

1
00:00:03,680 --> 00:00:08,790
we're here today in Whitchurch in

2
00:00:06,569 --> 00:00:11,160
Cardiff while on the border with church

3
00:00:08,789 --> 00:00:13,529
in clan up north to talk to Keith

4
00:00:11,160 --> 00:00:16,469
Robbins who had an experience in in late

5
00:00:13,529 --> 00:00:19,649
September 1991 I mean Steve are here

6
00:00:16,469 --> 00:00:23,879
today to talk to Keith and Keith would

7
00:00:19,649 --> 00:00:27,059
you'd like to tell us what happened back

8
00:00:23,879 --> 00:00:29,788
in 1991 me and two of my friends Krystal

9
00:00:27,059 --> 00:00:32,250
French and silver Solway we were locked

10
00:00:29,789 --> 00:00:36,090
camping when even I had the nag nag my

11
00:00:32,250 --> 00:00:37,380
parents to death to follow the tents of

12
00:00:36,090 --> 00:00:40,020
my brother because in my brother's

13
00:00:37,380 --> 00:00:42,870
birthday on September 9th and it was a

14
00:00:40,020 --> 00:00:45,210
couple of weeks after after I followed

15
00:00:42,869 --> 00:00:48,979
with his tent so I have to look after

16
00:00:45,210 --> 00:00:52,590
today anyway looking for a camping spots

17
00:00:48,979 --> 00:00:55,549
to think about that our pack all about

18
00:00:52,590 --> 00:00:58,440
wait a second we usual we'll put in

19
00:00:55,549 --> 00:01:03,149
Westbourne present and mature in yeah

20
00:00:58,439 --> 00:01:05,429
yes yes land of wicked border and as we

21
00:01:03,149 --> 00:01:07,560
as we would look even just just on the

22
00:01:05,430 --> 00:01:09,090
corner par there this all happens in two

23
00:01:07,560 --> 00:01:10,680
three minutes we've only just found the

24
00:01:09,090 --> 00:01:12,900
coop just before the end look look

25
00:01:10,680 --> 00:01:16,170
looking for looking way to pitch a tent

26
00:01:12,900 --> 00:01:18,359
dinner and then basically basically but

27
00:01:16,170 --> 00:01:20,159
we're baffled so to talk where they can

28
00:01:18,359 --> 00:01:21,868
has gone because it all happened in so

29

00:01:20,159 --> 00:01:24,090
soak thing it was at that's in Cherry

30
00:01:21,868 --> 00:01:27,810
and we are our pit bull dog in the back

31
00:01:24,090 --> 00:01:30,960
and that under tanks and walking down

32
00:01:27,810 --> 00:01:34,140
the road baffles completely lost on all

33
00:01:30,959 --> 00:01:37,019
what the hell I've just gone on as I'm

34
00:01:34,140 --> 00:01:38,640
walking across there over you can see

35
00:01:37,019 --> 00:01:40,228
over there you can see the monk in top

36
00:01:38,640 --> 00:01:43,049
to the horizon and the buzz of the

37
00:01:40,228 --> 00:01:45,060
horizon you could see I thought they

38
00:01:43,049 --> 00:01:47,040
were pink flamingos flying south for the

39
00:01:45,060 --> 00:01:49,950
summer birth my two mates will have a

40
00:01:47,040 --> 00:01:51,750
narrator and my one mate said to me he

41
00:01:49,950 --> 00:01:54,299
said it keeps their fireflies and a nice

42
00:01:51,750 --> 00:01:56,909
tire so I have laughing to him but they

43
00:01:54,299 --> 00:01:59,130

were they were I was looking for the

44

00:01:56,909 --> 00:02:00,600

flapping motion on the birds like like

45

00:01:59,129 --> 00:02:03,828

pink flamingos because they were in a

46

00:02:00,599 --> 00:02:08,449

formation of a triangle they were pink

47

00:02:03,828 --> 00:02:11,060

luminous orange like in a set of a

48

00:02:08,449 --> 00:02:13,459

all gain the pool the triangle babe but

49

00:02:11,060 --> 00:02:15,590

like an inch apart and I could see him

50

00:02:13,459 --> 00:02:17,840

go there's no noise there was total

51

00:02:15,590 --> 00:02:19,969

silence it wasn't a plane it wasn't he

