

1  
00:00:25,489 --> 00:00:27,549  
you

2  
00:00:37,359 --> 00:00:44,929  
which they know if I quite a few I say

3  
00:00:40,698 --> 00:00:48,228  
cases all actual you folks been chillin

4  
00:00:44,929 --> 00:00:51,409  
on the stage kailangan wanna say all

5  
00:00:48,228 --> 00:00:53,988  
right this is the action I thought I

6  
00:00:51,408 --> 00:00:58,058  
know things like pseudo a little bit I

7  
00:00:53,988 --> 00:00:58,058  
thought everybody's honestly except me

8  
00:00:58,268 --> 00:01:10,069  
it's called super em then they gotta

9  
00:01:04,759 --> 00:01:11,689  
come enemy to you till now but um yeah

10  
00:01:10,069 --> 00:01:13,039  
well we're here tonight and it's really

11  
00:01:11,689 --> 00:01:15,618  
nice to meet so when you like many

12  
00:01:13,039 --> 00:01:18,259  
people in one room at the same time how

13  
00:01:15,618 --> 00:01:19,849  
are you technically rumors what sort of

14  
00:01:18,259 --> 00:01:21,560  
what he knows yes it's a bit like a

15  
00:01:19,849 --> 00:01:23,839  
waiting for shuttle it yeah this is a

16  
00:01:21,560 --> 00:01:26,149  
wonderful experience but yeah we're here

17  
00:01:23,840 --> 00:01:27,530  
and you know I I'm really interested and

18  
00:01:26,149 --> 00:01:29,359  
what's been going on I've read a little

19  
00:01:27,530 --> 00:01:30,920  
bit about you guys and I know there

20  
00:01:29,359 --> 00:01:33,978  
seems to be quite a lot going on in

21  
00:01:30,920 --> 00:01:35,599  
swansea and I don't know particularly

22  
00:01:33,978 --> 00:01:36,950  
why it is in Swansea but you've

23  
00:01:35,599 --> 00:01:38,688  
obviously catalogs quite a lot of

24  
00:01:36,950 --> 00:01:41,629  
experiences and seemed quite a lot of

25  
00:01:38,688 --> 00:01:43,250  
things so when you know what normally

26  
00:01:41,629 --> 00:01:44,750  
happens on a meeting like this how often

27  
00:01:43,250 --> 00:01:46,959  
do you guys meet up and what normally

28  
00:01:44,750 --> 00:01:50,420  
goes on when when Suppan gets together

29

00:01:46,959 --> 00:01:54,170

okay well we meet up monthly on the last

30

00:01:50,420 --> 00:01:57,950

tuesday of every month the amount of we

31

00:01:54,170 --> 00:02:00,500

have come into the venue's varies quite

32

00:01:57,950 --> 00:02:03,560

a lot sometimes it's 20s and we've got

33

00:02:00,500 --> 00:02:05,420

as much as 65 70 before now all depends

34

00:02:03,560 --> 00:02:07,819

on who we got coming along and shut-in

35

00:02:05,420 --> 00:02:10,969

we have guest speakers some of them come

36

00:02:07,819 --> 00:02:13,310

quick considerable distances to to give

37

00:02:10,969 --> 00:02:15,139

a talk to us we had some big names in

38

00:02:13,310 --> 00:02:16,670

the UFO field come down to us now we've

39

00:02:15,139 --> 00:02:18,559

only been running about a year and a

40

00:02:16,669 --> 00:02:23,658

half and we really have had some good

41

00:02:18,560 --> 00:02:25,939

big names along or shop across my

42

00:02:23,658 --> 00:02:27,408

background oh I perhaps let me tell you

43

00:02:25,939 --> 00:02:31,219

a little bit how the group came to be

44

00:02:27,408 --> 00:02:34,818

formed then I had my own sighting of a

45

00:02:31,219 --> 00:02:37,560

UFO back in i think it was nineteen

46

00:02:34,818 --> 00:02:43,530

eighty-three North 1982

