3
00:00:57,509 --> 00:01:30,728
thank you so much love taking only

4
00:01:28,030 --> 00:01:35,109
observation rakaats it was that

5
00:01:30,728 --> 00:01:39,010
everything repulsive of a scene have

6
00:01:35,109 --> 00:01:42,129
found line running to it to get a little

7
00:01:39,010 --> 00:01:43,750
cops anything deliver this with

8
00:01:42,129 --> 00:01:48,069
obviously found us

9
00:01:43,750 --> 00:01:51,219
I'm going to do it and I think it's a

10
00:01:48,069 --> 00:01:54,849
person activist kata believe nothing

11
00:01:51,219 --> 00:01:57,340
will never get these are yields is a

12
00:01:54,849 --> 00:02:01,978
timelines to get in quick view the

13
00:01:57,340 --> 00:02:05,710
mythical circles everywhere you know

14
00:02:01,978 --> 00:02:07,840
they can make them in any deals so we

15
00:02:05,709 --> 00:02:10,269
will be at least selling popsicles in

16
00:02:07,840 --> 00:02:13,090
fear that they do not be summoned and it

17
00:02:10,270 --> 00:02:16,090
hasn't does about European real life and

18
00:02:13,090 --> 00:02:20,219
why we can't waste so why they always

19
00:02:16,090 --> 00:02:20,219
Aliya clearly see on the front lines

20
00:02:20,939 --> 00:02:25,810
[Music]