52

00:02:17,840 --> 00:02:21,860

got there then I can verify that was

53

00:02:19,969 --> 00:02:24,919

Sullivan Sal way and mr. Christopher

54

00:02:21,860 --> 00:02:27,319

French so far were you were these

55

00:02:24,919 --> 00:02:29,598

objects as we were walking up a further

56

00:02:27,318 --> 00:02:30,560

dong as you sh because the curves

57

00:02:29,598 --> 00:02:32,149

disappeared

58
00:02:30,560 --> 00:02:34,848
we're baffles because it all happened

59
00:02:32,150 --> 00:02:37,939
within two to three four minutes maximum

60
00:02:34,848 --> 00:02:40,339
and as we're walking down I don't think

61
00:02:37,939 --> 00:02:42,590
there was as much hedge in butch's a pan

62
00:02:40,340 --> 00:02:44,989
it's going that big tree going and the

63
00:02:42,590 --> 00:02:47,590
houses you could see all the mountain

64
00:02:44,989 --> 00:02:50,060
ridges all that the backs of the thing

65
00:02:47,590 --> 00:02:52,640
that you would see like the mountain

66
00:02:50,060 --> 00:02:54,170
lying like and they were just just about

67
00:02:52,639 --> 00:02:56,809
there looking between the houses were

68
00:02:54,169 --> 00:03:02,958
yeah if we can walk up by here you can

69
00:02:56,810 --> 00:03:05,299
see that right there but all along yeah

70
00:03:02,959 --> 00:03:09,019
and like you say it was years ago there

71
00:03:05,299 --> 00:03:10,700
might be more more bushes and burr it

72
00:03:09,019 --> 00:03:12,110
might be a feral dogs Donna before ever

73
00:03:10,699 --> 00:03:14,629
but you could see their horizon of the

74
00:03:12,110 --> 00:03:16,760
mung beans if you want if you wanna walk

75
00:03:14,629 --> 00:03:19,818
down it's up to you so you've associated

76
00:03:16,759 --> 00:03:23,120
the missing car and the dog with with

77
00:03:19,818 --> 00:03:25,099
the lights at the same time you got it

78
00:03:23,120 --> 00:03:27,789
all up and it all unfolded more or less

79
00:03:25,099 --> 00:03:30,739
the car disappeared a couple of minutes

80
00:03:27,789 --> 00:03:33,590
well we were just baffles just standing

81
00:03:30,739 --> 00:03:36,109
in the road and then what shape did you

82
00:03:33,590 --> 00:03:39,259
say the lights were they were a luminous

83
00:03:36,109 --> 00:03:42,439
orangey pink like like a fiery orangey

84
00:03:39,259 --> 00:03:45,649
luminous pink in the formation of a

85
00:03:42,439 --> 00:03:47,900
triangle yeah how many lights about 12

86

00:03:45,650 --> 00:03:50,420
to 15 of them like you said like it was

87
00:03:47,900 --> 00:03:55,159
a fleet a fleet it I thought I thought

88
00:03:50,419 --> 00:03:57,018
the aleph are a AF base in st. Athens I

89
00:03:55,159 --> 00:03:58,699
thought it could be red arrows that even

90
00:03:57,019 --> 00:04:00,769
come to my mind what time though there

91
00:03:58,699 --> 00:04:02,268
was no no he's our there was no what

92
00:04:00,769 --> 00:04:03,349
time is a was that yeah this was our

93
00:04:02,269 --> 00:04:06,289
house 1:00 in the morning

94
00:04:03,348 --> 00:04:09,589
was it any sound Solly was a ring sound

95
00:04:06,289 --> 00:04:11,539
no song whatsoever ya know obviously the

96
00:04:09,590 --> 00:04:12,079
car disappeared within a couple of

97
00:04:11,539 --> 00:04:16,098
minutes

98
00:04:12,079 --> 00:04:19,158
yeah three minutes it was mine bother

99
00:04:16,098 --> 00:04:21,560
the car driving away no I like like I

100
00:04:19,158 --> 00:04:23,719

said my mates walk to be favored on uh

101

00:04:21,560 --> 00:04:26,990

I stayed just literally on the corner by

102

00:04:23,720 --> 00:04:28,310

there and they were saying to me where's

103

