43,800 --> 01:07:49,260
got up the next morning and they'd

1253
01:07:46,070 --> 01:07:51,269
they'd actually operated on me and

1254
01:07:49,260 --> 01:07:53,760
that's the scar there and this was

1255
01:07:51,269 --> 01:07:56,940
another thing where they stuck a needle

1256
01:07:53,760 --> 01:08:00,119
in me I guess that's the scar most

1257
01:07:56,940 --> 01:08:04,530
unusual-looking thing I mean it was

1258
01:08:00,119 --> 01:08:07,950
better by the way I also noticed that my

1259
01:08:04,530 --> 01:08:10,830
wife Jenny had got this bruise on the

1260
01:08:07,949 --> 01:08:14,159
inside of a bison right bicep here so

1261
01:08:10,829 --> 01:08:15,420
they obviously took her as well she was

1262
01:08:14,159 --> 01:08:20,430
none too pleased when she caught me

1263
01:08:15,420 --> 01:08:22,890
taking that picture August 2005 I was

1264
01:08:20,430 --> 01:08:24,509
down with with dead Cayton or in

1265
01:08:22,890 --> 01:08:27,900
Wiltshire during the crop circle

1266
01:08:24,509 --> 01:08:33,060
research and I was taken from his

1267
01:08:27,899 --> 01:08:35,729
Caravan taken in a craft to location I

1268
01:08:33,060 --> 01:08:38,330
believe it was tours made cops which is

1269
01:08:35,729 --> 01:08:44,068
nearby where I'm quite certain there's

1270
01:08:38,329 --> 01:08:48,059
there is an alien base so I'm positive

1271
01:08:44,069 --> 01:08:51,420
of that and I was aware of being in the

1272
01:08:48,060 --> 01:08:55,470
craft on this occasion and aware of

1273
01:08:51,420 --> 01:08:59,250
being brought back I was put in a room

1274
01:08:55,470 --> 01:09:02,220
with a machine which vibrates the body

1275
01:08:59,250 --> 01:09:05,970
at a tremendously high frequency and it

1276
01:09:02,220 --> 01:09:08,520
makes a buzzing sound and it starts low

1277
01:09:05,970 --> 01:09:11,659
but then it's so intense it's just like

1278
01:09:08,520 --> 01:09:14,089
having your head inside the bees nest

1279
01:09:11,658 --> 01:09:16,399
and and and so with that I believe

1280
01:09:14,088 --> 01:09:18,528
they're able to pass you through solid

1281
01:09:16,399 --> 01:09:20,899
material and so they passed me back into

1282
01:09:18,529 --> 01:09:22,520
the caravan this would be about four

1283

01:09:20,899 --> 01:09:25,638
o'clock in the morning or just a bit

1284
01:09:22,520 --> 01:09:30,199
after and everything should be perfect

1285
01:09:25,639 --> 01:09:32,210
quiet but I could still hear it I was

1286
01:09:30,198 --> 01:09:34,338
wide awake in the bed hearing this

1287
01:09:32,210 --> 01:09:36,889
tremendous buzzing noise Dave was in the

1288
01:09:34,338 --> 01:09:40,929
bed and the side there and he couldn't

1289
01:09:36,889 --> 01:09:45,949
hear a damn thing so the sound is is

1290
01:09:40,929 --> 01:09:47,600
held within the person interesting thing

1291
01:09:45,948 --> 01:09:50,088
was that ten minutes later we were both

1292
01:09:47,600 --> 01:09:52,969
sound asleep and we should not have been

1293
01:09:50,088 --> 01:09:54,979
you know so because it was in an

1294
01:09:52,969 --> 01:09:59,779
agitated state but that's what happens

1295
01:09:54,979 --> 01:10:01,939
they put you to sleep and so I had so we

1296
01:09:59,779 --> 01:10:03,439
had the shower in the morning and I

1297
01:10:01,939 --> 01:10:07,488

found a puncture mark here pancha mark

1298

01:10:03,439 --> 01:10:09,769

here I also had a cut on my John Thomas

1299

01:10:07,488 --> 01:10:16,189

again so they've been down there again I

1300

01:10:09,770 --> 01:10:18,770

blighters this is me here filming on

1301

01:10:16,189 --> 01:10:22,819

another occasion and this is tours made

1302

01:10:18,770 --> 01:10:25,040

cops where the bases and the entrance to

1303

01:10:22,819 --> 01:10:27,529

the base is actually near this tree here

1304

01:10:25,039 --> 01:10:31,250

sticks up here I've seen UFOs go down

1305

01:10:27,529 --> 01:10:32,738

there with witnesses so he's another

1306

01:10:31,250 --> 01:10:36,439

story altogether

1307

01:10:32,738 --> 01:10:38,299

but there came to that photograph and I

1308

01:10:36,439 --> 01:10:42,079

don't have noticed but in the sky above

1309

01:10:38,300 --> 01:10:44,119

here there's a blinking UFO it's not

1310

01:10:42,079 --> 01:10:46,059

quite over the base entrance there's

1311

01:10:44,119 --> 01:10:50,329

getting a bit closer and there's a

1312
01:10:46,060 --> 01:10:52,880
blow-up of it and these small craft

1313
01:10:50,329 --> 01:10:56,000
little cylinder things are commonplace

1314
01:10:52,880 --> 01:10:58,460
down and we'll sure there's areas where

1315
01:10:56,000 --> 01:11:00,289
I know you can go and and just take

1316
01:10:58,460 --> 01:11:02,859
photographs randomly of the sky and

1317
01:11:00,289 --> 01:11:09,920
practically guarantee you'll catch him a

1318
01:11:02,859 --> 01:11:13,869
soul 2007 st. Davids abduction with my

1319
01:11:09,920 --> 01:11:13,869
friend David and and Linda here

1320
01:11:14,050 --> 01:11:22,000
yes so that's a picture I took of Dave

1321
01:11:17,449 --> 01:11:29,300
on Angel mountain and in the sky

1322
01:11:22,000 --> 01:11:31,729
he has ringed UFOs out there oh yes I

1323
01:11:29,300 --> 01:11:34,460
put it there because it was driving back

1324
01:11:31,729 --> 01:11:35,869
from Angel mounting that day that the

1325
01:11:34,460 --> 01:11:40,090
three of us got the double puncture

1326
01:11:35,869 --> 01:11:44,180
marks in the implants in our hands

1327
01:11:40,090 --> 01:11:45,829
so there's Dave and in the sky although

1328
01:11:44,180 --> 01:11:48,740
we didn't see anything at the time

1329
01:11:45,829 --> 01:11:53,390
there's UFOs there's three up here and

1330
01:11:48,739 --> 01:11:55,969
there's one down here and I think he's

1331
01:11:53,390 --> 01:11:57,920
probably the bottom one is it yeah

1332
01:11:55,970 --> 01:12:03,039
that's an enhancement of the bottom

1333
01:11:57,920 --> 01:12:07,819
craft which is rather good I think and

1334
01:12:03,039 --> 01:12:11,810
now the top three there so there we are

1335
01:12:07,819 --> 01:12:13,489
one two three so we were not alone and

1336
01:12:11,810 --> 01:12:16,970
we weren't alone as we were driving back

1337
01:12:13,489 --> 01:12:20,510
from Davey from Fishguard that day what

1338
01:12:16,970 --> 01:12:23,000
were we it's another occasion then with

1339
01:12:20,510 --> 01:12:27,050
Roy Dalton I stayed at Roy's house in

1340

01:12:23,000 --> 01:12:30,880
Torquay one or two occasions on this

1341
01:12:27,050 --> 01:12:30,880
particular night it was a full moon I

1342
01:12:31,090 --> 01:12:37,730
got a lovely bedroom overlooking Torbay

1343
01:12:35,020 --> 01:12:40,280
the moon on this on the sea there at or

1344
01:12:37,729 --> 01:12:41,899
bay it was lovely I got the curtains

1345
01:12:40,279 --> 01:12:47,449
wide open so he's quite bright in the

1346
01:12:41,899 --> 01:12:49,759
bedroom and all of a sudden I felt my

1347
01:12:47,449 --> 01:12:51,819
body start to vibrate and that's another

1348
01:12:49,760 --> 01:12:54,920
thing that happens with us abductees we

1349
01:12:51,819 --> 01:12:58,489
vibrate we think it's an earthquake but

1350
01:12:54,920 --> 01:13:00,529
it's it's also and my heel started to

1351
01:12:58,489 --> 01:13:03,500
tingle so I reached down the bed to see

1352
01:13:00,529 --> 01:13:05,689
what what the problem was but I couldn't

1353
01:13:03,500 --> 01:13:07,609
find anything at all so I just laid

1354
01:13:05,689 --> 01:13:12,079

there and then the next thing there was

1355

01:13:07,609 --> 01:13:16,009

this pressure on my stomach pushing down

1356

01:13:12,079 --> 01:13:18,710

hard and then paralysis set in he

1357

01:13:16,010 --> 01:13:21,739

started moved down from my stomach down

1358

01:13:18,710 --> 01:13:22,489

to my feet and then and then from my

1359

01:13:21,739 --> 01:13:24,408

stomach

1360

01:13:22,488 --> 01:13:26,988

to the top of my head and the only thing

1361

01:13:24,408 --> 01:13:29,420

I could move was my eyeballs and again

1362

01:13:26,988 --> 01:13:34,069

this is typical of what happens to us

1363

01:13:29,420 --> 01:13:37,158

and I knew the ETS were there obviously

1364

01:13:34,069 --> 01:13:39,049

I knew was them and at this time I

1365

01:13:37,158 --> 01:13:42,339

wanted to I wanted to talk to them you

1366

01:13:39,050 --> 01:13:45,590

know I get sick of being a blinking

1367

01:13:42,340 --> 01:13:47,929

guinea pig or whatever and I was trying

1368

01:13:45,590 --> 01:13:50,059

to say please speak to me but nothing

1369
01:13:47,929 --> 01:13:51,550
would come out of my mouth the the vocal

1370
01:13:50,059 --> 01:13:54,079
cords don't work

1371
01:13:51,550 --> 01:13:55,788
everything's paralyzed if your if your

1372
01:13:54,078 --> 01:13:57,679
eyelids are closed when you're paralyzed

1373
01:13:55,788 --> 01:14:00,349
you can't open them but if they're open

1374
01:13:57,679 --> 01:14:02,719
at the time you can move your eyeballs

1375
01:14:00,349 --> 01:14:05,059
that's the only thing fortunately your

1376
01:14:02,719 --> 01:14:08,779
autonomic nervous system works and your

1377
01:14:05,059 --> 01:14:11,210
heart keeps pumping and you keep

1378
01:14:08,779 --> 01:14:14,389
breathing but even that sometimes it

1379
01:14:11,210 --> 01:14:21,559
doesn't work very well and that can be a

1380
01:14:14,389 --> 01:14:24,980
bit of a problem so what I saw in the in

1381
01:14:21,559 --> 01:14:34,730
the corner of the bedroom by the by the

1382
01:14:24,979 --> 01:14:37,428
Wardrobe was a light being now this

1383
01:14:34,729 --> 01:14:38,419
picture I've taken from a screenshot on

1384
01:14:37,429 --> 01:14:40,960
my laptop

1385
01:14:38,420 --> 01:14:45,859
obviously it's taken from the afterlife

1386
01:14:40,960 --> 01:14:49,670
investigations the skull experiments and

1387
01:14:45,859 --> 01:14:53,748
during the experiments what they did

1388
01:14:49,670 --> 01:14:56,328
they rigged the camera up with a film in

1389
01:14:53,748 --> 01:14:57,828
it which was pointing at a mirror which

1390
01:14:56,328 --> 01:15:00,078
pointed back to another mirror which

1391
01:14:57,828 --> 01:15:02,328
pointed back into the eyepiece of the

1392
01:15:00,078 --> 01:15:04,969
camera so it shouldn't have been filming

1393
01:15:02,328 --> 01:15:07,069
anything but the mediums did their stuff

1394
01:15:04,969 --> 01:15:10,248
and then when the scrutineers looked at

1395
01:15:07,069 --> 01:15:13,069
the film they found there were faces on

1396
01:15:10,248 --> 01:15:17,899
it that was writing on it and there was

1397

01:15:13,069 --> 01:15:21,049
this being so this is really very

1398
01:15:17,899 --> 01:15:25,998
interesting because what it means is

1399
01:15:21,050 --> 01:15:28,309
that beings that look similar to what we

1400
01:15:25,998 --> 01:15:29,000
think of as greys except because of the

1401
01:15:28,309 --> 01:15:31,650
eyes

1402
01:15:29,000 --> 01:15:35,369
but their light beams they made out of

1403
01:15:31,649 --> 01:15:39,539
light are actually in our spirit world

1404
01:15:35,369 --> 01:15:41,869
as well so they're interdimensional and

1405
01:15:39,539 --> 01:15:51,329
I think that's a really important

1406
01:15:41,869 --> 01:15:53,460
finding yeah okay so yeah so I didn't

1407
01:15:51,329 --> 01:15:55,859
have chance to speak to the little fella

1408
01:15:53,460 --> 01:15:58,680
he was only about three and a half four

1409
01:15:55,859 --> 01:16:02,460
feet tall most he saw that I could see

1410
01:15:58,680 --> 01:16:04,170
him him her whatever and it just went

1411
01:16:02,460 --> 01:16:07,020

through the wall and then the paralysis

1412

01:16:04,170 --> 01:16:09,050

left me got out of bed quickly looked up

1413

01:16:07,020 --> 01:16:12,710

at the sky but I couldn't see anything

1414

01:16:09,050 --> 01:16:16,020

but yeah so it's an interesting

1415

01:16:12,710 --> 01:16:17,550

experience when he paralyzed by them

1416

01:16:16,020 --> 01:16:20,100

that's another photograph taken by a

1417

01:16:17,550 --> 01:16:22,260

friend of mine up near where I live she

1418

01:16:20,100 --> 01:16:24,690

was just walking her dog and she's had

1419

01:16:22,260 --> 01:16:27,270

quite a few strange pictures I don't

1420

01:16:24,689 --> 01:16:29,579

know what it is really got these eyes

1421

01:16:27,270 --> 01:16:32,100

and this sort of shape look a bit

1422

01:16:29,579 --> 01:16:38,630

familiar to thee but similar to what the

1423

01:16:32,100 --> 01:16:40,680

other one yeah Phil Hoyles I was down in

1424

01:16:38,630 --> 01:16:46,170

Wiltshire with Phil during the crop

1425

01:16:40,680 --> 01:16:49,320

circle investigations we we've been on

1426
01:16:46,170 --> 01:16:51,000
the campsite with we were staying with

1427
01:16:49,319 --> 01:16:55,429
James millon and his brother-in-law

1428
01:16:51,000 --> 01:16:58,850
David James millon used to run the the

1429
01:16:55,430 --> 01:17:04,079
magazine for abductees called a report

1430
01:16:58,850 --> 01:17:06,840
or report and a very dear old friend of

1431
01:17:04,079 --> 01:17:11,300
mine James he's had plenty of et

1432
01:17:06,840 --> 01:17:15,659
experiences through his life so me and

1433
01:17:11,300 --> 01:17:17,970
Phil and James and David who were sat

1434
01:17:15,659 --> 01:17:21,590
outside watching the sky doing a bit of

1435
01:17:17,970 --> 01:17:21,590
a Sky Watch like we all do and

1436
01:17:23,279 --> 01:17:27,789
nothing much happened at all so in the

1437
01:17:26,260 --> 01:17:30,880
end I got a bit fed up and I said I'm

1438
01:17:27,789 --> 01:17:33,609
going to bed Phil so we he came with me

1439
01:17:30,880 --> 01:17:35,289
and we went into our damdi trailer tent

1440
01:17:33,609 --> 01:17:37,809
he got in his bed no going in mine

1441
01:17:35,289 --> 01:17:43,779
and we haven't been in Bedford for very

1442
01:17:37,810 --> 01:17:48,910
long when we heard this the sound and it

1443
01:17:43,779 --> 01:17:52,889
sounded like the engine from a World War

1444
01:17:48,909 --> 01:17:55,989
two bomber plane but there was no

1445
01:17:52,890 --> 01:17:59,770
variation in the pitch of the the notes

1446
01:17:55,989 --> 01:18:02,500
of this thing and very very quickly it

1447
01:17:59,770 --> 01:18:07,060
grew in intensity so it was actually

1448
01:18:02,500 --> 01:18:10,000
hurting our ears and then it just went

1449
01:18:07,060 --> 01:18:10,450
away so I don't know what happened

1450
01:18:10,000 --> 01:18:16,020
really

1451
01:18:10,449 --> 01:18:18,519
we we went to we must have gone to sleep

1452
01:18:16,020 --> 01:18:24,430
so maybe something did happen I don't

1453
01:18:18,520 --> 01:18:26,890
know but anyway the next morning we we

1454

01:18:24,430 --> 01:18:29,079
went to James and David and and said

1455
01:18:26,890 --> 01:18:32,340
well you're still out yeah we stayed out

1456
01:18:29,079 --> 01:18:35,019
and did you hear that thing yeah we did

1457
01:18:32,340 --> 01:18:37,119
but we couldn't say anything we could

1458
01:18:35,020 --> 01:18:38,590
hear it but the sky was clear but we

1459
01:18:37,119 --> 01:18:42,670
couldn't we couldn't see a damn thing

1460
01:18:38,590 --> 01:18:45,579
so anyway Phil had to ring his wife just

1461
01:18:42,670 --> 01:18:47,980
to her to check in sort of thing and so

1462
01:18:45,579 --> 01:18:52,239
he pulled his brand-new phone out and

1463
01:18:47,979 --> 01:18:55,479
the screen was smashed and they and the

1464
01:18:52,239 --> 01:18:56,829
phone was completely buggered so we had