47

00:02:37,560 --> 00:02:46,319

and I was standing half a casual hill at

48

00:02:43,530 --> 00:02:49,650

about midnight ish The Dark Knight

49

00:02:46,318 --> 00:02:53,219

summers night I was with another person

50

00:02:49,650 --> 00:02:56,340

there we happened to look up and quite

51

00:02:53,219 --> 00:02:59,489

high up in the sky there was a silvery

52

00:02:56,340 --> 00:03:01,409

object which was stationary and clearly

53

00:02:59,489 --> 00:03:02,879

it wasn't a helicopters far too high for

54

00:03:01,409 --> 00:03:04,829

that it was what the height thought of a

55

00:03:02,879 --> 00:03:08,459

jet but it wasn't moving it was just

56

00:03:04,830 --> 00:03:09,930

stationary which is really odd so paid

57

00:03:08,459 --> 00:03:12,539

attention to it for a little bit and

58  
00:03:09,930 --> 00:03:14,969  
then eventually this thing just took off

59  
00:03:12,539 --> 00:03:17,818  
at the phenomenal rate of speed I mean

60  
00:03:14,969 --> 00:03:22,590  
faster than anything I've known before

61  
00:03:17,818 --> 00:03:25,289  
and it clearly wasn't what I'd say of

62  
00:03:22,590 --> 00:03:27,360  
this planet that's Dustin's feeling I

63  
00:03:25,289 --> 00:03:29,039  
got of it do you think did you think of

64  
00:03:27,360 --> 00:03:32,040  
anything that was a little bigger sound

65  
00:03:29,039 --> 00:03:33,629  
there was no sound whatsoever and say it

66  
00:03:32,039 --> 00:03:35,370  
definitely wasn't a jetted definitely

67  
00:03:33,629 --> 00:03:37,439  
wasn't a helicopter so what does that

68  
00:03:35,370 --> 00:03:40,489  
mean you know something station n moves

69  
00:03:37,439 --> 00:03:44,280  
off at a terrific fast rate than not

70  
00:03:40,489 --> 00:03:45,569  
well yeah we're here now finally managed

71  
00:03:44,280 --> 00:03:47,489  
to find you guys and we're here for the

72  
00:03:45,569 --> 00:03:49,019  
meeting so we we know that stuff is

73  
00:03:47,489 --> 00:03:50,730  
happening here in Swansea which is

74  
00:03:49,019 --> 00:03:53,250  
brilliant because quite often you hear

75  
00:03:50,729 --> 00:03:55,018  
that it sits in you know America or

76  
00:03:53,250 --> 00:03:56,849  
South America or parts of the world that

77  
00:03:55,019 --> 00:04:00,539  
are just impossible to access yeah those

78  
00:03:56,849 --> 00:04:04,049  
one of the reasons why we decided to

79  
00:04:00,539 --> 00:04:06,539  
concentrate on local cases because we've

80  
00:04:04,049 --> 00:04:07,719  
got the facilities to call Jeff in on

81  
00:04:06,539 --> 00:04:09,699  
the world

82  
00:04:07,719 --> 00:04:11,080  
but you don't need to go jet around the

83  
00:04:09,699 --> 00:04:13,030  
world cuz it's all happening in South

84  
00:04:11,080 --> 00:04:15,280  
Wales yeah so can you give a fever book

85  
00:04:13,030 --> 00:04:17,620  
can you give us an example of one of the

86

00:04:15,280 --> 00:04:20,560  
sort of more prominent cases that you

87  
00:04:17,620 --> 00:04:22,480  
guys have investigated or lost weight 19

88  
00:04:20,560 --> 00:04:26,139  
for Jeremy 1983 there was a very

89  
00:04:22,480 --> 00:04:30,340  
interested in perspective cycling's Red

90  
00:04:26,139 --> 00:04:32,379  
Cross for South Wales area run Swansea

91  
00:04:30,339 --> 00:04:35,019  
in particular that we we've been hearing

92  
