

1  
00:00:00,000 --> 00:00:03,810  
they call pete els which are

2  
00:00:01,318 --> 00:00:05,969  
programmable life-forms possibly to be

3  
00:00:03,810 --> 00:00:08,279  
used as part of the military abduction

4  
00:00:05,969 --> 00:00:10,529  
program this is really dark nefarious

5  
00:00:08,279 --> 00:00:12,349  
activity that's going on again this is

6  
00:00:10,529 --> 00:00:15,119  
just you know just in West Berkshire

7  
00:00:12,349 --> 00:00:16,048  
you've heard of Dulce in the States no

8  
00:00:15,119 --> 00:00:19,108  
doubt the deep underground military

9  
00:00:16,048 --> 00:00:21,539  
bases a lot of dark stuff going on so to

10  
00:00:19,109 --> 00:00:24,750  
me to see this sort of you know holy

11  
00:00:21,539 --> 00:00:27,420  
stuff but in these sort of locations as

12  
00:00:24,750 --> 00:00:28,740  
well so you know this is a big subject

13  
00:00:27,420 --> 00:00:32,340  
what we're dealing with it's very

14  
00:00:28,739 --> 00:00:34,859  
multifaceted and very complex okay so

15  
00:00:32,340 --> 00:00:36,239  
what I do we stop there and if we if you

16  
00:00:34,859 --> 00:00:37,589  
want have about a 20-minute break that's

17  
00:00:36,238 --> 00:00:41,449  
all right and then come back and I'll do

18  
00:00:37,590 --> 00:00:41,450  
the final bit afterwards right thank you

19  
00:00:45,378 --> 00:00:53,729  
very trying to find out more about that

20  
00:00:50,659 --> 00:00:58,378  
radio station from so I did you say

21  
00:00:53,729 --> 00:01:00,808  
Karen characters ascii characters I just

22  
00:00:58,378 --> 00:01:04,879  
saw her hand so I thought I'd be back do

23  
00:01:00,808 --> 00:01:12,899  
you enjoy a Chomper yeah brilliant yeah

24  
00:01:04,879 --> 00:01:18,090  
simo yeah you think oh I thought it's

25  
00:01:12,900 --> 00:01:22,259  
really interesting hear ya hear ya no no

26  
00:01:18,090 --> 00:01:25,820  
no it's a second one I think second call

27  
00:01:22,259 --> 00:01:25,819  
convinces so far

28  
00:01:40,900 --> 00:01:57,380  
is that you all right yeah okay hello

29

00:01:50,180 --> 00:01:59,360  
everybody welcome back so this beautiful

30  
00:01:57,379 --> 00:02:04,159  
formation here this appeared at a place

31  
00:01:59,359 --> 00:02:05,840  
called Martin cell hill in 2009 another

32  
00:02:04,159 --> 00:02:07,579  
one of Steve Alexander's amazing

33  
00:02:05,840 --> 00:02:08,780  
pictures I love this one with that sort

34  
00:02:07,579 --> 00:02:11,629  
of the clouds in the background really

35  
00:02:08,780 --> 00:02:13,159  
beautiful formation another one that

36  
00:02:11,629 --> 00:02:16,069  
sort of precise to the millimeter

37  
00:02:13,159 --> 00:02:17,599  
basically when you look at it but what's

38  
00:02:16,069 --> 00:02:20,780  
amazing is I actually call this one the

39  
00:02:17,599 --> 00:02:22,939  
wheat from the chaff because it's as you

40  
00:02:20,780 --> 00:02:25,909  
can see the formation itself is only in

41  
00:02:22,939 --> 00:02:28,609  
the wheat field next to it is a field

42  
00:02:25,909 --> 00:02:30,229  
with grass in it and yet none of the

43  
00:02:28,610 --> 00:02:33,920

images in that only within the week

44

00:02:30,229 --> 00:02:35,780

field but what is amazing is there was

45

00:02:33,919 --> 00:02:39,829

actually a photograph that was taken of

46

00:02:35,780 --> 00:02:43,099

this image from above and at the very

47

00:02:39,830 --> 00:02:45,769

place in the grass field where you would

48

00:02:43,099 --> 00:02:49,159

have the if it continued you'd have the

49

00:02:45,769 --> 00:02:51,349

circle there of that sixth arm coming

50

00:02:49,159 --> 00:02:53,000

out there were some cows in the field

51

00:02:51,349 --> 00:02:55,489

and they were actually standing in a

52

00:02:53,000 --> 00:02:57,439

perfect circle in the very place where

53

00:02:55,489 --> 00:02:59,900

that circle should have been if it had

54

00:02:57,439 --> 00:03:00,919

been there so again it's sort of adds

55

00:02:59,900 --> 00:03:02,780

weight to the fact that there's more

56

00:03:00,919 --> 00:03:05,089

going on to this than just you know just

57

00:03:02,780 --> 00:03:07,939

in the ground as it were it's as though

58  
00:03:05,090 --> 00:03:10,219  
they were able to subtly detect the sort

59  
00:03:07,939 --> 00:03:12,530  
of the energy or you know like the

60  
00:03:10,219 --> 00:03:14,829  
etheric blueprint of that formation as

61  
00:03:12,530 --> 00:03:16,969  
if it continued really incredible and

62  
00:03:14,829 --> 00:03:19,370  
this is one of the things I've seen it's

63  
00:03:16,969 --> 00:03:22,549  
as though they over the years as though

64  
00:03:19,370 --> 00:03:25,280  
the crop itself or the creative force

65  
00:03:22,549 --> 00:03:28,099  
can be cropped specific you can actually

66  
00:03:25,280 --> 00:03:30,650  
specify the type of crop only that is to

67  
00:03:28,099 --> 00:03:32,389  
lie and nothing else other than that

68  
00:03:30,650 --> 00:03:34,969  
particular crop which is sort of taken

69  
00:03:32,389 --> 00:03:36,979  
at whole new levels this is a photograph

70  
00:03:34,969 --> 00:03:40,009  
that I took in a formation which I

71  
00:03:36,979 --> 00:03:42,108  
believe is a genuine formation in 2003

72  
00:03:40,009 --> 00:03:42,829  
this was and this sort of highlights

73  
00:03:42,109 --> 00:03:44,570  
that fat

74  
00:03:42,830 --> 00:03:46,610  
though all of the week with in the

75  
00:03:44,569 --> 00:03:48,469  
formation was laid but there was

76  
00:03:46,610 --> 00:03:51,050  
actually a stand of weeds in the

77  
00:03:48,469 --> 00:03:53,840  
formation and they didn't actually lay

78  
00:03:51,050 --> 00:03:56,570  
down only the wheat itself now I've seen

79  
00:03:53,840 --> 00:03:58,759  
this other researchers have seen it like

80  
00:03:56,569 --> 00:04:01,729  
this with either weeds sometimes with

81  
00:03:58,759 --> 00:04:04,340  
small flowers or poppies that you will

82  
00:04:01,729 --> 00:04:06,259  
often get around wheat fields the

83  
00:04:04,340 --> 00:04:10,400  
poppies themselves remain standing but

84  
00:04:06,259 --> 00:04:12,709  
the wheat itself is laid it pretty

85  
00:04:10,400 --> 00:04:14,000  
amazing and you know again the general

86

00:04:12,710 --> 00:04:17,060  
feeling is that the technology is

87  
00:04:14,000 --> 00:04:19,189  
actually able to specify only what type

88  
00:04:17,060 --> 00:04:21,980  
of crop is to lie even sometimes we're

89  
00:04:19,189 --> 00:04:23,180  
so like the year before there was if it

90  
00:04:21,980 --> 00:04:25,160  
sweet the year before might have been

91  
00:04:23,180 --> 00:04:27,470  
barley in that field if there are some

92  
00:04:25,160 --> 00:04:29,270  
stalks of barley they can even remain

93  
00:04:27,470 --> 00:04:31,190  
standing as well so you know this is

94  
00:04:29,269 --> 00:04:32,659  
taken off the scale you know when you

95  
00:04:31,189 --> 00:04:36,079  
see those orbs of energy that are

96  
00:04:32,660 --> 00:04:37,670  
possibly part of it and and also UFOs

97  
00:04:36,079 --> 00:04:40,430  
have been seen as part of the creative

98  
00:04:37,670 --> 00:04:41,930  
process as well but you know to take it

99  
00:04:40,430 --> 00:04:43,730  
to that level where you can sort of

100  
00:04:41,930 --> 00:04:47,540

specify the type of crop is pretty

101

00:04:43,730 --> 00:04:48,890

incredible now I'm you know over the

102

00:04:47,540 --> 00:04:52,129

years again we've seen incredibly

103

00:04:48,889 --> 00:04:53,449

complex geometry and mathematics but one

104

00:04:52,129 --> 00:04:55,339

thing about the crop formations as it

105

00:04:53,449 --> 00:04:57,589

developed there were some mathematicians

106

00:04:55,339 --> 00:04:59,239

that were looking into this and they

107

00:04:57,589 --> 00:05:01,250

were blown away when they've seen

108

00:04:59,240 --> 00:05:02,600

certain things in mathematics or

109

00:05:01,250 --> 00:05:04,730

geometry that they're never seen before

110

00:05:02,600 --> 00:05:07,490

like seven fold geometry things like

111

00:05:04,730 --> 00:05:09,680

that and this is another one it's as you

112

00:05:07,490 --> 00:05:13,668

look at this it looks like a fairly

113

00:05:09,680 --> 00:05:15,949

simple formation but actually it spells

114

00:05:13,668 --> 00:05:21,620

out perfectly spells out the numbers of

115  
00:05:15,949 --> 00:05:22,699  
pi disappeared round about some just a

116  
00:05:21,620 --> 00:05:24,500  
low bar because you know with that

117  
00:05:22,699 --> 00:05:26,060  
triangular formation from 91 that I

118  
00:05:24,500 --> 00:05:27,439  
showed earlier it's appeared roughly in

119  
00:05:26,060 --> 00:05:30,290  
the same place in the field below that

120  
00:05:27,439 --> 00:05:32,060  
formation so as I'll just show you this

121  
00:05:30,290 --> 00:05:34,310  
it's incredible how this actually how

122  
00:05:32,060 --> 00:05:37,069  
this works if you look at the three

123  
00:05:34,310 --> 00:05:38,660  
circles here they actually and from one

124  
00:05:37,069 --> 00:05:40,099  
edge of the circle to the other edge of

125  
00:05:38,660 --> 00:05:43,460  
the circles the way it comes into the

126  
00:05:40,100 --> 00:05:46,040  
center creates a witch and that is a

127  
00:05:43,459 --> 00:05:48,349  
tenth of the whole circumference so

128  
00:05:46,040 --> 00:05:50,750  
you've got 10 of those basically based

129  
00:05:48,350 --> 00:05:54,289  
on those circles so if you go into the

130  
00:05:50,750 --> 00:05:55,279  
middle here at the center and then go up

131  
00:05:54,288 --> 00:05:58,629  
one

132  
00:05:55,279 --> 00:06:06,979  
it creates basically the numbers of pi

133  
00:05:58,629 --> 00:06:26,918  
so it goes three-point up one up for up

134  
00:06:06,980 --> 00:06:30,830  
one up five up nine up to six up 50 for

135  
00:06:26,918 --> 00:06:32,060  
recurring dot dot are never in there and

136  
00:06:30,829 --> 00:06:33,589  
yeah hey just looks so simple as you

137  
00:06:32,060 --> 00:06:36,980  
look at it and yet how would you do that

138  
00:06:33,589 --> 00:06:39,109  
how could you create that amazing and

139  
00:06:36,980 --> 00:06:41,270  
then this one as well beautiful this

140  
00:06:39,110 --> 00:06:44,569  
formation appeared near a place called

141  
00:06:41,269 --> 00:06:47,990  
Golden Ball hill again near on Barnes in

142  
00:06:44,569 --> 00:06:51,050  
Wiltshire and beautiful and known as the

143

00:06:47,990 --> 00:06:55,129  
owl of formation for obvious reasons but

144  
00:06:51,050 --> 00:06:58,340  
of course you know with the the

145  
00:06:55,129 --> 00:07:00,500  
abduction process the owl is something

146  
00:06:58,339 --> 00:07:02,418  
that's seen regularly many abductees say

147  
00:07:00,500 --> 00:07:04,009  
they often see owls and they believe

148  
00:07:02,418 --> 00:07:07,189  
they are actually like it's like a mass

149  
00:07:04,009 --> 00:07:09,769  
memory of a gray and that they try to

150  