1465
01:18:55,479 --> 01:19:00,759
to go into Swindon and get him a new

1466
01:18:56,829 --> 01:19:05,319
phone so somehow that thing had actually

1467
01:19:00,760 --> 01:19:08,489
damaged the damaged his phone so a lot

1468
01:19:05,319 --> 01:19:11,829

of stuff happens down in Wiltshire

1469

01:19:08,489 --> 01:19:15,039

that's how many Masson I'm a friend Gary

1470

01:19:11,829 --> 01:19:17,260

from Australia at the silent circle the

1471

01:19:15,039 --> 01:19:19,539

crop circles so I'm just wondering where

1472

01:19:17,260 --> 01:19:21,970

that might be a good good moment just to

1473

01:19:19,539 --> 01:19:24,350

stop and then I'll go on to medical

1474

01:19:21,970 --> 01:19:36,039

matters afterwards jelly okay

1475

01:19:24,350 --> 01:19:39,470

thank you tell me Thank You marshal so

1476

01:19:36,039 --> 01:19:42,319

medical matters that's a bit of a

1477

01:19:39,470 --> 01:19:44,329

problem isn't it you know you get

1478

01:19:42,319 --> 01:19:49,519

scooped marks you get puncture marks you

1479

01:19:44,329 --> 01:19:54,430

get implants can you go to the doctor

1480

01:19:49,520 --> 01:19:56,870

and tell them about that and I think not

1481

01:19:54,430 --> 01:20:00,230

you probably end up in a psychiatric

1482

01:19:56,869 --> 01:20:04,099

ward yes in fact I'm quite sure a lot of

1483
01:20:00,229 --> 01:20:06,369
people over the years that have been put

1484
01:20:04,100 --> 01:20:09,650
in psychiatric wards have actually been

1485
01:20:06,369 --> 01:20:12,439
just relating the true stories of what

1486
01:20:09,649 --> 01:20:15,259
has actually happened to them but

1487
01:20:12,439 --> 01:20:19,419
unfortunately it's been kept quiet by

1488
01:20:15,260 --> 01:20:21,289
governments for so many years and so

1489
01:20:19,420 --> 01:20:23,899
generally speaking the medical

1490
01:20:21,289 --> 01:20:26,539
profession isn't aware that this takes

1491
01:20:23,899 --> 01:20:32,739
place but there are people I'm quite

1492
01:20:26,539 --> 01:20:36,619
certain positioned in within hospitals

1493
01:20:32,739 --> 01:20:40,880
and other facilities that are aware of

1494
01:20:36,619 --> 01:20:42,529
this and I know that from experience not

1495
01:20:40,880 --> 01:20:46,310
my own but from other people I know

1496
01:20:42,529 --> 01:20:49,309
right so here we are in Wiltshire and

1497
01:20:46,310 --> 01:20:52,760
the crop circle front as me there's

1498
01:20:49,310 --> 01:20:57,800
James millon Superguy James and here's

1499
01:20:52,760 --> 01:21:01,789
my friend Gary from Australia Gary has

1500
01:20:57,800 --> 01:21:03,710
been taken many many times his his life

1501
01:21:01,789 --> 01:21:07,579
story would be probably the best film

1502
01:21:03,710 --> 01:21:10,850
ever on this subject but he tries to

1503
01:21:07,579 --> 01:21:14,329
keep it quiet for his family's sake just

1504
01:21:10,850 --> 01:21:18,380
as many of us do it's only now that I've

1505
01:21:14,329 --> 01:21:22,960
got them coming out but the thing about

1506
01:21:18,380 --> 01:21:27,760
Gary is that the secret services in

1507
01:21:22,960 --> 01:21:32,739
Australia marched into his doctors

1508
01:21:27,760 --> 01:21:37,810
and demanded his medical records which

1509
01:21:32,738 --> 01:21:41,889
they then talk the the doctor has no

1510
01:21:37,810 --> 01:21:45,250
alternative but to give them to them and

1511

01:21:41,890 --> 01:21:48,329
they and exactly the same thing happened

1512
01:21:45,250 --> 01:21:51,250
to James millon who lives in London

1513
01:21:48,329 --> 01:21:54,189
where his doctor was an old friend of

1514
01:21:51,250 --> 01:21:56,529
his and he he did tell him the mo D had

1515
01:21:54,189 --> 01:21:58,539
been in or people have said they were

1516
01:21:56,529 --> 01:22:02,979
for them from the mo D and they took

1517
01:21:58,539 --> 01:22:06,909
James villains records as well so what

1518
01:22:02,979 --> 01:22:10,779
that implies is that the Secret Service

1519
01:22:06,909 --> 01:22:13,569
is know exactly who we are and there's

1520
01:22:10,779 --> 01:22:16,359
no point in trying to hide from it I

1521
01:22:13,569 --> 01:22:17,829
mean you know many of us abductees know

1522
01:22:16,359 --> 01:22:20,639
that we've had our phones tapped

1523
01:22:17,829 --> 01:22:25,119
over the years certainly happened to me

1524
01:22:20,640 --> 01:22:27,700
without a doubt but that's a interesting

1525
01:22:25,119 --> 01:22:32,069

footsteps in the caravan TT in my face

1526

01:22:27,699 --> 01:22:35,229

yes it was on this occasion actually

1527

01:22:32,069 --> 01:22:37,449

Gary had been with us all day with david

1528

01:22:35,229 --> 01:22:38,949

kaynor myself talking because i always

1529

01:22:37,449 --> 01:22:43,389

go by when you're talking about this

1530

01:22:38,949 --> 01:22:48,039

stuff you know and the time came when he

1531

01:22:43,390 --> 01:22:49,780

had to go back to his digs so so Dave

1532

01:22:48,039 --> 01:22:51,909

volunteered to go and opened the gate at

1533

01:22:49,779 --> 01:22:55,420

the top of the field to let Gary out

1534

01:22:51,909 --> 01:22:59,769

with his car so that left me in the

1535

01:22:55,420 --> 01:23:01,989

caravan so I was bursty for a P so I

1536

01:22:59,770 --> 01:23:04,000

dived into the toilet and I'm in there

1537

01:23:01,988 --> 01:23:05,949

having a pee and then I can hear these

1538

01:23:04,000 --> 01:23:11,079

footsteps running up and down inside the

1539

01:23:05,949 --> 01:23:16,319

caravel I thought was Dave doing he mean

1540
01:23:11,079 --> 01:23:20,380
he can't be back already you know and

1541
01:23:16,319 --> 01:23:22,988
then when it came out Dave wasn't there

1542
01:23:20,380 --> 01:23:24,609
and he came back a few minutes later

1543
01:23:22,988 --> 01:23:27,188
which would have been the right timing

1544
01:23:24,609 --> 01:23:30,359
for him the following day

1545
01:23:27,189 --> 01:23:34,539
Gary came again and he told me that

1546
01:23:30,359 --> 01:23:36,219
before I said anything he said that he

1547
01:23:34,538 --> 01:23:38,438
got that got up the field and then he

1548
01:23:36,219 --> 01:23:41,139
realized or he thought that he left

1549
01:23:38,439 --> 01:23:44,709
something in the caravan so he left Dave

1550
01:23:41,139 --> 01:23:46,269
walked down the field to the caravan as

1551
01:23:44,708 --> 01:23:48,130
he got near the caravan he heard

1552
01:23:46,269 --> 01:23:51,809
footsteps running up and down inside the

1553
01:23:48,130 --> 01:23:54,010
caravan after he'd heard the footsteps

1554
01:23:51,809 --> 01:23:57,130
he realized that he hadn't forgotten

1555
01:23:54,010 --> 01:23:59,619
anything at all and so he went back got

1556
01:23:57,130 --> 01:24:02,199
in his car and drove off so what I'm

1557
01:23:59,618 --> 01:24:06,899
saying to you is that we had ETS in the

1558
01:24:02,198 --> 01:24:11,138
caravan at night and that Gary was

1559
01:24:06,899 --> 01:24:13,149
influenced to come back to hear them

1560
01:24:11,139 --> 01:24:15,699
running up and down to the caravan so

1561
01:24:13,149 --> 01:24:17,649
that he could give me confirmation the

1562
01:24:15,698 --> 01:24:22,529
following day that he dad hatch Lee

1563
01:24:17,649 --> 01:24:25,899
happened and that is the face from the

1564
01:24:22,529 --> 01:24:28,149
book in communion but that night as I

1565
01:24:25,899 --> 01:24:32,279
lay in my bed a very same night that

1566
01:24:28,149 --> 01:24:36,839
face was right there in front of me

1567
01:24:32,279 --> 01:24:41,738
looking at me and it wasn't threatening

1568

01:24:36,840 --> 01:24:45,069
but it was saying to me without saying

1569
01:24:41,738 --> 01:24:49,208
anything of course are you okay with

1570
01:24:45,069 --> 01:24:53,978
this can you take this and I could and I

1571
01:24:49,208 --> 01:24:55,479
stared straight back at him so no no not

1572
01:24:53,979 --> 01:24:58,300
something everybody can do there's

1573
01:24:55,479 --> 01:25:00,668
another 80 that was taken in my friend

1574
01:24:58,300 --> 01:25:02,079
Carol's bedroom in in New Zealand you

1575
01:25:00,668 --> 01:25:04,948
can just about make it out it's a

1576
01:25:02,078 --> 01:25:09,069
strange-looking thing but there we go

1577
01:25:04,948 --> 01:25:11,529
and there's that one again which she

1578
01:25:09,069 --> 01:25:12,728
took I think there was more than one in

1579
01:25:11,529 --> 01:25:14,529
the bedroom at the time and I think

1580
01:25:12,729 --> 01:25:16,929
there might be one in front of the one

1581
01:25:14,529 --> 01:25:21,279
behind this kind of masking it a bit

1582
01:25:16,929 --> 01:25:24,189

there that's a bit closer but it doesn't

1583

01:25:21,279 --> 01:25:25,929

show it any better I don't think okay

1584

01:25:24,189 --> 01:25:28,560

that one's a bit of a strange one Syd

1585

01:25:25,929 --> 01:25:30,930

sent to me by a lady up in Scotland

1586

01:25:28,560 --> 01:25:34,440

she she has photographed a lot of

1587

01:25:30,930 --> 01:25:36,180

interesting stuff and on this occasion

1588

01:25:34,439 --> 01:25:38,339

she felt something was at the side of

1589

01:25:36,180 --> 01:25:40,200

her she took a photograph she couldn't

1590

01:25:38,340 --> 01:25:42,779

see anything in the photograph when I

1591

01:25:40,199 --> 01:25:45,800

enhanced it I kind of got the impression

1592

01:25:42,779 --> 01:25:49,079

that there's a reptilian head here and

1593

01:25:45,800 --> 01:25:52,409

here here's an eye and here's an eye

1594

01:25:49,079 --> 01:25:54,840

this is the nostrils and this is the jaw

1595

01:25:52,409 --> 01:25:57,059

the mouth down here I don't whether any

1596

01:25:54,840 --> 01:25:58,980

of you can see that but there it is

1597
01:25:57,060 --> 01:26:01,830
anyway just thought it was interesting

1598
01:25:58,979 --> 01:26:05,429
so I went over to Australia and I gave a

1599
01:26:01,829 --> 01:26:07,920
talk in Adelaide went on the ABC radio

1600
01:26:05,430 --> 01:26:12,930
live which was quite a good experience

1601
01:26:07,920 --> 01:26:15,960
so now I'll get a bit personal hope you

1602
01:26:12,930 --> 01:26:18,090
don't mind but this is the important

1603
01:26:15,960 --> 01:26:22,289
part of the whole abduction phenomenon

1604
01:26:18,090 --> 01:26:26,369
and that is the 2010 worsening relations

1605
01:26:22,289 --> 01:26:29,939
between me and my wife finally a left

1606
01:26:26,369 --> 01:26:35,189
hole almost suffering from a nervous

1607
01:26:29,939 --> 01:26:41,399
breakdown and I went to Ireland to stay

1608
01:26:35,189 --> 01:26:43,710
with a lady who had met me in a crop

1609
01:26:41,399 --> 01:26:49,920
circle with another group of a group of

1610
01:26:43,710 --> 01:26:54,539
Irish people the year before and her

1611
01:26:49,920 --> 01:26:57,180
reaction to me was completely abnormal I

1612
01:26:54,539 --> 01:27:00,689
didn't even know she was there I never

1613
01:26:57,180 --> 01:27:03,869
even saw her but she ended up going back

1614
01:27:00,689 --> 01:27:06,000
to the the vehicle that they were all in

1615
01:27:03,869 --> 01:27:11,069
and she was scratching her arm and she

1616
01:27:06,000 --> 01:27:14,399
was in tears and now what I'm gonna say

1617
01:27:11,069 --> 01:27:16,920
here is that there is a phenomenon

1618
01:27:14,399 --> 01:27:19,649
called the alien love bite this lady

1619
01:27:16,920 --> 01:27:23,039
evil organ has written a book about the

1620
01:27:19,649 --> 01:27:23,879
subject alien interference in human love

1621
01:27:23,039 --> 01:27:28,599
relations

1622
01:27:23,880 --> 01:27:33,609
and they in do indeed do interfere

1623
01:27:28,599 --> 01:27:36,869
in a the love relationships and I'm

1624
01:27:33,609 --> 01:27:40,569
absolutely certain because of the

1625

01:27:36,868 --> 01:27:44,529
intensity of what was to what was taking

1626
01:27:40,569 --> 01:27:47,590
place that this has actually happened it

1627
01:27:44,529 --> 01:27:49,899
happened to me big time anyway I came

1628
01:27:47,590 --> 01:27:53,590
back home and got back together again

1629
01:27:49,899 --> 01:27:55,899
with my wife and everything was great

1630
01:27:53,590 --> 01:28:02,770
for a while anyway until she got cancer

1631
01:27:55,899 --> 01:28:09,238
and sadly died but this mark on my lady

1632
01:28:02,770 --> 01:28:13,360
friend in Ireland is was the final straw

1633
01:28:09,238 --> 01:28:19,269
that the ETS did that to her and that

1634
01:28:13,359 --> 01:28:23,500
was the time to leave Ireland so I came

1635
01:28:19,270 --> 01:28:28,480
back to England and when I got back with

1636
01:28:23,500 --> 01:28:30,189
my wife she asked me to go back I was

1637
01:28:28,479 --> 01:28:31,750
walking I've been sitting in the

1638
01:28:30,189 --> 01:28:34,238
conservatory reading a book The

1639
01:28:31,750 --> 01:28:37,479

Celestine prophecies which some of you

1640

01:28:34,238 --> 01:28:39,669

may know so I fancied a water walked up

1641

01:28:37,479 --> 01:28:42,368

to the canal and I bumped into another

1642

01:28:39,670 --> 01:28:44,560

friend and we walked along the canal

1643

01:28:42,368 --> 01:28:46,929

towpath and it was winter winter time

1644

01:28:44,560 --> 01:28:48,909

and there was mud it was muddy the canal

1645

01:28:46,929 --> 01:28:51,550

talk line and I was telling her that

1646

01:28:48,908 --> 01:28:52,960

from now on I'm not going to try and

1647

01:28:51,550 --> 01:28:55,389

push my life in any particular direction

1648

01:28:52,960 --> 01:28:59,260

I'm going to go with the flow

1649

01:28:55,389 --> 01:29:02,529

okay so without taking a further step I

1650

01:28:59,260 --> 01:29:07,869

looked down and there in the mud I could

1651

01:29:02,529 --> 01:29:11,078

see this the shiny disc so I reached

1652

01:29:07,868 --> 01:29:12,519

down and picked it up and took the mud

1653

01:29:11,078 --> 01:29:17,139

off it and I could see a phone number

1654
01:29:12,520 --> 01:29:19,420
and I said oh yes sir it's a dog tag and

1655
01:29:17,139 --> 01:29:21,670
she said well I said well what she said

1656
01:29:19,420 --> 01:29:26,889
well what's the dog called and I turned

1657
01:29:21,670 --> 01:29:29,859
it over and the dogs call flow so it's

1658
01:29:26,889 --> 01:29:31,760
just yet another example of how my

1659
01:29:29,859 --> 01:29:35,498
friends are with me you know

1660
01:29:31,760 --> 01:29:37,789
on a regular basis so I went home and

1661
01:29:35,498 --> 01:29:41,448
sat in the conservatory picked my book

1662
01:29:37,788 --> 01:29:43,518
up again had finished that a chapter end

1663
01:29:41,448 --> 01:29:48,678
of the chapter hadn't looked at what the

1664
01:29:43,519 --> 01:29:51,260
next chapter called so I turned the page

1665
01:29:48,679 --> 01:29:55,458
and the next chapter was called engaging

1666
01:29:51,260 --> 01:29:57,019
the flow so I think you know it's kind

1667
01:29:55,458 --> 01:29:59,538
of telling you something so from then on

1668
01:29:57,019 --> 01:30:02,559
I just go with the flow and it works for

1669
01:29:59,538 --> 01:30:05,748
me right here I am at Glastonbury Tor

1670
01:30:02,559 --> 01:30:07,130
the photograph taken by my friend David

1671
01:30:05,748 --> 01:30:09,288
here the first time I'd ever been up

1672
01:30:07,130 --> 01:30:10,609
Glastonbury Tor actually but I don't

1673
01:30:09,288 --> 01:30:14,439
know if you can notice in the sky up

1674
01:30:10,609 --> 01:30:15,549
here there's something really strange so

1675
01:30:14,439 --> 01:30:18,738
[Music]