00:04:26,990 --> 00:04:29,930

the cow they thought mr. thought life

104

00:04:28,310 --> 00:04:31,480

was playing a trick on them but no I

105

00:04:29,930 --> 00:04:37,400

wasn't

106

00:04:31,480 --> 00:04:41,780

yeah Christopher love the keys yeah yeah

107

00:04:37,399 --> 00:04:43,129

we end up just good job my father never

108

00:04:41,779 --> 00:04:46,699

asked me of all the times because I

109

00:04:43,129 --> 00:04:48,500

wouldn't probably I love eating never

110

00:04:46,699 --> 00:04:50,659

seen again we phoned the police the next

111

00:04:48,500 --> 00:04:54,019

morning and trace a ball and we never

112

00:04:50,660 --> 00:04:57,169

have a you had anything ever since bulbs

113

00:04:54,019 --> 00:05:02,000

the care all the dog holders the dog the

114

00:04:57,168 --> 00:05:04,039

dog was junior who's a pop ball three to

115
00:05:02,000 --> 00:05:05,329
six months maybe mm-hmm yeah it's a

116
00:05:04,040 --> 00:05:06,980
puppy I said these lights were in the

117
00:05:05,329 --> 00:05:08,899
right in the form of a triangle yeah and

118
00:05:06,980 --> 00:05:10,400
how many likes where we go puck 12 to 15

119
00:05:08,899 --> 00:05:13,189
Anderson you mentioned something about

120
00:05:10,399 --> 00:05:14,839
pool table like yeah into the formation

121
00:05:13,189 --> 00:05:17,089
of a triangle just before your about

122
00:05:14,839 --> 00:05:18,500
your smashing open an inch apart if

123
00:05:17,089 --> 00:05:23,299
that's what I meant

124
00:05:18,500 --> 00:05:28,279
like what shape was each light ah like a

125
00:05:23,300 --> 00:05:29,600
disc shape right yeah like yeah I've

126
00:05:28,279 --> 00:05:32,659
seen the drawing you did the drawing for

127
00:05:29,600 --> 00:05:34,729
the air for the man it was you said you

128
00:05:32,660 --> 00:05:39,620
sent them like with it it was a typical

129
00:05:34,728 --> 00:05:43,060
like going I don't know it was I had to

130
00:05:39,620 --> 00:05:48,769
explain they were just a local thing

131
00:05:43,060 --> 00:05:52,189
that there was a there was a basically

132
00:05:48,769 --> 00:05:54,139
he was just a fiery old but there must

133
00:05:52,189 --> 00:05:57,050
have been some solid metallic or

134
00:05:54,139 --> 00:05:59,810
something but III said he looked like

135
00:05:57,050 --> 00:06:02,629
most people's drawings when he draws the

136
00:05:59,810 --> 00:06:04,759
average disc shape with maybe like a

137
00:06:02,629 --> 00:06:08,149
little dome on top they wasn't like that

138
00:06:04,759 --> 00:06:09,649
they were like they were like as my

139
00:06:08,149 --> 00:06:12,439
finger is you can see like it's like a

140
00:06:09,649 --> 00:06:14,719
mad shape yeah like like a teardrop

141
00:06:12,439 --> 00:06:17,029
yeah the other way and they were all in

142
00:06:14,720 --> 00:06:18,260
formation like that move in one

143

00:06:17,029 --> 00:06:19,519
direction or move in one direction

144
00:06:18,259 --> 00:06:21,918
they're all staying in the same

145
00:06:19,519 --> 00:06:24,310
formation which which direction they

146
00:06:21,918 --> 00:06:24,310
went from

147
00:06:24,910 --> 00:06:30,010
when looking that way so they were going

148
00:06:26,889 --> 00:06:31,990
from west to east from where's the East

149
00:06:30,009 --> 00:06:34,389
that's what I mean that's West

150
00:06:31,990 --> 00:06:36,160
yeah wagon Lisa yeah yeah oh well I've

151
00:06:34,389 --> 00:06:38,759
got a bit mixed up there yeah because I

152
00:06:36,160 --> 00:06:42,189
was thinking like the alley with them

153
00:06:38,759 --> 00:06:44,349
pink flamingos in there if you look up

154
00:06:42,189 --> 00:06:46,180