00:07:07,189 --> 00:07:10,850  
cover up the the abduction interaction

151  
00:07:09,769 --> 00:07:12,319  
as though they had this interaction with

152  
00:07:10,850 --> 00:07:14,360  
an hour but it's because it's basically

153  
00:07:12,319 --> 00:07:16,610  
it's a it's a face that stares at you

154  
00:07:14,360 --> 00:07:18,919  
with these really intense black eyes but

155  
00:07:16,610 --> 00:07:20,509  
really particularly with a hypnotic

156  
00:07:18,918 --> 00:07:22,219  
regression you suddenly find actually no

157  
00:07:20,509 --> 00:07:24,250

it isn't that now it's actually the face

158

00:07:22,220 --> 00:07:26,780

of a gray looking at you're really close

159

00:07:24,250 --> 00:07:28,370

but also the Watchers the ancient

160

00:07:26,779 --> 00:07:29,839

watches in the past were often depicted

161

00:07:28,370 --> 00:07:32,629

as ours as well as they sort of watched

162

00:07:29,839 --> 00:07:34,668

and observed intelligent beings but it's

163

00:07:32,629 --> 00:07:36,500

incredible taking it to a whole new

164

00:07:34,668 --> 00:07:39,680

levels if you look all the way around

165

00:07:36,500 --> 00:07:42,490

there are 90 feathers all the way around

166

00:07:39,680 --> 00:07:44,509

there in crop so this isn't just crushed

167

00:07:42,490 --> 00:07:46,490

broken with ropes and planks of wood

168

00:07:44,509 --> 00:07:48,259

this is really light and fluffy you know

169

00:07:46,490 --> 00:07:50,360

I mean this is off the ground but each

170

00:07:48,259 --> 00:07:52,189

one as you can see is like a perfect

171

00:07:50,360 --> 00:07:56,000

feather 90 of them around that's so

172  
00:07:52,189 --> 00:07:58,209  
complex and then another one here

173  
00:07:56,000 --> 00:08:01,639  
beautiful formation disappeared in july

174  
00:07:58,209 --> 00:08:05,449  
2009 just down the road from that's the

175  
00:08:01,639 --> 00:08:07,550  
silvery hill that large sort of burial

176  
00:08:05,449 --> 00:08:08,240  
or spiritual mound so the largest burial

177  
00:08:07,550 --> 00:08:09,680  
mound in your

178  
00:08:08,240 --> 00:08:11,960  
up that and it's just down the road from

179  
00:08:09,680 --> 00:08:14,449  
the a three stone circle up here and

180  
00:08:11,959 --> 00:08:16,098  
that way down there is Stonehenge so

181  
00:08:14,449 --> 00:08:17,360  
again this is a real Mecca area where a

182  
00:08:16,098 --> 00:08:19,478  
lot of these formations have appeared

183  
00:08:17,360 --> 00:08:21,979  
but this was amazing disappearing in 09

184  
00:08:19,478 --> 00:08:25,728  
it was based on the feathered headdress

185  
00:08:21,978 --> 00:08:26,959  
within the mayim culture and you know so

186  
00:08:25,728 --> 00:08:29,120  
not only you've got the formation itself

187  
00:08:26,959 --> 00:08:30,620  
that's a car and a caravan over there

188  
00:08:29,120 --> 00:08:33,500  
this is somebody walking within the

189  
00:08:30,620 --> 00:08:35,599  
formation but you can see again the crop

190  
00:08:33,500 --> 00:08:37,370  
is laid around the top edge it's not

191  
00:08:35,599 --> 00:08:39,169  
just flattened it has that sort of

192  
00:08:37,370 --> 00:08:42,229  
three-dimensional block form pattern

193  
00:08:39,168 --> 00:08:46,569  
which is also within the main culture

194  
00:08:42,229 --> 00:08:46,570  
that's sort of baton and shape as well

195  
00:08:46,720 --> 00:08:52,820  
now these are all hopes these these for

196  
00:08:50,028 --> 00:08:56,600  
here and these were taken in the season

197  
00:08:52,820 --> 00:08:58,910  
of 2012 so for me I mean I studied this

198  
00:08:56,600 --> 00:09:01,820  
i started in 1995 looking into the

199  
00:08:58,909 --> 00:09:03,860  
formations in depth was part of the

200

00:09:01,820 --> 00:09:06,350  
ultra crop circle study group that began

201  
00:09:03,860 --> 00:09:07,820  
that year and we were the group that

202  
00:09:06,350 --> 00:09:10,129  
were taking a lot of the samples and

203  
00:09:07,820 --> 00:09:13,940  
sending them to the for research in the

204  
00:09:10,129 --> 00:09:15,980  
states and you know over that year it

205  
00:09:13,940 --> 00:09:18,050  
was an incredible journey but but the

206  
00:09:15,980 --> 00:09:19,579  
hoaxing basically originally had dug and

207  
00:09:18,049 --> 00:09:21,708  
dave which is possibly a bit of a laugh

208  
00:09:19,578 --> 00:09:24,049  
but as it went on the hope soon became

209  
00:09:21,708 --> 00:09:26,419  
more and more nefarious and quite dark

210  
00:09:24,049 --> 00:09:28,549  
to be honest and the groups that were

211  
00:09:26,419 --> 00:09:30,620  
doing it were more professional they

212  
00:09:28,549 --> 00:09:32,509  
were paid a lot of money to do this you

213  
00:09:30,620 --> 00:09:34,100  
know genuine researchers are out there

214  
00:09:32,509 --> 00:09:35,319

earning no money as you all know with

215

00:09:34,100 --> 00:09:38,870

these subjects you never earn money

216

00:09:35,320 --> 00:09:40,520

these guys hoaxing to try and you know

217

00:09:38,870 --> 00:09:42,639

stop people understanding the truth

218

00:09:40,519 --> 00:09:45,169

that's going on it paid a lot of money

219

00:09:42,639 --> 00:09:47,389

some farmers are paid up to 10,000

220

00:09:45,169 --> 00:09:49,759

pounds to allow hoaxes to go in to

221

00:09:47,389 --> 00:09:52,778

create formations which were then filmed

222

00:09:49,759 --> 00:09:56,059

and then obviously shown in the media so

223

00:09:52,778 --> 00:09:58,189

it started to get darker and darker even

224

00:09:56,059 --> 00:10:00,199

genuine formations were often sullied or

225

00:09:58,190 --> 00:10:01,850

they would leave like ropes or planks of

226

00:10:00,200 --> 00:10:03,680

wood in there so that people would say

227

00:10:01,850 --> 00:10:05,769

oh it must be hoaxed you know but it

228

00:10:03,679 --> 00:10:09,078

wasn't or the other way around you know

229  
00:10:05,769 --> 00:10:11,838  
hoax formations farmers were also be

230  
00:10:09,078 --> 00:10:13,219  
encouraged and that was getting more and

231  
00:10:11,839 --> 00:10:14,660  
more regular particular in the

232  
00:10:13,220 --> 00:10:16,970  
wheelchair area there at the farmers be

233  
00:10:14,659 --> 00:10:19,039  
encouraged to go in quickly and cut out

234  
00:10:16,970 --> 00:10:20,220  
the formations as soon as they saw them

235  
00:10:19,039 --> 00:10:22,509  
appear on their land

236  
00:10:20,220 --> 00:10:23,860  
so even if it was genuine formation you

237  
00:10:22,509 --> 00:10:25,929  
didn't have any time to get in there to

238  
00:10:23,860 --> 00:10:27,250  
actually see them so and this was

239  
00:10:25,929 --> 00:10:30,219  
getting worse and work as it went

240  
00:10:27,250 --> 00:10:32,950  
through to sort of 2010 and beyond to me

241  
00:10:30,220 --> 00:10:36,009  
after 2010 really is when I think that

242  
00:10:32,950 --> 00:10:38,379  
most of the formations moved into hoax

243  
00:10:36,009 --> 00:10:40,448  
formations and very few genuine

244  
00:10:38,379 --> 00:10:43,389  
formations were appearing certainly

245  
00:10:40,448 --> 00:10:46,179  
through 2012 and beyond that it was as

246  
00:10:43,389 --> 00:10:48,159  
though the genuine creators of the

247  
00:10:46,179 --> 00:10:49,539  
formations that cared about the human

248  
00:10:48,159 --> 00:10:51,639  
race and want to encourage people

249  
00:10:49,539 --> 00:10:53,139  
onwards they realize is for getting so

250  
00:10:51,639 --> 00:10:56,680  
dark now that they weren't going to play

251  
00:10:53,139 --> 00:10:58,000  
the part or it had been 25 years odd you

252  
00:10:56,679 --> 00:11:01,809  
know perhaps that's enough time to look

253  
00:10:58,000 --> 00:11:04,240  
into that stuff anyway but however there

254  
00:11:01,809 --> 00:11:06,458  
were a couple of amazing formations that

255  
00:11:04,240 --> 00:11:08,079  
appeared in 2012 that I'll just show you

256  
00:11:06,458 --> 00:11:09,789  
now that you know when you see them

257

00:11:08,078 --> 00:11:12,578  
again you'll just it blows your way here

258  
00:11:09,789 --> 00:11:15,370  
incredible they are one of them is this

259  
00:11:12,578 --> 00:11:18,370  
one disappeared a near a place called

260  
00:11:15,370 --> 00:11:22,060  
Chiss foot head which is near winchester

261  
00:11:18,370 --> 00:11:24,519  
in hampshire a beautiful formation it's

262  
00:11:22,059 --> 00:11:25,958  
sort of like fractal in a sense that you

263  
00:11:24,519 --> 00:11:29,320  
have a sort of a smaller version of a

264  
00:11:25,958 --> 00:11:32,139  
larger self or the other way round where

265  
00:11:29,320 --> 00:11:34,300  
you have like here say like one square

266  
00:11:32,139 --> 00:11:36,278  
which is part of that larger square

267  
00:11:34,299 --> 00:11:39,729  
there which is part of the largest where

268  
00:11:36,278 --> 00:11:41,230  
they're like the fractal that it's gets

269  
00:11:39,730 --> 00:11:44,159  
smaller and smaller the same version of

270  
00:11:41,230 --> 00:11:47,800  
itself or the other way around but also

271  
00:11:44,159 --> 00:11:50,919

actually this is based on the the

272

00:11:47,799 --> 00:11:53,769  
endless not within Buddhism and it

273

00:11:50,919 --> 00:11:55,389  
actually relates to the infinite wisdom

274

00:11:53,769 --> 00:11:58,179  
of the Buddha which is pretty

275

00:11:55,389 --> 00:11:59,500  
mind-boggling and again it's like those

276

00:11:58,179 --> 00:12:02,349  
other things that you that I mentioned

277

00:11:59,500 --> 00:12:05,379  
earlier on like this that all things are

278

00:12:02,350 --> 00:12:06,550  
connected as this is this it you can

279

00:12:05,379 --> 00:12:08,528  
follow the line it will go through the

280

00:12:06,549 --> 00:12:10,479  
whole thing basically all things are

281

00:12:08,528 --> 00:12:13,299  
connected from from the microcosm to the

282

00:12:10,480 --> 00:12:14,980  
macrocosm as the consciousness of Buddha

283

00:12:13,299 --> 00:12:19,479  
and of course God beyond it's pretty

284

00:12:14,980 --> 00:12:21,220  
profound start at the end here and then

285

00:12:19,480 --> 00:12:23,620  
this one the next one are when this

286  
00:12:21,220 --> 00:12:26,230  
appeared as a mind-boggling this this is

287  
00:12:23,620 --> 00:12:27,549  
like a three-dimensional queue but again

288  
00:12:26,230 --> 00:12:30,028  
the further back you go you'll look at

289  
00:12:27,549 --> 00:12:32,049  
that and just go this is incredible it's

290  
00:12:30,028 --> 00:12:32,909  
imagine trying to create this with ropes

291  
00:12:32,049 --> 00:12:35,819  
and planks of wood

292  
00:12:32,909 --> 00:12:37,409  
it's like a 3d cube that stands out from

293  
00:12:35,820 --> 00:12:38,910  
the field if you look at these

294  
00:12:37,409 --> 00:12:40,829  
particularly on the bottom here look

295  
00:12:38,909 --> 00:12:43,379  
it's as though they're actually going

296  
00:12:40,830 --> 00:12:48,270  
within the cube itself like the classic

297  
00:12:43,379 --> 00:12:50,309  