1676
01:30:15,550 --> 01:30:22,699
that's a bit of a bit getting a bit

1677
01:30:18,738 --> 01:30:27,078
closer and then if we darken it a bit

1678
01:30:22,698 --> 01:30:31,188
more we can see that and is that better

1679
01:30:27,078 --> 01:30:34,308
yes just about and what you can see what

1680
01:30:31,189 --> 01:30:37,389
it is it's a serpent eating its tail and

1681
01:30:34,309 --> 01:30:41,208
a serpent eating its tail is Norah Boris

1682

01:30:37,389 --> 01:30:44,300
which is an ancient Egyptian and

1683
01:30:41,208 --> 01:30:47,090
possibly even older symbol and what it

1684
01:30:44,300 --> 01:30:48,579
concerns is reincarnation and it's

1685
01:30:47,090 --> 01:30:52,179
strange because that's what I had been

1686
01:30:48,578 --> 01:30:56,719
concentrating on quite a bit at the time

1687
01:30:52,179 --> 01:30:59,658
I think I'm pretty certain that there

1688
01:30:56,719 --> 01:31:02,328
are two beings above the order of Boris

1689
01:30:59,658 --> 01:31:07,429
there's one here on the left and there's

1690
01:31:02,328 --> 01:31:11,808
another one here on the right there's an

1691
01:31:07,429 --> 01:31:15,219
eye there's an eye nostrils and I think

1692
01:31:11,809 --> 01:31:18,469
it's almost well I don't know like a

1693
01:31:15,219 --> 01:31:20,748
lion or a cross B is you know it's it's

1694
01:31:18,469 --> 01:31:22,788
a strange thing but anyway I have a

1695
01:31:20,748 --> 01:31:25,779
feeling that those beings were

1696
01:31:22,788 --> 01:31:27,188

responsible for creating that Horeb Oris

1697

01:31:25,779 --> 01:31:33,398

okay

1698

01:31:27,189 --> 01:31:33,399

now let me just check right yes

1699

01:31:34,170 --> 01:31:41,019

my friend David told me that this had

1700

01:31:37,779 --> 01:31:44,679

been done specifically for me I just go

1701

01:31:41,019 --> 01:31:47,019

back to the or divorce not something

1702

01:31:44,679 --> 01:31:49,239

that they would do often but they

1703

01:31:47,019 --> 01:31:52,989

thought about it and they thought I

1704

01:31:49,238 --> 01:31:56,218

needed to be given this message and and

1705

01:31:52,988 --> 01:32:02,978

the message was this is the key to your

1706

01:31:56,219 --> 01:32:06,429

understanding and so I came home from

1707

01:32:02,979 --> 01:32:08,439

his home in Newport went home and a few

1708

01:32:06,429 --> 01:32:11,920

days later got a phone call from him and

1709

01:32:08,439 --> 01:32:15,880

he said I had the weirdest experience

1710

01:32:11,920 --> 01:32:20,559

had been taken in a kind of vision back

1711
01:32:15,880 --> 01:32:26,260
to Glastonbury to look at this this this

1712
01:32:20,559 --> 01:32:28,599
picture and I was taken there by

1713
01:32:26,260 --> 01:32:33,820
somebody who called himself a saint a

1714
01:32:28,599 --> 01:32:36,369
Bieber and he said he said we've missed

1715
01:32:33,819 --> 01:32:39,038
something in the photograph well I think

1716
01:32:36,368 --> 01:32:41,948
I might have found it now but it's not

1717
01:32:39,038 --> 01:32:43,389
terribly important but he was very

1718
01:32:41,948 --> 01:32:47,228
insistent we missed something in the

1719
01:32:43,389 --> 01:32:48,760
photograph but David was reluctant to

1720
01:32:47,229 --> 01:32:50,800
give it to say this fellows name because

1721
01:32:48,760 --> 01:32:53,708
Saint Abebe whoever's heard of Saint

1722
01:32:50,800 --> 01:32:55,420
Abebe I certainly hadn't and David

1723
01:32:53,708 --> 01:33:00,219
hadn't either but we looked him up and

1724
01:32:55,420 --> 01:33:03,340
found out that he indeed was a saint a

1725
01:33:00,219 --> 01:33:08,920
Coptic saint from the fourth century in

1726
01:33:03,340 --> 01:33:12,189
Egypt and his his best mate the only

1727
01:33:08,920 --> 01:33:17,109
person he's ever mentioned with is Saint

1728
01:33:12,189 --> 01:33:19,000
Apollo and that's another big big story

1729
01:33:17,109 --> 01:33:22,149
but

1730
01:33:19,000 --> 01:33:23,829
that we there's no question at all that

1731
01:33:22,149 --> 01:33:28,659
my friend David also has a connection

1732
01:33:23,829 --> 01:33:32,079
with Apollo so it is this is this trying

1733
01:33:28,659 --> 01:33:35,769
to say that perhaps I was saying to

1734
01:33:32,079 --> 01:33:39,670
Beebe and he was saying to Paulo I don't

1735
01:33:35,770 --> 01:33:43,930
know but I wouldn't rule it out anyway

1736
01:33:39,670 --> 01:33:47,529
moving on shape-shifting yeah that's

1737
01:33:43,930 --> 01:33:49,360
something that happens to me probably I

1738
01:33:47,529 --> 01:33:52,649
don't know 15 or more people have seen

1739

01:33:49,359 --> 01:33:55,000
it happen basically my face changes I

1740
01:33:52,649 --> 01:33:58,179
didn't believe it at first when I was

1741
01:33:55,000 --> 01:34:02,170
told because more often than not I'm not

1742
01:33:58,180 --> 01:34:05,310
aware of it at all but it was not until

1743
01:34:02,170 --> 01:34:10,470
I spoke to a guy called Tom Trubridge

1744
01:34:05,310 --> 01:34:14,560
who's from Trowbridge I think

1745
01:34:10,470 --> 01:34:16,930
interesting and and he and he took us

1746
01:34:14,560 --> 01:34:20,590
took David and I on one side and told us

1747
01:34:16,930 --> 01:34:23,140
about his face changing which his wife

1748
01:34:20,590 --> 01:34:25,090
had seen and it was there now I nearly

1749
01:34:23,140 --> 01:34:28,869
fell off the chair and then I realized

1750
01:34:25,090 --> 01:34:30,430
it was real it happened to me in in

1751
01:34:28,869 --> 01:34:33,340
France and the dog died when my

1752
01:34:30,430 --> 01:34:37,380
brother-in-law took me away down to his

1753
01:34:33,340 --> 01:34:41,079

place in the dodo I scared him to death

1754

01:34:37,380 --> 01:34:45,159

usually it's it's kind of a gray type

1755

01:34:41,079 --> 01:34:48,220

entity but the last time that I know it

1756

01:34:45,159 --> 01:34:50,590

happened which is probably about 3 3 4

1757

01:34:48,220 --> 01:34:54,550

years ago it was actually a reptilian I

1758

01:34:50,590 --> 01:34:56,470

turned into and I lost one of my friends

1759

01:34:54,550 --> 01:34:58,539

but fortunately we've become friends

1760

01:34:56,470 --> 01:35:01,240

again now but he changed his phone

1761

01:34:58,539 --> 01:35:04,720

number and he wouldn't speak to me for a

1762

01:35:01,239 --> 01:35:06,519

while but it's me I'm still the same

1763

01:35:04,720 --> 01:35:08,949

person you know just that I have this

1764

01:35:06,520 --> 01:35:12,000

ability and I don't really understand it

1765

01:35:08,949 --> 01:35:14,439

but I do know that he happens for sure

1766

01:35:12,000 --> 01:35:15,970

and I know other people it happens too

1767

01:35:14,439 --> 01:35:19,289

which is most important you know it's

1768
01:35:15,970 --> 01:35:23,010
not just me yeah

1769
01:35:19,289 --> 01:35:29,640
okay two years two and a half years ago

1770
01:35:23,010 --> 01:35:31,619
now I was lying in bed and I felt this

1771
01:35:29,640 --> 01:35:34,460
tugging on the bedclothes at the side of

1772
01:35:31,619 --> 01:35:37,800
the bed I've got a big king-size bed and

1773
01:35:34,460 --> 01:35:41,189
lay on my stomach looking towards the

1774
01:35:37,800 --> 01:35:43,940
other the other side of the bed and so

1775
01:35:41,189 --> 01:35:49,109
the tugging came on my on this side and

1776
01:35:43,939 --> 01:35:50,729
so I turned my head to look at whoever

1777
01:35:49,109 --> 01:35:54,469
it was because I thought hello I've got

1778
01:35:50,729 --> 01:35:58,709
company you know it's it's what happens

1779
01:35:54,470 --> 01:36:00,810
so I wasn't afraid but as I was moving I

1780
01:35:58,710 --> 01:36:04,920
realized I was moving in slow motion and

1781
01:36:00,810 --> 01:36:10,110
when I came to look at what was there

1782
01:36:04,920 --> 01:36:13,470
there was a being and I got picture yeah

1783
01:36:10,109 --> 01:36:16,859
the being looked remarkably like this

1784
01:36:13,470 --> 01:36:18,780
one which I'm told is from the series

1785
01:36:16,859 --> 01:36:20,279
Stargate Atlantis but I didn't even I

1786
01:36:18,779 --> 01:36:23,639
couldn't remember where I'd got it from

1787
01:36:20,279 --> 01:36:26,219
but very similar and main thing being

1788
01:36:23,640 --> 01:36:31,020
there's a it has a ridge on the head

1789
01:36:26,220 --> 01:36:34,680
from front to back my being had very

1790
01:36:31,020 --> 01:36:37,080
deep wrinkles over the nose here three

1791
01:36:34,680 --> 01:36:38,430
or four very very deep wrinkles like

1792
01:36:37,079 --> 01:36:41,850
when you screw your nose oh you know

1793
01:36:38,430 --> 01:36:47,550
that kind of thing the eyes were were

1794
01:36:41,850 --> 01:36:50,880
identical the the orbit of the eye you

1795
01:36:47,550 --> 01:36:55,770
know that the skull is runt is round but

1796

01:36:50,880 --> 01:36:59,760
the eyelids close from top and bottom

1797
01:36:55,770 --> 01:37:03,240
here so it can give the impression that

1798
01:36:59,760 --> 01:37:05,430
the eye is slanted upwards but if you

1799
01:37:03,239 --> 01:37:07,079
look very carefully you can see that

1800
01:37:05,430 --> 01:37:10,710
it's got around out it hasn't got the

1801
01:37:07,079 --> 01:37:12,779
grey slanty eyes you know and I stared

1802
01:37:10,710 --> 01:37:16,319
at this being for what I don't know 30

1803
01:37:12,779 --> 01:37:20,789
seconds and and it wasn't frightened you

1804
01:37:16,319 --> 01:37:23,519
know and and then he spoke to me clear

1805
01:37:20,789 --> 01:37:25,829
was about in my head and said the time

1806
01:37:23,520 --> 01:37:27,270
has come for you to know more of the

1807
01:37:25,829 --> 01:37:30,479
truth

1808
01:37:27,270 --> 01:37:31,830
then then that was it I thought hope I

1809
01:37:30,479 --> 01:37:34,349
thought great yeah I'm up for that I

1810
01:37:31,829 --> 01:37:38,100

want to know next thing I knew it was

1811
01:37:34,350 --> 01:37:39,900
morning so that was that but since that

1812
01:37:38,100 --> 01:37:43,440
time a heck of a lot of information has

1813
01:37:39,899 --> 01:37:45,269
come to me but the strangest thing that

1814
01:37:43,439 --> 01:37:46,949
has happened to me and this is another

1815
01:37:45,270 --> 01:37:50,220
thing you know can you go and tell your

1816
01:37:46,949 --> 01:37:53,309
doctor about this no is the answer is

1817
01:37:50,220 --> 01:37:56,730
that I got about a week after this

1818
01:37:53,310 --> 01:38:01,830
happened a pain in the in the crown of

1819
01:37:56,729 --> 01:38:05,989
my head and it was quite sharp and and

1820
01:38:01,829 --> 01:38:10,470
then my skull started to change shape

1821
01:38:05,989 --> 01:38:12,840
for real so where I used to have a

1822
01:38:10,470 --> 01:38:15,990
completely flat head across the top I

1823
01:38:12,840 --> 01:38:18,510
now have a ridge developing from front

1824
01:38:15,989 --> 01:38:23,489
to back and it's also happening to my

1825
01:38:18,510 --> 01:38:25,890
friend as well so the time has come for

1826
01:38:23,489 --> 01:38:34,409
me to know more of the truth am I one of

1827
01:38:25,890 --> 01:38:38,250
those beings I don't know maybe I was

1828
01:38:34,409 --> 01:38:39,930
you know I just don't know but all I can

1829
01:38:38,250 --> 01:38:42,000
tell you is that this is a real event

1830
01:38:39,930 --> 01:38:44,760
it's really happening the top of my