there now and see the triangular shape

155
00:06:44,350 --> 00:06:49,260
of the Ovation how big do you think the

156
00:06:46,180 --> 00:06:51,310
formation would be in that space war

157
00:06:49,259 --> 00:06:54,370

because we've used a little bit further

158

00:06:51,310 --> 00:06:56,829

down right mate Roy McCann's we can see

159

00:06:54,370 --> 00:06:59,379

that the hilltops because we was a

160

00:06:56,829 --> 00:07:02,339

little bit further down and they were

161

00:06:59,379 --> 00:07:04,899

above should we walk sure he walked but

162

00:07:02,339 --> 00:07:06,789

he was walking down the lights come from

163

00:07:04,899 --> 00:07:10,269

Mike from Manny ad always sort of

164

00:07:06,790 --> 00:07:11,439

feeling and they were just gone but but

165

00:07:10,269 --> 00:07:14,199

like like you say you could see them

166

00:07:11,439 --> 00:07:19,029

going across there the mountaintops of

167

00:07:14,199 --> 00:07:21,129

the range none Bhalla hop up always high

168

00:07:19,029 --> 00:07:23,109

as the mountain range I wouldn't burn I

169

00:07:21,129 --> 00:07:25,569

can't be sure hundred percent

170

00:07:23,110 --> 00:07:27,759

I really can't sure but it seemed like

171

00:07:25,569 --> 00:07:30,819

they were flying the same height as the

172
00:07:27,759 --> 00:07:33,219
mountains give or take maybe a couple of

173
00:07:30,819 --> 00:07:34,689
or you know maybe hundred meters either

174
00:07:33,220 --> 00:07:37,620
way you said about fifteen or sixteen

175
00:07:34,689 --> 00:07:39,310
it's like sixteen I think I was yeah

176
00:07:37,620 --> 00:07:40,990
just a couple of weeks after you

177
00:07:39,310 --> 00:07:41,500
brothers birthday because he intends for

178
00:07:40,990 --> 00:07:45,670
his birthday

179
00:07:41,500 --> 00:07:46,899
yeah ask around yeah so you report you

180
00:07:45,670 --> 00:07:49,300
reported it to the police

181
00:07:46,899 --> 00:07:51,729
the following day yeah ba ba ba the car

182
00:07:49,300 --> 00:07:53,800
and the dog we report report there

183
00:07:51,730 --> 00:07:55,750
because because so really fishy a

184
00:07:53,800 --> 00:07:58,360
patreon the phone for their dog they

185
00:07:55,750 --> 00:08:00,939
wanted a dog back and the car and did

186
00:07:58,360 --> 00:08:02,350
you mention the the UFOs to the police

187
00:08:00,939 --> 00:08:04,839
when you told them about the car missing

188
00:08:02,350 --> 00:08:06,520
I don't think I did because they were

189
00:08:04,839 --> 00:08:07,479
the laugh that me probably made they

190
00:08:06,519 --> 00:08:08,859
were probably bent over the thought

191
00:08:07,480 --> 00:08:11,259
there was a hoax call or something I'm

192
00:08:08,860 --> 00:08:14,889
not sure I'd know because we would have

193
00:08:11,259 --> 00:08:17,969
phoned up about the car and the dog

194
00:08:14,889 --> 00:08:20,469
so we were not gonna mention we seen

195
00:08:17,970 --> 00:08:22,150
UFOs when we're trying to track act ha

196
00:08:20,470 --> 00:08:23,650
ha you said a few years later than you

197
00:08:22,149 --> 00:08:25,870
thought you look a letter to the mo d

198
00:08:23,649 --> 00:08:29,379
yeah the mystery of what made you write

199
00:08:25,870 --> 00:08:32,320
the letter it was something it stuck in

200

00:08:29,379 --> 00:08:35,950
my head is the sort of scared me because

201
00:08:32,320 --> 00:08:38,260
it seems to like icing something I

202
00:08:35,950 --> 00:08:38,740
should have seen I should have been at

203
00:08:38,259 --> 00:08:41,139
home

204
00:08:38,740 --> 00:08:43,479
and I happened to be in the wrong place

205
00:08:41,139 --> 00:08:46,028