21
00:02:23,129 --> 00:02:29,139
yeah I think you can written nuts for

22
00:02:25,810 --> 00:02:32,860
the farms do believe the village is for

23
00:02:29,139 --> 00:02:34,869
feeding yes crazy set to Zionism or tell

24
00:02:32,860 --> 00:02:36,310
them where you're right in some

25
00:02:34,870 --> 00:02:39,330
countries they don't do that's just a

26
00:02:36,310 --> 00:02:39,330
muscle feelin yeah

27
00:02:39,909 --> 00:02:48,159
no time line racing I live it everywhere

28
00:02:43,840 --> 00:02:51,520
area really lots of farms and is all the

29

00:02:48,159 --> 00:02:54,549
fields around that no longer are sadly

30
00:02:51,520 --> 00:02:57,370
we hit world regulators ever need an X

31
00:02:54,550 --> 00:02:59,830
Express they feel like that when he said

32
00:02:57,370 --> 00:03:02,830
only an feels the sort of life and

33
00:02:59,830 --> 00:03:04,750
assess nestled on the market would have

34
00:03:02,830 --> 00:03:07,780
said when he hears this are my spaghetti

35
00:03:04,750 --> 00:03:10,840
to refuse or doesn't even a trail David

36
00:03:07,780 --> 00:03:13,509
who sells me it crops it was all gnarly

37
00:03:10,840 --> 00:03:15,759
well I believe around the world have

38
00:03:13,509 --> 00:03:17,919
been one or two in feels like that was

39
00:03:15,759 --> 00:03:20,919
and I'm Tom lines yeah I just got off

40
00:03:17,919 --> 00:03:24,519
the top of every call some so as you say

41
00:03:20,919 --> 00:03:27,219
that there's no signs and get busy

42
00:03:24,520 --> 00:03:29,170
lapses of feet damaging the crop to get

43
00:03:27,219 --> 00:03:31,900

to that some of those crops and I can't

44

00:03:29,169 --> 00:03:32,129

remember where as well in the past you

45

00:03:31,900 --> 00:03:35,140

know

46

00:03:32,129 --> 00:03:39,189

so finally not had any in your region

47

00:03:35,139 --> 00:03:41,169

what suggest this the hoaxes are not

48

00:03:39,189 --> 00:03:43,509

usually not feel to the obvious reason

49

00:03:41,169 --> 00:03:47,339

deep stated no but if I search on Google

50

00:03:43,509 --> 00:03:50,590

Images crop circles I just go without

51

00:03:47,340 --> 00:03:52,930

the time right yeah the job G the dishes

52

00:03:50,590 --> 00:03:54,670

will zoom to something there may be a

53

00:03:52,930 --> 00:03:57,849

difference or between a man-made one

54

00:03:54,669 --> 00:03:59,259

yeah that's allegedly not with not yes I

55

00:03:57,849 --> 00:04:03,129

mean of the way the crops have been

56

00:03:59,259 --> 00:04:05,799

through oh yes and many other things of

57

00:04:03,129 --> 00:04:08,709

use a lot of damage v and growing stems

58
00:04:05,800 --> 00:04:11,410
stems bent took it all seed rape which

59
00:04:08,709 --> 00:04:12,120
just cannot bend it 45 degrees in a

60
00:04:11,409 --> 00:04:16,629
smart way

61
00:04:12,120 --> 00:04:19,420
celery and so the hoaxes tend to avoid

62
00:04:16,629 --> 00:04:21,670
what the policy room setting the very

63
00:04:19,420 --> 00:04:25,600
young and the implants and soft and

64
00:04:21,670 --> 00:04:28,319
malleable had been one or two so in my

65
00:04:25,600 --> 00:04:32,200
book the ones you consider seriously

66
00:04:28,319 --> 00:04:34,060
would shield else's rape was drops up to

67
00:04:32,199 --> 00:04:38,409
your chest it's just wine to go and have

68
00:04:34,060 --> 00:04:41,019
been covered in the yellow pollen and

69
00:04:38,410 --> 00:04:44,140
with China Robert and I appoint could be

70
00:04:41,019 --> 00:04:47,479
yards and shadow will see rightful in

71
00:04:44,139 --> 00:04:50,569
the past as Rob was filmed and

72
00:04:47,480 --> 00:04:53,270
others that can do this in one famous

73
00:04:50,569 --> 00:04:55,459
one that my first crop circle in 97

74
00:04:53,269 --> 00:04:59,839
the engine status windin their boundary

75
00:04:55,459 --> 00:05:02,089
castle and this missive bringable i mean

76
00:04:59,839 --> 00:05:05,750
i was all new to it then she noticed

77
00:05:02,089 --> 00:05:07,879
that on the outer ring of the standing

78
00:05:05,750 --> 00:05:11,990
crop just immediately out of the lake

79
00:05:07,879 --> 00:05:14,269
drop about two and so rolls of stem

80
00:05:11,990 --> 00:05:17,449
specifically the ones at the edge we're

81
00:05:14,269 --> 00:05:20,000
all mooted suggesting that some sort of

82
00:05:17,449 --> 00:05:23,479
heat being applied by some energy which

83
00:05:20,000 --> 00:05:26,449
in dehydrated the plant also on the in

84
00:05:23,480 --> 00:05:29,090
stem wall facing inwards the crop

85
00:05:26,449 --> 00:05:33,289
circles are brown staining about that

86

00:05:29,089 --> 00:05:35,389
long like it was scorched so i thought

87
00:05:33,290 --> 00:05:44,689
that was a good clue in a particular

88
00:05:35,389 --> 00:05:47,870
case well you're quite right not just

89
00:05:44,689 --> 00:05:50,480
early in my book the last real crop

90
00:05:47,870 --> 00:05:53,209
circles in 2005 and all seed renovate

91
00:05:50,480 --> 00:05:56,200
build and bull hilda which build bets

92
00:05:53,209 --> 00:06:01,039
went in recorded as a schoolmaster

93
00:05:56,199 --> 00:06:01,550
commanded the yellow flowers in the late

94
00:06:01,040 --> 00:06:04,340
bids

95
00:06:01,550 --> 00:06:07,730
we're on damaged as well you know it was

96
00:06:04,339 --> 00:06:10,489
just amazing so if you lay a flowering

97
00:06:07,730 --> 00:06:13,939
crop circle down the plank you smash the

98
00:06:10,490 --> 00:06:17,269
flowers and such a mess so all this

99
00:06:13,939 --> 00:06:20,209
fancy geometric shapes where people

100
00:06:17,269 --> 00:06:22,310

postulate oh there's a message here and

101

00:06:20,209 --> 00:06:24,279
the crack assad's and think the

102

00:06:22,310 --> 00:06:27,530
americans in all the research stuff

103

00:06:24,279 --> 00:06:30,289
where i think this will entertain the

104

00:06:27,529 --> 00:06:32,750
drop is is a message vision so the clip

105

00:06:30,290 --> 00:06:38,420
topics or shapes that people will then

106

00:06:32,750 --> 00:06:40,250
interpret wrong in most cases and if you

107

00:06:38,420 --> 00:06:42,980
go on the crop circle collector website

108

00:06:40,250 --> 00:06:45,730
there's loads of this stuff with

109

00:06:42,980 --> 00:06:48,050
comments with these logical experts who

110

00:06:45,730 --> 00:06:50,390
interpreting what the meaning is and so

111

00:06:48,050 --> 00:06:52,790
notice robots

112

00:06:50,389 --> 00:06:56,139
these instances were these crop circles

113

00:06:52,790 --> 00:06:58,520
we make very quickly very effective

114

00:06:56,139 --> 00:07:02,259
because I know there's been a few were

115
00:06:58,519 --> 00:07:05,359
one where pilots flew over an area yes

116
00:07:02,259 --> 00:07:07,459
nothing yes sir I'm going back there

117
00:07:05,360 --> 00:07:09,439
they made saw a while ago is it really

118
00:07:07,459 --> 00:07:12,949
complex yes it was a Julian that said

119
00:07:09,439 --> 00:07:15,949
shame and true within 30 minutes he he

120
00:07:12,949 --> 00:07:18,709
flow over wasn't even then flew back and

121
00:07:15,949 --> 00:07:22,459
it was then there was a daylight nobody

122
00:07:18,709 --> 00:07:25,519
visiting Stonehenge seen anything but

123
00:07:22,459 --> 00:07:28,729
there were nice swirls and shapes so if

124
00:07:25,519 --> 00:07:32,649
it flows and it looks nice thermal are

125
00:07:28,730 --> 00:07:35,720
to be see these sharp geometric angles

126
00:07:32,649 --> 00:07:38,659
it's plunked plenty of evidence from the

127
00:07:35,720 --> 00:07:41,810
air when you look at him on the computer

128
00:07:38,660 --> 00:07:44,330
screen whatever and if you go into crop

129
00:07:41,810 --> 00:07:46,100
formation mylar and get me hands in

130
00:07:44,329 --> 00:07:47,569
these which most people don't bother to

131
00:07:46,100 --> 00:07:50,510
do because they don't want to in some

132
00:07:47,569 --> 00:07:51,829
cases you will find the board marks

133
00:07:50,509 --> 00:07:54,500
where the hitch is the point that hit

134
00:07:51,829 --> 00:07:57,500
the stem every heart half step away

135
00:07:54,500 --> 00:08:01,759
where the guys thanks and they're their

136
00:07:57,500 --> 00:08:04,459
own sort of station and that that's the

137
00:08:01,759 --> 00:08:08,180
damning evidence and the recent ones

138
00:08:04,459 --> 00:08:10,759
went into collision Robert holes have

139
00:08:08,180 --> 00:08:12,860
been in some last year and immediately

140
00:08:10,759 --> 00:08:15,860
within five minutes if you know what to

141
00:08:12,860 --> 00:08:17,990
look for or their subordinates it done

142
00:08:15,860 --> 00:08:19,990
shame really because but people are

143

00:08:17,990 --> 00:08:22,370
making a business now it's becoming a

144
00:08:19,990 --> 00:08:25,490
you know selling bitch - sighing

145
00:08:22,370 --> 00:08:27,230
t-shirts of in photos and even rip

146
00:08:25,490 --> 00:08:29,470
appreciable putable

147
00:08:27,230 --> 00:08:32,180
researches in the past by losing Pringle

148
00:08:29,470 --> 00:08:35,960
go to their website she's just making a

149
00:08:32,179 --> 00:08:37,969
business went to Brazil doing a lecture

150
00:08:35,960 --> 00:08:39,500