1831
01:38:42,000 --> 01:38:46,199
skull is tender to the touch my friend

1832
01:38:44,760 --> 01:38:48,560
had his hair cut the other day

1833
01:38:46,199 --> 01:38:51,420
and had to stop the hairdresser from

1834
01:38:48,560 --> 01:38:53,610
combing his hair because it was hurting

1835
01:38:51,420 --> 01:39:03,510
too much when she combed through where

1836
01:38:53,609 --> 01:39:06,079
the ridges okay so that actually is the

1837
01:39:03,510 --> 01:39:10,100
last slide it's one of my favorite

1838
01:39:06,079 --> 01:39:12,659
sayings let brotherly love continue

1839
01:39:10,100 --> 01:39:15,570
being off-again forgetful to entertain

1840
01:39:12,659 --> 01:39:18,029
strangers for thereby some have

1841
01:39:15,569 --> 01:39:22,199
entertained angels unawares

1842
01:39:18,029 --> 01:39:24,689
it's from Isaiah in the Bible and you

1843
01:39:22,199 --> 01:39:29,609
never know who's walking about you know

1844
01:39:24,689 --> 01:39:32,609
do you really but now I just want to ask

1845
01:39:29,609 --> 01:39:36,210
friend david to talk about another

1846
01:39:32,609 --> 01:39:38,159
incident that happened which i think

1847
01:39:36,210 --> 01:39:42,480
you'll find very very interesting and

1848
01:39:38,159 --> 01:39:44,760
I'll just tell you what happened I was

1849
01:39:42,479 --> 01:39:46,699
down in Wilshire with my friend Gary

1850
01:39:44,760 --> 01:39:50,699
from Australia staying in The Dandy

1851
01:39:46,699 --> 01:39:53,970
2 friends Mary and Tanya who both habit

1852
01:39:50,699 --> 01:39:55,739
of teas came to visit as well as David

1853

01:39:53,970 --> 01:40:02,000
and Linda so there were the six of us

1854
01:39:55,739 --> 01:40:05,069
there and I thought we were in The Dandy

1855
01:40:02,000 --> 01:40:07,470
talking about our stuff

1856
01:40:05,069 --> 01:40:10,949
tanya was showing me a book of drawings

1857
01:40:07,470 --> 01:40:13,530
that she'd done of what she remembered

1858
01:40:10,949 --> 01:40:16,699
of being taken by the ETS and the

1859
01:40:13,529 --> 01:40:21,599
operations the stuff that she enjoyed

1860
01:40:16,699 --> 01:40:25,920
which sadly she is not very it's had a

1861
01:40:21,600 --> 01:40:28,710
bad effect on her but anyway I thought

1862
01:40:25,920 --> 01:40:31,020
we could idea to make a cup of tea now I

1863
01:40:28,710 --> 01:40:32,579
don't have a fridge or electric hookup

1864
01:40:31,020 --> 01:40:34,980
with the dandy so I kept the milk

1865
01:40:32,579 --> 01:40:38,250
underneath underneath the dandy to keep

1866
01:40:34,979 --> 01:40:40,019
it cool so and I didn't have a step hi

1867
01:40:38,250 --> 01:40:41,970

there so you know not too bright

1868

01:40:40,020 --> 01:40:43,460

sometimes and now we're under was

1869

01:40:41,970 --> 01:40:47,030

wearing sandals

1870

01:40:43,460 --> 01:40:49,439

and the grass was a little bit long and

1871

01:40:47,029 --> 01:40:52,159

in the winter time the doubt horses in

1872

01:40:49,439 --> 01:40:54,809

the field and there were the great big

1873

01:40:52,159 --> 01:40:57,300

flippin hoof marks hidden in the grass

1874

01:40:54,810 --> 01:40:59,850

which I didn't know about so I put my

1875

01:40:57,300 --> 01:41:02,400

foot down and went over in one of these

1876

01:40:59,850 --> 01:41:06,270

horse hoof print things and there was

1877

01:41:02,399 --> 01:41:09,420

this tremendous bang like a gun going

1878

01:41:06,270 --> 01:41:13,100

off and I fell to the floor on my back

1879

01:41:09,420 --> 01:41:17,090

and I knew that I'd broken my ankle I

1880

01:41:13,100 --> 01:41:21,140

didn't need to see it believe me it was

1881

01:41:17,090 --> 01:41:25,079

horrendous but as I was falling down I

1882
01:41:21,140 --> 01:41:28,500
just accepted it which sounds ridiculous

1883
01:41:25,079 --> 01:41:31,289
but I did and I just thought it is what

1884
01:41:28,500 --> 01:41:32,850
it is even before I hit the ground it

1885
01:41:31,289 --> 01:41:36,859
was almost like being in slow motion so

1886
01:41:32,850 --> 01:41:36,860
my friend David

1887
01:41:37,840 --> 01:41:44,500
The Dandy and he saw me on the ground

1888
01:41:40,680 --> 01:41:49,329
with blood on the grass and my white

1889
01:41:44,500 --> 01:41:53,609
bone sticking out the side of my leg so

1890
01:41:49,329 --> 01:41:55,779
it was then that he he came out and

1891
01:41:53,609 --> 01:41:59,529
first he couldn't come out apparently

1892
01:41:55,779 --> 01:42:02,139
because David see spirit is one of the

1893
01:41:59,529 --> 01:42:07,179
gifts that he has as an abductee he also

1894
01:42:02,140 --> 01:42:10,570
sees et's just as easily and they were

1895
01:42:07,180 --> 01:42:12,070
all surrounding me apparently and the it

1896
01:42:10,569 --> 01:42:15,969
was almost as if he had to get the nod

1897
01:42:12,069 --> 01:42:19,809
before he came out to help me but they

1898
01:42:15,970 --> 01:42:24,000
did give him the nod and so he did come

1899
01:42:19,810 --> 01:42:24,000
out so I wonder if you would come up

1900
01:42:26,100 --> 01:42:34,510
we're brothers first of all thanks for

1901
01:42:33,039 --> 01:42:36,670
having us back again you know I've been

1902
01:42:34,510 --> 01:42:39,489
here last year and they obviously had a

1903
01:42:36,670 --> 01:42:40,930
good time it's always nice to come back

1904
01:42:39,489 --> 01:42:42,279
and be some lovely people that's

1905
01:42:40,930 --> 01:42:46,270
interested in the stuff I'm interested

1906
01:42:42,279 --> 01:42:50,039
in well some of it anyway before I start

1907
01:42:46,270 --> 01:42:52,150
again thank you lemon and Steve and Mike

1908
01:42:50,039 --> 01:42:54,519
also decided to see that

1909
01:42:52,149 --> 01:43:01,269
Edna's lost three stone my buddy please

1910

01:42:54,520 --> 01:43:03,670
the book that I caught it yeah first of

1911
01:43:01,270 --> 01:43:05,650
all before he came to promises and let

1912
01:43:03,670 --> 01:43:08,470
me just quickly say that over the years

1913
01:43:05,649 --> 01:43:12,460
I been many very much involved

1914
01:43:08,470 --> 01:43:15,520
accomplices 19 well I didn't get

1915
01:43:12,460 --> 01:43:18,300
involved to the boat 92 I think but my

1916
01:43:15,520 --> 01:43:20,170
wife was involved in probably the late

1917
01:43:18,300 --> 01:43:22,659
90s into 81

1918
01:43:20,170 --> 01:43:24,670
and it's quite funny that and had that

1919
01:43:22,659 --> 01:43:28,659
interview with a lady called magnify is

1920
01:43:24,670 --> 01:43:31,090
it and unimportant leave she passed in

1921
01:43:28,659 --> 01:43:34,599
me all a lot and in there was a mention

1922
01:43:31,090 --> 01:43:36,760
of her talking to Linda about what

1923
01:43:34,600 --> 01:43:38,740
happened to us and how I wouldn't get

1924
01:43:36,760 --> 01:43:40,780

involved so obviously is most to have

1925

01:43:38,739 --> 01:43:42,639

things to fight because in those days I

1926

01:43:40,779 --> 01:43:44,319

didn't want to get involved but it has

1927

01:43:42,640 --> 01:43:45,980

to say that like Robert I've had a long

1928

01:43:44,319 --> 01:43:49,039

journey 28 years

1929

01:43:45,979 --> 01:43:51,019

a lot of things happening and in the

1930

01:43:49,039 --> 01:43:52,880

conferences they do talking that I've

1931

01:43:51,020 --> 01:43:54,980

always tried to keep a little profile

1932

01:43:52,880 --> 01:43:56,810

I don't always win I've been caught on

1933

01:43:54,979 --> 01:43:58,488

camera cut the times I must sign up a

1934

01:43:56,810 --> 01:44:00,289

cabinet by the way I get on stage and

1935

01:43:58,488 --> 01:44:03,289

sing so I'm not but I like you know

1936

01:44:00,289 --> 01:44:05,449

frightened of stage either but I don't

1937

01:44:03,289 --> 01:44:06,710

want to my children to be ridiculed on

1938

01:44:05,449 --> 01:44:10,220

my grandchildren so that's why I told

1939
01:44:06,710 --> 01:44:14,180
nasty the camera be right back to back

1940
01:44:10,220 --> 01:44:17,239
to Robert what happened is quite it's

1941
01:44:14,180 --> 01:44:19,220
quite incredible really because as he

1942
01:44:17,238 --> 01:44:21,049
said we went down ed I got together I

1943
01:44:19,220 --> 01:44:22,489
got Tania and Mary to come and join us

1944
01:44:21,050 --> 01:44:26,210
because they had a lovely story to tell

1945
01:44:22,488 --> 01:44:28,699
and Gauri was obviously interesting guy

1946
01:44:26,210 --> 01:44:31,250
as Robert said he's a what even through

1947
01:44:28,699 --> 01:44:33,050
his just incredible I'm here and a

1948
01:44:31,250 --> 01:44:36,109
little chat and then Robert said I'll

1949
01:44:33,050 --> 01:44:38,239
make a cup of tea as he just said and of

1950
01:44:36,109 --> 01:44:40,939
course I think the winning called the

1951
01:44:38,238 --> 01:44:42,679
donkey dawn it flew open as well I think

1952
01:44:40,939 --> 01:44:44,899
you got it over the dam to get the milk

1953
01:44:42,680 --> 01:44:47,690
which is correct and I heard the bang

1954
01:44:44,899 --> 01:44:49,369
what we all you did in The Dandy and

1955
01:44:47,689 --> 01:44:50,929
when you hear that sort of crack you

1956
01:44:49,369 --> 01:44:54,079
know something seriously has happened

1957
01:44:50,930 --> 01:44:55,640
you know and I was reluctant to even go

1958
01:44:54,079 --> 01:44:56,750
out there you know I thought God Norse

1959
01:44:55,640 --> 01:45:01,400
happened to Robert like you said you

1960
01:44:56,750 --> 01:45:03,760
okay Bob no was the answer so anyway I

1961
01:45:01,399 --> 01:45:05,569
looked at and as Robert said there was a

1962
01:45:03,760 --> 01:45:07,850
little fellas

1963
01:45:05,569 --> 01:45:10,099
around him which like I can see that

1964
01:45:07,850 --> 01:45:12,920
sometimes you know this I can see spin

1965
01:45:10,100 --> 01:45:14,539
it I can see them and basically I think

1966
01:45:12,920 --> 01:45:16,460
they were just telling me wait a minute

1967

01:45:14,539 --> 01:45:18,529
see what we can do I think that's what

1968
01:45:16,460 --> 01:45:21,230
was happening but then they give you the

1969
01:45:18,529 --> 01:45:23,840
nod they could get out and help so I

1970
01:45:21,229 --> 01:45:26,899
climbed out that the dandy went to

1971
01:45:23,840 --> 01:45:28,850
Robert and I'm a first aider but I'm not

1972
01:45:26,899 --> 01:45:30,379
a doctor I knew a little bit about first

1973
01:45:28,850 --> 01:45:31,880
aid and they thought the third first

1974
01:45:30,380 --> 01:45:34,010
thing to do is stop the bleeding because

1975
01:45:31,880 --> 01:45:36,980
it was bleeding quite badly and this

1976
01:45:34,010 --> 01:45:38,600
ball was protruding out his leg so what

1977
01:45:36,979 --> 01:45:41,299
I did I basically hooked my hands around

1978
01:45:38,600 --> 01:45:44,390
his this bone and press down on his leg

1979
01:45:41,300 --> 01:45:47,210
and then Linda came out just after and

1980
01:45:44,390 --> 01:45:49,130
said oh my god you know and that Gabi

1981
01:45:47,210 --> 01:45:50,960

poked his nose out of the dandy and I

1982

01:45:49,130 --> 01:45:53,090

can't I can repeat what he said because

1983

01:45:50,960 --> 01:45:56,389

he swore but he went back in the Danny

1984

01:45:53,090 --> 01:45:58,969

as fast as he come out and they

1985

01:45:56,389 --> 01:46:01,038

came over and she joined me and she put

1986