sort of bore Cuban in Star Trek amazing

298  
00:12:48,269 --> 00:12:52,620  
that in itself you've also got the crop

299  
00:12:50,309 --> 00:12:55,709  
around it on the inside is all woven

300  
00:12:52,620 --> 00:12:57,990  
like cloth and there's this tiny fine

301  
00:12:55,710 --> 00:13:01,110  
line here as though this is actually

302  
00:12:57,990 --> 00:13:03,389  
entering into that out again the feeling

303  
00:13:01,110 --> 00:13:07,139  
was what this was trying to do was to

304  
00:13:03,389 --> 00:13:09,480  
say beware of nanotechnology is as

305  
00:13:07,139 --> 00:13:12,449  
though these particles of nanotechnology

306  
00:13:09,480 --> 00:13:14,399  
are can enter the cells white cells of

307  
00:13:12,450 --> 00:13:16,410  
humans and of animals and that's exactly

308  
00:13:14,399 --> 00:13:18,600  
what's happening there now just in

309  
00:13:16,409 --> 00:13:20,669  
mainstream they're using silver

310  
00:13:18,600 --> 00:13:22,649  
nanoparticles even within clothing this

311  
00:13:20,669 --> 00:13:25,679  
is getting washed out flying to streams

312  
00:13:22,649 --> 00:13:27,539  
into rivers into the oceans you know see

313  
00:13:25,679 --> 00:13:30,000  
live fish are taken in these particles

314

00:13:27,539 --> 00:13:32,189  
in it's like a major major warning you

315  
00:13:30,000 --> 00:13:33,809  
know don't go down that path as you are

316  
00:13:32,190 --> 00:13:36,000  
with genetic engineering as well you

317  
00:13:33,809 --> 00:13:37,729  
know and so this is like I say this sort

318  
00:13:36,000 --> 00:13:39,750  
of step this up to this high level

319  
00:13:37,730 --> 00:13:42,090  
another one here look just to give you

320  
00:13:39,750 --> 00:13:45,090  
an idea of that like as it's showing

321  
00:13:42,090 --> 00:13:46,769  
entering into a cell but this is that

322  
00:13:45,090 --> 00:13:48,660  
line there that fine line actually went

323  
00:13:46,769 --> 00:13:50,789  
into that and it was less than the width

324  
00:13:48,659 --> 00:13:52,529  
of your hip so again how would you even

325  
00:13:50,789 --> 00:13:54,959  
do that trying to walk around with ropes

326  
00:13:52,529 --> 00:13:57,449  
and planks of wood it show highlights

327  
00:13:54,960 --> 00:13:59,490  
here like that it is cloth it's talking

328  
00:13:57,450 --> 00:14:03,150

about but you can see within the

329

00:13:59,490 --> 00:14:05,279

landscape how beautiful this is so this

330

00:14:03,149 --> 00:14:07,139

is 2012 for me like I just said you know

331

00:14:05,279 --> 00:14:09,149

to me this the crop formation started a

332

00:14:07,139 --> 00:14:10,529

tail off the genuine ones from that

333

00:14:09,149 --> 00:14:13,379

point but it had been a long period of

334

00:14:10,529 --> 00:14:15,299

time and I felt very honored and blessed

335

00:14:13,379 --> 00:14:18,210

to be a part of this process to be

336

00:14:15,299 --> 00:14:20,279

honest we it was an amazing journey and

337

00:14:18,210 --> 00:14:22,860

I think the point of the crop formations

338

00:14:20,279 --> 00:14:24,179

was they were there to help people

339

00:14:22,860 --> 00:14:26,519

around the world wake up to the fact

340

00:14:24,179 --> 00:14:29,069

that something big was going on but also

341

00:14:26,519 --> 00:14:30,750

to give people the courage to carry on

342

00:14:29,070 --> 00:14:33,930

with that journey that research which we

343  
00:14:30,750 --> 00:14:35,970  
all know can be difficult but at the

344  
00:14:33,929 --> 00:14:37,739  
same time what it did you know it opened

345  
00:14:35,970 --> 00:14:40,440  
up the minds of people to other things

346  
00:14:37,740 --> 00:14:42,570  
other realities not only crop formations

347  
00:14:40,440 --> 00:14:43,649  
but of course spiritual reality you foes

348  
00:14:42,570 --> 00:14:45,119  
any teasing

349  
00:14:43,649 --> 00:14:47,730  
that people came together from all over

350  
00:14:45,119 --> 00:14:50,040  
the world or were inspired by this but

351  
00:14:47,730 --> 00:14:52,050  
it was like a foundation for what i

352  
00:14:50,039 --> 00:14:56,099  
think is leading up now is towards the

353  
00:14:52,049 --> 00:14:57,899  
disclosure situation that we now very

354  
00:14:56,100 --> 00:14:59,999  
close to the point of disclosure is

355  
00:14:57,899 --> 00:15:01,828  
going to happen and of course many

356  
00:14:59,999 --> 00:15:05,428  
people have spoken out about this over

357  
00:15:01,828 --> 00:15:06,778  
the years about the UFO reality from

358  
00:15:05,428 --> 00:15:08,549  
very high levels of military and

359  
00:15:06,778 --> 00:15:09,869  
government as well so you know you had

360  
00:15:08,549 --> 00:15:12,389  
this journey of the crop formations

361  
00:15:09,869 --> 00:15:13,860  
you've got many other people within sort

362  
00:15:12,389 --> 00:15:16,019  
of mainstream even in the military as

363  
00:15:13,860 --> 00:15:18,539  
well this is one guy got a lot of

364  
00:15:16,019 --> 00:15:21,209  
respect for this is Air Chief Marshal

365  
00:15:18,539 --> 00:15:23,278  
Lord Hugh doubting sure some of you

366  
00:15:21,208 --> 00:15:24,748  
familiar with him he was a pivotal

367  
00:15:23,278 --> 00:15:25,860  
figure that helped Britain win the

368  
00:15:24,749 --> 00:15:29,730  
battle of Britain in the Second World

369  
00:15:25,860 --> 00:15:32,159  
War he was the commander in chief of the

370  
00:15:29,730 --> 00:15:33,688  
RAF fighter command he was also part of

371

00:15:32,159 --> 00:15:36,350  
the arias research and development

372  
00:15:33,688 --> 00:15:39,240  
department so he was very familiar with

373  
00:15:36,350 --> 00:15:40,230  
cutting-edge technology at that time he

374  
00:15:39,240 --> 00:15:42,419  
helped with the development of the

375  
00:15:40,230 --> 00:15:44,039  
Spitfire in the hurricane but also with

376  
00:15:42,419 --> 00:15:46,860  
the radar system which was developed

377  
00:15:44,039 --> 00:15:49,289  
sort of from 35 through into the Second

378  
00:15:46,860 --> 00:15:50,938  
World War and it was that the radar

379  
00:15:49,289 --> 00:15:52,799  
system they were using you know as part

380  
00:15:50,938 --> 00:15:54,808  
of the theater of war but they started

381  
00:15:52,799 --> 00:15:57,028  
to track objects that were traveling at

382  
00:15:54,808 --> 00:16:00,958  
speeds way beyond the capabilities of

383  
00:15:57,028 --> 00:16:03,058  
aircraft within that time frame now

384  
00:16:00,958 --> 00:16:05,998  
because of this he heard about thousands

385  
00:16:03,058 --> 00:16:07,678

of cases of you folks being tracked by

386

00:16:05,999 --> 00:16:10,379

radar he ended up speaking out about

387

00:16:07,678 --> 00:16:13,769

this and even in the 1950s and he

388

00:16:10,379 --> 00:16:17,159

actually said he said I believe them

389

00:16:13,769 --> 00:16:18,899

UFOs to be extraterrestrial they are so

390

00:16:17,159 --> 00:16:20,789

much in advance of what any nation could

391

00:16:18,899 --> 00:16:23,100

have a present and I'll say this is the

392

00:16:20,789 --> 00:16:25,649

50s when he said that and he'd been made

393

00:16:23,100 --> 00:16:27,689

aware of many thousands of cases but

394

00:16:25,649 --> 00:16:30,328

some objects traveling up to or even

395

00:16:27,688 --> 00:16:31,740

beyond 9,000 miles an hour so you know

396

00:16:30,328 --> 00:16:36,239

hit they knew is way beyond their

397

00:16:31,740 --> 00:16:38,850

technology at that time now also on the

398

00:16:36,240 --> 00:16:40,558

sixteenth of July 1999 there was a

399

00:16:38,850 --> 00:16:43,259

report published in France called the

400  
00:16:40,558 --> 00:16:45,688  
cometa report and cameta stands for the

401  
00:16:43,259 --> 00:16:48,509  
committee of in-depth studies that

402  
00:16:45,688 --> 00:16:52,110  
report was subtitled UFOs and defense

403  
00:16:48,509 --> 00:16:55,980  
what must we prepare for now that report

404  
00:16:52,110 --> 00:16:57,240  
was basically after a two-year study by

405  
00:16:55,980 --> 00:16:59,129  
some of france's lead

406  
00:16:57,240 --> 00:17:02,519  
military and government personnel

407  
00:16:59,129 --> 00:17:05,369  
including people like like Dennis Letty

408  
00:17:02,519 --> 00:17:07,529  
he was the Chief of Air Force liaison

409  
00:17:05,369 --> 00:17:11,068  
between NATO and France there was an

410  
00:17:07,529 --> 00:17:13,439  
admiral Martin malo general animal sir

411  
00:17:11,068 --> 00:17:16,139  
and here the French Air Force general

412  
00:17:13,439 --> 00:17:18,540  
Bernard Elaine as you can see hot top

413  
00:17:16,140 --> 00:17:22,020  
people doing a two year study on the UFO

414  
00:17:18,539 --> 00:17:23,670  
reality but mainly using military pilots

415  
00:17:22,019 --> 00:17:26,068  
or commercial airline pilots because

416  
00:17:23,670 --> 00:17:27,959  
they wanted good eyewitness testimony at

417  
00:17:26,068 --> 00:17:30,450  
the end of that two years they came to

418  
00:17:27,959 --> 00:17:32,100  
the conclusion that some intelligently

419  
00:17:30,450 --> 00:17:35,850  
controlled crafts are of an

420  
00:17:32,099 --> 00:17:37,259  
extraterrestrial origin and they they

421  
00:17:35,849 --> 00:17:38,490  
then looked at what would happen if the

422  
00:17:37,259 --> 00:17:40,769  
governments of the world owned up to

423  
00:17:38,490 --> 00:17:42,660  
this a classic disclosure how it would

424  
00:17:40,769 --> 00:17:45,299  
affect the political situation the

425  
00:17:42,660 --> 00:17:48,210  
economic situation or the theological

426  
00:17:45,299 --> 00:17:49,799  
situation as well now copy of that

427  
00:17:48,210 --> 00:17:52,350  
report before it was openly published

428

00:17:49,799 --> 00:17:54,210  
was sent to Lionel Jospin who's the

429  
00:17:52,349 --> 00:17:56,339  
Prime Minister of France and to Jacques

430  
00:17:54,210 --> 00:17:57,779  
Chirac the president of France so you

431  
00:17:56,339 --> 00:17:59,609  
can see these people at high levels are

432  
00:17:57,779 --> 00:18:00,869  
aware of this reality they're just not

433  
00:17:59,609 --> 00:18:04,709  
necessarily talking about in the open

434  
00:18:00,869 --> 00:18:06,599  
media as we know now there have been

435  
00:18:04,710 --> 00:18:08,179  
many other disclosures and you guys here

436  
00:18:06,599 --> 00:18:10,230  
I'm sure are fully aware of this

437  
00:18:08,179 --> 00:18:11,610  
incredible disclosures that have

438  
00:18:10,230 --> 00:18:13,769  
happened at the national press club in

439  
00:18:11,609 --> 00:18:15,539  
Washington DC this is just down the road

440  
00:18:13,769 --> 00:18:16,799  
from the White House this is where many

441  
00:18:15,539 --> 00:18:21,808  
of the president's give their addresses

442  
00:18:16,799 --> 00:18:24,419

and some amazing sort of information

443

00:18:21,808 --> 00:18:27,899

that's come out there the the first one

444

00:18:24,420 --> 00:18:30,090

on the 9th of May 2001 set up by dr.