00:04:32,379 --> 00:04:39,040  
about this probably about 25 different

93  
00:04:35,019 --> 00:04:41,740  
witnesses in different places at the

94  
00:04:39,040 --> 00:04:44,110  
same time seeing very large triangular

95  
00:04:41,740 --> 00:04:48,220  
shaped craft sometimes in twos or threes

96  
00:04:44,110 --> 00:04:49,540  
right sometimes single sometimes as big

97  
00:04:48,220 --> 00:04:52,210  
as a car something was as big as a

98  
00:04:49,540 --> 00:04:53,620  
football pitch so ago so closely enough

99  
00:04:52,209 --> 00:04:55,089  
because quite often when you see things

100  
00:04:53,620 --> 00:04:56,319

in the sky you can't really get

101

00:04:55,089 --> 00:04:58,239  
perspective and he can't really

102

00:04:56,319 --> 00:05:00,339  
understand what's or size of Weber yeah

103

00:04:58,240 --> 00:05:01,540  
you say people say these things were the

104

00:05:00,339 --> 00:05:04,000  
size of a car they were obviously coming

105

00:05:01,540 --> 00:05:07,810  
in quite close yeah the car sighs one

106

00:05:04,000 --> 00:05:10,149  
was that was just a hobby it moved very

107

00:05:07,810 --> 00:05:12,040  
slowly just over a roof of a house okay

108

00:05:10,149 --> 00:05:14,019  
I found about this she can all askme

109

00:05:12,040 --> 00:05:16,419  
didn't tell us about me we went to

110

00:05:14,019 --> 00:05:17,889  
interview the other day she wasn't in

111

00:05:16,418 --> 00:05:23,168  
the street to take to streets don't

112

00:05:17,889 --> 00:05:24,699  
agree to roads and I'll see you too I

113

00:05:23,168 --> 00:05:26,560  
was news to me that somebody has had the

114

00:05:24,699 --> 00:05:29,740  
scene when in Long up so it corroborates

115  
00:05:26,560 --> 00:05:31,329  
my story of what I saw yet an 18-inch

116  
00:05:29,740 --> 00:05:34,689  
craft triangular was not where I thought

117  
00:05:31,329 --> 00:05:36,099  
it was hovering 40 feet above the

118  
00:05:34,689 --> 00:05:38,949  
pavement so 10 feet above the house

119  
00:05:36,100 --> 00:05:42,280  
opposite me so I watched it for five

120  
00:05:38,949 --> 00:05:45,039  
minutes called family out my stepfather

121  
00:05:42,279 --> 00:05:46,869  
my sister they saw it they went back in

122  
00:05:45,040 --> 00:05:48,970  
which was the weirdest thing anyway and

123  
00:05:46,870 --> 00:05:52,660  
a lot of needs on the street but looking

124  
00:05:48,970 --> 00:05:56,320  
at it too but I waited for it to go and

125  
00:05:52,660 --> 00:05:57,310  
when it went what it just disappeared I

126  
00:05:56,319 --> 00:05:59,409  
didn't see it to speak you know I was a

127  
00:05:57,310 --> 00:06:00,639  
very strange but no one else was on the

128  
00:05:59,410 --> 00:06:03,370  
street but when you talk about this

129  
00:06:00,639 --> 00:06:05,829  
you're trying to liken it to something

130  
00:06:03,370 --> 00:06:07,870  
that you can see in the stigmas the you

131  
00:06:05,829 --> 00:06:09,639  
know it could be a cell phone you know

132  
00:06:07,870 --> 00:06:10,870  
we all try to make sense out of what

133  
00:06:09,639 --> 00:06:13,029  
we're seeing yeah and I'll see exactly

134  
00:06:10,870 --> 00:06:15,670  
where I was trying to do but there

135  
00:06:13,029 --> 00:06:18,099  
wasn't you know it will you

136  
00:06:15,670 --> 00:06:20,110  
I was 13 like I say he ought you to be