for AJ eval and we don't have a hand in

151
00:08:37,970 --> 00:08:41,450
recommending and for doing that because

152
00:08:39,500 --> 00:08:43,490
she has done was a good research

153
00:08:41,450 --> 00:08:45,800
particularly with medical and

154
00:08:43,490 --> 00:08:48,320
psychological effects of people who've

155
00:08:45,799 --> 00:08:51,379
got elements in genuine crop circles of

156
00:08:48,320 --> 00:08:53,660
benefiting from being in one but then

157
00:08:51,379 --> 00:08:55,629

she's destroys all I could work by

158

00:08:53,659 --> 00:09:00,578
showing in calendars open

159

00:08:55,629 --> 00:09:02,528
and you know carrying on about writing

160

00:09:00,578 --> 00:09:06,278
lovely words about this magnificent

161

00:09:02,528 --> 00:09:08,708
effect this crop circle and it's been

162

00:09:06,278 --> 00:09:11,409
planned for these rollers another

163

00:09:08,708 --> 00:09:13,989
Dumanis essence roll over and it's just

164

00:09:11,409 --> 00:09:15,669
I make the ministries events that we

165

00:09:13,990 --> 00:09:23,889
delight in these days because they've

166

00:09:15,669 --> 00:09:26,078
just done the job yes actually only yeah

167

00:09:23,889 --> 00:09:29,709
back on the yoga on the cross label a

168

00:09:26,078 --> 00:09:31,508
22nd those thoughts on that but it does

169

00:09:29,708 --> 00:09:33,669
go deeper than that now now the majority

170

00:09:31,509 --> 00:09:35,440
of crop formations these days are our

171

00:09:33,669 --> 00:09:37,929
hopes they're big groups hoaxes in these

172
00:09:35,440 --> 00:09:39,579
things the fact that the shakes have

173
00:09:37,929 --> 00:09:41,379
been getting more and more complex as

174
00:09:39,578 --> 00:09:43,838
the years go on would tell you that yet

175
00:09:41,379 --> 00:09:45,759
because aside off with single circles

176
00:09:43,839 --> 00:09:48,250
men's league circles and then these

177
00:09:45,759 --> 00:09:49,870
really complex patterns now you have to

178
00:09:48,250 --> 00:09:51,639
argue the point that if it was ET when

179
00:09:49,870 --> 00:09:55,000
they become lit from the start which is

180
00:09:51,639 --> 00:09:56,440
it which is a valid point however what's

181
00:09:55,000 --> 00:09:58,870
going on behind the scenes with crop

182
00:09:56,440 --> 00:10:01,709
circles is the crop circle reads the

183
00:09:58,870 --> 00:10:04,568
crop circle hoaxes are actually having

184
00:10:01,708 --> 00:10:06,638
unusual experiences while making the

185
00:10:04,568 --> 00:10:09,129
crop formations you can see videos of

186
00:10:06,639 --> 00:10:12,278
this online they're genuine they

187
00:10:09,129 --> 00:10:14,259
genuinely convinced that through making

188
00:10:12,278 --> 00:10:15,818
these formations that they're being

189
00:10:14,259 --> 00:10:17,860
directed in some way to make these

190
00:10:15,818 --> 00:10:19,929
formations and they're and there's been

191
00:10:17,860 --> 00:10:21,550
many cases on record now where they've

192
00:10:19,929 --> 00:10:23,318
come out to the field to make circle in

193
00:10:21,549 --> 00:10:25,599
the middle of the night and they've seen

194
00:10:23,318 --> 00:10:27,490
these tall shadowy figures amongst the

195
00:10:25,600 --> 00:10:29,319
corn and there's even some cases where

196
00:10:27,490 --> 00:10:31,269
they've actually stopped making a circle

197
00:10:29,318 --> 00:10:33,429
so they've got halfway through the

198
00:10:31,269 --> 00:10:35,318
formation and you're so scared by what

199
00:10:33,429 --> 00:10:36,938
they witnessed they've got after that

200

00:10:35,318 --> 00:10:38,588
and then you get at the end up with that

201
00:10:36,938 --> 00:10:40,419
harper formation which is created really

202
00:10:38,589 --> 00:10:41,800
confusing because it looks a very odd

203
00:10:40,419 --> 00:10:44,110
shape but that's because it's just part

204
00:10:41,799 --> 00:10:45,969
of the formation again there's stuff you

205
00:10:44,110 --> 00:10:47,409
can look into online and it's a whole

206
00:10:45,970 --> 00:10:49,209
other angle to the crop formation

207
00:10:47,409 --> 00:10:50,919
phenomenon that there may be something

208
00:10:49,208 --> 00:10:51,909
real and paranormal going on with it

209
00:10:50,919 --> 00:10:53,948
behind the scenes

210
00:10:51,909 --> 00:10:56,769
despite the fact that the majority of

211
00:10:53,948 --> 00:10:58,569
hopes suddenly feel that deep down

212
00:10:56,769 --> 00:11:00,429
there's a reality to this

213
00:10:58,570 --> 00:11:02,920
and it is connected with the subject and

214
00:11:00,429 --> 00:11:04,509

but obviously it's very easy to dismiss

215

00:11:02,919 --> 00:11:06,370
especially when large groups are

216

00:11:04,509 --> 00:11:08,080
claiming to help them and they've shown

217

00:11:06,370 --> 00:11:10,000
valid evidence I mean you can actually

218

00:11:08,080 --> 00:11:12,009
join from circle hikes and groups if you

219

00:11:10,000 --> 00:11:14,200
want and go out and help them but make

220

00:11:12,009 --> 00:11:16,240
these things again highly illegal oh and

221

00:11:14,200 --> 00:11:17,009
I wouldn't recommend it and say yeah

222

00:11:16,240 --> 00:11:20,409
come

223

00:11:17,009 --> 00:11:22,929
yeah just save Matthew Williams actually

224

00:11:20,409 --> 00:11:25,360
retired now as a crop circle maker and I

225

00:11:22,929 --> 00:11:28,029
think he got over to actually being in

226

00:11:25,360 --> 00:11:31,000
the field and he dare take leave yet

227

00:11:28,029 --> 00:11:33,189
exactly so AAT heating out a lot of the

228

00:11:31,000 --> 00:11:34,990
drugs regiment and very good for joining

229

00:11:33,190 --> 00:11:38,200

there was a crop circle it just just as

230

00:11:34,990 --> 00:11:40,659

I came down and I know I placed a lot on

231

00:11:38,200 --> 00:11:42,100

from the Facebook groups I'm one of crop

232

00:11:40,659 --> 00:11:45,490

circles loving to a number of them

233

00:11:42,100 --> 00:11:48,279

myself I do believe that there is a

234

00:11:45,490 --> 00:11:50,919

reality to a some sort of communication

235

00:11:48,279 --> 00:11:52,389

aspect to the phenomena I don't know

236

00:11:50,919 --> 00:11:56,110

what percentage would mean the mind to

237

00:11:52,389 --> 00:11:57,970

guess Israel once hosts and you know the

238

00:11:56,110 --> 00:12:00,970

reasons behind their butts not

239

00:11:57,970 --> 00:12:02,920

informations you know just sort runs you

240

00:12:00,970 --> 00:12:04,990

know that I've talking earlier today you

241

00:12:02,919 --> 00:12:07,479

know about the milk Hill famous

242

00:12:04,990 --> 00:12:09,909

formation from 2000 2001 or a bitch was

243
00:12:07,480 --> 00:12:11,860
on my laptop you might see that and the

244
00:12:09,909 --> 00:12:14,589
new spiral galaxy one I think it was

245
00:12:11,860 --> 00:12:16,779
called me I was just for me even in

246
00:12:14,590 --> 00:12:19,540
general John Limburg it was part of

247
00:12:16,779 --> 00:12:21,970
clean Satan and circlemakers you know

248
00:12:19,539 --> 00:12:24,159
when I asked him about in Las Vegas he

249
00:12:21,970 --> 00:12:25,870
was saying no he was in all that as

250
00:12:24,159 --> 00:12:27,939
someone who made crop circles and we

251
00:12:25,870 --> 00:12:31,149
just thought that was you know it was

252
00:12:27,940 --> 00:12:33,370
out as well so I mean you've got you

253
00:12:31,149 --> 00:12:37,120
know this in so many formations over the

254
00:12:33,370 --> 00:12:39,429
years which I find you know very context

255
00:12:37,120 --> 00:12:41,200
I mean things like the a.m. face and you

256
00:12:39,429 --> 00:12:42,539
know the information about the SD code

257

00:12:41,200 --> 00:12:45,520
and it's you know it's interesting

258
00:12:42,539 --> 00:12:47,049
interesting stuff I'm not 100% sure

259
00:12:45,519 --> 00:12:49,120
what's going on and what the actual

260
00:12:47,049 --> 00:12:50,829
messages but I get the feeling that

261
00:12:49,120 --> 00:12:53,110
there will be some of that in the future

262
00:12:50,830 --> 00:12:55,690
that might make sense of all that's gone

263
00:12:53,110 --> 00:12:58,090
before it so I kind of think that maybe

264
00:12:55,690 --> 00:13:00,720
they're giving this part of some message

265
00:12:58,090 --> 00:13:03,180
and maybe some features and

266
00:13:00,720 --> 00:13:05,100
you might be able to declare observer

267
00:13:03,179 --> 00:13:06,959
what's actually being said here and I'm

268
00:13:05,100 --> 00:13:09,060
not you know I'm not take me down let

269
00:13:06,960 --> 00:13:10,110
you know all hoaxes and stuff and

270
00:13:09,059 --> 00:13:12,750
certainly there's been some good

271
00:13:10,110 --> 00:13:14,279

formations issue and but that's not the

272

00:13:12,750 --> 00:13:17,129

say also there's also some nefarious

273

00:13:14,279 --> 00:13:19,740

people trying to bit like he knows with

274

00:13:17,129 --> 00:13:21,360

the alien autopsy and them you know

275

00:13:19,740 --> 00:13:23,639

putting out this information on

276

00:13:21,360 --> 00:13:25,470

traveling things and so it can be very

277

00:13:23,639 --> 00:13:28,860