445

00:18:27,900 --> 00:18:32,370

Steven Greer the disclosure project and

446

00:18:30,089 --> 00:18:34,199

over 20 people from high levels of

447

00:18:32,369 --> 00:18:35,759

military and government spoke out in

448

00:18:34,200 --> 00:18:37,920

front of the world's media that were

449

00:18:35,759 --> 00:18:41,250

there at that time about their their own

450

00:18:37,920 --> 00:18:43,320

personal experiences of UFOs their

451

00:18:41,250 --> 00:18:44,640

awareness of extraterrestrials and even

452

00:18:43,319 --> 00:18:46,710

their awareness of some technology

453

00:18:44,640 --> 00:18:49,050

that's been back engineered from UFO

454

00:18:46,710 --> 00:18:50,670

technology and seeded into mainstream

455

00:18:49,049 --> 00:18:53,339

industry through government contracting

456

00:18:50,670 --> 00:18:57,330

programs things like silicon chip fiber

457  
00:18:53,339 --> 00:18:59,490  
optics night-vision Kevlar lasers plasma

458  
00:18:57,329 --> 00:19:02,970  
beam weaponry etc supposedly from back

459  
00:18:59,490 --> 00:19:05,279  
engineered UFOs that's John Callahan one

460  
00:19:02,970 --> 00:19:07,829  
of the heads of the FAA Federal Aviation

461  
00:19:05,279 --> 00:19:08,549  
Authority speaking out about an amazing

462  
00:19:07,829 --> 00:19:12,599  
new photo

463  
00:19:08,549 --> 00:19:15,029  
then in on the TOFA November 2007

464  
00:19:12,599 --> 00:19:17,490  
another amazing one here these guys

465  
00:19:15,029 --> 00:19:19,079  
speaking at the national press club I

466  
00:19:17,490 --> 00:19:20,789  
wish I had time to tell you about all of

467  
00:19:19,079 --> 00:19:25,049  
them but I will just tell you about him

468  
00:19:20,789 --> 00:19:26,609  
to a 3-1 there that's captain ray Bowyer

469  
00:19:25,049 --> 00:19:29,299  
he was the commercial airline pilot

470  
00:19:26,609 --> 00:19:31,619  
flying with oriini Airways from

471  
00:19:29,299 --> 00:19:33,509  
Southampton to old Ernie as he was

472  
00:19:31,619 --> 00:19:37,049  
heading towards Guernsey this was in

473  
00:19:33,509 --> 00:19:40,740  
April 2007 they were two massive about

474  
00:19:37,049 --> 00:19:43,200  
one mile across disc-shaped objects near

475  
00:19:40,740 --> 00:19:45,930  
Guernsey hovering he saw them his

476  
00:19:43,200 --> 00:19:48,809  
passengers saw them the crew of a blue

477  
00:19:45,930 --> 00:19:50,910  
airlines at blue island's Airways saw

478  
00:19:48,809 --> 00:19:53,970  
them and also Jersey air traffic control

479  
00:19:50,910 --> 00:19:58,050  
registered them on their radar amazing

480  
00:19:53,970 --> 00:20:00,329  
you've also got here a peruvian pilot

481  
00:19:58,049 --> 00:20:03,779  
that actually fired 30-millimeter cannon

482  
00:20:00,329 --> 00:20:05,519  
on a UFO that was below him and the

483  
00:20:03,779 --> 00:20:08,910  
bullets themselves they didn't ricochet

484  
00:20:05,519 --> 00:20:10,049  
off they didn't cause this damage or

485

00:20:08,910 --> 00:20:12,360  
destruction they just literally

486  
00:20:10,049 --> 00:20:14,099  
disappeared as they he saw the the

487  
00:20:12,359 --> 00:20:16,289  
bullets hitting the desert then they

488  
00:20:14,099 --> 00:20:17,579  
went across the UFO and just disappeared

489  
00:20:16,289 --> 00:20:20,119  
and then he saw them hitting again the

490  
00:20:17,579 --> 00:20:22,589  
desert beyond it so he knew he had hit

491  
00:20:20,119 --> 00:20:25,189  
theoretically hit the UFO but they just

492  
00:20:22,589 --> 00:20:29,309  
disappeared amazing there's also here

493  
00:20:25,190 --> 00:20:32,279  
general Parviz Jafari he's a from the

494  
00:20:29,309 --> 00:20:35,129  
Iranian Air Force where he was scrambled

495  
00:20:32,279 --> 00:20:37,319  
to a UFO had lock on with Exocet

496  
00:20:35,130 --> 00:20:39,150  
missiles to foreign a UFO and that all

497  
00:20:37,319 --> 00:20:42,240  
of his weapon systems cut out on the on

498  
00:20:39,150 --> 00:20:45,450  
the military jet you know just simple as

499  
00:20:42,240 --> 00:20:47,970

that completely shut out and then the

500

00:20:45,450 --> 00:20:52,140

last one I mentioned here the former

501

00:20:47,970 --> 00:20:54,360

governor of arizona fife symington who

502

00:20:52,140 --> 00:20:55,920

along with probably about ten thousand

503

00:20:54,359 --> 00:21:00,029

other witnesses that have spoken out

504

00:20:55,920 --> 00:21:02,670

witnessed in march of 1997 that massive

505

00:21:00,029 --> 00:21:04,799

one mile across triangular or boomerang

506

00:21:02,670 --> 00:21:06,660

shaped object that flew over phoenix

507

00:21:04,799 --> 00:21:08,579

what's called the Phoenix lights this

508

00:21:06,660 --> 00:21:10,470

massive object flying silently slowly

509

00:21:08,579 --> 00:21:13,169

over the city thousands of people

510

00:21:10,470 --> 00:21:14,759

watching it seeing the Stars blot out as

511

00:21:13,170 --> 00:21:18,240

it passed over this wasn't military

512

00:21:14,759 --> 00:21:19,950

flares he initially because he was still

513

00:21:18,240 --> 00:21:22,140

working as the governor here to debunk

514  
00:21:19,950 --> 00:21:23,700  
it but later on once he was

515  
00:21:22,140 --> 00:21:25,020  
tired he was another one of the

516  
00:21:23,700 --> 00:21:28,440  
witnesses who spoke out that that was a

517  
00:21:25,019 --> 00:21:30,359  
real event so this this one alone if

518  
00:21:28,440 --> 00:21:32,430  
this was shown on the news at nine or

519  
00:21:30,359 --> 00:21:34,139  
ten without the usual debunking that

520  
00:21:32,430 --> 00:21:36,509  
goes with his subject the world would

521  
00:21:34,140 --> 00:21:39,240  
change overnight just that one event and

522  
00:21:36,509 --> 00:21:44,009  
yet there's so many others another one

523  
00:21:39,240 --> 00:21:46,109  
here is 27 September 2010 at the

524  
00:21:44,009 --> 00:21:49,200  
national press club US air force

525  
00:21:46,109 --> 00:21:50,549  
officers acknowledging the American

526  
00:21:49,200 --> 00:21:53,730  
nuclear missiles have been compromised

527  
00:21:50,549 --> 00:21:55,730  
by UFOs testimony given today the

528  
00:21:53,730 --> 00:21:58,799  
national press club in washington d.c

529  
00:21:55,730 --> 00:22:01,289  
indicates numerous missile installations

530  
00:21:58,799 --> 00:22:03,899  
have been shut down by unknown objects

531  
00:22:01,289 --> 00:22:07,109  
under intelligent control and then this

532  
00:22:03,900 --> 00:22:09,240  
one here more recently end of April

533  
00:22:07,109 --> 00:22:12,809  
early May 2013 what are called the

534  
00:22:09,240 --> 00:22:15,000  
citizen hearings again the here they

535  
00:22:12,809 --> 00:22:16,950  
were pushing for congressional hearings

536  
00:22:15,000 --> 00:22:18,029  
open congressional hearing so the people

537  
00:22:16,950 --> 00:22:20,519  
of the world can know that this stuff

538  
00:22:18,029 --> 00:22:23,670  
exists this one here they were actually

539  
00:22:20,519 --> 00:22:26,849  
about forty researchers and witnesses

540  
00:22:23,670 --> 00:22:28,740  
speaking in front of former congressman

541  
00:22:26,849 --> 00:22:31,109  
and a senator at the National Press Club

542

00:22:28,740 --> 00:22:33,750  
about their experiences this particular

543  
00:22:31,109 --> 00:22:36,689  
photo the guy that's speaking at the

544  
00:22:33,750 --> 00:22:39,839  
time is Captain Robert Salas and he was

545  
00:22:36,690 --> 00:22:43,289  
the launch control officer of a nuclear

546  
00:22:39,839 --> 00:22:46,199  
missile base Malstrom which we're again

547  
00:22:43,289 --> 00:22:48,119  
a UFO that was hovering was able to

548  
00:22:46,200 --> 00:22:49,799  
switch off all of the nuclear missiles

549  
00:22:48,119 --> 00:22:51,269  
and he said that's impossible you

550  
00:22:49,799 --> 00:22:52,769  
shouldn't be able to do that because

551  
00:22:51,269 --> 00:22:55,200  
they've got backup systems they're not

552  
00:22:52,769 --> 00:22:56,490  
you can't do it but it did as it

553  
00:22:55,200 --> 00:22:58,740  
happened to many others not only in the

554  
00:22:56,490 --> 00:23:02,880  
States but Russia as well so you know

555  
00:22:58,740 --> 00:23:05,400  
some big stuff going on now this is an

556  
00:23:02,880 --> 00:23:08,510

illustration of the the triangular UFO

557

00:23:05,400 --> 00:23:12,540

that landed in the forest at Rendlesham

558

00:23:08,509 --> 00:23:14,849

26 27 28 December 1980 you know the

559

00:23:12,539 --> 00:23:18,899

Rendlesham forest case of course this

560

00:23:14,849 --> 00:23:20,069

UFO that landed a triangular UFO some of

561

00:23:18,900 --> 00:23:22,740

the military personnel that actually

562

00:23:20,069 --> 00:23:26,399

touched it so they recognized that it

563

00:23:22,740 --> 00:23:28,419

felt like metal or glass it had symbols

564

00:23:26,400 --> 00:23:31,179

on the side of it here that were drawn

565

00:23:28,419 --> 00:23:33,519

on this this object so it was like a

566

00:23:31,179 --> 00:23:35,499

metal UFO but there was other stuff with

567

00:23:33,519 --> 00:23:37,710

the range from forest case involving

568

00:23:35,499 --> 00:23:41,259

orbit of light that was flying about

569

00:23:37,710 --> 00:23:42,788

there was a UFO again that shone a beam

570

00:23:41,259 --> 00:23:44,980

of light a pencil thin beam of light

571  
00:23:42,788 --> 00:23:47,138  
down into the nuclear weapons storage

572  
00:23:44,980 --> 00:23:49,058  
area and most people didn't even know

573  
00:23:47,138 --> 00:23:51,308  
that Bentwaters RF Bentwaters head

574  
00:23:49,058 --> 00:23:52,628  
nuclear weapons on at that stage it was

575  
00:23:51,308 --> 00:23:57,730  
mainly they were thinking about greenham

576  
00:23:52,628 --> 00:23:59,829  
common and and also a UFO shot a beam of

577  
00:23:57,730 --> 00:24:01,480  
light down in front of the feet of the

578  
00:23:59,829 --> 00:24:03,339  
deputy base commander Lieutenant Colonel

579  
00:24:01,480 --> 00:24:04,839  
Charles hole so again you could say

580  
00:24:03,339 --> 00:24:12,759  
that's a classic communication that was

581  
00:24:04,839 --> 00:24:13,388  
going on there so there's a huge amount

582  
00:24:12,759 --> 00:24:15,579  
of things that have been happening

583  
00:24:13,388 --> 00:24:17,618  
around the world as a safe for me the

584  
00:24:15,579 --> 00:24:22,089  
crop formations were part they were a

585  
00:24:17,618 --> 00:24:24,428  
very big piece of a larger jig saw a UFO

586  
00:24:22,089 --> 00:24:25,988  
stuff as well that we are heading

587  
00:24:24,429 --> 00:24:27,940  
towards that time when disclosure is

588  
00:24:25,989 --> 00:24:29,230  
going to happen I think possibly the

589  
00:24:27,940 --> 00:24:31,149  
government's aren't going to own up to

590  
00:24:29,230 --> 00:24:34,149  
it but something may occur where it has

591  
00:24:31,148 --> 00:24:35,888  
to has to come out it's going to be

592  
00:24:34,148 --> 00:24:37,748  
dodgy because if the media are still in

593  
00:24:35,888 --> 00:24:39,519  
control of giving information as you can

594  
00:24:37,749 --> 00:24:42,460  
imagine it's going to be pretty skewed

595  
00:24:39,519 --> 00:24:44,440  
towards the negative when it happens

596  
00:24:42,460 --> 00:24:46,269  
there's going to be massive debate

597  
00:24:44,440 --> 00:24:48,460  
around the world discussions on the

598  
00:24:46,269 --> 00:24:50,349  
reality of ETS of which there are many

599