137  
00:06:18,100 --> 00:06:22,210  
him so that other kids in school seen

138  
00:06:20,110 --> 00:06:25,449  
the same thing no just myself at my

139  
00:06:22,209 --> 00:06:28,449  
house I came back to the house I sittin

140  
00:06:25,449 --> 00:06:31,599  
in the back of the house so as far as

141  
00:06:28,449 --> 00:06:33,099  
his tented get to the front door I just

142  
00:06:31,600 --> 00:06:34,689  
came up as no reason for me together I

143

00:06:33,100 --> 00:06:36,010  
just realized when I got to the back

144  
00:06:34,689 --> 00:06:38,410  
doors are quite acting out yeah but then

145  
00:06:36,009 --> 00:06:41,560  
I see what I'm seeing and realized that

146  
00:06:38,410 --> 00:06:44,080  
is amazement you know you're amazed just

147  
00:06:41,560 --> 00:06:45,550  
like we're 64,000 or question utley hmm

148  
00:06:44,079 --> 00:06:49,060  
did it make the Chuck Chuck Chuck no

149  
00:06:45,550 --> 00:06:50,470  
Chuck annoyed sigh pressurized kind of

150  
00:06:49,060 --> 00:06:51,910  
you know what you want to pop your ears

151  
00:06:50,470 --> 00:06:54,220  
like that when you go in here that

152  
00:06:51,910 --> 00:06:57,100  
feeling of like there's a heavy pressure

153  
00:06:54,220 --> 00:06:58,630  
around you Barrett but no is a very

154  
00:06:57,100 --> 00:07:00,850  
strange feeling actually good there was

155  
00:06:58,629 --> 00:07:02,769  
nothing there was no it felt like I was

156  
00:07:00,850 --> 00:07:04,750  
her partner is but it was like you could

157  
00:07:02,769 --> 00:07:06,819

hear a pin drop it was like this silence

158

00:07:04,750 --> 00:07:09,430  
there's stillness it was January it

159

00:07:06,819 --> 00:07:11,680  
should be cold didn't feel cold no sound

160

00:07:09,430 --> 00:07:14,170  
you know and again in the patient

161

00:07:11,680 --> 00:07:15,939  
nothing nothing but i was looking at

162

00:07:14,170 --> 00:07:17,350  
lights and these lights that i was i was

163

00:07:15,939 --> 00:07:19,719  
focusing on the whole time which my

164

00:07:17,350 --> 00:07:22,060  
sister many years later told me she

165

00:07:19,720 --> 00:07:24,370  
thought it was a dream what she saw but

166

00:07:22,060 --> 00:07:25,720  
she saw like 20 minute discomfort now i

167

00:07:24,370 --> 00:07:27,399  
don't even remember as the conference I

168

00:07:25,720 --> 00:07:28,990  
just remember it being very black you

169

00:07:27,399 --> 00:07:31,329  
couldn't see the stars so therefore

170

00:07:28,990 --> 00:07:33,310  
there was an under i'm looking at the

171

00:07:31,329 --> 00:07:36,009  
central part of it which is protruding

172  
00:07:33,310 --> 00:07:39,339  
down there's lights pulsing very pastor

173  
00:07:36,009 --> 00:07:41,019  
lee lovely kind of pulsating he said

174  
00:07:39,339 --> 00:07:43,389  
well when you spoke to that man you put

175  
00:07:41,019 --> 00:07:46,339  
your hand on this half was it natural

176  
00:07:43,389 --> 00:07:49,129  
they don't walk he said all right okay

177  
00:07:46,339 --> 00:07:52,389  
and I start to tell him about the day

178  
00:07:49,129 --> 00:07:56,829  
and I thought this is rather strange and

179  
00:07:52,389 --> 00:08:00,199  
he said to me I don't need these glasses

180  
00:07:56,829 --> 00:08:02,959  
and it's a way out of way to run them he