hard to get to the truth in manner but

278

00:13:25,470 --> 00:13:30,060

I'd recommend anyone and I mean we say a

279

00:13:28,860 --> 00:13:31,259

lot of culture will do a clear and

280

00:13:30,059 --> 00:13:32,939

wheelchair so you're not going to say

281

00:13:31,259 --> 00:13:34,500

that actually well as I've had in the

282

00:13:32,940 --> 00:13:37,470

crop circles I might be wrong but and

283

00:13:34,500 --> 00:13:38,639

we'll share does here but mainly room

284

00:13:37,470 --> 00:13:40,769

chair there seem to be a lot of crop

285

00:13:38,639 --> 00:13:42,090

circles there but if I would recommend

286
00:13:40,769 --> 00:13:44,309
anyone if they have any doubts about

287
00:13:42,090 --> 00:13:45,960
checking out the funnel for themselves

288
00:13:44,309 --> 00:13:48,049
because it's sometimes only when you

289
00:13:45,960 --> 00:13:50,519
truly go into the crop circle that you

290
00:13:48,049 --> 00:13:53,309
know even if it isn't some sort of

291
00:13:50,519 --> 00:13:55,319
supernatural or alien origin when you're

292
00:13:53,309 --> 00:13:57,119
going to experience or being in nature

293
00:13:55,320 --> 00:13:59,280
like a nice quiet place and for a lot of

294
00:13:57,120 --> 00:14:01,889
people in London know which is where I

295
00:13:59,279 --> 00:14:03,750
live it can be very healing and

296
00:14:01,889 --> 00:14:06,360
beneficial just to be out in on a nice

297
00:14:03,750 --> 00:14:07,320
summer's day taking children out there I

298
00:14:06,360 --> 00:14:09,960
mean I know some of you have had some

299
00:14:07,320 --> 00:14:11,190
negative effects from you know crop

300
00:14:09,960 --> 00:14:13,740
circles what's also some positive

301
00:14:11,190 --> 00:14:15,420
effects you know but some you know if

302
00:14:13,740 --> 00:14:17,220
you're into revocation you know what

303
00:14:15,419 --> 00:14:18,870
could be better than my son and stay as

304
00:14:17,220 --> 00:14:21,120
long as I've been in pharma getting

305
00:14:18,870 --> 00:14:23,759
permission in a lot of these places are

306
00:14:21,120 --> 00:14:24,950
like donation boxes and stuff and it

307
00:14:23,759 --> 00:14:27,029
ought to be a bit cynical about that

308
00:14:24,950 --> 00:14:28,920
stuff on us getting some money back

309
00:14:27,029 --> 00:14:31,319
about you know people were entering into

310
00:14:28,919 --> 00:14:33,389
the land and seeing these things and I

311
00:14:31,320 --> 00:14:35,370
mean a lot of on synchronicities you

312
00:14:33,389 --> 00:14:37,710
know obviously get researches there and

313
00:14:35,370 --> 00:14:39,840
you'll meet people bump into people you

314

00:14:37,710 --> 00:14:41,100
start you know it like going to the pub

315
00:14:39,840 --> 00:14:43,259
or guests or something you're suddenly

316
00:14:41,100 --> 00:14:45,600
entering a dialogue or someone you've

317
00:14:43,259 --> 00:14:47,069
never met before and obviously if you're

318
00:14:45,600 --> 00:14:49,950
in a crop circle you a little bit on to

319
00:14:47,070 --> 00:14:52,740
sort of paranormal and you know UFO

320
00:14:49,950 --> 00:14:54,240
types in so bases are sort people surely

321
00:14:52,740 --> 00:14:55,470
you would want to meet so I actually

322
00:14:54,240 --> 00:14:57,539
think in the future there will be more

323
00:14:55,470 --> 00:14:58,730
people to entities or maybe they'll be

324
00:14:57,539 --> 00:15:01,519
more even more made

325
00:14:58,730 --> 00:15:03,500
patents for this year so I definitely

326
00:15:01,519 --> 00:15:05,690
recommend anyone make a journey we

327
00:15:03,500 --> 00:15:08,690
endorse it and places where they are

328
00:15:05,690 --> 00:15:13,040

here so you know very interesting

329

00:15:08,690 --> 00:15:15,740

answers it is sort of interesting the

330

00:15:13,039 --> 00:15:18,730

club our club has got two trips planned

331

00:15:15,740 --> 00:15:21,500

this year to crop circles if we get any

332

00:15:18,730 --> 00:15:23,300

and also the Stonehenge and a three

333

00:15:21,500 --> 00:15:25,159

circles so if anyone's interested in

334

00:15:23,299 --> 00:15:29,750

that than to stay tuned and we'll go

335

00:15:25,159 --> 00:15:32,328

from there really okay the college it

336

00:15:29,750 --> 00:15:34,730

means people lie minds together and lots

337

00:15:32,328 --> 00:15:38,059

of friendships are made in crop circles

338

00:15:34,730 --> 00:15:42,019

I just when I mentioned part of my job I

339

00:15:38,059 --> 00:15:43,609

was responsible financing radiations in

340

00:15:42,019 --> 00:15:45,709

the whole factory radiation safety

341

00:15:43,610 --> 00:15:48,259

because of what we would do a gallon

342

00:15:45,708 --> 00:15:50,750

isotope we use occasionally and mikata

343
00:15:48,259 --> 00:15:52,730
radiography truly in the hangars

344
00:15:50,750 --> 00:15:57,458
so all this sort of thing so have access

345
00:15:52,730 --> 00:16:00,350
to ionizing radiation monitors in 2001

346
00:15:57,458 --> 00:16:06,068
done wheelchair and I had a borrowed

347
00:16:00,350 --> 00:16:09,680
question from factory super duper

348
00:16:06,068 --> 00:16:12,649
monitor thing probe which was very very

349
00:16:09,679 --> 00:16:17,208
sensitive probe which would pick up beat

350
00:16:12,649 --> 00:16:21,110
again ran alpha waves and amazing this

351
00:16:17,208 --> 00:16:24,289
huge formation behind Silbury Hill and

352
00:16:21,110 --> 00:16:25,490
use the money said no effects and assure

353
00:16:24,289 --> 00:16:28,730
a man major

354
00:16:25,490 --> 00:16:30,350
but as I came out to the car park there

355
00:16:28,730 --> 00:16:33,230
was a couple of what people called

356
00:16:30,350 --> 00:16:37,819
satellite or tests swirls about a metre

357
00:16:33,230 --> 00:16:40,610
in diameter and I desire as a walk past

358
00:16:37,818 --> 00:16:43,039
I think this is the proper put it is

359
00:16:40,610 --> 00:16:46,879
into the crop circle and on the

360
00:16:43,039 --> 00:16:49,429
instrument design an audio section

361
00:16:46,879 --> 00:16:51,828
switching on off as well as watching the

362
00:16:49,429 --> 00:16:55,359
needle on the meter and it is shut over

363
00:16:51,828 --> 00:16:58,609
to maximum it sounds freedom means

364
00:16:55,360 --> 00:17:02,090
mm counts for second Plus and it

365
00:16:58,610 --> 00:17:05,809
destroys that probe never work ugly

366
00:17:02,090 --> 00:17:08,299
after that and about another instance

367
00:17:05,809 --> 00:17:11,559
where two sorts of drunk guys urban

368
00:17:08,299 --> 00:17:15,619
genders and had strange on-and-off

369
00:17:11,559 --> 00:17:18,828
effects in in the formation but not out

370
00:17:15,619 --> 00:17:24,818
of this and the one occasion there was a

371

00:17:18,828 --> 00:17:29,319
Tim a lot another why or see which ones

372
00:17:24,818 --> 00:17:35,659
no it didn't matter it was like a

373
00:17:29,319 --> 00:17:39,309
seashell shape and I'm just Wharton with

374
00:17:35,660 --> 00:17:41,360
pop the camera bag on the ground and

375
00:17:39,309 --> 00:17:44,539
flatten the batteries of the camera

376
00:17:41,359 --> 00:17:46,039
haven't used it and after a humanist

377
00:17:44,539 --> 00:17:49,009
restriction gauge and one of these

378
00:17:46,039 --> 00:17:51,769
readings on background radiation from me

379
00:17:49,009 --> 00:17:55,400
because one it's only started to react

380
00:17:51,769 --> 00:17:55,849
about a hundred Kemp's see so this is

381
00:17:55,400 --> 00:17:59,420
strange

382
00:17:55,849 --> 00:18:02,869
so I walked out of the down the tram

383
00:17:59,420 --> 00:18:06,289
line from a formation about ten fifteen

384
00:18:02,869 --> 00:18:08,229
paces and suddenly went off so a

385
00:18:06,289 --> 00:18:11,420

sheltered Robert Allsup who had a

386

00:18:08,230 --> 00:18:13,400

camcorder and said I come over here oh

387

00:18:11,420 --> 00:18:16,190

I've been to stand down to mark the

388

00:18:13,400 --> 00:18:18,320

position where the radiation dropped to

389

00:18:16,190 --> 00:18:20,960

normal background from what it was

390

00:18:18,319 --> 00:18:23,419

reading so it says you stand behind me

391

00:18:20,960 --> 00:18:26,000

but it's camera and shoulder focused on

392

00:18:23,420 --> 00:18:28,250

the on the instrument so it slowly walk

393

00:18:26,000 --> 00:18:30,369

back doctor the pollen where and bent

394

00:18:28,250 --> 00:18:33,710

the plant nothing missing change

395

00:18:30,369 --> 00:18:36,500

impacting the formation and did we occur

396

00:18:33,710 --> 00:18:38,120

and the basic invented another one which

397

00:18:36,500 --> 00:18:42,049

was stubble the farm but actually clips

398

00:18:38,119 --> 00:18:44,659

as you just doubled the Avery a good

399

00:18:42,049 --> 00:18:48,289

shows Loeb and it was going on and off

400
00:18:44,660 --> 00:18:51,500
so it was like some transient energy has

401
00:18:48,289 --> 00:18:53,389
been switched on and off which is

402
00:18:51,500 --> 00:18:57,470
affecting the instrument as it also

403
00:18:53,390 --> 00:18:58,580
affects people's electrostatic misses

404
00:18:57,470 --> 00:19:02,870
lotta people have left

405
00:18:58,579 --> 00:19:05,808