00:24:48,460 --> 00:24:52,119  
and of the fact they've been here for a

600  
00:24:50,349 --> 00:24:54,308  
long period of time through history so

601  
00:24:52,118 --> 00:24:57,069  
this is also clearly going to be a major

602  
00:24:54,308 --> 00:24:59,378  
discussion within religion as well it's

603  
00:24:57,069 --> 00:25:00,999  
believed that certainly the Vatican has

604  
00:24:59,378 --> 00:25:02,858  
the Vatican Commission that's been

605  
00:25:00,999 --> 00:25:05,558  
looking into the UFO reality over many

606  
00:25:02,858 --> 00:25:07,749  
years and that you know they are fully

607  
00:25:05,558 --> 00:25:09,099  
aware of it probably preparing for the

608  
00:25:07,749 --> 00:25:12,339  
day that they have to sort of step up

609  
00:25:09,099 --> 00:25:14,439  
and speak about this or talk about it

610  
00:25:12,339 --> 00:25:18,278  
once it happens so it's going to get

611  
00:25:14,440 --> 00:25:20,379  
pretty cool you know pretty crazy once

612  
00:25:18,278 --> 00:25:22,599  
the the UFO reality is acknowledged

613  
00:25:20,378 --> 00:25:24,308

around the world but like I say I think

614

00:25:22,599 --> 00:25:27,519

the more that people can understand the

615

00:25:24,308 --> 00:25:29,408

truth of the various areas the easier

616

00:25:27,519 --> 00:25:31,558

it'll be for people when these sort of

617

00:25:29,409 --> 00:25:33,639

changes come up because they will I

618

00:25:31,558 --> 00:25:34,928

think it's important to know as much as

619

00:25:33,638 --> 00:25:38,199

you can about the various things that

620

00:25:34,929 --> 00:25:40,620

are going on around the world okay so

621

00:25:38,200 --> 00:25:42,240

this is the last slide

622

00:25:40,619 --> 00:25:44,879

II again going back to the crop

623

00:25:42,240 --> 00:25:47,549

formation world it's it was more than

624

00:25:44,880 --> 00:25:49,770

just images more than just geometry and

625

00:25:47,549 --> 00:25:51,990

mathematics there was a lot more going

626

00:25:49,769 --> 00:25:53,308

on the balls of light that I that I

627

00:25:51,990 --> 00:25:55,230

mentioned earlier was part of it that

628  
00:25:53,308 --> 00:25:57,480  
was taking this to new levels of

629  
00:25:55,230 --> 00:26:00,450  
Technology the fact that it could be

630  
00:25:57,480 --> 00:26:04,200  
crop specific was pretty amazing and

631  
00:26:00,450 --> 00:26:06,509  
also there are several researchers that

632  
00:26:04,200 --> 00:26:08,940  
have had experiences of like a

633  
00:26:06,509 --> 00:26:11,430  
telepathic acknowledgement where they

634  
00:26:08,940 --> 00:26:12,929  
would think of a certain image and the

635  
00:26:11,430 --> 00:26:16,769  
very next day that image would appear

636  
00:26:12,929 --> 00:26:19,380  
within the fields so you know the exact

637  
00:26:16,769 --> 00:26:21,389  
image even the parameters that they'd

638  
00:26:19,380 --> 00:26:24,090  
sort of thought about you know were laid

639  
00:26:21,390 --> 00:26:26,970  
within the crop so something was able to

640  
00:26:24,089 --> 00:26:29,129  
acknowledge even a telepathic sort of

641  
00:26:26,970 --> 00:26:31,049  
aspect to this so this is stepping up to

642  
00:26:29,130 --> 00:26:33,900  
whole new levels this is another one as

643  
00:26:31,049 --> 00:26:36,000  
well in 1996 there were some people that

644  
00:26:33,900 --> 00:26:39,059  
in Wiltshire they saw a formation of

645  
00:26:36,000 --> 00:26:42,058  
here basically the large beam of light

646  
00:26:39,058 --> 00:26:44,910  
that shone down from the sky and below

647  
00:26:42,058 --> 00:26:47,129  
it a very simple circle of crop sort of

648  
00:26:44,910 --> 00:26:49,279  
collapsed creating this image now that

649  
00:26:47,130 --> 00:26:52,530  
his self was amazing but they said that

650  
00:26:49,279 --> 00:26:54,000  
what was incredible was the actual beam

651  
00:26:52,529 --> 00:26:55,889  
itself when they looked through it it's

652  
00:26:54,000 --> 00:26:57,839  
as though it was daylight this wasn't

653  
00:26:55,890 --> 00:27:00,120  
just lighting up the field it's as

654  
00:26:57,839 --> 00:27:02,789  
though everything beyond it the field

655  
00:27:00,119 --> 00:27:03,899  
and into the sky was a different time it

656

00:27:02,789 --> 00:27:05,519  
was as though it's actually daylight

657  
00:27:03,900 --> 00:27:07,350  
they called it the daylight doorway for

658  
00:27:05,519 --> 00:27:09,569  
that reason and then everywhere around

659  
00:27:07,349 --> 00:27:11,909  
was still night time and dark and starry

660  
00:27:09,569 --> 00:27:13,500  
and then as the light sort of went in on

661  
00:27:11,910 --> 00:27:15,509  
itself and disappeared basically then it

662  
00:27:13,500 --> 00:27:18,569  
was all night again so this again was

663  
00:27:15,509 --> 00:27:22,109  
you know adding a sort of anomaly of

664  
00:27:18,569 --> 00:27:24,299  
time to do with this as well so as I say

665  
00:27:22,109 --> 00:27:26,399  
it's been an incredible journey I think

666  
00:27:24,299 --> 00:27:28,678  
we're at a major time of change on earth

667  
00:27:26,400 --> 00:27:30,600  
once disclosure happens you know the

668  
00:27:28,679 --> 00:27:32,880  
more that we have information on these

669  
00:27:30,599 --> 00:27:34,379  
various aspects is going to be easier to

670  
00:27:32,880 --> 00:27:36,870

deal with the stuff that's going to

671

00:27:34,380 --> 00:27:40,880

happen but i think you know we're in

672

00:27:36,869 --> 00:27:40,879

fascinating times thank you very much

673

00:27:46,250 --> 00:27:50,819

if anyone I just turn this off and then

674

00:27:49,650 --> 00:27:54,540

if anyone's got any questions I'd be

675

00:27:50,819 --> 00:27:56,309

fantastic why do you think Britain in

676

00:27:54,539 --> 00:27:58,950

particular west country is more prolific

677

00:27:56,309 --> 00:28:01,649

yes opens for this sort of thing yes the

678

00:27:58,950 --> 00:28:03,870

world Steve said why do you think that

679

00:28:01,650 --> 00:28:05,610

the West Country was more prolific for

680

00:28:03,869 --> 00:28:07,829

these formations and the rest of the

681

00:28:05,609 --> 00:28:09,240

world as i said earlier on they have

682

00:28:07,829 --> 00:28:12,119

appeared in about forty two different

683

00:28:09,240 --> 00:28:14,460

countries all over the world but mainly

684

00:28:12,119 --> 00:28:17,129

in that area south of Swindon really in

685  
00:28:14,460 --> 00:28:18,539  
Wiltshire Hampshire and certainly eighty

686  
00:28:17,130 --> 00:28:21,120  
percent of water formations have

687  
00:28:18,539 --> 00:28:23,450  
appeared in that area and all the more

688  
00:28:21,119 --> 00:28:26,339  
complex formations as you saw tonight

689  
00:28:23,450 --> 00:28:27,990  
there's various theories to that some

690  
00:28:26,339 --> 00:28:29,819  
people say it's because there's a lot of

691  
00:28:27,990 --> 00:28:31,170  
ley lines in that area very powerful

692  
00:28:29,819 --> 00:28:33,960  
you're not the Michael line and things

693  
00:28:31,170 --> 00:28:36,000  
like that through Stonehenge some of the

694  
00:28:33,960 --> 00:28:37,350  
formations use that but of course as we

695  
00:28:36,000 --> 00:28:39,150  
know ley lines are all over the world

696  
00:28:37,349 --> 00:28:41,459  
some people say well it's because of the

697  
00:28:39,150 --> 00:28:44,880  
the the military bases there like

698  
00:28:41,460 --> 00:28:46,289  
salisbury port and down boss from down

699  
00:28:44,880 --> 00:28:49,380  
which again you know with the biological

700  
00:28:46,289 --> 00:28:52,470  
warfare unit stuff like that other

701  
00:28:49,380 --> 00:28:55,830  
people feel that you know it's the the

702  
00:28:52,470 --> 00:28:57,089  
ancient sites Stonehenge Avebury but

703  
00:28:55,829 --> 00:28:58,319  
again of course we've got ancient sites

704  
00:28:57,089 --> 00:29:01,109  
all around the words we could ever mince

705  
00:28:58,319 --> 00:29:03,389  
and near the pyramids they have appeared

706  
00:29:01,109 --> 00:29:06,689  
in different mediums not just in crop

707  
00:29:03,390 --> 00:29:08,310  
they've actually been seen the tops of

708  
00:29:06,690 --> 00:29:09,809  
trees where the trees are bent at a

709  
00:29:08,309 --> 00:29:12,539  
90-degree angle at the top of the tree

710  
00:29:09,809 --> 00:29:13,919  
in a circle without snapping so again I

711  
00:29:12,539 --> 00:29:15,740  
don't know how you do that there was

712  
00:29:13,920 --> 00:29:19,140  
also actually in Finland there was a

713

00:29:15,740 --> 00:29:21,569  
nice circle that appeared with on a lake

714  
00:29:19,140 --> 00:29:23,640  
a perfect circle within the late that

715  
00:29:21,569 --> 00:29:25,799  
was just suddenly not that not frozen

716  
00:29:23,640 --> 00:29:27,030  
anymore and you know the researchers

717  
00:29:25,799 --> 00:29:28,919  
that saw this is amazing and then it

718  
00:29:27,029 --> 00:29:33,539  
started to refreeze again but at perfect

719  
00:29:28,920 --> 00:29:35,370  
circle but you know for me personally

720  
00:29:33,539 --> 00:29:37,829  
that there is no definitive answer to

721  
00:29:35,369 --> 00:29:40,319  
that I don't think but I think by having

722  
00:29:37,829 --> 00:29:42,569  
in one location what definitely happened

723  
00:29:40,319 --> 00:29:45,299  
is that people from all over the world

724  
00:29:42,569 --> 00:29:47,339  
started to come to that location from

725  
00:29:45,299 --> 00:29:49,470  
you know sort of 1990 certainly onwards

726  
00:29:47,339 --> 00:29:51,439  
that first formation I showed and it's

727  
00:29:49,470 --> 00:29:53,240

as though by having it in one location

728

00:29:51,440 --> 00:29:54,320

allow people to say I'm going to go

729

00:29:53,240 --> 00:29:55,788

there next year and I'm going to look at

730

00:29:54,319 --> 00:29:56,990

these as they appear through the season

731

00:29:55,788 --> 00:29:59,210

you know and you had that sort of

732

00:29:56,990 --> 00:30:00,558

excitement every year of thinking I

733

00:29:59,210 --> 00:30:02,149

can't wait to what's going to happen

734

00:30:00,558 --> 00:30:03,980

next year you know this is when when it

735

00:30:02,148 --> 00:30:05,898

was you know the really amazing stuff

736

00:30:03,980 --> 00:30:06,950

was happening and you knew that

737

00:30:05,898 --> 00:30:08,119

something was going to happen actually

738

00:30:06,950 --> 00:30:10,370

what was it going to be you know really

739

00:30:08,119 --> 00:30:11,898

exciting what new messages are we going

740

00:30:10,369 --> 00:30:14,599

to get and that's what that is what was

741

00:30:11,898 --> 00:30:16,219

going on so I think it gone all over the

742  
00:30:14,599 --> 00:30:18,048  
world as it could have done you know a

743  
00:30:16,220 --> 00:30:19,639  
brilliant one here but no one would have

744  
00:30:18,048 --> 00:30:21,528  
known where to go other than local

745  
00:30:19,638 --> 00:30:23,028  
researchers but because it kept doing

746  
00:30:21,528 --> 00:30:25,788  
year after year after year in the same

747  
00:30:23,028 --> 00:30:29,960  
place it allowed a much greater body of

748  
00:30:25,788 --> 00:30:31,669  
work of research and understanding so

749  
00:30:29,960 --> 00:30:33,470  
you know for me I think that's probably

750  
00:30:31,669 --> 00:30:34,879  
the reason because it helped people to

751  
00:30:33,470 --> 00:30:37,970  
wake up to you know all the bigger