01:45:58,969 --> 01:46:02,389

her hands on my hands as well and we

1987

01:46:01,038 --> 01:46:03,590

were just pressing it don't stop the

1988

01:46:02,389 --> 01:46:07,699

bleeding that's all we were trying to do

1989

01:46:03,590 --> 01:46:08,538

I was about to say to Gary or to Mary or

1990

01:46:07,698 --> 01:46:10,248

to Tonya

1991

01:46:08,538 --> 01:46:12,859

you know forged omelets for goodness

1992

01:46:10,248 --> 01:46:17,359

sake this guy's in trouble and then with

1993

01:46:12,859 --> 01:46:19,488

that this light hit me took my head it

1994

01:46:17,359 --> 01:46:21,198

really was a powerful beam of the light

1995

01:46:19,488 --> 01:46:23,898

I could feel it it's like like it was

1996
01:46:21,198 --> 01:46:25,819
like a very warm but at the same time

1997
01:46:23,899 --> 01:46:28,429
when it passed the skull it was cool and

1998
01:46:25,819 --> 01:46:30,078
I went into a funny mold I just didn't

1999
01:46:28,429 --> 01:46:31,849
know what I was doing I was like what

2000
01:46:30,078 --> 01:46:34,458
the hell's this other boat and then I

2001
01:46:31,849 --> 01:46:38,538
looked down and I could feel something

2002
01:46:34,458 --> 01:46:40,248
moving between my hands and I thought it

2003
01:46:38,538 --> 01:46:42,469
was plus Robert moving there trying to

2004
01:46:40,248 --> 01:46:44,238
say you know he's heard in a bed or

2005
01:46:42,469 --> 01:46:46,819
whatever you know I honestly thought it

2006
01:46:44,238 --> 01:46:48,918
was you Robby and it didn't hurt but he

2007
01:46:46,819 --> 01:46:52,429
wasn't screaming with pain so I thought

2008
01:46:48,918 --> 01:46:54,050
he should have been and then I held onto

2009
01:46:52,429 --> 01:46:56,328
that under his leg and Linda's are say

2010
01:46:54,050 --> 01:46:59,418
who's joining me and then I looked down

2011
01:46:56,328 --> 01:47:02,268
I thought what the bloody hell's going

2012
01:46:59,418 --> 01:47:07,130
on this poem was starting to go down

2013
01:47:02,269 --> 01:47:08,840
through my fingers I thought oh oh and

2014
01:47:07,130 --> 01:47:10,609
of course I thought Robert would be

2015
01:47:08,840 --> 01:47:12,498
trained up again with pain because this

2016
01:47:10,609 --> 01:47:15,319
thing was moving but it's something

2017
01:47:12,498 --> 01:47:15,828
between my fingers and mother was just

2018
01:47:15,319 --> 01:47:17,599
laying there

2019
01:47:15,828 --> 01:47:20,719
no screams nobody's just laying there

2020
01:47:17,599 --> 01:47:23,779
and the next thing I can remember

2021
01:47:20,719 --> 01:47:28,090
looking down and Linda where all the

2022
01:47:23,779 --> 01:47:30,648
blood was all my hands he started to go

2023
01:47:28,090 --> 01:47:33,078
it travelled up my wrists into my

2024

01:47:30,649 --> 01:47:36,469
fingers and then down through my fingers

2025
01:47:33,078 --> 01:47:37,788
I I looked at me and she looked at me

2026
01:47:36,469 --> 01:47:39,979
she said just carry on whatever you

2027
01:47:37,788 --> 01:47:41,268
doing carry on so I just kept my hand I

2028
01:47:39,979 --> 01:47:43,249
didn't need to cut their hand on it and

2029
01:47:41,269 --> 01:47:46,248
then eventually when it wasn't that long

2030
01:47:43,248 --> 01:47:48,198
was not really oh I took my hands off

2031
01:47:46,248 --> 01:47:50,118
and there's nothing there there was

2032
01:47:48,198 --> 01:47:52,788
literally nothing there the blood on the

2033
01:47:50,118 --> 01:47:55,130
graph said to also disappear the blood

2034
01:47:52,788 --> 01:47:58,248
on my hands on Linda's hands and his leg

2035
01:47:55,130 --> 01:47:59,868
are disappear and indeed he got up and

2036
01:47:58,248 --> 01:48:00,719
made a cover to you come and come back

2037
01:47:59,868 --> 01:48:03,179
into the family

2038
01:48:00,719 --> 01:48:05,248

I don't think it was quite it was out

2039

01:48:03,179 --> 01:48:06,149

but eventually what I had I don't think

2040

01:48:05,248 --> 01:48:11,399

I made the cup of tea

2041

01:48:06,149 --> 01:48:13,288

Oh Danny made it yeah well well yeah I

2042

01:48:11,399 --> 01:48:15,478

mean you helped me back in the Dandy I

2043

01:48:13,288 --> 01:48:17,009

did you and I lay on the bed

2044

01:48:15,479 --> 01:48:18,630

because what you did because like

2045

01:48:17,010 --> 01:48:19,860

Nathaniel either yeah but the other

2046

01:48:18,630 --> 01:48:22,979

thing that was interesting was that

2047

01:48:19,859 --> 01:48:25,049

while this was going on I was changing

2048

01:48:22,979 --> 01:48:26,610

also he was changing you as well

2049

01:48:25,050 --> 01:48:28,170

and of course an interesting thing that

2050

01:48:26,609 --> 01:48:31,889

happened usually on the bed which is

2051

01:48:28,170 --> 01:48:33,479

true I was basically the second

2052

01:48:31,889 --> 01:48:35,639

Wentworth second person in there was

2053
01:48:33,479 --> 01:48:38,849
Galya I was there

2054
01:48:35,639 --> 01:48:41,940
Robert on the bed Linda Tania and Mary

2055
01:48:38,849 --> 01:48:46,590
on the other side of a dandy and then

2056
01:48:41,939 --> 01:48:48,768
Aditi sat between me and Gabi and I'm

2057
01:48:46,590 --> 01:48:50,998
looking at the CT and thinking although

2058
01:48:48,769 --> 01:48:52,530
so other thing because obviously they

2059
01:48:50,998 --> 01:48:54,029
don't Frank me no more ghosts on

2060
01:48:52,529 --> 01:48:56,099
frighten me they used to but they don't

2061
01:48:54,029 --> 01:48:57,719
anymore I've seen so many I've seen so

2062
01:48:56,099 --> 01:49:00,029
many T's it doesn't frighten me no more

2063
01:48:57,719 --> 01:49:01,408
I said when they come and visit me and

2064
01:49:00,029 --> 01:49:03,719
put me through pain with needles that

2065
01:49:01,408 --> 01:49:05,189
like they did two weeks ago because 7-7

2066
01:49:03,719 --> 01:49:08,639
occupant what I could punch it on my

2067
01:49:05,189 --> 01:49:10,649
legs they call them but anyway so I'm

2068
01:49:08,639 --> 01:49:14,788
looking around thinking can anybody else

2069
01:49:10,649 --> 01:49:16,288
see the CT and no one did obviously good

2070
01:49:14,788 --> 01:49:18,630
because it's obviously not gone said a

2071
01:49:16,288 --> 01:49:22,078
word I'm looking at Gary I thought well

2072
01:49:18,630 --> 01:49:25,559
shorty can see it and there's obviously

2073
01:49:22,078 --> 01:49:26,518
not one that was said so I thought right

2074
01:49:25,559 --> 01:49:28,829
hang on a minute

2075
01:49:26,519 --> 01:49:31,469
I said I think I said and they can't get

2076
01:49:28,828 --> 01:49:36,960
no no Gary did everybody coated us right

2077
01:49:31,469 --> 01:49:39,630
yeah one two three four five six seven

2078
01:49:36,960 --> 01:49:42,328
yeah can I just say it they said how

2079
01:49:39,630 --> 01:49:43,979
nice it is that they that we're all here

2080
01:49:42,328 --> 01:49:46,498
together because we're all that I see

2081

01:49:43,979 --> 01:49:49,199
then he proceeded to count and he

2082
01:49:46,498 --> 01:49:50,670
counted to seven I said I said golly I

2083
01:49:49,198 --> 01:49:53,158
couldn't couldn't could you the urn

2084
01:49:50,670 --> 01:49:53,578
repeat that Gary and he did you repeated

2085
01:49:53,158 --> 01:49:55,768
it again

2086
01:49:53,578 --> 01:49:58,259
yeah yeah and then I said of course then

2087
01:49:55,769 --> 01:50:00,780
eventually this this et disappeared and

2088
01:49:58,260 --> 01:50:03,310
then all they can say is any of the

2089
01:50:00,779 --> 01:50:05,559
other I think about a cup of tea but

2090
01:50:03,310 --> 01:50:09,760
didn't make it this way lazy buggers he

2091
01:50:05,560 --> 01:50:11,320
is so of course then the next was it the

2092
01:50:09,760 --> 01:50:13,300
next thing you can do the seal or the

2093
01:50:11,319 --> 01:50:16,989
day after that well you came back you

2094
01:50:13,300 --> 01:50:22,060
come back the scene if you know what

2095
01:50:16,989 --> 01:50:22,630

happened was you and Linda Mary Antonio

2096

01:50:22,060 --> 01:50:24,630
left

2097

01:50:22,630 --> 01:50:33,760
later in the afternoon he didn't even

2098

01:50:24,630 --> 01:50:37,119
and okay I think yes and so Gary's a

2099

01:50:33,760 --> 01:50:39,340
real talker and he kept talking and

2100

01:50:37,119 --> 01:50:42,159
talking late into the evening and

2101

01:50:39,340 --> 01:50:45,489
eventually I said Gary I gotta go to

2102

01:50:42,159 --> 01:50:49,779
sleep I'm tired so he said yeah fine Rob

2103

01:50:45,489 --> 01:50:54,939
I understand so no sooner had he stopped

2104

01:50:49,779 --> 01:50:59,559
talking then I saw at the bottom of my

2105

01:50:54,939 --> 01:51:04,779
bed a person giving me healing on my

2106

01:50:59,560 --> 01:51:08,890
ankle and I recognized this person as

2107

01:51:04,779 --> 01:51:12,369
being my cousin Brenda who was a healer

2108

01:51:08,890 --> 01:51:14,670
in life but she had been dead for a few

2109

01:51:12,369 --> 01:51:18,130
years but we were very very close

2110
01:51:14,670 --> 01:51:22,510
hmm but I could see her long red hair

2111
01:51:18,130 --> 01:51:24,069
was very obviously her but I have no

2112
01:51:22,510 --> 01:51:26,650
doubt that if she returned her face

2113
01:51:24,069 --> 01:51:28,719
towards me it would not have been the

2114
01:51:26,649 --> 01:51:35,009
normal face that I would have recognized

2115
01:51:28,720 --> 01:51:39,699
I say that because she also was a

2116
01:51:35,010 --> 01:51:42,250
shape-shifter and et her face changed to

2117
01:51:39,699 --> 01:51:45,760
matey as well it actually happened as

2118
01:51:42,250 --> 01:51:49,090
she was passing away and her daughter

2119
01:51:45,760 --> 01:51:52,270
saw that happening so I know that to be

2120
01:51:49,090 --> 01:51:54,460
true so I knew this was happening Brenda

2121
01:51:52,270 --> 01:51:57,100
was there giving me healing wonderful

2122
01:51:54,460 --> 01:51:59,998
thank you meanwhile Gary could see

2123
01:51:57,100 --> 01:52:02,340
somebody by the door and

2124
01:51:59,998 --> 01:52:06,658
this person was insisting to gallery

2125
01:52:02,340 --> 01:52:09,989
that he he say something to me

2126
01:52:06,658 --> 01:52:11,248
and of course Gary was he didn't want to

2127
01:52:09,988 --> 01:52:13,918
say anything because he thought I'd be

2128
01:52:11,248 --> 01:52:16,319
annoyed you know because I was so tired

2129
01:52:13,918 --> 01:52:18,988
but this person in test insisted again

2130
01:52:16,319 --> 01:52:21,268
and then again and eventually Gary gave

2131
01:52:18,988 --> 01:52:22,978
in and he said Rob I'm so sorry but I

2132
01:52:21,269 --> 01:52:25,110
have to say this I've just got to say

2133
01:52:22,979 --> 01:52:29,760
doesn't make any sense whatsoever but

2134
01:52:25,109 --> 01:52:33,598
I've got to say 1 2 3 4 5 6 7 and I said

2135
01:52:29,760 --> 01:52:35,880
Gary it makes perfect sense the seventh

2136
01:52:33,599 --> 01:52:41,909
person is with me now and she's giving

2137
01:52:35,880 --> 01:52:44,729
me healing on my ankle so it was in the

2138

01:52:41,908 --> 01:52:47,308
nicest world yes and and and what

2139
01:52:44,729 --> 01:52:49,469
happened was that within about four or

2140
01:52:47,309 --> 01:52:52,019
five days I was driving my car again oh

2141
01:52:49,469 --> 01:52:56,458
and it was a manual car with a heavy

2142
01:52:52,019 --> 01:52:59,989
clutch so it was a miracle