Jesus so what I thought are they aliens

406
00:19:02,869 --> 00:19:10,278
monitoring the human interaction or

407
00:19:05,808 --> 00:19:12,710
responses to this thing by some unseen

408
00:19:10,278 --> 00:19:15,500
means and people suggested is like a

409
00:19:12,710 --> 00:19:18,500
invisible bubble up something

410
00:19:15,500 --> 00:19:22,369
that's 50 feet above the formation which

411
00:19:18,500 --> 00:19:24,890
spilled over to soundside so it's all a

412
00:19:22,369 --> 00:19:28,009
guess there but wondering if it's a way

413
00:19:24,890 --> 00:19:31,940
of them seeing how are we ready for an

414
00:19:28,009 --> 00:19:33,470
interacting calm contact real contact by

415
00:19:31,940 --> 00:19:36,620
the landing on the bloody right as long

416
00:19:33,470 --> 00:19:40,788
as they say so if we can't respond

417
00:19:36,619 --> 00:19:44,058
properly to crop circle effects not

418
00:19:40,788 --> 00:19:47,710
saying message message that we're not

419
00:19:44,058 --> 00:19:54,079
ready but just just an idea I mean

420
00:19:47,710 --> 00:20:02,990
through in okay here's the question

421
00:19:54,079 --> 00:20:09,339
Keith survey done wrong we are subscribe

422
00:20:02,990 --> 00:20:09,339
so the bank's son Rob okay jazz group

423
00:20:13,179 --> 00:20:25,090
yes it's very big venture here every

424
00:20:18,349 --> 00:20:27,019
little galactic like even me and Kiki

425
00:20:25,089 --> 00:20:30,349
yeah I'll look into that

426
00:20:27,019 --> 00:20:33,079
yeah sunrise now we didn't actually

427
00:20:30,349 --> 00:20:34,939
focus on jazz at all until my talk and

428

00:20:33,079 --> 00:20:36,528
you know you'd go looking obviously you

429
00:20:34,940 --> 00:20:38,630
know what are you when I start to

430
00:20:36,528 --> 00:20:46,638
research into UFO music and see what was

431
00:20:38,630 --> 00:20:50,610
out there I'm doing processing sounds

432
00:20:46,638 --> 00:20:52,919
right and the became degree

433
00:20:50,609 --> 00:20:56,189
yes yeah and I've got their own jet I

434
00:20:52,920 --> 00:21:02,490
made which they use a flat 666 so used

435
00:20:56,190 --> 00:21:04,500
to fly to different venues and that's

436
00:21:02,490 --> 00:21:06,599
not correct here because with

437
00:21:04,500 --> 00:21:09,349
interesting ligament I don't I don't

438
00:21:06,599 --> 00:21:14,250
think it's directly in a tandem wheel I

439
00:21:09,349 --> 00:21:15,299
think it's just two engines adios the

440
00:21:14,250 --> 00:21:17,308
weekend

441
00:21:15,299 --> 00:21:20,308
Sandra played the graphic Jazz Festival

442
00:21:17,308 --> 00:21:22,049

is the same weekend that is the UFO

443

00:21:20,308 --> 00:21:24,569

winces which of the halls looking about

444

00:21:22,049 --> 00:21:27,119

the Brecon Beacons that is so creepy and

445

00:21:24,569 --> 00:21:29,220

increase it's a bit odd yeah the urine

446

00:21:27,119 --> 00:21:31,259

relation cover-ups Don fiance Levin I

447

00:21:29,220 --> 00:21:33,960

want shows the past nine and very very

448

00:21:31,259 --> 00:21:36,210

dark documentary which which feeds back

449

00:21:33,960 --> 00:21:38,759

into the human human means to her don't

450

00:21:36,210 --> 00:21:40,769

stop me I do on very young for

451

00:21:38,759 --> 00:21:42,359

disturbing angle of the subject that if

452

00:21:40,769 --> 00:21:44,129

it's real and it suddenly appears to be

453

00:21:42,359 --> 00:21:46,159

it could be one of the prime reasons

454

00:21:44,130 --> 00:21:48,720

that you for the ongoing cover-up

455

00:21:46,160 --> 00:21:50,640

because I'd say there's absolutely no

456

00:21:48,720 --> 00:21:52,289

way that they would want the general

457
00:21:50,640 --> 00:21:54,630
public knowing that that was going on

458
00:21:52,289 --> 00:21:58,859
absolutely knowing it created world like

459
00:21:54,630 --> 00:22:00,510
okay I write panic really would so yeah

460
00:21:58,859 --> 00:22:03,139
look and play we haven't seen a human

461
00:22:00,509 --> 00:22:06,269
relation cover-up by him rich at all

462
00:22:03,140 --> 00:22:08,730
it's very dark stuff but suddenly what

463
00:22:06,269 --> 00:22:11,039
the watch if you look in the door angle

464
00:22:08,730 --> 00:22:43,049
of the subject and what reality doing

465
00:22:11,039 --> 00:22:45,240
that and yes even say it

466
00:22:43,049 --> 00:22:47,928
yeah I Spade see a - she didn't do the

467
00:22:45,240 --> 00:22:52,190
postmodern it was let them and

468
00:22:47,929 --> 00:22:55,650
eventually college fair the north in

469
00:22:52,190 --> 00:22:57,140
Nottingham shape and interesting but I

470
00:22:55,650 --> 00:23:01,019
need any teachers

471
00:22:57,140 --> 00:23:03,990
Swedish and I spoke to on the phone a

472
00:23:01,019 --> 00:23:08,609
couple of times and she wouldn't reveal

473
00:23:03,990 --> 00:23:12,359
anything because the RSPCA is better has

474
00:23:08,609 --> 00:23:15,329
to get permission so I tried to ask her

475
00:23:12,359 --> 00:23:17,519
more recently was what was the blood

476
00:23:15,329 --> 00:23:22,109
state was all the blood removed did he

477
00:23:17,519 --> 00:23:26,849
do blood tests and she answered

478
00:23:22,109 --> 00:23:30,419
questions unless inspector Dave managed

479
00:23:26,849 --> 00:23:34,559
his name boss Bostock inspector Bostock

480
00:23:30,420 --> 00:23:38,700
gives their okay so it sounds like the

481
00:23:34,559 --> 00:23:42,659
confidentiality with it it's just coming

482
00:23:38,700 --> 00:23:46,470
up since she was already see it's

483
00:23:42,660 --> 00:23:49,200
shortened whether something was read to

484
00:23:46,470 --> 00:23:52,559
her from government or viable stunts

485

00:23:49,200 --> 00:23:55,890
from death row she's very pleasant

486
00:23:52,559 --> 00:23:57,629
Megan English and I printed off lots of

487
00:23:55,890 --> 00:24:01,440
online and printed off a lot of my

488
00:23:57,630 --> 00:24:04,290
backgrounds were very good so we sold

489
00:24:01,440 --> 00:24:07,920
something someone has since given me his

490
00:24:04,289 --> 00:24:10,799
private mobile phone number I'll pass it

491
00:24:07,920 --> 00:24:13,230
to Rich's ambassador mean so I tried

492
00:24:10,799 --> 00:24:15,180
I've run twice planning went into answer

493
00:24:13,230 --> 00:24:17,700
phones I thought I'm not going to say

494
00:24:15,180 --> 00:24:19,259
initially Who I am and what subject is

495
00:24:17,700 --> 00:24:24,180
because it's not the end time to think

496
00:24:19,259 --> 00:24:26,099
how to respond for ring back but him

497
00:24:24,180 --> 00:24:29,610
around nine in the back thinking one

498
00:24:26,099 --> 00:24:31,409
who's this number is so uh Richard keeps

499
00:24:29,609 --> 00:24:34,349

cheating me saying everyone bossed up

500

00:24:31,410 --> 00:24:36,060

again I mean found that number so I was

501

00:24:34,349 --> 00:24:38,669

going to pretend certain things

502

00:24:36,059 --> 00:24:41,039

forgetting on the phone because he's

503

00:24:38,670 --> 00:24:43,259

bound to say okay bloody number you know

504

00:24:41,039 --> 00:24:45,920

hustled first thing and the person who

505

00:24:43,259 --> 00:24:49,740

gave it obviously works with the RSPCA

506

00:24:45,920 --> 00:24:51,930

who know was Bostock so he wouldn't give

507

00:24:49,740 --> 00:24:55,769

Richard his name for fear of getting in

508

00:24:51,930 --> 00:24:57,120

lousiest job so that's how we deep it

509

00:24:55,769 --> 00:25:00,150

get you know it

510

00:24:57,119 --> 00:25:17,009

it's very difficult to extract the

511

00:25:00,150 --> 00:25:26,400

proper information she pen words

512

00:25:17,009 --> 00:25:29,240

everywhere yes one location Oh in case

513

00:25:26,400 --> 00:25:39,480

we went down to in Gloucestershire

514
00:25:29,240 --> 00:25:43,470
nearly 35 keep catching them with

515
00:25:39,480 --> 00:25:46,230
strange injuries not always classic like

516
00:25:43,470 --> 00:25:48,390
the one that one had a a couple down

517
00:25:46,230 --> 00:25:49,140
from his skill that portorage wide like

518
00:25:48,390 --> 00:25:52,020
a slot

519
00:25:49,140 --> 00:25:55,020
I can see machine slot right down to his

520
00:25:52,019 --> 00:25:57,779
nose the poor animal was still alive he

521
00:25:55,019 --> 00:26:00,089
was breathing through this slot the

522
00:25:57,779 --> 00:26:02,970
farmer had to shoot it twice to put it

523
00:26:00,089 --> 00:26:03,500
down so I mean I've never seen that

524
00:26:02,970 --> 00:26:06,870
before

525
00:26:03,500 --> 00:26:10,529
so some had the draws shipment one to

526
00:26:06,869 --> 00:26:13,559
add the tongue cut off and that's the

527
00:26:10,529 --> 00:26:16,319
biggest number I've researched with

528

00:26:13,559 --> 00:26:26,339

ashes the mutilation case one on the

529

00:26:16,319 --> 00:26:28,799

missing piece not particularly no it was

530

00:26:26,339 --> 00:26:32,129

on my arm foster tipped me off

531

00:26:28,799 --> 00:26:33,750

we wasn't even know who super guard the

532

00:26:32,130 --> 00:26:38,070

universe was incident it had been on the

533

00:26:33,750 --> 00:26:42,779

local Bristol Southwest television and

534