752  
00:30:34,878 --> 00:30:43,329  
realities do you think spiritual

753  
00:30:37,970 --> 00:30:43,329  
transformation yeah and the focus is on

754  
00:30:43,480 --> 00:30:49,819  
yeah you are the Olympic Games yeah yeah

755  
00:30:46,700 --> 00:30:51,720  
yeah yeah hope is it being there on

756  
00:30:49,819 --> 00:30:54,389  
Britain anybody yeah

757  
00:30:51,720 --> 00:30:55,919  
yeah I think I've been particularly the

758  
00:30:54,390 --> 00:30:57,720  
lead up to twenty twelve again most of

759  
00:30:55,919 --> 00:30:59,850  
you familiar with that there are some

760  
00:30:57,720 --> 00:31:02,700  
formations that I that seemed to really

761  
00:30:59,849 --> 00:31:06,480  
highlight and about the transformation

762  
00:31:02,700 --> 00:31:08,580  
in 2012 I haven't shown them tonight but

763  
00:31:06,480 --> 00:31:10,829  
definitely you know though that was

764  
00:31:08,579 --> 00:31:12,000  
another focus people were definitely it

765  
00:31:10,829 --> 00:31:14,129  
was adding weight to the fact that

766  
00:31:12,000 --> 00:31:15,538  
something big was coming while this was

767  
00:31:14,130 --> 00:31:17,640  
going on and people were concerned about

768  
00:31:15,538 --> 00:31:18,839  
the 2012 stuff that my and feathered

769  
00:31:17,640 --> 00:31:20,309  
headdress was another one when that

770

00:31:18,839 --> 00:31:23,038  
appeared you know people were saying

771  
00:31:20,308 --> 00:31:24,450  
this is trying to define that so there

772  
00:31:23,038 --> 00:31:29,759  
was definitely that was definitely part

773  
00:31:24,450 --> 00:31:32,220  
of it yeah I know I think I it hasn't

774  
00:31:29,759 --> 00:31:36,690  
gone away i think post-2012 i think we

775  
00:31:32,220 --> 00:31:38,819  
were we were probably meant to move into

776  
00:31:36,690 --> 00:31:41,130  
a time when we have to responsible for

777  
00:31:38,819 --> 00:31:42,720  
things ourselves again on a spiritual

778  
00:31:41,130 --> 00:31:44,250  
level or even a physical level when

779  
00:31:42,720 --> 00:31:46,140  
that's what's going on it's been hard

780  
00:31:44,250 --> 00:31:48,450  
since then because you haven't got that

781  
00:31:46,140 --> 00:31:49,470  
support that you had but at the same

782  
00:31:48,450 --> 00:31:50,880  
time I think it's time for us to stand

783  
00:31:49,470 --> 00:31:54,230  
on our own fee and I think that's going

784  
00:31:50,880 --> 00:31:54,230

on yeah hi

785

00:31:57,700 --> 00:32:00,700

yep

786

00:32:12,390 --> 00:32:18,750

wow really

787

00:32:14,859 --> 00:32:18,750

yeah yeah yeah

788

00:32:26,970 --> 00:32:32,220

well that yeah now I agree that's

789

00:32:30,240 --> 00:32:34,740

exactly what a lot of research was

790

00:32:32,220 --> 00:32:36,029

saying that they because when you you

791

00:32:34,740 --> 00:32:39,870

know if you're really into it in a big

792

00:32:36,029 --> 00:32:41,339

way I was and many others were so as as

793

00:32:39,869 --> 00:32:43,589

they were appearing you know you could

794

00:32:41,339 --> 00:32:45,959

plot a minute through a year and each

795

00:32:43,589 --> 00:32:49,168

year would usually have a sort of theme

796

00:32:45,960 --> 00:32:50,340

of the images but you you know and it's

797

00:32:49,169 --> 00:32:52,669

as though they were taking us on a

798

00:32:50,339 --> 00:32:55,740

journey and a lot of people felt that

799  
00:32:52,669 --> 00:32:57,270  
the images would be you when you when

800  
00:32:55,740 --> 00:32:58,769  
you looked at them you would be

801  
00:32:57,269 --> 00:33:01,079  
receiving information he didn't even

802  
00:32:58,769 --> 00:33:03,269  
know you were like a telepathic

803  
00:33:01,079 --> 00:33:06,418  
communication like a sort of psychic

804  
00:33:03,269 --> 00:33:09,359  
vision they certainly had some of the

805  
00:33:06,419 --> 00:33:11,610  
formations created sound in the diatonic

806  
00:33:09,359 --> 00:33:13,829  
scale you can actually create music with

807  
00:33:11,609 --> 00:33:15,808  
them so you know this is this is

808  
00:33:13,829 --> 00:33:17,509  
in-depth stuff and I think a lot of

809  
00:33:15,808 --> 00:33:19,710  
people felt that they were receiving

810  
00:33:17,509 --> 00:33:23,339  
clearly from some of those you seen

811  
00:33:19,710 --> 00:33:25,409  
there was cerebral information you know

812  
00:33:23,339 --> 00:33:27,869  
mathematics geometry etc other messages

813  
00:33:25,409 --> 00:33:30,299  
as well but beyond that people felt that

814  
00:33:27,869 --> 00:33:33,119  
people were being woken up to a bigger

815  
00:33:30,298 --> 00:33:34,710  
cosmic spiritual reality just by looking

816  
00:33:33,119 --> 00:33:40,129  
at the images you know the genuine ones

817  
00:33:34,710 --> 00:33:40,130  
day is high yeah

818  
00:33:43,058 --> 00:33:52,279  
yeah yeah

819  
00:33:49,250 --> 00:33:55,220  
yes I was

820  
00:33:52,279 --> 00:33:56,899  
I I think like i said like i just said

821  
00:33:55,220 --> 00:33:59,329  
really with that is that you know they

822  
00:33:56,900 --> 00:34:01,550  
were there were messages you know as

823  
00:33:59,329 --> 00:34:03,289  
people went along like that one from 95

824  
00:34:01,549 --> 00:34:05,930  
with the with the earth missing when the

825  
00:34:03,289 --> 00:34:07,369  
orbit you know you can sit each one of

826  
00:34:05,930 --> 00:34:09,440  
us can interpret that however they want

827

00:34:07,369 --> 00:34:13,299  
no one could say definitely what it was

828  
00:34:09,440 --> 00:34:18,800  
telling us but you could theorize this

829  
00:34:13,300 --> 00:34:20,900  
yeah that's yeah it's amazing no that's

830  
00:34:18,800 --> 00:34:24,110  
definitive yeah yeah the pie formation

831  
00:34:20,900 --> 00:34:26,059  
either one yeah again you know each one

832  
00:34:24,110 --> 00:34:28,750  
is up to the the research and themself

833  
00:34:26,059 --> 00:34:31,340  
their own personal bias or belief

834  
00:34:28,750 --> 00:34:34,010  
clearly some are obvious like you say

835  
00:34:31,340 --> 00:34:36,559  
like that one others you know the the

836  
00:34:34,010 --> 00:34:38,720  
magnetic field one you know that that

837  
00:34:36,559 --> 00:34:40,190  
may not have been saying look at NASA

838  
00:34:38,719 --> 00:34:42,019  
that have just concluded that you've got

839  
00:34:40,190 --> 00:34:43,880  
a problem with your magnetic field but

840  
00:34:42,019 --> 00:34:45,469  
to me the timing was pretty amazing and

841  
00:34:43,880 --> 00:34:48,070

because I was involved with it for

842

00:34:45,469 --> 00:34:51,109

probably definitely full-on for 19 years

843

00:34:48,070 --> 00:34:53,600

you know there always was a message to

844

00:34:51,110 --> 00:34:56,269

the genuine formations and often it was

845

00:34:53,599 --> 00:34:58,460

way more than your initial thought it

846

00:34:56,269 --> 00:35:00,199

was always like like right from right

847

00:34:58,460 --> 00:35:02,059

you know you always get more out of the

848

00:35:00,199 --> 00:35:04,819

right whereas wrong from wrong usually

849

00:35:02,059 --> 00:35:06,409

don't there was always more to it and

850

00:35:04,820 --> 00:35:09,650

the more you looked at it you learnt

851

00:35:06,409 --> 00:35:11,750

more saw more understood more so you

852

00:35:09,650 --> 00:35:14,030

know each person has their opinion of

853

00:35:11,750 --> 00:35:15,500

course but there's no doubt we were

854

00:35:14,030 --> 00:35:17,690

being guided to sort of look at

855

00:35:15,500 --> 00:35:20,949

something bigger than just light crop

856  
00:35:17,690 --> 00:35:20,950  
yeah Emily

857  
00:35:27,619 --> 00:35:35,730  
there's for me most of them if not all

858  
00:35:31,858 --> 00:35:38,699  
of our man-made I acknowledge there was

859  
00:35:35,730 --> 00:35:40,469  
one that appeared a place called ents

860  
00:35:38,699 --> 00:35:44,098  
the some of you may have seen it was

861  
00:35:40,469 --> 00:35:45,568  
very very complex and people you know a

862  
00:35:44,099 --> 00:35:47,400  
lot of people within the crop formation

863  
00:35:45,568 --> 00:35:49,050  
worlds that are you know a last we've

864  
00:35:47,400 --> 00:35:51,269  
got another amazing one like we used to

865  
00:35:49,050 --> 00:35:53,910  
have it's got a sort of writing all the

866  
00:35:51,269 --> 00:35:57,150  
way around it very complex quite an

867  
00:35:53,909 --> 00:35:59,368  
impressive formation but again you know

868  
00:35:57,150 --> 00:36:00,869  
you could a lot people son years amazing

869  
00:35:59,369 --> 00:36:02,280  
this is fantastic but the more research

870  
00:36:00,869 --> 00:36:04,200  
you do and those that as you did

871  
00:36:02,280 --> 00:36:07,200  
diligent research it became clear that

872  
00:36:04,199 --> 00:36:10,679  
this was a hoax as well but the hoaxers

873  
00:36:07,199 --> 00:36:12,318  
have become so good at their art you

874  
00:36:10,679 --> 00:36:14,940  
know that it becomes even to sort of

875  
00:36:12,318 --> 00:36:17,838  
laying the crop in such a way or leaving

876  
00:36:14,940 --> 00:36:20,250  
stand standing crop in the middle etc

877  
00:36:17,838 --> 00:36:24,210  
they become very professional what they

878  
00:36:20,250 --> 00:36:25,889  
do that it came for people and yet the

879  
00:36:24,210 --> 00:36:28,619  
researchers that looked into that found

880  
00:36:25,889 --> 00:36:31,949  
eventually that that formation had

881  
00:36:28,619 --> 00:36:34,710  
involved eight people over two weeks

882  
00:36:31,949 --> 00:36:37,230  
creating an area that wasn't sort of it

883  
00:36:34,710 --> 00:36:38,490  
was outside the normal area in

884

00:36:37,230 --> 00:36:40,800  
collaboration with the people that

885  
00:36:38,489 --> 00:36:42,269  
happened that farm because again they

886  
00:36:40,800 --> 00:36:44,039  
were opening up to people to come in and

887  
00:36:42,269 --> 00:36:45,900  
you know the money that you pay a fiver

888  
00:36:44,039 --> 00:36:47,519  
to go in it goes to charity which is

889  
00:36:45,900 --> 00:36:49,410  
good so that sounds you know commendable

890  
00:36:47,519 --> 00:36:52,889  
but then there were other things going

891  
00:36:49,409 --> 00:36:57,210  
on as well it was to do with people who

892  
00:36:52,889 --> 00:37:00,710  
produce parrot bongs for want of a

893  
00:36:57,210 --> 00:37:04,769  
better word in the States a company and

894  
00:37:00,710 --> 00:37:08,490  
the images spell out the names of this

895  
00:37:04,769 --> 00:37:10,199  
company so you know again why would they

896  
00:37:08,489 --> 00:37:12,959  
want to tell us about people who create

897  
00:37:10,199 --> 00:37:15,088  
you know glass paraphernalia in America

898  
00:37:12,960 --> 00:37:16,289

it just doesn't make any sense that's

899

00:37:15,088 --> 00:37:17,969

why people with sort of scratching their

900

00:37:16,289 --> 00:37:20,639

head about it then it became clear that

901

00:37:17,969 --> 00:37:22,949

you know that they'd sort of mapped it

902

00:37:20,639 --> 00:37:24,509

out over three nights you they nowadays

903

00:37:22,949 --> 00:37:27,179

you know they're using laser and sat nav

904

00:37:24,510 --> 00:37:29,520

and stuff it's it's advanced stuff but

905

00:37:27,179 --> 00:37:31,250

then though I eight days worth of

906

00:37:29,519 --> 00:37:33,509

creating this formation so anyway

907

00:37:31,250 --> 00:37:35,869

basically like I say for me personally

908