2143
01:52:56,458 --> 01:53:04,198
in the field and you know these things

2144
01:52:59,988 --> 01:53:05,578
do happen so they go and of course you

2145
01:53:04,198 --> 01:53:07,109
know over the years we've you know we

2146
01:53:05,578 --> 01:53:10,228
like some fantastic journeys together

2147
01:53:07,109 --> 01:53:11,698
you know and you know as he said earlier

2148
01:53:10,229 --> 01:53:13,800
you know some of the max that Robbie

2149
01:53:11,698 --> 01:53:16,319
gets I get it but on the offensive and

2150
01:53:13,800 --> 01:53:18,059
in most cases anyway yeah and of course

2151
01:53:16,319 --> 01:53:20,130
this rich thing then I'm afraid I've got

2152
01:53:18,059 --> 01:53:23,309

mine it was glorious so it is quite

2153

01:53:20,130 --> 01:53:25,998

strange anyway I did obviously I had my

2154

01:53:23,309 --> 01:53:25,998

share last year

2155

01:53:31,920 --> 01:53:39,399

okay well I mean basically I think

2156

01:53:35,069 --> 01:53:41,109

that's all I want to say for now but I'd

2157

01:53:39,399 --> 01:53:44,049

be very happy to take any questions

2158

01:53:41,109 --> 01:53:46,349

anybody's got if anybody like to ask

2159

01:53:44,050 --> 01:53:46,350

anything

2160

01:53:47,579 --> 01:53:55,890

you mentioned military involvement yes

2161

01:53:52,289 --> 01:54:00,779

yes yes

2162

01:53:55,890 --> 01:54:05,320

well well Gary for instance in Australia

2163

01:54:00,779 --> 01:54:11,439

when he was a boy he lives in Adelaide

2164

01:54:05,319 --> 01:54:13,719

he was taken in a in a craft he would be

2165

01:54:11,439 --> 01:54:16,439

about seven years of age and he was sat

2166

01:54:13,720 --> 01:54:19,539

down at the controls of the craft and

2167
01:54:16,439 --> 01:54:23,649
the controls of the craft are like a

2168
01:54:19,539 --> 01:54:28,300
molded hand which you put your hand on

2169
01:54:23,649 --> 01:54:31,899
into the molded thing these these molds

2170
01:54:28,300 --> 01:54:34,510
had six fingers and gary said well I've

2171
01:54:31,899 --> 01:54:37,089
only got five will it work okay and they

2172
01:54:34,510 --> 01:54:39,989
assured him it would these work great by

2173
01:54:37,090 --> 01:54:42,670
the way that were with him and

2174
01:54:39,989 --> 01:54:45,039
apparently there are sensors that which

2175
01:54:42,670 --> 01:54:47,109
pick up the nerve impulses from the ends

2176
01:54:45,039 --> 01:54:49,630
of your fingers and there's also one in

2177
01:54:47,109 --> 01:54:52,719
the palm of the hand as well which picks

2178
01:54:49,630 --> 01:54:56,560
up with it and just by thought alone

2179
01:54:52,720 --> 01:54:59,199
you're able to move the craft and he was

2180
01:54:56,560 --> 01:55:02,200
instructed oh he said the seats were

2181
01:54:59,199 --> 01:55:04,359
only little for them because they were

2182
01:55:02,199 --> 01:55:06,279
only small which he said was a good job

2183
01:55:04,359 --> 01:55:11,139
because I was only I was only young you

2184
01:55:06,279 --> 01:55:13,869
know anyway he said there's no window so

2185
01:55:11,140 --> 01:55:16,510
I can't see so they said well just

2186
01:55:13,869 --> 01:55:21,420
imagine there's a window there and there

2187
01:55:16,510 --> 01:55:25,030
it was so they said we want you to fly

2188
01:55:21,420 --> 01:55:27,430
up to Mount Lofty which is the the big

2189
01:55:25,029 --> 01:55:31,059
mountain at the back of Adelaide and fly

2190
01:55:27,430 --> 01:55:32,980
around the telecommunications tower sort

2191
01:55:31,059 --> 01:55:35,800
there's about three of them I think and

2192
01:55:32,979 --> 01:55:39,609
so he did and he flew in between them

2193
01:55:35,800 --> 01:55:44,949
and then they said fly towards the sea

2194
01:55:39,609 --> 01:55:46,988
to learn elk and when he got over the

2195

01:55:44,948 --> 01:55:51,669
sea they said right now die be straight

2196
01:55:46,988 --> 01:55:53,348
down into the sea so he balks at this

2197
01:55:51,670 --> 01:55:55,599
because he thought well if we hit the

2198
01:55:53,349 --> 01:55:57,578
water we're all going to be killed but

2199
01:55:55,599 --> 01:55:59,949
they said you won't be killed everything

2200
01:55:57,578 --> 01:56:02,078
will be fine so they convinced him so he

2201
01:55:59,948 --> 01:56:04,078
dived into the sea went through the

2202
01:56:02,078 --> 01:56:06,488
water without feeling anything at all

2203
01:56:04,078 --> 01:56:08,819
and then he could see the seabed coming

2204
01:56:06,488 --> 01:56:11,738
up because the water is very clear there

2205
01:56:08,819 --> 01:56:14,259
he went through the seabed and now

2206
01:56:11,738 --> 01:56:17,859
Gary's a pilot so he knows about speed

2207
01:56:14,260 --> 01:56:20,170
and distance and he reckoned the length

2208
01:56:17,859 --> 01:56:23,019
of time it took them to come into this

2209
01:56:20,170 --> 01:56:24,819

huge cavern below he reckoned and the

2210

01:56:23,020 --> 01:56:29,679

speed they were travelling up that they

2211

01:56:24,819 --> 01:56:33,368

must have been maybe a mile down so they

2212

01:56:29,679 --> 01:56:35,170

came to this huge cabin and he said he

2213

01:56:33,368 --> 01:56:36,929

you've just got no idea of the size of

2214

01:56:35,170 --> 01:56:39,460

these places you've just got to

2215

01:56:36,929 --> 01:56:42,969

completely change your views on what's

2216

01:56:39,460 --> 01:56:45,250

possible you know and it was then that

2217

01:56:42,969 --> 01:56:49,599

the 80s took over they flew it to the

2218

01:56:45,250 --> 01:56:54,340

other end of this cabin where there were

2219

01:56:49,599 --> 01:56:59,949

other UFOs docked and it was there that

2220

01:56:54,340 --> 01:57:04,000

he was handed over to a man with a kind

2221

01:56:59,948 --> 01:57:06,250

of a would recognise it as a as an iPad

2222

01:57:04,000 --> 01:57:10,779

kind of thing you know these days but

2223

01:57:06,250 --> 01:57:12,279

this was about 1963 for something like

2224
01:57:10,779 --> 01:57:14,828
that so there weren't such things in

2225
01:57:12,279 --> 01:57:16,359
those days and you know this man was

2226
01:57:14,828 --> 01:57:18,519
saying well who's this and they said

2227
01:57:16,359 --> 01:57:24,788
they said yes right okay come with me

2228
01:57:18,520 --> 01:57:28,150
and this was American military and they

2229
01:57:24,788 --> 01:57:31,000
walked past through rooms offices like

2230
01:57:28,149 --> 01:57:33,049
and there was a American military

2231
01:57:31,000 --> 01:57:36,470
personnel working in these rooms

2232
01:57:33,050 --> 01:57:38,630
gary was delighted because he thought

2233
01:57:36,470 --> 01:57:41,030
thank god they gonna save me they're

2234
01:57:38,630 --> 01:57:44,359
gonna look after me but no they didn't

2235
01:57:41,029 --> 01:57:46,369
they treated him very badly and there

2236
01:57:44,359 --> 01:57:49,729
were other children there who were also

2237
01:57:46,369 --> 01:57:53,269
treated badly so and I know there's a

2238
01:57:49,729 --> 01:57:56,179
lot more to this story but all I can

2239
01:57:53,270 --> 01:58:02,960
tell you is that the certain faction

2240
01:57:56,180 --> 01:58:06,860
within the secret government which is

2241
01:58:02,960 --> 01:58:08,750
basically a nasty government which can

2242
01:58:06,859 --> 01:58:11,179
which is all connected with the New

2243
01:58:08,750 --> 01:58:13,239
World Order connected with the Twin

2244
01:58:11,180 --> 01:58:15,409
Towers and all that kind of stuff

2245
01:58:13,239 --> 01:58:16,599
they're all they're responsible for all

2246
01:58:15,409 --> 01:58:21,380
this

2247
01:58:16,600 --> 01:58:25,970
they work together with a certain

2248
01:58:21,380 --> 01:58:28,220
faction of the eov ETS not all grades

2249
01:58:25,970 --> 01:58:34,369
are bad you know they just it's just

2250
01:58:28,220 --> 01:58:37,280
it's just this particular type and so

2251
01:58:34,369 --> 01:58:40,279
and and people like Gary are what we

2252

01:58:37,279 --> 01:58:42,439
call my labs so what that means is they

2253
01:58:40,279 --> 01:58:45,590
get taken by ETS and then they get

2254
01:58:42,439 --> 01:58:48,379
retaken by military which is part of

2255
01:58:45,590 --> 01:58:49,630
this American thing and it doesn't

2256
01:58:48,380 --> 01:58:53,140
matter that he lives in Australia

2257
01:58:49,630 --> 01:58:55,579
because the Americans basically run

2258
01:58:53,140 --> 01:59:01,369
Australia there's no question about that

2259
01:58:55,579 --> 01:59:03,920
at all and and they have a horrendous

2260
01:59:01,369 --> 01:59:06,800
time of it I'm afraid I feel that I'm

2261
01:59:03,920 --> 01:59:12,230
fortunate that I'm not part of that

2262
01:59:06,800 --> 01:59:15,260
MyLab thing I know others who are and

2263
01:59:12,229 --> 01:59:19,159
it's horrendous really is horrendous I'd

2264
01:59:15,260 --> 01:59:21,470
like to think that my a teaser are okay

2265
01:59:19,159 --> 01:59:24,349
but I don't think we're the exclusive

2266
01:59:21,470 --> 01:59:27,949

property of one particular race of ETS

2267

01:59:24,350 --> 01:59:31,250

and you know like you know David here

2268

01:59:27,949 --> 01:59:33,710

you know he's had really incredible

2269

01:59:31,250 --> 01:59:35,569

wonderful experiences but he's also had

2270

01:59:33,710 --> 01:59:40,328

some pretty bad ones particularly

2271

01:59:35,569 --> 01:59:43,630

recently which I'm glad I don't have so

2272

01:59:40,328 --> 01:59:47,349

yeah military definitely working with

2273

01:59:43,630 --> 01:59:52,179

certain faction of the 80s but just on a

2274

01:59:47,349 --> 01:59:53,619

good note I'm told reliably from a

2275

01:59:52,179 --> 01:59:56,408

friend of mine who goes aboard ship

2276

01:59:53,618 --> 01:59:58,988

fairly often that there's a huge battle

2277

01:59:56,408 --> 02:00:03,238

going on in in space around in this

2278

01:59:58,988 --> 02:00:06,879

solar system and people have come from

2279

02:00:03,238 --> 02:00:11,618

far and wide to put an end to this state

2280

02:00:06,880 --> 02:00:13,900

of affairs some of the good people are

2281
02:00:11,618 --> 02:00:17,649
the cab people the lion people as we

2282
02:00:13,899 --> 02:00:21,219
might think of them and I'm told that

2283
02:00:17,649 --> 02:00:24,069
they are actually winning the battle the

2284
02:00:21,219 --> 02:00:26,880
battle is between a couple of reptilian

2285
02:00:24,069 --> 02:00:29,519
factions the Draco's and the Orion

2286
02:00:26,880 --> 02:00:33,429
reptilians who work with a particular

2287
02:00:29,520 --> 02:00:38,320
faction of grace but and they of course

2288
02:00:33,429 --> 02:00:41,380
other ones who influence the leading

2289
02:00:38,319 --> 02:00:44,889
politicians and bankers and you know the

2290
02:00:41,380 --> 02:00:49,118
Rothschilds and all these people to do

2291
02:00:44,889 --> 02:00:52,809
the evil things that they do so so it's

2292
02:00:49,118 --> 02:00:55,058
a positive note I'm just leaving you

2293
02:00:52,809 --> 02:00:57,579
with there as far as that's concerned

2294
02:00:55,059 --> 02:00:59,679
the battle is being won it might take a

2295
02:00:57,578 --> 02:01:04,139
while but we'll get rid of these pockets

2296
02:00:59,679 --> 02:01:04,139
you know yes okay anybody else

2297
02:01:14,750 --> 02:01:17,810
[Music]