181  
00:08:00,199 --> 00:08:05,409  
said they don't look like this yeah

182  
00:08:02,959 --> 00:08:08,089  
great I said what what are you join you

183  
00:08:05,410 --> 00:08:11,780  
and he said I come to experience the

184  
00:08:08,089 --> 00:08:13,789  
evolution I said okay and why do you

185  
00:08:11,779 --> 00:08:17,899  
cure I said could you help other people

186  
00:08:13,790 --> 00:08:21,140  
and he said yes okay but it was a couple

187  
00:08:17,899 --> 00:08:25,849  
of weeks before this what I was having

188  
00:08:21,139 --> 00:08:29,569  
talks telepathically I went on to

189  
00:08:25,850 --> 00:08:31,910  
and it was a big massive auditorium with

190  
00:08:29,569 --> 00:08:33,740  
all different troop like different

191  
00:08:31,910 --> 00:08:36,379  
troops from all different with different

192  
00:08:33,740 --> 00:08:39,229  
planets and they'd all come together for

193  
00:08:36,379 --> 00:08:42,620  
a meeting and there was a big table in

194  
00:08:39,229 --> 00:08:44,360  
the middle with a high council and then

195  
00:08:42,620 --> 00:08:46,009  
we had to meet in a boat events that

196  
00:08:44,360 --> 00:08:48,710  
were happening on the planet and they

197  
00:08:46,009 --> 00:08:51,200  
were talking about the changes that were

198  
00:08:48,710 --> 00:08:52,879  
going to happen with the people I

199  
00:08:51,200 --> 00:08:56,030  
thought to be honest it was just

200

00:08:52,879 --> 00:08:58,490  
imagining that no one when I'm having

201  
00:08:56,029 --> 00:09:00,649  
this telepathically and visually they'd

202  
00:08:58,490 --> 00:09:03,200  
been a lot of very strange things that

203  
00:09:00,649 --> 00:09:06,199  
were happening and I thought it was just

204  
00:09:03,200 --> 00:09:08,420  
my imagination that a very got a very

205  
00:09:06,200 --> 00:09:10,220  
good imagination but you feel and as

206  
00:09:08,419 --> 00:09:13,789  
you're talking near actually feeling I'm

207  
00:09:10,220 --> 00:09:15,230  
the conversation with them also nuclear

208  
00:09:13,789 --> 00:09:18,199  
power stations have both sort of been

209  
00:09:15,230 --> 00:09:20,600  
reported as you know certain magnets I

210  
00:09:18,200 --> 00:09:22,610  
suppose we have this semester energy or

211  
00:09:20,600 --> 00:09:24,710  
the obvious leaving only fueling if

212  
00:09:22,610 --> 00:09:26,850  
that's you know what you think it is and

213  
00:09:24,710 --> 00:09:29,459  
swapping stories and

214  
00:09:26,850 --> 00:09:30,899

an evidence of photographs is there any

215

00:09:29,458 --> 00:09:33,899

other way you gather information for

216

00:09:30,899 --> 00:09:36,419

Suppan group well one one thing we do

217

00:09:33,899 --> 00:09:37,889

just to help how people familiarize

218

00:09:36,419 --> 00:09:40,250

themselves with the night sky reorganize

219

00:09:37,889 --> 00:09:42,990

sky watchers well we go out in a

220

00:09:40,250 --> 00:09:47,458

location somewhere nice and with a good

221

00:09:42,990 --> 00:09:51,120

view the flatty yeah and good

222

00:09:47,458 --> 00:09:52,679

conversations Samuel overcoats ya can't

223

00:09:51,120 --> 00:09:54,899

get cold here and we just look at the

224

00:09:52,679 --> 00:09:57,719

sky and it's like fun watch because some

225

00:09:54,899 --> 00:10:01,379

satellites and meteors is that I played