00:37:33,510 --> 00:37:37,140

other people would argue differently

909

00:37:35,869 --> 00:37:39,240

generally

910

00:37:37,139 --> 00:37:46,379

most of the formations now I feel are

911

00:37:39,239 --> 00:37:48,509

not genuine I think so I think so

912

00:37:46,380 --> 00:37:51,210

because yeah I'll be right there I think

913  
00:37:48,510 --> 00:37:52,950  
because I think they wanted us to wake

914  
00:37:51,210 --> 00:37:55,019  
up basically you know and that's what

915  
00:37:52,949 --> 00:37:57,179  
happened over that period now it's time

916  
00:37:55,018 --> 00:37:58,500  
to prepare for the disclosure process

917  
00:37:57,179 --> 00:38:00,929  
understand the political ramifications

918  
00:37:58,500 --> 00:38:04,260  
of what could happen with ET disclosure

919  
00:38:00,929 --> 00:38:06,419  
the theological implications and you

920  
00:38:04,260 --> 00:38:07,740  
know ready yourself for when this

921  
00:38:06,420 --> 00:38:16,068  
happens because the world will change

922  
00:38:07,739 --> 00:38:18,699  
when disclosure happens yeah hi yeah

923  
00:38:16,068 --> 00:38:24,869  
yeah

924  
00:38:18,699 --> 00:38:24,868  
yes right yeah yeah exactly yeah yeah

925  
00:38:30,079 --> 00:38:34,159  
I mean that's that's called the year the

926  
00:38:32,420 --> 00:38:36,289  
devil marrying image you've probably

927

00:38:34,159 --> 00:38:40,429

seen that that picture it was in a wood

928

00:38:36,289 --> 00:38:43,279

block of like the devil with the you

929

00:38:40,429 --> 00:38:46,669

know with a scythe cutting that yet that

930

00:38:43,280 --> 00:38:49,040

vicar saw actually funny enough I think

931

00:38:46,670 --> 00:38:52,130

I do I mean people there they probably

932

00:38:49,039 --> 00:38:54,590

have appeared but most definitely this

933

00:38:52,130 --> 00:38:56,990

era was definitive you know it ran

934

00:38:54,590 --> 00:38:58,910

through the pro process from the mid 80s

935

00:38:56,989 --> 00:39:01,789

onwards so it was definitely meant gives

936

00:38:58,909 --> 00:39:03,769

25 years of this stuff going on that's a

937

00:39:01,789 --> 00:39:05,449

lifetime you know for some people that's

938

00:39:03,769 --> 00:39:07,789

a quarter of a century that's a huge

939

00:39:05,449 --> 00:39:09,289

amount of time it was you know otherwise

940

00:39:07,789 --> 00:39:11,059

we would have known about it when we

941

00:39:09,289 --> 00:39:12,289  
were in the 70s or 60s or whatever you

942  
00:39:11,059 --> 00:39:15,679  
know so it's definitely something that

943  
00:39:12,289 --> 00:39:17,150  
occurred but the light you say that

944  
00:39:15,679 --> 00:39:19,429  
there is there's more to it than just

945  
00:39:17,150 --> 00:39:21,019  
you know images as I've said the

946  
00:39:19,429 --> 00:39:23,119  
consciousness there's a telepathic

947  
00:39:21,019 --> 00:39:25,489  
aspect some of the hoaxers have even

948  
00:39:23,119 --> 00:39:27,619  
admitted that while their hopes in a

949  
00:39:25,489 --> 00:39:30,649  
formation they often see a dark shadow

950  
00:39:27,619 --> 00:39:31,940  
in the formation or they have they feel

951  
00:39:30,650 --> 00:39:34,820  
like they're being guided to do

952  
00:39:31,940 --> 00:39:36,320  
something by an outside force things

953  
00:39:34,820 --> 00:39:38,360  
like that so it you know even hoaxes

954  
00:39:36,320 --> 00:39:40,370  
that are hoaxing have acknowledged that

955  
00:39:38,360 --> 00:39:43,340

there is a paranormal aspect to this as

956

00:39:40,369 --> 00:39:45,469

well in some cases so it is complex is a

957

00:39:43,340 --> 00:39:48,070

very complex subject yeah good point oh

958

00:39:45,469 --> 00:39:48,069

yeah

959

00:39:52,369 --> 00:40:03,539

yes yes absolutely the information was

960

00:39:58,199 --> 00:40:08,279

given yeah about disclosure yeah present

961

00:40:03,539 --> 00:40:11,099

situation normally yes so if you've read

962

00:40:08,280 --> 00:40:14,820

that yeah you must have an insight yeah

963

00:40:11,099 --> 00:40:18,449

definitely I shall talk with oh yeah

964

00:40:14,820 --> 00:40:21,870

yeah just yeah she's an interesting lady

965

00:40:18,449 --> 00:40:24,089

yeah I've read the the trilogy where she

966

00:40:21,869 --> 00:40:26,549

actually truly stunning this is another

967

00:40:24,090 --> 00:40:28,320

mind boggler I don't know how many

968

00:40:26,550 --> 00:40:30,090

people know if Dolores cannon but she's

969

00:40:28,320 --> 00:40:33,120

that she did a lot of regressive

970  
00:40:30,090 --> 00:40:34,110  
hypnotherapy on people in America even

971  
00:40:33,119 --> 00:40:36,000  
people who went back to the time of

972  
00:40:34,110 --> 00:40:37,650  
Christ who had incarnations previous

973  
00:40:36,000 --> 00:40:40,050  
incarnations at the time of Christ

974  
00:40:37,650 --> 00:40:42,900  
things like that she was working with

975  
00:40:40,050 --> 00:40:45,030  
some people that were they were going

976  
00:40:42,900 --> 00:40:47,940  
back in time to the time of Nostradamus

977  
00:40:45,030 --> 00:40:49,230  
and because they wanted to once she

978  
00:40:47,940 --> 00:40:52,110  
realized that they were communicating

979  
00:40:49,230 --> 00:40:53,880  
with Nostradamus as if he was alive and

980  
00:40:52,110 --> 00:40:57,809  
this is what I loved about this talking

981  
00:40:53,880 --> 00:41:00,690  
about the orbs is they this was in I

982  
00:40:57,809 --> 00:41:02,369  
think I was in there was at night early

983  
00:41:00,690 --> 00:41:05,460  
90s or when they would do is Ephraim

984  
00:41:02,369 --> 00:41:08,339  
something like that yeah yeah so they

985  
00:41:05,460 --> 00:41:11,309  
were going back in time to communicate

986  
00:41:08,340 --> 00:41:13,140  
with Nostradamus who they would see then

987  
00:41:11,309 --> 00:41:14,730  
you know doing the work that he did when

988  
00:41:13,139 --> 00:41:16,349  
he was writing the prophecies and they

989  
00:41:14,730 --> 00:41:17,969  
started there's then started so what

990  
00:41:16,349 --> 00:41:20,489  
does this mean you know what is that

991  
00:41:17,969 --> 00:41:22,259  
that quatrain mean and he actually tell

992  
00:41:20,489 --> 00:41:24,209  
them in real term coming into their

993  
00:41:22,260 --> 00:41:25,290  
language so they started to write it and

994  
00:41:24,210 --> 00:41:26,789  
over a period of time they started to

995  
00:41:25,289 --> 00:41:28,949  
get more and more information so that

996  
00:41:26,789 --> 00:41:31,679  
she thought hold on we can actually find

997  
00:41:28,949 --> 00:41:35,489  
out what the actual quatrains mean in

998

00:41:31,679 --> 00:41:38,460  
modern 1990s American language and and

999  
00:41:35,489 --> 00:41:40,049  
rewrite the the works of Nostradamus is

1000  
00:41:38,460 --> 00:41:42,929  
mind-boggling but what blew me away

1001  
00:41:40,050 --> 00:41:45,630  
about it is that they were going back

1002  
00:41:42,929 --> 00:41:48,269  
through regression to communicate with

1003  
00:41:45,630 --> 00:41:50,309  
Nostradamus he was alive at the time and

1004  
00:41:48,269 --> 00:41:54,239  
what he used to see when they appeared

1005  
00:41:50,309 --> 00:41:55,529  
were orbs of light in the room so this

1006  
00:41:54,239 --> 00:41:56,639  
is this is mind boggling because we talk

1007  
00:41:55,530 --> 00:41:59,280  
about the current here we're talking

1008  
00:41:56,639 --> 00:42:00,960  
about orbs but he also used to recognize

1009  
00:41:59,280 --> 00:42:03,190  
that when they appeared to consciousness

1010  
00:42:00,960 --> 00:42:04,960  
appeared he saw it as an all

1011  
00:42:03,190 --> 00:42:07,179  
so then he would say hello I see you

1012  
00:42:04,960 --> 00:42:08,440

there and they saw him go looking at

1013

00:42:07,179 --> 00:42:10,389

them and then they would ask the

1014

00:42:08,440 --> 00:42:12,608

questions so this is you know again this

1015

00:42:10,389 --> 00:42:14,679

is really incredible sort of what is

1016

00:42:12,608 --> 00:42:15,880

time you know what clearly there isn't

1017

00:42:14,679 --> 00:42:17,949

linear time when you're talking about

1018

00:42:15,880 --> 00:42:21,039

that sort of stuff and is it them give

1019

00:42:17,949 --> 00:42:24,039

him the premonitions well see that's it

1020

00:42:21,039 --> 00:42:26,800

was that then that with as like we're

1021

00:42:24,039 --> 00:42:29,500

giving in the quatrain future was that

1022

00:42:26,800 --> 00:42:31,780

stimulating him to them yeah translate

1023

00:42:29,500 --> 00:42:33,369

them himself I don't know he was writing

1024

00:42:31,780 --> 00:42:35,440

them at the time but you know it was

1025

00:42:33,369 --> 00:42:37,900

definitely baked you noodle about what

1026

00:42:35,440 --> 00:42:41,800

is the reality of time I was going to

1027  
00:42:37,900 --> 00:42:45,910  
ask the question related the article

1028  
00:42:41,800 --> 00:42:49,750  
books yeah one of the main concern was

1029  
00:42:45,909 --> 00:42:52,779  
the upcoming Antichrist or Antichrist

1030  
00:42:49,750 --> 00:42:56,019  
there seems African opinion there was a

1031  
00:42:52,780 --> 00:43:01,089  
group of them not just one yeah yeah

1032  
00:42:56,019 --> 00:43:03,759  
sure there is one that's going to do

1033  
00:43:01,088 --> 00:43:08,230  
bill or get other people to build

1034  
00:43:03,760 --> 00:43:11,170  
underground facilities summoning some

1035  
00:43:08,230 --> 00:43:13,119  
Brazil there so I just want every idea T

1036  
00:43:11,170 --> 00:43:16,750  
insight on worse well all I can say is

1037  
00:43:13,119 --> 00:43:18,099  
as you said at the beginning is so many

1038  
00:43:16,750 --> 00:43:20,739  
of the things that not Adama spoke about

1039  
00:43:18,099 --> 00:43:21,940  
are coming true now you know he was

1040  
00:43:20,739 --> 00:43:23,469  
spoken about the environmental

1041  
00:43:21,940 --> 00:43:25,659  
catastrophes are going to happen and

1042  
00:43:23,469 --> 00:43:29,649  
they are you know you spoke about time

1043  
00:43:25,659 --> 00:43:31,029  
there be a machine going around the

1044  
00:43:29,650 --> 00:43:32,680  
world with people living in it and you

1045  
00:43:31,030 --> 00:43:33,849  
know people go all this ridiculous what

1046  
00:43:32,679 --> 00:43:37,809  
do we got space station on space

1047  
00:43:33,849 --> 00:43:40,059  
stations plural things like that but as

1048  
00:43:37,809 --> 00:43:41,949  
I even mentioned earlier on appease more

1049  
00:43:40,059 --> 00:43:43,750  
and Dulcie in America there are many

1050  
00:43:41,949 --> 00:43:45,578  
underground bases as well with you know

1051  
00:43:43,750 --> 00:43:48,039  
nefarious activities are going on there

1052  
00:43:45,579 --> 00:43:50,200  
so a lot of the stuff is prophesying at

1053  
00:43:48,039 --> 00:43:52,659  
the time of obviously environmental

1054  
00:43:50,199 --> 00:43:54,969  
collapse but at a time of the AC as you

1055

00:43:52,659 --> 00:43:56,139  
say and you know look at the darkness

1056  
00:43:54,969 --> 00:43:58,959  
that's going on the bad people that

1057  
00:43:56,139 --> 00:44:00,909  
running this world so it's it's very

1058  
00:43:58,960 --> 00:44:02,289  
much as though we're in that time which

1059  
00:44:00,909 --> 00:44:04,029  
fits with sort of Revelation as well I

1060  
00:44:02,289 --> 00:44:17,650  
think so you were going to ask a

1061  
00:44:04,030 --> 00:44:20,230  
question yeah yeah yeah South about mr.