or the right place at the right time to

206
00:08:43,479 --> 00:08:49,330
see what I see none like I I can't

207
00:08:46,028 --> 00:08:51,458
explain only once i senior and I do but

208
00:08:49,330 --> 00:08:54,310
I'm willing to our lie detector test to

209
00:08:51,458 --> 00:08:56,979
say what happened that night to exactly

210
00:08:54,309 --> 00:09:00,159
what really did happen but some people

211
00:08:56,980 --> 00:09:02,050
say a lie detector only proves if you

212
00:09:00,159 --> 00:09:04,000
believe yourself apparently I don't

213
00:09:02,049 --> 00:09:06,189
really know understand all they were an

214
00:09:04,000 --> 00:09:08,830

dampner I would be willing to have one

215

00:09:06,190 --> 00:09:11,050

because I'm now I in I got a daughter I

216

00:09:08,830 --> 00:09:13,509

swear on a life that's exactly what

217

00:09:11,049 --> 00:09:16,000

happened the night and only once it ever

218

00:09:13,509 --> 00:09:18,580

happened that I have never seen anything

219

00:09:16,000 --> 00:09:20,889

like it in my life I have people come up

220

00:09:18,580 --> 00:09:22,480

to me mock me and a laugh at me I have

221

00:09:20,889 --> 00:09:24,879

people come up to me and pull me to the

222

00:09:22,480 --> 00:09:26,830

side and tell me Keith I got I got a

223

00:09:24,879 --> 00:09:30,309

story I wouldn't tell anybody else well

224

00:09:26,830 --> 00:09:32,500

I'm gonna tell you and they don't trust

225

00:09:30,309 --> 00:09:35,109

in me because I'm not gonna laugh of all

226

00:09:32,500 --> 00:09:37,059

their experience because something

227

00:09:35,110 --> 00:09:40,659

really strange happened in my life

228

00:09:37,059 --> 00:09:43,149

whether whether it was a UFO or

229
00:09:40,659 --> 00:09:45,278
something paranormal I don't know what

230
00:09:43,149 --> 00:09:48,429
Wally was he was absolutely a phenomenon

231
00:09:45,278 --> 00:09:50,919
I I don't know why I was but the car and

232
00:09:48,429 --> 00:09:51,458
the dog just vanished off the face of

233
00:09:50,919 --> 00:09:53,740
the earth

234
00:09:51,458 --> 00:09:56,559
for the sake of a walk round a corner

235
00:09:53,740 --> 00:09:58,990
and I was really with a bit favored I

236
00:09:56,559 --> 00:10:01,319
was more more close to the cat and I

237
00:09:58,990 --> 00:10:04,419
didn't hear the crystal the keys yes

238
00:10:01,320 --> 00:10:05,350
then you're driving off I I would hear

239
00:10:04,419 --> 00:10:08,009
the door open

240
00:10:05,350 --> 00:10:09,730
the dog could possibly have backed

241
00:10:08,009 --> 00:10:11,470
anything made I know you

242
00:10:09,730 --> 00:10:12,879
ammonia three minutes away that's a good

243

00:10:11,470 --> 00:10:17,040
point nicely uh it was a it was a

244

00:10:12,879 --> 00:10:17,039
pitbull yeah in the car in the car

245

00:10:18,839 --> 00:10:27,790
there's a puppy pit bull on the thing

246

00:10:21,009 --> 00:10:29,409
well I think everybody pinched in here

247

00:10:27,789 --> 00:10:32,349
or something they're gonna be by way of

248

00:10:29,409 --> 00:10:34,088
a pit bull dog in the back anything so

249

00:10:32,350 --> 00:10:35,860
that's what I mean it really baffles me

250

00:10:34,089 --> 00:10:37,149
to this day but I don't I don't know

251

00:10:35,860 --> 00:10:38,500
what happened but although we believe

252

00:10:37,149 --> 00:10:40,179
what happened that Lloyd's

253

00:10:38,500 --> 00:10:42,320
and I'll take it to the grave with three

254

00:10:40,179 --> 00:10:44,899
years ago

255

00:10:42,320 --> 00:10:48,190
thank you for showing it yeah no problem

256

00:10:44,899 --> 00:10:48,190
it's been a pleasure anyway