226

00:09:57,720 --> 00:10:02,970

10 valeo says we've done the girl we go

227

00:10:01,379 --> 00:10:06,328

vivir ducks by the sometimes at the

228

00:10:02,970 --> 00:10:08,970

swansea valley will Brecon Beacons it's

229  
00:10:06,328 --> 00:10:11,099  
quite good fun and as I say up since

230  
00:10:08,970 --> 00:10:13,259  
familiarize ourselves with what's what's

231  
00:10:11,100 --> 00:10:15,509  
visible in the sky sook and we know what

232  
00:10:13,259 --> 00:10:16,919  
that some people don't know what sap

233  
00:10:15,509 --> 00:10:18,209  
lake would look like you're well the

234  
00:10:16,919 --> 00:10:19,588  
International Space Station I was going

235  
00:10:18,208 --> 00:10:21,359  
to ask because we were we were on

236  
00:10:19,589 --> 00:10:24,060  
holiday with a family the other week and

237  
00:10:21,360 --> 00:10:26,430  
got a finale which is nearly 8 mb m i

238  
00:10:24,059 --> 00:10:28,439  
suppose and what we lay out from the

239  
00:10:26,429 --> 00:10:31,888  
look of the Lord like of the perseid

240  
00:10:28,440 --> 00:10:33,569  
meteor shower we sell myself just look

241  
00:10:31,889 --> 00:10:35,188  
at watching the Stars star appeared and

242  
00:10:33,568 --> 00:10:37,559  
one of my one and so the Islamic black

243  
00:10:35,188 --> 00:10:40,500  
and a start anyway and we counted only

244  
00:10:37,559 --> 00:10:42,028  
15 different satellites into different

245  
00:10:40,500 --> 00:10:45,480  
survey yeah sure it's very busy at them

246  
00:10:42,028 --> 00:10:47,519  
so do you think to an untrained eye to

247  
00:10:45,480 --> 00:10:50,129  
it a person we didn't didn't understand

248  
00:10:47,519 --> 00:10:52,318  
that you could see I wouldn't fall over

249  
00:10:50,129 --> 00:10:53,818  
the car they're so light pollution and

250  
00:10:52,318 --> 00:10:55,479  
you can see the International Space

251  
00:10:53,818 --> 00:10:57,578  
Station occasional

252  
00:10:55,480 --> 00:10:59,800  
you can't see the other side ways but in

253  
00:10:57,578 --> 00:11:02,309  
west wales of a very apparent so if if

254  
00:10:59,799 --> 00:11:05,859  
you were to dark sky area of swansea

255  
00:11:02,309 --> 00:11:08,828  
could some you four Cylons be somewhere

256  
00:11:05,860 --> 00:11:12,850  
today i am well depends we can what we

257

00:11:08,828 --> 00:11:14,169  
call a UFO sighted a UFO sighting to

258  
00:11:12,850 --> 00:11:15,430  
somebody who doesn't understand what's

259  
00:11:14,169 --> 00:11:17,439  
after that you would look like would be

260  
00:11:15,429 --> 00:11:20,169  
a UFO sighting yeah gets to their miss

261  
00:11:17,440 --> 00:11:22,389  
unidentified so is it is that like watch

262  
00:11:20,169 --> 00:11:24,819  
a salir safa is a pinpoint of light

263  
00:11:22,389 --> 00:11:26,829  
we're fittin to start travels across the

264  
00:11:24,820 --> 00:11:29,829  
sparing a straight line if it suddenly

265  
00:11:26,828 --> 00:11:32,739  
stops goes backwards or buffers or iron

266  
00:11:29,828 --> 00:11:34,208  
door or erratically and then go straight

267  
00:11:32,740 --> 00:11:36,220  
upwards you know it's obviously not in

268  
00:11:34,208 --> 00:11:38,489  
the satellite so as they might watch

269  
00:11:36,220 --> 00:11:38,490  
them

270  
00:11:50,578 --> 00:11:52,638  
you