00:26:38,069 --> 00:26:47,099

radio and I actually got the farmers

535

00:26:42,779 --> 00:26:49,980

London from the TV folk go around

536

00:26:47,099 --> 00:26:53,929

circles you know he gave the number on

537

00:26:49,980 --> 00:26:57,299

him so can you somebody and he had the

538

00:26:53,930 --> 00:26:59,820

total moves and he said have no idea so

539

00:26:57,299 --> 00:27:02,309

he he said right I'll ring you back

540

00:26:59,819 --> 00:27:05,069

again the number and I never expected to

541

00:27:02,309 --> 00:27:05,730

hear from him and withered about half an

542

00:27:05,069 --> 00:27:08,819
hour

543
00:27:05,730 --> 00:27:11,940
rebound death surprise saying for he

544
00:27:08,819 --> 00:27:14,250
right how did he know that that you know

545
00:27:11,940 --> 00:27:16,710
he's opened the mouth one or two of them

546
00:27:14,250 --> 00:27:18,569
and they said they're also asking about

547
00:27:16,710 --> 00:27:21,289
a drill strip and it was wrong as you're

548
00:27:18,569 --> 00:27:23,819
sure which was on that slideshow early

549
00:27:21,289 --> 00:27:27,599
so we went down to see I'm going to bury

550
00:27:23,819 --> 00:27:30,059
the moment they held up burying them and

551
00:27:27,599 --> 00:27:32,009
CID involved because of someone said the

552
00:27:30,059 --> 00:27:37,019
imagining gunshots and not to be shot

553
00:27:32,009 --> 00:27:39,839
and then we were there and CID again has

554
00:27:37,019 --> 00:27:46,069
had a chat but it got buried off then

555
00:27:39,839 --> 00:27:48,779
that events woman appeared from chest oh

556
00:27:46,069 --> 00:27:51,269

and be paid by the police

557

00:27:48,779 --> 00:27:55,049

supposedly to do some post mortem some

558

00:27:51,269 --> 00:27:56,910

radiography to see was evidence of metal

559

00:27:55,049 --> 00:28:02,480

fragments and skulls that proved the

560

00:27:56,910 --> 00:28:05,790

beam shot and she appeared in four drone

561

00:28:02,480 --> 00:28:08,069

you loaded well on the battered plumbing

562

00:28:05,789 --> 00:28:10,319

heavy things so I helped the Lord woman

563

00:28:08,069 --> 00:28:12,869

and herb garbage and she got a big knife

564

00:28:10,319 --> 00:28:13,439

and cut the heads off to just to x-ray

565

00:28:12,869 --> 00:28:16,379

their heads

566

00:28:13,440 --> 00:28:19,500

so she said when your lights and follow

567

00:28:16,380 --> 00:28:21,900

us back to the veterinary practice I'm

568

00:28:19,500 --> 00:28:24,660

doing so which rule what a Chancellor

569

00:28:21,900 --> 00:28:28,500

yes please and so we were there and

570

00:28:24,660 --> 00:28:30,269

actually but Robert had a camera he got

571
00:28:28,500 --> 00:28:32,700
shattered to one of the young girls and

572
00:28:30,269 --> 00:28:36,660
so she put the camera and she's we're

573
00:28:32,700 --> 00:28:40,259
working away with a an Australian lady

574
00:28:36,660 --> 00:28:43,920
was training and you play investment we

575
00:28:40,259 --> 00:28:46,319
didn't work and she's gone away they're

576
00:28:43,920 --> 00:28:50,100
just who we might be doing after was a

577
00:28:46,319 --> 00:28:52,649
in autopsy she said I've seen she said

578
00:28:50,099 --> 00:28:54,439
that and he unfortunately didn't record

579
00:28:52,650 --> 00:28:57,210
it inconvenient was camera running

580
00:28:54,440 --> 00:28:59,460
so that was ruptured there's no

581
00:28:57,210 --> 00:29:02,490
repercussions from anybody on that

582
00:28:59,460 --> 00:29:04,079
and in any problem the flower was most

583
00:29:02,490 --> 00:29:07,169
annoyed in the end because the police

584
00:29:04,079 --> 00:29:09,869
soon as he found there's no evidence of

585
00:29:07,169 --> 00:29:12,090
firearms be used they lost interest and

586
00:29:09,869 --> 00:29:14,009
then the vest bill would tried to get

587
00:29:12,089 --> 00:29:16,918
the farmer to pay the pastor bill to the

588
00:29:14,009 --> 00:29:26,490
Varnum and he lost 35 animals and they

589
00:29:16,919 --> 00:29:39,390
wanted in frankly the vet school of the

590
00:29:26,490 --> 00:29:40,890
person yeah it's very hard to quantify

591
00:29:39,390 --> 00:29:43,020
so if you've got a lot of different

592
00:29:40,890 --> 00:29:45,778
researchers and investigators looking

593
00:29:43,019 --> 00:29:47,668
into looking into their own sightings to

594
00:29:45,778 --> 00:29:49,109
example eyes you know I deal with a lot

595
00:29:47,669 --> 00:29:51,210
of sightings around II in a West

596
00:29:49,109 --> 00:29:53,099
Midlands building area but also some

597
00:29:51,210 --> 00:29:54,659
further afield and some of those that

598
00:29:53,099 --> 00:29:55,709
come in at historical sightings are

599

00:29:54,659 --> 00:29:57,419
straight away you'd have to put that

600
00:29:55,710 --> 00:30:00,630
into question you don't have to look at

601
00:29:57,419 --> 00:30:02,640
new ones but again because I'm primarily

602
00:30:00,630 --> 00:30:04,409
focusing on ones around Birmingham I'm

603
00:30:02,640 --> 00:30:06,630
less aware of ones that are going on

604
00:30:04,409 --> 00:30:08,429
elsewhere in the country there is no one

605
00:30:06,630 --> 00:30:09,870
organisation as far as I'm aware no than

606
00:30:08,429 --> 00:30:12,090
the future gents know any difference

607
00:30:09,869 --> 00:30:14,129
which trying to collaborate between all

608
00:30:12,089 --> 00:30:16,048
those different groups and try to do

609
00:30:14,130 --> 00:30:18,210
some sort of counter of what's going on

610
00:30:16,048 --> 00:30:20,158
with this all I can say is still very

611
00:30:18,210 --> 00:30:22,288
prevalent any claims you've heard of

612
00:30:20,159 --> 00:30:24,360
anybody David Clark over saying that

613
00:30:22,288 --> 00:30:26,609

you're followed is dead and the signs

614

00:30:24,359 --> 00:30:27,449

aren't going on anymore is not cut down

615

00:30:26,609 --> 00:30:29,490

on the ground

616

00:30:27,450 --> 00:30:32,190

people like as erdan is the research and

617

00:30:29,490 --> 00:30:33,899

we wouldn't we have nothing to do if

618

00:30:32,190 --> 00:30:41,490

there was no cases can one then really

619

00:30:33,898 --> 00:30:42,178

are yeah we want for yourself than

620

00:30:41,490 --> 00:30:43,809

ourselves

621

00:30:42,179 --> 00:30:46,070

it wouldn't be

622

00:30:43,809 --> 00:30:47,899

yeah that's another problem you see in

623

00:30:46,069 --> 00:30:49,639

trying to quantify is that yes the

624

00:30:47,900 --> 00:30:51,830

majority of sightings don't get reported

625

00:30:49,640 --> 00:30:53,509

to the media even some there even some

626

00:30:51,829 --> 00:30:55,970

of the bigger more impressive cases

627

00:30:53,509 --> 00:30:57,289

involve multiple witnesses contract

628
00:30:55,970 --> 00:31:00,230
cases that sort of thing how they ever

629
00:30:57,289 --> 00:31:01,909
appears in the papers usually the cases

630
00:31:00,230 --> 00:31:03,410
of dope here in the papers that you'll

631
00:31:01,910 --> 00:31:06,500
read about usually ones that can be

632
00:31:03,410 --> 00:31:09,590
other easily explained away as a Chinese

633
00:31:06,500 --> 00:31:12,170
lanterns or third such you know to try

634
00:31:09,589 --> 00:31:13,399
to solve installed apps or then you know

635
00:31:12,170 --> 00:31:15,110
the might talk about it like it's a

636
00:31:13,400 --> 00:31:16,759
positive slant but then and then tweet

637
00:31:15,109 --> 00:31:19,459
round and say I'll with an Arab load

638
00:31:16,759 --> 00:31:22,509
after all no worries go go about your

639
00:31:19,460 --> 00:31:22,509
day nothing to see here folks

640
00:31:23,440 --> 00:31:27,650
okay so people I go I'll know to the

641
00:31:25,940 --> 00:31:30,170
triangles which appeared eighty-three

642
00:31:27,650 --> 00:31:32,120
years it in then eighty-three year I

643
00:31:30,170 --> 00:31:35,300
mean that that is an absolutely massive

644
00:31:32,119 --> 00:31:38,119
social involved in many many triangle

645
00:31:35,299 --> 00:31:39,919
shaped craft and dozens and dozens of

646
00:31:38,119 --> 00:31:43,849
witnesses must be one of the biggest

647
00:31:39,920 --> 00:31:45,620
things in Britain surely but it was

648
00:31:43,849 --> 00:31:47,959
reported on with the local newspaper for

649
00:31:45,619 --> 00:31:49,909
one not two nights and it's never been

650
00:31:47,960 --> 00:31:51,860
spoken about sensory but that's an

651
00:31:49,910 --> 00:31:54,080
actually massive cited an army people

652
00:31:51,859 --> 00:31:56,689
claim to see you know that among the

653
00:31:54,079 --> 00:31:59,289
witnesses that amount of crafts so there

654
00:31:56,690 --> 00:32:01,220
you go any other questions John

655
00:31:59,289 --> 00:32:04,339
follow-on from the last question really

656

00:32:01,220 --> 00:32:06,799
the mo D UFO FILES the final transfer

657
00:32:04,339 --> 00:32:08,539
sort of speeds now after the election

658
00:32:06,799 --> 00:32:10,579
and all the third appeal is gone to make

659
00:32:08,539 --> 00:32:13,009
there be any interesting revelations and

660
00:32:10,579 --> 00:32:15,409
absence it's supposedly all the five

661
00:32:13,009 --> 00:32:17,660