2298
02:01:18,210 --> 02:01:25,420
yeah well ETS most definitely are able

2299
02:01:23,109 --> 02:01:27,339
to move in different dimensions and

2300
02:01:25,420 --> 02:01:31,389
quite sure that's how they manage to

2301
02:01:27,340 --> 02:01:33,130
travel so quickly through space they

2302
02:01:31,389 --> 02:01:35,000
don't have the problem of dealing with

2303
02:01:33,130 --> 02:01:37,340
mass

2304
02:01:35,000 --> 02:01:40,430
you know Einstein's theory of relativity

2305
02:01:37,340 --> 02:01:45,050
doesn't hold water at all when it comes

2306
02:01:40,430 --> 02:01:47,659
to these guys whatever field it is that

2307
02:01:45,050 --> 02:01:53,840
they put around the craft is able to

2308
02:01:47,659 --> 02:01:55,119
negate the problem of mass and like I

2309

02:01:53,840 --> 02:01:58,520
was saying with the afterlife

2310
02:01:55,119 --> 02:02:01,309
investigations the light being which was

2311
02:01:58,520 --> 02:02:03,770
definitely on that film showing

2312
02:02:01,310 --> 02:02:07,670
supposedly people within the spirit

2313
02:02:03,770 --> 02:02:10,760
world was in my bedroom that was

2314
02:02:07,670 --> 02:02:13,159
connected with an ET thing so the same

2315
02:02:10,760 --> 02:02:15,170
beings actually those light beams

2316
02:02:13,159 --> 02:02:19,479
actually are in our spirit world and

2317
02:02:15,170 --> 02:02:22,250
they may have a lot to do with our

2318
02:02:19,479 --> 02:02:32,629
incarnations if you like you know

2319
02:02:22,250 --> 02:02:35,949
there's definitely connected yes I did

2320
02:02:32,630 --> 02:02:39,430
have psychic ability well mine's to do

2321
02:02:35,949 --> 02:02:40,599
its various things precognition

2322
02:02:39,430 --> 02:02:50,320
[Music]

2323
02:02:40,600 --> 02:02:55,520

telepathy yeah okay of those things I

2324

02:02:50,319 --> 02:03:00,529
think that the vast majority of

2325

02:02:55,520 --> 02:03:06,490
abductees have psychic abilities it's

2326

02:03:00,529 --> 02:03:11,269
absolutely certain that the the

2327

02:03:06,489 --> 02:03:13,010
abductions run in families you know as

2328

02:03:11,270 --> 02:03:16,310
I've told you for my sister's my mother

2329

02:03:13,010 --> 02:03:18,949
grandmother and other relatives we've

2330

02:03:16,310 --> 02:03:24,020
all been taken on and so it's definitely

2331

02:03:18,949 --> 02:03:25,260
to do connecting with genetics you know

2332

02:03:24,020 --> 02:03:29,489
people

2333

02:03:25,260 --> 02:03:32,640
think about you know the you know the

2334

02:03:29,488 --> 02:03:37,049
Sumerian stuff with zecharia sitchin

2335

02:03:32,640 --> 02:03:41,100
saying that we were created by the

2336

02:03:37,050 --> 02:03:43,079
Anunnaki and this kind of thing well

2337

02:03:41,100 --> 02:03:46,739
people make the mistake of thinking that

2338
02:03:43,079 --> 02:03:49,199
that tinkering has finally finished then

2339
02:03:46,738 --> 02:03:51,689
all those years ago well it hasn't it

2340
02:03:49,199 --> 02:03:58,289
continues to this day and people are

2341
02:03:51,689 --> 02:04:02,460
being altered and it may be that certain

2342
02:03:58,289 --> 02:04:04,859
bloodlines are more capable of being

2343
02:04:02,460 --> 02:04:12,029
altered you know so that's that's it

2344
02:04:04,859 --> 02:04:15,750
yeah people that's a bit of an awkward

2345
02:04:12,029 --> 02:04:21,769
one I would think it's almost a

2346
02:04:15,750 --> 02:04:25,079
certainty we don't talk about it my

2347
02:04:21,770 --> 02:04:27,420
youngest son has told me of certain

2348
02:04:25,079 --> 02:04:29,488
things that have happened to him which I

2349
02:04:27,420 --> 02:04:38,840
can interpret quite easily as being

2350
02:04:29,488 --> 02:04:41,039
connected with et's not in great detail

2351
02:04:38,840 --> 02:04:44,640
this is what I was trying to bring out

2352
02:04:41,039 --> 02:04:47,939
in the talk the problem that we have

2353
02:04:44,640 --> 02:04:51,150
with family members to be honest we have

2354
02:04:47,939 --> 02:04:54,750
less problem with dealing with the 80s

2355
02:04:51,149 --> 02:04:59,009
than we do with family and friends and

2356
02:04:54,750 --> 02:05:02,250
the people that we would look to most

2357
02:04:59,010 --> 02:05:03,869
obviously for support because you know

2358
02:05:02,250 --> 02:05:08,909
we're struggling to deal with this

2359
02:05:03,869 --> 02:05:11,729
ourselves are often the people who shun

2360
02:05:08,909 --> 02:05:14,409
you you know

2361
02:05:11,729 --> 02:05:17,439
because they don't want it to be part of

2362
02:05:14,409 --> 02:05:21,069
their life they want a normal life they

2363
02:05:17,439 --> 02:05:25,689
don't want term you know this this

2364
02:05:21,069 --> 02:05:30,630
getting in the way and I'm afraid get in

2365
02:05:25,689 --> 02:05:30,629
the way yes yes

2366

02:05:32,399 --> 02:05:35,579
[Music]

2367
02:05:57,189 --> 02:06:00,259
[Music]

2368
02:06:05,970 --> 02:06:13,880
[Music]

2369
02:06:18,988 --> 02:06:29,549
they've got the ability to switch off

2370
02:06:21,000 --> 02:06:31,529
these these memories I know that yeah

2371
02:06:29,550 --> 02:06:33,150
yeah thanks thanks Dave's

2372
02:06:31,529 --> 02:06:35,579
his chemist can ask about their

2373
02:06:33,149 --> 02:06:45,479
relationships and breakups in your

2374
02:06:35,579 --> 02:06:46,319
presentation crikey me well um my wife

2375
02:06:45,479 --> 02:06:48,809
hated it

2376
02:06:46,319 --> 02:06:50,849
she knew I mean she was with me when we

2377
02:06:48,810 --> 02:06:55,950
stood on to the big craft back in 1980

2378
02:06:50,850 --> 02:07:00,930
she couldn't deny the fact I I found out

2379
02:06:55,949 --> 02:07:03,960
from an old auntie later on that who she

2380
02:07:00,930 --> 02:07:05,730

confided in that she was afraid that I

2381

02:07:03,960 --> 02:07:09,779

was going to be taken because she knew I

2382

02:07:05,729 --> 02:07:13,159

got taken and not brought back and she

2383

02:07:09,779 --> 02:07:15,630

was frightened of that happening and

2384

02:07:13,159 --> 02:07:17,519

unfortunately I didn't see that hope you

2385

02:07:15,630 --> 02:07:19,230

know I was so engrossed in what was

2386

02:07:17,520 --> 02:07:25,770

happening to me I didn't see from her

2387

02:07:19,229 --> 02:07:31,349

point of view so so gradually we became

2388

02:07:25,770 --> 02:07:35,700

further and further apart and you know

2389

02:07:31,350 --> 02:07:37,800

the wall of hatred for the subject which

2390

02:07:35,699 --> 02:07:41,939

I could feel because I'm an empath as

2391

02:07:37,800 --> 02:07:44,340

well so you know I feel energies you

2392

02:07:41,939 --> 02:07:45,089

know if there's auras around people that

2393

02:07:44,340 --> 02:07:48,329

kind of thing

2394

02:07:45,090 --> 02:07:53,400

standing stones ley lines I don't meet

2395
02:07:48,329 --> 02:07:56,369
dowsing rods you know and the wall of

2396
02:07:53,399 --> 02:07:59,189
hatred that came that energy it was so

2397
02:07:56,369 --> 02:08:01,738
bad I could never even dare speak of it

2398
02:07:59,189 --> 02:08:05,029
in the house and so it just drove a

2399
02:08:01,738 --> 02:08:05,029
wedge between us

2400
02:08:05,069 --> 02:08:09,359
particularly things like that it just

2401
02:08:07,198 --> 02:08:12,089
sounds like a natural reaction to me to

2402
02:08:09,359 --> 02:08:13,439
the thing itself but he said he was all

2403
02:08:12,090 --> 02:08:15,480
about Metis getting in the way out just

2404
02:08:13,439 --> 02:08:18,868
wondering how I was confident and I know

2405
02:08:15,479 --> 02:08:20,279
the experiences but were they denying

2406
02:08:18,868 --> 02:08:28,889
relationships or where they sort of like

2407
02:08:20,279 --> 02:08:34,170
interfere well you know you get known

2408
02:08:28,889 --> 02:08:35,609
don't you go to parties and the because

2409
02:08:34,170 --> 02:08:38,599
you're so engrossed in the subject you

2410
02:08:35,609 --> 02:08:40,679
might start talking about this stuff and

2411
02:08:38,599 --> 02:08:42,569
then they and then they just sort of

2412
02:08:40,679 --> 02:08:46,770
groan it's all god no it's the eighty

2413
02:08:42,569 --> 02:08:49,289
you fall man again you know so it makes

2414
02:08:46,770 --> 02:08:51,329
you feel more and of course the the

2415
02:08:49,289 --> 02:08:55,560
family was kind of a bit religious there

2416
02:08:51,328 --> 02:08:56,880
were Methodists and you know so what I

2417
02:08:55,560 --> 02:09:00,239
was talking about didn't go down that

2418
02:08:56,880 --> 02:09:02,849
well with them so you just become

2419
02:09:00,238 --> 02:09:06,948
ostracized away from family and then

2420
02:09:02,849 --> 02:09:10,529
what happens is that you meet other

2421
02:09:06,948 --> 02:09:14,250
abductees and instantly you recognize

2422
02:09:10,529 --> 02:09:17,189
something about them and you and they

2423

02:09:14,250 --> 02:09:23,039
then are your family you know like David

2424
02:09:17,189 --> 02:09:24,719
and Linda you know my family and you're

2425
02:09:23,039 --> 02:09:27,210
comfortable you don't have to explain

2426
02:09:24,719 --> 02:09:31,500
yourself anymore to people because they

2427
02:09:27,210 --> 02:09:33,060
already know you know and I have thank

2428
02:09:31,500 --> 02:09:34,948
goodness saying I'm so lucky I've got

2429
02:09:33,060 --> 02:09:37,139
friends all over the world who have also

2430
02:09:34,948 --> 02:09:40,379
been taken you know I probably know as

2431
02:09:37,139 --> 02:09:41,569
much about this subject as anybody

2432
02:09:40,380 --> 02:09:46,819
[Music]