1062  
00:44:17,650 --> 00:44:22,750  
oh that's right yeah exactly yeah it is

1063  
00:44:20,230 --> 00:44:26,108  
her head yeah but I believe it's the

1064  
00:44:22,750 --> 00:44:28,030  
second day of the Olympics right Oh Gary

1065  
00:44:26,108 --> 00:44:29,650  
Buckland disconnected let's step that

1066  
00:44:28,030 --> 00:44:32,319  
was the point in front of you get that

1067  
00:44:29,650 --> 00:44:35,289  
thing yeah you know the as you say no

1068  
00:44:32,318 --> 00:44:38,608  
admin topics like to go yeah we're in

1069  
00:44:35,289 --> 00:44:41,800

four times well the logistics of

1070

00:44:38,608 --> 00:44:43,809

whatever always uses our pro the

1071

00:44:41,800 --> 00:44:46,269

contractors you know groceries yeah

1072

00:44:43,809 --> 00:44:48,699

they're obviously you know like I either

1073

00:44:46,269 --> 00:44:50,889

doesn't what respect you know shipper

1074

00:44:48,699 --> 00:44:53,139

come across yeah okay well it'd be wild

1075

00:44:50,889 --> 00:44:55,868

with Kathy on again but yeah it's you

1076

00:44:53,139 --> 00:44:59,828

know it seems to be that sort of Somalia

1077

00:44:55,869 --> 00:45:02,980

palisade anybody's looking at crop

1078

00:44:59,829 --> 00:45:05,800

circle really but to look at that tripe

1079

00:45:02,980 --> 00:45:07,869

fine but it is a map you know that's

1080

00:45:05,800 --> 00:45:10,480

another thing look at the new is around

1081

00:45:07,869 --> 00:45:13,869

up t in yeah and you find that there is

1082

00:45:10,480 --> 00:45:15,969

there's an awful lot more to it I mean

1083

00:45:13,869 --> 00:45:17,470

they that the chest fur head one is

1084  
00:45:15,969 --> 00:45:19,328  
interesting because that that was the

1085  
00:45:17,469 --> 00:45:20,469  
for the place where in the early days we

1086  
00:45:19,329 --> 00:45:23,079  
call in Andrews when he was doing the

1087  
00:45:20,469 --> 00:45:25,598  
research they it was a perfect empty

1088  
00:45:23,079 --> 00:45:27,430  
theater and in the sort of the 90s early

1089  
00:45:25,599 --> 00:45:29,140  
90s there were some amazing formations

1090  
00:45:27,429 --> 00:45:31,809  
appearing there and that's why they then

1091  
00:45:29,139 --> 00:45:33,098  
did that you know that TV program where

1092  
00:45:31,809 --> 00:45:35,529  
they were monitoring and then of course

1093  
00:45:33,099 --> 00:45:38,109  
the the military did some debunking and

1094  
00:45:35,530 --> 00:45:39,490  
and did some hoax formations yeah the

1095  
00:45:38,108 --> 00:45:42,308  
other thing that's all you ate my body

1096  
00:45:39,489 --> 00:45:46,778  
is a get about the storage unit

1097  
00:45:42,309 --> 00:45:48,959  
has been popular for insomnia know the

1098  
00:45:46,778 --> 00:45:51,880  
difference of radiation has advanced

1099  
00:45:48,958 --> 00:45:54,848  
4,000 years ago I've got a book which is

1100  
00:45:51,880 --> 00:45:58,588  
hopefully coming very shortly when he

1101  
00:45:54,849 --> 00:46:01,028  
called it right and it actually did

1102  
00:45:58,588 --> 00:46:02,858  
everybody thinks the store the center

1103  
00:46:01,028 --> 00:46:06,518  
but you put an image of it the others

1104  
00:46:02,858 --> 00:46:09,458  
actually to earth mounds yeah no doors

1105  
00:46:06,518 --> 00:46:13,088  
and to earth mounds have four dimensions

1106  
00:46:09,458 --> 00:46:16,028  
now they have an ID of the top around

1107  
00:46:13,088 --> 00:46:19,679  
and lowly so that for dementia there are

1108  
00:46:16,028 --> 00:46:24,489  
are all actually highly specific now and

1109  
00:46:19,679 --> 00:46:28,598  
they think the builders observer it yeah

1110  
00:46:24,489 --> 00:46:31,059  
so this is a fact you know that if one

1111  
00:46:28,599 --> 00:46:34,809  
university bt one's kind of your last

1112

00:46:31,059 --> 00:46:37,119  
bit of probability or members but like

1113  
00:46:34,809 --> 00:46:39,160  
an o'charley's Eddie it is a very long

1114  
00:46:37,119 --> 00:46:41,949  
we're establishing site I I think the

1115  
00:46:39,159 --> 00:46:43,358  
thing is again I mean it's very clear

1116  
00:46:41,949 --> 00:46:44,588  
that with the ancient astronaut theory

1117  
00:46:43,358 --> 00:46:45,848  
that ETS have been here for a long

1118  
00:46:44,588 --> 00:46:47,558  
period of time it's not there just

1119  
00:46:45,849 --> 00:46:50,109  
appearing now and just giving us these

1120  
00:46:47,559 --> 00:46:51,569  
images that they know more about humans

1121  
00:46:50,108 --> 00:46:53,259  
and humans now about themselves I think

1122  
00:46:51,568 --> 00:46:54,670  
you know they've been around for

1123  
00:46:53,259 --> 00:46:57,579  
thousands of years they've been part of

1124  
00:46:54,670 --> 00:47:00,309  
our development so you know to me the

1125  
00:46:57,579 --> 00:47:02,739  
formations generally including the the

1126  
00:47:00,309 --> 00:47:05,259

arecibo message as well that it's

1127

00:47:02,739 --> 00:47:07,239

because the time was right to get as

1128

00:47:05,259 --> 00:47:08,858

ready for what's coming and this is

1129

00:47:07,239 --> 00:47:10,989

where nastradamus actually fits in it as

1130

00:47:08,858 --> 00:47:12,998

well that they're they're saying this is

1131

00:47:10,989 --> 00:47:14,139

a massive point in there as they look

1132

00:47:12,998 --> 00:47:16,778

and along the timeline they see

1133

00:47:14,139 --> 00:47:19,748

something massive around this point most

1134

00:47:16,778 --> 00:47:22,239

people felt 2012 was going to be it but

1135

00:47:19,748 --> 00:47:24,458

in a way in a way sort of there was a

1136

00:47:22,239 --> 00:47:25,688

transition after 2012 we're like I say

1137

00:47:24,458 --> 00:47:27,639

we've got a sort of stand on our own two

1138

00:47:25,688 --> 00:47:30,458

feet and that is that is definitely what

1139

00:47:27,639 --> 00:47:32,068

is happening with XO politics okay any

1140

00:47:30,458 --> 00:47:35,278

other questions just something someone

1141  
00:47:32,068 --> 00:47:35,278  
yeah hi

1142  
00:47:35,949 --> 00:47:42,819  
yeah yeah

1143  
00:47:48,400 --> 00:47:54,070  
I I don't really want to get into the

1144  
00:47:51,309 --> 00:47:56,650  
medical stuff because you know it's

1145  
00:47:54,070 --> 00:47:59,350  
difficult to say but clearly you know

1146  
00:47:56,650 --> 00:48:00,460  
our food that we're eating the toxic

1147  
00:47:59,349 --> 00:48:05,319  
chemicals pesticides herbicides

1148  
00:48:00,460 --> 00:48:09,130  
fungicides what's that yeah what you

1149  
00:48:05,320 --> 00:48:13,269  
mean the formations or just oh yeah oh

1150  
00:48:09,130 --> 00:48:14,590  
yeah yeah no no no where they want it

1151  
00:48:13,269 --> 00:48:16,389  
they want to use it in the medical world

1152  
00:48:14,590 --> 00:48:17,920  
as well this is why it's a real issue

1153  
00:48:16,389 --> 00:48:21,039  
they won't they want to have

1154  
00:48:17,920 --> 00:48:23,950  
nanotechnology to try and fix arteries

1155  
00:48:21,039 --> 00:48:26,110  
and hearts and things like that I don't

1156  
00:48:23,949 --> 00:48:28,089  
know how that can be but you know modern

1157  
00:48:26,110 --> 00:48:30,430  
science is racing here we've got AI now

1158  
00:48:28,090 --> 00:48:33,490  
we've got robotics we're in a very scary

1159  
00:48:30,429 --> 00:48:35,379  
where genetic engineer is going crazy so

1160  
00:48:33,489 --> 00:48:37,509  
I think it was a classic warning you can

1161  
00:48:35,380 --> 00:48:40,000  
take that as nanotechnology but can also

1162  
00:48:37,510 --> 00:48:41,920  
take its GM or you can take it as as

1163  
00:48:40,000 --> 00:48:43,690  
poison within the natural world from

1164  
00:48:41,920 --> 00:48:45,369  
chemicals that they're being sprayed

1165  
00:48:43,690 --> 00:48:46,630  
everywhere some of the some of the

1166  
00:48:45,369 --> 00:48:48,699  
farmers I mentioned about them cutting

1167  
00:48:46,630 --> 00:48:51,789  
out the formations some of the farmers

1168  
00:48:48,699 --> 00:48:54,129  
were actually went in and doused genuine

1169

00:48:51,789 --> 00:48:56,559  
formations with with toxic chemicals

1170  
00:48:54,130 --> 00:48:57,730  
they didn't cut them out so then when

1171  
00:48:56,559 --> 00:48:59,650  
the researchers went in there with

1172  
00:48:57,730 --> 00:49:01,030  
coughing and spluttering and sick you

1173  
00:48:59,650 --> 00:49:03,550  
know that's disgusting and that was

1174  
00:49:01,030 --> 00:49:05,710  
going on as well some of the helicopters

1175  
00:49:03,550 --> 00:49:08,470  
would fly over formations and would send

1176  
00:49:05,710 --> 00:49:10,150  
out a pulse beam so again as they were

1177  
00:49:08,469 --> 00:49:12,309  
flying up people suddenly sort of

1178  
00:49:10,150 --> 00:49:14,650  
feeling sick and nauseous and having to

1179  
00:49:12,309 --> 00:49:16,029  
get out the formation you know so you

1180  
00:49:14,650 --> 00:49:17,230  
know this stuff goes on the media is

1181  
00:49:16,030 --> 00:49:19,570  
never going to talk about that but it

1182  
00:49:17,230 --> 00:49:22,150  
happens but whether that specific

1183  
00:49:19,570 --> 00:49:23,950

disease i'm not sure but you know we're

1184

00:49:22,150 --> 00:49:26,019

obviously getting a sick of world as we

1185

00:49:23,949 --> 00:49:27,429

look around you know we're not in a

1186

00:49:26,019 --> 00:49:30,639

healthy world now unfortunately so

1187

00:49:27,429 --> 00:49:32,889

anyway thanks for that right but i think

1188

00:49:30,639 --> 00:49:37,210

we call it a closing night night school

1189

00:49:32,889 --> 00:49:39,099

bus 10 and Alan does go pack up and

1190

00:49:37,210 --> 00:49:41,079

notice he's got some DVDs you don't

1191

00:49:39,099 --> 00:49:43,569

facade you fail early yeah oh yeah so

1192

00:49:41,079 --> 00:49:45,519

I'm not gonna look at that um feel free

1193

00:49:43,570 --> 00:49:47,769

to stay round of a chat you know we're

1194