ministerial questions and all the other

662
00:32:15,410 --> 00:32:19,910
takeover has been conveniently lost

663
00:32:17,660 --> 00:32:21,140
until now and I'll think of it I think

664
00:32:19,910 --> 00:32:22,519
they'll do some interesting cases that

665
00:32:21,140 --> 00:32:25,850
will come out from it yeah

666
00:32:22,519 --> 00:32:27,889
I don't believe there'll be any so big

667
00:32:25,849 --> 00:32:29,899
one or you could sway the general

668
00:32:27,890 --> 00:32:32,090
public's view I think some of the cases

669
00:32:29,900 --> 00:32:33,740
with a big evidence in would certainly

670
00:32:32,089 --> 00:32:36,419

be held back or there may reveal certain

671

00:32:33,740 --> 00:32:37,769

information when they say there it was

672

00:32:36,420 --> 00:32:39,870

revealing everything releasing

673

00:32:37,769 --> 00:32:42,869

everything how could you honestly 100%

674

00:32:39,869 --> 00:32:45,809

trust us as fact they can quite happily

675

00:32:42,869 --> 00:32:47,939

keep cases back and not release them and

676

00:32:45,809 --> 00:32:48,960

continue to investigate them for example

677

00:32:47,940 --> 00:32:51,299

they claim that they're no longer

678

00:32:48,960 --> 00:32:55,140

looking into the UFO subject I find that

679

00:32:51,299 --> 00:32:56,430

very very very unlikely and because if

680

00:32:55,140 --> 00:32:58,070

they've been looking into the subject

681

00:32:56,430 --> 00:32:59,670

since the forties or even before then

682

00:32:58,069 --> 00:33:03,029

why stop now

683

00:32:59,670 --> 00:33:03,870

and then know a lot more that's going on

684

00:33:03,029 --> 00:33:06,629

behind the scenes

685
00:33:03,869 --> 00:33:08,399
yeah but they they put it out that

686
00:33:06,630 --> 00:33:10,440
they've started so again so everybody

687
00:33:08,400 --> 00:33:12,750
can just think oh there's nothing in

688
00:33:10,440 --> 00:33:14,340
after all and then looking behind the

689
00:33:12,750 --> 00:33:17,160
scenes they can continue to do what they

690
00:33:14,339 --> 00:33:18,659
like and there's still big cases that

691
00:33:17,160 --> 00:33:20,400
you know they have evidence is covered

692
00:33:18,660 --> 00:33:22,259
up there are cases where people to send

693
00:33:20,400 --> 00:33:24,870
us suddenly claiming to be from the mi

694
00:33:22,259 --> 00:33:27,089
Dios es ein remember we'll turn up and

695
00:33:24,869 --> 00:33:29,279
we'll take away the key evidence radar

696
00:33:27,089 --> 00:33:31,079
recordings that sort of thing that is

697
00:33:29,279 --> 00:33:32,039
out there somewhere that's lots of ye in

698
00:33:31,079 --> 00:33:33,839
the depth of the bender going to

699
00:33:32,039 --> 00:33:35,849
wherever I put all this stuff there are

700
00:33:33,839 --> 00:33:37,349
groups of individuals right now who know

701
00:33:35,849 --> 00:33:39,149
about those who have their evidence and

702
00:33:37,349 --> 00:33:40,469
I'm pretty sure that they're not just

703
00:33:39,150 --> 00:33:42,240
putting it in a cardboard box and

704
00:33:40,470 --> 00:33:44,009
pretending that it doesn't exist is

705
00:33:42,240 --> 00:33:45,599
they'll be very very interested in

706
00:33:44,009 --> 00:33:47,640
trying to get to the bottom of what's

707
00:33:45,599 --> 00:33:50,309
going on with this and behind the scenes

708
00:33:47,640 --> 00:33:52,620
we have no clue really as to how have

709
00:33:50,309 --> 00:33:56,309
far long they've got with that and then

710
00:33:52,619 --> 00:33:59,669
a few Muller yeah I just think if we go

711
00:33:56,309 --> 00:34:02,730
anything literally crumbs from in a

712
00:33:59,670 --> 00:34:05,190
table really nothing substantial you

713

00:34:02,730 --> 00:34:08,070
know all the top evidence it secreted

714
00:34:05,190 --> 00:34:10,380
away places like I'm coming to know Leah

715
00:34:08,070 --> 00:34:12,659
right house and Air Force biopsy know

716
00:34:10,380 --> 00:34:15,119
where originally you know materials

717
00:34:12,659 --> 00:34:18,000
bodies or stored and various other

718
00:34:15,119 --> 00:34:20,460
places and there was an archivist are

719
00:34:18,000 --> 00:34:22,679
done in fear of him was watch TM Project

720
00:34:20,460 --> 00:34:25,710
Camelot when Kerry Cassidy and bill

721
00:34:22,679 --> 00:34:27,418
rounded an interview of mister X we

722
00:34:25,710 --> 00:34:30,059
strangely died like within a couple of

723
00:34:27,418 --> 00:34:32,849
years and he was at the UFO crash

724
00:34:30,059 --> 00:34:35,398
retrieval conference again in Vegas and

725
00:34:32,849 --> 00:34:38,759
he claimed but he was an archivist and

726
00:34:35,398 --> 00:34:40,949
he you know was involved with storing

727
00:34:38,760 --> 00:34:42,720

all this information he even watched a

728

00:34:40,949 --> 00:34:46,980

15 other video in youtube he just

729

00:34:42,719 --> 00:34:48,808

tightens the X and you know each

730

00:34:46,980 --> 00:34:50,579

stranger died like within a couple years

731

00:34:48,809 --> 00:34:52,829

coming forward and interview is privy to

732

00:34:50,579 --> 00:34:56,129

all these files II had to log and

733

00:34:52,829 --> 00:34:58,920

looking at materials and photos yeah

734

00:34:56,128 --> 00:35:02,818

there's lots of sensational claims out

735

00:34:58,920 --> 00:35:04,079

there but the press you know I don't

736

00:35:02,818 --> 00:35:07,079

think we're ever going to get much from

737

00:35:04,079 --> 00:35:10,680

terms of you know really Jesus stories

738

00:35:07,079 --> 00:35:13,380

and I know Richard Doty steam-driven

739

00:35:10,679 --> 00:35:16,440

ebook which I'm partially ribs or

740

00:35:13,380 --> 00:35:20,579

sanctum really extravagant things about

741

00:35:16,440 --> 00:35:24,510

you know UFOs and you know such as the

742
00:35:20,579 --> 00:35:27,539
famous Ke\$ha London UFO into them in

743
00:35:24,510 --> 00:35:29,630
nineteen eighty you know saying like

744
00:35:27,539 --> 00:35:32,599
that was a back engineered your fire and

745
00:35:29,630 --> 00:35:35,010
you know they outfitted it of a nuclear

746
00:35:32,599 --> 00:35:36,930
reactor device so there is some

747
00:35:35,010 --> 00:35:38,970
interesting stories where we believe the

748
00:35:36,929 --> 00:35:42,149
evening either disinformation lies but

749
00:35:38,969 --> 00:35:44,730
yeah going back to the main story like I

750
00:35:42,150 --> 00:35:46,889
don't think we'll be seeing anything too

751
00:35:44,730 --> 00:35:49,829
spectacular it all seems to be very much

752
00:35:46,889 --> 00:35:51,719
controlled it is information information

753
00:35:49,829 --> 00:35:53,519
release but that's not the saver there

754
00:35:51,719 --> 00:35:55,139
might be people kind of took pressure on

755
00:35:53,519 --> 00:35:57,538
to get some information out there but I

756
00:35:55,139 --> 00:36:02,038
don't think we can seem to be

757
00:35:57,539 --> 00:36:03,809
sensational it's well cases I spoke

758
00:36:02,039 --> 00:36:05,880
about today are the missing

759
00:36:03,809 --> 00:36:06,440
documentation from Judge roll band for

760
00:36:05,880 --> 00:36:08,970
that month

761
00:36:06,440 --> 00:36:11,639
that's Avengers so they've obviously had

762
00:36:08,969 --> 00:36:14,298
to write or than someone and Roger Bank

763
00:36:11,639 --> 00:36:16,618
people and team were involved realize

764
00:36:14,298 --> 00:36:18,389
documented what had happened and what

765
00:36:16,619 --> 00:36:20,430
has happened to the rock the project

766
00:36:18,389 --> 00:36:22,409
they were using it at the time how it

767
00:36:20,429 --> 00:36:24,899
have been offensive that is obviously of

768
00:36:22,409 --> 00:36:27,239
interest so that's some technical

769
00:36:24,900 --> 00:36:30,210
hard evidence for the perils of being of

770

00:36:27,239 --> 00:36:33,209
the effects of UFOs being hovering over

771
00:36:30,210 --> 00:36:36,119
their facility and the RF cases from the

772
00:36:33,210 --> 00:36:38,519
1950s including runs and tourists case

773
00:36:36,119 --> 00:36:41,278
with 57 I mean that's dynamite

774
00:36:38,519 --> 00:36:44,269
here we've got a roadie ordering pilots

775
00:36:41,278 --> 00:36:47,360
to shoot down a UFO in our a space

776
00:36:44,269 --> 00:36:49,909
that's a way to move from i from

777
00:36:47,360 --> 00:36:52,880
tip switch on to the sea before we can

778
00:36:49,909 --> 00:36:54,679
risk firing as weapons at it and their

779
00:36:52,880 --> 00:36:56,840
answer is all the nineteen-fifties

780
00:36:54,679 --> 00:37:00,139
documentation is being destroyed so

781
00:36:56,840 --> 00:37:02,360
those are nothing in the mo de to get to

782
00:37:00,139 --> 00:37:06,319
the ER I cube that's lots of the same

783
00:37:02,360 --> 00:37:08,809
and I don't believe that so the group

784
00:37:06,320 --> 00:37:12,680

captain Burgess is chatting with in

785

00:37:08,809 --> 00:37:14,420

shackles and Orleans Bloods within that

786

00:37:12,679 --> 00:37:15,679

with another one that disappeared and

787

00:37:14,420 --> 00:37:17,360

they're all interviewed all our

788

00:37:15,679 --> 00:37:20,779

interviews and reports were sent to

789

00:37:17,360 --> 00:37:24,220