2433
02:09:41,569 --> 02:09:49,159
that information has come to me it's not

2434
02:09:46,819 --> 02:09:52,880
like I've gone out looking for it it's

2435
02:09:49,159 --> 02:09:57,619
like it's like upstairs the 80s it they

2436
02:09:52,880 --> 02:09:58,550
that it's important that I I need to

2437
02:09:57,619 --> 02:10:01,939

know this stuff

2438

02:09:58,550 --> 02:10:02,810

because I'm gonna be I'm gonna be doing

2439

02:10:01,939 --> 02:10:05,239

stuff with it

2440

02:10:02,810 --> 02:10:07,870

in due course and maybe tonight is just

2441

02:10:05,239 --> 02:10:10,789

you know just another stepping stone to

2442

02:10:07,869 --> 02:10:13,699

spreading this message you know and

2443

02:10:10,789 --> 02:10:18,769

because it's time the truth was told

2444

02:10:13,699 --> 02:10:23,539

about abductions you know even then in

2445

02:10:18,770 --> 02:10:25,460

big conferences you seldom get abductees

2446

02:10:23,539 --> 02:10:28,699

speaking because the people who

2447

02:10:25,460 --> 02:10:31,100

organized these conferences are often

2448

02:10:28,699 --> 02:10:33,800

very uncomfortable when it comes to out

2449

02:10:31,100 --> 02:10:36,079

dog tease they're okay talking about

2450

02:10:33,800 --> 02:10:38,930

UFOs lights in the sky and stuff like

2451

02:10:36,079 --> 02:10:41,989

that but that's kid stuff compared to

2452
02:10:38,930 --> 02:10:45,800
actually looking at an ET in the face

2453
02:10:41,989 --> 02:10:51,109
without being afraid and a lot of these

2454
02:10:45,800 --> 02:10:52,940
big blustery guys they can't do it and

2455
02:10:51,109 --> 02:10:56,569
I'm not going to mention any names but I

2456
02:10:52,939 --> 02:10:58,099
know people who organize conferences and

2457
02:10:56,569 --> 02:10:58,869
they're not comfortable with this stuff

2458
02:10:58,100 --> 02:11:01,880
at all

2459
02:10:58,869 --> 02:11:06,039
but it's time it came out because well

2460
02:11:01,880 --> 02:11:06,039
it's well it's kept on the under wraps

2461
02:11:06,670 --> 02:11:11,420
people are gonna suffer because people

2462
02:11:09,079 --> 02:11:14,899
do suffer I mean I cope with it pretty

2463
02:11:11,420 --> 02:11:17,980
damn well but other people like our

2464
02:11:14,899 --> 02:11:21,009
friend I won't mention their name again

2465
02:11:17,979 --> 02:11:24,139
she must be in the forties I guess and

2466
02:11:21,010 --> 02:11:26,539
you know she's severely anorexic and

2467
02:11:24,140 --> 02:11:29,500
she's been on a rep sick for most of her

2468
02:11:26,539 --> 02:11:33,229
life since being taken as a child and

2469
02:11:29,500 --> 02:11:34,939
she's had to live with this and can't

2470
02:11:33,229 --> 02:11:37,339
share it with the doctor she can't tell

2471
02:11:34,939 --> 02:11:40,549
the doctor what's actually wrong but

2472
02:11:37,340 --> 02:11:43,270
it's her way of of having some control

2473
02:11:40,550 --> 02:11:44,949
over her body

2474
02:11:43,270 --> 02:11:46,900
whereas with the TV I haven't got any

2475
02:11:44,949 --> 02:11:51,609
damn control if they want to take you

2476
02:11:46,899 --> 02:11:54,039
they take you and that's it so I'm

2477
02:11:51,609 --> 02:12:12,210
making a stand for a froze abductees is

2478
02:11:54,039 --> 02:12:18,640
really what I'm doing you know yeah yeah

2479
02:12:12,210 --> 02:12:19,659
yeah I don't know I think that's

2480

02:12:18,640 --> 02:12:24,090
entirely possible

2481
02:12:19,659 --> 02:12:29,500
yeah I think it's more than likely that

2482
02:12:24,090 --> 02:12:32,140
that have been an ET in another life and

2483
02:12:29,500 --> 02:12:33,880
maybe that is so strong that he bleeds

2484
02:12:32,140 --> 02:12:42,789
through into this life somehow or

2485
02:12:33,880 --> 02:12:44,590
another I don't know I I I don't I don't

2486
02:12:42,789 --> 02:12:49,470
look at this with rose-tinted glasses

2487
02:12:44,590 --> 02:12:49,470
you know I think the jury's still out

2488
02:12:50,489 --> 02:12:57,130
you know the there are people who who

2489
02:12:55,569 --> 02:13:02,319
are not prepared to look at the dark

2490
02:12:57,130 --> 02:13:06,400
side of this but and there is a darker

2491
02:13:02,319 --> 02:13:10,920
side for sure but generally speaking I'm

2492
02:13:06,399 --> 02:13:13,329
happy and getting happier every day I

2493
02:13:10,920 --> 02:13:18,000
can't really say much more on that one

2494
02:13:13,329 --> 02:13:18,000

Emily sorry yes

2495

02:13:21,140 --> 02:13:27,470

it's in our genetics histar bloodline

2496

02:13:24,119 --> 02:13:31,680

family bloodline for sure

2497

02:13:27,470 --> 02:13:36,150

they could go back thousands of years

2498

02:13:31,680 --> 02:13:42,210

I'm told that they that the ETS don't

2499

02:13:36,149 --> 02:13:44,519

just follow people through maybe three

2500

02:13:42,210 --> 02:13:47,159

or four generations they followed them

2501

02:13:44,520 --> 02:13:50,700

through hundreds hundreds of generations

2502

02:13:47,159 --> 02:13:56,279

and all the incarnations that they that

2503

02:13:50,699 --> 02:14:00,689

they have so of course they are

2504

02:13:56,279 --> 02:14:03,119

absolutely and you know my daughter's

2505

02:14:00,689 --> 02:14:10,019

really not happy with me at all and I'm

2506

02:14:03,119 --> 02:14:13,140

very sad that yeah but but it ain't my

2507

02:14:10,020 --> 02:14:16,700

fault you know I mean would she rather

2508

02:14:13,140 --> 02:14:19,230

not have been born you know at least

2509
02:14:16,699 --> 02:14:24,899
it's it just comes with the territory

2510
02:14:19,229 --> 02:14:27,929
I'm afraid and maybe as long as we do

2511
02:14:24,899 --> 02:14:30,869
something good with it then something

2512
02:14:27,930 --> 02:14:35,119
really really good can come of it and a

2513
02:14:30,869 --> 02:14:38,279
better human being will develop you know

2514
02:14:35,119 --> 02:14:39,960
certainly like the gifts like with David

2515
02:14:38,279 --> 02:14:43,769
with the healing of my uncle I mean

2516
02:14:39,960 --> 02:14:46,439
that's just incredible but it's real and

2517
02:14:43,770 --> 02:14:49,250
it really happened you know so I'm

2518
02:14:46,439 --> 02:15:01,589
optimistic I'm not pessimistic at all

2519
02:14:49,250 --> 02:15:03,630
yeah anybody else yes yes yes yes I'm

2520
02:15:01,590 --> 02:15:06,510
glad you mention that I forgot to say in

2521
02:15:03,630 --> 02:15:11,460
the in the talk when I went to when I

2522
02:15:06,510 --> 02:15:14,489
went to Australia they gave a talk to an

2523
02:15:11,460 --> 02:15:17,880
Australian group

2524
02:15:14,488 --> 02:15:21,209
and before I started the talk I noticed

2525
02:15:17,880 --> 02:15:24,150
this chap and he was he was sort of

2526
02:15:21,210 --> 02:15:27,239
fella tall athletic looking looked like

2527
02:15:24,149 --> 02:15:29,129
he was in his 30s but he was bald and he

2528
02:15:27,238 --> 02:15:30,808
sat by the window and he looked very

2529
02:15:29,130 --> 02:15:36,900
uncomfortable in the room with all the

2530
02:15:30,809 --> 02:15:39,090
other people and anyway I gave the talk

2531
02:15:36,899 --> 02:15:40,710
and during the talk people asked me what

2532
02:15:39,090 --> 02:15:44,690
I thought the purpose of the crop

2533
02:15:40,710 --> 02:15:47,880
circles was and I said that I thought

2534
02:15:44,689 --> 02:15:51,348
just my opinion that they were a means

2535
02:15:47,880 --> 02:15:59,489
of infusing energy into the ley line

2536
02:15:51,349 --> 02:16:01,590
system because that energy is essential

2537

02:15:59,488 --> 02:16:04,379
for all life on the planet it

2538
02:16:01,590 --> 02:16:08,760
invigorates all life on the planet and

2539
02:16:04,380 --> 02:16:09,989
without it everything will die okay so

2540
02:16:08,760 --> 02:16:14,429
so that's what I said

2541
02:16:09,988 --> 02:16:16,078
so after the talk several people waited

2542
02:16:14,429 --> 02:16:17,880
for me and they told me about their

2543
02:16:16,078 --> 02:16:19,768
encounters or whatever and this fella

2544
02:16:17,880 --> 02:16:22,710
waiting patiently then he came up to me

2545
02:16:19,769 --> 02:16:25,050
and he said all he said was you are

2546
02:16:22,710 --> 02:16:27,779
right about the crop circles and the

2547
02:16:25,050 --> 02:16:30,739
different patterns allow for different

2548
02:16:27,779 --> 02:16:36,058
frequencies of energy to be infused

2549
02:16:30,738 --> 02:16:41,789
that's all he said then he took my left

2550
02:16:36,058 --> 02:16:45,209
hand and he started to move his his his

2551
02:16:41,790 --> 02:16:47,580

hand over it and in in a circular motion

2552

02:16:45,209 --> 02:16:50,339

and then I could start and then I felt

2553

02:16:47,579 --> 02:16:52,558

the energy and then he he moved his arm

2554

02:16:50,340 --> 02:16:55,170

hand up my arm I felt it go up my arm

2555

02:16:52,558 --> 02:16:57,869

and then back down again then he started

2556

02:16:55,170 --> 02:16:58,500

to tease the energy off the ends of my

2557

02:16:57,870 --> 02:17:01,920

fingers

2558

02:16:58,500 --> 02:17:03,659

okay that was with this right hand then

2559

02:17:01,920 --> 02:17:05,939

with his left hand he was moving the

2560

02:17:03,659 --> 02:17:07,349

energy across my solar plexus and this

2561

02:17:05,939 --> 02:17:10,260

guy I've never seen before in my life

2562

02:17:07,349 --> 02:17:12,179

and nobody else had either at this at

2563

02:17:10,260 --> 02:17:13,219

this group and they've never seen him

2564

02:17:12,179 --> 02:17:16,039

since either

2565

02:17:13,218 --> 02:17:21,348

and so and they were doing this and and

2566
02:17:16,039 --> 02:17:23,840
then all the sudden the the energy went

2567
02:17:21,349 --> 02:17:27,260
up like a hundred times more than

2568
02:17:23,840 --> 02:17:28,248
anything I've ever felt and it was just

2569
02:17:27,260 --> 02:17:31,340
incredible

2570
02:17:28,248 --> 02:17:34,068
but he wasn't uncomfortable and I just

2571
02:17:31,340 --> 02:17:36,920
looked across look to this guy and I

2572
02:17:34,068 --> 02:17:39,260
beamed a huge smile at him and he'd

2573
02:17:36,920 --> 02:17:42,498
beamed a huge smile back at me it was a

2574
02:17:39,260 --> 02:17:50,630
smile of recognition I knew who he was

2575
02:17:42,498 --> 02:17:53,869
hi news and et and he reached forward he

2576
02:17:50,629 --> 02:17:55,478
embraced me he turned around and walked

2577
02:17:53,869 --> 02:17:58,130
out the building never said another word

2578
02:17:55,478 --> 02:18:02,688
nobody's ever seen him since and I'm

2579
02:17:58,129 --> 02:18:05,898
quite certain that he came to give me a

2580
02:18:02,689 --> 02:18:07,488
little pat on the back and to say you

2581
02:18:05,898 --> 02:18:10,429
know well done you're doing the right

2582
02:18:07,488 --> 02:18:13,248
thing keep keep on and we'll be we're

2583
02:18:10,429 --> 02:18:16,068
here with you and we'll keep helping you

2584
02:18:13,248 --> 02:18:18,439
and I'm certain that I still have never

2585
02:18:16,068 --> 02:18:20,658
seen him since but I'm sure I still have

2586
02:18:18,439 --> 02:18:23,090
that connection with that being so yes I

2587
02:18:20,658 --> 02:18:25,099
have met I haven't been embraced by one

2588
02:18:23,090 --> 02:18:34,010
wonderful experience thank you for

2589
02:18:25,099 --> 02:18:36,228
asking that question yes yes no no it

2590
02:18:34,010 --> 02:18:40,189
was nothing to take a picture of because

2591
02:18:36,228 --> 02:18:44,478
when it had been healed well well we

2592
02:18:40,189 --> 02:18:48,318
couldn't know I mean there is no there's

2593
02:18:44,478 --> 02:18:51,590
nothing there's nothing no the ball went

2594

02:18:48,318 --> 02:18:53,208
back in the blood disappeared and five

2595
02:18:51,590 --> 02:18:56,090
days four or five days later of driving

2596
02:18:53,209 --> 02:18:59,329
the car I mean I can I can you know I

2597
02:18:56,090 --> 02:19:00,920
can only give you what Dave saw because

2598
02:18:59,328 --> 02:19:02,510
I didn't see what was happening all I

2599
02:19:00,920 --> 02:19:04,568
knew was that I'd busted man core

2600
02:19:02,510 --> 02:19:07,908
because when you hear a bang like that

2601
02:19:04,568 --> 02:19:09,349
there's no doubt about it you know so no

2602
02:19:07,908 --> 02:19:11,090
I'm afraid there's not pictures because

2603
02:19:09,349 --> 02:19:13,630
once he did heal there was nothing to

2604
02:19:11,090 --> 02:19:17,478
show yeah there we go

2605
02:19:13,629 --> 02:19:20,828
anybody else is that heard it okay

2606
02:19:17,478 --> 02:19:20,828
yes Alec

2607
02:19:21,389 --> 02:20:05,970
yes yes well some of the Americans are

2608
02:20:03,521 --> 02:20:10,061

this is it it's a Sikh I mean they're up

2609

02:20:05,970 --> 02:20:12,699

it's only a faction that are involved

2610

02:20:10,060 --> 02:20:16,510

but they're very powerful and they've

2611

02:20:12,700 --> 02:20:20,130

been working for a very long time to put

2612

02:20:16,510 --> 02:20:23,380

themselves in certain positions within

2613

02:20:20,129 --> 02:20:25,930

the military and the CIA FBI all these

2614

02:20:23,379 --> 02:20:28,600

different places and they're not easy to

2615

02:20:25,931 --> 02:20:30,610

get rid of but I think it's HAP I'm sure

2616

02:20:28,601 --> 02:20:35,940

is happening actually I know it's

2617

02:20:30,610 --> 02:20:38,260

happening so but they but the main

2618

02:20:35,940 --> 02:20:41,681

fighters in the battle are beings from

2619

02:20:38,260 --> 02:20:43,271

from other worlds who have also suffered

2620

02:20:41,681 --> 02:20:46,829

at the hands of the reptilians and

2621

02:20:43,271 --> 02:20:49,510

they're determined to put an end to it

2622

02:20:46,829 --> 02:20:53,489

that they're in cahoots with with the

2623
02:20:49,510 --> 02:20:53,489
reptilians yeah yes definitely

2624
02:20:56,521 --> 02:21:06,001
you know yeah we obviously didn't like

2625
02:20:59,101 --> 02:21:07,950
them yeah but also we almost almost got

2626
02:21:06,001 --> 02:21:10,261
to be aware that there's the bad guys as

2627
02:21:07,950 --> 02:21:12,150
well yeah because we do no not freaking

2628
02:21:10,261 --> 02:21:15,149
anybody know that but we do know they're

2629
02:21:12,149 --> 02:21:18,359
taking any and even you know that's

2630
02:21:15,149 --> 02:21:21,449
happened I mean thank God we're ever

2631
02:21:18,360 --> 02:21:22,381
contacted us and took us yes I then come

2632
02:21:21,450 --> 02:21:25,801
back ever since

2633
02:21:22,380 --> 02:21:27,689
are they still coming back yeah yeah I

2634
02:21:25,800 --> 02:21:30,449
think that's what frightens people the

2635
02:21:27,690 --> 02:21:32,069
most because when you talk about people

2636
02:21:30,450 --> 02:21:33,631
like us it's been abducted years old

2637
02:21:32,069 --> 02:21:35,431
thought yeah straight away you know

2638
02:21:33,630 --> 02:21:36,810
they're looking at it oh my god if they

2639
02:21:35,431 --> 02:21:39,301
take me what happened to me

2640
02:21:36,810 --> 02:21:42,270
you know sometimes nothing is something

2641
02:21:39,300 --> 02:21:43,979
that it's good yes younger then yes okay

2642
02:21:42,271 --> 02:21:45,631
you get max was a bloody nuisance but

2643
02:21:43,979 --> 02:21:52,350
also never story yes

2644
02:21:45,630 --> 02:21:54,810
yeah it's I'm glad that I am Who I am I

2645
02:21:52,351 --> 02:21:57,120
wouldn't like to be anybody else and you

2646
02:21:54,810 --> 02:21:59,520
know wherever this is leading me I'm

2647
02:21:57,120 --> 02:22:02,091
happy to go along with it you know so

2648
02:21:59,521 --> 02:22:02,091
yes

2649
02:22:08,270 --> 02:22:10,328
you