London from Walter at the time and very

790

00:37:20,780 --> 00:37:28,360

forever as public incident on the media

791

00:37:24,219 --> 00:37:30,829

that's right you're against all the time

792

00:37:28,360 --> 00:37:32,599

it isn't to the advert I mean I don't

793

00:37:30,829 --> 00:37:33,949

think authorities are more concerned

794

00:37:32,599 --> 00:37:36,230

that I mean they can probably accept

795

00:37:33,949 --> 00:37:38,210

people with counting stories but it's

796

00:37:36,230 --> 00:37:41,090

when people come forward as harder

797

00:37:38,210 --> 00:37:42,949

evidence of actual you know impressive

798

00:37:41,090 --> 00:37:46,430

your flow through it all but you know

799
00:37:42,949 --> 00:37:49,039
like the alien autopsy or something by

800
00:37:46,429 --> 00:37:50,809
that way if you do and I know it's

801
00:37:49,039 --> 00:37:52,849
controversial case like Stan Roman they

802
00:37:50,809 --> 00:37:54,799
would come up with some you know a very

803
00:37:52,849 --> 00:37:56,630
controversial character but when people

804
00:37:54,800 --> 00:37:58,490
seem to have like really strong evidence

805
00:37:56,630 --> 00:38:00,289
that's when men in black seems to shower

806
00:37:58,489 --> 00:38:02,089
all these government ages and they get

807
00:38:00,289 --> 00:38:04,219
harassed and some intimidated and

808
00:38:02,090 --> 00:38:06,320
threats are made so I think they're okay

809
00:38:04,219 --> 00:38:08,029
with people telling stories of the past

810
00:38:06,320 --> 00:38:10,330
and stuff of when you start you know

811
00:38:08,030 --> 00:38:14,360
actually presenting hardcore evidence of

812
00:38:10,329 --> 00:38:17,960
radar tapes gun camera footage and you

813
00:38:14,360 --> 00:38:19,789
know actual photos of aliens if you know

814
00:38:17,960 --> 00:38:21,199
something that could be proved like that

815
00:38:19,789 --> 00:38:24,170
that's when they get very sort of

816
00:38:21,199 --> 00:38:26,809
jumping and they actually start you know

817
00:38:24,170 --> 00:38:28,760
become a target person basing on that's

818
00:38:26,809 --> 00:38:31,159
why I think happened in the end or alien

819
00:38:28,760 --> 00:38:33,730
autopsy my so he no one was speaking to

820
00:38:31,159 --> 00:38:38,649
speak to me about the other than this

821
00:38:33,730 --> 00:38:42,130
and yeah just wanted an exam point so

822
00:38:38,650 --> 00:38:43,539
I'm not from the other um the cases that

823
00:38:42,130 --> 00:38:45,099
tend to cover up yeah whether the

824
00:38:43,539 --> 00:38:47,889
military involvement might after that

825
00:38:45,099 --> 00:38:50,349
details of hundreds of UFO sightings UFO

826
00:38:47,889 --> 00:38:53,199
landings concert experiences and that's

827

00:38:50,349 --> 00:38:55,509
just put out there freely and I've had

828
00:38:53,199 --> 00:38:57,250
very very little backlash up there

829
00:38:55,510 --> 00:38:59,260
there's been a couple of small signs

830
00:38:57,250 --> 00:39:01,030
that we've been monitored but that's not

831
00:38:59,260 --> 00:39:02,650
surprising at all because if there is a

832
00:39:01,030 --> 00:39:04,870
cover-up involved they're going to be

833
00:39:02,650 --> 00:39:07,960
monitoring your folks such as the suit

834
00:39:04,869 --> 00:39:09,400
on and and just just to see how things

835
00:39:07,960 --> 00:39:11,559
are taking over see the information is

836
00:39:09,400 --> 00:39:13,240
going out there however it's a known

837
00:39:11,559 --> 00:39:14,710
fact if you look back from the cases

838
00:39:13,239 --> 00:39:16,539
where there has been trouble and people

839
00:39:14,710 --> 00:39:18,579
have been threatened it's usually got a

840
00:39:16,539 --> 00:39:20,829
military connection someone and what

841
00:39:18,579 --> 00:39:22,539

they don't like is the idea that they

842

00:39:20,829 --> 00:39:25,210

that there's information out there that

843

00:39:22,539 --> 00:39:26,860

this shows that they're covering up that

844

00:39:25,210 --> 00:39:28,750

they're there implicitly and they in a

845

00:39:26,860 --> 00:39:30,280

cover-up as if those cases well as

846

00:39:28,750 --> 00:39:32,079

military involvement does they'll

847

00:39:30,280 --> 00:39:34,840

generally try to put a lid on and clamp

848

00:39:32,079 --> 00:39:36,250

down on and depending on how how much

849

00:39:34,840 --> 00:39:39,700

they don't want that into the public

850

00:39:36,250 --> 00:39:41,880

will will determine how much force

851

00:39:39,699 --> 00:39:43,839

they're going to apply on that front and

852

00:39:41,880 --> 00:39:45,460

they usually don't do things like

853

00:39:43,840 --> 00:39:48,700

actually shoot people though they've

854

00:39:45,460 --> 00:39:50,260

said to threaten them with that but then

855

00:39:48,699 --> 00:39:52,659

if they're releasing information anyway

856
00:39:50,260 --> 00:39:54,670
then if they go in the head and shoot

857
00:39:52,659 --> 00:39:55,659
them then it works the opposite effects

858
00:39:54,670 --> 00:39:57,250
because it makes them look like a

859
00:39:55,659 --> 00:39:58,690
mushroom is another most of them must

860
00:39:57,250 --> 00:40:00,909
have been talking about something real

861
00:39:58,690 --> 00:40:03,460
and if they've been shot and that would

862
00:40:00,909 --> 00:40:04,599
work against them so if they're brave

863
00:40:03,460 --> 00:40:06,789
enough and they're released information

864
00:40:04,599 --> 00:40:09,670
anyway they can't do a thing about it so

865
00:40:06,789 --> 00:40:10,929
it's usually just threat that they're

866
00:40:09,670 --> 00:40:12,579
going to do something if some news

867
00:40:10,929 --> 00:40:14,109
doesn't shut up and we don't know about

868
00:40:12,579 --> 00:40:16,029
the Amanar cases out there that may have

869
00:40:14,110 --> 00:40:18,670
gone to the public but people have been

870
00:40:16,030 --> 00:40:20,260
just contacted bustling in the military

871
00:40:18,670 --> 00:40:22,360
and it's just been clamped down and

872
00:40:20,260 --> 00:40:24,340
we're never going to hear about that

873
00:40:22,360 --> 00:40:26,530
please better they were being worried

874
00:40:24,340 --> 00:40:28,360
about their pensions suddenly italy and

875
00:40:26,530 --> 00:40:30,220
all the witnesses in the military

876
00:40:28,360 --> 00:40:31,599
community they're too scared to come

877
00:40:30,219 --> 00:40:33,369
forward what they know because they're

878
00:40:31,599 --> 00:40:36,670
scared of ramifications for them and

879
00:40:33,369 --> 00:40:38,329
their family with a financial or or on

880
00:40:36,670 --> 00:40:40,550
their life

881
00:40:38,329 --> 00:40:46,360
fantasy but it's what we what would

882
00:40:40,550 --> 00:40:51,019
constantly fighting against so to say

883
00:40:46,360 --> 00:40:53,900
and disenchanting with Americans I'm

884

00:40:51,019 --> 00:40:55,639
talking about Americanized Brits and

885
00:40:53,900 --> 00:40:58,880
Nick Redford's one unfortunately and

886
00:40:55,639 --> 00:41:01,339
here in well when he was the chairman of

887
00:40:58,880 --> 00:41:05,180
strategy UFO group and I gave a talk

888
00:41:01,340 --> 00:41:08,450
there on crops ins on UFOs emotions and

889
00:41:05,179 --> 00:41:11,419
there's a conference in Leeds of Graham

890
00:41:08,449 --> 00:41:16,609
versus in 2001 with suffering having a

891
00:41:11,420 --> 00:41:19,340
Chinese meal with the two son brother

892
00:41:16,610 --> 00:41:24,050
China the dad and son who investigated

893
00:41:19,340 --> 00:41:27,140
ender intron for books yes and Nate

894
00:41:24,050 --> 00:41:29,000
sis's oppositely saying however it sort

895
00:41:27,139 --> 00:41:32,089
of the military Indian boots I mean I

896
00:41:29,000 --> 00:41:36,469
did a lecture dreams tingling hug people

897
00:41:32,090 --> 00:41:38,090
that live in Delhi and he came out on

898
00:41:36,469 --> 00:41:39,859

that and I think because he's very

899

00:41:38,090 --> 00:41:42,769

living in America now is my Road

900

00:41:39,860 --> 00:41:48,019

American Lance you get him along with

901

00:41:42,769 --> 00:41:51,139

other animal researchers and what say oh

902

00:41:48,019 --> 00:41:53,030

it's military operations most of it and

903

00:41:51,139 --> 00:41:55,940

the worst offender is to talk to Steven

904

00:41:53,030 --> 00:41:58,340

Greer now he doesn't want people to

905

00:41:55,940 --> 00:42:00,800

think aliens are danger them and help

906

00:41:58,340 --> 00:42:02,870

them unhappy and they're you know bad

907

00:42:00,800 --> 00:42:06,560

bad guys because he there lots of

908

00:42:02,869 --> 00:42:08,630

dollars really need citing communication

909

00:42:06,559 --> 00:42:10,369

trips in them are emails from you know

910

00:42:08,630 --> 00:42:13,670

he's doing all the time which is a good

911

00:42:10,369 --> 00:42:17,389

financial think of him and here's

912

00:42:13,670 --> 00:42:19,880

another one who's saying the the risen

913
00:42:17,389 --> 00:42:25,369
by aliens mutilating animals are worthy

914
00:42:19,880 --> 00:42:27,470

919
00:42:36,349 --> 00:42:41,829
ulterior motives so then you know sorry
